NEW YORK CITY—The Oyster Bay Township Republican organization will go on television with their campaign for election next Monday night, Nov. 2, between 7:15 and 7:29 P.M. on Channel 9 (WOR-TV), a spokesman said today. Those participating in the program will hurry from the TV studios out on Long Island to attend with other candidates the GOP Rally set for election eve in the Masonic Temple, W. Nicholas St., Hicksville. Town GOP Leader Howard T. Hogan and a few of the candidates are expected to take part in the 14-minute TV debut; the first time the medium has been used in Oyster Bay Township.

The community is invited to attend.

Candidates Plan 2 Truck Tours

HICKSVILLE—All Democratic township candidates will meet at party headquarters, 14 Newbridge Rd., here, Friday night at 8:45 for a motoreade and speaking tour of the north shore of the township. They will make a like tour of the south shore of the township starting Saturday morning, Oct. 31, at 10 o'clock.

Rallies for the township candidates scheduled include: Tomorrow (Wednesday) night at the VFW Hall Farmingdale; Thursday night, at Legion Hall, Bethpage; and Saturday afternoon, at 8:30 at Plainview Fire house.

Duffy Park Civics Get Slate

HICKSVILLE—The report of the Nominating Committee will be heard Thursday evening at the second meeting of the new Duffy Park Civic Assoc at 8:30 o'clock. Tony Bellecca, chairman, will make known the proposed slate of officers. Nominations will also be accepted from the floor. The members feel that this will be an important meeting and are urging a large attendance. Herbert Johnson, president of the Northwest Civic Assoc. will be the guest speaker.

Adult Advisors To Confer

MANHASSET—Members of the Advisory Committee of the Hicksville Adult Education program have been invited by Elery H. Bean, director of the Hicksville program, to participate in a conference for Directors and Advisory Groups at the high school, here, Thursday night. The program is sponsored by the Nassau-Suffolk Adult Education Assoc of which Bean is a member. R. J. Pulling, chief of Adult Education in the State, will be one of the speakers.

Loudspeaker Barrage Aimed At Commuters

HICKSVILLE—The election campaign began to warm up this week and commuters here yesterday (Monday) morning were treated to a "battle of the loud-speakers." The Democrats took up their position on the north side of the station with a farm truck rigged with sound equipment at about 6:30 in the morning. Within a half hour a Republican spokesman had pulled up with a private car, rigged with speakers and parked on the south side of the Newbridge Rd. crossing. Commuters said the air became almost blue with first one and then the other speaker giving vent to campaign slogans and pleas for support: "efficiency", "honesty", "experience", "boss rule", etc. The barrage continued until 8:30 A.M.

Appeals to commuters are planned in a big way with the use of recorded messages and personal appearances of candidates.

CHISHOLM TELLS HERALD:

State Will Not Force 4 Districts To Merge

MINEOLA—There will be no centralization of four school districts in the so-called Bethpage area "unless the people of the area are willing to go all out and work for it", it was stressed this week by J. W. Chisholm, district superintendent of schools, here.

Meanwhile, the North Bethpage Civic Assoc in a letter to Dr. Chisholm complained that the Bethpage School Board members were "unnecessarily embarrassed" by a county-wide newspaper article describing a State Education Dept recommendation for the proposed merger of the Bethpage, Plainview, Island Trees and Plainedge School Districts.

BOARD IS IN DARK

"It is to be noted that our School Board has not been advised of this plan prior to the public announcement, and in fact they have received no information from you as much as a week later. We understand that the other School Boards have also been ignored," wrote William V. Benintendi, president of the Civic Assoc.

The proposed centralization plan was described by Dr. Chisholm to the Herald as follows:

"A factual study and report has been made of the possible centralization of the four school districts by the Dept in Albany based upon figures, enrollments and estimated assessments supplied by

representatives of the Boards of Education of the four school districts at a conference held in Albany early in the Spring of 1953," he stated.

CHANGE IN CHAIRMAN

"A copy of this report was sent to Robert Pickens of the Plainedge Board who is serving temporarily in the place of Donald Whitney who moved away. Mr. Whitney was chairman of the committee on Centralization, made up of representatives from each of the interested districts. It is my understanding that Mr. Pickens is having the report reproduced so that copies will be available to all members of the committee and to other interested parties.

"Unfortunately valuable time is passing which could be used advantageously in actually working out the solution to the ever rapidly increasing problem.

"In projecting the study great difficulty was experienced in estimating future valuation in each of the school districts and in the area as a whole. The outcome of this has been an underestimate of assessed valuations—an overly conservative approach—with an estimated resultant tax rate that appears to be unreasonable in some instances.

"However, it would appear reasonable to as-

Request Town Continue Budget Talk At Night

OYSTER BAY—A request that the Town Board adjourn its scheduled public hearing this morning (Tuesday) to an "evening hour when interested taxpayers and homeowners can attend and be heard" was addressed over the weekend by the Hicksville Civic and Community Assoc. to the Board.

Clifford Eichhorn, president of the Civics, said that the membership is particularly interested in the matter of salary increases for town officials.

He noted that the salary of the

four councilmen, for example, was increased in 1952 from \$2,700 to \$4,000 and this year will be raised from \$4,000 to \$5,000. The pay for the Supervisor, Town Clerk and Tax Receiver which was boosted to \$6,200 in 1952 (budget proposed in 1951) and to \$7,500 last year is now scheduled to go up another \$1,000.

The Civic Assoc. wants the hearing continued at another date, in the evening, "so that many of the interested taxpayers of the township will have a full opportunity to be present and express their views," Eichhorn stated.

New Water Supply Tank Goes Up For Bethpage

BETHPAGE—Two new red lights appearing in the night sky high above Adams Ave. in North Bethpage mark the rapid erection of the new 1½ million gallon water storage tank for Bethpage.

District Engineer H. G. Holz-macher reported to the Board of Commissioners that the 400 tons of steel plates, girders and columns required were arriving as scheduled. Steel welding and erection started Oct. 8, and the central riser and exterior columns are now in place.

The contract was awarded last December by Commissioners A. A. Lang, Sal J. Greco and Hans Benkert to the Chicago Bridge and Iron Co., the low bidder for \$242,000.

The tank is expected to be completed in near record time by a crew of riggers and welders under the direction of Foreman Russ Collins. It will be 145 ft. high and 30 ft. in diameter, with a total loaded weight of about 3,800 tons, and is of "Radial Cone" design supported by 10 circular columns.

It is expected to be in service in January and its early completion will insure ample water supply next summer in Bethpage without any restrictions or low pressures that have affected many of the rapidly growing communities in Nassau County, an official said.

The tank is part of the project of improvements started by the District in 1952 and costing \$815,000.00. Under this program two new wells, (number six and number seven) each of over 1,400 gallons per minute capacity, have been completed, and a third well is under construction by C. W. Lau-man Co. of Hicksville.

League Offers Aid For Voters

HICKSVILLE—A non-partisan voter information booth will be operating this Friday and Saturday at the Long Island National Bank at the corner of Broadway and Her-zog Pl. with members of the League of Women Voters of Levittown, available with literature and to answer questions concerning voting and election districts.

Barbara Stier of 61 Summer Lane, who is the Voters' Service Chairman of the local league, said booths will also be established the same days at Levittown Shopping Centre, Centre Island Shopping Centre at Sears and Roebuck and Cherry Wood Centre at Wood's Jewelers.

GIRL SCOUTS HELP

"Aiding voters with children at the polls will be the Girl Scouts," Mrs. Stier stated. "Arrangements have been made by the Girl Scout leaders and League of Women Voters for members of the Intermediate troops in Hicksville and Levittown to be at the polling places on Election Day, Nov. 3, from 9 A.M. to 12 Noon to watch children while their parents are voting.

"Regulations of the Board of Elections do not permit any but the voting officials in the rooms designated for the purposes of voting. It was felt, however, that something should be done to facilitate voting for parents with impatient young children standing in line. And so, the girls will provide this service of baby sitting near the polling places as designated."

Mrs. Stier can be reached for voter information at LE 9-2492.

Art Students Start Painting

HICKSVILLE—Five local busi-ness establishments will have their windows decorated by Junior High School students this week in the Halloween theme.

Under the direction of Mrs. Glickman, art teacher, 25 pupils will begin their paintings today (Tuesday) on the windows of McCaffrey Agency, 162 Broadway; Vince Bryan Meat Market, 120 Broadway; Tony and Ray's Market, 30 Broadway; J.J. Smith Pharmacy, 58 N. Broadway, and Montana Realty, 115 N. Broadway.

The group expect to have their window decoration completed in two days and will leave them up for the Halloween season.

CENTER CIVIC COMMENTS:

Silence Substantiates Changes

By **GEORGE MCCARTHY**
 For the past several weeks, we have used this column to point out the many inadequacies and inefficiencies in the Civil Defense organization here in Nassau, and particularly in Hicksville. We have found that the County C. D. budget of \$218,000 is spent for practically everything from lawn sprinklers to ash trays, but no vitally needed defense equipment. There are no rescue trucks, there is no appreciable welfare service. There is practically nothing we Nassau taxpayers can point to but a high-priced staff. As we pointed out a few weeks back, \$171,000.00 is a lot of salary for a volunteer organization. We have pointed out the county directors' complete indifference to a total collapse of an important unit (Unit 312). Ryan himself has

shown his 'highhandedness, (we would call it insubordination) by "defying" the direct order from the state director to investigate this Hicksville situation. We have shown his apparent disregard for the truth when he claimed to have made his report on this situation to the state. The General himself contradicted Ryan on that. The state director made a statement that he had not received a report on this "mess," and that he had not heard of it from Mineola at all. We have charged the local director with inefficiency, and highhanded disregard to the wishes of his organization. In July, when this situation could have been avoided, he chose to deny us a hearing before the county director, by requesting Mr. Ryan and Mr. Masara to refrain from attending that

meeting. We have shown how his own hand-picked men refused to work with him. We have shown where he deprived the new Plainview unit of a badly needed price of communications equipment. A complete indifference to an existing list of 4,880 volunteers for Hicksville and Plainview that has been dormant for so long, that when contacted, those people had forgotten that they were with C.D. at all. When the Swami took over, Unit 312 could boast of an auxiliary police unit second to none in the county. Now, at the latest test, he had 27 people active for every section of C.D. These 27 were, auxiliary police, communications personnel, messengers and air raid wardens.

Despite this miserable failure of his unit, he has made no constructive effort to rebuild his unit. It would seem that he is more interested in the title of community director, than he is in an efficient C.D. unit.

We of Center Civics have pointed these facts out to the public, for we feel that something must be done about it. We have no desire to ruin C.D. Our aim is to make it the efficient safeguard it is supposed to be. The fact that these people whom we have charged with this failure, substantiate our charges with their silence.

They don't answer, for they can not answer. We can prove each of our charges, and now we ask the public to aid us in cleaning house, and getting the protection they are entitled to. Remember, it's your tax money that supports this indifference and inefficiency.

JERICHO—Capt. Herbert Mascher of the New York City Police Dept. was guest speaker at the Hicksville Rotary meeting at the Milleridge Inn, here, last week.

Amvets Auxiliary

By **NINA COOLEY**
 Hello ladies, once again we bring you the news of our Amvets' Auxiliary. Saturday, Oct. 10, we had our joint installation in the clubhouse. It was a great success. Everyone attended and enjoyed themselves, I'm sure. We had many great speakers such as Col. Fourney who spoke on our countries freedom. James Kelly installed our Amvets in place of our State Commander, Leon Sulkowski. Our State Auxiliary President, Adek Eisanis was also detained so our own State Officer installed the ladies' Auxiliary. For our first try, we had a great success. Next year it will be a greater success.

Constance Strambal, our secretary, resigned due to doctors orders. We elected Helen Olsen as our new secretary, and installed her at the same meeting. Congratulations Helen, I'm sure you'll do a great job. Dec. 5, our Auxiliary is having a Card Party. A door prize, raffle, and a prize to all winners, will be given. We also will have a Christmas Gift table. Shop Now. . . . Don't wait until the last minute. We also have the drawing of our Bride and Groom Doll Raffle. Please show up at our card party and see if you can win our beautiful dolls. We are welcoming another new member, Mrs. Rita Kastner, of Hicksville. Rita joined our Auxiliary Oct. 12, our last meeting. From the looks of Rita, we have a good member.

Chisholm Outlines State Plan

(Continued from Page 1)

sume that if the school districts represented in the proposal do not wish to effect a reorganization, the school tax would be even higher since the various districts would not benefit from additional state aid available to Central School Districts both on the basis of attendance and on new construction costs.

RESOLVE BY DEFAULT

"Let me point out that there will be no Centralization in the Bethpage area—that the situation will actually resolve itself through default—unless the people of the area are willing to go all out and work for it. Contrary to the general impression, the State is not going to force centralization on these school districts unless conditions change and the situation in the State is vastly different from what it is today.

"The State Education Dept.," Dr. Chisholm

continued, "recommends the Centralization of the four school districts mentioned as the best solution to all the school problems inherent in the urbanization of the area. The State feels that Centralization offers the most both from an instructional point of view as well as from a cost or financial angle."

Two months ago, John P. Jehu, director of the division of law of the State Education Dept., answered a question by Benintendi regarding the establishment of a "village superintendency" for Bethpage such as Hicksville has. Jehu wrote "The establishment of a superintendency would have no bearing on the question of consolidation or centralization."

Strong opposition to a centralization proposal is evidenced by Bethpage residents (See Bethpage Notes on Page 10).

Concert Membership Drive Due To Start Next Monday

HICKSVILLE — Community Concert week will be celebrated here from Nov. 2 to Nov. 7, according to Mrs. Leroy Wells, President of the Assoc.

Inaugrating the week's activities will be a campaign dinner to be held at 7 o'clock on Monday evening, Nov. 2, at the Methodist Church, Old Country Road, according to Mrs. Sidney Volk, dinner chairman. Officers of the Association and volunteer workers will attend and meet Mrs. Georgia MacDonald, representative of Community Concerts Inc., who will address the meeting and be present for the entire week to assist in the campaign.

NAME 16 CAPTAINS

Miss Harriet Spink, chairman of the campaign, has announced the following list of captains of volunteer workers for the area: Mrs. Leroy Wells, Mrs. Sidney Volk, Mrs. Carlton Bentley, Mrs. Sidney Ginsberg, Harold Fuller, Mr. and Mrs. Robert Burns, Mrs. Charles Colthurst, Eugene Timpano, Mrs. Earl Davenport, Mrs. Leroy Tatem, Elaine Knecht, Mrs. Robert Gillespie, Miss Mildred Clark, Miss Alice Baker and Miss Harriet Spink.

Concerning the coming campaign, Miss Spink, Supervisor of Music in the Hicksville schools, said, "We hope to impress upon music-lovers in the vicinity the fact that Community Concerts represent an unexcelled 'buy' in musical entertainment. For one adult membership fee of \$6 or a student fee of \$3, Community Concerts offer not only three fine concerts in Hicksville, but the opportunity to attend as many as 25 concerts in neighboring communities where Hicksville membership cards are honored."

Last year, Miss Spink pointed out, many association members taking advantage of this great arrangement heard, in addition to Hicksville's concert series, such attractions as Todd Duncan, the deFano Infantry chorus, Carol Brice, Mata and Harl, the Gershwin Concert Orchestra, Eugene List and

Carroll Glenn and Yitrah Neaman. A partial listing of the coming season's Community Concerts on Long Island includes: the Longines Symphonette, Mildred Miller, Musical Americans, Rudolf Frizusny, Richard Tucker, Michael Rabin, Constance Keene and Les Compagnons de la Chanson—all, and others, available at no extra charge, to Community Concert Association Members. Civic Dance Was Great Success

By GENE MALJEAN
Hicksville 3-5515

Did you miss us last week? We missed the deadline again. But it was fun seeing all of you folks at the Civic Dance. The affair was a tremendous success, better than anticipated.

If you weren't there, you didn't see (Miss) Jim Surlless doing the hula dance. I tried to make a date with Jim after the show but he didn't consent. Plenty of beer flowed forth all evening and everyone had his fill. The affair finally wound up at three A.M.

Tomorrow night, Wednesday, the Assn. for Help of Retarded Children will hold that much-talked-about card party at Levittown Hall. There will be 250 prizes. May attended the recent meeting of this organization at the Hall and had a chance to meet the members. She told me what a wonderful group they are and how they can use your help.

Mrs. Loretta King and Bud King (no relation) were being congratulated for being elected as dele-

gates on the board of directors for the county chapter. One of the reasons we wrote so much about this group lately is that those who have retarded children are urged to join because of the many benefits. Here are the officers of the Eastern Nassau Branch: Chairman, Elmer Bud Kink; (Chairman of Fund Raising, Phil Feinush; Vice Chairman, Charles Grunameyer; Vice Chairman, Mrs. Charles Foley; Secretary, Mrs. J. Harold White; Recording Secretary, Mrs. David Forbes; and Treasurer, Joseph Hertenstein. Any of these people can be contacted for information, or those in their neighborhood may phone Ed Mastella, of Vincent Road at HI 4-2465.

Mrs. Jean Helfers, of 75 Smith St. called to tell us that she and her husband and children are leaving for Australia soon. She has some pieces of furniture to sell in order to vacate. Anyone interested phone HI 4-1512. Jean is an Australian war bride and has not seen her family in over nine years. She has six sisters and a father there,

all anxiously awaiting her arrival. They would have waited a while, but there are very few ships leaving for Australia. In fact, for the past year, all passenger liners to Australia had been stopped and in 1954 there will be only three ships leaving. It seems that plenty of folks go there—but the ships come back empty—making the trip unprofitable. This does not include freight shipping, naturally. The Helfers are going to Fairfield, Calif. first to visit Mrs. Kenneth Henderson, a friend of Jean's, who is also an Australian war bride. They will leave California in January on the Cunard Line's Oranys. We would like to wish this family all of the best luck on their trip.

Doris Hamilton phoned to tell us that her daughter's carriage was returned due to our notice last time. Always glad to help... Speaking of vehicles, one of our neighbors would like to know if there is anyone who would like to sell a 20 inch bicycle no longer being used? Did you notice the Zivica's new shed dormer on Vincent Rd.? Real nice job... Anyone want a bed spring in good condition? It's yours for the asking... We'll have it delivered too...

Here's a new recipe: Ham and Chinese Cabbage Soup: 1/2 lb. sliced ham, 5 c cold water, 1 salt, 1 Chinese Cabbage (1 lb. approx.) Remove rind and bone from ham; Cut into 1/2 inch cubes; place in deep kettle with bone. Add water; sprinkle in salt; cover kettle. Place on high heat; bring to a rolling boil. Turn down heat; Simmer about 20 minutes. While ham pieces are simmering, separate leaves of Chinese cabbage and wash. Lay leaf stalks together and thinly slice crossways. Add greens to ham and broth. Heat to boiling point; simmer about 10 minutes longer. Don't let the soup stand too long before serving as it will take on a bitter taste. Yield: 6 to 8 servings. This recipe was donated by an anonymous reader from Woodbury Gardens.

HICKSVILLE GARLES:

About Confraternity Classes

By CONSTANCE GIBSON
Hicksville 4-1492

Many parents have been inquiring about the confraternity of the Faith classes at St. Ignatius Loyola RC Church. There has been quite a bit of confusion for the past four weeks. There is nothing more pitiful than a child crying for its mother which has been the case for many tots.

In the first place classes on Sunday mornings from 10-11 A.M. are only for the first and second graders. The children are to attend the nine o'clock Mass in the Church where they will be accompanied by their teacher. After this Mass the children will immediately follow the teacher into their respective classrooms. For the older children classes will be held on days other

than Sunday since the classrooms are filled with the younger tots. Sunday school is an important thing in every child's life and parents are asked to see that their children are prepared when they go to classes. The time spent on religion should give pleasure to both parents and children.

I heard from Mrs. Thomas J. Howard of 275 Plainview Rd. that she and some of her neighbors are planning a day in the city. While there they hope to have dinner and take in a show.

Louis Britt, who recently married Miss Patricia, Werner daughter of Mr. and Mrs. Frank Werner of 297 Plainview Rd., is at present a quarterback on the University of North Carolina football team. A senior, he will graduate in June. Until that time the young couple are living in Chapel Hill, N.C.

Mr. and Mrs. Sam Weller of 301 Plainview Rd. spent the evening of Oct. 18 at the 20 Water Ave. home of Mrs. Weller's sister Mrs. Doris Mitchell whose birthday it was.

Also celebrating birthdays are June Olsen daughter of Mr. and Mrs. John Olsen of 803 Plainview whose fifth birthday is Oct. 29. June will celebrate with a party attended by friends.

Stephen Wolfsey, son of Mr. and Mrs. Leonard Wolfsey of 16 First St., will also celebrate his fifth birthday, but on Oct. 28.

Miss Elaine Montello, daughter of Mr. and Mrs. James Montello of 60 Elm Lane, Hicksville, will celebrate her fifteenth birthday, Nov. 1 with a birthday supper.

Miss Sally Fee of 101 East St. has been appointed assistant editor of the Stella Maris Yearbook of St. Dominic High School, Oyster Bay.

We would like to send our best wishes for a speedy recovery to Mrs. Edwin Hodgkinson of 18 Gables Drive.

THE BALLOT

A weapon that comes down as still
As snowflakes fall upon the sod
But executes a free man's will
As lightning does the will of God.

—JOHN PIERPONT

FORGED IN THE FIRE OF FREE MEN'S SPIRIT, THE BALLOT IS A WEAPON THAT WE MUST KEEP SHARP AND SHARP BY USE. ONLY BY EXERCISING OUR RIGHT OF SUFFRAGE CAN WE EXECUTE OUR FREE MAN'S WILL AND MAINTAIN THE MIGHT OF THIS WEAPON THAT MEN WITH COURAGE AND DEVOTION HAVE FASHIONED TO SERVE US.

HERALD READER OPINION

Family Was Thrilled

By SYLVIA RICHMAN
It is with the greatest pleasure that I acknowledge the \$10 cash prize in the Herald Vacation Photo Contest.
It was indeed a thrill for the entire family when we saw our win-

ning photo in your paper. We had enjoyed every minute of our trip during the month of July and the winning of this contest the perfect climax.

So again, in behalf of my husband and children, I want to thank you and the other judges for selecting our entry as the prize winning photo.

Ode To A Parking Space

"Seek and ye shall find"—'twas the advice of an ancient sage. Though I'll bet the old boy would have been quite perplexed in this internal-combustion age if he were part of this urban life, in our ultra-modern hub, before traveling far in something vehicular, would he about: "Ah, but here is the rub!" For, while 'tis a joy a jaloopy to own, to drive to your heart's content, it's the space that you seek that makes your heart weak And leaves you all broken and bent. Yes, oh noble parking space—wondrous, elusive, near-mythical place. It seems that mysterious, lost Shangri-La Would be easier to find than a nook for my car!

Our Faith In America

Faith is the substance of things hoped for, the evidence of things not seen. Our faith in America is a major part of our heritage. Our Government grew from man's intense desire for Freedom, from man's willingness to give of himself, from our Father's determination to be his own master. Our country exemplifies a great part of our Faith in the goodness of man.

But when some parts of our Land forgets our heritage, and the people sleep—the moral armor of the people's conscience becomes tarnished. When our heritage is scoffed at, when our Faith is ridiculed, sleep can no longer be endured.

When sections of our country drift from tradition, and local Governments become the master, instead of the servant, it is time for our people to go to the polls. It's time for Americans to show their true spirit. To serve best, Governments should be responsive to the needs of the people. When because of the ceaseless care of lawn and garden, the pressing tide of business, the people neglect to take an active part in the selection of their local officials, the officials tend to become the masters instead of the servants.

The most common sign, and surest indication, of who is master, is the atmosphere in which criticism, or opposition is rendered and received. When great companies, and prosperous businesses fawn for favors, when American citizens lower their voice in criticism, and turn up the volume in praise, when the people's expressed will is either ignored or thwarted—it's time to awake. It's time to reclaim our citizenship. Constant vigilance is the only safeguard of our American heritage. Sleeping Americans can win none of Democracy's battles.

To fight for public office in this atmosphere, against such odds, requires courage, conviction, and a tremendous faith in the intelligence and the understanding of the American people. Today the duties of public office cannot be performed in a democratic manner, unless the electorate, can express its will and wishes, in an atmosphere free from the nagging fear of losing the good-will of our appointed masters, the local public officials.

There must be strong spirited men and women all about us. I know in my inmost soul, that we are a great people, else I would not be placing myself, and my beliefs, at the mercy of you the people, in this general election. If I thought that I was fighting alone, I would be a very sad American. We can elect our own officials. With other Americans, awake to our obligation to ourselves, and to our children, we can continue to fight to build from age to age an undefiled heritage.

To be an American, awake to our privileges and obligations, it is not enough merely to vote. When a citizen considers the issues at stake, and casts a thoughtful ballot, he is doing himself and his country a service. When each of our people weighs the "Pros and Cons" and expresses his considered opinion, by voting, he is keeping the America we love and believe in, Alive.

But to vote merely for the sake of voting—is no reason at all! "We don't care how you vote—but be sure to vote" is probably the most insincere popular phrase yet fostered upon our people. Only a fool or worse, is not concerned with the ultimate expression of the public will. To force a man or woman to vote, with no knowledge, or conviction of what or for whom he is voting, is ludicrous. Worse even than that—it is almost criminal. For every vote cast by a sleeping person, by an unthinking voter, who doesn't care, who doesn't know, cancels out a ballot cast by a thinking, wide awake American.

If I am elected Councilman, it will not be because I pleased the party bosses. It will be by an awakened citizenry. I will be the first Town Official of Oyster Bay to be really elected by the voters in over twenty years. I will be the first Town Official in over twenty years, who will owe his undivided loyalty to you—the American voter.

I promise, whether elected or not, to serve the people to the best of my ability, and to cling with steadfast purpose to our great American Heritage.

ALLEN S. CARPENTER

Democratic Candidate For Town Councilman
Town Of Oyster Bay

Message sponsored by Citizens Committee for Election of Allen S. Carpenter.

ARCHITECT'S DRAWING of the new Nassau Press building now under construction at 23-27 W. John St., one-half block west of Broadway, Hicksville. The building will house offices and stores and will be the new home of the Nassau Press.

Printing Firm Moves Into New Plant Nov. 2

HICKSVILLE — The Nassau Press, printing and lithographing firm located at 10 E. Marie St., since its founding in 1932, will move to its new building at 23-27 W. John St. on Nov. 2, Jesse Mittleman, owner, announced this week.

The new brick and redwood structure contains over 11,000 square feet of floor area, of which the Nassau Press will occupy 4,000. Other tenants in the building include the architectural offices of Keith I Hibner associates and the personnel offices of Fairchild Camera and Instrument Corporation. The latter will take occupancy Dec. 1.

Generally conceded to be the most modern and attractive building in the area, Mittleman feels that it answers a long need for high class office and store space in Hicksville.

The Nassau Press, started by Harry Mittleman, father of the present owner, has reflected Hicksville's growth. The original equip-

ment, consisting of a single type cabinet and two hand presses of dubious vintage, occupied 200 square feet of floor space.

More and more area was taken in the former Huettner garage on E. Marie St. until the entire building was taken over three years ago. Continual expansion has made it necessary to put up a new building.

MODERN PLANT

From its inauspicious beginning, Nassau Press now boasts the most modern equipment in the printing and lithographing fields, and has been producing the finest quality multi-color work in addition to its regular commercial printing.

"With this move, we will now be able to offer our customers complete service, including art and copy preparation, typesetting, and every phase of production through bindery, under one roof," Mittleman said.

He also said that there is some

Big Air Show Due At Mitchel

HEMPSTEAD—One of the biggest air shows and aviation exhibitions in Long Island's long history of aviation "firsts" was being pre-

pared this week for a three-day run at Mitchel Air Force Base on Nov. 6, 7, and 8.

Scores of thousands of Long Islanders are expected to attend the Friday-through-Sunday air fair—which is to be free to the public—to watch flight demonstrations of the latest military planes by all branches of the armed forces and to inspect the military, industrial and commercial exhibits which will cover more than 60,000 square feet of ground space.

The air show will climax a week-long celebration of the 50th Anniversary of Powered Flight, observance of which will begin on Monday (Nov. 2) in the New York area with Long Island's big aircraft industry playing a major role

in pointing up the vast progress that has been made in aeronautics since the Wright brothers first flew a powered aircraft in 1903. The products of many aviation companies in Nassau and Suffolk will be displayed prominently at Mitchel—both in the air and on the ground.

Goblins Parade Saturday Night

BETHPAGE—Halloween night, Saturday, Oct. 31, will find diminutive goblins parading local streets at the annual Parade and Party sponsored by the Parent-Teachers Assoc.

John Billie, chairman of the event, announces that the children's Halloween parade will begin at 7:15 p.m. on Seaman Ave., continue up Broadway, and end in the Broadway School auditorium. There the best costumes will receive prizes, and the youngsters will enjoy a movie, dancing and refreshments.

Democrats Set Rally Thursday

BETHPAGE—The Democratic party rally will be held here Thursday night, Oct. 29, at 8:30 in the American Legion Hall on Washington Ave. All the Democratic candidates for township offices will be present.

Preceding this there will be a motorcade and anyone wishing to take part will assemble at 6:30 P.M. in the parking field adjacent to the Legion club house. Plans are being made by Pete Curcio, zone leader and his committeemen. This is the first Democratic rally in Bethpage in many years, and the public is invited to come and hear the candidates.

ARMISTICE DANCE

The eighth annual Armistice Night Dance of the Buteharn Bros. Post of the VFW will be held on Saturday, Nov. 7, in the Colonial Inn, Broadway. Music will be by Otto Kost and his orchestra and tickets are \$1.00 plus 20 cents federal tax. This is the first time the dance has been held at the Colonial Inn and it's hoped the attendance will be even better than last year.

The post agreed to buy and donate an American flag to the new post office. It will be presented to William Klingelhoff, the postmaster, at the official dedication in a few weeks.

On Oct. 15 the post and auxiliary together with their color guard and firing squad participated in the military parade at the Industrial Exposition at Roosevelt Raceway.

Homecoming Day

FARMINGDALE—Alumni from L.I. Agriculture and Technical Institute, here, will return for their Annual Homecoming Day this Saturday, Oct. 31. Beginning at 10 a.m., alumni registration will take place in the Institute Gymnasium and in the lobby of the new Industrial Laboratory Building, on the Main Campus, Melville Road.

Don't Sign Any Petition

By DOROTHEA GUELPA
The District Superintendent of Schools has originated a petition which requires the signatures of only 20 registered voters of Bethpage School District in order to bring to a vote the controversial subject of a district merger. This would mean that all four districts involved—Bethpage, Plainview, Island Trees and Plainedge—would vote as one district and a majority vote would assure the merger. This would also mean that District 21 (Bethpage) would be outvoted by about 9,000 votes to 319 if all enrolled voters were to vote.

Frederick Kramer, president of the School Board of Dist. 21, has planned to call a mass meeting to inform the taxpayers of ALL the facts. He cannot do this until he receives a copy of the plan for merger from J. W. Chisholm, District Superintendent of Schools. This plan was made public to the

press on Oct. 13 but as yet our board knows nothing about it officially.

PLEASE DO NOT SIGN ANY PETITION until you KNOW THE FACTS. This is most imperative because 20 non-thinkers can place the entire district in a helpless situation. The entire idea will naturally have to be voted on by the public but it would be much more to our advantage to vote by individual districts and not as one large area.

Please do not sign any petition until you know the facts!

COMMUNITY RELATIONS

Charles Kroups, chairman presided over the Bethpage P.T.A. Community Relations Committee meeting recently. Frank Muldoon was appointed vice-chairman. Meeting will be held regularly on the second Tuesday of every month in Room 182 at the Broadway School at 8 p.m. and are all open to the general public.

The following sub-committees were formed: School Buildings and Centralization of School, Leo Schotland and Mrs. Robert Nordhorst; Curriculum and Salary Schedules, Frank Kelly and Mrs. Charles Melone; Juvenile Delinquency and Youth Recreation, George Vah, Mrs. Herman Kessler, and Mrs. Edward Carter; Factual Data, Charles Kroups.

The list of sub-committee members will be presented to the Bethpage Board of Education and arrangements made for the committee members to meet with the Board members at the Board's earliest convenience.

TEACHER RECEPTION

The teachers reception held by the Bethpage P-TA at the Broadway School on Wednesday, Oct. 14, was a success. A large number of newcomers were on hand to meet the teachers and exhibited interest in the school. Older residents commented on the great increase in the number of new teachers now that the school is growing. Class mothers acted as hostesses introducing the parents and teachers.

The guests who showed visitors the school facilities were from our high school. Prior to the reception a buffet supper was served to the teachers. Mrs. Melone and her committee are to be congratulated on the tasty food and beautifully arranged tables.

Fast Moving Project

Installation of the new lights on Levittown Parkway from old Country Rd, Hicksville, south to the Township line is proceeding rapidly. We should all be glad that this long dark thoroughfare will soon be brightly lighted. The speed of installing the lighting standards is in marked contrast with other projects handled by the Oyster Bay Town Board for Hicksville.

Height Of Something Or Another

Seems like they're going to have a public hearing about the joint swimming pool and hall district that was railroaded through last spring. Maybe the Town Boards of Oyster Bay and Hempstead want to find out what the people's opinions are so they will know what to ignore. It certainly would be the height of something or another if this public hearing about Levittown Hall is held in Hempstead. If it must be, the least they can do is to hold the public hearing in the hall they are talking about. But the odds are against it.

More Confusion

One of our friends moved several weeks ago into what he thought was Farmingdale. He's not quite sure now. Those overlapping, antique, and high tax overlapping special districts are getting the best of him. We told him not to despair, that he would probably be able to figure it out sooner or later.

Lot Closer To Home

Norman and Pauline Gross, who not so long ago lived in a Levitt house on Sleepy Lane, moved to what they believed was the other end of Hicksville. They purchased a home on Circle Drive in the Country Village development. Much to their surprise, they are not in Hicksville. They frankly don't know where they live, and after inquiring at the Oyster Bay Town hall they still don't know. They are in Locust, Grove School District, Sposset fire district, Jericho water district, and they are served thru the Hicksville Post Office. The township is talking about a garbage district and the neighbors are taking bets on what name it will bear.

The neighborhood kids are a stone's throw from the new Woodland Ave. school, Hicksville, but they have to go to the Locust Grove school about a mile and a half away.

Norm says that there's no doubt that they will survive, but that it certainly is ridiculous and he wonders how much higher his taxes are on account of the overlapping districts.

More Costly False Alarms

Two more false fire alarms were turned in within an hour of each other last Tuesday night. One was on Arcadia Lane and the other near the Burns Ave. School. If adults were the offenders, they should be jailed to teach them the seriousness of their act. If they were children they should be punished in a children's court, and the parents fined a substantial amount of money for neglect of their children. The fine would automatically result in the old fashioned, but effective punishment normally meted out in a woodshed. We don't have woodsheds, but the result would be the same.

UPROAR:

Hicksville Edges Westbury 13-12 As Tempers Explode

By HOWARD FINNEGAN

WESTBURY—All the thorns intermingled in the Ivy covered Westbury-Hicksville series came out here, Saturday, to rip open a bloody and bitter battle which the Orange and Black won, 13-12.

The win that marked Hicksville's tenth victory in the set against 12 losses came in a slugfest that saw two free for alls just before the half and the ejection of six players.

Injuries forced four players to the sidelines for both squads and for a while it appeared that the game would have to be called. Twice the fans spilled out on the field, but were turned back by alert teaching personnel from both schools.

At halftime, both Hicksville and Westbury school officials united in a bitter blast at the officials and demanded quicker and sterner attitudes on the part of whistle blowers.

In the next two quarters there was a marked improvement in the officiating and immediate attention to pileups sustained tempers. PEPE AGAIN

Hicksville scored first on a 51 yard break over right tackle by Joe Pepe who used a shoulder fake to get past the half back and simply ran past the safety man for the score.

Joe De Vault converted what proved to be the winning point from placement.

Both De Vault and Pepe were injured and the Comets were without them most of the second half.

Frank Rudolph passed 25 yards to Mike Rossi who added another 19 for the first Green Wave tally in the second period.

Coach Bill McNamara sent Phil Engle into block the conversion attempt and that is exactly what he did with a head long fling.

A fourth down bad pass from center gave Hicksville possession on the losers 33 in the third and a slashing run by Henry Connors placed the ball on the one.

Richard Evaschuk slammed over on the first try. A pass for the extra point failed and it was 13-6.

Westbury's passing arm netted forty yards to the Hicksville five in the third and Lou Darpa shot through right guard for the TD.

The Green Wave lost its chance to tie when with Engle roaring in again the placement attempt was hurried and went wide.

Late in the game the hopped-up hosts moved to the Hicksville 21 but the Comet's pass defense so confused before braced in the face of defeat and battered down three. Viv Triloio charged in on the other play to throw the passer for an 11-yard loss.
