Carpenter and Soininen to Run

HICKSVILLE—Allen S. Carpenter and A. G. Soininen will both be candidates for re-election to the school board at the annual elections in May, they announced individually this week. The deadline for the filing of petitions for positions on the ballot is Apr. 20. There are two vacancies to be filled. Robert Eaton of 225 Lee Ave, president of Lee Ave P-T A, admitted today that he had been personally petitioned by nearly 300 neighbors urging him to run. However, Eaton said he wished to finish his job as P-T A. president and will not run for the school board.

Bike Accident Victim 'Poor'

HICKSVILLE—Two boys riding a bicycle were seriously injured when struck by a car on Lee Ave., 25 feet north of Rave St. Monday, Mar. 23.

Ronald Sica, 10, of 13 Garden Blvd. is in Meadowbrook Hospital suffering a possible skull fracture and possible fractured ribs. William Heller, 13, of 21 Cottage Blvd. was riding on the handle bars of the bicycle when he was struck and is suffering from a possible fractured skull. The car, driven by Joseph Carpenter of 180 Cottage Blvd., was damaged on the left side of the hood. The bicycle was destroyed.

Domestic on the danger list at Meadowbrook where the hospital reported yesterday his condition is "poor". Ronald's condition was given as "fair".

Request Good Friday Closing

TO THE BUSINESS PEOPLE OF THE COMMUNITY:
We, the undersigned clergymen, respectfully solicit your cooperation with us in the closing of all places of business on Good Friday, April 3rd, from 12 noon to 3 P.M.

We are in a race with catastrophe and in that race those things which teach men self-control, understanding and responsible action are of first importance. Nothing builds these qualities more powerfully than religious teaching and the worship of Almighty God.

This will be the sixth year for our business people to set an example of high standard to the surrounding communities of our County.

It is, therefore, with confidence that we once more request the citizenship of Hicksville to undertake the reverent observance of Good Friday.

The Churches will be open for services during the three hours.

Respectfully yours,

Record Setting 3100 To Decide HS Issue

HICKSVILLE—With a record-breaking 3100 persons registered, at least half that number is expected to turnout this Saturday to vote upon a bond issue for a new high school building. Two out of every three persons voting must cast a favorable ballot to carry the \$3,900,000 question.

IT'S NOW OR NEVER:

All-Out 60-Day Drive To Incorporate Village

HICKSVILLE—The campaign to obtain home rule for this community thru incorporation of its government as a first class village moved into high gear this week, spurred by the "obstinacy of the Oyster Bay Town Board in disregarding the will of the people expressed in a public vote."

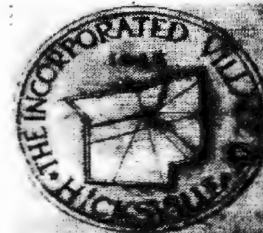

Lawrence A. Roman, general chairman, announced that a meeting of captains of the house-to-house canvass to get sufficient signatures to bring the question to a general vote will be held this weekend and an official "kick-off" for all workers is tentatively set for Apr. 2.

"We have found many new eager and willing volunteers in recent weeks since the action of the town board has convinced us all that Hicksville is at the complete mercy of non-residents and politicians who have majority control of the government," Roman said.

Signatures representing close to \$3 million worth of property valuation have been collected and \$10 million more is required to comply with the requirement of one-third of the district total.

The Home Rule committee for incorporation announced a concentrated drive with a 60-day deadline to clean the proposition. Roman said the historic slogan of "taxation without representation" under the present town government has been suggested as a slogan for the new campaign.

Gerald F. DeLorme of Dartmouth Dr. has accepted the leader-

UP TO DEWEY NOW:

Ransom Promised No Support For Plan Voters Did Not Want

ALBANY — The controversial bill creating a Joint Levittown District which will embrace about 20 per cent of the area of Hicksville passed both the Assembly and Senate in the final hours of the Legislative session, here, last week and is now before Gov. Thomas E. Dewey.

Protests are now being addressed to Gov. Dewey, Executive Mansion, Albany, urging him to veto Assembly Int. 1763, print 1826, 3517.

Oyster Bay and Hempstead Town Board's are both on record in favor of the bill. The Township Civic Council which has been fighting the enactment of the law today called attention to a letter from Supervisor Charles L. Ransom, dated Dec. 15, 1952, which said in part: "If such legislation is introduced, I can assure you as your Supervisor, that I will not help sponsor or approve any such proposed legislation, unless it provides for a referendum to be held in which the taxpayers in Levittown, within the Town of Oyster Bay, could express their opinion. In other words, I will not take part in putting additional taxes on these persons, unless they themselves, by the majority of the votes, desire it."

Oyster Bay Town Board held a referendum vote on Jan. 29, forty five days after this letter, and the vote was three to one against a proposed joint district. Over 700 people voted. Despite the pledged word of Supervisor Ransom, the legislation has been sponsored by Oyster Bay

Town Board. The new law makes no provision for another referendum which Ransom said he wanted.

Assemblyman John J. Burns, who introduced the bill, wrote Mar. 24.

NORMAN C. GODFREY was elected to the Vice Presidency of the Long Island National Bank of Hicksville at the last meeting of the Board of Directors. He began as a member of the Board of Directors in 1936. Besides being a Board member, he is Chairman of the Examining Committee. He resides at South Broadway, Hicksville, and is President of the Godfrey Farm Supply Co., Inc. of Bethpage.

At least two civic groups have indicated that they cannot support the question, while most of the Parent Teacher Association, the Citizens Advisory Committee and other organizations are pushing for its approval.

PROS AND CONS
Arguments for the project include statistics on the present and future student enrollment of the district, the inadequacy of present facilities, expiration of a law on state financial assistance with a deadline of this weekend, and its location which is declared to be the geographic and population center of the school district and the only site available.

Opposition has been offered on the grounds that the site is alleged to be within range of a proposed city of Levittown, inadequate advance notice of the project, claims that the site is not in the future population centre and assorted related issues including legal fees.

About 300 persons attended a discussion meeting on the project, Monday night. Following a detailed presentation of data on the new building with the aid of a slide projector by architects Knappe and Johnson, there was a question period conducted by Board President Henry C. Brenzel.

TAX DATA VAGUE
Brenzel declined to permit any discussion on the possible Levittown expansion question. Frederick Tinley of the Govt. Statistical Corp was reluctant to be pinned down on future tax rate saying such a question was like asking "how high is up?" since his answer depended upon many un-

Tip Top Lane On Flood Alert

BULLETIN—The Tip Top Lane Neighborhood Committee was back last night, pleading with police and town officials for protection of neighborhood children. Heavy rains had flooded newly built basements of about a dozen houses along the rear of Tip Top Lane properties and the surrounding area. Water depth was estimated in some instances as much as eight feet, according to Sgt. Charles Rogan, member of the committee.

The builder of the new houses on the continuation of Lee Ave was among those appealed to and Hicksville Fire Dept gave assistance yesterday afternoon. Police said they were unable to provide men at the time requested due to traffic duty.

Local Children Among Winners

Margaret Schneider of Plainview Rd., and Gerald Ruboy of 37 Lenox Ave., both of Hicksville, were among the 10 Nassau County school children selected as winners in the first week of the "Peter Pan on Long Island" art contest being conducted by the H. C. Bohack Co. Inc., Brooklyn and Long Island food chain, for all elementary school pupils on Long Island. The art contest is being held in conjunction with the "Peter Pan Prize Party" being held by the Bohack stores. The contest ends April 1.

Both Margaret and Gerald are pupils at the St. Ignatius Loyola Parochial School.

No Other Adequate Site For High School Seen

HICKSVILLE—No other site of sufficient acreage to accommodate a new high school is apparently available in the district, it was asserted this week by the Citizens' Advisory Committee on Education in a last-minute appeal to registered voters. The proposition comes to a public vote this Saturday, Mar. 28.

George McIntosh, chairman of the Advisory Committee, pointed out that the following Parent-Teacher Assoc. of the community are reported on record in favor of the proposition: Sr. High School, Jr. High School, East St., Nicholas St., Dutcher Lane, Fork Lane and Old Country Rd.

The Committee's letter, being mailed to the 3100 persons registered and qualified to vote this Saturday, follows:

"As the members of the Citizens' Advisory Committee on Education of Hicksville School District, we feel that you as a registered voter of the district should be acquainted with the following facts regarding the vote on the proposed new high school.

"1—The site of this school, now owned by your school district, has been approved by Columbia University, Institute of Field Studies, as well as the State Education Department and the local School Board and was chosen for its location which is as nearly as possible in both the geographic and population centers to accommodate the present and future growth of the school district.

"2—No other site of sufficient acreage to accommodate such a project is apparently available in our school district.

"3—Failure to support this proposition will set back our district both educationally and financially. Present high school facilities are completely inadequate for present day needs and the problem is getting steadily worse.

"We urge you to come out on Saturday, March 28, between 11 A.M. and 9 P.M. and cast a favorable vote at the high school building on Jerusalem Ave. between 2nd St. and 4th St., Hicksville."

BRIAR PARK, PLAINVIEW:

See You at School Vote Monday

By ETHEL ROONEY

Hicksville 3-5324

Hello Folks,
Wasn't it hard getting back to
normal tasks after that glorious
week-end? Everywhere you look-
ed, families were working on their
yards and lawns — getting their
gardens started for the spring. We
have finally gotten a good portion
of our dirty work done and our
yard does not look like the same
place. I hope this week-end is an
omen of the type of week-end we
can expect. Last year it rained al-
most every Saturday and Sunday.

The Plainview Civic Assoc. met
last week mainly to discuss next
Monday's voting on the purchase
of three new school sites. At this
meeting, we were informed that al-
though this is a package arrange-
ment, it is the only way to get the
land. If we do not get the land now

later the cost will be consider-
ably more and we have to have it.
I hope therefore, that you will
all be at the Manetto Hill School
on Monday, March 30, to vote in
favor of this purchase. The voting
hours are from 10 A.M. to 10 P.M.
These hours enable even night
workers to get there to cast their
votes so you really will have no ex-
cuse if you don't get there. Any
resident property owner of Plain-
view, or those having children at-
tending Plainview's school may
vote, providing you are over 21
years of age and have been eligible
over 30 days.

At this meeting, also, a nomi-
nating committee was set up to nomi-
nate the officers for the next year.
Elections will be held in a couple
of months.

Another important subject of
discussion was the Plainview Fire
Dept. Many complaints have come
in about the slowness of response
to a call, difficulty in reaching
them, etc. An investigating com-
mittee has been set up to go into
this situation — with the complete
cooperation of the Dept. — and a
report will be made on the situa-
tion at the next regular meeting of
the Plainview Civic Assoc.

Sincere sympathies are extend-
ed to Mr. and Mrs. Charles Reddy
at the death of their infant daugh-
ter, Mary Margaret last week.

On Saturday, March 26 will be
held the Plainview Community
Nite, sponsored by the Plainview
Amvets, Post No. 11. There will be
gamings and games with refresh-
ments available. Tickets are fifty
cents each and everyone is heartily

Housing Committee with Don
Ramsey as its chairman. The Com-
mittee, according to Ramsey, has
undertaken a survey of the dis-
trict to determine what additional
space is available for conversion
to temporary classrooms for use

PLAINVIEW COUNTRY HOMES Civics Hear of School Question

By RAE CANTILLI
This past weekend was a source of joy and delight. It was the first weekend, since goodness knows when, that it didn't rain. Ah me, I think I even caught a little spring fever.

The Plainview Civic Assn. met last Tuesday night. Over 150 people were present to hear our School Board, explain and answer questions on the voting to take place on March 30 on the purchase of three school sites, the cost of which will be approximately \$250,000.

The three sites, are located thusly: Two are in the Morton Village section, north of Old Country Rd., and the other one is on the south side of Old Country Road, also in the Morton Village section. John Dowling, Public Relations Member of the Plainview, told those present that if we don't act quickly on these purchases that we need so badly now and in the future, we may have to pay an exorbitant amount for this same land a year from now.

Principal Tuttle explained to everyone, that the present enrollment is around 560, which will probably jump to well over 1200 within a few months. We have to have our children educated, and we have to think of the future as well as the present.

Norman Riley, President of the Civic Assn., announced that the petition signed by over 600 local people had been sent to our State Senator Hulst and our Assemblyman John Burns requesting their aid in securing more State Aids. A reply from Mr. Hulst was received saying that he will do all he can for us. No reply as yet has been received from Assemblyman Burns.

Don't forget the dance, sponsored by your Fire Dept. at the Fire House on April 25. Tickets are \$1.25 a person which includes dancing, a floor show and a door prize. If you desire to attend, tickets can be gotten from any fireman or you can purchase them at the door. The award of a Basket of Cheer, a Toastmaster and a Cooler will take place at this dance.

I would like to extend my sympathy to the Schuessler family of 28 Island Street upon the passing away of Joseph Schuessler this past week.

PLAINVIEW VAMPS REPORT:

Meet New Company Members

As the Plainview Volunteer Fire Co., we feel that we should introduce to the community each new member joining the company. It gives us great pleasure to introduce the following: Farrell Lend of Floral Dr. and Peter Cervelli of Central Park Rd. They will be probationary firemen for a one year period.

This is just a reminder of the important five points mentioned here last week. We will repeat each week until most people of Plainview have permanent instruction cards:

1. Call operator.
2. Ask for Plainview Fire Co.
3. Give exact location of fire or emergency over the phone.
4. See that all doors and windows are closed.
5. Go to main road and direct fire apparatus.

Our entertainment committee is running into some hard luck with the weather and our 1st assistant chief and chairman of the committee, Mr. Zimmer, reports that in spite of the weather, progress is

Congratulations to John Trank of 35 Sunrise St., who has been appointed plant superintendent of the Plainview Water District.

Ruth and Bob Gressner of Island St., spent the weekend visiting friends in Pennsylvania and in Virginia. Lucky people. Oh well, vacation time is not far off.

I read last week in the Herald that little Miss Cheryl Rydout, infant daughter of Mr. and Mrs. Lewis Rydout of 32 Relda St., was christened a few Sundays ago. I would like to extend my good wishes for health and happiness in the future.

My own offsprings, Dona and Laurie attended a birthday party Saturday in honor of Kathy Shkurky of Talmadge St., Baldwin, who was two years old. I must say, mama had just as good a time zapping with a lot of old friends.

I guess that's all for this week. Give me a call, will you, if you have any news. I'd like very much to hear from you.

Our Girl Scouts

By RAE CANTILLI
A few weeks ago, I started this special column devoted to bringing Girl Scouting closer to the people of Plainview. As I receive the word from the various leaders of Girl Scouting here in Plainview, this column will be a regular feature in the Mid-Island Herald.

In honor of the birthday of Girl Scouting, Brownie Troop 116 celebrated on Friday afternoon with a great big party in the Manetto Hill School Auditorium. There were 20 Brownies present plus two new girls who are about to join the Troop. For refreshments, and nobody the highlight of the party, there was a large birthday cake decorated in green and white plus sandwiches, ice-cream, and soda. It sounded like quite an affair. After refreshments were served, Brownie Leader, Mrs. Adelaide Huggins, 1st Asst. Leader, Mrs. Esther Frank told the Story of Girl Scouting and led the girls in singing songs. From all reports from around here, the party was more than a huge success.

Mrs. Huggins asked me to announce that the Friday afternoon Brownie Troop is filled to capacity.

being made Sunday mornings. We wish to thank all those who have contributed to date.

If you were not at home when we called, don't be afraid to stop us on the street as we are now working in the section near South Oyster Bay Road. We realize that no one likes to take a chance on a cat in the bag so our first prize is on display in the Drug King on Old Country Rd. The date of the dance is Apr. 25 to be held at the firehouse. There will be dancing, entertainment and refreshments. Proceeds will be used for fire protection for all.

ABOUT AMVETS

By TOM PAYNE
First of all I would like to apologize to all of you people that we failed to contact during the past week. Our intentions were good but our tickets didn't hold out. Art Ferguson and I had gone from door to door starting with Plainview Road with the intentions of going right through the community. We hardly penetrated Briar Park development. Don't let the lack of a ticket hinder you from attending our "Community Nite" though, just come on down anyway. The music will be canned and the refreshments will be the usual but we can assure you a good time. Your attendance this Saturday night, Mar. 24, will be a vote of confidence for the ensuing months and for most of us they are many. As well as having fun that night we can assure you of doubling your scope of acquaintance in the community. There will be prizes awarded the winners of our opening game "Introductory Bingo."

In the course of our door knocking, we met many interested veterans who had expressed their desire to join some veteran's organization. For those of you who think that AMVETS might be the organization for you, our meeting nights are the second and fourth Wednesdays of each month, at the Manetto Hill School Auditorium. Why not come down to visit us and bring your neighbor.

The teenagers, tomorrow night will have the second of a series of "salon night" with the live entertainment being provided by the "Vagabonds". You teenage Parents, should be interested enough to come on down and give a look-see. (after nine thirty, that is).

So long for now, see you at the Firehouse on Saturday night.

Ladies Arrange For May 2 Fete

PLAINVIEW The regular meeting of the Ladies Auxiliary to the Fire Dept., was held on March 20, at the Fire House with Mrs. Ann Ocher, President presiding. Hostesses for the evening were Mrs. Arlene Denner, Mrs. Elizabeth Grabow, Mrs. Ann Garland and Mrs. Gertrude Hartman. Mrs. Vivianne Kassinger of Parkview Ave. was welcomed as a new member.

Details concerning the coming dinner on May 2nd were settled. A drawing on an Emerson Clock Radio for 1st prize, 2 bottles of Canadian Club—2nd prize and a set of Flint Ware, 3rd prize will be held that night. Mrs. Grace Berry, chairman of the entertainment committee, is in charge of both affairs.

The Dark Horse was brought by Mrs. August Keute and won by Mrs. Elizabeth Grabow.

Two Important School Votes

By Fred J. Noeth

THE PEOPLE of Hicksville and Plainview will be voting over the weekend upon important questions involving the education of their children.

The problem in Plainview is relatively simple. A vote will take place next Monday, Mar. 30, between the hours of 10 AM and 10 PM at the Marnetto Hill School upon the purchase of three parcels of property for future school buildings. The three properties are grouped as one question with the total estimated cost \$255,000. School authorities in Plainview have one of the most serious problems on the Island and cannot even begin to prepare for the tremendous influx of residents and children unless they have sites on which to plan and develop urgently needed structures.

A strong affirmative vote on the Plainview question is anticipated and urged for that area on Monday.

The Hicksville vote set for this Saturday, Mar. 28, between 11 AM and 9 PM at the high school building on Jerusalem Ave. and the problem has most of the community buzzing. Three questions are being asked involving a total expenditure of nearly four million dollars, a tidy sum representing about 10 per cent of the total assessed real estate value of Hicksville today. Already in the past two years over four million dollars has been appropriated by the community for new schools with five now built and occupied and a sixth under construction.

There are about 3,100 voters qualified to vote on the three Hicksville questions this Saturday. About 300 attended a discussion meeting on the questions last Monday night. The Board of Education held the meeting so that the voters could get the answers to questions regarding the propositions. There was a wealth of talent present—educational, architectural, legal.

However, the opinion of some observers was that while the questions were answered, the nature of some replies contributed little to a better understanding of the issues. Technical questions regarding the structure received precise replies while some other inquiries were answered somewhat vaguely. However, it is our experience, after attending a number of these meetings, that well-meant questions have a way of sounding like criticism to some sensitive officials and thus answers tend to become defensive, missing—in the procedure—the essential elements.

Our ballot on proposition no. 2, calling for the bond issue for a new high school, is going to be affirmative. We urge our readers to vote "yes". These are our reasons:

NEED: No one can seriously challenge the fact that additional high school facilities are today needed and we will be in serious trouble within a matter of months unless construction on a new building can be started without prolonged delay. A high school building takes about two years to erect without allowance for the preliminaries of drafting detailed plans, calling for and awarding bids, etc.

LOCATION: From the standpoint of the entire district, the location is probably as good as any that might be found. A high school necessarily needs a lot of space. The site under discussion is 20 acres, is fully paid for, even though admittedly a little "crowded". Land costs are mounting and even if another site could be found, which appears unlikely, it would cost \$8,900 to \$10,000 an acre.

We are gravely concerned with the northward expansion of Levittown, city or special district. However, we also are convinced that Hicksville will be incorporated as a village with inviolate boundaries co-terminus with the present school district in a relatively short time. We fully expect to see Hicksville incorporated before the first shovel goes in the ground for a new high school.

Our optimism is based upon the public's resentment and disgust with the double talk antics of the Town Board on the Joint Levittown District question. The whole sorry story on this split issue has demonstrated more clearly than anything we might try to say on the importance of forthright action to protect our rights and permit all our citizens to enjoy their community and home without constant arguing and fear of aggressors. We must incorporate without further delay.

The high school proposition is brought before us by our duly elected Board of Education. The Board is in the best possible position to know what must be done—and this is their proposition. The need is readily apparent. Your endorsement is requested on Saturday.

Knights Plan for Spring Dance

HICKSVILLE—Members and friends of the Joseph Barry Council, Knights of Columbus, are invited to attend a Spring Dance to be held Friday evening, April 7, at St. Ignace School Auditorium on East Nassau St. The Dance Committee is busily engaged on the final preparation. Entertainment and Refreshments will be provided. Dancing will start at 9 P.M. with music by Jimmy Cummings and his orchestra.

The Legionnaire

Charles Wagner Post
No. 42], American Legion

The American Legion and the VFW, this time joined by the JWV have presented another American Flag to one of Hicksville's new grade schools. The latest presentation was made Sunday afternoon at the dedication of the Dutch Lane School with the actual presentation being made by the VFW's Frank Sutter on behalf of the participating organizations. Officially representing the Legion were Ed Becker and Jim Carter. All present in other official capacities were Legionnaires Henry Brenzel and Al Carpenter. In the offering are the dedication of the Old Country and Burns Ave Schools and Johnny Nees tells us the flags for both are already on order.

Had we not the mix-up in columns recently, last week's effort would have carried comments on the tremendous increase in attendance at recent meetings but what happened at the last one? While not a small meeting it still fell far short of the last few and those who stayed away missed the best refreshments in a long, long time. Johnny Spinella, ably assisted by Ed Hodgkinson, Ray Morache and Al MacDonald turned out a spaghetti and meatball feast that had everyone crying for seconds. A spread like that can't be expected every meeting because of the cost involved, but as a change off it was heartily welcomed.

Some of the newer members are certainly pitching in fast. Take for instance, Ed Hodgkinson, a member just a few short weeks with several important services already rendered. . . . Or Al MacDonald, now going on a night shift, asking what he can do on Saturdays "to carry his weight". . . . And the rate new men are joining we can look forward to many more such cases. . . . Still on the new member subject—how about Jim Carter's brain child of the name buttons to get acquainted

—we like and apparently our new Legionnaires do also.

With an eye toward the April 6 meeting—Look for further discussion on the proposed amendments to the by-laws. The vote has been set back to April 20. . . . Participation in the Loyalty Day Parade to be held in New York City on Saturday, May 2 will also be brought to a vote. . . . The same meeting should also see a very prominent member of another vets organization "Dining the American Legion. If so, credit can go to Rudy Bouse.

"Americanism" is a big part of the Legion and our Post is mighty lucky to have a man like Jim Carter on the job. Jim very clearly and neatly traced the present day whereabouts of the signers of the dissolution of the Gumberters some eleven years ago. Interesting to note all these Gumberts, except the late and unlamented Clement Gottwald, are still very active, not in Russia, but throughout the world. We hope that we will, very soon, perhaps next week, carry a guest column under our banner, written by this same Jim Carter. His subject—Comrades!

Army Nite, April 17, is getting close. Remember the uniform—fatigues or dungarees. . . . Another large contribution to Legion Hall, Inc. . . . Post contribution to Infantile Paralysis Fund acknowledged. . . . Have agreed to tentative boundaries of new Plainview Post for their temporary charter. . . . Walter Barnett deserves a lot of credit for his work on the "spots". It was an all day job.

Further report from Al Barlow on membership shows us past the 100 mark with renewals from Fred Braun, Jerry Kennedy, Bob Brendel, Steve Wladyska, Mel Eisenhandler, George Rappaport, Joe Healy and Jack Roudsaw. . . . Members include Dick Van Brunt and Frank Kern. . . . County meeting tomorrow night. We'll be there with Ed Becker, Al Vitale, Jim Carter and Al Barlow. . . . By-laws Committee meets tonight.

SEE YOU AT THE LEGION!

Post No. 3211 of Hicksville

Comrades, I am sorry that there was no column last week but I was late bringing my copy to the office. So this week, I will try and fill you in on what's been happening.

The social the Ladies Auxiliary held on Saturday, March 14, was a grand evening. Everyone who attended had a wonderful time on behalf of the members of the Post. I would like to thank the Ladies for their invitation.

On Wednesday evening, March 18, we made our annual visit, with the Ladies Auxiliary to the Veterans' Hospital at Northport. The boys enjoyed the dancing and refreshments and it made their

lives a little brighter. Once again, I would like to thank you lovely ladies who made the visit with us.

Last Sunday afternoon your Post along with the American Legion and the Jewish War Veterans presented our National Colors to the new Dutch Lane school at its dedication. Commander Frank Sutter made the formal presentation and his speech was most impressive.

On April 13 the Post will hold its installation of officers. I would like to see every member who can make it be in attendance. Let's show our new staff of officers that they have our cooperation and help to make this a big

year for the William M. Gouse, Jr. Post.

I think I have something for that empty spot on the front of your car. I am taking orders for the VFW emblem. It will fit the bracket that used to hold your second license plate. The charge is small and the money will go toward furthering the welfare work done by your National and local V.F.W.

Quartermaster George Ciser tells me there are only a few unpaid members for '53. Let's start the new year with 100 percent paid up membership.

That's it for now.

known factors, including federal and state financial aid.

Tilney refused to estimate the tax rate but admitted it might go "as high as 35 or 36" per \$100. It is now, he said about \$2.50 per \$100. He added that the increase would result from the cost of operating the educational system, regardless of whether more buildings were erected or not. The student enrollment gains would require more teachers, supplies, administrators, etc. to boost operating costs.

A question on legal fees came at the end of the session. Brenzel said the \$20,000 provided in the brochure by the Board for legal fees was "an arbitrary figure" designed for the purpose of justifying the cost for the state education dept. "Naturally," he said, "we will save as much as we can on every phase of the project."

He said he read in the daily papers, that the attorney would not accept the job on the high school proposal on a percentage basis, preferring a flat retainer fee. A proposed fee of \$15,000 a year has been mentioned by Board members.

Michael Sullivan, attorney for the school district, angrily denounced "overnight experts" and "rumor mongering" on the legal fee question and said he found "the more you do for certain people, the harder you get kicked." He added that he did not know if he would be the attorney for the district after June 30.

Results of the vote will be

posted in the Herald window next to the Post Office immediately after the ballots are counted. The propositions are stated in full on page 26 in this issue.

Nice Weather & Window Screens

By **BUNNY LAUER**
Hicksville 3-2794-J

It's great to be alive with such beautiful weather. Do hope it is still here when the mailman brings this paper to you. Of course, the beautiful weather has its problems also. All the kids in the roads with their skates and bikes. The small fry dashing out wildly behind closed cars. Do drive slow, and don't be waken for a little while. Maybe if I start nagging, it will seem to you they will be put up before next fall.

Helaine Iweander of Garden City celebrated her six birthday Saturday with a party in her home. Her guests were: Peter Shorbo, Kaseen Seimok, Margaret Bowen, Joan Vaughn, Michael Fallon, Holly Lauer, Michael and Susan Fabrikant, Gail Erhardt and Dale Garrett. Helaine's sister, Joan, ar-

ranged the party. Everyone won beautiful prizes and the refreshments were delicious. We had to pick up Holly at 3 o'clock and whisk her over to Dolores Vatter's party. Read about it in Florence Veyn's column.

Mr. and Mrs. Buddy Arnold of Plains row were the dinner guests of Mr. and Mrs. Oscar Shaw of Garden Road, Saturday.

Mr. and Mrs. Wesley Smithson of Cottage Road send cards from Boston where they are visiting for a few weeks.

Grandpa Lauer sure is a busy man these days. He had a huge lot of his home made jams, jellies, marmalades, etc. and even had them put up in plastic containers.

Lee Parents See Aims of School

Parents of Lee Ave. School pupils followed a typical day of classes in a "back to school for parents" program held by the Lee Ave. School P-T-A Thursday night, Mar. 12, at the school.

The educational philosophy and aims of the Lee Ave. School and how the goals were attained were explained in the individual classes.

The teachers in their respective classrooms explained routine procedure such as roll call, morning exercises, reports, lunch room etc. She discussed the subjects taught, time allotments, the books used and why they are used, the scope of the subject matter and its aims and methods.

Parents and satisfactory work notes and letters of commendation were explained. The parents were advised of the school teachers available at the school and special services through the nurse, psychologist, doctor and health officer.

Special school projects such as the school paper, assemblies, musical sports and awards and homework policy were also discussed with individual parents. The track day program closed with the dismissal procedure and explanation of bus schedules.

The parents of Lee Ave. School children wish to thank Donald Art, principal, and the teachers for the wonderful and informative evening.

Cub pack 91 scout committee will meet on April 8 at the home of Thomas Bergin, Park Ave., Hicksville. This meeting will take the place of the March meeting which was postponed due to the illness of St. Ignace Church.

The regular meeting of the Lady Aid will be held on April 17 at St. Ignace School Hall.

**JUDY'S JOTTINGS:
P-TA Plans for Military Bridge**

By JUDY DE JONGH
Hicksville 3-2176 M
The Old Country Road School PTA held its regular meeting on Wednesday, March 19, with 100 persons attending. A color film of the opening day of the school presented by Fred Young, brought joyous exclamations from parents who recognized their progeny at work.

Dr. E. H. Le Barron, speaking on "Your Child and the Educational Program and Philosophy" pointed out to the parents that an academic program is insufficient for the proper training of the youngsters. In answer to questions about the relative importance of social and physical activities, as

well as the crafts, Le Barron clearly indicated that a child of early school age must live a new life while at school. He explained how the school teaches cooperation, discipline, and the development of other useful traits in the student. The parents were left to consider that their children, while at school, were not apprenticed to a factory of learning, but were in reality living a complete life away from home.

Allen Carpenter spoke on the tremendous growth of our community, and the increase of children of school age. He referred to the inadequacy of our present facilities, and of the great need for the proposed new high school.

He explained that the proposed site was "centrally located within the school district", and the relocation of the school to any other site available to the school district would require the furnishing of transportation for the entire high school term for many of our students.

Mrs. William Gianelli was presented with a lovely umbrella as a gift in appreciation of her guiding the new group through its formative stages.

It was announced that the organization is planning a military bridge for the evening of May 20 at the school. Certain to provide an entertaining evening, this event should bring out as many parents as possible.

Birthday congratulations to Albert Schall of 21 Stiggs Lane, Alton, who celebrated his 20th birthday on March 18th with Mr. and Mrs. William Reese and their son, Guy. Mrs. Sarah Lyons and Mr. and Mrs. William Schall, in a festive celebration of the occasion, Mr. Schall took his wife out for an evening on the town, with a fine dinner and the concert of the day. That's a useful thing to remember, kids!

The 1953 Cancer Drive gets under way on April 1, and the need for solicitors again makes itself felt. If you have a few spare hours to donate for a very worthy cause, please contact Charles Trojan of the I. I. National Bank.

Recreation exercises for the Old Country Road School will be held on April 19 at 3:30 P.M. The ceremony will include well-known speakers, and the presentation of the school flag and bible will be made. Music will be provided by

pupils from the Old Country Road and Nicholai St. Schools under the direction of Mrs. Myra Marzial.

Open house will be featured, and guides will be available for a tour of the school's facilities.

Birthday congratulations to Herman Apollonio of 92 Benjamin Ave. who celebrated March 13 with a gala party. The guests included Mrs. Rachel De Mattia and Mr. Gus De Mattia of Brooklyn, Mr. and Mrs. Emanuel Le Magna, Mr. and Mrs. Anthony D'Agostino, and Mrs. Gilda Massaro of Levittown, Mr. and Mrs. Frank Cirillo of Seaforth, Mr. and Mrs. Matthew Viola and Mr. and Mrs. John Rizzo of Bayside, Mr. and Mrs. Angelo Galletta and Mr. and Mrs. Matthew Le Bana of Corona, Mr. and Mrs. Mike Guiracci and Mr. and Mrs. D'Agostino of Brooklyn.

Refreshments were in abundance and included pot roast, potato salad, cole slaw, crabmeat and lobster salads, cold cuts and assorted tidbits.

We are glad to see Murray Duncan back at his desk as principal of the Old Country Road School. He and his family has had a bad siege of the flu, and it's good to hear this all's well again!

Don't forget the Variety Show, which is being planned for the evening of April 16 by the Nicholai St. P.T.A. The event will be held at 8:30 P.M. in the Lee Ave. School, and tickets are priced at 50 cents. A lot of professional-type talent will be on hand to entertain you, and we promise a big surprise in store for all who attend this gala affair. Tickets 4.00 can be available at the book stores, and in the meantime, remember to keep the night of April 16 open in your date book!

Jeffrey Schlegel of 34 Seymour Lane celebrated his first birthday March 18 with a party given in his honor. Those that attended the festivities were, Mr. and Mrs. Alfonso Burkard, maternal grandparents; Mr. and Mrs. Frank Schlegel, paternal grandparents; Mr. and Mrs. John Burkard, an aunt and uncle. Also Jeffrey's sisters, Judy and Stephanie, his daddy and mommy completed the happy group. Jeffrey probably was amazed at all the fuss that was being made, but 1 1/2 year old Judy and Stephanie knew what it was all about and enjoyed every minute of it.

Gary Reece of 12 Bobbee Lane marked off his first year on the calendar, March 17. A party was given in his honor. The little ladies who attended were Susan Gauthier, Debby Ellis, Nora Rama, Jaynie Hervan, last but not least Lynn Gary's sister. The little gentlemen were Sonny Ellis, Dennis and Kenneth Graul, Paul and Michael Bar-

accheri, Noel Hervan, and of course the birthday child. Cake, candy, soda, and ice cream were served. When it came time to play games all thoughts of food were gone. The winners for the first game were Noel, first prize, Kenneth, booby prize. The winners of the second game were Jaynie, first prize, Lynn, booby prize. Cake and coffee were served to the mothers that attended this evening party. Not one thought was given to St. Patrick, during this very happy and gay party.

A letter was sent to me from a friendly neighbor and I would like to take this opportunity to answer it. I do think that the children can be made to understand that it is not safe to stand and defy the driver of a car to hit them. . . . One of these days the driver of a car may not be at fault and one of the little ones will be hit. You read about it quite a lot where a driver has lost control of his or her car. I know that we can't leave it up to just the drivers to keep our community safe from accidents it is up to each and everyone of us to do our part.

It came to my attention that there are quite a few of the children who wait for the bus and stand in the middle of the street, making the cars drive around them. If an accident was caused and an innocent person was hit, who would be to blame?

The other day I took the car around on Libby Ave. and there were three little girls playing in the middle of the street. They just stood and stared and laughed because I had to swing to the wrong side of the road. If I were involved in an accident I would have been in the wrong, but if I kept going on my side of the road I could have very easily hit one of the girls. Nobody knows the names of the children who do this. But a little fear should be instilled in all children in regard to moving cars.

Moms and Dads, have a little talk with your children and point out the dangers. They can play but if they happen to be in the street tell them to move when they see a car coming their way. It is a whole lot easier for them to get out of the way than for a driver to go around them. It is said, "A word to the wise is sufficient."

The dogs are another problem. The only thing I can say is if you, who own dogs, think anything of them see to it that they don't annoy people. They can be picked up even though they have a license. If you have a fence around your property I would suggest that you keep them penned up. If you don't have a fence, tie them or chain them. I don't mean that it has to be a short length of chain or rope, or if you get a chain it doesn't have to be a link chain. For your own sakes and your dog's take care of them in every way, not only with good food, a bed to sleep on, protect them from all dangers. Remember five days after they are picked up by the township dog catcher they are destroyed, in a very humane way but never the less destroyed.

I would like to extend my best wishes to Jerry Barnett of 7 Duranthy St., who celebrated his 10th birthday on March 15. Sorry I can't give more details but I don't see in touch with them.

I would like to welcome all the new neighbors who have moved in to Zehobee homes.

JUDY'S JOTTINGS:
P-TA Plans for Military Bridge

By JUDY DE JONGH
Hicksville 3-2476 M
The Old Country Road School PTA held its regular meeting on Wednesday, March 19, with 100 persons attending. A color film of the opening day of the school presented by Fred Young, brought joyous exclamations from parents who recognized their progeny at work.

Dr. E. H. Le Barron, speaking on "Your Child and the Educational Program and Philosophy" pointed out to the parents that an academic program is insufficient for the proper training of the youngsters. In answer to questions about the relative importance of social and physical activities, as

well as the crafts, Le Barron clearly indicated that a child of early school age must live a new life while at school. He explained how the school teaches cooperation, discipline, and the development of other useful traits in the student. The parents were left to consider that their children, while at school, were not apprenticed to a factory of learning but were in reality living a complete life away from home.

Allan Carpenter spoke of the tremendous growth of our community and the increase of children of school age. He referred to the inadequacy of our present facilities, and of the great need for the proposed new high school.

He explained that the proposed site was "centrally located within the school district", and the relocation of the school to any other site available to the school district would require the furnishing of transportation for the entire high school term for many of our students.

Mrs. William Gianelli was presented with a lovely umbrella as a gift in appreciation of her guiding the new group through its formative stages.

It was announced that the organization is planning a military bridge for the evening of May 20 at the school. Certainly to practice an emergency evening, this event should bring out as many parents as possible.

Birthday congratulations to Albert Sabell of 28 Sugar Lane. Al celebrated his 29th birthday on Mar. 14th with Mr. and Mrs. William Reese and their son, Gay, Mrs. Sarah Lyons, and Mr. and Mrs. William Sabell. In further celebration of the occasion, Mr. Sabell took his wife and son for an evening on the town, with many good memories to mark the occasion. That's a useful thing to remember, kids!

The 1953 Cancer Drive gets under way on April 1, and the need for collectors again makes itself felt. If you have a few spare hours to donate for a very worthy cause please contact Charles Trojan of the L. I. National Bank.

Dedication exercises for the Old Country Road School will be held on April 13 at 3:30 P.M. The ceremony will include well known speakers, and the presentation of the school flag and bible will be made. Music will be provided by

pupils from the Old Country Road and Nicholas St. Schools under the direction of Mrs. Myra Marlin.

Open house will be featured, and guides will be available for a tour of the school's facilities.

Birthday congratulations to Heffman Apollonio of 92 Benjamin Ave. who celebrated March 13 with a gala party. The guests included Mrs. Rachel De Mattia and Mr. Gus De Mattia of Brooklyn, Mr. and Mrs. Emanuel Le Magna, Mr. and Mrs. Anthony D'Agostino, and Mrs. Gilda Massaro of Levittown, Mr. and Mrs. Frank Cirillo of Seaford, Mr. and Mrs. Matthew Viola and Mr. and Mrs. John Rizzo of Bayside, Mr. and Mrs. Angelo Galietta and Mr. and Mrs. Matthew Le Bana of Corona, Mr. and Mrs. Mike Guiracci and Mr. and Mrs. D'Agostino of Brooklyn.

Refreshments were in abundance and included pot roast, potato salad, cole slaw, cranberry and lobster salads, cold cuts and assorted tidbits.

We are glad to see Murray Duncan back at his desk as principal of the Old Country Road School. He and his family has had a bad case of the flu, and it's good to hear that all's well again!

Don't forget the Variety Show which is being planned for the evening of April 16 by the Nicholas St. P.T.A. The event will be held at 8:30 P.M. in the Lee Ave. School, and tickets are priced at 50 cents. A lot of professional-type talent will be on hand to entertain you, and we promise a big surprise in store for all who attend this gala affair. Tickets will soon be available at the local stores, and in the meantime, remember to keep the night of April 16 open in your date book!

"Forget it! I have
four at home myself!"

Perched high above the ground, Bob Alexander—a telephone company lineman—was repairing cable. From below came the sound of youngsters playing football.

Suddenly the children's shouts changed to cries of fright. One boy had been hurt and had! Bob Alexander came down the pole in a flash! A nasty eye cut needed a doctor's attention fast!

Bob rushed the young quarterback to the hospital—staid with him until the cut had been cleaned and bandaged—then returned to his job. When the grateful parents attempted to thank him, Bob Alexander replied: "Forget it. I have four at home myself."

Lending a hand in an emergency is a tradition with telephone people. In their daily work they find time for those extra acts of helpfulness and courtesy that make your telephone service so friendly and personal. New York Telephone Company.

FIRST \$5,000 received in the Parish House and School Building Fund Campaign of Trinity Evangelical Lutheran Church of Hicksville is publicly recorded by Henry Wogisch, chairman of the fund campaign. Watching are Elmer H. Kroemer, president of the congregation, and the Rev. Edward H. Stammel, pastor. The fund drive progress record stands on the church grounds on E. Nicholas St. and includes an illustration of

the proposed structure. The committee reports more than \$1,000 a week is being contributed. Over 900 contributions from 25 states and Canada have been received since the drive opened four weeks ago. Wogisch said today that about \$50,000 in cash is needed in addition to \$40,000 already on hand before construction can start. It is a \$220,000 project.

HICKSVILLE GABLES:

Wonderful Time at P-TA Dance

By RUTH SCHULZ
Hicksville 3-2519-R
May I go on record at this time by saying that thanks to a wonderful bunch of people, the Spring Dance held last Saturday evening by the East St. P-TA, was a huge success. Mrs. Muriel Feuerstein, chairman of the affair, wishes to thank all of her committee for their fine cooperation. This gal, by the way, is a human dynamo and it was mainly through her untiring labors that everything went so smoothly.

Everyone there seemed to have a wonderful time and there wasn't a dull moment. The Gables was well represented, those in attendance being Mr. and Mrs. William Jakasek, Mr. and Mrs. F. Arlett,

Mr. and Mrs. A. Fnejan, Mr. and Mrs. Leonard Urzuel, Mr. and Mrs. John Parker, Mr. and Mrs. Charles O'Rourke, Mr. and Mrs. John Tils, Mr. and Mrs. A. O. Soininen.

Could be I missed a few, as there was quite a crowd. If I did, my apologies. John Tils, was the lucky winner of a \$5 gift certificate from Edward's Mens Shop, which will take care of part of his Easter outfit. Irony of it all was that he only beat my husband out by two numbers!

Having the kids tonsils out seems to be quite the thing around these here parts. Last week young Donald McGee lost his, but gained a Dalmatian pup known as Shamrock, since he arrived on St. Pat-

rick's Day. This week it was little Kenny Parker's turn, but whether there will be a new dog in this household remains to be seen. Maybe John will win over Gerry yet.

The Kramer home at 9 Gables Rd., had two celebrations over the past week-end. On March 20 it was the 10th birthday of Thomas Henry Kramer, while March 21 marked the 11th wedding anniversary of Mr. and Mrs. Sigmund Kramer. Best to all of you folks.

Levittown City a Threat—Why?

As some G.O.P. spokesmen may recently remember, the idea of Levittown City, extending into Hicksville and including the area up to and possibly beyond Old Country Road, engulfing enroute, the site of the new high school, the record shows that Republican officials have consistently and persistently assisted practically every attempt at expansion of Levittown northward.

That is what has made the hazard to Hicksville real in the past and definite at present. For a reason that can only be surmised, our officials have regularly implemented by rulings and legislation the wishes of the builder, while disregarding the wishes of the people.

Only the steadfast and unwavering resistance of Hicksville people conscious of the need for maintaining unity and cooperation in a community having schools, fire protection, street lighting, parking facilities, water service, and garbage collection shared and supported in common has prevented, so far, the division and separation which the officials have furthered and callously planned at various times.

Obviously, except for the storm that swamped the telephones of Supervisor Ransom and Councilman Chlumsky, an attempt to split the Hicksville Park and Parking District was being made again this year, although the Town Board by

its own action, in 1951, by splitting the district again, and a joint Levittown district was organized at a city last month's meeting for the split, and nothing else. In its amended form, the legislation still provides for separation of facilities in Hicksville and uniting them in a joint district with Levittown.

Back in 1951 Levittov built a "Levittown" A Garden Community" signs on the public highways in Hicksville. Hicksvilleites protested that the signs were misleading. The Town Board asked Levitt to remove them, North Levittowners, later identified with Levitt in the first attempt to split the Hicksville Park and Parking District, objected. The Town Board wrote Levitt that the signs could stand until space was needed for road widening, and expressed the hope that Levitt and Sons had not been inconvenienced by their original order.

Within the past two years legislation has twice been introduced to implement the expansion of Levittown at the expense of Hicksville. The purported problem, disposition of the Levitt-built pools, could have been handled by the Town Board of Oyster Bay as it was handled by the Town Board of Hempstead, by establishing a local district to administer them, with out the strained contentions and the complicated procedure in-

Opinion on Levitt-House Matters By a Levitt-Home Owner

volvement attempting to combine as persons in a joint district. When Levitt was taken into consideration, back in October, at the Meeting Hall, that a joint district be established. The public officials are doing pretty much what he demanded.

The same William Levitt dreams of Levittown City.

The same public officials told us not so long ago not to worry not to fret, about Levitt's well publicized demand for a joint district. The same public officials even held a referendum at public expense to ascertain the wishes of the people, and then went ahead and did what Levitt desired.

NO PROSPECT OF LEVITTOWN CITY?

We will believe that only if the present move toward expansion of Levittown is defeated by action of the officials, and then only for six months. Unless, of course, we succeed in so indelibly impressing upon the minds of these officials our disapproval of their actions and our refusal to permit division of Hicksville, that we can be sure they will not attempt it again.

National Magazine Features Article By Local Resident

A handbook on sex education of children by Helen Reid of 58 Lantern Rd., Hicksville, president of the Fork Lane School P-TA is featured in the March issue of Parents' magazine. The magazine with over 1,400,000 circulation is devoted to the rearing of children from cradle to college.

HELEN REID

Ms. Reid who heads the newly organized P-TA for the Fork Lane School in Hicksville, has been named as the author of the handbook on sex education of children, published by the National Parent-Teacher Association, Seattle, Washington.

The handbook, Parents' magazine says, "We feel that the most important and most valuable part of the handbook is the practical treatment of sex education that has been published. It brings you the how of it, the actual words you use, the time, place and approach. The author speaks with warm understanding gained through years of working with parents and children and now as the mother of two."

The SENTINEL

Why Did Levitt Build the Hall?

The Hall, which William Levitt and Nassau County and Town officials, with the assistance of a special "Steering Committee", are trying to shift over to municipal operation, contains two meeting halls and little else. Most of the organizations that met in the Hall would, in other communities, meet in other public and private places. Many would normally meet in the schools, for instance.

Why, then, should Levitt build a Levittown Hall? Why should there be so much agitation for transferring it to municipal operation? If the majority of the organizations are acceptable and can be accommodated elsewhere, why should there be any need for the Hall, or need for saddling it on the taxpayers?

Rosenberg Rally in Hall Protested

Last week, William J. Santasiere of 83 Friends Lane, Westbury, resigned as treasurer of the East Meadow Levitt Homeowners Assoc., a member organization of the Levittown Civic Council and represented on the Steering Committee. There was a major difference of opinion between Mr. Santasiere and the other members of the executive committee of EMLHOA on the use of Levittown Hall by the Committee for Justice for the Rosenbergs. Mr. Santasiere had demanded that the EMLHOA executive committee protest the Rosenberg rally, both before and after it was held, and had been turned down. The EMLHOA committee has insisted that the only grounds for exclusion of any group or organization from the Hall should be inclusion in the United States Attorney General's list of subversive organizations. Mr. Santasiere pointed out that, under such circumstances, only a chance in name was necessary to secure use of the Hall.

The Santasiere-EMLHOA controversy has aspects of great importance to the Levitt home owners who may be saddled with the cost of operation and maintenance of the Hall. As the Hall is in Hicksville, it is of concern to Hicksvilleites as well. With the permission of Mr. Santasiere, pertinent parts of his letter resignation are appended hereto.

Organizations That Met in Hall

In resigning, Mr. Santasiere wrote EMLHOA, in part, as follows: "Several months ago, however, it became increasingly evident to me that my conception of the obligations a civic group had toward the people it supposedly represented differed sharply from that of the executive board and active membership of EMLHOA. I am referring, of course, to my vigorous but unsuccessful attempts to offer for intelligent consideration my resolution of December, 1952, which was a protest of the rally to save the Rosenbergs, held in Levittown Hall on Saturday, December 20, 1952, under the auspices of the Levittown Committee for Peaceful Alternatives."

"As long ago as November 1952, the president of EMLHOA approached me in regard to a communication that he had received in the name of EMLHOA from the Queens Nassau Suffolk Coordinating Committee for Peace. The purpose of the peace letter was to get EMLHOA's endorsement of their efforts to 'prevent the use of Plum Island' on the eastern tip of Long Island, for germ warfare experimentation." Since active and vigorous concern with the possibility that our country is now engaged in germ warfare is at present a Communist Party line, as an American citizen I was advised of the activities of the Peace Committee. I therefore contacted the FBI and informed them that for reasons of information, I would attend the next meeting of the Peace Committee.

"At the meeting which I attended at Levittown Hall sponsored by the Levittown Committee for Peaceful Alternatives, I found President of the Queens Nassau Suffolk Coordinating Committee for Peace, and other individuals. As a result of the membership of these two committees, and one of the members of the meeting, that the members of the EMLHOA executive committee, indicated me to the fact that the Peace Committee had been on the motion picture screen for the meeting in America, as an American citizen I felt compelled to raise the question of the FBI.

"Subsequent to the Peace Committee's meeting, the Rosenberg rally was held at Levittown Hall. Letters were mailed by me and others to the EMLHOA executive committee, stating the only, on the eve of the protest Rosenberg meeting. We failed. We then attempted to put the executive board on record as insisting on an alternative speaker at the Rosenberg meeting to prevent the case of the United States Department of Justice. Again we failed."

"I am a disappointed member of the membership committee of EMLHOA. I would like to bring this matter to the attention of the public and feel that it is in the public interest that this matter should be fully and fairly discussed. I am sure that the members of the committee, that the next meeting be fully and fairly discussed. This was not the wish of the membership committee. Continued on Page 16"

 (Continued from Page 15)

present at that meeting. It was at the conclusion of this meeting that one of the EMLHOA delegates to the Federation of East Meadow Civic Groups charged that I was a 'dirty squealer'.

Should Exclude Listed Subversives Only

The EMLHOA executive committee's answer to Mr. Santasiere read in part as follows: "It is our belief that the use of Levittown Hall is a privilege and not a right and that the privilege of using Levittown Hall should not be allowed to those seeking to impose a totalitarian regime upon this country, and to deny civil rights to all, and therefore that any organization appearing on the United States Attorney General's list of subversive organizations be excluded from the privilege of the Hall, and that this should be the sole ground for exclusion of any group or organization."

Special Meeting on Tuesday

A special meeting was scheduled by EMLHOA for Tuesday of this week to give Santasiere an opportunity to present his viewpoint and objection. When this column went to press, Santasiere was protesting an allotment of 15 minutes to present his side, with seemingly unlimited time allotted to the opposition.

Also, curiously, EMLHOA had bound together as subjects for one special meeting, Santasiere's anti-communist protest and H. Marshal Taylor's protest of the executive committee's allegedly unauthorized endorsement of school board candidates, the latter mentioned in last week's SENTINEL column. They are separate and independent protests of EMLHOA executive committee actions, Santasiere contends.

Compulsory Subsidy of Hall Organizations

Once the Hall goes on the tax roll, everyone of us in the Levitt area will, in effect, be forced to subsidize by tax payments the organizations that meet in the Hall, including the Levittown Committee for Peaceful Alternatives, and any others of the same kind, provided only that they are not on the list of known subversives.

The query of the year has been why public officials should insist that we provide that kind of subsidy, why they insist on loading on the backs of the taxpayers the support of organizations in which we do not wish to participate or which might even be considered objectionable by us. One would assume that public officials would oppose such an imposition instead of abetting it.

Levittown Hall has been a center of divisive and seemingly, from the evidence adduced above, sometimes subversive influence. Officials attempting to establish it permanently under municipal operation are doing a tremendous disservice to the community, perpetuating a canker which would best be eradicated.

LEVITTOWNERS FOR HIGH SCHOOL

The North Levittown Home Owners Assoc. who last year sponsored and advocated the split of the Hicksville Park and Parking District vociferously protesting that Hicksvillites might use their ponds, and who this year have backed the legislation for joining facilities in Hicksville to Levittown in a joint district and who have opposed the use of their local ball field for Hicksvillites other than Levitt home owners announced on Tuesday that they will make an all out effort to get Levitt homeowners in Hicksville and other Hicksvillites to vote for the high school.

Ira Cahn, editor of the Levittown Eagle, who last week editorially lambasted the school board for allegedly establishing an "iron curtain" on school news was much in evidence at the Monday evening meeting which discussed the new high school. He assured President Bengel that he would give the proposition his full support, editorially and other wise.

Cleary School Can Use Your Help

By MAY MALJEAN
Hicksville 3-5515

Of the many phone calls we received from various readers in response to our offer of a crib one was from a friend of the Cleary Oral School. This school is managed by two sisters, and is non-sectarian. Its purpose is the education of those children who either have difficulty with, or are without the senses of speaking and hearing. These two Cleary sisters support this institution from their own funds, time, and effort along with whatever support comes their way from altruistic friends.

After hearing of this I thought it might be ideal — here in this column to request a helping hand from the readers. If you have any toys, beds, clothing, or furniture that you do not need, the Cleary Sisters can put them to good use. Another idea that struck me as particularly fine — is the practice some of our neighbors have of sending a birthday gift once a year to a particular child in the school, or two gifts or three to more children, depending upon their means. Please try to do a little something for them, as it is imperative they receive help of this kind to maintain such a school.

Happy Birthdays: Marilva Massaro, March 22; Evelyn Massa on March 19. Both reside at 15 Adams St., Walter Galkowski of 20 Adams St., on March 20. The three celebrated the birthdays with friends at the Rockwood on Queens Boulevard. The Galkowskis invited friends and relatives over on Sunday to further celebrate the date. Present were: Mr. and Mrs. V. Szepkowski, Mr. and Mrs. T. Litkowski and their son, Frank, Mrs. Mary Galkowski, Ray and Larry Galkowski, and Ted and Irene Galkowski. Another birthday celebration was held at the present

is that of Mimi Baselici on March 24.

Anniversary of Arthur and Mildred Bertram on March 23. Married 12 years. Arthur is taking his spouse out on the town. The Bertrams reside at Woodbury Manor.

From Hicksville Downs: Christopher Menzies was three years old on St. Patty's Day.

Jimmy Surless, 10 yrs. old, became one of the first boys in Hicksville from a public school to become an altar boy. Congratulations, Jimmy. Father Ballweg presented him with a bracelet with the inscription of "altar boy" and he had also made the boy a present of an autographed baseball. Jimmy is a resident of Woodbury Gardens.

Mr. Syieck came down from Massachusetts to visit his son, Joe on Ketcham Rd., last weekend because he won't be able to make it on his birthday next week.

Diane Millett of Kecham Ave. was taken to the hospital last Saturday night with a bad appendix. She's doing fine now, however.

We want to thank the Kennedys of Elm St., for extending their hospitality after the PTA dance. A large number of Woodbury Manors and Woodbury Gardens were present. Tony Lomenzo gave a good banjo and organ concert during the night as fast as we could get them. After struggling with our orchestra scheduling at the PTA dance, and I DO MEAN STRUGGLING, we decided (over- all of the worst) that something should be done. We therefore have organized a dancing school for our husbands to meet every other week at our house. Is there anyone interested in learning some dancing? If you would like to see the present

high school auditorium on March 22 between 11 A.M. and 9 P.M. Write it down, for if you forget to vote, you have little room to complain of the outcome. There are many of our neighbors who are quite upset about the fact that their children must walk to school now. This is an unfortunate condition, but if enough of the citizens went down to the polls on that school bus vote — and voted that we should have busses for our children, the whole result might have been in our favor.

We must constantly keep in mind that we make the laws by our votes, and when we neglect to do so, we have ourselves to blame. The PTA Dance, as if you didn't know — was a great success, and everyone had a real bang-up time. The orchestra played out of this (Continued on Page 22)

Woodbury Gardens Civics' Notes:

Regardless of your conclusions on the pending High School vote do not fail to get over to the Hicksville High School and vote this Saturday. We suggest that you examine carefully all the arguments pro and con and consider all the factors creating this controversy. On one point there is unanimity of opinion—there is a need for a new High School in the Hicksville School District. Your School Board, representing and acting for you, must make continued efforts to serve you. It is their duty to provide a High School satisfactory to you in all respects.

Your Executive Board feels that this is an inopportune time to be forced to make a decision. At the regular meeting held March 19 the membership voted to recommend the disapproval of the bond issue at this time. In accordance with that decision we suggest that you vote "NO" on Propositions 1 and 2 and "YES" on Proposition 3. In any event get out and vote this Saturday, March 26.

The membership voted to continue to make every effort to have bus transportation for the 4th to 6th grade children reestablished between Woodbury Gardens and East Street School. It is felt that the failure of the authorities to consider favorably this proposal is neglectful of the human obligation to be eternally solicitous of children's safety.

Approval was given to the Social Activities Committee to go ahead with plans to operate a clubroom for the Association providing it can be made self-supporting. More about this as it develops. A committee was appointed to proceed with plans to incorporate the Association.

Philip McNally resigned as Secretary of the Association due to an inability to make the meetings because of a change in working hours. The Association is indebted to Phil for the work he did during the formative period of the organization. He offered his continued help whenever possible and agreed to act on the Membership Committee. Mrs. Robert Millett was elected Secretary of the Association by a unanimous vote of those present.

Don't fail to make note of the fact that the April meeting date has been changed to Wednesday, April 15.

Calling all Central Park old timers. A great many will recall the night of October 26, 1927 when the community of Central Park (now Bethpage) paraded from the Soldiers and Sailors Monument at the school grounds to the Union Republican Hall. The occasion was the opening of a temporary charter to the local post.

Marching to the beat of martial music were the Farmers' Jockey Club, Oyster Bay American Legion Band, the Boy Scouts, Firemen and the proud Legionnaires.

Inside the hall, Temporary Post Chairman Albin Nelson introduced Major Foster, Master of Ceremonies for the evening, who in turn welcomed and introduced County Commander Joseph McCloskey (now deceased); County Commander Elect Ralph Cooke; County Vice Commander Albert J. Cooke; Past Commander Robert D. Campbell; and County Welfare Officer Henry Tappen.

FIRST INSTALLATION
Installation ceremonies were conducted by the County Commander who outlined the ideals to which the Legion aspires. History was written for Central Park when County Commander Elect Ralph Cooke presented the temporary charter. Receiving it for the Archie McCord Post No. 86 amidst excitement and cheers was Post Commander Fred Laumann (now deceased) who, surrounded by his fellow officers, accepted it with great pride.

Also present was Major Albert Stacey, Past Commander of Hicksville. Addressing the assembly, Major Stacey extolled the congratulations and presented Fred Laumann with a caviar—a tribute of appreciation from the Charles Wagner Post.

Two persons highly honored at the installation were Sgt. Jack Flint who had no less than six medals strung across his breast, and Pvt. John Baczowski, who also had a number of medals to his credit.

Yes, it all happened on a Tuesday night, way back on Oct. 26, 1927. Do you remember the memorable occasion?

NAMING OF POST
The Post was named in honor of Archie McCord, the son of the late Thomas and Elizabeth McCord. Archie, born on August 2, 1895, died in the service of his country on October 15, 1918.

POST ORGANIZER
Giving credit where credit is due, the honor tends to lean towards Ralph Amendola. Ralph was considered the person most instrumental in getting the Post organized. His initiative and foresight will long be remembered by all his associates.

CELEBRATION
To commemorate 25 years of continuous service, the Post will on May 1, 25 at the 11 o'clock in the afternoon at the 51st St. American Legion, Long Beach.

honor of the Charter Members, will also be attended by various County officials of the Legion. An evening of good fellowship is in store for all. Come and meet your old buddies.

Organizing Cerebral Palsy Unit

By DOROTHY GUEP
Hicksville 3-4218-W

A Bethpage Cerebral Palsy Unit is being organized. The unit is being organized to inspect the "Cerebral Palsy Clinic" in Roosevelt Park. When we arrived at the clinic, I was amazed at its size. I had pictured a fairly small building but this center was large, modern, bright and immaculately clean. The south wing is devoted to classroom space much the same as our newest schools in this area. The windows are large, the desks modern light wood and the only possible difference was the row of wheel chairs lining the corridors.

The rooms are equipped with tables specially constructed so that the children may stand at them to examine turtles or look at books. These tables have a lock rest to give extra support to small legs learning to stand alone.

In this wing there are rooms where eyes and ears are tested. It has been very recently discovered that a lot of the children who did not respond to tests or instructions were likely to need glasses or hearing aids. The minds of many of these children are very bright but lack the ability to coordinate their thoughts to their actions.

In the main part of the clinic building which is the only one of its kind in the United States, are the therapy rooms. These are furnished with metal bars to hold on to while learning to walk without crutches, pooled tables where tense, tightened muscles are massaged and stretched, a bicycle pedal for exercise of leg muscles and many other therapeutic aids which are used daily.

Nearly is a complete dental room where abnormalities in the teeth and mouth are corrected. The man who fits the braces for these tiny children also has a workroom in the building.

Other rooms are the offices for the attending doctors, the executive staff and a room where the therapists and workers may relax. This sounds like and is a large, wonderful place. The building was dedicated last September and at that time the number of cerebral palsy children known was about 150 and the clinic was planned to accommodate about 250. Now the number of cerebral palsy cases in Nassau County is about 425. So you can judge for yourself about the additional space required.

Mrs. Victoria Levitt of 1 Andrew Lane, of the Richmond Park Section has accepted temporary presidency of the unit. A meeting was held last night Wednesday at the home of Mrs. Levitt. Mrs. Wanda Van der Meer, president of Nassau County Cerebral Palsy Association, presided at the meeting. The meeting was held at the home of Mrs. Levitt at 1 Andrew Lane, Richmond Park Section. Mrs. Van der Meer is president of Nassau County Cerebral Palsy Association. Mrs. Wanda Van der Meer is president of Nassau County Cerebral Palsy Association. Mrs. Wanda Van der Meer is president of Nassau County Cerebral Palsy Association.

Gregory Armstrong is a Meadowbrook Heights after an attack of appendicitis.
Kevin McNamee of 57 Linden Ave. celebrated his 6th birthday Saturday, Mar. 21.

A petition objecting to one of the sites suggested for the proposed Bethpage Post Office is being circulated for signatures.

A list of the new books available at the Library will be listed periodically in this column.

NEW CLUB MEMBERS
New members welcomed to the Mothers' Club of St. Martin of Tours Church last week were: Mrs. Peter Tapanin, Mrs. Dominick Passerino, Mrs. James Rock, Mrs. Joseph Fleury, Mrs. Mark Accvino, Mrs. James Dunn and Mrs. M. Cassin.

The dark horse winner was Mrs. William Weaver. A red alligator bag was won by Mrs. Michael McGane and Mrs. Louis Smith won jewelry.

A cake sale will be held on April 12 after the morning Masses. A communion breakfast was planned for May with Mrs. Betty Staun as the chairman.

SPAGHETTI SUPPER
The Bethpage Girl Scout Mothers' Auxiliary held a spaghetti supper on Mar. 14 at the Legion hall. The committee wishes to thank Mrs. Marie Campagne and Mrs. Enelle Nowe for cooking the spaghetti and the Legion Post for the use of the hall.

A donation of \$100 to Camp Edey was approved and Mrs. Margaret Kempf was appointed secretary to fill an unexpired term.

Volunteer Brownie leaders were named as follows: Mrs. Mae Sisia, Mrs. Elizabeth Suhr, Mrs. Dorothy Doll and Mrs. Marcella Ensley.

Consolidation Needs Study

BETHPAGE — Fred Kramer and Joseph Ellinger of the School Board discussed proposed centralization and consolidation of the school district at a meeting of the North Bethpage Civic Assoc. Wednesday night, Mar. 18, at the clubhouse.

The two board members did not endorse either system. They said that further studies will have to be made to determine the merits and cost of each system.

Kramer and Ellinger said that a general taxpayers' meeting should be arranged for a full discussion of the matter at a later date.

Robert Feuss presided at the meeting in the absence of president Bill Benintendi.

A friend of ours lent us his recipe which he picked up a year ago when in Thailand (Siam). A Thai, (Siamese), would say "May all the celestial beings lead their countenance to those who take time to follow this recipe."

And I say, what with price of eggs in Lent, you'll need the celestial beings, to prepare this:

whole-dozen egg dish. 12 egg yolks, 2 cups sugar, 2 cups water. You'll need a small tin can with the top removed, and a hole the size of a pencil point punched in the middle of the bottom. However, if you have a very small funnel, this may do. Be careful to remove the thickened membrane that holds the yolk in place before adding each egg yolk to the other yolks in a bowl.

Gently simmer the water and sugar until it becomes syrup. Mix the egg yolks only enough to give the mixture a uniform shade. Place the tin can or funnel over the boiling syrup. Take the egg yolk one tablespoon at a time, allow it to pass thru the hole in the can. When the yolk passes thru the hole of the can and slips into the boiling syrup it is transformed into a fine thin golden thread. Rotate can to form rusette or skein. Remove from syrup and place in a stemmed glass. Repeat for each serving. Yield: 6 servings. The name of this dish is the Golden Silk.

Robert Mica, an 8B pupil at St. Ignatius School, Hicksville, received an honorable mention in the Nassau County Boys' Division in an essay competition sponsored by the Brooklyn Tablet. It was announced this week.

MEMBERSHIP** (Promote membership): Vincent Beltracchi, 78 Vassar Lane; **PROGRAM** (Devise and screen interesting topics and activities to maintain the interest of the organization in keeping with its purpose): **AUDITING** (Limited to three members designated, to prepare annual audit at end of fiscal year): Arthur Fischer, 141 Dartmouth Drive; **PUBLICITY** (Prepare statements for the press on the activities of the organization): Barbara Altman, 58 Hollis Road. The Publicity Committee also asks that you contact Julian Lonschein, HI 3-4147, if you have any items of interest to residents of our community.

An Executive Committee meeting, held last night, will be reported in our next column. Some of the vital issues discussed were street lights, petty measures, etc.

A letter to the Board of Education from our Civic Assn. put us on record this week as being unable to approve the present bond issue for the construction of new high school.

But our welcome mat for the representative of the Membership Committee will be ringing your doorbell this week. We urge your cooperation in hastening our goal of 100 percent membership.

Don't forget our next meeting on Wednesday, April 8, 8:30 P.M., at the East Street School.

FRESHMAN AS SOLOIST:

High School Concert This Friday

HICKSVILLE—Miss Barbara Goldberg, freshman, will be a featured piano soloist at the annual Spring Concert by the Hicksville High School Glee Club to be presented tomorrow (Friday) evening at the high school auditorium at 8:15 p.m.

EVELYN D. WOELKER

BARBARA GOLDBERG

Barbara has played piano since she was six years of age and won a scholarship to Chatham Square Music School where she studied for two years. She has won several "A" ratings in the Long Island section of the All State piano competition. A resident of 33 Palermo St., she is a pupil of concert pianist and teacher Milton Estrin of Picture Lane.

A student conductor, Eugene Toton, will conduct several numbers during the concert. A member of the Glee Club and the band in which he plays trumpet, he has also won "A" ratings at the All State solo competitions. He is a senior at the high school.

Miss Jacqueline Dempsey will appear as a soprano soloist to sing Bach's Ave Maria.

Selections by the Glee Club will include: "Break Forth O. Beautiful Heavenly Light", "Lord's Prayer", "Psalm 150", "Ho-la-li", "Good News", "Water Rippie and Flow", "June Is Bustin' Out All Over", "You'll Never Walk Alone" and "Holiday".

Mrs. Evelyn D. Woelker, director of the Hicksville Adult Education Orchestra, will present her group in a group of six selections.

Mrs. Woelker, a teacher in the Jericho School, has been with the musical group since it was organized in 1950. She received her master's degree at Carnegie Tech and studied violin under Louis Persinger, Yehudi Menuhin's teacher, at Juilliard School of Music.

NORTH WEST NOTES:

Civics to Meet Next Tuesday

The monthly meeting of the North West Civic Assoc. will be

advanced to Tuesday, March 31st, in view of the fact that the school will be closed for Easter vacation on our regular date in April. Those members who have not paid their dues by March 31st, will be dropped from the mailing list. Dues may be paid at the next meeting or before to our Treasurer, George Schult, 32 Indiana St.

Among items subject to approval by the membership at the meeting will be another social affair which has been tentatively set for middle of May. If this meets with the approval of the membership, and we feel sure it will, the committee plans to have award books prepared and tentative cost will be \$1.75 per person which will include beer, refreshments etc. Be sure to have one representative of your household present at each and every meeting of the Association — support the officers in the job they are doing by your presence.

H. S. VOTE SATURDAY

This Saturday, March 28, all registered voters will cast ballots on the proposed \$3,900,000 High School. Your Executive Board states the following: "After study and deliberation, it is in complete accord with the school authorities on the need and location of this new school." The Herald for the past several weeks has given you complete coverage on the present H. S. question; therefore, vote as you please, but please VOTE!

BAUCHMANN ELECTED

The Burns Ave. P-TA last Thursday evening elected Fred Bauchmann its first president. Other officers elected include: Jerry Zettler, vice-president; Gladys Kiss, recording secretary; Mrs. Hayes, corresponding secretary; and Marcia Weiner, treasurer.

The Executive Board of the Com-

mittee for Incorporation of Hicksville this week named John Finnegan of 62 Kuhl Ave., Captain of the 16th District. After his appointment Mr. Finnegan made the following statement:

"Hicksville has been on the short end of the stick long enough through its present system of government by remote control. If we are to remain under the controls of the whims and fancies of a Town Board more concerned with the dictates of a higher echelon of politicians bent on political expediences, rather than the welfare and progress of a community faced with many problems which remained ignored; it is time we had home rule!"

Mr. Finnegan has already signed more than 10 families on the consent petition and has a promise of a great many more. Several workers have already volunteered to canvass the area with him. If you have any time to give get in touch with Mr. Finnegan at his home.

 "As you know, the bill was introduced at the request of the town officials and in its present form is deemed to be the best solution to the matter of the use of the facilities."
 The law, now before Gov. Dewey, does not alter or change the provisions for splitting the Hicksville Park and Parking District which were enacted in the 1952 Legislature, also over strenuous protest, and which remains on the books.

At a meeting of the North Levittown Home Owners Assoc., Tuesday night, indications were given that following enactment of the new law and eventual creation of the Joint Levittown District, efforts will be exerted thereafter to get their ultimate goal accomplished: the split of the Hicksville District.

Supervisor Ransom will be a guest speaker on "Township Government" at an open meeting of the Hicksville Civic and Community Assoc. tonight (Thursday) at the Hicksville firehouse.

The Sportlight

By HOWARD FINNEGAN

Based on the fact that Hicksville High had its best record on the diamond in over a decade last season there is considerable talk in the direction of a 1953 Eastern Division baseball championship for the Comets.

We asked coach Bill Anderson if his present crew rated a favorite's role in the pennant chase.

"NO," was a polite but firm answer.

Anderson, although hardly down in the mouth, is concerned with his club's hitting ability and lack of depth.

His first stringers have Joe Pepe at secondbase, Pat Enos at short, Walt Rhind at third, Vince Capoli in left, Dave Ableman at catcher and pitchers Bob Hogan and Tommy Valentine.

"They are all lettermen from last year's surprising club which won 11, lost 6 and tied 1.

A six, three and one mark in Eastern Division play merited a second place finish behind Nassau County Champion Oyster Bay.

The record was a fine one for Anderson who was in his freshman year as the Comet coach and it would have been better had not Garden City won two early games with last inning rallies.

In those tussels, homeplate was left undefended at the height of each of the rallies and the Trojans poured over the winning markers.

However, the Comets recovered from those setbacks and went on to a good season.

Robert Hock was mainly responsible for the Hicksville upsurge as he hit safely in 18 straight games and batted .450. He was signed by the Cincinnati Reds and leaves this Monday to report to Jackson, Tenn., for assignment in the Crosley farm system.

Anderson hopes that some combination of his veterans and rookies can overcome the loss of Hock.

The emphasis is on hitting and the coach comments: "We are working hard on a program to develop hitters and are spending plenty of time on that phase. If the bats hold out—four or five are split a day—there may be a general improvement all around."

He feels his infield is the strong point of the club and is confident, after a short period in which he began to worry, that his pitchers are coming into shape slowly but surely.

Between Hogan and Valentine nine wins were recorded in the '52 campaign. Hogan had 5-0 and Valentine 4-4. The latter was twice given the chore to try and curb Oyster Bay, which went undefeated, and although he gave the Baymen the toughest time of the year he went down twice.

Dick McCarthy is another pitcher on whom Anderson has an eye on and from whom he may get help.

Edward Scott, George Grecco and Richard Evaschuk are newcomers to the team as is Jerome Siegler.

The team gets its first test against Manhasset, April 7. Two non-league games with Manhasset, St. Dominic's, Port Washington and Garden City are on the slate as well as the regular ten game Eastern Division slate.

The Celtics with a win over South Hempstead, are still in contention in both the P.B.C. playoffs and in the Wagner Tournament. Last Thursday at South Hempstead, they won easily 68 to 53. Vogel was high scorer for both teams with 29 pts and Dwinell followed with 23 pts. Kollar, Cohen and Wagner were continuously hawking to disorganize the Hempstead team and help both Vogel and Dwinell.

Our Ruckeyes in the junior league were eliminated from the playoffs by a good Carle Place team 39 to 30. This game saw what we were afraid of and that was the bad case of "buck fever" by the Buckeyes. Kleins with tremendous rebounding, often surrounded by

three taller opponents and still coming up with the ball as often as they, practically played the game by himself. He led both teams in scoring with 17 pts. Carle Place proved to be a well coached team but would never have beaten the Buckeyes in any of their previous ball games.
