## Fight People To Serve, Not Party Emblems

By FRED J. NOETH

**NEXT TUESDAY**, Nov. 3, is Election Day. Local voters will cast their ballots to fill 14 public positions. Four Judges and ten township officials are to be elected by you.

Of tremendous concern to the people of the mid-Island area is the election of the ten township officials. The men and women elected next Tuesday will be your "local" government along with a few incumbents, for the next two years.

The Republicans are running on their "record" which has been put before the voters this week in a slick, flowery pre-election throw-around publication. They would have you believe that (1) "everything" has been taken care of and it don't cost a red cent, or (2) a few troublesome matters (parking, stinking rubbish pits, etc.) will automatically be cured by voting the straight GOP ticket.

The Democrat organization is sniping at the incumbent administration on all levels.

**It is our conviction that the voters are obliged to cross party-lines next Tuesday if they hope to get the kind of representative government for which they pay with their hard-earned tax dollars and the kind of government to which they are entitled.**

Urging you to split your vote will not endear us to any political faction, that is for sure. But honestly, how can an intelligent voter do otherwise? That is why voting machines have individual levers over each candidate's name—so you can vote for the man or woman, rather than just blindly and unthinkingly endorse and vote for a party symbol.

We cannot, to begin, support the candidacy of those incumbents on the Oyster Bay Town board who speak so proudly of their "record." It becomes painful to look at the record: government in Oyster Bay township is directed by Hempstead Town and you go back no further than last Spring to the special legislation enacted at the request of "our" town board to meet the dictation of Hempstead regarding the Levittown Hall and Pool District. Vigorous protests were coldly disregarded.

**A feeble attempt to determine what the people themselves wanted was the referendum held by Oyster Bay Town Board—and then was deliberately ignored.**

Thus for Supervisor of the Township our recommendation is for the election of Thomas P. Abbott of Massapequa (in row B). It has long been our belief that town government should be administered by a businessman. Mr. Abbott has been a realtor and real estate broker for 30 years. He has devoted himself unfailingly to civic matters and has been a Chamber of Commerce president. The problems of our township, as it continues to develop into an urban community, require a man with training and background in business and urban development.

The Republican candidate, Lewis N. Waters, stands upon his record as a Councilman which includes "going along" with all the dictation of upper-level party strategy in contrast to individual and independent action as an elected representative of the people. His engineering background is interesting but hardly an outstanding qualification. The township employs the services of engineers. The town already has an engineering department. The "Oyster Bayman" says that Mr. Waters' "experience, background make him ideal choice for supervisor's post". We fear the "ideal choice" is from the standpoint of the political bosses, and not from the standpoint of the taxpaying public.

**The Supervisor of the Township and four councilmen comprise the Town Board. Two of the four councilmen positions are to be filled next Tuesday by the voters. Our support goes to Allen S. Carpenter of Hicksville (in row B) and James "Happy" Norman of Bethpage (in row A).**

Dudley McCabe of Massapequa is a Republican incumbent we cannot possibly support. He was a member of the Town Board which jammed thru the Levittown Hall - Pool District split legislation. As for his "record", the Massapequa Gardens Civic Assoc. complains that it had never received a written reply from "Dud" on anything. The civics in his home town assert that on an itemized list of local matters complained about since Jan. 1, 1951, only three requests were complied with "satisfactorily" and 27 were not. He was a town employee, in charge of nabbing illegal clam diggers in south shore waters, before being hand picked for the town board.

We give our support to James "Happy" Norman of Bethpage for two basic reasons: (1) It is distinctly to the advantage of this mid-Island area, where the tremendous growth of the township is concentrated, to have as much representation as possible on the town board, and (2) we have known Mr. Norman for a long time as a sincere and capable individual. His bid for another township position in the pre-nomination GOP conclaves was a refreshing display of the kind of independence which has all but vanished in the Republican organization. He wanted recognition for Bethpage in the township government and was determined to get it—

**TUESDAY YOU DECIDE**

## GOP Stands On Record; New Life In Democrats

Republicans were sedately standing "on their records" and claiming "smear" while the Democrats blasted away at "mis-management" and "political monopoly" as the election campaign today rolled into the final hours. The voters will have their say next Tuesday, Nov. 3, between 6 AM and 7 PM. And while the Republicans were publicly boasting that everything was "just fine", they were putting more energy into their campaign than has been observed in recent years to stave off the vigorous activity by Democrats. The opposition has put more into this year's campaign than has been experienced in over a decade, it was noted.

## Court to Hear Plea On Home Rule Nov. 17

**MINEOLA**—The arguments before a county judge on whether or not Hicksville property owners should have the right to vote on incorporation will be heard here on **Tuesday, Nov. 17**, it was learned today. Notice of argument is going to all who objected to the vote taking place. The action in court is being taken by the Home Rule Committee, represented by Judge Willis B. Carman, in an effort to reverse the decision of Township Supervisor Charles E. Ransom who refused to allow a vote on the question. More than 6,000 property owners have signed the petition and consent form, representing over \$18 million in assessed valuation, asking for the right to vote on the question.

## Long Lines At Fairway Farms

**HICKSVILLE**—Long lines formed at Fairway Farms on Burns Ave. here, early this week as the milk delivery strike began. People, autos and trucks caused heavy congestion on Burns Ave. and vicinity. Sale of milk was being limited to "customers only" by Wednesday with the limit set at four quarts each.

## Boy Scouts to Fix Broken Toys

**HICKSVILLE**—Toys for all age groups will be repaired by the members of Thunderbird Explorers Crew of Boy Scout Troop 91 for distribution to needy children prior to Christmas, according to Joseph Gallagher, senior advisor. Discarded toys, regardless of condition, may be left at the Herald office, 98 North Bway, next to the Post Office for the explorer scouts who will fix them in their home workshops.

Ten township positions are at stake in the election next Tuesday. Sound trucks are blaring on behalf of both parties in all sections of the township and the tempo is expected to increase over the weekend. For the first time in years the Democrats have a staffed campaign headquarters in the Township at Hicksville.

### EXPECT 35,000 TO VOTE

While there are 79,661 voters registered to vote in the Township next Tuesday (about 18,000 in Hicksville alone), political observers predicted that less than half that number would go to the polls. Nevertheless the final tally is expected to set an all-time high for a so-called "off year" when only local candidates are being chosen.

Officially, neither party was making predictions of smashing victories. This in itself was in contrast to other years. Howard T. Hogan of Farmingdale, Republican leader of the township going through his first election in that position, said: "Republican town government is good government because it speaks for the people, and through public hearings and town meetings, it translates the wishes of the people into action. Every candidate on the GOP ticket has a record of experience in local and town government."

Thomas P. Abbott of Massapequa, Democratic town leader and his party's candidate for Supervisor, this week dug into the state audit from Jan. 1, 1950 to Dec. 31, 1951 and charged the incumbents with "juggling town funds, slushfund keeping of records". He said "you can go through each department of the town government, as I did, and you'll find, as I did, the same story of inefficiency, mismanagement, and law-breaking. This state audit report bears out our charges that 'all smells in Oyster Bay'. Let's get

## Big Halloween Party Saturday

**HICKSVILLE**—"Tricks or Treats" are going to be forgotten Saturday evening by children who attend the second annual Kiwanis Halloween party for a gala affair is planned, it was made known today by the Rev. David S. Duncombe, pastor of Holy Trinity Church, general chairman.

There won't be too much urging to get the "kids" into costume for this affair according to reports for prizes worth a total of \$100 will be given away. There will be a grand prize as a door award prize for the funniest costume worn by a boy and also by a girl, prize for the most beautiful costume, for the ugliest, for the most frightening, the most ingenious and the most original. The judges will also look for clever portrayals of famous persons, TV stars, or radio personalities.

Stomachs won't be empty for refreshments of donuts, apples and 600 cookies served "naturally in bottles," will be on hand to fill all hollow spaces.

The bonfire will be lighted on the playing field in back of the high school at 7 o'clock. After the snake dance the participants will adjourn to the gym for more fun and frolic.

## Voters To Elect 10 Town Officials

(Continued from Page 1)  
rid of this bunch, so firmly entrenched, they ignore the best interest of the people they serve... and get away with it."

The Republicans wind up their election drive with a rally at the Hicksville Masonic Temple on Monday night. The candidates will be present after appearing on TV Channel 11 at 7:15 and 10:30 the same evening.

The Democrats will hold a rally at Plainview Firehouse on Sunday afternoon at 3:30 and will take the candidates around on a farm truck for roadside speaking over the weekend.

Declarer that "blind adherence to party loyalty has created a condition in Nassau County courts that is contrary to American tradition". William J. Sullivan of Rockville Centre, Democratic candidate for county judge, at rallies in all parts of the county was urging voters to cut across party lines.

"Among the 14 judges who make up our county judiciary, we find only Republicans", Sullivan pointed out. "Obviously this does not inspire confidence in the impartiality of our courts by the average citizen.

"The time has come to restore our courts to the two-party system. Should the public lose faith in the absolute fairness of our courts, one of the foundation stones of our American heritage would be destroyed — the basic principle that all men are equal before the law."

Non-partisan voter service will be provided today (Friday) and Saturday by the Levittown League of Women Voters with a booth at the Long Island National Bank, Bay and Herzog Pl., Hicksville. Information on voting is available also from the League's Voter Service Chairman, Barbara Stier of 61 Summer Lane, at LE 9-2492.

PAGE 2 - MID-ISLAND HERALD, OCTOBER 28, 1963

## Dear Jean:

You will have an opportunity to get some exceptional buys today and tomorrow (Saturday) during the auction at Griffin and Rushmore's store on Hedges Pl., Hicksville. We understand there are thousands of hardware items to be sold at auction. The sale starts at 10 o'clock each morning. ALBERT C. LANE, who becomes district executive for the Central District on Nov. 1, will make his residence in Hicksville about Feb. 1. HOWARD T. HOGAN, as attorney for Plainview School District, appeared in behalf of the Board at the Town Hall on Tuesday to say the school board was not opposed to a 72-acre down zoning requested by Rebrug Corp. He stated that Rebrug has offered to sell the school district about 10 acres for a new school at "something less" than what the firm paid for the land. . . . The menace of rats to residents living near the town incinerator was discussed at length at the Town Hall, Tuesday, also. As one resident of Southwood said, "we can get used to the odor, but we fear for the safety of our children". Rats "as big as a cat" were described as having been seen a half-mile from the incinerator. Supervisor RANSOM said he was "shocked" to hear it, promised more conferences. . . . Don't expect to hear anything from Albany about the Hicksville School Attorney matter for at least a couple of more weeks. Briefs are now being exchanged and answered by L. A. ROMAN and CHARLES STOLL. BARBARA SOININEN of the Republican Club says that first voters are not required to take literacy test this year. All they need do is sign an affidavit, at the polls, that they have attended school.

Lucky winner of five new white wall tires at LEVITTOWN-FORD this week was MILTON PURDY, 16 Pleasant Lane, Levittown.

There will be no new auto license plates next year. Instead of new plates, car owners will be supplied with a small metal tab to be attached to a corner of the '63 plate, Albany says. . . . The township budget hearing was concluded so fast, Tuesday, that some of the audience did not even know it happened. Scheduled for 10 A.M., it was started at 11:35 with the reading of the notice by the town clerk. Less than a minute later, when no one had anything to comment upon, Councilman CHLUMSKY offered the motion to close the hearing. Fleeting mention was made of the fact that a letter had been received from the Civic Assoc asking for an adjournment to an evening hour. That was it. . . . Bring those toys that your children have discarded down to the HERALD office at 98 North Broadway, next to Hicksville Post Office. The Thunderbird Explorers Crew of Troop 91 Scouts will repair them for distribution to children's homes in time for Christmas. Do it today while you think of it. The HERALD office is open Saturday, all day also.

## PLAINVIEW VAMPS REPORT

1. The firemen from once again wished to thank the people of Plainview. We hope this Saturday's column will realize that the band is growing and your firemen feel that they should grow too. One way is to carry the name of Plainview to all the fire tournaments in the county. We feel that we can be proud of our team, but cannot give them the financial support we would like. Therefore the firemen are awaiting the team. Our request is that our neighbors attend the dance to make it a financial success.

2. The Comfort Committee met this past week at the firehouse. For those of you who don't know what organizations form this committee we would like to make it known now. The Ladies Auxiliary of the Plainview Fire Co., and the Plainview Civic Assoc. have united in this committee to send packages to all men in the Armed Forces from Plainview. This group will mail packages on Nov. 10 so that they will reach their destination before Christmas. If anyone knows of a man in service whose name may not be on the list, it would be appreciated if they would notify one of the committee members.

3. It becomes a problem for the parents of Plainview to start an educational program to assist the fire company. We received a fire call from the West end of town on Saturday Oct. 24 at 3:30 P.M.

It seems that the driver of the first truck had no trouble getting to the scene of the fire. The second, third and fourth trucks had a terrible problem, not only competing with traffic, but also with children running around riding bikes in the roadway after the first truck passed.

The average parent does not realize this problem but we wish that some of you could see the view ahead of any man driving the follow-up trucks. The street seems to narrow down to the width of a three foot sidewalk. Therefore, we wish you people would please pass on to your children the following instructions: When the alarm sounds please stay on the sidewalk out of the path of the speeding trucks, because it may be their home that is on fire. Secondly the truck is needed at the fire immediately. A word from the parents may be the answer to this problem.

**ATTENTION PARENTS:**  
This is directed to parents of children who attend Oyster Bay Schools. There will be a meeting Monday night, Nov. 2nd 6 p.m. at the Manette Hill School of parents of children attending Oyster Bay Schools from Plainview.

"Bright Horizons," a production of the Arena Players will be presented at the Fork Lane School, Hicksville, under the auspices of the Fork Lane PTA on the evening of Nov. 3.

The Hospitality Committee will serve refreshments in the cafeteria.

## PLAIN-VUES:

### Four Short Years And Look

H1 FOLKS:

I was just kind of reminiscing about how many things have changed and grown in Plainview since we first moved here four years ago. We were one of the first pioneers of the building boom that hit Plainview, four and a half years ago, and I remember watching out my front window at the homes that went up in Vernon St. I remember also going house to house collecting news for this column. This took me all of about an hour. Nowadays it would take me several weeks. We had very few organizations here at that time.

Now we have quite a few churches, clubs and activities. The Church of the Good Shepherd-Lutheran was the first organized church in a long time in Plainview. Then the Methodist Church on Old Country Rd. and Our Lady of Mercy RC Church on S. Oyster Bay Rd. opened their doors several weeks ago. A Synagogue is now opened, and a Jewish Center is in the making.

Our Fire Dept. has had its growing pains too, and there is a new addition to the fire-house with double the amount of men and equipment. The Ladies Auxiliary has grown with it. We have two Veterans Organizations growing by leaps and bounds. The Am-Vets and their Auxiliary who were first, and shortly after the American Legion with its Auxiliary, and I hear there will be another shortly.

Political clubs have been started. The Republican Club has already been organized, and a Democratic Club is in its organizational stage.

Many Teen-age programs have started and others which had not been too active have boomed. There is a Teen-Agers group which meets every Friday night. The Police Boys Club has been active all summer long and is continuing through the winter with its very active sports program.

The Boy Scouts and Girl Scouts have doubled and tripled its membership. There are many small clubs which are starting and increasing their membership every day. The Civil Defense Unit which was once a part of Hicksville is

now a separate Unit for Plainview only. The older organizations which are still active are the Comfort Committee, made up of representatives of the Civic Assn., Firemen and Fire Auxiliary members, started during World War II, still send packages to the boys in the service up to the present date, and will probably continue to do so. They have done a wonderful job.

The Plainview Civic Assn. has more than doubled its membership and has been responsible for many things, both in the past and now in the present. - The Manetto Hill P.T. A. is a much larger group than it has ever been. As far as other things go, by next year we will have three or more schools, and more in the planning. We have our own water system pumps and equipment. I could probably going but this is just an idea of how Plainview has grown in the past four years. All I can say is I wonder what the next four years will bring. It's something to think about. Now on with the news.

AM-VETS AUXILIARY

At the last meeting of the Am-Vet Auxiliary, elections were held. Ruth Geissner is President; Alice Ferguson, Vice-President; Genny Payne, Treasurer; Marcella Olsen, Secretary; and Dottie Wakeman, Chaplain. They meet the 1st Wednesday of every month at each others homes.

# Elect People To Serve

Editorial Continued from Page One

even if certain bosses felt otherwise. That kind of independence can work to the advantage of the people whom he will represent.

Allen S. Carpenter of Hicksville is our further choice for township councilman. Mr. Carpenter in the past several weeks has plainly stated his beliefs and reasons for seeking the opportunity to serve. He is proud of his affiliation with the Hicksville incorporation effort. He has been a tireless worker for the community and his neighbors as a member of the Board of Education, Legionnaire, Scouting and his church.

There can be no question in the mind of the reader as to where Mr. Carpenter stands and his earnest desire to see government "of the people, by the people and for the people". He has the educational background and experience to provide Hicksville, the mid-Island area and the township with the kind of representation the public has every right to expect and deserve.

The election of Mr. Abbott and Mr. Carpenter to the Town Board would end the political monopoly of boss rule. It will restore the two-party system which can only result in ultimate benefit to the people of our Township.

John R. Brandt of Hicksville gets our support for re-election as Superintendent of Highways. Mr. Brandt is well-equipped by experience and has always been most loyal to his home community and its needs. Criticism levelled at him because of drainage conditions are improperly directed. The Town Board administers the affairs of the township and drainage is not a specific highway problem. The fact that the incumbent administration has just now disclosed plans to create a long-overdue public works division, with special divisions to handle highways, drainage, beaches, parks and other services, is an admission that many ills have been put at Doc's doorstep when they properly belong in the lap of the town board and the gears behind the scenes.

Mr. Brandt has been recognized in the State of New York as an outstanding man in his field. He is past president of the New York Association of Town Highway Superintendents. His opponent, James Monves, has an unrealistic approach as a candidate. Mr. Monves campaigns on the stand that the job should be abolished.

As for the office of tax receiver, our choice is Ted Swiencki of Syosset (row B). He is representative of the kind of young men our growing township needs. The Republican candidate, David Welsh, is an appointee under the iron-clad GOP system which prescribes that the "tax receiver must come from Farmingdale". Thus the neat balance of political power in the township is preserved, regardless of the individual qualifications of the men named.

For Town Clerk, we support Henry Curran of Oyster Bay (row A), another young man who in the short time he has been in office has begun long-needed improvements in that important department of local government.

As for the rest of the town candidates, we urge the election of strictly local people. For Trustees of the Jones Fund, our support and votes go to LeRoy Wells of Hicksville (row A) and to Bertha Gifford of Bethpage (both on row A) and to Dorothy Pepper of Hicksville (row B). Joseph Parnick of Hicksville (row B) is our choice for School Director.

Among the judicial candidates, Judge Edmund H. Lewis, incumbent, has the nomination of both the Republicans and Democrats for Chief Judge of the Court of Appeals.

For Nassau County Surrogate, to fill an unexpired term, we support Republican John D. Bennett of Rockville Centre. He has been an attorney since 1936 and was a member of the State Legislature for 16 years.

There are two County Judges to be elected for 6-year terms. Our vote is split, supporting William J. Sullivan of Rockville Centre (Row E) and Cyril J. Brown of Great Neck, incumbent (row A). We agree with Mr. Sullivan, who is eminently qualified, that the judicial monopoly in Nassau must be ended to restore "confidence in the impartiality of our courts by the average citizen".

We urge our readers not to vote blindly according to party symbol but to exercise their constitutional right and pick the men and women they feel are best qualified. Get acquainted with the candidates. Know what they stand for, then be sure to vote. Election hours next Tuesday, Nov. 3, are from 6 AM to 7 PM. MAKE EVERY VOTE COUNT.

# The Legionnaire

Of all the programs of the American Legion, the one that best illustrates our form of government in action is the nationwide Boys State. Hicksville's representative to Boys State for 1953 was Richard Adams and on our regular meeting night Nov. 2, Richard will speak to the membership regarding his experiences during his week up state. These talks, presented each year by the returning "Boys State", have proven to be of tremendous interest in the past and we urge as many members as possible to be present this coming Monday night.

During the course of each year the Post dips into its treasury and contributes to various non-veteran organizations. These contributions of course are in addition to the G.I.'s For The Yaquis projects, the Kings Park visits and other primarily veteran ventures. A sampling of the list provided by our veteran Finance Officer Nick Harter shows that the Girl Scouts of America,

Charles Wagner Post

Kings Park Child Welfare, Salvation Army, Boy Scouts of America, National Foundation for Infantile Paralysis, American Legion Child Welfare, Red Cross, Hicksville Fire Dept., Sister Kenny Foundation, Junior Baseball, Kings Park Cigarette Fund, Nassau County Police Boys Club and the Industrial Home for the Blind all benefited in varying amounts.

Rain on Sunday killed the refreshment stand but a game is expected this week . . . Bill Bosch much better and in attendance at last meeting . . . John Nees came in with two more prospects—hope they're Legionnaires by now John . . . Latent renewals are from Roy Willcott, Ed Becker, Carmen DiMarzo, Bill Bosch, Ernie Gundisch, Martin Duerr, Fred Davis and Victoria Delane . . . It may seem awfully early but we suggest you start planning your New Year's Eve at the Legion. Wooden coat hangers anyone? Post can sure use them . . . Hear that long sought piano may be close at hand. How about it, Frank . . .

Roy Willcott reported very ill. Better stop in at the Post for details. Halloween Dance tomorrow night BOB MANGELS

**MORE ABOUT MISREPRESENTATION**

Have you ever gone for any of those fast deals you read or hear about on some ambiguous advertisement? We heard about a sewing machine that was priced fabulously low—a rebuilt machine.

Something about selling it down for advertising purposes ... We had the man come around for a free demonstration, and what happened after that was nobody's business.

He brought the machine (?) in and looked at us as if we were insane. "You want to buy this—this—thing?" He went on, "When you rebuild one of these antiques and install a motor—the machine is moving faster than it was designed to go ages ago. It will last a month or so and you've wasted your money. It just so happens I have a machine in the truck that is being delivered to someone else today—a real machine! Would you like to see it—it's harm in it?"

That reverse sales talk was such a phony that we insisted on the original model. It so happened that this machine did the gleam one better—this one didn't even start to work—much less last a whole month. I brought the machine back—but no one in the place could operate the machine. Having asked for another one—I received it promptly from the

manager. This time I insisted that he see that it works first. It didn't. And out of ten more machines we couldn't find one that did. "Why do you want to fool around with these cheap things? Buy our better one and you won't go wrong," said the manager. It was about that time I wanted my money back. It took me six months to receive that money. From time to time we'll bring these little items to you, either from personal experience or from reader's experience. If you have something to contribute—we'll be glad to print it.

## ROTHMAN PRIDE We Tells Rally

**BETHPAGE** — All the town candidates were introduced at a rally held by the Theodore Roosevelt Republican Club Monday night in Legion Hall with Ed Feuerback as master of ceremonies.

Howard Hogan, town GOP leader, reminded the audience of the giant rally to be held tomorrow night (Saturday) in Franklin Square and invited the members to see the town candidates on TV on Monday night, Channel 9. Turning to the political scene he condemned the "smear" campaign which he said was being waged by the opposition.

Assemblyman Carlino of Long Beach paid his respects to "Happy" Norman, Bethpage's candidate for town councilman. "This is a vital election," he asserted. "We are fighting mad. We will fight to repel any unjust attack on any candidate from the county leader down to the local level."

Norman expressed his pride in being chosen to represent the people of Bethpage, and declared himself 100 percent behind Lou Williams' program. He said: "I know I won't fail on election day for with your help I wouldn't dare to fail."

As award of a \$50 defense bond was made to E. Padkowsky of Farmingdale and a door award went to Frank Satava of Bohemia.

Three young men have already been ordained from St. Stephen's church, and eight young men are studying for the ministry. The ordination of the Rev. Mr. Christ was the first to take place at the local church.

Participating clergymen were: the Rev. Frederick R. Knubel, president of the United Lutheran Synod of New York and New England, the Rev. Eugene C. Kreider, superintendent of Home Missions of the same synod, and the Rev. Howard Rogers, pastor of the local church.

A solo was sung during the service by the young minister's father.

#### Seek Donations For Parents' Project

HICKSVILLE—Donations from parents of students attending Burns Ave. School are being requested to help a volunteer project of providing the school with a gift of three record players. Nine fathers are building the record players, using discarded radios and other scrap material. A spokesman for the group said that about \$100 is needed to finish the machines and to purchase a stock of more than 75 records to complete the project. Contributions may be left at the Herald office, 98 North Broadway.

The regular meeting of the Sisterhood of Temple Shaar Zedek will be held at the temple Tuesday evening at 8:30 o'clock.

 The Cedar Cliff Civic Assn. meeting was attended by 35 persons on Oct. 20 with a few women present also. The next meeting will be at the East St. School.

The first dance of the organiza-

tion is not far off. If you haven't bought your ticket yet because you feel you might not be able to attend, don't worry, tickets will also be sold at the hall. Tickets for the dance to be held in Polish Nat. Hall are one dollar each. There will be a door prize and a basket of cheer will be another award. Talented folks who would like to get into the act may contact Harry Sears of 99 Cliff Dr., who is also the one to see if you need extra tickets.

The Minutemen of Cedar St. celebrated their fifth wedding anniversary this month.

Robert Kern, who was one year old Oct. 25th, had a lot of help in celebrating the occasion, his grandparents, Mr. and Mrs. Arthur Metzger, his grandfather, Mr. M. Smith of Hicksville, Miss Helen Genra of New York City, Miss Paula DeMartino of Brooklyn (weekend guests of the Kerns).

Also planning a birthday celebration is Bill Failecaro of 56 Cliff St., who added another year yesterday.

Oct. 25th, the Minutemen have dinner for the members. This year, due to the lack of time, it will be at the home of Eddie Schaefer, Mrs. M. Ballou, of Cedar Park, where Bill's brother, Tom, will also mark a birthday.

**HOUSEHOLD BURNING****THWARTED**

Plans of the Civic Association to clean up our community Saturday were thwarted by the green grass in the empty lots where rubbish was thrown to burn.

After spending half the day in earnest effort they gave up with plans to do it later. However, they won't have to worry too much about it for Monday a tractor from Oyster Bay appeared and cut down the tall weeds on the lot at Stanley St. and Cliff Dr., the one which gave them the most trouble.

Coffee was served to the volunteers by me.

Every Saturday afternoon and, in some instances, on Friday nights, all through the nation High School football teams compete. Most of the boys on the various squads are aiming at college football. To some extent, their brand of play depends upon those who come out to see them. If all of us who can, will support the local high school eleven, the boys are certain to play better ball. There is no inspiration in performing before empty stands.

By HOWARD FINNEGAN

Cough Bill McNamara of Hicksville High does not concede the issue, but has decided that if his Comets are to upset unbeaten Farmingdale this Saturday it will have to be a defense that turns the trick.

His club could not hope to rebuild its offensive unit which has been wrecked in recent weeks.

After the bruising victory over Westbury last week, the Comets count Joe Pepe and Joe De Vaul on the injury list from the backfield alone.

Since Howard Speedling has been sidelined since the Oyster Bay game that rippled the snap from the Hicksville attack which has been holding back for the next two big games.

As early as the first week in October it was apparent Farmingdale and Long Beach would provide a heavy wrapup for the Comets campaign.

The Orange and Black was tripped by Garden City but was being groomed to shoot the works in these final two outings.

However, the problem now falls to the defensive element. If Pepe recovers from his knee injury and sees any action at all it will be on the defense.

Hicksville just can't expect a knifing run from him against the Dagers.

Speedling is itching to get back in action but the answer to that question won't be resolved until shortly before the game.

De Vaul's ankle appears beyond recovery to an extent of effectiveness for this important one on the Comet slate.

It will be the 20th meeting between the two schools. The game is at Hicksville.

It is the one the Dagers, who have four straight including a 19-13 verdict over powerful Manhasset, want most of all to win.

Hicksville has a 13-5 edge in games won in the series with one tie. In recent years the Dagers have been repeated favorites but have failed to close the gap.

Last year the Dagers were 18 point favorites only to be stopped at Bethpage by 12-7 in a genuine upset.

1951 saw a Dager victory but over in Farmingdale they are still ranked by a 6-2 loss in '50 and unexpected 7-7 deadlock in '49 and a 20-0 rout in '48 when the Green and White entered the contest undefeated, untied and unscorched upon.

In all Hicksville has ruined an undefeated season for the Dagers on four occasions.

In Charlie Bostich the Dagers have an outstanding power runner. He has already scored nine touchdowns in four games this year and ranks well in front for Nassau scoring laurels.

There are others in the Green lineup that make this game a most difficult task for the Comets.

We pick a tie.

## Game Sunday With Vamps

HICKSVILLE - The N.Y. Conference decided at an early hour, Thursday morning, to move its entire schedule up one week because of last weekend's washout and the important clash between Hicksville Field Club and the Mineola-Westbury Vamps will be played here, this Sunday afternoon.

## Fresh Match Varsity Mark

HICKSVILLE - The Comet freshmen turned in 20-0 and 15-6 wins over Seaford and South Side, last week, and now boast a mark of 4 wins and 1 loss which is identical to the Orange and Black varsity.

John Roberts scored twice against South Side—once from the five and another time from the 11. Vic Szedlachny bucked over from the eleven for the third score.

Fred Manown directed the team ably.

Szedlachny and Roberts also tallied against Seaford and Marty Wedding added to the total with a 26-yard rush to pay dirt.

Mike Zimmerman, Ronnie Reynolds and Lou Kunz performed well in the line for coach Ted Schieffelin.

The team has come along rapidly since an opening loss to Garden City. South Side's Fresh handed those same Trojans a good loss but didn't have the steam against the Comets.
