## Plea for Vote Seen Key Issue

**HICKSVILLE** — An earnest plea to Supervisor Charles E. Ransom to permit the people of this community the right to vote on incorporation as a village with home rule marked the conclusion of the Supervisor's hearing upon the question at the courthouse here, yesterday (Thursday) morning. "It is crystal clear that the only issue at stake is the plea of thousands of people that they be given the right of ballot on this vital local issue," asserted proponents as answering briefs were filed with the Supervisor.

Ransom now has a maximum of 10 days to render his decision on the plea for a local referendum which began on July 31 with the filing of a proposition and consent-petition signed by 6,242 property owners. His answer is anticipated by Oct. 5.

Replying to arguments presented at the hearing on Sept. 17 in opposition to the conduct of a referendum, voiced by Michael J. Sullivan and David K. Sigerson, it was pointed out by Judge Willis B. Carman that "it is strenuously urged that all of the withdrawals are in use, form, fact, law and substance objections to the proposition. They are not one of the five specific objections to which objectors are specifically limited under the village law . . . there is no question that objections (to the vote) in the form of withdrawals cannot be made. The Supervisor has no discretion on the matter of withdrawals but must interpret the plain meaning of the Village Law and disregard all purported withdrawals delivered to him."

### TECHNICAL PICAYUNE OBJECTIONS

Judge Carman's brief also charges that the Sullivan and Sigerson, as attorneys for 35 objectors including themselves, 20 political committeemen, and a dozen pre-Levittown advocates "have raised only highly technical and picayune points that have no material merit in law or fact worthy enough to deny 6,242 signers of the consent and thousands of other taxpayers of Hicksville the right of referendum on this vital local question.

"The burden of proof is squarely on the objectors to prove all objections and we submit that they have utterly failed to meet the burden in a futile attempt to deprive the people of their vote . . .

"The right of ballot is an inherent heritage of all of the people of Hicksville and it is argued that proponents have literally and substantially complied with the Village Law and all other laws and the Supervisor should permit a vote."

If Ransom permits the vote, it would take place somewhere between Oct. 23 and Nov. 2. He must file his decision with Town Clerk Curran within 10 days, or by Oct. 5. Curran will then have five days in which to give notice of a vote to take place not less than 15 days or more than 25 days from the date of his notice to the community.

## Democrats Pick Slate Tonight

**HICKSVILLE**—The Oyster Bay Township Democratic Committee will select its slate of candidates for the November elections at a convention tonight (Friday) at the VFW Clubhouse on Grand Ave., here. No advance indication has been given as to the candidates for town office which will include a nominee for supervisor, two councilmen, highway superintendent, town clerk, tax receiver, school director and three trustees of the Jones Fund. Richard T. Mayes of East Norwich is expected to decline re-election as township party leader.

## Lumber Corp President Dies

**RIDGEWOOD** — Charles Schildknecht, president of the Argo-Schildknecht Lumber Corp of 50 Bethpage Rd., Hicksville, passed away Tuesday night, Sept. 22, and is reposing at the Stutzman Funeral Parlor, 224 St. and Jamaica Ave., Queens Village.

## Advisory Group Meets Monday

**HICKSVILLE**—The Citizens Advisory Committee on Education will hold its first meeting of the 1953-54 school year next Monday night, Sept. 28, at East St. School, according to Chairman George McIntosh. Edna Sutton is board of education member working with the committee this term.

Members of the committee named by the School Board this term include: McIntosh, Jack Drusman, George Winsor, Adelaide Katz, Irving Robbins, A. Carl Grunewald, Frank Boland, Isabel P. Glaster, Fred J. Noth, William H. Orton, William Botto, Henry Frank, Katherine Frawley, John Ehrenfeld, Sidney Kosby, A. G. Soenen, Milton Leavitt, Joseph Cawley, Alan Carpenter and Freeman L. Parr. Several other appointment are anticipated.

## Both Sides Of Question

**LAWRENCE A. ROMAN** (at left), chairman of the Home Rule Committee, speaking for incorporation of Hicksville as a village, and **ERNEST F. FRANCKE**, spokesman for the opposition, discussed on the pros and cons of the question at a special meeting of the North West Civic Assoc. at Burns Ave. School, Friday night, Sept. 18. ## REPUBLICANS PICK SLATE: Must Modernize Township Government, Hogan Says

**EAST NORWICH** — Nominations of Republican candidates for town election positions on Nov. 3 went off as scheduled, without a hitch, at the GOP township convention at Rothmann's, here, Tuesday night. The big news of the evening was the presentation of a program by Township GOP Chairman Howard T. Hogan for the proposed "modernization" of town government and the urgent, repeated plea to the assembled committeemen to get voters enrolled and "get out the vote". The vote plea was tied in directly by Hogan with a frank bid to obtain greater patronage for the township GOP organization and place fast-growing Oyster Bay on an equal footing with the two other townships in county parties.

"If the Oyster Bay Republican organization is to remain the dominant party in the Township", Hogan warned, "we must modernize our government. We must also present the electors with men and women qualified to hold the positions to which they are nominated." He added that he felt certain that those nominated Tuesday night were "well qualified."

the future planning of the township GOP executive and advisory committees, Hogan asserted that efforts must be made to "modernize and streamline the form of town government."

**IF THE REPUBLICAN** organization is to remain the dominant party in the Township of Oyster Bay "we must modernize our government", Howard T. Hogan told assembled GOP committeemen at their convention in East Norwich, Tuesday night. Listening attentively as the re-elected chairman of the town GOP committee spoke, left to right, were Andrew E. Heberer of Hicksville, re-elected town committee secretary; Supervisor Charles E. Ransom of Sea Cliff, who is not seeking re-election after 28 years in pub-

lic office; Theodore Summers of Syosset, town attorney; and George Thomas of Locust Valley, councilman. Hogan, an attorney and former mayor of Farmingdale, outlined a plan to modernize and streamline the township government in discussing GOP program for the future as related to the rapid growth of the area. He urged party members to "get out the vote to show the county organization we have something more than building permits." (Herald photo by Boertzel).

NEIGHBOR DOWLING VIEWS NEWS:

## Parents Endorse Board's Efforts

By JOHN DOWLING

An overflow crowd of Plainview residents jam-packed the multi-purpose room of the Manetto Hill School in Plainview Monday evening to participate with the Board of Education in a discussion over the district's present critical classroom shortage. Also in attendance was the chief educational officer of the first supervisory district, John W. Chisholm.

At the outset of the two and half hour session it was pointed

out by school officials that there were only seven classrooms available within the district to take care of an enrollment that already had advanced beyond the thousand pupil mark.

Board of Education spokesmen including school principal Robert Tuttle then stated that in view of this condition it was necessary to rent classroom facilities outside the district until Plainview has its own school buildings.

In connection with a suggestion made by several residents regarding the elimination of kindergarten, Chisholm told the group that children now attending kindergarten would be eligible for first grade, therefore the use of out-

side facilities would still be required in order to educate the children.

The meeting wound up on a happy note when the residents voted overwhelmingly to support the Board of Education's school plans and many of the newer people in the district unhesitatingly stepped forward to offer their assistance to school officials.

At the present time the district has one 18-room school under construction in northwest Plainview, and construction bids on another 10-room school to be located just south of the Plainview Firehouse were opened previous to the district meeting. Work on this school will commence as soon as the bids have been analyzed, it was reported.

In addition school authorities feel that a vote to authorize construction of another school on site No. 1 in Morton Village will take place within the near future.

The Rev. Foster G. Sizemore, minister of the University Place Christian Church, Indianapolis, will be the guest speaker at the Church of Christ, 105 Broadway, Hicksville, Sunday, September 27. Rev. Sizemore will bring the morning and evening message in place of the regular minister, the Rev. Elmer C. Kile, who is attending the Sixth National Missionary Convention at Lincoln, Ill.

## Dear Jean:

We note that TOWN AND COUNTRY APPAREL is getting a new storefront sign. . . . We hear that approval for a package store on South Oyster Bay Rd at Old Country Rd, Hicksville, has been granted. . . . The BAHRENBURGS, formerly of Hicksville, had an "open house" at their Bakery in Valley Stream which was attended by thousands, including Mayor HENRY WALDINGER. Mr. and Mrs. Bahrenburg formerly operated the bakery of that same name in this community. . . . Long Island Assoc has tentatively decided to open an office in Patchogue as well as Garden City. . . .

After MARVIN SULTAN, president of the NLHOA, had finished giving a rather involved report on the Township Supervisor's hearing on the Hicksville Home Rule petition at a North Levittown Home Owners meeting Tuesday night, past president CHARLES C. MILLER rose and differed with SULTAN, referring to "grave inaccuracies". Funny part of it is that both SULTAN and MILLER, together with others in the NLHOA who have never expressed any great love for Hicksville, although it's their home town, are among the 35 people who have "officially" objected to the proposition coming to a vote. And they include the people who were giving Supervisor RANSOM such a rough time earlier this year at Oyster Bay Town Hall on the town vote regarding the hall and pools. They were also active in the so-called "Trump" vote, claiming the township vote was akin to dictatorship. Now they want RANSOM to heed their protest against the right of Hicksville people to vote on this question.

And then SULTAN proceeded to give his version of activities in the school system and EMIL SZENDY, board member, rose to correct his "inaccuracies". It just was not Marvin's night. . . .

Echoes of Primary Elections: PAUL DANA and TONY AMATA won election as GOP committeemen in Bethpage on a write-in 105 to 70. . . . A write-in for LORRAINE CARTER against CLIFF DAILEY in the 50th Bethpage District was unsuccessful. CLIFF got 100 votes more than the write-in of 16. . . . And in Hicksville, we understand, HARVEY SCHLUTER got 17 more votes than his co-committeeman, ERNEST FRANCKE in the 46th District which is also an eyebrow lifter. . . . Councilman FRANK CHLUMSKY was official escort at Rothmann's Tuesday night, bringing forth each candidate after he was nominated. . . . Town Chairman HOGAN called upon executive committeemen, toward the end of the convention, to introduce the women in their village organizations. HAPPY NORMAN had three to introduce, CHARLIE RANSOM proudly presented two and ED LYNDE introduced one. Hicksville has an all-male set-up for 15 districts as FRANCKE was not called upon. . . . For the first time since the councilman form of town board was created, there will be (with a GOP victory) three councilmen from south of Jericho Pike and one from the north shore. In the past it was always two from each side of the Pike. . . . HOGAN said he had visited LEN HALL in Washington the day before (Monday) and that Len, who is still ailing from a virus, sent his regards, regrets and good wishes. . . . There was standing applause when Ransom finished his remarks which he said were not his swan song. He is leaving public office but is definitely remaining in politics "as long as my constituents and party wants me" . . .

## Five New Men, Total Now 90

The company wishes to announce to the community that it has accepted as probationary firemen the following men:

Henry Ziermann of 12 Sidney St., Alex Lojstnicki of Main Pkwy and John St., Stephen Haski of Birch Dr. and John St., Harrison Bordson

### Post To Close Charter Roll

PLAINVIEW The deadline for charter membership in the Plainview Post of the American Legion has been set for Sept. 30.

All persons holding 1953 cards at or on that time will be listed as charter members of the newly organized post and as such, will have their names inscribed on the permanent charter roll, officials state.

All members of the post not holding 1953 cards and who wish to be listed as charter members are urged to contact John Marrapodi, Post membership officer, before this date.

After the Sept. 30 deadline, all dues will be put towards 1954 membership payment and as such will not be considered as charter membership applicants.

of 51 Virginia St., and Arthur Boselli of 61 Virginia St.

The aforementioned men will serve a one-year probationary period during which period they will learn the basic operation of the equipment we have plus other duties of a fireman. It gives us great pleasure to report to the people that we are now able to turn out a total of 90 men at an alarm. Therefore, the protection in Plainview is equal in man power to a three or four alarm in any large city.

Our company has been conducting a school each Sunday morning for the probationary men but it is now a requirement for all firemen to attend a basic training course conducted by the Nassau County fire officials. The thought behind this is standard instruction for all firemen in case assistance is needed by our neighboring communities.

This course will be conducted on the third Wednesday of each month starting in October. There will be nine sessions in the various fire houses of the ninth battalion.

We hope our neighbors will honor our Ladies Auxiliary by attending their dance tomorrow evening at the fire house. There will be dancing and refreshments to satisfy all. This is a barn dance:

therefore, lets not come formal, see you all there for an evening of fun.

It gives us great pleasure to announce the date of fire prevention week. The dates are Oct. 4 to 10. This is a community activity which we can all be a part of. More along these lines as the date approaches.

### Plainview Legion

#### Meets on Monday

PLAINVIEW—The next meeting of the local American Legion Post will be held at the Charlie-Wagner Dugout, Hicksville, Monday evening, Sept. 28 starting at 8 P.M.

Commander Al Schupp urges all members to attend, especially those new members who will be initiated at this time.

Harry Yates, post vice commander, also stated that refreshments would be served following the business portion of the agenda.

The post publicity officer said that a surprise guest of honor is expected to attend.

## Fund Raising Drive Underway

By MRS. J. M. ARENA  
Hicksville 4-3952

The Girl Scout fund raising drive opened Sept. 19. A house to house canvas will be made and contributions requested.

This is the only Girl Scout raising drive, except for the Cookie Sale, and the Scouts are hoping that Plainviewites will be generous. This is the first time this drive has been conducted in this area. Funds collected support the Scout camp, provide lessons for leaders who in turn teach these new skills to the Scouts, and provide most of the Scouting necessities.

Stickers and receipt books were issued to the captains of the drive. Sept. 10. Green cloverleaf ribbons will be worn by the ladies collecting for the drive, and you may expect them to call on you during the week of Sept. 19 to Sept. 26 inclusive.

Ladies who will be collecting are Mrs. C. Dellamaine, Mrs. O. Kalfur, Mrs. G. Gregory, Mrs. Frank, Mrs. H. Turner, Mrs. R. Beck, Mrs. O. Seeburg, Mrs. A. Craib, Miss B. Ryan, Mrs. Green, Mrs. Curran, and Mrs. J. Arena. A few more collectors are needed, and volunteers may call Mrs. G. Gregory, chairman of the drive, at Hicksville 4-2212.

Plainview Scouts now have four

Brownie groups and three intermediate groups. Anyone interested in joining the Scouts may call Mrs. F. Oterson at Hicksville 4-2852.

### Plan Discussion Of Great Books

HICKSVILLE — The Public Library here is planning to sponsor a Great Books reading and discussion program for interested residents, announces Kenneth S. Barnes, librarian. Lasting for 18 consecutive meetings, the course would be for two hours every other week in the Library.

The Great Books Foundation is based on the idea that people can think for themselves and that they can better understand the basic problems confronting every generation if they read and discuss past literature on these problems.

Eighteen readings are included in the first year course. These books, at \$11 will be the course's only expense. Some of the readings are Plato's "Republic," Aristophanes' "Lysistrata," "Birds" and "Clouds," Karl Marx's "Communist Manifesto," Shakespeare's "Hamlet," and selections from Plutarch, Montaigne, John Locke and others.

Those who are interested may contact the library at Hicksville 4-1417. The program is planned for October if enough people are interested.

## Only 12 Weeks Till Christmas

By RAE CANTILLI  
Hicksville 4-2618

Hi Folks:

It's a fact that there is only about 12 weeks to Christmas and according to all sorts of indications it is going to be a "cold, cold winter". Ah well! So on with the news.

## GIRL SCOUT DRIVE

The annual Girl Scout Finance Drive is well on its way this week with a door-to-door campaign. The local goal this year is \$800. Every penny and more is needed to keep this fine organization running. A portion of the money goes to the Mid-Island Council, and the remainder goes to buying flags, etc., to keep the Troops fully equipped and running smoothly. According to Mrs. Alma Craib, Town Chairman, last year there was only one Troop, two leaders and about 23 girls. Right now and before the ensuing year is over, there will be about 16 Leaders and well over 100 girls. So when someone approaches you for a donation, give little to help an organization that is dedicated to give young ladies of all ages, instruction, entertainment and good citizenship.

## PLAINVIEW CIVIC ASSN.

The first meeting of the Plainview Civic Assn. was held Sept. 15 after the summer recess. Norman Riley presided over a fairly large group. Guests of the evening were Mr. Loeffler of the Plainview Unit of Civil Defense who gave a very fine talk on the vital need of men, women and young people to help in any way possible in CD. It takes no special training to be a member. They need anyone to fill any type of job. He urged everyone to donate a little of their time for their own good, as well as the good of others.

Other guests were Councilman Frank Chlumsky and the Allen Bros., who are responsible for the removal of our garbage. Mr. Chlumsky spoke on how to obtain a garbage district in Plainview. The Allen Bros. answered questions from the floor.

It was agreed upon that at a later date to have some sort of public meeting to discuss further the pros and cons, and to decide what the people in Plainview desire. The main issue of the evening, however, turned out to be the lower Melville School situation. As probably everyone knows by now, the parents of the children had very excellent reasons for not

wanting their children sent to Melville. I felt very much swayed to these people.

However, I can also see the School Board's point in a way, too. Anyway, the meeting held Monday night probably settled it a little bit.

## REPUBLICAN CLUB:

The Republican Club held a public meeting on Sept. 16 at the fire house. The highlight of the meeting was the report of the nominating committee. Chairman Ed Ucker presented the following names for offices to be voted on at the election next meeting. Anthony Ucker for President; Richard Bergman for Vice Pres.; Thomas Payne for Recording Sec.; Herman Williams for Corrs. Sec.; Leland Baker for Treasurer; Theodore Pulliam for Sarge. At Arms.

Board of Directors: John Hartman, William Gentry, Joseph Arens, Joe Branca, Harry Kassingher and Howard Spooner.

After the meeting refreshments followed.

## BARN DANCE:

Just a reminder on the barn dance being run by the Auxiliary to the Plainview Volunteer Fire Co., at the fire house this Saturday. Donations are \$1. Music by Val Hlimberger and his orchestra is provided with a real touch of autumn to the proceedings. So do get down.

## Okay, Now Let's Vote

By Fred J. Noeth

**IT WAS NOT A DEBATE.** Ernest F. Francke has repeatedly declined to accept speaking dates on the incorporation question if a debate is proposed.

It was the special meeting of the North West Civic Assoc of Hicksville at Burns Ave. School and we only regret that the entire community could not be present to hear Lawrence A. Roman, chairman of the home rule committee and ardent advocate of incorporation, and Mr. Francke, the lone voice of the opposition.

Mr. Roman spoke with considerable vigor. Having read the "little green book" and having heard his opponent speak before, Mr. Roman issued several public challenges which were not taken up. He stated flatly that he is confident Supervisor Ransom will find the request for a referendum of the people of Hicksville in order.

He spoke of such pressing local problems as shopper and commuter parking, parks, and playgrounds, grade crossing elimination, taxes, locally elected officials, youth activities and some more about taxes.—He went over his allotted 20 minutes and apologized because he did not have the time to go further into his subject. He was enthusiastic and sincere.

Mr. Francke did not need his 20 minutes to present the opposition viewpoint. He said he had been accused of being opposed to incorporation "because I have a public job" (as Nassau County Clerk). He pointed out that he was opposed to incorporation before he became county clerk and does not intend to halt his opposition now.

Mr. Francke said that Hempstead and Freeport have been in existence for years, and years as incorporated villages. In contrast, he said "we don't even own a lead pencil". He said incorporation villages were very nice for the North Shore "to keep other people away."

He don't want incorporation because it will just mean, he said, "another tax bill on top of an already overburdened tax structure."

The question and answer period came close to a debate as first one speaker and then the other was asked successive questions.

Regarding parks, Mr. Francke said that the school grounds are our parks. As for the future hearing on purchase of land for parking fields, Mr. Francke said he was "sure" hearings will be held in the evenings on future land purchases.

And on the question "why, Mr. Francke, are you trying to prevent us from voting on incorporation?" he answered that he was not trying to deprive people of the right to vote and besides that was not the subject of the discussion for the evening. "I don't think that has any bearing on whether we incorporate or not," he added.

Now that we have heard both men speak the same evening, we are more anxious than ever to vote—bring on the ballot box.

### Cost of Traffic Jams

Hardening of New York City's traffic arteries is costing more than \$1 billion dollars a year according to the Citizens Traffic Safety Board of New York as reported by the Journal of Commerce. The board was organized by business men to promote safe and efficient traffic movement in the city. New York is about 200 times as big as Hicksville, but we have our problems, too. Our traffic problems are not nearly so serious as New York's, but they are serious enough for us.

### Property Values Shrink

The report says that downtown property values shrink, retail stores and other types of business expand in surrounding areas, potential customers are discouraged from traveling downtown, municipal vehicles like fire trucks and ambulances cost more to operate and are less efficient, etc.

### Traffic-Minded Mayor Needed

Officials of the Citizens Traffic Safety Board said that a traffic-minded mayor is needed to solve the traffic problem. They said that there is no mystery to solving the problem and that other cities have found the answer. But always with the cooperation of the Mayor.

### We Need a Mayor

If the officials of the Citizens Traffic Safety Board are correct in saying that a traffic-minded mayor is needed, how can Hicksville solve its traffic problem when it doesn't have any kind of mayor, let alone a traffic-minded mayor? Improvement in traffic conditions is one of the many local conditions which can be improved having the local government that only incorporation can bring. The Oyster Bay Township Board, our present governing group, while made up of very capable men who undoubtedly want to see better conditions here, simply are not set up to solve the traffic problems, as well as many other local problems, in a community of 30,000 or more people along with the innumerable problems of the rest of Oyster Bay.

Incorporation will bring close to the scene of the problem a local government, and a mayor, who will have a close-up look at our traffic congestion. Then we will be on the way to a better Hicksville.

## The Legionnaire

October 1, 1953 is just about here and to paraphrase a once popular song—"Every Year About This Time" we get to membership.

For several years now the Charles Wagner Post has looked for an ever increasing membership comparable to the growth of Hicksville. To say the Post hasn't grown would be incorrect but to say it hasn't realized its potential is a very mild statement of fact. The Legion of course is not alone in this. The new memberships in our fellow veteran's organizations also appear to be well below expectations.

We understand the feelings of the new home owning veteran; his desire to make his home fit his needs and the additional time and expenditures necessary to accomplish these ends. Hence, it has been and will continue to be the policy of the American Legion in Hicksville to refrain from door knocking and pressure campaigns for the sole purpose of plucking a five spot from a hesitant vet. These tactics produce a large membership roster but very few interested and hardworking Legionnaires, whereas a voluntary applicant results in a true Legionnaire.

Many of you now, however, have your roots firmly planted, more free time and a desire to meet the other sections of town. At the Legion Hall you can meet them all—WW I, WW II and Korean and women born in Hicksville and men and women who moved here last month.

The veterans of WW I made the road a lot

Charles Wagner Post  
No. 421, American Legion

easier for those of WW II and they in turn, are doing the same for the Korean vet.

We are fortunate generally, in our homes, our families and our jobs. But there are many, who in most cases contributed more to the cause of American freedom than we did, that are less fortunate. It is toward them the program of the American Legion is aimed. The charitable works of the Legion and its' Auxiliary are important to veterans and NON-VETERANS alike but in this field there's a lot more work to be done and the American Legion wants YOU, the presently unorganized veteran to help us.

We have our work, our fun, our differences. We'd like you to share them with us!

The Fall season brings with it the first monthly Card Party sponsored by the Auxiliary. Tonight's the night! Will you be there?

The thanks of the American Legion and its' Flag Committee goes to Karlson and Reed for the use of their compressor to install American Flags for the many business men in town recently making purchases.

The Officers of the Auxiliary will be installed at a joint County Installation next Wednesday Sept. 30. Several of us, attending with our wives, intend to toast the ladies afterward.

Flag Committee workers include Jack Ehmann, Jay Jaboer, Erie Gundlach, Steve Widyko—all Legionnaires—and one of those men we call a "friend of the Legion"—P.B.C.'er Harry Day.

Remember—Ask for Al Carpenter and JOIN THE AMERICAN LEGION TODAY!

BOB MANGELS

**STANDARD BEARERS** for the Republican party in the November 3 township election after their nomination at Rothmann's in East Norwich, Tuesday night. Left to right, James "Happy" Norman of Bethpage, for

councilman; Lewis N. Waters of Syosset, for supervisor; Henry Curran of Oyster Bay, for town clerk; John R. Brandt of Hicksville, for highway superintendent; and David Welch of Farmingdale, for tax receiver.

## Need Streamlining In Town

(Continued from Page 1)

tail regarding the proposed "streamlining". It is proposed to set up in the township a department of public works, headed by a commissioner. Under this department would be grouped the superintendent of highways, parks, beaches, garbage service, etc. This, he said, would be comparable to the engineering department of the Town of Hempstead.

He indicated that "it should not be the function of the town board" to do such things as "check street names and signs, sidewalks, drainage, curbs, etc." The public works commissioner would report to the Town Board, he said.

He also mentioned the possible establishment of an office of township comptroller, such as Hempstead now has, to take care of expenditures, allocations of funds, etc.

TAKE LAW CHANGES

After the convention Hogan admitted that certain portions of the proposed streamlining would require legislative action.

During the bi-annual reorganization of the township the following were elected in addition to Hogan as chairman: Edward Tillford of Hayville, who has served as committee man for 42 years, vice chairman; Andrew B. Heherer of Hicksville, secretary, and David Welch of Farmingdale, treasurer.

Named for consideration by the county committee for county vice chairman were Tillford and Charles E. Ransom of Sea Cliff.

NAME CANDIDATES

Republican candidates named were: Lewis N. Waters of Syosset, for supervisor; Henry Curran of

Oyster Bay, for town clerk; John trustee of the Jones Institute. Supervisor Ransom in concluding address of the evening stressed that drainage "is the paramount problem" in the township today and expressed hope that there would be progress on this "before Election day". He also said the township incinerator, recently enlarged with a hope of capacity for some years to come, is now operating at peak capacity.

**MIDWAY JEWISH CENTER**

This is a new group that has just organized in Plainview. While it is just a small group at present, they hope that it will soon become very much larger and be a definite part of our community. During the High Holy Days, they met together at the Plainview Fire House and at a worship tent at South Oyster Bay and Woodbury Rd. The group is planning to work toward the building of a non-sectarian Community Center to serve all that recreational needs to adults and children of all faiths and to be used as a place of worship by the members of the Center. This is certainly a very wonderful goal to aim towards, and I do wish them every success

in the world, and I know they are already an important part of the community. Good Luck!

**BLESSED EVENTING:**

Congratulations to Mr. and Mrs. John Patocot of 3 Blanche St. on the birth of a daughter, Thea Irene, Sept. 7th. All the best of luck for the future to parents and baby.

Yours truly, plus friend husband entertained at a barbecue Saturday, Sept. 19, in our back yard. We removed tons of excess junk from the garage and cleaned and fixed it up into a more or less stellar atmosphere. As it turned out even old man weather cooperated and everyone seemed to enjoy the dancing, singing and eating to their hearts content.

Among those present were Joan and Bill Bowden, Gloria and Al Shikursky, Al Wallace, from Baldwin; Audrey and John Baranton, Mineola; Johnny and Dot Lyons and Joyce and Bob Pappalardo, Levittown; Dot and Bob Johnson, Pat and Bill Wright, Bethpage; Ed and Eleanor Brophy, Richmond Hill; Shirley and Bill Davidson, Gert and Jim Galazano, Lil and Ralph Iverson and Clare and Ray MacAllister, all from Island St.

That's all for now. See you next week!

Mr. and Mrs. Alfred Baumann, of Woodhaven, visited their daughter and son-in-law, Mr. and Mrs. Roy C. Bayen of Blanche St., Plainview, on Sunday in honor of the birthday of their grandson, Roy Christian Jr., who was four years old this week.

Time Payments Arranged — Up to 36 Months To Pay

By HOWARD FINNEGAN

Four years ago South Side High School roared into Hicksville with an undefeated string of 33 games to battle the beleaguered Orange and Black in what turned out to be one of the most dramatic contests of the past decade.

It was our editorial judgment a few days before that game the Comets were set to encompass the tornado and extinguish it.

Our precise choice was Hicksville 7-6.

With 78 seconds left in the game that was the score, but an instant later it flashed to South Side 12, Hicksville 7 as the Siders successfully completed a 66-yard drive to preserve a brilliant record.

The winning march was accomplished with surprising coolness and precision for school boys against a sea of emotion as some 1,200 Rockville Centre fans pleaded wildly in the three minute, eleven play drive.

The loss left Hicksville desolate since the Orange and Black still nursed the hurt when South Side ran out of the Hicksville schedule in the mid-forties only to return when it appeared the Comets were barbeled.

Local supporters wanted Hicksville to snap the Siders' undefeated string but the honor went to Farmingdale during the next campaign.

Hicksville has the chance again.

Perhaps it won't be such a shattering victory as one four years ago would have been, but South Side hasn't lost in two seasons and it would be a good way for the Comets to start if they were to snap the skein.

Presently, unsure is the word for the Hicksville camp. Possibility is another and that is the one we will pick for Saturday.

Hicksville 19, South Side 7.

## Cub Pack Holds Picnic At Park

HICKSVILLE—The second annual picnic of Cub Pack 91 was held Sunday, Sept. 20 at Bethpage State Park. Although it was a grand day for a picnic, the turnout was not as good as it could have been. Games followed hot dogs and soda pop.

The trophy which was won by Den 7 last year went to Den 8 who has as their den mother, Mrs. Florence Edwardson. Den 3 was awarded second prize. Mrs. Kay Uhle is den mother. Third prize was awarded to Den 5 with Pat Gimmon and Connie Doyle as den mothers. Fourth prize, a consolation, because there were only 3 boys out of 10 attending, was won by den 4, with Mrs. Leona Bergin as den mother.

A good time was had by all and the committee in charge deserves a big hand for a job well done. The committee included, Larry Barelli, John Pileo, John Doyle, Thomas Bergin and Thomas Harrison.

Members and friends of the Plainview American Legion Post enjoyed a quiet picnic lunch and afternoon in the open at Bethpage State Park Sunday.

## 3 Local Folks Win Star Nite

GARDEN CITY—Three Hicksville residents were the lucky winners of prizes given at Hospital Star Nite, sponsored by the I.I. Industry Fund on Sunday evening, Sept. 13, at both Belmont Park Racetrack and Roosevelt Raceway.

Mrs. John Schmidt won a portable radio; John Frayer won an electrical appliance, and Vincent Hoosack of 69 Twin Lawns Ave. won a \$25 defense bond. These prizes and 47 others were handed out to the audiences by means of tennis and baseballs by such sports figures as Mel Allen, Allie Reynolds, Bill Talbert and TV and radio personality Jinx Falkenburg McCrary.

## UNDEFEATED TWO YEARS: South Side, Comets Kickoff Season

HICKSVILLE—Debuting coach Bill McNamara will attempt to get the fire up, here Saturday afternoon, as his veteran Hicksville High eleven launches the 1953 gridiron campaign against always dangerous South Side.

A late start, minor injuries and sickness has retarded the Freshman coach's plans to bring the club along. As a result the team has been in and out in practice sessions and the opening date with a team that has not lost in two years has jumped up decidedly too soon.

Don Steiner's South Shore school is well versed in football achievement. For five years, from 1946 to 1949, South Side went undefeated. A lean year in 1950 with four losses but in 1951 or 1952 no opponent was able to tie or defeat the Rockville Centre Comets.

McNamara's position isn't the most enviable since on paper he has a good start but the line of

Orange and Black reserve is very thin and the club hasn't flashed anything sensational as yet.

The Hicksville coaching staff was defeated after a scrimmage with Manhasset last week, not so much by the power of the Town Hallers, but by the lack of grit shown by the Comets.

In this final week of preparation McNamara has been attempting to stroke some hot coals to get his squad to the boiling point.

### BACKFIELD SOLID

His backfield has had a year of experience and present plans call for little but determined Lou Millevolte to call the signals. Most of the power running assignments will go to 195-pound, 6-2

Richard Evaschuk who will also double as defensive tackle.

Howard Speedling, Dick Scott, Joe DeVau will run from the halfback slots while Martin Katz may spell Millevolte.

Other candidates are Robert Sarkaras, Frank Barton, Bill Lapointe, Richard Budd and Robert De Larenzo.

The forward wall is not shy of vets or weight with Stan Sudariski returning at center, George Kramer and newcomer Bill Keeling are in front guard berths. John Martarello and Bob Knoian are the tackles until some one takes there position away.

John De Vaul and Tom Knifing will probably start at ends with Richard Hogan, Tom Adams, Vic Tricchio and Richard Muller ready for replacement duty.

Bill Schneider, Phil Engle, Leonard Kieling, Steve Plopaki, Tom Gilligan and Pat Sarle are possible line subs.

James McQuillen and Joe Pepe are the guard stations but Pepe has demonstrated some free wheeling running with the ball and may wind up in the backfield.
