Hearing Here Thursday:

Can Handful Stop Vote?

HICKSVILLE—Can the work of hundreds of civic-minded people and the wishes of more than 6,000 local property owners be nullified by the action of a few in seeking to withdraw their signatures from the petition asking for the opportunity to decide a local question by popular referendum? That apparently will be the big question before Supervisor Charles E. Ransom when he presides at a public hearing in the district courtroom, Heitz Pl. and Bay Ave., next Thursday morning, Sept. 17.

"There is a desperate, last-ditch effort being made to prevent the people of Hicksville from voting upon this question", it was charged last night by Lawrence A. Roman, chairman of the Home Rule Committee of local homeowners who have worked three years to bring the issue to this point.

MONUMENTAL TASK

"Our petition filed with Mr. Ransom on July 31 contains the signatures of over 6,240 property owners who want to see a vote take place. We are confident that we have met every requirement of the law. It has been a monumental task carried on by civic-spirited people who want to see the question decided in the best American tradition—by the ballot box."

"On Aug. 19, twenty days after our petition was filed, we first learned that a group of about 250 people who had signed the petition or consent in the first place, to bring the question to a vote, had filed purported 'withdrawals', which might possibly nullify the hard work of hundreds and the wishes of thousands."

Roman pointed out that the "withdrawals" are in themselves an insignificant minority, but if recognized by Supervisor Ransom could possibly nullify the total assessed valuation of the petition below the minimum required one-third.

"The minority opposition group, it is anticipated", Roman added, "will seek to prevent a vote from taking place. However, we are confident that Mr. Ransom will recognize the voice of the people in those six thousand signatures of property owners and as the law provides, will set the date for the local referendum vote shortly after the public hearing, Thursday morning."

Judge Willis B. Carman of Farmingdale and his associate, Robert Callahan, are attorneys for the proponents.

Supervisor Ransom in setting the hearing for Thursday specified the procedure for it as provided by the Village Law. "All objections must be in writing and signed by one or more resident taxpayers of a town in which some part of the proposed village is situated. . . . The burden of proof is on those raising objections."

Ransom has ten days following the hearing to determine if the proposition for incorporation is valid. His written decision must be filed with Town Clerk Henry

Curran and if favorable, the town clerk then has five days in which to give notice of the election to take place not less than 15 or more than 25 days thereafter.

With all conditions favorable, the vote by all Hicksville property owners on the question could take place before the end of October, it has been estimated.

Aside from the distribution of literature in the form of a booklet denouncing the proposal to incorporate, the anti-home rule forces have been silent in recent weeks.

The law provides that the hearing on Thursday may be adjourned, but cannot be extended for a period of more than 20 days.

Both Parties Pick Slates Next Week

Candidates of both the Republican and Democratic parties for important Oyster Bay Township positions will be made known next week on Tuesday night, Sept. 22, when conventions are held simultaneously in Oyster Bay and Hicksville on the same evening.

Committeemen of both parties elected today (Tuesday) in the primaries will assemble to designate their candidates. The Republicans will shatter a tradition of recent years when they assemble in Oyster Bay High School in

stead of Rothman's East Norwich Inn.

The Democrats will meet the same night. Their convention is scheduled for the Legion Hall, E. Nicholas St., Hicksville.

HASSLE ON HIGHWAYS

GOP candidates have been partially disclosed, while contests are anticipated in pre-convention huddles on the highway superintendent position. Lewis N. Waters of Syosset, presently a town councilman and deputy supervisor, is slated to get the GOP nomination for supervisor to succeed Charles E. Ransom of Sea Cliff

FIVE HURT IN COLLISION:

8 Autos, Truck in 3 Crack-Ups

HICKSVILLE—Seven people were hurt in three auto collisions on local streets this week which involved eight automobiles and a truck.

Five were hurt, including Clifford Eichhorn, 35, of 310 W. Nicholas St., president of the Hicksville Civic and Community Assoc. who suffered a broken finger, in a truck and auto collision at Old Country Rd. and South Oyster Bay Rd. at 6:20 Thursday morning, Sept. 10.

FIVE GO TO HOSPITAL

Paquale Palamatti, 25, of St. Albans was operator of the truck. Driver of the car which carried five persons taken to the Hospital was Joseph Caraccio, 37, of 46 Meeting Lane, Hicksville, suffering back injury. With Caraccio, in addition to Eichhorn, were George Bogancwicz, 29, of 16 Woodcock Lane, Levittown, contusion of left leg and arm; Anita Franzese, 26, of 48 Underhill Ave., Hicksville, injured left arm; and Rose Habenschicht, 35 of 83 West Ave., Hicksville, bruised left shoulder and right arm.

In another collision on Old Co-

untry Rd., this one at the corner of Lee Pl., Hicksville, four cars were involved on Wednesday, Sept. 9, about 12 noon time. All four autos were westbound at the time of the crash. Monique Stilliger, 26, of Walter Ave., driver of the fourth auto, was treated for shock and sent home. She is the wife of Dr. Walter M. Stilliger.

Other drivers involved were Joseph A. LoPinto of Floral Park, Peter C. Sheppard of Huntington, and John M. Poll of Forest Hills.

3-CAR CRASH

John J. Crawford Jr., 24, of 20 Bond St., Westbury suffered facial injuries in a three-car collision at Broadway and Bethpage Rd., here, the next morning, Sept. 10 about 7:30.

He was riding with John J. Crawford Sr. of the same address, police reported, and went home after the accident. Other drivers were Philomena M. Wysolowski of 16th St., and Frank J. Drab of 16 Byron Pl., both of Hicksville.

Anthony M. Diagostino, 30, of 4 Mayfair Lane, Hicksville, escaped injury at 4:30 Sunday morning, Sept. 13, when the car he was driv-

ing collided with a telephone company pole on Duffy Ave. 300 feet west of Charlotte Ave., police reported.

Truck Injures Man on Cot

HICKSVILLE—A New York City man suffered a possible fractured left ankle in a curious collision between a dump truck and a cot in the rear of 683 Newbridge Rd. here, Wednesday afternoon, Sept. 9, second precinct police reported.

Frank Dobrovolsky, 56, of 415 E. 71st St., New York, was lying on a cot in a private driveway in the rear of 683 Newbridge Rd. when he was struck by a dump truck owned by D and B Carling Co. and driven by Joseph Seltman of Bellmore, it was reported. Dobrovolsky was treated at the scene by Dr. Fuchs of 43 Barter Lane and then removed to Meadowbrook Hospital.

CENTER CIVIC COMMENTS:

Just Wait Until Friday, Swami

By **GEORGE McCARTHY**
 Inefficiency and double talk again rear their ugly heads here in Hicksville C.D., and again confusion reigns supreme. Some of the members of Center Civics have received registered letters from Mr. Eginton accepting our resignations and demanding all C.D. identification and equipment. Only certain members of Center Civics received these letters.

Mr. Eginton stated that he accepted only those he knew wished to resign. Is a crystal ball standard equipment for local directors? Does he pretend to read people's minds? Wise up, accept all resignations or none. The mere fact

that the resignations were signed, proves our desire to resign. Does he, as a local director, intend to infringe upon our right to resign from anything?

One day he says he won't accept the resignations without action from the state directors; The next day, without word from the state, he accepts them. Ah yes, the Swami moves in strange ways.

Now, about those auxiliary police uniforms, can the Swami really expect us to turn them in? Civil Defense did not help in the purchase of those uniforms. The men of auxiliary police worked for them, and always had before them the famous words of Minnieola, "At

no expense to Civil Defense."
 If the director can show how Civil Defense is entitled to these uniforms, he deserves the name Swami. There was another slight error in the letter, but we will not tip our hand. Can you see what that was Swami, or is your crystal ball cloudy now? You will learn of that mistake, Friday.

I had hoped to start with guest writers to substantiate our claims; today, but I felt that this must come first.

Till next week.

Michael James Vespoli of 152 Duffey Ave., Hicksville, celebrated his second birthday on Tuesday, Sept. 8, with a party given by his family. Attending the affair were Mrs. Paul Knoblock and her son Paul, Frances Schulz, Mrs. Mary Schulz, Mr. Paul Zabel, Florence and Cathy Zoubans, Mr. and Mrs. Vespoli and their daughter Patricia.

O. E. McINTYRE of Great Neck, mailing concern, will shortly build and move to a new building on W. John St. at the corner of Cantigue Rd. The firm plans to preserve as much as possible of the historic Cantigue Woods at that corner. By the way, what ever happened to the marker for the famous Cantigue Rock? After all, it is our only real colonial period historic site.

An item in the "35 years ago" column of the Patchogue Advance reports that the school board there had employed E. A. Van SLYKE of Albany as grammar school principal. Mr. Van SLYKE became first superintendent of Hicksville School and still makes his home here, actively following local affairs. . . . While withdrawal forms were signed by 250 persons they narrow down to less than 150 when you consider the joint husband-wife ownerships, people who never signed the Home Rule vote petition in the first place, etc. out of 6,242. Hicksville Republican Club met Friday night at the Masonic Temple. There was no special program for the evening, most interest being focused upon getting out a vote on today's primary. . . . If you have been planning to send along your vacation snap shot, please take notice that the contest closes today (Sept. 15). . . . BOB LUDEMAN of 29 Berry Lane, Hicksville, salesman for MacPherson Motor Sales here, landed a 97-pound white marlin off Montauk. The neighborhood had fish for days. Boy Scout troop being sponsored by Hicksville Kiwanis will start meeting in Lee Ave. School. The Club recently voted a privileged membership for BILL KREMF who went update. The Kiwanis has also decided to go ahead with its "E" signs at community entrances. There had been an effort to do the work jointly with the Lions and Rotary. . . .

HILLSIDE TERRACE:

What Historian Said About Us

By **ERNEST F. GOSSY**
 Hicksville 3-2236
 Ten years after Hicksville was named by the Hicksville Association, Dr. Prime, the historian stated that, "The town does not seem likely to be selected as a place of residence of any person in his senses. The name may live, but the village is a miserable abortion."

they are, I certainly don't want them in school that late in the day, much less walking home on streets without sidewalks and without adequate lighting. I understand that the mother's involved are drawing up a petition to request bus service for their children on evening returns. I feel that at the present time under the present conditions that this service is a "must."

From a village of 500 or less in 1835, let's hope that we can make this a real village for today's population of over 30,000. N-n-y improvements are still needed, many of which are comparatively simple such as sidewalks. Ever try to walk in town along Woodbury Rd.? Imagine your children having to walk to school on Woodbury. (Many do, but not safely.)

The stork arrived on Sept. 5 at 110 Dartmouth Dr., and presented Mr. and Mrs. William O'Donnell with Brian, a seven-pound, nine ounce bruiser who enjoyed his visit at Peck Memorial Hospital. Baby, mother and dad are doing fine.

ABOUT SCHOOL BUSES
 It has recently come to my attention that school children attending afternoon classes in the fourth to sixth grades will not be provided with bus service to their home from the East St. School. This may not seem like much to be excited about, but the afternoon classes are over a bit late in the day (about 4:30 p. m.). Most of these youngsters will have to be walking home after dark in a few weeks. My children aren't in the school age as yet, but when

Mr. and Mrs. Norman Curchney celebrated their tenth anniversary on Sept. 6 at home with Frimmo, O'Donnell, Wood, Kilkenny, Berkowitz, Warren, Blawstein, Peck, Pronowitz, Gorwitz, Komen, Wedgewood, Ruth and I doing the well wishing. A gay time and lovely evening. Many happy years to come to you both.

No. 5 of a Series LANDMARKS OF HICKSVILLE

In 1903 when the parishioners of St. Ignatius Loyola R.C. Church were planning their church's 50th Anniversary . . . the Bank of Hicksville was just beginning. St. Ignatius Loyola R. C. Church served Hicksville from 1859 thru 1891 from the church building illustrated below. On the right we see the present church edifice dedicated December 15, 1891.

SERVING THE COMMUNITY for Over 50 Years

Like St. Ignatius Loyola R. C. Church . . . the Bank of Hicksville has grown too. Today as we look towards the future, we can't help but look back in review. No longer does Hicksville have the appearance of the farming community that it was. Today, with industry coming in, housing developments springing up, the modern Bank of Hicksville has expanded its all-around facilities and pledges its support to the continued growth of Hicksville.

Let Kids Ride For Their Safety

By GENE MALJEAN
Hicksville 3-5515

I want to write a little something on the part of those children who will be denied school bus rides because of distance limits and technical grade limits, etc.

Celebrate First Masses Sunday

HICKSVILLE — The first Sunday Masses to be said in the newly opened Holy Family Church off Newbridge Rd will be celebrated on Sept. 20, according to the Rev. Martin O'Dea, pastor. The Sunday schedule will be masses at 7, 8, 9, 10, 11, and 12 o'clock. Baptisms are scheduled for Sunday afternoon at 2:30 P.M.

Official dedication ceremonies will be held at a later date, Father O'Dea continued. The clergy and the parishioners of Holy Family parish wish to express their appreciation to Lee Beatty, manager of the Meadowbrook Theatre, for his kindness in allowing the congregation to use the theatre for Sunday mass during the emergency period when there were no other facilities available.

Every Tuesday and Friday

It is easy to say that we all walked to school in the city. That we did—but, please remember that all of the streets were equipped with sidewalks and signal lights. Policemen could be found at almost every other corner. Monitors were assigned Streets were well lit in the city, although we were out of school at 3 P.M.

In our section, along Woodbury Road, this Road is NOT well lit—there are NO signal lights—and the ABSENCE of sidewalks adds to this general hazard. Many children are walking along busy streets, Miller Road to name one, making it necessary for a car to veer to another side in order to avoid striking the children—due to the LACK of sidewalks. In snow and rain the journey is made more miserable. Did you ever see policemen crossing the children, along Woodbury Road?

It was pointed out last year that Vincent Road had sidewalks. Drop down to said road—bringing a lawn mower and a sickle. You will find a sidewalk, believe me.

We read repeatedly in the papers of sex crimes involving children. It seems to me that this new economy may endanger our children in this respect. Some of the kids are walking home at 5 P.M. Soon this hour will see darkness. Remember what you have read—that 2,000 children will be injured due to auto accidents this year. Is it possible to keep this number down? As one observer put it, "We cannot equip our children with tail lights."

Miller Road is one of Woodbury Gardens' main roads to school. It is a speedway for garbage trucks, highway dept. trucks, and industrial vehicles for plants located north near Miller Road. The road is not built to fit two passing vehicles and a pedestrian at the same time. This situation is alarming and shocking.

It is not a new problem. We have attempted to do something about this last year. I cannot see why, with the EXTRA appropriation for busses the children from the fourth grade up must run the gamut of busy roads and railroad crossings to please those who are apathetic about the matter.

A referendum was held last year upholding extension of bus service. Evidently the board saw fit to curtail service in the face of this poll.

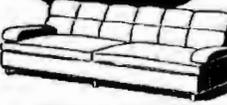

Our Junior High School pupils must walk to Jerusalem Ave. which is roughly 2 1/4 miles away. Would it be "softening up" our children to have them arrive at the school in a frame of mind receptive to the days teaching? I'm for softening them up. There is a gym to keep their bodies limber.

We are not stressing to distance from home to school—but rather, the busy streets—and other hazards that are with us until our com-

munity is somewhat safer, perhaps thru incorporation.

I know that there are many in Woodbury Gardens who have been complaining of this condition. The Civic club is about to send a letter requesting an open hearing about it by the school board. A petition is being drawn up to list the names of those who feel we need full bus service, so that specific complaints will be on hand. We are not the only neighborhood up in arms about this turn of events, and because of this, I believe the large number of interested parents will influence the school board to do the right thing. Don't want to be petitioned—if you would like to phone my house, I'll be glad to forward the names and addresses to the Woodbury Gardens Civic Assoc. If you know your civic representative's phone number—he'll gladly take your name as well. But remember—if we don't catch this thing right here and now—we will have less chance later.

public vote on the question of whether or not Hicksville is to incorporate and govern itself. The question on Thursday is NOT whether it is good or bad to incorporate. The question is "Shall we have a vote . . . shall we, the people" be allowed to make a decision."

The orderly processes of the law of the state have been followed faithfully, despite the difficulties of a fast-growing population, rising assessment and other handicaps. The right to vote has been earned.

Knights Outline Active Program

HICKSVILLE — Joseph Barry Council No. 2520, Knights of Columbus, held their first fall meeting last evening at the VFW Hall. Reports made by the various committees shows that a very active social program will be undertaken for this coming year.

Some of the various activities are as follows:

Sept. 26, the Fall Dance will be held at St. Ignatius School hall. Tickets are now on sale and can be secured from the members. The advance sale on this dance has been so great that the dance is well on the road to success.

A Memorial Mass for the deceased members of the Council and their families will be held on Columbus Day Oct. 12 at 8 A.M. All members are urged to attend.

The plans for the annual dinner dance have advanced rapidly. The Dance to be held in the early part of November at the Huntington Crescent Club.

The next meeting of the Council will be held Sept. 22, (Tuesday) at the VFW Clubhouse. This being a social meeting, an interesting program has been made. Miss Alice O'Connor, member of the Commissioner of Elections for Nassau County will address the members and their guests.

Her topic will be "Party Organization and How to Participate". Following her talk, motion pictures will be shown. The films are being secured from the Christophers and the titles chosen are the most popular and well known. "You Can Change the World" and "Government is Your Business". Both pictures have a large Hollywood cast. Jack Benny, Bing Crosby, Irene Dunne, Ann Blyth are only a few.

Both Parties

who will not run for re-election. John E. Brandt of Hicksville, concluding 12 years in office, has Hicksville area support for re-designation. However, in recent weeks strong favorite son support has developed for nominees from Bethpage and Massapequa.

No disclosures have been made regarding candidates in the Democratic ranks.

CHOOSE LEADERS

Organization of the township party committees will also take place at the respective party sessions next Tuesday. Howard T. Hogan of Farmingdale is slated for re-designation as Republican chairman of the township.

Richard T. Hayes of East Norwich, Democratic party leader in the township, has announced he does not desire re-designation.

THE SOUTH HICKSVILLE Sentinel

By Craig Walsh

66 Cents A Day

The average South Hicksville family pays approximately 66 cents, in local taxes every day of the year. In return for the 66 cents the children are educated in well-staffed, modern schools, the fire department gives protection against all sorts of unlawful persons, the fire department stands ready to protect the home against loss by fire, the garbage is collected and disposed of, the streets are paved and sidewalks laid, snow removed, water is delivered to the home (at a charge of less than four cents a day depending upon consumption), books are freely available at the library, court services provided, along with all the other community services.

Our Money's Worth

We all gripe about paying the taxes and we feel especially glum when the tax rate goes up. And properly so. But how many of us would be willing to give up what we get for the 66 cents a day? The problem about local taxes is not how to eliminate them, or even how to reduce them, but rather, "How to get the most value for the taxes we do pay?" No one wants to do away with our school system, but we all should be very much interested in being certain that every dollar spent on education brings back a dollar's worth of education to our children. It is the same with our other community services for which we pay tax money.

Local Taxes Declined In Value

The problem of local taxation is reviewed in a provocative article in the September issue of the Kiplinger Magazine, Changing Times. It is pointed out that during the last 20 years that part of the total tax dollar used for local government declined from 55 cents to 12 cents. This is due, of course, very largely to the tremendous cost of the national defense and war programs. With depreciation of the dollar and the larger number of people paying taxes now, the net result is that local governments throughout the country are receiving about ten percent less in value of tax collection. Thus, local governments are faced with the two-pronged problem of continually supplying increased services with less money to provide them.

Better Management Needed

A four-point program for curing the ills of local government are recommended in the article. The first point is Better Management. Local government must only be honest, it must also be efficient if it is to give us full value for our tax money. A checklist of 23 questions is included to give the reader some indication of how efficient his local government is. In our own case of Hicksville and Oyster Bay quite a few questions could be answered favorably, but all too many were not. Typical questions include the following, "Have you ever seen your town's annual report? Does the town try to tell you what it's doing through press or radio? When you seek information, are you treated courteously, and do you usually find out what you want to know? Do you get one tax bill, instead of several? Is the tax value of your property assessed annually? Are you permitted to pay your taxes in installments? Does your town use voting machines? Do you have a permanent registration system for voting?"

Better Taxing

Correction of sloppy property tax practices could result in a big boost in local tax revenues, according to Changing Times. Annual, full value assessments are recommended as the ideal for maximum revenue and fairness to all taxpayers. Current practice here is to assess homes at the full value of 1940. Thus, the average Levitt home is assessed at about \$3700, with, of course, a correspondingly higher tax rate to produce the required revenues.

New Patterns

"Finally, we must straighten out the CRAZY-QUILT PATTERN of OVERLAPPING, COMPETING LOCAL GOVERNMENTS by changing boundary lines . . . and coordinating multiple units that just 'GROWED'. This is a direct quotation from the article and it would almost seem that the writers had in mind Nassau County with its many overlapping special districts. So far, Hicksville has been fortunate in avoiding the overlapping districts. All of its districts have identical boundaries, except for a small portion of the water district, and we should do everything possible to prevent the intrusion of the overlapping districts.

Lend Your Support

The article concludes with several suggestions. It says to keep an eye open for signs of good management or bad. When anybody—citizen group or official body—presents a program for making operations more businesslike, lend the movement your personal support. This is not merely a matter of being moral. It's being hardheaded and smart. When you do have a well-run community, be willing to pay the price to keep it that way, even to improve it. Your community is what you make it. You don't want it to be a run-down mess. Invest in a well-spent tax dollar, and you've got a really sound investment. We believe home rule thru incorporation of Hicksville as a village will do just that.

Amvets Alley

Robt. O. Ulmer Memorial Post,
East Marie St., Hicksville

"OUT OF THE FOXHOLE" . . . Friday evening, September 4 saw the beginning of what may turn out to be the first real "hot battle" for the Commandership for 1953-54. Opposing each other we find Dan Watson, a former Floridian and Harry Strembel, a life long "Islander."

A newcomer to AMVETS by a few hours, Malcolm Getzner, businessman and Hicksvilleite, will run for Judge Advocate. Mal was with us for just five minutes when he told the members he will donate to the post a "Sixteen Table" . . . thanks Mal, it's a very nice gesture. This columnist has done some thing which hasn't been done before . . . I made Neal Ashby's column "Hi! Neighbors" for the second time in about five months. Neal and I became great pals and buddies since he named me Number One Scout for his column. . . . Bill Russess has the whole set up for the post ball team for next year, and hopes to be in the town league with the rest of the teams. According to reports from the candidates for Commander, if either one is elected to office, the Post By-Laws and Constitution may be changed and all rifles, white helmets, leggings, cartridge belts etc will be returned to the post and locked up to avoid losses. Bill Coreoran and his Melody Boys practice Tuesday evenings at the post club . . . Bill will play at our coming in-

stallation and monthly affair. The post will be a proud owner of a new mimeograph shortly . . . with all those letters, circulars, meeting cards that we send out . . . it's about time.

This year all FIVE YEAR MEMBERS will receive a special stamp to place on their membership cards. According to Marge Kleishan and Ginny D'Aldario, they haven't been receiving their meeting card???? Remember the Sept. 18 meeting is the night to come out and vote for the candidate you want as Commander . . . fail him and you fail yourself. A show case has been donated to the post for the placing of Medals, Cups etc. etc. that the post and auxiliary have won. It's a toss up when it comes to the one who will be nominated and elected as the Ladies Auxiliary Prexy.

Jim Surless and Mike Purish will battle it out for 1st. Vice Commander. See by HERALD that AMVET Bill Ohtsky attended the JWV National Convention this year . . . they couldn't have a better delegate . . . nor a harder worker.

The slogan for the new membership year has been coined by Lou Hutter, our State Adjutant. He says . . . "Make It More For 54". Now before I close let me say another new year has crept upon us with the speed of light. Our Aims for the 1953-54 year will be to give greater aid to destitute veterans and their families, to strive to greater heights in membership, add more to our ever growing Building Fund and Welfare program. That's about all for this week's news and so I'll be seeing you next week on the corner of AMVETS Alley.

Set Open House For Old Country

Open houses will be the order of the evening at Old Country Rd. School, Hicksville, tomorrow on (Wednesday) Sept. 16 at 8 P.M. Parents attending the meeting will be invited into the classrooms to meet their children's teachers.

Murray Duncan, principal of the school, will give a welcome talk, and Thomas Evans, P-T.A. president, will introduce the officers and committee chairman.

Dr. Edith Oswald, associate professor of education at Adelphi College, widely traveled educator and author of children's books, will discuss "Educating the Whole Child." She will explain how the modern education strives not only to teach the children the "three R's" but also pays a great deal of attention to their growth physically, emotionally, and socially.

Refreshments and a social period will follow the program.

Burns Ave. P-TA Meets Thursday

There will be a meeting of the Burns Ave. P-T A of Hicksville, on Thursday, Sept. 17 at the school auditorium at 8:15 sharp. President Fredrick Buckman will conduct the meeting.

According to William Yocum, Program Chairman, the evening will be spent in acquainting new residents with their P-T A and the school facility and in outlining the program for the year. As far as possible, the program will be built around the school itself and will endeavor to promote better understanding between parents and school with regard to their mutual problems.

The office of the Vice President is now vacant and it will be necessary to elect a new Vice President at this meeting. Residents of the Burns Ave. area are urged to attend and present nominations for this position. After the business meeting, coffee and cake will be served and a social hour will follow.

PLAN SPRING DANCE

Joseph Barry Knights of Columbus No. 2520 will sponsor a fall dance on Saturday, Sept. 26, at the St. Ignatius School Auditorium, Hicksville. There will be entertainment and refreshments.

Proceeds from the dance will be for the Christmas Party for the children of "Little Flower House of Providence," Wading River, N. Y.

Mary Clayton Becomes Bride Of Michigan Man On Sunday

Miss Mary Jean Clayton, daughter of the Rev. and Mrs. Cranston Clayton of Old Country Rd., Hicksville, became the bride of Carl F. W. Kohn, son of Mrs. Anthony J. Bayer of Belleville, Mich., on Sunday, Sept. 13. The bride's father performed the ceremony in the Hicksville Methodist Church at 4 p.m.

Escorted by her brother, the Rev. James W. Clayton of Stony Brook, the bride wore a white satin gown with a fitted bodice, a standing collar, long sleeves, and a full skirt ending in a train. Her matching cap caught a fingertip veil, and she carried a bouquet of white rose buds and gladioli.

Miss Patricia Clayton, who was maid of honor for her sister, wore a peacock blue gown of nylon tulle and satin and a matching headband. She carried an old fashioned bouquet of yellow dot chrysanthemums and yellow gladioli.

Bridesmaids were Mrs. George

Claw Jr. of Morristown, N. J., the bride's sister, and Miss Isobel McIntosh of Hicksville. They wore gowns of old fashioned rose nylon tulle and satin and matching headbands, and their bouquets were of yellow dot chrysanthemums and blue delphinium.

Edward Davis of Ann Arbor, Mich. was the best man and the ushers were Charles Slatman of Torrington, Conn., and Rev. Nicholas Nappi, assistant minister of the Hicksville Methodist Church.

After a reception in the church parlors the newlyweds left on a wedding trip through the South. They will reside in Evanston, Ill.

PLANNING FASHION SHOW

The Levittown Chapter of Hadassah will hold a fashion show in conjunction with Lady Serena of Merrick on Sept. 22 at Levittown Hall. A Mr. and Mrs. Study Group had been organized with couples meeting once a month to discuss subjects of their on choosing. An H-Week Committee is now being formed with Mrs. Harold B. Schwartz of 83 Arcadia Lane, Hicksville, as chairman. Mrs. Robert Hamelman, formerly fund raising administrator, has now taken up duties as Membership Co-Ordinator.

The Sewing Circle of the Reformed Church, Hicksville, will have its final sale before uniting with the Parkway Church of Hicksville on Thursday, Sept. 17, from 2 to 5 P.M.

Aprons, cakes and pies will be featured, and tea will be served.

Civics Seek North Side Firehouse

BETHPAGE—Fire protection for residents north of the railroad station will be discussed by the Fire Commissioners at a regular meeting of the North Bethpage Civic Assoc. tomorrow (Wednesday) evening, September 16th.

HICKSVILLE DOWNS:

Cedar Cliff Civics to Meet

By MARGE KERN
Hicksville 4-1536

The Cedar Cliff Civic Assoc. had its meeting in the Amvets hall on Sept. 3. The by-laws were accepted, and a few amendments were made. Also taken up at this meeting was the election of officers. Those who were elected are James Glynn, president; Tom Duffe, vice president; Mrs. Francis Harrell, secretary; and Frank Kern, treasurer. In addition to the officers, three executives were elected—James McKernan, Roy Studer and Frank Gibbia.

The next meeting will be at the Amvets Hall this Thursday, Sept. 17, at 8 p.m. sharp. Neighbors, if our organization is going to be strong, more people will have to come out to these meetings.

Robert Quinn is wished a lot of luck with his new Studebaker. . . . Related birthday greetings to Mary Weirzbowski who had a birthday last week. Mrs. Weirzbowski has her mother and brother visiting for a few days. Mary is pleased with her new walk and now that their yard will be re-tilled next year they should have a beautiful lawn. The Kerns (that's me) entertained Mr. and Mrs. Tom Dison of Brooklyn and their two children, Jill and Cheryl on Sunday, Sept. 6.

The Bifalcos had Mrs. Bifalco's father visiting for a few days; also at their house were Mr. Bifalco's sister and niece.

Madeline Lombardo spent Labor Day weekend with her grandparents in the Bronx.

Mrs. Colwell visited Godistroy, N. Y. over the holiday.

Every resident has been expecting an accident at the Cliff Drive and Stanley St. intersection. Sunday, Sept. 6, two speeding cars collided. Luckily, no one was seriously hurt. A stop sign is a must at this corner if our children and our property are going to be protected. If cars jump the curb they will ruin lawns and fences.

Please protect your children when driving through our development as the life you save may be your own kid.

A barbeque party was held at 55 Cedar St. on Saturday evening at the home of Rose and Tony Lo Gerfo. Those who attended this party were Bea and Michael Lombardi, Mary and Emil Borruso, Ann and Bill Fallacara and Marge and Frank Kern. They danced the evening away and enjoyed refreshments.

Too bad a block party wasn't held yet for our streets. Everyone is talking about one. If anyone is interested in having one, maybe we could have one soon before it gets too cold. How about it, neighbors, anyone got any suggestions?

The Cedar Cliff Civics Assoc. will hold its meeting on Sept. 17 at the Amvets Hall across from the firehouse at 8 p.m. sharp.

Mr. and Mrs. Harry Harrell had company over Labor Day weekend—Mr. and Mrs. Frank Benery of Jamaica, Mrs. Harrell's parents. Eileen Depeus of Cedar St. celebrated her sixth birthday on Sept. 11. The Depeus had company for a week's stay—Mrs. Dorothy Consagra of the Bronx. She is Mrs. Depeus's sister.

The McKernan's had Labor Day

visitors also—Mr. McKernan's mom and dad from Lynn, Mass.

Mr. and Mrs. Michaelson and their daughter Ann from Brooklyn visited the Ketteridges for Labor Day weekend too.

Peter Ketteridge was two years old on Labor Day. Happy birthday, Peter.

Mr. and Mrs. Sears had a barbeque party at their home. Those who came to share the fun were: the Youngs, the Reichels, the Doubs and a few of the Sears' relatives. All in all the twelve couples had a grand time.

Now for a bit of serious news for everyone's benefit. The way the cars speed through the Cliff Dr. and Stanley St. intersection, a full stop sign is definitely needed.

Eileen Gardens have street lights already and Hicksville Downs residents are still waiting for theirs. How about service down this way? We don't like walking around in the dark.

The parents of kindergarten and first grade students at East Street School are very disappointed this year because of the discontinued bus service to and from school. It's ten blocks from Cliff Dr. to school, and the mothers have to walk their children back and forth as there are too many streets to cross. Besides, most of them have to either leave small children home or else drag them along. In the winter it's going to be too cold to take the small babies along. Please try to give our youngsters back their transportation.

Even our high school students have to walk, and with the winter

The Assoc. plans to press its fight for protection which was previously discussed with and taken under consideration by the Commissioners.

"Every member owes it to himself to attend this meeting and to give serious thought to this subject," a spokesman said. "Every member has a right to be heard and should take the floor to make his or her expressions known. This meeting is most important. There should be full attendance, especially in view of the fact that a new school is being erected in North Bethpage. Remember, a fire won't wait until a train goes by!"

The Association will also discuss the Boy Scout and Little League topics.

coming it's going to be lonesome walking home in the dark. With all the happenings these days you would think they'd try to protect our children before it's too late.

Pat Rankel was guest of honor at a birthday party held at her home on Larch St. Pat lives in Eileen Gardens. She received many lovely gifts from her friends who (Continued on Page 11)

Oscar Ferris, fire observer on Clove Mountain near Poughkeepsie, reminds us to be careful of fire when we're in the forests this fall.

"Phones have helped us fight 1,040 forest fires this year"

"At the first sign of a fire, we go into action," says Oscar Ferris, N. Y. State Forest Fire Observer. "From my observation tower, I phone the forest ranger. Then I alert the fire wardens in the area—by telephone. They spread the alarm to their volunteer crews, again by phone. Minutes

after I spot it, a crew can be on its way to fight a fire—thanks to the telephone."

Whether it's helping to fight forest fires or helping you run your home or business, the telephone is on the job twenty-four hours a day.

Yet few things you buy today are as big a bargain! Compared with price increases in everything else, the telephone takes a smaller part of the average family budget than it did ten years ago.

You get faster, better, more useful service, too. For example, in the average community today customers can call twice as many telephones without a toll charge as they could in 1940. And we're going right ahead with the most constructive program in our history—to meet the continuing demand, and to make service even better than ever.

Measured by service or measured by price, your telephone is one of today's big bargains.

TODAY'S BIG BARGAIN. Your cost of living has jumped 90% since 1940. Yet the price of phone service has risen an average of only 15%—more for some and less for others, of course, depending on the type of service and the use made of it.

Legion Jottings

Archle McCord Post,
American Legion, Bethpage

By TOM OLIVERI
Hicksville 4-3518

With a long vacation behind us, our column once more is being resumed. Meetings of the Post will also resume on a two-a-month basis—second and fourth Thursdays. But you would never know it if you attended the September 10 meeting. A reluctant "Blades" explanation for no meeting notices was the need of recuperation from his Vermont vacation. Well, we're glad you had a good time, Hughie.

Arrangements have been completed for the Columbus Day Dance to be held at the clubhouse

on Saturday evening, Oct. 10. Carl Bertram holds the Chairmanship, aided by Al Garruba and Mike Kalinyak. In addition to dancing to the music of Benny Stevens, the affair will include liquid refreshments, buffet lunch and door prizes. Tickets may be obtained from any member or by calling Carl, Al or Mike at HI-3-9040, HI 4-1190 or HI 4-1004, respectively. This column will also honor your requests.

Commander Bak Purcell and his recent bride extend their thanks to the Post and Auxiliary for their many gifts and well wishes.

Remarking on the subject of brides, Charlie Schwarz and his Mrs. recently celebrated their Silver Anniversary, and Tom Oliveri and his girl, their eleventh. The Schwarz's, both active in the Post and Auxiliary, are the pa-

rents of two sons and a daughter. Kuno, 24, is studying for the medical profession and will graduate a doctor in 1954. Ingeborg, 18, is attending Farmingdale A and T, and Herman, 16, is a sophomore at Farmingdale High. Congratulations from the Post, Mr. and Mrs. Schwarz.

The clubhouse will again be the headquarters for the Darenth Dance School which will hold registration on September 19th between the hours of 11 and 1:30. Regular classes commence Sept. 26 beginning at 10 and ending at 2:30.

Veterans enrolling in the American Legion join a real outfit of men who served together in time of war. Friendships made in war service endure. Friendships made in The American Legion likewise endure. By joining, veterans become members of the most democratic organization in the world. There is no rank in the Legion, no race, no creed. Applications may be secured from Al Garruba, Membership Chairman, or by calling this column.

Set Father-Son Dinner Sept. 26

By DOROTHY GELBA

The WSCS of the Methodist Church met on Sept. 10 in the basement of the church. The program for their meeting was a film, "Mary Reed, Missionary in India." It was the story of the fight against leprosy in the East.

The WSCS will cook and serve the second annual Father and Son Dinner on Sept. 26 at 6 p.m. in the church basement and roast beef will be the main course. Entertainment featuring a magician, will also be provided by the group. Mrs. Ruth Altman Jr. is in charge. Mrs. Tobiasch is handling the program and the tickets.

The Missionary Guild is resuming its meetings on Sept. 15. This year the group will be meeting in the church rather than in the members' homes. Peggy Strong, president of the organization, announced.

The Oyster Bay Republican Club held its annual picnic and barbecue at Schiff's Polo field on Berry Hill Rd. in Oyster Bay last Saturday and was well attended by Bethpage-ites. By way of the grapevine I hear that the beef barbecue was "out of this world."

FIRST FALL MEETING

The Rosary Society of St. Martin's held its first fall meeting on Tuesday, Sept. 8. Mrs. Mary Huey presided and welcomed the members back to a year filled with activities. Mrs. Edna Raab reminded the members that the annual Communion Breakfast will be at the Bethpage Country Club on Sunday, October 4. Her committee has made elaborate plans for the pleasure of the membership and their friends and they ask that definite reservations be made before the end of September.

Winners of the last drawing in the current Blanket Club were named. They were Mary Kessler, Louise Bedell, Helen Ganning, M. Moran, and Mavis Klingelhoeffer. Following the business meeting "The Long Island Story" was presented by two men from the N. Y. Telephone Co. They showed colored slides of many of the most interesting places on Long Island. The trip began at Coney Island and traveled out to Montauk Point on the south shore, returning to Ebbets

Field by the northern route. The slides were accompanied by a running commentary with some corresponding historical facts.

Refreshments were served at the conclusion of the program. Didn't Bethpage look terrific in the Labor Day Fireman's parade? The men were all in step and looked real perky and not one of the Auxiliary looked like her feet hurt.

Too bad the accident occurred on Broadway and Benkert St. last week. It brings to the end a 20-year safe driving record of the Fire Dept. This is an extraordinary record as I see it considering the fact that so few drivers give the right of way to the trucks or the volunteers when the fire whistle sounds. The flashing blue light used on the front of the firemen's cars are not "left over from Christmas" but are the designation of a fireman on his way to answer an alarm. It is the result of long years spent petitioning Governor Dewey to enact legislation legalizing the use of the blue light. Parents would also be wise in informing their children of this warning light so that they might not be injured through ignorance of the facts.

Don't forget the primaries today. It's your privilege and your duty to vote.

Sponsor French Film Thursday

BETHPAGE — This Thursday evening, Sept. 17, the Parent Teacher Association will sponsor the showing of the highly acclaimed French motion picture, "Passion for Life," in the Broadway School Auditorium at 8:15.

The film has been recommended and endorsed by the National Congress of Parents and Teachers, Review Committee, "Parents Magazine," Child Study Association, and the National Association for Mental Health. It is sponsored by the Film Board of the United Nations and UNESCO. After playing in regular theatres across the nation for six months, it is now available to schools and organizations.

Donation per ticket will be 50 cents. The P-T-A program, publicity, and finances committee are working hard to acquaint every family in town with the purpose of this film. It shows the crucial need for participation by responsible citizens in their schools.

The National Parent-Teacher rates the film as follows: 8 to 14 years, "Yes"; 14 to 18 years and adults, "Excellent." In school-wide showings, it has been found enjoyable and useful for junior high school level and up.

Plans are in the advanced stage for the North Bethpage Civic Assoc. Pizza Party scheduled for Saturday, Sept. 26. Included will be spaghetti, meat balls and all the trimmings.

PERSONALITIES IN THE NEWS

PLM City, champion of the Jones Beach regular season race, may have its bench jockeys refer to Jim Barone as cousin but he isn't even a friend of the family. Jim knocked the red out of the seashore playoffs last week with a sturdy 4-1 eighth inning win which was the second time in as many times at the beach this year that he defeated the Massapequa entry.

Bill Bordiuk strived brilliantly to gain the playoff title at the beach for Botto, Labor Day, but after six hitless innings two errors sunk him. The first hit Long Island Neon got was booted for a two base error and resulted in a 2-0 reverse.

If the holiday week-end did mark the end of Hicks-ville softball on a major scale, it went out in grand style. You can retrace all you wish but you won't find in the records where the team put such two outstanding games back to back.

Joe Smith, native and outstanding athlete of Hicks-ville, was chosen the "Most Valuable Player" at Jones Beach for his work with the Levittown AA. Joe is extremely respected for his ability and received a very fine ovation after the crowd recovered its gasp upon not hearing Roy Stephenson's name.

The response for the first Hicks-ville Field Club foot-ball practices have been very sparse but manager E. Irving Jessor and Coach Dom Sabatella aren't discouraged. The heat wave cut into the possible field of candidates and with a little pushing the Black and White expects interest to be revived.

A not too remote happening that could tear apart the fiber of club football on Long Island would be the successful operation of an all-star team composed of the name players from various Nassau towns. The intent would be to play all games out of the state for stipulated guarantees and would ignore inter-town competition on Long Island.

If it comes to pass, the name of George Fowler may be the headline attractions that will assure a successful launching.

In the matter of Frank Homes vs. Suburban Homes, played a while back on the Grumman diamond, the Hicks-ville entry defeated the Plainview team 11-10. It must be agreed that Ed Farrell was correct in his estimation that his club could take John Econopolis's.

The contest is to be an annual affair and so enjoyable was the first one that they have decided to hold the second encounter in two weeks.

Speaker at the meeting was Elmer "Bud" King or behalf of the Assoc. for Help of Retarded Children. "ONE CUSTOMER... TELLS ANOTHER"
By Nat Ferraro
"Cold Engine Driving"
(continued)
According to statistics the daily driver in the average car owner totals 32 miles and consists of about 4 short trips like this:
1. START—drive to work—STOP
2. START—drive home—STOP
3. START—drive to school or church—STOP... START—drive home—STOP
4. START—go to the theatre or visit friends—STOP... START—drive home—STOP
The average car owner is a "Cold-Engine" Driver—even in the warmest weather. It is with this type of driving that engine "blow-by" is at its worst. Excessive amounts of soot, carbon and lead compounds reach the oil. But even worse, "blow-by" and low crankcase temperatures mean increased crankcase condensation—resulting in more engine wear—choking sludge and more wear-producing corrosive acids. To be continued.
