CHILDREN'S FAVORITE:

This Picture Won Grand Prize

HICKSVILLE — "How wonderful!" was Mrs. Sylvia Richman's surprised reply when she was informed that her photo was the winning entry in the Herald Vacation Photo Contest.

The David Richman family of 142 Fourth St. vacationed during the first two weeks in July, driving to the Five Finger Lakes; Niagara Falls; Sioux, Canada; the Thousand Islands, and back down the East Coast.

They took many snapshots during their trip, but the children, Morton, 8 years old, and Debbie, 4 years old, chose the winning picture to enter in the contest, because "it was the best part of their trip." They enjoyed playing at the stockade at Fort Henry in Kingston, Canada, as the picture indicates.

Mrs. Richman received a \$10 cash prize. Five entries received honorable mention. They are Mrs. Clayton Holley of 2 Hawthorne St., a picture of her husband relaxing on a fishing trip on Oyster Bay; John Dellinger of 505 S. Oyster (Continued on Page 11)

WINNING ENTRY in the Herald Vacation Photo Contest was taken by Mrs. Sylvia Richman of 142 Fourth St., Hicksville, during the family vacation. Picture shows her husband, David Richman, holding their daughter Debbie with son, Morton, at the Ft. Henry stockade in Kingston, Canada.

To Pace Area Growth: Plan For 92 Shops, 8,000 Car Parking

HEMPSTEAD—Plans to increase by more than 74 per cent the size of the regional shopping center to be built by their firm in Hicksville were announced here yesterday by Walter C. Stackler and Leonard L. Frank. They said the change from plans projected a year ago was made as a result of a new economic survey of the potential buying power within the territory to be served.

The survey was conducted by Larry Smith & Co., of Seattle, who are rated among the nation's top authorities on regional shopping centers.

"The survey shows," the builders said, "that the site adapts itself unusually well to a shopping center of the magnitude contemplated because of its location on main traffic arteries, its accessibility from all parts of Long Island, and the need for such facilities in the area."

CONTAINS 92 STORES

The size of the tract to be occupied by Mid-Island Shopping Plaza, as the multi-million dollar project is known, has been increased from 80 acres to 107 acres. It will contain 92 instead of 72 stores as first planned.

Two major department stores are now contemplated, due to the findings produced in the new survey of population and buying power. A total selling area of approximately 400,000 square feet will be provided in these two stores alone, the builders said.

The structure comprising the big regional shopping center will contain approximately 1,200,000 square feet of rentable area. Off-street parking will be provided for 8,000 automobiles at one time, instead of the 5,700 in the original plans. Thus, it is conservatively estimated that 24,000 cars can be accommodated during a single shopping day.

REVISION OF PLANS

A complete revision of plans has been made during the past six (Continued on Page 6)

Ransom May Give His Verdict Monday

OYSTER BAY — Supervisor Charles E. Ransom is not expected to render his decision on the Hicksville incorporation vote petition and proposition until Monday, Oct. 5. "There is a great deal of work to be done", he said yesterday "and I'll probably have to put in considerable time on this matter over the weekend." A summary of the proceedings at the hearing held Sept. 17 is legally required as a part of his decision which takes the form of filing all papers, together with his verdict, with the town clerk's office.

ROMAN ADDS PS:

Sees School Attorney Fee at \$30,500 Year

HICKSVILLE — With the official announcement that more additions to local elementary schools are being planned by the Board of Education, the average yearly fee for School District Attorney will average out to \$30,500 a year "for part-time services", it was charged today by Lawrence A. Roman. He has made a taxpayer's appeal to Lewis Wilson, state commissioner of education, to review the arrangement of the local school board on its fee contract with Michael J. Sullivan.

Roman wrote to Wilson this week in further reference to the appeal, now under consideration at Albany, stating "I have just been advised that the Board of Education has approved four additions to be made to existing school

buildings and has advised the architect to proceed with his plans. The cost will be about \$400,000 for each addition." On the basis of the Board's arrangement with Sullivan to pay him one percent of bond issues, Roman listed the estimated fees for the two-year period as "new high school \$27,000, Woodland Ave. School \$10,000, and \$6,000 for each of the four additions, or a total fee of \$61,000."

School Board Assigns Advisory Committee 4 Projects to Study

HICKSVILLE—Four projects for the Citizens Advisory Committee on Education were outlined for the members at their first meeting of the new school year, Monday night, by Edna Kuhne Sutton as liaison member of the Board of Education. George McIntosh of 84 Harrison Ave. was re-elected chairman of the Committee and Fred J. Noeth, secretary. Regular meetings will be held the last Monday evening of the month at East St. School cafeteria and will be open to all persons interested.

The four suggested topics were discussed and sub-committees were created with acting chairmen to serve until the first meeting of each unit. The topics are:

Salary schedules, including those of teachers, principals, office help and management. Jack Drutman of 67 Abbot Lane is acting chairman with members Melior Lovvitt, Patrick Naso, William Orton, Sidney Kesby and A. O. Soininen.

Student transportation, bus problems, etc. A. Carl Gruenwald, of 31 Violet Ave., acting chairman, with members Frank Boland, Free-

man Parr, Henry Frank and Isabel Glaser.

School expansion, new buildings and sites. Joseph Cawley of 2 Glow Lane, acting chairman, with members Irving Robbin, Adelaide Katz, William Dotto and Mabel W. Harris.

Facts and figures, including data of interest for taxpayers and parents, probably to take the form of a handbook. Allen Carpenter of 11 Loretta Lane, acting chairman, with members Drutman, Mrs. Katz, George Winsor, Fred Noeth and Mrs. Glaser.

Girl Scout Fund Drive Gets Underway Sunday

HICKSVILLE—The Fund Drive for the local Girl Scouts will begin this Sunday, Oct. 4 and continue thru Oct. 7 for the house to house collection. Volunteer workers will try to visit every home in Hicksville and have as their goal the collection of \$4,000 this year's budget estimate.

Joseph A. Reinhardt, cashier of the Long Island National Bank, is the director of the Scouts' fund drive, and under his direction the entire area has been divided into districts with a captain in charge.

Volunteers for the fund drive will carry identification and will issue stickers and receipts for donations.

Girl Scouting was established here in 1917, just five years after its founding in Georgia, and the originator of the movement here was Mrs. F. N. Talliferro, Sr. In 1923, there were 20 girls and one troop. Today there are 17 troops and over 1400 girls with almost one hundred registered adults who assist the movement. Mrs. Merion Wilbur is Town Committee Chairman.

St. Ignatius Mothers Meet

HICKSVILLE—The St. Ignatius Mothers Auxiliary met Monday evening, Sept. 28, at the school hall, E. Nicholas St., with a record attendance. Mother Adelaide, principal of the school welcomed new members as well as old and introduced two new teachers of the faculty, Sister Mary Edwardine, OP, sixth grade, and Mrs. Gertrude Calzetta, third grade.

Announcement was made that breakfasts will be served in the school cafeteria after each first Friday Mass with Mrs. Frances Becker and Mrs. Mae McNamara heading the committee of mother helpers.

Mother Adelaide asked that parents with children attending St. Ignatius school take their children to Sunday Mass other than 9 a.m. in order to make room for the first and second confraternity classes who attend school after the Mass. She also thanked the group for their large attendance and expressed the hope that they would all attend future meetings of the Auxiliary.

Mrs. Theresa Dittis and Mrs. Pat Heart are co-chairmen of the annual cake sale of the Auxiliary which will be held after each Mass on Sunday, Nov. 1. Proceeds will benefit the Convent Fund.

A film on the Work of the Maryknoll Sisters in Bolivia, S. America were shown by Sister Madgeleen Mary and Sister Maria St. Peter of the Maryknoll Order. Sister Maria St. Peter is the former Miss Catherine Heilig, daughter of Mr. and Mrs. Peter Heilig of Jericho.

The dark horse for the evening was won by Mrs. Viola Kowalski. School uniforms are now to be worn by all students of the school from the first to the eighth grades. Girls are to wear the uniform blue jumper, white peterpan collared

blouse, short sleeves and white socks. Boys are to wear long blue pants, white long sleeved shirts and blue ties.

Refreshments were served after the meeting with Mrs. H. Sanoosian in charge. The Auxiliary will meet again on Monday evening, Oct. 26.

JUNIOR HIGH P-T A

Mrs. Theodore Roseberry, president of the Hicksville Junior High School P-T A, entertained the executive board at her home Thursday, Sept. 24. They discussed the year's program plans. The theme for the year is "The Well Rounded Child."

William Glaser, school psychologist, will show a movie, "He Acts His Age," and discuss the pre-teen child at the next P-T A meeting in the school auditorium on Thursday evening, Oct. 1. "Catching Up," a newspaper by Miss Elaine Knecht designed to give parents news of school activities and information on the child's welfare, will be distributed at the meeting.

The board decided that one teacher will interpret his department's curriculum for the parents at each meeting.

Victor Fiddler was introduced as the new safety committee chairman.

Since the subject of the November meeting, "Why Junior High?" will be of interest to all parents, the group decided to extend an invitation to other P-T A's and to the general public. A. H. Lauchner, principal of Great Neck Junior High School will be the speaker.

World Series Or No, Listen:

By RAE CANTILLI

Hi Folks: World's Series fever has struck our household and as loyal Yankee fans we're glued to the T.V. set but needless to say this column must go on.

FIRE AUXILIARY DANCE

Those who came down Saturday night certainly had an enjoyable evening. The music by Val Himberger, and his band, was excellent and the food was good and plenty of it. The highlight of the evening was the jail and many a poor male creature was forced to pay his own way out while the female counterpart used the interlude to laugh at his misfortune. The Basket of Cheer was won by Mrs. Dora Thorman of Plainview. All and all everyone seemed to enjoy themselves including yours truly.

P-T-A BAZAAR

The Manetto Hill P-T-A will hold a bazaar at the school on Oct. 23 and 24, 2 p.m. to 9 p.m. on both dates. Those of you who attended last year know that there were many beautiful and useful items to buy especially since Christmas isn't too far away. There will be separate booths for cards, needlework, plants, preserves plus a grab bag, kiddie corner and a refreshment stand. Everyone knows what good work the P-T-A does so you can do two things at the same time. You can help a hard working organization as well as acquire some lovely things for yourself or for Christmas gifts. Even though they are not asking for donations, they welcome anything mentioned above that they could use in any of the booths. If you would like to offer anything you can give, call Mrs. Weber, who is chairman, or any P. T. A. member.

PRISCILLA GUILD

The next regular meeting of the Priscilla Guild of the Church of the Good Shepherd—Lutheran will be held Friday at 8 p.m. at the Chapel on Central Park Rd.

So do come out and support them.

GIRL SCOUT DRIVE
Just a reminder to keep that money rolling in for the Girl Scout Drive. As I mentioned last week, the money is very badly needed.

MOVING AWAY
The Bertrams have moved to the city, leaving Plainview far behind. I wish them luck in their new venture.

BLESSED EVENTING
Congratulations to Mr. and Mrs. Edward Andrews of RFD 1, Plainview, who became parents of a brand new daughter, Gail Ann born a few weeks ago. Also congratulations to Mr. and Mrs. George Lewis of 13 Vernon St. whose newest arrival is a son, George Peter 2nd also born a few weeks ago. To both parents and newest offspring, all the luck in the world.

CONDOLANCES
I would like to extend sympathy to the family of Adele Nungesser of 21 Diamond Dr. who passed away Sunday.

I guess that's all for now. Please give me a call if you have any news I can use. See you next week.

PLAINVIEW YAMP REPORT:

Fire Prevention Week Oct. 4 - 10

Dear Citizens:
 Night and day your property is given fire protection by a group of public-spirited men who comprise your local Volunteer Fire Department. They are volunteers in every sense of the word and do not receive one cent of compensation or gratuity from any source. They give generously and freely many, many hours throughout the year to train, fight fires, maintain apparatus and stand ready to serve in any local emergency. Their work is different inasmuch as it is physical, carries the risk of personal injury, and requires a thorough knowledge of fire-fighting methods.

Fire Prevention week this year has been proclaimed the week of Oct. 4 to 10 inclusive. We of your

Fire Department are endeavoring to make this week the most successful in our history. With the cooperation of us all this will become a fact.

As all of us know prevention of fire is many times more desirable and economical than extinguishing. So let's all get together and take a look at our housekeeping—remove or inactivate all fire hazards. Let's make it a habit.

Any of your firemen will be more than pleased to assist or advise in this important program.

Will Ransom Let Us Vote?

By Fred J. Noeth

SUPERVISOR RANSOM has a problem. He has to decide if the request made by 6,212 Hicksville property owners, prepared in compliance with the laws of the State of New York as the result of three years of volunteer effort, is "in order." He has just a few hours left in which to decide. His decision is expected over the weekend, probably on or before Oct. 5.

If he decides a vote may take place, it will clear the path to resolve a question of concern to all Hicksville residents. They will then have the opportunity to vote, either for or against, the establishment of Hicksville as a self-governing municipality.

His problem is not whether it is a good or a bad idea to incorporate. His problem is whether the petition in his hands since July 31 and the subject of a public hearing two weeks ago, "is legal."

If he decides that a vote cannot take place, nothing will be settled. The proponents will carry the matter to court to review his decision. If the court agrees with the Supervisor, the process of gathering signatures, holding hearings, etc. will start all over again. It will be difficult for the community to unite in solving other pressing local problems while the unanswered question hangs overhead—"shall we incorporate or not?"

No substantial objection to the request before the Supervisor has been recorded. Mr. Ransom says he has "no discretion in the matter." We agree. His only logical decision can be to let Hicksville people vote and decide if they want to incorporate.

New Name Coming Up?

One of the interesting remarks made recently by the president of the North Levittown Home Owners Assoc. was that after living here for several years and operating as a home owners association during that time a "maturing" process had taken place. He said that one of the effects of this maturing was to make the officers and members of this group now realize that their interests lie within the community where they live and pay taxes. To have NLHOA adopt a policy advocated repeatedly in this column is indeed very gratifying.

Let's hope that the maturing process continues far enough for them to change their name to something like "Levitt Home Owners Assoc. of Hicksville" or "Hickville Home Owners Association". Once they make this gesture they will remove a serious question in many people's minds as to the nature of their interest in local problems. We hope they will do it.

NLHOA And Incorporation

One of the curious aspects of NLHOA's participation in many of the local questions is that when they became active on one side, a great number of people seemed to automatically take the other side. In most cases enough did so to throw the scales against the side favored by NLHOA. Perhaps that is the reason that, although they have been on record for many months against incorporation, they have not been particularly vocal about it as an organization. Perhaps they were told by someone that they would only help incorporation if they shouted their opposition, and therefore they should keep out of it.

Want Incorporation

Fully three quarters, and more, of the Levitt home owners who were asked to sign the incorporation petition did so. Some signed even though they did not understand the benefits of local government, just because they believed that such an important question should be decided by public ballot. Especially noteworthy is the fact that the anti-incorporation forces (including the NLHOA) were unable to persuade more than a very few to attempt to withdraw. Maybe we would have gotten 90 percent or more to sign if NLHOA objected louder.

More Objective Reasoning Needed

A great point about subjective, or emotional, reasoning was made by NLHOA president Sultan at a recent meeting. The dictionary says that "subjective" means conditioned by the mental state or the ego, peculiar to an individual, fanciful, illusory. Pick the definition you think fits best. On the other hand, "objective" means, according to the same dictionary, representing things as they are; unbiased by thoughts, emotions, opinions, etc.

Seems that subjective arguments on any problems, community or otherwise, are what we want less of, and a great deal more of objective reasoning would be a lot better for all of us. As an example, we hope that the NLHOA group, and others opposed to home rule, will show us facts and figures about taxes in incorporated villages as compared to Hicksville taxes, instead of oft-repeated unsupported charges of higher taxes. What we need is good solid facts and figures, and plenty of them, if we are to make an intelligent decision about incorporation.

Dubious Distinction

It looks like Hicksville has the dubious distinction of being the largest hamlet in New York State, and probably in the entire nation. If anyone knows of a larger hamlet, with more than 30,000 people, let's hear about it. Better still, let's eliminate the distinction by becoming an incorporated village and show the world that we are distinct enough to have our own local government.

Charles Wagner Post No. 421, American Legion

By devoting the major portion of last week's column to membership we skipped over several items from the two September meetings which we'll pick up during the course of this week's effort.

First renewal we've heard of for 1954 is that of Tony Bell and the first transfer George Kethler from Richmond Hill. . . . New members for '54—John Cooper, Larry Kennedy, Art Phelan, J. Kramer and Ted Blossom. Looks like a good start for the new year. . . . Executive Committee meets tonight. . . . So does the Auxiliary which means several like ourselves will be baby sitting instead of attending the meeting. . . . Filling the "penny jar" will give the Dec. 6 Kings Park visit a boost. . . . Next dance Oct. 31, a Halloween costume party complete with prizes.

Nice to know, that with the recent revelations on "charity drives", the entire amount collected in the Legions Gifts For The Yanks campaign each year goes for its intended purpose. There are absolutely no "operating expenses." And if you're wondering why we bring the subject up in the first week of October it's just to remind each and every one that Gifts For The Yanks, our only direct appeal to the general public, will get under way in just a few weeks.

It's about time we tossed a few bouquets, so—To Fred Brengel for his donation of shoulder patches to the Jr. Legion Baseball team. . . . To Ed Hodgkinson for the wonderful new membership directory (pay your dues and get one). . . . To Ed Becker for the tremendous task he is undertaking in completing Legion membership records. . . . In-

identally Ed is mailing individual questionnaires to many members to insure the accuracy of his information. Your cooperation in responding promptly will be appreciated. . . . To Jim Carter, his interest in Americanism intense as ever. . . . To the Charles Wagner Post for again sponsoring club football in Hicksville. . . . To the Post again for its agreement to present an American Flag to the Boy Scouts of America, Troop 91. . . . To Larry Fagin, John Pusk, Artie Blotack and particularly Guy Smith for a smoothly functioning House Committee. Roses to you all!

Artie Blotack, by the way, is home after his operation, preferring to recuperate at home (in front of the TV no doubt). . . . Usual donation to Salvation Army. . . . Thank you card received from Bobby Arvidsson. . . . Last check up indicated about 15 members interested in obtaining Legion "license plates" for that bare space on the front of the car. Price is \$1.50. (Post makes on this). And you can add your name to the list by visiting the clubhouse.

The only real means of disseminating Legion information in Hicksville today is this column and while it has its place, it is inadequate for the purpose of bringing home to the various local civic, church and charitable groups a concise view of the overall aims and ideals of the American Legion. Shortly, however, the Legion will be in a position to speak. And we mean speak!—to any group interested in their community. Although they are not quite ready to embark on this new program we expect to announce within a few weeks the availability of an American Legion Speakers Bureau. We know they will be worth hearing!

Plan 92 Stores for Plaza Here

(Continued from Page 1) months, according to Stackler & Frank, as a result of the new survey and a continuing investigation of regional shopping centers throughout the country by the builders since their original plans were announced.

Accompanying their announcement of their vastly expanded plans, the builders stated they have retained Lathrop Douglass, Manhattan architect who has designed some of the largest and most successful regional shopping centers in the country. Douglass is now developing an entirely new integrated site plan and structural design for Mid-Island Shopping Plaza.

To make way for the enlarged project, the Town of Oyster Bay

has permitted the rezoning of the additional 47 acres to be used in the expansion.

"The property is part of 200 acres the builders acquired over a year ago. The site lies along Broadway, starting at a point two blocks north of John St., in the heart of Hicksville," the builders said.

EMPLOY 3,000 PERSONS
In their revised and enlarged plans, Stackler & Frank said that more than 3,000 persons are expected to be employed in the business enterprises located in the shopping center.

Stackler & Frank are currently

building a planned community known as Mid-Island Park adjacent to the shopping center site. This is the first home development in the country where the nationally-acclaimed "Trade Secrets" houses have been placed in volume production.

Stackler is the incumbent president of the L.I. Home Builders Institute. Frank is a past president of that organization and is now serving his third term as a member of the 12-man executive committee of the National Association of Home Builders. In the past 30 years, their firm has erected more than 3,000 homes and several commercial structures on Long Island.

17th Mercy Ball To Honor Judge

GARDEN CITY — The 17th Mercy Ball, to be held Nov. 20 in the Garden City Hotel, will honor the late Supreme Court Justice Thomas J. Cuff, founder and president of the Friends of Mercy Hospital, sponsors of the annual social event.

The organization's Board of Sponsors voted the honor to Cuff's memory and at the same time agreed to further honor the noted jurist by leaving the presidency of the group vacant for the current year.

William J. Sullivan of Rockville Centre, executive vice-president and the man who will carry on in Cuff's place said:

"It is our sincere desire to carry on, for this year, the plans for Mercy Ball formulated by Justice Cuff. By dedicating this year's affair to his memory, we can, in a small measure, make note of his unselfish and untiring efforts in his behalf—efforts that have raised more than \$250,000 for Mercy Hospital. The Friends of Mercy Hospital will stand as a monument to his work."

Cuff, who died Sept. 6 at the age of 82, organized the Friends of Mercy Hospital in 1925 and served as its president until his death. He also served as chairman of the first two Mercy Ball affairs in 1936 and 1937. He lived to see the annual ball become Nassau's leading social event.

One of Cuff's last acts was the selection of Thomas W. Collen of Garden City as chairman of the 1952 Mercy Ball.

HICKSVILLE DOWNS: Our Fall Dance Comes on Nov. 7

By MARGE KEEN
Hicksville 4-1536

The Cedar Cliff Civics Assoc. is holding a fall dance Nov. 7 at the Polish National Hall, Hempstead. Tickets are \$1 apiece. This is the organization's first affair and we all want it to be successful. The orchestra will be arranged by James Priest and his trio, a local resident.

If anyone is talented and would care to participate in this affair, either contact me or James Priest who lives on Cliff Dr. and arrangements will be made.

Support your Civic Assoc. Bring the little woman along. She, too, needs an evening out. Friends and relatives are invited, also—mothers-in-law, too!

The entertainment committee will bring tickets to your door or else you can contact Harry Sears of 99 Cliff Dr. or call me if that is more convenient.

This is a chance to kill three birds with one stone—meet our neighbors, have a bang-up time, and support your civic association at the same time.

This next civic meeting is on Oct. 20 at the East St. school at 8 p.m. Plan now to attend this meeting. Ladies also are cordially invited to attend these meetings. It isn't just a man's organization.

Mr. and Mrs. Paul Perricone from Brooklyn spent this past weekend visiting the Borruos of Larch St. They are godparents of one of the Borruo twins.

Celebrating birthdays this week are Scott Hicks of Cliff Dr. who was two years old Sept. 22 and

Fatima Wierzbowski of Cliff Dr. who was six years old Sept. 25. Patti had a few of her girl friends in Saturday to help her celebrate. Those who were in on the fun were Jean Corrieri of Cliff Dr., Donna Lombardi of Cliff Dr., and Millisante Ranno of Beech St. The group enjoyed ice cream and Patti received a bike from her parents.

On Sept. 17 an accident occurred on Larch St. The impact was so great that the headlight from one of the cars was torn off and left lying in the street. Drivers should realize that Cliff Dr. and Cedar St. are residential areas and should drive slowly. Full stop signs are definitely needed at these corners—Stanley St. and Larch St. on both Cedar St. and Cliff Dr. to prevent future accidents.

Mr. and Mrs. Charles Benners of 95 Cedar St. are the proud parents of a son born Sept. 18. The baby, named Steven Douglas weighed 6 lbs. 3 oz.

Mr. and Mrs. M. Collich of Stanley St. are the proud parents of a daughter born Sept. 21. She is Marsha, and weighed 7 lbs. 10 oz. Parents, please watch your children. I have seen them hanging or moving delivery trucks. Drivers of ice cream trucks and Dugan's trucks have chased them away and they get nothing but sass from youngsters. It isn't always easy to see children behind you especially when men have their goods to deliver and their time is limited. So please try to cooperate with the delivery men on this important matter.

DUTCH LANE PTA MEETS NEXT TUESDAY

"Objectives and Policies of the P-TA" will be the subject of a talk by Mrs. Herbert R. Spisselman, president of the Dutch Lane School P-TA of Hicksville, Tuesday evening, Oct. 6, at 8:15 o'clock at the school.

The Ladies Aid Society of St. Stephen's Lutheran Church will have a rummage sale on Wednesday, Thursday and Friday, Sept. 20, Oct. 1 and 2, at the parish house on 270 Broadway, Hicksville. Mrs. William Christiansen is chairman of the event.

The group's next regular meeting will be on Wednesday, Oct. 7. Members are to bring articles for the needle work in gathering.

ALONG WOODBURY ROAD.

Parents Try to Get Audience

THIS GROUP found it impossible to get an audience with Hicksville School Board, but Business Manager Harry Ernenwein (center, rear) permitted them to enter the building as reported in "Along Woodbury Road". May Maljean is fourth from the left. (Photo by Pierre Charbonnet).

By MAY MALJEAN
Hicksville 3-8515

A group of citizens from Woodbury Gardens, and other neighboring developments went to attend a meeting of the school board last week on Wednesday at East St. School. Upon arrival, they were told by a gentleman that they were not permitted to enter the building.

At the time, I was at home, and shortly thereafter, I was summoned by Mr. J. Matthews, who knew I had been in touch with the school on the issue of the school buses. I couldn't understand how this could be, and, therefore, hurried down to see what I could do.

After asking the man to allow us in at least to keep out of the cold, we were permitted inside, but were informed that we could not enter the board meeting room. Meanwhile, a few resourceful ladies improvised a sign which they placed on the glass door, asking for an audience. Business Mgr. Harry Ernenwein immediately strode out the door expressing great surprise that we were congregated there. He couldn't understand why we were kept out of doors—waiting so long.

The problem at hand was explained to him, after which Dr. LeBarron, School Superintendent, came upon the scene. He, too, was surprised at the situation. A spokesman was chosen for each community involved, an open discussion ensued.

Dr. LeBarron concluded the discussion with the thought that anyone with a problem regarding the school will be heard upon contacting Mr. Miles, or himself.

Everyone is still wondering who wouldn't let them in school. (Some crazy mixed-up kid?)

By the time you read this—Woodbury Gardens' children from 4th grade upwards will be riding the buses to avoid Miller Road's hazardous course, according to a letter to us from Stanton Miller, stating that the children will be riding Tuesday, Sept. 29. Passes were to be issued on Monday, Sept. 28, provided the bus company has a bus and driver available.

Our daughter, Dolores, had some little guests at a birthday party Saturday, here in Woodbury Gardens. Those present were: Richard Lee, Kenneth Hogan, Patty and Carol Stine, Bunny Klee, Helen Marx, and Roy Sopko. My family, with all the nephews and nieces, were supposed to be out—but due to the fact that my brothers—George and Albert Gorra—were playing in a golf tournament at Aubury Park, leaving the plans for the party for Sunday, in Brooklyn.

It was an even happier occasion—since George won the tournament's first prize, a beautiful engraved sterling silver tray inscribed for the occasion. Attending the second lap of the double celebration were: Mr. and Mrs. A. Bascioli, and their children Matthew and Alberta, Mr. and Mrs. F. Mahoul and their children Stephanie and Johnny, Mr. and Mrs. A. Gorra, and their children Georgine and Jimmy, Mr. and Mrs. G. Gorra, and their son, George; Manie Bushar, Mrs. E. Numair, and her two grandchildren, and my mother, Malakee and father James.

We are sorry to hear that our neighbor, Mr. Zivica, of Vincent Road, was so ill. By the time we knew about it—he was getting back to work. Anyhow, we're glad to see he is better. . . . Another fellow we'd like see back on the wall list is Arthur Rath of Smith St. . . . We've been saying goodbye to more neighbors lately. Seems that the Murad's of Briggs St. have moved to Pennsylvania. Veterans arriving home from the service will not be at a loss for company, even though they may find themselves in the midst of a new neighborhood such as Hicksville. The Young People's Club is ideal for getting acquainted by attending dances, parties, sporting events, etc. This goes also for other single men hereabouts. Contact Joe Lang III 4-0952. . . . At the present time there is a good female membership.

Photography prizes were awarded for pictures which the children took on their trips. Katherine Smith received first prize; Judith Petree, second prize; Frederick Tans, third prize, and Edward Profitit, a special prize for color photography.

Barbara Jud, John Pouch, and Susan Krex received awards for good fellowship during the tour. The party was a successful climax to a summer of sightseeing tours of the state conducted by Mr. Robbins and Joseph Ferrara. They hope to repeat the tour next summer.

Time Payments Arranged — Up to 36 Months To Pay

SALVATORE CALI has bought 3 new cabs since 1940, so he knows how inflation has jacked up the price.

We asked a taxi driver . . .

"Know how much the price of telephone trucks has gone up?"

At 40,000 miles a year, Salvatore Cali literally "drives out" a taxicab every 4 years. "Brother," he said, "if phone trucks are anything like hacks, they must cost nearly twice what they did in the good old days—back in 1940."

Inflation plays no favorites. But it's been even harder on telephone trucks than it has on Mr. Cali's cabs. Today, we pay 2 1/2 times as much for a truck as

we did in 1940. In fact, everything that goes into giving you phone service—buildings, cable, poles—costs us more.

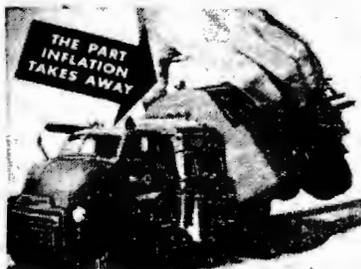

These inflated costs have made our big expansion and improvement program the most expensive we have ever undertaken. They have also shrunk the dollars we set aside to replace telephone plant that wears out.

Everyone feels inflation. Your cost of living is up 91% since 1940. Ours is up as much or more. Yet during the same period, the average price of telephone service has increased only 15%—more for some, less for others, of course, depending on the type of service and the use made of it.

As a result, our expenses have increased at a faster rate than our revenues. Operating efficiencies and technical improvements have narrowed this gap, but they fall far short of closing it.

We think these facts speak for themselves—especially since telephone service is better than ever before.

NEW YORK TELEPHONE COMPANY

SEE HOW MUCH LESS TRUCK we'd get today for the price we paid in 1940? This is just one example of how inflation affects our state-wide expansion and improvement program.

CD TEST
The Civil Defense Drill which took place last Friday night fell "below the standard" expected by the officials here in Bethpage. Fred Willard was at county headquarters for the drill; leaving Mr. Roode and Jack O'Donnell in charge.

The turnout of people registered with the C.D. units is poor and the lack of cooperation of the public appalling. Those who did respond their posts conducted the formalities very efficiently, but if a real emergency had existed, I'm afraid the town would have been in an advanced state of chaos.

The Ladies Auxiliary cake and apron sale on Saturday, Sept. 19, was successful. Chairmen of the affair were Mrs. Van Chion and Helen Freund. Mrs. Lydemann won a relish dish and Mrs. Flynn won pot holders.

Petition Only Asks for Vote

By JAMES CUMMINGS
The work of hundreds of volunteers in gathering 6,242 signatures for a petition to vote on the much discussed home rule question has reached a final stage. Town Supervisor Ransom is expected to render a decision this weekend. The entire community is anxious to have a vote so that they may go to the polls and cast their ballot. Mr. Ransom must realize the importance of his decision and feel confident that he is doing what is right. What the people are asking is very simple—just the right to vote—and they should be given the opportunity.

Your Automobile's Cooling System
(continued)
There are four distinct divisions of the cooling system:
1. "Heat producing"—the engine.
2. "Heat transfer"—Coolant, hose and connections.
3. "Heat dissipation"—radiator and fan.
4. "Heat control"—thermostat or thermostat.
After a quick introduction to the work done by the above main units, more detailed information will be given.
"Heat Producing" is inseparably related to water jackets surrounding the engine cylinder and combustion chambers.
"Heat Transfer" is accomplished by the cooling medium that circulates thru the engine water passages, thus carrying the engine heat by way of the hose connections into the radiator. Here the cooling medium, passing thru the radiator case is cooled by air drawn by the fan thru the air passages of the case.

Rotary Ladies Night on Nov. 7

HICKSVILLE—The Rotary Club will hold its annual ladies night at the Stockholm Restaurant, Sposset, on Nov. 7 at 8:30 P.M. Aaron Rochman is chairman of the affair. The Rotarians had 100 per cent attendance for the meeting of Aug. 27 at the Milleridge Inn, Jericho, and averaged 97.51 per cent for the month of August.

President Lou Smith and Wesley Giese will attend the charter night of the Flushing Club at North Hills Country Club as representatives of Hicksville Rotary on Tuesday evening, Oct. 6.

Rotarians are still shivering following a talk by Henry Curtis, son of Farmingdale Rotarian Dr. Elwood A. Curtis, at the meeting on Sept. 17. Introduced by Dr. Walter M. Stillger, Henry spoke on the geological arrangement of the eastern coast of the U. S. and told how it could be a possible factor in a future war.

The Rotary club bulletin reports "he showed us how it could be used to destroy the eastern shore by underwater demolition causing large tidal waves. Really makes you stop and think." Member John Hill responded to the speaker.

HILLSIDE TERRACE:

Get Your Tickets for Our Dance?

By ERNEST F. GOSSY
Hicksville 3-2285

Are you interested in the area in which you live?

Let's face the facts, Hillside Terrace residents. The turnout for the last Civic Assoc. meeting Sept. 23 was terrible. Every occupied home in the development received official notice of the meeting and I feel reasonably certain that at least 50 per cent (more than 200 people) of Hillside Terrace could have been at the meeting. Let's make the Oct. 14 meeting something to be proud of.

Incidentally, folks, the Assoc. has many proposed items underway and many that can't be handled because there are not enough volunteers to handle the various committees. At our last meeting, five out of 56 people volunteered for committees and about 60 or more were needed to take care of the proposed agenda. This is YOUR Civic Assoc. folks, and it can accomplish a lot more if everyone does his bit.

Our constitution states that there shall be 10 sections of Hillside Terrace (about 60 homes in

each) to nominate and elect representatives to the executive board. Let's try and get this accomplished as soon as possible by all attending the Oct. 14 meeting.

The dance preparations are all completed and I have received word that about 40 tickets are still available. They may be sold by the time you read this, but if you are interested, call or see Joe Huddy, 101 Cambridge Dr.

Hillside Terrace officially became the 68th Election District on Oct. 1, being cut out of the 20th District.

The question of what has been done about our park in the center of Hillside Terrace was brought up at the meeting. The members were informed that the Township of Oyster Bay would like to know what we, the residents, would like done in the Park. To get this answer, questionnaires will be distributed. Let's all give this subject some serious consideration so that we can get the park finished as soon as possible.

A party was held Sept. 18 at 50 Wellsey Lane to celebrate the 13th birthday of Jane Hardy. Welcome to the teens, Jane.
