Break Ground Sunday For Lutheran School

HICKSVILLE—When ground breaking takes place this Sunday afternoon at 3:30 o'clock on W. Nicholas St for the new Parish House-School building of Trinity Lutheran Church, a symbolic shovel will be used, according to Rev. Edward H. Stammel, pastor. It has been used for the ground breaking for 10 Lutheran churches since 1920 and has been inscribed with each event. It is the property of St. Paul's Lutheran Church, the Bronx.

The Rev. Prof. Albert E. Meyer, president of Concordia Collegiate Institute, Bronxville, will be guest speaker and deliver a sermonette. The three church choirs will sing. Services will be held indoors in event of rain.

Dr. Curtis to Dedicate School

HICKSVILLE—Dr. Elwood A. Curtis, former School Board president, will be guest speaker this Sunday, May 3, at the dedication of the Fork Lane Elementary School at 3:30. Emil J. Smedy, member of the board, will be in charge of the program for the afternoon. Members of the P-T-A are cooperating in arrangements and the public is cordially invited to be present.

First Library Board Contest

HICKSVILLE—Louise Augustin of South Broadway, member of the board of trustees since the Public Library was established and one of its most ardent supporters, is seeking re-election as a five-year trustee at the annual school meeting next Tuesday night, May 5 at the high school. She is being opposed in the first contest for library trustee in the history of the district by Robert J. Healy of 60 Abbot Lane.

Plans Shaping for Big Bazaar

HICKSVILLE—Another \$100.00 U. S. Bond was awarded as a promptness prize on the \$2500 in bonds to be given away the last night of the gigantic St. Ignatius Church bazaar here on the weekend nights of May 8, 9, 15 and 16. M. Blyman of Bay Ave was the lucky seller of the ticket which was picked at the committee meeting held on Wednesday, April 15.

This monstrous affair sponsored by the United Societies of St. Ignatius Parish, under the direction of Rev. Leo Goggin, will be run for the benefit of the Convent Fund. There will be a variety of booths and a deep freezer with four months supply of food, delivered direct to the home, will be awarded as a door prize. Free prizes will be given away "every hour on the hour." Admission will be free.

A special children's day will be held the following Monday, May 18.

500 MORE PETITIONERS: Home Rule Vote Closer; Signers Top \$8 Million

HICKSVILLE—The margin of property owner signatures needed to bring the question of Home Rule for Hicksville as a village to a general vote was narrowed down to a little over four million dollars this week as the total signed, as represented by assessed value of property, reached \$8,108,000 or 63 per cent of the required amount. Approximately 500 signatures were added to the petition, required by law to be one a vote can take place, during the week.

EMERGENCY extension of neighbor's telephone enabled the Powers family to speak to their POW son, Robert, Saturday night. In the upper window are Mrs. Mary Powers, mother, and sister, Daisy. Quiet Hearing Set for May 19

MINEOLA—Township officials safely set the date and place for a public hearing upon creation of a Joint Levittown District, which opponents claim surrenders "20 per cent of Hicksville" to the control of Levittown and Hempstead Town Board, and took precautions to practically guarantee limited debate and argument.

The hearing will be held in distant Hempstead Town Hall with Oyster Bay and Hempstead boards sitting in joint session on Tuesday morning, May 19. "We don't want this to be a Roman holiday," an unnamed local official commented.

Supervisor Harold Herman made this statement: "The decision will be made, I am certain, not on crowds, but on merits. What members of both Town Boards seek is any additional light which might be shed on the subject—not heat. There has been enough of that already."

The creation of a joint district (Continued on Page 6)

In addition to the continuing door-to-door canvass by workers in 14 election districts, special groups of volunteers will take up stations at local shopping centers this Friday, equipped with loudspeakers. A brief station in front of the A & P store last week brought a number of additional signatures.

The Home Rule Committee, as a public service, also toured some sections on Saturday to remind residents that it was the last day to register for the local school elections.

Lawrence A. Roman, general chairman, and Gerard DeLorme, canvass leaders, met with election

district captains Tuesday night and found excellent progress being made in all areas. They joined district captains in requesting that home owners come to the office at 98 North Hwy. next to post office, if they have not been visited to sign the petition. Roman said there appeared to be "every indication" that the necessary assessment can be enrolled prior to the 80-day limit, self-imposed by the volunteers, if the present progress continues.

Those who wish to have a volunteer call, if they have been missed, are asked to telephone Hicksville 3-1401 and state the most convenient time at which to return the call.

Vote on School Funds, Trustees Next Week

Contests in Hicksville and Plainview highlight the school board elections next week. Bethpage incumbent members Frederick Kramer and Joseph Ellinger are unopposed in a district where personal advance registration is in effect for the first time.

Annual school meetings will take place throughout the state next Tuesday night. At Plainview and Jericho, election of board members take place the same evening. In Hicksville and Bethpage, library trustees are elected on Tuesday night, also.

The Hicksville election takes place at the high school on Wednesday, May 6, between 2 and 10 P.M. There are more than 2,000 persons registered for the election.

Candidates Richard School and Arthur Erlich, with sectional backing from the south section of the district, have not appeared on a speaking platform during the brief campaign which they are waging via handbills. They did not appear at the Hicksville Civic Assoc. meeting, Thursday. Incumbents A. G. Soininen and Allen Carpenter rushed home from a conference of School Boards in Northport to be present together with Freeman Parr and Lloyd Smiley. William Botto was moderator of the

maximum. Allen S. Carpenter of 11 Loretta Lane, candidate for re-election to the school board, made the following statement in his behalf:

"In the year that I have been on the school board considerable progress has been made in solving our problems. The credit is not only due to the present Board but also to those farsighted men who have gone before.

"We have opened five new elementary schools since last September. We have another school of 20 classrooms under construction to be ready for occupancy by Feb., 1954. We are rapidly getting the high school project ready to ask for construction bids. We have reduced 100 per cent double session in our elementary schools, to the kindergarten and first grade.

"We have secured capable principals and an excellent teaching staff for each of our new schools. We have given each and every teacher in our system a \$500 increase in pay for next year. This pay raise will bring the present pay scale to \$3200 per year; minimum with \$200 yearly pay increase to a \$3400

"While doing this," Carpenter points out, "we have held our school tax well below that of most of our surrounding districts. I am in favor, as my past record shows, of providing all the classrooms that our district shall need for the adequate education of our children.

"With the help of the Citizens' Advisory Committee, the P-T-A groups, and other civic-minded people, the board can continue towards an adequate and economical solution to our problems.

"I cannot promise to solve all our problems nor to please all the people—but I do promise to continue to make my board decisions (1) on the basis of the educational welfare of the children; (2) considering the good of the entire district rather than catering to special interest groups; and (3) with a definite effort to get the very most for the children and the district out of every tax dollar."

LOUIS AND EUGENE STEPKOWSKI, twin sons of Mr. and Mrs. Louis Stepkowski, 52 E. Cherry St., Hicksville, are stationed in Korea and recently attended Mass which Father STEPHEN STOLZ, also of Hicksville, celebrated.

Every fisherman will want a copy of the new Brown-Farman's 1953 Fishing Almanac which is now available, without charge, at SAUSMER'S HARDWARE. . . . Word has gone out, we are told, that the NLHOA shouldn't "lay off" public opposition to the present home rule movement. The theory is, we are told, that for them to oppose the movement—which they are determined to do—in print would only help the cause. . . . There were 6,287 claims for unemployment insurance benefits filed in Nassau-Suffolk area during the week ending Apr. 17 compared with 8,615 the previous week. . . . This paragraph in an article in the Sunday News, commenting upon the rising school tax rates on Long Island, has certain people fuming: "The tax goes higher every year with the banking of Parent-Teacher Associations, the school lobby of all communities that has practically discouraged any opposition from rank and file property owners who foot the bills. The PTA endorses one candidate for school trustee and all others are smoked out." The author of that piece is probably headed for the storm cellar. . . . At least two New York newspapers claimed that they were the first to locate the family of released PW ROBERT J. POWERS, Jr., of 116 Dean St. Hicksville, Friday. The first announcement on radio and TV gave the street as "Diane". One of the papers called the Herald office on Friday and wanted to know "who did get to the family first with the news?"

TYRONE POWER, movie star and a Marine Reserve Captain, is scheduled to be on the front steps of the Old Courthouse, Mineola on Saturday morning, May 2, at 11 o'clock and participate in a Marine Corps program along with County Exec. A. HOLLY PATTERSON. . . . Sgt SIDNEY MARTIN of Bethpage will be guest speaker tonight (Thursday) at the final campaign meeting of the Red Cross at the Chapter House, Mineola. The fund up to tonight is at 81.5 per cent of its goal in the county. . . .

OFF SOUTH BROADWAY:
School Election on Wednesday

By BUNNY LAUER
Hicksville 3-2784-J.

Congratulations, lots of luck and best wishes to none other than myself. Yes, I finally have done it! I have received my driving license after my second road test. Better keep your car, kids, and pets off the road for a while because, honest, I am more nervous now with the license than before it. Am just scared out of my wits at left turns in busy intersections and still don't know if I'm in first or third.

One thing I'll be pretty sure is never to allow my license to lapse. I'd rather die than go through the nervous tension of another road test. Had a wonderful inspector, bless him. Might not be that fortunate again. Next, I must learn to ride a two wheeler without the training wheels. Wonder if that will be possible?

Hope each and everyone of you registered Saturday or before. Now for goodness sake, don't forget to vote. Be thankful that your vote will be in Hicksville and that the majority will rule. The boys from Oyster Bay or Hempstead can't tell us who shall be on our school board or a thing about our school budget — even though they would like to.

Shellie and Steve Lauer spent Saturday visiting Grandma and Grandpa in the Bronx. Oh yes, they let Mommie and Daddy go along, someone had to drive the car!

Mr. and Mrs. Harold Smith of the Bronx celebrated their 35th wedding anniversary at a surprise party given for them by their daughter, Mrs. William Ward of Garden Blvd. in her home, Saturday. Guests were: Mr. and Mrs. Charles Jefferson of Detroit, Mich. who were maid of honor and bestman at the Smith wedding 35 years ago. Mr. and Mrs. Harold Smith, Jr. and children, Harriette and Irene of the Bronx, Mr. and Mrs. James Ward, and Mr. and Mrs. Henry Altman.

Lillian served a wonderful turkey dinner. The decorations consisted of white streamers and wedding bells. The happy couple received many very beautiful gifts. A wonderful time was had by all. We are looking forward to their 50th anniversary.

The Roths of Dean St. spent the week-end visiting in Brooklyn with old friends and neighbors.

Didn't Sunday turn out to be a wonderful day after that early rain? Well, if you want the things you love, you must have showers. We went to the Bronx in the afternoon to take mom home and the traffic was terrific.

Card of Thanks
Mr. and Mrs. Edward Buckhart wishes to thank all their friends and relations, the Hicksville and Levittown fire departments and the Police for the wonderful help they gave at the time most needed.

Choral Society to Give 30th Concert on May 8

GARDEN CITY — The Hicksville Choral Society will give its 30th Annual Concert in the Georgian Room in the Garden City Hotel on Friday evening, May 8 at 8:30 under the direction of its founder and conductor, Mrs. Elwood A. Curtiss of 100 West Nicholas St., Hicksville.

This year the Choral will be assisted by Howard Orton Wood, Organist and Composer of Jamaica, N. Y. and The Chamber Music Society of Hicksville, Evelyn Dumont Wuelker, Director. This group will appear by the courtesy of the Adult Education Program.

The Choral Society is a group of 45 mixed voices. They are somewhat unusual, in that, no one connected with the group receives any money for his or her services. They sing because they love to sing. Long ago they took as their motto, "A Singing Community is a Happy Community."

Over the years the Choral has given many benefit concerts for worthy community projects such as Scouting, American Legion, Civic organizations, Red Cross, Patriotic celebration and the like. They consider their most outstanding contribution to be the Memorial Clock in the tower of the present High School building, placed there in memory of the boys lost in World War I.

The Choral has sung over two major radio networks, at the Waldorf Astoria Hotel, Carnegie Hall, Hollis, Lynbrook, Oyster Bay, Farmingdale and other nearby villages.

Admission to the concert is by invitation but any lover of music is invited and welcome to come. Mrs. Mildred Morrell is the accompanist for the Choral.

PLAINVIEW VAMP REPORT: Spring Clean-Up Starts May 3

The week of May 3rd to May 9th has been designated as Spring Clean-Up week by the County Fire Commission.

The annual report of the Fire Commission for the year of 1952 indicates that many fires were caused by "poor housekeeping involving accumulations of useless, combustible materials, particularly in attics, cellars, and other storage places."

The Commission feels that with the cooperation of the general public in the Spring Clean-Up Campaign much of the damage by fire from these sources could be eliminated and has asked the fire departments of the County to inform the public of this coming campaign.

berger and his orchestra supplied the music for the dance and the pupils of the Swoboda dancing school entertained with acrobatic and tap dance numbers.

The door prize was won by Bob Treanman of Old Country Rd. The raffle awards were won by Katherine Morris of Washington Ave., who took first prize; Henry Froelich, Jr., of Round Swamp Rd. and Walter Dugan of Reids Street, who were awarded second and third prizes, respectively.

TEENERS CLUBS That Racket Is Just Music

We'd like to congratulate the Volunteer Fire Dept. on the success of their Annual Spring Dance. From the looks of things a good time was had by all!

The Teener's Club is going to try out a new idea. From 7 o'clock to 9 o'clock on Friday night there will be a sports program on the school playground. After 9 o'clock there will be dancing inside the school. So all of you sports-minded people come on down and use up

some of that energy.

There's been some talk of a Memorial Day dance sponsored by the Teener's Club, but since there is nothing definite on that we'll give you the information as soon as we hear about it.

If you folks hear a lot of noise don't think anything is blowing up or exploding, it's just the Teener's Fire and Drum Corps practicing. They haven't started yet, but they will be starting soon.

Well that's all for this week, we'll be seeing you soon. If there is anything any of the kids want to know about the club we would be glad to tell you if you'll just ask one of our members. So long till next week.

START SAVING NOW!

That's good advice for anyone! And we think you'll enjoy our friendly personal service. You'll enjoy the security that comes with an account too! Come in!

PLAINVIEW COUNTRY HOMES Civic Assoc Has Nominations

By RAE CANTILLI

Well, this past week has been a pretty hectic one. In our home, gardening has become a household word. That green stuff called grass either comes up too fast, and therefore has to be cut with a great deal of effort, or it refuses to come up and require digging, rolling, seeding etc. There is no happy medium.

The Civic Assn. meeting was the center of a lot of activity. The nominating committee headed by Tom Payne of Island St. turned in the following slate of officers and directors: President, Norman Riley; Vice-President, Don Ranscott; Corresponding Secretary, Jack Gliberg; Recording Secretary, Rae Cantilli; Treasurer, Fred Baum.

Directors to be elected for two year terms: Luke Farley, Joe Branca, Nick Camerano and Leo Hammer. The other four direc-

tors whose terms do not expire until next year are Peter McIntosh, Leo Benson, John Dowling and Joe Segal.

The Civic Assn. Stag Party to be held tonight (April 30) at the Hicksville Legion Hall promises to be a swell time for all the men to get together. Card games and just plain chit-chat will be the highlight of the evening. Prizes are to be awarded as part of the amusement of the evening. I will let you know next issue what went on thru Mr. Riley (since I'm a goil, I am not included).

At the Civic Assn. meeting the candidates for the School Board were introduced. Herman Williams, incumbent, spoke on his three years service to the School District which speaks for itself. Ed Callahan who is running in opposition, has many good ideas in mind if he is elected. Creswell Delamain, who was appointed to the Board a few months ago to fill an expired term, is running for this office. In the few short months that he has worked on the school board he has shown that he is a very able addition to the Board.

Mr. Kunz, who I understand is also running for the same office, was not present, so I am not able to make a statement of any kind.

In these times of crowded conditions and serious money problems, it is so important that we know each member of our School Board and feel certain, in our minds, that they are the best people to handle these problems. The election takes place next Tuesday night, May 5, at Mannelto Hill School.

Plainview Volunteer Fire Co's Spring Dance was held Saturday night. In the opinion of many, it was more than just a successful dance, it was a mighty terrific one. In my opinion, it was the best dance that we have had in Plainview so far. Music was by Val Himber and his band with the floor show given by a group of extremely talented young people from the Swoboda Dance Studios. The new addition of the firehouse was open and there was more than plenty of room for dancing and tables. There was plenty to eat and drink and everyone certainly made merry. Credit goes to Assistant Chief Harry Zimmer and his very capable Entertainment Committee, and to all the firemen who worked so hard to make this dance a success. All the money made on the dance goes to making the Fire Department grow and meet the needs of the community.

Winner of the drawing of the Basket of Cheer was Kathryn Morfis of Washington Ave, Plainview. Since the spelling of the name wasn't too clear, the number was #6324. Winner of the Toastmaster was #1136, Henry Froelich, Jr. of Huntington. Winner of the Scotch-cooler #1296 was Walter J. Dugan, 10 Relda St., Plainview, in our own development. There were many familiar faces from our development.

At our table were Bill and Shirley Davidson and Ralph and Lil Iversen of Island St., Roy Lund from Massapequa Park and a very lovely couple from Briar Park, whose last name I couldn't remember (I apologize), J. C. Allen was also a member of our party.

That Ralph and Lil Iversen sure can dance real purty. M. Allen charmed everyone with his waltzing technique. Flo and Sonny Myrick of Island St. were seen tripping the light fantasy. Flo, by the way, led the Conga Line, which

Over in the corner at one of the tables I spied Bob and Ethel Geigmetter of Island St. Tom and Ginny Payne of Island St. were really doing a real mean Lindy.

Wandering around and having a good time were the Korden of Vernon St. These were just a few of the people from around the Plainview Country Homes. I apologize to anyone else from here that were present and is not named.

This past week, I got one more volunteer to help with the Cancer Fund. Mrs. O'Connor of Vernon St. very graciously offered to help. If anyone from Sunrise, Blanche or Wendell would like to help do their streets, I would appreciate it. Then the entire Plainview Country Homes development will be covered. If you haven't contributed and would like to do so, please give me a call and I'll be glad to call at your home or if you like, send me a check or send the amount any way you wish. This is indeed an important drive. See you next week!

Vote For Smiley And Carpenter

By Fred J. Noeth

VOTERS OF Hicksville School District who took the trouble to protect their right and registered as of last Saturday will make their decision next Wednesday, May 6, between the hours of 2 and 10 P.M. They will elect two men to the Board of Education for respective terms of three years.

There are six announced candidates for the two vacancies. We believe that Allen S. Carpenter and Lloyd G. Smiley are worthy of the support of the voters at the polls. We supported the candidacy of Mr. Carpenter last year when he was a candidate to succeed himself. During the 12 months he has repeatedly demonstrated his willingness to face the issues and let his attitude and opinions be known. He has worked in close harmony with the Citizens' Advisory Committee on Education in the development of public interest in the important high school project and has not spared himself in the execution of what he considers his duty and obligation to the community.

Mr. Carpenter has not always endeared himself to certain groups and individuals because of his willingness to debate an issue. However, his straight forward approach, without subterfuge and evasion, is to be commended. Even his critics cannot challenge his determination to do the best job possible as he sees it.

We only wish we could say as much for some of the other candidates for election. Arthur Eirich and Richard Schoel are totally unknown to us and most of the people of the district. Opinion of them must be based exclusively upon their handbills and news releases. An opportunity to present their views in an open meeting last Thursday night was available but not taken advantage of.

Regarding these two men we have the uncomfortable feeling that we heard their story before—and the last time the words were coming out of the press releases of a previous, twice unsuccessful candidate. Their campaign literature follows the somewhat unbelievable line "why not build and build? We don't have to pay the bills". The impression is given that some magical arrangement will provide us with everything but we won't have to pay anything.

A. G. Soininen, who was appointed to the Board in January, and Freeman Parr, on the other hand find no vital issues to discuss in their plea for election.

Lloyd G. Smiley, whom we recommend for election along with Mr. Carpenter, has firmly stated his convictions and intentions if elected. While a newcomer, he has made it plain that he is willing and able to serve. He has made personal contacts in all areas of the district. While we do not advocate the election of candidates as "sectional representatives", we do believe that the fast developing north east section of our large school district area should be encouraged to have a neighbor on the School Board.

We call the attention of our readers to the expressions of the various candidates as are published in this issue.

We also wish to strongly urge the united effort of all to re-elect Louise Augustin to the Library Board. The Library trustee election takes place on Tuesday night, May 5, at the high school in conjunction with the annual meeting.

You should attend that meeting, Tuesday, no matter where you live. It is the one opportunity of the year to find out where your tax dollar is being spent and how much your local school program will cost next year.

Views of Board Candidates

(Continued from Page 1)
didacy for re-election to the Board:

"Since my appointment to the School Board late in January, I have served our whole community diligently and faithfully. I have used my best judgment and ability in all the varied and sometimes complex problems that have confronted your School Board. I came to the School Board at a time when numerous important projects were being decided. I have learned many things in this short time. I do not claim to be an 'expert' school board official; but this I can assure the people — I will continue to learn and absorb a lot more.

"The School Board has had a lot of problems in the past, but our real headaches lie ahead in the next three years. Our school population (children) have doubled since Sept. 1950 so that as of the end of Feb. 1953 we have approximately 5,250 children in our school system. Best estimates of the experts indicate a child population of over 10,000 in our school system by 1956.

"My ability to face tremendous problems such as we will have in the future have been tested in the business world". Soininen stated. "I am a Senior Accountant for the Esso Shopping Co., affiliate of the largest oil company in the U.S. — The Standard Oil Co. (N.J.), where I have been employed for the past 10 years. I have served Hicksville since coming here 4 1/2 years ago. I am a Board member of a local church, presently serving as finance chairman. I have been active with the Boy Scouts, currently serving as a committeeman for the Cub Scouts.

"I believe, if elected I can be helpful to your School Board." Freeman L. Parr, of 11 Charles St., Hicksville, made this statement regarding his candidacy:

"As a civic service I ask that I may be allowed to serve on our school board. By offering my services I hope that in the future more businessmen will see fit to serve their community.

"The problems now facing the Board require trained businessmen with the character of individual thought.

"While there are always sponsors of any candidate, I would like to represent all of the people. My business training of the past 25 years would be of help. My personal training in a school culture would be valuable in securing proper landscaping for the new schools. My advice on the maintenance of grounds would be of great help."

Lloyd G. Smiley of 74 Wellesly Lane made the following statement in behalf of his candidacy:

"I consider the most important issues in our district the matter of attorney's fees, transportation, teacher salaries and promotions and adequate pupil stations and classrooms.

"Regarding attorney fees I feel that since it has been shown that the average fee paid attorneys is 4%, there hardly appears to be justification for the arrangement in our district to pay 1%, and I will seek a rate of 4% or less.

"On transportation, I believe it should be sufficient to prove for 100% safety of our children. If study discloses, as it has in some districts, that the operation of district-owned buses is more economical, I will strive to have such operation put into effect.

"Regarding salaries, I believe that the scale in Hicksville, should be comparable with the scale for other districts in the county. I also believe that first consideration should be given to the qualified members of our own faculty when vacancies take place or new positions of leadership are open.

"I also believe that our district should build to the point where, the best available information being considered, we will have adequate space for the needs of our children and when the 'levelling-off' period arrives will guarantee every student a full day session in all areas of the district. As soon as practi-

able, we must build to have enough pupil stations and classrooms to meet the needs of the community; however, I do not advocate over building as to provide an unnecessary tax burden."

Members of the Citizens' Committee for the election of Smiley to the Board of Education were named this week. They include: Kurt Mailer, John Larking, Paul Navarra, Jack Onken, William Rogan, Frank Blank, Craig Walsh, Stanley Mruz, Harry Woodruff, Marjorie Gianelli, Thomas Hogan, Walter Werner, William L. Geyer, Guy Smith, Kay Vandermerl, George Kunz, William Olitsky, Florence Vryn and Thomas Costello.

Arthur Eirich of 12 Elmwood Ave. and Richard G. Schoel of 25 Hope Lane, candidates who are running as a slate made this statement:

"First on our platform is a pledge, without any qualifications or dodges, to fight vigorously and effectively for speedy action on the school building program as outlined by the Columbia University survey. Our opponents are full of fears and fog on this all-important question, fears that our community will disappear tomorrow and fog about how to take care of our children. These children are here now and classrooms must be provided for them. The Columbia survey was paid for by this community, presumably because the experts at the University could tell us something. We believe that we should take advantage of the expert counsel and advice we have obtained and carry out the school building program as recommended, and at once."

They said their platform includes the following: 1. Immediate action on the school building program. 2. Full-time schooling for all children. 3. Elimination of over-crowding of classes. 4. Maintaining transportation at present level so long as necessary. 5. Improvement of school-community relations.

"We believe that the school board should take the people into its confidence." Eirich and Schoel added. "We shall press for a public information program that will really keep our District 17 residents informed. Better understanding can be developed between the schools—and this means the teachers—and the principals—and the community, if the school board gives leadership by strengthening public participation in school affairs. This will be our goal as board members."

Eirich-Schoel candidacies are supported by The Parents Committee for the Election of Eirich and Schoel.

The Legionnaire

Charles Wagner Post No. 421, American Legion

Army Nick, was a special. The Army put on a fine show and good food and the Navy turned out in force to enjoy and participate in the goings on. High light of the evening was "The Adversary of Sad Sack", a skit depicting some of the trials of Sad Sack from the draft notice to his capture, of Hitler.

Not being a drama critic we thought the show was pretty good, with its spontaneity increased, no doubt, by the fact that most of the rehearsing was done an hour before presentation and many lines crept in that didn't appear in the script; what script there was that is.

Star performer was John Spinella as Sad Sack, ably supported in the main by Walter Coane, Walter Barnett, Jim Carter and Jerry Kennedy.

The Cast of "Characters":

Sad Sack _____ John Spinella
Lt. Hardack _____ Walter Coane
First Sgt. _____ Walter Barnett
Doctor _____ Jim Carter
P.F.C. _____ Jerry Kennedy
A. Hitler _____ Richard Evers
Officer Candidate _____ Robert Mangels
Draft Board _____ Carmen Dimarzo and Roy Willcott

Draftees — Bert Nessel and Ed Becker
Others who contributed their time to the evening were the men in the kitchen— Ed Hedkisson and Ray Morache—who turned out the chow Army style except that it was tasty.

Best practical joke of the night was by Ed Becker, Ed Hedkisson and Ray Morache when Ed rushed up to Spinella, chairman of the entire evening, and asked where he could buy 15 pounds of

chopped meat in a hurry. Becker convinced John that the kitchen crew had grabbed the bottle of ammonia instead of the olive oil and ruined a full pan of meat Spinella's hair was turning gray as he raced upstairs.

The baseball season is with us which brings to light a situation which must not be allowed to continue.

The Police Boys Club expects to field 10 to 12 teams in Hicksville this year; however, because the few active sponsors are already overloaded and in most cases do not have the daylight hours to devote to coaching, most of these teams will lack direction. This means haphazard team organization, hence poorer baseball and less player interest.

The boys, who range from 10 through 18 years and play in three different age groups, want coaches or managers. Therefore we ask any of our male readers, 18 years or over, who have any free hours between 9 A.M. and 9 P.M. on one or more weekdays and who like to see boys play ball, to call P.B.C. President Fred Birk at HI 3-1145 between 9 A.M. and 6 P.M. or HI 3-2544 after 6 P.M.

The P.B.C. does not expect experts, just men who like baseball and boys. You are being asked to coach baseball only and are not expected to take part in other club activities unless you so desire.

So come on Legionnaires and friends of the Legion—step up and contribute some of your time to the young citizens of Hicksville!

Attention all Auxiliary members—Don't miss the May meeting. We hear sensational developments are due that shouldn't be missed. . . . If you thought last week's column ended abruptly your right. Must have been space editing which deleted references to the Auxiliary, Jim Carters singing, Chic Jabours recovery, Nick Harter explanation of the Legion Emblem plus other odds 'n' ends. . . .

HICKSVILLE GABLES:

Backing Soinenen, Carpenter

By RUTH SCHULZ
Hicksville, 3-2548-R

This past week brought the stork flying down here to 28 Gables Rd., to pay Bill and Dottie Jakabek another visit. The old bird left a boy this time, Bill, Jr., who weighed in at 8 lbs. on April 24 at Mercy Hospital. Arriving home he was greeted joyously by his two new sisters, Doreen and Ellen. Congratulations to all this happy family.

A word about the coming elections for two new School Board members: Voting takes place on May 6, at the High School from 2 to 9 P.M. There are six candidates for the two vacancies, and I'm taking this opportunity to wholeheartedly endorse Alan Carpenter and Adolph Soinenen. Mr. Carpenter, I'm sure you'll all remember voting for a year ago, and I guess many of you know Ott Soinenen personally, as he is a Hicksville, Gables resident. Both of these gentlemen have the necessary qualifications and have already had the opportu-

ity to prove their worth by serving on this board.

Believe me, this is a tough job to fulfill, the many hours put into it, trying to do the best for all concerned, and remember, this is a non-paying position. If any of you need transportation to the High School, give me a ring. Don't forget the date, May 6.

Did you know the new Krug driver is a resident of these parts? Didn't catch the name, but he lives over on Plainview Rd.

Our birthday list this week includes Loretta "Cissie" Wilson, who was 17 years old on Apr. 20. She is the daughter of Mr. and Mrs. George Wilson of 24 Gables Rd., and Cissie has become, to me, like an extra right arm. What I would do without her cheerful help, I don't know.

One of the six sons of Mr. and Mrs. Arthur Baldwin of 13 Gables Rd., Stanley Baldwin, was seven years old on Apr. 21. A family party in this household is quite a

HICKSVILLE—Election of officers and a board of directors of the new Chamber of Commerce will take place on Monday night, May 11 at a meeting in the Legion Hall, E. Nicholas St., according to William M. Payoski, acting secretary.

gathering in itself.

Fred Schelp of 25 Gables Rd., celebrated his birthday on Apr. 22, with a quiet family dinner, complete with cake and candles.

On Apr. 16, Mr. and Mrs. John Parker of 11 Gables Rd. celebrated

their 8th year of wedded bliss. John was off flying about, as usual. As Gerry says, he always manages to be out of town when something comes up.

With one of you gals would consider taking over this column for me while I am out of town this summer. Let me know if you are interested. Also sorry to skip a week now and then, as I've been doing, but things do pile up, and time seems to fly by.

Our sincerest sympathy is extended to Patrick McEneaney on the recent loss of his brother.

HILLSIDE TERRACE CIVICS: Contests Ahead in Civic Vote

The sectional representatives at a nominating committee Thursday, April 23, and the following were nominated: For President—Gerald DeLorme, 134 Dartmouth Drive; Ed Hardy, 138 Haverford Rd. For Vice-President—Fred Nriber, 18 Wellesly Lane, Michael Mullery, Dartmouth Drive. For Treasurer—Edward Thomas, 60 Vassar Lane; Arthur Cayle, 145 Haverford Rd. For Recording Secretary—Barbara Altman, 68 Hollins Rd.; Claire Lynch, 41 Wellesly Lane. For Financial Secretary—Louise Fisher, 141 Dartmouth Drive; and Joseph Huddy Cambridge Rd.

Additional nominations can be made from the floor.

Elections for these offices will be held at the meeting of the Association on Wednesday, May 13 at East St. School at 8 P.M. sharp. Only paid up members in good standing can vote. New Members will be accepted at the start of the meeting and will be permitted to vote in the elections.

Speaking of elections, Lloyd Smiley of 74 Wellesly Lane, Hillside Terrace, is running for election to the Board of Education. It's interesting to note that Lloyd, an MIT man by the way, is the only candidate from the North East section of Hicksville. The school election will be held on Wednesday, May 6, from 2 to 10 P.M. at the High School.

Mildred Mullery is organizing a committee for the Cancer Crusade. This worthy cause, of which much has been said and written, deserves the whole-hearted support of everyone. Persons interested, and we all should be, should get in touch with Mrs. Mullery. Volunteers are needed for Hill-

side Terrace Civic Assoc. committees, too. Vacancies exist on committees such as Ways and Means, Membership, Program. Next meeting, be prepared to join a committee.

We erred in our item regarding the disposition of the Huffer House on Vassar Lane. No final arrangements have been made. Membership is still less than 100.

The Legionnaire

Charles Wagner Post No. 421, American Legion

Army Nite was a special. The Army put on a fine show and good food and the Navy turned out in force to enjoy and participate in the goings on. High light of the evening was "The Advantages of Sad Sack", a skit depicting some of the trials of Sad Sack, from the draft notice to his capture, of Hitler.

Not being a drama critic we thought the show was pretty good, with its spontaneity increased, no doubt, by the fact that most of the rehearsing was done an hour before presentation and many lines crept in that didn't appear in the script; what script there was that is.

Star performer was John Spinella as Sad Sack, ably supported in the main by Walter Coane, Walter Barnett, Jim Carter and Jerry Kennedy.

The Cast of "Characters":
 Sad Sack — John Spinella
 Lt. Hardtack — Walter Coane
 First Sgt. — Walter Barnett
 Doctor — Jim Carter
 P.F.C. — Jerry Kennedy
 A. Hitler — Richard Evers
 Officer Candidate — Robert Mangels
 Draft Board — Carmen Dimarzo and Roy Willcott

Draftees — Bert Nessel and Ed Becker
 Others who contributed their time to the evening were the men in the kitchen— Ed Hedkinson and Ray Morache—who turned out the chow Army style except that it was tasty.

Best practical joke of the night was by Ed Becker, Ed Hedkinson and Ray Morache when Ed rushed up to Spinella, chairman of the entire evening, and asked where he could buy 15 pounds of

chopped meat in a hurry, Becker convinced John that the kitchen crew had grabbed the bottle of ammonia instead of the olive oil and ruined a full pan of meat. Spinella's hair was turning gray as he roared upstairs.

The baseball season is with us which brings to light a situation which must not be allowed to continue.

The Police Boys Club expects to field 10 to 12 teams in Hicksville this year; however, because the few active sponsors are already overloaded and in most cases do not have the daylight hours to devote to coaching, most of these teams will lack direction. This means haphazard team organization, hence poorer baseball and less player interest.

The boys, who range from 10 through 18 years and play in three different age groups, want coaches or managers. Therefore we ask any of our male readers, 18 years or over, who have any free hours between 9 A.M. and 9 P.M. on one or more weekdays and who like to see boys play ball, to call P.B.C. President Fred Birch at HI 3-1145 between 8 A.M. and 6 P.M. or HI 3-2544 after 6 P.M. The P.B.C. does not expect experts, just men who like baseball and boys. You are being asked to coach baseball only and are not expected to take part in other club activities unless you so desire.

So come on Legionnaires and friends of the Legion—step up and contribute some of your time to the young citizens of Hicksville!

Attention all Auxiliary members—"Don't miss the May meeting. We hear sensational developments are due that shouldn't be missed. . . . If you thought last week's column ended abruptly your right. Must have been space editing which deleted references to the Auxiliary, Jim Carter's singing, Chic Jabours recovery, Nick Harter explanation of the Legion Emblem plus other odds 'n' ends. . . .

HICKSVILLE GABLES:

Backing Soinenen, Carpenter

By RUTH SCHULZ
Hicksville, 3-2549-R

This past week brought the stork flying down here to 28 Gables Rd., to pay Bill and Dottie Jakabek another visit. The old bird left a boy this time, Bill, Jr., who weighed in at 8 lbs. on April 24 at Mercy Hospital. Arriving home he was greeted joyously by his two new sisters, Doreen and Ellen. Congratulations to all this happy family.

A word about the coming elections for two new School Board members: Voting takes place on May 6, at the High School from 2 to 9 P.M. There are six candidates for the two vacancies, and I'm taking this opportunity to wholeheartedly endorse Alan Carpenter and Adolph Soinenen. Mr. Carpenter, I'm sure you'll all remember voting for a year ago, and I guess many of you know Ott Soinenen personally, as he is a Hicksville Gables resident. Both of these gentlemen have the necessary qualifications and have already had the opportu-

ity to prove their worth by serving on this board.

Believe me, this is a tough job to fulfill, the many hours put into it, trying to do the best for all concerned, and remember, this is a non-paying position. If any of you need transportation to the High School, give me a ring. Don't forget the date, May 6.

Did you know the new Krug driver is a resident of these parts? Didn't catch the name, but he lives over on Plainview Rd.

Our birthday list this week includes Loretta, "Cissie" Wilson, who was 17 years old on Apr. 20. She is the daughter of Mr. and Mrs. George Wilson of 24 Gables Rd., and Cissie has become, to me, like an extra right arm. What I would do without her cheerful help, I don't know.

One of the six sons of Mr. and Mrs. Arthur Baldwin of 13 Gables Rd., Stanley Baldwin, was seven years old on Apr. 21. A family party in this household is quite a

Chamber to Elect

HICKSVILLE—Election of officers and a board of directors of the new Chamber of Commerce will take place on Monday night, May 11 at a meeting in the Legion Hall, E. Nicholas St., according to William M. Payoski, acting secretary.

Fred Schelp of 25 Gables Rd., celebrated his birthday on Apr. 22, with a quiet family dinner, complete with cake and candles.

On Apr. 16, Mr. and Mrs. John Parker of 11 Gables Rd. celebrated

their 8th year of wedded bliss. John was off flying about, as usual. As Gerry says, he always manages to be out of town when something comes up.

Wish one of you gals would consider taking over this column for me while I am out of town this summer. Let me know if you are interested. Also sorry to skip a week now and then, as I've been doing, but things do pile up, and time seems to fly by.

Our sincerest sympathy is extended to Patrick Mettice on the recent loss of his brother.

HILLSIDE TERRACE CIVICS: Contests Ahead in Civic Vote

The sectional representatives met as a nominating committee Thursday, April 23, and the following were nominated: For President—Gerald DeLorme, 134 Dartmouth Drive; Ed Hardy, 138 Haverford Rd. For Vice-President—Fred Neiber, 18 Wellesly Lane, Michael Mullery, Dartmouth Drive. For Treasurer—Edward Thines, 50 Vassar Lane; Arthur Coyle, 145 Haverford Rd. For Recording Secretary—Barbara Altman, 58 Hollins Rd.; Claire Lynch, 41 Wellesly Lane. For Financial Secretary—Louise Fisher, 141 Dartmouth Drive; and Joseph Huddy Cambridge Rd.

Additional nominations can be made from the floor.

Elections for these offices will be held at the meeting of the Association on Wednesday, May 13 at East St. School at 8 P.M. sharp. Only paid up members in good standing can vote. New Members will be accepted at the start of the meeting and will be permitted to vote in the elections.

Speaking of elections, Lloyd Smiley of 74 Wellesly Lane, Hillside Terrace, is running for election to the Board of Education. It's interesting to note that Lloyd, an MIT man by the way, is the only candidate from the North East section of Hicksville. The school election will be held on Wednesday, May 6, from 2 to 10 P.M. at the High School.

Mildred Mullery is organizing a committee for the Cancer Crusade. This worthy cause, of which much has been said and written, deserves the whole-hearted support of everyone. Persons interested, and we all should be, should get in touch with Mrs. Mullery.

Volunteers are needed for Hill-

side Terrace Civic Assoc. committees, too. Vacancies exist on committees such as Ways and Means, Membership, Program. Next meeting, be prepared to join a committee.

We erred in our item regarding the disposition of the Huffer House on Vassar Lane. No final arrangements have been made.

Membership is still less than 100

ALONG WOODBURY ROAD:

Word About School Candidates

By GENE MALJEAN
Hicksville 3-3515

May and I arrived just under the line for registration Saturday night, and were quite lucky that the high school was not too crowd-

ed. I hope by now everybody is familiar with all of the fine candidates for the two posts that are open. The Herald has been publishing data to further your information on the subject.

I did have occasion to converse with some of the candidates, Allan Carpenter was telling me of the strides the board has taken in meeting a difficult situation since 1950, when there were less than 1800 children in classes from kindergarten to 6th grade. In 1951 wings were added to the East St. School to provide more room for the growing number: 3095.

He informed me that, when the number reached 4458 in 1952, there were schools erected and more being erected including Fork Lane, Old Country Road, Burns Ave., Lee Ave., and Dutch Lane Schools. 1953 will see a probable 5000 children, and Woodland Ave. School will aid us there.

We now have 138 classes and need 154 by fall he said. We will have 163 classes by September, and with Woodland Ave. School we will attain 193 classes. Mr. Carpenter also informs me that we have full five hour days for children in the second to sixth grades and for high school students.

I asked Adolph Soininen if he could tell me of his qualifications for the post which he now holds on the board, and his reply was that he believed his background in finance and accounting, plus his civic and school experience will prove of great value in coping with the many problems arising constantly.

Mr. Soininen has two sons, Tom and Greg, lives on So. Elm St. He is senior accountant for Standard Oil of N. J., is active in the cub scouts, and chairman of finance at his church. He told me that his guide was: "The best education available for our children at the least possible cost — consistent with sound financial policy, serving the whole community."

Just before final deadline I was speaking to Mrs. Smiley of 74 Westley Drive in Hillside Terrace. Her husband, Lloyd G. Smiley, is also a candidate for school board election. As a matter of fact, many of you may know Lloyd as secretary of the Hillside Terrace Civic Assoc. I felt very bad that I was not able to speak directly to him to obtain his views. His background is business and engineering administration, having graduated MIT. Mrs. Smiley mentioned that many folks in the northeast would enjoy representation by a local man.

The Neighborhood Garden Club met on Monday at Mrs. Cynthia

Hansen's home in Woodbury Manor. This was the last meeting to be held in members' homes. The Trinity Lutheran Church is providing club facilities. The Club is now open for new membership. Applicants may contact Cynthia Hansen—or I'll relay the messages.

Happy birthday to Kenneth Hogan of 77 Vincent Road, who had his birthday party Saturday... I found a baseball mitt on Fulton Ave., while walking the dog and thought I'd mention it to see if we can find the owner... A friend of ours, Chris Radev, has been a horse player and wanted to own a horse all of his life. In order to achieve this, he left home and traveled to Baltimore with a friend. For two years they worked hard to save enough to buy a nag, only to lose him in a claiming race... Those who helped in the Cancer Crusade include: Alice Charbonnet, Mary Rogan, Pauline Daniels, Eve Roth, Henry McLemore, Gene Maljean, Lucy Lomenzo and May Mullery.

Collecting on South Oyster Bay Rd. near Woodbury Rd. were Mrs. Hicks, Mrs. Smith, and Mrs. Wahne. Incidentally Mrs. Wahne has a pass for herself, her husband and her son's girl friend to visit her son in Bainbridge, Md., on Navy training. The names included for Cancer collection only include this immediate section along Woodbury Rd. There were many, many others who aided in the campaign under the guidance of Charles Trojan.

We received a phone call that might interest you more than a little. Have you ever wanted to become a baseball manager? Well, here's your chance. Call Fred C. Birk before 6 P.M. at HI 3-1145, or at HI 3-2544 after 6. All you need is a few hours to spare a week (very few) to help these boys. They belong to the PBC, and need guidance. There are three age groups. A knowledge of baseball is not necessary, just a willingness to help children.

Our recipe this week was obtained from a friend at the UNG. It is an Indonesian dish. Gado - Gado (Mixed salad) Vegetables: 1/2 lb. cabbage, 1/2 lb. string beans, 1 lb. bean sprouts, 1 cucumber, 1 bunch radishes. Cut cabbage and beans in nice eating size. Parboil with bean sprouts reserving cooking water. Slice cucumbers and radishes. Sauce: 1 t salt, 2 t brown sugar, 1 t lemon juice, 1 t soy sauce, 1 onion, sliced and fried, 1 or two cloves garlic, chopped fine or sliced and fried. Few hot peppers, 1/4 to 1/2 lb. finely ground peanut butter, 1/2 c warm water from

JUDY'S JOTTINGS:

Welcome Mat Out for Condons

By JUDY DE JONGH
Hicksville 3-2476 M

The infant daughter of Mr. and Mrs. James Maiorano of 72 Combes Ave. was christened Janet Marie on Sunday, April 26, at St. Ignatius R. C. Church. Acting as Godparents were Edmund Uher of Wantagh, and Mrs. Florence Rydolek of Massapequa. Included in the list of guests were the child's grandparents, Mrs. Anthony Maiorano of Flushing, and Mr. and Mrs. William Cassidy of Jackson Heights. Also attending the event were Mr. and Mrs. Thomas Maiorano of Flushing, Mrs. Joseph Case and Mrs. J. Puccitelli of Corona, Mr. and Mrs. Dominick Albino of North Valley Stream, Mr. and Mrs. B. Rydolek of Massapequa, Mr. and Mrs. E. Uher of Wantagh, Mr. and Mrs. A. Woodbury of St. Albans, and Mr. and Mrs. Joseph Giembocki, Mr. and Mrs. Arthur Nagol, and Mr. and Mrs. Thomas Hughes of Hicksville. A buffet dinner was served which included appetizers, cold cuts, and salads.

Multitudinous felicitations to the Joseph Dorenbechers of 14 Po La. who celebrated their 11th wedding anniversary in a quiet way on April 18.

Roll out the welcome mat for the Jim Caudons of 47 McAlester Ave! Capt. Condon had been stationed away from home, and the family left these surroundings to join him. Now that he has been returned by Uncle Sam to Hicksville, the Condons can pick up where they left off a couple of years ago.

Sorry to hear that Pat Frawley of 4 Loretta Lane has been a guest of Mercy Hospital where she has undergone an appendectomy. Hope you're feeling tip top soon again, Pat!

The dedication exercises of the Old Country Rose School which were held on April 19 brought forth a record turnout despite the inclement weather. About 250 parents, teachers, and children attended the affair, which was a huge success.

A surprise birthday party was held on April 25 for Joe Nicolini of 38 McAlester Ave. who has reached the 36th Milestone. Helping to make it a festive occasion were Mr. and Mrs. Peter Nicolini of Lindenhurst, Mr. and Mrs. Richard Piazza of Lindenhurst, Mr. and Mrs. Lou Fiori of Island Trees, Mr. and Mrs. James Seccia, of Wantagh and Mr. and Mrs. Lewis Rabell, and Mr. and Mrs. Raymond Bagio of Hicksville.

Happy birthday to Barbara Zu-

rawell of 6 Mayfair Lane who celebrated her 6th birthday last week with a party on April 25. Carol Larson, Bruce Cornwell, Dale Wicks, Carol Meier, Robert Thoma, Henry Russ, and Kathy Roberts of Hicksville, and Carol Tartarian of Massapequa helped dispose of the cake, candy and ice cream, and to wish their hostess many happy returns. The party room was decorated in blue, pink and green streamers with balloons and noisemakers as an extra added attraction.

The Spring Social of Hicksville Fire Companies was held on Saturday evening, April 25 at the firehouse. Sponsored by Co. Nos. 1 and 4, the affair was a huge success. Music was provided by Tony Bell and his band, and buffet refreshments were served. Many of our friends and neighbors attended, as well as yours truly and spouse, including the Charles Grahams, Art Scheffis, and Medard Ofenlochs of Benjamin Ave. and the Bud Werners of McAlester Ave. A drawing was held, and several guests received lovely prizes. The music was delightful, the refreshments were delicious, and ye olde firehouse rocked til the wee hours of the morning, aided and abetted by the change to Eastern Daylight Saving Time.

The hallowed halls of the Old Country Road School just don't seem the same these days! Murray Duncan, principal of the school is in Huntington Hospital for a brief stay. Having heard that the nurses out yonder are worth seeing, Mr. D. has decided that he'd prefer to investigate the rumors first hand. What's the verdict, ladies?

Ask Variance For Gas Station

OYSTER BAY—A variance for another Hicksville gas station, this one on Jerusalem Ave near South Dean St. at the Parc Terrace home area, will be requested at a public hearing before the Township Zoning Board of Appeals here on Thursday night, May 7.

The request is made by Commercial Properties Inc and the site is described as the "east side of Jerusalem Ave, 212.36 feet north of South Dean St."

At the same hearing the United Cigar Whelan Stores Corp. of New York City will ask permission to erect a sign, three feet by 36 feet, on the roof of the Levittown Parkway Village Green, 191 feet north of Beach Lane, also in Hicksville.

CORRECTION

Installed officers of the Jericho Fire Dept. listed last week, were incorrectly titled. It should have read Charles McGurk, recording secretary; Francis Davis, corresponding secretary; and Mainard Chittenden, treasurer.

Schenck Takes Over 2 Bus Lines

FLORAL PARK — Management of two Long Island bus lines changed hands last week when Schenck Transportation Co., one of Nassau's largest bus firms, took over operation of the Hendrickson and Huntington Coach bus corporations.

The Hendrickson Corp. with main offices in Bayville, operates a fleet of 22 buses, with lines running between Oyster Bay Farmingdale and Hicksville, Via South Oyster Bay Road; Glen Cove and Hempstead, via North Roslyn; Sea Cliff to Sea Cliff Station; Glen Cove Station to Glen Cove Landing; Oyster Bay to Bayville, and Locust Valley to Glen Cove. The company also serves various North Shore bathing beaches and fishing stations during summer months. In addition to its regular runs, it holds several school bus contracts and does some charter bus work.

The Huntington Coach Corp., operating out of Huntington, has lines running from Huntington Station to West Neck, Halsite, and Melville, and from Huntington Station via Depot Road to the southeasterly end of the village. It also operates a line from Huntington to various defense plants in Farmingdale, and engages in some charter and school contract work. The company's present fleet of 16 buses will be increased under the

new setup, it was stated. Both the Hendrickson Corp. and Huntington Coach Corp. will continue operations under their present names.

In announcing that his firm had assumed management of the Hendrickson and Huntington Coach operations, Howard N. Schenck, president of the Schenck Co. pointed out that the present condition of buses operating on the two lines would necessitate major repair work and some replacement with newer and more modern equipment which would require some minor fare increases.

Schenck said his company has started a survey of the transportation needs of the communities served by the two companies and that required schedule change and other improvements would be put into effect as quickly as possible to bring the lines to peak efficiency. He said he would immediately put into operation "a road control system on both lines where by constant checks are made by roving inspectors to assure that drivers are strictly adhering to schedules for arrival and departure times at all points along each of the companies' routes."

Look what inflation has done to telephone trucks

Sure, we know you can't build telephone lines with part of a truck. But this picture is a good way to show how much less truck we would get today for the price we paid in 1940. Inflation has jacked the price up and up—it's now 2 1/2 times what it was a decade or so ago.

All the equipment on the truck costs more, too. In fact, everything that goes into giving you phone service—buildings,

cable, poles—has an inflated price tag today.

It's a big job to supply service to all who want it. We are pushing ahead with our big expansion and improvement program as fast as possible, but increased costs have made it the most expensive investment we have ever undertaken. These increased costs have shrunk the dollars we have set aside to replace telephone plant that wears out, but we have not allowed them to interfere with our expansion program.

Everyone feels inflation. Your cost of living is up 89% since 1940. Our costs have soared, too! Yet, during the same period, the average price of telephone service has increased only 15%. Operating efficiencies and technical improvements have narrowed this gap, but they fall far short of closing it.

We think these facts speak for themselves—especially since telephone service today is better than ever before.

NEW YORK TELEPHONE COMPANY

How Telephone Company costs have gone up since 1940

Tend up 132%	Cable up 105%
Poles up 112%	Box cotton up 260%
Constr up 115%	Buildings up 106%

yet phone service is up an average of only 15%

—more for some, less for others, of course, depending on the type of service and the use made of it.

GOING AROUND THE LANES:

Our Tax Bill and School Election

By FLORENCE VRYN
LE 9-6407

In spite of the horrible predictions from an uncooperative weather bureau, we had a wonderful week end for a change, didn't we? All the gardeners have blisters to prove it. Summer is really galloping upon us. Adelaide Cabbie was telling me (as we dashed up and down Rising Lane in pursuit of our small Indians) that they are going to Lake George this summer and the trip sounds wonderful. They are taking a cottage for two weeks.

This girl is just plain lucky. She won again in the merchandise club

she's in. I'm considering renting some of that luck if possible since I just invested some hard earned long green in a Sweepstake's ticket. Never give up even though I could use the old one's to paper the kitchen instead of shelling out for sanitas. Hi ho, if the right hay burner comes in maybe I'll just get so disgustingly rich a mere trifle like reding a room will mean nothing in my young life.

Speaking of money (and when don't we) the time has come and, in fact, long since past when a lot of the gay young things in our own must settle down and consider such mundane things. Taxes

are going up, you know, and while it seems far in the future now, remember the jolt those letters from the bank asking for more escrow money caused? With all our expenditures we must make an intelligent effort to balance what we can afford with what we would like to have.

Our School taxes are a major part of our tax bill and I feel in this election (next Wednesday) we must have a candidate who understands the needs of the district, who feels the need for good education for our children personally, and who has a definite idea as to where expenditures might be slashed. The attorney fee question has concerned many of us and I personally would consider a man's attitude on that question of importance. In listening to the various candidates I believe Lloyd Smiley has demonstrated that he is well qualified to undertake the job.

Drool in envy over this item, slaves. Cecilia and Frank Larkin of Scooter Lane are flying to Bermuda in May. Oh me, I'm absolutely green with envy at the prospect. They should have a wonderful time and we'll be all hanging over the back fence when they get back bursting with questions. Last year when Ginny and Don (Continued on Page 17)

SET FOR HEMPSTEAD:

Hearing on Joint District on May 19

OYSTER BAY—The Town Board announced yesterday that a joint hearing of Oyster Bay and Hempstead Town Boards will be held on Tuesday morning, May 19, at about 11 o'clock at the Hempstead Town Hall, Hempstead, upon the proposed creation of a Joint Levittown District.

The hearing, time and place has been set jointly by Hempstead and Oyster Bay. The announcement was made on behalf of the Oyster Bay officials by Councilman Frank Chlumsky of Hicksville.

The hearing is the final step, prior to creation of the joint district as provided by legislation enacted in the recent state legislative session and signed by Gov. Thomas E. Dewey on the final date for such action.

The SENTINEL

The Joint District Bill

Copies of the bill signed by Gov. Dewey permitting Oyster Bay Town Board to include part of Hicksville in a joint district for operating the Levitt's swimming pools and hall have been received and reviewed. It must be admitted that it is certainly a "masterpiece" in its way.

In sponsoring this bill, the Oyster Bay Town Board—the very same town board that governs our affairs—has permitted us to be made subservient to Hempstead Town Board. The bill says that the two town boards are to vote jointly as one board and that joint action shall be by majority vote. The Hempstead board has six members and "our" board has only five members.

Capital Outlay? What For?

The new law says that notice of the public hearing to be held by the town boards shall contain a statement of the "maximum capital outlay" for the acquisition of the properties. What do they mean, capital outlay? The pools are already paid for in the price of the Levitt houses. Is it possible that the road is paved for further "skulduggery"?

Public Interest

The law calls for the two town boards voting jointly as one board to determine whether it is in the "public interest" to establish a joint district. The Hempstead Town Board has already indicated that it wants the joint district, and even if "our" own town board decides to a man that it wants to pull out after hearing the objections, it will be unable to do so.

The fact that there are so many people opposed to the joint district should be strong evidence that it would not be in the public interest. The Oyster Bay Town Board should recognize that its action in sponsoring this bill was the last straw for many people in Hicksville to decide that the only answer is to get out from under the Board and incorporate so it can have its own government.

More Jokers in the Law

The law says that the cost of acquiring maintaining and operating property including such hall or pools or both and appurtenances thereto shall be divided between the two towns in relation to the assessed valuation in each town. The new law also says that any public district (the Levittown Park District, for instance) now or hereafter owning swimming pools is hereby empowered to convey such property for a nominal consideration to the proposed joint district. Now how about that?

The Levittown Park District can sell to the joint district the pools at a nominal price which might be \$1 or \$5,000 or more for each pool. Suppose that the Levittown Park District does sell the pools for some such price as \$5,000 each. That's \$35,000 for seven pools. For the taxpayers in Levittown it makes little difference; and in fact, they come out a little ahead. But it would be at the expense of the taxpayers in the Levitt houses in Hicksville. The Levittown taxpayers would be taking it out of one pocket and putting it another. But for us, it would be all outgo. And further, the joint district, according to the bill, would be allowed to pay Levitt for the pools if he insisted on payment. What do you think of that?

Town Operation Out For This Year

The law specifically states that the proposed joint district will NOT come into being until the 31st day of December AFTER the two town boards establish it. Therefore, any decisions regarding the operation of the pools must come from the owners, Levitt & Sons, and nobody, but nobody, else. If the pools open on schedule, it will be because Levitt opens them. If the pools are not open on schedule, it will be because Levitt keeps them closed.

Around The Lanes

(Continued from Page 15)
Miller of Spinale Rd told me about their vacation in a tent it sounded wonderful but I hadn't heard of many people who tried it. I guess I just don't get around. The latest enthusiast are the Benson's of Brittle La. Virginia said they wrote for a reservation at Hither Hills State Park and received confirmation last week for their dates. From that moment on the details invade me. It sounds like a wonderful time, though.

Someone stole my idea, I see by the papers. Last year Adelaide Cabbie and I were joking about having the lawns made of cement tinted green and last week I discover some jokers down South have actually done it. For recreation I wonder if they hand paint clover on.

We're going to lose some very nice neighbors. I hear Don and Ann Wilson will be moving about September to Suffolk. We'll all be sorry to see them go and it will leave a big dent in the Scooter Lane rang.

Don't forget the School Budget hearing Tuesday night, May 5. The same night will be the election of a member of the Library Board of Trustees and as anyone who has worked with the Library Board can testify Miss Louise Augustin is certainly the best candidate for the position. Her knowledge of the problems and her grasp of the situation are qualifications which are impossible to duplicate and we are fortunate that she is again available for the trusteeship.

PTA Commends School Officials

At regular meeting on Apr. 16, Burns Ave PTA of Hicksville voted to express its thanks to the School Superintendent E. H. LeBaron and Hicksville Board of Education for the "splendid work they have done in providing, equipping and staffing five new schools in a short time to meet the rapidly expanding needs of the community."

A. S. Carpenter, a board member present at the meeting, was commissioned to convey the thanks of the Association personally to the Superintendent and the board. He thanked the organization for this gesture stating that it was "unusual and would be deeply appreciated by all concerned."

HICKSVILLE GIRL SCOUTING: Troops Inspect Liberty Lady

By FLORENCE VRYN

Two Hicksville Girl Scout Troops 19 and 134 toured the Statue of Liberty this month. The trip to New York was made in a bus hired from George Nader. The girls were familiar with the history of the statue and its dimensions but can now verify from experience that there are 168 steps to climb. There were a few comments that it seemed like 3000 steps on the way down. While touring Miss Liberty the scouts met another group of scouts from Brooklyn. The girls recorded their experiences on film and managed to get several good shots of the metropolitan skyline.

The members of Troop #19 who took the trip are Florence Allman, Linda Palke, Dorothy Benson, Elaine Brownell, Kathleen Gabriel, Arlene Gilbert, Diana Eismann, Madeline Lombardi, Joyce Luther, Diane Mohlenhoff, Nancy Neglia, Patricia Paton, Carol Roczek, Carol Sakaris, Betty Sellers, Janice Smith, Marie Strong, Denise Tremblay, Lorraine Weterau, Marilyn Zeltner, Judith Zimmermann, and Roberta Lenzner.

The members of Troop 134 are Gail Smith, Barbara Jones, Anne Spencer, Barbara Keady, Karen Paterson, Carole Bottenus, Barbara Cohen, Margaret Wasserman, Francine Fowler, Kaye Hoffman, Janet Goodrich, Barbara Le Due, Barbara Forman, Susan Collier, Wilma McDouall, Adrienne Juppe,

and Ronnie Sherman. Others who accompanied the girls were Mrs. Russell Swift and Mrs. Jones, leaders of the troops, and Mrs. Lenzner, Mrs. Gabarino, Mrs. Smith and Tommy Jones.

SCHOOL DEDICATION

The Scouts who participated in the dedication ceremonies of the Old Country Road School on April 19 were Intermediates Barbara Forman Troop 134 Betty Ann Caesar Troop 30, Janice Donsbacher and Jacqueline Winsor Troop 1. Brownies from the Old Country Road Troop were Ethel Aliman, Candita Cancelleri, Jeanette Kordal, Diane Snyder, Vera Walker, and Marie Cancelleri. The girls were under the direction of Mrs. Olga Walker and Mrs. Mary Goodrich.

Legion Jottings

By TOM OLIVERI
Hicksville 3-2718 J

A column is sometimes the target of numerous pressures. This was evidenced at a recent meeting when an objection was raised for carrying an item presumably disliked. It may be occasionally guilty of an honest error but the Post found nothing in the item of an objectionable nature. It is hoped that the incident, exceedingly regrettable, will be completely forgotten. This will go a long way in establishing harmony within the Post which is so essential to its operation, and for the good of the Legion.

Renewals in from Jim Baltochowski, Al Kaufman, and Charles Pendlebury... Charis Bresnahan welcomed as new member... Charter member Joe Ellinger seeking re-election to School Board... Happy Norman, Jack Strong, and Bob Parrell elected delegates to County Convention... Alternates include Fred Willard, Mike Kalinyak and Hughie Blades... Cliff Daley to receive Post

Commander's Pin. Bellevue Cliff shouldn't have to wait a whole year for an award he was entitled to receive in 1952. Commander Jim Taverna, admitting laxity on the part of the Post, promises to remedy the situation.

The Post is expected to participate in the observance of Armed Forces Day to be held at Mitchell Field on May 17. Inasmuch as this is the first time the Legion has been invited to attend such a ceremony, Commander Jim Taverna is anxious to have a big turnout. The wives and children of all members are also cordially invited to attend the celebration and seeing the Air Force at work. Final details will be made available at the May 14 meeting of the Post.

Those who are interested in a mail course embracing all phases of the Legion's programs, plus a review of its accomplishments, current policies and objectives are asked to contact Adjutant Bob Puroell. The course, offered by the American Legion Extension Institute begins July 1. Deadline for enrollment in the six months' correspondence course of the Legion

leadership is June 15. Tuition fees range from \$2 to \$6, depending upon the number of enrollments.

All Legion Posts are cognizant of the reduced medical and hospital operations within the Veterans' Administration as a result of the sharp cut in appropriations made by Congress in the last session. During the next few months the Congress will make the VA appropriations for the fiscal year 1954 which begins next July 1st. What Congress will do about the 1954 appropriations is not known but the Archie McCord Post is ready to support the National Legislative Commission in its fight for adequate VA funds by communicating with appropriate members of Congress. Further developments as well as specific suggestions of ways to help will be made available to members shortly.

The third nominations and election of officers will take place at the May 14 meeting. Dues must be paid in order to vote. Please make checks payable to the Post and remit to Tom Oliveri, 1 Derby Lane, Bethpage. Dues may also be paid in person at the election meeting.

Way Over Top On Cancer Fund

BETHPAGE — Buddy Mazzara, Chairman of local Cancer Crusade announces the successful culmination of the 1953 drive. Mazzara said, "Bethpage Cancer Crusaders lived up to their splendid reputation by going over the top for the fourth consecutive year. 125 per cent of the quota was raised through the excellent cooperation of workers and donors."

"We wish to extend our sincere thanks to all of the volunteers who so unselfishly went from door to door, to the business people and to the private citizen who gave so generously and to the newspapers which gave us such good publicity. "It is with a deep sense of gratification we close our campaign. We are looking forward to next year with great anticipation."

Continue Drive For Clothing

NORTH BETHPAGE — Clothing for destitute South Koreans and sponsored by the North Bethpage Civic Assoc. was collected April 25 at the Stewart Ave. clubhouse.

Heading a call from a member presently fighting in Korea, the drive was considered successful in all respects according to William Benintendi, originator of the drive.

The organization extends its thanks to those who participated in the worthy cause. In order to handle numerous requests, a second collection date will soon be announced.

SET LADIES NIGHT

Ladies Nite at the North Bethpage Civic Assoc. will be held on Friday evening, May 1, beginning at 8 o'clock.

Included on the program will be a club demonstration party of household items and accessories, door prizes, entertainment and refreshments.

Edward Schreiber, Chairman of the Entertainment Committee, heads the group planning the affair.

No opposition to Fred Kramer or Joseph Ellinger in the coming school board election. The only possibility of a race would be a write-in move at the time of the election, next Wednesday.

CD Needs Your Assistance

By DOROTHY GUELPA

Last Wednesday night at 8 P.M. a bomb "burst" on the corner of Stewart and Central Ave. Your home was, no doubt, damaged severely, if not, destroyed. Telephone lines were knocked out, water power was cut off, and Grumman's plant was the scene of vandalism and sabotage. Children and parents were without adequate food or clothing. Mass hysteria threatened a usually calm, docile town.

Within minutes, your neighbors and the CD program went into action. From their headquarters, directions were given for transporting the injured — mass feedings were arranged in schools and the State Park clubhouse which has been taken over — public address systems were in operation throughout the village to instruct the people how to best care for themselves and where to seek help. Armed guards were dispatched to Grumman's to aid the police.

By now you realize that what I have been describing was a CD drill. It was directed by Fred Willard and a county observer, Fred Curran, was present during the evening. Messages were sent by the short wave radio and by the Nassau County mobile unit which made its appearance near the end of the drill.

Following the actual alert, a discussion was held of the type of messages which were sent and how they could be clarified or shortened.

If you should care to be a part of the worthy program, a representative of the CD will be at the PBC Club on Stewart Ave. every Tuesday evening.

The Boy Scouts Mothers Auxiliary held its regular monthly meeting on April 20 in the American Legion Hall. A nominating committee was appointed with the following members, Florence Henn, Pauline Wilson, and Agatha Schwarz. The dark horse was won by Marianna Buxton. Hostesses for next month are, Sue Ehmgig and Stella Bartosiewicz.

Don't forget the P-TA Penny auction to be held May 2 in the cafeteria of the Broadway school. Many interesting gifts will be bid on and all that is required for a lot of fun is a handful of change.

Thomas O'Shea of Third street, fell into a cesspool on Saturday Apr. 18 and fractured his arm. At this writing he is in Huntington Hospital and at best, faces a very quiet summer.

READY TO SOLICIT

The Bethpage Cerebral Palsy Auxiliary met at the home of Mrs. Patricia Gerdes, 29 Seltz Dr. on Thursday evening. Charles Campagne, chairman of the fund drive, helped place the captains in their respective districts and map out the village in sections to facilitate the solicitation of funds. Members are now in the process of contacting competent people to be neighborhood captains. We hope you will cooperate if you are called upon.

Most of the members and many other people from Bethpage attended the tea at Casa Seville last week. It was sponsored by the Nassau Cerebral Palsy Assoc. and the program presented a well rounded picture of how the organization was formed and of the men and women who have worked long years to achieve the results we now take for granted.

Assemblyman Ed. Larkin has been named chairman of the 1953 fund raising drive for all of Nassau County.

Some of the distinguished people

who spoke at the tea were Dist. Attorney Frank A. Gullotta, chairman of the Board of directors; County Supervisor A. Holly Pater-son, Mack Markowitz and Chris Weiner. Miss Virginia Graham, TV star was present for a short while and acted as mistress of ceremonies.

Mary Farenga, U. G. P.'s own singing sweetheart, whom you will remember from the C. P. Telethon, sang and spoke beautifully of her experiences with C. P.

MOTHERS' CLUB ELECTS

Election of officers at the Mothers Club of St. Martins, was held last Tuesday with the following results; Mrs. Joan Blondo, president; Mrs. Grace Moran, vice-president; Mrs. Agnes Melone, corresponding secretary; Mrs. Alice Goss, recording secretary and Mrs. Lillian Auer, treasurer.

These new officers will be installed at the annual birthday party of the organization on May 19 in the Parish Hall.

The first annual communion breakfast will be held on May 17 at Anselmi's Restaurant at 10 A.M.

Lang Seeks Re-election on Friday

BETHPAGE—Albert A. Lang, commissioner of the Water District announced today that he is again a candidate for re-election for the office of water commissioner. His term expires this Friday, May 1.

His many friends have urged him to again become a candidate and are supporting him for re-election.

With the enormous expansion of the community, it is of utmost importance to the taxpayers to

have him at the helm because of his wide experience, they point out.

Lang has been a member of the Board of Water Commissioners for 21 years and has seen the district grow from 200 consumers to about 3200 at this time, with at least 1000 more to come.

He has been a civic leader in Bethpage for 27 years. He organized the first Central Park Improvement Commission which is now the Bethpage Improvement Commission. He was instrumental

in bringing the Grumman Aircraft Corp. here, and he was chairman of the Board of Fire Commissioners for 11 years. He was also, chairman of the movement that changed the name of Central Park to Bethpage. For the past two years he has been numbering all the homes in Bethpage as a civic service.

Lang is a retired superintendent of a large shipyard and as a mechanical engineer, has the ability to operate a plant such as a water district, his friends say. He is familiar with every pipeline and valve in the system and knows the operation of the pumps and wells. Lang's associates feel that a new member would have to learn all these details.

If you believe that his qualifications warrant another term for Lang, he would like your support on Friday evening, May 1, at the Bethpage Fire house. Bway, when residents will vote for a water commissioner from 7 to 8 P.M. Only taxpayers can vote and if man and wife own the property jointly, both may vote.

Tickets are now available after the Masses on Sunday. All reservations must be made by May 7.

Mr. Ed. Fehrenbach spoke at the meeting about the PBC. He invited the mothers to urge their boys to join and enjoy the wholesome sports and recreational program provided by the PBC.

Father Conlon showed film strips on the Mass as the main part of the program.

Mrs. Charles Melone, president of Bethpage P-TA, was among the hostesses for a dinner at the Hotel Statler, Ithaca, during the 27th Annual Cornell Institute sponsored by the NY State Congress of Parents and Teachers.

CUB PACK MEETING

The Hawaiian Islands was the theme for the meeting of Cub Pack 118 at the Powell Ave. School, Bethpage, on Apr. 24. Projects were displayed and Den 3 brought music and danced to "Aloa."

Cubmaster Douglas Kent announced that cubs 10 years of age are eligible to go with their fathers on the overnight camping trip at

Wauwepex June 27 and 28. During this special Cub Scout program weekend, other cubs may visit and bring their own lunches.

On May 23 Pack 118 will present a County Fair and is asking all parents to participate. Ideas and suggestions should be forwarded to Horace Mais, chairman, at Hicksville 3-8014.

Awards were made at the meeting as follows; Rickey Schick, silver arrow; David Tweedie, Lions badge; Edmond Ostroki, and William Pintel, gold arrows; Roy Merin and Charles Melone, silver arrows, Robert T. HERE IS WHY YOUR BEST BUY IS AN Automatic GAS WATER HEATER

PLENTIFUL HOT WATER SUPPLY. For personal cleanliness . . . for modern appliances . . . for over 140 household uses, your home needs more hot water today. And you get all you need whenever you need it with a modern, efficient Gas water heater.

THREE TIMES FASTER HEATING. A fast-acting Gas water heater can heat up to a 60-gallon tank-load per hour. It's three times faster than other automatic systems . . . handles "peak" loads in stride.

AUTOMATIC TEMPERATURE CONTROL. A fingertip touch will "set" your Gas water heater to any degree of hotness required . . . up to the maximum 180° recommended for dishwashing machines. Its flexibility eliminates fuel waste and harmful effects of sustained high temperatures.

CLEAN, DEPENDABLE SERVICE. A glass-lined Gas water heater tank keeps your hot water "drinking-glass" clean . . . free of troublesome rust. And with Gas you have no delivery or storage problems . . . no restrictions on fuel service.

COSTS LESS TO BUY AND OPERATE. A gas water heater costs less to buy because smaller units produce more hot water. Efficient construction and insulation make it inexpensive to maintain and operate, too.

Mr. Smiley is secretary of the Hillside Terrace Civic Assoc in the north east section of the school district. At the recent budget hearing his concern for bus transportation and other vital problems pertaining to the children of the district were weighed by taxpayers present, during discussion on floor. Don't forget to vote!

MEETING ON TUESDAY
Our North West Civic Assoc will meet on Tuesday evening, May 5, at the Burns Ave School and all members are urged to attend.

EDUCATION CEREMONIES
— Parents, teachers and friends gathered Sunday afternoon, April 26, to join in the dedication exercises at the Burns Ave School. Adolph G. Soininen, Secretary of the Board, presided as master of ceremonies. Advancement of the colors by Boy and Girl Scouts and flag salute opened the exercises at 3:30 P.M. The invocation followed given by Rev. Howard Rogers, S.T.M., Pastor, Lutheran Church of St. Stephen.

Dr. E. H. Le Barron, Superintendent of Schools, extended greetings to all parents and guests and cited the tremendous growth of the school system, especially the opening of five school buildings in five months and the support given by the residents of Hicksville. Burns Ave-Glee Club followed with several selections under the direction of Mrs. Myra Martini.

A. Henry Johnson made the official presentation of the school building to Henry C. Brenzel, President of Board of Education, and in turn to Allen E. Davis, Jr., Principal of Burns Ave School. A prayer of Dedication was read by Rev. Lawrence Baillet, Assistant Pastor, St. Ignace Church. Soininen then introduced Clifton B. Smith, President, National School Boards, Ass'n, Inc. who made the dedication address. A Bible was presented by Manetto Lodge, No. 1025 to the school and was accepted by Catherine Arnau, sixth grade student at Burns Avenue.

James G. Carter, representing the veteran post including the Legion, V. F. W., Jewish War Veterans, made the flag presentation which was accepted for the school by Don Baillet, sixth grade student.

Herbert Johnson, President of the North West Civic Assoc officially presented the letters to the school and briefly outlined the program of the Association to get this school opened for the children in the North West section.

All parents and friends of the School were invited in inspect the building and classrooms. Mrs. Sue

Schult, 32 Indiana Ave, Chairlady of the Hospitality Committee, Burns Ave P.T.A., wishes to extend many thanks to Giese Florist, Purcell's Florist, Wm. Kroemer & Sons, Green Acre Nursery, Boos Bros Nursery, Lowry's Tydol Service Station for their donations of flowers and plants.

OVER \$200,000 ADDED

Blessed Events and Bunco Party

By MARY HERRAN
HI 3-4793 W

Hi! there readers, and I hope I am not talking to myself. I hope you all missed me these past two weeks—wishing thinking. I owe you all an explanation, and here it is: The first week I missed because there wasn't enough news and the second week I didn't get the column in on time. There were a few last minute telephone calls that came in. One long distance from my cousin in Conn. I couldn't tell her to wait till I came back or have her call me back. I do hope I am forgiven by those people that did call me and gave me some news.

Mr. and Mrs. Robert Wilson, Bob and Judy to their friends, of 2 Gladys Place, spent the weekend in Wilmington, Del. They said that they had a wonderful time and to top off the grand weekend they went to a wedding in Baltimore, Md. The wedding was that of Mr. and Mrs. Laurance McPheeters. Judy's and Bob's little son Jeffrey spent that weekend with Bob's parents. Some people have all the luck.

Some of the women of Boblee Lane gave a Bunco party for their new neighbors in the development. The idea and reason for the party was so that they could become acquainted with the new people. The party was held at Joyce Ellis's house, 8 Boblee Lane. Those that attended were: Helen Strozak of Layton Place, Mrs. Erickson of Nolan Ave., Ellen Pollina, Linda Pancyk, Rebecca Worrell, Carol Runn, Agnes Herran, Doris Reece, Deb Young, Joyce, and myself, all of Boblee Lane. If all invited had appeared there would have been quite a gathering. Tuna fish salad, hot rolls, coffee, and cake were served. The first prize was won by Joyce, second prize by Doris, and I won the booby prize, of course. I don't know about anyone else, but I enjoyed the evening very much, although everyone left the party with that gay happy look on their faces, like they did have a good time.

Leslie Chanin celebrated her birthday on the 16th of April, but

the party was postponed till the following Saturday. Those who attended were Sharan Kuntzi, Bonny and Sandy Haggerty, Marilyn Paulk, Alan Pfister, and of course Ricky Chanin. Cake, ice cream, candy and soda were served. Games were played and a grand time was had by all. Leslie was honored by still another gathering this time it was the family. There was a big dinner on the Sunday after the children's party. For her birthday Leslie received a big, speedy foreign made bike. Leslie you are a lucky little girl.

Mrs. Rebecca Worrell's mother from Pennsylvania, was here spending some time with the family. I was told that she is in her 90s. If I can travel like that when I am in my 60s, I'll think I am great. She must be a very wonderful woman.

There was a Blessed Event for a family in Zelon Park this past week. Mr. and Mrs. Paul Barucheri are the proud parents of a new girl. This little bundle of joy arrived April 21. We wish a long life and lots of happiness to the little one, and lots of luck to the proud parents.

A little poem written by Mrs. Marge Nicholini, was given to me by Ida Herfel of Libby Ave. Mrs. Nicholini wrote it for a baby shower given in honor, for Mrs. Dorothy LaRocca of Flushing. Mrs. LaRocca is the sister of May DeVeau of Boblee Lane.

A BID FROM AN ANGEL

Escorted by angels I sit and wait
And gaze upon your smiling face
I know how happy I will be
To come and join your family tree

My angels assure me of treasures untold
That I may bring from the Lord to unfold

To heap on you, day by day
Great happiness and joy if I may

It won't be long I'll be with you to stay

A bit of heaven I'll take on the way

So open the door that I may say

Hi Mom! Glad that I could be with you today.

I would like to take this opportunity to wish a belated happy anniversary to the following people: Bernard and Marie Haggerty who celebrated on April 15, to Joseph and Frances Stines who celebrated April 23.

I would like to wish a belated happy birthday to Linda Hua and William Noonan who celebrated their birthdays on April 16. Norman Noonan celebrated her birthday on April 20.

I would like to thank all the people for their kindness during the Cancer Drive.

HELLO BOB—Among the first American soldier-prisoners freed by the Reds in Korea last week was Pvt. Robert J. Powers, Jr., of 113 Dean St., Hicksville, son of Mr. and Mrs. Robert J. Powers, Sr., in the Parc Terrace homes. The news came over radio and TV late Thursday evening and word was carried

to the Powers by a neighbor, even though the first address reported as "Diane" St.

Saturday night at nine o'clock Telephone Co officials were alerted by the American Red Cross that a call would be coming thru direct from Tokyo to the Powers. With the permission of Mrs. Joseph Longabardi, a neighbor at 117 Dean St., an extension line was strung into the Powers kitchen and the connections were completed when the call did reach Hicksville two hours later. The call came in at 2:38 A.M. Sunday, Daylight Saving Time.

Above, the family speaks to Bob. The conversation took 11 and a half minutes. He told the family he was "okay" and that his right eye was improving and that he would be home soon. Mrs. Powers and daughter, Alice, stand by anxiously (above) as dad talks to his son. (Other picture on page 1).

The St. Ignatius Mother's Auxiliary will attend their annual communion breakfast on Sunday, May 3. The group will attend mass at 8 A.M. in St. Ignatius R. C. Church and then meet afterwards for breakfast at the Miller Ridge Inn, Jericho.

By HOWARD FINNEGAN

The demands for the use of softball diamonds at Hicksville High School for the coming season has already been in excess of the area available.

A number of the new industrial plants in our village have requested playing space for their employees, many of whom are Hicksville residents, so that an early designation of fields must be made.

As was the case last year the Hicksville Board of Education will conduct an adult softball league and the popular activity will in no way suffer from the demands on the fields.

However, some teams were late in forming last season and could not get in the league once it was underway.

This year the league will be formed early and a schedule quickly drawn up.

All teams are invited, be they neighborhood clubs or organizations.

But immediate action is required.

It is proposed that the league be conducted as was the 1952 program.

Fast ball pitching was ruled out. That is, top flight chuckers such as the ones that play in Jones Beach, etc.

The only cost to clubs last year was a five dollar forfeit fee.

Chet Jaworski, Supervisor of the School District's Summer Playgrounds, requests all interested parties to call us and leave the name of their team, the manager's name and home phone number.

This will enable him to work out a schedule and know just how much space to reserve for the Hicksville community program.

Call the Mid-Island Herald or drop off the information as you are passing by at 98 North Broadway, next to Hicksville Post Office. A meeting will be called shortly to iron out details and consider any ideas players or managers may have. The number is Hicksville 3-1400.

Botto Power At Stake Sunday

JONES BEACH—Power, pitching, defense, reserves—in quantities and qualities it has never known before—are all glowing points at Botto Brothers prepares for the 1953 softball season.

But! The Black and White must win its Jones Beach elimination game against the Mineola Sextons here in the stadium, Sunday, or disband before it is really organized.

Failure to gain a beach berth this year leaves no other course open. Rockville Centre has shut down and Huntington has quickly shut the door on the orphans of Nassau County with a strict resident Township edict.

The key to a successful beach berth goes like this: In a team's first elimination game a victory is mandatory. In the case of a win a triumph in one of two subsequent games gets a nod.

Boiling it down, a club could win the first, lose the second and

pick up a place by winning a third contest.

It is a win in that important first game that manager Bernie McGunnigle seeks Sunday.

With only three full practices his club that would be close or on top at the end of the season runs the risk of being rusty.

However, Teddy Smith, Bill Brodiak and Jim Barone will give the Botto plenty of flexibility on the mound.

George Fowler, Stan Smith, Jerry Kiesel and Herman Rigby are counted on in the slugging department.

Some questions as to positions are still to be resolved but out of Jack McCrosson, Ray Halleran, Ed Coleman, Jim Valentine, Brian Masterson, Dick Kerbs, Mel Voochies, Joe Laskowski and Joe Stanatri. McGunnigle could mold a team that other managers would envy.

Sunday will tell if he gets the chance or not.

PBC-ing Around

Hicksville Unit of Nassau County Police Boys Clubs

It has been definitely established that Parents Night for the members of the Hicksville PBC will be held on Friday, May 16, at the East Street School. The 1952 World's Series between the Dodgers and the Yankees will be shown on the screen and awards given to the outstanding basketball teams of Hicksville of 1952. All boys are urged to bring their parents.

Baseball is moving along smoothly with another junior baseball team added bringing the total to four from the Hicksville area. However, the intermediate

situation is not clear yet and boys desiring to play, are asked to be down at the High School field on Saturday morning. The season will start at the end of May and the rosters may be closed at any time.

Nassau Cleaners, next to Stop 'n' Shop, new dry cleaning establishment featuring a weekly drawing for \$5.00 free dry cleaning. Award of a Rotisserial will be held on May 22nd; new owner is Sidney Gelfof, of East Marie St., Hicksville, graduate of National Institute of Cleaner & Dyers.

HMS Rallies Twice, Now 8 Straight

HICKSVILLE—Pat Enos overcame a calamity of errors with the big hit and Tommy Valentine with the big heart, for Hicksville High last weekend to pull out 5-4 and 5-2 decisions over Farmingdale and Westbury as the Orange and Black scored its seventh and eighth straight wins without a setback.

Enos delivered the blow in both contests that brought victory after the Comet defense completely deserted Valentine who has pitched 29 innings without allowing an earned run.

Hicksville trailed the Dales 4-3 in the last of the sixth as Valentine was in danger of losing a two hitter via five errors by his mates. Joe Pepe reached first on an error and Enos cracked a line drive

412 Boys Tryout for League

By RAY De CHESTER, JR. Assorted baseball talents were demonstrated by the final group of prospective Little Leaguers Saturday morning at the Carman Ave. Field. During the afternoon, previously selected boys with high tryout ratings were again reviewed by team Managers.

At the conclusion of the day's activities, League President Jack Green announced that a total of 412 boys had undergone tryouts during the past three Saturday sessions. Efforts are being made to place as many of these boys as possible on the Little League Major, Minor and Farm teams.

Player Auction was held Monday evening at the Bowling Green School. Spirited bidding by Major team Managers Bill Forman, Leo Samberg, Art Goodman, and Frank Campisi resulted in lining up players for their respective teams.

Frank Muller's Farm System is scheduled to commence operations May 16 on Field Numbers 1 and 2 adjacent to the Clubhouse at Salisbury Park. Activities will continue every Saturday throughout the summer on an intensified training and instruction basis. Two hour sessions starting at 9 A.M. are planned to continue throughout the day on each field.

The NWJL Major teams are scheduled for practice sessions commencing May 4 at the Salisbury Caddy House Field which is now being put into first class shape with expanded seating capacity. Regularly scheduled games commencing the end of May will be played at this field on Mondays and Thursdays each week. Tuesday and Friday evening games will take place at the Carman Avenue Field.

Schedule for the Minor Little Leaguers, namely I. I. National Bank of Hicksville, Pan American Pilots, Shoe King Sam, and American Veterans Committee will be announced shortly.

Looking Ahead

Hicksville High must vault over Sea Cliff this Friday afternoon and then moves to dislodge Oyster Bay from first place in the Eastern Division. Undefeated last season as well as this as we go to press, Oyster Bay is the defending County champion.

straight down the third base line. It tore into foul territory and skipped off the fence.

It easily scored Pepe and Enos slid home ahead of the throw for a fourbagger.

ONE-HITTER MONDAY Valentine tossed a one hitter Monday at Westbury but needed the hit of Enos to take the issue. Hicksville made eight errors.

The blow came in the seventh inning with the score deadlocked 2-2. Pepe took two balls and a strike from the leftside and switched to the right and got a walk.

He stole second and Enos smacked it straight down the left foul line.

George Grecco, Vince Gapoli and Rich Evaschuk followed with singles and made the final tally 5-2.
