Bug House March Sept 5 Features Comics, Floats

HICKSVILLE—The Bug House Comic Parade on Saturday night, Sept. 5, will provide laughter and entertainment for the entire family. The parade will start promptly at 8 o'clock from the high school on Fourth St. where volunteer firemen from all over the county will don weird and comic costumes. The parade route will be east on Fourth St. to Broadway, north on Broadway to the corner of John St. and Jerusalem Ave., south on Jerusalem to Maria St. and then east on Maria St. back across Broadway and to the firehouse.

The firemen's block party will be held the same evening in the public parking field opposite the firehouse with Robert Hamm and Larry Huttie in charge. There will be the awarding of five handsome trophies for participants in the parade, dancing to the music of Tony Bell's orchestra and the awarding of several prizes. Numbered receipts issued by vamps during the house-to-house canvass in June and July will determine the winners of several baskets of cheer. The party and dancing is free of admission charge.

Summer Vacations Ending

St. Ignatius Parochial School will begin classes on Monday, Sept. 14 in the Convent. The new Convent construction will probably not be completed before Thanksgiving.

The Trinity Evangelical Lutheran Parochial School will begin conducting classes Sept. 9 in the parish and basement of the church. Parents who wish their children to attend will fill out registration applications. Construction of the new school building may not be completed until Christmas.

The Jericho and Bellpage Schools will also open on Sept. 9.

Church after which they received the Papal Benediction. The Rev. George M. Bittermann was celebrant at the Mass. Mr. Koutensky is president of the Long Island National Bank.

Reception for a group of 100 friends followed at Anselmi's Restaurant in Bellpage. Among those present was Rev. Elwood Purick who was present at the wedding of Mr. and Mrs. Koutensky twenty-five years ago and members of their wedding party.

REPLY NOW DUE SEPT 10:

Delay Attorney Fee Answer for 3rd Time

HICKSVILLE—The Board of Education here has received an extension of time, the third one, to file its reply to a formal taxpayer complaint made to the State Commissioner of Education regarding the fee arrangement of the Board with its attorney. The complaint alleges that the fees are "excessive". The new extension in which to answer to Albany is until Sept. 10. First due on Aug. 7, the date had been extended at the Board's request to Aug. 21.

Lawrence A. Roman of Notre Dame Ave. who has made the complaint that the one-percent-of-bond-issues fee, sliding downward on the second and third millions, is "excessive" said today that the action has attracted the sympathetic interest of taxpayers in other school districts also.

East Meadow taxpayers argued unsuccessfully in Albany several months ago when the majority group in the school board there contracted with an attorney for a fee of one-half percent. The Hicksville fee arrangement is about double the amount East Meadow pays.

Roman protests that School Attorney Michael Sullivan has received \$38,000 in fees in the past four years and is slated to receive an additional \$40,000 or more on currently approved bond issues, plus an annual retainer.

The school board has engaged Charles H. Stoll, another attorney, to assist in the preparation of the formal answer for the State Commissioner. Following the filing of papers it is expected the matter will be argued orally in Albany before the Commissioner.

Adults Sign Up Sept 14, 15 For Fall Education Series

HICKSVILLE—Golf and Hy-Speed Longhand are among the courses to be offered in the Adult Education program this fall, according to Elery Bean, director. Registration for all the courses will be held at the high school building on Jerusalem Ave. on Sept. 14 and 15 from 7:30 to 9:30 p.m.

Hy-Speed Longhand is the use of abbreviated forms of longhand and speeds up to 60 and 80 words per minute can be easily attained. Hy-Speed Longhand is not shorthand or speedwriting. It has been successfully taught in schools throughout New Jersey and New York City, Bean said.

The course will be helpful to college students, office workers or anyone who wishes to wish an ab-

breviated form of writing in order to take notes. Arthur Knerr of the High School commercial department will be the instructor.

The Golf course will be conducted by Pat Naso who is also a member of the High School faculty. He is a veteran of about 20 years of golf experience in high school, collegiate and professional ranks. He has been assistant golf pro at Bellpage State Park for four years and was associated with the Lake Teton Club, Pike, N. H.

The course offers an opportunity to learn the game or improve your game if you are now "hacking."

School classes open on Sept. 9.

Plainview Limit On Kindergarten

PLAINVIEW—Students registering for kindergarten for the fall term at Mannett Hill School totaled 180 on Aug. 14. As a result of this registration increase, Robert E. Tuttle, Principal, announced, enrollment has been limited to 180 pupils.

A waiting list has been formed, and kindergarten child who accumulates a total of ten illegal absences—not altogether in one period—will be dropped from kindergarten register.

School classes open on Sept. 9.

Give Greek Aid Thru Red Cross

MINEOLA—Elisha Dyer, Chairman of the Nassau County Chapter of the American Red Cross, reiterated today that Nassau residents can best help the Greek people who are suffering from earthquakes by donating funds.

Nassau Red Cross will immediately forward any local fund contributions to the Greek Red Cross Society. Dyer's announcement revealed that an estimated 120,000 people were homeless.

No clothing is needed as the Canadian Red Cross has supplied these needs from stock-piles in Geneva.

Ruth March Wed Sunday

Miss Ruth March, daughter of the late Mr. and Mrs. Willi March of Hicksville, became the bride of Joseph Walenta, son of Mr. and Mrs. Wenzel Walenta of New Hyde Park, at St. Stephens Lutheran Church on Sunday, Aug. 23 at 3:30 p.m.

Escorted by her godfather, Ernest Tauber of New Hyde Park, the bride wore a nylon net gown with a strapless bodice, a bountiful floor-length skirt, and a lace-trimmed bolero. Her fingertip veil fell from a Queen Elisabeth crown of rhinestones and beads, and she carried a cascade bouquet of gladioli.

was the matron of honor. Carrying a cascade bouquet of peach gladioli, she wore a lavender nylon net gown with a strapless bodice and a stole, and a flowered cap. Charles Walenta, the bridegroom's brother, was the best man, and the usher was Ronald Holmes, the bridegroom's nephew.

There was a reception at the Wheatsley Hills Tavern at Westbury, then the newlyweds left on a month's honeymoon trip in Florida. They plan to reside temporarily in Hicksville.

**Marine Movies At Rotary Club**

JERICHO — A movie on the role of the Marine Corps in the Korea War was presented for members of the Hicksville Rotary Club at a luncheon meeting at the Milleridge Inn, here. Sgt. Kander gave a brief history of the Marines in World War II and presented a book, "The Marine War" by Fletcher Pratt to Rotary.

Dr. Joseph LaFlare responded to the speaker.

FORT DIX, N.J. — Army Pvt. Richard R. Swain, 28 Murray Rd., Hicksville, recently graduated from the eight-week Leadership Training Course

Dear Jean:

It will be East Redway night, Aug. 26, at the performance of "Night in Venice" at Jones Beach, the first Nassau community to have a night dedicated to itself. Perhaps it again demonstrates the community spirit of incorporated villages since we note that Village Clerk SPENCER M. SCHRYVER is in charge of the village ticket sale with a reserved block of 100 seats. . . . A traffic signal is being installed at the intersection of Levittown Parkway and Hempstead Ave (Dutch Lane). Now all we need are the street lights, so very long over-due, from Old Country Rd. to the Township boundary line. . . . L. I. Daily Press added to the confusion last week by saying flatly (an inaccurately) there will be "no public hearing" on the Hicksville incorporation question. As the Herald has stressed over and over again, the hearing on Sept. 17 before Supervisor CHARLES RANSOM in Hicksville Courthouse (and it will be a hearing) will be on the petition itself. Daily newspapers have been busy about a hearing before the town board, etc. . . . Rev. DOUGLAS MacDONALD and EARL JONES are new members of the Hicksville Rotary Club. . . . Nassau and Suffolk beekeepers were invited to visit the OSWALD KALFUR apiary Sunday afternoon in Plainview to inspect the bees at Florals and Oak Drive and discuss beekeeping problems. The office punster hopes "nobody got stung". . . . Fireworks were missing from the Dell Assunta floats at Westbury this year because the society could not find a suitable site where the display would be permitted.

Members of Hicksville Kiwanis were told at their meeting by HOWARD WOOD of the L. I. Home Builders Institute that \$60 million in housing was built in the Town of Oyster Bay during 1952 and 30 per cent of that amount was constructed in Hicksville. . . . The Levittown Press, successor to the Eagle, is getting all excited, editorially, about the possibility of a vote on incorporation of Hicksville, which is of course another good reason why we should have a vote on the question. We hear a youngster was apprehended in the midst of considerable damage in one of the new schools of the district last week. Couldn't wait until Sept. 9. . . . Hicksville Theatre is having big free "Back to School Fun Show" on Friday Sept. 11 from 9 to 11 A.M. including free ice cream and prizes.

There's two new additions at the MORRIS PHILLIPS home in Forest Hills. Mr. Phillips is proprietor of Millerville Shoes at 113 Broadway, Hicksville. The twins are two parakeets—Happy and Lucky.

HILLSIDE TERRACE:**Civic Assoc Fall Dance on Oct. 3**

By Ernest F. Geesey
Hicksville 3-2236

The Grasshoppers Hop, organized for the relaxation of all the Hillside Terrace grasshopper's is scheduled to take place Oct. 3 at the Legion Hall on E. Nichols St. The entertainment committee decided in favor of the Legion Hall because all of the facilities are available from one source.

I doubt that the evening will be as warm as our Spring dance, unless we have an unusual October evening. Here are Betty Sinisi's own words on her feelings about the fall dance:

5-10-5, 10-8-4,

Don't mention those words anymore.

In spite of it all the grass is still alive.

So put away your mower,

And come out and Jive

At the Grasshoppers Hop.

The sale of tickets for this gala event will be limited to 180 people, and no tickets will be sold at the door. The last day of ticket sale will be Friday, Oct. 2, which is the day before the dance. Hillside Terrace residents will be notified and contacted at their homes when the tickets go on sale.

The Dartmouth Drive Monday Night Coffee club get together was held in our home Aug. 10, and Ruth produced my two favorite cakes, Marachino Cherry and Cream Chocolate with Mint Icing. I think they turned out to be favorites for the DeLormes', Warren's, Tretter's, Bloustein's, Peck's, and Berkowitz's, also, because there wasn't much left to store. That pleased Ruth.

Monday night Aug. 17 the Coffee Club get together was held at Bea

and Abe Peck's, 114 Dartmouth Drive, and quite a gay evening and gab session developed for the folks. Present for the wonderful coffee, cake and discussions were the Gerchik's, Bloustein's, Peck's, Pronovitz's, Ruip's, Corchnoy's, Berkowitz's, O'Donnell's, Warren's, Kamen's, Frimmer's, Drury's, Giacquinto, DeVincenzo's and myself. Ruth was ill since Friday afternoon and couldn't make it.

A few of our neighbors that recently returned from their vacations are the Hardy's who vacationed in Boston and visited relatives. Mary and Ed Pronovitz went to one of the resorts near Kingston.

Betty Sinisi's mother, Mrs. Francis Millard, flew in from Chicago on United Airlines DC8 on Aug. 15 and will be visiting Betty for the next three weeks.

Tony and Barbara Buff at 117 Havertford Road have just sold their home and will be moving to Pennsylvania, probably in Bucks County. Sorry to see these two wonderful folks leave, but good luck to you both.

By JUDY de JONGH
Hicksville 4-1813

Welcome home to Corporal Herbert Clemenz, son of Mr. and Mrs. Herbert Clemenz of 11 Marginal Road. Cpl. Clemenz is on a 30 day leave from service in Korea, and expects his discharge in a few months. The homecoming was mighty important for the family, and the Clemenz' had their home

beautifully decorated for the event. Congratulations to Catherine Verk, formerly of Benjamin Ave., who gave birth to a bouncing boy on Aug. 11, at South Side Hospital, Bay Shore. Little Kenneth Charles weighed in at 8 lbs. 8 ozs.

Last week's column reported the bridal shower held in honor of Miss Marie La Magna as being given by a group of her friends. As an apology, this reporter would like to state that the shower was given by Miss Dorothy Boudreau of Clarissa Drive, and not as previously reported. Please forgive me, Miss Boudreau.

The Herman Apollonios of 92 Benjamin Ave. had as their house guest last week, Mrs. Molly Casarino of Brooklyn.

Mrs. W. Hartley and her daughter, Helen, of Fort Valley, Georgia, are visiting at the home of another daughter, Mrs. Barnett of 11 Clarissa Drive. Miss Hartley, who is a teacher in Georgia, is attending Columbia University for the summer months.

The Art Scheriffs of 78 Benjamin Ave., who are on vacation, are spending part of their time visiting the home of Mrs. Scheriffs parents, Mr. and Mrs. William Kohlman of Staatsburg, New York.

Republic Hires 2,250 Workers

FARMINGDALE — Republic Aviation Corp. here reported that it has hired 2,250 new employees since an expansion drive on Aug. 1 and will continue to engage additional workers indefinitely while it brings its new sweptwing Thunderjet jet fighter-bomber to peak production quotas extending into 1955.

The firm's total employment on Friday stood at approximately 23,000 persons, about one-third more than worked at the big plant here at the high point of World War II.

Mundy I. Peale, president, said the company hopes that more than half of the new workers will be women, preferably residents of Nassau and Suffolk counties, because of the "very satisfactory results" achieved by women workers with the company during the war. He said women between the ages of 21 and 40 who are willing to work on either day or night shifts are especially needed for riveting and assembly jobs on the new airplane which is to be supplied to the U.S. and its allies in large numbers.

CENTER CIVIC COMMENTS:

Waiting 3 Weeks for CD Probe

By GEORGE McCARTHY

Three weeks ago, the State Director of Civil Defense ordered a full investigation of the condition of this Hicksville controversy, and as yet there has been no action from Ryan and Company. How long does it take to start an investigation, or to meet with and discuss the problems of the opposition? Certainly not three weeks.

The most obvious conclusion we can draw, is that our high-priced director, Mr. Ryan, needs time to fabricate a good story with which to "pull the wool" over a poorly served public eye. Nassau County V. D. has a budget of \$100,000 annually, and all we the taxpayer can see is it is a group of high paid officials and errand boys. Other cities and counties comparable with Nassau can show emergency equipment purchased with this money, but all we of Nassau County can see is inefficiency.

We were promised an investigation by the state director of C.D., and we of Center civics applauded this move. We felt that at last the public would learn what was going on. Instead of a healthy airing of the situation, Mr. Ryan chose to hide behind a "top secret" report. What is he afraid of? We have offered to meet with county C. D. officials and discuss our many points of arguments, but county officials shy away from it. We as taxpayers, the people who pay your salary Mr. Ryan, feel that we should receive at least some of your time and effort. Earn at least part of your salary by meeting this problem openly.

Now that we know about the power our national enemy has, civil defense must be strong, it must be ready, and it must be led by people who command the respect and support of the com-

ADDITIONS

Additives for crankcase oil and gasoline have been giving motorists better car performance the last few years. There are additives which are added to the oil and gasoline at the refineries, but more commonly known are those which are bought directly and applied at service stations. Most oil additives have two properties: toughen the film strength of the oil or deposit some protective film on the cylinder walls and other moving parts, and they help to keep in suspension in the oil, gum varnish and other products of combustion so that these are not deposited where they may cause trouble. The gasoline additives are more varied in their properties: some pick up water in the gasoline tank, fuel pump and carburetor bowl and carry it thru the engine. Some do this and, in addition, dissolve the gum that may form along the fuel system from tank to intake valves. Some help to lubricate valve stems and upper parts of cylinder. They help to keep piston rings free, thereby increasing power output of engines and cutting down oil dilution and carbonization. This means less engine wear. So, for better performance all around ask your station for an upper cylinder lubricant for your gas tank and an oil additive for your crankcase. It won't be long before you'll note the difference in the running of the car. An engine using additives will outlast one which does not. And that's a proven fact. Your friendly Texaco Dealer, Broadway Service Station, Broadway and James Street, (next to Post Office), HI 3-9702.

I was in Dr. Levin's office trying to look devil-may-care and unworried (and doing a poor job of it) when something struck me. Not one of the small fry was afraid to go in—and they all came out smiling. Maybe it was the weather or Herb's winning ways with children, but I decided if the kids could do it, maybe I could go in and have my teeth fixed without having nervous prostration.

After the summer, when we seldom get to see each other for one reason or another, it will be good to get together again at the Civic Association meetings. The first one is being scheduled for early September. The Executive Committee will petition the School Board for a School Bus Stop within the community so that the children will not have to wait on Hempstead Turnpike. I wonder how Til Gaines feels when, as a member of the RPCA Executive Committee, he sends in a request to himself as a member of the School Board. Dr. Johnson, the new Supervising Principal, is slated to speak at the October meeting. Incidentally, the School Board is reviewing applications for business manager of the District.

Frank Casey was grounded in Paris during the recent general strike. He is now quite ill, and Ella has flown overseas to be with him. We really miss that big black seagull of his, so best wishes for a good recovery and a speedily return home.

Child Hurt in Bicycle Accident

By DOROTHY GUELPA

Joan Kessler, age 9, of Centre Court was rushed to Nassau-Suffolk Folk Hospital in Copiague on Wednesday, Aug. 19, suffering from a severe cut in the upper part of her leg. She was riding her bicycle and ran into a parked car near the Broadway School.

Roberta Burlison carried her home and on advice of the family physician, she was taken to the hospital. She required seven stitches but was allowed to come home the next day.

CELEBRATES BIRTHDAY

Beatrice Guelpa celebrated her 9th birthday on Thursday, Aug. 20, with some of her friends coming in for ice cream and cake. Those who helped her celebrate were Joseph, Larry and Bobby Gest, Judith Beckel, Pamela Galvin, Kevin McNamee, Arthur Kessler, her sisters Helen and Rosemary and her brother Frank. Barbara Beckel enjoyed her refreshments at home in bed where she was recovering from a virus infection.

Joan Kessler also had her party at her home where she is resting after her bicycle accident.

Beatrice's grandmother, Mrs. Leo Guelpa and her aunts and cousin, Mrs. George Dick, Mrs. Carmine Petrone and Kathleen Petrone, were on hand for the

fun.

On Wednesday, Bea's great grandmother, Mrs. Joseph Hare and her great aunt, Mrs. William Klein of Garden City, drove out to see her.

Mr. and Mrs. Frank Lewis and their son Franklin have returned from a two week vacation spent in Atlantic City. On their arrival home they entertained Mr. and Mrs. John Beckmann and their children, John and Ellen, for a week in Bethpage.

Mrs. Anthony Ratto of 21 Cambridge Ave wishes to express her appreciation to her neighbors and friends who have been so kind and helpful during her son's illness. Anthony, age 8, was stricken with rheumatic fever two weeks ago and has consequently taken a lot of care. The offers of assistance have been overwhelming but most of all, the efforts of the children have been endless. All the children on the block planned a variety show and made about \$2 profit. With this money they have been buying one present a day and bringing it to Anthony early every morning.

School Time Will Arrive Soon

By MIRIAM GUIDO

LE 9-8214

It's hard to believe, but that evening nap in the air is the clincher—school time is a-coming! The kindergartners start Sept. 9th, and all the others Sept. 10th in the Plainridge School District.

I was in Dr. Levin's office trying to look devil-may-care and unworried (and doing a poor job of it) when something struck me. Not one of the small fry was afraid to go in—and they all came out smiling. Maybe it was the weather or Herb's winning ways with children, but I decided if the kids could do it, maybe I could go in and have my teeth fixed without having nervous prostration.

After the summer, when we seldom get to see each other for one reason or another, it will be good to get together again at the Civic Association meetings. The first one is being scheduled for early September. The Executive Committee will petition the School Board for a School Bus Stop within the community so that the children will not have to wait on Hempstead Turnpike. I wonder how Til Gaines feels when, as a member of the RPCA Executive Committee, he sends in a request to himself as a member of the School Board. Dr. Johnson, the new Supervising Principal, is slated to speak at the October meeting. Incidentally, the School Board is reviewing applications for business manager of the District.

Frank Casey was grounded in Paris during the recent general strike. He is now quite ill, and Ella has flown overseas to be with him. We really miss that big black seagull of his, so best wishes for a good recovery and a speedily return home.

Miss Ruth Benoit Becomes Bride Of Levittown Man

Miss Ruth Benoit, daughter of Mr. and Mrs. Charles C. Benoit, 100 Alexander Ave., Hicksville, became the bride of Nicholas Baranell, son of Mr. and Mrs. Nicholas Baranell, 133 Blacksmith Rd., Levittown, on Saturday, Aug. 22, at St. Ignatius R.C. Church, Hicksville, at 4 p.m.

Escorted by her father, the bride wore a bell-shaped-length gown styled with a lace bodice, a stiff collar, short scalloped sleeves, and a boudoir net skirt. Net mitts, and an elbow-length veil falling from a small lace cap completed her outfit, and she carried a prayer book with orchids and lilies of the valley.

Mrs. Chester Engvoldsen, of Farmingdale the bride's sister, was the matron of honor. Wearing a lavender nylon net strapless gown with a stole, she had net mitts, a flowered head piece and carried a colonial bouquet of yellow roses.

Six Ministers Participate In Irma Clayton Wedding

Six ministers participated in the wedding ceremony uniting Miss Irma Clayton, daughter of Rev. and Mrs. Cranston Clayton, Nelson Ave. and Old Country Rd., Hicksville, and George W. Kaslow Jr., son of Rev. and Mrs. George W. Kaslow, of Minneapolis Minn. The wedding took place in the Methodist Church, Hicksville, at 5:00 p.m. Sunday, Aug. 23. The ceremony was performed by Rev. Clayton with the assistance of Rev. Kaslow.

Escorted by her brother, Rev. James W. Clayton, of Stonybrook, the bride wore a floor-length gown of French lace and nylon tulle over satin. Her fitted bodice had long sleeves and a mandarin collar, and her fingertip veil fell from a lace cap which matched her gown. She carried a cascade bouquet of white rose buds, stephanotis, and gladioli.

Her sister, Miss Mary Jean Clayton, as maid of honor, wore a shrimp gown with a satin bodice, a waist ruffle, and a bouffant nylon tulip skirt. Wearing a matching

headband, she carried an old-fashioned bouquet of yellow gladioli.

The bridesmaids were Miss Patricia Clayton, the bride's sister, and Miss Janet Weiler, of Hicksville. They wore peacock blue gowns like the maid of honor's with matching headbands and carried old-fashioned bouquets of peach gladioli.

Rev. Herman L. Kuster, of Dover Plains, N. Y., was the best man, and the ushers were Rev. Delton Kruger, of Madison, N. J., and Rev. Stanley G. Banks, of Narrowsburg, N. Y.

After a reception in the social hall of the church for about 60 guests, the newlyweds drove to Niagara Falls for their wedding trip. They will reside in Morristown, N. J. while they attend Drew University in Madison, N. J.

Current Comment:

Eyes of Nassau Watching Us

By Fred J. Noeth

THE EYES of most of Nassau County are upon Hicksville and its current efforts to win home rule thru incorporation of its local government. There are a number of large unincorporated hamlets, some almost as big in population as Hicksville, which are also keenly interested in getting the benefits of having their own municipality.

Members of the Hicksville Home Rule Committee, from time to time, have received requests to appear as speakers or to provide literature for interested civic leaders in Wantagh, Elmont, Massapequa, Plainview and Roslyn area.

The procedure of bringing the question to a vote is complicated and requires determination. This, in itself, partially explains why there have been few successful efforts to establish new incorporated villages in recent years. At one time, we are told, a community had the automatic choice of incorporating when it reached a certain minimum population. The fact that the petition was completed—a tremendous task which could only be accomplished with the active interest of a large portion of the community in such a cause—is a considerable achievement as we have said before. We believe it is an achievement which deserves the further privilege of getting a referendum vote of all the people on the question.

In the past week since the petition was placed on file as a public record at the Hicksville Courthouse, where it will remain until the hearing before Supervisor Charles E. Ransom on Sept. 17 in the same building, there have been only two people interested enough to look at the petition. Those who are for it, obviously, since they run into the thousands, know what the petition looks like.

Supervisor Ransom requests that emphasis be placed upon the sections of the Village Law relating to the proceedings at the Sept. 17 hearing. The excerpts quoted by him stress "all objections must be in writing and must be signed by one or more resident taxpayers." Further, the grounds for objection are clearly stated:

- That a person signing the petition is not qualified.
- That the persons signing such consent (petition) are not the owners of one-third in value of the real property of the territory.

- That if the consent purports to be signed by one-half or more of the resident property owners, that those signing do not represent one-half. (This alternate form of petition is not being utilized by the proponents.)

- That if the area is more than three square miles it is not the same boundary as an entire lighting, fire, water or school district. (School district line is being used).

- That the area has a population of less than 500.

It can be readily seen, that only points one and two can possibly be utilized at the hearing. It now appears that the hearing will be pretty much of a routine affair, a preliminary to the setting of the date for the vote by Supervisor Ransom.

Advice For Levittown Hall

As long as the Oyster Bay Town Board has decreed that Levittown Hall is to be supported with tax funds, we should all be interested in its operation. There is currently a dispute over whose advice for the operation of the hall is acceptable to the manager of the hall. It should be noted that the manager is on the Levitt payroll and is responsible only to Levitt. Some time ago a number of residents were invited to join the Levittown Hall Advisory Council for the purpose of advising the manager on operation of the hall. Some time later, the Levittown Civic Council also began to give him advice.

One Big Happy Family

As long as the advice of both groups was substantially the same, and it agreed with the manager's ideas, it was like one big happy family. But when their advice differed, there was a slight problem for the manager on which advice to accept. It was only a slight question. Accept the advice which happened to agree with what he wanted. After all, he is under no obligation to accept anyone's advice.

Levitt Still The Boss

Suppose both groups differed substantially from the manager's viewpoint, what would be likely to happen? Well, there is no reason to believe that the manager would operate the hall any differently than his boss and owner of the hall would want it run. If the difference was sharp enough, it's pretty certain that both groups would be turned down flat. After all, it is Levitt's hall and he can run it in any fashion he pleases.

Levittown Steering Committee

Something to be remembered is the activities of the Levittown Steering Committee and the manner in which the Oyster Bay Town Board set up the joint district to operate the swimming pools and Levittown Hall. The members of that late and unlamented committee should now be able to see how much influence any Levitt-appointed committee really has. As long as they agree with the boss, they are the king pins. But let them depart from his policy, and out the window they go. The Steering Committee served a useful purpose to Levitt by giving his demands on the politicians some semblance of "overwhelming" public support. What fools they were! Does anyone really think it was the Steering Committee that put over the joint district deal? Certainly it was a factor, and it suited Levitt's purpose well, but it was only a puppet committee. What happened to the Levittown Hall Advisory Committee when it disagreed with Levitt's man, should make it clear to all who serve on Levitt-appointed committees what happens when a puppet tries to achieve independent motion.

Joint District Fiasco and Home Rule

The one thing that aroused the people to the need for their own local government was the preemptory establishment of the joint district for operating the swimming pools and Levittown Hall. The remote control government in the form of the Oyster Bay Town Board having only a politician's interest in the affairs of Hicksville found it expedient to bow down to Levitt's public demands to take the pools and hall on his terms or not at all. This was even in the face of an overwhelming vote against such action. It showed how a governing body far from the scene can get far off base in determining the desires of the people. A local government made up of local people, and elected local people, would stand for no such nonsense from Levitt or any other developer.

Dark Cloud Has Silver Lining

Every dark cloud has its silver lining, according to an old saying. Perhaps in the long run Levitt's watertank methods and the Town Board's humble acquiescence was indeed a "good thing" for Hicksville. It certainly awoke the people to the fact that the present system of government is not suitable to their needs. It told them in no uncertain terms that the time has come to establish a forthright local government who can understand their needs and who will stand up for their rights without flinching.

Incorporation Is a Popular Movement

The campaign to incorporate Hicksville springs from the people themselves. They have seen the inadequacy of Hicksville being a hamlet, perhaps the largest hamlet in the state or county. There are no professional politicians, or even prospective politicians, behind the campaign. It is very simply an expression of the people that they want a real voice in the conduct of their affairs. And we can see that the real progress in this campaign.

Afraid of Public Vote?

Who's afraid of a public vote on incorporation? The determined efforts of Ernie Franckie, and his anti-home rule committee to prevent a public vote show that he is afraid. Why is he afraid? That's easy! Incorporation might well be the choice of the people, and that would be the end of Ernie's up-to-now affluent position in the Nassau County political machine. Unfortunately for Ernie, what is best for Hicksville doesn't seem to fit into the scheme of things for the county bosses. To retain his high standing he must necessarily be against his own community achieving the status that it so richly deserves.

"What! Taxes take 30¢ out of every dollar of my phone bill?"

Surprised? Yet it is true that in New York State the tax total averages 30 cents on every dollar that you pay for telephone service.

Nearly half of this is for Federal excise taxes and sales taxes. These are

direct taxes which we collect from you and turn over to the government.

On Long Distance calls, for example, the Federal excise tax is 25%—higher than the excise tax on luxuries.

It is 15% on local telephone service and on out-of-town calls costing less than a quarter.

These direct taxes, plus the taxes the company itself pays, add up to a tax load five times as big as in 1940. They are the highest per telephone of any state in the country.

Taxes are necessary, and we all expect to pay our fair share. But we did want you to know how much they add to your monthly telephone bill.

How Telephone Company costs have gone up since 1940

Lead up	171%	Cable up	105%
Poles up	137%	Raw cotton up	238%
Copper up	135%	Buildings up	106%

yet phone service is up an average of only 15%

— more for some, less for others, of course, depending on the type of service and the use made of it.

NORTH WEST NOTES:

Invite Speaker on Home Rule

By JAMES CUMMINGS

Lawrence A. Roman informed your reporter that he is in receipt of a letter from Herbert Johnson, President of the Civic Assoc., dated Aug. 18 inviting him to speak before the membership at a special meeting scheduled for Friday evening Sept. 18th. The tentative meeting place has been set for Burns Ave. School, but may be changed.

The Civic Association Executive Board has decided to remain neutral in the discussion, thus has been a policy set by the present administration. The question of going on record for or against incorporation was tested during George McCarthy's tenure but was blocked by a certain group who until recently did not think that the question would even be brought to a vote. Well, thanks to hundreds of residents in NW area and throughout Hicksville who signed the petition the vote will take place. Up until that time they avoided the issue with the hope that the Home Rule volunteers would not get the required amount of signatures.

The meeting has been set for the day after the Supervisor's hearing on Sept. 17 here in Hicksville. May-be certain people expect that the Friday meeting won't be necessary but the people know different. A minority cannot hold back the wishes of the thousands who have

signed for a referendum to be held to decide the question. Mr. Roman will speak for the proponents of incorporation, the opposition may call on their one and only speaker, the political boss of Hicksville, County Clerk Ernest F. Francke. These comments as always are those of the writer.

Regarding the setting of this date, I personally would object in that Friday evening is a busy night for many people shopping etc., and would heartily recommend a change to another night if proponents and opponents would get objective. To all residents, old, and new, you are urged to make it your business to attend this Special Meeting so that you may hear both sides of the discussion, which as I understand will be a question and answer period limiting both speakers.

For complete coverage of this important local question which is being watched throughout the County read the HERALD each Tuesday and Friday.

We cannot pass on it since another assignment kept us from attending, but we can report the reaction from the 1-0 win Roy Stephenson and Post City recorded over Huntington and Joe Smith for the Long Island ASA crown has soured everyone on the tourney.

Huntington had two runners on base in the fifth inning when a wild pitch was uncorked. The runner broke from third but before he reached homeplate he collided with Stephenson who did not have the ball. By the time he recovered he was tagged out by another Post City player.

The losing team protested that Stephenson blocked the plate without having the ball but you know the result.

This matter did not come in print in any of the daily sports sheets supposedly serving the Island but the outrage of the fans attending has spread throughout both counties.

We mention it as a yardstick for those in Hicksville who have taken issue with us because we have at various times indicated in these matters how hard it is to get the big call.

Under similar circumstances, it seems to happen to others too.

Botto defeated Meenan Oil at Jones Beach Sunday and along with Levittown appear certain of playoff berths if there are any.

The indications are that the Beach league will forsake its intended four-team playoffs now that Post City is expected to be in Rochester for the Regional ASA play-offs.

Ken Sommers and Brian Masterson most likely will be in the Post City uniforms over the Labor Day weekend.

Edward J. Farrell of the Frank Homes has challenged John Econopouly and his Suburban Homes, Plainview, neighbors to settle the issue as to which sector has the best softball ability.

This is the formal notice of challenge and the two squads will meet Sunday, 2:30 p.m. at the high school.

We know this is championship time in softball but won't vouch for the calibre of the players, although it is believed that a shrewd investor might better his lot were he to open a rubbing alcohol stand near the field.

It is difficult to name a favorite but John is confident that with his ace Allie Reynolds on the mound he will lead his neighbors to victory.

The Hicksville Community Softball League playoffs get underway at the high school tonight (Tuesday) with Maywood and the PBC out to break their 11-3 tie for the regular season trophy which is on display at the Mid-Island Herald.

Maywood prevented the PBC from clinching the title last Friday with a 4-3 win as Steve Ruggiero's lads made five glaring errors behind him.

Once that is settled the loser of tonight's game comes back tomorrow (Wednesday) and faces Breen's in the first post-season playoff round.

The winner of the Maywood-PBC outing meets Empire on Thursday and the two victors fight for the league bunting Friday night.

Shoe King Sam Winner of NWLL Minor Crown

By RAY De CHESTER

Saturday's windup game at Salisbury Park proved to be the deciding one in the Northwest Little League Minor League division. With both teams in a virtual tie for first place, Shoe King Sam defeated the Long Island National Bankers 10-6 in one of the most exciting games of the season to capture the championship.

Two weeks ago the Professionals won the NWLL Major League Pennant for the second straight year, and although the scheduled games in both divisions have now been completed, it is only the beginning of plans for next season's play.

President Jack Green announces that an important meeting of the Managing Personnel of the Northwest Little League will take place during September. This year over 300 youngsters played regularly scheduled games throughout the Spring and Summer and all indications point to the necessity of providing recreation for an even larger number during the 1954

season. Additional Managers and Coaches will be needed, also Umpires.

Parents are cordially invited to attend the League's next general meeting. Time and place will be announced in the near future.

The Northwest Little League wishes to thank all the team Sponsors for their co-operation and support. The Organizations who have performed a real public service in lending their financial assistance to Little League in our community are as follows: Boos Bros. Nursery, Greater Nassau Realty, O'Donnell Movers and the Professional Men of the West Village Green, also the Long Island National Bank of Hicksville, Shoe King Sam, a group of Pan American Pilots, and the American Veterans Committee of Hicksville, and last but not least the Roosevelt Raceway who sponsored the Farm teams.

ALONG WOODBURY ROAD:

Now Comes Kartoffel Kloese

By MAY MALIEAN

HJ 2-5515

As one writer of this column said to the other writer, "It's a long time between Sour Brautens and Kartoffel Kloese." I can just picture those interested parties, having prepared Sour Brautens in our last column a week ago await the Kartoffel Kloese in the two part installment. Hungry???

To offer an apology, and we owe one, I had my Tuesday column all written out and went on a trip to Asbury Park with the manuscript. This eliminated Tuesday's work of art. Having left said column in said place upon arriving home, we phoned to have copy mailed. This mailing arrived much too late for deadline Friday. Therefore we have suffered our first two absences since we have written for this chronicle. I hope you forgive our situation.

Now that we know definitely that Russia has exploded an H Bomb, it would be timely to take an interest in civilian defense. This section, in particular—the fastest growing section of Hicksville—the northeast—has but a handful of CD workers.

Getting to lighter discussion, the Sepanskis of Ardaley Gate are now driving a newer car, a Nash, in Hillside Terrace. . . . The Regans of Ketcham Ave., Woodbury Gardens have returned from a three day pass at Lee, Mass. . . . Bella Carter, mother of Mr. Carter, of Ketcham Ave., and Mr. and

Mrs. Conley and children, from South Carolina, are visiting the Carters of Ketcham Ave. . . . Know that all the columnists of the Herald will be writing about their happy time at Fred and Evelyn Noeth's home . . . Therefore we will make no comment except that Mary Haughey will make a most beautiful bride, after leaving the employ of this paper as assistant editor. . . . I met most of the columnists I hadn't met so far, including Marge Kera, John Dowling, but I was disappointed that I didn't meet Rae Cantilli and Ernie Gosay. . . . I renewed my acquaintance with Jim Cummings and Bunny Lauer which was most pleasant. . . . Fred Noeth does have a most charming assemblage at his reader's disposal. . . . Enjoyed sitting and talking in the kitchen after the party with the Vryns and the Noeths. . . .

By the time you read this Woodbury Gardens Softball team will have played Belmont Homes, Sunday. I hope we had better luck than the last encounter. Next Sunday they will pit themselves against Vidal Homes. Woodbury Gardens team needs a pitcher right quick, and it needn't be a married man—your younger fellow who lives in the development will be welcome. Also welcome would be as many rooters as possible to help the team win. Apply at the Jerusalem Ave. High School ball field. Pitching aspirants see Frank Hamilton.

Ruth Mecklenburg's aunt and uncle, and Mr. and Mrs. Sam Sheres, surprised the Mecklenburgs Sunday with a visit. They are here from Ridgewood. I always knew Al Mecklenburg was a great guy, but did you know he is a great uncle? His great niece and great nephew came to visit Sun-
