## Change Line of March For Labor Day Parade

HICKSVILLE—The Labor Day firemen's parade here will travel along Broadway from the North to South this year, chairman John Jeanson announces. The line of march has been revised. Traditionally, the parade has almost always moved from the south to north along Broadway.

On Labor Day, the parade will start from the firehouse at 9:30 in the morning, promptly. The host local fire dept will march west on Marie St to Jerusalem Ave., then turn north on Jerusalem to Herzog Pl., move east on Herzog to Broadway, then turn right into Broadway and head south to Carl St., west on Carl St. and continue into Old Country Rd. The marchers will travel west on Old Country Rd to Levittown Parkway, turning south and into the tournament course.

The parade will consist of six divisions with an estimated 4,000 firemen in the line with ladies auxiliary members and more than 35 bands. The line of march does not cross the Rail Road tracks this year and the parade will take more than two hours to pass a given point.

## Propose Oil Storage Plant Here

OYSTER BAY—An oil storage plant is proposed for the property on Washington Parkway, Hicksville, it was revealed at a public hearing before the Town Board here Tuesday morning, Aug. 11.

Joseph Gazzia asked the Board to rezone his property on Washington Parkway near Mulberry St. from its present residential to an industrial zone. The land is located near the railroad tracks, Grumman and Glasfloss.

Attorney Frank Colgan said that the main plant of the concern was located in Huntington Harbor but a relay station in Hicksville is needed. No objections were presented to the request and the Board reserved decision.

## Offers Reward For Family Pet

PLAINVIEW—A reward is being offered for information leading to the return of a family pet, a big Persian cat answering to the name of "Prince", lost Thursday night from the home of Wladyslaw Ochrymowicz of Plainview Rd., between Barnum and Belmont Aves. Prince has a dark grey coat and white chest and paws. Mr. Ochrymowicz is conductor and director of the radio program, "Polish Bells" on Station WBNX, New York.

## Water District Election Aug. 31

HICKSVILLE—The annual election of Water Commissioner will be on Tuesday, Aug. 31, in the Hicksville Court House. This year the three-year term of Harry Borley, 135 Woodbury Rd., expires.

## Grasshopper's Hop On Oct. 3

HICKSVILLE—The Grasshoppers' Hop, sponsored by the Hillside Terrace Civic Assoc., will be in the Legion Hall on Saturday night, Oct. 3. The entertainment committee met Monday night at Joe Huddy's home, 101 Cambridge Dr., to discuss plans for the event. Jim Cummings and his orchestra will provide dance music.

The entertainment committee members are Joe Huddy, John Wieboldt, William Aronoff, Lee Siemas and Betty Sinisi. Tickets may be purchased from these members. Because of the limited space at the hall, tickets will be limited to residents of Hillside Terrace. No tickets will be sold at the door.

Many residents may recall the successful Spring Dance sponsored by the organization, and the committee intends to repeat this success with the Grasshoppers' Hop.

## Magazine Features Metalab

NEW YORK—A Hicksville factory is the subject of a feature article in the Aug. 3 issue of "American Machinist". Edmund J. James, industrial engineer, is author of the special report for the metalworking industries which concerns Metalab Equipment Corp of Duffy Ave., Hicksville. It is entitled "How To Revamp a Modern Plant". The article is illustrated with photographs by Frank Mallett of 188 Plainview Rd., Hicksville, photographer for the Mid-Island Herald. The report reveals that Metalab, organized eight and a half years ago, is a leading firm in the laboratory-furniture industry. Howard M. Plant is president.

OYSTER BAY—Township Supervisor Charles E. Ransom will hold a public hearing in Hicksville Courthouse on Thursday morning, Sept. 17, upon the petition for a vote on the question of home rule for Hicksville. Ransom said he will file papers tomorrow (Aug. 19) acknowledging receipt of the proposition for incorporation of Hicksville as a village and fixing the date of the public hearing which must take place, under village law, prior to a vote. The hearing will start at 10 AM and Ransom stressed that he is not permitted, under the law, to entertain either pro or con arguments on incorporation at this hearing. He also stated that objections to the proposition must be submitted in writing.

The proposition and other papers will be on file at the Hicksville Courthouse in the custody of Joseph McCarthy, in charge of the Veterans Service Agency office there, during regular business hours each day until Sept. 17.

The hearing before the Supervisor is the second step toward the incorporation of a village. The first step was the filing of a petition with 6,242 signatures and other documents with Ransom on July 31.

## 3 Fire House Sites Up To Taxpayers

HICKSVILLE—The purchase of three sites for future firehouses for this fast growing community is proposed in the annual fire district budget which comes up for vote on Tuesday night, Sept. 8. An appropriation of \$20,000 to cover the cost of acquiring three parcels of ground is among the propositions to be voted upon.

No specific sites are named by the Fire Commissioners who are awaiting voter approval on the appropriation before making final commitments. Generally proposed as locations are (1) vicinity of John St., west of Broadway; (2) east section of district in the neighborhood of Plainview and Old Country Rds.; and (3) either along Newbridge Rd or Jerusalem Ave., south of Old Country Rd.

The budget itself totals \$49,950, compared with \$40,000 last year. Propositions in addition to the land purchase at \$20,000, include \$2,000 for street signs in the district, \$500 for parade and tournament, \$1,000 for inspection and \$12,000 for new equipment for fire alarm system.

The total of the budget plus the five propositions amounts to \$85,450 compared with \$67,500 for the budget and five propositions last year.

Voting will take place at the firehouse on E. Marie St. between 7 and 10 P.M. with only resident taxpayers eligible to vote. There is no advance registration of voters required. Ex-Chief George Engel is chairman of the Fire Commissioners.

LINDA GOVERNATE, age 6, of 1 Burkland Lane, Hicksville, who won a cocker spaniel at the opening of the new Bohack supermarket in Hicksville, receiving from Store Manager John Lawler authorization to get her puppy. Her mother, Mrs. Frank Governale, and sister, Barbara, look happy about the addition to the family. Linda's prize includes two cases of Laddie Boy dog food.

## VACATION PICTURE CONTEST: Include Local Folks in Snapshots

Are you getting snapshots on your summer vacation? The Mid-Island Herald today announced a summer vacation photo contest which will close on Sept. 15, allowing time for inclusion of pictures taken over Labor Day weekend. Only glossy black and white prints will be accepted and every effort will be made to return prints entered. Readers are requested

should be written on the back of the snapshot, also.

Members of the Herald staff and their families are not eligible to take part in the contest. There will be \$10.00 given for the best picture submitted and other prizes for runners-up. The list of prize awards and names of judges will be announced in the next issue of the Herald. Meanwhile, load your cameras and start snapping. Entries may be made as of today at the Herald office, 28 North Broadway, next to Hicksville Post Office.

## Car Rips Up Hedge On Stewart Ave.

BETHPAGE—Virginia Giglio, 32, of 144 Broadway, Hicksville, ripped up 10-feet of hedge on Stewart Ave. when her 1951 Oldsmobile ran off the road Friday, Aug. 14. The car was damaged on both sides and the roof, police reported. Ten feet of the hedge owned by John Bremm of 870 Stewart Ave. were demolished. The car was taken away by a tow car. Mrs. Giglio was not hurt.

**Leaving for Trip to Europe**

HICKSVILLE—Mr. and Mrs. John Spiesio, 163 Woodbury Rd., and their 6½-year-old daughter, Louise, are leaving today on a two-months' trip to Europe. They will sail on the Andromeda for Italy where they will visit some relatives and then travel on to Africa. The Spiesios run the Hicksville Machine Works on South Broadway.

A small child in the neighborhood had a narrow escape when he fell into a deep foundation for the additional stores at the Centre Shops, Old Country Rd and Newbridge Rd., Hicksville. Cries for help were heard and a couple of adults managed to extract the child from the 12-foot opening. . . . CHARLES C. MILLER, well remembered as president of NLHOA, has resigned as a member of the Levittown Hall Advisory Council—the 8th member to do so. The Council, it will be remembered, was in the fore in that "rump" referendum business which led the townships of Oyster Bay and Hempstead to seek enactment of legislation contrary to the official referendum held on the Hall-Pool question by Oyster Bay town officials. . . . CHARLES N. EDWARDS, chief engineer of Fairchild Camera and Instrument Corp system division at Hicksville, has received the Navy Dept.'s Meritorious Civilian Service Award. It is one of the highest honors the Navy can give a civilian. . . . ELERY BEAN, Hicksville adult education director, announces registration for the fall term on Sept 14 and 15.

DR. OSCAR HELLER of 2 Gables Rd., is on a two-week vacation and will return on Sept. 4. . . . DR. WILLIAM BURKE and his family are also on vacation. . . . MRS. MARIE RAIMONDJI of 3 East St. says she got a nice personal letter from ARTHUR GODPREY to thank her for her letter and prayer which helped speed his recovery during his recent illness. . . .

We see by the papers that our Congressman STUVESANT WAINWRIGHT has flown to Japan and Korea where he will be an official Congressional observer in the military and economic situations in those two countries. . . . While the School Board's answer to the State Test is due this Friday, Aug. 21, there is a possibility that a further extension of time for filing the papers on the attorney fee question may be requested. . . .

**Allergy Season**

By JOSEPH A. LE PENER, M.D., HICKSVILLE

The time from now till about the end of September we could also call the "sneezing season". Wherever you go, or you have company in your backyard, or are out on a picnic, suddenly you may hear one or the other person or several at a time having a sneezing fit. In a few minutes it may be over, only to be repeated sometimes later again.

Or you may get into a coughing spell accompanied by a whole orchestra of whistling or wheezing sounds and can't catch your breath? Or you may just suffer from terrible itching and tickling in your nose or burning or stinging of your eyes? All these symptoms and many more like skin rashes are due to an allergy to certain grasses, plants, bushes, trees, as ragweed, timothy, orchard grass, white oak, hickory, birch, and others.

What is an "allergy"? Any alteration in the capacity of a living organism to react, on exposure or re-exposure to the same exciting agent. It is a hypersensitivity in susceptible individuals to certain substances, called allergens; these cause organs or tissues to discharge histamines and other secretion with irritating effect on these tissues. Depending on the type of organs affected and on the degree of susceptibility, a person may react with asthma, hay fever, hives, rashes, migraine-like headaches, swellings, nausea, vomiting, and so on. Besides plants, grasses, etc. which are the most common causes of allergies at this time of the year, there are many other causative allergens as food proteins, cosmetics, animals, especially cats, dogs and horses, insects (bees, wasps), bacteria, light, heat, cold, ones own hormones, and quite often emotional or psychosomatic causes.

It is known that nervous people are also more susceptible to external allergens. Sometimes it is enough to show a picture of a rose to a rose allergy sufferer to cause a sneezing attack or asthma.

A child was having more severe attacks in September just before it was to go back to school it did not like to. A business man having been treated for a long time for a severe asthma in New York went alone to Arizona. The attacks stopped completely. Back in New York, the asthma was back again. On his doctors advise he moved to Arizona to stay. This time he took, of course, his wife with him. His asthma was not relieved; the Arizona climate didn't do him any good. He had not been allergic to the New York climate, but to his wife. Of course, sometimes it is the other way around. Why some people are allergic and others not we do not know.

In general an allergic condition is very unpleasant but not dangerous or fatal although sometimes an individual very sensitive to a drug or the venom of a bee or wasp may die due to a severe allergic reaction; but the consequences of a long standing allergy, f.i. a superimposed infection leading to sinus condition, or an asthma leading to enlargement of the lungs and the heart may become dangerous with the years.

When we can find the offending agent by skin-scratch tests, elimination diets, etc., we are in a position today not only to give the patient temporary relief by prescribing certain antihistaminic drugs or injections but by desensitizing treatments before the allergy season to cure and free him from his suffering permanently.

**Continue Water Ban**

HICKSVILLE—The ban on home sprinkling has not yet been lifted here, although some neighboring communities have been released from watering restrictions.

The regulations for water conservation are as follows:

south of Old Country Rd. on odd-numbered days of the month, north of Old Country Rd. on even days of the month—watering permitted by householders. No specific hours. Farm irrigation PROHIBITED daily between 4 P.M. and 9 P.M.

# Another Week, Still No Word

By GEORGE McCARTHY

Well, another week has passed, and still no word from Mineola calling the meeting that the State Director ordered. It seems that the County Director is hoping that time will heal all wounds. This controversy will not clear up until it is met with direct action.

We note that the State Director has ordered a complete investigation of this Hicksville situation. This was ordered at our request, we are meeting with some success at last. A complete house-cleaning is called for, and we, of Center Civic Assoc., are certainly hopeful.

One thing that has us confused, is Ryan's order that this investigation be top secret. Could it be that our County Director is afraid to let the taxpayers learn what a mess their tax money is supporting? Thousands of dollars of your tax money is going for various C.D. salaries and we feel that more attention should be shown for local problems. A "top secret" report only helps to confirm our contention that something is peculiar.

Make the findings of this investigation public. If we are wrong, let the public know, or are you afraid you can't prove us wrong? We want to be sure this investiga-

tion won't be just another of those infamous "White - Wash" reports. If trouble lies with anyone in C.D., get rid of them, or if we are at fault, let the public know that too.

To be a complete investigation, the charges we made, and our proof should be checked into. To do this, the committee must meet with us and as yet we have had no word. What's the delay? Let's hope they won't play "Alphonse and Gaston" with this important issue.

The Center Civic Assoc. is holding its charter meeting Tuesday, Aug. 18, in the Herald office at 8

P.M. We will welcome all newcomers at this meeting. This fight for better C.D. direction is only one of our many aims. We now have a youth program under study, and we will report on this as soon as it is complete.

Many civic problems will be studied by this association, and we will always be anxious to accept new members. Don't forget our charter meeting tonight (Tuesday, Aug. 18) at the Herald office next to Post Office.

I hope we can report some progress on this C.D. controversy in our next column.

## Three Injured, Go To Hospital

## Baritone Teacher Opens Studio

HICKSVILLE — William Henry, baritone-teacher, has opened a voice studio in his home at 34 Ash La. He comes from Boston where he conducted a voice studio for the past five years.

Mr. Henry gained wide recognition as soloist-director of the Army Air Corps Chorus during World War II. Outstanding concerts were given in Hollywood Bowl, Redland Bowl and in Pacific Army camps.

In 1943 he introduced the now famous Army Air Corps song over CBS and was heard frequently on the nation's major radio network. He entered Peabody Conservatory of Music in 1946 and some of his teachers in opera, piano, and theory and conducting have been Dr. Francis Lert, Boris Goldovsky, Frank Bornshein, Alfredo Anzalone, Fred Popper and Felix Wolfs. His voice teachers have been Fras-

er Gange, William L. Whitney and the beloved tenor of the Metropolitan Opera Frederick Jagel.

Mr. Henry graduated last year from New England Conservatory of Music with highest honors and awarded the coveted artist's diploma. An operatic repertoire of over 20 leading roles has taken him to performances in the Boston Opera House under Boris Goldovsky, the Peabody Opera Co., Baltimore, Civic Opera, Boston, New England Opera Co., Singing Actors Theatre and Plymouth Rock Center of Music and Drama in Symphony Hall, Boston. He has performed under the baton of Wilfred Peltier, Arthur Fiedler and the late Malcolm Holmes.

As a member of the popular Cavalier Male Quartet, he has appeared in over 400 concerts through the country.

### JUDY'S JOTTINGS:

## Sell Cool Drinks to Raise Funds

By JUDY de JONGH

Hicksville 4-1813

The children of Po Lane decided they wanted to help others less fortunate than they, and then did something about it! Getting together last week were Thomas Henbach, John Dorenbeck, Charles Hassel, Thomas Witzemberger, and Jacqueline Winsor who, by selling Coolade at a penny or two a glass were able to donate \$1.52 to the Sister Kenny Foundation. The drive will continue for the entire month of August, and volunteers are badly needed. So let's see how much the grownups can donate in time and money!

An informal party held on Saturday, Aug. 15, at the home of the Charles Grahams of 91 Benjamin Ave. brought out the Medard Ofenlochs, Art Scheriffs, Bob Watersons, Ken de Jonghe, and the George Pleasanters of East Meadow.

A happy birthday to Mary Graham of Benjamin Ave. who admitted to being 21 plus on Aug. 11, and to my son, Robert, who celebrated his fifth birthday on Aug. 6 with a small party of friends who included Mickey, Diane, and Linda Lewis, Diane and Linda Cunningham, Christine and Greg Noone, Charles and Steven Graham, and Michael.

A surprise bridal shower was given in honor of Miss Marie Le Magas of Hicksville at the V.F.W. clubhouse on Friday evening, Aug. 14. Attended by 57 friends and relatives, the affair was a huge success, and the bride-to-be received

many lovely and useful gifts.

Among those attending were Mrs. Rachel De Mattia, Mrs. Rosalie Ingolia, Mrs. Molly Cassarino and her daughter, Joyce, Mrs. Clara Appollonio, Mrs. Frank Cirillo, Mrs. Lee Cirillo, Mrs. Anna La Magna, Mrs. Julia Massaro, Carmela Bacisieto, Kay Alosi, Kay Govenilla, Kitty McDonald, Flo Owens, Rose Carrera, Kay Estera, Doris Kuhl, Minnie Wysliski, Jean Elampliano, T. Girnazio, Mille D'Agostino, Gilda Massaro, Jean Nitiga, Juan Bacisieto, Mary Pace, Angey Marchese, Mary Carvalho, Phil Picone, Mary Pepe, Jean Porcello, Theresa Staria, Kay Staria, Lee Staria, Freda Boudreau, Mrs. De Littera, Joan Ranieri, E. Cirillo, Dolly Ingolia, Josephine Savasto, Dot Blackley, Cynthia Kail, Joan Masso, and Mr. and Mrs. J. Consolino who recorded the event by taking photographs of the festivities.

The shower was given by Dorothy Boudreau, Sadie Pace, Lee Cirillo, Mrs. Diuccetti, and Janet Farina, and refreshments of ham, potato salad, cole slaw, macaroni and cheese, deviled eggs, soft drinks, coffee and cakes.

Mr. and Mrs. Art Sheriff of 78 Benjamin Ave. had as their house guests for the weekend, Mr. and Mrs. George Kasselbaum and their sons Walter and Allen, of Brooklyn.

Mr. and Mrs. Lawrence Moran of Hicksville are spending their vacation at Potter's Lodge on Lake Algonquin, Wells, N.Y. The Lodge is owned by Mr. and Mrs. Jack Potter formerly of Hicksville and Farmingdale. Mrs. Potter is the former Ruth Behrmann, daughter of Mr. and Mrs. William Behrmann of Elm St., Hicksville.

The art pupils of Miss Heggy Williams will have their annual art exhibit on Sunday, Aug. 26, from 2 to 4 P.M. at Miss Williams' home 43 Flower St., Hicksville. Parents and friends are cordially invited to attend.

## Dorothy Shea Wed Saturday

Mrs. Dorothy Shea of 20 Mayflower Dr., Hicksville, was married to Carmen Dimarzo of 278 W. Nicholas St., Hicksville, Saturday, Aug. 16, at St. Ignatius Church, Hicksville, at 5:30 p.m.

The bride wore a rose afternoon dress and pale blue accessories. She wore a corsage of gardenias.

Mrs. Catherine Ballenger was the matron of honor and Maurice Ballenger was the best man.

After a wedding trip to Southampton, L.I., the couple will reside at 29 Mayflower Dr., Hicksville.

The Hicksville Home Bureau Ladies will have picnic Tuesday, Aug. 25, at Belmont Lake State Park. They will meet at the Trinity Lutheran Church Parish Hall at 10 a.m.

Square dancing will be a feature at an informal dance to be held by the Greater Levittown Pony League and the Ladies' Auxiliary Sunday, Aug. 23, in the Levittown Hall, Levittown Parkway, Hicksville, at 9 p.m. Bill "Peros Bill" Jenack will call the sets. Tickets may be obtained at the door.

The Boy Scout Mothers Auxiliary of Troop 84 will have its next meeting at 8 p.m. Wednesday Aug. 26 in St. Stevens Parish House, Hicksville. All members are urged to attend.

Favored by wonderful weather, the chowder party was an outstanding success with more than 1,000 persons present to enjoy the festivities. (Ernest Zarza Photo)

## Successful Summer Playground Closes With Display Thursday

**HICKSVILLE**—The local Summer Playground program goes into its final phase this week with an Arts and Craft display on the closing day of the playgrounds next Thursday, August 20, at 10:30. This day will give the parents the opportunity to see what the youngsters have done on the playgrounds.

The popularity of the playground continues as more and more youngsters continue to register for the playground, authorities report. A record total of 3217 youngsters have enrolled. For the first time, attendance dropped off a little but it is still double last year. The record shows over the 1100 mark per day with some days

going as high as 1400. East St. school has the largest registration with 695 followed closely by Dutch Lane with 609. Lee Ave. has shown the largest increase from 197 the first week to 1011 last week.

Wednesday, Aug. 19, the older youngsters will have an opportunity to go to Ebbets Field to

## Button, button...

Who's got the button? Well, everyone with a telephone has this button. It's about the size of the eraser on your pencil and fits right inside the mouthpiece of your phone. Its job is to change the sounds of your voice into electrical waves, so that you can talk across the street or across the nation, quickly and clearly.

The hollow button is filled with carbon made from a special kind of coal. So special that only two mines in the world have ever produced it. Mined under the watchful eye of Bell Telephone Laboratories, this coal is ground into tiny particles, washed and roasted in ovens where the temperature is rigidly controlled. This practically pure carbon is then accurately measured and sealed into the buttons.

Small as it is, the carbon button is one of the big reasons why your voice "sounds like you" whenever you phone, New York Telephone Company.

## Current Comment:

# Ballot Box vs. Boss Rule?

By Fred J. Noeth

**EXTRAORDINARY EFFORTS** are being made to prevent a vote of the resident property owners on the question of whether or not Hicksville shall be permitted to govern itself. Every day we hear of a new stunt being developed by the Anti-Home Rule forces to disfranchise the people of the community.

It is a shocking experience to find—in a typical American community—a cold-blooded and calculated movement to deprive the voting public of the very device which has again and again successfully thwarted the efforts of scheming politicos.

Thoughtful citizens might find in this stop-the-vote movement—which has utilized downright lies to serve its ends—the real reason for opposition to Home Rule for Hicksville. Our present form of government is today so complex that it serves very well the interests of a minority which is desperately resisting change.

The charge has been made by the Anti-Home Rule leadership that incorporation of Hicksville as a village "would add another layer of government." The direct opposite is true. Creation of a local government would eliminate and amalgamate several layers of government into understandable form under which our citizens can live and prosper in harmony.

A recent local survey disclosed that 90 per cent of the township residents "do not know the basic political facts of their lives." Voter ignorance of the processes of government can only result in a ready-made situation for those who wish to remain the masters to serve their own personal interests.

We are thankful that among our residents are people not afraid to allow a question—in the community's best interest—to come before the public for decision at the ballot box. Among the 6,242 persons who have signed the petition asking for a vote on Home Rule there are a number of people who signed and frankly stated that they either (1) had not reached a final decision, or (2) were opposed but signed so that the question could be resolved.

Those who have worked diligently to comply with the letter of the law in getting the necessary number of signatures, a list of inhabitants, etc., have earned the right to see this important question decided by all the people.

Apparently those now striving to block a possible vote fear the outcome, if and when a vote takes place. We wish we could be as confident of success at the polls as the Anti-Home Rule group seems confident of defeat.

We are not ready to bow to dictatorship and we refuse to believe that the vast majority of the people of our community want to run their collective necks under the heel of boss rule, either.

## HERALD READER OPINION

# Local Government Is Closest

By JOHN M. KRAL

Brilliance (?) personified! I refer, of course, to those who signed the pamphlet in opposition to the incorporation of Hicksville.

What surprised me beyond words was the opposition of the local officials and permitting their names to be attached to a mass of mistreatment. My association with bankers throughout the nation has been to find them a very conservative but progressive group. Perhaps those in Hicksville are different.

I have checked the statements in the pamphlet with the Village Law of the State of New York and cannot see how leading citizens of a community could possibly so distort the facts. They would leave the voters under the impression that they would continue to pay the Town of Oyster Bay the same amount of taxes they are now paying plus an additional amount to operate the new village. Such is not the case.

Again, they state that the village would not have control over its zoning. Look at the Village Law and see the many zoning powers that are conferred on villages. If for any reason the Town of Oyster Bay is now constituted as the pamphlet would have you believe, this can always be amended by the state legislature and those who wrote the pamphlet know it.

Residents of Hicksville have found that the more distant their seat of government is the less they receive. To carry the arguments in the pamphlet to its illogical conclusion, we would dissolve all counties, cities, and villages in the State and just have one government operating out of Albany. This would save the taxpayers millions of dollars but what services would they receive?

Can everybody be wrong except those who prepared the pamphlet? There are more than 500 villages in the State of New York alone. From the rock-bound coast of Maine to the sun-kissed shores of California we find hundreds of thousands of villages where people are happy and contented. They have control over their own affairs. Local people are selected to conduct the affairs of the village and the residents are in a position to petition for what they feel are the best interests of their community. If, for any reason, officials do not respond, it is only a matter of a short time before new officials are elected or appointed to carry out the wishes of the taxpayers.

I have many interests in Hicksville and that is why I write this letter. I have been a student of politics for more than 40 years and know that the best interests of Hicksville will be served by incorporating as a village. Every voter

## Three In Family Hurt In Crash

HICKSVILLE—Three in a family were injured in a crash on Old Country Rd. at Broadway Friday, Aug. 14.

Isabelle Mayer, 29, of 9 Newman Pl., injured her right foot, 2-year-old Stephen Mayer cut his lip and 6-year-old Robert Mayer had a contusion of the nose in the accident. They were passengers in a station wagon operated by Loghan Mayer, police reported. The other car involved in the collision was a 1938 Chrysler operated by Charles Heinzen of 136 N. Suffolk Ave., Massapequa.

## Importance of Teen Canteen

The importance of the Teen Canteen cannot be over-emphasized. It is undoubtedly one of the most constructive projects yet undertaken for our young people. It fills a serious gap in their activities. The age group (13 to 18 years) to which the Canteen caters is a particularly difficult one for which to provide wholesome activities over a long period of time while maintaining interest of the participants. The organizers and workers of the Teen Canteen deserve not only much credit, but perhaps even more important, the active support of all of us."

## Good Approach To Problem

The choice of a series of dances as the initial activity was a good one. Most of us know that teenagers are anxious for social affairs such as dances. The large attendance at the dances shows that they have the enthusiastic support of the youngsters. According to Marvin Sultan of 63 Rim Lane, Hicksville, executive chairman of the Teen Canteen, the dances will shortly be supplemented with other types of activities. He says that while dances fill a definite need, they are by no means the entire story. Among the projects under consideration are such things as outdoor roller skating parties, amateur theatricals, radio club, photography club, science club, and the like. The future looks well for the youth of Hicksville.

## Much Support Needed

Sultan says that the members of the Canteen are the first to say that they are newcomers to the field of youth activities and that there is much experimentation to be done before the most effective programming can be arranged. The support of other groups is needed, Sultan says, and that the response to date has been very encouraging. The wide support is needed not only for the present success, but perhaps more important to obtain the adult participation from a large segment of the population to help insure that the activities will continue.

## Professional Help Will Be Needed

The scope of the program is ambitious enough and so eminently practical, that it will not be long before trained youth workers will be needed to assume direct supervision of the programs laid out by the lay committees. Perhaps the most practical plan would be to fit the Teen Canteen program into an extended school recreation program supervised by the same high type of people already engaged in such work on a limited scale. Perhaps an organization like the YMCA, the WYCA, or the YM-YWHA would be most suitable.

## Youth Participation Essential

One of the essentials to the success of the program being developed is that the youth themselves have an important part in the planning of the activities. After all, it is their show and who knows better what they want than they themselves. What they need, it is pretty well agreed, is guidance and encouragement from their elders.

## Dances Well Run

To date the behavior at the dances has been exemplary. There have been no incidents of any consequence to mar the record. Of course there have been several occasions, according to Sultan, when the possibilities for some unpleasantness were present. It was fortunate that the potential disturbers were nipped in the bud.

## Friends Welcome

While the affairs of the Teen Canteen are run for the young people of Hicksville, many visitors from surrounding communities have attended. This is all to the good. Our youngsters should have the privilege of inviting their friends from outside Hicksville to their social affairs.

## Caution Traffic Light Needed

A great number of children, and adults too, are continually crossing Levittown Parkway to get to and from the swimming pool. They are competing for the right of way with high speed auto traffic on the Parkway. A caution blinker is very much needed at this point during the summer months. Let's hope that it is installed before any tragic accidents occur. At the same time the need for adequate street lighting on the Parkway is of great concern. Days will soon shorten.

The Great Sthikin travels the sea lanes along the coast and overseas keeping the Navy's fighting ships well supplied with arms and ammunition.

**NORMAN C. NICHOLS**, son of Mr. and Mrs. William B. Nichols of 17 McKinley Ave., Hicksville, a graduate of Hicksville High School, recently completed his preliminary processing for Aviation Cadet training at Mitchel Air Force Base. Successful completion of this

processing has qualified him for further testing at Sampson Air Force Base at Geneva. Upon successful completion of the examinations there, he will then be fully qualified and selected for an early class assignment in Aircraft Observer training.

In addition to flying training, he will study applied electronics, aircraft engineering, weather, navigation, radio, and related subjects.

After approximately 12 months of training he will receive a commission of 2nd Lt. and go on to highly specialized training to win his silver wings and rating as Aircraft Observer in the Air Force.

His application was handled through the recently activated Aviation Cadet Selection Team at Mitchel Air Force Base. Young men interested in flying training as Aircraft Observers need only have a high school diploma to apply, according to Capt. L. B. Hanmer, the team president. Further information can be obtained by calling or writing the Aviation Cadet Selection Team at Mitchel Air Force Base.

### "ONE CUSTOMER . . . TELLS ANOTHER"

By Nat Ferraro  
**MY AIM**

My aims in writing this column are as follows: 1. To help car owners save money wherever possible by avoiding unnecessary expenses, by offering free of charge such hints, tips and advice on the mechanics of his car, by offering specials on parts and accessories, two of which are listed below. 2. To help regain, (and this is the selfish angle), the prestige and dignity of the gas station business, which has fallen to a pitiable low. 3. Help promote state licensing of mechanics, state licensing of official service inspection stations for the protection of car owner, and the public alike.

Today's Saving Special: 1. Spark Plugs (Champion or AC) for 69¢ each. 2. Penny Sale: With each purchase of a 600-16 Tire for \$14.99 you receive tube for one cent. First line, unconditional road-hazard guarantee and Free mounting—tax free.

Today's Tip: Clean carburetor air filter for extra mileage. Should you run into trouble call us for free advice, glad to help out. Your friendly Texaco Dealer, Broadway Service Station, Broadway and James Street, next to the Post Office. Tel. HI 3-9702.

## HILLSIDE TERRACE:

## Installing Street Lights Here

By ERNEST F. GOSSY  
Hicksville 2-2226

Well, folks, the great day has arrived. Our telephone was installed Aug. 11 and so I will endeavor to bring to you more of the local events, that up till now I have been receiving very sparingly by post card and direct contact.

During the week the L.I. Lighting Co. has been busy installing street lights in section two of Hillside Terrace. This I hope is not the limit of their installation for the present time, because street lights are needed throughout Hillside Terrace for the safety and protection of everyone.

Marie Campbell of 89 Dartmouth Drive and Philip Hall of 78 Dartmouth Drive seem to be enjoying each other's company very much while on the go in his new Nash Rambler. Good Luck to you both.

Recently returned from their vacations are June and Dave KOMIVES who visited the Blue Ridge Mountains of Virginia. The SCALEA'S, visited vacation Valley in the Pocono Mountains of Pennsylvania. The MULLERY'S visited Greenwood Lake in New Jersey. The BROWNING'S visited his family and vacationed in Washington, D.C.

A Clam Bake was held in COYLE's back yard on Saturday night, Aug. 18 with clams the gents dug up themselves after obtaining a permit as required by the Township. The DANIELSON'S, STRICKROTH'S, KOMIVES', and SINISI'S all had plenty of those wonderful steamed clams. Drinks were served, of course, and the gay party ended by playing cards.

The same Saturday night also was quite a gay evening on the recently completed patio's at WAR-

REN'S, 122 Dartmouth Drive and BLOUSTEIN'S, 118 Dartmouth Drive. Charcoal grilled hamburgers and frankfurters were prepared on one patio and recordings, dancing and beer on the other. Sharing the fun of the evening were the O'DONNELL'S, BLOUSTEIN'S, PECK'S, WARREN'S, BERO K. WITZ', KILLKENNEY'S, GOSSY'S and CORCHNEY'S. This could be a lot of fun every Saturday.

Noticed along Haverford Road were Fred Hin's new Pink Dogwood and wrought iron railing additions and Ted Strickroth doing some house painting ...

Did you know that HICKSVILLE is 305 years old?

Excess of 2,000,000 Cu. Ft. @ 4.5¢ per 100 Cu. Ft.

Purchased Gas Adjustment:

None applicable at this time.

Minimum Charge:

\$100.00 per meter per month. In the event the service is interrupted by the Company, then the minimum charge for such month shall be prorated on the basis of the number of days that service is available to the customer for a full day to 30 days.

Terms of Payment:

Net cash.

One year from the commencement of service, and successive annual periods thereafter unless terminated by the customer on 90 days written notice to the Company prior to the commencement of each annual term; terminable by the Company on like notice to the customer, and otherwise in the manner provided by law and the rules and regulations set forth in this schedule.

Special Provisions:

(a) Service will be furnished to new applicants under this Service Classification only when to the extent that in the Company's sole judgment and discretion, it has sufficient natural gas supply and sufficient pipeline capacity available for the service requested, and the Company, after supplying customers taking continuous service and customers already taking interruptible service, will have sufficient natural gas supply and sufficient pipeline capacity available to supply the applicant.

(b) The Company's first obligation is to supply its continuous service customers under other Service Classifications. Service will be curtailed to all customers taking service under this Service Classification on a pro rata basis, whenever there is an insufficient supply of natural gas. Service will be discontinued to any customer taking service under this Service Classification whenever there is an insufficient pipeline capacity to supply the continuous service customers in the area.

(c) Service furnished under this Service Classification shall be separately metered and shall not be substituted for nor used interchangeably with service furnished under any other Service Classification.

Full details of such changes may be secured from the offices of the Company and may be examined in the schedules of rates on file in the offices of the Company or in the office of the Public Service Commission.

## Botto Looks and Takes 1-0 Loss from Joe Smith

HUNTINGTON—The host team here defeated Botto Brothers 1-0, Sunday night, in the semi-final round of the Long Island ASA softball tourney.

Fireball Joe Smith pitched for Huntington and was at his blazing best, as he allowed only one hit. That was a fifth inning single by first baseman Herman Rigby.

Botto thus wasted another fine performance by Bill Bordiuk who allowed only three hits.

A pinch hit double by Richie Robinson opened the seventh for the victors. He moved to third on an infield out and scored on a bleeder single that bounded over second.

Hicksville won its way into the semi-final Saturday night by defeating Levittown Ford 2-1 in an extra inning.

In that game the Black indicated that it had lost any free swinging punch but won it on an express run by Sid Rigby. He had walked and his brother Herman chopped a double into left. Sid just picked up speed and came all the way round on the short hit to break the 1-1 deadlock.

Smith had his task made easier by the fact that Botto constantly looked at good strikes. About sixty per cent of the strikes Smith recorded were called and he never had to worry about bringing in a fat 2-0 or 3-1 pitch.

## Field Club Front Office Set, Gridders Look for Players

HICKSVILLE—Brandishing an axe of economy and righteousness the Hicksville Field Club cut out the initial steps for its 1953 campaign here in Pete Breen's Restaurant, Thursday night. Dominic Sabatella will coach the Black and White for the sixth time in a decade and E. Irving Jessen

The first organizational meeting concerned itself with holding down soaring operational expenses the team has encountered during the past three seasons.

Although there was considerable discussion pro and con on the subject, it was decided that no special inducement would be offered any player to join the team.

A clear policy on a player coach was not established. Ray Halloran was in such a position last season and there was little doubt that he could have had such a role this year if he wanted.

The club will take up the matter of an assistant coach at its next meeting.

As soon as the Board of Education receives and acts officially on the request to use the high school grounds for practice and games, the team will make its first call for players.

It is hoped that Hicksville will

join with Glen Cove, Jones Bay, Westbury and Mineola and form a Nassau Conference with each team playing the other twice.

Determined objection to long road trips to Southampton, Riverhead and Greenport was noted at the meeting since contests with those clubs do little for the box office take.

### Bankers Lead In Minor Loop

By RAY DE CHESTER Jr.

In the Northwest Little League, Minor Leaguers and Farm team groups continue their schedule of games throughout the month of August. Results last week in the eight Minor League race were as follows:

August 10—Long Island National Bankers 3 Shoe King Sam 0. In this game Billy Ramos tossed a no-hitter shutout for the Bankers.

August 12—American Veterans Committee 10 Pan Am Pilots 2.

# Cougar Match For Red Mig-15

**BETHPAGE**—After a series of realistic "combat" tests in the San Francisco-Oakland Bay area, U.S. Navy Air Force officials are of the opinion that the Grumman F9F-6 Cougar jet can successfully compete on a par with any production-operational aircraft in use today, officials reveal.

The Cougars, flown by Navy pilots from the VF-24 squadron,

engaged in daily mock battles, going out to intercept F-86 Sabres from the 86th Fighter-Escort Squadron of Hamilton Air Force Base. Enthusiastic reports indicate that the swept-wing Grumman fighter proved a match for the plane that the Air Force used with great success against the Russian-type MIG-15 in Korea.

The series of Korean combat exercises proved invaluable to the two squadrons. Individual pilots gained experience and the squadrons themselves developed new

martial tactics which can be of great use in actual combat. Gun cameras taken on the missions were also very helpful in correcting mistakes and improving technique.

Not content with the Cougar's success, the Grumman Corp. is now well advanced in the development of a new light-weight, simplified fighter with performance far exceeding the Cougars, a spokesman told the Herald.

## Four Children Raise \$15.50

**HICKSVILLE**—Four children from Robert St. raised \$15.50 for the Sister Kenny Polio Foundation by doing odd jobs in their neighborhood last week. Mrs. Warren Odell made out a check for the nickels and dimes collected and sent it to the Sister Kenny Polio Foundation in Far Rockaway.

Marie and Diana Odell of 11 Robert St. and Kathleen and Michael Manfredi of 16 Robert St. earned the money by washing and other odd jobs in the neighborhood.

## Baking Concern May Locate Here

**OYSTER BAY**—A baking company and several other concerns wanted the property on Duffy Ave. near Jackson Ave. and the railroad depot in Hicksville but when they find out the property is in a residential zone they lose interest, Jake Scheiner told the Town Board Tuesday, Aug. 11. He asked the Board to rezone the property to an industrial zone.

Harry Moore, attorney for Scheiner, explained to the Board that there are large industrial plants on the north side of Duffy Ave. and there are "only 14 homes left". Many industrial plants are nicely landscaped and are a benefit to the community. He said there are homes on each side of the Scheiner property but felt that they would welcome the change as the other buildings there are only "a couple of old shacks".

"I'll have you know those old shacks are Township property for the highway department," Councilman Chlumsky jested.

## 5 Here Earn War Scholarships

**ALBANY**—Five Hicksville men have been awarded war service scholarships, it was announced this week by the New York State Education Dept., here.

They are: Thomas Evans of 114 Lantern Rd., Thomas Hogan of 77 Vincent Rd., Joseph Morris of 5 Gables Dr., Harold Simon of 19 Ash Ln. and Joseph Wolfson of 137 Third St.

The scholarship entitles the men to four years' training at any college or technical school of his choice in the state and pays tuition up to \$350 a year.

## Chamber Seeks Prize Slogan

**HICKSVILLE**—Numerous entries have been received in the slogan contest being sponsored by the Chamber of Commerce, according to Sam Pace, publicity chairman. A \$50 savings bond is being awarded for the first prize and a \$25 bond is the second prize. There are many other prizes.

Entries are asked to submit, in ten words or less, a compact description of "your ideal of Hicksville". The contest is limited to residents of Hicksville, and all entries must be postmarked not later than midnight Aug. 31, 1953.

The Board of Directors of the Hicksville Chamber of Commerce will judge the entries, and all slogans become the property of the Chamber.

Slogans should be sent to "the Chamber of Commerce, Box 401, Hicksville." Convenient blanks for contestants are now available in many local offices and stores. There is a supply at the Herald office, 98 North Broadway, next to the post office, Pace stated.
