OYSTER BAY—The application for a gas station permit on Jerusalem Ave., opposite Walnut Lane and adjacent to the Park Terrace Homes development in Hicksville, was withdrawn prior to the public hearing last Thursday night. A motorcade of 25 autos made the trip to the Town Hall to attend the zoning board of appeals hearing, bearing a petition of opposition signed by more than 800 persons. Maurice Schoenwald was attorney for the Park Community Assoc. in opposition to the application of Commercial Properties Inc.

Town Buying Parking Field

HICKSVILLE—Oyster Bay Town Board has paid a deposit on behalf of the Park and Parking District upon property owned by Griffin and Russhore which will be developed as a new parking area, Councilman Frank Chlamsky said this week. The property runs from the rear of the Professional Building east to the rear and east side of the Drago dress factory, excluding various buildings and the area used by Nasan Motors. The field will have entrances from a short street off Broadway next to the Professional Building and E. Barclay St. The estimated number of auto parking spaces available was not disclosed.

Savings Assoc Changes Name

LONG BEACH—Shareholders of the Long Beach Federal Savings and Loan Assoc., 36th largest in the state, have voted to change its name to the Central Federal Savings and Loan Assoc. Vance Carnahan, secretary, announced yesterday. AS VOTE APPROACHES:

Francke Comes Out As Foe of Home Rule

HICKSVILLE—As the home rule movement rolled steadily toward the goal of assessed valuation signatures needed to bring about a public vote on the question of incorporation, Ernest F. Francke drew upon his year of political campaigning and training as a political boss this week in an effort to scuttle the civic-spirit campaign even before a vote can take place.

Speaking before the South Hicksville Assoc. of Levitt Home Owners in Dutch Lane School, Tuesday night, Francke photo-hoed the possibility of Levittown incorporating and told the audience that he is "not afraid of being swallowed up" by Levittown.

"I have nothing against incorporated villages," he stated. "However, I think it would be too costly for Hicksville at this time."

MOVING FORWARD

Meanwhile, the Home Rule movement continued to report substantial strides forward in an effort to reach \$13,000,000 worth of assessed valuation in petition signatures. An additional 700,000 was recorded over the weekend with efforts slowed by the fact that many homeowners were out due to Mother's Day.

"We are just ordinary homeowners, devoting our time on weekends and evenings to calling upon our neighbors in this sign-up," Chairman Lawrence A. Roman said yesterday. "We are not politicians or public job holders nor are we job-seekers. We are elated with the progress that is being made and confident of reaching our self-imposed goal. A total of almost 8 million has been enrolled on petitions since Apr. 1, which indicates the (Continued on Page 6)

WILLIAM SCHUCKMANN, member of Hicksville Fire Dept. since 1902, was honored by the members of Engine Co. No. 2 with a dinner celebrating his more than a half century as a volunteer fireman, recently. Mr. Schuckmann (at right) admires an engraved gold watch, presented to him by Capt. William Dwyckman. In the rear, joining in congratulations, are First Lieut. Edward Kessler (at left) and Second Lieut. Peter Malik. (Herald photo by Frank Mallett).

CHANGE IN SCHOOL BOARD:

Eirich, School Take Office July 1; Szendy Attacks Attorney Fees

HICKSVILLE—Two new members will take their seats on the Board of Education as of July 1, succeeding incumbents Allan S. Carpenter and A. G. Soininen. Both new men are comparatively new arrivals in the community. Richard G. School of 25 Hope Lane has been a resident for 2½ years and Arthur (Al) Eirich of 12 Elwood Ave. has been living in the new development off Newbridge Rd. near Cherry Lane for about a year.

With about 2,000 registered and qualified to vote for the school board candidates on May 6, a total of 1,502 ballots were cast. There were six candidates with the two positions going to the men receiving the greatest number of votes. Eirich polled 692 and School, his running mate, 587.

Incumbent Carpenter was nosed out by a margin of seven votes, receiving 580 ballots. Soininen polled 354 votes. Lloyd Smiley received 428 votes and Freeman Parr, 372.

Last Two Nights

HICKSVILLE — The last two nights of the bazaar sponsored for the benefit of St. Ignatius convent fund will be held in the basement of St. Ignatius School, E. Nicholai St., tomorrow and Saturday, May 15 and 16, from 8 P.M. to midnight. A food freezer with four month's supply of food will be awarded on the closing night of the bazaar. Free shares in the freezer award are given to all who attend. A total of \$2,500 in U. S. Savings Bonds will be awarded, Saturday night.

Door prizes will be awarded and many booths containing hundreds of beautiful prizes will be managed by members of the various organizations of the parish.

A television set donated for the evening of Spirit of Hicksville will be set up in the auditorium of the school tomorrow (Friday) so that fans can watch the Graziano-Walcott fight.

DWIGHT M. FORDHAM of 18 Old Country Rd., Hicksville, shows his wife a U. S. Savings Bond he received from his co-workers upon his retirement from the Long Island Railroad after 40 years of service.

A testimonial dinner was held in his honor on Apr. 30 at Walsh's Restaurant, Astoria. Toastmaster Thomas Hewson introduced A. D. Howe, agent of Long Island City, who presented Mr. Fordham with a U. S. Savings Bond and a souvenir booklet bearing the names of his co-workers and guests at the dinner.

Among the guests present were: C. W. Wysong, general chairman of Brotherhood of Railway Clerks; H. Werner, secretary of the Penna. R.R. YMCA; P. S. Mock, superintendent of LIRR; J. J. LaMonica, supervising agent and his assistant D. W. Richardson; George Mulier, chief clerk at L. I. City; John C. Harms, Pass Bureau.

A clerk in the Long Island City freight office, Mr. Fordham started work there in 1904. His daughter is Mrs. Howard Henning of 18 Old Country Rd. and he has two grandchildren. He plans to leave tomorrow (May 15) for the west coast, where he will make his home at Boyce Hot Springs, Calif. (HERALD Photo by Mallett)

ROMAN POINTS OUT:

Town Taxes \$167,700 for Roads

HICKSVILLE — This year taxpayers of the community have paid a total of \$167,700 for highway service by the Town of Oyster Bay and the sum is expected to increase to almost a quarter million dollars in 1954. It was disclosed this week by the Home Rule Committee.

The charge has been made by the minority opposition element, it was pointed out today by Lawrence A. Roman, general chairman of the Home Rule effort, "that creation of our own village government would require considerable expenditure for streets and highways."

"And yet, it is not generally known that hundreds of thousands of dollars have been extracted

from Hicksville property owners for the servicing and maintenance of local town streets and roads. On the basis of \$39,000,000 current assessed value, and the Township Highway Tax of \$4.30 per \$1000 this amounted to \$167,700 this year. Many property owners fail to see what has been done in Hicksville to justify such expenditure."

"In fact, many of us are convinced that the money collected for highway purposes is being spent for the most part in sections of the township other than Hicksville.

"With an anticipated valuation of \$48,000,000 for our community next year and assuming the highway tax will remain the same we will be asked to pay \$206,400 for

highways everywhere in the township."

Roman also noted that when Hicksville becomes a village, the village public works dept. will take over the maintenance of village streets. Present county and state highways, which include just major roads as Broadway, Jerusalem Ave., Old Country Rd., E. Marie St., etc. will remain under jurisdiction and expense of the county or state as the case may be thus resulting in no increased cost.

6 Fire Alarms During Week

HICKSVILLE — Smoke from the oil burner in the home of Dr. J. Newgarden at 9 Spindale Rd., alarmed the occupants Tuesday, May 12, and firemen were called at 9:24 A.M. No damage was reported.

A car owned by Fred Gillam at 70 Winding Rd. caught fire on May 10 and firemen were called to the scene at 8:26 P.M. Slight damage was reported.

Burning rubbish on Liszt St. calmed out firemen at 2:01 A.M. on May 8.

A refrigerator motor in the home of Nick Brigandis at 12 Bay Ave. caught fire on May 7 and firemen were summoned at 9:35 P.M. No damage was reported.

A 1949 Ford owned by Thomas Van Brundt of Mass. caught fire on King St. on May 7 and firemen went to the scene at 10:57 A.M. Damage was confined to the wiring.

Mrs. Jane Maunshein of 12 Straw Ln., called firemen at 8:56 A.M. on May 7 when the oil burner in her home caused alarm.

Dear Jean:

Hicksville Fire Dept FM emergency radio station, providing two-way contact between headquarters and five fire trucks, went on the air at 8 o'clock Thursday morning. . . Mr. and Mrs. FRED C. BIRK of 12 Elmira St., "North Levittown", will fly to the west coast on June 29 and motor back with their son who has been employed in California. . . LAWNY SMALL is captain of the Hicksville Fire Dept racing team this season. . . During the week ending May 1 a total of 6738 claims for unemployment insurance benefits were filed in Nassau-Suffolk, compared with 6505 the previous week. . . The REV ERWIN BEECHER of the Melvin Rohrback Post no. 1, Legion of Guardsmen, will be principal speaker at Hicksville Memorial Day services on May 30 at the Memorial Mall. . . Every once in a while someone tries to short circuit the Home Rule movement for Hicksville by implying that the Nassau County Charter enacted in 1937 is somehow against such a thing or restricts or hampers a new village. This quote is taken right out of the Charter: "Nothing herein contained shall be taken to prevent the incorporation of cities and villages under the law of the state". . . Rumor (and its strictly rumor) has it that ASSEMBLYMAN JOHN BURNS has strong backing as a possible successor to CHARLES E. RANSOM when the latter concludes his tenure this year as Township Supervisor. . . We hear that the builder who has tried three times to get a section of property (which some home purchases claim was promised as a park) sold for business is now getting up a petition of adjacent property owners favoring his plan. . .

Some tickets for "The Moon Is Blue" at the Henry Miller Theatre in N.Y.C. are available for the asking at the HERALD office, next to the post office. Tickets are good until May 23rd. . . WILLIAM W. DAVENPORT is a member of the Grand Jury sitting in Mineola this month.

JOHN A. BAGLIOLI of W. Marie St., Hicksville, was one of the few chosen guests to attend a luncheon in honor of Frederick Hudson Ecker, honorary chairman of the Board, upon the occasion of the 70th anniversary of his service with the Metropolitan Life Insurance Co on May 7. . . JIM CONDON is back in town and his wife has his 40-day leave well mapped out for him, according to ERNIE DIETRICH. . . Hicksville, Ohio, has a population of about 5,000 and is an incorporated village. Hicksville on Long Island has six times the population but still tries to function under out-of-date township govt. . . Hicksville Civics and SHALHO will be among the groups represented May 25 at the protest meeting of commuters at Mineola High School regarding the proposed new RR fare increase. . . Tuesday, May 19, is the last day for protest your property assessment if you don't think it is correct. Complaint forms are available at the Town Hall. Vets are reminded to be sure they claim the exemption they are entitled to under the law. See JOE McCARTHY at the Hicksville Courthouse for data on this. . . Tickets for Hicksville Night at Ebbets Field on July 22 are also available at VINCE BRAUN'S Meat Market and from ED OCKER in Plainview, besides those named last week. . . The new mercury vapor street lights will soon gleam on Broadway, Hicksville. The Business Men's Assoc requested the installation of poles for the lamps began this week at Fourth St. with crews working north to 16th St. . .

lines. The Brownies ate in the cafeteria and were impressed by the excellent service and thrilled at the thought of eating where the pilots do. The most impressive part of the tour was the trip through hanger 3 and the visit to a DC-6. The plane seats 52 people, and the girls were taken to the pilots compartment and they were shown how the plane is controlled. The troops are convinced that flight is the most comfortable way to travel and the courtesy of the AA representative has impressed the girls to the point where they are doing excellent publicity of their own.

Quiet Greetings For Korean POW

HICKSVILLE — Park Terrace folks have quietly cancelled plans for a welcome home celebration for Pfc. Robert Powers in consideration of the wounded soldier's desire to rest and be with his family in their home at 115 Dean St.

The 23-year-old infantryman was released from a Communist prison camp during the exchange of prisoners on Apr. 22 at Freedom Village, Korea. When he arrived in the States, his family went to meet him in Washington and they arrived back here early Sunday morning.

He will spend a short furlough with his family before returning to Walter Reed Hospital for treatment of his wounds.

Pfc. Powers had been in Korea since Aug. 1952 serving with the 160th Infantry, 40th Div. Reconnaissance and Intelligence Corps. He was reported missing in action in January of this year and his parents had no word of him until his name was listed among the prisoners being exchanged by the Reds with the UN.

Wedding Anniversary Adventure

By RAE CANTILLI

For the past week or so I've been fighting a terrific cold. I just couldn't seem to unglue my eyes enough to see anything and couldn't seem to swallow anything substantial. I couldn't get down to the annual meeting of our School District to vote for trustees or the budget over which there was a great deal of concern. I was going to sneak down, but friend husband said "no" because my eyes were not in condition.

Although I didn't get to the meeting, I believe the results have been amply reported. I would like to congratulate Mr. Delamain and Mr. Williams upon their victories. The defeated candidates should also be congratulated as they made very good showings. The voting was close. I wish the Plainview School Board all the luck in the world for the coming year. It is a thankless job that they have to do with very little praise and so much criticism. People do not seem to realize how much effort is put forth, especially in Plainview with its difficult school problems.

Don't forget the Civic meeting Tuesday, May 19, when election of officers will be held. Many civic problems will be discussed, so make an effort to be there.

I would like to thank the people who have helped with the Cancer Drive. I'm still waiting for the final total to give you a total for the Plainview Country Homes. There are a few workers who haven't quite finished. However, would like to thank Mrs. Zaras of Vernon St., Mrs. O'Conner of Vernon St., Mrs. Delamain of Relds and Mrs. Trusk of Sunrise for their efforts. It was wonderful to have so many people to work untiringly for such a great cause.

The Ladies Auxiliary of the Fire Co. held their Annual Dinner on May 2nd. It was the 20th Anniversary of the organization. Although I'm little late in reporting

on it, I would still like to compliment the ladies on a splendid affair. Because I'm a member of the auxiliary, my opinion would naturally be prejudiced, so I asked several members of the Fire Dept., including my husband, and they whole-heartedly agreed with me. Past-Presidents of the Organization were honored and presented with corsages. Mrs. Dot Moddle, one of the early presidents of the organization, who is still extremely active at the present time, was guest speaker.

My husband and I celebrated our 5th anniversary out night-clubbing with a group of our friends. It turned out to be quite a night. We went to the Ridgewood Rathskeller in Ridgewood. The people who helped us celebrate were Bill and Pat Wright, Bethpage; Joan and Bill Bowder, Baldwin; Gloria and Al Shukursky, Baldwin; Fred Mohrenbeck, Baldwin, Janice Berry, Bellmore; Mary Hamilton, Douglaston, and Dick Sweeney, Baldwin. After a wild ride to get there before our reservation was lost, we arrived to find out we had plenty of time. Coming home, we managed to get lost as well as getting stuck in a soft shoulder, and had to be rescued.

Two Teen Agers To Be Confirmed

LEVITTOWN — Two Hicksville teen-agers are among those who will be confirmed Wednesday, May 20, in the first confirmation class of the Levittown Reform Temple to be held at the community Temple at Periwinkle and Azalea Rd. Rabbi Eugene J. Lipman will officiate.

The local girls in the class are Bette Goldman, daughter of Mr. and Mrs. Morgan Goldman of 299 Acra Ln., and Myrna Weinshank, daughter of Mr. and Mrs. Benjamin Weinshank of Hicksville. Bette is in the eighth grade at Hicksville Junior High School and Myrna is a freshman at Hempstead High.

The ceremony is being held in honor of the holiday of Shavous, the festival traditionally commemorating the giving of the Ten Commandments on Mount Sinai. The ceremony marks the completion of the elementary religious education. At the service declaration of fidelity to the principal of Judaism is made and a blessing from the Rabbi is bestowed.

Approve Business Zoning

OYSTER BAY — The Krebs and Viette properties in Plainview have been rezoned from residential to business zoning by the Oyster Bay Town Board, it was announced this week.

The Board granted the zone change to Charles and Marie Krebs for a five-acre tract on Plainview Rd. near Manetto Hill Farms. In granting the zone change.

the Board stipulated that a marginal road, sidewalk, parking field and 8-foot sidewalk be constructed in front of all buildings.

Martin Viette received a zone change on the land located on the west side of Plainview Rd. near the land of Alfred Cobb. The zone change was granted provided that a parking field, curb and sidewalk is constructed.

LINCOLN ROAD ROUNDUP:

Close Contest in School Vote

Hi There:

No one can say we're not trying to provide an interesting column. After snooping around here and there trying to dig up something, other than bushes and topsail, here are the results for this week:

First of all: Thank You Chuck Dym for the job you did cleaning up our block. Yours is a thankless task: keep up the good work. Little Stephen Eich had a birthday on May 4. One of his wishes must have been for daddy, Rod Eich, to come home from Fire Island and he's a full time pop. We know that Evelyn is happy that Rod's job is finished and no more just weekend visits. Happy Birthday to Helen Salts on May 8th. She's now 21 plus years old. Also Peggy Wentz on May 15th. She's also 21 plus now. Don't these gals ever get old?

Get well wishes go to the Ralph household. Gone we hope your illness is not serious or catching. Ha! Diane Campos' baby sister has just returned home after an operation. Mr. and Mrs. Campos brought her home last week and feels everything will be alright. We hope so!

We're glad to hear that Helen Salts is feeling better, especially on her birthday. It took a lot of spirit to get on her feet again with that bad ankle. After all those trips to the dentist Ann Peterson can breath a sigh of relief, so can hubby. For the cleanest car on the block inspect that Dodge someone owns sometime in front of 18 Lincoln Road. Things to Come — Diane Poulos will visit the hospital to have her tonsils out May 12. Mother and dad are preparing her for the eventful day. Probably all the good things to eat her heart desires? Our newest neighbors the Damascuses had some heartaches with their dog this week, thought he would have to be put away. A good vet diagnosed it as distemper and shots seem to have brought the poach around. Winnie Fall had the same trip to take with her dog; this weather ain't fit for man nor beast.

Here is a birth announcement we're eager to print. Dick and Dot Eichel welcome aboard their second daughter. Born around midnite Wednesday, May 8th, weighed in at 7 pounds. Ruth Ann now has that baby she's been asking for. Mother will remain with Grandma for awhile, while Judy keeps the home fires burning?

Dutch Ehleberger might be seen around the house more on Tuesdays with the Bowling League at Liberty now concluded and his team the League Champions. This has been going on for quite sometime, we mean winning cups in prize money. Any rainy Sunday afternoon is a good time to challenge Dutch to a friendly game. If not bowling how about golf on some early Saturday morn perhaps!

Anyone interested in fishing, Fresh or salt water, maybe even in the bathtub, but not with those

water bills we've all been getting. Seriously, Dave Heisler is an ardent fisherman and could use a companion or two when he visits those rivers and lakes after bass. Saw him plug casting with a sinker on his line the other day out front and his aim is pretty good. When you drive by however, roll your windows up just in case a bad cast misses the mark!

We have three gals attending Adult Education classes at our Manetto Hill School. Guess what subjects they're taking?? Landscaping and Gardening we hear. Well, the garden spot of Plainview better look out what with the information brought home by Trudie, Nichola, Ann Peterson, and Irene Bush!

The Rocky Guglielmo's have a house guest. It's Jo's cousin, Tony DiLeone. Some people have remarked about resemblances, it's hard to tell Rocky from Tony at a distance; but then we could always use two Rockys around. Especially at softball!!! While on the subject these two players are eager to go and Dave Heisler wants to use all that gear in the back of this limousine in the worst way. If the rainy season has subsided lets all converge on the Guglielmo home and stand and get things organized this Saturday.

That was quite a close contest at Manetto Hill School last Tuesday. The race between Creawell Lemaine and our own George Kunz was very close. Ninety-one to ninety, how close can you get to becoming a member of the School Board? Congratulations to the winner; don't be discouraged George. Better luck next time!! The school board meeting caused some indignation when some of the menfolk tried to recruit some votes and broke up the Mah-Jong session at Winnie Falls house to get the girls to attend. We hear the game is real fun and Winnie would like some of you gals that know the game, or wish to learn it, to contact her at 58 Lincoln Road. She hopes to get enough players to make it a weekly session.

This is our closing — "Happy Mothers Day" to all you momas from all us kids.

PLAINVIEW VAMP REPORT: Instructions to New Residents

We know that the people of Plainview will excuse the Fire Company for repeating itself in this article. We can all understand that new people are moving into town each day. The greater majority of them come from the city where the familiar red box is on the corner. We all know that there

you pull a handle and wait to direct the apparatus but out here it is a little different. Therefore we deem it necessary to give instructions on how to report a fire.

These are the five points to follow: Call the operator; Ask for Plainview Fire Co. to sell the operator an emergency exists; Give exact location of fire as emergency over the phone; See that all doors and windows are closed; Go to the main road and direct fire apparatus. It is also important to know the location of Fire Hyd. It is on Old Country Rd. about 200 feet west of Central Park Dr.

The racing team of the Fire Co. has decided that with daylight saving time in effect, now is the time to get outdoors and practice for the coming season. Two tournaments. The team expects to tourney at Hempstead and in Floral Park. We also know that the 9th Battalion will be held in Jericho and there will be others through the Island. The competition is keen but we hope to make good showing and bring home few new trophies for Plainview.

We wish to thank all those who have taken the suggestion from our last article. It appears from the rubbish in front of some homes that people really cooperated and cleaned up very good. The Fire Company sent a crew into Model Farms to burn up some old trees and rubbish. We will cooperate in all ways, when asked.

We hope that all organizations

wishing to participate in the Memorial Day parade will contact Ben Sattig, chairman. It deems that for those who have served in the Armed Forces this really is their day to honor their buddies. Therefore let's make it a great parade to show that great American spirit.

Joint Hearing Is Mere Formality

By Fred J. Noeth

THE SECOND LAST ACT of a farce entitled "The People Have Spoken—but So What?" will be staged in the Hempstead Town Hall next Tuesday morning, May 19. Curtain time is about 11 AM. In the starring role will be Harold P. Herman, presiding supervisor of the Township of Hempstead, who will conduct a hearing involving a major issue concerning people in Hicksville and the Township of Oyster Bay.

The supporting cast will include members of both the Hempstead and Oyster Bay Town Boards.

This is an unusual production since the principals have made it plain that they don't want an audience. Seating capacity of the Town Hall in Hempstead is roughly 100 persons and the hour is calculated to discourage attendance.

All the actors have been carefully drilled for their roles in this performance. Members of Oyster Bay Town Board are well rehearsed. They went thru a somewhat identical performance just about a year ago (May 9) before an audience of 500 in East St. School, Hicksville.

After listening (a year ago) for about five hours to arguments pro and con on splitting off a section of Hicksville to meet the particular demands of William Levitt, as vocalized by his choir, the Oyster Bay Board made a profound announcement in part as follows:

"The (Town) Board feels that the Community Hall (built and owned by Levitt) is for the use of all of the developer's purchasers, the largest part of whom live outside the Town of Oyster Bay. This would create a problem with respect to the raising by tax the necessary money for operation, care and maintenance. The Board feels that if the proponents desire to reserve unto themselves the exclusive use of the swimming pools, there were other legal methods available to them to accomplish this purpose; i.e., the creation of a membership corporation to hold title thereto and to be maintained by a fee chargeable against those using the facilities."

Everyone (or nearly everyone, excepting the pro-Levitt town super, super advocates) was happy. But that was only the end of the second act. The third act began in October of last year when Mr. Levitt, obviously disappointed with the inability of his choirboys to put over the deal, took personal command.

Things moved rapidly, in the same old pattern. For a time it looked like right would triumph. (What an old-fashioned notion!) Oyster Bay Town Board in January held a referendum on the question of a joint Levittown Hall District but the results were wrong—the people voted down the joint district proposal.

But what's a little thing like a vote conducted at the taxpayers' expense? Besides some inspired folks ran their own election in a vacant store and the results at that "rump-erendum" were more agreeable to Levitt and Sons' stipulation.

And so the play acting went forward. A new law was drafted and soundly denounced by the people. The law was revised and sugar-coated and jammed thru at the 11th hour in Albany. (Tense drama at this point in our farce.)

Now we come to the second last scene. Supervisor Herman, announcing the hearing for next Tuesday, said "What members of both town boards seek is any additional light which might be shed on the subject—not heat. There has been enough of that already". Only cool and calm taxpayers, who can get a day off from work, need appear next Tuesday. The final act will come quickly. The script has already been written and probably is well rehearsed.

The Levitt organization will very generously turn over the burden and all responsibility for operating and maintaining the hall and shift the load to the sloping shoulders of unwilling taxpayers—to be maintained thru taxation forever. Then the Town Boards, in a very pretty little duet, will grandly announce that the Joint District has been created, effective the last day of this year. Meanwhile, Levitt will make financial commitments to operate the hall and pools the balance of this year—simply because there is no legal way to impose a retroactive tax for this season.

And as the final curtain comes down, we will hear the marching feet of the returning choirboys as they prepare to take newly assigned stations as an "Advisory Committee".

The audience will shout "Author, Author" but no one will appear on stage for the curtain call. Such talent must not be exposed to public view.

You might even want to call this a kind of historic pageant. It will mark the day that harmonious community development for Hicksville was neatly shelved in favor of master political strategy.

Moral of this melodrama: You can depend on your elected town officials to do what is "for your own good", not what you want them to do.

HERALD READER OPINIONS:

Levitt Set Aside School Sites

By V. FARLEY

10 Heather Lane, Plainview

The writer was a resident for three years in School District 5, Levittown, before moving to our present location. Certain beliefs were held by him, which have since been contradicted by individual residents of Hicksville and Plainview. Evidently, these contradictory statements have been enlarged out of all proportion as a result of the recent "hubbub" regarding the Community Hall pools, parks and playgrounds.

Strong contention is made by certain residents of Hicksville and Plainview that the school sites in District 5 were not laid aside by Levitt and Sons for subsequent transfer to the school district. It is further claimed that a bitter fight was required to secure the necessary sites and at a ridiculous high figure.

The writer has always been under the impression that these school sites were definitely laid aside by Levitt and Sons before the houses in the District were offered for sale. As a matter of fact, we seem to recall that these locations appeared on the map from which we selected our home site, long before the houses were built.

To clarify these misunderstandings, the writer contacted Mr. W. J. Levitt and Mr. Lyle C. Smith, chairman of the District 5 School Board. In fairness to Mr. Levitt and so that any distortions of the truth may be rectified we are asking that this letter and the one

from Levitt and Sons be published.

W. J. Levitt of Levitt and Sons Inc., Levittown, Pa., wrote Apr. 15: "Thank you very much for your letter of Apr. 13. Letters such as this help restore one's faith in human nature. As we have always done and are doing here in Pennsylvania, land was set aside for schools in District 5 after consultation with the school authorities as to where they would be located, etc. The land was then sold to them at the exact cost to us without one penny added for profit or overhead. I hope that this is the information you wanted, but if there is any-

thing else you need, please let me know."

Lyle Smith wrote Apr. 16: "All property purchased from Levitt and Sons for school purposes was obtained at the price Levitt and Sons bought the land. The taxpayers in the district were able to purchase from the Levitt Corp. the Abbey Lane, Gardiners Ave., Wisconsin Lane, and Northside School sites. These were reserved at the Board's request until needed for school purposes. The balance of the sites were purchased at the prevailing rates for the area and no bitter fights developed." (May 6, 1953).

Disagree on 'Thank You'

To whom it may concern:

We, the paid-up members in good standing of the Northwest Civic Assoc., do not agree with the executive committee statement in the May 7 issue of the Mid Island Herald. We quote: "Thank you to Jack Brandt and the town Highway dept. for cleaning up the debris left by the recent storms".

We would be the first to thank Mr. Brandt if something was done, but to this date the upper part of Kuhl Ave. doesn't look much better than when we moved in. We would also like an answer to why we still do not have curbing! This was promised to us over a year ago and is in the minutes of the North West Civic Assoc.

SCHOOL BOARD

(Continued from Page 1)
the south section of the school district. It had been estimated prior to the election that more than half the registration of votes was from that area.

Other members of the Board of Education who will remain in office after July 1 are Henry C. Drenzel, Edna Kuhne Sutton and Emil J. Szendy.

Smiley asked the Herald to express his thanks and appreciation to those who supported his candidacy for the school board.

Issues raised at the annual school district meeting on May 5 continued to hold public attention this week as Szendy made public his position on the question of fees paid the attorney for the school districts.

SZENDY ON FEE ISSUE

"As taxpayers who attended the annual meeting could see, discussion of the amount to be paid the school attorney for his services has been difficult because members of the School Board sponsoring payment of approximately \$12,000 to \$15,000 annually for part-time services resort to personal attack and permit the attorney to resort to personal attack in defending payment of that amount," Szendy said in a statement to the Herald this week.

"My position" he asserted "is predicated on experience, not upon antagonisms or the personalities involved."

He released a three-page statement of his position which had been read at a Board meeting on Apr. 29 and included in the minutes of the meeting. The statement was read, Szendy said, after the attorney "had presented a contract, later signed by the president by authority of four members of the board, which he had prepared, and which continues his services far beyond the term of the present Board and which, in effect, is retroactive to authorize payment for services already performed under other arrangements with the Board."

"Those other arrangements," he continued, "would not have permitted authorization of payment and provided for payment of one per cent only on bond issues that may be floated during the school year." No bond issue has been floated during this school year. The substituted contract permitted

As Others See Him

"Francke has been a good friend of Levittown for years. He opposed his own home area, Hicksville, in trying to protect North Levittown from a land-grab on the part of the anti-Levittown element. He is against incorporation of Hicksville; fought for us on the Park District for North Levittown and got himself into a peck of Hicksville trouble. He needs our support and deserves it." — From Levittown Eagle just prior to Election Day last November, endorsing Francke for election as County Clerk.

an immediate payment of \$7,950 to the attorney".

A statement was read at the Apr. 20 public discussion meeting held by the School Board at the high school relating to the school attorney fee issue. Szendy claims that the statement "implies that there was unanimity of opinion among board members which did not and does not exist." (This statement was published in full in the Herald on Apr. 23).

He charges that the attorney during the "previous three fiscal years" received \$40,200 and "stands to receive" during the current and next two fiscal years \$31,100. Szendy asserts that "the average for six fiscal years will be \$13,550 per year".

(Continued from Page 1)
public support to this proposal."

Political boss Francke speaking at SHALCRO Tuesday night said that incorporation would be "just another coat of taxation on already overburdened taxpayers" and stated that the county is so congested, growing together and that subdivision will soon disappear.

He lauded Oyster Bay Town Board and said "only local control of garbage collection and street lighting" would result under a village. He implied that incorporation would add to local school taxation, although he admitted that village would not change the school district nor its administration by the school board.

He had declined to debate the issue and, it is reported, agreed to speak only if promised he would be the featured speaker of the evening.

During a question period Tuesday night, Francke was vague on specific local questions such as commuter parking and Levittown expansion.

The Home Rule Committee today recalled that so many people have signed petitions without stating their exact property assessment that the volunteer committee now has a backlog of values to be recorded. The signatures announced today, it was stated, represents the amount conservatively confirmed and their are still several hundred parcels still to be evaluated and counted.

Mary Cabral, Ted Schwarting Wed Sunday at St. Ignatius

Miss Mary Monica Cabral, daughter of Mrs. Margaret Cabral of 229 Jerusalem Ave., Hicksville, and the late Emanuel Cabral, became the bride of Theodore Schwarting, son of Mr. and Mrs. John Theodore Schwarting of 666 Arlington Rd., West Babylon, and formerly of Hicksville, Sunday, May 10, at St. Ignatius Church, Hicksville, at 4 P.M.

The bride wore white rose point lace bodice styled with a Peter Pan collar and a two-tiered skirt of accordan pleated nylon tulle. She wore a bonnet effect headdress of rose point lace with a fingertip veil and carried gardenias and lilies of the valley on a prayer book.

Mrs. Denise Conley of Massapequa, sister of the bride, was the matron of honor. She wore a gown of lavender Chantilly lace and a picture hat in a deeper shade of lavender. She carried purple sweetpeas.

The Legionnaire

No. 421, American Legion

The American Legion Auxiliary begins the "Poppy Sale" tomorrow (Friday) by turning out early at the railroad station and continuing throughout the day in Hicksville. Look for the ladies and give your cooperation.

Incidentally beware of "chiselers" selling puppies during the next two weeks. The proceeds of the Legion Auxiliary poppy sales go to veterans rehabilitation work as does that realized by other legitimate veterans organizations. If you are in doubt, ask for identification. Don't put your money in the hands of unscrupulous racketeers!

A sure sign that convention time for Nassau American Legion is close at hand is the announcement the Division Caucuses are being held. The Second Division—whose turn it is to nominate the candidate for Commander—Completed their business last week. The First Division meets tonight (Thursday) and our own Division, the Third, meets tomorrow night at Glenwood Landing. Representing the Charles Wagner Post tomorrow will be delegates Ed Becker, Jim Carter, Walter Schlichting, Walter Barnett, Jim MacLaughlin, John Nees and your columnist. The alternates include Bob Beard, John Williams, Rudy Bouye, John Pauk, Bert Nessel, John Spinella, Joe Evans and Ray Williscott. Next week we'll let you know how we made out.

The committee for the Annual Picnic was formed at the last meeting and held their first session Friday night with Chairman Al Barlow, Artie Bleisch, Bert Nessel and ourselves in attendance.

Sites are getting harder to find and chances

are we will be forced to go further from home this year. There is nothing definite to report yet but the committee will meet again this Saturday to track down a few leads.

Very sorry—and surprised—to see the people of Hicksville fail to re-elect Al Carpenter to the School Board. We wonder how many folks, Legionnaires, and non-Legionnaires thought it was a "shoo-in" and didn't turn out to vote? There's one silver lining though, the Legion knows what a worker Al is and can presumably expect him to jump back into Legion work!

And here's the first public announcement of the biggest Legion combined Carnival and Bazaar ever to hit Hicksville. The rides and booths will be set up on North Broadway at the site of the proposed Stackler and Frank (Mid Island) business center and will run from July 9 to July 19 inclusive. There will be loads of publicity prior to that time but right now more workers are needed. Since rides and booths will be operated by Legionnaires about 75 sets of willing hands are necessary.

The sign committee, which has now placed eight signs at the entrances to Hicksville, consisted of Elias Jabour, Jim Carter, Mel Eisenhandler, John Pauk, Bert Nessel, George Osborne, Fred Brengel, Jack Ehmann and Walter Barnett. . . . Renewals received from Harry Poitras, Paul Gerreich and Chet Jaworski. . . . Membership now at 182 which hits the quota on the nose and exceeds the 1952 and 1951 membership by five and one respectively. . . . Those who intend to participate in Armed Forces Day (bring the family) are meeting at the Club at 12:30 P.M. on Sunday, May 17. Then off to Mitchel Field to see the show and enter the 4:00 P.M. parade. . . . Coming soon—Castaway Party! BOB MANGELS

HICKSVILLE — "Chimes of Normandy," Planquette's romantic comedy operetta, will be presented by the high school Glee Club on Thursday and Friday, May 21 and 22, in the high school auditorium at 8:15 P.M.

George Marks will play one of the leading roles as Henri, Count of Corneville, who has been exiled since childhood. Two village girls who are wards of an old miser will be played by Josephine Trocola and Jacqueline Dempsey. Emanuel Carreras will play the part of Gaspard.

James Brown will play Grenicheux, a romantic fisherman and Herman Silva will appear as the pompous mayor. Nina Simonsen and Helen Mayors will appear as Gertrude and Manetta.

Miss Harriet Spinik, music supervisor, says the music is lively and tuneful and the well known "Legend of the Bells" will be among the many chorus and solo numbers in the production.

OFF SOUTH BROADWAY: Reflections on Budget Vote

By BUNNY LAUER
Hicksville 3-2784-J

I was very happy to note the increase in the bus fund to \$100,000 the other night at the School budget meeting. It is the will of the people that our children should get decent transportation. Unlike our Town Board, the local School Board will act to the best of its ability to give the people what they desire. We are all also looking forward to seeing our teachers get decent increases. Maybe it was ruled illegal at the hearing to increase the appropriation for teacher salaries but there is nothing illegal in having the Board meet as soon as possible to act on this important issue. Looks to me as though our custodian and clerical help could do better too.

We in Hicksville are very fortunate in having such wonderful teachers. Our clerical help is tops too. You take Mrs. Eraschuk over at Lee Ave. School, why the kids are crazy about her! When they have to come to the office for something, she is never too busy to give them a cheerful greeting and help them-in any and in many ways beyond her duty.

Anyone who knows Fred Herzog just loves him. He is one of our

"old timers" and has worked hard and faithfully.

I was shocked at the low salaries our new principals receive. These men are wonderful teachers. Let's hope that they will be willing to remain in Hicksville. I know that I'm always tooting my horn about something but honestly, folks, you believe that they do deserve a raise?

Congratulations to Miss Louise Auguster on her re-election to the Library Board. It is an honor that she well deserves.

GOING AROUND THE LANES:

Curious Case of Nikki, Pool TagsBy FLORENCE VRYN
LE 9-6407

While reading the legal notices for the public hearing on the proposed pool hall district (that has an unsavory sound), a neighbor called to tell me there was a picture on the front page of the Levitt's official paper advising the residents that it is time to apply for a pool tag. A very pretty young lady whom the paper identifies as Nikki Hennessey of 124 Scooter Lane displayed among other things a number of tags on her ankles.

Several interesting aspects of the thing appeal to me. First Miss Hennessey does not live at 124 Scooter Lane. Tommy and Phyl have looked in all the cubby holes and, no Nikki. Food disappears at an alarming rate but with two growing kids what else can you expect? Phyl had said there was a new addition to the household and I thought I had a clue but alas, it was only a collie. The picture was not of Phyllis, which had occurred to several people, and if Nikki intends to move to 124 Scooter sorry full house. And come to think of it there will be an extra Hennessey next year, but no way to tell at this point whether she or he will be called Nikki. I don't think so and I think Phyl and Tom would be very pleased with a Tom, Jr.

Congratulations are in order for the next interesting part of this

O'Brien's of Arcadia Lane. A

deal is why the paper in question used the picture of an alleged resident of Scooter Lane for pool tax publicity? Scooter Lane is outside the Hempstead - Levittown district concerned with pool tags and while the paper may not have kept up with the minor details, the residents of the Levitt houses in Hicksville are not within the Levittown Park district. Might I reach the conclusion that all residents whether or not they pay taxes for the upkeep of the facilities are invited to get tags? This was the purpose of tags wasn't it — to make sure only the proper taxpayers used the facilities? It might also indicate a certain lack of appreciation for the due process of law — such as a public hearing to be held before a joint district is established.

As a final touch, the young lady who posed for the picture is left nameless, and the model agency must be provoked to say the least, about the mix up. Just in case another picture is in the works, tell the fellows in the art department I am sure they can find many residents of Levittown, Pa., willing to pose though whether they would be interested in a reciprocal pool deal is debatable. What do you want to bet that's the next petition around?

Spring is here for sure. Saw the band rehearsing across the way from the High School the other day and it sounded great. The drum majorettes really had a spring in their step. Wish I could catch some of that energy, but even the little I have is now required to get out a wash. Our burner had a fit of temper, so I had to postpone the ever present Bendix blues for a day. Ah well, to toil!

Congratulations are in order for the next interesting part of this

O'Brien's of Arcadia Lane. A

186 BROADWAY
HICKSVILLEHICKSVILLE
3-5886**The SENTINEL****Open Letter to Oyster Bay Town Board**

Town Board of Oyster Bay

Town Hall

Oyster Bay, New York

Gentlemen:

You will recall that just about a year ago you conducted a public hearing in the East Street School in Hicksville on the question of splitting the Hicksville Park and Parking District. The purpose of the "split", as explained by its backers, was to provide for public operation of the two Levitt-built swimming pools. They said that only by splitting the present district and setting up a new district could the pools be operated for the exclusive use of buyers of Levitt houses.

You will also recall that the public hearing was held in the evening so that working people, like practically all of us are, had the opportunity to be present. Because of the great public interest, the auditorium was jammed with several hundred people. Many of those present took the opportunity to express their opinions.

Some were willing to split the community to achieve their ends. Other placed a higher value on the community as a whole, rather than one section. Some felt that a developer's advertising promises and inducements should be fulfilled. And some felt that the same developer should not be allowed to take any part of Hicksville and rename it after himself. Alternative methods for operating the pools were suggested.

After all who wished to speak had been heard, the meeting was closed and you, as the elected members of "our" Town Board, retired to consider all sides of the problem.

Several months later, in August, you disclosed your decision to maintain the Hicksville Park and Parking District without change and said that the operation of the pools, and also Levittown Hall, were of no concern to the Town. To the relief of the people of Hicksville the matter seemed settled.

The relief was shortlived, however. When his advance agents in the community failed to put across his idea of separating us from the rest of Hicksville, William J. Levitt stopped in personally and directed operations. It is public knowledge that at a meeting in Levittown Hall Levitt personally hand picked members of what he chose to call the "Steering Committee" to spearhead the drive. It is interesting to note that when one of the newly picked members of the Steering Committee objected to the lack of support from the Levitt-owned Levittown Tribune, Levitt openly and publicly directed his editor to actively support the activities of the Steering Committee.

Many things have happened since then. Noteworthy of discussion is the January 30 referendum you called upon the disposition of the pools and the hall among the Levitt-home owners. You called for the referendum, you determined the questions to be asked of the people, you supervised the referendum, you paid for officials to be present, you counted the votes, and you stored the records. And then you ignored it all!

You evidently give more importance to a "loaded" privately conducted vote, very obviously inspired by Levitt, than to your own referendum.

What Manner Of Government Is This?

Suppose the duly nominated candidates for election to the Town Board in the legal election were not satisfactory to someone? Suppose, for instance, William J. Levitt had his own candidates? Suppose he ran his own private election? And suppose the results showed that Levitt's candidate won in Levitt's election? What would you do? Would you welcome him to the Board, and exclude the officially elected member? Certainly not! Are not the circumstances the same?

All that has happened since you chose to ignore the results of your own referendum, stem from that one decision. It has been one step after another. You have departed from the democratic process you used last year. You have sponsored legislation permitting an adjacent community to intrude into ours. You have permitted yourselves to be placed in a joint operation with the Hempstead Town Board where you can be outvoted every time. You have permitted yourselves to be completely subservient to interests outside of the Town of Oyster Bay.

Such actions cannot go unnoticed.

For a number of years a committee has been active fostering Home Rule for Hicksville. They have had desultory success until the present time. Without any question, it was your activities in the present issue of the Levitt pools and hall that sparked the populace of Hicksville to the need for its own local government. After years of disinterest they have awakened to the need for local affairs to be administered by local government. To this extent, gentlemen, you have done Hicksville a noteworthy service.

The prestige of the Town Board is at a very low level in Hicksville right now. And this is so even among members of your own political party.

You do have the opportunity of regaining the prestige you have lost. You can stand up and fight for the public interest of your town and turn down this ill-advised proposal which will make people have one foot in one community and the other foot in another community. Tell the Hempstead Town Board, and tell Levitt, that your responsibilities to Oyster Bay and Hicksville come first. Tell them that if Levitt wants to turn the pools over to public administration, that it has to be done within Hicksville. And do it before the 11 A.M. "public hearing" on May 19 in Hempstead. That is the only honorable thing to do.

Yours very respectfully,

Fireworks and Visit to Firehouse

By MAY MALJEAN
Hicksville 3-5535

I may seem a bit premature, but I'd rather be early than too late in this respect. It seems that in view of the fact that the Fourth of July comes under strict surveillance by the local authorities around that particular time, some storekeepers are stocking early to prevent any notice, and to enjoy a bigger season. This, of course, does not refer to the multitude of honest storekeepers in our area. There are comparatively few merchants willing to run the risk of hurting our children.

However, you will notice loud reports between now and that great holiday. I believe that most of the contraband explosives are purchased thru out of town outlets.

The Cleary Home for the children who are hard of hearing or deaf, who also may not speak is trying to raise funds in Hicksville by raffling off a car. The owner of the Hicksville Farmer's Market, George Spahrer, has offered the home a spot to park their lovely new car, plus able space in the market. And if I might add, to my knowledge it is not the first time he has come to the aid of a worthwhile charity. He seems to have a soft spot in his heart for any worthwhile cause.

Last Friday, Mrs. Tamler's class of the first grade of East St. School visited the firehouse. This

was postponed from a previous Friday. Among the mothers present were little Carol's mother Georgia Williams, Kathleen's mother, Doris Kelly, Billy's mother, Betty Kronius, Lynn's mother, Marion Sobek, Doreen's mother, Eleanor Gerlach, Claire Elaine's mother, Mrs. Clarence Heller, and Dolores' mother, your truly. The mothers escorted the children to and from the firehouse. A wonderful time was had by both parents and children. H. A. Gebhardt chief dispatcher was most helpful, answering all questions the children posed. He showed all of the equipment and rang the fire bell and siren. At the request of the children, he slid down the traditional pole.

Jimmie Gorra was six years old Sunday. Present at his party were Matthew Basilecci, and his sister Alberta, Stephanie and Johany Makhlou, Georgie Gorra, Georgine Gorra, Elaine and Frances Numaire, Dolores Maljean.

Catherine Kennedy of Elm St., Woodbury Manor, was nice enough to tell our readers how to bake Irish Bread. 4 c caraway, 3 c flour, 4 t salt, 3 t baking powder, 4 to 6 tbs sugar (according to taste) 2 c milk, 1 c raisins. Blend dry ingredients. Add 1 c raisins and 4 c caraway, add milk until dough is soft but can be handled easily (like soft biscuit dough). Place in greased bread pan. Cut on top to prevent splitting. Bake in 350 degree oven for thirty minutes. Serve hot or cold.

The question of the week came in too late for us to pose it to someone, therefore we thought we'd print it and see what response our readers would lend. We will publish no answers this week, but I'm sure you will find next week's column chock full of interesting answers. Joyce Parisi has asked us a real whopper:—

"It's all well and good for people to write about the young married couples and how lonely they are, but what about us in between? At least they have each other and can organize little groups for various type of diversion. I am 19 years old and lived in the city for a while, where I

considered myself quite popular with the girls and boys; however, I believe that if I ever used the answer you had last week for use by married couples, i.e., I'm lonely and want to make friends, do you? I would be considered pretty forward. Girls and boys of my age are few and far between out here, as most of the home owners are young people with young children. How can those of our age meet each other under diplomatic circumstances?"

When writing for a column such as this, one makes notes on almost anything and my husband, Gene, had made a note of a birthday party last week on a sheet of paper that became mislaid. I hope it is not too late to report Jacqueline Charbonnet's birthday fete upon her fourth "annee" as they say in French. (I hope). Attending were Suzanne Charbonnet, Barbara Branham, Cora Branham, Diane Daniels, Margaret Daniels, Thomas Blaser, Arthur Becker, Linda Tarantola, Irene Frank, and Susan Carter. Our local photographer, Pierre who is Jacqueline's father, showed films of last year's birthday parties for both Susan and Jacqueline Charbonnet, in color.

Woodbury Gardeners have noticed Charlie Leary and Bob Becker progressing with laying cement walks. They have purchased their own cement mixer and are planning on renting it out around the Gardeners to neighbors who want to undertake to lay their own concrete.

I heard from Thelma Poitras of Hillside Terrace, whose son Richard (4 yrs. old) celebrated his birthday. Among those present were: Stephanie and Ralph Simons, Barbara and John Quigley, and Kathie Claire. Mrs. Poitras was the charming lady who presented a fashion show to the Ha-dassah Group of Levittown at the Milleridge Inn last Wednesday night. The occasion was a supper party and fashion show. She designed and created gowns with 3-D hand painted appliques. Now three D has slipped into women's apparel. What next? These fas-

Scholarship Winner

CLARICE DANIELSSON

Miss Clarice E. Danielsson, 17-year-old daughter of Mr. and Mrs. August Danielsson of 81 Dorothy St., Bethpage, has been awarded a \$1,500 scholarship for 1953-54 to Sarah Lawrence College, Bronxville, N.Y.

A graduate of Bethpage School, she is a senior at Framingdale High School where she is a member of the National Honor Society. Although the flute is her major instrument, Miss Danielsson also plays the piano and trombone in the school's orchestra.

Sarah Lawrence scholarships are awarded on the basis of "intelligence, scholastic ability, character, financial need and evidence that the student is likely to profit by an education at Sarah Lawrence." While a prospective student must take the American Council on Education Psychological Examination, College Edition, Sarah Lawrence College gives its own test in the form of an extensive questionnaire.

As Miss Danielsson applied for an orchestral scholarship, she gave a flute audition and was interviewed by the head of the music department in addition to an interview with the dean of admission.

'Chimes of Normandy'
HICKSVILLE — A light opera, "Chimes of Normandy", will be presented by the Hicksville High School Glee Club at the high school auditorium Thursday and Friday, May 21 and 22, at 8:15 P.M. It was announced this week by Miss Mabel R. Farley, principal.

Local Twins In Korea Meet Priest From Home

KOREA—Louis and Eugene Stepkowski, twin sons of Mr. and Mrs. Louis Stepkowski of 52 East St., Hicksville, and Lt. Col. Stephen H. Stolz, son of Mr. and Mrs. John Stolz of E. Carl St., Hicksville, met in Korea last month.

The twins met Chaplain Stolz while attending mass. In a letter to their parents the boys write: "... whoever wanted to go to church could go. Anyway they told us to go back to our barracks and get ready for church. We got aboard the truck and it took almost a half hour ride because these roads are in pretty poor shape. ... When Mass started, Lou and I had the biggest surprise in my life. They say you meet people all over the world but I never thought I'd meet somebody I knew. Mom and Dad, the priest who said Mass was Father Stolz from Hicksville. What a surprise that was. After Mass we talked to him for a few minutes but he was busy and had to leave right away."

Eugene and Louis were born in

Hicksville. They received 12-weeks training at the Aberdeen Proving Grounds, Md., and left by plane on February 24 for the west coast and 10 days later arrived in Korea. Their address is: Co. A, 765th TRSB, APO 973 c/o Postmaster, San Francisco, California.

Col. Stolz, a veteran of 12 years with the Army Chaplain Corps, has been in Korea since August 1952.

hions were shown in the manner of a pantomime.

How to obtain a baseball, a bat, and glove? Patrick Blaser, of Briggs St. answers that question. Merely have your tonsils out. And that's just what this lad did. Happy convalescing, Pat.

Father Ballweg gave First Holy Communion to Dave McGrath, Kenneth Bode, Julia Ann Rogan, Mary Ann Lizza, and Charlie Learns — of Woodbury Gardens. Mrs. Gianelli's oldest son must have been proud as he served mass with the priest in a ceremony which offered First Holy Communion to his younger brother.

Eve Roth was bitten by the virus bug this week, and her neighbors are hoping for her early recovery. Please don't forget that this Saturday and the Friday preceding it are the very last days you may help the St. Ignatius Convent Building Fund by enjoying yourself at their tremendous bazaar. There are prizes galore.

Congratulations to the Wallace Smiths of 8 Po Lane who were presented with a lovely baby girl on Wednesday, May 6 at Copiague Hospital.

With nobility apparently on the way out in our modern civilization, the B.A.G.S. voted at their regular meeting last week to attend a performance of "The King and I" before the monarch was deposed. Attending the meeting were Lorrie Maiorano, Edith Glemboski, Ginny White, Mary Graham, Alice Orlenoch, Mildred Scherff, Terry Dresser and yours truly, who also voted to go bowling next Thursday. The meeting was held at the home of Betty Watterson, of Combes Ave.

Dotty Bonhard of McAlester Ave. has just returned from a brief vacation in Ft. Lauderdale, Fla., where she visited at the home of her aunt and uncle, Mr. and Mrs. S. Grossman and grandfather August Brand. Flying south on April 29, Dot joined her parents, Mr. and Mrs. Joseph Madsen, who had been vacationing there since April 10, and returned with them by motorcar. As if the thought of a Florida vacation were not enough to make us drool, Dot reports only three minutes of rain during the entire stay.

Legion Jottings

**By TOM OLIVERI
Hicksville 3-2773 J**

Tonight (May 14) 75 members of the Post will vote in a new slate of officers for 1953-1954. The very best available leadership should be chosen. Every member owes it to himself and to his fellow members to attend this meeting and to give serious thought and interest in the nominations that come up for consideration. Every member has a right to be heard and should take the floor to make his expressions known.

The interest and intelligence of the members will determine the success or failure of the Post, just as the interest and intelligence of the voters determine this in government.

Assuming that only 20 attend the election meeting, 11 members could decide the Post's elections and policies for the ensuing year because decisions are made by majority rule. If the decision of these 11 members is contrary to the wishes of the other 64, the responsibility for this failure is not the Post's or attributable to its Constitution or its working procedures. It is due to the failure of the individual members to live up to their responsibilities.

Tonight's annual meeting for

selection of officers is most important. There should be full attendance.

Membership renewals, a token installment once a year and a debt of gratitude to The American Legion for all the innumerable benefits, rights and privileges which are ours today under existing State and Federal legislation, are from Bruce Laudig, Ray Pritchard, Ed. Gaynor, Bert Cholston, Polignotovs Vagin and Ed Sokolik. In mentioning renewals we neglected to mention those received long time ago from Jim Taverna, Bill Horn and Tom Oliveri.

On May 17, Armed Forces Day will be observed at Mitchell Field. As mentioned in our April 30 col-

more final details of the Post's participation will be made available at tonight's meeting by Commander Jim Taverna.

Congratulations to Joe Ellinger upon being reelected to the Bethpage School Board . . . Adjutant Bob Purcell getting ready to tie the knot . . . Charlie Emma's youngster doing well after a tonsillectomy . . . Everyone, especially Fred Willard, looking forward to seeing Jim Taverna "wrecked" by the 40 and 8 . . . Have you placed your order for Legion shirts and ties? It would be nice to have and wear them at the Memorial Day parade.

Support the Poppy Drive.

**Few of 309 Registered
Vote on School Issues**

BETHPAGE — A total of 309 taxpayers registered in the first personal registration held in the Bethpage School District for the annual budget meeting and election of School Board trustees last week.

Frederick Kramer received 81 votes and Joseph Ellinger received 80 votes in an uncontested vote for School Board members.

A \$720,492 budget was approved with 46 yes and 6 no votes. School tax rate for the year will be an estimated \$2.85 per \$100. During the discussion meeting, votars added a \$1,000 item to the budget to provide bleachers at the Broad-

way School athletic field.

Louis Siega was elected to the Bethpage Library Board at the Tuesday meeting with 51 votes cast.

**Request Variance
For Beauty Parlor**

OYSTER BAY — A variance for a beauty parlor to be located at 111 First St., Bethpage, will be requested at a meeting of the Zoning Board of Appeals Thursday, May 14, in the Courtroom of Town Hall here at 7:30 P.M. Madeline Warren will present the application. She plans to operate a beauty parlor and make an addition to the house.

MEN TAKE OVER

The Bethpage P-T A meeting was turned over to the men Thursday night and they more than ably entertained the audience. From the minute Joseph Dougherty and the Bethpage Sextet took the stage till they shot Dan McGrew, the ladies were hysterical. At one point, George Lee, the mc, sent out a call for Dr. Melone to try and calm down the worst case.

"This Is Your Life" selected Leo Shottland from the audience and dramatized his life beginning in 1841 and ending at the present time. Bill Benendt gave a very convincing exhibit of the Belle of Bethpage arising and dressing to make the ever loving LIRR.

An excellent quartet included Mr. Williams, Joe Dougherty, Fred Berg and Bill Brandt. "Dangerous Dan McGrew" was narrated by Leo Shottland. The finale was a chorus of "Happy Mother's Day To You" by the entire male ensemble.

Henry Rockhill was presented with an award as the Father of the Year selected by the P-T A.

A motion to use the fund raised on this year's project for a yearly scholarship fund was approved.

Correction

Copy in the Hempstead Bank, Bethpage Branch, advertising in last week's issue read "open a savings account". This was an error in composition and not the responsibility of the banking institution.

30th Anniversary for St. Paul's

By DOROTHY GUELPA
Hicksville 3-1218 W

The 30th anniversary of St. Paul's Lutheran Church, Bethpage, will be observed Sunday, May 17. A brief candlelight service will be conducted by pastor James Taylor.

A smorgasbord supper will be served from 6 to 8 P.M. by the ladies of the various church clubs. Short histories on the various organizations in the church will be given. There will be entertainment and singing. A free-will offering will be made.

The committee includes: Mrs. James Taylor, Mrs. Vera Hommel, Mrs. Mildred Doscher, Mrs. Marguerite Whitmire, Mrs. Ruth Schauf, Mrs. Louise Baldwin, Mrs. Elizabeth Munch, Mrs. Rose Peeler, Miss Hazel Munch and Miss Sheila McKay.

The annual Spring Music Festival will be held at the Broadway School, Bethpage, Tuesday, June 2, at 8 P.M. Proceeds from the affair will be used to purchase uniforms and equipment for the school's chorus, band, majorettes and the Drum and Bugle Corps. Karl Hupprich will direct the Glee Club, orchestra and band for the festival.

CP FUND GAINS

It seems that during every drive for funds some particular act of self-sacrifice turns up. This is also true of the Cerebral Palsy drive currently underway in Bethpage. Mrs. Virginia Vitali was collection at 3703 Collector Ln. (no pun intended) and she was invited in for a moment by Mr. Correale. He said his son, Anthony, had opened a store in the garage and sold such things as social and financial success, ac-

his used toys, airplanes and comic books. Profits from the sale amounted to \$4.38 so with a small donation from his father, Anthony was able to contribute \$4.50 to the Cerebral Palsy center in Roosevelt.

A note of commendation is on its way to this 12-year-old boy who at this early age is unselfish enough to want to help other children enjoy a chance at a normal life. Mrs. Vitali has also promised to take Anthony on a tour of the clinic so that he can see how his money will be put to good use.

FUND CAPTAINS

Captains in the Bethpage Cerebral Palsy drive to raise \$4,500 include the following: Mrs. Margie Cerosi, Mrs. Dorothy Smith, Mrs. Lillian Fehrenbach, Mrs. Catherine Cipriano, Mrs. Thomas Meehan, Mrs. Lee Norman, William Benentendi, Mrs. Edith Foy, Mrs. Betty Taverna, Mrs. Tecla Shaw, Mrs. Jeanette Curcio, Mrs. Jeanne Mazara, Mrs. Lorraine Carter, Mrs. Joanne Massaro, Mrs. Rocco Mignone, Mrs. Cliff Shortman, Mrs. Hanchuk, Mrs. Norman Cornicello, Mrs. Mary Calderone, Mrs. Lorraine Vall, Mrs. Ruth Donnelly, Mrs. Fran Donelli, Mrs. Stella Finnimore, Mrs. M. Ucellini, Mrs. Ann Merlin, Mrs. Carolyn Ellinger, Mrs. Mary Greisafe, Mrs. Rose Lange, Mrs. Dorothy Casey, Mrs. Jeanette Leahy, Mrs. Carl Gratzan, Mrs. Florence Lee and Mrs. Bamino.

The annual spring dance by the Rosary Society of St. Martin of Tours Church, Bethpage, was a social and financial success, ac-

100 lbs Parcel Sent To Koreans

NORTH BETHPAGE — The first of numerous shipments of clothing to South Koreans has been made to the 76th Battalion Chaplain, c/o Sgt. Lee Ryan. Consisting of 100 lbs. of infant and youngsters clothes, the shipment will be followed by an additional 300 lbs. when the sorting by age groups has been completed.

Art Exhibition At Our Library

HICKSVILLE — The Independent Art Society is featuring landscapes, still life, portraits, marines and florals in its First Annual Spring Art Exhibition at the Public Library until May 22. There are 29 paintings on display in oil, water color and pastel.

The paintings run the gamut from a semi-abstraction by Anna Simon to a realistic representation of fall landscape in the Adirondacks by Olga Hoebel. Marjorie Yarotskey and Mae Hogg are well represented by several animal paintings, "Stallion" and "Mare" by Mae Hogg. Among the portraits are a pastel study "My Daughter" by Arlene Brunes, an imaginative interpretation of "Girl in a Red Skirt" by Mrs. Hoebel and a modern version of a colored woman "The Martinique" by Anna Simon in which bold primary colors form a brilliant contrast to subdued browns and blues.

Joseph Colloca and Robert Treichler show impressions of Switzerland, while Laurette Divan and De Witt Guilbert excell in marine studies. Blanche Christensen turns to still life for her very modern "Mexicans". Catherine Lumm creates cool blue green harmonies in her paintings "Tranquill Lake" and "Peaceful Country," while Ann Ganzi's "Rhododendron" in pastel as well as her other floral pastels show a decidedly warm approach. A study in subdued yellow-greens and pinks "Food for Thought," as pastel still life, by Evelyn Jonasson completes this interesting and varied art exhibition by the members of the local art group.

A general meeting was held at the studio of Mrs. Louis Hoebel at 30 Terrace Pl., on Wednesday, May 13 at 8 P.M. Field trips were under discussion and refreshments were served.

Corcoran Not On Committee

HICKSVILLE — Lawrence A. Roman, general chairman of the Home Rule Committee, today complied with a specific request of Robert W. Corcoran of 162 Broadway, in making it plain that the latter is not affiliated with the movement to incorporate Hicksville as a village. Corcoran was succeeded as attorney for the committee in May of 1951 by Walter McCoy. Corcoran resigned the committee shortly after a descriptive pamphlet on the home rule movement was released, "due to the pressure of other affairs." A limited number of copies of the leaflet are still in circulation.

PUBLIC NOTICE
PLEASE TAKE NOTICE, that pursuant to Section 130, Subdiv. 4 and Section 200-a and Section 200-a of the Town Law of the State of New York, the Town Board of the Town of Oyster Bay, Nassau County, New York, will hold a public hearing in the Court Room, Town Hall, Oyster Bay, New York, on Tuesday, May 26th, 1952 at 10 o'clock in the forenoon, (EDST), at which time citizens and parties interested will have an opportunity to be heard upon the question of enacting an Ordinance regulating the construction of sidewalks and curbs, cleaning and repairing thereof and obstructions upon the same, on Town Roads outside of incorporated villages or cities, which said Ordinance is substantially as follows:

ORDINANCE

The Town Board of the Town of Oyster Bay hereby ordains and regulates the construction of sidewalks and curbs, cleaning and repairing thereof, and obstructions upon the same, upon town roads in the Town of Oyster Bay, Nassau County, New York, outside of incorporated villages or cities, as follows:

ARTICLE I

Obligation of Abutting Owner. **SECTION 1. REGULATION BY TOWN BOARD.** The Town Board may from time to time by resolution and after public hearing require the construction or repair of sidewalks or curbs along streets, roads, highways and parkways in the Town of Oyster Bay, as well as the construction of sidewalks along State Highways within the Town of Oyster Bay and the repair of sidewalks constructed by the State along State Highways in the Town of Oyster Bay at the expense of the abutting owners or otherwise upon such notice and pursuant to the authority of the requirements of Section 130, Subdivision 4, and Section 200-a of the Town Law of the State of New York, as amended.

SECTION 2. REQUIREMENTS OF CONSTRUCTION. No sidewalk, curb or gutter shall be constructed or permitted to be constructed or repaired along any street, road or highway or parkway in the Town of Oyster Bay unless such construction shall be of concrete and conform to the lines and grades furnished by the Town Engineer and in conformity with all of the specifications and requirements established by the Board of the Town Board.

SECTION 3. NEW DEVELOPMENTS. All sidewalks, curbs, gutters or driveways constructed on any privately owned street, highway or parkway of a new development, shall be subject to these regulations and comply in all respects with the regulations covering streets the title of which is vested in the Town. Failure to comply with these regulations shall constitute sufficient cause

for the Town to reject any preferred dedication of such streets.

ARTICLE II

Section 1. No sidewalk, curb or gutter shall be constructed or repaired, or work thereon commenced, until the owner of the premises in front of which sidewalk, curb or gutter is to be constructed or repaired, or the authorized agent of the owner, shall have obtained a permit therefore. Application for such permit shall be made in writing to the Town Superintendent of Highways in such form as may be required by the Town Board. No permit shall be issued without the approval of the Town Engineer endorsed thereon, unless so directed by resolution of the Town Board. Such permit shall specify the lines or grades of such sidewalk, curb or gutter and such other direction as circumstances may require. The permit here required to be issued by Town Superintendent of Highways shall be in addition to the permit required pursuant to regulations for street openings or obstructions.

ARTICLE III

Notice for construction or repair of sidewalk or curb.

SECTION 1. NOTICE TO BE SERVED. Whenever, the Town Board adopts an order or orders directing the abutting owners of the respective lots or parcels of land in front of which it is desired that sidewalks or curbs be built, relaid or repaired to construct the same in accordance with this ordinance, the Town Board shall specify the place, manner and time within which such construction or repair shall be done, which time shall not be less than 48 hours.

The Town Clerk shall publish a notice thereof in a paper to be designated by the Town Board at least twice, the first publication of which shall be at least 12 days before the time specified before the completion of the work and shall serve a copy of such notice by registered mail upon the owner or owners, occupant or occupants of the land in front of which it is desired that such construction or repair shall be done.

SECTION 2. FAILURE TO CONSTRUCT OR REPAIR SIDEWALK OR CURBS. Whenever a notice or notices referred to in Section 1 hereof has been or have been served upon such owner or owners of the respective lots or parcels of land in front of which it is desired that the sidewalk or curbs be built, relaid or repaired, such owner or owners, occupant or occupants shall not cause the construction or repair to be made to the sidewalk or curb as required by the notice, the Superintendent of Highways is hereby authorized and directed to cause the construction and repair to be made as required by notice. The Superintendent of Highways is hereby authorized to perform such work or repair with his own forces or cause a contract

LEGAL NOTICE

or contracts to be let therefor, and to pay therefor out of the funds to be appropriated by the Town Board for such purposes.

SECTION 3. REQUIREMENT FOR PERFORMANCE OF WORK BY OWNER OR OWNERS.

Whenever the owner or owners, occupant or occupants shall build, relay or repair the sidewalk or curb called for by said notice, he shall obtain a permit therefor as provided in Section 1 of Article II. If the location where the construction or repair is to be made shall be upon a State Highway, where the sidewalks or curbs have been constructed by the State, the permit shall be obtained from the Highway Division of the State Department of Public Works in accordance with the rules and regulations of that Department.

The Superintendent of Highways may require such bonds or deposits, and issue such permit subject to such terms and conditions as he may consider necessary for the protection of Town property.

SECTION 4. CONSTRUCTION AND REPAIR BY CONTRACTOR.

Whenever such construction and repair is made by contract let therefor under the provisions of Section 2 of this Article, the provisions of this ordinance in respect to obtaining a permit and the powers of the Superintendent of Highways on the issuance of a permit shall apply to the contractor for such work.

SECTION 5. REIMBURSEMENT FOR COST OF CONSTRUCTION AND REPAIR. The Town shall be reimbursed for the cost of building, repairing or replacing any sidewalk or curb, which may be provided in Section 2 of this Article, by the owner or owners of the respective lots or parcels of land in front of which such construction or repair was made, by assessment upon and collection from the lots or parcels of land termed benefited by such construction or repair, so much of the actual and complete cost upon and from each such lot or lots as shall be in just proportion to the amount of benefit which the improvements shall confer upon the same and collected in the same manner and at the same time as other ad valorem taxes and charges.
ARTICLE IV**Keeping Clean and Obstructions.**

SECTION 1. CLEANING SIDEWALKS. Every owner or occupant of any house, or other building, and every owner or person entitled to possession of any vacant lot, and any person having charge of any church or any public building in the Town of Oyster Bay shall during the winter season or during the time snow shall continue on the ground, keep the sidewalk in front of such lot or housefree from obstruction by snow or ice and icy conditions, and shall at all times keep such sidewalk in good and safe repair and maintain the same clean, free from filth, dirt, weeds or other obstructions or encumbrances.

SECTION 2. OBSTRUCTING WALKS. to discuss the drainage and road conditions in our section. Supervisor Charles E. Ranson stated that the work would begin sometime in March, 1953. To date only surveys have been made, otherwise no action. How much longer must the people put up with these deplorable conditions? What is the hold-up — when will this long awaited drainage program begin?

Between now and the time the vote on Home Rule takes place a great many promises concerning local improvements, drainage in particular can be expected. This whisper campaign is already underway (NW Hicksville, please note) to short circuit the Home Rule movement. The residents in our sections are sick and tired of promise after promise by the Town Board and Highway Dept. WE WANT ACTION NOW!

BETWEEN ISSUES: we note that new homes on farm tract between Myers and Burns Ave. are near completion, occupancy expected late May or early June . . . a site for the new Mid-Island General Hospital has been selected, on Hempstead Turnpike, near Drive-In theatre, Bethpage . . . A great many children made their first communion last week in our area. Congratulations to all . . . Purchasers of tickets for Hicksville Night at Ebbets Field, July 22, will select a Hicksville Baseball Queen.

How about a nomination from the North West? A photo must accompany nomination — what will you post? . . . Remember our spring dance is a week from this Saturday, May 23rd, let's all turn out that evening and kindly turn in those chance books you received by mail as soon as possible.

By HOWARD FINNEGAN

We bow to the wisdom of the authorities at Hicksville High who chose not to bring Oyster Bay coach Dick Crawley's actions in the recent Baymen-Comet deadlock before the North Shore Athletic League in its executive session last week.

It has long been our belief that a newspaper should only report the scholastic activities and not stoke any fire that might lead to unpleasant friction.

For that reason we will not pursue our thought of last week that a replay of the contest should mean an end for this year of relations between the two schools.

Our original convictions, however, must remain unchanged.

It was a sad day for the ethics of sportsmanship and reflected badly on the purpose of athletics in the high school circular.

Initial response to our call for the softball league to be conducted under auspices of the Summer Playground by the Board of Education has already found five teams eager to go.

The General Electric Team, Long Island Nationals, Empire Diner, Breen's All Stars and a neighborhood team from the Spiegel development are all in the fold.

The present plan calls for the league to get in operation the first week in June and the final organization plans will be drawn up at a meeting in the HERALD office, Monday night at 8 p.m.

Chet Jaworski will be on hand to explain the league functions and all managers are requested to attend.

Any group of men, organization, club or firm is invited to form a team and join the loop.

Thanks, to the Hicksville Board of Education, the cost is practically nil and the competition bars top flight pitching in the interest of a balance of power.

Remember, Monday night in the Herald office. After that date, it may be too late.

Hicksville representation in the Jones Beach Softball League is assured.

As we indicated in this column some months back, the beach officials have issued blanket invitations to those clubs who will give definite class to the league and are staging an elimination for those teams which are unknown.

Botto was originally slated to play Mineola but the County Seat club failed to appear for the game and Hicksville won by forfeit. That coupled with a belated bye in the first round automatically qualified Bernie McGunnigle's team for the campaign.

The league doesn't start until Memorial Day, but after that the going is slated to be thick and fast.

Little League Parades On May 23 to Open Play

By RAY de CHESTER JR.

A pre-season review of the Northwest Little League Major, Minor, and Farm teams will be held on Saturday, May 23. All groups will congregate at the Newbridge Shopping Center and a Parade will start at 2 P.M. from this point. Little Leaguers will march along Levittown Parkway to the Abraham Levitt Field where two four inning exhibition games will be played by the Majors and Minors. A large turnout including baseball notables is expected, since the event will officially open the season for the small fry.

At a special meeting of the Field Committee and Board Members recently the following League schedule was officially adopted:

1. The four NWLL Major teams will each play 18 regularly scheduled games commencing May 25, 6:15 P.M. at the Salisbury Caddy house field every Monday and Thursday, and at Abraham Levitt Field every Tuesday and Friday. 2. The Four Minor League teams will commence operations May 30,

and each Saturday thereafter at 1 P.M. and 3 P.M. will play two games at the Salisbury-Park Field No. 1 located near the Club House just off Post Ave. On June 29 the minors swing over to an expanded schedule, playing 6:15 P.M. games each Monday and Thursday at Levitt Field in addition to the regular Saturday games at Salisbury Park. 3. Commencing May 30 the eight NWLL Farm teams will play every Saturday starting 9 A.M. at the Levitt Field, with the Carman Ave. Field as an alternate.

4. All groups may participate in team practice to be held on Tuesdays and Friday at the Carman Ave Field, and Saturday mornings at the Salisbury Field No. 1.

League President Jack Green has announced that a special Certificate Member meeting will be held in the Dutch Lane School to complete plans for NYLL Day festivities and to discuss other matters of importance.

The NWLL Women's Auxiliary completed their work this week on the Souvenir Programs and Score Card. These interesting books will be distributed at the games throughout the 1953 season, which promises to be a big one for "Little League Baseball."

SUNDAY SUBJECT

HICKSVILLE — Rev. Dr. J. Attman will be the guest speaker at the 11 A.M. service of the First Baptist Church Sunday, May 17, to be held at the Legion Hall, E. Nicholai St. His topic will be "Science Cannot Deny the Diet of Christ. Why?"

SEA CLIFF, OYSTER BAY NEXT: Comets Belt Roslyn, Take Lead

ROSLYN — Hicksville High moved closer to the NSAL Eastern Division baseball championship than it has been in 17 years with a rousing 18-2 victory over the Hilltoppers here, Tuesday.

The Comets, dormant in their hitting of late, turned savagely on the hosts who only the day before ended Oyster Bay's twenty game winning streak, 1-0, and catapulted Hicksville into first place.

Coach Bill Anderson's team had a nerve wracking time getting there though for on Monday Westbury visited the local field and made a stubborn fight of it.

The Comets pulled out a 3-2 verdict. Bob Hogan pitched for all

but the last man as Anderson had to call on Tommy Valentine to get the last out with the tying and possible winning runs on base.

Hits by Joe Pepe, Rich Evaschuk and George Grecco helped build a 2-0 lead and a bases loaded walk forced in what proved to be the winning run.

Hogan's trouble actually can be attributed to two errors in the fifth. He walked one man however and a neatly placed squeeze bunt scored one run and an error delivered the other.

In the seventh the signs were up that Hogan was losing the touch. Anderson waited out one walk, an ensuing single caused him to wane for Valentine.

There isn't much in the way of details for the Roslyn game since it was a batter's field day and everyone improved their batting average except Pat Enos.

He walked four times and was hit by a pitch in the fifth.

Ed Scott got four hits, Dave Abelman hit a homerun and all in all it was an easy win for Valentine.

Thursday (today) Hicksville plays host to Sea Cliff and Monday at home finds Oyster Bay stalking to regain lost honors.
