PETITION FOR HOME RULE
100 More Can Put It Over

HICKSVILLE—The Home Rule vote application in the form of a petition signed by property owners representing one-third the total \$38,320,403 assessment of the community is "within a hundred" signatures of its goal, the Home Rule Committee reported jubilantly this morning. The petition when completed will go before Supervisor Charles E. Ransom for a public hearing and eventual vote.

"We are very, very close to the minimum amount required and with the kind of response we have received in the past few days we feel almost certain that the goal will be reached," Chairman Lawrence A. Roman said. He added a word of caution: "However, we need every possible signature and time is running out. If \$18,000,000 is not signed up, asking for this vote, within the next few days we face the prospect of having to get an additional two or more million dollars in valuation effective Aug. 1."

He said there had been a substantial response in the past few days, particularly since distribution of a booklet by the anti-home rule forces led by Ernest Franke, political boss and county official.

The petition forms are available for signatures at 98 North Broadway and with captains and workers in each election district. A phone call to Hicksville 3-1401 will bring a volunteer, Roman added.

The Home Rule Committee pointed out this week that Hicksville, Ohio, which is about one-tenth the size of the Long Island community of 30,000 persons, has been an incorporated village for many years. Sixty-five communities in Nassau, most of them the largest population and commercial areas of the County, have home rule thru incorporation. There are over 500 incorporated villages in the state.

Tighten School Rules
As Damage Increases

HICKSVILLE—Further restrictions on the use of public school grounds "due to misuse of the facilities" have been announced by the School Board this week.

At the East St School southwest playground, no hard ball playing is permitted and soft ball playing is restricted to children under 16 years of age. Residents bordering the southwest playground had registered a complaint to the Board about the property damage caused by ball playing.

No golf practice is permitted on the high school field. Many adults have been using the field as a practice range and digging up the turf and track.

Curbing of dogs on the high school athletic field and lawns is endangering the health and welfare of the children who use the grounds, a School Board spokesman said.

Plainview Votes This Saturday

PLAINVIEW—Taxpayers will vote on a proposition to build a \$300,000 school at Old Country Rd. and Central Park Dr. at a special district meeting this Saturday, July 18, in the Manetto School between 2 to 8 P.M.

Seeking Civil Defense 'Reforms'

HICKSVILLE—Determined to seek the ouster of Charles Eginton of 2 Bamboo Lane as Civil Defense director for Hicksville-Plainview, a group of CD volunteers led by Thomas Cullen of McKinley Ave and George McCarthy of 66 Nevada St, on Tuesday night organized the Center Civic Assoc with Cullen as leader. County CD policy is also under fire, an apparent continuation of conflict which reached a semi-climax when Frank Sutter, first director, and his CD council staff here resigned in protest last January. Eginton had been named in March as Sutter's successor. The new Civic group, it was announced, is open to all volunteers who want CD "reforms."

Sister Kenny Fund Starts Aug. 1

HICKSVILLE—Mrs. John Fiederlein, 85 East End Ave and Mrs. Norman Gingell of 29 Crown St have been appointed co-captains of the Sister Kenny Foundation fund drive in Hicksville. Mrs. Fiederlein announced that a house to house collection drive has been scheduled for Aug. 1.

Workers and Captains for this area are still needed, the chairmen said. Anyone interested in helping the Sister Kenny Fund drive can volunteer by calling Hicksville 3-4650 or Hicksville 3-6058.

4 Polio Cases in Hicksville

MINEOLA—Four cases of polio in Hicksville since June 1 were reported by the Nassau County Department of Health on Tuesday. The children are an 18-month old boy, 3 1/2 year girl, 6-year-old boy and 7-year-old girl. No cases are reported in Plainview and Bethpage.

Water Officials Ask
Public Cooperation

Regulations for lawn sprinkling vary in Mid-Island water districts:

HICKSVILLE—South of Old Country Rd. on odd-numbered days of month, north of Old Country Rd. on even-numbered days, watering permitted by householders. No specific hours. Farm irrigation PROHIBITED every day between 4 P. M. and 9 P. M.

PLAINVIEW—Even-numbered houses on even days and odd-numbered houses on odd days, watering permitted ONLY between 8 P.M. and 10 P.M. Houses without numbers permitted to water south of Old Country Rd. on odd days, north of Old Country on even days. Also Old Bethpage on odd days. Violators fined.

BETHPAGE—Even-numbered houses on even days and odd-numbered houses on odd days permitted between hours of 7 and 9 P. M. only.

LEVITTOWN—(Town of Hempstead)—Watering permitted only from 7 A. M. to 9 A. M. and from 7 P. M. to 9 P. M. only. Violators fined.

Proposes Youth Council

HICKSVILLE—A council composed of delegates from local organizations and all local schools to provide supervised recreation for the youth of the community has been proposed by Mrs. Edward Kist of Milton St., it was learned this week.

An appeal to assist in a youth program with funds and time has been sent to the heads of all local organizations for presentation to their members in the fall.

If enough groups react favorably to the idea of an organized and supervised youth program, Mrs. Kist plans to present the facts to her P-T A, the Burns Ave. School P-T A. when meetings are resumed in October. After discussion of the idea by the Burns Ave. P-T A, the proposed project will be channeled to the Council of P-T A. units in Hicksville where steps can be taken to consolidate all interested groups into an effective organization.

KATHERINE PACHOLIK of Plainview Rd., Hicksville, was the first in line when the Central Savings opened its doors last week. She is being assisted in the opening of the first account by cashier Elizabeth Peishel of 16 Winding Rd., Hicksville (at left). Full pictorial report on page 39.

Playground
At New Peak

HICKSVILLE—The summer playground continues to grow and more help has to be added—authorities report. Dutch Lane went from 213 to 310 children in one day.

Over 700 youngsters were registered this past week to bring the total to 2,145 children registered in the two weeks. This is 500 more children than were registered last year.

Druggist's Wife Dies

HICKSVILLE—Sadie Smith, wife of druggist J. J. Smith of 53 North Broadway, passed away yesterday (Wednesday) afternoon.

Methodist Church Expands

HICKSVILLE—The Methodist Church at Old Country Rd. and Nelson Ave. has purchased land in the rear of the Church in order to expand facilities required by the growth of the church, it was announced this week by the Rev. Cranston Clayton, pastor.

The church had a membership of 450 when it moved from Broadway to its new location on Old Country Rd. in April 1950. Today there 1,200 members and the Sunday School attendance has more than tripled.

The new acquisition of land gives the church a rectangle piece of property extending from Old

Baseball Queen For Hicksville Night

ROSE MARIE deMONACO

MARIE TEDESCO

CAROLE GOETTLEMAN

BASEBALL QUEEN for Hicksville Night at Ebbets Field next Wednesday, July 22, is Rosemarie DeMonaco of Broadway who received 2,810 votes. She will be honored at home plate ceremonies at about 8 o'clock before the game starts, accompanied by two ladies in waiting, Marie Tedesco of 165 Haverford Rd. who got 1,960 votes and Carole Goettleman of 24 Center St. who received 1,530 ballots. Votes were cast by purchases of Hicksville Night tickets. General Sale of tickets closes this Saturday, July 18, with a limited number available at the Herald office until Monday afternoon, July 20. Judges of the queen selection ballot counting were Lou Smith, Rotary Club, president and chairman of Hicksville night, Dr. James Goris, William A. Mannilla, Ed Ocker and Thomas McCarthy.

NEIGHBOR DOWLING VIEWS NEWS:

New School Vote Saturday

By JOHN DOWLING
The vote for the new Plainview 12-room school takes place this Saturday, July 16, between the hours of 2 P.M. and 8 P.M. in the Manetto Hill School. (Picture on page 4).

The Board of Education held a district-wide discussion meeting last Monday evening in the Manetto Hill School and those in attendance expressed pleasant surprise over

Board Chairman Leland Baker's announcement that he expected the school tax rate for the 1963-64 fiscal year to remain approximately the same as the previous year or possibly less.

Baker told the group this will be made possible by the expected sharp rise in the district's assessed valuation stating that "latest figures reveal that Plainview's assessed valuation should reach at least \$9,000,000 by August when the tax rate is set by the school board."

It was also pointed out that the new school will be located in an area that is now under development by builders with many homes

already occupied or slated for occupation within the next month or two.

Actual location of the school is Central Park Road, south of Old Country Road.

In addition, it is in accordance with the school trustees plans, which received overwhelming support by the residents, to place in force the "neighborhood school policy."

Fundamentally, the plan embodies two basic tenets. It provides neighborhood schools effecting a closer relationship between the parents-teachers and children because of the proximity of the school to the home and helps to reduce costly transportation charges.

HILLSIDE TERRACE

By ERNEST GOSSY
187 Dartmouth Drive

A recent change in the New York State Motor Vehicle Code, requires all drivers to use the same hand signals as most other States have been using for years. The change is obvious. Now you can tell why the driver in front of you has his hand out of the window.

Drivers are now required to extend the left arm straight out for a left turn, (pointing is optional), left arm upwards (toward the sky) for a right turn, and downward, with palm facing rearward (fingers spread if you like) when slowing or stopping. Finally adopting the use of these signals by the State is the first step in standardization and unified Motor Vehicle rules with other states.

I hope the next step will be Vehicle inspection every six months so that everyone will know whether their driving lights are adjusted right, or have brakes left to use in an emergency, or know if the steering gear is in good shape. Have you looked at all the fittings for your steering mechanism lately? Next time you have your car greased take a good look at it, because this is a constant source of causing cars to go out of control.

On cars with center-point steering (almost all late models), both tie rods are pivoted on one pin in the center of the front wheels, and are held in place with one large nut. Should this come loose and fall off, you're out of business. Kingpins, tie rods and front suspension should also be checked regularly, especially if one or both of your front wheels drop in a large hole in the road, jump a curb or cross deeply rutted railroad crossings. Unofficially the committee that arranged to collect used clothing for the relief of Korea in a one-day drive last month left out the name of the HICKSVILLE CATHOLIC DAUGHTERS as one of the cooperating organizations. It may be that JOHN BURNS, assemblyman and past mayor of Sea Cliff, will be GOP candidate to succeed CHARLES RANSOM as-township supervisor, but over in Glen Cove the Republicans are ready to support PAUL MURRAY as Burns successor, if and when Paul is a nice guy, former city clerk and a good friend of ours. . . . family enjoyed the trip and really liked the Tennessee mountains. Probably be moving there as soon as arrangements can be completed.

The Arthur Fischer's, 141 Dartmouth Dr. had a very nice patio party last Saturday night complete with hanging lanterns and outdoor barbequed franks and hamburgers. Arthur's swell new patio and folding picnic table that he made himself were put to good use. Ruth and I were supposed to be at the party, but my folks dropped in unexpectedly early in the morning, and I also had to fly some soldiers, just returned from Germany, to Chicago, where they were being discharged. All 52 of the GI's said they enjoyed Germany, but to them on Saturday, July 11, there was no place like home, and being flown there was a real treat after spending six toasting days at sea. Overboard on the plane went—"I think I'll just stay in bed for the first week."—"You couldn't get me more than 20 miles from home for any reason."—"I can just taste that good home-cooked food right now."—"Can't you make this thing go any faster?"

Ed Prosewitz had a nice large garage just completed in their back yard that has plenty of space for

storage or a workshop besides the family car. Ed also had the driveway made solid concrete from the sidewalk to the garage. The space beside the house doubles as an extra large patio, which was used Sunday night to entertain the neighbors. Watermelon was the specialty for the evening, with coffee, cake and a general gab session following.

Up Zone Area Starts at 100 ft.

OYSTER BAY — A 100-foot depth of business zone facing south Broadway, Hicksville, will remain a business zone but an additional 125-foot depth to the rear will be changed to a residential zone, it was announced at a public hearing of the Town Board held here Tuesday morning.

Property owners facing Broadway in the quarter mile strip who appeared at the hearing were assured that a 100-foot depth facing Broadway would remain in a business zone. The Board explained that it did not believe that more than a 100-foot depth was needed and therefore proposed that 125 feet depth back strip be rezoned to residential.

By Popular Demand

The thousands of Mid-Island Herald readers have asked for more frequent editions of their favorite community newspaper. In response to this demand to keep pace with the sky-rocketing growth of the Mid-Island area, the Herald is proud to announce publication of two editions a week starting the first week in August. Local businesses also have requested the opportunity to bring their changing story even more effectively before the homeowners of the area. Since this is something of an innovation in newspaper publishing on Long Island, single editions may be somewhat slimmer than they have been in the past couple of years but the net weekly production will equal or exceed the present Herald. We'll continue to appreciate and be guided by your comments.

**First Twice-Weekly Edition

Nearly **6,000** Mid-Island Families

Today nearly 6,000 Mid-Island families read the Herald each week for news, commentary on local events and sales opportunities. All current and new subscribers will continue to receive the Herald by mail, as in the past, with deliveries on Tuesdays and Fridays. Single copies available on 26 newsstands will continue at five cents per issue. Our fourteen neighborhood reporters will continue to bring you their reports in addition to six other writers of special local departments. The Herald is a neighborhood affair—written, edited and brought to you by local people.

NEW PLAINVIEW 12-room school which will be the subject of a bond issue vote this Saturday, July 18, between the hours of 2 P.M. and 8 P.M. The building will be erected on Central Park Rd., south of Old Country

Rd., to meet the fast climbing student enrollment and population of Plainview. It is a class A type structure. (See Neighbor-Dwelling on page 2).

PLAINVIEW VAMP REPORT:

Our Team Brings Home Trophies

We are very proud to report that the Plainview racing team did excellent in the 9th Battalion Tournament, Sunday. These are the results. We won first place in efficiency. We placed third in the hose and pump event which is a combination of men and two trucks. We placed third in the booster tank event. We won a first place and

two thirds in this tournament. This is something that has never before been accomplished by our company—to bring home three trophies in one day. The trophy that we are most proud of is the first place in efficiency. This event is a good judge of the ability of the men in the company as it is actually the men themselves and not help from a truck or a pump.

In winning this event, it proves that the Plainview Firemen are the most efficient in the 9th battalion. (Just a remark to the racing team from the company—Congratulations on your showing, keep up the good work and bring home some more trophies. We will see if we can get you what you need to be tops in all events.) We hope the people of Plainview are keeping the date of Aug. 1 open as has been suggested before. If this is news to you, we will report the reason why. It is dedication day of the new wing of the fire headquarters. There will be free dancing for the adults and a demonstration of fireworks for the children. There will be guest speakers from Hicksville and Plainview, and an interesting evening is assured to all those that attend.

Ed Ocker, ex-chief of the company, informs us that he still has some tickets for the Brooklyn Dodger home game of July 22. It will be known as Hicksville Night. If any of our readers are interested in these tickets, call Ed. at Hicksville 4-1736 and your request will be taken care of immediately. There is also a means of transportation to all upon request.

Another False Alarm

HICKSVILLE — Another false alarm was turned in on July 11 at 4:38 P.M. This time the box was across the way from East St. School.

YOUR WATER SUPPLY:

First Well Starts Pumping

By **JOHN TRASK**
Superintendent

Last week Plainview Water District moved its office into the new building, but I neglected to inform you of our new location. The office is now located on the corner of Old Country Road and Manetto Hill Road—mailing address is still RFD No. 1 Hicksville.

On Friday of last week, the first of our three wells was used to pump water into the mains. We received the green light from the Health Dept. and on Friday night at 8 p.m. the first gallon of Plainview's own water started flowing into our system. At the present time I am using our Diesel Auxiliary engine since the electric controls have not arrived. I plan to pump whenever the pressure drops low and especially from 8:00 p.m. to 10:00 p.m. each evening when the residents are using the water on their lawns. By so doing, I hope to be able to add enough pressure to our supply to enable one to get enough water on their lawns during the two hour period.

37 VIOLATORS

There are still a number of people, 37 to date, who are not following the restrictions on the use of water for exterior purposes. These people have been warned and if they continue to violate the instructions, we have no recourse but to turn off their water, and it will remain off until such time as the \$50.00 fine is paid. All of our ordinances have been approved by the Health Dept., so for the benefit of the one or two that have stated

the Health Dept. would not allow the Water District to shut off the water, this is to advise them that it can legally be done.

We hope we do not have to do this, and with your cooperation there will not have to be any fines imposed. Remember, we are in business to sell water, not to restrict the use of it, but during this emergency period, we must impose certain restrictions for the safety of everyone in the District.

Word has reached me that I have been turning the pressure down each night around 7:45 p.m. so that there won't be too much water used in watering lawns. I wish to inform the residents that this is not the truth. The reason the pressure drops around 8 p.m. is that people start watering their lawns at that time and it causes a large drain on our system.

We have an eight inch main coming from Jericho and only so much water can go through this main. If we are drawing the water faster than they can pump the water to us, we have a great loss in pressure which makes it appear that the water has been turned down. But let me assure you, I am working 12 to 16 hours a day trying to get more water to you. In the near future, we hope to be able to lift all watering restrictions, but in the meantime, please cooperate with us. The few who are not cooperating may be the cause for us to curtail all exterior watering. One thing more—exterior watering means washing cars, watering flowers etc. with the hose.

PLAINVIEW COUNTRY HOMES:

Sunrise St. Conducts Circus

BY **RAE CANTILLI**

Hi Folks:
We have been having quite nice weather lately, although I feel that a little rain might be very useful to those parched lawns that are so brown and crisp.

I would like to make mention of an event that took place on July 4th to me it is one of the most commendable affairs run here in Plainview. The boys and girls on Sunrise St. ran a Back Yard Circus at 36 Sunrise St. for the benefit of Cerebral Palsy. The kids played to a packed house. Admission was five cents and a tidy sum of \$12.07 was made for Cerebral Palsy.

Donald Maycrink was ring master. The following acts were presented:

- Acrobatic Act: Robert Eats, Catherine Eats, Peggy Trask, Eugene Greaves, Jeffrey Maycrink.
- Solo Tap: Janice Hantz.
- Song: Peggy Trask, Catherine Eats, Janice Hantz, Sus Rahilly.
- Baton Twirling: Dona Malco.
- Doll Carriage Parade: Patty Trask, Rusty Trask, Catherine Smith, Judy Maggio, Barbara Davys, Jane Dostal, Ellen Dostal.
- Song Solo: Jimmy Sharkey.

Adult Supervision was under Mrs. Trask.
Refreshments were served with the following generous adults contributing punch and cookies: Mrs. Davys, Mrs. Trask, Mrs. Rahilly, Mrs. Benson, Mrs. Eats, Mrs. Maggio.

The boys and girls wish to thank all the adults that helped with time and money. I think the community should be proud, so proud of a group of kids who work hard and long, giving up perhaps a lot of summer fun to present such a program for so needy and worthy a cause. A vote of thanks goes out to all of them and to all the mothers and dads who supported them.

Congratulations also to the Racing Team of the Plainview Volunteer Fire Co., Inc. The Plainmeaten won 3 cups at the 9th Battalion Tournament in Jericho, Sunday. The fellows led by Captain Ralph Bergman placed 1st in the Efficiency Contest and 2nd in Motor-Hose Combination and Booster Contest and came out 4th all around. The fellows worked so hard and more than certainly deserved to win. There was terrific competition all the way, but they made time in every event. Congratulations, again and wait till Labor Day at Hicksville.

Please keep in mind Aug. 1st. The Plainview Volunteer Fire Co. is holding dedication of the new addition to the fire house. The program gets under way at 7 p.m. at the firehouse. After the dedication speeches, the people present will be given a chance to look at the equipment and inspect the new addition. Fireworks and free dancing will follow. All and all it will be quite an affair, so do come down and see the progress your fire department has made in the past year, and have a wonderful time.

Happy birthday to Bobby Gessner of Island St. on his 3rd birthday, July 9th. A celebration, a party was given by mommie. Among those present were Tommy, Janie and Carol Payne, Alice and Bonnie Myrick, Dona and Laurie Cantilli, Dave Himberger, Dickie and Cathy Gessner, all of Island St.

The Executive Board of the Plainview Civic Assn. met at the School last Wednesday night. The board is meeting in order to meet important issues that come up during the summer when the Association does not meet. From time to time in this column you will be kept informed if something of great importance comes up.

Don't forget to vote this Saturday, July 18, for or against a \$300,000 bond issue to be used for the construction of a new 10-room school on Central Park Drive south of Old Country Road. Whether you feel for or against it make sure you come out and express your opinion one way or another on a ballot. So many people sit back in that easy chair and watch television or play cards and forget that they themselves are a part of school affairs. So make an effort and come out and vote on July 18th.

Well, I guess that's all the news for now. Please give me a call if you have any information for me, whether it be a birthday, anniversary, birth, christening etc. I would love hearing from you.

Selanda Perry Bride Of Nicholas Roscigno

Miss Selanda Perry, daughter of Mr. and Mrs. Frank Perry of Locust Valley became the bride of Nicholas J. Roscigno, son of Mr. and Mrs. Angelo Roscigno of 226 W. Nicholas St., Hicksville, Sunday, June 21, at St. Rocco's R. C. Church, Glen Cove.

Given in marriage by her father, the bride wore a gown of white, imported French nylon tulle over Skinner satin styled with a Chantilly lace trimmed round neckline and long sleeves. The bouffant skirt with a long train had a pleated tulle flounce with a lace border. Her fingertip veil fell from a crown of lace and seed pearls. She carried a bouquet of stephanotis, pink roses and ivy.

Miss Frances Perry, sister of the bride, was the maid of honor. She wore a gown of pale blue embroidered nylon tulle over blue taffeta and carried pink roses, stephanotis and ivy.

The bridesmaids were Miss Carmella Roscigno, Miss Phloemena Roscigno, both sisters of the groom, and Mrs. George Turner of Locust Valley. They wore white embroidered nylon tulle over blue taffeta and carried pink roses with ivy.

Roseanne Gallo of Pittsburg, Pa., niece of the bride, was the flower girl. She wore a pink gown and carried a basket of spring flowers.

Cesar Roscigno was the best man for his brother. The ushers were Anthony Bernado and George Lehmann both of Hicksville, and Nunzio Calucello of Wantagh.

A reception was held at the Sons of Italy Hall.

MR. AND MRS. NICHOLAS J. ROSCIGNO

Glen Cove. After an honeymoon to Florida and Havana, Cuba, the couple is now residing at 26 14th Street, Locust Valley.

The bride is a graduate of Glen Cove High School and Drake Business School, Jamaica. The groom is a graduate of Hicksville High School and is now attending Pratt Institute, Brooklyn.

HICKSVILLE GABLES:

Weekly Dad-Son Baseball Games

By CONSTANCE GIBSON
Hicksville 4-1482

Wednesday, June 24 saw the first of weekly ball games between the fathers and sons of Gables Rd. The practice came into being when the boys challenged their fathers to a stick ball game, played on Gables Rd. which the boys won. The next week a soft ball game was held on the grounds of the East Street School, the fathers being the victors. July 8 at Hicksville High School the fathers again won the decision over their

sons. Among the participants were John Seith and sons, Jack and Paul of 16 Gables Rd, George Wilson and daughter, "Cissy" of 24 Gables Rd., Ed Sneckenberg of 23 Gables Rd., John Tils and son Ed. of 20 Gables Rd., Fred Schulz of 22 Gables Rd., Jog Graham of 19 Gables Rd., "Doc" McGill of 21 Gables Rd., Bud Chernow of 10 Gables Rd., Syd Kramer and son Tom of 9 Gables Rd., Arthur Baldwin and son David, Gus Cotonas and sons Phillip and Mike, all of Gables Rd. The residents of Gables Rd. would like to extend an invitation to all interested to watch these games or better to participate in them.

We would like to welcome Mr. and Mrs. W. W. Preston and family who have just joined our community from Los Angeles, Calif. The Prestons will reside at 3 Gables Rd. Mr. Preston is employed by the Sperry Gyroscopic Co.

Happy Birthday to Dickie Hattenback of 85 Notre Dame Ave., 3 years old July 10. Present to help him celebrate the event were his parents and little sister along

with Mrs. Emery and daughter Lynn, Mrs. Jean Duffy, Judy Knapp, Wayne Collins, Linda and Phyllis Schaaf, and Nancy Greig all of Notre Dame Ave., Mrs. Rita Baggot and children Joseph, Raymond, William, Charles and Rita of Old Country Rd., Mrs. John O'Malley and children Pat, Jackie and Mike of 67 Broadway, Mrs. Lou Heltz and Pat of Bethpage, Mrs. Helen Lupski and son John of East Carl St., Mrs. Mildred Brown and daughter Diane of Jersey City, Maureen and Richard King also of Jersey City, Mrs. Ada Murray and Mrs. Margaret Hattenback.

Best Wishes go also to Mrs. Antoinette Brigandi of 12 Bay Ave who celebrated her birthday, July 8.

Congratulations to Dr. and Mrs. Carl Schwartz of 1 Relds St. who welcomed a baby daughter, Rosalind Ann, on June 1 at the Roslyn Park Hospital.

The Sodality of Our Lady of St. Ignatius Church visited the Rye Beach amusement park, July 5. Miss Elaine Montalto of 69 Rim Lane, Anne Marie Morschner of Howard St., Anne and Madeline McGunnigle of 66 Park Ave., Eleanor Vojer of 19 East Cherry St., Joan Lauck of 36 West John St., Phyllis Kowalski of 89 Notre Dame Ave., Marguerite Donovan of 183 West Marie St. and Sally Fee of 101 East St. were among the group.

JUDY'S JOTTINGS:

Our Gang Celebrates Holiday

By JUDY DE JONGH
Hicksville 4-1813

The friends and neighbors from Benjamin Ave celebrated the Fourth of July with a bang-up old fashioned block party. With the street decorated with ornamental lights, and a public address system set up for dancing, Our Gang enjoyed themselves to the fullest acting as chefs at the barbecue for franks and hamburgers, and taking turns at the spigot. Reveling at the excuse for a pleasant get-together were the Charles Grahams, Fred Schaffs, Bill Krasko, Angelo La Mannas, Joe Glembockis, Art Nagela, Bob Buonus, Art Scherriffs, Medard Ofenlochs, Angelo Carbones, Herb Dreschers, and the Herman Apollonios.

Congratulations to Ruth Stone of 18 Mead Ave. who last week won a large food freezer in a contest sponsored by the Kellogg Farm Food Plan.

The Hicksville Lion's Club is sponsoring a used tire collection drive during the month of August which has been designated as "Tire Collection Month", according to Pres. J. Gordon Ulmer. Anyone who has an old shoe or two can bring them to their Sunoco Service Station on Old Country Road near the Alibi Restaurant or their local gas station. The tires will be turned over to the

blind who will make door mats from them.

Yours truly and spouse attended a back yard party on July Fourth at the home of Mr. and Mrs. Gil Johnson of East Meadow. Cold cuts, highballs, and assorted salads assured a success of the affair, with dancing on the Johnson terrace.

Happy Birthday to Art Scherriff of 78 Benjamin Ave. who claimed 21 years on the 8th of July.

On Sunday July 12th at 2:30 P.M. at Ignatius Church, Kenneth Wecht of 8 Mead Ave. attended his own christening. The god parents were Mr. and Mrs. Alfred Rectmann of Flushing. A back yard party followed the big event, and a buffet supper was served.

The list of guests included, Mr. and Mrs. Jim Caulfield and Mr. and Mrs. Jim Woodford both of Hicksville, Mr. and Mrs. Bradford and son, John of Williston Park, Mr. and Mrs. George Peterman of Massapequa Park, Mr. and Mrs. Hugh Conboy of Carl Place, Mr. and Mrs. Norman Schulberg of Bethpage, Mr. and Mrs. Louis Heij of Glendale, Queens, Mr. and Mrs. George Lambie of Brooklyn, Mr. and Mrs. Henry Boehr of Plainview, Mr. and Mrs. Harold Sullivan of Roxbury, August Wecht of Brooklyn, Mario Russo of Brooklyn.

Mr. and Mrs. George Dalton and son, Matthew, of 386 South Oyster Bay Rd., Hicksville, have returned from a 2-week vacation in Florida.

ALONG WOODBURY ROAD:

Hawaiian Recipe and Houdini

BY MAY MALJEAN
Hicksville 3-5515

Well I guess I'll stop picking Japanese Beetles long enough to start picking on the typewriter keys. This week your reporter was on Ketcham Ave. chatting with some friends, and as usual, asked if anything were new. "Not much goes on here," was the reply. Later, they asked me if I had seen the fire they had on Monday. It seems that the wheat field was set afire by some children on Monday, and promptly extinguished by our efficient vamps.

Pat Young dropped by—and told us that she couldn't think of any news for us to print about her street. (Moeller St.) We asked her how she was, and she told us that she was feeling much better. Since we didn't see her in some time we asked her what she meant. It seems she fell down the cellar stairs in an attempt to save her baby, who was falling. Thank goodness the police

escorted her to Meadowbrook Hospital in time.

From now on I think I'll ask "What isn't new?"

Robert Mooney, Henry Landau, Jimmie Surless and Denton Tellman were guests at Kenney Roth's birthday party on July 7th. Kenney's broken arm is healing, and he says it doesn't bother him. He lives on Ketcham Ave. and is seven years old, now.

Another birthday party next door was that of Helea Branham. Eleanor Carter held the party and invited Rosalie Leary, Anne Becker, Gladys Blaser, Eve Roth, Mrs. Novak, Eleanor's mother. They took pictures and had a wonderful time. Happy birthday Helen.

In case you wondered what all that banging was on July Fourth, it was Mr. and Mrs. Bode's roof being raised. Mr. Bode and some friends constructed a tremendous shed dormer. My husband had a chance to see it from inside, and it transforms the attic so completely, that it doesn't seem anything like the original one.

Happy double birthday to Barbara Rowahl, 6 years old—and Jeffrey Rowahl, 2 years old. These youngsters had a party attended by Kathy, Maureen, and Larry Kennedy, Gene and Duane Michaels, Susan Saunders, and Ferni Fisher. The party was held on the lawn.

Carol Rowahl's parents, Mr. and Mrs. Henry J. Rayman are residents of Jackson Heights, and are enjoying themselves at the home of Mr. and Mrs. Rowahl, of Wood-

bury Manor, for two weeks.

Didja know that Woodbury Gardens' boys are getting together each week to play ball at Fulton and Miller Rd? I noticed a number of fathers there, too. Jim Surless, one of the very active neighbors, is largely responsible for the huge turnout. We hope to see the plan go thru for a game between the fathers and children. Knock on Jim's door if you're feeling athletic.

SOILMIN is the recipe for this week. In case you are wondering what kind of recipe this is—Eve Roth's sister, who resides in Hawaii, says it is a native dish.

"Soilmin" translated means "pork and noodles"

1 box extra thin noodles. 1-2 pork chops. 3 beef or chicken bouillon cubes. Green onions. Black pepper. Soya sauce. 2 eggs (hard boiled) sliced in strips. Slice pork chops fine. Fry til brown in small amount of fat. Add one cup of water, 1 tbl soya sauce, 1 bouillon cube, chopped green onion, and a dash of black pepper. Cook this for five minutes (keep hot). Serve this mixture over 3/4 package noodles cooked in boiling water to which 2 bouillon cubes have been added. Do not drain noodles. Serve in individual soup bowls, first noodles—then pour some of liquid in which cooked—over noodles. Top with pork mixture and strip of egg. Add soya sauce to taste. Serve immediately, or noodles get soggy.

Who did the proposing in your marriage? And under what circumstances did this party propose? That's the Question of the Week this time, and I'm looking forward to the answers, so phone or write your answer.

My aunt, Wahdia Gorla, went to visit our cousin, Eduard Ghorra (Continued on Page 88)

COME TO TEEN CANTEEN:

Hawaiian Business this Night

Hi kids, here's the latest info on your Teen Canteen coming and going for last week and next. "Sweet Ielani, heavenly flower" will be the theme song for this week's dance on Thursday, July 16, at Levittown Hall. Only it's not really going to be in the Hall at all. We'll dance out under the stars in the Pavilion which will be decorated in tropical fashion for our first Hawaiian Night spectacle.

The girls and fellows will be regaled with flower leis, Hawaiian hulas and rumor has it, some cool-scouter will be down to do an authentic Hawaiian sword-dance. Add to this, sweet island songs and it comes up as quite an evening. Better come down and see. Remember it's outdoors. So wear your warmest glad-rags for the "coolest" evening you'll have in a long time.

Last week's dance was held out of doors too. And it was terrific. Never saw so many people. Nearly 250 young folks, some cute soldiers and sailors too, showed up and most of them danced their feet off. Thanks to Ed Seaford, who nursed the juke-box along all evening, we did everything from the South American samba to the Brooklyn lindy. It was a real international evening. We even had

a contingent of Italian students who turned up. At first they looked askance at our American dances but by the end of the night they were trying the five steps too. An impromptu songfest and the cakes donated by the teen-ager mothers and Peter Pan Bakery topped off a gala affair.

Add info on last week: Our Board of Directors issued a statement which I know will interest all the teen-agers. It's about what the Canteen is doing and why. That's why I'm going to include it in my column this week. Here it is: "Teen Canteen is an organization established to provide and promote additional recreational opportunities for all youth residing in School District 17. We feel that the Hicksville Board of Education has provided a very fine summer program that the activities of Teen Canteen will augment the social aspect for the older youth.

"We feel that the community recognizes the need for such a program for its teen-agers and that it is good groundwork for a permanent program which will be essential when our teen-age population is in greater proportion a few years hence.

"One of our goals is financial independence. The generous response of the local merchants and cooperation of the teen-agers and their parents proves that the Canteen will be enabled to remain financially self-sufficient. We also want to express our gratitude for the use of Levittown Hall, St. Ignatius church for their cooperation, the owners of Levitt homes who donated \$100 from the pool tag surplus and the NLHOA for their help.

"We wish to stress that Teen Canteen is non-sectional. All teen-agers and adults in the community wishing to participate are welcome. Parents wishing to work-

HERALD READER OPINIONS

Letter to Editor

Trying to Halt Incorporation To Centralize County Control

To the Editor—

It seems to me that the pamphlet recently distributed by the opponents of incorporation is designed to mislead the people of Hicksville into thinking that our present form of Town Government is more satisfactory than would be the case if we were incorporated.

It is no secret that the gentleman who heads the small list of notables who oppose incorporation was for a long time a member of the Zoning Board of Appeals of the Township of Oyster Bay. It must, therefore, be assumed that he was largely responsible for the many zoning changes that took place in Hicksville during his tenure in office. Those changes, which have resulted in the construction of innumerable gas stations—while only one small parking field was provided—are largely responsible for the serious traffic and parking problems which exist today in Hicksville. Today's shopper or commuter knows full well that all the smooth talk about the "benefits" we receive from Town Government is just a lot of political hot-wash. They know how difficult it is to find a space for parking and no amount of verbal assurance received

from our Township officials or our so-called opponents of incorporation can alleviate the conditions we face today. What we require is less political oratory and more decisive action.

Upon studying the pamphlet issued by the opponents of incorporation, one passage in particular interests me greatly. That is the part devoted to zoning and the contention by our friends that a village incorporated today has no control over zoning. The opponents have taken out of context a statement made by the Incorporation Committee which logically sets forth the reasons why we need incorporation to get action on "gas station control", "spot zoning", etc. It was implied by the opponents that under incorporation we would "have no such local control over those matters." Are they unwilling to admit that our Township Board would have to think twice and maybe three times before effecting zoning changes in an incorporated Hicksville? Should proposed zoning changes be opposed by our Village Board, who would be elected authority to represent 80,000 residents, would not our Township officials accede to their wishes? I

would consider it political folly for them not to and I believe even the opponents will agree to that. Considering this, would we not exercise far more control over zoning than we do now? I think we would.

In line with the opponents' arguments against incorporation, it is important that we take serious note of the following passage in their pamphlet which has reference to County jurisdiction over our affairs and well being. On referring to the charter form of government which was adopted by the County of Nassau in 1938 it states:

"There have been no villages incorporated in the County of Nassau since the adoption of the charter form of government caused by the phenomenal growth of the County, was based fundamentally on the recognition that progress in Nassau County demanded a more comprehensive scheme for the conduct of public affairs than that existing in the multiplication of relatively independent communities."

Also further down in the pamphlet it is said that:

"Under the charter form of government, it was also found expedient to curtail the incorporation of villages by precluding them from exercising any zoning powers."

What does the above mean? It can only mean that what we have heard about centralization of government in Washington is happening right here in Nassau County. What else could it mean? The County, since 1938, has admitted taking over many of the functions that formerly belonged to municipalities. As is stated above, it was "found expedient to curtail the incorporation of villages by precluding them from exercising zoning powers." This is a convenient way of saying that the County opposes the creation of new incorporated areas to further their own ambition of creating a City of Nassau. They know full well that if a village becomes incorporated it is all the more difficult for them to exercise control over it. Knowing this, it is small wonder that our opponents feel the way they do? The majority of them are leading figures in our Republican form of government in Nassau County and they seem only to be following the line laid down in the 1938 County Charter.

Considering the above it might be prudent for the opponents of incorporation who exercise considerable influence in Nassau County to remember what happened in Washington when centralization of government became a major issue. It could happen here!

The SENTINEL

What is the Real Reason?

The real reason for some people opposing incorporation and home rule for Hicksville seems to have come to light at last.

Is It Taxes?

Is it the cost of home rule? Seems not, because tax dollar for tax dollar the incorporated villages of Nassau County get as much as Hicksville does, and frequently more. Argument about the costs of local government can go on for many moons with the "we can do it cheaper" opponents of incorporation faring, certainly no better, and quite probably worse than those favoring home rule. Important as it is, the cost of home rule doesn't seem to be the real reason for opposing incorporation.

Is It Zoning?

Is zoning control of Hicksville an issue? Not as far as we can see. As much as we deplore the control of zoning by a group that has only a politician's interest in Hicksville, it doesn't seem to be an issue in fighting incorporation.

Is It Roads And Drainage?

How about the road and our drainage problems? Are they a factor? Insofar as road and drainage takes part of the tax dollar, they could be. But as mentioned above, taxes don't seem to be the real answer. Then neither are roads and drainage the real answer to the opposition to Hicksville settling its own local problems.

Can It Be The Schools?

Schools? No, it can't be the schools. However, some of the points raised by the anti-home rule people might, if anyone should take them at their face value, seem to indicate that the School Board would operate at a disadvantage when Hicksville is incorporated. Let's examine two of these points.

School Bond Interest Rates

The first point is that school districts of incorporated villages have to pay a higher rate of interest on their bonds. It seems like this is so much marley. Here's why. When the interest rate obtainable from commercial sources gets too high, the State of New York steps in and purchase the school bonds to give the school district a reasonable interest rate. It has just done so in the case of Union Free School District No. 5 of Hempstead township, located in Levittown.

A circular of the Government Statistical Corp. (Mr. Frederick Tilney, Jr., President) says, "The State of New York has taken and will continue to take up a substantial portion of the debt load of the district until such time as the economics of the area will permit the full load to be borne by the local taxpayers."

In case we are told that this applies only to unincorporated areas, let's put this one in the record, too. On June 23 the state offered to purchase at par the school bonds of the School District of the City of Long Beach. It is done for unincorporated area school districts and it is done for city school districts. Incorporated villages being in the middle of the range of local government will undoubtedly also be able to take advantage of this procedure. Any questions?

Hicksville School Bond Bids Due

While we're on the subject of school bonds, the Hicksville School Board was scheduled to take bids yesterday, (July 15,) for a \$1,080,000 bond issue.

The County and The School Tax

The second school tax point raised as detrimental to the school district in an incorporated Hicksville is that Nassau County underwrites the collection of school taxes. At first glance, this might seem to have some weight. But let's look it over. Where's the gimmick?

Suppose the Long Island Railroad doesn't pay the taxes on its \$406,480.00 of assessed valuation in Hicksville. All right the County does step in and pay those taxes. All very nice. But where do you suppose the County gets the money to pay these taxes for the railroad? The answer is, of course, very obvious. From the taxpayers—you and me, and the next door neighbor—and every other taxpayer in Hicksville. Sure, and from all the other taxpayers in Nassau County, but it all comes out even. The Long Island Railroad neglects to pay its taxes in all areas of Nassau County, and all school districts have their share of unpaid taxes.

The simple truth is that we make up for any unpaid school tax, or any other unpaid tax, ourselves, right here in Hicksville. Whether the part of our taxes, which make up for unpaid school taxes, goes from Hicksville to Oyster Bay to Mineola and back to Hicksville, or stays in Hicksville all the time, makes no basic difference. And when it does go through Oyster Bay and Mineola before it gets back here, some of it is bound to rub off. After all, it costs money to handle money. Looks like it would be better if we did our own handling in this case.

How About the Fire District?

Here is one point on which we can all agree. The Fire District is an outstanding example of home rule.

The Split

Many columns have been devoted to "The Split" and it most definitely is a factor in seeking home rule for Hicksville, but only as part of the real reason for opposition.

The opposers of home rule say "The truth of the matter is that the Hicksville Park and Parking District absolutely has NOT been SPLIT or reduced in size in any way. . . ." Don't know why they make such a fuss over that. Nobody ever said it was.

They say many things with which we fully agree, but have no particular bearing on the problem of the Split.

To be very brief about it—and after all, this has been covered many times in the past—the Split represents the very first case where it is possible to say, "That was the beginning of the end of Hicksville as a self-sufficient community". All the other service districts of Hicksville are identical in area, except for a minor extension of the water district to accommodate residents who could not be served by their own community. If this pattern of overlapping special service

PVT. WILLIAM MOESCH, son of Mr. and Mrs. F. Sohn of 37 E. Barclay St., Hicksville, is in basic training at Camp Polk, La. He has been assigned to headquarters Co., 2nd Bn., 148th Infantry Regiment of the Buckeye Division. Before entering service he attended Hicksville High School and was employed by Krossner Seed of Hicksville.

SGT. DONALD SMATLAK of 12 Harrison Ave., Hicksville, has arrived in Arabia for duty with the Arabian Oil Co. through the U.S. Air Force. He left last month from Camp Kilmer, N. J.

GASTON FORTIN should know about construction costs—he's been building fine homes since 1925.

We asked a builder...

"How much more do telephone buildings cost today?"

"Back in 1940," replied Gaston Fortin, "I could build two homes like this for what one costs today. My guess is that inflation has upped the cost of telephone buildings the same way."

Mr. Fortin hit it on the nose. The picture below tells the story. But this is only one example of how inflation has hit us.

THIS TELEPHONE BUILDING cost \$225,000 in 1940. Today the same amount of money would pay for only half of it. And this is just one example of how inflation affects our state-wide expansion and improvement program.

Cable, poles, trucks—everything we buy carries today's inflated price tags.

Yet to provide more service, and even better service, we're pushing right ahead with our big expansion and improvement program. Today's inflated costs have made it the most expensive we have ever undertaken. They have also shrunk the dollars we have set aside to replace telephone plant that wears out.

Everyone feels inflation. Your cost of living is up 89% since 1940. Our costs have soared, too. Yet during the same period, the average price of telephone service has increased only 15%—more for some, less for others, of course, depending on the type of service and the use made of it.

As a result, our expenses have increased at a faster rate than our revenues. Operating efficiencies and technical improvements have narrowed this gap, but they fall far short of closing it.

We think these facts speak for themselves—especially since telephone service today is better than ever before.

NEW YORK TELEPHONE COMPANY

THE SENTINEL

(Continued from Page 11)

districts is continued in the future, we will be faced with a hodge-podge of districts that would require a Philadelphia lawyer to keep straightened out. Do we want this, or do we want a nice simple, self-sufficient community in which to live? What is your choice?

State Aid and Mortgage Tax

State Aid and Mortgage Tax still don't appear to give the real reason of opposition to Hicksville local government. Each side claims the advantage. It's awfully hard to understand the "A's" and the "B's", etc. of the opposers' argument, and it would probably take that Philadelphia lawyer, plus an expert accountant to make it come out right. We've got to look further for the real reason.

Here It Is!

The real reason, it seems to us, lies in the policies of the politicians in power in the county, and in the charter form of government in vogue in Nassau County since 1938. Under Nassau County charter government the incorporation of villages, and therefore home rule, has been actively and quite effectively discouraged. It says in no many words on page 24 of the booklet prepared and distributed by Ernest F. Franke, Nassau County Clerk and political boss of Hicksville, and others who dislike home rule for Hicksville, the following, "Under the charter form of government, it was also found expedient to curtail the incorporation of villages by precluding them from exercising any zoning powers." Now how about that?

"Centralize" Is The Political Policy

Centralize the government in the county and take it away from the local communities is the policy of the politicians in power, according to everything we can see. They seem to want everything so they can run it from headquarters. They don't seem to want communities to settle their own affairs. They undoubtedly have their own reasons for this policy, but is it good for us, the people of Hicksville, and our pocket books?

Decentralization Is The Order of The Day

This policy of concentrating power in the county and the three townships (called towns in Nassau) is contrary to the best current thinking of the organization of any human endeavor, whether it be industrial, commercial, or governmental. Decentralization of power is the secret of success in any operation involving numbers of people. Each level of organization has functions over which it should properly have power. There are many things that can best be done by the county, just as there are many things best done by the state or the federal government. By the same token many functions of government can best be handled by local governments. A great number of governmental functions of Hicksville can best be handled by a local government made up of local citizens.

Incorporation Is Part of Decentralization

Incorporation of Hicksville, means the assumption of certain powers by a local government which it can best administer. If by any chance the cost of local government is higher than the present antique, remote control government from Oyster Bay—and we doubt it very seriously—it will be because the county government of strong, centralized government in Minnesota will make it that way. It has put every obstacle in the way of decentralized government by local communities. Zoning powers and police protection have apparently been removed from the functions of local government. Zoning powers was taken away in 1938 and police protection in 1950. What will be next? Perhaps it is time to do what we can to reverse this movement to strong, centralized power and get much of it back where it belongs, in the local community. Let's incorporate Hicksville without delay!

Watch For Others To Follow

Once Hicksville shows that it is possible to incorporate a village under the highly restrictive policies of Nassau County, watch for other communities to follow our leadership. Once we show the way, others are sure to follow.

'JUST WHAT THE DOCTOR ORDERED'

These are important words sometimes. A member of your family is ill. The doctor writes a prescription. It is vitally important that the prescription be filled with painstaking care—that you get, in all seriousness, just exactly what the doctor ordered.

And you know you will, from any registered professional pharmacist. Reliability—absolute dependability when you need it most—is the base on which everything else in our pharmacy rests. The foundation beneath the science, the long professional training and experience, the modern techniques . . . is integrity.

Depend on us the next time you have a prescription to be filled.

Card Party, Dance Set for Fall

By JAMES CUMMINGS

Our very active and capable entertainment committee submitted plans for a card party and a dance at the last monthly meeting of the NW Civic Assoc. The membership after a brief discussion quickly approved these plans and several committees were organized.

Mrs. Sue Schult was appointed to handle the card party, which will be held most likely at the Burns Ave School—date and time to be announced here at a later date. The Dance has been set for Sept. 26, at the Legion Hall on E. Nicholas St and has been confirmed by Guy Smith, House Chairman for the Legion. Everyone who has attended our affairs at the Legion know well that they can expect a good time—so plan to attend! If you have any suggestion regarding the card party contact Mrs. Schult—let's put this across in a big way.

LEGION CARNIVAL

The Charles Wagner Post of the American Legion has a carnival located practically in our backyard—that is—Bethpage Rd and North Broadway, so if you and the family have not visited the grounds as yet be sure and do so before Sunday, July 19th. Support your local American Legion.

BETWEEN ISSUES

We note the return of Mrs. Sevald Knudsen and son, Billy of 86 Kuhl Ave after a week's vacation with her parents, Mr. and Mrs. Stephen Tully at Boonville, N. Y. . . . A welcome home party for John Clouston brother of Mrs. Robinson of Jersey St., found the following guests present to welcome him back from Korea: Mr. and Mrs. William Engle, Sr., Lindenhurst; Mr. and Mrs. William Engle, Jr., Levittown; Mrs. Edward Hanley, Bellmore; Mrs. Mary Layton and son, Jerry, Floral Park; Mr. and Mrs. William Devlin, Lynbrook; Mr. and Mrs. Charles Caulfield, Lynbrook and neighbors Mr. and Mrs. Gus Johnson, Mr. and Mrs. Edward Zahora, Mr. and Mrs. James McLaughlin, Mr. and Mrs. Pat Hoffman, Mr. and Mrs. James Cummings, all of Myers Ave, and Mr. and Mrs. Pete Einemann of Indiana St, Mr. and Mrs. John Snackenberg, Brooklyn. . . .

My son Jimmy celebrated his 3rd birthday on July 2nd with a party for his friends, including:

Did you find it impossible to get reception on your TV set on last Friday evening around 7 P.M.? If you did it was due to Press Wireless busily contacting Frankfurt, Germany. . . . Former Pres. George McCarthy making the daily papers in the recent CD shakeup in Hicksville. George led the group in mass resignation of 20 men in the unit. This is only the beginning. . . . strangely enough, Charles Egninton, CD head who is said to have tried to give the lads a rough time is also listed on the anti-incorporation committee in their recent booklet. . . .

Bill and Ina Cutler driving their new sharp Hudson—let around—lots of mileage. . . . Interesting to note that several signatures on the Home Rule vote come from the newer homes between Myers and Burns, now receiving the HERALD. . . . Signatures well in excess of 90 percent of the NW Section have been tabulated in the final total, as petitions continue to roll in. . . .

PABST-HOFFMAN now has a new distribution branch, centrally located for Nassau retailers, at 65 W. Barclay St., Hicksville. William E. Koutensky, president of the L. I. National Bank, (third from left) welcomed the beverage company officials to their new quarters. Full cooperation with the Hicksville BMA Dollar Days, which start today and continue until Saturday, is being given

by Pabst-Hoffman. Left to right are John Brill, supervisor in charge of chain stores; Sam Vignone, sales manager of the new Hicksville Branch; Banker Koutensky, Michael McCabe, general sales manager of Pabst-Hoffman Beverage Co.; A. F. Trell, assistant sales manager, and James Duffy, New York sales manager for Pabst-Hoffman. (Herald photo by Frank Mallett).

Adolph Heierle

GREETINGS, WILHELMAS, KATHERINE JOHNSON who resides at 4506 Brown Street, Union City, New Jersey, has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 12th day of April, 1952 relating to both real and personal property duly proved as the Last Will and Testament of Emil Heierle, deceased, who was at the time of his death, a resident of 210 Pershing Avenue, Bethpage, in said County of Nassau, New York.

THEREFORE you and each of you, are cited to show cause before the SURROGATE'S COURT of our County of Nassau, at the Surrogate's Court, County Court House, at Mineola in the County of Nassau, on the 19th day of August, 1953, at ten o'clock in the forenoon of that day why the said Will and Testament should not be admitted to probate as a Will of real and personal property.

IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau, to be hereunto affixed.

SEAL
WITNESS, HON. GEORGE R. BRENNAN, Surrogate of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 25th day of June, one thousand nine hundred and fifty-three.
Samuel Marlon
Attorney for the Petitioner.

RICHMOND PARK: Civic Sponsor Ball Practices

BY MIRIAM GUIDO
LRS-6214
WELCOME TO SHUBERT LANE: Lou and Harry Murray and daughter, Christine, at number 9, Florence and Bob Davis at 5. That makes three Davis' in the community, but it shouldn't be too confusing, only two of them are the Bob Davis.

There has been a great deal of comment on the condition of the "park" which the builder put aside for the Richmond Park section. The builder leveled off the area, but it has never been seeded or otherwise improved. Since the land has not been dedicated to the township, Oyster Bay cannot make a real park out of it at the present time. Everyone concerned has great hopes and plans for the future, though.

One of the things for which the park is now being used is the baseball practice sessions three evenings a week, sponsored by the Richmond Park Civic Assoc. Art Shoben, assisted by Dick Guido has done wonders with the boys. Children who couldn't hold a bat or catch a ball, are sliding into bases and hitting balls to the outfield. Art is in the process of picking a first team and hopes to arrange games with the farm teams of the Plainfield Little League in the near future. You dads with incipient pots, should help Art work out and at the same time train your children in the great American pastime.

What with Japanese beetles, flies and whatnot, we take great care to protect ourselves from insects, but did you know that you have to protect yourself from flowers? Anita Steinberg of Dennis Lane found that out when a spike of gladiolus poked her in the eye. There was one consolation, however, she looked very dashing in the bandage and blindfold.

The Guido twins, Dicky and Bobby, spent their ninth birthday, July 4th, at Yankee Stadium watching— you guessed it— a double header.

Miss Linda Cowen of Kansas City, Missouri, is a house guest of Jimmy and Maxine Sinderson.

They were hosts of a bathrobed children dinner held outdoors, attended by Mr. and Mrs. William Merigan, Mr. and Mrs. James Kaglari, and Mr. and Mrs. Curtis Purnell. Jimmy claims that the new-urine blue and ivory mist paint job shamed his motor into behaving like a new car.

Last week Nancy and Tom Keller, with Tommy, Jerry and Larry, left for a month's stay in Minnesota. All the space cadets in the neighborhood are waiting to see how Tommy likes flying in a Strata-cruiser.

Dr. and Mrs. Daniel Halpern of Riverdale, with Nicky and Teddy, spent four days at the Schoenfields. Bob and Helena will leave next Friday for Vermont, where they plan to vacation for nine days.

Johnny and Florence Getz are relaxing at Rose Haven, Acre, New York.

Mrs. Bebbi Salkowitz is mountaineering in Massachusetts.

Firemen Making Fund Drive

BY DOROTHY GUELLA
Hicksville 4-3577

The Bethpage Fire Dept. is completing its annual fund drive this week in a house-to-house canvass of the community. A receipt for the donations will serve as a ticket for the donor and family to the firemen's Block Dance to be held Saturday, Aug. 29, at the firehouse. In case of rain the dance will be held on Sept. 5. Refreshments will be served.

During these warm summer days vacations, short trips out of state, clam bakes and visitors to your home are numerous and are of interest to your friends and neighbors. A report on such events will appear in this column if you will call your reporter at the above number.

The start of the L. I. Open Golf Tournament at the Meadowbrook Club gave me a thrill and takes me back about 15 years when my uncle, Willie Klein, Wheatley Hills golf pro, led the field in the opening round with a 69—one under par. His good fortune left him in the next few rounds and he ended up with a

227 behind Al Brosch's 212. My uncle had been the winner of the first L. I. Open in 1922 and 1923 and many are the news clippings and pictures I've saved in the intervening years. I howled when a reporter called the winner AL BROSCH, trying to picture Al with sour cream heaped on his red hair.

Miss Mary Frances Falkowski, daughter of Mr. and Mrs. George Falkowski of Melville, became the bride of Herman Peter Michaels, son of Mr. and Mrs. William Michaels of Barbara St., Bethpage, Sunday, June 28, at St. Kilian's R. C. Church, Farmingdale. The newlyweds plan to make their home in Huntington Station.

Four new members were welcomed to the Butternut VFW Auxiliary of Bethpage at a meeting held on July 6. The new members are: Dorothy Fuori, Virginia Bulling, Dorothy Casey and Bernice Guthrie.

MISS CODY ENGAGED

Mr. and Mrs. Thomas Cody, of Dorchester Mass. announce the engagement of their daughter, Miss Mary Elizabeth Cody, to James Fraul Walton, son of Mr. and Mrs. Harry V. Walton of 11 Caroline Avenue, Bethpage.

Miss Cody is a graduate of Emmanuel College, Boston, and the management training program of Radcliff College, Cambridge, Mass. Mr. Walton served three years in the United States Navy, is a graduate of Farmingdale High School, and of the school of Chemical Engineering of Rensselaer Polytechnic Institute of Troy, N. Y. Plans are under way for an early fall wedding. The couple plan to make their home in Naugatuck, Conn., where both are employed by the United States Rubber company.

BITTEN BY DOG

BETHPAGE—Roberta Solomon, 7, of 8 Willy Rd. was bitten on the left hand on July 7 while playing in the rear yard of 40 Woodcrest Rd., police reported.

BITTEN ON LEG

BETHPAGE—Richard McCarthy, 7, of 93 E. Marie St., Hicksville, was bitten in the left leg on July 10 as the child was playing in the front yard of the William Tentele home at 6 Leslie Rd., police reported.

HICKSVILLE—A workman on the Allied Home development fractured a rib on the job July 8. Demian Matyuk of 44 Silver St., Elmont, was working at Jerusalem Ave. and Salem Gate. He was taken to Meadowbrook Hospital in a private car.

Perniciaro New Treasurer As Munday Resigns Post

BETHPAGE—Peter Perniciaro of 12 Maple Ave. was appointed treasurer of the Bethpage School Board during the annual re-organization meeting last week. He succeeds Walter Munday who resigned because of the burden of extra work in the growing school district. Mr. Munday leaves after 15 years of service with the district.

Mr. Perniciaro has been a resident of Bethpage for the past 24 years and attended the Bethpage School.

Frederick Kramer of Concord Ave. was re-elected president of

the Board at the re-organization meeting. Joseph Ellinger was re-elected vice-president. Mrs. Evelyn Auer is the district clerk. Other members of the board are Peter Curcio, Charles Campagne, and Thomas Rossi.

The census of the district will be taken this summer by Mrs. Marion Marrone, Mrs. Eileen Amandola, Mrs. Josephine Smith and Mrs Mildred Braumann.

Start Parochial School in Sept.

BETHPAGE—Construction on the new parochial school for St. Martin of Tours R. C. Church will start in September, it was announced by the Rev. Michael Hartigan, pastor, Sunday. The school will be built adjacent to the present church edifice.

consulate for Lebanon in Australia. She took her car along, and while in Australia sold it for the prevalent high price for better American cars. This paid for most of her trip. She went on to Italy, Paris, and Lebanon.
I see where they are making a film on the life of Houdini. A friend of mine, Mrs. Elsa Kahn, had the pleasure of working for the great man as his assistant. This was many years ago. She retired after an accident. Houdini and Mrs. Kahn were at an airport on the occasion of a reception for Mayor Jimmie Walker. They were doing an act with fire, each juggling two torches, and eating fire. This is an act that requires complete control of the flames at all times. The breeze from a propeller blew flames all over her causing her to catch fire. The audience thought this was part of the show and consequently didn't attempt to save her. Houdini wrapped her in a blanket, but she was severely burned. It is typical of show people to make another start, bouncing back from misfortune.
She was down in Florida with a circus, at one time, when Florida hurricanes washed away her new home and all of her belongings. She

came back to start a new act which consisted of being buried alive for days. She was also buried underwater in the same manner. An aerial act was in her repertoire, in which she swung by her teeth at the top of a theater, over the audience. What a dull life.

1,100 Start Accounts As Central Savings Opens

HICKSVILLE—More than 1,100 residents of the mid-Island area opened accounts during the opening week of the Central Federal Savings and Loan Assoc. of Nassau County office at 250 South Broadway. Their deposits totalled almost a quarter million dollars, according to Vance Carnahan, executive secretary.

"Central Federal established its office here to help the homeowners of the area practice thrift in a safe and profitable manner and to help them have better homes through sound mortgages and modernization loans", Carnahan stated. "We are Hicksville's only 2 1/2 percent savings institution and are delighted with the response of the community to the opening of our facilities here." He added that Central Federal as of June 30 of this year had resources of \$10,118,873 and reserves of \$564,705. It was organized in 1937.

"Central Federal Savings is indebted to all the people of Hicksville area who made our opening week so tremendously successful. We will do all in our power to merit their confidence. We thank them, one and all, and cordially invite them to feel free to consult with us at any time on their mortgage and home modernization problems."

SATURDAY was veterans' night with the winner of the Rotisserie grill announced as Max Zuckerman of 15 Ontario St., Plainview. Present to officiate were Al Hanlon of the VFW Post, Frank Kern of the American Legion Post and Sidney Kaphan of the Jewish War Veterans. Commander Kaphan also picked out the winner of the grand prize, a freezer, won by Mrs. Ruth Kiernan of 144 Cottage Blvd., Hicksville.

WEDNESDAY saw the Lions Club officials out in force to select Emily Goodman of 41 Garden Blvd., Hicksville, as winner of the alarm clock radio. Club members taking part were, left to right, Fred Krause, Secty. Kenneth DeJohngh, President J. Gordon Ulmer,

Myron Sausmer, Vince W. Braun, Robert Ludeman, Dr. Jack W. Weber, James M. Bell, Howard Heberer, Gerard Braun and Sam Weiss. (All photos on this page by Frank Mallett).

THURSDAY was Levittown night as the Exchange Club took charge to select the winner of the outdoor grill won by Wm. Bosch of 343 Nicholas St., Hicksville. Left to right are Robert E. Abrams, club president, and Dr. William X. LaMar, both of the Exchange, assisted by Mary A. White of 43 Picture Lane, Hicksville.

PROFESSOR **LEONARD RISTOW** for his second, Harry Ristow of the Professionals tossed his third no-hit no-run game on July 8th to whitewash the Greater Nassau Sox 7-0 at Salisbury Field. Ristow pitched on 18 batters over the six inning contest to account for all his team's put-outs, and in doing so enabled the Pros to maintain their slim one game lead over the O'Donnell Movers in the tight Northwest Little League pennant race.

JUST ANOTHER STANZA

We have a solution for all math teachers who are finding it difficult to get across to their pupils the Law of Diminishing Returns.

Just get the class together some evening and proceed down to the Jones Beach stadium. It is there that one finds that where things are supposed to add they more often subtract.

It was the second inning of the Levittown-Botto clash that proved it for us.

Teddy Smith was still pitching. The first batter reached base. First baseman Herman Rigby attempted to pull the hidden ball trick.

He has worked this little pressure reliever three times in ASA ball and it has worked.

Teddy Smith was in on two of them and knew full well that Rigby had the ball.

The Botto first sacker walked over to the base and asked the runner to step off.

He did. Rigby tagged him out.

The umpire waved the runner out.

A storm developed.

Everyone poured out of the Levittown dugout and protested.

It is the kind of a needle that causes such reaction. At first the umpire insisted the man was out.

About five minutes later the plate umpire and the first base umpire got their heads together and the runner was awarded second base on the grounds that Smith had committed a balk.

Smith—pitching for many years and knowing full well the rules on a balk—became white with anger, but Botto players prevented a long argument and the game resumed.

The runner eventually scored and the out that wasn't added got in an extra important swing for Levittown.

Seniors Retain Unbeaten Status

Behind a fine performance by hurler Richie Hogan, the Hicksville senior club of the Police Boys Club baseball league continued unbeaten at the expense of North Merrick. 11 Hits by Kollar, Sherry, Dyceman, Knipping and a whistling triple by outfielder Walt Kalsch saved the way for the local's fourth win in as many starts.

The Hawks of the Junior PBC Division likewise continue to set the pace with only the Bethpage Bears looming as a serious contender for the title honors.

Botto Splits, Still in Top Four

JONES BEACH—Levittown AA topped Botto 4-3, here in the Stadium last week, but the Black and White recovered to take Hempstead PBC 6-2, Sunday, to remain in contention for a playoff berth.

Joe Smith had it in every crisis and botto very definitely did not as the AA scored two runs in the top of the last frame to win the decision.

George Fowler opened the last of the seventh with a tremendous home run to deep rightfield to close the gap but the weakness of the Botto bench was apparent as the rally was nipped.

Herman Rigby laced a single after Fowler's homer and Smith walked Ed Coleman.

Jerry Kiesel's bunt to move the runners along was defeated when Rigby was forced at third and the next two batters went out waving at the ball.

Bill Bordinuk took the loss for Hicksville and once again was the

victim of outrageous support. Four errors were committed behind him in the field.

He replaced Ted Smith in the third who was hurt in a collision at first base.

Hempstead sought a tie for fourth place—the last playoff berth—Sunday but Jim Barone worked effectively in pitching Botto to an easy win.

Ted Smith Improving

HICKSVILLE—Pitcher Ted Smith of Botto Bros team suffered a severe sprain of the right ankle in the firstbase crash at Jones Beach and has improved enough, to return to work at Republic Aviation.

It will be considerable time before he will be able to pitch again for the sprain was so bad that his foot had to be put in a cast at Meadowbrook Hospital four hours after the accident.

A crowd of 1,400 persons sat in silence while Ted was removed from the field by an ambulance of the Long Island State Park Commission.

Beach authorities responded swiftly when the emergency arose and had medical care at the stadium almost immediately.

After receiving first aid treatment Ted returned to the stadium and started home with friends. The swelling increased so greatly, however, that his family physician ordered him to the hospital.

If They Could Only Put 'Em Together!

HICKSVILLE—Batting averages of the Botto Brothers team at the halfway point in its 1953 campaign released, exclusively to the Herald this week are as follows:

Name	AB	Hits	Ave.
Ken Sommers	30	15	.500
Jim Barone	11	4	.364
Jack McCrosson	32	11	.342

Legion Edges Lynbrook 3-2

HICKSVILLE—The Charles Wagner Legion Post junior baseball team defeated Lynbrook, 3-2, here in a league test, Friday night.

The win was the third for the victors as against two losses and two ties. Hempstead stands head and shoulders above the field in the first half race with a mark of 6-0. Lynbrook is the defending champion of the loop but has the picture clearly etched that it must push aside to make it three straight pennants.

Tom Valentine turned in the workmanlike job for Hicksville. He allowed only four hits, walked three and struck out eight.
