Dewey Gets Petitions But Town Retains 1000

OYSTER BAY—Petitions containing more than 1,000 signatures protesting the action of the Town Board in introducing and sponsoring State Legislation "the direct opposite of the will of the people", as embodied in the Joint Levittown District bill now before Governor Thomas E. Dewey, are resting unheeded in the township files. It may require a court order to get them back for transmission to the Governor; the Township Civic Council learned this week.

The Council forwarded about 600 signatures to the Town Board on Mar. 10, protesting the legislation, with the appended request that the petition be returned "since we may be obliged to carry our protest further." Three days later on Mar. 13, an additional 100 names on like petitions were forwarded, repeating the urgent request that the Town Board withdraw its support of the legislation. Again the Board was asked to return the petitions, according to Council Chairman Gerald DeLorme.

An additional 200 signatures on the petition have been forwarded to Gov. Dewey, asking him to veto the bill. The Council is still attempting to retrieve the first 1,000 signatures to file them in Albany also.

Approve High School

HICKSVILLE—A new high school for the community was approved this week as 1677 persons voted on Saturday and gave approval to all three propositions offered by the Board of Education. Approval for a bond issue of \$5,900,000 for the new building, prop. no. 2, was approved with 1228 yes votes and 354 no. The approval was 178 votes more than the minimum of 1054 needed on the votes cast for a two-thirds affirmative.

Prop. no. 1 on the purchase of the Bergold house, a portion of the 20-acre site of the new school, was approved with 1220 yes and 422 no. Prop. no. 3 on approval of the purchase of property near Burns Ave. School for which money has been appropriated was 1282 yes and 247 no.

A new check-off system on registered voters was tried on Saturday and proved helpful in speeding up the time required to vote. Three voting machines were used.

Library Cost Shows Increase

HICKSVILLE—The proposed Free Public Library budget for 1953-54 will show a gain of \$12,325, according to tentative figures to be presented to voters during the annual School District meeting on May 5, it was learned this week.

The proposed budget calls for an expenditure of \$43,300 according to District Clerk Andrew B. Heberer. The budget last year was \$30,975.

An election to elect a member to the Library Board will be held at the same time. The five-year term of Miss Louise Augustin expires this year.

Plan Homes on Smaller Plots

OYSTER BAY—About 50 building lots near Dante Ave., Hicksville, upon which Forman Associates plan to build using 5,000 square feet instead of 7,000 feet now required, will be discussed at a public hearing before the Town Board here next Tuesday, Apr. 7, in the Courtroom of Town Hall at 10 A.M.

Oil Burners Call Out Vamps

HICKSVILLE—Two calls for assistance with faulty oil burners called out firemen on Mar. 28 at 6:47 A.M. to the Walter Harrigan home at 107 Rim Ln. and at 6:55 A.M. to the Meek home at 21 Arcadia Ln.

Firemen were called by police to provide flood lights at an accident on Newbridge Rd. Mar. 28. Gasolines from one of the damaged cars were washed from the road with fire hoses.

IT'S NOW OR NEVER:

Set One-Day Push Apr. 19 For Home Rule Petitions

HICKSVILLE—A concentrated drive to ring every local door bell on Sunday afternoon, April 19, to finish up the Incorporation Petition and bring the question to a community vote was announced today by the Home Rule Committee. Captains of 10 out of the 14 local election districts have been appointed. They will meet tonight (Thursday) in the high school with other volunteers to plan the speed-up campaign.

The Home Rule movement has set a self-imposed 60-day goal to get the question to a public decision at the polls. However, the vote in the high school bond issue held Saturday was today seen as added reason for prompt action upon the issue. The site of the proposed school is within the area considered likely to be embraced by the expansion of Levittown North to Old Country Rd.

SIMPLE CHOICE

"We no longer have a choice as to whether we shall incorporate or not", Chairman Lawrence A. Roman said last night. "It is now a question of whether we incorporate as a village to manage our own affairs, or get swallowed up by Levittown."

He added that the recent action of the Oyster Bay Town Board in sponsoring and endorsing legislation "contrary to the wishes of the people as expressed in the Jan. 20 referendum" has given a added weight to the current push to obtain home rule by local people.

"We are now a community of 30,000 people", Roman continued, "but we are still tied to the apron strings of the Victorian-era Oyster Bay Town Board. According to the new Hickeville Republican Club booklet, we have 40 per cent of the township population. Yet it is very apparent that we are not getting 40, or 30, or 20 or even 10 per cent of the services for which we pay with ever-increasing taxes."

NEED VOLUNTEERS

While the Committee has 10 captains of election districts, led by Gerald DeLorme, and over 100 volunteers to make the canvass, more workers are urgently needed. Anyone who can assist in getting signatures of property owners or

with their own telephone or telephoning is asked to report either to the meeting tonight (Thursday) in room 251 of the high school or to the Committee Headquarters at 88 North Broadway.

Purpose of the current petition drive is to obtain signatures representing one-third of the total assessed property value of the school district. The total is \$59,000,000 and one third would be \$19,000,000. A total of \$3,000,000 has been obtained and thousands more is being added daily, according to DeLorme.

Petition forms are available at 88 North Broadway. The Committee is preparing supplemental leaflets on Incorporation Facts for

ANOTHER SEAL proposed for the Incorporated Village of Hicksville. This one was designed by Robert Groose of 81 Harrison Ave., Hicksville, and embodies Robert Williams who bought the present day site of the community from Indian Chief Paganipian (also in design) on May 20, 1648. All-out campaign to get the village incorporated, managing its own affairs, is now underway. Meeting for interested volunteer workers will be held tonight (Apr. 2) in Hicksville High School.

Ransom Defends Joint District

HICKSVILLE—Township Supervisor Charles E. Ransom, answering audience questions at the Civic and Community Assoc. meeting in the firehouse auditorium Thursday night, insisted that the Joint Levittown District bill (1) has not been endorsed by the Town Board and (2) that he is in favor of the bill "as the only possible solution of the problem."

Ransom asserted that "I know Hempstead will not force Oyster Bay" to accept any decision on which Oyster Bay is unwilling. He claimed that although Hempstead will have majority voice in a proposed joint hearing on the question and that Hempstead will have majority vote in the affairs of such a Joint Levittown District, he trusts Hempstead to "do the right thing."

His formal remarks to the audience concerned the problems of the fast-growing township, particularly with relation to drainage. He indicated the town might be designated as a town-wide drainage district with a special bond issue and tax to finance the solution.

There was heated discussion at the meeting regarding the fees paid the school attorney. Participants included School Board members Emil Szendy, Edna Sutton and A. G. Soininen and Business Manager Harry Ernenwein, former trustee.

The Civics went on record as asserting that the proposed fee of \$30,000 on the new High School on a ratio of 1 per cent on first million, three-quarters on second, one-half on the third and thereafter millions, "as being excessive."

WET WORK for Hicksville volunteer firemen, led by Chief Edward R. Schluter Jr. (at left), was the erection of a temporary dam to hold back flood waters behind Tip Top Lane homes off Lee Ave., last week during the heavy rains. Working knee-deep in the

flood, the vamps came armed with shovels in answer to a plea from the neighborhood. Fencing for Tip Top Lane sump, now being redug, is visible in the background. (Herald photo by Frank Mallett).

Urge Mothers Write Legislators

HICKSVILLE — Members of St. Ignatius Mothers Auxilliary are being urged to voice their objections to the sale of obscene literature by writing to their representative in Washington, D. C., and to Representative Stuyvesant Wainwright at the House Office Bldg., Washington, D. C. The New York State

The Rev. John Wissler, moderator of the group, asked the members to send personal letters to US Senators Herbert Lehman and Irving Lves at the Senate Office Bldg., Washington, D. C., and to Representative Stuyvesant Wainwright at the House Office Bldg., Washington, D. C. The New York State representatives are Sen. William Hults, Jr., and Assemblyman John Burns at State Assembly in Albany, N. Y.

Mrs. Adelaide Menninger was appointed chairman of a sunshine committee to send messages of cheer to members who are ill.

SET CAKE SALE
A cake sale will be held during the church bazaar on May 8 and 9, 10 and 11. The sale committee includes Mrs. Jane Abramowski, Mrs. Anne Eberhardt, Mrs. Elizabeth Lauer and Mrs. Mary Robinson.

The Rev. John DeMaestri, IMC of Buffalo, addressed the group on the work of the African missions maintained by his order. He illustrated his talk with pictures on the missions and Fatima.

Mother Adelaide, principal, announced that St. Ignatius school will be closed until April 14, for the Easter Vacation.

Mrs. Thomas Bergin, chairman of the annual Communion break, announced that her committee was taking reservations for the affair, which will be held on May 3 at the Mill-eridge Inn, Jericho after the 8 A.M. Mass. The breakfast charge will be \$1.50 and any mother who did not make a reservation on Monday evening, may contact Mrs. Bergin at her home, 111 Park Ave., Hicksville or call her at Hicksville 3-2743-AV.

Mrs. Nellie Frosch was the day's horse winner of the evening. The Auxilliary will meet again on Monday evening, April 27, at the school hall, E. Nicholas St.

Dear Jean:

In this season of Easter when thoughts are focused upon coloring of eggs, among the more important events of this joyful time, we are reminded of the wonderful decorating job done on eggs by Russian Orthodox people. We have had an egg, which cleverly illustrates this fine art, in the china cabinet at home for about 10 years. The decorated egg is known as a "planka". . . . We had to look at the address three times to be sure. Yes, it was a letter to Santa Claus, North Pole, from BARBAR AND MARRIANNE WISNIEWSKI of 5 Mozart Lane, Bethpage, postmarked at Hicksville Mar. 29. They were sending Santa a belated "thank you for the toys that you gave us". . . . NICK ECONOPOULY, formerly of Hicksville and now on the faculty of Levittown High, has prepared a report on the leisure time activities of students attending that school as a thesis study.

Now that the High School has been approved, we must incorporate the village to make sure that we protect our four-million dollar investment. Need proof? Last week when the new Dutch Lane School was dedicated, those attending noted that "HICKSVILLE" in large metal letters is attached to the front roof of the building. The Levittown Tribune, however, managed to print a picture taken at the ceremonies and blindly referred to the school as being "The Dutch Lane School in Levittown".

We'd like to remind individuals who are dumping rubbish in the vacant lots on Monroe Ave off Old Country Rd., Hicksville, that such action is trespassing and is liable to prosecution. . . . JIM COOLEY who writes the AMVET's ALLEY column in the HERALD had a near tragic accident last week when a 21 inch television tube blew up in his face as he was working on a set, he came near losing his left eye. His friends wish him a speedy recovery.

Special Rites For Good Friday

HICKSVILLE — Good Friday services will be held in local churches tomorrow (Apr. 3) and many local stores will be closed from 12 noon to 3 P.M., cooperating with an annual request of the clergy.

St. Ignatius Catholic Church, Roadway, will hold services from 12 noon until 3 P.M. and at 8 P.M. there will be Stations of the Cross, it was announced by the Rev. George M. Bittermann, pastor.

death on Calvary will be held at the First Reformed Church, Jerusalem Ave. at Newbridge Rd., at 8 P.M. Friday. The Rev. M. G. Goselink will give a meditation, "At the Cross."

The Trinity Lutheran Church on W. Nicholas St. will hold services from 12 noon to 3 P.M. tomorrow and at 8:15 P.M. The Nursery Mothers will care for small children during the afternoon service.

BMA Invites Ladies To Luncheon April 16

HICKSVILLE — Invitations are in the mail today to the leaders of 60 local women's organizations asking them to be the guests of the Business Men's Assoc. at Frank's Auld Restaurant, Old Country Rd., on Thursday, Apr. 16.

Charles Trojan, BMA president, said the purpose of the luncheon is to acquaint the leaders of these groups with the details of a plan for improving local shopping opportunities. Miss Kathryn Whitener, of the Woman's Council of the New York State Dept. of Commerce will explain the plan. Robert E. Barton, general business consultant and president of the committee, will also be present to tell the ladies how retail shopping in other New York State communities has been improved by the same plan.

The leaders of the organizations are being asked to cooperate in the plan to make Hicksville "a better place in which to live, work and do business."

Miss Whitener is a research consultant for the Woman's Council. The forthcoming survey will give local women the opportunity to ex-

Two Incumbents File For School Vote May 6

HICKSVILLE — Two candidates have filed their nominating petitions for election to the Board of Education at the May 6 election. Petitions have been filed on behalf of Allen E. Carpenter of 11 Lovetta Lane and A. G. Seiminen of 8 So. Elm St. The deadline for filing is Apr. 20.

Carpenter today issued the following statement:

"In announcing my intention to run again for the Hicksville Board of Education, I wish to thank the many friends and acquaintances who have helped me to make this decision.

"While we in Hicksville may be more fortunate in many respects than most of our neighbors, we are still not out of the woods. I am

sure, however, that with the continued excellent help of the Citizens Advisory Committee, the P.T.A. organizations and other civic minded people of the district, the Board can continue towards an adequate and economical solution to most of our problems.

"If I am re-elected I shall in the future, as I have tried to do in the past, cooperate with all those who have the welfare of both the children and the taxpayer as their motivating interest in school affairs."

**PLAINVIEW VAMPS REPORT:
 Ex-Chief Keute Did Good Job**

Blazing grease on an electric stove called out Plainview firemen to Westbury Ave. on Sunday, March 29. Firemen answered a call to put out a grass fire on Main Parkway on March 23.

Chief Panciroli recently promoted former Chief August Keute with a ring signifying his past of 25 years of the Company dating from 1928. He has done a fine job

but it seems that he had just too much to do for one man. We all know he is one of the three water commissioners of Plainview and he therefore felt that he could not devote enough time to the fire company. We hope that in the not too distant future we can present an ex-chief with the same kind of ring to show our appreciation for the work they have done for us and for our safety.

feel that by now it has become tiresome to read but it is most important that all residents know the following five points in case of a fire: (1) Call the operator. (2) Ask for Plainview Fire Co. Tell operator emergency exists. (3) Give exact location of fire over phone. (4) See that all doors and windows are closed. (5) Go to main road and await the apparatus.

**ABOUT PLAINVIEW AMVETS.
 First Community Nite is Success**

By TOM PAYNE
 Our first attempt at a "Community Nite" proved to be very successful. The comments from all who attended were favorable.

One of the highlights of the evening was the presentation of the charter to the President of our Women's Auxiliary, Mrs. Ethel Geigetter. The presentation was made by the State President Mrs. Elizabeth Mrs. Mary Ward was sworn in as the Chaplain, Mrs. Marcella Olson as secretary and Mrs. Ethel Rooney as Treasurer. Due to the absence of Mrs. Rooney, Mrs. Payne served as her proxy.

Our past State Commander James Reilly was also in attendance. We appreciate him finding time to come out here for a visit since he's spent many active years with AMVETS and his time is at a premium. He is now a State Executive Committeeman with AMVETS.

community Nite" once a month. It will be done and I hope those of you who couldn't make it or didn't know about last Saturday night are able to make the next one which should take place in May. The reason we are going to skip the month of April is due to the Plainview Firemen conducting an affair of their own on April 25. We sincerely hope that all of you people will attend their affair as well. Our objective at these "Community Nites" is to make as many of us community minded and neighborly as is possible, so why not make it a date for April 25!

Forgetting the lighter talk for a moment, we of Plainview AMVETS would like to express our regret over the loss of one of our friends and neighbors, Joseph Shussler passed away a short time ago. Those of us who knew him and grew to love him will certainly miss having him around. He had a niceness about him that was vitalizing to those of us who even knew him but slightly.

Mrs. Cleary of the Cleary Oral school also found time to visit our community. She is the woman responsible for the founding of the school for mute children in Lake Ronkonkoma. Her home was turned into the school and a fortune has been spent in trying to aid the children in need. It's a wonderful job that's been done but it no longer can be carried on without outside assistance. Anyone having an interest in this program can contact any AMVET for further information.

Keep watching the Herald for notice of our next "Community Nite". There'll be fun and surprises in store for those of you who attend. Many thanks again to the Plainview Volunteer Fire Department for their cooperation in making the affair a success and for the use of the firehouse.

The "Suggestion Box" made available Saturday evening proved to be worthwhile. Everyone voiced a desire to continue having "Community Nites".

Miss Jean Marie Phillips, daughter of Mr. and Mrs. Charles Phillips of Baldwin, will become the bride of John J. McCrossen, son of Mr. and Mrs. John McCrossen of 46 Notre Dame Ave., Hicksville, Sunday, Apr. 11, at St. Christopher's R. C. Church, Baldwin. The Rev. Edward Phillips of Jamaica, cousin of the bride-elect will officiate at the Nuptial Mass at 10:30 a.m.

NEIGHBOR DOWLING VIEWS NEWS: Vote Endorses Board Planning

By JOHN DOWLING
The people of Plainview in a vigorous ballot casting demonstration overwhelmingly supported the position of their Board of Education this past Monday evening at the Mannetto Hill School when a total of 260 affirmative votes were cast in favor of Board's landbuying proposition. Of the three hundred ballots cast, there were only 31 negative votes. Nine ballots were declared void. This means that the Plainview

School trustees can continue to plan for the district's future educational facilities without any doubt as to where the greatest majority of the residents stand as regards to education.

It must be remembered that the Plainview School District is in a critical situation when it comes to classroom space and this condition, from all signs, will probably get worse before it begins to improve.

This expression of confidence on the part of the people in the Board of Education signifies an era of greater understanding between the residents of the district and their elected representatives on the Board of Education.

John Dowling, author of the article.

THE TEENERS CORNER: Jim Sharkey Is Winner Again

By LILLIAN MAGGIO And BEN COHN
Last Friday marked the second Plainview "teeners' Amateur Contest". This contest had ten entries. The winner for the second consecutive time was Jim Sharkey. He was the past everyone had a swell time.

We'd like the "Vagabonds" and Mrs. Branca to know that we really appreciate their giving time to help make our monthly night a success. It is hoped that these monthly talent nights will eventually lead to the forming of a "Teeners Band". As of now, that's still in the talking stage. Although the Band hasn't progressed much, we did talk about forming a Five and Drum Corps. The members seem to like this idea and have really shown it by their interest. Saturday night was the first of

what is hoped to be a series of monthly affairs for the older set. We hope you had a good time and that this will continue. The teeners have rendered their services as baby sitters for such nights. So those of you with children have no excuse and problems. Just call Hicksville 3-6257 for information.

The formation of the PBC baseball teams has already started. If there are any fellows who are interested and haven't signed up yet, come on down to Mannetto Hill School on April 11. That is the first day of practice.

The "Teen Age Club" is open to all teeners in Plainview. Why not come down and meet some of your fellow teeners?

Because of Good Friday, the regular meeting of the Teeners will be called off. That's all for this week. Happy Easter, everybody.

Delamain and Callahan Team Up

PLAINVIEW — Creswell Delamain, 28 Relda St. and Edward Callahan, 18 Audry Ave. have announced they will be running mates for two vacant posts on the Plainview School Board.

Delamain, who is presently a school trustee filling out unexpired term caused by the resignation of Gerard Lighty, and Callahan have been active in school

board affairs for more than a year.

At the present time, Callahan is serving as a member of the Board's Emergency Housing Committee. Previously, he served on the budget committee and assisted the Board of Education in many of its projects. He received his education at Hofstra College.

Record Proves Town's Deceit

By Fred J. Noeth

INTEGRITY of our elected public officials is a virtue to be desired, even above brilliance and statesmanship. And while we can't all be smart, we can at least be intelligent enough to be honest and fair.

Supervisor Charles F. Ransom made a flat statement at the Hicksville Civic and Community Assoc. meeting last Thursday night which must be sharply challenged. "We haven't endorsed the legislation," he insisted. And stressed "We haven't endorsed anything."

About three weeks ago we sat in at a meeting of Township Civic Council spokesmen with three members of the Town Board—Supervisor Ransom, Councilmen Frank Chlunsky and Lewis Waters. Mr. Chlunsky assured us that the session was very much on the record, although we had suggested that it might be otherwise.

Ransom, Chlunsky and Waters insisted the town board had not endorsed legislation—and we could have a copy of their actions to prove it.

Well, then just for the record, this is the text of the resolution Oyster Bay Town Board adopted at a meeting on Feb. 17, 1953:

"RESOLVED, that the Town Board of the Town of Oyster Bay at a regular meeting duly held Feb. 17, 1953, does hereby endorse the introduction of the proposed act to amend the Nassau County Civil Divisions Act in relation to public Park and Parking districts and the creation of a joint park district as contained in Senate Introductory no. 1582, Print no. 1664 and Assembly Introductory no. 1582, Print no. 1826; and be it further

"RESOLVED, that a copy of this endorsement, duly certified by the Town Clerk be forwarded to the County Executive of the County of Nassau."

That is the resolution of Feb. 17. Last Thursday night supervisor Ransom had the nerve to say "we haven't endorsed anything."

On Mar. 18 Assemblyman John J. Burns, author of the Joint District bill, wrote: "As you know the bill was introduced at the request of the Town officials."

Supervisor Ransom is the very same public official who wrote to Paul Drake on Dec. 14th, 1952: "I can assure you as your Supervisor that I will not help sponsor or promote any such Joint District legislation unless it provides for a referendum to be held in which the taxpayer Levies homes within the Town of Oyster Bay, could express their opinion. In other words, I will not take part in putting additional taxes on these persons, unless they themselves, by the majority of the voters, desire it."

The Town of Oyster Bay held a referendum on Jan. 30th. of this year and asked the people if they wanted a Joint District. Seven hundred people voted and the vote was 435 no and 193 yes.

Despite all this, the Town Board has sponsored the legislation for a joint district and has very plainly endorsed the legislation.

The callous disregard of the needs and best interests of the community of Hicksville and its homeowners—once again demonstrated by the action of the Town Board—makes it imperative that we incorporate as a village without further delay. We urge all thoughtful citizens to get behind this movement. The drive is being compressed into a 60-day campaign so that we can all devote our energies in a brief span of time to finish the job.

We have petitions, literature and other data in the Herald office. In fact, now that the voters have approved the new plan, all we need is a stamp so we must work this hard on getting the necessary 1000 Hicksville citizens signed.

The Legionnaire

James G. Carter leads the American Legionism program of the American Legion's Charles Wagner Post and is a more active believer in American principles would be difficult to find. To express the feelings of good Legionnaires everywhere we asked Jim to write this week's column for us and these are his words.

What is patriotism? Is our patriotic duty? Are we living up to our patriotic duties which avail themselves of every opportunity to wave the red flag and advocate the overthrow of our government?

The flags that once lined the curbs and hung from the windows of every house in town proclaiming to the world, we are proud to be Americans, are too few and far between. The people who used to take part in Memorial Services are also too few. To sum it all up, must the word "Complacency" be used for the lack of public expression of our patriotism. Let it be known that the enemies of Freedom and Democracy are highly in accord when we fail to outwardly express our patriotism. They are against everything and anything that is American and it is about time that we all got on our hind feet and let the world know that we aim

to stay American.

Patriotism is not just the pledging of allegiance to the flag. It is feeling the meaning behind the flag and carrying that meaning in our hearts. It is not just talking patriotism but it is doing something about it!

Let us not relegate to the "other fellow" our individual rights and duties to the Community, State and Nation. Patriotism is an individual effort and we can all do our part if we exercise that right to let the "other fellow" know where we stand and what we stand for. Let us start on Memorial Day by digging out that "Grand Old Flag" shake off the dust and unfold it to the front.

The countries behind the Iron Curtain today were subjugated and enslaved only after the people became indifferent to their rights and duties as citizens of their respective countries.

We are a Godly, peace loving people, with the ability to suddenly arise to meet any challenge. We are a resourceful nation ready to produce more than our needs in any emergency.

Let us keep our God and our Country in our hearts and on our lips. Let us be ready to show defiance to any nation or nations that would seek to deprive us of our heritage and the freedom we so dearly cherish. Let us give thanks to God that we are Americans and lest we forget those who made the supreme sacrifice that we may stay free—
"May Their Souls Rest in Peace."

Future Voter Ask Questions

By KENNETH KUNZ

I am 12 years old and have decided to write your paper and ask a few questions about our local problems. I have been a resident of Hicksville for my full 12 years.

In view of the fact that I'm going to be a future taxpayer and a future voter, I would appreciate the answers to the following questions if at all possible.

Exactly what is the Town officials' viewpoint on the bill recently sent on to Albany concerning the right to deal with Park and Parking Districts?

I have read your paper every week and it seems to me that you are only assuming the outcome of such a bill. It seems as if you are trying to put a one-sided story in front of the present voters. Perhaps I am wrong but that is what I'm writing this letter to you and straighten myself out.

Another thing which comes to my attention is the fact of incorporation. I know it might sound like an item for the grave but don't you believe that, for public interest, that item more than any other, should now be pursued? I realize how it must be to bring out a "dead" item and try to bring it back to life, but actually I think with the vast growth of Hicksville ever since 1951 would tend to simplify things. We now have a town have 10 or better civic organizations to help you and you can't take to cover the complete Hicksville area. In a pamphlet concerning incorporation I remember reading an item of similar interest.

HOW DO WE INCORPORATE?
1. A consent referendum signed by one-third of the qualified taxation property owners together with 50% of the voters.
2. A consent referendum signed by one-third of the qualified taxation property owners together with 50% of the voters.

I am sure you will give a good answer to these questions and if you have any more questions, please write them down and send them to me.

Thank you very much for your attention and for your interest in the welfare of Hicksville.

I realize it is a long shot but I'm sure you will give a good answer to these questions and if you have any more questions, please write them down and send them to me.

better community out into the men for another crack at making it a reality. Let's give our selves and all local residents the opportunity of a true democracy, the chance to exercise their inherent rights. Let's

not depend on anyone to determine the governmental processes of our community—such as we are at the present with the Park and Parking District Initiative.

Gives Lecture on Adult Art

HICKSVILLE — The Adult Education Program sponsored a Lecture "Let's go painting" by Mrs. Olga Hoebel, painter and teacher, at the High School last week, in Room 206.

Mrs. Hoebel teaches "Oil Painting, Advanced" with the Adult Education Program here. She is a member of the Art League of Nassau County and President and Founder of the Independent Art Society. She is a founder of the Palette Club, now the Island Artists League, and has always taken a keen interest in local art movements.

Her paintings have been shown at Hofstra College, Garden City Hotel, exhibitions of the Nassau Art League as well as in Manhattan at the Women's Exposition of Arts and Industries. She recently completed a one woman show at the Calderone Theatre in Hempstead under the sponsorship of the Nassau Art League.

The lecture consisted of helpful hints for outdoor painting, as well as a brief summary of the fundamentals of oil painting. Different

techniques were touched upon such as painting with the palette knife which is becoming quite the vogue with painters. She also stressed the importance of a local art society for exhibition purposes and to awaken an interest in the arts in local communities.

A great deal of interest in the arts (fine and applied) has been created in Hicksville through the fine art program sponsored by the Adult Education Program, she said. However, there is great need for exhibition space. "The cooperation of merchants and civic leaders is asked in affording our local artists an opportunity to exhibit their pictures."

Amvets Alley

Robt. O. Ulmer Post 44
25 East Marie St., Hicksville

"OUT OF THE FOXHOLE" ... It's always so nice to start my column with names of NEW MEMBERS, so here I go again with Pete Malik and Armand Grillo. Among the members who have been absent for a 2-year period, Post 44 will soon welcome back Bob Marion and Frank Raduka. Membership Officer Mike Elish tells me that, talking World War II and Korean veterans into joining AMVETS isn't so hard a job after all.

MEETINGS: During April the regular post meeting will be held on the 10, and 24, just for that month alone. **TEAR DROPS IN MANY A SMILE** AMVET CARRIER'S "Mom" was struck by a hit-and-run motorist a few weeks back and the mishap left her in a cast. Reports are that "Mom" Carriere is recovering nicely. AMVET Bob Sutphen is hospital-bound for an operation. Let's not forget him fellows ... it could be YOU. George Pedneault Lt. Col. (Ret.) is now feeling better after a recent attack of illness.

MAIL FOR AMVETS: Seems I am getting a bit popular with the youngsters serving our country during this Korean War by the amount of letter I have received at home at the Herald office and at the Club. A nice letter from AMVET Phil Millevolte who says to me from Newfoundland ... "home was never like this". Wally Matschal who tells me that he is stationed at YANGYU, KOREA. A brief note from AMVET Gus Nouel saying he wished he could have been with us at our St. Patty's affair. Former 82nd Airborne veteran Frank Shea

now back with Uncle Sam down in the deep South. **ABOUT OUR POST MEMBERS:** I see that Bob Serr will walk that "last mile" on April 11th. Armand Grillo hails from Baldwin, and Danny Van Wickler comes all the way from West Babylon to our meetings. Harry Zvonik has misplaced that heart on his sleeve. Harry Strembel making like a Chef with those "French fries" once again. Frank (They Call Me Peanut) Grange operating a lathe at the CLAREMONT LABORATORIES where TV picture tubes are being made.

THANKS DEPT To "Mom" Mignone who once again worked so hard and with little thanks for the St. Patty's Corn Beef 'n' Cabbage party. Little Pat Elish on her swell job of cutting out the Sham rocks which decorated the club. The whole gang who helped make it another "SMASH HIT".

NATIONAL AMVETS IN THE NEWS: Appearing before the House Veterans Affairs Committee, "Marsh" Miller, National Commander of AMVETS hammered hard at the present VA medical program. "We have", he said, "seen the finest medical program in the world become diluted, stagnated and tottering on the brink of disaster". Miller asked immediate restoration of 15 million dollars for the department of medicine and surgery of the VA. Well that's all this week AMVETS, but if there are any friends of Phil, Wally or Gus who may want to drop them a line please let me know. Every little note or card goes a long way. Many of us are fortunate and never know loneliness; these boys that are many miles from home, sleep eat and work with it for company. A picture card as a reminder of home that you may send today ... will bring that serviceman a little happiness tomorrow.

NORTH WEST NOTES: Drainage Problems Still With Us

By JAMES CUMMINGS
In the latter part of 1952 representatives of the North West Civic Assoc. met with the Town Board about the very serious drainage problem in the north west section of Hicksville. At that meeting they were informed that we were top priority on their list and the work would start in March, 1953. Since that time nothing has been done other than a survey of the area prior to the meeting.

At the last monthly meeting of the Assoc. correspondence was received from the Town Board informing us that \$30,000 had been allotted to NW Hicksville to alleviate the drainage etc. Although the original figure was \$300,000 as stated by Mr. Ransom, Town Supervisor, we realize that this was for overall work in the entire township, not just for our section. Of the \$300,000 mentioned, \$147,000 has been earmarked for Hicksville, \$30,000 for us. Here are some current facts, stated at a meeting of the Hicksville Civic & Community Assoc. Ransom referred to NW Hicksville (Spiegel Homes) as being built on a natural waterway. It is most likely he was referring to the property in back of Kuhl Ave. presently owned by Prass Wireless; however, it could be the entire area.

Ransom mentioned a bond issue for drainage work throughout the entire township which must be done within the next few years. He also discussed the "paper developments" which up until April, 1952 did not require a builder to post bonds on installing paved streets and curbs. Now, every builder must provide paved streets and curbs; these will be noted shortly on the land developed by Spiegel on the Di Riso Farm between Myers and Burns Avenue. The drainage work is now a month overdue. When are they going to start and will \$30,

000 be sufficient to cover our needs?

DRIVE TO INCORPORATE
A concentrated drive to incorporate Hicksville is now underway. Within the next 60 days we hope to bring this "long awaited" question to a vote by the people of Hicksville. John Finnegan, Captain of 16th Election District, reports this week over 50 families in our development on the petition with additional signatures coming in daily. One of the following teams will contact you within the next 60 days: Bernard Gill, Gardner Ave.; Kurt Maier, and your neighbor, Myers Ave.; Mrs. Sue Schull, Gus Hanson, Indiana St.; George McCarthy, Joseph Fulco, and John Larkin, Nevada St.
Finnegan and his team have signed well over \$150,000 in assessed valuation of property. Government by "remote control" and "over-rated" promises will be a thing of the past. Let's bring this to a head once and for all.

BETWEEN ISSUES
It was learned that the first youngster hit by a car in our development, son of Mr. and Mrs. Ray Nyeall of Georgia St., we sincerely hope that this will be the last. It should not have been the first. The youngster's leg was injured. . . **SLOW DOWN!** Pretty definite about Press Wireless moving out of Cantiague Road. They are going to Sound View 50 miles from here, thank God! . . . If you don't read about a change of zoning of this property in the Herald it is not our fault. We have been labeled as bad boys by the Town Board. . . voice your opinion let them know. . . Softball team being formed, many names have been signed — if you want to play ball contact Bernard Gill, 55 Gardner Ave.

START IN SIX WEEKS:

Another New Shopping Center; 50 Stores, 3,000-Car Parking

HICKSVILLE—Plans were completed this week for the start of construction within six weeks of a \$5,000,000 major shopping center at the intersection of South Oyster Bay Rd., Old Country Rd., and Plainview Rd.

To be known as the Hub Shopping Center, the project will consist of approximately 50 stores, a theater and multi-story professional building. Parking will be provided for 3,000 automobiles, it was announced.

The project will occupy 28.9 acres at the southeast corner of the 600-home community known as Hillside Terrace and will be built by Joseph Carillo, Joseph Wanes and Samuel Levin.

Architect is Morris Lapidus, A.I.A., of New York City, who has designed commercial and hotel structures throughout the country. Rex Levy Company, 50 East 42nd St., Manhattan, have been appointed exclusive brokers.

The Hub Shopping Center will extend 1,800 feet along the northerly side of Plainview Rd., and 700 feet along the westerly side of S.

Oyster Bay Rd. to its intersection with Old Country Rd. At least 300,000 square feet of selling space will be provided within the stores which will vary in depth from 100 to 150 feet. Continuous covered walks and promenades will permit all-weather shopping.

Within a four-mile radius there are already built or now being built approximately 50,000 homes according to surveys made by the builders. There is a potential population of 150,000 within a 10-minute drive of the center, which is at the intersection of two of Long Island's major east-west and north-south highways. Within walking distance and without crossing any major thoroughfare, there are 1,000 new homes within adjacent developments. Purchasing power of families within a four-mile radius is computed at \$382,911,000 annually.

The Hub Shopping Center will consist of three major structural units, plus a large service station. The store building will be one and two stories high and built in the form of two "L's". The professional

building will straddle a 200-foot-wide roadway and rear itself two stories above the roofs of the buildings forming the short arms of the "L".

Kaye Reviews Taxpayer Work

JERICHO — The third annual meeting of the Taxpayers Association was held on March 16 at the Jericho School. Arthur Kaye, president of the association, reviewed the year's work of the association in its efforts to maintain the sound zoning standards of the Jericho District.

He analyzed the new zoning recently set up for the Landia area, now in classification "C". The successful efforts of the association in bringing light manufacturing plants into the Brush Hollow Road area were also discussed.

At the meeting, nine governors were elected: Arthur Kaye, Harry J. Miller, Jr., John Sasso, and H. Willets Underhill, three-year terms; Henry G. Bruns, Hamilton Hamilton, Jr., Albert Nechtold, and Daniel G. Tenney, Jr. two-year terms; Edward Mooney, one-year term. Governors continuing in office for 1953 are Francis T. Carmody, William Humphreys, and Louis J. Rauch. The new board of governors, which includes representatives from every area of the Jericho District, will elect its officers for 1953 at its next meeting.

AN EDITORIAL:

Clever Town Fathers

We can now stop wondering why it has always taken so long for Oyster Bay town officials to act upon the parking problems of Hicksville. It is now pretty apparent and we got to admit the town fathers are mighty clever. Each of the new, big shopping centers being erected around the perimeter of Hicksville will have huge parking fields. We now total up space for 12,450 autos in new shop areas ALL WITHIN ONE MILE of the Rail Road Station.

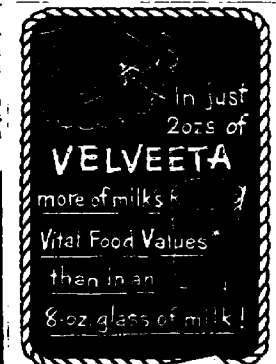

People will shop where they can park, thus skipping the Broadway stores. The two small fields we now have can handle about 150 autos and will be ideal for commuters when Broadway ceases to be important as a shopping district.

Those clever town authorities will thus be solving both the shoppers and commuters parking problems. This proves an old political theory that if you do nothing about a problem it eventually solves itself.

Red Cross Needs Help

HICKSVILLE — Contributions to the 1953 Red Cross Fund Drive here totaled \$373.00, it was reported this week by Henry McInnes, chairman. Hicksville-Plainview has a quota of \$3,000.

Chairman McInnes said this week that the Red Cross has a new mission. "It is to help in the battle against polio. At the request of the Federal government, Red Cross is extending its Blood Program to supply gamma globulin for use in epidemic areas as a means of preventing or minimizing paralysis among children exposed to the dread epidemic. To accomplish this mission Red Cross needs \$7,000,000 over and above the \$30,000,000 required for support of its regular day-in-and-day-out services to humanity."

It is significant, McInnes contended that every contribution to the Red Cross drive now going on in this area, for a large sum, of the assigned quota will go towards helping control polio.

He added, "The many Captains and workers are enthusiastically canvassing the two communities", and he asked for the kind of cooperation of the residents and business people in Hicksville and Plainview.

McInnes also announced the following additional captains, Mrs. Arthur Elmer, 46 Virginia Ave., Plainview; Lawrence McCaffrey, 162 Broadway, George M. Intosh, 129 Bay Ave., both Hicksville.

JWV Corner

By WILLIAM OLITSKY
A man likes to dream of a big bear or buck he tracked for miles, about fishing, the many areas all over the Island and State, the dream of the big one he battled for half an hour, and by all means the one that got away. These thoughts are but the passing of one season and into another. We of the JWV Post take the seasons in our stride. We still have a job to do—continue the work for the unfortunates who can't get out in the woods to hunt or down the streams and lakes to do some fishing.
Let's go back to the one who got away, that one may have been the potential leader for a set commu-

tes. Don't sell that neighbor short, bring him down to meet your buddies. That chance is coming when we will install our officers Saturday Apr. 11, at the Congregation Shaarai Zedek Temple on East Barclay St., Hicksville, at 8:30 P.M.

Sid Kaplan will be our commander for another year; Sam Mozel, vice-president; Hy Pokard, junior vice-president; William Woodley, assistant; Teddy Alper, quartermaster; and Milton Halpern will again serve as judge and advocate our esteemed Ed. Irving Grossman will serve as our A. A. again, Dave Richman, Bob Shulman and Bill Olitsky will serve as trustees. Show your officers you are there to back them up. They realize that without your support the Post's program would not be possible. The work is accomplished without regard to race, color or creed to help the less fortunate. Try to make the burden just a little lighter for our fellow veterans in and out of the hospitals.

Arthur Traidman who underwent surgery recently is now well on the road to recovery. Come on Arthur, let's get back into business again.

Mr. Robert Esposito writes to the Jewish War Veterans from Korea: "Received your gift today and want to take this opportunity to thank you very much. Words could not express how deeply it was appreciated."

"It really is a great feeling to know someone, other than your family, thinks of you. It is hard to be away from home and your family but things such as you have done seem to make the burden a little easier."

M Sgt. Raymond Roberts writes from Korea: "I wish to express my sincere thanks for the much appreciated and very helpful gift you sent. Hicksville seems to be full of nice surprises and I made my

Hicksville Post No. 655 Jewish War Veterans

home there.
"It certainly makes one's morale hit the top when people you have never met find the time to send a little something. In about 7 or 8 months I should be eligible to return to the good old USA and I will make it my duty to pay you a visit to thank you all in person.

I'm hoping for all concerned over here that they drop the points have to do so that we may return sooner. One year in this place is long enough for any man." His address: Hq Btry, 624 FA Bn, APO 3-1 60 Postmaster San Francisco, Calif.

Civics Revising Assoc. By-Laws

NORTH BETHPAGE — A committee of the Civic Assoc. met March 9 for the purpose of re-writing the Association's Constitution and By-Laws.

Jack Strong, Chairman of the committee said "The laws, seldom revised in 34 years were in many instances clouded and in need of clarification." As a result, "the book will be completely re-written from cover to cover and presented to the general membership for approval and adoption." Strong said. Other committee members include Arthur Burmeister, Tom Oliveri, Mrs. Jack Strong, William Benisendi, Edward Schreiber, Robert Feuss, and William Manaloris.

4th Grade Takes Trip to New York

CONTRIBUTED
Mrs. Grumet's fourth grade class at the Lee Ave. School, Hicksville, took another trip into New York City on Feb. 24. They were accompanied by Mrs. Rogow, Mrs. Ingelle, Mrs. Wolimer and Mrs. McVicker. The object of this trip was to enrich the class's study of New York.

The class chose to visit a few of the many interesting sights. The first stop was the Empire State Building. Needless to say, the children were awed when they looked down from the 102nd floor at the city below them. One child said, "It looks like a toy city made of plastic."

Lunch followed this exciting experience. The children dined at the automat. To many, this was a new and thrilling adventure. They got some of the feeling of the rapid pulse of the city.

After lunch the children were quickly and carefully taken by subway to Radio City Music Hall. To many the subway was a new means of travel. All behaved admirably.

The Music Hall which is the largest theatre in the world, also left the children speechless. They thoroughly enjoyed the glitter and glamor of the show.

After the theater, the group was off again. This time for a stroll through Rockefeller Center and up Fifth Ave. Here they saw such sights as the St. Patrick's Cathedral and the RCA Building.

By this time we were tired, therefore, we had some refreshments and boarded our bus for home. The children were delivered safely to their bus stops. All had a wonderful time. All had many things to think about that night.

Long Island's two millionth telephone installed last week

The two millionth telephone was installed last week in the Long Island area of the New York Telephone Company.

It took 70 years from the invention of the telephone to reach the one-million mark on Long Island. It has taken only seven years to add the second million.

During these postwar years Long Island has grown faster than almost any other section of the country. It has been a challenging task to catch up with the demand for phones backed up during World War II, and to keep up with the heavy demand since then. Meeting it has required the biggest

telephone expansion program in Long Island history.

To date this program has totaled \$370,000,000—which more than doubles the Company's total investment in this area.

Still Long Island continues to grow! And every day we're hard at work putting in still more lines and switchboards to provide service as fast as possible for all who want it. This year we expect to add 150,000 phones. The expansion program to do this will total about a quarter of a million dollars every working day.

For as Long Island grows—so must your telephone company.

GOING AROUND THE LANES:

Plenty of Pennies-But Too Late

By FLORENCE VRYN
LE 9-6407

Spring is here, they say, and it means in me no great wave of anticipation. I look with a jaundiced eye upon the little green things shooting up—they are very likely to turn out to be weeds. And the thought of pushing that infernal contraption that cuts this green stuff makes me long for the Victorian era when such parasites would be to strenuous for such delicate flowers as we gals.

Sorry to hear that the Ruperts of Rising Lane will be leaving Hicksville. Walter is going on his overseas tour of duty and Jacqueline and the children will follow him as soon as practical. They intend to return to Hicksville when Walter is reassigned to the U. S. and when he becomes a civilian. Little Roger is in the kindergarten at Lee Ave. School.

Betty Bannan is the proudest little girl on Acre Lane, and with good reason. She has a special message written to her in her autograph book from the Mexican Consular General in New York. Betty represented the Hicksville Girl Scouts and she gave the consular

present for a Mexican scout. She did it so nicely that by the time she left, the consul was letting his phone ring like a fire alarm while he instructed Betty in Spanish.

There ain't no justice department. Mrs. Alfred Koch of 3 Essex Lane worked like a beaver on the Penny Auction for the Lee Ave. School P.T.A. One of her jobs was to change \$70.00 into pennies. She marched into the bank after parking the old reliable in one of those highly prized curb slots and natch, had to wait her turn. When she struggled out weighed down with the coppers, she found a neat little violation tag on her chariot. Reason? Not enough pennies in the parking meter.

Dolores Vatter celebrated her ninth birthday recently and Charlotte invited eight other little girls to help her. The guests were Ellen Young, Dane Gore, Barbara Gore, Barbara Murphy, Barbara Ragley, Martha Schoenfeld, Ruth Ann Harding, and Holly Lauer. I like the idea of having the number of guests match the age of the hostess, but Charlotte, what when Dolores is twenty-one? OH GOSH! Think of the mob I'd need on July 25.

Mary Goodrich really had her hands full recently at the Dutch Lane School. As organization Chairman of the Girl Scouts she worried over the eight little sprouts (don't correct the spelling) in the ceremony and Mary is so conscientious that she was chewing her nails, practically. After she worked on the right hand she was stuck, cause she had to save the left hand to chew on for her son, David, who was also in the ceremony. Result, no nails for Mary I'm sure but her charges did beautifully, and so did David.

Went wizzing by Blueberry Lane the other day at my usual fifteen miles (yes it sounds that way) per hour and I spotted somebody really doing an extension job on the house. Building in another five place in what seems to be a dining room. Next time I go over there I intend to drag my foot so I'll get a really good look.

Go mop the floor galley slaves, for the bee-yon-tiful look that the spring rains bring into the house is now all over this shiny (?) Matco. Oh joy. Oh spring. Oh my aching back.

The SENTINEL

Ransom Makes It All Too Clear . . .

Charles E. Ransom of Sea Cliff supervisor of the Town of Oyster Bay, professed his belief in a "new" political doctrine at the Hicksville Civic and Community Assoc meeting last Thursday night. Government by "I know those fellows" rather than the established concept as prescribed by law for the rest of the State is now in prospect.

Ransom who has rather boastily said on occasion recently that he can not be subject to voter displeasure at the polls in November because he is not going to run again, admitted that Hempstead will have control of a section of Oyster Bay Township (in Hicksville) under the Joint Levittown District bill now before Gov. Dewey. Ransom also said the bill as now amended, was his original solution to the problem although (good, ole neighborly) Hempstead would not go along at first.

Admits Hempstead Will Control Verdict . . .

Answering questions from the audience, Supervisor Ransom admitted that Oyster Bay Town Board will be outnumbered by Hempstead Board 5 to 5. (With his personal decision on the proposal made public even before a public hearing, the verdict is now officially 7 to 4 in favor of Hempstead.)

If and when the Joint District is created, Hempstead will control the operation of such a district two to one. Hempstead has two supervisors and Oyster Bay has only one.

Ransom Speaking 3 Months Ago

"If such legislation (referring to operation of Levitt pools and hall by Hempstead—Ed.) is introduced, I can assure you as your Supervisor, that I will not help sponsor or approve any such proposed legislation, unless it provides for a referendum to be held in which the taxpayers in Levitt homes, within the Town of Oyster Bay, could express their opinion. In other words, I will not take part in putting additional taxes on these persons, unless they themselves, by the majority of the votes, desire it." That was in a letter written by Supervisor Ransom dated Dec. 15, 1952.

Why All The Fuss?

It's a perfectly fair question to ask "why all the fuss?" All right. Why? Here's the answer. The Town Board asked the people of the Levitt area of Hicksville for advice in a referendum, and then having received that advice, promptly proceeded to ignore it. The Board had a difficult problem on its hands in dealing with the Levitt-appointed Steering Committee and in choosing the questions asked at the referendum. We have it from the Board members themselves that the Steering Committee members were asked individually if they agreed to the two questions proposed by the town officials for the referendum and that they agreed unanimously and without qualification.

As is well known, the two questions asked if a joint district with Levittown should be set up for the operation of Levittown Hall, and if a swimming pool district should be set up within the boundaries of Hicksville to operate the two swimming pools.

It should be noted in passing that only the Levitt-picked committee was present at the meeting at which the referendum was decided upon. Hicksville proponents were neither invited nor were they present.

After the Steering Committee returned from the Mineola meeting and evidently reported to headquarters, they made a complete about face and denied they had agreed to anything (members of the Town Board said they did agree) and insisted upon a third question, proposing a joint district for both the pools and the hall, be added to the referendum.

Town Board Said "No"

Stung by the actions of Levitt's Steering Committee, the Town Board refused to add the third question on the grounds that such a district would be illegal under the state laws.

The Board Didn't Know

Soon after the referendum, legislation concerning the pools and hall was made ready for introduction into the state legislature, but for several days the Town Board members knew nothing of its contents and yet they were supposedly sponsoring it. The big question is—who drafted the bills and why didn't the Board know its contents?

Legislation Awaiting Governor's Action

At this writing the legislation has already received the perfunctory approval of the State Senate and Assembly and is now in Gov. Thomas E. Dewey's office awaiting his approval or veto. If the bill is vetoed, all is well for the moment. If, however, it is approved, the Town Board of Oyster Bay and Hempstead have said that there will be a public hearing.

Archaic System of Government

Why the populous and otherwise progressive communities of Nassau County continue to put up with the archaic system of town government is almost beyond comprehension. They permit themselves to be governed by an absentee town board selected at large by the town. This was undoubtedly adequate when the area was largely rural, but not now.

Incorporation Is Only Answer

If Hicksville is to maintain and enhance its position as a leading community of Long Island it must have its own local government to direct its affairs. It will have its own local government only when it incorporates either as a village or as a city. Only when it is incorporated will Hicksville be freed from repeated harassment and aggression by the Levitt interests.

Sign the Incorporation Petition

If you haven't already signed the petition for the incorporation of Hicksville, do so at your earliest opportunity. They are available at the Herald's office, at 98 North Broadway, and from members of the Committee for Incorporation. Owners of one-third of the total assessed valuation must sign before a vote on the issue can be held. Total valuation is approximately \$40,000,000 and that means that the owners of about \$13,000,000 worth of property must sign. That amounts to more than 2000 home owners. It is a big job, but it can and is being done.

Still Using Old Survey Gimmick

By GENE MALJEAN
Hicksville 3-5515

"I'm taking a survey which will take only a minute. May I step in? ... Thanks. Is your wife around— I'll need to ask her some questions, too ... Thanks. I'm asking questions in reference to adult education. My company is ready to put out an encyclopedia which is to be the first in ten years, as you know. I just want to see your opinion on it. What do you think about it? Understand, I'm not selling it. I merely want to advise the company as to your views." (Two hour lapse of time.)

"But this contract I want you to sign places you in a position where your payments are quite small. You'll never be sorry."

I was surprised to see they're still using the survey gimmick, but it's going strong hereabouts.

I was very happy to meet all of the officers of the Woodbury Manor Civic Assoc. at their meeting in which the signatures of the officers were witnessed. They are a

fine group of men and I want to wish their organization all the luck they deserve. They are going to keep me posted on developments, so you'll be informed. President John H. Onken, Jr., held the meeting in his own home on 22 Linden Court.

Welcome back to Bob Becker of Briggs St. who spent a short time in the hospital. A farewell party was held for Emily Bokowy of Chicago, who has been visiting her sister-in-law, Gladys Blaser of Ketchum Ave. Present were: Anne Becker, Rosalie Leary, Helen Branham, Gladys Blaser, Nancy Lizza, Eve Roth, Eleanor Carter, and May Maljean. Refreshments were served after a bingo party was held. This party was held at Rosalie Leary's house.

The Neighborhood Garden Club held its meeting Monday night. News of that next week because deadline comes before the meeting ... You might remember Mr. McElmore of Ketcham Road who collected for Cancer last year? He

has this whole area to canvas for the charity. We have been asked if we can help, and we agreed that we'd be glad to, and I thought I'd ask if there are any others in the Woodbury Road Section who would like to join us.

A birthday party was held for Bunny Klee who turned six Sunday. Those children present were: Carolyn and Patty Stine, Kenneth Hozan, Dolores Maljean, Richard Lee, Roy Sopko, Judy Ing, Nancy and Alan Spataro (cousins), Mrs. and Mrs. Spataro (aunt and uncle), Mrs. Klee (grandmother), Mr. Wehrenberg (grandfather), Mrs. Ing, and Mrs. Wintersaler, Monica Gallagher and Brenda Wintersaler were also invited but were unable to attend.

May was asked to be a captain of a group collecting for the Red Cross in Woodbury Gardens, but due to inability to recruit volunteers the effort had to be dropped. If you are interested in contributing or helping, give us a call.

Woodbury Gardens Civics' Notes:

This will serve as notice to all members that we have contracted for the use of the clubroom discussed at the last meeting. The location is at 25 East Marie St., opposite Hicksville Firehouse. There is a special outside entrance for the specific use of the clubroom. Present facilities include: television, refreshments, juke-box, ping pong and card playing. Plans for the future include dances, card parties, movies, lectures and instruction, other entertainment. If there are any suggestions as to the type entertainment desired, please contact the Social Activities Committee or your local zone representative. The committee is presently working on plans for picnics, softball and various warm weather activities.

Due to the many requests we are holding a special meeting for the many night workers in our organization. This will be held at the clubroom on April 15 at 2:30 P.M.

Following is a tentative schedule of the activities for the month of April. Let us note the dates and do our best to partake in all the pleasures that are offered.

Tuesday, April 7th—Committee Meetings, 8:30 P.M.

Tuesday, April 14th—Ladies Night, 8:30 P.M.

Wednesday, April 15th—Meeting of Night Workers, 2:30 P.M.

Wednesday, April 22nd—Gala Social—prizes, dancing. For members—no admission charge.

All other dates, Tue.-days and Wednesdays all day—available for your pleasure and inspection.

Most of us in Woodbury Gardens have tightened our belts a bit to enable the financial struggle that the purchase of a new home and its burdens impose upon us. Sometimes, however, fate decrees that some amongst us must carry a weight out of proportion to the average. A neighbor of ours has been tragically shocked by the news that their four-year-old boy has cancer. Some of our neighbors have voluntarily formed a committee to help in whatever way they can. They will be identified by a letter on our stationery signed by your zone representative.

TEACHING HERE 50 YEARS:

Sisters to Mark LI Centenary

HICKSVILLE—The nuns of St. Dominic, teachers at St. Ignatius School for a half century, will join other Sisters of Long Island and New York celebrating the 100th anniversary of the coming of the first four Sisters to Long Island on Sept. 2, 1853. The celebration takes place during the week after Easter.

The celebration will consist of a Pontifical Mass of Thanksgiving to be celebrated by Archbishop Thomas E. Molloy at Holy Trinity Church in Williamsburg on Tuesday, Apr. 7; a Pontifical Mass for the living and deceased benefactors of the Sisters to be celebrated by Bishop Raymond A. Kearney at St. Agnes Church, Rockville Centre, Wednesday, Apr. 8; and a solemn Mass according to the Dominican rite at Queen of the Rosary convent, Amityville, on Thursday, April 9. Mothers Superior of all the Dominican Sisterhoods in the U. S. will attend the functions. The Sisters came to Hicksville about 50 years ago. Before the parochial school was constructed in

1906, three or four Sisters first taught Sunday classes here and occupied a small cottage near the site during the pastorate of the late Rev. Lawrence Fuchs. Sister M. Rosaria, principal of the school here for 35 years, is at present assigned to Holy Family Convent, Brooklyn. Four Sisters from the ancient Dominican Monastery in Bascom, founded in 1233 A.D., came to America in 1853. Today they teach in 50 schools in Long Island and New York and have charge of two hospitals, St. Catherine's in Brooklyn and Mary Immaculate in Jamaica.

NORTH EAST REPORT:

Dog Catcher Around This Week

By MARY HERVAN
Hicksville 3-1736-W

Miss Virginia Bentley of 8 Regency St., celebrated her fourth birthday March 25, with a little family gathering. The party that her little friends attended was held on March 28. Those who attended to honor little Virginia were Karen Waters, Barbara and Danny Osborne, Bernard Haggerty, Picella Barnett, Thea Bloxon, Henry Newton, of Levittown, and last but not least Patricia, Virginia's sister. At this gay and festive party, games were played and refreshments were served. Needless to say that a good time was had by all.

New for a bit of news that might interest all dog owners in the community. The town's dog catcher was around this week, bright and early in the morning, 7:30 to be exact. I hope that this little reminder will be taken as a warning by all dog owners not to let their pets out on the loose. There is a fine of \$25 for the first offense, and Heaven knows what the fine is

for a second and third time. The cancer fund volunteers will be around knocking on your doors asking you to contribute. As I said before, please be as generous as your purse will allow. Collecting in Zeldo Park, will be done by Ler Chanin, Honey Singer, and Marie Skidmore. Collecting in Zelmours Homes will be done by myself and Agnes Hervan. The money that is contributed to the Cancer Fund pays for education, service, and research. The fight against Cancer cannot be won without the help of everyone.

We would like to wish Howie Thompson of 11 Violet Ave. and Allen Sypher of 15 Violet Ave., belated happy birthdays. Howie was five on March 17, and Allen was 12 on March 18.

A nice crowd turned out to help celebrate the Post's 25th Anniversary on March 28. Among the charter members present were Ralph Amendola, Charlie Schwarz, Joe Ellinger and Al Nelson. Letters of regret were received from others unable to attend. Ralph will be remembered as the organizer of the Post as well as a Past Commander. Charlie, Joe and Al have also been Past Commanders and are still active in the affairs of the Post.

Among the guests were County Commander Gilbert Chichester, Mr. and Mrs. Fred J. Noth, Mrs. Jennie Laumann (wife of the late Fred Laumann, First Commander of the Post), and Dominic Ruggiero, an old timer and a Past Sgt.-Arms. Keeping in line with the Post's practice of keeping speeches to a minimum, Commander Jim Taverna did exceptionally well in winding up his work in three minutes.

Dancing from 9:15 till 2:30 was enjoyed by all with music provided by Benny Sudano. When Benny took off on the drums, the persons up front took off for the back. "Arrangements" were in charge of Al Garruba. (This may sound like an obituary but who knows better than Al that the whole "undertaking" was practically a one man job with an assist from Carl Bertram, Mike Poulos and Bob Ainsley).

Prizes were won by Ted Luginsland and Miriam Weiss with Gilbert Chichester picking the lucky numbers.

SEEN AROUND THE FLOOR:
— Good will ambassador Fred Willard making his customary rounds. . . Carl Bertram, Vice President in charge of the kitchen, dishing out the victuals. . . Val Mihic cutting up a mean rug. . . Hughie Blades and his Mrs. celebrating their Anniversary. Sorry we neglected to make a public announcement from the floor by making it now Hughie, we are telling it to six thousand readers of the Mid Island Herald. Good coverage, eh Hughie? . . . Betty Taverna trying to catch Commander Jim for a do-or-die dance. . . Al Garruba taking five from his chores to visit- table of his Mrs. . . And last but not least we salute all those who felt no pain.

Also present and enjoying themselves were Mr. and Mrs. Jack Strong, Mr. and Mrs. Tony Fina-

more, Mr. and Mrs. Bruce Enaley, Mr. and Mrs. Mike Kalinsky, and Mr. and Mrs. Tom Drymalski. We hope the evening was a pleasant one. On behalf of the Commander and his officers we wish to thank each and every one of you for attending and participating in

the celebration of the Post's 25th Anniversary. See you next week with a more serious column. In the interim, I expect to be indoctrinated in the art of chain smoking and pacing hospital corridors in anticipation of a blessed event.

STREET OF MANY LAKES
Bethpage is a neat, well-kept town and people are proud of their homes, schools and municipal buildings. But any visitor arriving by train certainly gets another picture. The "street of a thousand lakes" which borders the LIRR from Broadway to Stewart Ave. is a disgrace. It is a definite hazard to a driver and a clean suit on a haggard commuter doesn't stand a chance. Maybe something should be done about this immediate problem rather than concentrating too much on long range problems.

Home Bureau Unit Sets First Meeting

The first meeting of the newly organized Bethpage Home Bureau will be held Wednesday, Apr. 15, at the Broadway School at 8 P.M. A group of 22 women have designated their interest in the formation of a Home Bureau branch here.

A representative of the Nassau County Home Bureau headquarters in Mineola will be present to discuss a schedule of classes and organization procedure. Temporary co-chairmen are Mrs. Robert Butler of 16 Meade Ave and Mrs. Erica Kirschner of 49 Cheshire St., Bethpage.

Membership is open to all women in the community.

Set One Day Push April 19

(Continued from Page 1)
those interested.

"The government of Hicksville today is so complicated that it is unbelievable," Roman stated. "Purpose of an incorporated village is to simplify—and thru simplicity to reduce costs. Nassau County found it necessary a dozen years ago to modernize and simplify its government. The United States, thru the Hoover Commission, is attempting to modernize and economize. That is exactly what we are attempting to do in our Community.

"Under the present set-up" he continued, "we have a town board of five men, only one of whom is a Hicksville resident. And yet this Board is charged with administration of such vital local Hicksville services as garbage collection and disposal, street lighting, zoning and building controls, parking, parks, building permits, tax col-

lection, public works, etc. Why have these services been put in the kind of direct, local operation they warrant with a local board of trustees.

"We are a community of 35,000 but our government is managed in part at Oyster Bay and part at Mineola. Public hearings and meetings are held on weekday mornings when we can't even attend to express our views.

"The callous disregard for our community in the Joint Levittown District proposition makes it imperative that we return to truly representative local government."

Organize First Baptist Church

HICKSVILLE — Three trustee deacons have been named to the newly organized First Baptist Church of Hicksville, it was announced this week. The trustees are: Clarence Rauter of Underhill Ave., Arthur Williams of Bethpage Rd., and George Mardiros of Queens Village.

Services are held at 11 A.M. on Sundays at the Legion Hall, E. Nicholas St., conducted by the Rev. Edward G. Reinmuth, pastor, of 29 Bittercup Ln., Levittown. A Sunday School is held at 9:45 A.M.

A Missionary Society to the church has been organized and meetings are held on the second and fourth Tuesdays of each month at the homes of the members.

District Staff Wins Acclaim

NEW YORK CITY — The Levittown District of the Metropolitan Life Insurance Co. under the management of John A. Maggioni of 212 W. Market St., Levittown, was the leading district in the Metropolitan territory for the year ending 1952, it was announced this week.

In recognition of the accomplishment, the entire office including three assistant managers, 2 agents and nine clerks will be the guests at a dinner-dance at the Waldorf-Astoria Hotel, here, on Apr. 30. The Levittown District serves Hicksville, Bethpage, Levittown, East Meadow and Farmingdale.

The agents wish to thank all their policy holders for the cooperation they received during the year.

How to Save Money on TV Service!

Avoid Unnecessary Service Calls
By M. BARLOWE

Former Color TV Development Engineer
Telecine Television Corp. TV Instructor
Radio Electronics Institute, Mobile Radio
Institute, Crescent School of Radio & TV

1. Read the instructions that came with your set and make sure you know how to operate it properly.
2. If you get no picture or sound, check to see that the set is plugged in before you call for service. Make sure that the wall outlet is "live" by plugging in a table lamp.
3. Don't tamper with buttons on back of your set unless recommended by manufacturer's instruction sheet. Some of the adjustments require the use of expensive test equipment—simple trouble can suddenly become complex and expensive.
4. Don't place your set close to radiators or any other source of heat. Heat ages parts prematurely.
5. Make sure that the channel selector switch has not been switched to a dead channel when receiving neither picture nor sound.
6. When your set needs professional attention—don't gamble with tinkers. Your television set is a complex and expensive piece of electronic equipment. Check on qualifications and background of the technician and service organization to whom this work is to be entrusted. REMEMBER—your television set is a free ticket to millions of dollars worth of entertainment. It deserves the best in service.

More next week.

Happy birthday to George Rowah. It, of 76 Elm Street, on Friday ... Also—happy birthday to little Pat Stine of Vincent Road.

The Jerry Millers had a brand new baby boy 9 lbs. 2 oz. on Sunday night. His name will be Arthur ... In case you're wondering why the lights were out in the Woodbury Gardens Section on Monday, a wire burned through a cross arm, causing the stoppage.

Constantina Eleni Carcermanous helped us out with a Greek recipe this week. It is for Egg and Lemon soup. 8 c soup stock, 1/2 to 1 c uncooked rice, 3 egg yolks, 1 Tbl cornstarch, 1 cup milk, juice of 1/2 lemon, 1 tbl. melted butter, 1 t chopped parsley, salt and pepper to taste. To make stock: cut 1 1/2 to 2 lbs. lean lamb in pieces, add 2 quarts water, 3 t salt, 4 carrots, 1 onion, 2 potatoes, and one celery root (celeriac) if available. Vegetables should be sliced or cut in pieces before adding. Chicken may be substituted. Simmer until meat is tender, then strain off the stock and chill—Remove fat from stock, measure, and add water to make 8 cups. Heat to boiling. Wash rice and add to hot stock. Cook until rice is tender (about 30 minutes). Mix egg yolks with cornstarch and milk and stir into soup. When the mixture has thickened slightly, remove from heat and stir in lemon juice slowly to avoid curdling. Add butter, chopped parsley, salt, and pepper to soup and serve immediately. Yield: 8 to 12 servings.

A few readers suggested a "Question of the Week" department, and — liking readers we readily accepted. The first question of the week is "Should the husband help with the housework?" Answers were from Bud Fischer of Woodbury Manor and Rosalie Leary of Woodbury Gardens. Bud says, "Let's qualify the question. It sometimes is necessary to do things we normally do not do if the spouse is sick, naturally, but normally—I would help my wife with the dishes and would do heavy work like waxing and moving furniture, etc." Rosalie Leary says, "It all depends upon the situation. I wouldn't like Charlie doing my work unless I was sick. But Charlie always helps with any heavy work I do like re-arranging furniture, fall and spring cleaning etc." If you have a different answer let us know, and phone in questions you might want to ask.

The Foreign Intrigue Dept. Mr. and Mrs. Lee Gleasner from Chicago were entertained with ten other friends at the home of the Sinis's of Hillside Terrace. The Gleasners were fortunate enough to win a trip to Johannesburg, South Africa on the Big Payoff Show. In addition—their hotel bill was paid, and \$200 spending money supplied. They stayed with Sir Robert Stamp. On the way back the plane stopped at Lisbon where they got off to stay in Europe another six weeks on their own. They traveled Spain, Portugal, Italy, France, England, and then flew back home from London. After landing at the airport in New York, eight friends flew in from Chicago to meet them. Further prizes they received were a mink coat, a Kaiser Manhattan — plus watches, luggage, clothing, perfume, costume jewelry, etc. They left for their native Chicago on March 27. Mr. Gleasner is in the insurance business.

Getting down to earth again, Robert Brown of Smith St. had his 8th birthday, celebrating it by inviting Charles Leary, Patrick Bissler, Ronald Roth, Dickie Scheidert, Richard Bittar, and David McGrath.

By HOWARD FINNEGAN

This lull in the sports season is brightened by the news that the Botto Bros. softball team will hold its first workout on the high school grounds Sunday afternoon, April 12.

The information that some action is just around the corner is relayed to us by Lotto Manager Bernie McGunnigle with the added announcement that the workout will also be a tryout session for all interested persons.

It had been rumored that the Botto team would pick and choose to round out its fairly well stocked club but McGunnigle has flung the doors open to any and all comers.

Of course this is an invitation to the newer residents of our community in particular. Those who are interested in top flight softball competition should not hesitate to get down to the high school and introduce themselves to Bernie.

Last season three players from the Levitt section joined the club and their efforts got the Black and White through the injury-riddled days at Rockville Centre.

With the passing of Rockville as a major County League the only important place to play is at Jones Beach and the Hicksville team is set to make a determined effort for the seashore laurels.

The annual waiting and praying period concerning the possibility that Bill Bordiuk will have to play with the Fairchild entry is not on the card for this campaign.

Bordiuk has already decided that if there is a Fairchild club in the beach he will not be on it, so Botto is assured of his services for the dangerous elimination tourney.

Jim Barone also will be pitching and that double barreled mound staff will help considerably.

Another outstanding aid would be the failure of Republic to insure any of its players of 30 years of age.

That would undoubtedly bring Teddy Smith into the fold and the Botto banner would really fly high in Mr. Moses' stadium then.

Smith won the championship of the Rockville league for the local club last year when Bordiuk was ailing and with the both of them on the same team McGunnigle could keep the pitching scorching hot at all times.

With softball moving upon us, talk is getting around to the chances of another town league such as the one the Board of Education staged last year under CHET JAWORSKI.

The reason word on that league is late comes about because the funds for such a purpose must be included in the Annual Budget under the Board's Playground program. In the 1952 season interest ran high in the progress of the league and once it got underway many applications for the loop had to be turned down since the schedule was set and a quarter done with its operations.

So anyone interested in having a club team or a neighborhood team should make the preparations early and be ready for the expected announcement from the School Board that it will continue its fine playground activity of last year.

NW Little League P B C - ing Around Troutout Days Set

Tryouts for the Northwest Little League take place at the Carmen Ave. Field, Westbury, on April 11, 18 and 25, it was announced this week after a meeting attended by 400 parents and youngsters at the Bowling Green school auditorium last Thursday. Farm team managers will be selected after the tryouts.

President Jack Green announced that four minor league teams will be uniformed and sponsored by the Long Island National Bank of Hicksville, American Veterans Committee, group of Pan American pilots and Shoe King Sam, Levittown.

All of last year's regular sponsors have resumed. They are Boqa Bros., Greater Nassau Realty, O'Donnell Movers and professional men of the West Village Green.

Bethpage Ends With Victory

Bethpage basketball team defeated Garden City 45 - 37 to end their season on Friday, Feb. 27.

The victory was the 11th straight for the Jets and was sweet revenge for the 61 - 39 lacing Garden City handed them earlier in the season. The locals took the lead at the outset and were never headed in what was without doubt their best game of the season.

The lead soared to 22 points in the third quarter before Bethpage cleared its bench and enabled the Garden City Fresh to make the score respectable.

If Bethpage was at its best for

Celebrates Birthday

Cinderella Karren was guest of honor at a surprise birthday party held Friday evening at her home, 34 Grove St., Hicksville.

The festive celebrants were: Hedi, Helen, Karren and George Strozak of Leyton Ave.; Pincocchio, Barbara and Woodie Karren of Seymour I.A., all of Hicksville. Host and hostess were Mr. and Mrs. Edward T. Karren.

Although young in years Cinderella, mother of 22 children, kept a close watch of the party-capering guests Pincocchio, a son by a former marriage, caused a bit of tension when he ate up cousin Hedi's hat.

Nine children were unable to attend, being too young to leave the nursery, but then ice cream and meat balls hold little interest for a 3-week-old. You guessed it Cinderella is a Collic and Hedi and Pincocchio also have long noses and four legs.

The last game of the regular season, the team was at its worst in the opening of the North Shore Tournament. Playing without the services of three regulars Tommy Thompson, Joe Cramer and Jack Lynch, they fumbled and stumbled to a 28 - 19 loss to the Westbury Freshmen, the lowest total of the season.

Mike Mignone was elected captain of the team at a meeting held Friday. They will enter in the Junior Varsity competition next year.
