**PLAINVIEW**—The ban on home irrigation and outdoor use of water for the water district, imposed early in July with fines for violators, was lifted by the Board of Commissioners as of Wednesday, Aug. 12, according to John Trask, superintendent of the water district. The Board asked the continued cooperation of home owners and other water consumers in conserving water whenever the supply and pressure declines.

## Board To Offer Vote On Signs

Present for the civics were President Herbert Johnson, Patrick Boland and James Cummings.

## Teen Canteen Adults To Meet

**HICKSVILLE**—An open meeting for all adults interested in establishing Teen Canteen on a broader and more permanent basis is scheduled for next Monday evening, Aug. 17, 8:30 at the school.

Originally planned to provide weekly chaperoned dances for youngsters in the School District during the summer months, the program of Teen Canteen is meeting with overwhelming success. More than 1700 teen agers have attended a series of eight dances.

Among the activities the Canteen plans to sponsor in the coming weeks is a dance at the VFW hall on Grand Ave Hicksville Thursday, Aug. 21, and an excursion to see "A Night in Venice" at Jones Beach Thursday, Sept. 5. Tickets for the Jones Beach affair, which will cost one dollar including transportation and admission, will be sold at the weekly dances.

Fencing of the area and erection of the judges arch over the roadway will be among the final installations, Jeanson said. All members are being asked to report Sunday morning at 9 o'clock.

## Flower St Objects To Business And Cites Youthful Population

**OYSTER BAY**—Residents of Flower St., Hicksville, presented a petition in objection to a proposed zone change on Old Country Rd., Hicksville, before a public hearing of the Town Board in Town Hall here Tuesday morning.

Joseph Dockow had asked the Board to rezone the residential property on Old Country Rd. at Newbridge Rd. which is backed by Flower St. to a business zone. He said the property will be used to establish a shrubbery and nursery business and an office. Dockow said he'd like to also build an office for himself on the property.

Joseph Axler of 163-19 Jamaica Ave., Jamaica, representing the residents of Flower St. said that there are 27 children under the age of 14 on Flower St and that the proposed business use would increase the traffic hazards. He said the residents did not object to the Old Country Rd. zone change but are opposed to making any part of residential Flower St a "business zone."

Dockow said it would not be necessary to rezone the Flower St part of the property. The Board reserved decision on the case.

## MYSTERIOUS TELEPHONE CALLS-

# 'Breather' Terrifies Housewives

"The Breather", who may be a practical joker, a child or someone with more sinister motives, is alarming housewives in the north east section of Hicksville, the Herald learned this morning.

The dial telephone is being used by "The Breather" and the fact that dial equipment was recently put into service in the Hicksville exchanges makes it difficult for the telephone company to provide relief.

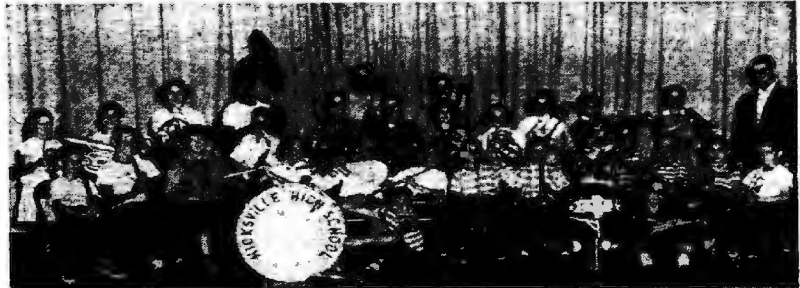

"We know it is very annoying but there isn't very much we can do about it with dial equipment", a phone company official told a customer who complained.

The mystery calls began on Sunday and have continued almost daily since. One woman received four calls of this kind on Tuesday, more on Wednesday and the experience has almost unnerved her.

The phone rings and when it is answered, a person can be heard

breathing heavily but does not speak. Then the connection is broken.

The police have suggested the matter be taken up with the telephone company and the utility says it can do nothing unless the experience persists. Only then, with police cooperation and special telephone equipment, can an attempt be made to trace the source of the calls from "The Breather."

# Mid Island Shopping Plaza 'Miracle Mile' Sans Traffic

**OYSTER BAY**—The 25 million dollar shopping center on North Broadway, Hicksville, (formerly St. John's Home property) will be a "Miracle Mile" without the traffic hazards of Manhasset's Miracle Mile, it was revealed at a public hearing of the Town Board as the Stackler and Frank Builders asked the Board Tuesday morning for an additional area of business property for the shopping center.

Attorney for the developers Robert Richtner showed the Board elaborate sketches and aerial views of the proposed shopping center which has been revised and improved since plans for its construction was first announced last year.

Richtner said that a major department store will be the center of regional shopping area, an entirely new design for shopping areas. He said the multi-million dollar project will benefit the community of Hicksville, both economically and socially, as every consideration has been given to (Continued on Page 7)

## Six GOP Contests

**MINEOLA**—Opposition to incumbent Republican committee seeking re-election, taken by many political observers as a move to challenge the GOP leadership of County Clerk Ernest F. Francke in Hicksville, became a fact late Tuesday as the unheard of competition for six committeemen positions became official.

Designating petitions for the Primary Elections on Sept. 15 have been filed with the Board of Elections for candidates in the 16th, 41st, 44th, and 47th election districts, all in Hicksville.

The following Hicksville GOP contests are in prospect:  
16th District—John J. Finnegan

of 82 Kuhl Ave. and Sofia Schult of 32 Indiana St. are the new candidates. Incumbent committeemen are Clifford Place and Leroy Wells.

41st District—Robert D. Eaton of 225 Lee Ave. and Leon D. Parker of 15 Fairview Court are the new candidates. Old timers being opposed are William Reichert and Andrew B. Heberer.

44th District—John F. Larkin of 15 Nevada St. is seeking election. Incumbents are John Jeanson and Stanford Wiess.

47th District—Florence Duffy Vryn of 10 Rising Lane is a new candidate. Incumbents are Louis Kappstatter and Nelson Baldwin.

Forecasting the possibility of contests, Political Columnist Fred Clausen wrote recently in the L.I. Daily Press "while the incorporation movement and the newly whispered drive to unseat Ernest F. (Continued on Page 7)

## Landia Becomes Jericho Hills

**OYSTER BAY**—The name of the new development in Jericho formerly known as Landia has been changed to Jericho Hills by the Gross Morton Builders, it was announced at a public hearing before the Town Board here Tuesday morning.

Attorney for the builders, Howard T. Hogan, asked the Board for relief for the builders in order that they might build new homes on 197 acres south of Jericho Tpke. on each side of Hicksville-Jericho Rd.

Hogan said that the builders have had harmonious meetings with the Jericho Civic Assoc., Board of Education, Water District and Fire District. They have sold 15 acres to the School Board at condemnation prices and one acre to the Fire District.

Willets Underhill of the Board of Education told the Board that he believed the negotiations will be a fair solution. Underhill said that

the Taxpayers Assoc. has been concerned with the area for the past five years and feel strongly that Gross Morton are the builders to develop the land.

## Plainview Tax Rate Cut 40%

**Plainview**—A 40-cent reduction in the school tax rate here for 1954, dropping from the county-wide high of \$3.57 per \$100 to \$3.165, was announced by the School Board this week with the warning that the tax relief will probably only be temporary. Unanticipated emergency state financial assistance has brought the rate down but with new school construction underway and more needed, the rate can be expected to soar again after 1954, a spokesman said.

## Suffers Heart Attack

**HICKSVILLE**—A paperhanger suffered a heart attack while working at 14 Wildwood Rd. Tuesday, Aug. 11. David Shulman, 64, of Brooklyn was treated by Dr. Joseph LaPenner of 2 Essex La. and taken to Meadowbrook Hospital in a police ambulance.

# Industry Wants Bullet Factory

OYSTER BAY—A metal molding shop is planned on the north-west side of Duffy Ave., Hicksville, in the building formerly known as the "bullet factory", attorney Eugene Levitt for the Alumag Corp. told the Town Board in a public hearing here Tuesday morning. The corporation asked the Board to rezone the property from its present business to industrial use. Levitt explained to the Board that the property is near Pollak fertilizer company and near the "town dump". Supervisor Charles E. Ransom corrected the attorney in his reference to a "dump". He said that it

was a pit, owned by the Township of Oyster Bay, "which we use for dumping".

Alumag Corp. was in business in a residential section of Brooklyn without complaint of adjoining occupants. Levitt said the shop would use the general method of melting of alloys and pouring into molds. He said there is a cleaning process in an acid bath and then the parts are shipped.

Ransom asked if there will be any disposition of waste material from the acid bath for he did not want the water supply in the ground for Hicksville to be contaminated.

"That has happened, you know," Town Attorney Theodore Summers said, "Bethpage lost three wells."

Levitt said the acid bath is 80 percent water and that the tanks are only emptied about once a month so that there would be no contamination of the water supply, he claimed.

The Alumag Corp. would make parts used in airplanes and radar mechanism. Some of the companies who purchase their products are General Electric and helicopter companies, it was reported.

Attorney Levitt said there will be no noise and no odors from the shop. The firm plans to use the present building on the property and will ask for an extension in the future if it is needed.

There was no opposition to the request and the Board reserved decision.

 At least 40 Woodbury Gardeners sang "Take Me Out to The Ball Game" last Sunday, for the local softball team had occasion to play the Amvets at Heckscher State Park. I'm sorry I missed the game for it was a 12 inning affair, with the score tied up to the last minute. The winning run was hit by Woodbury Gardeners in the 12th. Don't miss the game this Sunday at 11 A.M. at Hicksville High School.  
 Don't lay around in bed too late this week, get up early and see the game. You'll see some real competition, for, as Mal Getzen, of Adams St., told me the opposing team—Belmont Homes is a tough one to beat. We'll need a bunch of rooters over there. Jim Strupe, of Woodbury Gardeners, pitched that winning game last Sunday, and we hope to see another victory this week.  
 Now, Jim Surles is the man to contact if you reside in Woodbury Gardens and desire to be a participant in the future events. If you find easier to phone me, I'll relay your message to Jim. Thursday night, this team, managed by Frank Hamilton, will practice at the high school.  
 I should have read my horoscope for last Friday before I wrote the column. It claimed that I would not be lucky. Just a day or so after the paper was out, Marie Foster phoned and told us she was in the middle of making that crumb cake, and "doesn't four teaspoons of salt sound a trifle too much?" To be

sure, Marie, that should be ½ teaspoon salt. I wonder how many folks had "salty" crumb cake last week due to the misprint.  
 Since we started this recipe feature, May and I have had all kinds of dishes gathered from near and far from readers who desired to pass on their formulas, and this week, we present a dish that did a turnaround. Several readers phoned us, asking how to make it. We printed a request for it, and Mrs. Ruth Mecklenburg was gracious enough to contribute Sauer Braten—mit Kartoffel Kleese, a German dish.  
 Part I will be printed today, and on Tuesday it will be completed.  
 5 lbs. beef, 1 c vinegar, (cider);  
 1 TBL salt, 2 TBL sugar, 12 cloves;  
 6 bay leaves, 2 onions—sliced, ½ lemon, 6 whole peppers, and water.  
 Place meat in bowl large enough to allow it to be covered with liquid. Now pour in liquid consisting of half cider vinegar and half water. Then add all the other ingredients. Leave meat in this mixture for TWO or THREE DAYS, turning meat over once in a while.  
 Cooking: Butter, beef drippings or suet, 6 ginger snaps, 3/4 c flour, 1 c cold water. Put drippings in pot and brown meat on all sides as you would pot roast. When meat is all browned then add all the liquid it had been soaked in including the spices. Then add 6 ginger snaps. Cover tightly and allow to simmer for just 2 to 3 hours. Just before meat is done place on a pie pan, 3/4 c flour. Spread evenly over pan and brown in the oven. When the water and mix thoroughly. Pour mixture in the pot with the meat and allow to cook 10 minutes. Then strain gravy and allow to cook again for 5 minutes. It will then be ready to serve. Continued on Tues-

day.  
 Eleanor Marie Devlin, of 5 Washington Ave., celebrated her 5th birthday on August 10. Present were grandparents, Mrs. Mabel Naughton, of Woodside and Mr. and Mrs. Devlin of the Bronx, Mr. and Mrs. John Grennan, of Mamaroneck, Peggy Van Slyke and daughter Peggy, of Bethpage, and James Timme, of Bethpage. Uncle John did a few of his acts for the guests, acts which he displayed with Bob Ripley when the great

 Mr. and Mrs. Mecklenburg of Fulton Ave. had weekend guests, Ruth Mecklenburg's aunt and uncle, Mr. and Mrs. Waldmann, of the Bronx.

## PLAIN-VUES: Civics Worked For Post Office

By RAE CANTILLI

Hi Folks:  
Well another week has passed us by. August is getting quite a reputation. For the past few years, it is more like September than August.

**REPUBLICAN CLUB PICNIC**  
The Hicksville Republican Club is holding a picnic tomorrow (Saturday), at the Farmers' Market. All in Plainview, regardless of political affiliations, is invited to attend. The day promises to be quite a gay affair. Good food, drink and fun is planned. There will be rides and amusements for the children and games including a softball game will be held for the adults. Tickets are \$2.00 a person and children under 12 are free. Anyone from this area or surrounding areas are invited. Tickets can be obtained from any member of the Republican Club, or if you get stuck give me a call and I'll be glad to help you.

### LEGION AUXILIARY

Congratulations to the first officers of the newly formed American Legion Auxiliary of Plainview Post 1612. Installation of officers took place on Aug. 3. Mrs. Ruth Umstadt, president of the County Auxiliary presided, assisted by members of her staff, Mrs. Spittel and Mrs. Meyer. Mrs. Dorothy Schupp was installed as first president of the new auxiliary. Mrs. William Zarza was installed as first vice president, Mrs. Gloria Reynolds, 2nd vice president, and Mrs. Nina Marapodi as secretary. Mrs. Antoinette Perna, Mrs. Helen O'Keefe and Mrs. Mary Yates were named to serve as members of the Executive Committee. Mrs. Angelina Calender was seated as Chaplain. Mrs. Edna Maggio is the new Sergeant-at-Arms and Mrs. Lillian Hammer is the historian. Congratulations again and success to all the ladies of the auxiliary.

### CHOWDER PARTY

Just a reminder to get your tickets to the Plainview Legion Post Chowder Party to be held this Sunday, Aug. 16 at the Manetto Hill School Grounds. The affair is being run to aid the Post's Welfare fund which does so much for veterans and children. As this column has stated more than once, it is a day that no one should miss. So if

you do not have your ticket, time's awastin'. Tickets are \$2 a person with no charge for children under 16 accompanied by an adult. If you desire, tickets can be obtained at the Plainview Hardware Store.

### PLAINVIEW REP. CLUB

The newly organized Plainview Republican Club will hold regular meetings on the 3rd Wednesday of every month. The next meeting will be on Aug. 19 at the firehouse. Up to now over 160 applications for membership have been received.

### PLAINVIEW CIVIC ASSN.

Although regular meetings of the Plainview Civic Assn. have been discontinued through the summer, the Board of Directors with the officers are meeting regularly during the summer months.

### POST OFFICE

As previously reported in the "Herald", bids were requested last week on the construction of a Plainview Branch to the Hicksville Post Office. The Civic Assn. has been working toward this end for several months and it is very gratifying to see it become a reality. Although it will be a branch of Hicksville P.O. as the hamlet of Plainview grows it may become in the near future a separate unit.

### HAPPY BIRTHDAY DEPT.

Happy birthday to little Stevie Himberger who is 1 year old this week.

Also happy birthday to Tom Payne of Island St. whose birthday was also this week. (Aug. 14th)

My better half celebrated his birthday Aug. 11 with a family party at his home.

### VACATION DAZE

The Large's of Grohman's Lane winding up their vacation during which time they toured the Adirondacks. Accompanying them is their nephew, Raymond Sauter. That is my idea of a trip. It sure is beautiful up there. Hope you had a wonderful time.

### DATES TO REMEMBER

Aug. 29 - Community Mite run to bring a good time to all those who attend. Tickets are \$1.25 which by the Plainview AmVets promises includes refreshments. Held at the Fire house.

Sept. 26 - Ladies Auxiliary, of the Plainview Volunteer Fire Co. is holding a Barn Dance at the Fire

The former Miss Catherine Heilig of Jericho, now Sister Maria St. Peter of the Maryknoll Order, is home with her parents, Mr. and Mrs. Peter Heilig of Scott Ave. and 21st St., Jericho, for a two-week vacation prior to her departure for Bolivia, South America.

Sister Maria St. Peter will be at the St. Ignatius School auditorium, E. Nicholas St., Hicksville, this Sunday, Aug. 16, at 4 p.m. to show two motion picture films on the work of the Maryknollers in foreign missions. "Mission of Mercy", a film on the work in Korea and "Lighting Up the Jungle", a film about Bolivia will be shown.

Former school mates from East St. School and Hicksville High School and friends from Grumman's where she was employed before entering the convent will have an opportunity to talk to Sister Maria St. Peter if they will come to the school prior to 4 p.m. She entered Maryknoll in 1949.

# Selling Out To Hicksville?

By Fred J. Noeth

WE ALMOST SPLIT a gasket, Wednesday, reading the by-lined "report" in a daily newspaper about charges that the director of Levittown Hall and two "top civic leaders" are publicly accused of "selling out to Hicksville." We haven't had such a good laugh since the day the defunct Levittown Eagle gave its fond endorsement to the election of Ernest Franke as county clerk because "he has always been a good friend of Levittown."

Accused of a "sell out" are Dick Gerusa, director of Levittown Hall in Hicksville; Mary Dustan, head of Levittown Civic Council, and Marvin Sultan, president of North Levittown Home Owners Assoc. Fantastically, they are charged with "seeking personal power in the incorporated village of Hicksville" when it comes into being.

In typical broad Newday reporting style, the article claims that "virtually all Levittown organizations have opposed the incorporation of Hicksville." This is real news and, while lacking in accuracy, probably as good a reason as any for getting behind the Hicksville Home Rule movement.

## Joan McGunnigle Becomes Bride Of Paul Kirdahy At Nuptial Mass

Miss Joan Marie McGunnigle, daughter of Mr. and Mrs. Vincent McGunnigle of 66 Park Ave., Hicksville, became the bride of Paul E. Kirdahy, son of Mr. and Mrs. Joseph Kirdahy of Huntington Station, Saturday, Aug. 8, at St. Ignatius Church, Hicksville, at 11 a.m. The Rev. Leo Goggin officiated at the Nuptial Mass.

The bride wore a gown of white nylon tulle fashioned with a bodice of imported embroidered lace, a Queen Anne collar and long sleeves. The full skirt had an apron-effect of the embroidered lace drawn into a tiny bustle in back and a small train. Her tiered veil of French illusion fell from a shirred beaded cap. She carried a prayer book with white orchids and Stephanotis.

Miss Geraldine McGunnigle, sister of the bride, was the maid of honor. She wore a gown of aqua nylon tulle and a braided crown, interwoven with flowers, and an eye veil. She carried a basket of pink roses and Roban lilies.

Miss Anne McGunnigle and Miss Madeline McGunnigle, sisters of

the bride were the bridesmaids. They wore orchid nylon tulle and braided crowns, interwoven with flowers and eye veils. They carried baskets of blue delphiniums and Roban lilies.

Joseph Kirdahy of Staten Island, brother of the groom, was the best man. The ushers were Joseph Scherer of Baltimore, Md., brother-in-law of the bride, and Edmund Clegg of Bethpage.

A reception for 150 guests was held at Gede's Restaurant, Northport. After a honeymoon to Canada and the New England states, the newlyweds will reside at 140 Division Ave., Hicksville.

The bride is a graduate of Our Lady of Mercy Academy, Syosset, and Kaupert's Institute, Jamaica. She is now employed by Ben Goldin, Inc. of Westbury. The groom is a graduate of St. Dominic's High School, Oyster Bay, and Hofstra College. He is a member of the faculty of Deer Park School.

Rudolph Schaefer of 249 W. Nicholas St., Hicksville, is expected home this week-end from Huntington Hospital.

The Central Nassau Section National Council of Jewish Women will hold a barbecue Saturday, Aug. 15, at Maplewood Nursery, Wantagh, at 3:30 p.m., it was announced by Mrs. Leo Lilienthal of 13 Belfry Ln., Hicksville.

MISS MARJORIE DONAHUE, daughter of Mr. and Mrs. Michael Donahue of 57 Harrison Ave., Hicksville, took her first vows as a Daughter of Wisdom on Sunday, August 2, at the immaculate Conception Novitiate, Litchfield, Conn.

During the Profession Ceremony, she was given the name, Sister Ellen Mary of the Cross. Her new assignment will be at St. Charles Hospital.

Sister Mary Ellen is a graduate of St. Ignatius School and Hicksville High School. Before entering the convent she was employed by the New York Telephone Co.

### Congratulations!

Congratulations are due Thomas L. Evans of 114 Lantern Lane and Harold Simon of 19 Ash Lane, both of Hicksville for winning 11,400 scholarships to a college or technical school of their choice. They are among the 200 Long Island winners of the war service scholarships after having participated in a competitive examination last June.

### Engineer Studying Law

Thomas L. Evans will apply his award to the study of law at the Brooklyn Law School which he is currently attending in the evenings. During the day he is busy as an engineer for Sylvania Electric Products, Inc., at Kew Gardens where he works on the development of sub-miniature tubes to be used in specialized electronic equipment for commercial and military purposes. He graduated from the University of Michigan in 1950. He hopes to obtain the degree of Bachelor of Laws three years from now.

### Specialist In Education

Harold Simon will use his scholarship to complete work for the degree of Doctor of Education at New York University. He graduated from The City College of New York in 1939, and obtained his Master's degree from New York University in 1946. He served in the armed forces during the war. Mr. Simon has specialized in the teaching of children having emotional problems and is now employed as a teacher in this field in the New York City school system. He is planning to take the competitive test for the post of assistant principal in the fall.

### Evening Swimming

It seems that anyone wishing to have a brief evening swim with their children are welcome at the Levittown pools, although they cannot bring the youngsters to the Hicksville pools after 5 o'clock. Let's hope that this is the last season of this restriction on the "free" use of the swimming pools.

### Closer Attention Needed

We'd like to see the life guards on duty at the pools be a bit more observant of the goings-on in the water. Last Saturday for a considerable length of time the guards were not conspicuous by their presence. When they were found, they were without their usual resplendent orange trunks, and they were at the entrance gate, far from the deep end, engaged in conversation.

With so many youngsters, and some of them perhaps with a bit too much confidence in their newly found swimming ability, it would seem that constant vigilance is the price of safety. A word to the wise should be sufficient.

 Franks (Hicksville GOP leader and county clerk) are in no way connected, rumors are that some local residents want to dump the GOP leader because of his opposition to the incorporation."  
 Franke is chairman of the anti-incorporation committee which has been attempting to prevent a vote

of Hicksville residents property owners on the question of whether or not the area of the school district should be incorporated as a village. The petition requesting a referendum on the issue has been filed with Township Supervisor Charles E. Ransom who is expected to call a public hearing upon the plea within the coming week.

 Stackler and Frank asked the Board to rezone the property on Broadway at James St. for business use so that the building plans may be enlarged to take care of traffic on the premises. A parking area to accommodate 4,000 cars is planned. There were no objections to the request and the Board reserved decision.  
 The attorney said that over \$75,000 has already gone into the project on surveys alone and that Stackler and Frank have gone to California to study similar shopping centers on the West Coast.

**NORTH WEST NOTES:**

**400 More New Homes Coming**

By **JAMES CUMMINGS**  
**Sunnymede Homes**, another project of Jerry Spiegel, plans to construct 441 new units in North West Hicksville. Excavations are underway in rear of Nevada Street adjoining the proposed Stackler and Frank shopping plaza. Over 600 homes are now occupied and when the balance are completed we will have over 1,000 families in our community.

Our Civic Association rolling into its third year of activity embraces half of the present occupants as members and membership increases monthly. The Association was organized three years ago to better our community through planned programs of activity for our membership.

There are always "kinks" to be ironed out and the officers under the leadership of Pat Boland, our first President, took the "bull by the horns" and did so. As the second administration under George McCarthy took office, many local problems were forthcoming. Once again they handled the situation to the best of their knowledge, protecting the interests of the members at all times.

For the past year the Association has felt the growing pains of Hicksville and many problems concerning each and everyone of us. It was then that Herbert Johnson took the reins of the Association and endeavored to follow a direct course of civic improvement with the cooperation of his executive board and support of the membership.

There were time however, that the members did not agree with the policies of the executive board. When you are in office serving the public, you are always open to criticism and feel that these elected officers have weathered the storms very successfully.

It has been my belief that if you have a complaint to make present it to the Association, that

is why we elected officers to handle situations when they arise. I have from time to time disagreed with the policies initiated by the Executive Board, past and present, and properly presented such at an open meeting of the Association and will continue to do so when the occasion calls, I urge you to do so.

If you are an inactive member for one reason or another, forget the past and issues, we are interested in living in harmony as neighbors for many years to come with the help of God. Take an interest in your community, voice your opinions if you wish, become a part of the Association which was formed three years ago to help answer the many questions that arise. The next scheduled monthly meeting of the Civics will be Sept. 1 at Burne Ave School.

Hicksville has every right to be proud of its public library for the service it has rendered to the community. On Aug. 22 a party and pet show will climax the library's summer program for children. On this date, the children who have completed reading ten books under the rules of the reading club will receive diplomas. Officials of the ASPCA will judge the pet show awarding ribbons for the various class winners.

Aug. 7 was the art exhibit of the summer art class under the direction of Madam Krasso. Many of the parents of the young artists attended along with other interested parties. Madam Krasso chose quite a few paintings for her own collection, others to send to India for exhibition in that country as a step towards mutual cooperation and still others which will be kept by the library for display.

The works of Jacqueline Norton, Susan Starke, William Kaufman, Barbara Molinaro, Arline Soper, Joyce Jacobs, Roy Zolnoske, W. Schuelein, Roy Willoughby, Catherine Barker, Tom Poon, Susan Schwartz, Ellen Bier, John Emmel, Harvey Holmes, Arianne Arnold, Bonita Bauer, Barbara Greene, Paul Giannelli, John Korothy, Anne Felder, Pat Karlan, Ken Roran, Marie Strong, William Hayes, Gail Jochem, Virginia Huff, Leslie Chazin are included in those intended for India and Madam's personal collection.

# Meadow Brook Club Moving Into Mid-Island Section

**JERICHO**—It has been revealed that Long Island's select Meadow Brook Club, famous the world over for its renowned Polo fields, will move into the mid-island area. The purchase of 300 acres bordering on Jericho Turnpike a short distance past Postwick Field just before reaching Route 106 moving north of Hicksville has been assured by the signing of contracts by the club's officers.

According to Club President Dev. Milburn of Wheatley Hills, the new club has plans calling for a golf course and two or three athletic and ball turfs on the land. A polo field to surpass the present beautiful plant in Westbury will be built for the staging of the famous international matches with Great Britain, Mexico, Argentina etc.

Three other polo fields will be leased from the Phipps Estate to give the club as much acreage as it now has on its present property.

The Long Island State Park Commission extension of the Meadowbrook Parkway, which will start construction in November 1954, has taken over the golf course now used by the club. The clubhouse and polo fields will be sold for industry.

Jericho and Hicksville residents, particularly the older ones, are familiar with the site of the new club since it will be on part of the former Burrell Estate.

## Kiesel's Bat Booming As Botto Turns Into Stretch

**HICKSVILLE**—The booming bat of Jerry Kiesel and the pitching of Jim Barone has conspired Botto for flubbing a great chance to dump Roy Stephenson and encouraged the club as it swings in the stretch drive at Jones Beach.

Botto scored two runs in the first inning off Stephenson in a recent ASA game but an unsure infield gave three runs back in the same frame. Big Roy went on to notch a 6-2 victory for Post City.

Barone only gave up three hits in that game and had to come back four innings the next night at the seashore in a 4-2 win over the Hempstead PBC. Ted Smith went the first two innings but found his ankle still a bit shakey from a bad sprain.

Saturday night Kiesel laced two big hits and delivered a long soaring fly as Bill Brodiuk beat Bay Shore 5-3 in an ASA contest at Hempstead.

Kiesel came back Sunday with three hits against Tobins Fur at Jones Beach in a decision that went to Botto.

Tonight (Friday) will decide if Botto stays in the regular season race at the beach when it takes on Post City at 8:30 p.m.

Saturday the team moves to Manor Field, Huntington for an ASA fling. If it beats both Long Island Neon and Huntington, which has Joe Smith on the mound, they must face Stephenson and Post City Sunday.

The first loss puts Botto out of the tourney and to win it requires four straight against the best the island has to offer.

## Aces Take First

Hicksville Aces scoring three runs in the first inning on Marmoralli's triple and Rife's single. Took the measure of the Oyster Bay Saints in the first of a three game (best 2 out of 3) series for the championship of the 2nd Precinct of the Police Boy's Club Intermediate Division.

The fine hurling of both Patterson and Marmoralli stood out in a fine played game. Patterson gave but one hit which came in the last inning and Marmoralli gave up 4 hits for the Saints.

In ten games played this season Patterson has but two earned runs scored against his pitching.

### "ONE CUSTOMER TELLS ANOTHER" MECHANICS ARE "DOCTORS"

What constitutes a good mechanic? Good tools? Not enough. Modern testing equipment? Still not enough. The real measure of a good automotive mechanic's ability is the extent of his knowledge of how to use modern test equipment, logically interpret the results obtained from test into diagnosis and correct the trouble with the lowest possible cost to you, the car owner.

You can readily see why I compare your mechanic to your doctor. Your mechanic is actually a car "doctor". In subsequent writings, I will endeavor to give hints and tips on how to service your car, thereby saving you money, which I know you will be able to use wisely within your family circle and budget.

We are now in a position to offer parts, tires, batteries at money-saving discounts \*up to 40% off list. Drive in today to the Broadway Service Station, Your Friendly Texaco Dealer, Broadway and James Street, next to the Post Office. Tel. HI 3-9702.
