May Get Parking Meters Before Long

Installation of parking meters in this village is anticipated during December. Councilman Frank Ochsensky told the HERALD yesterday. The social pests for the meters have been delivered to Hicksville and will soon be installed along the curb. The Korean war has delayed manufacture by subcontractors, of some essential parts for the meters themselves, the Councilman has been advised.

Dear Jean...

BERNY SAUD, who is married to the village as the Maudsley Press, has retired and plans to go to England next Spring to visit relatives abroad. The plant will continue operating here but may change its address to Herzog Pl. BOOS BROS., in the farming game here for over 30 years, have started a nursery on Hempstead Ave. (Dutch Lane), Hicksville. They expect their shipment of fine Christmas trees later this week. The BMA directors are holding weekly luncheons at the Alibi on Thursdays at 1 P.M. All business and professional men are invited to drop in for this luncheon hour. FRITZ BRAUN is now known as Ha! Bean Soup. EDDIE KESSLER will tell you why. Every new house in Hicksville, including all the Levitt-built houses, will get a letter from Postmaster MOLLITOR advising them to address their mail as "Hicksville" and omit "Levittown" or other designations. Radio-Station WHLI, Hempstead (H00-KC) broadcasts mornings if local schools are closed for the day. It's worth mothers' while to turn in WHLI on nasty mornings about 7:30 A.M. During the storm, Saturday afternoon, we got a call from New York City from a woman who lives in a new Levitt house here. She wanted to know local radio stations. Our efficient Assistant Editor, MARY HAUGHEY, gave the caller a brief picture of what was happening. ROY HEETS of Friendly Rd told us water pressure in his section was low for a couple of hours, Saturday evening, but did not fail as it did in the further north sections of the district. Anyone (artists, that is) who wants to exhibit work in the Public Library during the current one-man showings, should contact RUDY SUPPER, president of the Island Artists League, or ELEANOR BOTTO.

If you have friends or relatives in Poland, don't enclose United States currency in your mail to them, it was warned this week. Local people of Polish descent at this pre-holiday time of year are sometimes disposed to inclose dollar bills and such gifts can cause loved ones in Poland all kinds of trouble and anguish, according to a mid-island resident in touch with the situation. Besides getting those who receive the currency in trouble with the authorities, the currency exchange ratio is now very poor since Polish currency was recently revised. Gifts of clothing, food parcels and postal money orders are not included in this warning. BEA JEANSON announces the Hicksville Republican Club will hold its Christmas party at its meeting, Friday night, Dec. 8, with the exchange of small gifts among members. The nominating committee will report and annual elections will take place the same evening.

The contest, for design of an official seal for the Village of Hicksville, when it incorporates, it being extended until the end of December. The closing date was originally set for Nov. 30. Several entries have been received thus far. More than 350 homes have been planned for the KLEIN farm on the west side of Jerusalem Ave., south of the high school, and a development map has been filed.

Water officials are giving a lot of thought to the problem of emergency power and pumping equipment since some years ago a move to install diesel power was nixed by the village. We have a letter from IRWIN L. GOLDMAN in which he says PHILIP SUNDBERG'S missal on parking, etc. It will be published next week. Door of Post Office blew off in storm, Saturday night. Don't forget the Hicksville Civic Assoc. card party this Friday night. The one and only money raising event of the year and proceeds are for the scholarship fund. Congressman MACY promised Hicksville a new post office. Will ERNEST GREENWOOD, his possible successor Jan. 1, give the new building, if and when, to someone else? Why not write GREENWOOD to protect our claim?

Reports received from the town board that demands for extension of the Hicksville Garbage District south to the township line may soon come from the homeowners concerned. There has been growing dissatisfaction with the irregularity of the 3-a-week morning pickups, sometimes made before 7 a.m. The town board has closed the hearing on this proposal and is expected to mark time until the people concerned decide for themselves that municipal-contracted service is perhaps more desirable. The NL Home Owners after requesting two adjournments of the hearing, finally asked for dismissal of the proposition, claiming the area is satisfied with the present private collector arrangement.

RR CROSSING at Broadway and Herzog Place, Hicksville, is one of the reasons for the campaign being organized by the Civic and Community Assoc. Inc. to get State funds appropriated for grade crossing elimination here. Frequent movement of long morning and evening commuter trains plus traffic congested business streets, the direct result of the home building

boom in the mid-Island section, has made passage here for fire fighting equipment and other emergency vehicles almost impossible, according to James Condon, chairman of the Civics' committee. Fire fighters answering an alarm on the north side of the tracks, this week, were held for precious minutes at this crossing. (Story on page 11).

See Test of Vote Support Tuesday

(continued from page 1)
fused permission to speak at this meeting in his own behalf.

Last week the NLHOC flatly refused to withdraw its charges in the face of factual evidence gathered by the Fire Commissioners which sharply contradicts the data compiled by Miller and his friends.

Needlessly to report, the candidacy of Miller has been greeted enthusiastically by the Levittown newspapers which, incidentally, omitted the fact that three other men were already seeking office.

Miller is weighing his potential backing from the "Levittown" what's-a-boundary-line advocates against the this-is-still-Hicksville vote. And the latter vote is being split two if not three ways.

Munch, Leach and Quimby may be expected to round up, between them, most of the general Hicksville votes but in turn may find their individual shares of the total just small enough to permit Miller, if he gets the backing from his neighbors, to slide through.

Voters in the new Levitt homes are not unlike the new residents in other sections, it has been observed. They exercise considerable interest in voting at the first opportunity which comes to their attention, display great independence of thought, and then gradually fall into the same lethargy which keeps vote casting percentages of total population low across the nation.

If Miller can swing the trick, Tuesday, and make a considerable impression or win election, it can

safely be predicted that the NLHOC will enter the lists for township recognition — strictly on a sectional basis — and also go after the school and water boards.

However, a single sectional member on a five-man board such as the school or fire boards may find it difficult to make a mark when the rest of such board membership is concerned with the over-all community needs and requirements, it is felt. However, Tuesday night will tell the story.

Since normal voting qualifications and 30-day residence are the only requirements, more than 8,000 persons are thus eligible to cast their ballots at the firehouse next Tuesday between 7 and 10 p. m. Voting will be by paper ballot.

these local affairs won't be misled by a few agitators such as Mr. David Weltz and Mr. Thomas Duffly who seem to like local disturbances to satisfy some selfish motives of their own.

Everyone knows that a Water District such as ours must have a rate that will invite some large consumption or else the District must flush away thousands of gallons of water to keep the water to the requirements of the health authorities. These are many projects to come before your Board in the near future and therefore we ask you to keep a progressive, experienced board to administer your water district affairs economically for you and re-elect August Keute next Tuesday evening, Dec. 5, 1950 between 7 and 10 p. m.

Hicksville Park and Duffy Park: Looking Over Damage After Storm

Hello Folks:
I do hope you all survived the storm, Saturday. It was worth one's life to go out of doors; garbage cans and shingles were flying around like birds.

Sunday morning saw everyone out repairing television antennas, looking over the damage to our roofs, and scanning the neighborhood for garbage can covers.

I believe most of Hicksville Park was without electricity, therefore, those with oil burners had no heat. By now everything should be back to normal.

That Long Island Rail Road wreck certainly was terrible and I'm sure we are all thankful that we weren't in it. I don't believe anyone from our developments was involved. At least I hope not. Let's hope they do something about preventing this terrible thing from happening again.

I understand that two of the girls on McAlester Ave. passed their drivers' test last week. **WATCH OUT MEN.**

Mrs. Alberta Rabell of 40 McAlester Ave. celebrated her birthday last week. Mrs. Rabell was given a party at work and received many lovely presents.

Other birthdays last week were: Richard Bonhard of 37 McAlester Ave. and Mrs. George Chapman of

39 McAlester Ave. Many happy returns of the day to you all. Santa Claus didn't come to town last Saturday. He'll put in an ap-

pearance this Saturday morning. The Hicksville Civic Association Card Party is this Friday evening. Do hope I'll see you all there. Nothing else of interest has happened, so I'll say Bye for now. **DORIS WERNER**

Some Thoughts on Thanksgiving Day

When I was a little girl, I always thought Thanksgiving the nicest holiday of all. It was the one big day when everyone was home and lovely thought—we didn't have to go to church. I was reminded of that Saturday night, as we struggled to keep up with the water running through the roof, with pots, pails, mops, newspapers and tarpaulins, having only one flash light and one candle to keep us from falling through the ceiling.

I was reminded of it also on Thursday afternoon when I heard the radio announcer drone on and on, the casualty list from the newest train wreck. I also thought how angry God must be with us all. All the little girls and boys who clap hands that on this day they don't have to take time out to go to church, and all the big girls and boys who, without actually clapping hands (because of course, we wouldn't set a bad example for our own girls and boys) sit back, however, light another cigarette and are so pleased we too, don't have to go to church this day.

And when I did all this re-

membering I was so ashamed. Just one hour out for God, and I couldn't spare it. If we had been warned that we could be spared this horrible week by just one hour of prayer, how delighted we all would have been to spare one hour. I didn't mean this to be a religious column—this was meant to be a column of news events of major interest to the Gables—but there is hardly anything of more major interest that I can bring myself to write about right now.

Next week will be different (unless we have another calamity) and the human mind being what it is, capable of pushing unpleasant thoughts to the background, knowing that life still goes on, we'll be back with our regular items.

I have only one thing left to say in closing — HOW ABOUT THAT HOUR?

Friends and schoolmates of Miss Mary Ann Blyman of Harrison Ave., Hicksville wish her a speedy recovery from her recent illness.

Mrs. Pete Curcio of 18 Dorothy St., chairman of the Bethpage appeal; Mrs. Thomas Emd, Hicksville Rd., who heads the Hicksville drive; Mrs. Alonzo Gibbs, Jr., of Stewart Ave., Bethpage, chairman of the Plainville campaign; Mrs. Alfred Stauber, Manetto

The answers to everyday insurance problems
 By **JOSEPH E. DOCKOW**

QUESTION: When I read of the huge damages awarded to people injured in automobile accidents, I begin to wonder if the five and ten thousands or even the ten and twenty thousand dollar public liability policy is large enough to give complete protection. I hear of people carrying fifty and hundred thousand dollar liability policies and I would like to know if the cost of such insurance is too high for the average person to pay.

ANSWER: Not at all. As a matter of fact, a very small insurance in premium can change a ten and twenty thousand dollar liability policy to a twenty-five and fifty thousand dollar protection. You are quite right, too, about the need for greater protection as the size of damage awards has increased substantially in the past few years.

OYSTER BAY—Grumman Engineering Aircraft Corp. asked the Town Board for a change of zone from residential E to Industrial I of property on Bloomingdale Rd., intersected by Mulberry St. at a hearing before the Board Tuesday, Nov. 21.

Grumman made the request in order to "protect the approaches to the airfield." The property excludes the parcel recently given to the County for the relocation of South Oyster Bay Rd. The hearing was closed and the Board reserved decision.

Enclosed please find my check for my subscription.
It has given me much enjoyment for the past year and I eagerly await its delivery each week. One of the main features to me at present is the occasional bit of news concerning our recalled GI's. This week the article under American Legionnaire was very encouraging. Hope the different organizations have success in their efforts.
MRS. WARREN COCKEAN, 206 Lee Ave., Hicksville.

Settle It One Way or Other

My Dear Mr. Noeth: May I add my few words to the controversy over the "Hicksville or Levittown" address? Since Hicksville does not recognize Levittown, perhaps you could inform us as to why there is a "Levittown Branch of the Hicksville Post Office." It only seems to add to the confusion. It should be either all Levittown or all Hicksville, and settle it once and for all. We

...were under
in Levittown in the Township of Oyster Bay, and I do believe that that is what it is called on the deed to our property.

I also want to thank you for sending us the Herald these past few weeks, and I do want to continue receiving it, as we have enjoyed reading it very much.

MRS. MARY A. ZOCH, 11 Hope Lane, Hicksville.

Scoter Lane is in Hicksville

Dear Mr. Noeth: Enclosed find \$2.00 for your paper for the next 52 weeks. We have enjoyed it, and also thru your paper we here on Scooter Lane heard about the NLHOA talking for us. Nobody has approached us, and as far as we are concerned we are in Hicksville.

We bank here, shop here and eventually we hope to get our children into St. Ignatius School in Hicksville.

Thank you.
MRS. L. BRADY, Scooter Lane, Hicksville.

HI HO CARPORT
Some people have all the luck. Did you ever realize how easy it is to convert your Carport into an extra room—or a garage to put the old Model "A" in out of the weather?

Just look at this: We'll furnish and deliver all the necessary lumber, shingles, and overhead garage door for a little less than \$170.00, (size 13 x 19) and up, according to the type and size Carport you have. The entire cost of which may be financed over a period of thirty months with only 10 per cent down.

You don't need a lot of experience to get going on this deal, there's really nothing to it. Just call or write in to your "Home Man" for any needed advice or suggestions. There's no obligation. On the other hand, should you care to contract the whole thing out—material and labor—we can suggest several reliable carpenters—any one of which can handle the entire job from start to finish.

NEW YORK — The Silver Anniversary models produced by Pontiac Motor achieve a new high in distinctive styling, according to Mal Pierce of Mal Pierce Pontiac

who attended a meeting here for dealers and the Press at the Hotel Astor here.

Pontiac's general sales manager, T. W. Ward, announced that the new car would be officially shown to the public on Monday, Dec. 11, in dealers' showrooms from coast to coast.

"Our 1950 models were beautiful enough to bring about the highest public demand I have ever seen," Mal Pierce declared, "but the 1951 Pontiac is even finer in every way. New colors, new styling and many mechanical improvements will be offered.

"A cordial invitation is extended to all in the community to attend our showing on Dec. 11."

NEWS AND INFORMATION ON
William M. Cooley, 3211 Post 3211
Hicksville, N.Y.
Monday, Nov. 29 and 6th Monday of each month.

Believe it or not, but the old man weather caused the postponement of our Fall Dance. I don't believe that anyone ventured out on that night to go to the dance because driving conditions were actually dangerous, and besides, we had no lights or heat to carry on with. Those of us that were fortunate enough to have homes left to stay in, stayed there and enjoyed the comforts of the old kerosene stove and candle light. The conditions brought back the old primitive days. Now we know how our grandparents existed and liked it. We are put out for a few hours, and what complaints we hear from those round about us.

I understand that the dance will be held this coming Saturday evening, Dec. 2. If you desire further information, why not call up our Social Chairman, John J. Mulligan, at Hicksville 3-2081W, and he will be more than happy to give you further data.

Perhaps most of you took short rides last Sunday afternoon to view some of the damage of the storm. I never saw so many roofs torn apart, TV antennas knocked over, signs and trees down, and broken branches laying around. Several homes not only lost their TV antenna, but the chimneys to which they were attached. The storm really caught us all by surprise.

Much credit goes to the Lighting Co. men, Telephone Co. men, cops, firemen and CD men who worked hours overtime in order that normal service might be restored as soon as possible. You all did a swell job in spite of many, many handicaps.

The next regular meeting of the Post is Monday evening, Dec. 11, so why not set aside that evening now, and be present! Don't always wait for a card to notify you of the meetings. The mailmen have enough to do without worrying about our meeting notices reaching respective members on time. Our meetings are always the same, so why not bear that in mind and drop in to see us.

It has been suggested that we place some sort of an illuminated sign either on our roof or on the back of the building facing Broadway, showing just where we are located. This is especially needed on the nights of our meetings. It seems that Grand Ave. isn't an easy street to find. Just remember, fellas, Grand Ave. is just off Broadway and So. Park Ave., and if you will bear that in mind, you'll have no trouble finding us. I do concur with the above suggestion 100 per cent and honestly believe that our members should make this sign a reality, but quick.

To those of you who haven't been around lately, we've been wondering why you haven't shown up to see your overseas buddies at 3211? Lots of new members are joining, and we'd like to have you with us too.

Here's hoping that we'll get a break in the weather next Saturday and will be able to hold our dance. **THE OLD SARGE.**

Amvets Alley
By JIMMY C. COOLEY

NEW MEMBERS: Howard (Pat) Patton, and I bear for the "grapevine" we will be welcoming Colonel Martin Foery, Commanding Officer of the "Fighting 69th" very shortly.

Bob Lynch of Charles St., Hicksville, Post Service Officer will ask every member of AMVETS to sign an "Appointment of Service Organization as Claimant's Representative" so AMVETS can get an Attorney to present claims before VA which members may be entitled to.

DRUM & BUGLE CORPS: Arthur Maxey will put in that long-awaited call for the fellows that will toss in their time for a couple. As soon as a date has been set, you will all receive a card of the "What-When-Where."

APOLOGIES TO PRESIDENT EMMA MAXEY: At the recent past-commanders' dinner held at the Paraglide, MC Cooley failed to introduce the Ladies' Auxiliary President. I am very sorry, and I'm sure, after the job I did, some one else will no doubt get that position next year. Incidentally, our first speaker was a celebrity, and plans are being worked on for the next dinner, and we hope to have both Tex and Jinx McCrary, and an added attraction by PRO, none other than the "Cat Girl."

NOW HEAR THIS: Let's all get behind Chairman Thomas Payne, head of the AMVETS 1951 WELFARE BALL committee and help make this first annual affair a huge success. Money will help veterans at Mitchell Field Base, Northport and St. Albans hospitals. The Ball will be held Mar. 30, at the Paraglide Club, Hempstead. AMVET Mike Rogers, owner and manager, says we have exclusive rights to the whole hall and will feature 5 acts, a five-man orchestra with female vocalist. Read this column for future news of the "BALL OF THE YEAR."

SEEN ABOUT TOWN: AMVET Ofterdinger, home on a leave from Mt. McGregor Veterans Camp.

RECALLED MEMBERS: Sgt. Harvey Ulmer and Black, N. Hdqrs. Salutes you both. It's on the house and it's the least they can do. Your 1950-51 membership cards are on their way.

I FEEL LIKE GODFREY: Received a nice autographed card "The Lana Turner Blues" from PRO Charlie Gunther and Billy Hayes. I see where AMVET Gunther also wrote, "Take a Look at the Moon," "Let's Dance Tonight!" and "I Found a Letter Under My Door."
