Bethpage Post Office Moves to New Building

BETHPAGE—The post office is now located in its new building at the corner of Central and Park Aves., here. The office opened for business at the new address on Thursday, Aug. 27, and all equipment was moved into the new building by Saturday. James Klingelhofer, postmaster, said the new office has double the floor space of the old address on Broadway. There is also additional facilities in the vicinity of the new building for automobile parking than were available at the old location.

3 Girls Help Polio Fund Appeal

HICKSVILLE—Three little girls contributed \$7.00 to the Sister Kenny Polio Foundation drive by selling books and comic books. Patty Krywak of 135 Bay Ave., and Judy and Marjorie Wagner of 14 Herman Ave., proudly presented the money at the Herald office on Friday, Aug. 28.

Local housewives have also joined the fund drive, and contributions since last Wednesday, Aug. 26, have jumped from \$23 to \$665.88 as of Friday, Aug. 28, announced Mrs. John E. Fiedlerlein, chairman of the drive. Those wishing to contribute to the fund should send their donations to Mrs. Fiedlerlein, 95 East End Ave.

Free Show for Kids This Friday

HICKSVILLE—A free Back-to-School Fun Show will be given for the children at Hicksville Theatre this Friday, Sept. 4, Charles Kastner, manager of the Playhouse announces. There will be an early bird show at 9 a.m. and another show at 11 a.m. Children who are accompanied by an adult may obtain tickets for the party at Susan-Joy Shop, Millerville Shoes and the Playard, sponsors of the party.

Stage entertainment will be presented, and children will receive free prizes and free ice cream, Kastner said.

Chamber Opens Marie St. Office

HICKSVILLE—Headquarters of the Chamber of Commerce have been established at 7 West Marie St., room 9, and these facilities will be available on Sept. 9, the Board of Directors announce. A permanent secretary will be available between 9 a.m. and 1 p.m.

The Board met at the Milleridge Inn in Jericho on Aug. 26. President Al Schachner announced the appointment of George Pappaport as attorney for the Parking Committee. The committee is active in seeking desirable parcels of land for local parking.

The Slogan Contest will be extended to Sept. 30 to enable summer vacationers to participate. At that time \$100 in prizes will be given away for the most appropriate short slogan depicting our community. A slogan example is: "Hicksville, Industrial Center of Long Island," etc. Entries are to be mailed to the Hicksville Chamber of Commerce, Box 401. Contestants may submit one or more slogans.

Cite Local Marine for Heroism

BROOKLYN—One of the nation's top-ranking military awards, the Bronze Star Medal, was presented here Aug. 24 to Marine Private First Class Stanley W. Crowley, 22 of 94 Cherry Lane, Hicksville.

The citation accompanying the coveted medal, given for heroism in action, read as follows:

"When the unit to which he was attached engaged the enemy in close combat, he was painfully wounded but expressed complete disregard for his personal safety and delivered accurate, killing automatic rifle fire on the hostile forces. His fearless action pinned down the enemy, thereby making possible the immediate evacuation of his wounded comrades. When the enemy withdrew, he was again subjected to heavy enemy mortar fire while assisting in the evacuation of the wounded. Only after the other casualties had been treated did he permit personal treatment for his wounds. PFC Crowley's heroic actions served as a constant inspiration to all who observed him and were instrumental in saving the lives of his fellow Marines.

Before entering the Marine Corps, he attended Huntington High school. His mother lives at the Hicksville address.

The award was presented by Col. Kenneth Benner, Commanding Officer, Marine Barracks, New York Naval Base, here.

BACK TO SCHOOL NEXT WEEK:

73 New Faces in Faculty; Expecting 6,000 Pupils

HICKSVILLE—When classes resume for 6,000 public school students here on Wednesday morning, Sept. 9, elementary pupils will find sessions begin at 9:20 AM for those on full-time basis, according to Dr. E. H. LeBarron, superintendent of schools. The full-time school day will end at 3:20 PM.

The late start of the full-time day is set, Dr. LeBarron explained, to allow bus operators more time to round up those eligible to ride and bring them to the various buildings.

Children attending on so-called double sessions will start at 8:15 AM, attending until 12:05. The afternoon sessions start at 12:20 and conclude at 4:20 PM.

Senior high school will start at 7:45 AM and conclude at 12:30. Junior high starts at 1 PM and ends at 5 PM.

There will be 73 new faces among the 230 teachers in the Hicksville public schools for the fall term, including 20 replacements since last term. Dr. LeBarron said this week that all faculty positions have been filled with three exceptions. There are no changes in the administrative staffs of principal assignments to schools. During the summer, John Miller joined the system as administrative assistant to Dr. LeBarron in charge of transportation.

Bus stops and other data on the fall term is expected to be ready for publication in Friday's Herald. It was noted that eligibility for transportation will be based upon such factors as "area hazards and distance" from the student's home to the schools. In previous years, distance was the sole yard stick applied in determining which pupils should be transported.

Register New Pupils Here

HICKSVILLE—Registration for elementary public schools here will be tomorrow (Wednesday) in the school office, Stanton Miller, administrative assistant to the Superintendent of Schools, announces.

Children entering kindergarten must be five years old as of Dec. 1, and they must bring their birth certificates with them.

New junior and senior high school students may register any day from 9 to 11 a.m. and 1 to 3 p.m. in the high school office on Jerusalem Ave.

ALL PETS PRESENT and accounted for following a pet show held Saturday, Aug. 22, at Hicksville Public Library to conclude the summer program for youthful readers. Mrs. F. Roy Badgley, wife of the chief veterinarian at Bide-A-Wee Home, Wantagh, was judge of the show.

Pet Show Ends Program

HICKSVILLE—The Public Library wound up its summer program for children at a pet show held in the front yard of the Young Peoples Building on August 22.

After the prizes had been awarded, Librarian, Kenneth S. Barnes, Miss Mary Clayton, children's librarian; Mrs. Woods and Mrs. E. Owens, handed out reading diplomas to those children who had completed the requirements of the summer reading club. The event was climaxed when refreshments were distributed.

Diplomas were awarded to Dana Spaulding, Peter Wagner, Gail Jochem, Rita Harding, Michael Seltz, Betty Fernandez, Lorraine

Calls for Vamps

HICKSVILLE—Two calls sent local volunteer firemen out last week. On Thursday, Aug. 27, at 4:01 p.m. they put out a grass fire on Plainview Rd. and New South Rd.

On Friday, Aug. 28, at 3:34 p.m. Dr. Alwyn Rand made an emergency call for oxygen for Katherine McGurgan of 16th St. and Burns Ave. She was sent to the hospital.

Finn, William Kaufman, Judy Wagner, Susan Krex, Lillian Kuhlmann, Melinda Meade, Virginia Huff, Beverly Piccione, Ken Foran, (Continued on Page 6)

Donors To Ride

HICKSVILLE—Transportation to the Red Cross Blood center at the Methodist Church will be furnished on Sept. 23, Mrs. J. Gordon Ulmer, blood donor chairman of the local Red Cross branch, announces. Prospective donors may make arrangements for transportation when they make their appointments. A car will pick them up 15 minutes before their appointment and take them home after they have given blood.

The bloodmobile session will be from 1 to 6:45 p.m. with appointments every 15 minutes. Appointments may be made by calling Mrs. Ulmer at Hicksville 4-0256, Mrs. Jessie Ulmer at Hicksville 3-0829, Mrs. Philip Schaaf at Hicksville 3-3693 or the Herald at Hicksville 3-1400.

Average School Tax Bill is Less For 7 Mid-Island District Area

The average school tax bill in mid-Island area communities will be about three dollars less for 1953-54 than the current year, a survey by the Herald disclosed today. Township tax receivers begin mailing out tax bills before the beginning of November. Comparative tax rates were published in Friday's Herald as announced by the County Assessment Dept.

Szendy Unable to Obtain Limit on Fee for Stoll

HICKSVILLE—Efforts of Emil Szendy, member of the Board of Education, to obtain an estimate or to set a limit upon the fees to be paid attorney Charles H. Stoll for special legal services to the Board and district were unsuccessful at a regular board meeting last week on Wednesday night.

Stoll has been engaged to assist the Board in the preparation of an answer for the State Dept. of Education to a taxpayer complaint regarding the Board's contract with Michael Sullivan as regular attorney on a percentage-of-bond-issue basis. Szendy's efforts to obtain

passage of a motion to limit the cost of Stoll's services failed at the meeting, the Herald learned.

The school board has until Sept. 10 to file its answer with State Education Commissioner Wilson to the complaint of Lawrence A. Roman who feels the arrangement between Sullivan and the board is "not reasonable". The due date of the answer has been twice adjourned with the final date set for Sept. 10.

Harry Borley was re-elected a Hicksville Water Commissioner here last night with 293 votes out of 306 cast. Thirteen ballots were voided.

An assessment of \$4,000 has been taken as nearly average for mid-Island homes in computing present and anticipated average tax bills. In Hicksville School District where the rate was \$2.61 per \$100 last year, the tax bill was \$104.46 for schools. Under the new rate of \$3.14 it would come to \$125.60 or an increase of \$21.20.

Levittown District, on the other hand, had a tax bill of \$148.80 this year and will drop \$22.40 to \$116.46 for 1953-54.

The Plainview school tax bill will drop \$16.28 on a \$4,000 dwelling from \$142.88 to \$126.60 which is only one dollar higher than Hicksville's new rate.

East Meadow school tax rate is unchanged and the bill remains at \$110. Bethpage also has no change in rate, so the tax on a \$4,000 house remains at \$106. The rate for Island

Reinhardt to Lead Scout Fund

HICKSVILLE—The annual Fund Drive for the Girl Scouts here will be conducted during the week of Oct. 4 through 10, according to Joseph Reinhardt, cashier of the Long Island National Bank, who is this year's Fund Drive chairman. The goal for the drive is \$4,000, and the funds will be collected from door to door by adult workers.

Mrs. Merton Wilbur, Town Committee Chairman, stressed the need of the Girl Scout movement. "We want to be able to provide the benefits of Girl Scout training to every girl in Hicksville. With our rapidly expanding population, and the growth of the community, the financial need is acute, as is the

shortage of adult workers. A successful drive will go far toward easing the situation. Under the able direction of Mr. Reinhardt, and with the wholehearted support of the community which we have always received, we are confident that we will be able to achieve our goals."

Captains for the Drive have been appointed for each election district. Mrs. Dorothy Winterswiler 11 Hemp Lane, Dist. 3; Mrs. John Christ 172 Lee Ave., and Mrs. Benjamin Vryn, 10 Rising Lane, Dist. 47; Mrs. Martin Lauer, 183 Lee Ave., Dist. 41; Mrs. Russell Swift, Newbridge Rd., Dist. 19; Mrs. Merton Wilbur, 169 Plainview Rd., Dist. 42; Mrs. Florence Henkel, 27 Apollo Lane, Dist. 46; Mrs. Robert

Goodrich 47 Angle Lane and Mrs. Lillian Jones, 14 Atlas Lane, Dist. 46; Mrs. Robert Novotny, 5 Ball Park Lane and Mrs. Louis Cersosimo, Dist. 39.

Also Miss Lucille Montana, Helix Place, Dist. 59; Mrs. Dorothy Arnold, 75 Harrison Ave., Dist. 40; Mrs. Sidney Carlson and Mrs. Roy Deets, Dist. 48; Mrs. Margaret Yocum, Cantigue Rd., Dist. 16; Mrs. Craig Walsh, 117 Spindle Rd., Dist. 57; Mrs. Mae Hall and Mrs. Anthony Cottone, 24 Picture Lane, Dist. 44.

Mrs. Robert Novotny, Finance Chairman of the Hicksville Town Committee is preparing copies of the proposed budget which will be distributed to the general public before the drive is launched.

NORTH WEST NOTES:

Civic Assoc Meets Tonight

By JAMES CUMMINGS

The first fall meeting of the North West Civic Assoc., will be held tonight (Tuesday, Sept. 1st) at 87 Myers Ave., residence of President in his garage. Your attendance is requested as many urgent matters will be discussed which concern you.

May I remind you not to forget our forthcoming Dance at the Legion Hall on Sept. 26th? As always a good time is in store for all who attend.

COMMITTEE MEETS

Last night (Monday) the committee for the election of John Finnegan and Sue Schult as GOP committeemen for the 16th District met at residence of Mrs. Schult, 32 Indiana St.

Plans were drawn for district captains and workers who will poll the district. Candidates in the 16th and 44th District have already been

in touch with many of their neighbors and will continue this campaign until they are elected your next committeemen, it was learned over the weekend.

BETWEEN ISSUES

No sooner than the Herald hit the newstand last Friday morning workmen were removing the damaged street sign on the corner of West John Street and Gardner Ave. Fast work?—and why not with local elections etc. around the corner... The dog catchers name is Bailey, not Dailey as appeared here last week—excuse please!... Several of our side streets should be changed to "Dust Bowl" according to neighbors who have had to close windows etc with the new deal supplied by the Highway Department... who for two days have swept our streets—(for the first time in the three years I have been here) and caused dirty curtains etc—why not fix the roads first?... Candidates in the 16th District were active over the weekend on Kuhl Ave.... Don't forget to observe safety precautions with the forthcoming Labor Day weekend—Drive carefully. Remember, the life you save may be your own!

TAX BILLS

(Continued from Page 1)
Trees (district 26, Town of Hempstead) is up slightly raising the tax charge from \$110. to \$116.
Jericho is not a typical district and there are few \$4,000 dwellings. However, on a house valued at that amount the tax bill was \$38.40 and will decline 80 cents to \$37.60.

In arriving at the average tax charge for schools in the seven districts of the mid-Island community, the less than a dollar rate for Jericho brings down the total. With an average charge of \$106.64 for the seven districts in 1952-53, it will decline to \$106.46 for 1953-54.

Dear Jean:

Friends were asking GEORGE MCCARTHY what he meant in last Tuesday's Herald in referring to the county VD program with a budget of \$100,000. It was a type slip and should have been CD (for Civil Defense). . . . The weather may have melted you to a grease spot this week, but a local fellow who knows about those things tells us that the crickets and katydids have been filling the night air and may indicate that fall is at hand. It used to be a common belief that the katydids indicated frost was six weeks ago. . . . MARSHA THALER of Levittown, member of the June Hicksville High School graduating class, is one of 40 freshmen at New York University who have received full tuition scholarships. . . . Did you know there are 63 incorporated villages in Nassau County with populations ranging from 29 (for Saddle Rock) to 29,021 (for Hempstead) population? Fifteen of these villages are in the Township of Oyster Bay. . . . The Golden Nematoide of potatoes, about which local papers have published reams and reams, is the subject of a special feature article in the Sunday Mirror magazine section. Remember when HENRY ORTEGA used to charge that the nematoide were just a political invention to get farmers to sell their potatoes and for housing developments? . . . The NLHOA did not hold a scheduled meeting at Levittown Hall last week although the hall was set-up for them. . . . Phooey on LI Press for picture spread on Hicksville Teen "antenn which is headlined: "Levittown Teens Dance". . . . Most all the folks in Bethpage who used mailboxes in the office had to get assigned new numbers with the change of office location. The phone number remains the same HI 3-2610. . . .

Delivery of a new 1953 Chevrolet was accepted recently by Mrs. JONNIE SPADINO, Welcome Wagon hostess for Hicksville-Plainville area from Mrs. HAZELLE MACPHERSON of MacPherson Motor Sales. . . . RAYMOND A. WALKER of Locust Valley has accepted a position as sixth grade teacher in Hicksville schools for this fall, according to the Locust Valley newspaper. . . . Hicksville Rotarians are going fishing again on Sept. 16, off Montauk. . . . Directors of Hicksville Lions Club will meet tomorrow (Wednesday) night at the Rainbow Restaurant at 3 o'clock. . . .

Pvt. JOHN RUGGIERO, son of Mr. and Mrs. James Ruggiero, proprietors of the Casa Allegra Restaurant, is now serving with the 16th Div. up front at the truce line in Korea. The Ruggiero's plan to turn the business over to him when he returns home. . . .

Breakfast Honors Two Local Girls

Miss Virginia Waters and Miss Rita Benson were honored at a Communion breakfast given by the members of the Sodality of Our Lady in the St. Ignatius cafeteria after an 8 o'clock Mass Sunday morning, Aug. 30. Both girls are entering the convent in September.

Miss Waters, daughter of Mr. and Mrs. John Waters of 15 Alpine La., Hicksville, will enter the Franciscan Order at the Missionary Sisters of the Sacred Heart Convent at Peekskill, N. Y. on Sept. 8. A graduate of Hicksville High School, she is now employed at the Long Island National Bank. Miss Benson, daughter of Mr. and Mrs. James F. Benson of 171 6th St., Hicksville, will enter the Dominican Order at the Queen of the Rosary Convent at Amityville on Sept. 12. She is a graduate of Dominican Commercial High School in Jamaica, and was formerly employed at a Lighting Co.

Youth Breaks Ankle at Pool

LEVITTOWN—A ten-year-old boy suffered a fractured right foot at the North Village Green Swimming Pool here on Tuesday, Aug. 25 when he apparently lost his balance and fell off a diving board. The youth, Robert Steinberg of 19 Blue Spruce Rd., was taken to Meadowbrook hospital in a private car. Lifeguard Janet Harrison reported the accident to police.

Announce Two More Courses For Adult Education Program

HICKSVILLE—Two more new courses being offered when the fall Adult Education program opens were announced today by Director Elery Bean. Registration takes place at the high school on Sept. 14 and 15 starting at 7:30 P.M. A leaflet describing all subjects being offered will be available next week, he said.

The new courses include: **CONTRACT BRIDGE** to be taught by Henry Moss, a member of the American Contract Bridge League. Levittown Duplicate Bridge Club. Moss also was an instructor for the American Rod Cross while

in the Armed Forces. Basic play, proper bidding, and scoring will be shown. Rules and etiquette will be discussed as well as actual playing of the game.

READING AND UNDERSTANDING YOUR CHILD is a beneficial course to conscientious parents to be taught by Murray Gagner, presently a member of the staff of Neuro-Psychiatric Dept. of the Veteran's Hospital at Northport, and formerly with the Department of Psychiatry at Kings County Hospital. He is a graduate of the Professional School of Social Work at Washington University and is a charter member of the Mental Health Association of Nassau County. Lectures, discussion and audio visual methods will be used.

Child Injured On Acre Lane

HICKSVILLE—Four-year-old Loraine Moses of 300 Acre Lane suffered abrasions and possible fracture of the spine and ribs when she was struck by a car on Acre Lane, 100 feet east of Atlas Lane, here, Wednesday evening, Aug. 26, police reported. The child was treated at the scene by Dr. A. Carotenuto of 2 Winding Rd. and then taken to the hospital in a police car. Driver of the car involved was William A. Spitzko of 273 Acre Lane.

200 At Legion Post Outing

WYANDANCH—The Charles Wagner American Legion Post No. 121 of Hicksville enjoyed the annual picnic at the Chateau here on Sunday, Aug. 30. About 150 adults and 50 children attended the outing which had refreshments and games for both children and adults. The picnic was an all-afternoon affair.

APPROVE SCHOOL SIGNS

ALBANY—The Town of Oyster Bay has been granted permission to use portable school signs on Route 107 at the entrance to Jericho School on days that school is in session, according to James R. Macduff, Chairman of the New York State Traffic Commission.

CENTER CIVIC COMMENTS:

Waiting for Sleeping Beauty

By **GEORGE MCCARTHY**
Tuesday of last week, Plainview C.D. Unit 317 was born. Present at the birth of this unit were all kinds of county C.D. bigwigs and a committee from Center Civics.

Our arrival at the meeting raised many eyebrows, but we were little gentlemen and a sigh of relief could be heard. When asked, Mr. Ryan had no comment on the "Hicksville Situation". The present membership of Plainview made a brave showing. 32 people showed up. I hope you people in Plainview give George better cooperation than that in the future. I would like to give you the names of Mr. Wallace's staff, but George wasn't sure of the names or the spelling, so rather than hurt anyone's feelings I'll refer you to elsewhere in the Herald for the names of his staff.

We wonder how long Mineola C.D. will play the waiting game, for surely they must realize by now that time will not weaken our case. Hiding, is a sign of weakness, and it leads to the question, "What Have They To Hide?" We have been outspoken in our charges, we have nothing to hide; Their silence merely lends weight to our claims.

Possibly it is our system of "Political Patronage" that is at fault. A capable man should be the one considered for the job, but under this patronage system, all that counts is political standing. To be the fair-haired boy of the political leaders is the surest way to gain appointment to a responsible position in Civil Defense. How ridiculous can this thing get? This is what we meant when we called C.D. a political football, the only difference is it's the public that takes the kicking around.

We have written to the State C.D. Directors, asking him to call a joint meeting between Mineola C.D. and Center Civics, and we have asked the State Director to chair this meeting. Surely Mr. Ryan cannot find fault with that. He has ignored one order from the State Di-

rector, will he dare to defy another? We are hopeful that State C.D. will call this meeting and get this mess straightened out.

Locally, we note that Unit 312 has purchased a portable transmitter and receiver. Congratulations Mr. Eginton. It makes little difference that the equipment in question was supposed to replace the anti-

que that Plainview must use. They can probably use carrier pigeons. It's too bad that the newly formed Plainview unit must suffer, but the public had to see some progress from Hicksville C.D.

Well, let's hope we hear from sleeping beauty before my next column. See you then.

George McCarthy

KNICKERBOCKER NEWS:

Residents Change Paint Colors

By SKIPPY GALLAGHER
Hicksville 4-4424

The homes certainly look lovely with their new paint jobs completed. Most residents have changed their original colors. Not only the houses look different, but there have been improvements and changes all over the neighborhood.

For instance Jackie and Bob Somers of 12 Jamaica Ave. have been entertaining the Moores from Sowell, N. J. First thing they had the couple do was chop up their walk and lay in a completely restyled one. They also rearranged the lawn display and painted the bathroom. Wonder if they'll be back next year?

Still along Jamaica Ave. the Wagners have laid a brick and cement patio on the front of their house—it looks lovely. We are welcoming back Clare and Al Badman, home from Al's hometown way down south in Virginia. A slight case of drawl was detected as soon as Al said "Hi you all."

Ruth Leggie and her children came back from Wisconsin where they visited her family—for six weeks. Ruth hadn't seen them for a long time. What a wonderful reunion. Anita and Pat Paterno and their family have gone up to Kingston, N. Y., for a long weekend. And Pat, "No one stepped on your lawn while you were gone." Honest, what's your secret?

The Keemans are welcoming a five-week old baby girl to their hearts and home. Since Pat is a nurse, they'll not be experimenting with formula making—she's an expert!

Bentley Rd. is planning a gala Block Party on Sept. 12. Wish this whole development could get to-

gether for one.

Jean Maciejewski and her children have been visiting her mom in Scranton, Pa. She's back now and looks fine.

Congratulations to Bunny and Don Dugan! Now instead of two, there's three grand people—(baby girl).

Around on Knickerbocker Rd. there's been quite a lot of excitement. Little Johnnie Egan and his brother were dueling. The fun did not last long when the stick the brother was holding lodged in Johnnie's throat. He came home from Meadowbrook Hospital on Monday, and Wednesday morning a baby girl was born to his mother! They've had enough excitement to last them for quite some time.

Ruth Jackson and her children arrived home from Scher County, N. Y. She was visiting her mom and dad who just recently bought a summer home.

That's all for this week, and remember all your news is welcome news.

Suffers Broken Leg

HICKSVILLE—Richard Whelan, 13 of 6 Sunrise St., Plainview, suffered a broken right leg, possible contusion and bruised left shoulder when his bicycle was in a collision with a car driven by John Ricciuti of Queens Village at Old Country Rd. and Raymond St., here, on Aug. 22. The youth was treated at the office of Dr. C. Schwartz on Reids St. and then taken to Meadowbrook by his father.

NEIGHBOR DOWLING VIEWS NEWS:

Fastest Growing Area in Nation Gets Ready for New School Term

Figures just released by the Plainview School District show that school enrollments for the area have zoomed upward at an astonishing rate with more than a 300 per cent increase in registrations since 1950. Below staff writer John Dowling gives a comprehensive report on the district's educational outlook for the 1953-54 school year.

By JOHN DOWLING
Authoritative sources hold that Nassau County is the fastest

growing area in the country. This places the Plainview District number one on the list as the fastest growing hamlet in Nassau and consequently throughout the U.S.A.

Since 1950, this district has been transformed overnight from a prosperous farming community into a bustling residential area with small homes standing on lands formerly occupied by huge, sprawling farms.

This tremendous change has brought with it gigantic problems such as water supply, fire protection, highway maintenance, school facilities, and hosts of others. All agencies are meeting these vexatious problems head on, and progress is being reported all along the line. Final solution, however, is still a good distance away.

One of Plainview's greatest challenges, in the opinion of many, is the problem of securing permanent, adequate classroom and school facilities for the district's children.

Here's how the picture looks for the 1953-54 school year.

District classroom space includes two rooms in the Old Man-

netto Hill School, five rooms in the New Manno Hill School plus a playroom which is being utilized. In addition, arrangements have been completed to rent four rooms in the Lower Melville School, two rooms in Old Bethpage School plus eighth grade classroom space in the Locust Grove School. This does not effect the agreement with Hicksville and Oyster Bay Schools who will accept Plainview students who were registered in these schools last year. However, new junior high school entrants will not be accepted by Hicksville or Oyster Bay.

As of Aug. 17, as anticipated by Plainview School trustees, the public school enrollment aggregated 1,035 students. This will undoubtedly increase before the school year commences.

Broken down the figures reveal that 911 students are registered from kindergarten through grade seven; 56 students for the eighth grade in Locust Grove and 68 students in grades nine through twelve of which 35 are enrolled in Hicksville High and 33 in Oyster Bay High.

The largest single group of students is the kindergarten group. A total of 189 children were registered for that grade making it necessary for school officials to limit the kindergarten to that number due to insufficient classroom space. Additional kindergarten applicants will be placed on a waiting list and admitted if

other children drop out or are dismissed by the principal for ten or more illegal absences.

The kindergarten will be operated in triple session and may be temporarily discontinued if grades 1 through 7 continue to show an increase in registration necessitating the use of additional classrooms.

All other grades will be operated on double session excepting those under the jurisdiction of Hicksville and Oyster Bay. Students in attendance at these schools will be guided by respective school policy since it is out of the hands of the Plainview School authorities.

Present enrollment figures also indicated that the next two large groups of registrants were in the first and second grades with 175 children in the first and 169 children in the second. These figures are also expected to take a jump before school opens.

Seriously handicapped by a severe classroom shortage, the Board of Education has succeeded in acquiring classroom space in the lower Melville School and Locust Grove School. This gives the district a total of 15 classrooms, excluding the high school facilities at Hicksville and Oyster Bay, to handle as of the Aug. 17 enrollment of 967 students.

At the present time, an 18-room school with three kindergartens is

Incorporation Good For South Hicksville?

A great many reasons have been given to point out the advantages of home rule for Hicksville as a whole. And indeed they have been very good reasons. But, as far as we in the Levitt-built area are concerned, is it good for us to be included within the incorporated village of Hicksville? A number of us seem to have some sincere reservations on this point, and perhaps a discussion of some of the more pertinent points will help to clear up those reservations.

We Were In A No Man's Land

For a while after we moved into our newly purchased homes, there was quite some confusion over which community we lived in. We were torn between two camps. Levittown claimed us because we lived in houses built by Levitt and Sons. Hicksville also claimed us as citizens because we lived within its geographical limits and were served by its community services. It was all very confusing to many of us to be barraged by Levitt-inspired propaganda that we were part and parcel of Levittown, even though we were faced with the solid facts that, regardless of personal feelings, all of our community services were furnished by or through Hicksville. Time settled that and now practically all of us understand that as far as governmental affairs are concerned, we are indeed part of Hicksville.

Hicksville Service Districts

For better or worse, the unincorporated communities of Nassau County—the hamlets—obtain their necessary community services, such as schools, water, fire protection, street lighting, parks, garbage collection, etc., through what are called special service districts. In many localities and perhaps in most, these special districts seem to overlap very seriously without any apparent rhyme or reason. To confuse things still further, the Post Office delivery areas frequently do not coincide with community boundaries.

Hicksville has been fortunate through the years in having identical geographical boundaries for its special service districts. The one exception is the water district which extends outside its normal boundaries to supply people who could not be served by their own communities. Having identical boundaries for its service districts has greatly simplified what could otherwise have been an unending cluttered confusion of overlapping districts that would require a Minocla lawyer to keep straight. Hicksville has been much more fortunate than some of its neighbors in this respect.

Joint District for Pools—Hall Undesirable

The Joint Oyster Bay-Hempstead Swimming Pool and Hall District, recently okayed by the Oyster Bay Town Board after the strongest kind of opposition for the people of Hicksville, is an example of the highly undesirable overlapping service district. It is a large step in the direction of further complications in our already highly complicated governmental setup. It is the kind of thing that tends to tear down communities and keep them from being self-contained and well integrated. It is the kind of thing that seems expedient to politicians' interest in a community. It is the kind of thing that makes Nassau County and its many communities so very much like Topsy in Uncle Tom's Cabin. She wasn't brought up. She just "grewed". And so it seems with many Nassau County "hamlets". This is why the joint swimming pool and hall district is bad for South Hicksville, and for all of Hicksville.

May Eliminate Joint Pool District

The law specifically states that the Joint Oyster Bay-Hempstead Swimming pool and Hall District can be set up only in unincorporated areas. If Hicksville becomes incorporated before January 1, 1954, the date upon which the joint district is to be established, it stands to reason that there will be no such joint district. But you can bet your boots that every road block possible will be placed in the way of home rule by those who oppose it for reasons known best to themselves.

Incorporation Keeps Government Simple

It is important to all residents of Hicksville to keep their local government as simple and understandable as possible. It is especially important to us in South Hicksville because we have been in the direct line of fire of Levitt-inspired propaganda. This would convince us that in spite of everything, we are really part of Levittown, located in another township of Nassau County, just because a man named Levitt built our houses.

Home rule will give us that uncomplicated local government made up of local people elected to office right here in Hicksville. It will be responsive to our wishes. It will cater to us because it will know that its continuance in office will depend on the quality of service it provides. Incorporated village government has a much better chance of being a good government than the present antiquated town board type of government which must be continually pounded to give us good service. We in South Hicksville will have all the advantages of good local government, and in addition, the strife over which community we belong to will be eliminated.

Good For All, And Especially Us

Home rule will bring its many benefits to all Hicksvillites, but those of us in South Hicksville will know exactly where we live. This is a privilege denied to many living in Nassau County.

4 Magic Years for Local Girl

By CONSTANCE GIBSON

Four years ago it would have been impossible to convince Miss Aija Jansons of Nikolai St., Hicksville, that today she would be an air line stewardess for Pan American Air Lines.

Born in Talsi, Latvia, she attended Grammar School in that city until her father was appointed a professor in a school in Riga, the capital city of Latvia. On Christmas day in 1944 when the Russians entered the Baltic country, Aija, her mother, her sister Zeltite and brother John left their father and home in order to find refuge in Germany.

Mr. Jansons remained behind to join the Latvian Civilian Army and they have not heard from him since. When the little family reached Germany they went to Berlin only to find themselves in the midst of day and night bombings by the Allies. It was then decided to try and find safety in Nurnberg. Once there Aija and her sister attended the local high school.

At the close of the war Mrs. Jansons started proceedings for entry into the United States which was

AIJA JANSONS

made possible through the help of a Lutheran parish in Wisconsin. In 1950 they left Bremerhaven aboard the USS General Sturges docking in Boston. From there the Jansons went to Wisconsin. Four months

later Aija traveled to Columbus, Ohio.

During her stay there she attended night classes at the Elias College of Business.

In 1952 Aija joined her family which had by this time settled in Hicksville. As a clerical worker at Doubleday and Co. in Garden City she again found time to attend night classes, this time at the Grace Downs Air Lines School in New York City from which she was chosen by Pan American Air Lines as a hostess. When she left Doubleday and Co. her fellow workers showered her with gifts suitable for her new position as an air line stewardess. Adept at languages she has excellent qualifications as she speaks English, Latvian and German.

The first Latvian girl to receive such a distinction and also the first girl to be chosen by Pan American from the Grace Downs School in many years, she enters her new position with the best wishes of all of us. Having already flown to London, Ireland and Newfoundland, Miss Jansons is looking forward to someday circling the globe.

Letter To The Editor

Disputes Cummings' Report

In the Aug. 25, 1953 edition of the Mid-Island Herald, James Cummings stated in the Northwest Notes, quote "The question of going on record for or against incorporation was tested during George McCarthy's tenure, but was blocked by a certain group who until recently thought the question would not even be brought to a vote." As a member of the Northwest Civic Assoc., I was present at that particular meeting and I remember that there was no certain group blocking the discussion of incorporation, but they did take the stand that the Civic Association could remain neutral. After much discussion the following motion was made by Mr. John Finkegar (quote) "That the entire discussion be tabled." This motion was unanimously passed by the members present with no dissenting votes.

James Cummings was present at this meeting and he failed to cast a dissenting vote.

It should also be noted that in the many meetings held since that "test" Mr. Cummings, as a paid up member in the Association, never exercised his privilege to call the question off the table.

As to the special meeting to be held on Friday, September 18, 1953, Mr. Cummings said that he would personally object because Friday evening is a busy night. Then why didn't he state his objection at the August meeting when I made the suggestion of a Friday night because most people do not work Saturday. Therefore, I feel we would have a larger attendance. He sat about four seats away from me and again failed to make his objection known. Then why do so now in the Northwest Notes.

If he must write this sort of

Our Sincerest Best Wishes

By Fred J. Noeth

SINCERE CONGRATULATIONS to Mr. and Mrs. William J. Koutensky upon their silver wedding anniversary. Bill, who by his diligent application over the years has risen to be top in his profession, is always the first to give all the credit to his mate and partner, Loretta, for his achievements. He started with the Long Island National Bank as a teller. Today he is the president of that financial institution. The many, many friends of Mr. and Mrs. Koutensky look forward to joining this popular couple in the celebration of their golden anniversary.

Congratulations are also very much in order for Mr. and Mrs. John Stolz who recently celebrated their 30th wedding anniversary. The Stolz family has for generations been closely identified with the community of Hicksville. The Stolz family and their kin have long been associated with the commercial growth of the community for decades.

And congratulations, coupled with a word of parting to Mr. and Mrs. Herbert Knaack now enroute to New Mexico. Mrs. Knaack, the former Mary Haughey, during a long period of close association with this writer in the newspaper field came in fact our right arm. She worked tirelessly, not only for this newspaper, but in the cause of community development. And while we shall miss her quiet efficiency, we wish her happiness and success as she travels the world at the side of her husband. The Herald will not quite be the same without her, though. Good luck, Mary and Herb.

ALONG WOODBURY ROAD:

Hats Off to Those Volunteers

By MAY MALJEAN
Hicksville 3-5515

Of all the people who labor for community welfare one of the most neglected, from a point of appreciative recognition, is the volunteer door-to-door charity collector. By this I mean the person who collects for Heart, March of Dimes, Cancer, Polio Drive, etc. The Sister Kenny Drive is lagging behind because of lack of collectors, or, at least that's the way it was in Woodbury Gardens.

We have a wonderful group of good hearted, conscientious workers that are willing to do more than their share for the needy and the sick in our community. These people receive no remuneration for their efforts. Their sole aim is to help out those more unfortunate than themselves. Their altruistic qualities are not appreciated.

Just picture yourself going from door to door collecting for such a charity as the Sister Kenny Fund, and being told that you have disturbed the prospect, or having the door slammed in your face, or being completely ignored as if you were not there? One collector approached a stoop where three men sat. The collector asked if they cared to help out, and received neither "yes" "no" or "maybe"—but grins from the sitters.

The collectors do not feel badly when you say you cannot give, but it does break them up when walking the streets with the children dragging behind (for many of them are housewives) in the hot sun, as many of them do, to be told that they have annoyed someone by knocking at the door. Because of this type of response, it is very difficult to enroll collectors for our important charity drives once they have been through it. In my estimation, these helpers are unsung heroes in the battle of obtaining funds for good causes.

This is what I call a one-two-three. ONE year old on Sept. 12 will be Valerie Woerfel. TWO years old on July 7th was Steven Woerfel, and THREE years married are Joan and Frank Woerfel on September 2nd. They reside at 33 Smith St., Woodbury Gardens.

The Kennedys of Elm St., Woodbury Manor, are celebrating their twelfth wedding anniversary, Sept. first. They will dine out and attend

Mildred Bertram, of Woodbury Manor can't see the idea of men going to business in shorts. She feels that they can cool off by wearing short sleeved open neck shirts and lightweight cotton trousers.

Molly Fisher, of Elm St., believes that general wearing of shorts about town by men is a wonderful idea. After all, why can't men be as cool as women? Some say that some men's legs are not to be displayed, but Molly feels

Ambitious Boy Scout Program

By TOM OLIVERI
Plans to make the Scouting Program sponsored by the North Bethpage Civic Assoc. one of the town's greatest community organizations were recently announced. Involved will be the formation of Boy and Cub Scout troops.

The Assoc. officers said their aim is the enrollment of every local boy of Scouting age. An intensive

campaign to achieve this goal will shortly be made known. Every parent owes it to himself to enroll his son in the Boy Scouts of America for all the innumerable benefits, rights and privileges which are available today. Every boy should belong to the Boy Scouts of America. In these critical days, all communities need rallying centers for growing patriotism and the scout-

ing programs fill this important need.

Mr. Businessman, Mr. Worker, Professional Man, Mr. Democrat, Mr. Republican, Mr. Farmer and Mr. Churchman—all of your best interests lie in joining with and working on the formation of the new scout troops. Your services will be needed as counselors or in any other official capacity that may be deemed necessary or better yet, fitted into an office that you may be suited for.

If you have an eligible son, you are urged to enroll him in the NB CA Boy Scouts. You and he will find warm welcome and wonderful feeling in an organization pledged to make our boys better citizens.

Girl Scouts Need Leaders

By DOROTHY GUELPA

Mrs. Henry Jens, chairman of the Bethpage Town Committee, met with the Girl Scout leaders Monday, Aug. 24, at the home of Miss Catherine Seitz, registrar of the Mid Island Council.

Troops were assigned to the leaders and several new troops were formed. Many women have volunteered to serve as leaders next year and will start training on Sept. 15 in the Broadway School.

There is still a need for more leaders for troops already in existence or those who have grown too large and must be divided. If you can spare one afternoon or evening a week for an hour or two, won't you call Mrs. Jens at Hicksville 3-2009.

DOWLING

(Continued from Page 6)
under construction in northwest Plainview but building schedules have been upset considerably by the truck drivers' strike.

In July, the residents approved a bond issue to erect a ten-room school in the area south of the firehouse and construction bids on this project are expected in the near future.

There's no doubt that the school district will have to continue operations in the present manner until some of our own buildings are erected and ready for occupancy. A vote for another school site in Jorton Village is something that all Plainview residents should seriously consider within the next few months.

PERTINENT POINTS: Plainview Republican Club nominating committee now readying a slate of officers for presentation at September meeting . . . Plainview's American Legion Post should experience big jump in membership rolls as a result of Legionnaires' outstandingly successful chorale party . . . Everyone in attendance was highly pleased and compliments filled the air around Mammotte Hill . . . What ever happened to those proposed shopping centers on South Oyster Bay Rd.? Signs look nice, but no buildings . . . Plainview teenagers making sounds with chance books and tickets for hayride and dance . . . Town Board pursuing residents' petition to establish Plainview Lighting District.

MR. AND MRS. WILLIAM R. STEINIG of 13 Beverly Rd., Bethpage, called on the S.S. Queen of Bermuda for a two-week vacation cruise. Mrs. Steing is employed by the Building and Construction Trades Council of Nassau and Suffolk Counties in Mineola. Mr. Steing is a junior executive with the American Lumbermen's Mutual Casualty Co., Madison Ave., N.Y.C. Friends and neighbors held a bon voyage party in the vacationers' stateroom and pictures of the occasion were taken by Ann and Walter Baltrym, who are their friends and neighbors.

the Sportlight

By HOWARD FINNEGAN

THE DREAM

There is a dream in the reflecting hours of Hicksville sports fans. That segment of the community's society is lofted on clouds of ambition when the subject of a lighted ball field is brought up.

It is not an impractical addition to any community and certainly Hicksville with its vast interest in baseball and softball would not be setting a precedent by such a forward step in community recreation.

The desire for such an establishment is supported by such zeal in conversation that it is a wonder that it hasn't overflowed into positive action.

There are considerable obstacles and problems in undertaking such a venture and it would take a united effort by all village sporting interests to see the end accomplished.

It is unfortunate, however, that the various sporting elements in Hicksville are conscious of one another but are so intent on their particular phase as to be aloof to the success or failure of the others.

An outstanding point in this matter is the fact that one organization takes delight in hiring officials who have repeatedly given bad ball games to other Hicksville teams involved in other sports.

All these groups would have to have their aid enlisted to put such a proposition over. Before the dream could be realized there would be a nightmare.

First there would be a loud scream from some taxpayers about the cost. A careful and long study of the actual operational and installation cost would have to be presented in clear bold figures.

Location of the plant would incur some protests if it were in a strictly residential district and some solution of that angle would have to be found.

Oyster Bay gave the mandate to its Board of Education for its coming splendid new community football stadium, baseball field and park and has one of the very best village recreational centers in the country as a result of the will of the people.

A lighted ball park could provide desperately needed space and time for Little League, Village League softball, Legion and PBC ball and club softball and baseball.

Possible also would be outdoor concerts, meetings and plays.

The time is not too far off when an appeal will be made for such a proposition.

Although it may be harsh to say, there is little if anything in the way of parks or useful points of community pride in Hicksville.

Many persons believe something like this is urgently needed to add to the attractiveness and desirability of living in Hicksville.

The foregoing is to give notice that at least some people have definite ideas on the subject.

Bitten by Dog

HICKSVILLE—Ten year old Edward Luristen of 210 Park Ave. was treated by Dr. Millhauser for a dog bite on Aug. 24. The boy was bitten at 6 Lottie Ave., police reported.

Breen Captures Community Crown

HICKSVILLE—The solution to the Community Softball League found the prime suspect with the goods in hand, here Friday night, as Breen's All Stars blasted their way through the playoffs to annex the championship.

Known to have powerful hitting but unable to bring it into force until the blue chip battles, the green clad All Stars first defeated Steve Ruggiero and the defending PBC 7-2 in the semi-final and

turned it on again to beat Maywood 8-3 in the wrapup.

Maywood first defeated PBC 4-3 to tie for the regular pennant and in a special playoff walked off with the regular season trophy 9-3.

The PBC continued to skid right out of the picture against Breen's the next night.

Empire bowed to Maywood 1-0 on a last inning pinch hit double in what was the best played game

of the entire season. Bob Breen took the loss for the Diner as his mates could muster only three hits. Ed Coleman gave a run to Maywood in the second inning on an error but helped hit with Jerry Kiesel, Bill Steers and Bill Brodick to build a big lead. Darkness cut the game to six innings.

3 Hurt In Crash

JERICHO—Three people from Astoria were hurt when the car in which they were riding collided with a pole at Jericho-Oyster Bay road and Cedar Swamp Rd., here, on Sunday morning, Aug. 22. Treated by Dr. E. Keefe at his home on Cedar Swamp Road, Brookville, were Charles Brinkman, 27, contusion of left knee; Mary Brinkman, 34, possible nose fracture; and Charles Brinkman Jr., 8, contusion of forehead.

WORTH MILLIONS IN PEACE OF MIND

... It costs so little for adequate auto insurance. A weak tire, a faulty brake lining, or someone's carelessness can mean disaster for you. Don't take chances—the proper insurance can protect you from loss or lawsuit. Don't wait for the accident—insure first, be sure, always.

"ONE CUSTOMER TELLS ANOTHER" By Nat Ferraro

In a country where everyone depends on everyone else; here's one of the most depended-on citizens of all. He's the man who puts "mobile" past into the word automobile. He's the reason why what used to be called "filling stations" are now known

thru-out the land as "Service Stations" with capital "S". He's "Mister Service" in person. Gas and oil are only part of his indispensable place in your life. He's got to know more about your car than sometimes you know about it yourself. Where's the oil dip-stick on this make and model? What's the proper air pressure for the tires on that one? What's the right grease and lubrication routine for another. New model or old, he's the man who knows. And he's also a man who knows there are no new models in people. He sees a lot of human nature and he knows how it runs. Folks in need or in trouble are his job.

We'd be pleased to have you ask him, if you care to, his opinion, next time you choose a new car or a used one? You might find his opinion a "real" service. Your friendly Texaco Dealer, Broadway Service Station, Broadway and James Street (next to Post Office), HI 3-9702.
