This news was repeated during the candidates discussion at the high school on Monday night by other incumbent members.

ANOTHER MILLION SIGNED:

Hope To Finish Up Petition On Home Rule By Weekend

HICKSVILLE—Concentration of effort this weekend may put the Home Rule movement over the top and enroll the necessary \$13 million in assessment signatures to bring the question to a vote, the volunteer committee disclosed last night. Approximately one million dollars was tacked up during the past week to place the recorded total above \$9,000,000 or 70 per cent of the minimum amount required, General Chairman Lawrence A. Roman disclosed.

"Our captains and their neighbors are now concentrating on getting over the top without further delay," said Gerald DeLorme, who is in charge of the house to house canvas. "We are so close to the goal at this point that just a little extra effort may bring us to the required number. This work is being done by men and women who are devoting all their spare time to bringing the question to a general vote."

FIVE TOWN ACTIONS

The Home Rule Committee today pointed out that the state law requires five consecutive actions by the township before the vote can take place. The law also specifies the maximum amount of time al-

lowed for each step. The community could become an incorporated first class village within a range of 35 to 90 days.

Within 20 days of receipt of the petition, Township Supervisor Charles E. Ransom must give notice that the proposition has been received it is reported. At the same time, he must set the date for a public hearing upon the proposition to take place not less than 20 days or more than 30 days later. The hearing must be held in the territory seeking to incorporate.

Within 10 days after the hearing is held, Supervisor Ransom must determine if the proposition complies with the law.

Within five days after the right

to an election is completed, the Town Clerk must give notice of an election to take place not less than 15 or more than 25 days from the date of the notice. The election must take place in Hicksville between the hours of 1 and 8 P.M., conducted by town officials.

If a majority of those voting register approval, the area is incorporated as of the date of the election.

The Home Rule Committee, according to Lucia McIntosh, chairman of the speakers bureau, will provide speakers on the topic for any group, regardless of size. Speakers may be requested and petitions may be signed at the committee office, 98 North Broadway

Raise Bus Fund to \$100,000 In Midnight Budget Vote

HICKSVILLE—The appropriation for student transportation was increased by \$36,000 at the annual school meeting in the high school, Tuesday night, as voters showed they want to see no reduction in service or increases in the mile-a-mile distances for pupils eligible to get bus service. The vote on the additional appropriation was 69 yes and 58 no, making the gross budget \$2,248,761 for the coming year.

The budget itself was carried with 113 voting yes and 18 no.

Discussion on such topics as teachers salaries, proposed fencing of new school properties for an estimated \$48,000 and the school board's financial arrangement with Attorney Michael J. Sullivan highlighted the meeting. William Botts was chairman of the session.

MEMBERS CLASH

Open debate during the meeting between Board of Education members Emil J. Szendy and Edna Kuhne Sutton flared several times.

Lawrence A. Roman read a prepared statement asserting that the fees the School Board plans to pay the attorney on new school construction projects, which he estimated at \$37,000, "is not reasonable". He charged that the attorney has in the past three years received \$40,000 in addition to the annual retainer of \$1200 provided in the proposed budget.

MOTORCADE TONIGHT:

Parc Homes Fight Gas Station

HICKSVILLE—A motorcade of about 100 home owners will form at 6:45 this evening (Thursday) at South Dean St. and Jerusalem Ave., as homeowners of the Parc Terrace section prepare to register strong opposition at a hearing of the Zoning Board of Appeals in Oyster Bay Town Hall to an application for a gas station next to their homes. The hearing time is 7:30 P.M.

More than 700 persons of the area have signed petitions of opposition to the request and the Parc Community Civic Assoc. has engaged Maurice Schoenwald as their attorney to oppose the application of Commercial Properties Inc.

Meetings of the Civic and neighborhood were held, Friday and Monday evenings, to consider action on the application. Peter A. Ferraro is president of the group which met in the basement of 16

"If I am correct, then how can anyone justify the arrangement the Board proposes to make? Can they state that they are acting as reasonably prudent people, as true representatives of this community? Can they state that they are upholding the trust which we have reposed in them, or would their actions be judged by this community as being wanton disregard of our interests?", Roman asked.

Sullivan rose to comment upon Roman's concern with the fees the school board is paying him. His comments were denounced by Florence Vrynn as "personal". Szendy called attention to a new contract signed last week by the Board with Sullivan, over his protests, which Szendy charged binds future school boards to the fee percentage on projects initiated in this school year.

by \$50,000 was ruled as "illegal" by Chairman Botts who quoted sections of the education law.

There was prolonged discussion of the improvement of grounds item of \$63,480. A breakdown, requested by Lloyd G. Smiley, disclosed allotment of \$48,100 for fencing of new school yard areas. The item was permitted to stand without change.

Arthur Isachsen and Neal McCormack questioned the proposed expenditure on transportation since (Continued on Page 5)

Revise Ruling On New Garages

OYSTER BAY—Detached garages may now be built two feet from the side and rear line of the plot if the plot is too small to permit a 5-foot setback. It was learned this week as a new subdivision to the Building Zone Ordinance was enacted by the Town Board.

The new amendment applies to homes built since May 1, 1953. If the wider side of the plot is 12 feet wide, the detached garage must be 5 feet from the side and rear lines. The new amendment will ease the problem of home owners who have a less than 12-foot wide side yard, officials said.

Dear Jean:

The volunteer Home Rule Committee captain, GEORGE KUNZ, had been working on a prospect in the Levitt house area for nearly a half hour, attempting to get a signature on the Home Rule petition. Finally George admitted defeat and said, "Well I'm sorry I can't convince you and get your signature on the petition for incorporation of Hicksville." To which the homeowner responded "Hicksville? I thought you were for incorporation of Levittown. Here, let me sign that right away." . . . Next Wednesday Hicksville Kiwanis will have an official visit from DON MUNFORD, District Governor, and on May 20 they will hear FRED KORWAN of the Nassau Junior Chamber of Commerce.

Protests Time Set On Hearing

HICKSVILLE — The time set for the public hearing in Hempstead Town Hall upon the proposed creation of a Joint Levittown District, embracing a 20-per cent area of Hicksville, was attacked this week by George Kunz, president of the South Hicksville Assoc. of Levitt Home Owners. The hearing is set for 11 o'clock in the morning on May 19.

"I find it difficult to comprehend the statement of Supervisor Herman that 'angry partisans' should not jam the 'public' hearing. No doubt, in his official capacity, Mr. Herman is unaware that the average man's working day runs from 9 A.M. to 5 P.M. Either that, or he is making certain that those who have partisan feelings will be prohibited from expressing them for public consumption."

"I hardly consider Mr. Herman's action a public service," Kunz added.

The legal notice of the hearing, describing the proposal officially, appears in this issue of the Herald. The hearing will be before the Oyster Bay and Hempstead Town Boards sitting as a joint tribunal.

The playground will again feature special events which will include Costume Parade, Hobby Show and Field Day. These events have drawn record participation in the last year.

PLAINVIEW VAMP REPORT:

20th Anniversary For Ladies

The firemen wish to congratulate the Ladies Auxiliary on their 20th anniversary. We know that in the past 20 years the women have worked hand in hand with the men.

The dance was a great success, the dancing was great, the food was better and the refreshments were best. Mrs. Ann Ocker, president, presented a check to the fire company for the complete cost of a public address system.

The unit consists of a complete system within the fire station; secondly a public address system installed on the small Dodge fire truck, and last but not least a record player to be used in conjunction with both units. This unit has been discussed by the firemen at the last three company meetings.

We know that this unit is a great assistance in fighting fires. It is not known by too many, but we do have a large wooded section in the east end of town to protect and feel that in fighting fires in a wooded section, the public address system is necessary. We all realize with the town growing at the present rate, this unit could be used in all emergencies.

No fires were reported by the Chief this week but one emergency call was placed by the chief himself. The new development known as Green Knolls has its water mains cut into the section of Old Country Rd. During one period, water was not available to these homes; therefore the

chief thought it necessary to have a number of men on duty in case of fire. This is just another of the emergency services rendered by the fire company unknown by our neighbors.

We realize that when you read this article the Clean Up Ses- sion throughout the county will be a moist over but there are a few remaining days in the week. Therefore, let's all run down stairs or up to the attic and pick up something. A minute spent now may save dollars in damage later.

This is for all groups that wish to participate in the Memorial Day ceremonies. We are sure that this is an important day to all who have served in the armed forces. Let's all get together with Ben Sattig, the chairman, and make this day something for the people of the town to remember.

The Chief of the company presented the Ladies' Auxiliary with a check to show the feeling of each firemen for the support we have received from the ladies.

Incumbents Wins Close Contest

PLAINVIEW—Incumbent school board trustees were re-elected at the annual school meeting here Tuesday night which lasted until after 1 o'clock Wednesday morning. Herman Williams received 97 ballots to defeat Edward R. Callahan who got 81 votes. In the other contest, appointed Creswell Delamain barely nosed out George E. Kunz, 91-90. About 200 votes were cast. Joseph Seigel was chairman of the lengthy meeting.

The vote on the budget came at the conclusion of the long evening with 28 voting in favor and 12 opposed. The budget voted upon was \$403,155 compared with \$386,580 which had been proposed in advance of the meeting copies. Opponents said they were attempting to bring about a reduction of about \$20,000. contending that the proposed number of teachers for whom salaries were being appropriated was more than the opposition thought necessary.

LINCOLN ROAD ROUNDUP:

About Garden Spot of Plainview

Hi Folks:

After a too long layoff we're again resuming our column. With the help of all the neighbors, we hope to get the column to press at least bi-weekly.

To you: Welcome home, Eddie Kunz, we hope you enjoyed your vacation in Illinois. We all missed you. Speaking of vacations we hear the David Heisler's have just returned from a three day week-end visiting relatives in Harrisburg, Pa. Hope the new car performed okay??

Have you noticed how predominant the color green is getting, with all the new lawns showing promise of coming up? We're all glad of having some success after working so hard trying to get grass to grow in something we doubt could be called topsoil.

Congratulations to the patio builders!! The Al Botiske's, Ed "Dutch" Ehlenberger's and the Al Calamo's. After working hard on the exterior of his house, Al Botiske, didn't end it there. He went on to build a nice size patio. Now we hear he intends to erect a low brick wall around it. "Dutch" also went to town finishing off his with colored flagstones. It looks swell!!! Although Al Calamo built his patio late last year we mention the fact now in connection with his present bit of construction. It's a barbecue pit. Hope we're all invited when he's broiling some delicious steaks some nite!! Keep up the good work fellows.

Glad to hear that all is well with "Sy" Falk, after his auto accident some weeks ago. We hear the only damages were to the car. Greetings to the new arrival in the Joe Lankowitz household. It's a girl, their second. Could be, Joe, that's a better job than building a patio?? The Gene Ralph's have visitors from Cleveland, Ohio.

They had a little trouble finding the right place, but they're here now. It's Jane's mother, father, sister, and nephew. The place is jumping now and probably bulging at the seams a bit. The Ehlenbergers and the Wenzes attended the Nassau Hospital Alumni dance this past Friday. Strictly formal, and all had a "wow" of a time we understand.

The garden spot of Plainview is here on Lincoln Road. The Arthur Busch's are quickly proving that he's in the business, the property being so well landscaped. Perhaps when he's finished beautifying his property he'll help the rest of us acquire some of the shrubbery necessary to complete the scene up and down the street.

There's an idea in the offering. We would like to with the cooperation of the builders of Waldron Homes, provide a playground for the neighborhood children this summer. Naturally we will need the help of all the menfolk in the development to realize this end. One thing is sure, with all the rabid softball prospects available we should be able to field a team and play on the home field perhaps.

TESTIMONIAL DINNER
Mr. and Mrs. Fred J. Noeth, Twinlawns Ave.; Mr. and Mrs. Victor Maggi, Sixth St.; Mr. and Mrs. Gene Maggi and Mr. and Mrs. David Boglioli, Newbridge Rd., all of Hicksville, were among the guests of Mr. and Mrs. John Boglioli, W. Marie St., Hicksville, at the Waldorf - Astoria, New York City, last Thursday evening at the dinner dance tendered to the Levittown office of the Metropolitan Life Insurance Co. The office was placed second in the United States for insurance sales in 1952, and first in the Metropolitan territory. John Boglioli is manager of the branch.

Current Comment:

What Price Civic Pride?

By Fred J. Noeth

TAXI CAB operations were back in the news this week and the decision in Nassau First District Court, Tuesday, will not be greeted with cheers by Hicksville commuters. Two independent cab operators were arrested last week by a LIRR police officer, charged with soliciting fares without a permit.

The complaint against the two cabbies was dismissed by Judge John Daly at Mineola when their attorney pointed out that the section under which they were charged pertained only to soliciting on subway-elevated railroad platforms.

The verdict is based upon a technicality and we suspect that the LIRR will not let the matter rest since application of this decision could, it is believed, affect RR authority with respect to leasing of taxi franchises at all depots.

We have had frequent complaints registered at our office by commuters regarding the energetic soliciting by cabbies—without reference to any particular operators. It is almost impossible for commuters to leave the station platform without running the aggressive gauntlet of "Taxi, Mister."

The need for some regulation of taxi operations from the vicinity of the station has been stressed before. We cite it again as another strong reason why we need local village government now. Nearly every incorporated village of a size warranting extensive cab operations has such local law for the public's protection.

The Town of Oyster Bay has repeatedly declined to interest itself in this problem. For nearly two years requests for control of the situation at Hicksville station was shunted aside by Oyster Bay on the grounds that the "county was going to do something."

The county made an elaborate study and filed a report. Possibly because of the magnitude of the problem of trying to devise a county-wide regulation, nothing further has been done.

As with the matter of grade crossing elimination at Hicksville, there is no local, home agency to trouble itself with legally pushing for the correction of operations which stifle the orderly development and growth of our community.

The Town Board increasingly finds itself engaged in the major, broader town-wide problems and is unable—if not unwilling—to devote its energies to Hicksville problems as such.

The sooner we get incorporated as a village, the sooner we will have a community in which we can take pride and in which we can work cooperatively.

This is our big opportunity. Have you signed the petition to bring home rule to a vote? If no one has called upon you or you were perhaps not at home when a neighbor did call, take a minute to speed the job. Come down to the office at 98 North Broadway, next to Hicksville Post Office, and sign up. We are open all day Saturdays and will be open this Sunday afternoon for your convenience.

Have you been struck, as we have, by the inconsistency of people who ten years ago were saying "wait awhile, Hicksville is too small" are the very same people who today are trying to say "we should have done it 10 years ago. It's too late now."

Community patriotism is an issue at stake. Ask yourself, as we have, if the individuals who profess to be "opposed" are thinking more of themselves and their political situations or if they are honestly concerned for their home town and neighbors.

Red Cross Fund Shy \$158

MINEOLA—Hicksville residents have contributed \$2,011.48 toward a \$3,600 quota for the 1953 Red Cross fund drive under the chairmanship of Henry Melnits, as was announced at Red Cross headquarters here. Mrs. John Mitchell, chairman of the drive in Bethpage, reports a total of \$663.98 toward the \$1,200 quota set for the community.

Amvets Alley

"OUT OF THE FOXHOLE" . . . On Friday evening, April 24 came the thunder of an ever-growing chorus of voices raised in repeating the Oath to God and Country and the AMVETS Allegiance. It was a far cry from the weak voices that were heard back in October of 1949. I should know for at that time I was one of them. The Ceremony that was held April 24 signified the increasing strength and "growing pains" of the baby veteran's organization that came out of World War II and who now takes in the boys of the Korean Campaign. Somehow I always feel honored when I see or hear the name AMVETS. To me and the 26 other men and one woman who started AMVETS it meant a hard uphill struggle that is finally showing success. It shows what a few can do when they are outnumbered at least 600-1. To the members who failed to attend the "Mass Induction" let me give the names here as to who are now listed as AMVETS. Handling the Oath was National Executive Representative Jimmy Reilly and sworn in were . . . Joseph Stankowicz, William Olszak, George Pendleton, Charles Fairall, Joseph Heilberger, Jack Hudson, Armand Grille, Richard Hausemer, Peter Fochi, Louis Leck, Jimmy Stewart, Harold Stewart, Virginia D'Addario, Edie Kabel, Daniel Van Wickler, Ralph Prince, Chris Farrell, Jerry Kennedy, Al Mizney, Thomas Burns, James Sarsie, Emery Smith, John Field, Alphy Jandrea, Dick Osborne, William Rasmussen, Ray Klewinski, Walter Wells and Felix Pesinkowski.

About were Guy Mazzoni who is serving with the U. S. Navy, and Phillip Mihalek serving with the U. S. Coast Guard. With the swearing in of Ginny D'Addario West Hempstead's and Post 44's Marge Kleinman will not be alone. In another few weeks follow AMVETS this column will again run a list of new members that will be sworn in at a mass induction. To those of you who have failed to come out . . . try and be on hand for the next "prospective members nite" it will be something that none of you should miss.

MAINLY ABOUT OUR MEMBERS: AMVET Bill Oltzky, a new member, is also a member of the Jewish War Veterans Post 656 and the post's past commander. Al Maxey has just won his "Wings" with the Airborne troops. Virginia D'Addario is a former "School-Marm". Bill Rasmussen pilots a taxi in town. Dan Haisom and his charming wife came Friday evening with another prospective member for the post and the Auxiliary. Visiting our affair was Al Mattioli, Nassau County Commander, who took off for home to make plans for his own new members nite. Pete Fochi was the man behind the slicing machine. You made a beautiful job of it to Pete. George (I didn't get home yet) Homoski was the fellow behind the stick. Harry Strembel and wife will be visited by Mr. Strembel in the near future. That's about all for this week fellows, but before I close feel proud for you all did a swell job. Let's remember that when we hold another "nite" let's double the number of members that we bring in. The flat that is being sent to National and State is going to look mighty good. Take care of yourselves until we meet again.

Miserable Angel (?) Cake

By BUNNY LAUER
Hicksville 2-2794-3

Well, now that I have attained my sheepish driving, I have decided to put my full attention to becoming once more the loving wife and devoted mother. Alas, my first attempt failed miserably. I decided to bake an angel food cake. The results? Send it to Alcatraz to join the rock pile. Next I shall try my hand at making curtains. At least it won't be a complete waste. I can always use the finished product for dust rags.

Mrs. Margaret Brady of Lee Ave. is off to San Diego, Calif. by plane for a week's visit with an aunt who is a Mother Superior at Mercy Hospital here.

Did you see the new model house next to Fanny's Farm stand? Wow, talk about levels. Recreation room on one level, sunken living room on next level, kitchen and dining room on next level, a few stairs more and two bedrooms, then more stairs—the master bedroom. Don't stop reading you have guessed it—in the master bedroom — few stairs up to the powder room. Could just see myself in the basement calling to one of the kids: "messing around with my cosmetics in the powder room. Heck, you'd need a loud speaker."

Mrs. Edna Basco of 26 Linden Blvd. is the new Avon cosmetic representative in our neighborhood. I can personally vouch for the mumpoo. It even cleans Paul's hair

BUDGET VOTE

(Continued from Page 1) amount planned appeared less than the sum being spent this year. Milton G. Leavitt called attention to a recent "straw vote" taken in the district which indicated the demand for continuation of transportation on the basis of present distances.

The motion was then offered to increase the budget appropriation on transportation from \$63,000 to \$100,000. It was carried in the vote at the end of the meeting. Harry Ernenwein, business manager of the district, and School Superintendent E. H. LeBaron as well as Board President Henry C. Brangell entered the discussion at various points in answer to questions and explain budget items.

Lee Ave. P.T.A. Raising Funds

During the past months the Lee Ave. School P.T.A. has been working to raise funds. They've shown movies, held an auction, put on a membership drive, etc. They succeeded in raising an impressive sum and they're still endeavoring to raise more.

The organization has been very generous with its hard earned funds. It has given the school a

movie screen. Recently it purchased a number of medals, trophies, class pins, etc., that will be awarded to the leading students in the sixth grade class. Its latest gift to the school was made at the last meeting, when the P.T.A. voted to buy the school a tape recorder.

Donald Abt, the principal of the School, demonstrated the machine by playing recordings made of classes in session. He pointed out the value of the recorder.

At the present the P.T.A. is working to raise funds to buy a small printing press for the school which is the next item on their shopping list. The press would be used for the publishing of "The Lee Ave. News."

The Legionnaire

Charles Wagner Post

No. 421, American Legion

FELLAS—something really has to be done! About the unnecessary noise at the Club on the first Friday of each month that is. Several verbal complaints have already been registered by the Auxiliary and now there is one in writing. The Auxiliary is a very important part of our function and certainly deserve the consideration we would expect from them were the situation reversed.

The ladies meet regularly only once a month and their meeting is usually quite brief. We don't think it's asking too much to make silence the rule until the business meeting is ended.

In the past we have been among the guilty but resolve to change our ways. How about the rest of you Legionnaires?

Remaining on the subject of the Auxiliary for a few seconds thought you'd like to know last Friday's meeting ended with a nice party for Past Presidents. Those honored included Anna Brongel, Katherine Noeth, Dorothy Shea, Catherine Ballenger, Lil Doran, Tecla Madden, Sarah Finger, Elsie Metzger, Chic Jabour, Ruth Schlichting and Mrs. Fred Gild.

Serving on the party committee were Juliet Lorenzo and Harriet Mangels while music was provided by Mrs. Boerckel.

This is our first opportunity to bring you the highlights of the April County Meeting in Hempstead where the Charles Wagner Post was represented by Ed. Becker, Al Vitale, Walter Barnett, Guy Smith, John Spinella and yours truly.

Of primary concern to all is the fact that tax

free cigarettes are out for veterans of state institutions like Kings Park. This decision by the Veterans Administration was written in a seemingly endless mass of words which all added up to "no."

In this connection the resolution introduced two months ago by the Freeport Post asking for, and supporting legislation that might be introduced to change existing laws pertaining to tax free tobacco products, was unanimously passed by the Executive Meeting.

There is already a bill in the works—HR 4391 introduced by Rep. Becker, a past County Comptroller, to authorize tax free cigarettes for veterans confined to state hospitals. Passage of such a bill will enable the Legion to provide three times as many cigarettes as we are able to do currently. Write your Congressman expressing your desires on HR 4391!

Further results of the County meeting: Tuesday, May 5—Fifty vets from Kings Park the guest of the Brooklyn Dodgers and the Legion at the ball game. . . . County Legion supporting a State Teachers College for Nassau-Suffolk Area. . . . Forwarded \$125. to Northport Hospital bus fund for use in transporting vets to ball games. . . . Surplus clothing collected for child welfare going to Korea. County membership now over 8,200. . . . Third Div. Caucus at Glenwood Landing May 15.

Fork Lane School is last one to be dedicated for awhile—Flag was presented Sunday by V.F.W.'s Frank Satter on behalf of the Legion, V.F.W. and J.W.V. Representing the Legion, were Jim Carter and Ed Becker.

Look for these things until next week—New Legion safety signs. . . . The Auxiliary selling poppies. . . .

Choral Society To Sing Original Work; Debut of Chamber Group

GARDEN CITY—A song written in honor of the 30th Anniversary of the Hicksville Choral Society will be presented at the annual concert by the Choral Society tomorrow, (Friday) night in the Georgian Room of the Garden City Hotel at 8:30 p.m.

"In Praise of Song" with lyrics written by Miss Harriet Spink, music supervisor of Hicksville Public School and music composed by Howard Orton Wood of Jamaica, is to be presented.

The Chamber Music Society of Hicksville, appearing through the courtesy of the Hicksville Adult Education program, will assist the Choral Society in the program.

Soloists on the program will include Betty Beutelman, soprano, who will sing "Soft Through the Still Night" from Jocelyn and Adelbert Cramer, tenor, who will sing "O Lord Most Holy".

Selections by the Choral Society will include: "Great is the Lord", "O God of God", "The Green Cathedral", "Morning", "The Dear Old Woman", "You'll Never Walk Alone", "Daybreak", and "In Praise of Song."

The Chamber Music Society will present "Pavane", "Slavonic Dance No. 10", "Berceuse" and other selections.

Mrs. Mildred Morselli will ac-

company the Choral Society at the piano and Howard O. Wood will be at the organ.

Mr. Elwood Curtis, founder and conductor of the Choral Society, said today that admission to the concert is by invitation but any lover of music is cordially invited to attend.

Words of "In Praise of Song" written by Miss Spink are as follows:

In harmonies that bind each loyal friend to friend,

In melodies that soar to heaven's vaulted end,

With words of faith and love in sweetest concord blend;

Let songs sublimate their joy and healing message send.

So may life's seeming strife and discords all resolve

In harmonies that with celestial stars revolve

In rhythmic majesty above earth's weary sod

Till life, itself, become triumphant song to God.

Add Morning Train on June 21

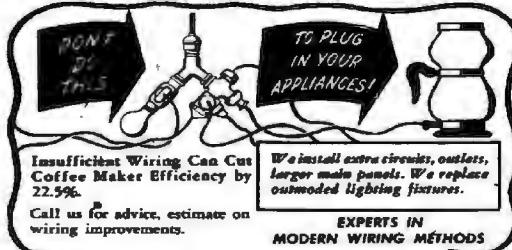

JAMAICA — Two additional morning commuter hour trains, one starting at Hicksville and one originating on the Long Beach Branch, will be put in service by the Long Island Rail Road on June 21, Passenger Traffic Manager Henry A. Weiss announced yesterday.

Extensive development of the area around Hicksville in the past year has made the station one of the busiest on the railroad. Hicksville already is served by trains from Port Jefferson, Greenport,

Ronkonkoma, Speonk and Montauk, Weiss said.

"The new train, which will originate at Hicksville and make one stop at Westbury, running express from there to Jamaica, will give additional fast service for commuters from both these important and growing areas with greater comfort."

Specific times for the new trains will be announced when the new timetable, to go into effect on June 21, is completed and ready for distribution.

Friends in New Neighborhood

By GENE MALIKAN
Hicksville 3-0515

I don't know how it is, but some weeks just come along when there is nothing to report to you. News, I find, is like the weather — sometimes there is — and sometimes there isn't. About the only comment I received when I ask, "What's new?" is "I'm dead on my feet after waking up an hour earlier each day in this daylight saving time."

And many sports fans are walking around with a surprise look on their faces yet — after Saturday's upset at Churchill Downs when Dark Star became dark horse. Nevertheless, life goes on.

Folks around Ketcham Ave., way might have noticed Jim McDonald's change of routine. He has gone in charge of the sales and consultation end of the insurance line, having lined up with Prudential. He mentioned that he is specializing in mortgage consultation . . . Kay and Gerald Delorme attended the ordination of Kay's cousin, who was ordained a priest. They later attended a dinner at a hotel in the city . . . Thanking Hillside Terracers for their generosity are the following collectors for the Cancer Crusade: Mildred Mullery, captain; Barbara Altman, Kay Delorme, Josephine DeBlasio, Betty Sinini. They collected \$85.95. Great work.

For obvious reasons we will keep the anonymity of the sender of the

Question of the Week. She would like to know how to make friends in a new neighborhood without offending.

If there is anyone interested in becoming an airplane spotter for civil defense phone Kenneth Willis at Syosset 6-0870-J. A reader is interested in this, but does not wish to attend alone. I'm sure many of us would enjoy accompanying her so — if you are interested — give me a jingle and I'll intercede.

Connie Doyle informs us that three den mothers have dropped out of pack 91. This is most unfortunate, since it means that many boys will not be able to continue as in the past. This is a group sponsored by St. Ignatius Loyola. It is our thought that perhaps, the women who wished to be den mothers in Woodbury Gardens could take over some of these vacancies, thereby presenting opportunity for their local section to participate. This is purely a thought of ours and could be mulled over.

The Woodbury Manor Civic Assoc. met last night. Details next week because of deadline . . . Paul and Gloria Navarra, of the Manor, celebrated their wedding anniversary on April 30th at Guy Lombardo's in Freeport . . . I guess you know that Woodbury Manor went out for Smiley and Parr for the school board. By the time you read this the voting will have been over. Hope you participated. You may see the Oakems driving around Woodbury Manor in their new English Ford . . . Another new addition from the Oakems is forthcoming, and this is also true of the Chirazis — also of the Manor . . . The Branshams of Ketcham Ave. are entertaining a visiting sister, Earline Eley.

The part of our column that has caused much comment lately is the recipe. We wish to thank our many donors and our readers who have called to tell us of their opinions on the dishes. Today's donor is Anne Becker of Briggs St. Veal Parmesan: Prepare your favorite spaghetti sauce. Have butcher prepare 1 lb. veal cutlets (Italian Style) 2 c. bread crumbs, 1 lb. chopped parsley, 1 egg, ½ c. milk, ¼ c. salt, ¼ black pepper, ½ lb. mozzarella cheese, sliced thin, 3 lb. grated parmesan cheese. Roll veal cutlets in mixture of parsley and bread.

TOWN SPONSORED BILL:

Dewey Cites County Attorney Reasons for Okay of Split Law

ALBANY.—Gov. Thomas E. Dewey in apprising the controversial and protested Joint Levittown District on April 19 again leaned heavily upon the written comments of the County Attorney for Nassau by way of justification it was learned this week. The bill first introduced by Assemblyman John J. Burns of Sea Cliff as a device to chop off a portion of Hicksville and then was amended to split off control of a part of Hicksville and turn it over to majority regulation by Hempstead Town Board, drew the fire of all concerned.

VOTE WAS PLEDGED

The law makes no provisions for a referendum or public vote on the question although Oyster Bay Supervisor Charles E. Ransom wrote homeowners of the area on December 15, "I am absolutely positive there has not been, nor will there be any effort on the part

of the Town of Hempstead to take in any area of the Town of Oyster Bay... If such legislation is introduced, I can assure you as your supervisor that I will not help sponsor or approve any such proposed legislation, unless it provides for a referendum to be held

in which the taxpayers in Levitt homes, within the Town of Oyster Bay can express their opinion."

On January 30 the Oyster Bay Town Board held a referendum to determine if the people of the Levitt area in Hicksville wanted to be part of a joint Levittown District. The vote was decisive 485 no, 193 yes.

The bill was introduced in the legislature on February 10, ten days after the verdict by the taxpayers that they did not want a joint district.

Seven days later on February 17, Oyster Bay Town Board adopted a resolution endorsing the legislation. The bill was passed by the state legislature on the final day of its session. It was signed by Dewey on the last day for such action before an automatic or pocket veto.

Gov. Dewey's official memo andum filed with the bill in granting approval follows:

"This bill would authorize the Towns of Hempstead and Oyster Bay, acting jointly, to establish a joint community hall and swimming pool district. The bill is permissive and no action could be taken by the Town Boards without a public hearing on the proposal. Concerning the bill, the County Attorney for Nassau County has written as follows:

UNUSUAL SITUATION

"The bill was drafted in joint conference with the officials of both towns and is designed to furnish the solution for a most difficult and unusual situation in the Levitt developments which straddle the Hempstead-Oyster Bay town line.

"The situation is created by the existence in the Levitt area

(Continued on Page 15)

The SENTINEL**Honor Of Your Absence Is Requested**

The honor of your absence is cordially requested by the Oyster Bay Town Board and the Hempstead Town Board meeting in joint session to break up your community. They don't seem to want to be bothered with such trivial things as what you want or have to say. Too many people coming might possibly mess up the works and give the people what they want. They can't take a chance on that.

When Is A Public Meeting Not A Public Meeting?

The answer to this is when the meeting is held in the middle of a working day and the working public cannot attend. The Town Boards of Oyster Bay and Hempstead have decided to hold the public meeting to consider the establishment of the proposed joint swimming pool and hall district between Hicksville and Levittown, on Tuesday, May 19 (in Hempstead) at 11 o'clock in the morning. How many interested citizens can afford to lose a day's work to attend this meeting and express their opinion? Last year such a meeting was held in Hicksville in the evening and the auditorium of the East Street School was jammed. An honest cross section of public opinion was expressed and determined that night!

Let's Have An Evening Meeting In Hicksville

If the two Town Boards are sincere in wishing to make a decision in the best interests of the people directly concerned, they will again call for an evening meeting in Hicksville. They will then certainly get a good idea of the people's wishes.

"Merit" to Decide The Case

Supervisor Harold Herman of the Hempstead Town Board, evidently also acting for "our" own Oyster Bay Town Board, has let be known that the two boards, sitting as group, will not be swayed by crowds, but only by "merit". Let us ask the good Supervisor how merit can better be determined than by the wishes of the majority of the people?

Merits of the Case Not Changed

Last year, Oyster Bay Town Board in its decision said that quality of the arguments against the Park and Parking District split were superior to the arguments in favor of the split. Therefore, the board, made up of the same members as now, decided against the split and said that operation of the pools and the hall were of no concern to the town. Circumstances are the same as last year and the merits of the case have in no way changed.

"The Public Be Damned"

The recent action of the Oyster Bay Town Board in connection with the connivings about the proposed joint swimming pools and hall district with Levittown bring to mind the famous and ill-advised statement about "the public be damned" made by a railroad tycoon almost a century ago. Public interest of Hicksville seems to be about the furthest thing from their minds. It is little short of amazing how far off base a political body can get when they decide to pressure and lay aside the interests of the community which elected them to office. The smartest thing the Oyster Bay Town Board can do at this time is to wash their hands of the joint district deal. And let it be.

Case Closed Before Meeting Starts

All the evidence on hand indicates that the "meeting on May 19" will be merely a formality to make everything legal. The joint district bill calls for a public meeting, so they will have what they call a public meeting. But the public is invited to stay away. The case seems to have been decided for some time. There is nothing to indicate that there is any chance of anything but a decision against Hicksville.

The Court is Packed!

What chance is there for a decision to keep Hicksville free from Levittown intrusion? Even at the very best the votes are stacked 6 to 5 against us. The majority vote of the two boards sitting as one will decide the issue, and there are six Hempstead Board members to our five. And it is well known that the Hempstead members favor extending their jurisdiction and control into our town. Unless there is a decided change of heart in the Town Boards, there is little or no possibility of a decision favorable to Hicksville.

Hicksville Incorporation, The Only Answer

The Joint District Levittown law sponsored by our Town Board, passed by the legislature, and approved by Governor Dewey includes the clause that the two Town Boards may establish joint districts between any unincorporated areas of the two towns. The answer is very obvious. Once Hicksville is incorporated it cannot be subjected to such goings on.

Time Is Of The Essence

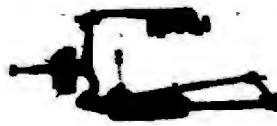

Because the Incorporated Village of Hicksville must be an actuary to prevent the intrusion of Levittown into our community via the Joint District, every effort to bring about incorporation at the earliest possible moment must be made. Already more than two-thirds of the necessary signatures have been obtained. The great majority of people approached by members of the volunteer committee gladly sign to permit a vote to bring home rule to Hicksville. A great many people have stopped in at the office at 98 North Broadway to sign the petition. Many have called Hicksville 3-1401 to ask for someone to stop by to get their signature. If you haven't already done so, do it at once.

Largest Incorporated Village

When it is incorporated Hicksville will become the largest incorporated village in the State, taking the crown from the Incorporated Village of Hempstead.

Levittown Paper for Levittowner in Hicksville

The Levitt-owned Levittown newspaper says: "In school district 17 (Hicksville), we urge the election of Levittowner Richard School." This is another first-class example of how the Levitt interest are trying to split off South Hicksville from the rest of the community. This recommendation was very obviously made on a geographical kind-of-house basis with little or no consideration for the merits of the several candidates. It seems that the only qualification for any office in Hicksville, as far as the Levitt paper is concerned, is that the candidate live in a Levitt house. Why, they didn't even say a word about School's running mate who doesn't live in a Levitt house.

**The Chief Operator
knew the score!**

"Around eleven o'clock tonight," said the chief operator of the telephone office, "our switchboards will become very busy."

A good guess? No, a good game. You see, the local basketball team was playing its big rival that evening. And the chief operator knew that lots of people would be phoning when the game was over.

The number of telephone calls can change tremendously from day to day—even from hour to hour. A radio bulletin or a newspaper headline can do it. So can a sudden storm—a popular television program—a local election. Holidays always mean a big change in volume of calls.

Keeping pace with these changing demands requires constant alertness by telephone people—plus equipment always ready to handle heavy loads. This adds up to fast, dependable service all around the clock. So fast that the average local call goes through in 20 seconds or less. So dependable that the average telephone stays in use 6 years without any interruption to service. New York Telephone Company.

GLEE CLUB of Burns Avenue School provided entertainment at the dedication of the new Hicksville elementary school on April 25. Ceremonies at the duplicate Fork Lane School, last Sunday, concluded series of five

new school dedications for the community in a matter of months, setting a record in educational circles. Mid-Island Herald photo by Gus Hanson.

A fishing rod was awarded to Norma Hicks at the card party sponsored by the Boy Scout Mothers Auxiliary of Hicksville Troop 64 held Friday night, Apr. 24.

Mrs. U. D. Vizki was awarded a chair; Mrs. Rose Schneider received a basket of groceries; Mrs. George Miller, a seat; Mrs. George Gleckler, a bouquet of flowers with a \$ bill.

Joan Tweeddale won a cake as the door prize. The committee wishes to thank the Hicksville merchants who aided in the success of the affair.

HICKSVILLE GABLES:**8th Birthday of Urschel Twins**

By RUTH SCHULZ,
Hicksville 3-2549-R

It would seem as though most everybody in these parts are busy with spring planting and gardening and the results here are well worth the effort. Credit for some lovely effects, are certainly due to a number of you, and wish I knew the names of all you industrious people. We keep our gardening to a minimum being away all summer; don't feel it fair for friend husband to do all the work alone. But this doesn't stop us from admiring and enjoying all of your hard work while we're here. We've just planted our fourth tree in four years on the front lawn and are now waiting anxiously to see if this one takes. Green thumbs certainly do not run in this family!

Virginia and Nancy Urschel, twin daughters of Mr. and Mrs. Leonard Urschel of 15 Gables Drive, celebrated their 8th birthday on Apr. 27. The girls were both hostesses at a party given in their classroom at East St. School, refreshments being provided by Mrs. Urschel. An impromptu gathering was also held after school on the Urschel's patio, for other friends of the twins. Their daddy observed his birth date on Apr. 28th, with a family dinner in the evening. Cake baking must have reached its

peak in this household during the month of April, as earlier, on the 7th, it was Mrs. Urschel's birthday.

April 27 was also the birthday of Michael Cotsonas, younger son of Mr. and Mrs. C. Cotsonas of 14 Gables Rd., who observed his 10th birthday on this date. Michael was guest of honor at a luncheon, with the following guests in attendance. Brother, Phillip, Cotsonas, Jimmy Thompson, Jack Jastrob, James Trotter, George Engel, Billy McKee, Arthur Cuel, and Jerry Misofski. Guess we could safely comment that this was probably Michael's first stag affair!

Last, but not least, Miss Mildred Harrigan, daughter of Mr. and Mrs. E. F. Harrigan of 293 Plainview Rd., celebrated her 17 birthday on May 2. Best wishes to you all.

**Sale Of Legion
Poppies To Start**

HICKSVILLE—The annual Poppy Sale sponsored by the Charles Wagner Legion Auxiliary will start Friday, May 15, and will continue until Memorial Day, it was announced this week by Mrs. Ruth Schlichting, chairman of the poppy sale drive.

Ladies of the auxiliary will be at the railroad depot and in the business sections of the community to sell the poppies on Friday.

Mrs. Schlichting explained that the red flowers are made by veterans of past wars as an occupation and means of a small income. Proceeds from the sale will be used to help rehabilitate veterans.

"Wear a poppy to honor the dead and rehabilitate the living," Mrs. Schlichting said in urging the community's support of the drive.

NORTH EAST REPORT: Possibility of Cold Summer

By MARY HERVAN
Hicksville 3-4736-W

Not too much to report except that this spring, if you can call it spring, has brought along with it a lot of sickness. Spring is usually a preview of what is to come in the summer. If this weather keeps up we may have a cold summer. What a cheerful thought. I hope that everyone that has or is on the sick list are feeling much better.

Mr. and Mrs. Pavlidis of Mabel St. are the proud and happy parents of a brand new girl. Lots of luck and happiness to them all.

There is a coach carriage being offered to someone who can use it. It is not for sale, but it is in fair condition and too good to be thrown out. If there is anyone that would like this carriage, call H. 3-0853-R. I do hope that I have been of some help in this matter.

I have noticed that in the past few weeks there haven't been as many loose dogs running around, as there were. It might be due to the weather, but I hope that it isn't. Be sure that your dog is safe. Some weeks you can pick up a paper and read where some little child has been bitten by a stray dog and the family is looking for the dog so the child won't have to go through those rabies tests. Imagine that those tests are very painful. I don't know, so please don't quote me, but why else do they want to find the dog?

Some people think that this is just a social column. It is in a sense, but if you have any news that you think would be interesting to us all, please give me a call. You make up my column or should

I say your column. A few people have asked why this or that wasn't in the report? How can it be when I—one person—don't get the news from you people.

I hear of some things but when I go to call, you may not have a phone or it may be under the name of another member of the family. So please if there is anything on your mind that you think we should know, let me know.

By the way Mrs. Marie Purish of Willet Ave is a proud grandmother, this time it was a little boy, born to her daughter Helen, and Helen's husband.

Miss Lynn Reece celebrated her fifth birthday on April 11. She had a party that was attended by some of the children of the neighborhood. The little gentlemen were Dennis and Kenneth Graul. Sonny Ellis, Paul and Michael Barucheri, Austin Gauthier, Noel Hervan, and last little Gary Reece. The little ladies were, Debby Ellis, Susan Gauthier, Jaynie Hervan, and Lynn the little birthday child. Cake, ice-cream, soda, and candy were served to all. They played games and prizes were won. I do believe that all the children had a good time.

JOAN M. ROEWER

Mr. and Mrs. Carl Roewer of 35 Charles Street, Hicksville announce the engagement of their daughter, Joan Marilyn to Sgt. Arthur Fredericks, Jr., son of Mr. and Mrs. Arthur Fredericks, 44 First St., Hicksville.

Both are graduates of Hicksville High School. Miss Roewer is employed at Grumman, Bethpage. Sgt. Fredericks is a paratrooper, stationed at Ft. Campbell, Kentucky.

Wedding ceremonies are planned for July 5th at St. Stephen's Lutheran Church, Broadway, Hicksville.

DEWEY CITES

(Continued from Page 13)
swimming pools in both townships and a community hall in the township of Oyster Bay, all of which are so physically designed and located as to serve the entire community comprising the Levitt-built area without regard to town lines.

The pools situated in the Town of Hempstead have already been taken over for maintenance and

operation by a Hempstead town park district, called the Levittown park district. The community hall and two swimming pools in the town of Oyster Bay have not yet been taken over by any district. There is in the town of Oyster Bay a park and parking district which embraces the Levitt-built homes in that town. Because of the effect upon park purposes generally and parking fields, the town officials of Oyster Bay were unable to solve the problem under the legislation embodied in chapter 412 of the laws of 1952 which contemplates the division of the Hicksville park and parking district in the town of Oyster Bay. This matter has been the subject of a most intensive study and public discussion.

"Stripped of the administrative provisions, the bill provides a vehicle whereby the pools now operated by the park district in Hempstead may be transferred from the district to a joint district and the pools and hall located in Oyster Bay may be dedicated to and accepted by the joint district leaving in tact for all other purposes the existing park district in both towns."

"The bill is approved.
—Signed THOMAS E. DEWEY"
Hempstead and Oyster Bay Town Boards have jointly called a public hearing on the question Tuesday morning, May 19, at Hempstead Town Hall at 11 o'clock in the morning.

crumble, beat egg and mix lightly. Dip breaded cutlets into egg mixture, then dip again in bread crumble. Sprinkle salt and pepper. Fry cutlets in olive oil until lightly brown. After your spaghetti sauce is done, line baking pan with sauce. Place veal cutlets in pan, and add more sauce. Cover with layer of mozzarella cheese. Add a little more sauce. Sprinkle with parmesan cheese. Broil until lightly browned and cheese has melted slightly. Serve spaghetti with the rest of your sauce, and serve immediately. Of course salad or antipasto will go well.

May received an invitation to attend the 30th annual concert of the Hicksville Choral Society to be held at the Georgian room of the Garden City Hotel on Friday May 8th at 8:30 sharp. Naturally, one does not need an invitation to this wonderful affair. If you wish to attend just get your friends together and drop in as it will be a great experience, proven by the thirty long years it has been attracting audiences. If you are anxious to be present and do not want to be alone, join us on this night and make it that much more interesting. Of course, you may read a review in this column after the soiree.

By HOWARD FINNEGAN

It is the sober consideration of this corner that if the North Shore Athletic League should rule that Hicksville High must go to Oyster Bay again this season then the local school should sever relations with the Baymen for the balance of the school year.

There is little question that a simple "out" call on firstbase should not have resulted in the farce that came about at Oyster Bay, Monday.

The officials' solution of calling the game for "darkness" was even more ridiculous than their tolerance of the repeated delays.

Coach Dick Crawley gained immeasurably by the calling of the game.

It was apparent that the half hour circus did not upset Tommy Valentine and he came on again to have the situation in hand.

He was past the meat of the Baymen's order and Crawley had exhausted his bench.

Once the game went into the ninth, the tide swung towards Hicksville favor.

If by the impossible action in delaying the contest Crawley has gained a chance for a decision on another day, he wins a major point.

At the very least the game should be called "No Contest" and the balance of the card played out.

Two weeks ago we rushed to the defense of Crawley on a minor matter with the thought, "If they are going to stone Dick Crawley out of the North Shore Athletic League they will have to use more than pebbles for ammunition."

In our book there was a landslide at Oyster Bay, Monday.

Gesco Defeats Lighting Co 7-3

HICKSVILLE — Behind the hit pitching of Bob Morris and two towering home runs off the bats of "Mung" Gurr and George Lubbeck, General Electric Supply Co., walloped the LI Lighting Co. 7-3, in a well played softball game here Friday.

The Lighting Co. scored two runs in the first on singles by Streeter and Tom Hill, a pass to Weeks and two Gesco miscues.

Gesco snapped right back in their half with 3 runs on a lead-off single by Morris, a walk to Hansen, Gurr's first of two hits and two more walks plus an errant throw.

With one run already scored in the second knotting the game 3-all, and with only one out and the bases loaded, the lights shined bright momentarily for the Minsola squad but Morris cut the circuit by getting power hitters Hill and Weeks to pop up retiring the side with no more scoring.

school. A film on the 1962 World series will be shown and the committee promises the affair will be over in time for all to enjoy the Walcott-Graziano fight on television.

The inter-club baseball scrimmage, Saturday, was curtailed by rain. The Hicksville Hawks played the Plainview Lions with the Hawks taking the upper hand. Plainview showed much promise against their experienced opponents. Two teams have been signed for the intermediate group. Boys who expect to play are urged to register at the Hicksville High School Field on Saturday morning.

BAYMEN VS COMETS:

Darkness Deadlocks Torrid Hassle

By HJF

OYSTER BAY—Officially "darkness" halted the Hicksville - Oyster Bay struggle for first place in the NSAL Eastern Division diamond race at 7:06 P.M. here Monday night.

A full hour of light remained. The score was tied 3-3 in the last of the eighth, two were out and the bases were clear.

That they were clear provides the latest torrid incident between the two schools.

OUT OF CONTROL

Tommy Valentine and Bill Goerl were waging a courageous mound duel with Oyster Bay picking up two runs in the last of the seventh to tie the game.

A single to right opened the Baymen's eighth. As the runner stepped from first Valentine attempted to pick him off.

His throw to Rich Evanschuk was late and both boys reached the bag at the same time. There was a bit of jostling and Evanschuk quickly

stepped back two strides into foul ground.

The Baymen came off the bag to get in an extra push and he was tagged out.

Immediately coach Dick Crawley charged on the field to protest the call and his whole team accompanied him. So violent was the protest of the runner that he was ejected from the game and that resulted in three adult fans rushing on to push the official in all directions.

Crawley's claim that Evanschuk pushed his boy from the base was rejected since the out occurred in foul ground and his boy had to make the move to get there.

A push would have sent him from the base into the infield.

NO AUTHORITY

During the first five minutes coach Bill Anderson merely instructed his players to stay off the debate and hold their defensive positions in the field.

Crawley would not be appeased and the debate, dangerously close to bringing on a riot, continued for 20 minutes.

Anderson then came forward and indicated that the game should go on or he would take his club home.

The officials agreed and finally called play ball. It appeared things had finally calmed down but when the players were set, the ejected ball player walked to firstbase and sat down on it.

Another storm lasting ten minutes resulted until the umpires could convince Crawley that a forfeit would result if he did not remove the player from the field.

By this time the actions had worked sufficiently on the Hicksville players nerves and George Greco challenged the action of the home plate umpire for not controlling the game.

He was ejected from the game. That was 31 minutes after the Oyster Bay protest started and was allowed to go on unchecked.

HOSTILE CROWD

By this time the hostility of the home crowd was more than evident and had the officials awarded a forfeit, a complete blowup would have resulted.

The game was resumed but the Oyster Bay batter was called to the bench after each Valentine pitch for a long talk with Crawley.

The first one rolled to Pat Enos at shortstop but when the stalling continued on the next the plate umpire called the game. In the best interest of his own life and limb he reasoned it was for "darkness."

And the Oyster Bay bench laughed loud and jeeringly.

Much in the same manner as it did two years ago at Hicksville in the basketball fiasco in which Crawley ordered his junior varsity team to shoot foul shots into the balcony.
