Mystery Hole Gets Bigger

HICKSVILLE—Fear that last week's downpour has widened the mysterious sink hole which has appeared in the rear yard of 16 Fireplace Lane, were expressed by William Bollinger, owner of the property. Fencing erected May 21, with the assistance of Hicksville firemen led by Asst. Chief Arnold Jeanson, no longer encloses the entire area. The depression is slowly extending beyond the fence and removal fears for the safety of the neighborhood children were expressed.

Letters describing the situation have been sent to Levitt and Sons, Nassau County Planning Commission, L. I. Lighting Co, Bowers Savings Bank, which hold the mortgage, and Oyster Bay Town Board, Bollinger reported. The residents of the area are awaiting an official decision.

CHLUMSKY MADE MOTION:

Town Boundary 'Vanishes' As Levittown Rolls North

HEMPSTEAD—The historic boundary line between townships which have weathered the years and changing political tides since the 18th century has "virtually ceased to exist", in the words of Supervisor Harold Herman, as Oyster Bay and Hempstead Town Boards this week created the so-called Joint Levittown District. "This is a historic event", Herman said proudly, "because for the first time in the history of the State township boundaries have virtually ceased to exist in recognition of recreational and community needs".

Councilman Frank Chlumsky of Hicksville had the honor of bringing the district into being, thus erecting what opponents claim will be a barrier between one section of Hicksville and the rest of the community, along Old Country Rd. Chlumsky made the motion which was seconded by Councilman Ralph Case of Merrick and unanimously voted. The Levittown area, about 20 per cent of the total Hicksville area, will thus come under majority control by Hempstead Township as of the first day of 1954.

Name Commissioners
Herman thanked Oyster Bay Town Board for its cooperation and Supervisor Ransom, who is retiring the end of this year, said that Oyster Bay felt at all times that the two towns would cooperate in the best interests of the

Pupils To Sing Memorial Day

HICKSVILLE—The cooperation of all residents and organizations in the observance of Memorial Day, here, Saturday morning was today urged by a joint committee of local veteran posts. A parade from the Legion Hall to the high school grounds on Jerusalem Ave., where services honoring the war dead will start at 10 A.M., according to Chairman William Frohnoefer.

Lee Ave School Glee Club directed by Miss Alice M. Baker will participate in the services replacing the Choral Society which has traditionally taken part in Memorial Day programs. Officers of the Glee Club are Billy Fink, president; Thomas Manaskie vice president and Dale Brand, Secretary.

All organizations, including school children, firemen, veterans, civil defense volunteers, scouts, fraternal groups and others, will assemble at the Legion Hall on E. Nicholas St. at 9:30 A.M.

WOMEN SPEAK THEIR MINDS:

Let Us Incorporate, Get Parking

HICKSVILLE—The home makers of the community are stating their opinions of the local shopping services and facilities in no uncertain terms, it was disclosed today by Charles F. Trojan, president of the Business Men's Assoc. Leaders of the 60 participating women's organizations are reminded that June 15 is the final date for the return of BMA shopper survey questionnaires which were distributed at a luncheon in April.

QUEEN CANDIDATE, the entrant of a friend, is Pat Lenzner, daughter of Mr. and Mrs. Louise Lenzner Jr. of Newbridge Rd. and Hempstead Ave., Hicksville. She has been named as a candidate for the title of "Baseball Queen" for Hicksville Night at Ebbets Field on July 22. Purchasers of tickets for the game, locally, are voting to select the queen. Pat is 17, has brown hair and hazel eyes, weighs 117 lbs. She is a senior at Hicksville High.

Petition Nears Goal

HICKSVILLE—The Home Rule movement appeared headed for achievement of its self-imposed goal with the holiday weekend remaining in which to enroll property owners representing one third of the community valuation, plus a little extra "just to make sure". A sixty-day drive to get the petition in shape for presentation to Supervisor Charles E. Ransom so that a vote can take place started in mid-April.

About 250 more property owners added their names to the consent to have a vote take place on the question in the past week, General Chairman Lawrence A. Roman reported. In addition, several larger property owners, one with a valuation of a quarter of a million dollars as industrial property, were also "signed up". Volunteers who have concluded their election districts are now assisting to the canvass, door to door, of areas which have not been finished. Forms for signatures and information are available at the Committee Hq., 98 North Broadway. Telephone is Hicksville 3-1401.

FAVOR TOWN CONTROL:

Francke Names His Team; Facts Due In Two Weeks

HICKSVILLE—Ernest F. Francke of Field Ave., county clerk and political leader, today named his anti-home rule committee described as "committee on facts against incorporation".

With a promise of more members to follow, the list includes: J. J. Smith, Al Schacher, Henry Eisemann, William E. Koutensky, Charles Montana, Robert Corcoran, Henry Brungel, Harry Ermenwein, Charles Eginton, Michael J. Sullivan.

Also, Adolph Sojnisen, Charles Colthurat, Herbert Parick, James Lynch, Julius Schwartz, W. L. Sutton, Carl Gruenwald, Mrs. Adlai Katz and Mrs. Edna Sutton.

Francke, who has been the sole opponent to home rule for Hicksville under an incorporated village, said that he "has been authorized to announce that the results of the Committee's study and analysis lead to the conclusion that the proposed change of government in Hicksville to an incorporated village would be to the disadvantage

of the community."

The committee was described as including "bank officials, school board members, business and professional men, civic leaders and other residents who have been making a very careful study of the problems involved and expects to release its finding in approximately two weeks."

Suffers Knife Wound

BETHPAGE—Raymond Denninger, 15, of 25 Whaley Ave. was wounded in the right shoulder by Robert Shutt of 21 Essex Rd. in the rest room of the Broadway School when Denninger was brandishing a knife on May 21, according to Second Precinct Police.

Leaders of the 60 participating women's organizations are reminded that June 15 is the final date for the return of BMA shopper survey questionnaires which were distributed at a luncheon in April.

The forms are being returned to the BMA office at 98 North Broadway. About 450 have been already completed and shipped to the State Dept of Commerce at Albany where they are being tabulated and analyzed for the benefit of the community and its merchants.

"More public parking appears to be the number one demand, according to the shoppers", Trojan said after a check of the forms sent back. "Grade crossing elimination is also right up on the top of the complaint list".

The BMA offered a few of the typical comments:

"Hicksville should incorporate and expand in beauty, convenience and civic pride. Good lighting and sanitation are most important. Even now, improvements recently made are attractive and inviting."

"Keep place with the times. This is 1953 not 1890. Provide enough parking space so that we would not hesitate to go into town for even one item. When we go in

Corner Broadway and Marie Street, Hicksville

Dear Jean:

NASSAU PRESS will move from E. Marie St., opposite Hicksville Theatre, to its new plant under construction on W. John St. just off Broadway. There will be office space upstairs. . . . A vacancy is not expected for a couple of years more, but names of possible designees from GOP ranks for the Hicksville Postmastership are getting around. We've heard CLIFFORD PLACE, SIDNEY PELLY and others mentioned. . . . You can now get a look at the girls competing for Basell Queen of Hicksville. Their pictures are going on display in the Herald window. . . . Our editor who has been strongly outspoken in print about the actions of town officials in recent weeks was observed in sociable discussion over coffee cups at the Girl Scout program in Parkway Church, Sunday, with Supervisors HERMAN and RANSOM. . . . LEVITTOWN EAGLE will become the Long Island Advertiser, a shopping circular, next month. We'll "miss" IRA's pro-Levittown blasts upon our community and us. . . . Word about RANSOM retiring the end of the year with strong support getting around for Assemblyman BURNS as his successor as Township Supervisor appeared here a full week before it got into the dailies. As a matter of fact the Herald in its predictions for 1953, published last December, said the same thing. . . .

A brother of GERARD DeLORME, who is directing the house to house canvass for the home rule vote here, was among the victims in the recent Texas tornado disaster. . . . Don't fail to turn out for the Memorial Day parade and exercises in your community this Saturday morning. Also, remember to display the flag at half mast until 12 noon and then run it proudly up to the top of the pole in the afternoon. . . .

SAM GREBER of Freeport, chief Warden of Nassau CD, is scheduled for a salary increase from \$5400 to \$8000 a year. . . . Lee Ave P-T A wishes to thank FRANK ENGLERT for permitting the display of medals, trophies and awards the organization will be given students at the end of the semester. The display is set for Bahrenburgs Bakery window. . . .

A couple from Hicksville, MR. AND MRS. MITCHELL KANTOR, appeared on the "Journey Through Life" television show, Tuesday afternoon. They received a lot of swell prizes for their participation on the show. . . .

Amazing fact about the Anti-Home Rule "Committee" announced this week by ERNEST FRANCKE, political boss, is that many of those named are the actual proponents of incorporation for Hicksville. Having been for Home Rule, some serving in official capacities on the committee, and now apparently against it, we can hope that by the time the vote takes place they will be in favor of it again. . . . It is all very, very confusing. . . .

John Kastens Wed 25 Years

Mr. and Mrs. John Kastens of 136 First St., Hicksville, celebrated their 25th silver wedding anniversary with a supper at the VFW Hall in Hicksville Saturday, May 23. The room was decorated in silver, pink and white. A turkey dinner was served by Mrs. A. Loeffler. Many lovely gifts and flowers were received by the couple. The guests enjoyed cards after the dinner and lovely prizes were awarded to each player. . . .

Mr. and Mrs. Kastens were married on May 26, 1928, at St. Luke's Episcopal Church, Sea Cliff. . . .

Charles Wittenburg, brother of Mrs. Kastens, sang "Oh, Perfect Love". Gilbert Burmwater said the prayer and Henry Luhnmann was toastmaster. . . .

The guests included: Mr. and Mrs. William Volmerding of Mount Vernon, Mr. and Mrs. John Soderman of Seaford, Mr. and Mrs. Elmer Rhodes of Lynbrook, Mr. . . .

and Mrs. Clifford Raynor of Wantagh, Mr. and Mrs. G. Barnwater of New Hyde Park, Miss Irene Pearsall of Centerport, Miss Marie Wodosick of East Northport, Mrs. Richmond, Mrs. Frank Finger of Huntington, Mr. and Mrs. George Velsor of Babylon, Mr. and Mrs. W. Lane, Mr. and Mrs. Charles Wittenburg, Jr. of Glen Cove, Mrs. Louise Smith of Sea Cliff, Mrs. Charles Niemis, Mr. and Mrs. Elmore Burr of Farmingdale, Miss M. Fassbender of Syosset. . . .

Also: Mr. and Mrs. Henry Luhnmann, Mr. and Mrs. William Metzger, Mrs. Nancy Karlson, Mr. and Mrs. Herbert Schwabe, Miss Tillie Sutter, Mrs. Martha Fitting, Miss Dora Schlimm, Mr. and Mrs. Eugene Fitting, Mr. and Mrs. Magness, Mrs. Helen Hennessy, Mrs. Clara Fassbender, Mr. and Mrs. Henry Van Aeken, Mrs. Charles Wittenburg, Mrs. Mabel Hill, Miss Irene Stoffel and Mrs. Christine Stoffel all of Hicksville. . . .

Neighbors Strongly Object To New Business Zone

OYSTER BAY — Residents near Newbridge Rd. and Cherry La., Hicksville, voiced their objections to a request by John Wicks, Jr. to rezone the residential property to a business use at a meeting of the Town Board here, Tuesday morning.

James Cass of 2 Winter La., Hicksville, spoke on behalf of the large delegation of neighbors who attended the meeting. In presenting a petition of objection with 375 signatures, Cass said that a shopping center would increase the traffic hazards especially on Newbridge Rd.

He said that he and his neighbors bought their homes in a residential district in order to live

on a "quiet street" where the children would be safe. He pointed out that Cherry La. would become the delivery entrance and that a shopping center would change the character of the neighborhood.

Cass said that property to the north of the Wicks property owned by Keller is also scheduled for a zone change request.

Had Checked Map

Mrs. Greenberg of 27 Cherry La. said that she and her daughter came to the Town Hall shortly after they moved here three months ago to check on the plans for the vacant property surrounding the development. She said they were shown maps of the section and advised that there "would be no rezoning for three years."

Supervisor Charles E. Ransom replied that no one could tell her that because the Town cannot stop people from making applications for zone changes.

Dr. Littman of 31 Barter La. said he objected to the business zone because his office is located near the Wicks property and traffic would be a hazard to his children and to the children who come into his office.

Mr. Nolte of 21 Cherry St. told the Board he objected to a business section because he had picked his property to be on a quiet residential street.

The applicant, John Wicks, Jr., was not present. Although the case had been adjourned until the June 2 meeting of the Board, Ransom said the Board would hear the objectors when the audience groaned for having made a useless trip to Oyster Bay.

Women in the delegation objected to the adjournment for several of their husbands had taken the day off and lost a day's pay in order to attend the hearing.

HICKSVILLE — Committee Chairmen for the Chamber of Commerce were appointed at the meeting of the Board of Directors held at the Montana Realty Co., May 25. Stilliger, Safety and Health; Francis Andersen, Youth; George Rapaport, Labor; Arthur Rogazzino, Purchasing.

Jericho Services At Local Park

JERICHO — Memorial Day Services will be held at the Ensign Samuel Underhill Memorial Park here on Saturday, May 30. The parade will start from the Jericho firehouse at 10:45 a.m.

Members of the Jericho VFW Post, Jericho Fire Department and Ladies' Auxiliary, Boy Scouts, Girl Scouts and children will participate in the ceremonies. Graves of deceased veterans will be decorated by Chaplain Thomas Samuelson and Harry Stewart.

Flags will be distributed to the children by the VFW Post.

Trio Now Directing CD Forces

HICKSVILLE — George McCarthy of 66 Nevada St. today announced a new top command set up for Hicksville-Plainview Civil Defense unit 312.

The unit is headed by a Board of Directors consisting of C. D. Eginton, T. F. Cullen and G. McCarthy. There are five deputy directors: E. Belanger of 43 James St., R. Hornung of 22 Marvin Ave. W., Kallenbaum of Crescent St., J. Korothy of Ertle Lane, all of Hicksville; and G. Wallace of 30 Nassau Ave., Plainview.

The announcement also stated: "We ask all who have signed up for CD to have patience as plans for reorganization are now underway and we will contact you soon. There is still a great need for volunteers in practically every phase of CD. We urge the public contact any of the above named deputy directors to volunteer their services. Those who have been assigned duties in the past are asked to assume them on the night of the test alert, June 9. It is particularly important to reactivate all air raid wardens and communications personnel."

"Look for our auxiliary police Hicksville with 20,000 People Is Big Enough to Rule Itself"

Marching in the Memorial Day parade." Eginton of 2 Bamboo Lane was formerly director of the local CD

Unit with Cullen as chief of the auxiliary police. Secretary McCarthy had been an officer of the auxiliary police.

PLAINVIEW VAMP REPORT:

Parade To Start At Island St.

The Memorial Day parade this Saturday, May 30, will start at Island Street at 9:30 A.M., turn left on Old Country Road to the fire house. The people of Plainview will be honored by having Pastor Hench and a member of the armed forces as the main speakers. The Plainview Volunteer Fire Co., Fire Company Ladies' Auxiliary, Amvets Plainview Post, American Legion Post of Plainview, Civil Defense Auxiliary

Police, Boy Scouts, and Girl Scouts. The Amvets will supply the firing squad and American Legion will supply the bugler.

We wish to remind all organizations that the parade committee will hold its final meeting for the parade at 8:15 on tomorrow (Friday) night. We would like to have a member of each group parading to be present. If there is a group that wishes to take part in the activities of the day and has not made arrangements, Friday is the time. We all know that the more in line, the better the parade.

The fire company has been a busy place this week. We received our new truck but at this time it is not in service. The truck must be put through a series of tests before the Bureau of Fire Underwriters will allow the truck to be

used to fight fires. We have mentioned before about a ladder truck. It is our wish that the truck will be in our quarters before the end of the week. It would be something more for the protection of Plainview in case of emergency.

The fire company had visitors again this week end, Mr. Al Schupp and Mr. H. Yates of the American Legion, and Mr. F. Payne of the Amvets. Those three men have been very helpful to the fire company in assisting the Parade Committee in setting up activities for May 30. It is the wishes of all concerned that this will be the best parade to date. We feel that with the organization of the American Legion and the Amvets the Memorial Day ceremonies will be taken over by them in the future.

LINCOLN ROAD ROUND UP: Let's Get Out Salvage, Sunday

The monthly meeting of the Plainview Gardens Civic Assoc. was held at the home of George Kunz May 24. Those of us who were unable to attend should know that meetings for the balance of the summer have been shifted to more summerish surroundings. That is—out-of-doors. The first of the proposed picnics will be held Sunday, June 21st. The arrangements are to be worked out by the Executive Board on Thursday June 4th at the home of Rocky Guglielmo. SO, KEEP THIS DATE OPEN.

Meanwhile let's all get our bundles of waste paper, rags, and salable scrap together; tied up and placed at the curb this Sunday, May 31. Plainview Legion Post is starting its waste paper

drive on this date and our response should be good for a worthwhile project dedicated to Veteran and Community service. Your cooperation on the last Sunday morning of every month will help a great deal.

Happy Anniversary to the Chuck Dymnes, married ten years May 29. Chuck, just can't get over it, "Seems like only yesterday," he says. Belated Birthday Wishes to Gloria Roman who celebrated on May 5. Welcome to our newest neighbors the Joe Brawn's of 54 Lincoln Road North. Couldn't find out if there was an "E" in that middle initial or not, but we feel sure their presence is just as wanted as any movie stars would be. The grapevine tells us that beautiful bundle of Joy Dottie Eichel brought home the other day is named Nancy Jane. We're all anxious to investigate after the company leaves.

NEIGHBOR DOWLING VIEWS NEWS: Builders And School Sites

By JOHN DOWLING

It is doubtful whether the builders of Morton Village will ever negotiate the sale of land within their development that has been earmarked for school sites for less than the ridiculously high asking price of \$8,500.00 per acre. For that reason the Plainview Board of Education, on advice of counsel, has taken steps leading to eventual condemnation of the two required parcels.

Up until Friday of last week Morton attorneys were still talking "negotiations" but on their terms. They were also talking for the daily press stating they knew "schools were necessary"—wonder who told 'em—and that they were willing "to negotiate".

It is true that the School Trustees had one meeting with them since their utterances were made public; however, they were still singing the same old tune—"high costs, engineering fees, etc."

When the developers of a huge 3000-home project publicly declare "they know schools are necessary", despite the fact that they planned and designed this gigantic development without making provision for the public school system, the people of Plainview wonder what they mean.

At any rate, the School Trustees have every reason to feel confident that the condemnation proceedings will result in a downward revision of the present Morton asking price of \$8500.00 per acre.

From an overall standpoint, it is difficult for the average homeowner to understand how the state legislature, although acutely aware of the critical financial

position of many of these hard-pressed Nassau school districts, as evidenced by their annual approval of emergency state aid grants, can continue to overlook the additional need for remedial legislation in addition to the very much appreciated yearly emergency aid laws.

When a builder erects a huge development, turning almost overnight a rural area into a residential section, the existing school system is thrust into a state of emergency and literally swamped by the thousands of children moving into the area. The builder sells his homes and moves on to another section.

Although he plays a great part in creating the problem, he is never asked by official bodies—accepting harassed school authorities—to assist in solving it. The least he should do is set aside land for schools. A simple act of the legislature would correct this problem immediately.

While it is probably too late to come to the aid of Nassau County School Districts in this respect, the state law-making body should do some serious thinking about the same condition that is presently staring Suffolk County square in its educational eye.

Another factor in the overall picture, in many cases, is the antiquated township zoning ordinances which result in giving one district all the industry and another within the same township virtually none.

In our township, this writer is told, there remains on the books an old-time regulation which practically prohibits industry from entering Plainview although sufficient acreage is still available and several industries have ex-

pressed at least a passing interest in these existing tracts.

Years ago this ordinance was probably a sound one conceived to prevent the manufacture of products by processes that were felt to be obnoxious and deleterious to the welfare of the residents of the hamlet.

However, one glance at the attractively designed industrial developments now dotting certain select areas of Nassau in addition to the remarkable advances attained in the engineering fields in the past quarter-century, which have virtually eliminated the objections covered in these ancient laws, certainly provides town officials with the necessary means for justifying a reexamination of these laws in order to bring them up to date for the benefit of all the communities in the township.

PERTINENT POINTS: Construction bids for the new school were opened May 20 and at this writing it appears as though they are a good deal lower than the authorized bond issue. . . . that's good news. . . . Plainview PBC baseball teams open season this Saturday at Manetto Hill ball field. . . . All out to give our youngsters a solid cheering section.

P-T A TO ELECT

HICKSVILLE — A brief business meeting of the Senior High School P-T A will proceed the exhibit night at the high school tonight (Thursday). Election of officers and a report of progress on scholarship grants will highlight the session, according to Mrs. Robert Goodrich, president. (See story on exhibit on page 11)

Registration Set By Tuttle

PLAINVIEW — Kindergarten registration will take place at Manetto Hill School Wednesday, June 20, from 9 to 12 noon and 1 to 3 P.M., it was announced by Robert Tuttle, principal. In order to enter kindergarten, a child must be five years of age by Dec. 31. A birth certificate is required and immunization papers are requested at the time of registration.

A tentative date of Aug. 14 has been set for a general registration of pupils for all grades, new resident pupils and kindergarten age children who will move into the community during the summer.

Spare The Time Memorial Day

By Fred J. Noeth

THERE IS NO particular point to wasting any more space in discussing the action by the Hempstead and Oyster Bay Town Boards this week. They created the joint district to keep "Levittown intact", ignoring a public referendum and dealing a sickening blow to the identity of Hicksville as a community.

We did rather wistfully hope that our local Councilman would, as a matter of home town loyalty, register a "no" vote at these proceedings. But just to show how neatly those things are arranged, it was he who made the motion that will erect a political barricade along Old Country Rd.

He probably just forgot about the five hours spent on Jan. 30 at Dutch Lane School as an official sponsor and town official conducting an election to decide this very question. The public said in that election—conducted at Township expense—"No Joint District".

We sincerely urge all residents to participate in the Memorial Day services in their home community this Saturday morning. Give a few minutes of your time and attend the local program in tribute to men who have died in the cause of liberty, freedom and devotion to God and country.

And as we run up our flag this Saturday, let's think for a moment that those who gave their lives were fighting to preserve among other things, free elections and way of life in which government exists to serve the people—not the other way around.

In Memoriam

I dedicate this column to the memory of all Hicksville men who answered their country's call in World Wars I and II, and those of the Korean conflict who in having made history gave their lives so that the generations yet to come might live on in the freedom which we so richly enjoy today. This dedication would not, could not be complete if we failed to dedicate it also to those who must remain listed as Missing In Action and to those Soldiers, Sailors and Marines known but to God.

"THE ARMY OF THE LORD"

- They marched with God as their Supreme Commander And men like Washington as Aid-de-camps. With the likes of Colin Kellys as the Sergeant-Majors And Basilones as Corporals of the Guard.
- There were Teddy Roosevelts that served as Drill Instructors With Roger Youngs to lend a helping hand, But none possessed a weapon of destruction For they marched together in a peaceful land.
- They were marching in an Army made of heroes— And each one had won his place in heaven's hall of fame, As they passed the audience made up of many Angels. St. Peter stood and checked off every name.
- They were billeted in barracks made of marble Each receiving golden halos as reward, Which in turn was proof to those assembled They were members in the Army of the Lord.

Just for one thing, it's a mad dash to get our item while we have to double park. One doesn't care to do this with a long shopping list.

Another woman wrote: "The primary effort should be made to better parking facilities. Rather than carry groceries or other packages from local stores, I'll drive to an area where I can easily park."
"Have the parking meters checked more often as half the time they are now working when you put your pennies in the meter."

The Legionnaire

Charles Wagner Post
No. 421, American Legion

There is usually a standing vote of thanks accorded a person or persons who do a fine job for the Post and produce revenue thereby. This fact is recorded in the minutes and everyone is happy. It is right that this is done because without revenue the normal operating expenses of the American Legion cannot be met. But there is more to the Legion than that.

We have in the Post many men who work only occasionally when money is involved but when there is unrequited work to be accomplished they're on the job. Kings Park, Memorial Day, School dedications, everyday operation for veterans' benefits and so many other phases of Legion activity which bring no return are the major part of the Legion and without them the Legion would lose its purpose and die.

There will be no attempt here to single out any men or women but we do hope to awaken the membership and our readers to the credits given from time to time in this column and by the Commander on the floor, for the necessary, though unspectacular work, carried out by so many of our quieter Legionnaires.

The Annual Memorial Day Parade and Service will be held this Saturday with the Legion, V.F.W., Amets, J.W.V., Legion of Guardsmen, Fire Dept., Boy Scouts, Girl Scouts, Cubs, Brownies and many others participating. The parade, scheduled for a 10 A.M. step off, will leave from the Legion Clubhouse and the whole town should line Broadway and

Jerusalem Ave. as well as pack the High School grounds to pay tribute to the men and women who have gone before us!

Last Sunday morning eleven Legionnaires placed flags at the graves of 59 veterans buried in Plainlawn Cemetery while the V.F.W. journeyed to Westbury to do the same for Hicksville veterans at Holy Rood Cemetery. Participating for the Legion were Ed Becker, Jim Carter, Jim MacLaughlin, John Hodgkinson, Mel Eisenhandler (and son), Guy Smith, Walter Schlichting, Mike Biani, Jim Arneemann, Bert Nessel and your columnist. If five or six times that number turn out for Memorial Day, the Legion, enforced by the Auxiliary, can put on a fine display of faith and remembrance toward our departed comrades.

Latest membership report from Al Barlow shows the addition of two new members in Robert Burley and Lawrence Fagan and two renewals—Michael Tabush and John Smith. . . . Total now 387—sixteen more would mean an additional vote at the convention. . . . Have you written your Congressman on H. R. 4391—Cigarettes for Vets in State Hospitals? . . . Nominating Committee appointed by Ed Becker consisting of outgoing Commander and Past Commanders per custom is comprised of Ed Becker, Henry Brenzel, Nick Harter, Elias Jabour, Rob Beard, Rudy Bouse, Fred Brenzel and Walter Schlichting. And everyone was present Monday night. . . . Usual donation forwarded to the Police Boys Club. . . . Speaking of P.B.C.—they can still use a little more help with baseball. Any amateur Duracher's around? . . . Let's remember the parade Memorial Day—Assembly at 9:30 A.M., Legion Clubhouse, Saturday, May 30th.

Dial Coming Next Month For All Hicksville 3 and 4 Telephones

Dial service will begin next month for the 13,000 telephones served by the Hicksville 3 and 4 central offices.

When the change is made, all customers will not only be able to dial calls within their community, but well beyond it. Individual and two-party customers will dial direct to more than four and a half million telephones in many communities in downstate New York and northern New Jersey.

Four-party customers will be able to dial calls only to the other telephones served by the 16 central offices in their local calling area.

The installation of this equipment now

being completed in the Hicksville telephone building has been a big job, which has required thousands of hours of work by hundreds of skilled telephone people. Every one of the hundreds of thousands of circuits is now being put through exhaustive tests to make sure that when "dial day" comes, the equipment will work perfectly.

Bringing dial service to Hicksville 3 and 4 is a project totaling more than \$1,000,000. The same job would have required only about \$600,000 in pre-inflation days.

This is another step in the company's continuous program of expansion and improvement for the Long Island area.

ALONG WOODBURY ROAD:

Let's Go To Civics Spring Dance

By **GENE MALJEAN**
 Hicksville 3-5515

I just bought two tickets to the Spring Dance that will be held tomorrow night under the auspices of the Woodbury Gardens Civic Assoc. If you would like to attend, please phone HI 3-6159 R—which is the number of Jim Surless. If his phone is busy—phone me and I'll convey the message. However—many people have been asking when the club would hold a dance—well, tomorrow night is the night. Let's all attend at the Amvets Hall on E. Marie St.

Glad to see Eve Roth up and around again on Ketcham Ave... But Helen Braham of the same Avenue is nursing a strep throat. Little Charlie Leary had the misfortune of stepping on a nail last week. Charlie is also of Ketcham Ave... I saw his father's finished attic Saturday. Pop is quite handy.

John Doyle, of 3 Hicks Circle, cub scout, is selling taffy for the scouts, and James McLaughlin of 22 Sunset Ave is helping him. May saw them Saturday and they told

her business wasn't too good as far. If the boys approach you, be nice to them, as it is difficult to knock on doors of strangers.

Jim Surless, of 62 Smith St., Woodbury Gardens submitted his recipe for "STEWED" Frankfurters. Because of deadline, we didn't have a chance to try his formula, so you're on your own this week. We usually first try all of the recipes we print. Add one lb. Frankfurters to 1 qt of beer. Simmer slowly for approximately 15 minutes. Serve with saurkraut and boiled potatoes. I imagine that the beer could be chilled after cooking, and used for your beverage. In this way it seems that after eating frankfurters that taste like beer, you may drink beer that tastes like frankfurters.

The Miss Dinne Dance Studios of Westbury are holding a dance recital in Westbury High School. Featured will be Miss Carol Cantor of Spruce St., Miss Sharon Phillips of Spruce St., Miss Catherine DeGordia, of Spruce St., and Martha Anne Reigelsperger, of Spruce St. It seems Spruce St. is well represented there.

Miss Rose Marie Mirabella, of 181 Dartmouth Drive, Hillside Terrace, married Richard P. Wehle of 13 Jackson St. of Stapleton, Staten Island. The wedding took place on May 23, Saturday at the Immaculate Conception Church in Jamaica, followed by a reception later at the Hillcrest Golf Club. Mr. and Mrs. Martin Wehle are the proud parents of the happy groom, and Mrs. Rose Mirabella is the bride's mother.

Martha Reigelsperger, of Spruce St., Woodbury Manor, gave a surprise luncheon for Lorraine DeGordia, of 62 Spruce St. Present

were Miss Jo Sicking, Mrs. T. Catagiri, Mrs. Mitz Catagiri, Mrs. Hilda Steckle, Mildred Bertram. The party was held on May 21.

Mr. and Mrs. Charles Ruelius, of 1 Underhill Ave. celebrated their 39th wedding anniversary at a dinner party given by their daughter, Mildred Bertram of 65 Elm St.

Miss Jo Sicking is from Missouri. She is spending a few weeks at her niece's home, Martha Reigelsperger, of Spruce St.

Mrs. T. Catagiri, of Tokyo, Japan, is visiting Mrs. Mitz Catagiri, 63 Spruce. She enjoyed a beautiful cruise that lasted six weeks from Tokyo thru the Panama Canal and to New York. Mrs. Lucy Lomenzo, of 76 Elm St., Woodbury Manor, was quite distressed to hear of her sister's automobile accident. Her sister, Violet Riebold, was hit by a truck as she was making a turn. She was unconscious at the hospital (Continued on Page 15)

Name Delegates For Convention

NEW HAVEN, Conn.—Attending the New York and New England Synod of the United Lutheran Church here from June 1 to 4 will be Rev. Howard Rogers as pastoral delegate and A. Carl Gruenwald as lay delegate for St. Stephen's Lutheran Church of Hicksville.

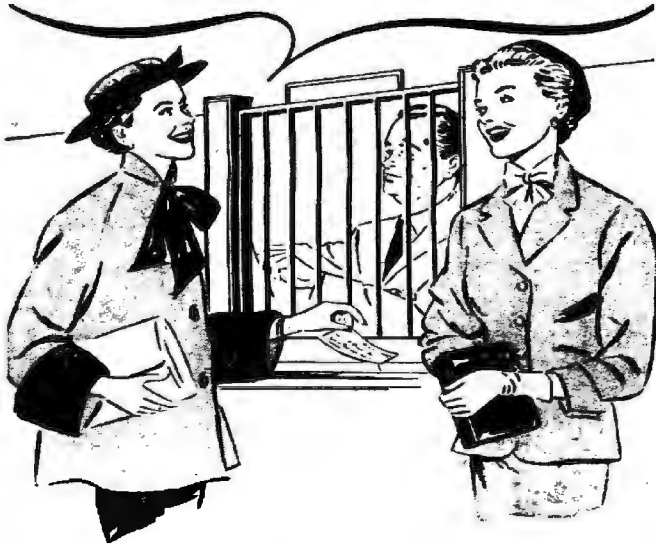

Gruenwald who resides at 31 Violet Ave., Hicksville, is superintendent of the St. Stephen's Sunday School. Rev. Rogers is pastor of the church. During the convention Robert Harter, Hicksville seminary student, will be ordained.

Woodbury Gardens Civics' Notes:

SANTA STARTS EARLY
 As we all know, Santa works all year long getting presents ready for Christmas. Santa has so much work that he can't do it all by himself. He has chosen a few people from Woodbury Gardens to help him and asks the cooperation of the centre community. A dance will be held this Friday night, May 29, at the Amvets Hall on E. Marie St. The proceeds will go to the Children's Christmas Party. Tickets are \$2.50 per couple, \$1.25 for singles, with refreshments included. For those who have a baby sitter problem and can't go, we'll appreciate a donation, no matter how small. We all remember how eager the children were last year standing in the bitter cold to give their lists to Santa and receive gifts.

This year, if possible, we will try to have the party indoors as from last year's experience we find that the parents (not the children) could not stand the weather. Let us forget whatever differences we might have and make this a bigger and better party than last year. If you can attend the dance, please do so. If not, please give a donation to your zone committee man or to any of the following members of the Christmas committee: JIM SURLESS, EDNA NEY, NETTA POWELL, MAL GERTZEN, WALTER WELLS.

LEVITT'S HALL at the corner of Levittown Pkway. and Beech Lane, Hicksville, appears on the current assessment list with a taxable value of \$204,550. Adjacent to it (foreground, right) is the Parkway Pool, one of two in Hicksville which Levitt and Sons owns and may turn over to a Joint Levittown District if created by Oyster Bay and Hempstead Town Boards as Levitt directs. The Hall, with a seating capacity of about 350 persons, has been closed since Jan. 1 by order of the Levitts until the joint district is created. School taxes in Hicksville paid on this Hall property will amount to \$5,320.76. If deemed to the joint district it is expected to be exempt from such taxation but the

cost of maintaining the structure, keeping it in repair, staff, and open for use will be added as a tax charge on the property owners of the joint district. At a public vote held by Oyster Bay Town Board on Jan. 30 of this year, resident taxpayers voted 193 yes and 435 no on question of a joint district being created to maintain the Hall. Many homeowners of the area felt the structure should be maintained by a non-profit organization under which system those who use it would pay the cost of its operation. The vast majority of the organizations which used it for a meeting hall before Levitts padlocked it were from the Town of Hempstead Levittown district. (Herald photo by Frank Mallett).

out the contention of Hicksville residents that only a few people could afford to attend the meeting, and that it would give no indication of the public's feelings.

Will It Be A Surprise?

Will our Oyster Bay Town Board give us a pleasant surprise and tell the Hempstead Board members, and other interested parties, that Hicksville and its future must come ahead of other communities, and vested interests? Will they wash their hands of the joint district mess? Frankly, we don't think so. But, nevertheless, it would be a most welcome surprise.

We Still Hold The Aces

Even if "our" governing body, the Oyster Bay Town Board, does the expected and dissects Hicksville, we still have the last word. One of the immediately beneficial effects of incorporation of Hicksville would be to make the expected establishment of the joint swimming pool and hall district an empty gesture.

Get On The Band Wagon

All residents are invited to get on the band wagon for home rule in Hicksville. The campaign to obtain the necessary number of taxpayer signatures is on the home stretch. If you haven't yet given your signature, do so at once. Drop in at 98 North Broadway and sign up. Or call Hicksville 3-1401 and ask for someone to bring a petition form to your door.

Can They Do It Cheaper?

Ask for facts and figures when they tell you they can do it cheaper. When they quote tax rates for incorporated villages, ask them what the rate includes. Ask if it includes a village police department. That one is good for 40 points per \$100 valuation. (Incorporated Hicksville will continue to use the Nassau County Police). Ask if the quoted rate includes sewers. Ask about bonded indebtedness, and how much it contributes to the tax rate. Ask how much parks add to the taxes. We don't have any parks, thanks to the Town Board. When the politicians tell you the town can do it cheaper, make them prove it with facts. Don't accept vague generalities.

Hempstead's Budget

Hempstead, with a somewhat smaller population than Hicksville, has a total of about \$79,000,000 (adjusted to the county assessment methods) in assessed valuation, or about double what Hicksville has. Hempstead is a busy, prosperous community with many fine facilities, many of which we have only in part or lack entirely. Suppose we eliminate the costs of maintaining their police department, their parks, and their sewer system from their budget to make it comparable to our conditions. And we don't even remove a nickel for costs of interest and redemption of their bonded indebtedness which amounts to a half million dollars this year (Hicksville would have a very modest bonded indebtedness or none at all for a long time). With these equalizing adjustments their tax rate is about \$1.27 compared with our comparable rate of \$1.17. Remove the debt costs from their tax rate and it goes way below the \$1.17. Can they do it cheaper?

Even If They Could Do It Cheaper

Even if the politicians could do it cheaper, would it be worth while for Hicksville to keep remote control government that has done so little for us? After years of inaction, the Town Board announces its plan to purchase land for a parking lot near the railroad station. We have heard vague reports about plans to install a \$700,000 drainage system. We can't help wonder if we would get even these promises if there hadn't been the pressure for home rule.

Planning July 4th Festivities

Local artist and civic leader, Jack Findlater of 19 Glow Lane, Hicksville, has been chosen to serve as Chairman for Levittown's Second Annual July 4th Festival, with Bob Hudson, Manager of J. C. Penny and Co., as finance chairman.

Findlater was elected at a meeting held last week at the Gardiner's Ave. Firehouse in Levittown, of a group of interested citizens representing their clubs, associations, posts or just themselves. At this meeting, a tentative, two-day program for the festival was

drawn up, and groups and individuals volunteered to carry out various phases of the program, such as the Main Parade, Baby Parade, Fireworks, Block Party, Baseball Program, Bicycle Races, Field Day events, Pool Festival, choice of the Festival Queen and others.

The incorporation of a new event, a "Stars of Tomorrow" show for youngsters from the cradle to 17, will extend the activities of this year's festival to include every member of the family and members of every age group.

It will be a talent show, open

to any young person up to 17 who has a talent for dancing, singing, acting, can play an instrument, or is an embryonic magician. Youngsters wishing to enter the show will write their application to the Festival Committee, and attend an audition before the Fourth.

Chairman of this feature is Walter Lewis, WHLI director and Director of the Levittown Opera Guild and Levittown Follies of '63. Auditions will be held June 17, and applications for participation should be in no later than June 16 to the Committee.

Third Graders In Folk Tale

HICKSVILLE—Third grade pupils of the Lee Ave. School presented the delightful old German folk tale, "Hansel and Gretel" at the Friday morning assembly of the school.

The cast included: Peter Sherbo as Hansel; Janet Christ as Gretel; Ruth Ann Harding as the mother; Jeffrey Nichol as the father; Helaine Lewander played the witch who turns children into gingerbread men.

Some of the pupils were dressed as angels and sang the "Children's Prayer" and the rest of the class was dressed as trees to provide the scenery.

Lee Ave. School fourth grade class made a trip to the Battery in New York for a live geography lesson. They traveled to Staten Island on the ferry and saw the Statue of Liberty. In the heart of New York's business area, Wall Street, they walked the narrow streets and were impressed with the rush of people and tall buildings.

Express Thanks For Garden Aid

HICKSVILLE—The Burns Ave. P.T. A wishes to publicly thank Mrs. H. Petersen and Mrs. George Udvarhly for their invaluable aid in helping the children beautify the school grounds with flowers that are starting to bloom this week.

The ladies asked the children of the school to bring five or six cents to help purchase flower seedlings and plants. Devoting many hours to the task Mrs. Petersen and Mrs. Udvarhly then instructed each child in the planting and caring of the flowers. A wide variety of flowers around the huge circular driveway and against the front wall of the building now helps beautify the new school. Each child in the school is responsible for the watering and weeding of a plant.

The P.T. A asks the parents and neighbors of the school to be careful not to walk on or destroy the blooms which will soon be in full bloom.

OFF SOUTH BROADWAY: Map Reading And Foolishness

By BUNNY LAUER
Hicksville 3-2794 J

Once there was a small Hamlet that started growing by leaps and bounds. More schools were built to keep up with the evergrowing population. More stores opened and the good people of Hicksville were happy. They supported the stores. One large market was so well supported by local folks that last week they opened another store in Hicksville. Did this store show its appreciation to our folks for helping them grow? — NO. They don't even know where they are located—or do they? Taxes are lower in Hicksville but still they claim they are in Levittown. Hey—Bud have you ever looked at a map to see where you are? Maps are available in many places in town. Just in case it is a hardship for you to get one, let me know and I will get it for you.

though, Holly had to get poison ivy and now I'm looking forward to seeing Iva, Paul, Marty and myself plus all the nieces and nephews and the rest of the crew with it. Never a dull moment.

Mr. and Mrs. Romano of Lee Ave. had a wonderful backyard picnic Sunday. Guests were Mr. and Mrs. Ruthland Davis, Mr. and Mrs. Reynold Bradshaw, all of Flushing. Mrs. Harold Davis and son Billy of Albertson, Miss Marie Gillock of the Bronx, Mr. and Mrs. James Caduso and daughter Helen of Mineola.

Helen received all her picnic utensils and barbeque grill for Mothers' Day gift. The aroma of those delicious hamburgers and franks made the whole neighborhood hungry.

The Raffas of 2 Hudson Pl. are real busy these days. Georgie and Louis had their tonsils out Monday and Anna was in a dance recital on Saturday night given by the Diana Dance Studios of Westbury. She did a ballerina number and looked like a little angel. She wore a light blue costume with silver slippers.

Did I mention about our latest coffee club? We meet on Wednesday mornings as soon as we ship the kids off to kindergarten. Last week it was held at Lila's house. We had Ann Shulman, Betty Rathner, Mimi Rudnick, mom and myself. Everyone forgets about calories for that one morning and boy do we go to town. Next week it's at Ann's house.

Saturday was the last story hour at the library for the children as the library will be closed on Saturday during June, July and August. However, a full program is planned for the summer months. Why not drop into the Library and join the many activities?

BETTY MEYERS of 163 Princess St., Hicksville, won the \$65 Rotissomat presented here by Sid Orloff, owner of Nassau Cleaners at 248 Broadway, Friday night. The winner was drawn by Karen Fredericks of 44 First St. Regina Keizer of 241 Broadway chose the tickets of Mrs. Minton of Lee Ave for \$5 free dry cleaning certificate at Nassau, Friday night. Award of the \$5 certificate will continue as a feature every Friday night, Orloff said.

Along Woodbury Rd.

(Continued from Page 12) for a few days. Violet has just had her book published by Vantage Press. It is titled "As Long As Love Shall Last." She was born in Manhattan. She was a graduate of All Saints Academy, and from there she went abroad to study music with her sister, Lucy. There she received her music B. and her B.A. degree from the Musikalische University, at Santa Maria, in Mins, Germany. She also attended Brooklyn College for a course in creative writing, where she wrote several novels. She also teaches music, and is working on her other novels to be printed by Vantage Press.

An open meeting of the JWVA will be held on Barclay St. at the Temple tonight (Thursday). They will show a film in color of the work the volunteers are doing at the Northport Hospital for Veterans. Anyone interested is invited. You may help the volunteers, even if you do not belong to the Jewish War Veteran's Auxiliary by contacting the hospital chairman, Elaine Aronson, HI 3-5158 R. You may also go to the hospital and see the work these people have done, by contacting the same party.

Heard through a reliable source that Little League Baseball will be open to children regardless of homes they live in. Hope it is true. Believe me, it isn't only in baseball where certain individuals discriminate because you happen to live in a Frank home instead of a Levitt home. Let us cut out such foolishness. If you are a willing worker what difference does it make who built your home or what street it is on?

Things were nice and quiet in my household, — too good to last

HILLSIDE TERRACE: Don't Forget Our Dance June 6

By ERNEST GOSSY
187 Dartmouth Drive

A quick check with some of the building crews reveals that Hillside Terrace will be more than three fourths complete before the year is out. Sidewalks and streets are being completed before some of the homes but the street light problem is very slow in progress. To date we have only a few lights on one side of the street in the first section. Let's hope the lights

will start shining real soon. The protection and safety they will provide is really a necessity.

At the present time, folks, it looks like the numbers of people signing up for incorporating Hillside is almost more than the required amount. Even so, better more than not enough, so if you haven't signed as yet, join the happy throng as soon as possible. Remember—it will be Your town and your leaders as You choose.

The newly seeded lawns along Haverford Rd. and Dartmouth Drive have already sprouted. Quite a few fences have sprouted too, along with blisters from using post hole diggers. I should know, I have only one-third of mine up since this afternoon and I have enough blisters to sleep on.

Well, gents, if you can find a few spare minutes between cutting grass, putting up screens, painting, or digging holes, bring the little woman to the big Civic dance at the Legion Hall on Saturday June 6, at 8 P.M. I'm sure everyone will enjoy himself. See Joe Huddy for advance tickets or if you belong to the late crowd, pick them up at the hall on Saturday.

If you know something that we could use, stop by and I'll be glad to make a note of it.

County Fair Is Howling Success

The May 22 meeting of Cub pack 118, held at the Powell Ave. School in Bethpage, was a "howling success." The theme for the meeting was the County Fair. The cub scouts showed their skill in carpentry, flower growing, painting, and cooking. Of course, there was help from the mothers and dads.

FRANCKE

(Continued from Page 1)
Mrs. Sutton told the Herald on Tuesday that she is on the committee because of information given to her by two lawyers that incorporation would affect the school system, resulting in the necessity of school tax collection by the village rather than by the township.

"Among the subjects that will be covered by the Committee's report", the Francke release continued, "will be the fact that zoning powers, including the right to establish new business zones and grant station permits and variances will remain in the Town of Oyster Bay unaffected by the change; the establishment of parking fields will cost the community twice as much, if we incorporate; and an analysis of the (1952) budget proposed by the Incorporation Committee."

North West Civic News:

The following is the official news release of the North West Civic Association, Inc., as prepared by the Executive Committee, dated May 26th:

The next regular meeting of the Northwest Civic Association will be held on Tuesday evening, June 2nd, 1953 at 8:30 P.M. at the Burns Avenue School. All members are urged to attend.

Those who did not attend our social on Saturday, May 23rd missed a very pleasant evening. The basket of cheer was won by James Gill, father of our Sports Committee Chairman, Barney Gill. From all reports everyone enjoyed themselves. A vote of thanks to Hal Gregory and his hard working committee.

To those who have ordered the maple trees from Al MacLeod, will have been advised to wait for transplanting until early fall. The trees will have a better chance in this way. We will give you more detailed information at a later date.

NORTH WEST NOTES:

82 More Sign Up Over Weekend

By JAMES CUMMINGS

Volunteer workers for the Home Rule Drive turned in a total for Sunday afternoon canvass of \$175,000 in assessed valuation. These weekly totals have helped us nearer our goal of \$13,000,000 needed to bring this question to a vote. Over \$1,375,000 has been turned in to date by 16th District workers reports John Finnegan, Captain.

In my travel through the development the residents have asked when are we going to hear pros and cons on the subject at one of the meetings the answer lies in a decision by the Executive Board to invite speakers to our next meeting on June 2nd at Burns Ave School, or to hold a special meeting at request of membership if other arrangements have been made for our June 2nd meeting.

BETWEEN ISSUES we were pleased to learn that Mrs. Nancy Grover, daughter of Mr. and Mrs. Joseph Gallagher of 164 Ohio St. is the mother of a girl, Kathleen

LEVITTOWN

(Continued from Page 17)
joint district. Named as commissioners of the new bi-town district were Supervisors Herman and McConeil of Hempstead and Ransom of Oyster Bay.

Upon motion by Ransom, deeds to Levittown Hall (see page 18) and two swimming pools were accepted from the Levitt organization. Under the terms of acceptance, Levitt organization must maintain and operate the two pools and hall until midnight of Dec. 31 1953. Arrangements for reciprocal use of pools in Hempstead township, which opens this Saturday, by Hicksville Levitt house resident and vice versa, were adopted. Opening date of the hall and pools in the Hicksville section were not known.

Contrary To Vote
The "solution" was searched at a meeting of the two town boards in Hempstead, Tuesday afternoon at 2:30. The joint district has been warmly debated and was vigorously opposed by the Oyster Bay Township Civic Council and various Hicksville organizations because it creates a joint district which had been rejected by property owners at a referendum held by Oyster Bay Town Board on Jan. 30 of this year. Officials have explained their action, which is apparently contrary to the desires of the voters, as being "the only possible solution."

Their action establishes officially a Levittown district in Hicksville. Opponents fear the creation of the district is a preliminary to further northward pro-Levitt expansion and eventual incorporation of part of Levittown into a super city of Levittown.

Wiff Friday If Needed

Hicksville High was on the field ready and waiting at Cliff, Tuesday afternoon, but the rain would not relent the game had to be postponed until yesterday (Wednesday).

Farmingdale upset the Comets Monday, 3-2, at Bethpage Park and knocked Hicksville out of a first place tie in Oyster Bay for Eastern Division diamond laurels.

Coach Bill Anderson's team had to beat Sea Cliff to gain a 2 mark which would put them one game behind Oyster Bay's 8 and 1.

If Hicksville still has a chance to tie for the pennant the game will be played at Oyster Bay tomorrow (Friday).

The Dalers scored two runs in the last of the seventh to stun the Comets. Tommy Valentine had pitched brilliant ball all afternoon but two singles sent up the storm warnings in the seventh.

Valentine got the next man on a strikeout but in the process a passed ball allowed a double advance.

Also in the midst of the offerings to the third hitter Valentine worked his tricky pickoff motion and his throw to Pat Epos at second base clearly had the runner caught off base to everyone in the park but the umpire.

Anderson then called a conference at the mound and called for a pitchout to the next batter since he looked for a squeeze from the Dalers.

It came. Valentine pitched to the right of the plate but the batter reached out and bunted. One run was in and the winning one came over when catcher Dave Ableman threw a first base where no one was covering!

The win went to Jack LaMabe who is a fine hurler with crackling fast ball.

Providing Hicksville wins at Oyster Bay the ensuing tie would mean another game between the two rivals. It would be at a neutral field Monday or most likely Tuesday afternoon.

The Welcome Mat is Soaked

The front office of the Jones Beach Softball League ordered the umpires to start the contest between Botto Brothers and Friendly Stop Tuesday night at the beach despite a field that would not permit infield practice and a steady fine rain.

The rain fell steadily during the game as Hicksville built an 8-4 lead going into the sixth.

In the last of the sixth a downpour started and Bill Brodiuk and his relief, Jim Barone, could not pitch and two plus five walks enabled the Stop to tie the game at 8-8 and the bases still loaded.

The base umpire wanted to stop the game at the start of the half inning but the plate umpire said the score was too close and ruled the game on.

The rain completely disrupted the mound and hardly a strike could be thrown.

When the score became tied the umpire ruled the game a contest and said he did so because the field was in no condition to play.

It was regarded as fair by the beach officials. But would it have been fair had a batter hit the ball and got the winning run across under conditions, impossible for play?

The Botto club was glad it got off with a tie. But what can it expect in the future?

There is no welcome mat at the beach for the local crew and what was supposed to pass for one was all for giving up and sinking Tuesday night.

We told you almost two months ago that Roy Stephenson would play in the beach this year.

Long Island Neon was the highest bidder but got a rude shock Sunday when Joe Smith, who started his softball pitching in Hicksville, beat Roy 3-0 with a no-hitter for Levittown.

It was an astounding result and has some of the wags say Stephenson hasn't got as much as he used to have.

However, Smith is one of the best on Long Island and a good day so if your team can't score it is hard to win. Consider also that in scoring the runs Levittown had to the help of two big Neon errors it could hardly be the signal that Stephenson is going to be treated roughly in the Beach loop.

He merely struck out 13.

Over the course of the twenty league games we would be surprised to find his name in the loser's column more than two or three times.

If we do we are going to look closely as to what the total in the error column.

Police Captain To Toss First Ball As PBC League Play Starts

HICKSVILLE—The Police Boys Club baseball league season opens Monday, June 1, at the High School ball field at 5:45 p.m. Capt. Vincent Chementi, commander of the Second Police Precinct, will throw out the first ball.

The intermediate PBC League is composed of two sections due to the large number of teams entered this season. Amateur league umpires will officiate in the tightly-contested league. Winners of the league will enter the County championship and the County winner will represent Nassau in the Eastern Seaboard P.A.L. in the fall.

The Cards and Aces open the season on June 1 at the high school. The Lions will face Levittown Boys Club on June 2 at the high school and the Royals meet the Cobras on June 3 also at the high school at 5:45 p.m.

In the A Division, Cubs face the Blues on June 3 at Bethpage High School at 5:45 p.m. and the Bombers meet the Maroons on June 4 at the same place.
