HICKSVILLE—Archbishop Thomas E. Molloy of Brooklyn will give the dedication and sermon this Sunday, Nov. 15, at a special 10:45 Mass at the Holy Family R. C. The time of the Masses has been changed just for this Sunday to 7, 8, 9:45, 10:45 and 12:30.

Celebrating the Solemn High Mass will be the Rev. William J. Walsh of St. Raymond's R. C. Church, Lynbrook. The deacon during the Mass will be the Rev. It will make the fourth Christmas eve that the program has been arranged. The civics will make final plans at a meeting on Dec. 8 at the home of President Richard Joswig.

## DECISION BY NOV. 27?

# Court to Hear Home Rule Vote Appeal Next Tuesday

MINEOLA—The people of Hicksville should know two weeks from today—by Friday, Nov. 27—if they are going to get the right to vote on incorporation. The appeal from the recent decision of Supervisor Charles E. Ransom of Oyster Bay Township in refusing to permit a vote will go before a county judge, here, for argument next Tuesday morning, Nov. 17, and the village law provides that a decision be made within 10 days thereafter. The arguments in County Court is the next step in a process which began on July 31 when a proposition for incorporation of Hicksville was filed with the Supervisor.

The filing of the proposition and consent petitions signed by more than 6200 property owners had concluded a three-year effort by more than 300 volunteer homeowners led by Lawrence A. Roman of Notre Dame Ave.

Required by law to present with the proposition a "consent" signed by property owners representing one-third the total community area real estate assessed value, a door to door campaign was undertaken. More than \$11,000,000 in assessable valuation was obtained on the consents in an all-out 60-day campaign directed by Gerald DeLorme of 184 Dartmouth Dr. and an organization consisting of captains for each of the 14 Hicksville election districts and hundreds of men and women who rang doorbells in their spare time.

### FIELD ON JULY 31

The consent petitions, proposition and other required documents, including a check for \$100, a list giving the name of every man, woman and child in the 6½ square mile area of Hicksville School District, and a map of the area, were delivered on Friday morning, July 31 to the Township Supervisor's Office at Oyster Bay.

A public hearing on the request, held at the old Hicksville Courthouse on Sept. 17 and concluded a week later on Sept. 24 with the filing of briefs by three attorneys.

The same attorneys are expected to take part in the arguments before the County Judge here next Tuesday morning. They are Judge Willis B. Carman of Farmingdale, attorney for the proponents who are bringing the appeal in court.

## 2 Fire Alarms Monday Night

HICKSVILLE—Hicksville firemen responded to two alarms on Monday. A fire in the basement at Michael Kefalse's Aircraft Restaurant burned up a number of boxes on Monday, Nov. 9 at 7:40 P.M.

Since the fire was under the grating in the sidewalk it could have been caused by a flipped away cigarette butt, firemen reasoned. The alarm was sounded from Box 21.

Also on Monday the firemen went to the home of Arnold Malchod of 21 Fork Lane, where at 10:35 P.M., they extinguished a closet fire which caused quite a bit of damage in the closet and to the room from smoke.

## Second Performance By Glee Club Tonight

HICKSVILLE—Again this year the Hicksville High School is giving students a real opportunity to show their talents. The Glee Club's presentation of Victor Herbert's "The Fortune Teller" is a vehicle for both their singing and dramatic abilities. More than 50 students are in the production which will be staged for the second time tonight (Friday).

In unfolding the story of gypsy love and intrigue such Glee Club singers as Helen Mayors, Gary Pincio, Jo Trocola and Jacky Dempsey are able to perform as soloists, to sing in chorus work and to display their acting ability.

# Half Million Dollars In Christmas Checks

HICKSVILLE—Bank Christmas Club checks being mailed out here to local people will total well over a half million dollars.

The Long Island National Bank will mail out 4,425 checks for a total of approximately \$362,000 as compared with 3,580 checks totalling \$290,000 in 1952, according to William E. Koutensky, president.

Henry G. Eisenmann, president of Bank of Hicksville, reports that his bank will mail out on Nov. 23 2,000 checks totalling approximately \$200,000. In 1952 the bank mailed 1,700 checks for a total of \$160,000.

A spokesman for the Bethpage branch of the Hempstead Bank said Tuesday that their club checks would be mailed Nov. 23.

## Ask Speed, Accuracy On Federal Aid Forms

HICKSVILLE—The cooperation of parents of children attending local schools was today solicited by the Board of Education as questionnaires were sent home with students. The accuracy of the information supplied and the importance of returning the forms, filled out, at the earliest possible date was stressed by a spokesman for the School Board. The data is required to help the district process an application for Federal financial aid.

The forms are to be returned to the classroom teacher and careful filling out is stressed since the Board has been informed "that there are many categories of employment which one might not normally consider as being Federally connected, but upon which a claim for aid can be based—at least in part."

With the questionnaires was the following form letter signed by Henry C. Brenzel, president of the Board:

"The Board of your District believes that the District will be eligible in 1953-54 for Federal aid under Public Law 874.

"As you know, the District was found to be eligible last year based on an application prepared by the Government Statistical Corp. whom we have again retained to handle our statistical and analytical work in connection with our claim for Federal indemnification.

"We are anxious that the forms be returned at the earliest possible moment so that the Govt. Statisti-

cal Corp. will have adequate time to evaluate the information in an effort to obtain funds, if we are eligible, for construction payments as well as for reimbursement of operating expenses.

"During the year there will be two subsequent simple questionnaires to cover changes in occupation. Other than these, the School Board will make every effort not to burden you for additional information."

## Telephone Co. Plays Hosts

HICKSVILLE—Open house of the new Telephone Company building at the corner of W. Cherry St. and Jerusalem Ave. continues this evening (Friday) between 6:30 and 9:30. About 100 community organization leaders were the guests of W. B. Billmeyer, Telephone Co. manager, yesterday afternoon (Thursday) at a special preview of the exhibits and features of the new building.

## New Children's Librarian Here

HICKSVILLE—Bernice Hill, the new children's librarian of the Public Library, reports that a large number of pictures have been added to the picture file in the Children's Library. The new "Story of America" series has been divided into various topics, each illustrating some phase of American history or American life. Some are: "A Nation Is Born," and "Our Government." Each subject has approximately 40 plates. A "Life in America" series has been added and some files on foreign lands, including Canada, South America and China.

Available for both parent and teacher is "Childcraft," a 12 volume set of stories, poems and fairy tales. The last four volumes are designed for use in the school or home rather than for the child, and include guidance, play therapy, the learning process and the growing child.

Mrs. Hill, who joined the library staff in October, was formerly with the Kearney, N.J., Public Library.

**Village Green Mess**

The mess at the West Village Green is in sad contrast to the neatness and attractiveness of the houses which the merchants serve. Our neighbors take great pride in keeping their own homes well equipped, and that they have to face the enormity of garbage overflowing the enclosures provided for it, excess garbage in broken paper cartons, and just plain trash all around the stores.

In a short ceremony in office headquarters at 7 West Marie St., Emanuel M. Belkin, director of Prudential Agencies on Long Island, congratulated Staff Managers William L. McHenry and Warren H. Richmond on their successful first year. Sylvester J. Brooks, head of the Huntington district office, remarked that the establishment of the new office a year ago was a step in recognition of the vast potentialities of Hicksville and its neighboring communities. The Hicksville organization serves as a branch of the Huntington district.

Coffee and cakes were served at the ceremony which was attended by the entire district staff including the 16 agents on the sales force.

The local office is a sales and service center for 10,000 families in a territory which also includes Levittown, Farmingdale and several other towns in the surrounding area.

Evidence of the ravages of tuberculosis has been found in the skeletons of prehistoric man. From a Neolithic burial ground near Heidelberg, Germany, the skeleton of a young man was unearthed which showed that TB of the spine was afflicting man some 6,000 years ago.

**Dear Jean:**

About 100 Hicksville community leaders were the guests of the Telephone Co at a special preview look at the phone company building here, yesterday (Thursday) morning. The public is invited to attend open house which concludes tonight (Friday), 6:30 to 9:30 P. M. . . . That pre-election boasting about "no town tax for 11 years" sounds kind of sour today as we hear that the county tax rate is going up again. The basic reason for "no general town tax" is the fact that the county has taken over a number of costly services previously provided by the townships. . . . Republicans are planning to redvise some areas of the state regarding senatorial districts and Nassau can expect to get another state senator. However, we'll make a prediction right now that the new state senator will go to Hempstead Township. . . . And there is talk about creation of a new 7th Police Precinct in the county, taking part of the present 1st (Merick) Precinct. Watch for a move to take away some of the 2nd and location of the new precinct headquarters in Levittown. . . .

Pt J ANDREW HEBERER is succeeding Pt BOB REYNOLDS as police director of the Police Boys Club for Hicksville-Plainview area. Pt HEBERER is a long-time Hicksville resident, now making his home in Bethpage. BOB REYNOLDS has been promoted to the rank of Sergeant. . . . A drainage sump has been developed at North Wray at the Hicksville-Jericho line. We were interested to see that it was built, as the regulations now prescribe, by erecting the fencing first. The new BIG BEN market on W. Marie St., Hicksville, will open its doors on Nov. 18. The new store is about three times in size, compared with the present market a few doors away. . . . Boy, doesn't time just seem to fly by—and yet, it was only a year ago that we were observing the dedication of the new Leo Ave., Dutch Lane, Fork Lane, Burns Ave and Old Country Rd schools. . . . The Save the Children Federation will have a grand opening at 2875 MtBarn Ave., Baldwin, on Friday, Nov. 20. Among those working on this project is Mrs. BOBETT GILLESPIE of Bethpage. . . .

PATROLMAN First Grade WARREN MERZBACHER of Hicksville is one of 62 policemen who are in line for promotion. He is due for an appointment to sergeant.

**Keen Interest in Hobbies As Date Of Exhibit Nears**

**HICKSVILLE** — There'll be buttons if not bows on exhibit at the High School P.-T.A. Hobby Show to be held at the school, next Thursday night Nov. 19. There'll also be colored slides, croquet work, electrical equipment, chemistry experiments in progress, post cards, stamp collections, model airplanes as well as books on hobbies.

The committee is hoping for hobbyists to arrange for exhibition of all types of handwork, art work, including photography by amateurs, antiques, models of various kinds, and any other interesting collections which local people may have chosen as their hobbies.

To arrange to show any collection a call may be made to the committee chairman, Miss Ruby Burt at HI 3-0672. The committee is also hoping that a local magician will be present to contribute a touch of prestidigitation to the affair.

**'Doctor Jones' Says**

By PAUL B. BROOKS, M.D.

There's been an upsurge, here lately, of medical and popular discussion of the effects of excessive smoking on health. It's been sort of an interesting phenomenon (if you'll pardon a \$12.00 word!). It's been stirred up, very largely, by one discovery. I mean the apparent relationship between the parallel increase, the past several years, in cigarette smoking and in lung cancer.

This upsurge—it might be some like the way a tornado's spoked to start. Maybe it's small accumulations of cold facts coming in contact with masses of cigarette advertising hot air. That ought to set off something.

Tobacco, of course, is tobacco whether it's smoked in cigars, pipe or cigarette. The difference is, chiefly, in the inhaling. It seems to be two things, in tobacco smoke, that're important. One is the soot-tar combination: a part of all smoke. That's always an irritant to delicate mucous membranes — nose, throat, vocal cords, bronchial tubes and lungs. That soot-tar mixture (from any smoke) is "cancerogenic." That is: continued exposure to it can cause cancer.

The other is nicotine. That's an alkaloidal poison. Some people are more sensitive to it than others. One authority, an allergist—he did smoking tests on 180 persons. Eighty per cent of 'em, he says here, showed an increase in pulse rate and rise in blood pressure after the first morning cigarette. Some people with heart and circulatory trouble, it can do serious harm.

Here's some Life Insurance Co figures. Twenty years ago deaths from lung cancer, among men, were less'n a third of those from lung tuberculosis. Today, in men of the same age (65-74) the lung cancer rate is nearly double the lung tuberculosis rate. It's four times more common, I heard at Lake Placid, among cigarette smokers. "ALL?" No, there's more here; some of it's medical opinions and some "cold facts." But you've got all your columns'll hold. Wha, me? Well, I've cut down on my cigarettes. If I keep reading this stuff I'm liable to quit altogether. And that's not kidding!

## RELUCTANT MALES LET Girls Walk Off With Socksful

HICKSVILLE — The reluctance of the male to display his socks caused all the prizes to go to the girls students at the Hicksville High School PTA Fancy Sock Dance held at the school, Saturday night.

Mrs. John Fallon, chairman of the dance and one of the chaper-

ones, said that a prize of a shaving set had been provided for a boy winner and this could not be awarded because the boys refused to exhibit their fancy socks.

There were 158 students in attendance. The following three girls

were awarded the prizes by means of applause from the students. Barbara Giggell of 29 Glen St. received the loudest ovation for her green knee length socks trimmed with rose colored pom poms. Jessie Clausman of 198 West Marie St., winner of the second award, wore white socks trimmed with bells and bows. Virginia Weldon of 3 Pine St., who walked off with third prize, displayed socks of white trimmed with tiny bows that were all a-glimmer with rhinestones.

Assisting Mrs. Fallon as chaperones were: Mrs. William Orton and John Gabriel.

The next dance will be held in the high school Saturday, Dec. 5.

# Bewildered Parents 'On Line' To Meet With School Board

HICKSVILLE — Bewildered on the Hicksville-Locust Grove boundary line, who thought they lived in the Hicksville School District and were told this when they bought their homes, will send three representatives to the meeting of the School Board Nov. 20 to present their case.

Of the three boys who were attending Hicksville High and were told they had to leave as "non residents", one has quit school, another is attending the high school in Glen Cove, and the third boy has been allowed to resume his studies in Hicksville High because the district line passes right through his parents' property. Bus transportation, which had been refused, has been given to the latter lad.

Neighborhood representatives at the school board meeting will be Harold Wayne, George M. Powers, and Mrs. John Fiederlein.

It was said that Dr. E. H. LeBarron, School Superintendent, found it "impossible" to attend a recent protest meeting of the Crown St. neighbors held to discuss the situation.

Seventeen younger ousted grade school pupils have had to transfer from the Hicksville system to that of Locust Grove. Robert Heideman of the Locust Grove Schools attended the recent meeting and discussed with the dis-

ed parents what they could do. Another resident has been told that in order to prove that the line passes through his property he will have to seek an injunction.

## TAPS

Wednesday was Armistice Day. Na-sau paused in its week's work to think back on its fallen heroes. The guns are silent for the while, but the artillery of words is as deafening to the ears. Pictures, too, have shown Americans the kind of foe we fight. They will bear re-remembering when again the cry is taken up for admission of Red China to the UN.

CURRENT COMMENT:

# Taxes Make Dry Reading

By Fred J. Noeth

**THE ANNOUNCEMENT** of the proposed Nassau County budget for 1954, now makes it possible to compare tax bills for this year and the coming year.

During 1953, Hicksville property owners paid a total tax rate—including schools, special districts, town and county—of \$5.34 per \$100 or \$53.38 per \$1,000 of assessed valuation. For an average home assessed at \$4,000, the total tax bill was \$213.52.

Next year, Hicksville property owners will pay a total tax rate of \$6.15 per \$100 or \$60.97 per \$1,000 of assessed valuation which on a home assessed for \$4,000 comes to \$243.88.

The increase on that \$4,000 Hicksville house comes to \$30.36 of which \$21.20 is the increase in school taxes. The county, police and court rates, as just forecast by County Executive A. Holly Patterson, comes to \$18.52 per \$1,000 or \$1.85 per \$100, which is an increase of \$1.64 per \$1,000.

The county tax rate is going up \$1.15 per \$1,000, the police district rate is rising 48 cents per \$1,000 and the New York State Supreme Court tax rate rises one cent per \$1,000. The increase in such county taxes on a home assessed for \$4,000 will be \$6.56 for the year.

Property owners in the Levitt-built section of Hicksville has been previously pointed out in the Herald, will pay more than the rest of the community. The pool-hall district will cost \$1.69 per \$1,000 and there will be a \$1.00 per \$1,000 more paid in that section of the Hicksville Garbage District (ext. no. 5). Levitt homeowners in Hicksville, therefore, will pay \$41.12 more on a house valued by the Assessment Dept. at \$4,000 compared with a gain in taxes of \$30.36 for the same value home in another section of Hicksville.

We have never been happy about the joint hall-pool district which was jammed thru earlier this year and which comes into official being on the first day of January, 1954. However, we think it is adding insult to injury to find the Town of Hempstead making this published statement: "A bi-town special district was created by the legislature, proving that there is no problem of local government—no matter how complicated—which cannot be solved by modern Nassau County towns. Taxpayers of this joint swimming pool and hall district, of course, maintain their own facilities."

The statement appears in that booklet on the Town of Hempstead which received considerable pre-election comment from the Democrats.

The same booklet also prominently features a picture of "Levittown Hall" which is located in the Town of Oyster Bay, not Hempstead.

But to get back to our topic. The foregoing data on the new tax rates is published because of many inquiries from local property owners. For some reason or another, the daily newspapers failed to note the increase in the police district rate and the supreme court tax in announcing this week the new county rate.

True enough the police rate does not apply in every corner of the county, but it is part of Mr. Patterson's budget message and deserved inclusion in published accounts of the budget in the press.

## Broadcast Made From Here

HICKSVILLE—The Town Meeting of the Air was broadcast nationwide, Tuesday, Oct. 27, from Levittown Hall, here.

Asked by a person in the audience about local Civil Defense, guest speaker Arthur S. Flemming, director of the office of defense mobilization, said that the program must be developed "at the grass roots level." He said "local communities must come to grips with the problem" and then seek the cooperation on a national level.

James R. Killian Jr., president of MIT, was the other guest speaker.

# The Legionnaire

Charles Wagner Post  
No. 421, American Legion

About nine months ago we listened to the story of Kings Park as it came from the lips of Dr. Charles Beckman, Senior Medical Director. We are reminded of this because the time is near for our visit to Kings Park and when that time approaches we devote much of our columns to acquainting all our readers with the purpose of the Legions Kings Park program.

First of all Kings Park is a state hospital whose veteran patients are not eligible for many of the benefits afforded by a V.A. hospital like Northport. It is for this reason that many years ago the American Legion of Nassau County adopted this institution—to help those who receive none of the "extras."

Kings Park, the second largest hospital of its kind in the world, was organized in 1896 and is currently situated on 238 acres in nearby Huntington. Among its 9,000 patients are the 1,900 veterans and 800 children which have been adopted by the Legion. Most of these patients, ranging in age from six years upward and all suffering various mental illness, have just one thing in common. They are forgotten except by the Legion!

Hicksville's 1953 Boys State, Richard Adams, stood before the membership at the last regular meeting and gave a brief, enlightening and highly entertaining account of his experiences at Colgate University where he spent a week with 912 other young men learning first hand how our form of

government operates.

In addition to carrying out municipal and state elections, the boys' listened to such persons as a Supreme Court Justice, State Police official, a Mayor and a representative of the F.B.I.

It wasn't all work and speeches though since Richard to remember quite well the food, talent show, food, ball games, food, etc.

In reply to a question at the close of his talk Richard expressed the opinion that Boys State is definitely worthwhile and justifies the effort of the individual who makes the trip and of the local Legion Posts who pay the bills!

Time for all you readers to look over your discarded clothes and select those that will keep a man or boy warm this winter at Kings Park. The Legion provides the food, smokes and entertainment. We ask that you help with clothing. We'll see that it gets there. Sunday, Dec. 6 is not far off so bring those clothes to the Legion Hall or Jack Rouseau at 106 Nevada St.

Arthur Pettit, 3rd Division Commander, was a surprise visitor at our last meeting. Stopped in to push ticket sales for Dinner Dance Dec. 12 in honor of Post County Commander Gil Chichester.

The new deal in Auxiliary card parties makes its debut next Wednesday, Nov. 18 at the Clubhouse. The ladies, abandoning monthly card parties in favor of three a year, will raffle two turkeys at next weeks affair in addition to conducting the regular party. We certainly wish them luck.

Regular meeting Monday night.  
'Til then —

# Court to Hear Appeal Tuesday

(Continued from Page 1)  
and Michael J. Sullivan of Carroll and Sullivan and David K. Sigerson, of Hicksville, former president of the Levittown Civic Council.

Sullivan and Sigerson appeared at the Sept. 17 hearing representing a total of 85 objectors to the proposition for a vote on home rule, including themselves, 20 Republican committeemen and Ernest F. Francke, county clerk and local GOP leader.

Supervisor Ransom presided at the Sept. 17 hearing and on Oct. 5 announced that the vote on incorporation could not be permitted.

Following the procedure set forth in the Village Law, ten of the proponents represented by Judge Carman have instituted the action to appeal the decision in court. Notices of the appeal have been served upon the 85 objectors, their attorneys and Town Clerk Henry Curran.

All records in the case, which is now a stack more than a foot and a half high, have been delivered to County Judge Norman F. Lent, here, in preparation for the appeal argument to be heard next Tuesday.

The proceeding in Court next Tuesday will be based entirely upon State law and will feature the appearance Judge Carman for the proponents and the statement of objections by those opposed to a vote taking place on the question whether or not Hicksville should become an incorporated village. There will be the filing of further briefs and memoranda and then the Judge will study the entire record and make his decision either upholding Supervisor Ransom or reversing him.

## COULD VOTE IN DEC.

If Ransom is reversed, and if the County Judge makes his verdict known by Nov. 27, the election would then take place not less than 15 or more than 30 days later which would put it between Dec. 11 and Dec. 26.

If Ransom is upheld, the proponents will be required to start all over again with a new consent petition. Addition to the present huge petition of 6200 signatures is not considered likely since it is now part of the filed records of the Township.

The Home Rule Committee, the

organization of homeowners seeking to obtain a referendum on incorporation, is currently sponsoring a fund raising project for its legal action. Stanley Mruz of 84 Harrison Ave is chairman of the fund raising project. Harry Borley of 135 Woodbury Rd is Committee treasurer.

## Constructive Action Needed

Among the constructive action we believe the Town Board should take within the not too distant future are the following important matters. The most immediate constructive action would be to have their public meetings and hearings at a time and place convenient to the citizens they govern. Next, a little more thorough and less purely public discussion of our million dollar budget would seem to be in order. Realignment of the overlapping special service districts needs serious attention. Probably the most important, from the long range viewpoint, would be to make the Board itself truly representative of the people.

## Servants Of The People

Although it may not seem to be so at times, especially to us in the South Hicksville area, the Town Board members are really servants of the people. It is therefore, only reasonable to ask that they make their meetings accessible to the people. Now, we know that there is no time and place that suits the convenience of all of us. But it would seem that 10 o'clock in the morning of a working day is not the time to draw overflow crowd. Why wouldn't it be more than reasonable to make 8 o'clock in the evening the time? Would a precedent be needed? Well, it is more or less common throughout the country that local government meet in the evening. Some state legislature hold evening sessions. New Jersey would be a good "fr instance". If they can do it, why not our Town Board? It would make a good way to start off the new year!

## Million Dollar Budget!

Can you imagine the hullabaloo if you were to spend a thousand dollars without an extended discussion with your own public, that is, your wife! But the Town Board blandly proposes to spend a million dollars of the taxpayers' money with about one minute for review. Why, they couldn't even read the 15-page document in that time! And as for discussion! What a farce!

We understand that the budget was neither read nor were copies available at the public hearing several weeks ago. If someone wants to raise it, there is probably a constitutional point about the Board approving a budget which was not made public. Could be!

## Is The Board Representative?

For all the fine words about the wonderful government in Nassau County, we have an unbelievable conglomeration of overlapping special service districts. We would like to see the Oyster Bay Town Board undertake a program to realign the special districts so that they will be identical in any given community. This can be done, and the sooner it is done the less difficult it will be. This will be in the long run the low-tax system.

## Realign Special Districts

There is no area in all of Oyster Bay which can say it has a representative on the Board. Hicksville, the largest community incorporated or otherwise, certainly has no representation. This is not good because it violates a basic rule of good government.

The Town Board has the power to install a system of electing town councilmen by districts or wards and we would like to see them use it for the good of the people of Oyster Bay. There is plenty of precedent for such district voting, and not much for the present system. The sooner this is done the better.

**Voter League Meets Twice**

The League of Women Voters will conduct two unit meetings discussing "Your Local Government." Many questions have arisen on the makeup of town and county representation and background of the government. The Voters Service Workshop and the County Council representative will present the material from which the summary of town and county government "Good Government Begins at the Local Level" carried in the recent Voters' Guide was drawn, for discussion.

The meetings will take place at 8:30 next Monday, Nov. 16, at the home of Mrs. Henry Mayer, 199 Division Ave., Hicksville, and Tuesday, Nov. 17, at the home of Mrs. Richard Beyer, 12 Swirl Ln., Levittown. Tuesday's meeting will be a duplication of Monday's meeting. Monday's meeting will stress problems in Oyster Bay Township and Tuesday's meeting will concern Hempstead Township.

# Don't Miss Bazaar At East St.

**By MISS MALJEAN**  
Hicksville 3-5515  
I don't know what it is about bazaars that draws people out. Maybe it's the atmosphere or it could be the chance to meet familiar faces from around town. Then, it could be the knowledge that its doing a heck of a lot of good for the particular cause. May tells me it's sometimes curiosity. In this case, it could very well be, for at the Annual East St. School Bazaar, you may wonder at just what odds and ends you may see there that may strike you as interesting. I had a lengthy conversation with Katie Bean, of Meadow Lane about the affair and she informed me that they expect it to be a great success. It's her "baby" this year, as it was a few years ago, and she's getting quite a bit of enjoyment out of lining it up.

Are there some readers out there, who would like to contribute some white elephant (not of the live kind) or toy or handwork? If so, phone me and I'll pass the info on to Mrs. Bean.  
Strange how this newspaper gets around. Pierre Charbonnet of Briggs St., told me that one of his best friends, Serge Dewinters, of Jackson Heights, phoned him to congratulate him on becoming president of Woodbury Gardens Club. Where did he read it? Right here in this column. Talk about circulation, I suppose it's not so strange when I consider that there I had my own newspaper in Jackson Heights. It was just a hobby with 500 but we ran about 36 ads a week. We had a circulation of only

counter, a hand wash counter, a toy counter, and a candy and donut counter. Drop by on Nov. 19, anytime between noon and five, or 7 to 10 P.M. From previous experience we have found that early arrival ensures widest variety. Quite a few folks hereabouts have been putting off visiting the school and PTA meetings. We asked a question last week, "What book made the most impression on you?" Because of limited space I can print only one answer, the others to follow: Patty McDonald, of Ketcham Ave.: "Gene, that's a dilly! There are so many—but let's name a few—for the soul—I recommend the Bible; for literature I mention Zola's Germinal—a classic story of the miserable life before the industrial revolution, and for child care I have always consulted Speck's "Baby and Child Care". It is a book written for the layman, yet in training (Mrs. McDonald is a R.N.) we use it as a textbook on pediatrics. It deals with psychology, emergency care, why children cry at night and why they may steal—why anything. It is THE book for parents."

# Amvets Alley

Robt. O. U'mar Memorial Post,  
East Marie St., Hicksville

**"OUT OF THE FOXHOLE"** Welcome new members . . . Joseph, C. Gagnier, Donny Battaglia and Tony DeStefano. Soon to be an AMVET, plus another new Auxiliary member as well, are those two swell pals of mine from McAllister Ave . . . Bill Jones and his lovely wife Ann. Incidentally can't say for sure if Ann still continues . . . BUT she was a singer not very long ago. Talking about membership and the such . . . All Members Must Be Paid Up By Dec. 31. Get them 1964 Dues in now. We are again gunning for a new record. For those veterans of World War II and Korea who don't know what AMVETS are doing or have done . . . here are a few important projects that are conducted. AMVETS Xmas Orphanage Program, WORCHID Program (pronounced "war kids") . . . White Clover Day Program, AMVETS Memorial Scholarships etc.

Those of you both veterans or civilians who had the good fortune to visit the Arlington National Cemetery these past few years may have heard it. Each night when lengthening shadows gather at the National shrine, chimes play a melodious tribute to our fallen dead of World War II as well as the dead of all wars. It's the Memorial Carillon,

the only memorial to the heroes of the Second World War. A tribute that costs \$30,000 a year to maintain and is done solely by AMVETS.

If you're a Korean War veteran, AMVETS has done you a mighty good turn! AMVETS was the ONLY veterans organization to support ALL of the provisions of the Korean Veterans GI Bill of Rights. Strange as it may seem, other veterans organizations dragged their feet and even fought parts of the bill to extend the privileges of the GI Bill of Rights to Korean vets. AMVETS . . . said Congressman Olin Teague, "father" of the bill . . . had more to do with this GI Bill than any other organization in the country. You know veterans, when you hear such things, its time to sit down and say to your self . . . maybe AMVETS has some thing else for me.

When the Hicksville post started back in 1949 we stood alone in the county and Island as well, but through workers like the Mignones, Schumacher, Palcaluk the Strembel twins in that first year we have come far. Today we have posts in Rockville Centre, Elmsont, Plainview, Bay Shore, Central Islip and Levittown . . . the Levittown post being organized by Past Commander Hal Cooley of Post 44. Shortly we may be bragging of posts in Glen Cove, Bethpage and Farmingdale. Well fellows that's all for this week so until next time . . . I'll be seeing you down AMVETS Alley.  
JIMMY COOLEY

**600 Children Enjoy Party**  
 BETHPAGE—Nearly 600 children participated in the annual PTA Halloween Parade in Bethpage with nearly as many parents attending.  
 The parade, which started at Seaman Ave., was led by the school band and a fire truck. The parents were so excited in crowding around the school that it was difficult to clear a space for the parade to go through to the stage. After the children had marched across the stage they proceeded to their seats.  
 Prizes were awarded to Michelle Kee, Janice True, Frediana Foren, Ruth Altmann, and Gail Caretta for the most attractive costumes. The most original costumes were worn by Frank De Lauries, Ronnie Oster, Douglas Frank, Charles Olsen, and Barbara McGahey. Prizes for the funniest costumes went to: Joan Clark, John Maher, Charles Melone, Maureen Hoey, Margery Sinclair, and George Kranz. The grand prize was awarded to Vaughn Carter who portrayed Miss Liberty.  
 The window in the Sugar Bowl which won first prize was painted by Linore Rozzi, Albert Reafano, Florence Ratto and Dorothy Cavell.

**Roaring 20s Review Dec 4 and 5**  
 "The Roaring Twenties Review" sponsored by the Catholic Veterans of Bethpage for the benefit of St. Martin of Tours School Building Fund is beginning to take definite shape after five weeks of try-outs and practice. At this stage it promises to be equally as successful as last year's Minstrel.  
 The finishing touches are being applied at two rehearsals each week to impersonations of Jimmy Durante, Al Jolson, Morton Downey, Helen Morgan and Eva Tanguey, to mention but a few of yesterday's headliners scheduled "to appear". The Chorus line is perfecting a real "Twenties" version of the "Charleston".  
 Performances will be given in the Bethpage School Auditorium Sunday afternoon, Nov. 29 for the children—to acquaint them with the lighter side of this fabulous era—and on Dec. 4 and 5 for the adults to whom the Review should bring back pleasant memories.  
 Tickets have been mailed to St. Martin's parishioners for this affair. However, others who wish to spend an evening "back in the good old days" and help the cause for which the review is being staged, may obtain tickets by contacting the chairman of the Ticket Committee at Le 9-3554.

Mrs. Loys Gubernick is chairman of the book fair committee.  
 The regular P-T A meeting will be held Nov. 19 with two guest speakers: Mrs. Helen Donnalley, Librarian for School Dist. 28, and Miss Helen Frank, Librarian for Saddle Rock School.

## HICKSVILLE DOWNS: Many At Dance Despite Storm

By MARGE KERR  
 Hicksville 4-1122

Two hundred attended the Civic Assoc. dance, Saturday night, making the dance a success. Many people who could not attend bought tickets. Many who had planned to attend took their children and went to the homes of friends or relatives where they could at least keep warm for a lot of homes, due to the storm, were without heat and electricity. People said: "We never realize how important utilities are until we are without them."

### TREES UPROOTED

A few trees were uprooted during the storm in our neighborhood including one in our yard. Lombardy's and Langley's. Up in Ellison Gardens I noticed that a few window boxes had blown down. Sweeney's antenna blew off the roof and was down in their driveway. Their dog house also lost a few shingles.

The Vignati's lost shingles from their garage. Guess that covers the storm.

To get back to the dance, everyone seemed to have a good time. The band was terrific and Jim Priest's Trio who supplied the same received a lot of compliments. Frank Straine of 4 Allen

St. was awarded the best prize of a turkey and John Sticks of 97 CHEY Dr. was the best of cheer. "Lonesome Gal in Town," and "Can't Help Lovin' That Man of Mine," were sung by Elaine Smith and I might add that she was very good. Anthony Carriero proved to be talented as a saxophonist toward the end of the evening.

**BORRUSO'S HAVE GUEST**  
 Mr. and Mrs. Emil Borruso of Larch St. have as their guest Emil's sister and niece, Mrs. Ann Geraci and Frances Geraci.  
 Hope to have more to report next time.

## SPORT-O-GRAMS

### HOT STOVE LEAGUE!

By Nat Ferrara  
 Soon the fires will be really sizzling in the Hot Stove League. On all sides we hear rumors of coming trades in the Big League. The Yanks are said to be angling for a first line pitcher; the Dodgers are supposed to be looking for a left fielder and the Giants want to bolster their pitching staff. And, so it goes. In the past many of the big deals did not materialize. But, this year it looks as if some deals will be completed before or during the December meetings.

We've all heard rumors that this was going to be a tough Winter. Well, it certainly started off as if it means business. That means you can't afford to wait any longer to Winterize your car. Let us put Texaco PT (permanent type) Anti-Freeze in the radiator of your car now. It won't give you a bit of trouble for the rest of the Winter if you do. # The Sportlight

By HOWARD FINNEGAN

The quality has been better in other years of semi-pro football in these parts but in this season, in which the most ardent fan must admit the game has made its final stand and is delaying the last curtain, there have been more people cracked in the mouth than usual.

Following both the Jones Boys contest and the Glen Cove encounter there have been some quick shots exchanged between players as an offspring of if not good then nasty football.

This Sunday, Hicksville goes to Floral Park for another joust with the friendly Jones Boys and the loser can not avoid financial and organizational failure.

The victor will still have some chance of catching Westbury—and if it is Hicksville, the odds are better—with the gate that will go with a meeting between the pace setter and the runnerup.

If the game is not good, Sunday, the fans may be treated to a renewal of the fistcuffs which have marked every meeting between the two teams in the last four years.

That is hardly a nice thing to recommend attendance at a game, but the Black and White's offense has been so bad that action of some sort has to be indicated.

Provided Glen Cove doesn't break ranks (and the chances are very good that the north shore eleven will not complete the season) and some of its players join the Jones Boys we look for a Black and White win.

Let us say 8-7.

## Cookie Sale Ends Today

HICKSVILLE—Girl Scouts will be selling cookies at the Long Island National Bank and the Bank of Hicksville today, according to Mrs. Merrita Wilbur, town committee chairman. This will be the conclusion of the Annual Cookie Drive for the Hicksville Scouts. Profits from the sale of the cookies is used to finance the Girl Scout camp in Bayport and to continue the Scouting program here.

## RUGGIERO'S DECISION

# PBC Alumni Stays in Own Class

HICKSVILLE—Manager-Coch Steve Ruggiero of the PBC Alumni has resolved a pressing question of the last six months by reentering his three time championship club in the B Division of the Nassau County Amateur Basketball League.

Ruggiero's somewhat reluctant decision coincides with the adamant wishes of that group in the Hicksville sphere which protested any thought of a jump to the A Division.

Officials of the NCABL were strongly in favor of placing an A franchise in this community.

The mentor of the Blue and Gold is on record in favor of the move if the material warrants. He is convinced that if it weren't for

service calls Hicksville could run with bigger clubs, but after taking stock of the present boys he decided the PBC is better suited for the Alliance Division.

And material for the Alliance race has to be good. That sector compares with the old structure of the league. The caliber of Glen Cove, Port Washington, Westbury, West Hempstead etc. is on the level with the old Freeport and Mineola clubs.

The A division is now advanced requiring that teams and sponsors have the financial backing needed to attract the host of college players who have influxed to Nassau

in recent campaigns.

### SCHWARTING POSSIBLE

The alumni stable will not be manned by the racehorses who have thundered to three consecutive titles although be enough starters on tap for a contention position.

Pending a service discharge Ted Schwarting may be available and the brilliant center could dispell much of the ground lost now that both Harold Manaskie and Dick Alecek are gone.

Ruggiero looks for the return of Tom Hartmann, Dick Kerbs and Jim Quion with Pat Enos, Ruben Callajas and Morton Roasser coming on from the last high school five.

The scoring loss of Merrick's Bob Meyer will be felt but the court savy of John Economopolu, central figure in the first flag victory, who is coming out of retirement should help greatly.

## Princes Lead in CYO League

WESTBURY—The St. Ignatius Princes are leading by a narrow margin in the Eastern Section CYO Bowling League, here, with 25 won and 11 games lost. The week saw Tony Puccio of St. Ignatius Questions roll a 204 game and 646 series while Frank Gragos of the same team rolled a 210 game and 681 series.

Bob Nanagan of St. Patrick Shamrocks had a 229 game, 520 series.

Standing of the teams are:

Team	Won	Lost
St. Ignatius Princes	25	11
St. Ignatius Hustlers	23	13
St. Ignatius Comets	22 1/2	13 1/2
St. Ignatius Questions	22	14

## BUS ROUTE

The Board of Supervisors has set November 23rd as the public hearing date for a proposed new route between Northport and Bethpage. It is to serve mainly employees of Republic Aviation plants. Other bus hearings on that date will involve Hempstead—Wanagah, Hempstead—Levittown — Farmingdale and Amityville to Farmingdale.

## LAST ROSES

The Farmers' Almanac didn't predict that snow storm of last Friday, so gardeners had the unusual privilege of picking roses covered with snow. Seems strange, slopping around the rose garden in overshoes.
