WANT LEVITT SUED:

Pleading Innocence, Town Pushes Split

OYSTER BAY—Town officials expressed the wistful hope this week that homeowners in the Levitt-built section of Hicksville would take the matter of pools to court. They even pledged at a town board meeting that if litigation is commenced the board will delay all action on creation of a joint Levittown district until a court verdict has been reached. Meanwhile, despite ardent protests against legislation introduced last week to permit a joint Levittown district voted here Tuesday morning, the board in executive session went ahead and gave its official blessing to the bill in Albany.

The bill contains no statement, pledge or order regarding a new referendum vote, it was learned today.

Councilman Frank Chlumsky said publicly that he is opposed to any split of the Hicksville Park and Parking District. But he went along with the Board and approved introduction of the legislation, Tuesday.

ORGANIZE PROTESTS

Forty Hicksville and Plainville residents met Sunday night and banded together as the Township Civic Council of Oyster Bay. Among those present were the representatives of seven civic groups. They selected Gerard F. DeLorme of 134 Dartmouth Dr as chairman and Martin Lauer of Lee Ave as vice chairman.

They drafted and dispatched a telegram to Gov. Dewey demanding an investigation of the Town (Continued on Page 22)

Money and Lawyer Needed

Are we going to permit Bill Levitt or any other builder to dominate our community and government? The Oyster Bay Town Board made it clear, Tuesday, that if litigation is commenced regarding the terms and disposition of the pools by Levitt then the Town Fathers can halt all further legislative action until such litigation has been settled.

To take this question into court requires money. An attorney is needed. With your financial backing it can be done. The Herald will accept contributions for such purpose. Send or bring what ever you can spare to the Herald office, 98 North Broadway, Hicksville. All donations will be acknowledged.

CIVIC COUNCIL REVIEW:

Town Action Is Reverse Of Vote By Taxpayers

(Editor's Note—Copies of the following statement, compiled by the Township Civic Council, are being sent to all public officials of the township and authorities of the state legislature. If the present hassle is confusing, this may bring you up to date.)

Oyster Bay Town Board on Jan. 14, 1953, ordered a referendum vote be held.

The referendum was held at the Dutch Lane School in Hicksville in accordance with the order of the Town Board on Jan. 30, 1953. A total of 705 persons voted. The results were 435 in opposition and 193 in favor of creation of a joint Levittown District. The results were certified by three members of the Oyster Bay Town Board—Councilmen Frank Chlumsky of Hicksville, Lewis N. Waters of Syosset and Dudley McCabe of Massapequa. (Councilman George Thomas was ill), and verified by Town Clerk Leslie C. Disbrow.

The results were officially filed in the office of the Oyster Bay Town Clerk on Jan. 31, 1953.

On Feb. 10, 1953, announcement was made by Oyster Bay Town Supervisor Charles E. Ransom that legislation had been introduced on that date in Albany by Assemblyman John J. Burns of Sea Cliff and State Senator William Hults Jr., of Port Washing-

ton for the creation of a joint Levittown District.

The introduction of this legislation under the auspices of the Oyster Bay Town Board by the legislative representatives of the people of the Township of Oyster Bay is DIRECTLY OPPOSITE the will of the people as expressed in the referendum vote held on Jan. 30, 1953.

This is not a new problem. In the 1952 State Legislature, over the vigorous and strenuous opposition of civic groups and citizens, legislation was introduced by the same Assemblyman Burns and Senator Hults under the auspices of the Oyster Bay Town Board. This measure was Senate bill no. 1791, Int. 1693 and Assembly bill no. 1952, Int. 1889.

It was "An act to amend the Nassau County Civil Divisions Act, in relation to the Division of Park and Public parking districts in the town of Oyster Bay."

Gov. Thomas E. Dewey on March 31, 1952, approved this bill and filed with his approval a memorandum of explanation written by the County Attorney of Nassau County. This entire bill concerned the Levitt community hall and pools.

Oyster Bay Town Board, in accordance with the terms of this 1952 law, held a public hearing in Hicksville on May 9, 1952 which (Continued on Page 19)

PSC Studies Depot Problem

HICKSVILLE—An examiner of the Public Service Commission with Supervisor Charles E. Ransom and Councilman Frank Chlumsky made an informal survey of the local Rail Road depot platform arrangement, Wednesday. Chlumsky wants the PSC to order extension of the northside platform further west to permit trains to unload and take on passengers without blocking the Jerusalem Ave and Broadway grade crossings. The PSC official appeared to feel the proposal is practical, Chlumsky said.

1000 Seating for Holy Family

The site is about mid-way between Old Country Rd and the Oyster Bay Township boundary.

HICKSVILLE—United community action protesting the Legislation now in Albany which will permit Oyster Bay Town Board to turn over a portion of Hicksville to Levittown will be the main topic when the Civic and Community Assoc meets next Thursday night, Feb. 26, at the firehouse auditorium. Supervisor Charles E. Ransom has for a second time found it impossible to be present at a meeting of the Assoc it was disclosed by Program Chairman Leon Galloway. He has been invited to the March 26 session.

DOLLAR-POUND BEEF:

Food Plans Not All Bargains

HICKSVILLE—"Many frozen food plans are not the bargains they claim to be," Robert Williams of the Nassau Department of Weights and Measures told members of the Home Bureau at a meeting, Tuesday, Feb. 3, at the Trinity Lutheran parish house, here.

He said that by the time the side of beef is trimmed and packaged, the customer is sometimes paying \$1.00 a pound and more, even on some of the cheaper grades of meat. He said that there are only one or two companies that are worth while. Williams told the ladies they would be better off if they go to their own individual butchers and watch for a periodic drop in prices in order to buy for deep freeze units.

He urged homemakers to watch the weight and price on packaged foods such as meats and cheeses. He explained that errors can be made by the store employee who wraps and weighs meats in various price ranges. The shopper should check the weight and compute the price herself to insure accuracy.

"If you find an error, call it to the attention of the store manager," he said. He further explained that some meats are already packaged before shipment to the store and if an error is found, it may necessitate revising the price on the entire shipment.

"Watch the scales, ask the price per pound and then mentally compute the cost," he said in stressing the importance of developing the ability of arriving at an approximate cost for each purchase.

Dear Jean:

ALFRED W. RUSSELL, president of Aircraft Specialties Co. in Hicksville, has been nominated for mayor of Farmingdale, where he resides, to succeed HOWARD T. HOGAN, recently named township GOP chairman. RUSSELL has also been made a vice president of the L. I. Industry Fund for 1953 along with GEORGE H. HAUSER of Garden City. The latter is a director of the Bank of Hicksville. . . . FRED SUTTER, vice president of Hicksville Kiwanis Club, was presented with a perfect attendance tab by the club this week. He has not missed a meeting in the three years since he joined. . . . Supervisor CHARLES E. RANSOM was the guest of Councilman FRANK CHLUMSKY at the Kiwanis luncheon meeting at the Milleridge Inn, Jericho, last Wednesday. . . . HELEN WHEELER, Hicksville librarian, will be guest speaker tonight (Thursday) at a meeting of the Independent Art Society.

Despite the nasty weather on Sunday, many residents came to Hicksville Firehouse for the 50th birthday. The youngsters had themselves a real time ringing the bells and sirens on trucks right from the driver's seat. Some adults looked as though they wanted to do the same thing. Lighted fire alarm nap attracted great deal of attention along with old time photos and emergency gear. Bathpage Chief HAROLD LOONEY was a visitor during the day. . . . A board member said this week "Please, don't ever do that again." He was referring to suggestion that irate residents phone him, as per Herald last week. Jean seems to remember that this official is particularly fond of telling constituents "I am as near as your telephone." . . . We have extra petition forms at the office, if you want them, protesting new legislation to create Joint Levittown District which will cut into Hicksville up to Old Country Rd. People who got their first look at the new bill this week like it even less than they did when they first heard the news. Copies of it were brought down from Albany by special messenger to politicians' gathering in Rothmann's, Tuesday night. . . .

IRV BOTTO returned from Florida, this week and was back on the job Tuesday at his hardware store. . . . School elections do not take place until May but already the word is getting around about various potential and likely candidates. . . .

Vandals Wreck Market

HICKSVILLE—Extensive damage to the interior of the Blue Ribbon Market at 16 Herzog Place was caused this week by unknown persons who are being sought by detectives of the Second Police Precinct. Ludwig Sanders, proprietor, estimated damage to the premises and his meats and produce at "over \$500." Forty dollars in cash was also stolen, he reported.

Sometime between closing on Wednesday and 8 o'clock Thursday morning, when the damage was discovered, forced entry was made

thru a rear door of the store. The thermostat of the heating system was turned up and refrigeration unit was shut off, resulting in a high degree of meat spoilage. The Blue Ribbon is now closed for alterations.

Final Concert Of This Season

HICKSVILLE—The final concert in the current series of the Community Concert Assoc. will be presented by the Concertants, an instrumental ensemble, tonight (Thursday, Feb. 19,) at 8:30 in the High School Auditorium.

Virginia Peterson, cellist, was born in San Francisco. She has studied both here and abroad through musical scholarships. Upon her return from Europe, she worked with Alfred Wallenstein, conductor of the Los Angeles Philharmonic. Since then she has been associated constantly with outstanding ensembles.

Gertrude Enary, concert pianist, comes from a musical family. Her career was inspired by her grandfather, the European concert pianist, Max Fritsch. She organized her own concert ensemble and varied the conventional pattern of instrumentation which developed a unique repertoire for chamber music groups.

Stuart Canin, violinist, is a native New Yorker. He served with the special Services touring Europe with Eugene List, pianist, entertained at Potsdam for the conference of the Big Three. Since then Canin has made a highly successful New York debut in a recital at Town Hall.

Beatrice Schroeder, outstanding young harpist, is a native of New Jersey. She began studying the harp at the age of eleven and has been taking honors ever since. For the past six years she has been a member of the Radio City Music Hall Symphony, the youngest harpist ever to hold that post.

ABOUT PLAINVIEW AMVETS:

First Teen Affair Great Success

By TOM PAYNE

The first planned affair of the "Plainview Teen-age Club" turned out to be a howling success. The decoration committee did such a splendid job in the school auditorium that one could hardly feel the atmosphere of a school. It was the first time they didn't have all the games going strong.

It was a Valentine's Day dance. The young ladies were not to wear sweaters and the young men were requested to wear a suit and tie. It was their own ruling and they certainly complied. Several dance contests were conducted and prizes awarded the winners. Miss Lillian Maggio and Thomas Connelly walked off with awards in the conservative dance and Miss and Mr. Esposito took honors in the Lindy contest. Refreshments were served and a good time was had by all.

The get-together, work-together attitude those youngsters display

is something for us older people to be envious of.

Among those residents who were guests for the evening were, Mr. and Mrs. Norman Reilly, Mr. Tuttle, Mrs. Payne, Mrs. McLaughlin, and Mrs. and Mr. Funfgeld. Several other parents showed up in the course of the evening and we were very pleased to meet them. One couple (Mr. and Mrs. Gallagher) were looking in the windows of the school to admire the decorations.

Perhaps you parents and other residents of this community don't realize that we'd like you to come down to the school any and every Friday night to see how the youngsters are progressing. Just don't come too early—about nine thirty or a quarter of ten will do nicely. Then you can assist in the problem of transporting the youngsters to their homes. That problem becomes greater each week. It's all

right to let the faithful few make two, three and four trips to take the teenagers home but I think it's about time some of you parents got together and formed a pool—take turns with a little group each week. Try it once—you'll find you enjoy their company.

The last Saturday in January we had the first of what we hope is going to be a series of adult socials in the Plainview Firehouse. About twenty people showed up and had a very nice time. Ping-pong Table, card tables, chess, checkers and refreshments were available to all. Plainview AMVETS Post #11 was presented with Post colors by a former resident of Plainview—Mr. Fraser. It was a gesture which we all appreciated and will not likely forget. Thank you very much "Pop".

An award was presented to an unsuspecting resident for services rendered the community during the year 1952. All of you who are familiar with the achievements and sincerity of Peter McIntosh will agree that it was a deserving award. He has set an example that many of us could and should follow. Those of you who are not familiar with him or his name will become aware of his accomplishments in the future. He has an excess of energy which he applies to worthwhile ventures.

It has been brought to my attention that the adult socials were not publicized enough. The methods used thus far were the best we could do with a non-robbery making affair. We realize now that something has to be done to draw a large enough crowd so we can explain our aims. Something which takes a little more planning. We are hoping you people will give us your cooperation and attend an affair which will be held in the Plainview Firehouse on the fourth Saturday of March. That's March 28. . . . mark it on your calendar. If you can promise your cooperation, we can promise you a good time.

BRIAR PARK, PLAINVIEW:

Area Gave Dimes March \$119

By ETHEL ROONEY
Hicksville 3-5324

Hello Folks,

It feels strange to be home on a Monday morning. For the past four months I've been catching that 8:05 bus for town every morning. However, now I'm retired again and home for good. It's a nice feeling.

Briar Park collected a total of \$119.72 for the March of Dimes. That is almost double last year's collection and hearty thanks are extended to all contributors. The collectors for Briar Park were Mrs. Reth Williams for Nassau Avenue and Mrs. Virginia Curran for Audrey Ave. myself for Virginia Ave. I don't know the names of the helpers Mrs. Williams and Mrs. Curran had, but my two were Mrs. Vera McIntosh and Mrs. Onnalee Tuttle. Mrs. Kay Stauber, chairman for Plainview, has asked me to extend her sincere thanks for all their help.

I understand the Boy Scout drive for Plainview has topped its quota of \$500.

Sincere sympathies are extended to Mrs. Vera McIntosh and Norman Riley on the recent death of their Grandfather in Canada. Both Mrs. McIntosh and Mr. Riley, who are cousins, made the trip to Canada for the funeral.

Finally Briar Park's empty lots are being filled in. I was getting a bit annoyed at the messy appearance of these empty spaces, but it

will be really nice to get houses on these spots. I don't know just how many houses there will be, but there are four just on the corners of Virginia, Audrey and Park Place.

We finally got our Jimmy back from his Grandma. He had a wonderful time till last Thursday, then homesickness struck. Poor Grandma and Grandpa had a terrible time keeping him happy till Saturday when Jim got him again. Now we've got Jim again. Jimmy's pet dog, Bambi, kept us up a couple of nights crying in his room for him. The Auxiliary of the Plainview Amvets Post No. 11 is having an award of a Basket of Cheer on March 4th at our regular meeting. If you're interested why not stop by?

After breaking three mixing bowls for my Mixmaster in the last year—and repair them at a cost of over two dollars each, I've finally investigated those flexible plastic bowls. If you've got my trouble with breaking bowls—try it too. It costs under \$1.50, fits most Mixmasters (the manufacturer says all) and best of all—it doesn't break. That's my household hint for today.

Don't forget to call with those choice items. Also, if your subscription to the Herald is just about due, why not call and let me take care of renewing for you? Don't take a chance on missing any issues.

Chapel Celebrates First Year

PLAINVIEW—The Plainview Lutheran Chapel on Central Park Rd. here, will celebrate its first anniversary this Sunday, Feb. 22. A buffet supper will be held at 5:30 in the evening for the congregation, Sunday school parents, friends and their families, according to the Rev. John Hinsch, pastor of the new congregation.

The buffet will honor Rev. Edward H. Stammel, pastor of Trinity Lutheran Church in Hicksville, who organized and directed the formation of the new Plainview church.

Rev. Hinsch was recently installed as pastor here. He is making

his temporary home with Mrs. Hinsch and their three children, John Henry, age 8; Lois Ann, 5, and baby Paul Richard, in Melville, until the new church building is erected in Plainview.

He attended Concordia Collegiate Institute in Bronxville and the University of Minnesota before transferring to Concordia Theological Seminary in Springfield, Ill. He graduated from the Seminary in 1946 and became a missionary at large being assigned to Putnam Valley, N. Y.

Before coming here, he was in charge of the mission congregation at Putnam Valley and during his charge there a church was erected.

Vamps' Door to Door Appeal Starts Sunday

PLAINVIEW—The volunteer firemen of this community will begin a house-to-house canvass at 10 o'clock Sunday morning, Feb. 22, weather permitting, it was disclosed today by First Asst. Chief Harry Zimmer. They will start in the Knickerbocker development and work south to Plainview Country Homes.

The vamps will also make it possible for residents to purchase tickets for the fire dept. annual spring dance at the firehouse on April 25 and to take part in the award of a basket of cheer and other prizes.

The firemen will be wearing their uniform hats and badges for identification, Zimmer said, asking the fullest cooperation of the community in this annual appeal.

The new extension to the local firehouse on Old Country Rd is started which will more than

double the apparatus space of the headquarters. Steel work for the addition arrived this week.

The canvass will continue on succeeding Sundays until all Plainview is covered.

Jewish Women Select Project

Central Nassau Section, National Council of Jewish Women's newest Community Welfare project is the Nassau Hearing Society in Mineola, a member of the American Hearing Society, Chapter 163. This project will be discussed by Mrs. J. Leigh, Vice-President of the Nassau Hearing Society at a meeting of the NCJW on Wednesday, Feb. 25 at the Hicksville Synagogue on Barclay St., Hicksville, 8:30 P.M.

Hard of hearing in Nassau County have, in the past, been sadly neglected. There were almost no available facilities for lip-reading, speech training and rehabilitation, or hearing aid consultations. Children had to travel all the way to New York City, a fatiguing, discouraging and expensive process for both Mother and youngster. The Public School hearing conservation program has done an admirable job but some supplementary work was indicated, particularly for the pre-school age.

A small group of interested nurses, speech teachers, doctors and parents of hard-of-hearing children recognized the need for a Hearing Center. The Superintendent of Nassau Hospital in Mineola generously donated four large, bright rooms in the basement of the Nurse's Residence for the use of the Society.

From the inauguration in May until July the office was maintained by members of the Ladies Auxiliary who gave their time cheerfully and efficiently. Teachers volunteered to do audiometric testing and personal interviews.

Now it is launched on a winter teaching program. School children come once or twice a week for speech and lip-reading. At present there are 69 children enrolled. Plans are now underway for an adult program in lip-reading, which should be starting by March 1st. All hard-of-hearing adults 16 and over are welcome. Work is done entirely with the hard-of-hearing and not the deaf, as one is so often confused with the other.

AUXILIARY POLICE NOTES: Trained Unit Anxious to Assist

By RUTH SCHULZ
Hicksville-Plainview Auxiliary Police met on Wednesday night, Feb. 10, in Hicksville High School. Thru the kind invitation of one of his organization's members, Lt. Clifford Goff, I was able to observe this meeting and the inspection of men and uniforms which immediately followed.

This group now has 120 registered men, 74 of whom have been outfitted with uniforms. These uniforms present a very fine appearance and their ownership would certainly appear to be desirable. However, Chief Thomas Cullen, head of the Auxiliary Police, stressed the possibility that some of the men now in possession of said uniforms, would be asked to turn them in, due to their continual absence at meetings and drills. There is quite a waiting list among the members for uniforms, and Chief Cullen feels it only fair that these more active members receive them.

The men were congratulated by their chief for the excellent turnout of 91 members in the last CD drill. Thus their training and efficiency, it is now possible, in the event of a national emergency, to pose the Hicksville-Plainview area off completely in 20 minutes time, he said.

Directly following the business of the meeting, the men were lined up in the school corridor for inspection by Sgt. Frank Lehmann, of the Nassau County Police Force.

While watching these very impressive proceedings, I was suddenly struck with the potential man-power assembled within this group. As it stands now, these men are giving freely of their time and energies, and are being competently trained by our regular police force. This training can only be improved by putting it to practical usage. These men are not only willing, but eager, to have more active participation in police work.

Unprotected school crossings

could be manned by this organization, with the sanction of those in authority. The Friday night shopping crowds in Hicksville could be eased considerably, as well as the traffic congestion present on Sunday mornings. Our regular police do a wonderful job, but a little help would go a long way to lessen their burdens.

More members are still urgently needed, so if you want to sign up with an organization with a purpose, this is it!

The Confraternity group of St. Martin of Tours Church held a successful Valentine Day dance on Friday, Feb. 13, at the parish hall.

About Lady Drivers Parking

By RUTH SCHULZ
Hicksville 3-2649-R

If the "scuttlebutt" that has been floating around here is true, seems like quite a few neighbors around these parts are going to be new car owners in the very near future. Can just picture the gentleman out every nice day, polishing the new finish right off these new vehicles! Guess I will just have to go on being content with my little old jalopy.

Maybe some of you gals have noticed the queer fascination of the opposite sex whenever they are around, of watching with ardent intent, the parking of an automobile by a female. Many times, particularly after fitting a car into a tight place and having a rough time of it, I have observed one or two of these characters leering gleefully. It must be quite a pastime, as they seem to enjoy themselves completely. Have to try it sometime, when I have nothing better to do, only I'll watch the guys and see how good they are I don't think!

Won't mention any names, but thought you would get a tickle out of this new twist in the family budget. Heard of one the other day that had expenditures for miscellaneous items that added up to more than the groceries! I don't dare keep one, afraid I'd find the

spending more than the getting. Two birthdays for Feb. 14. First Ellen Bruns, daughter of Mr. and Mrs. Bernhard Bruns of 3 Gables Drive, who was five years old on this date. Helping her to celebrate, were her grandmother and grandfather, Mr. and Mrs. Vincent Kropp, and her uncle, Mr. John served on this day was that of Mr. A. DeVito of 4 Princes St.

Miss Janet Wilson, daughter of Mr. and Mrs. George Wilson of 24 Gables Rd., who was 12 years old on Feb. 16, including the two older daughters, Loretta and Barbara, were guests at a wedding in the family, taking place in Brooklyn.

Those couples celebrating wedding anniversaries recently were Mr. and Mrs. Joseph McKee of 33 Gables Rd., who were married 13 years on Feb. 4. Mr. and Mrs. Joseph Graham of 19 Gables Rd., observed their 10th anniversary on Valentine's Day, which certainly would seem an appropriate day to be wed. Surely any male would have enough reminders to help him remember and thus keep out of the dog-house.

Valentine's day party was held by Tommy and Gregory Soininen of 5 South Elm st. for a group of young friends, Saturday. Among those present were Nancy Perkins,

ALONG WOODBURY ROAD:

More About Collies and Buddy

By MAY MALJEAN
Hicksville 3-6515

Brother and Sister I bid you beware, to give your heart for a dog to rear—Kipling

After my husband's comment last week about seeing an ad for a lost Collie, after having let such a dog evade him the week before, we have had a number of phone calls from good-hearted readers who have seen Collies running loose.

I phoned the woman who ran the ad, but fortunately her dog was found. It has come to the point now where all one needs to do to obtain a pet—is to walk outside and select one—just like that. Of course, it may belong to a neighbor down the street, whose love for animals reaches the point of ownership—but when it comes to feeding, the garbage cans are wonderful snack bars for the animals. This also eliminates the job of walking the dog, providing other residents with the task of cleaning

up their soiled yards.

We had a wonderful dog, a German Shepherd, who was in the service with my husband. He was on patrol duty, and was responsible for saving the lives of several men. After being wounded, he was sent to the rear with my husband. While recuperating, his heroism still remained with him. He was out for a stroll, and suddenly jumped upon one of the servicemen so as not to let him pass, and went on to subdue a rattlesnake that was lurking in the road ahead.

When my husband was to leave the island, to return home, the dog was forbidden passage home and was to be destroyed by his owner. He paid the captain of a tramp steamer to take the dog with him to arrive home by a devious route. It was months before we saw the dog again. All the while—we were holding our breaths. We had been informed that a military dog would develop vicious ways but Buddy was the perfect companion to our daughter who was then an infant.

As a discharged veteran he was entitled to free medical care in respect to service inflicted wounds. He later died at Elken Spetz Hospital. While in the service, he would stand at attention with the men at morning roll call and barked when his name was sounded. We have pictures of Buddy with his canteen and helmet proudly standing with the platoon.

Getting to the news, a baby shower was given for Mrs. Walter Burrows on Thursday, Feb. 12. This was given by Mrs. Robert Surprise.

I've been studying my line for tonight's play at the PTA meeting, but—in of the opinion my daughter, Dolores, knows the part better than I. See you tonight at East St. School.

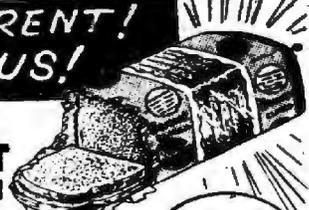

A gentleman contributed the recipe for this week. Ernest Donner is the donor. So far, we have printed dishes familiar to the people of Lebanon, Hungary, India, and France. It will be a pleasure to include today this German dish: Sauerbraten and Potato Balls.

This is the revised quick method, eliminating the soaking of the meat from one to two days. 5 lbs. boneless chuck roast. 1 TBL salt. 1 T pepper. 1 medium onion sliced. 1 1/2 c vinegar. Rub meat well with salt and pepper. Place in pan with onion, vinegar, and water. Place in pre-heated oven 350 degrees F. Cook half hour per lb. Baste frequently. Gravy: 1 1/2 T melted butter. 8 ginger snaps crushed. 1 TBL molasses. 1 T sugar. 1 C hot water. 1/2 cup seedless raisins (optional). Mix butter—ginger snaps—molasses—sugar and salt; Stir in hot water. Add raisins. Cook 5 minutes under slow heat. Stir until thick. Add stock from roast and stir until smooth. Potato Balls: 4 lbs. potatoes. 1 box Unesda Biscuits unsalted. 1/4 T nutmeg. 1 TBL salt. 1/2 T pepper. 8 TBL flour. 1 egg. Cook potatoes with jackets on—peel and let cool. Rice the potatoes. Add the rest of the ingredients and knead. Form into balls and drop in boiling salted water. Let rise to top—then cook five minutes. Serve with the meat and gravy. Ernie's wife—Ruth—is very lucky to have a hubby so handy in the kitchen. Next week my husband Gene will give you his recipe for hamburger.

Mr. and Mrs. Mueller of 46 Crescent St. celebrated their seventh

wedding anniversary on the 11th of February. Their next door neighbors Mr. and Mrs. Joseph Fischer of 44 Crescent also celebrated their seventh year of matrimony on the (Continued on Page 18)

Woodbury Gardens Civics' Notes:

REMEMBER the regular February meeting will be held tonight, (Thursday, Feb. 19) in the Cafeteria of East St. School at 8 P.M. We shall have a representative from the Boy Scouts of America at the meeting to talk to us about cub scouting and the requirements for sponsoring a Cub Scout Pack in Woodbury Gardens. It is important that at least one parent of any boy between eight and eleven years old be present at this meeting.

Matthews, 115 Miller Road. Incidentally, pictures of Santa and his visit to Woodbury Gardens will be printed for those who want copies. The pictures will again be on display at tonight's meeting, and, if possible on Saturday Feb. 21 at the following locations: 1 P.M., Vincent and Fulton; 1:10, Smith and Fulton; 1:20, Briggs and Fulton; 1:30, Ketcham Road and Fulton; 1:40, Ketcham Ave. and Crescent; 1:45, Washington and Crescent.

Your Executive Committee met Feb. 17 and discussed many relevant items of Association business all of which shall be reported to the membership tonight.

Thanks to the contributors and workers for their cooperation during the Boy Scout Fund Drive. Many a harbinger of Spring will appear during the next few weeks. Among these will be an increase in the numbers of children playing in the open, and, we hope, a decrease in the virus and respiratory ailments so prevalent recently. So please, please be careful driving your car, and do try to practice your driving outside our residential area. It's difficult enough for an experienced driver to stay alert to the hazards of children's precipitous actions. We moved here to benefit the children. Let's not hesitate to protect them. An ounce of carefulness can prevent a pound of incurable conscience.

Your Civic Improvement Committee has presented your complaints to the builder, and we have received a pledge to correct defects whenever possible within the limits of his responsibility. Most of the roads throughout our development are now the sole responsibility of the Town of Oyster Bay. Despite our repeated warning of the poor condition of the roads, the Township has accepted Stackler and Frank's offer of dedication. What gives?

For those of you who have asked us to repeat the listing of social activities for adults made available through your Social Activities Committee, we shall do just that. JUDY'S JOTTINGS:

Edna Frame Becomes Bride

By JUDY de JONGH
Hicksville 3-2476-M

Miss Edna Frame of 14 Daisy Lane, Levittown, was married to Wesley Bookstaver of John St. Hicksville, Saturday, Feb. 14. The nuptials took place at 5 P.M. at the Levittown Community Church. The bride wore the traditional white satin gown trimmed with lace and a floor length veil held with a crown. The bride, daughter of Mr. and Mrs. John Frame, carried an old fashioned bouquet of white roses. She is employed by the Central National Bank of Williston Park. The groom is the son of Mr. and Mrs. William Bookstaver of Hicksville.

Miss Joyce Frame, the maid of honor, wore a shrimp taffeta gown, and carried carnations to match with pale green ribbon. Clifford Bookstaver, brother of the groom, acted as the best man. The flower girl, Miss Deborah Sawyer, of 6 Loretta Lane, Hicksville, wore a pale green taffeta dress, and carried an old-fashioned bouquet of shrimp carnations with shrimp ribbon. The ushers were John Rudd and Francis Sawyer of Hicksville.

The reception following the ceremony was held at the home of Mr. and Mrs. Francis Sawyer of 6 Loretta Lane, where a buffet dinner

was served. Refreshments included turkey, ham, shrimp and potato salads, and rolls, with the wedding cake as a centerpiece.

Happy Birthday to Ronald Podalsky of 12 Washington St. Hicksville. Ronnie was 6 years old on Feb. 26, and is sporting a brand new bicycle.

Congratulations to the Michael Faheys of 2 Grant Court, on the birth of a son, Brian. The baby weighed in at 7 lbs. 14 oz. on Feb. 7 at the Mercv Hospital.

Nicholas St. P.T.A. is hard at work preparing for a variety show to be held in March. Some excellent talent is on the list of entertainers, but much more is needed. If you are talented and would care to take part in what promises to be a wonderful affair, call Mrs. John Pepper at HI 3-5264-W for an audition.

Miss Juliana Apollonio of 92 Benjamin Ave. celebrated her birthday with a sweet 16 party Saturday, Feb. 14 at her home. The game room was gaily decorated with red and white streamers and balloons. Those present for the celebration were Miss Barbara Strauss and Miss Peggy Hutchinson of Levittown; Miss Barbara Viola of Bayside; Miss Dolores Pontoni, Miss Rachel La Magna Michael Warfield, Roy Sawyer Roger Klein, and James Sherry of Hicksville.

Also present for the occasion were Miss Apollonio's grandmother and uncle, Mrs. Rachel De Mattia and Mr. Gus De Mattia, of Brooklyn; Mr. and Mrs. Emanuel La Magna, their daughter, Marie and her boy friend, Tom Cucuraro; Mr. and Mrs. Anthony D'Agostino and Mrs. Gilda Massaro, of Levittown; Mr. and Mrs. Frank Cirille of Seaford; Mr. and Mrs. Matthew Viola, and Mr. and Mrs. John Rizzo, of Bayside; Mr. and Mrs. Angelo Galletta and Mr. and Mrs. Matthew La Bana, of Corona; and Mr. and Mrs. Mike Guiracci of Brooklyn. Refreshments were in abundance, and included antipasto pot roast, fresh ham, chicken salad, tomato halves stuffed with lobster and crabmeat salads, hard boiled eggs, olives, celery, and pickles.

NORMAN LOVETT of 100 Underhill Ave., Hicksville, was graduated from Oneonta State Teachers' College, Oneonta, N. Y., on Jan. 23. He is now a member of the faculty of the Plainedge School where he teaches the sixth grade. He is a graduate of Hicksville High School and served with the U. S. Army for four years during World War II. He is married to the former Miss Marion Sumner of Hicksville and they have a son, Buzzy.

Cocktails were served to toast the guest of honor, and desserts included a Swedish twist and four decorated Valentine cakes.

Mr. and Mrs. Kenneth de Jongh of 32 McAlester Ave. entertained the Charles Grahams of 91 Benjamin Ave. Saturday evening with a Canasta session.

We're glad to hear that George Scheriff of 78 Benjamin Ave. is up and around again after a bout with the flu.

The Boy Scout drive is over, and this reporter would like to publicly thank all the wonderful gals who assisted in making the drive a success. The weather was terrible, and the work was hard. Perhaps next year we can convince the fathers that this is one drive for which we should be able to expect their support.

SPONSOR RECITAL

The Women's Guild of the First Reformed Church of Hicksville will sponsor a recital given by Miss Harriet Spink and her pupils on Thursday evening, March 5 at 8:15 P.M. Refreshments will be served in the Sunday School room and a free will offering will be taken up.

"HEY! YOU CAN'T MAKE CALLS ON PART OF A PHONE!"

The picture above is one way to indicate how inflation has cut into the job of providing you telephone service.

In 1940 it cost us an average of \$36.50 to install a home phone—all the wires and equipment needed, from the street in. Today it costs almost half again as much to do the work!

It's a big job to supply service to all

who want it. We are pushing ahead with our big expansion and improvement program as fast as possible, but increased costs have made it the most expensive investment we have ever undertaken. These increased costs have shrunk the dollars we have set aside to replace telephone plant that wears out, but we have not allowed them to interfere with our expansion program.

Everyone feels inflation, of course. Your cost of living is up 92% since 1940. Our costs have soared too! Yet, during the same period, the average price of telephone service has increased only 15%. Operating efficiencies and technical improvements have narrowed this gap, but they fall far short of closing it.

We think these facts speak for themselves—especially since telephone service today is better than ever before.

How Telephone Company costs have gone up since 1940

Levitt Dictates Package Deal And Town Board Goes Along

"No pools unless we join up with Levittown." That's the Levitt word according to Town Supervisor Charles E. Ransom in commenting on the Oyster Bay Town Board's decision to ignore the results of a recent referendum when the joint Levittown district was rejected with 485 in opposition and 193 in

favor. The Board last week decided to rush special legislation in Albany to permit the setting up of a joint district with Levittown for the operation of the pools and Hall. Levitt insists on a package deal with Levittown Hall going along with the pools, whether it is wanted or not, officials said.

Ransom's explanation of the Board's action was that in the face of Levitt's ultimatum, joint operation was the only "practical" method available. He did, however, explain that the problem is not yet settled in that the Board still has the power to establish a swimming pool district in Hicksville. This would follow out the desires of the people as expressed in the referendum of Jan. 30.

Councilman Frank Chlumsky of Hicksville said that he wants the subject of a swimming pool district within Hicksville kept open.

Councilman Dudley McCabe of Massapequa said that he goes along with Supervisor Ransom.

Councilman Lewis N. Waters of Syosset declined to say anything about the decision.

Councilman George Thomas of Locust Valley said that he has been ill for the last several weeks and has not participated in the decision.

The SENTINEL

"I Don't Know a Thing About It"

When the news of the proposed joint district with Levittown broke on Tuesday of last week, immediate efforts were made to rough Supervisor Ransom and Councilman Chlumsky of the Town Board of Oyster Bay. The information had been released that Supervisors Ransom and Herman of Hempstead had met and reached an agreement which was being incorporated in legislation to be sponsored by State Senator Hults and State Assemblyman Burns. Forming part of the release was a lengthy statement from Ira Goldman of the Levitt organization endorsing the proposal, a most unusual procedure in emitting press releases for governmental action.

Ransom could not be reached. Chlumsky was reached. "I don't know a thing about it", he said, "I can't say a thing until I've talked to Charley in the morning. I don't know what's in the bill. I'll have to find out tomorrow".

Ransom was reached at his office in Oyster Bay next morning by a delegation of nine spontaneously organized the night before. "No I did not meet with Ira Goldman; there was no meeting with Ira Goldman, Herman, and myself", Ransom said. "I would not know Ira Goldman if I fell over him". "No I don't know Bill Levitt; I wouldn't know him if he walked into this room."

Levitt's Demand

Ransom revealed much interesting background information. Levitt had withdrawn his offer of the pools to the Town Board of Oyster Bay and had insisted that he would deed them only to a joint district with Levittown and only if the Hall were part of the package. Astonishingly, THE TOWN BOARD WENT ALONG AND ACCEPTED LEVITT'S DICTATION.

Hicksville Park and Parking District

Ransom kept insisting that the Hicksville Park and Parking District would not be split. It was pointed out to him that the official news release had said that the District would "remain intact as a parking district", pointedly making no mention of the "park" function of the District.

Apparent Effect of the Legislation

As copies of the legislation have not been available, interpretation can be made only from the official press release. Seemingly, the pools, playfield, playground, and the hall, and possibly the parks, will be included in a joint district with Levittown administered by both Town Boards. The district will undoubtedly be dominated by Hempstead, where most of the facilities exist. We will be taxed for the Hall even though we voted not to be, and even though Ransom, in a letter to Emil Szendy said, "But I will take no part in putting additional tax burdens on these persons, unless they themselves, by the majority of the votes, express their desire for it."

We will be taxed to support all of the Levittown playfields even though they are remote and inaccessible to our children, and in turn will derive support for only one playfield.

The area will be split in its tax responsibilities and government. In major part, for our schools, fire fighting, water service, etc., we will be allied to Hicksville; for the Levitt-built facilities we are being split from Hicksville and allied to Levittown.

As pointed out to Councilman Chlumsky by a Hicksville school administrator, Abraham Levitt field, used last year in connection with the summer school recreational program, will be part of the new district and its use restricted to Levittowners—and only Little Leaguers at that—consequently unavailable for use and unusable by the Hicksville School District which is financed by all Hicksvillites and must serve all.

The field directly adjoins the new Hicksville Dutch Lane School. The school, naturally, is in the Hicksville School District; the field will be in a Levittown joint District.

Everybody's Concern

Councilman Chlumsky, in speaking to oldtime Hicksvillites, made efforts to dissuade them from entering into the controversy. They would not be taxed for the Hall so why should they worry? It was a problem for our area of Hicksville homes only. Somehow, he implied, we were a people apart.

No, Councilman Chlumsky, this is a matter for all Hicksvillites, and for all people of the township as well. It gives everyone a real picture of how little we can trust our public servants.

Dangers of Levitt Ideology

Setting people apart because they own the same kind of house, or because they have within their area swimming pools intended for their exclusive use, while they are allied to others in essential community services such as the schools, verges on the ridiculous and is fraught with obvious danger to the peace of the community. Councilman Chlumsky proposes to stamp us as "Levittowners". Next, perhaps, we will have Frankers, Allies, Spieglerers and Jaders, all factions with jealously held separateness. How will we work together if that kind of ideology is fostered and promoted? Breakdown of community solidarity seems to be sponsored by our own Hicksville public officials. If that is the case, they need to be told the facts of community life in no uncertain terms.

Brotherhood Week

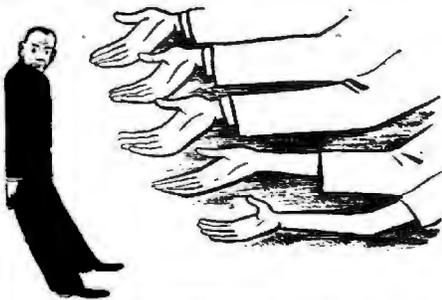

This is Brotherhood Week. In the midst of all this stupid selfishness about two pools, a hall, and a play field, which must be restricted to Levittowners no matter how destructively achieved, (perhaps preferably destructively achieved), it might be well to recall the words of President Eisenhower, "Without tolerance, without understanding of each other or without a spirit of brotherhood, we would soon cease to exist as a great nation".

Perhaps, in this little segment of America, that is the real objective, that we cease to exist as a great nation.

Pools Were Part of House Price

By FLORENCE VRYN LE 3-6487

In the remote possibility that you don't know how I feel about the pools, hall, etc, let me make a few points that I feel are important to me as a taxpayer and the purchaser of a Levitt house. I have heard some say the pools are a gift to the owners of these homes by Levitt and therefore he may set the conditions for that gift. Nuts!

Do you consider your Television set that came as part of your house as a gift? Of course not. When you considered the purchase of this property was it not part of the inducement offered to you to buy. You certainly did not move in and discover that the set was an unexpected bonus because you were especially favored by the builder. So with the pools. When you came out to look at the model house, the pool was displayed in the background as part of the advantage to buying the house. You considered it when you weighed the arguments for buying this house in preference to others. When the advocate of the split argued last year they made a point of saying that part of the purchase price of the house went toward the construction of said pools. Therefore, every homeowner has an interest in the pools as well as the builder has. Why therefore must the conditions for donating them be dictated by the builder? We should have as much weight in determining how they are operated and by whom.

Remember, you are by accepting the tax burdening yourself for years to come. Why introduce the foolish argument that the pools are a generous gift? You might just as well say that the roads Levitt built also are. They were part of the conditions you weighed when you considered plunking down your hard earned cash for this house.

I agree they are a fine addition to everything else, but it was no surprise to find the roads here when I moved in. I investigated to be sure they would be, just as I knew the ads claimed the pools would be available for my use when I purchased a Levitt house. The ad said for my use, and did not say only for two summers. If when I bought the house the pools were for my use and nothing on my side of the bargain is different. I still send the long green in to the bank every month, then conditions on the seller's side should not change either.

The pools are for my use and I can't for the life of me see why at this stage in the contract the seller has the right to change the conditions which were part of the

inducement to buy. So don't expect me to go all misty-eyed at the thought of this "gift".

"Gift" my foot. They are no more a gift than my Bendix, and the builder has no more right to say I can swim in them only on his terms than he has to tell me I can no longer use the Bendix

unless I use Tide. (I shall expect a carton of same in return mail for the commercial)

I like my house and I got what I paid for, but there were no favors done on either side. It was a business deal, and let's not confuse the issue by putting it on any other basis.

NORTH EAST REPORT

Libby Ave. House Was Entered

By JUDY WILSON
 Hicksville 3-1848-W

Edward Ellis of 8 Boblee Lane had a birthday—and a party, of course—on Feb. 3. Edward is getting up into the big league, since this was his fifth. Kenneth and Dennis Graul were there, Mary Jane Herran and Lynn Reece, and Edward's sister, Debbie.

Saturday, Feb. 7, was the March of Dimes Ball at the Garden City Hotel and Mr. and Mrs. Schmeble of 50 Libby Ave. were there. To watch Nancy Combs, Kathleen Schmeble's girlfriend, be crowned queen of the ball.

Zelma's foremost hostess, Joyce Ellis of 8 Boblee Lane, had a cosmetic party Thursday, Feb. 5. Peggy Newton cosmetics, advertised in Vogue magazine. Debbie Young, Anne Graul, Agnes Herran, Linda Pancyk, Rebecca Worrell, Mary Herran, Doris Reece, and Marie Esposito were all there. Joyce served cake and nutbread, and how we wish we'd been able to be there! Two of the things we like best in the world—cosmetics and nutbread. What a combination to miss!

The George Osbornes of Violet Ave. spent the week in Kingston, New York, and on Feb. 7 it was Eileen Osborne's 12th birthday.

This has been a busy household! We hear tell the dogcatcher was here the other day and picked up four dogs who were running loose. Costs \$20 each to get them out of the pound, or they're done away with in a few days. Need we reiterate—keep them fenced in or tied up, dogowners!

Dot and Joe Ryan's house on Libby Ave. was broken into Friday, Feb. 13. The job was evidently done by children, since nothing was taken. But candles and matches were lit, an expensive camera was ruined, and the house was generally torn apart. It seems obvious that then danger to everyone here. The house might have burned down and the children with it. Perhaps the same advice we gave to dogowners would be the point here. Memo to parents: Keep your children fenced in—or tied up.

We hate to end our column-writing on such a gloomy, stern note. But end it must. There aren't enough hours in the day to answer all the calls on one's time. And we think everyone's in the dilemma of having to choose what's most important. So column-writing, which after all is a luxury for a housewife, has to go. It's been fun and most enlightening. If anyone would like to take it over, please contact me—or the Herald.

OFF SOUTH BROADWAY:

How To Get Oyster Bay Job

By BUNNY LAUER
 Hicksville 3-2794-J

Did you ever give much thought to writing a column? Of course, it has to be written in advance and here I was all set to say what a beautiful week end we had. I certainly would have felt like a fool after Sunday's downpour. Just like fooling the public. Anyway then I might have been eligible for a position in Oyster Bay, huh? You know, turnabout! Talk about a sell out! We "was robbed". Well, the fight has just begun and though we didn't start it, we will all fight back until justice is done.

The Woodleys of Cottage Blvd. sure had a house full of guests Sunday. There were Mr. and Mrs. Hank Hauser of N.Y.C., Mr. and Mrs. Al Budman and daughter, Michele, and son, Steven, of Plainview, Mr. and Mrs. Irving Rathner and children, Joan, Scott and Wimpy.

The Merklers of Lee Ave. entertained Hilda's folks, Mr. and Mrs. Reichrath and daughter, Loretta, of Flushing on Sunday.

Mabel Teubner of Lee Ave. was a busy lady last week. While she and Mrs. Nancy Roseberry were busy printing cards for the Junior High School P-TA, a phone call reveals a long lost friend of Mabel's who was coming over to visit her with six of her seven children. Mabel managed to get the dripping card off the floor and furniture before Mrs. McAleavy and most of her family from Baldwin Heights arrived. She managed to entertain them without the loss of a single card.

Her luncheon guests on Thursday were Mrs. Paladino and son, Vincent, of Elmont. Judy Teubner and Vincent were in the same classes from kindergarten through fourth grade way back when both families lived in Manpath. It is always so nice to see old friends.

Mrs. Evelyn Buchholtz of Cottage Blvd. is off the sick list now. Her brother, John, and nephew, John White, Jr., were her weekend guests.

The Berkowitzs of Linden Blvd. had as their weekend guests Mr. and Mrs. Elias Greenberg, Mr. and Mrs. Al Rankin and daughter, Judy, of the Bronx. The Greenbergs liked Hicksville so much that they are planning to look for a house out here in the near future.

See you all at the Lee Ave. P-TA meeting tonight (Thursday) to see the film, "Emotional Needs of Children."

As Szendy Sees It:

Opinion on Levitt-House Matters
By a Levitt-Home Owner

Now of Town-Wide Concern

The delegation of aroused citizens from this area which went to see Supervisor Ransom on Wednesday morning last week after the proposed joint district had been announced came away stunned. Ransom's admissions and statements had been of the most damning kind. (See SENTINEL column) Obviously, we were without effective Town government.

Obviously, we were being sold down the river and the Supervisor felt powerless to prevent it. Obviously, the expression of public opinion requested by the Town Board and secured by a referendum at the tax-payers' expense was of no importance when somebody unidentified pulled the strings—the Town Board puppets danced.

What were we faced with? Government by the people was being perverted to what? Government by a developer?—Or by a pressure group selected by the developer?—Or by "influence", secured how?

We had in good faith accepted the Town Board's decision to hold a referendum. The results were to guide the Board in its action. The Board has set two questions. We voted and answered them. We did not want the Hall on our tax bills. We wanted a Swimming Pool District within the Hicksville Park and Parking District.

What the Board now proposed was the direct opposite of our vote.

The Hall would be put on our tax bills. And instead of a Swimming Pool District in Hicksville we would be joined to Levittown.

Under the circumstances where did the people of the Township in this area stand?

The answer was frightening. We, people in the Town of Oyster Bay, were without representative Town government. We were being provided only with the semblance of the democratic process. We were being permitted to vote, but our vote meant nothing.

If our vote means nothing, our situation is desperate. The very foundations of our democracy rest upon the ballot.

If there are superior forces directing the actions of the Town Board, we are being defrauded. We elected Town officials, not superior powers.

Suddenly, what started out as a solution of a local problem has town-wide importance.

Pin-pointed for all to see, standing revealed in the spotlight of incontrovertible fact, is the Town Board acting directly counter to the solicited and expressed wishes of the people and fulfilling instead the demands of a developer said to be enormously rich. We have had numerous instances in the past when action of the Town Board has appeared not to be in the public interest, in zoning matters for instance, when the arguments

of one man, the politically-active attorney for a proposed store-development, industrial plant, or gas station, have been accepted against the arguments of the owners of all the adjoining homes. Never, however, has there been so plain and flagrant a violation of the wishes of the people.

Every resident of the Town of Oyster Bay is put on notice by this action. We do not seem to have Town government by the people, but by superior powers. Nor do we seem to have Town government for the people. It follows that we do not have government of the people. We must do something about it—on a town-wide basis.

Once again the unpleasant task of juggling figures to meet the March 15 deadline is nearly upon us. Though tedious and confusing at times, with overpayment as the result, we recommend that Veterans investigate the numerous items of tax-exempt income to which they are entitled. Generally speaking, Government payments in benefits and compensation made to veterans and their families (except non-liable retirement pay and interest on Terminal Leave Bonds) are non-taxable for Federal tax purposes and need not be reported. Taking advantage of these and others will, perhaps, permit the veteran to keep the extra dollar at home.

We received a nice letter from the family of the late Anthony Giannino in thanks for the Post's wreath. You will remember Tony as one of the soldiers in the Death March of Bataan and a Prisoner of War for 3 years.

Renewals are continuing. This week Roland Aral, Bob Parcell and Charles Schwara came through. Transferring from the Massapequa Post is Bob Bressnahan whom we had the pleasure of introducing at the last meeting... Assisting Commander Jim Taverna (Boy Scout Chairman) in the recent drive was President Dorothy Rabas and members of her auxiliary. Fred Willard, Chairman of the Building Committee, promising big doings in dressing up the clubhouse... The road sign project seems to be dying a slow death. After being kicked around by numerous committees, the poor "thing" is too weak to stand on its feet again. Would it not be a good idea for the Commander to discharge his present committee and start from scratch before the signs, collecting dust in the clubhouse for years, become outmoded?

Coming events at the clubhouse - Feb. 26, Regular

meeting of the Post... Feb. 28, Archie Mc Cord Ladies Auxiliary 25th Anniversary Dance... Mar. 7, Girl Scout Mothers Auxiliary Spaghetti Dinner... Blood Bank donation date will be announced in a later column.

If you haven't put in your claims for requesting payment for bad treatment while in a POW camp, don't wait too long. Understand deadline for filing is Apr. 9 and War Claims Commission isn't likely to extend it.

Today, the veterans of World War II make up two thirds of the membership of The American Legion. They have put the GI into Legion. The American Legion is the largest Veterans' organization in world history. It is the greatest patriotic society ever formed. Its name today is the greatest name in genuine Americanism, in rehabilitation, in child welfare, in national security and in community service.

HICKSVILLE GIRL SCOUTING: Intermediates Stage Party

By FLORENCE VRYN
 Intermediate troop 19 held a Valentine Party at their recent meeting and refreshments carried out the theme of the party. The troop members had appointed a committee whose assignment it was to arrange the details of the celebration, and the girls included in their entertainment the favorite games of the troop and prizes were awarded the lucky winners. The party committee was Joyce Luther, Florence Allman, Judith Zimmerman and Arlene Gilbert. The scouts who won the game prizes were Carol Roczek, Janice Smith and Nancy Neglia. As part of the regular scout activity of the troop Arlene Gilbert, Marie Strong, Dorothy Benson, Nancy Neglia, Barbara Hendry and Diane Brownell are working on the Second Class Badge. The troop will attend the Cooking Class sponsored by the L. I. Light Co. which will begin March 18. Those scouts who complete the course will receive the Food and Cook Badge. Reservations have been made for an overnight camping trip for the troop at Camp Edey in June. Camp Edey is located in Bayport. The camping trip sponsored by many troops and the practical application of many of the things the scouts learn in their troop meet-

ings. Beyond that it is the expression of the highest ideals of Girl Scouting and an illustration of the unity and cooperation that exists between all scouts. Mrs. Russell Swift is Leader of Troop 19.

Film To Show Child's Needs

A film, "Emotional Needs in Childhood", will be shown at a meeting of the P-TA tonight (Thursday) in the Lee Ave. school auditorium at 8:30 p.m., according to President Robert Eaton. The film suggests ways in which parents and teachers can help children to meet their needs to prepare them for adulthood and better citizenship. The movie covers problems of children from 7 to 10 years of age and aspects of their behavior as their attitude toward adults, their need for acceptance and independence, it is explained. A well-known psychologist, Mr. Barkley, will comment on the film and will clarify many points for the audience. A discussion period will follow. Refreshments will be served after the meeting.

Division Means Split

By FRED J. NOETH

WE NOW HAVE a copy of the Assembly bill (no. 1826, int. 1765) unblushingly introduced in the New York State Legislature by our Assemblyman John J. Burns to butcher the community of Hicksville.

Don't let anyone try to tell you that this bill has been misrepresented. Public officials this week tried to tell concerned and aroused Hicksville people that this new proposal to split our community is "just newspaper talk." Don't you believe it.

Ask Mr. Burns to send you a copy of the bill. It is officially defined as an act "in relation to the division of park and public parking districts and the creation of a joint park district."

All the unwholesome mechanism provided in the bill of the 1952 legislature (Assembly no. 1932, int. 1889) have been retained and repeated. Oyster Bay Town Board may divide any park or public parking district within the township. It goes further and says that in the case of a park and parking district (Hicksville is the only one), we can be divided into one or more separate park or parking districts.

Thus, under the new bill we not only face the loss of a section of Hicksville to Levittown, but the Town Board can, if it sees fit, chop off a section in the northwest, or northeast, or right out of the center.

The new bill, after repeating all that was said last year, adds a whole new section on joint park districts which were not permitted before. It gives Oyster Bay Town Board the full legal right to give AS MUCH of Hicksville as it wishes to a joint Levittown park district. In fact, it lets Hempstead Town Board decide, after a public hearing, if it wants to take the area.

Since there is no stipulation made in this legislation limiting an extension of Levittown District into Oyster Bay township (i.e., into Hicksville), we can anticipate the worst. There is not contained in the proposed law any specification limiting the joint district to "Levitt-built homes".

We were told this week that the proposed law, as it stands, does not actually split up Hicksville. That is correct. But the bill does make it legal for Oyster Bay Town Board to split up Hicksville and hand portions of it over to Hempstead Township. So the new bill is better—for Levittown. Last year it was not legal to establish a joint Levittown district. This new bill is an improvement?

We are told that this legislation is permissive. It confers "certain authority" upon the Town Board of Oyster Bay. Frankly, we don't want the Town of Oyster Bay to have such authority. We regard such authority very much like a fellow saying "you don't mind if I set fire to your house. I'll put the fire out before it goes too far." Then he starts the fire and walks away.

Sure, the new law provides for public hearings. We went all through that last year. Hicksville and Levitt's henchmen argued the case for the park and parking district should not be split. The Town Board decided we were right and the district was not split.

Then the Town Board decided a referendum was a better way to get the public opinion. So a vote was held on Jan. 30 and the people said 135 to 193 they DON'T WANT a joint Levittown District. So where are we?

We are in the unhappy position where we can't put our faith and trust in the spoken word or official actions of the Town Board. Public hearings are held on zoning changes and people protest, but the applicants in many, many cases get the zone changes. A referendum vote is held and the people vote "no" decisively, but the town board pushes along steam roller legislation to create a joint district anyway.

By now the public officials you talk to about this disgusting business have their stories neatly organized. Sweetly they tell you "this law merely 'clarifies' the Hicksville Park and Parking District."

Which explanation might be compared with the quip that you can cure a sore throat by cutting it.

WHAT CAN BE DONE?

Get behind the storm of protest. There are petitions available for signature. Write or wire to Assemblyman John J. Burns and State Senator Wm. Hults Jr. at Albany and tell them you don't want to see this vicious legislation passed. Write the County Board of Supervisors at Mineola which will probably give its blessing next Wednesday.

You can write or wire to the Committee on Local Finance, which now has the measure, and object to Assembly Bill no. 1826, int. 1765. Right now you should write to Gov. Thomas E. Dewey and protest, citing the same bill. Tell your party committeemen and your political leaders you want the bill killed.

Send us your comments. The only way to stop a steamroller is to block it with an avalanche of aroused public opinion.

The Legionnaire

Charles Wagner Post No. 421, American Legion

Every so often the American Legion or the American Legion Auxiliary widens its scope of veterans rehabilitation work either on National, State or local levels. Currently the Nassau County American Legion Auxiliary has inaugurated a program of monthly dances at the Northport Veterans Hospital to assist that Hospital in its rehabilitation work. In these dances, presently scheduled for the first Wednesday evening of each month, the ladies of the Auxiliary act as dance partners for vets who have reached the final phase of their readjustment and are preparing shortly for their return to a normal life. The greater the participation of the women of the local posts the better the dance and the greater the results.

We think the ladies of the Charles Wagner Post would like to participate in this program so it is suggested that each one contact President Joan Brangel and announce her intention to join the next dance on March 4. Only by this advance contact can arrangements be made for a central meeting point and necessary transportation.

The women of our Post have always been 100% in their rehabilitation program and we expect they'll make a wonderful showing at the March 4 and all subsequent affairs.

Although the calendar is getting rather crowded, one more shining day has been scheduled for the members. To those of you who enjoyed Navy Nite so much last year and to those who have regretted for many months their failure to attend—here's your second big opportunity. With Johnny Spinella as chairman, a committee of Walter Barnett,

Walter Coase, Bob Beard, Jim Carter, John Marshall, and Artie Bletsch has been formed to run ARMY NITE on Friday, April 17. Though details are lacking at this time it is expected the needling the committee will receive from the Navy will produce a grand entertainment. We'll keep you posted on all developments.

Good for the St. Valentines Dance was an overflow and the committee of Walter Barnett, Guy Smith, Bert Nessel, John Paulk, and John Williams can be proud of the success. Under news that may have escaped you—Jim Arneemann's Bowling Team—running slightly behind financially—was picked up by the Post recently. And latest reports still show the large contribution to Gifts to The Yanks in N. Y. State came from Hicksville. Contributions being requested for the Legion Hospital at Tupper Lake—those who wish to contribute as individuals can forward their donation to American Legion Mountain Camps, Tupper Lake, N. Y. Harriet Mangels, 1st V.P. conducted her first Auxiliary meeting this month. And keeping it in the family—yours truly has been appointed to the Bar Committee. Auxiliary Convention July 16, 17, 18 Rochester, N. Y. Ladies now have 69 paid up members for '53.

Continuing with our practice of quoting the nations press The Blair, Nebraska, Pilot-Tribune contributes this: "It must be noted that The American Legion believes in doing things. It believes in finding out what is wrong with the nation and in doing something about it! Its members do not soft-pedal in controversial matters, but they battle it through, until some solution to the problem is reached."

HAVE YOU PAID YOUR FEE FOR '53! BOB MANGELS

Well Comrades our 18th anniversary dinner-dance has passed and it was an evening that I shall never forget. From all the reports, so did everyone else who attended. The dinner was delicious and the orchestra played very well.

Our own Comrade Gene Intropelli sang a few songs. He has a fine voice and everyone enjoyed his singing. I always thought we had talent in the Post.

Once again I would like to thank Les Iehle and his journal committee composed of Bill Frohnhoefer, Al Wagonheim, George Walden, Lou Klein, Frank Mallett and Gene

Intropelli for their fine work. It is the best journal the Post has ever had, Bill Frohnhoefer did a grand job with the tickets and the arrangements for the dinner.

This past week our Commander and Senior Vice-Commander attended a meeting of the Auxiliary. We had the pleasure of meeting Mrs. Ruth Cullen, Nassau County V.F.W. Auxiliary President. There were some tentative plans made which will be discussed at our next meeting. Mrs. Henrietta Azeel, president of our auxiliary, would like to extend an invitation to all ladies eligible to join to give her a call at HI 3-2256-R. She will

William M. Gouse Jr. Post No. 3211, Veterans of Foreign Wars

supply all the information necessary.

If there are any former members of the V.F.W. who are now residing in Hicksville and want to return to active participation in V.F.W. activities, we will be glad to arrange a transfer to Post No. 3211. Our next meeting will be held on Monday, Feb. 23 at our clubhouse on Grand Ave.

Again, I would like to remind you Comrades and all the ladies to keep March 18 open. That is the night for our visit to Northport Veterans Hospital.

So until Monday night, I remain Commander Jack Mulligan.

Town Action Is Reverse of Vote

(Continued from Page 1) was attended by over 500 persons. After considering all the arguments, the Town Board on Aug. 14, 1952, adopted this resolution: "Resolved, that the petition for the splitting or division of the Hicksville Park and Parking District, be and the same hereby is denied and the boundaries of said district to remain as originally created."

The statement of the Oyster Bay Town Board filed with the foregoing resolution to reject the split of Hicksville Parking and Park District, said in part:

"Much of the discussion at the public hearing and contained in the communications received, seemed to center on the use of the swimming pools and the community hall and from information adduced by the Board, the 'free use' of the swimming pools was part of the sales promotion employed by the developer. The Board is of the opinion from the best information at its command that to accede to the wishes of the proponent would create an additional burden upon certain property owners for the maintenance, care and operation of the pools and the community hall, and at the same time create an additional burden upon the balance of the District which would be required to provide Park and parking facilities spread over a smaller assessed area.

"The (Oyster Bay Town) Board is of the further opinion that, the pools presently owned by the developer as well as the community hall are intended for the free use of the purchasers of the developer's houses, and should therefore not be a matter of concern with respect to operation, care and maintenance by the Town."

THUS LESS THAN FIVE

MONTHS after the Oyster Bay Town Board reached this decision, legislation is being pushed thru in Albany as a local law with highly favorable political auspices to accomplish the direct OPPOSITE OF

- (1) The decision of the same town board
- (2) The decision of the voters at a referendum conducted by the same said Town Board.

AT THE SAME TIME THE PEOPLE OF THE COMMUNITY ARE CONFRONTED WITH THE UNNECESSARY BURDEN OF ONCE AGAIN ARGUING AND PROTESTING THIS SAME MEASURE. THEY MUST LOOK FORWARD TO MORE PUBLIC HEARINGS AND WRANGLING. The Oyster Bay Town Board

held a hearing May 9, 1952 and after three months devoted to studying the mass of evidence, decided "no."

The Oyster Bay Town Board held a referendum on the same issue on Jan. 20, 1953, and the voters said "no."

Today the Oyster Bay Town Board is forcing thru legislation to bring about the very same result which it has previously rejected and the voters have subsequently rejected.

The Hicksville Park and Parking District was created by resolution of this same Town Board, after due notice and public hearing, on Oct. 21, 1947. In view of the recent growth and development of the district, the need and value of such a district is even more evident today than it was in 1947.

PUSHES SPLIT

(Continued from Page 1) Board action in proposing legislation contrary to the results of the Jan. 30 Town Board referendum on a joint district. They began the distribution of petitions and moved to bring the town's action to the attention of all civic-minded people in the township. . . . Tuesday morning a delegation appeared at the Town Board meeting led by **DeLoone**, **Emil Szendy**, **Florence Vryn**, **Sgt. Charles E. Rogan** and others also pleaded and argued with the Board to disavow approval of the joint Levittown district bill.

WAS 'HONORABLE' Supervisor **Ransom** told the group that the Board's intention in calling the Jan. 30 referendum was "honorable" but that Levitt

and Sons declined to turn over the pools without the Hall, packaged up in a Joint district. He insisted the rumpus referendum had no bearing on the town's support of the joint district slicing off part of the Hicksville district.

He added "Personally, I think the people want the pools but doubt if they want the Hall." He suggested that court action by the people of the area might force Levitt to turn over the pools without the Hall and joint district.

Those who attended the meeting on Tuesday reported they got the uncomfortable impression that the switch, going contrary to the results of the town's own vote, had been dictated by "some higher political authority" and that Oyster Bay town officials are pushing for an "out", such as private court action, to relieve them of the necessity of forcing thru the "personally distasteful" joint district.

The Sportlight

By HOWARD FINNEGAN

As far back as 14 months ago the people who should know indicated that Sea Cliff would not only intrude on what has been a Hicksville-Oyster Bay merry-go-round for the Eastern Division flag but would be the club on the golden-haired mare at the finish.

The Cliffmen were wary to use their admission ticket earlier in the campaign but finally jumped aboard. It is said they are ready to grab off the brass ring this Friday night. The dizzy spin has already tossed aside Oyster Bay.

Dazed as they are, the charges of Dick Crawley can get back on if Hicksville stops the Cliffmen.

If that should occur the revolutions will come even faster. By beating Hicksville, Oyster Bay could gain a triple tie when the regulation motor runs down.

Each team would have 8-2 and the unprecedented triple tie would force an additional playoff ride.

This has been the strangest of all seasons for Hicksville play and it is a remarkable attribute of Coach Jaworski that he has kept the Comets contenders this late in the campaign.

Compared to the bright shining steed of talent, physical reserve and scoring ability that the Cliffmen travel on, the Comets are working their way on an old plowhorse.

It is, however, one of heart, cunning and determination. A month ago, with a better stocked stable, the Comets tried to race the Cliffmen but were outdistanced 69-52.

This time the Comets with a surprising zone defense that has held Oyster Bay to 33, Farmingdale to 31 and Westbury to 39 points in recent starts will attempt to prescribe at what speed the course will run.

The intent of the Comet defense will be to contain the Cliffmen as a unit. This of course includes the splendid Ron Johnston who has scored an average of 30 points in the last five outings.

It must be a blanket of the whole team for concentration on Johnston would be costly since all the tall visitors can shoot with accuracy.

If you must handicap this race, the odds are heavily in favor of Sea Cliff.

It would be almost foolish to dispute them.

But eight weeks ago Hicksville was consigned to a deep second division finish and Jaworski and his boys refused to accept those terms.

There is a slight chance they will not accept them Friday night.

Bethpage High In 7th Win

BETHPAGE — The Bethpage School freshman basketball team ran its winning streak to seven straight last week by trouncing Levittown Freshman 73-23 and South Side Freshmen 50-38. The two wins boosted Bethpage's season record to 10 wins and 3 losses.

Tommy Thompson tossed in 20 points at Levittown and 19 against Southside. His play has been largely responsible for the team's winning streak not only in scor-

ing but in his fine defensive play. Joe Cramer, Mike Mignone, Tommy Aueriana, Artie Waters, Jack Lynch and Bob Harrison are all responsible for the team's current success.

Only the Bethpage faculty has been able to thwart the school team during the past four weeks. The profs proved that there was life in the old boys yet last Friday when they dumped the high flying frosh by a score of 44-37.

ELEMENTARY ACTIVITY:

Intramural Cager Action at Lee

HICKSVILLE — Lee Ave Elementary school has organized a nine team intramural basketball league under the direction of Ted Scholefield.

The purpose of this program is to acquaint each boy the necessity of team play, cooperation, good sportsmanship, the vigorous use of fundamental muscles, acceptable social behavior and the foundation for skilled basketball players.

It is typical of the physical education program being undertaken throughout Hicksville's fast growing elementary school network.

Each team is named after a club of the National Professional Basketball Assoc. League. The captain of each team is responsible for his club's conduct and is in charge of his team while it is playing.

Games are held twice weekly on Monday and Tuesday afternoons. The games are played in four minutes quarters.

The officials are members of Hicksville Freshman basketball team which is also under the direction of Mr. Scholefield.

What each boy lacks in basketball ability and skill is overshadowed by his interest and terrific spirit which is displayed by all the boys.

Team Members are as follows: Knicks: R. McKenna (captain), E. Fink, R. Neglia, I. Cohen R. Thompson, P. Wilry and I. Ciebrow. Royals: L. Kanawaba (captain), R. Cappuccio, H. Macaffery, T. Nitakas, J. Baron, R. Brady and D. Moscato.

Celtics: T. Manaski (captain), M. Fuchs, S. Amadeo, R. Iwazo, J. Hehn, P. Porasky and B. Cabbie.

RETAIN FLAG HOPES:

Hicksville Repels Westbury 41-39

WESTBURY—Hicksville High had to play for one basket in the final two minutes, here Friday night, achieved it on a two hand set by Tom Maxwell, gained possession on a wild pass and froze the ball 75 seconds for a 41-39 victory over its ancient foe.

The harrowing win kept Hicksville in a first place tie with Sea Cliff for the NSAL Eastern Division honors. The decisive meeting between the two will take place on the Comets floor this Friday night.

Each has a record in league play of 6-1 but Sea Cliff has an 11-2 mark overall while the Comets stand at 8 and 4.

A victory for the visitors will seal the title for them while Hicksville would still have to answer to Oyster Bay in the case of an Orange triumph.

SPOILER ROLE RUINED Westbury, witness in 14 starts on the season, really tried to swing from the floor and ruin the Comet's championship hopes.

Playing on its brilliant new court the Green Wave skipped off to 13-10 and 24-20 leads at the quarters.

Chet Jaworski sent his chargers into a loose press in the third period but it had little effect until Westbury extended the advantage to 29-21.

Maxwell came in with a three point play and Gary Puccio added to fouls to signal that the chase was on.

Just before the period Pat Enos and Maxwell were good on sets and the score was knotted 39-33.

Rich Evaschuck stole the ball early in the fourth and a sharp pass to Enos tied the score 36-36.

It was looked 39-39 with four minutes left and a spell of inaccurate shooting and passing was undertaken by both clubs.

Jaworski used three time outs in the crucial minutes, R. Brady.

On the first he order restraint, on the second he called for a tie breaking shot instead of the usual wait until the final seconds and Maxwell complied.

When Westbury blew the pass in after Hicksville's goal he called the last.

Ed Scott, a youthful but smooth ball handler, was sent in the game. Evaschuck went under the boards and Maxwell, Ruben Callajias, Enos and Scott ran the clock off with expert passes in backcourt.

It was Hicksville's sixth straight win over Westbury. In the first 25 years of competition the Orange could not beat the Green Wave twice in a row.

Enos and Maxwell each had 11 points apiece.

TOMMY THOMPSON, six-foot, 4 inch tall 15-year old center of the Bethpage PBC Bears, scored 58 points to set a new individual high scoring record for a single game in the Nassau County PBC intermediate basketball league as the Bethpage quintet, topped Hicksville PBC Saxons 92-42 at the Bethpage School gym, Wednesday night.

In addition to this feat, Thompson leads the entire Bethpage Club with a season total of 169 points for nine PBC games, an average of 18.7 points per contest. The one other player in the second Precinct PBC League to come near Thompson's new record was John Barthel of the Farmingdale PBC who dumped in 37 points for one game earlier this season.
