Parc Civics Motorcade Goes To Oyster Bay Again Tonight

HICKSVILLE—A motorcade of Parc Community Assoc. members and neighbors will form at South Dean St. and Jerusalem Ave., here, this evening (Thursday) at 6:45—for the second time. The group will be heading for Oyster Bay Town Hall and a public hearing of the Zoning Appeals Board to protest a gas station application in their neighborhood.

It is the second time within a month that a motorcade of the irate property owners will head for Oyster Bay. An application by Commercial Properties Inc. of Bklyn. planned for the May 7 meeting for nearly the same identical location on Jerusalem Ave., between Tobias and Dean Sts., was withdrawn just before that hearing.

Parc Community Assoc. will present a petition with about 1000 signatures objecting to the application. The hearing and plans for opposition were the subject of a special meeting of the Assoc. at the Walter Orden home at 22 Terry St. Tuesday night.

Councilman Frank Chlumsky was a guest speaker at the meeting and assured the membership that he would do "anything I can" and urged residents to call him up if they have problems.

Manfred Schoenwald is attorney for the association in the opposition to the gas station application.

Protests are being centered upon potential depreciation of property values in the area and the fact that "there are enough gas stations in Hicksville already."

Korea Clothing Roundup Here

HICKSVILLE—June 8 has been selected as collection day for clothes for Korea, according to Wilfred Jackson, chairman of the local American Relief for Korea committee. Committee members who will work with him on plans for a house to house collection drive are: Joseph Reinhardt, Charles Eginton, Dr. Eric Le Barron, Charles Barvais and Henry McInnes.

Trustees Appoint New Librarian

HICKSVILLE—Kenneth Barnes, former librarian of the School of Business at Cornell University in Ithaca, has been appointed as the new public librarian here by the Board of Trustees. He will succeed Helen Wheeler of Freeport who has resigned. Barnes will assume his position at the Library on Jerusalem Ave. at Second St. the first of August. He is the father of two children and plans to make his home here.

Dial Phones to Start June 21

HICKSVILLE—The changes over from manual to dial telephone operation for Hicksville 3 and 4 exchanges will take place on Sunday, June 21, Telephone Company officials disclose.

PO Sub Station on Newbridge Rd

HICKSVILLE—A sub station of the Hicksville Post Office will open on July 1, in the drug store on the West Village Green on Newbridge Rd., between Table and Barter Lanes. It was announced this week by Postmaster G. Mollitor. It will be Station no. 1 of the Hicksville office.

CD Test Features Road Blockades

HICKSVILLE—Road blocks were established at Broadway, here, and at Virginia Ave., Plainview, by civil defense volunteers during the countywide test air raid alert, Tuesday night. Civil Defense Director Charles Eginton reported that public cooperation was good.

Greatest Show Benefits CP Fund

HICKSVILLE—A troupe of local embryo acrobats consisting of Carol Finamore, Carol Fernandez, Patricia Ann Finamore, Betty Fernandez, Anne Lynn Brough, Carolyn Huckstein, Nancy Meyer, Mary Meyer, Ann Coue, Gordon Zaino and George Beyer staged a condensed version of the "Greatest Show on Earth" on Saturday, June 6th on the lawn of Ann Coue's of Harding Ave. for the benefit of the local Cerebral Palsy Fund. Pink lemonade and cookies baked by Carol and Patricia Ann Finamore were served. Proceeds from the children to this cause amounted to \$6.77.

EDUCATORS ARE GUESTS OF GIRL SCOUTS

GUESTS of Hicksville Town Girl Scout Committee at the first annual Father-Daughter Dinner held at Bethpage State Park Clubhouse recently including principals of elementary schools and Dr. E. H. LeBarron, superintendent. Left to right are: Rev. David

Duncombe, pastor of Holy Trinity Episcopal Church; Mrs. Merton Wilbur, chairman; Herbert Cavanaugh, Dr. LeBarron, John Chase, Mrs. Jack Inglis, program chairman; Donald Abt and Murray Duncan. (Herald photo by Mallett).

Lay Advisory Group Urges Additions to Four Schools

HICKSVILLE—The recommendation that the School Board go ahead "with immediate plans for the vote on bond issues" to provide 10-room additions to the four small elementary schools of the district was made this week in the annual report of the Citizens Advisory Committee on Education to the School Board. The annual report and recommendations was the subject of a joint meeting of the School Board and Committee, Monday night, at East St. School. Present also were Robert Schoel and Arthur Erich, members-elect, who will take office as School Trustees on July 1.

Beaches Free To Residents

High summer temperatures over the week end turned many a newcomer's thoughts to swimming and the facilities available in the area of their new homes.

Residents of Hicksville, Plainview, Bethpage, and Jericho, all within the Township of Oyster Bay, may use the township-owned beaches free of charge. A sticker for the windshield of the car for free parking may be obtained from the parking field attendant. A car registration is sufficient to establish proof of township residence.

On the north shore, township owned beaches include Center Island, Stehli's Beach, Glenwood Landing and Roosevelt Memorial Park Beach. Bathing on north shore beaches is most desirable at high tide because of the rocky surface and shell fish prevalent at low tide.

On the south shore, Tobey Beach, where surf swimming may be enjoyed, is located two miles east of the Jones Beach Park water tower.

Chamber Gets Parking Data

EAST NORWICH—The Board of Directors of the Hicksville Chamber of Commerce met on Monday, June 8, at Reckman's Inn, here.

The question of parking was discussed and the Board of Directors was informed that a parcel of land located in the rear of the Professional Bldg. on E. Barclay St. with entrance on Broadway, has been contracted for purchase by the Town Board, for parking and it has been estimated that this will accommodate between 200 and 300 cars.

A Parking Committee was formed consisting of Al Schackner, Henry Eisenmann, William Koutensky and Aaron Rochman. This Committee is to meet for further discussion of the parking problem and possibilities of further parking facilities.

It was resolved that the Hicksville Chamber of Commerce become a member of the Long Island Assoc.

The next Board of Directors' meeting is to be held Tuesday, June 23, at 12 o'clock, at Millerside Inn in Jericho.

To Start July 1

HICKSVILLE—The final preparations are being made for the Summer Playgrounds, under the supervision of the Board of Education, and the direction of Chester Jaworski. The playgrounds will operate from July 1st to Aug. 20.

Six playgrounds will be in operation this year. They are Dutch Lane, Fork Lane, Burn Ave., Nicholas St., East St. and High School. In the grade schools, the emphasis will be on arts and crafts, games and children's activities. The high school will carry on a baseball program in the morning and basketball and baseball at night.

Shopper Survey To End Monday

HICKSVILLE—Leaders of local women's organizations were today reminded that the deadline for filing of Shopping Survey forms with the Business Men's Assoc. is June 15. More than 450 forms have already been remitted and forwarded to the State Dept. of Commerce at Albany for tabulation.

Charles Trejtan, BMA president, today disclosed some of the views expressed by women answering the questionnaires. Asked for frank expressions of opinion regarding local improvements needed, the views, as stated on the forms include:

"My chief objection to entering the shopping district is the traffic problem. The obstacle course would be appreciably improved without (Continued on Page 21)

CITE COLUMBIA REPORTS

"Based largely upon the Columbia reports and the continuation of those reports as prepared by Board members and officials in connection with the high school vote, this Committee has been interested itself in the need for additional school facilities in our district," the report states.

The Committee also recommended "that the Board of Education examine the need for another elementary school in the district in order to fulfill the goal of a full school day for each child of school age in the district."

It further commented "that studies of population trends in all areas of the district be continued and kept current, at the expense of the district if need be, in order to accurately gauge the needs and make the necessary decisions in anticipation of enrollments which can be expected."

Dr. E. H. LeBarron, school superintendent, was also present at the joint meeting. He disclosed that more than 850 children have been registered for the new fall (Continued on Page 21)

Final Class Monday

PLAINVIEW—The last session for all adult classes of this term will take place here on Monday night, June 15, according to Principal Robert Tuttle.

WANTED: Your Help and One Million Dollars

If you have not as yet signed the petition to bring home rule for Hicksville to a public vote, it is not too late, it was stressed today by the Home Rule Committee urging all who have not done so to sign the petition at the earliest possible moment. At the same time, a renewed plea to workers to turn in their forms or complete their assigned districts without delay was made by Lawrence A. Roman, general chairman. Petitions are available for signature at the office, 98 No. Bway, next to the post office. A worker will call, if you have not been approached as yet, if you call Hicksville 3-1401 and give the time convenient to you.

"We need about a million dollars more in assessed valuation to finish the petition and there is not much time left if we hope to beat the deadline when the total valuation of Hicksville increases," Roman said. "We are very close to the goal but need assistance if this home-owners effort to get a vote on home government is to be successful." (See editorial on page 6.)

Vamps Plan Big Tourney

HICKSVILLE—The twenty-fifth annual Labor Day tournament and parade of Hicksville Fire Dept. promises to be the greatest in the quarter century of the annual competition for Long Island volunteer firemen, according to General Chairman John Jeanston. It will be held this year in cooperation with the Nassau County Firemen's Assoc.

The big Labor Day weekend will start with a block party on Saturday night, Sept. 5, in the public parking field opposite the firehouse on E. Marie St under the direction of Robert Hammond and Asst. Chief Larry Huttie. Bug House Co. No. 1 of Nassau County will hold its annual parade here between 8 and 9 P.M., prior to the dance. The march of the "bug house" featuring comic dress and floats with special trophies for the winners in five categories.

Ernest Dieterich is assistant chairman this year with Clifford Place as secretary and Walter Eichler as treasurer. Gus Cotaanas is recording secretary and John Barta is assistant treasurer.

William Cislis and George Engel are co-chairman of the course committee with Harold Manassis Sr. in charge of the trophies and awards.

More than 20,000 persons are expected this year to watch the firemen's parade on Labor Day morning, Sept. 7. Contests between the volunteer firemen start at 1 o'clock in the afternoon.

Dear Jean:

Levittown League of Women Voters, whose membership includes a number of Hicksville ladies, will visit the United Nations this Friday, June 12. For information contact Mrs. MARVIN SHAPIRO, 60 Winter Lane. . . . We are advised by Oyster Bay town hall that five bond changes will be considered at the Town Board meeting at the North Shore town seat next Tuesday morning and that they will involve Hicksville properties. Since the Herald is still on the town fathers' black list for such types of public notices, we suggest you consult your nearest telephone pole and watch for posted films. . . .

F. HOWARD COVEY of Hicksville was recently elected to the Board of Directors of the Nassau County Red Cross Chapter. . . . The 6th annual High Goal Polo Match, sponsored by Nassau Boy Scouts, takes place on Saturday, June 13, at the Meadow Brook Club at 2:45 P.M. There have been 13,000 tickets sold by the boys. . . . The week starting Sunday—which is FLAG DAY—has been designated TR WEEK. President EISENHOWER will be in Oyster Bay at TR's home this Sunday afternoon.

Apologies to HENRY'S RADIO Shop for failing to mention sooner that we observed their new truck on the streets. . . . We see VINCE BRAUN also has a new "meat wagon". . . . CHARLES MONTANA and Councilman FRANK CHLUMSKY are captains of the CP drive for the canvass of local industries. . . . Hicksville Chamber of Commerce directors at a recent meeting took up the subject of incorporation but decided not to take action or an official position on the home rule question at this time. . . . New Civic group has been formed in Glenbrook Homes off Newbridge Rd. . . . And another is being considered by residents around Chestnut and Pine Sts., east of East St. School. . . . The "ole town" is gonna be jumping on Saturday night, Sept. 5. The famous Bug House parade, which is really a funny costume affair of volunteer firemen from all over Nassau, will be held between 8 and 9 P.M. More about this in subsequent editions. . . . We hear bids for new high school may be called for about third week in June and that work on Woodland Ave school is well ahead of schedule with present tentative completion anticipated by December. . . .

JUDY'S JOTTINGS:

Second Graders Go On Field Trip

By JUDY DEJONGH
Hicksville 3-2476 M

Happy birthday to Rosemarie Appelonie of 92 Benjamin Ave. who celebrated her ninth birthday, June 1. A party was held outdoors on the patio with Joyce Scheriff, Linda Glemboski, Lee Schulte, and Barbara and Jeffrey Jirsa attending. Acting as chaperone was Rosemarie's aunt, Connie La Magno, who also joined in the funmaking. Pictures were taken for the old family album, and the kids enjoyed baskets with candy, lollipops, soda, ice cream, and cakes. In the evening Mr. and Mrs. Frank Cirillo dropped in and the older folks had to get together.

Congratulations to Christine Neone of 24 McAlister Ave who made her First Holy Communion at St. Ignatius R. C. Church on May 30. A gathering of friends and relatives was on hand for the occasion including George Warren, Mr. and Mrs. Herman Nickel and children, Susan Dale and Karen, Marge and Donald Campbell, all of Brooklyn, Thelma and Tom Eagan of New Jersey, and Mr. and Mrs. Frank Boyce of Levittown. A buffet supper was served.

Mrs. Michaels' second grade class at the Old Country Road School went on a field trip to the Bronx Zoo last Friday where the children enjoyed a wonderful time. The weather was favorable and the animals were in abundance. The children brought their lunches making it easier on the chaperones when the young'uns got hungry, but the report is that teacher is completely worn out!

Happy birthday to Joyce Sche-

riff of 78 Benjamin Ave., who earned her ninth candle on June 8rd. Celebrating with an unusual party on Saturday, June 6, Joyce took her friends for an afternoon of fun and merrymaking to the Jolly Roger Playland. The kids spent a happy two hours enjoying the rides, and topped the day off with frozen custard and other treats.

Sisterhood Plans For Spring Social

The Sisterhood of Temple Shaari Zadek, on East Barclay St, will hold a Spring Social, Saturday, June 13. Mrs. Martha Fabricant, committee chairlady, reported that the membership were enthusiastic in their wholehearted cooperation, in planning the affair. Mrs. Fabricant will be assisted by Claire Buddman, Helen Helfant, and Dorothy Braun as hostesses.

The refreshment committee, Marsha Ritter, Norma Bader, Marion Schaefer, Mrs. Jesse Mittleman, Mrs. Jaffe, Mrs. Thelma Lewander, and Mrs. Martha Fabricant will prepare and deliver the food to the vestry for the hostesses to serve.

The evening will be concluded with entertainment and dancing and a drawing for the raffle sold by the Sisterhood.

Mr. and Mrs. Paul Yura, Sr. of W. Marie St., Hicksville entertained at a family dinner party in honor of their son, Paul, Jr. who received his First Holy Communion, May 30.

Low Water Pressure And Fires

Plainview Water office has notified the Vamps that the pressure on a hydrant was checked at 60 lbs the other evening. This is extremely low because normal pressure runs between 100 and 125 pounds. We all must realize that pressure at the hydrant is very important in fighting a fire.

The Fire Co. wants all the people of Plainview to understand that the water dept has the right and duty to set regulations governing the use of water within the district. In the interest of public safety residents are asked to cooperate. When the fire siren sounds the alarm it is essential that all the people stop lawn sprinklers and outside hose so that hydrant pressure can be built

up. We know that with our pumps in action we can get sufficient water to fight any fire but added pressure makes it easier for all concerned. We would appreciate the cooperation of all the residents in this vital matter.

FIRE REPORT

The chief reports a grass fire on Round Swamp Road and Old Country Road on June 3rd, at 2:15 P.M. There was no damage other than some logs and underbrush. The fireman worked for 45 minutes and the alarm was called in by a radio patrolman.

Our racing team is hard at work. They practice on Washington Ave every Tuesday and Thursday from 7 P.M. until dark. The alternates

on the team practice every time they get enough men together to form a unit for one of the events. We assure the people of Plainview that we are out to make a good showing in competition. We would also like to add some new trophies to those already in our trophy case at headquarters.

Dr. Burdge On Staff

MINEOLA—Dr. Russell S. Burdge of 117 Newbridge Rd., Hicksville, has been named assistant attending staff at the Nassau Hospital here, it was announced this week by the Hospital Board of Directors.

PLAINVIEW COUNTRY HOMES:

Civics Plan Interesting Evening

BY RAE CANTILLI

Hi Folks:

It has been a long time since this column has appeared in print, but friend husband has been on vacation, and my life has had a little more active than usual. While we didn't go anywhere in particular, we were constantly on the go, one place or another. Those two weeks just flew.

Quite a few projects have been going on in the neighborhood. The MacAllisters of Island St. completed their garage and driveway. The Iversen's also of Island St. finished their driveway runners and are now putting up their Ranch type fence in the back. The Paynes and Mayricks are putting finishing touches to their front patios and sidewalks. Painting, gardening etc. is being done by almost everyone. Anyhow, the street is beginning to really look nice with its new spring look.

Congratulations to little Jimmy Himmerger of Island St. on making his First Holy Communion a few Sundays ago at St. Ignatius.

Happy birthday to Ginny Payne of Island St. who celebrated her birthday on June 6th. Many more happy birthdays to come.

I was sorry to hear that little Bonnie Myrick of Island St. wasn't feeling too well, this past week. I hope she is feeling much better. I might as well congratulate myself on my own birthday, June 3rd. I celebrated with family and relations at home. The best gift was a bottle of sparkling burgundy, which was a rare treat in our home.

I might add a word about the Memorial Day Program here in Plainview. It was, in my opinion one of the most impressive programs I have seen in a long time. The service organizations, the Americans and the American Legion, plus the Fire Dept. and Scouts massing with the colors added the right effect to a beautiful and sacred ceremony.

Don't forget the Civic Assoc. meeting on June 23rd. I believe this will be the last meeting until September so please get out to the meeting. An interesting one has been planned.

I would like to congratulate the Fire Department on the acquisition of their new Fire Truck. It kind of makes you feel more secure knowing that the Fire Department is growing and growing and is constantly looking for newer methods of protecting our community.

Well, that's all the news for now. Give me a call if you have anything to report. See you next week!

Rezone Parcel For Industrial

OSTER BAY—Property on the south side of Duffy Ave., Hicksville, has been rezoned from residential to industrial use by the Town Board, it was announced this week. The new industrial site is located on south Duffy Ave. about 700 feet from the intersection of Henrietta St. with Duffy Ave. Vincent Romel had requested the zone change.

Set Rules on Lawn Watering

Due to the increased number of consumers in the Water District we are again faced with the problem of being able to adequately supply the amount of water everyone wants to use. The main problem is meeting pressure requirements as required for FIRE PROTECTION when everyone is watering lawns at the same time. We are therefore required to put into effect the following schedule:

The odd numbered houses are requested to use water for exterior purposes on the odd days of the month between the hours of 8 and 10 P.M., the even numbered houses to use the water on the even days of the month between the hours of 8 and 10 P.M.

The Model Farms section is requested to limit watering to even days of the month and Old Bethpage section Central Park-Plainview and Farmingdale Rd on the odd days of the month between the hours of 8 and 10 P.M.

Washington Avenue and even days between 8 and 10 P.M. Old Country Road-East, Manetto Hill, Road (those houses not numbered) and Hicksville farms on odd days.

All vegetable farmers are requested to use water for irrigation only between the hours of 10 P.M. and 4 A.M.

The purpose of asking the home owners to water between the hours of 8 and 10 P.M. is that the farmers who have need of irrigation water will

do their irrigating after 10 P.M. at night. Prior to 8 in the evening a great deal of pressure is lost because most homes are then using water for dishes, baths, etc.

We are requesting your co-operation in this present situation and it is hoped that by the above schedule we will all be able to keep our lawns, etc. in good condition and at the same time meet the needs of adequate fire protection. It is hoped that this condition will not exist throughout the entire Summer months; however, for the present it is necessary for the District to take these steps for your own protection.

In the event the fire siren blows everyone must immediately shut off all exterior water faucets so that all possible pressure can be brought to bear at the scene of the emergency. We feel sure the residents of Plainview will co-operate fully with us and it will then prevent us from having to take more drastic steps to remedy the present situation.

This schedule is to go into effect immediately and will last until such time as you are officially informed by the Board of any change.

NEIGHBOR DOWLING VIEWS NEWS:

Morton May Settle for \$7,200

By JOHN DOWLING

A late development in the form of a letter from the attorneys representing the builders of Morton Village may possibly open the way for a final settlement between the Plainview School Trustees and the Morton Bros. on the purchase price of land desired by the School Board to continue the district's school building program.

The acreage in question is composed of two sites of approximately six acres apiece located within the Morton Development itself. The chief deterrent to any agreement prior to this new approach by Morton was the \$8500.00 per acre asking price which Morton said represented the costs incurred by his organization since they acquired the parcels.

Plainview Board of Education was adamant in its stand that the asking price was "far too high" and authorized its legal advisor, Howard Hogan, to commence condemnation proceedings at the earliest possible moment.

That was the way the picture looked up until last Saturday when the Morton attorneys in a letter to School Counsel Hogan

expressed a willingness to affect a downward revision of their original asking price in order to continue the negotiations.

At the present time the price per acre is about \$7200.00 or approximately \$1300.00 per acre less than the original asking price. This figure includes laying of the water mains in the street bed and curbing on each side of the streets where the prospective school sites are located.

In addition, if the Board of Education so desires, the developers will pave the sidewalks in front of the proposed schools at unit cost.

As a result, it appears as though the Board of Education and the Morton builders are very close to an agreement with just a few legal technicalities awaiting settlement before the contract is consummated.

Observers who have been following this situation closely since its inception have remarked that one of principal factors responsible for this apparent satisfactory arrangement was the quick re-

sponse by the Plainview residents to the Board of Education's plea for an appropriation to purchase the land.

The vote was held several months ago and the residents overwhelmingly supported the Board of Education's position in its dealings with the Morton attorneys.

The agreement when signed, of course, obviates the need for condemnation proceedings thus saving the district the expense of court proceedings.

The next step toward solving the district's complex educational problem is to erect a school on one of the two Morton sites. The Board of Education is now rounding out plans to hold at least one public meeting in order that the vote for this building can take place as soon as possible.

Gas Stations And Home Rule

By Fred J. Noeth

IN MAKING THE DECISION as to whether you favor or disapprove of home rule for Hicksville thru incorporation of the local government—in place of remote control management of your affairs—you must recognize the fact that you are deciding between a decrepit, out-moded system and a more desirable, proven type of operation for a community of 30,000 persons.

But before you decide, you must get a better understanding of the crazy-quilt, patchwork, buck passing system under which we are now struggling to survive. The gasoline service station problem serves to illustrate this difference.

Municipal agencies decide whether or not gas stations shall be permitted to operate. Such agencies are directed, in part, by the rules and regulations of the municipality broadly described as zoning. If zoning is properly designed, such facilities as gas stations can be curtailed. Gas stations are necessary but—Hicksville people can logically ask—must we have them ALL in our community?

And what cure is there? There is little likelihood of any cure under the present system. Oyster Bay Town Board provides the zoning regulations and rules and the Oyster Bay Zoning Appeals Board, appointed by the Town Board, tries to apply such rules.

Ernest Francke, when he was a member of the Zoning Appeals Board, told a Hicksville Civic Assoc. meeting that the Appeals Board is powerless to do anything but grant applications for gas stations under the rules enacted by the Town Board. The Town Board legislates, the Appeals Board executes.

The Town Board, on the other hand, tells those who seek relief that the Appeals Board "considers" such applications.

It is a neat bit of buck passing and the homeowner is the one who suffers the loss of his property valuation and in effect is deprived the quiet and convenience of his home. Under a Town Board which goes thru the trouble and (tax-payers') expense of conducting an official referendum to find out what the public wants (that Jan. 30 vote) and then goes ahead and does what it wants anyway, we can expect little or no consideration as a neighborhood or community.

We don't look upon home rule as a "cure-all". There is no magic formula for solving the ills and troubles of a world, nation or community. But there are systems and proven plans to bring about reforms and changes that can only help ease the path toward achieving the solution to our problems, efficiently and economically.

We have been told by those who, for some unexplained reason, are afraid to let the home rule question come to a vote that the "county charter" prohibits a new village from controlling its own zoning, appeals, etc. On the other hand we have it upon the word of highly respected attorneys with wide experience in municipal affairs that this is a legalistic point that can be disposed of by a test in court.

We all recall that from time to time various Federal and State laws are enacted which upon test in court have been proven unconstitutional. The state delegates its authority in matters of zoning to municipalities. If Hicksville becomes a self-governing municipality under state law, it would appear, even to a layman, that a local law could not be enacted (such as the so-called "home rule" county charter) which can supersede the state authority.

Tonight (Thursday) people from the Parc Terrace homes will be headed for Oyster Bay (instead of a meeting in Hicksville, conducted by Hicksville property owners) and plead their case in opposition to another gas station. If the application is approved, and there appears to be little reason to expect otherwise, it will be gas station number 53 (or is it 54?) for Hicksville.

Oh, we know the Town Board will someday get around to controlling gas stations. It will also, someday, do something about taxi cabs, local grade crossings, parking, etc. Our grandchildren will be glad to know this and if they live long enough, they may see it happen. Meanwhile, let's do something NOW. We have already waited almost too long.

Miss Dorothy Muszynska Becomes Bride

Miss Dorothy Muszynska, daughter of Mr. and Mrs. Anthony Baumel of 28 Thurman Ave., Hicksville, and Westhampton, L.I., became the bride of Joseph P. Mudano, son of Mr. and Mrs. Rosario Mudano of Lakeview, Sunday, May 31, at St. Ingatius Church, Hicksville, at 4:30 p.m.

Given in marriage by her step father, the bride wore a gown of white satin styled in a Grecian affect neckline and sleeves trimmed with seed pearls with tulle from the sleeves over the skirt. The chapel length veil fell from a tiara of seed pearls and she carried white orchids with sweet peas.

Miss Constance Pius of Hicksville was the maid of honor. She wore mauve nylon tulle fashioned with a ruffled skirt. Her floral headress and old fashioned bouquet were of mauve and white pom poms.

The bridesmaids were Miss Nanette Mudano, sister of the groom, in aquamarine nylon tulle and Miss Virginia Mudano, another sister of the groom, in yellow nylon tulle. They wore floral headresses and carried bouquets of pom poms to match the shades of their gowns.

Rosario Mudano, brother of the groom, was the best man. The ushers were Sal Cianci and Augustina Marques, both of New York.

A reception for about 175 guests was held at the Riveria, Port Washington.

The couple flew to Bermuda for a honeymoon at the Castle Harbor Hotel. They will make their home at 21 Broadway, Hicksville.

The bride is a member of the Gardiner Ave. School faculty in Levittown.

The groom is employed in the engineering department at Reeves Instrument Co.

Band Gives Excellent Concert

HICKSVILLE—Hicksville High School Band presented a successful program to a small but enthusiastic audience in the high school auditorium Thursday, June 4. The program opened with a march and overture followed by a clarinet solo by Dick Adams from Brahms Clarinet Sonata, for which Dick received an award in the All-State Solo Festival held at Hofstra College this spring.

The Nassau School of Music Stringed Quartet, a professional group, appeared as guest artists.

Sixth Graders Leave East St.

The sixth grade pupils of East Street School of Hicksville will be the guest of honor at a farewell party tonight (Thursday) in the school auditorium at 8:15 P.M. The East St. P-T-A will present each pupil with a gift.

The auditorium will be decorated in the school's colors, blue and gold, by members of the fifth grade. A program of entertainment will be presented by the sixth grade pupils. Cup cakes and punch will be served.

The sixth graders leave East St. this month and will continue their studies at Hicksville Junior High School in the fall.

"Monotto Falls" painting of a scene from Yosemite National Park by Mrs. Loretta Divan, member of the Independent Art Society, will be displayed at the Hicksville Public Library from June 6 through June 20. Mrs. Divan participated in the Adult Education Program under the direction of Mrs. Louis Habel, and her work has shown exceptional talent.

Friends and relatives gathered at the home of Mrs. Harold Hauxhurst, Laurel St Sunday evening June 7, in honor of her birthday. Mrs. Hauxhurst received many lovely gifts.

The Altar Guild of Holy Trinity Episcopal Church will hold a rummage sale June 25 and 26, at the parish hall.

on the program. Their selections varied from Mozart and Dvorak to modern American and were well done and enthusiastically received by the audience.

Solo parts in the band's rendition of "Star Dust" and "Stormy Weather" were played by George Marks and Eugene Toton, trumpets, and Emanuel Carreras, trombone. The three soloists received All-State Festival awards this year. Emanuel Carreras won an A rating in grade 5 music, the highest possible rating at the Festival and George Marks was one of the two trumpets selected to represent the State of New York at the N.Y. Music Convention in Rochester.

Ruth Davenport played a piano solo, Waltz in E minor by Chopin. Ruth who also plays French horn in the band, took honors at the All State Solo Festival this year.

On the introduction to the march which followed, four twirlers from the Band strutted down the aisle to the platform for a twirling demonstration. The twirlers were Joan Colon, Frances Florowski, Harriet Molese and Joan Julian.

The band closed the program with a stirring rendition of "American Patrol."

Norman Selp is director of the band. Members of the band are: Dick Adams, Robert Arthofer, James Brown, Emanuel Carreras, Ruth Davenport, Leland Dick, Carl

Forster, Richard Halbohn, Hogo Jahn, Patricia Lenner, George Marks, Kenneth Martin, Russell Martin, Hugh Meier, Roy Meier, Stuart Orton, Corbett Osyorth, Janet Porcelli, Evelyn Remsen, Claudette Slavek, Robert Thomas, Eugene Toton, Irene Vorharas, Robert Yost, Robert Zembraski, Robert Zimmer, Alfred Zucker and Thomas Adams.

THE DATE 1648 on this proposed seal for the Incorporated Village of Hicksville refers to the founding of the community. It was May 20th of that year that Robert Williams bought the present day site of the community from the Indians. This design was prepared by Rudy Supper of 81 Spruce St., Hicksville. When home rule has been voted upon favorably, the year of Incorporation will replace the year number at the bottom of the seal.

GUEST OF HONOR

Mrs. William Giannelli, past president of the East St. P-T-A, was guest at a dinner given in her honor by the members of the former executive committee of East St. P-T-A at Dahlstrom's Restaurant Huntington, June 6. Among those present were William Giannelli, Mr. and Mrs. Theodore Schulz, Mr. and Mrs. Henry Frank, Mr. and Mrs. Harold Zellman, Mr. and Mrs. Max Skou, Miss Norma Starin, Jack Delaney, Mr. and Mrs. Lawrence Foran, Mr. and Mrs. Gordon Bowen, Mr. and Mrs. Clinton Foster, Mr. and Mrs. Edwin Fuerstein, Mr. and Mrs. Walter Kronimus, Mr. and Mrs. Meriton Wilbur, and Mr. and Mrs.

Lady Judge Pins 3,000th Scout

HICKSVILLE—Judge Kathleen Kane pinned the Brownie emblem on Linda Shell, the 3000-th scout to be enrolled in the Mid-Island Council of Girl Scouts, at a ceremony held at the Parkway Community Church here on Sunday, May 24. In addressing the Girl Scout officials and their guests the first woman Judge in Nassau stressed the benefits of the Scout program to the girl, her community and to the nation as a whole. Troop 119, of which Linda is a

member, participated in the ceremony under the leadership of Mrs. Richard School.

Mrs. J. Chester Stevenson, Commissioner of the Mid-Island Council, welcomed the guests and paid tribute to those who had given so freely of their time and effort to aid in the growth of Scouting and the guidance of the girls. The 14 towns which comprise the council had posters exhibited stressing the program offered in the individual towns and the growth of their membership.

LEGAL NOTICE

At a Surrogate's Court held in and for the County of Nassau at the Surrogate's Office, Nassau County Courthouse, Old Country Road, Mineola, New York on the 21st day of May, 1953.

PRESENT: HON. GEORGE R. BRENNAN, SURROGATE.

In the Matter of the application of GEORGE DEINHARDT, for a Decree establishing the right of Inheritance to the Real Estate of JOSEPH FRANCIS HURLEY, also known as JOSEPH HURLEY, Deceased.

On reading and filing the petition of GEORGE DEINHARDT, verified and sworn to by the affidavit of CLAIRE PERITE, verified the 5th day of May, 1953, from which it appears that it is necessary to cite unknown heirs in this proceeding.

ORDERED, that service of the Citation herein be made by publication thereof in the Mid-Island Herald, a newspaper published in Hicksville, County of Nassau, State of New York, not less than once in each of (four) successive weeks, and it is further ORDERED, that the name of said citation be and the same hereby is dispensed with.

GEORGE R. BRENNAN, SURROGATE.

THE PEOPLE OF THE STATE OF NEW YORK, BY THE GRACE OF GOD, FREE AND INDEPENDENT TO ANY AND ALL UNKNOWN PERSONS who are or may claim to be distributees, heirs-at-law, and next-of-kin of JOSEPH FRANCIS HURLEY, also known as JOSEPH HURLEY, deceased, whose names, places of residence, and post-office addresses are unknown and cannot after diligent inquiry be ascertained, if living, and if any distributees and successors in interest, whose names, places of residences and post-office addresses are unknown and cannot, after diligent inquiry be ascertained.

SEND GREETING: WHEREAS GEORGE DEINHARDT, who resides at 547 Evergreen Avenue, in the Borough of Brooklyn, City and State of New York, has lately applied to the Surrogate's Court of the County of Nassau, to have a Probate of Hisship as to the distributees and heirs-at-law of JOSEPH FRANCIS HURLEY, deceased, who was at the time of his death, a resident of 1101 Bedford Avenue, in the Borough of Brooklyn, City and State of New York, THEREFORE, you and each of you are hereby cited to show cause before our said Surrogate's Court of the County of Nassau at the Nassau County Courthouse, Old Country Road, Mineola, County of Nassau and State of New York, on the 10th day of July, 1953, at 10 o'clock in the forenoon of that day, why a Decree should not be made establishing the right of inheritance of the heirs and distributees of the said JOSEPH FRANCIS HURLEY, also known as JOSEPH HURLEY, deceased, to the real property described in the petition herein.

IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed. WITNESS, HON. GEORGE R. BRENNAN, Surrogate of our said County of Nassau at the Surrogate's Court at Mineola, in the said County, the 21st day of May, one thousand nine hundred and fifty-three.

J. HENRY DREYER, DEPUTY CLERK OF THE SURROGATE'S COURT.

An unusual exhibit was compiled by Miss Catherine Seitz, registrar of the Council and displayed photography taken of the early scouting programs. Some of the pictures were 20 years old.

The Hicksville Mother's Auxiliary under the chairmanship of Mrs. Betty Sukaria, served refreshments. Among the invited guests of the Council were Supervisor and Mrs. Harold Herman of Hempstead, Supervisor Charles E. Ransom of Oyster Bay, and Miss Louise Augustin, of Hicksville. Miss Augustin, a trustee of Hicksville Library Board and member of a family that is identified with Hicksville civic advancement, was one of the members of the first Hicksville Town Committee of Girl Scouts.

LT. ROBERT SIMKINS of 30 Ambly Ave., Plainview, recently completed a 15-day active duty tour with the 514th Troop Carrier Wing at Mitchel AFB. Simkins who is a first pilot in the 514th Wing flies weekends to maintain his flying proficiency in the reserve.

Making Plans For Father's Day

BY BUNNY LAUER
Hicksville 3-2794 J

Out of one jam and into another. That's what makes life real interesting. Huh! Especially when the Jam Pot happens to be my Holly. . . She sure can upset a peaceful home. Not content with getting even a nice mild case of poison ivy, which fortunately no one else contracted. She developed a case of bronchitis. Doc said it was really bad but I don't know how you can be so sick without any pains, or fever and still the same healthy appetite. Any how she was ordered to bed for four days.

Oh Brother, that was a much bigger order than I could fill. "Mummy I feel alright, why can't I get up?"

"Well can't I at least go to the Father and Daughter Dinner? Aw gee whiz. Holy Cow but why do I hafta stay in bed?" "Boy, I wish I was ordered to bed for four days with all the wonderful service . . . I certainly would'nt complain. Guess that's the difference between Holly and I. She likes to be active and I

am just plain lazy. Looking forward to the Atomic push button age.

Little Miss Ann Felder of Bolzano Lane was among the many who made her first Communion, May 30. Her grandparents Mr. and Mrs. Dugan of Kew Gardens, and her other grandmother, Mrs. Felder of Charlotte, S. C., were over here to witness this important ceremony. After it was all over everyone went to Ann's aunt and uncle Mr. and Mrs. Stanley Dugan in New Hyde Park, where a party was held in her honor. Her cousin, Theresa Dugan, was there and so were her sisters Maureen and Evelyn, and brothers Eugene and William. Of course Mummy and Daddy and another aunt, Mrs. Henry Kane, were there. Everyone had a wonderful time.

Jerry Berk of Dean St. celebrated his 7th birthday with a trip to the Bronx Zoo and eating out at the Automat. Quite a big day for one little boy, but he wasn't at all tired. When he arrived home he wanted to know why they couldn't finish the day with a trip to the out door movies, or at least Happyland. Mamma was just pooped out

so Daddy was elected to do the honors at Happyland. Already Jerry is starting to formulate plans for his next birthday. Make it real active, kid, you wouldn't want mommy and daddy to have a day of rest.

Speaking of being active, remember folks, school will be out soon. Oh Joy! What fun. "Take me to the beach! Take me to the Library. No I want to go to Brooklyn." Oh no, I would just like to curl up and hide somewhere before school gets out.

Don't forget there will be plenty of kids in the streets, so please drive slowly.

Evelyn Buckholts, of Cottage Blvd was the lucky winner of the door prize at the Home Exhibition Show held last week in the Hempstead Armory. She received a beautiful lady's fitted overnight bag with a wonderful line of cosmetics. Now all she needs is a few round trip tickets to somewhere and she will be off.

Hey, don't forget POP on Father's Day. In this house Mother takes a rest that day, for who am I to begrudge father the loving care of his children on his One day?

MONTHS OF TESTING are required to get equipment ready for change to dial.

Dial service is coming to Hicksville later this month

Will include Extended Area Dialing

Later this month, 13,000 Hicksville 3 and 4 telephones will "go dial," greatly increasing the value of the service.

Individual and two-party customers served by the Hicksville 3 and 4 offices will be able to dial station-to-station calls direct not only throughout the New York Metropolitan Service Area, but also to many places in northern New Jersey, and Suffolk, Putnam, Orange, Rockland and northern Westchester counties. To reach these more distant points, customers will simply dial an area code, followed by the number.

Four-party customers will be able to dial calls only to the other telephones served by the 16 central offices in their local calling area.

A booklet is being sent to all customers, which explains where and how to dial calls and includes handy indexed pages for listing numbers frequently called.

With the change to dial, many telephone numbers will be changed. If your number is among them, we will be glad to send you, without charge, postpaid cards for informing friends and business associates of your new number. Just call our Business Office.

The company's big expansion and improvement program in Long Island is making service continually faster, clearer

and more dependable. Yet the average price of service has gone up much less than almost anything else you buy.

LOOKING OVER DIAL EQUIPMENT are John F. Simonds, Manager, and Guy Cobelesch, Central Office Foreman.

THOUSANDS of electrical connections had to be made as part of the job of installing and wiring Hicksville's new dial system.

Geruso Again Assigns Space For Use in Levittown Hall

HICKSVILLE — Organizations attempting to use the Community Hall on Levittown Parkway, here, still apply to Dick Geruso and he assigns the time and space, if available. Numerous inquiries had been received by the HERALD from interested taxpayers.

The interest of the two Town Boards and the legislation intro-

duced in Albany had created the general impression that the Towns of Oyster Bay and Hempstead are now responsible for the policy in operating all Levitt built facilities. Actually, the facilities in Oyster Bay (Hicksville) remain under private management until December 31.

The Levittown Festival, again

set for July 4, has been scheduled for Levittown Center this year. The last Festival was held at Levitt's Hall in the vicinity of Beach Lane, Hicksville. Lack of response to last year's activities prompted the change to a more centrally located spot within the development, it was reported.

Builder William Levitt has another "Levittown" project under construction in Pennsylvania, and there is a Community Hall in that area. Geruso is in charge of both Levitt Halls. Some observers have suggested the possibility of a helicopter as proper method of transportation in view of the distance between facilities.

GARDEN CITY—Everyone is being urged to display the American flag on Flag Day, June 14. A count of flags displayed will be made by the American Principles Committee of the L.I. Assoc.

Summer Here

There's no doubt about it, summer is here. It really arrived during the last week even though some sticklers for accuracy may claim that it won't start for another ten days, on June 21. We hear talk of attic fans, air conditioning, vacation plans, swimming pools, and the like.

Pools Open

The Levitt owned swimming pools in Hicksville opened at the usual time this year. It was a race against time for the Oyster Bay Town Board to meet the conditions laid down by Levitt before he would open his pools. But they made it!

Industry Finds Decentralization Best

Industry has learned over a period of many years that the most effective method of operation is what has become known as "decentralization". Very simply, this means that decisions are made at the lowest possible management level. For instance, a company president decides on the field of operation. He makes the choice between airplanes and moustaches, or what ever else might be of possible interest. He determines the need for such things as the acquiring of increased capital, or additional plants, new products, etc. On the other hand, a foreman in the plant decides how many workers are needed to perform a given operation, or whether overtime work is needed to complete a job within the allotted time, and the like. The stock clerk decides when new supplies should be ordered. And so on.

All of this is elementary and basic to business operations. Anyone who has worked in a business organization is well aware of these principles.

Some large companies have physically separated their executive offices from the operating departments, and from the factories. One of the factors is to encourage the operating departments to be more and more self-sustaining and independent. The plant managers, except for the necessity of working within the broad policy framework set by top management, are very often completely on their own.

Decentralization Is Not New

Because decentralization is basic to the successful operation of any business too large to be handled by one person, many organizations have made use of its principles for many years even though it may not have been formally recognized and given a name. The practice itself is very, very old. But only recently has attention been focused on it, to give it the importance it deserves.

Decentralization In Government

Although the founders of our country probably didn't call it "decentralization," they were making use of these principles when they insisted that the various original states retain many of the basic responsibilities of government. The Federal government was given the responsibility for those aspects of government which affected commerce and other relations between states, and which affected the collective relations of the various states with other nations. The states retained their rights to make their own laws, to levy their own taxes, and within broad limits to determine their own destinies within the nation.

Still the Basic Principle

Although, as the years go by, there has been a tendency for the Federal government to assume more and more control, the basic principle of our government is still decentralization. A case in point at present is the Long Island Rail Road's efforts to obtain another fare increase through the Interstate Commerce Commission. The railroad carries passengers entirely within New York State and is therefore not engaged in interstate commerce. If the I.C.C. is successful in having the ICC assume jurisdiction, it would be one more step away from decentralization. If, however, the Public Service Commission, a state agency, is found to be the proper governmental body to settle the issue, then the principles of decentralization are followed. In this case the state would properly assume the responsibility for settling an internal affair.

Decentralization Means Home Rule

It might be stated that decentralization is a fancy way of saying that people should settle their own affairs. In government it means that the smallest unit of government, the village, settles its own affairs, within the framework of the larger units, the township, county, and state, of which it is a part. It means that an integral community, like Hicksville, should have its own local government to direct and manage its own local affairs.

Home Rule For Hicksville

The current campaign to achieve home rule for Hicksville is entirely within the traditions of history. Seldom, if ever, has a fairly sizable community in this country permitted itself to be governed from the outside. Hicksville, as a small community, has been governed for many years by the Town Board sitting in Oyster Bay. Within the past few years the population has soared so that there are an estimated 30,000 persons living here. No longer is the old Town Board, elected by all of Oyster Bay Town, the proper agency to control and govern a community the size of Hicksville. It was well suited to the needs of rural type of living which prevailed here many years ago. But for present day conditions, it has long since outlived its usefulness and value for Hicksville. It should be replaced with a local government made up of local people who can administer to local needs efficiently, effectively, and economically.

CAPT WILLIAM SAUSMER, 135 Old Country Rd., Hicksville, recently became medical superintendent at Replacement Training Center of the Republic of Korea Army. He is a member of the Korean Military Advisory Group which has trained and revitalized the ROK Army. He cares for KMAC advisors at the training center and is medical advisor to the 98 ROK Army Hospital.

PVT JACK HOGAN of 17 Elm St., Hicksville, is now stationed in Korea. Two Hicksville men have been assigned to the 514th Troop Carrier Wing, an organized Air Force Reserve Unit at Mitchell AFB, M/SGT. **JOHN F. GLINKA** of 12 Mayfair La. has been assigned duties as First Sergeant of the 514th Air Police Squadron. A1/C **ROBERT QUINN** of 4 Sussex St. has been assigned to the 397th Troop Carrier Squadron as a senior aircraft mechanic. Members of the 514th Wing train one week and a month.

Lt. Simkin saw action as a B24 pilot in Europe. His many experiences included landing an aircraft with its tail shot off and with only three engines operating and bailing out of his B24 on a bombing run over Vienna in Dec. 1943.

He also joined a group of Yugoslav partisans and assisted in harassing the Germans. He evaded capture for several months but was later apprehended by the Gestapo, interrogated and later sent to POW compounds in Neurenberg and Mooseburg. In May 1945, he was liberated from Mooseburg by Allied soldiers. His interest in the Air Force Reserve and particularly his own unit, the 514th, has resulted in many new members for the Wing from the Long Island area.

PFC. STANLEY W. CROWLEY, of 94 Cherry La., Hicksville, has been awarded the Purple Heart Medal for wounds received in action against the enemy in Korea. The award was presented on board the hospital ship USS Consolation by Maj. Gen. E. F. Pollock, commanding officer of the First Marine Division.

He was wounded by enemy rifle fire while caught in an ambush in enemy territory. He was evacuated by helicopter to the Consolation which is equipped with all the modern facilities of a large modern hospital.

ALONG WOODBURY ROAD:

Challenge For Gardens Team

BY GENE MALJEAN
Hicksville 3-5615

Woodbury Gardens has been challenged to a softball game by several neighboring developments, but because we have no organized team—no game. All folks interested contact Jim Sarless, who will be more than happy to get you started. Jim also mentioned the fact that outings are fun in the summer, in the form of an overnight camping. A few fathers can take some Woodbury Garden children on such a trek sponsored by the Civic Club.

Pam and Penny Sinihi celebrated their 7th birthday with a party which was attended by Jimmy and Jerry Thompson, Jimmy and Judy Parent, Pat Mirabella, Vincent Variano, Margaret Giles, Diana Nielsen, Tommy and Larry Carlusa, Johnny Marchetti, Clifford Danielson, Cindy Komiva, Ginger and Teddy Stricrath, Donna Buff, Teddy Hunter, Jeanne and John Archer, Jeff Megavaro, Billy and Bobby Hoops, Marylyn and Phillis Pinowski, and Gerard DeZanno.

I was wondering who would be collecting for Cerebral Palsey this year, and didn't wonder long before a knock on my door. It was Catherine Yost, of 34 Washington Ave., and Rosalyn Cappella, of 35 Fulton Ave. Catherine is pinch hitting for her mother, and I'll have the rest of the names for you by next week.

Three ambitious young ladies trekked up to the Teddy Roosevelt Memorial at Oyster Bay, and planted a beautiful dogwood tree—and planted it in the same day. These girls were Lucy Lomenzo, Marion Michaels, and Carol Rowahit, all from Woodbury Manor.

We were unhappy to hear that Mickey Roszigaos, of Pine St.

wound up with pneumonia, after a case of mumps. Thank goodness he is now feeling much better.

Mr. and Mrs. Otto Mercer are new neighbors of our Woodbury Gardens. They have just moved in to 37 Washington Ave. Welcome folks.

Joyce Van de Merlen, of Pine St., took her father, Charles, to the father and daughter dinner sponsored by the girl scouts. This was held at the Bethpage Country Club, with an attendance of 300. The dinner was the very first father and daughter affair they held, and, as you can see, it was a success. We would like to congratulate Joyce Van de Merlen and the other girls who received the Their World Pin.

Joyce also received a dramatics badge.

The Van de Merlens embarked on a boat ride to Rye Beach from 42nd St., NYC, Saturday. The cruise was sponsored by the Blue Cross, a firm of which he is an executive, and as such—had the pleasure of occupying a compartment. A delightful day was enjoyed by all.

And, speaking of tres gne times I met two very fine people of Hillside Terrace today, Thelma Poltras and Betty Sinihi, both of whom described the wonderful evening provided by the Hillside Terrace Civic Club in the form of a dance. I understand it was a huge success.

Mrs. Glen White, of Libby Ave. is spending three weeks in Florida.

I wish to thank the many kind folks along Woodbury Road for helping the Cleary School for Children who cannot hear or speak. I attended one of their PTA meetings and had a chance to meander around and see how these children

are educated. Miss Cleary named the school Peter Pan School many years ago after her good friend and neighbor, the late Maude Adams, who played Peter Pan first. It was Miss Cleary's contention years ago that deaf children should be schooled early, instead of at the age of seven. Later, other schools finally adopted the pattern she had set. Emily Kliner, president of JW VA, came along with me to look over the school.

Let's see if I've got this one straight. Lisa Sopko, of Vincent Road tells me of her sister's fiancé, who is in the army, and had been trying to have his future wife sent to the U.S. He was sent overseas—and where did he wind up? Two miles from his better half? This is not enough, but he went to see her, and arrived there only an hour after she had a visit from her sister's husband's brother, who is in the navy. The last time these two fellows met was at the Sopko's home on Vincent Road.

Mary Purell tells me that this Danish Dish is out of this world: Kringle. 4 c flour, 1/2 c sugar, 1 t salt, 1/4 c lard and butter, mixed, 1 c milk, 1 oz. yeast 3 eggs. Prune mixture: 2 c prune pulp, chopped, 2 tbl lemon juice, 1/4 t grated lemon rind, 4 tbl sugar. Mix ingredients, and cut in shortening the same as done for pie crust. Heat milk only to lukewarm; add yeast to milk. Beat eggs, add to milk, then add this liquid to dry ingredients. Mix and form ball. Let rise to double it's size. Divide into 4 parts. Roll into flat sheet 12" X 18". Spread with the prune mixture. Roll another piece same size as the first and cover prune mixture. Repeat process with other two pieces of dough for the second kringle. Let rise until light. Bake in moderate oven 350 degrees F. about 20 to 30 minutes. Frost with powdered sugar frosting. Yield: each kringle serves 12 persons.

Woodbury Gardens Civics' Notes:

There will be a meeting of the Executive Board, Monday the 15th of June at 9:00 P.M. Executive Board members will be notified of the meeting place by mail. Some proposed amendments to the by-laws must be acted upon for recommendation to the membership. Copies of these proposed additions may be gotten from your zone representative. Final action of these amendments will be taken at the regular meeting of the Association at the EAST ST SCHOOL on Thursday June 18th, at 8:30 P.M. This will be the last meeting till September, so let's have a good turnout. Perhaps the Social Activities Committee will have some plans for Summer activities.

In case some of you have not noticed, Woodbury Road has been designated a 30 MPH zone.

NOTICE OF ENACTMENT OF ORDINANCE
TAKE NOTICE that by resolution of the Town Board of the Town of Oyster Bay, N.Y., duly adopted by said Board and entered in full upon its minutes on the 2nd day of June 1952, following a public hearing duly held thereon after advertisement according to law, the following Ordinance was duly enacted:

ORDINANCE
 The Town Board of the Town of Oyster Bay hereby ordains and regulates the construction of sidewalks and curbs, cleaning and repairing thereof, and obstructions upon the same, upon town roads in the Town of Oyster Bay, Nassau County, New York, outside of incorporated villages or cities, as follows:

ARTICLE I
Obligation of Abutting Owner.
SECTION 1. REGULATION BY TOWN BOARD. The Town Board may from time to time by resolution and after public hearing require the construction or repair of sidewalks or curbs along streets, roads, highways and parkways in the Town of Oyster Bay, as well as the construction of sidewalks along State Highways within the Town of Oyster Bay, and the repair of sidewalks constructed by the State along State Highways in the Town of Oyster Bay at the expense of the abutting owners or otherwise upon such notice and pursuant to the authority of the requirements of Section 130, Subdivision 4, and Section 200a of the Town Law of the State of New York, as amended.

SECTION 2. REQUIREMENTS OF CONSTRUCTION. No sidewalk, curb or gutter shall be constructed or repaired along any street, road or highway or parkway in the Town of Oyster Bay unless such construction shall be of concrete and conform to the lines and grades furnished by the Town Engineer and in conformity with all of the specifications and requirements established by rules and regulations of the Town Board.
SECTION 3. NEW DEEDS AND PERMITS. All sidewalks, curbs, gutters or driveways constructed on any privately owned street, highway or parkway of a new development, shall be subject to these regulations and comply in all respects with the regulations covering streets the title of which is vested in the Town. Failure to comply with these regulations shall constitute sufficient cause for the Town to reject any proposed dedication of such streets.

ARTICLE II
Permit.
Section 1. No sidewalk, curb or gutter shall be constructed or repaired, or work thereon commenced, until the owner of the premises in front of which sidewalk, curb or gutter is to be constructed or repaired, or the authorized agent of the owner, shall have obtained a permit therefor. Application for such permits shall be made in writing to the Town Superintendent of Highways in such form as may be required by the Town Board. No permit shall be issued without the approval of the Town Engineer endorsed thereon, unless so directed by resolution of the Town Board. Such permit shall specify the lines or grades of such sidewalk, curb or gutter and such other direction as circumstances may require. The permit here required to be issued by Town Superintendent of Highways shall be in addition to the permit required pursuant to regulation of sidewalk or curb.
 Notice for construction or repair of street openings or obstructions.

ARTICLE III
SECTION 1. NOTICE TO BE SERVED. Whenever the Town Board adopts an order or orders directing the abutting owners of the respective lots or parcels of land in front of which it is desired that sidewalks or curbs be built, relaid or repaired to construct the same in accordance with this ordinance, the Town Board shall specify the place, manner and time within which such construction or repair

shall be done, which time shall not be less than 48 hours.

The Town Clerk shall publish a notice thereof in a paper to be designated by the Town Board at least twice, the first publication of which shall be at least 15 days before the time specified before the completion of the work and he shall serve a copy of such notice by registered mail upon the owner or owners, occupant or occupants of the land in front of which it is desired that such construction or repair shall be done.
SECTION 2. FAILURE TO CONSTRUCT OR REPAIR SIDEWALK OR CURBS. Whenever a notice or notices referred to in Section 1 hereof has been or have been served upon such owner or owners of the respective lots or parcels of land in front of which it is desired that sidewalks or curbs be built, relaid or repaired, and such owner or owners, occupant or occupants shall not cause the construction or repair to be made as required by the notice, the Superintendent of Highways is hereby authorized and directed to cause the construction and repair to be made as required by notice. The Superintendent of Highways is hereby authorized to perform such work or repair with his own forces or cause a contract or contracts to be let therefor, and to pay therefor out of the funds to be appropriated by the Town Board for such purposes.

SECTION 3. REQUIREMENT FOR PERFORMANCE OF WORK BY THE OWNER OR OWNERS. Whenever the owner or owners, occupant or occupants shall build, relay or repair the sidewalk or curb called for by said notice, he shall obtain a permit therefor as directed in Section 1 of Article II. If the location where the construction or repair is to be made shall be upon a State Highway, where the sidewalks or curbs have been constructed by the State, the permit shall be obtained from the Highway Division of the State Department of Public Works in accordance with the rules and regulations of that Department.

The Superintendent of Highways may require such bonds or deposits, and issue such permit subject to such terms and conditions as he may consider necessary for the protection of Town property.

SECTION 4. CONSTRUCTION AND REPAIR BY CONTRACTOR. Whenever such construction and repair is made by contract let therefor under the provisions of Section 2 of this Article, the provisions of this ordinance in respect to obtaining a permit and the powers of the Superintendent of Highways on the issuance of a permit shall apply to the contractor for such work.

SECTION 5. REIMBURSEMENT FOR COST OF CONSTRUCTION AND REPAIR. The Town shall be reimbursed for the cost of building, relaying or repairing any sidewalk or curb, when made as provided in Section 2 of this Article, by the owner or owners of the respective lots and parcels of land in front of which such construction or repair was made, by the amount of benefit which the improvements shall confer upon the same and collected in the same manner and at the same time as other ad valorem town charges.

ARTICLE IV
Keeping Clean and Obstructions.
SECTION 1. CLEANING SIDEWALKS. Every owner or occupant of any house, or other building, or possession of any vacant lot, and any person having charge of any church or any public building in the Town of Oyster Bay shall during the winter season or during the time snow shall continue to fall on the ground, keep the sidewalk in front of such lot or house free from obstruction by snow or ice and icy conditions, and shall at all times keep such sidewalk in good and safe repair and maintain the

same clean, free from filth, dirt, weeds or other obstructions or incumbrances.

SECTION 2. OBSTRUCTING SIDEWALKS. No person, firm, association or corporation who is the owner, occupant or lessee of any premises abutting on any street, road, highway or parkway in the unincorporated area of the Town of Oyster Bay, Nassau County, New York shall place, keep, permit or suffer to be placed or kept, on any sidewalk in front of, adjoining or adjacent to such premises, any goods, wares, merchandise, boxes, barrels, display signs or material things of any kind or description, or in any manner obstruct any such sidewalk, or in any manner obstruct or interfere with the use of any such sidewalk, but nothing contained in this ordinance shall prevent persons from placing goods, wares, merchandise or household furniture on the sidewalk temporarily while loading or unloading the same, providing it be done without unnecessary delay and providing that such goods, wares or merchandise are not allowed or permitted to remain on such sidewalk within the prohibited area for a longer period than one hour.

ARTICLE V
Penalty.
SECTION 1. In addition to other remedies provided by law, each violation of the provisions of this ordinance shall subject the owner, general agent, contractor, tenant, occupant or any other person in charge of the property abutting upon the sidewalks or curbing where any violation has been committed to a fine or penalty of not more than Twenty-five (\$25.00) dollars, for each such offense and the violation shall constitute disorderly conduct and a person violating the same shall be deemed a disorderly person.

ARTICLE VI
Title of Ordinance and Date of Effect.
SECTION 1. TITLE OF ORDINANCE. This Ordinance shall be known and may be cited as "The Sidewalk Ordinance of the Town of Oyster Bay."
SECTION 2. DATE OF EFFECT. This ordinance shall take effect immediately.
 Dated—Oyster Bay, N. Y. June 2, 1952

By TOM OLIVERI
Hickville 3-2773 J

How many times do you display your true colors—the Red, White and Blue?

"Old Glory", the flag of these United States of America was first authorized by Congress on June 14, 1777.

This date is now known as Flag Day throughout the U.S.A. It's the day "Old Glory" should wave from every flag staff in town.

But how many flags do you see flown on June 14th, this day dedicated to "Old Glory"?

building. Our streets should be ablaze with "Old Glory".

Flag Day—June 14—that is. **SHOW YOUR COLORS!**

Participating in the opening day ceremonies of the Bethpage Little League on May 17th were Jim Taverna, Bob Purcell, Charlie Schwars and Al Garruba.

Thanks to Carl Borstman for being instrumental in quickly securing the bronze plaque for the World War II memorial. Post contribution recently made to Cerebral Palsy Drive.

Frank McMarkin recently added to the Post's membership roster.

Renewals also in from Ray Werhane and Joe Sisia. Seven members remain to be signed up to obtain a 100% renewal membership. Won't you cooperate to meet this goal? Please make check or money orders payable to Archie McCord Post No. 86 and mail to Tom Oliveri, 1 Derby Lane, Bethpage.

Attending the Pinelawn Memorial Services on May 24 were Jim Taverna, Jack Strong, Wayland Strong, Bob Purcell, and Bob Amaley. The Auxiliary was well represented with Dot Raban, Mae Strong, Jennie Lawman, Marie Caffrey, Betty Taverna, Teresa Drew, Fern Bresnahan, Catherine Mazurra, Caroline Ellinger, Martha Davis, Kay Maziie, Alice Mildenberger, Catherine Bradley.

Plan on attending the 35th Annual Convention of the Department of New York? If you are, the **Serenus Hotel** in Rochester was designated as the headquarters for the 3-day convention, beginning July 17. Not to be forgotten, of course, is the County Convention to be held in Hempstead on June 25, 26, 27.

Every Legionnaire has received a block of 100 Rehabilitation stamps with a request for a gift. Less than 5% have responded and the remainder have forgotten or neglected to send in a dollar or more to help support the important work carried out by the regional offices. Take a look around the house—you might have completely forgotten where you hid them.

Did you write your Congressman asking him to make sure that in the VA budget for 1954, not less than \$921 million be appropriated for administration, medical, hospital and domiciliary service? This is vital. Continued care of our disabled and ill comrades depends on your personal support.

The girls are planning to wear their Sunday best. Boys please take note and dungarees are not the costume for the occasion. The dance will be held in the Broadway school on June 13.

FIRST OF ITS KIND:

Controlled Reading May Solve Bethpage Pupil Delinquency

BETHPAGE—Two weeks ago, there was trouble here. Several boys tried to extort "protection" money from some of their classmates. Although the "racket" was stopped immediately, it was an unfortunate incident. What happened in Bethpage is not unusual. Similar acts of delinquency and others even more serious occur in almost every school in the United States. The following is a report of what is being done to solve the problems.

Victor I. Miller, supervising principal, has been very much aware of the problems of delinquency and of general school maladjustment for some years. Five years ago, he invited Dr. Earl Taylor of Washington Square Reading Center to look into the problems he knew existed in his system. Results of a school survey at that time indicated that well over half of the student body was destined for trouble in their school work.

CONTROLLED READING
With a new school building and an adequate budget, steps have been taken. The result—a Controlled Reading program for the entire system was voted on May 5. The school board has arranged with the Washington Square Reading Center to provide the personnel and equipment necessary to carry out an educational rehabilitation program during the coming year.

The program here is the first of its kind, for individualized instruction in the Reading Room, it is said, will help salvage those students already having trouble, and even more important, Controlled Reading and perception techniques integrated with regular classroom instruction will assist in preventing difficulties in the rest of the student body.

At a preliminary orientation meeting with the teachers held May 20, Dr. Taylor explained that the findings at the Center indicate that "most school maladjustment can be traced directly to a lack of functional readiness. This means that the student has not developed physiologically and neurologically enough to be able to cope with school tasks successfully. The most important factor involved in developing functional readiness is the training of functional visual efficiency. Inability to sustain effort and concentrate in studying, ocular discomfort, failure in and dislike of reading and other school tasks, to mention but a few problems, can nearly always be traced

to lack of functional visual efficiency."

PUPIL SURVEY MADE
For some students handicapped by a lack of functional readiness, success can be achieved only at a high price in terms of time and energy, Dr. Taylor explained. For other students with a similar handicap but unable to compensate and adjust, there is only discouragement, failure, feeling of inadequacy and insecurity, dislike of school, truancy, and possible delinquency. The Controlled Reading program will deal with all types and degrees of school difficulty—from the child who is just starting to have trouble, to the child who is failing most of his subjects.

As a first step in the program, the Pupil Survey record has been administered throughout the school. Those cases proving urgent and most in need of assistance have been given the Reading Maturity and Performance Capacity Inventory analysis so that they may begin their individual training in the Reading Room as soon as school opens next fall.

Among the first group to begin are the boys who were involved in the recent episode. It is interesting, though not surprising, authorities disclose, to note that they proved to be quite handicapped on all parts of the test. They were extremely tense, experienced visual discomfort, suffered from an inability to concentrate, and had extremely poor visual functioning—several, in fact, were only using one eye in reading and study activities. In addition, though they are supposed to enter 10th grade next fall, they proved to be excessively slow readers. Their average reading skill was only a little bet-

ter than that of 4th graders. They spent over one-third of their time in wasteful re-reading. It is easy to see why these students wouldn't like or be successful in their school work.

Top Cookie Salesmen Given Party

BY DOROTHY GUELPA

Troops 45 and 94 of the Bethpage Girl Scouts were guests at a party given by the Girl Scout Mother's Auxiliary, on Friday evening, May 5, at the VFW Hall. These troops sold the most cookies during this year's sale. Troop 45, led by Thekla Shaw, has eight girls and they sold 1,219 boxes of cookies. Mrs. Nafa Maiqueen led Troop 94 which has 15 girls and sold over 1,800 boxes. Refreshments games and prizes made the party strictly wonderful.

Lawrence Small of North Massapequa was elected president of the Men's Club of the Bethpage Methodist Church at a meeting held on May 28. Other officers are: Clayton Hart, vice-president; William Brachvogel, secretary; and Charles Meisheid, treasurer.

GIVEN SURPRISE SHOWER
Miss Elaine Moesch of Pershing Ave., Bethpage, was the guest of honor at a surprise bridal shower held on May 19 at the home of Mrs. Edward Wilson, 353 Stewart Ave., Bethpage. Miss Moesch will become the bride of Philip Krauchuck of Westbury on June 7 at the St. Martin of Tours Church, Bethpage.

The guests included: Rose Noto, Mrs. Alma Della Ratta, Jr., Mrs. Adeline Noto, Mrs. Claus Tiederman, Mrs. Molly Tomachio, Mrs. John Schiavetta, Josephine Nider, Julia Fling, Florence Poletti, Mrs. Madeline Doyle, Mrs. Mabel Lange, Mrs. Donald Lang, Mrs. Marie Paden, Lillian Tiederman, Mrs. Betty Neumeyer, Mrs. Rose Wegener, Mrs. Dora Krauchuck, Mrs. Mildred Krauchuck, Lorraine Thorne, Mrs. Thorne, Anita Koster, Mrs. Louise Koster, Mrs. Rose Seitz, Mrs. Dorothy Songstacken, Mrs. Mildred Benker, Mrs. Charles Tallman, Mrs. Marguerite Whitaker, Mrs. Lillian Moseman, Yolanda Pizzuti, Mrs. Mary Moesch, Mrs. Helen Hager, and Mrs. Nick Karmeris.

Father Michael Keohan is recovering in St. Martin's Rectory after a very serious automobile accident on Tuesday, June 2.

George Bennett, father of Mrs. Ruth Armstrong, died on Saturday June 6, after a lengthy illness.

The Coronet Crescent Civic Ass'n held a picnic on Saturday, June 6. Games and prizes etc. and every one had fun.

STRAWBERRY FESTIVAL

The Annual Strawberry Festival is being held on June 20 in the basement of the Methodist Church, from 6 to 8 p.m. Entertainment will also be provided. Miss Shirley Hardenburg is chairman and urges all to come.

PTA INSTALLATION

Installation of the new PTA officers was held at the Broadway School, Bethpage, June 4. The new slate includes Arthur Bunce, president; Mrs. Ann Merin, vice-president; Mrs. Marilyn Schueler, recording secretary; Mrs. Emelie Nece, Corresponding secretary; Mrs. Mae Sialis, Treasurer.

The outgoing president, Mrs. Charles P. Melone, was presented with an aluminum tray. An honorary life membership in the New York State Congress of Parents and Teachers was presented to Miss Catharine Seitz, in recognition of her 26 years service to the youth of the community thru Girl Scouting. It was the eighth life membership awarded in the Bethpage school. Miss Seitz thanked the PTA and expressed the desire to see a Scout house for the girls.

Tommy Marrone celebrated his 10th birthday, on Saturday, with a supper party at his home on Broadway. He is the son of Mr. and Mrs. Thomas Marrone.

The Committee also noted "We have at all times attempted to work closely with the Board of Education and particularly appreciate the excellent cooperation and liaison of Alan Carpenter, member of the Board." Committee members present included, in addition to Chairman McIntosh, Secretary Fred Noeth, Jack Drutman, George Winsor, Adelaide Katz, Dr. Irving Robbins, Carl Grunewald, Isabel P. Glaser, William H. Orton, and Lawrence McCaffrey.

The conference brought out assurances from Trustees Szendy and Carpenter that agreement has been made in the School Board to start the addition to the Fork Lane School since new building in the Allied Home-area seems to indicate "the most pressing need" for enlargement of this new building first to a total of 20 rooms.

Mrs. Sutton commented that the Committee was "very modest" in reciting its activities and that the work of the group on the high school question, in particular, was greatly appreciated by the School Board.

HILLSIDE TERRACE Civic Dance Was Great Success

By ERNEST COBBY
Our Saturday night dance at the Legion Hall was a complete sellout. Twice as many people arrived than were expected. There is no doubt that the place was crowded, and pretty warm for jitterbugging, but most everyone

did anyway and had a gay time doing it. Let's hope the entertainment committee can arrange for a fall season dance. Thanks to Mr. Blohm for the lovely orchids given out at the dance.

In parting I'd like to mention that Don Giles won the 1st door prize and yours truly, 2nd.

Our next regular Civic meeting is to be on June 10. I hope you will surprise the executive board with as large a turnout as we had for the dance.

OBITUARIES

Helen Piquet

HICKSVILLE—Helen Piquet, 80, of 12 Charles St., died June 6, at the Hillcrest Convalescent Home, Northport. A resident of this community for the past six years, Miss Piquet was born in Woodbury, where the family had a farm.

Funeral services were held at Mowen's Funeral Home, June 9, with the Rev. Cranston Clayton officiating. Interment was at Cold Spring Memorial Cemetery. She is survived by a sister, Lillian Piquet, of 12 Charles St.

Michael Luchka

HICKSVILLE—Michael Luchka, of 65 Harrison Ave., died on Wednesday, June 3. Funeral services were held at the Henry J. Stock Funeral Home, Saturday, June 6 and interment was at Plainlawn. He is survived by his wife, Mary; two sons, Peter and William; and three grandchildren.

John Robert Zilm

HICKSVILLE—John Robert Zilm, of 8 Thimble Lane, died on Thursday, June 4. Services were at the Henry J. Stock funeral home, Saturday June 6, and interment was at Holy Hood. Surviving are his parents, Roland J. and Teresa.

When you have settled down I hope you will make it a point to join us* at one of our Civic Assoc meetings and meet your neighbors who are working for a common cause, to better the community we live in by co-ordinated programs discussed at our monthly meetings. Herbert Johnson, president of the North West Civic Association will contact you by mail re next monthly meeting.

SPECIAL NOTICE
Sid Salom of Sunnymede Lunch-sonette wishes to advise residents that he will be closed Sundays until further notice. Sunday papers may be picked up on Saturday evening up until 11 P.M. Congratulatory to Mr. and Mrs. Skolm who have celebrated their 1st anniversary in business at West John St. and Kuhl Ave.

BETWEEN ISSUES
We note the Hank Halbach's are getting their boat ready to hit the water. Sure is a snazzy job you did Hank. Happy Sailing. Billy McLaughlin who turned in a wallet last week containing \$33 received a \$5 reward for his honesty. The owner of the wallet is daughter of the proprietor of Hicksville House Upholstery, newly opened at 106 Broadway. The next monthly meeting of the North West Civic Assoc will be held on July 7, at a place to be designated at a later date by the Executive Board, due to the closing of Burns Ave School for summer vacations. Barney Gill and the Spiegel ball club now have 11 lads turning out for the games. They need several more. If you are interested call Ramsey at HI 3-4558 E tonite. Pat Boland, former pres of Civic Assoc is expected home today, Thursday after an operation at Horace Harding Hospital. Get well soon. SPEED DEMONS have already started using our development as a shortcut from parts of the parkway... also heavy trucks—probably avoiding weighing stations on turnpike.

American Legion Diamond Team

The Charles Wagner Post of the Hicksville, American Legion, will sponsor a baseball team in the Legion Boys Baseball League this summer and the club will be under the direction of Bill Anderson.

The Legion league is a fine organization and has considerable incentive for team members to do well. There are county divisions, city, state and National sectors and the winners in each bracket move up as far as their talent will carry them.

A large number of candidates will be out for the club that will play home on Friday evenings and away on Wednesdays.

The Error Column

The outstanding item referred to in the Botto debacle Saturday night, of course, is the fact that Jerry Kiesel lost the handle at second base three times in the same inning.

That contributed two runs to the Meehen total but there was considerable more to the loss than those errors were responsible for.

However, the unfortunate action has the wolves yelping that Kiesel can't play the bag and some urge that he be benched.

There would be little intelligence in that. For our money Kiesel can play the bag good enough. In three full seasons he has made 258 putouts and has been credited with 219 assists. He has made 36 errors.

For the time played, his error total isn't any worse than any regular playing now. However, if he should be taken from second there will have to be a place found for him in the outfield.

To have a three year .299 hitter, the club's best mark, on the bench is a little on the deep side for our money.

Pros Take Early Lead In NWLL Penant Race

By RAY DECHESTER

In crushing the Boos Brothers nine by the score of 23 to 8, the Professionals made it four wins in a row June 8th to take the lead in the NWLL penant race.

Henry Ristow, playing shortstop for the Pros, led the attack with two home runs, and just missed a third with a drive which hit the top of the fence and bounded back onto the playing field for a double. His last two at-bats were walks to complete a perfect day. In Henry's only two games as star pitcher for the Pros, Ristow tossed a no-hitter to open the season and then shut out the O'Donnell Movers this week, allowing only one hit.

Gene Burke of the Movers has pitched two no-hitters in a row defeating Boos Brothers and Greater Nassau Realty to pace the league in this department. When not pitching, Gene takes over the receiving chores for his team and turns in an equally good job behind the plate. The remarkable part of it all is that Gene is only eight years of age and has four years of Little League ball ahead of him.

Results of this weeks Northwest Little League games were as follows:

	R	H	E	S	O
June 1—Salisbury Field					
Greater Nassau Realty	4	20	0	12	— 9 9 8 6
Boos Brothers Nursery	0	0	2	2 3 3	— 10 7 2 10
Pierrall, Roessler, Glasz, Nygren and Muldoon.					
June 2—Levitt Field					
O'Donnell Movers	0	0	0	0 0	— 0 1 2 17
Professionals	3	0	0	0 4 x	— 7 6 0 5
Antunes and Burke; Ristow and Rady.					
June 3—Levitt Field (Playoff)					
Greater Nassau	0	2	0	0 0	— 2 4 3 12
O'Donnell Movers	3	2	0	0 0 x	— 5 6 2 7
Cooke and Glaser, Savoy and Burke.					
June 4—Salisbury Field					
O'Donnell Movers	4	4	0	1 0 3	— 10 10 4 14
Greater Nassau	0	0	0	0 0	— 0 0 4 9
Burke and Savoy, McCarron and Roessler.					
June 5—Levitt Field					
Boos Brothers Nursery	0	1	1	0 6	— 8 8 4 8
Professionals	4	0	8	5 6	— 23 16 2 5
Boos and Vallin, Sanossian, Rosenberg and Rady.					

Results of NWLL Minor League games June 6th—Long Island National Barkers defeated AVC 12 to 11 in 7 innings. Pan Am Pilots easily beat Shoe King Sam 16 to 4 (no Hitter).

Ruggiero Scores Big Win As Softies Finish 1st Week

HECKSVILLE—Crafty Steve Ruggiero pitched the PBC to a two-hit triumph over Empire Diner, Friday, as the Community Softball League completed its first week. Dick Kerbs, who pitched the PBC to the championship of the league last season, took the 5-1 lesson from Ruggiero who was never in trouble.

The win gave the champs an early jump since they opened the league with a 27-20 verdict over Amperex. It was a free swinging match in which the PBC established a 26-5 lead before finding out if it had any other pitchers hidden in its lineup.

The 20 runs the losers scored in the final three innings indicated that it does not.

All the expected powerhouses lost in the opening round. General Electric defeated Oyster Bay 6-4 and Maywood routed Breen's 14-3.

THE STANDINGS:

	Won	Lost	Pts.
PBC	2	0	4
Maywood	1	0	2
General Electric	1	0	2
Empire	0	1	0
Breen's	0	1	0
Oyster Bay	0	1	0
Amperex	0	1	0
Post Office	0	0	0

THIS WEEK'S SCHEDULE

Thursday — Breen's vs PBC
Friday — Post Office vs General Electric
Friday — Amperex vs Empire
Tuesday, June 16 — Amperex vs General Electric
Tuesday — Oyster Bay vs Breen's
Wednesday, June 17 — PBC vs Post Office

Action Begins In PBC Leagues

HECKSVILLE — In the first week's action of the Intermediate PBC League the Lions defeated Levittown Boys Club. Cards bumped the Aces; and the Royals topped the Cobras. The last two games were exceptionally well-played and very close.

In the Senior age group Hicks ville PBC got its season off to a fine start by defeating Hempstead PBC for the first time in the history of the club. The score was 4-3.

Richard Hogan twirled a two hitter for Coach Henry Uffman, and he received exceptional support in the field from Bill Dyckman, and from Charley Kohler, his battery mate.

Botto Thunders Sans Lightning

JONES BEACH—Botto had all the thunder here in the stadium, Saturday night, but lightning struck repeatedly in the same place as Meenan Oil scored an 11-10 upset with the aid of seven major Hicksville errors.

The vaunted hitting attack of the Black and White cracked out 17 hits. Four home runs, three triples and six doubles were listed amongst the Botto blows. The losers registered ten hits but only two had authority.

It was a frightful night for Jim

Barone and Ted Smith who worked on the hill practically without support.
