Junior High Night Bus Ends Run; Board Requests Survey By State

HICKSVILLE—Effective next Monday, Mar. 2, only junior high school pupils who live two or more miles from the school building will be provided with transportation, the Board of Education disclosed this week. Homeward "after darkness" bus transportation, which has been provided in recent months, will be discontinued for junior high pupils this Friday, Feb. 27.

Meanwhile, the School Board said there will be no change in the Board policy on transportation of students until after a study of the situation has been concluded by the State Dept of Education and the recommendations of that Dept and the views expressed in the recent "straw vote" are considered.

The Board is requesting a transportation study by the State Dept of Education "to offer recommendations for an efficient and economical and adequate school transportation system."

The state study is expected to be made the latter part of next month.

The School Board also announced tentative dates for Sunday afternoon dedications of four new elementary schools of the system. The program for each school will be arranged in cooperation with the respective Parent-Teacher Associations.

The tentative schedule: Mar. 22—Dutch Lane School, Apr. 19—Old Country Rd School, Apr. 28—Burns Ave School, and May 3—Fork Lane School.

Pastor Says Holy Family Takes No Sides on Issue

HICKSVILLE—Rev. Martin O'Day, pastor of Holy Family R. C. parish, this week told the Herald "no announcement, one way or another, has been made and I do not intend to make one. It is a matter for the parties concerned to straighten out". Father O'Day thus clarified the position of his parish in the controversy over legislation on a proposed split of Hicksville Park and Parking District, Levitt hall, and other related issues. The Herald in recent weeks has received numerous requests for information on the position of the new Catholic parish since various allegations have been reported.

OYSTER BAY—While legislators this week placed the full responsibility for the Joint Levittown Park District bill upon the Town Boards and town fathers insisted that they don't want to split the Hicksville District, township civic association stepped up their urgent demand that the legislation in Albany be killed without further delay.

Assemblyman John J. Burns, sponsor of Assembly bill No. 1826 (See page 18), frankly admitted that the proposed law permits division of presently existing Hicksville Park and Parking District "into one or more separate park and parking districts." Until copies of the law became available, town and county officials had insisted that the Hicksville district "would remain intact."

CALLED IT 'GOOD BILL'

Burns said, "I am firmly convinced that this permissive legislation is necessary in order that the officials of our township may properly determine and establish, under the law, park districts best suited to the townships and its residents." He added the conviction that "this is a good bill."

His viewpoint is strongly challenged by the Township Civic Council which includes among its affiliated members the Plainview Civic Assoc., Hicksville Civic and Community Assoc., Woodbury Gardens Civic Assoc., North West Civic Assoc., Save Our Pools Committee, Twinlans Civic Assoc., South Hicksville Assoc. of Levitt Home Owners and Hillside Terrace Civic Assoc.

The Civic Council yesterday telegraphed Gov. Thomas E. Dewey asking again for a formal investigation of the matter, an opportunity to personally present its case and calling for rejection of the bill.

"Not only is this bill directly counter to the wishes of the people as expressed in a referendum on Jan. 30 but it is also counter to a decision of the Town Board in acting under similar legislation introduced and passed last year. . . . The people should not be forced annually to combat this proposal at (Continued on Page 19)

Red Cross Has Goal, No Leader

MINEOLA—A quota of \$3,600 for the 1953 Red Cross Fund campaign in March has been assigned to Hicksville-Plainview area but a chairman to direct the drive has not been named, it was announced from Nassau County Red Cross headquarters here on Tuesday.
 Mrs. John Mitchell of 118 Central Ave., Bethpage, will direct the drive in that community to raise \$1,200.

Mrs. Clinton Bush of the Bush Farms, Jericho is chairman of the Jericho drive which will have a combined quota with Syosset.

CIVICS TO MEET

HICKSVILLE—All interested residents are invited to attend the regular meeting of the Civic and Community Assoc. Tonight (Thursday) in the firehouse auditorium, according to President William L. Geyer.

Financial Assistance Needed

It takes money to fight powerful interests and a fund is being raised through contributions of civic minded residents to engage an attorney to fight the apparent influence of a wealthy builder upon town fathers. Oyster Bay town board has made it clear that if litigation is commenced regarding the terms and disposition of pools by Levitt and Sons, then the Board "can halt all further legislative action until such litigation is settled."

The services of a community-minded attorney are needed. Contributions are being received and acknowledged at the Herald office, 98 North Broadway, Hicksville. Names of donors will be listed unless otherwise requested.

Sees Warning For Other Areas In Town's Action

HICKSVILLE—There is a warning for other communities in the current action of Oyster Bay Town Board in permitting Levitt and Sons to have its way and grab off a section of Hicksville, according to Aphyra Isaacs of 49 Aradia Lane.

Isaacs is president of the Hicksville Democratic Club and executive board member of SHALHO. His statement to the Herald follows:

"To those of us who are deeply concerned with the future of Hicksville and to its preservation in its entirety, for the mutual benefit of all, the recent agree-

ment by our Town Board to permit the intrusion into our area of Levittown, IS AN ABOMINATION!!!"

"In the recent referendum called by and supervised by Oyster Bay Town Board, we expressed our opinion as to the disposition of the Levitt-built facilities in Oyster Bay and now this!

"That the Town Board should succumb to 'pressure' from without is astounding enough, but to be influenced in any degree by a small vociferous minority which has the temerity to conduct its own balloting in defiance of all democratic processes is unbelievable. Just consider—these gentlemen are the duly elected temporary custodians of our form of government and our principles. It is conceivable that those who have so contemptuously pushed Hicksville aside will press for further exclusions, thus dimming the bright future that is Hicksville.

"The action taken by the Town Board should serve as a warning to other communities who face similar situations or who envisage progress.

"The protest will take many forms."

Toaster Brings Out Firemen

HICKSVILLE—Mrs. Anderson was visiting at a neighbor's home when she saw smoke coming from her house at 79 Beech La. on Feb. 18. Firemen were called at 1:20 P.M. and discovered smoke coming from a bread toaster.

Everett White of 24 Belfry La. called firemen on Feb. 19 when the oil burner in his home caused alarm at 11:40 P.M. No damage was reported.

The roof of the home of Otto Kasten at 100 Halsey St. caught fire from the Chimney on Monday, Feb. 23. Firemen were called to the scene at 2:02 P.M. Damage was confined to the roof.

Wires in a car owned by Steven Pendius of 310 85th St., Brooklyn, caught fire on Feb. 21 near Brittle La.

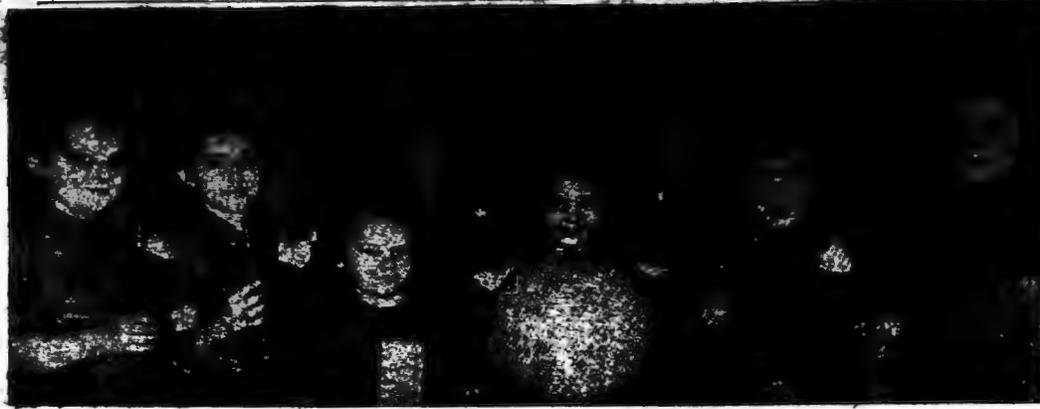

Heat Is On

We see by the papers that our friends in the Town Hall will not tolerate criticism. Estimates indicate legal advertising the Herald might have anticipated in the past two weeks, since given to other more "cooperative" papers, has exceeded \$500 and we were warned it did not pay to be a crusader.

Bethpage PO Site Chosen

BETHPAGE—Postmaster James Kingshoffer today announced that the new community post office will be constructed at the north east corner of Park Ave. and Central Ave. It will be built by Sam Kellner of Hicksville and is scheduled for completion within six months of the acceptance of the contract.

The new post office will provide 3,041 square feet of floor space with a 39 foot frontage. The rear area will be paved. There will be a rear loading stage.

BROWNIE SCOUTS of Troop 85, Hicksville, participated in a Candle Service on Tuesday, Feb. 17, in the Hicksville Dutch Lane School. The service illustrated the international aspects of Girl Scouting. Pictured left to right are: Barbara Lof, Joyce Marienschein, Arlene Isakson, Ann Cassese, Carol Lilienthal and Elizabeth Bannon. Dear Jean:
 A pair of dark-framed glasses were found on West John St. last week and may be claimed at the HERALD, next to the post office. . . .
FRED HABENICHT'S pet racoon escaped from its home on South Broadway last week and caused lots of excitement. The pet fled to Lawnside Dr. and was found by STEVEN GRACK in his garage. The following day MRS. VIVIAN ACKER spied the racoon as she was taking the car from her garage at 2 East St. Her husband used fish nets to catch the pet and returned it to HABENICHT. . . .
 "A happy community is one which fights together," according to a sign which was displayed prominently in Levittown recently. Participants in the races on Levittown Parkway (which is in Hicksville) on Sunday afternoon proved it. All participants are Hicksville people but the county dailies can not be expected to understand those things and said the house they live in determines their addresses. . . . The Town Board has engaged an appraiser as the next step in progressing parking fields for Hicksville. The appraised will help determine values of property needed for a new parking field in the rear of the Huettner building. . . .
GEORGE MCINTOSH has been named chairman of the Hicksville Citizens' Advisory Committee on Education. Miss GERTRUDE WETTERAVER has resigned the position due to her health. . . . Seating capacity of the new Hicksville High gym will be, we understand, some 1500 persons. The Comets may have to change their whole style of play. . . . SAM WEISS is erecting a fence around his rancho on Willoughby Ave. . . . Heliport for airmail delivery in and out of Hicksville is in prospect but postal officials are unwilling to talk about details until the matter has crystallized. . . . Someday, not so long in the future, you will be able to take a morning helicopter from Hicksville, change at LaGuardia and be in Chicago by 12 noon. Now it takes almost as long to get to LaGuardia by regular transportation routes on land. . . .

Surprise Party

GARDEN CITY — Henry G. Eisenmann, president of the Bank of Hicksville, was chairman of the dinner committee for the Long Island Assoc. at the annual affair attended by nearly 500 at the Garden City Hotel, Feb. 19. Robert Meas, president of the LI State Park Commission, urged a slower and more careful planned growth for Long Island. He also warned against the rapid sub-division of rural areas with full recognition of the problems incurred by rapid growth of population. His remarks had particular significance for the mid-island area which is experiencing the greatest home building program in the history of the island.

NEIGHBOR DOWLING VIEWS NEWS

School Board Working On Sites

By JOHN DOWLING
Negotiations between the builders of Morton Village and the Plainview Board of Education, conducted over the past few months by the Board for the purpose of obtaining school site within the confines of the development itself, have reached a point where the Board may possibly have to consider other means of acquiring the desired land. It was reported this week.

The School Trustees entered into the negotiations feeling that any discussions regarding the purchase of a suitable school site must of necessity be held strictly to the area in which the greatest concentration of school age children would most likely occur.

This reasoning, it was explained, was based on the fact that the purchase of land outside the developed area would add to the district's already costly transportation problem thereby reducing over a period of time any slight financial gain that might be realized in the beginning.

The Board of Education still maintains its original position and has the support of all the community leaders in this undertaking. It is expected that a meeting

will be held within the next week between the Board and its legal advisors to explore other methods of procuring this land in Morton Village.

Meanwhile, other areas of activity within the Plainview community have developed along interesting lines this past week:

There is a report circulating throughout the community that the Water Board will meet this week to discuss plans designed, in a large part, to eliminate the water shortage that hit Plainview last summer. One of the plans to be considered, it was said, will be to permit the residents to use water on alternate days. It would operate something like this:

If your home has an even-numbered address you would be permitted to use water on the even-numbered days of the month. The same procedure would be followed by residents who have odd numbered home addresses.

The latest development in the Plainview Fire Dept concerns the announcement that fire officials expect the new addition to fire headquarters to be ready sometime around April 1. When ready, the expanded headquarters will house a 400 gallon Mack Pumper Truck and a Seagrave Hook and Ladder truck. This is in addition to the fire company's present equipment. Incidentally, the Fire Department will hold its Spring dance on April 25 at the firehouse.

In connection with the newly formed Teen Age Club, this column takes pleasure in congratulating the youngsters for the wonderful showing they have made thus far. Also to be commended are the men and women who have volunteered to act in advisory capacities.

Speaking about teen agers, we hear that plans to form a baseball league are in the making and one of the chief obstacles, we're told, is the lack of men to volun-

teer as coaches for the youths. If you're interested contact civic association proxy Norman Riley.

According to Post Office officials, Plainview is scheduled to get its own branch office in the near future. The same source revealed that the community's rate of growth might be comparable to Levittown with at least 10,000 houses up by 1954.

Another development in the community this past week was the report from Town Hall that portions of the Krebs and Viette properties have re-zoned for industrial usage. Needless, to say most Plainviewites welcome this news.

PLAINVIEW COUNTRY HOMES Firemen, P-TA Scouts, Polio

By RAE CANTILLI

Now that things are quieting down around the Cantilli household. No running noses, coughs and huge boxes of Kleenex adorn the fireplace, nighttable and the floors.

First of all I want to brief you on the meetings and events in the past month.

Mrs. Stauber and her co-chairmen, Mrs. Marian Kiesel, wish to express their thanks on behalf of the March of Dimes to all the workers who worked so hard and to all those who contributed so generously here in Plainview Country Homes. Without those people who devoted their time and effort to collect for this worthy cause and the cooperation of the people who contributed there just wouldn't be a drive. The following were the workers in the Plainview Country Homes: Mrs. Jeanette Nessel, Mrs. Rae Cantilli, Mrs. Shirley Davidson, Mrs. Lillian Iverson, Mrs. Rose Delamain, Mrs. Francis Trank, Mrs. Katherine Hill, Mrs. Eleanor Bowman and Mrs. Florence Pascal. These women collected \$87.64 for the March of Dimes from this development. I would like to add one thing; a great deal of credit goes also to Mrs. Stauber and Mrs. Kiesel who worked so hard to make the drive a success.

The P-TA Founders Day Program was very enjoyable. Mrs. Craib of John St., State Founders Day Chairman, was in charge of the program which included a reading by Mrs. Rose Delamain with accompaniment on the piano by Mrs. Funfgeld, President of the P.T.A. A candlelight ceremony followed honoring the P-TA Founders US and the first officers and organizers of our own P.T.A. and the present officers. Refreshments followed. Altogether it was a very enjoyable evening.

The Plainview Civic Assn. met on the 3rd Tuesday of February. Fred J. Noeth, Editor and Publisher of the Mid-Island Herald, gave a very enjoyable and informative talk on the pros and cons of incorporating a hamlet like Plainview. It was an evening planned solely for the purpose of acquainting the people with just what incorporation involves. No definite conclusions were arrived at nor were recommendations made but in my opinion, I think such a plan for Plainview is quite a way in the future. Our thanks go out in behalf of the Civic Assn. to Mr. Noeth who was a very helpful and gracious person.

Mrs. Lichty of Floral Drive who is Group and Organization Chairman of the Town Committee of the Girl Scouts here in Plainview asked me to inform all those parents who desire their little girls to become Brownies or Girl Scouts to give her a call rather than send their children down to the actual meeting. Right now several of the Troops are closed and in order to avoid having your youngster refused admittance just give her a call at HI 3-2751-W and she will be able to help you. Brownies ages run from 7 to 11. Girls Scouts start at 12 years of age and up. Girl Scouting is a wonderful and en-

riching experience for any little girl.

The Ladies Auxiliary of the Plainview Fire Co. is running an award to increase their funds. First Prize is a beautiful Emerson Clock Radio, 2nd prize is two bottles of Canadian Club and 3rd prize is a set of Flint Ware. They are lovely prizes so help out the ladies by buying a chance.

Plainview Lutheran Chapel celebrated its 1st Anniversary on Feb. 22 with a buffet supper held at the Chapel. The supper also honored Rev. Stammel who did so much to organize and direct the beginning of the Chapel. Rev. Hinrich is the new pastor and is doing a very wonderful job.

Plainview Volunteer Fire Co., is going about Plainview for donations before their Annual Spring Dance, Saturday April 25, at the firehouse. I understand that their first Sunday in the neighborhood turned out to be a big success. Tickets for this dance are \$1.25 per person which includes a floor show, door prizes and dancing to the music of Val Himber and his orchestra. If a fireman calls at your home in the near future, try to give him your cooperation.

Belated Anniversary Greeting to Fred and Betty Baum of Vernon St. By the way, the Baums returned from a lovely vacation in Florida. Lucky people. Hope you had a wonderful time.

Happy Birthday to Jimmy, Dave and Ruth Himberger of Island St. whose birthdays all fall in February.

I hope that Ruth Gessner of Island St. is feeling better. She is in Nassau Hospital and from all reports everything is going well. Meanwhile her daughter Cathy age 5, is with Grandma and Grandpa Donaldson on an extended trip to Sarasota, Florida. Ah me', to be 5 again.

I would like to express my sympathy to the MacAllister Family of Island St. Ray MacAllister's dad passed away suddenly last week.

Congratulations to Mr. and Mrs. Mayerink of 28 Sunrise St., who have become parents of a bouncing baby boy, Louis, on Feb. 6th.

Activities around the Cantilli household included a baby shower given by yours truly at her home for Mrs. Ray Lund of Massapequa Park. Isabelle received a tremendous amount of beautiful baby things and for a while I was a little bit envious, but the feeling wore off when I went to my nephew's christening in Brooklyn and saw my sister-in-law in the process of feeding, and taking care of her new offspring. Right now its nice to have all that baby stuff finished with.

I hear from all reports the Teen-Age Program is going great guns. The Teen-Agers meet every Friday night at the School and have a whale of a time.

Well, I think that's all the news I have for now. Give me a call if anything is cookin'.

Teenagers Plan for Talent Nites

By TOM PAYNE

The teenagers as usual, had a very successful Friday night of fun and injected a few new ideas into their prospective program. This coming Friday night, due to the generosity of the "Suburbans", they are going to have some "live music" and entertainment. The plans thus far call for plans for a band to play at one affair each month. On that designated night they will also hold a "talent night" contest with the members

of the "Teen-age Club" of Plainview participating.

So far they have about 15 members signed up to sing, dance or play an instrument. They will receive an opportunity to sit in with the Suburbans while doing their bit. It is hoped that the outcome of this program will be a teeners band. When they were informed of our plans for a community social night once a month, the problem of baby sitting seemed to be solved. They suggested that since

many of them are experienced in this art, they would be glad to offer their services to the grown-ups for their evening out—for a nominal charge of course. Leave it to the younger people!

This Saturday night, Feb. 28, the AMVETS of Nassau County are conducting an affair in Franklin Square. The place is the Park Restaurant on Hempstead Turnpike, the time is 8:30. Donations are set at \$2.50 per person at the door. Anyone caring for tickets can contact yours truly before then. By purchasing your tickets beforehand, you will be helping our own local post that much more.

The fourth Saturday of March is still set for the next Community Social in the Plainview Firehouse. We are going to have a suggestion box at the affair and we hope all you people make use of it. Anything you would like to have or to take place please write it down and place it in the box. If at all possible, we will conform to your requests.

Barn dance, square dance, stags, live entertainment or packaged music... there are so many suggestions you could make. The main purpose is to have something interesting enough to bring all you people out to meet your neighbors and get to know them better. How well you get to know them is entirely up to you but the opportunity will certainly be there. There's no getting away from the fact that it will make for a better Community and I'm certain that

we all take a little pride when we talk about the little place we come from. For you veterans who are looking for an organization to join, why not try visiting us at Man-

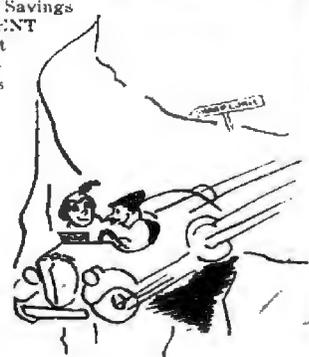

netto Hill school on the second or fourth Wednesday of each month? Most of the headaches of forming a new organization are over. Why not help make it the kind of organization you want and need?

HICKSVILLE GABLES: Progress on Child Safety

By RUTH SCHULZ
 Hicksville 3-2519-R

The situation concerning more adequate safety measures for our school children, would appear to be on its way toward correction. Gordon Bowen, safety chairman for the East St. P.T.A. announced last Thursday evening at a meeting of this organization, that he had been contacted by police officials and that a traffic survey would be started to determine a solution.

Two youngsters here in the Gables were seen on television on Sunday, Feb. 15, on the show "Talent for Tomorrow", on every Sunday at 2:30 P.M. on Channel PIX. They were Marilyn and Eddie Phelan, children of Mr. and Mrs. Phelan of 39 Gables Rd. They modeled clothes displayed on this program by various manufacturers of youngster's clothing. Eddie was seen in a spring version of a leisure suit, while Marilyn modeled a blue dress suitable for summer wear.

Let's get down to the birthday hereabouts. There were two on Feb. 18; Edward Tils, son of Mr. and Mrs. John Tils of 20 Gables Rd. who was 14 years old on this day, and Mrs. Mary Benjamin of 12 South Elm St.

Next, on Feb. 19, it was the turn of Timothy Baldwin, son of Mr. and Mrs. Arthur Baldwin of 15 Gables Rd., to celebrate his third birthday. Carol Jean Fernandez, daughter of Mr. and Mrs. Manuel Fernandez of 9 South Elm St., had her fifth birthday on Feb. 20. Carol Jean received a long awaited present from her parents in the form of a baby parakeet, which has been christened Pepsi.

The fourth birthday of Christine Seith, daughter of Mr. and Mrs. John Seith of 15 Gables Rd., was observed with a party given in her honor. The small fry all engaged in stuffing themselves with birthday cake and ice-cream, after which games were enjoyed by all. The guests included Margy and Donald McGee, Jimmy Graham, Ingrid Schelp, Johnny Baldwin, and Nancy and Margaret Jean Howard. Johnny, Ingrid and Nancy were the lucky prize-winners, with all present taking home favors.

Two more on Feb. 22 completed the birthday list. Bonnie Reilly, son of Mr. and Mrs. Thomas Reilly, of 7 South Elm St., was six years old on this date, while Godfrey 'Bud' Tabler of 30 Garden Blvd. was 21 plus. Also on Feb. 22 it was the fourth wedding anniversary of Mr. and Mrs. William P. MacKenzie of 44 Gables Drive.

Make it a point to remember the date of March 12, which is the date of the next regular meeting of the East St. P.T.A. Featured on the program will be a guest speaker, Edward Robinson, our Ass't District Attorney. This is surely a meeting everyone will want to turn out for.

It's Teen-Age Night Saturday

By HELEN WHEELER
LIBRARY DIRECTOR

Calling all TEEN-AGERS! All roads lead to the Hicksville Public Library's TEEN-AGE NIGHT, this Saturday, Feb. 28 at 8 P.M. Get your FREE ticket at the Library now.

Anyone who has a teen in his or her age is invited. You don't have to be a member of the Library to enjoy free movies and refreshments.

The program will be Shirley Temple and Bill-Bojangles-Robinson in the full-length feature film, "The Little Colonel." There will also be selected short subjects including "The Olympic Try-Outs," "Day in the K-9 Corps," "Bombarding the Coast of Korea," and "The New Patton Tank," followed by refreshments for everyone. Please tell your teen-age friends to get their free tickets now at the Library.

The Hicksville Public Library is fortunate in having its own Young People's Library building, and the program will be held there—corner of 2nd street and Jerusalem Ave. Teen-agers are reminded that if they are in 9th grade now, they should turn in their old cards for new ones at Teen-age night (or before!). This will entitle them to use both Library buildings. New books of all kinds are being added

to the teen-age collections in both buildings all the time. Here are just a few—look for them in their attractive colored jackets or ask the Librarian:

THE RIVER GARDEN OF PURE REPOSE, by Grace Boynton. The use of an elaborate old court yard, offered to a sick American mission teacher by a former pupil, allows her to live out the last weeks of her life in relative peace and quiet in this story of China. It is during the early war years and every character is deeply affected by the war. An old Chinese scholar is also given refuge in "the river garden of pure repose."

HOUSE OF EARTH, by Dorothy Wilson. A story of modern India. Rousing from centuries of submission, India is observed in the story of Roshan, a villager. Through the influence of an American medical missionary, Roshan, came to question many traditions which were responsible for unnecessary suffering in his own family, but he made no commitments until rioting nationalists killed the missionary. Then Roshan knew that he would take up where the American had left off. His decision made it possible for him to marry Kamala, an untouchable whom the missionaries had educated as a nurse.

AERODYNAMICS FOR MODEL AIRPLANES gives in simple terms a complete explanation of how and why a gasoline-engine-powered, a free-flying model plane flies and how the atmosphere and the forces of stability, balance, flight adjustment, and dermalizers affect its behavior. The author is Donald K. Foots.

Betty White's **TEEN AGE DANCEBOOK** has all the popular dances: Fox-trot, waltz, lindy, one step, rumba, mambo, tango, samba, polka, and even elimination dances. Here is new competition for Arthur Murray's book of instruction in the art of social dancing. Betty White's book is more comprehensive and also includes square dancing and the currently popular Charleston; there are chapters on organizing a public dance, party dance games, and dance etiquette. It's number in the series is 793.3.

Compton's **PICTURED ENCYCLOPEDIA** has recently been added to the teen age collection in the main building at the Hicksville Public Library. First published in 1922, this is one of the standard encyclopedias for young people. It is revised at each printing to keep it up to date, to add new articles of current interest and to expand older material where needed.

CRUISING CARIBBEAN

During the past two months ROBERT W. COTIER, teleman seaman, USN, has really "had something to write home about" to his parents, Mr. and Mrs. Harry C. Cotier, 118 Park Ave., Hicksville.

While his parents battle mid-winter weather in New York, young Cotier has been cruising on the blue Caribbean, where the temperature is still in the upper 70's.

A member of the staff of Rear Admiral A. P. Storrs, commander of Carrier Division Sixteen, Cotier has visited Willemstad, Curacao, just off the coast of South America; Charlotte Amalie, on the island of St. Thomas in the Virgin Islands; Ciudad Trujillo, Dominican Republic, and Port-au-Prince, Haiti.

Cotier is now with the staff on board the escort aircraft carrier USS Palau (CVE-122). Carrier Division Sixteen is one of three working under Hunter-Killer Forces, U. S. Atlantic Fleet, to devise new methods of anti-submarine warfare. The present exercise is known as "Operation Springboard".

The flagship was accompanied on the exercise by six destroyers, and three submarines, acting as the "enemy". The task group is slated to return by the way of Guantanamo Bay, Cuba, then perform a North Atlantic Treaty Organization exercise enroute to Norfolk, Virginia, where they are scheduled to arrive February, 21.

A 1948 graduate of Hicksville high school, Cotier was employed in the Post Office before entering the navy in August, 1951.

As a teleman striker with the staff, Cotier is directly responsible for handling radio teletype messages for the admiral and flag officers. Although this is Cotier's first cruise to the Caribbean area, he has previously made two cruises to European waters with the staff, including the "Mainbrace" exercise the past summer.

Among those particular discussed at the Parent-Teacher's meeting of the East St. School was the use of surplus funds which may be accumulated by May. In past years, the children of the school have been presented with some gift for use in the school. Naturally, since the extent of the funds is not yet known, the gift will be decided upon in a future meeting. It could be something like a TV set, or a record player to be piped to all of the rooms. Many ideas were discussed but the matter is still tentative.

Another aspect of the meeting was the request to have a policeman guard our children's safety on East St. Many school children

walk and definitely need this protection. There have been a few instances of neighbors from Woodbury Manor (which is near the school) phoning me to see if I could please speak to the police dept. or have some mention in the column—in reference to this condition.

It seems as tho the PTA has been working on this for some time. I'm sure those parties who phoned me and spoke to my wife will be extremely happy to hear this.

Next week I'll interview Gordon Bowen, safety man, about his progress. I understand he has been following the idea up with the police. The children try to race home as fast as they can when it is raining, oblivious to the traffic on the school street. One of our neighbor's children escaped death by a fraction upon just such an occasion. I have noticed policemen patrolling the other schools in the area; and therefore cannot see why our children should be neglected.

The play that was presented at the PTA will receive 5 stars by this column. I know how important it is to get good write ups to speed their show on the road. However, they'll have to replace my wife. May tak tak. All of the girls were excel-

lent, and didn't miss one cue. The whole effect was superb with no sign of nervousness on the part of any player. It was—without a doubt—the highlight of the evening and—while we all knew the girls had it in them, we were a little surprised that no one flubbed a line. Except for May, who busted out laughing when Barbara Seainess covered up. For that I thank Barbara, and we also want to thank her for the lovely costumes.

We received a phone call from Mrs. Loomis; she would like to congratulate Steve Penn of 40 Ketcham, on completion of his garage.

My wife, May, joined the Neighborhood Garden Club last Monday. The meeting was held at Mollie Fisher's home on Elm St. Prizes were awarded for the most beautiful and distinctive fruit arrangements. 1st prize was awarded to two winners as it was a tie: Rose Zoda and Carol Rowatt. 2nd prize: Lucy Lomenzo. 3rd prize Ann McCarthy. Lucy Lomenzo, president, instructed the group on soil preparation for spring planting. Welcomed into the group are: Jean Rogers, of Elm St., Martha Klegerperger, of Spruce St., and May

Woodbury Gardens Civics' Notes:

Arrangements have been made to hold three meetings of the parents of all boys interested in becoming Cub Scouts. These meetings are required by the Boy Scouts of America so that they will be certain of the interest and intent of the parents before going ahead with the final arrangements. Failure on the part of the parents to attend will be inferred as a lack of concern, and plans for the sponsoring of a Cub Scout Pack in Woodbury Gardens will have to be abandoned. The meetings are tentatively scheduled for Tuesday evenings in the St. Ignatius School on East Nicholas St. Each of you involved will be notified by postal card of the time, date, and place. There is nothing more the Association can do other than urge you to attend. The responsibility lies entirely upon the parents of the boys. The representatives of the Boy Scouts have given us 100 percent cooperation. Unfortunately the same cannot be said of us.

At last week's regular meeting it was decided by the membership to request a change in our April meeting date from Thursday, April 16 to Wednesday, April 15. This will make the Thursday date available to the East St. School P.T.A.

Mrs. Matthews of 115 Miller Road, with a few mothers and assorted children, is making a safari to Manhattan this Saturday, Feb. 28th, to view Walt Disney's "Peter Pan". The adults have offered to take additional children along, and, of course, additional mothers are welcome. Should you be interested contact Mrs. Matthews. The cost for the movie, transportation, and luncheon snack is estimated at \$2.00.

May we suggest that those of you on Wilfred Boulevard and Miller Road whose side stoops interfere with the construction of a driveway take your land survey down to the builder's shack and register your request for an alteration. It is the builder's responsibility to correct this error, but he will expect you to make the complaint individually and in person. We also suggest that all of you with outstanding complaints of longer than a reasonable time do the same. But in every case notify your Civic Improvement Committee of the date and type of complaint and also whether or not you wish them to include your complaint on their monthly list being forwarded to Stackler and Frank, the Loan Guaranty Officer of the V.A., and the Dime Savings Bank.

HAVE YOU READ BILL?

Assembly Bill 1826 Spells Out Split, Surrender to Hempstead

ALBANY—Study of the legislation introduced in the State Assembly, here, by Assemblyman John J. Burns (Assembly no. 1826, Int. 1765) refutes claims that "no split" is proposed. A companion bill has been introduced in the State Senate by Wm. Hulst Jr. The measure is now in committee.

Capitalization has been indicated to emphasize portions of the bill and new material in the bill, as compared with the split legislation enacted in the 1952 session, is in bold face type:
AN ACT

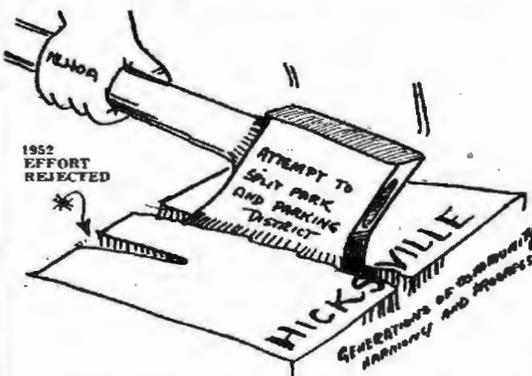

To Amend the Nassau County Civil Divisions Act, in relation to the DIVISION OF PARK AND PUBLIC PARKING DISTRICTS and the CREATION OF A JOINT PARK DISTRICT.

SECT. 222.1. DIVISION of park and public parking districts in the Town of Oyster Bay. The Town Board of the Township, upon its own motion and without a petition, may DIVIDE ANY PARK OR PUBLIC PARKING DISTRICT within such town, or, in the case of a Park and Parking District, DIVIDE THE SAME INTO ONE OR MORE SEPARATE PARK OR PARKING DISTRICTS. Provided, however, that no such division shall be made unless the town board shall determine, after public notice published and posted and public hearing held in the manner provided for the establishment or extension of such districts:

1. That there is no outstanding bonded indebtedness chargeable to the existing district;
2. That the properties or facilities of the district, if any, located in the areas resulting from the proposed division are primarily beneficial to the respective areas in which the particular properties are located.

Such act is further amended by adding thereto a new section, to be section 222.2 to read as follows:

ONCE AGAIN, BURYING THE HATCHET

THE HAND on the axe handle, in the opinion of the Township Civic Council of Oyster Bay, has been replaced by the Levitt-picked Levittown Steering Committee. The action "permitted the town boards" under the new legislation is intended to accomplish the same purpose. This cartoon was published last May in protest against the 1952 attempt to divide Hicksville.

SECT. 222.2 JOINT PARK DISTRICTS. a. WHEN MAKING ANY DIVISION pursuant to sect. 222.1 of this act, the Town of Oyster Bay may, in lieu of including any portion of the territory of the former district in a park district of the Town of Oyster Bay, CON-

INCLUSION OF SUCH TERRITORY as may be contiguous to the LEVITTOWN PARK DISTRICT OF THE TOWN OF HEMPSTEAD IN A JOINT PARK DISTRICT.

b. Upon the filing with the Town Clerk of the Town of Hempstead

The SENTINEL

Double Jeopardy

The law of the land prohibits "double jeopardy". The courts cannot try the same case twice except in such rare instances where conclusive new evidence has been discovered, and even then there is great hesitancy in reopening the matter. A decision formally reached must stand; it is the inherent right of every defendant that he be not subjected to double jeopardy.

The "split" of the Hicksville Park and Parking District has been formally considered by the Town Board of Oyster Bay and a written decision handed down. Conditions have not changed; the circumstances are the same; no new evidence justifying the "split" is on hand. The written decision said, "no valid reasons had been advanced to justify the splitting of the Hicksville Park and Parking District".

Yet,—here we go again. The same question, even the same bill changed and amended to make it more vicious, is up again.

Why should the people of this area be forced to go through this time-consuming business of protest, argument, possible hearing, again? Do we not also have a right not to be subjected to double jeopardy?

Of No Concern to the Town

The decision last year said that "the pools . . . as well as the community hall . . . should . . . not be a matter of concern with respect to operation, care and maintenance by the Town".

Why then should there now be such great concern about placing hem under municipal operation,—except perhaps the demand of the developer that they be accepted,—and under specific conditions outlined by him?

The demand of the developer has, oddly enough, received disproportionate consideration from public officials. The right of the people to peaceful enjoyment of their established order and boundaries has been subordinated to his publicly expressed wishes. The conditions he has set are even quoted by the officials as the reasons for disregarding the wishes of the people ascertained by formal referendum.

What Gives?

Something must be terribly wrong in Nassau if the wishes of a developer have such weight. To all reasonable people it appears that the public officials should be in the driver's seat. Acceptance of the facilities is their option, not their obligation. They should dictate the terms, not the developer.

Even Thought Control

The Steering Committee announced last week in one of the handbills with which we have been bombarded at considerable expense, to somebody, that "as soon as assurances of support of the legislation are received from the two Town Boards, the Steering Committee will formally request Levitt and Sons to reopen the Community Hall and other recreational facilities immediately".

The legislation was formally endorsed by both Town Boards on Tuesday of last week. Nevertheless, the facilities were not reopened. A daily newspaper reported that Levitt and Sons had detected in Oyster Bay only "lukewarm" enthusiasm for the bill. Consequently the facilities would not be reopened until the bill had been passed, hearings held, and municipal operation arranged, all presumably to the satisfaction of Levitt and Sons.

Under such circumstances the SENTINEL would say to Bill Levitt exactly what you would be inclined to say. We hope the Town Boards will have the courage to say it.

Legislative Paradox

Both Assemblyman Burns and Senator Hulst, sponsors of the new "split" bill, disclaimed responsibility for it last week. They explained that the bill was introduced at the request of the Town Boards and that introduction of such bills by legislators from the area concerned was a customary service rendered without question, and that, as the bill was permissive and not mandatory, with authority delegated to the Town Boards and not exercised by the legislators, it could not be said that they, the legislators, were mandating any action contrary to the wishes of the people, as was contended.

This was all done for HOME RULE, emphasized Senator Hulst. A few questions remained without satisfactory answers.

If the decision rests entirely with the Town Boards why are they required to go to the legislature for authority to act?

If authority to act must be secured from the legislature why do the legislators feel they have no obligation to appraise the validity of what they are asked to sponsor?

As the legislators are elected by the voters and not the Town Boards, why are they not more responsive to the voters than to the Town Boards? It seems to the SENTINEL that they are elected to represent the people of their districts, not the Town Boards.

In the meantime, it's all up to the Town Boards, say our legislators. It's not their fault if somebody gets hurt with the weapon they provide. They didn't do it.

Second Month of Closed Hall

At the end of this week, Levitt Hall has been out of function by the will of Levitt for two months. It is Levitt who keeps the Hall closed; no one else,—to pressure the Town Boards to accept it on his terms.

NLHOA met again in the Dutch Lane School last week. An extensive youth program is advertised for the Levittown schools.

A new synagogue and community hall have been announced for Carman Avenue.

Construction of the Holy Family church, community hall, rectory, and convent is well advanced.

The rectory and convent are closed-in and roofed; foundations and first floors are in for the balance, and superstructure masonry

Lady on the spot

It was ten minutes before train time when the girl missed her purse. No ticket, no money and almost no time. Things looked black for the party week end.

That's when the girl told her story to the operator on duty at the public telephone center. The operator called the girl's father. He said he'd send a messenger with some money. But . . .

By the time the messenger arrived at the railroad station the train was gone—and the girl was on it. The money for her ticket, and a little more besides, had been advanced by the operator, out of her own pocket.

Unusual? Well, perhaps. But even though telephone people are busy these days, they manage to find time for the little courteous "extras" that make your telephone service always so friendly and personal. New York Telephone Company.

**HICKSVILLE GIRL SCOUTING:
 Planning March 8 Tour Of UN**

By FLORENCE VRYN

The Hicksville Town Committee of Girl Scouts held its monthly meeting at St. Stephen's parish House, Feb. 18, and Mrs. Estelle Wilbur, Town chairman, presided. The treasurer announced that a check had been sent in the name of the Town Council to Holland Flood Relief Fund. Authorization was given for the purchase of a three speed record player, which will be for the use of the Council and the individual troops. A Mother's Auxiliary is being formed for the mothers of all Scouts and the organization will meet in the Legion Hall on the fourth Tuesday of each month. Membership applications will be distributed to the mothers through the leaders of the troops.

As a member of the Mid Island Council of Girl Scouts, the Hicksville Town Committee will send a scout from each troop to attend the Juliette Low Luncheon Mar. 21, at Methodist Church, Westbury. A scout from each council in the Mid Island district has been chosen to wear a costume of a country which has Girl Scouts, or Girl

Guide organizations for its youth. Elizabeth Bannon was selected to wear a Mexican costume, which is the theme of the Hicksville Scouts; and she will give a short summary of the activities and interests of Mexican Scouts. Patricia Cersosaim will present the contribution of Hicksville for the building fund at Camp Edey.

Preliminary plans were announced for a tour of the United Nations, under the sponsorship of the Town Committee and directed by Mrs. Jack Inglis, Program Chairman. The tour has been scheduled for Mar. 8. Arrangements are being made by Mrs. Inglis for a Father and Daughter dinner which is tentatively scheduled for the first week in June.

A Leaders' meeting arranged for March 4, at 2 Spray Lane at 8 P.M. The program for the first meeting will be "Registration."

**OFF SOUTH BROADWAY:
 Praise Teachers, School Board**

By BUNNY LAUER
 Hicksville 3-2794-J

We were very happy to see that Hicksville School Board adopted a new salary schedule granting a \$300 increase for teachers starting July 1. Having always been active in P-TA, it has been my privilege to come in close contact with the teachers and principal at Nicholas St. School and recently with the faculty of our new Lee Ave. School. These people are more than just educators. They are kind and warm and take an interest in each and every child.

Our children are in school a good part of every week and it is a wonderful feeling to know that your child is in such kind and capable hands.

What do the kids themselves think? Well, if you saw them board the school bus you would see that they are happy and just bursting with energy ready to start each day.

Our School Board deserves a lot of credit for careful screening of applicants and for hiring such wonderful teachers. All in all, it makes for a very good school system. It is so good I'd be more than happy to send my crew every day, all day!

Mrs. Henrietta Bolger of 201 Lee Ave. was hostess in her home Thursday at a Stanley Brush party. Mrs. Edna Mass was the demonstrator. The guests were: Mrs. Florence Frame, Mrs. Ginny Varas, Mrs. Gladys Cochran, Mrs. Harriet Woods, Mrs. Agatha Chase, Mrs. Joan Anderson, Mrs. Norma Patterson, Mrs. Lois Hahlbohm and Mrs. Mabel Teubner, Harriet Woods won the door prize and all the other guests were awarded small prizes for games

played. Coffee and cake were served.

Ethel and Elliott Lauer spent Saturday night visiting friends in Brooklyn.

The Mac Newmans of Wantagh spent Sunday evening at the house of Mr. and Mrs. Oscar Lauer of 185 Lee Ave.

Cards were received from the Halls of Linden Blvd. who are basking on the sunny beaches of Florida for a few weeks. Lots of luck to the Lazans of Lee Ave. who just got a beautiful new '53 Ford. . . Have you sent in your contribution to the Herald office to help finance the legal aid needed to prevent us all in Hicksville from being sliced up and given to Levittown?

Bud Hearnas of Dean St. celebrated his sixth birthday Saturday with a party in his home for his friends. The room was decorated like a western ranch. Cowboys attending in full dress were: Robert Fordly, Paul Lang, John Finn, Billy Roth, Melvin Robbins and Jerry Loff. No women folk were allowed. The kids consumed huge quantities of coke, hot dogs, pop corn, candy, ice cream and cake. Best part of the whole deal was that just everyone seemed to win all the games so naturally everyone got prizes. Bud is marking off the days till his next birthday.

Lenten Services At St. Paul's Church
 BETHPAGE—Mid-week Lenten services will be held at St. Paul's Lutheran Church, Stewart Ave. and Baldwin Pl., each Wednesday at 8:15 P.M., it was announced by the Rev. James F. Taylor, pastor.

THE SENTINEL

(Continued from Page 13)

is under way. The community hall will seat 700, far more than Levittown Hall. The SENTINEL guesses that the structure will be complete and occupied well before the first of the year, when Levittown Hall MAY go over to municipal operation as an additional tax burden for everybody.

The bond issue for the new Hicksville High School to contain two auditoriums, two gymnasiums and ample space for small meetings, and to be built less than half a mile from Levittown Hall, is expected to be submitted to vote shortly. Preliminary plans have been completed.

As the Hall remains closed, more and more people realize that it is far from essential. It certainly should have no place on our tax bills.

Steerers Claim 'No Split'

This column recently exposed the Steering Committee's incorrect figure on costs of methods of operation proposed for the pools and playground (Herald, Feb. 12). The committee had contended that the taxpayer would pay less to a joint district with Levittown; the figures presented by the Herald proved that he would pay more to the joint district and less to a Swimming Pool District established within the Hicksville Park and Parking District.

The joint district and the rumpus referendum had been promoted by spread of such misinformation. The incorrect figures were one of those bits of misinformation.

Developments last week stamped another one of the Committee's major statements, reiterated over and over again, as untrue. Even as recently as Tuesday of last week the Committee was informing the people by handbill that legislation for the joint district would "guarantee that the Hicksville Park and Parking District would remain intact." Copies of the legislation received next day proved that nothing could possibly be further from the truth.

The bill before the legislature is the same as the one for the "split" last year, except that changes and additions have been made to facilitate serving part of the Hicksville District and adding it to the Levittown Park District. Last year we could only surmise the intention to add, eventually, the proposed "North Levittown" district to Levittown; now it is spelled out.

The Hicksville Park and Parking District would remain about as "intact" as a house in the hands of a housebreaker. The bill provides that the town board of Oyster Bay may divide the district and "consent by resolution to the inclusion of such territory as may be contiguous to the Levittown park district of the town of Hempstead in a joint district." The town of Hempstead may then "extend the existing Levittown park district to include the territory of the town of Oyster Bay described in the aforesaid resolution of consent."

Opponents have long contended that establishment of a joint district would necessitate dismemberment of the Hicksville District, and that such dismemberment would be but a first step to complete separation from Hicksville and integration of this area with high-tax area Levittown.

Apparently recognizing that there existed widespread opposition to any dismemberment of the Hicksville Park and Parking District and to integration of any part of this area with Levittown, the

Steering Committee, in its distributed propaganda, claimed that the joint district it was promoting would be established "without interfering with the existing boundaries of the Hicksville Park and Parking District."

Nobody can claim now that those boundaries would remain unchanging and that the district would remain intact. Any contention to that effect, especially any contention made last week, after the legislation was announced, is clearly misrepresentation.

Check off two major items on which the public was misled by the Steering Committee. More to come.

BAPTIZE SON

William Robert John, son of Mr. and Mrs. Alphy John, of 15 Pine St., Hicksville, was baptized Sunday, Feb. 22, after the morning service at the Trinity Lutheran Church, Hicksville. The god parents were William Clark and Carol Shepard. The child's mother is the former Miss Marion Iggulden of Hicksville.

EXHIBITS PAINTINGS

Mrs. Olga Hoebel of 30 Terrace Pl., Hicksville, will exhibit an oil painting, "In the Adirondacks", at the Hicksville Public Library from Feb. 27 to Mar. 13. The exhibit is sponsored by the Independent Art Society.

Archie McCord Post No. 86
Bethpage

MID-ISLAND HERALD, FEBRUARY 26, 1953—PAGE 17

By TOM OLIVERI
Hicksville 3-2779-J

It is more than appropriate at this time to congratulate The Ladies Auxiliary on approaching their 25th Anniversary. Working in support of The American Legion in all its activities, the Auxiliary's help to the local Post can be accorded as a quarter century of accomplishments too numerous to mention. Beginning with its first President, Elizabeth Dinevan, down to hard working Det Raban, the Auxiliary can take pride in its fulfillment of American Legion objectives. The resourcefulness, versatility and ingenuity displayed by the Ladies Auxiliary of the Archie McCord Post No. 86 has acted as an inspiration to its membership and is in keeping with the highest traditions of the Auxiliary.

Renewals, a sign of support for American Legion aims are in from Jean Fearner, North Syracuse, N. Y. and son-in-law of Legionaire Jack Strong. Also from

John Knapp and Val Mihic, Al Garuba and Mike Pealous back at work after enjoying a 4-week enforced vacation. . . . Understand several members being considered for 40 and 8 membership.

Since Bob Ainsley proved the worth of prison chow, he hasn't been seen or heard of at post meetings. Are you alright, Bob? . . . Memo to Bob Fesse: Will pick you up Feb. 26. Have application ready. Reports from the dance committee indicate that arrangements for March 28 affair are in high gear. Due to the limited space we sorrowfully had to turn away a large number seeking admittance at our last dance. As this affair promises to be bigger and better, we suggest you get your tickets beforehand. See Chairman Al Garuba for tickets or any Legion member. Tickets may also be had by phoning this column.

It has been brought to our attention that dickerings among a few members of the Post has

caused somewhat of a personal feud. Non-attendance at meetings, brought about these differences of opinion, and of no importance to the Post and should be aired elsewhere. How about it, fellows?

Seems that non-participation in the Bethpage Blood Bank has doomed it to failure. An announcement of Chairman Cliff Daley will be made next week.

The next regularly scheduled meeting of the Post will be held tonight, Feb. 26. Being the last meeting prior to the March 28 dance, we believe and label it a "must" for attendance. Other dates to keep in mind are Feb. 28 celebrating the Auxiliary's 25th Anniversary and the Spaghetti Dinner on Mar. 7 sponsored by the Girl Scout Mothers Auxiliary. Both events will be held at the club house.

The championship by The American Legion of those things that are right is only as strong and as

effective as the sum total of its membership.

Lack Of Parks

Not Our Fault

By FRED J. NOETH

THE VERY OFFICIALS who try to argue that Hicksville does not need a park and parking district because it has no "parks" are the very officials who have hampered every attempt to establish parks.

The few public parking areas we have available today are the result of continual civic-merchant harping, petitioning and belly-aching. The Hicksville Park and Parking District was created in 1947. Since then two small fields for shopper parking have been created with a total capacity of less than 150 cars. Meanwhile, our population has zoomed from 8,000 to 30,000 or more and the number of automobiles has skyrocketed proportionately.

In a few days it will again be March. Just 12 months ago, on a crisp day in March, a delegation of Hicksville Business Men's Assoc. appeared before the Town Board and pleaded for action on local shopper parking. Promises were made and the extent of those promises by the town fathers was duly recorded here.

So a year has drifted by and we don't have an additional square inch of shopper parking—not to mention the gravely neglected commuter parking facilities.

And that is how it has been with public parks. There have been offers of dedication of land by various developers for parks. But short-sighted officials have shrugged them aside. Talk about parks and you get the stock answer "what do we need parks for? This is the country".

Instead of dreaming up ways to sub-divide Hicksville and totally destroy or effectively damage the municipal structure created in 1947 to make possible parks and parking fields, our Town Fathers should—if they are in the market for suggestions—be bending every effort to plan for the future needs of a community which will soon have scarcely an acre of open ground.

Robert Barron of the N. Y. State Dept. of Commerce, speaking at the EMA meeting this week, warned that the upstate average cost per car space of public parking fields is now \$108 and the cost in the metropolitan area averages \$525 per car space. Our present day cost may be somewhere between those two extremes but it is fast approaching the latter.

Every week we delay the cost increases. That means higher taxes.

And working to the disadvantage of the established business concerns are large shopping centres, complete with thousands of car parking spaces within minutes of firms trying to serve the public. It's a losing battle.

What does parking mean to a retail centre? Rockville Centre, Barron reported, has leaped from 5th to 2nd place among retail selling centres on the Island because of its carefully developed parking program. Forty per cent of its space is given to commuters and 60 per cent to shoppers.

Gentlemen of the Town Board: Let's cut out this nonsense of trying to "divide and conquer" Hicksville. Let's put some of that destructive energy into creation.

Admits Bill Permits Split

(Continued from Page 1)
great loss of time and effort," the telegram states.

HULTS DODGES
State Senator William Hults, sponsor of a companion bill in the Senate, told opponents of the measure on Saturday, "I don't wish to get into a fight. This is a local situation. If the town board feels they need this legislation, it is our responsibility to get the enabling law for them."

Both Hults and Burns stated over the weekend that they will not stop the legislation unless requested to do so by the Town Boards.

Supervisor Charles E. Ransom of Oyster Bay was in Syracuse this week for a convention of the County Officials Assoc. and could not be reached for comment. However, other town officials said they are determined "not to split the Hicksville District" although they have made no move to halt the legislation.

North West Civic Assoc. with Herbert Johnson as president has a membership of 440. His Assoc. has written Gov. Dewey protesting that Oyster Bay town officials "by this perverse action are side-stepping their democratic duty in ob-serv-ing the will of the people. We feel that this is definitely un-American". He referred to the town's sponsorship of the legisla-tion.

Woodbury Gardens Civic Assoc. by resolution said its membership "wishes to specifically direct the position

of all concerned to the inconsistent action of Oyster Bay Town Board in endorsing legislation contrary to the expressed wishes of the people as demonstrated in a referendum sponsored and supervised by the Town Board." Copies went to the governor, Board of Supervisors, Town Board and legislators.

FUND GROWING

More than \$100.00 was contributed during the week by interested residents to a fund to fight the legislation and protect the best interests of the community. Donations are being accepted at the Herald office, 98 North Broadway, Hicksville. A preliminary check-up disclosed that nearly 1,000 signatures have been added to petitions of protest against the legislation and are still being circulated. Petition forms are also available at the Herald office.

The Civic Council executive committee met separately over the weekend with both Senator Hults and Assemblyman Burns.

Meanwhile, the controversy took a laughable and curious twist during the week as the Levittown Steering Committee blasted the town board of Oyster Bay for its "lukewarm" attitude toward the legislation. A pro-Levittown faction spokesman charged that the town fathers were "too polite" when the Township Civic Council appeared at the Board meeting last week and protested the split position.

The Legionnaire

The Army Nite Committee met at the clubhouse last Friday night and though we can't reveal all the proceedings, most of which was whispered due to the presence of Navy spy Bob Schieferstein who was working on the P. A. System, we can inform you that the uniform of the day will be "fatigues." John Spennilla, Ed Becker, Walt Coen, Walter Barnett, Artie Bletsch and Jim Carter had quite a session and it looks like the Army's plans are beginning to jell.

Still on the subject of committees we expect to report in next week's column the result of Tuesday's Initiation and Awards Committee meeting. The deadline being what it is, the meeting will be 24 hours too late for this edition. In this connection—Initiation Night, that is—those members who need their 1953 membership to complete 5, 10 or 25 years continuous service had better get the renewal in to Al Barlow. Only those Legionnaires who have renewed by March 1, 1953 can be considered eligible for the award. Since all memberships must be verified and appropriate awards obtained from Department the committee was compelled to set the March 1 closing date. Take warning and sign up for '53. Get your reward on April 10!

Among things that continue to amaze us are the "enlightened" people who refuse to answer virtually all questions put to them by duly constituted Congressional Committees!

Not too far in the future is the Bazaar. Chairman Walter Barnett, who asked for and received the support of Guy Smith and Rudy Bouse as co-chairmen, is already drawing up plans to improve and enlarge on last year's initial effort. We think

a tremendous step toward smoother operation and assured workers was Barney's proposal that each have its own individual chairman or "captain". The whole program will require sixty to seventy workers. We suggest you communicate your willingness to serve to Barney as soon as possible. It's a big undertaking and to achieve the success desired the formation of work crews can't start too early.

Johnny Nees gave a lift to Al Barlow this week by giving us the following membership renewal—Fred Gunther, Emanuel Halpert, Bill Thompson, Bob Schmelze, Art Wicks and Bill Smith. Noticed Ernie's refreshment bills are getting higher—too many members (is that possible?) out for meetings. . . . Thank you received from Boy Scouts for recent contribution. . . . To this writing the Post has heard from Rep. Wainwright and Senator Lives with regard to U.M.T. . . . 1953 membership now past the 130 mark and climbing steadily. . . . Reservations will be available for the St. Patricks Day Dance on March 14—get in touch with Walter Schlichting for details. . . . Dick Evers bringing a lot of prospective members into the Post. . . . We love to kill rumors but we haven't quite been able to disprove the one about Jim Carter's offer of free shrubbery—Do you really think it's scrub oak? . . . More World War I men out for the last meeting than we've seen in some time. . . . How about the rest of you. . . . New mail receptacle is by Jim Carter. . . .

Music for St. Pat Dance will be piped to Club Room—Lower Level in case of overflow—or desire for greater privacy. . . . Legionnaires reporting more speed demons on the side streets. Latest from Kuhl Ave—taxi getting most of the blame. . . .

If you're looking for a Legion emblem for your car see Al Barlow but if you're looking for a new Legionnaire, see your next door neighbor. MEMBERSHIP IS YOUR RESPONSIBILITY! BOB MANGELS

We were unfortunate to be among the victims of the vandals who were at work in this vicinity.

Three of our copper leaders were ripped off our clubhouse. The theft was reported to the police and the culprits have already been apprehended and are in the process of being prosecuted.

Comrade George Walden and myself attended the Nassau County Council meeting last week. We spent a very nice evening and it was a pleasure meeting the other delegates from the 44 posts in Nassau County. During the meeting we picked up some very good sug-

gestions, some of which you will hear about later. Last Saturday evening I attended the annual meeting and dinner of the Hicksville Last Man's Club. I was very much impressed with their meeting and the dinner was delicious. The speaker of the evening, Col. Ralph Dumont, gave a wonderful talk. He told us all about the building of the air base at Tule, Greenland. I hope to have him at one of our meetings soon. It was the first opportunity I have had to visit the club house of the Charles Wagner American Legion Post. They have a fine building and

at this time I would like to thank them for the courtesy shown me. I would also like to thank the officers and the members of the Last Man's Club for their initiation. Remember Comrades, March 18 will be soon upon us. Keep that date open. That's the evening we go out to Northport Veterans Hospital and I hope all the ladies who can possibly make it will come along on that night. Let's make it a big night for the boys out there.

So until next week I remain

JWV Corner

By WILLIAM OLITSKY
As I sit at my desk, happiness is truly with me knowing that my family is somewhat safe and secure. Then I think of a conversation I had with Henry F. Maxwell, committeeman for St. Dominic's Convent at Blauvelt, N. Y. Henry is serving on chairman John Dean's project to build a swimming pool for over 2,000 of these kids. John has been striving for several years now almost single handed to accomplish this feat. Now the people are taking up the ball by sending contributions to St. Dominic's Swimming Pool Fund, Blauvelt, N. Y.

With the many youths to feed, clothe, educate and care for you can understand why outside help is needed. Your help. I wish you could know these children, like Johnny Dean. He was one of them many years ago. He did not forget and now in his own way is expressing his appreciation by giving his time and money to the home.

In our JWV Post we have men who came from Russia and countries under the heel of Russia more than 40 years ago. I speak for them when I say that the murder of innocent Jews will not bring bread and peace and self respect.

DINNER FOR RALL
Henry C. Eisemann of Hicksville is general chairman for a testimonial dinner to be given in honor of former Congressman Leonard W. Eidel, now county surrogate, at Kings Point Merchant Academy on Mar. 28.

These murders are intended to make you forget the promises of your captors for a better tomorrow, to keep you from striving to regain your freedom from the bonds of Communism. Election of officers will be held at our next meeting on Mar. 12. Make your choice and follow up with your job well done. Get well to Arthur Traidman. We missed you at our last meeting. Come on, Veterans Administration. What's holding up payment of P.O.W. hardship allotments? The least we can do for those men who were in the Nazi camps is that extra buck to help him FORGET!

Chamber to Meet on March 10

HICKSVILLE—The Board of Directors of the proposed Chamber of Commerce met on Tuesday evening, Feb. 24 to review and approve proposed constitution and by-laws which will be presented for approval by the general membership at a meeting on Mar. 10, tentatively scheduled for the Legion Hall. The Board will meet again next Wednesday evening, March 4 at Montana Realty and Insurance Agency, 115 North Broadway at 8 P.M.

Report Visit To Ghost Town

BUENA PARK, Calif.—Mr. and Mrs. Wm. Yanger of 4 Gates Road, Hicksville, recently visited Knott's Berry Farm and Ghost Town here. There, like the forty-niners, they tried their luck panning real gold in the ancient sluice box at the old Gold Mine. Later, the wagon camp was visited, where in a huge circle real covered wagons were lighted by the flickering flames of a large camp fire. From here, they wandered through the Music Hall, General Merchandise Store, the Covered Wagon Show, and many other buildings erected as a monument to the pioneers of the early West.

Mothers Set Breakfast

HICKSVILLE—The St. Ignatius Mothers Auxiliary met on Monday evening at the school hall, E. Nicholas St., here. Mrs. Charles Montana president presided. Father John Wisler, moderator of the group showed slides on Confirmation at St. Ignatius last May. Mrs. Thomas Bergin was appointed chairman of the annual Communion breakfast of the Auxiliary which will be held on May 3. The Auxiliary will attend 8 A.M. Mass in a group and meet for breakfast after.

A dark horse prize will be awarded at each future meeting of the group with proceeds going into a special convent chapel fund. Mrs. Harrington of Bethpage was winner of the prize this week.

Due to the Mission, the next meeting of the group will be held on Mar. 30 instead of the regular fourth Monday.

DUTCH LANE P.T.A.

"A Study of School Building Needs" will be discussed by Milton Leavitt, chairman of the School Education Committee, at a meeting of the Hicksville Dutch Lane School P.T.A. Tuesday, Mar. 3, in the auditorium at 8:15 P.M. An open discussion with the audience will follow. Refreshments will be served by the hospitality committee.

Mrs. James Bogchler, 3rd grade teacher at the Dutch Lane School, was hostess at a tea for a group of parents whose children attend her class Wednesday afternoon, Feb. 11.

The tea was one of a series of teas held by faculty to introduce parents with school life and provide opportunities for parents to help in basic problems confronting the school.

UNITED

Nassau's legislators don't offer see eye to eye with New York City's, but when it comes to the proposed bill to restore the full five percent pari-mutuel take at Belmont Park, Nassau's boys are supporting the bill with all they've got. Another bill to give to the counties the percentage of the so-called "breakage" at the tracks that now goes to the track operators has the support of Nassau's two senators and four assemblymen.

Kindness has converted more sinners than sermons.

The things you try to overdo are usually only half done.

The Sportlight

By HOWARD FINNEGAN

About a year ago we put the pen down and gave up on our fight against the officiating in Nassau County sports. Our point had long been that the iron fisted group which controls this business actually stifled most good new refs and kept in control those ancient, incompetent or politically favored individuals who retard the sport.

Our case was clearly justified in the Hicksville gym last Friday night but as to picking up the pen again in a lost cause—it is better left where it is.

An estimated 500 to 600 persons were turned away from the Hicksville - Sea Cliff contest and as a precautionary measure Hicksville authorities asked for police assistance to insure that ticket holders got past the milling crowd, without incident.

Its gallant fight all but lost, Hicksville is expected to be well below par at Oyster Bay.

The sudden unexpected end to the Sea Cliff game can not help but leave the Comets dejected since for their part they did not win it.

However, one of the players confided in us that Coach Chet Jaworski's work shall not all go down the drain.

The desire is to finish with a fine ten or five record on the season and not fold up with an eight and seven mark.

NORTH WEST NOTES:

Dog Packs Arouse Residents

The Executive Board of the North West Civic Assoc., reports this week numerous complaints on dog packs running loose in the development, endangering our children at play and damaging lawns and shrubbery. Any person in the development who owns a dog is urgently requested to keep it from running loose. Damage to property and automobiles by children has also been noted.

Please caution your children to respect the rights of your neighbors. There have also been reports of damage by air rifles to street lights, etc. If your child owns such a gun, please instruct him where and when to use it.

SPORT-LITE

With spring fast around the corner the Assoc., is endeavoring to make arrangements for softball games in the near future. If you are interested in the formation of a team contact Bernard Gill, 55 Gardner Avenue or phone HI 3-4588 R.

BETWEEN ISSUES

We note progress on the Char-

lotte St grade crossing work. Automatic light equipment has been installed to date. Highway Dept has honed both sides of Charlotte Street between Duffy Ave and W. John St, in addition to filling in the "pot holes" in the road. Several complaints have been made to your reporter on the lack of proper street signs in the development and at the corner of West John and Kuh, I respectfully suggest the parties to write a letter to the Assoc. giving them the details; or better yet attend the next monthly meeting to be held on March 3rd at the Burns Avenue School.

Speaking of Burns Avenue School the P-T A is now functioning, nominating committees have met and hostesses have been assigned—more on this later.

Saturday, Mar. 7, is the big night at the Hicksville Legion Hall when the North West Civics and their friends will gather for a gala evening of entertainment and dancing. Tickets are \$3 per couple. Make the necessary arrangement for your baby sitter now.

Bert Johnson, our president has been in Brunswick Hospital, Amityville, for past few days, all members and his many friends wish him a speedy trip home, let's hope this week end. Things are pretty bad when you can't leave your garbage disposal can outside without having it taken, the address is 68 Myers Ave. J.C.

OYSTER BAY NEXT:

Sea Cliff Rally Ends Flag Hopes

HICKSVILLE—The patient pattern of sound control basketball almost knitted the biggest coup in the history of the NSAL Eastern Division for Hicksville High, here Friday night, but in the final 120 seconds a raucous rally by heavily favored Sea Cliff unraveled one slim thread for a 45-44 victory.

Barring a miracle, the overjoyed Cliffmen left the rearing Comet gym clearly in possession of their second championship while the gallant losers must beat Oyster Bay this Friday if they wish to take runnerup honors in the County's strongest league.

SEVEN POINTS UP

Hicksville had woven a 44-37 lead with two minutes remaining before the title slipped like sand through its fingers.

At that point the Comets had lost tall Gary Purdie on fouls and that definitely pulled at the fibre of Hicksville's bid for Hicksville did not have the physical stamina to fight in the uncontrolled roughness that ensued.

John Nelsen slipped in with a layup and was fouled. His conversion cut the lead to 44-40. Less than a minute remained when Fred Grois belted one home from underneath.

With the score 44-42, Hicksville was in a freeze that shrank the clock to 12 seconds. The pressure was too great, however. With the pressing Cliffmen hanging all over the boys moving the ball out front a well intended but tragic pass sailed out of bounds.

In a time out Sea Cliff set a play which Ron Johnston followed to the letter. He zipped in a fine shot and was fouled. His cool conversion won the issue as Hicksville's last desperate shot was wide.

PBC Host To Alliance Loop All Stars Monday

HICKSVILLE—Defending champions of the Nassau Alliance League, the Hicksville PBC will be host to the League All Stars this coming Monday night in a contest that promises to outdo last year's 73-72 thriller that was won by the champs.

Coach Steve Ruggiero's club is now faced with a two fold problem. Bethpage upset the Hicksville boys 53-50 last week as Dick Alcock was sidelined with the flu and that means the regular season race will end in a tie between Hicksville and Hempstead or Glen Cove.

Hempstead and Glen Cove must face each other for the win that will deadlock Hicksville at 10 wins

and 2 losses. A best two out of three playoff will get underway at 8:30 P. M. for the crown will take place to decide the championship. It will be on a home and home basis with a neutral floor for the deciding game if needed.

LEAGUE SMARTING As for the All Star game which will get underway at 8:30 P. M. the crack shooters from the five other clubs in the division will be out to smother the Alumni for the league members have been smarting over Hicksville's three year dominance of the loop.

Two members of each team will comprise the All Stars who will be a decided to take this year's game.
