Oppose Levitt Zoning Change for Jericho

OYSTER BAY—Vigorous opposition was voiced here yesterday (Tuesday) morning to the plea of Levitt & Sons for a change of zoning on about seven acres of Jericho property from residential to business.

Arthur Kaye, attorney for Vincent Fox, who owns nearby business-zoned property on Broadway, objected to the change because, he said, it would adversely affect Fox's property values. He owns business property which could be developed with stores when the number of homes in the area warrants it.

Kaye said there was no objection to the zone change Levitt seeks near Robbins Lane, where a railroad station for "Landis" is proposed. He added there would be no objection if the shopping centers were planned for the heart of the proposed community rather than fronting upon Hicksville-Jericho Road.

The Hicksville Business Men's Assoc. objected to the Levitt re-

Architect Hired:

Start Making Plans For 4 More Schools

HICKSVILLE—Preliminary plans are being drawn for four new elementary schools in the district, it was learned yesterday. The School Board has engaged Knappe and Johnson, architects, to prepare plans for four 12-room grade schools for kindergarten thru sixth grade each.

The schools are proposed for the Burns Ave. site (Albrecht parcel) Fork Lane (South Hicksville), Dutch Lane (Hempstead Ave.), and Old Country Rd. The property for the last three ~~schools~~ was purchased from Levitt and Sons.

Four New Teachers

A spokesman for the Board of Education also disclosed that M. L. Chittenden has been engaged as a full-time attendance officer and census taker for the school district. The growth of the district and its student population has made the full-time assignment necessary.

Four new teachers have been engaged by the Board. They include Fred Youngs, third grade at Nicholas; Miss Francis Openack, first grade at Nicholas; Mrs. Madeline Thomas, high school commercial subjects, and Miss Mildred Tate, kindergarten. Kindergarten is now on triple sessions and Miss Tate holds classes in both East St. and Nicholas St.

Merchants Want Sidewalk for Xmas

OYSTER BAY—"All we want for Christmas, Harry, is the sidewalks," Leonard Kershaw, one of a group of Herzog-Place Hicksville, merchants who appeared before the Oyster Bay Town Board, yesterday (Tuesday) morning said to Supervisor Harry Tappan.

Joseph Boslet, as spokesman for the merchants, asked the Board for some action on the delay in widening of Herzog Place. Supervisor Tappan appointed Town Attorney T. V. Summers and Superintendent of Highways John R. Brandt, to meet with the merchants to discuss a speed-up of work thru legal action, if necessary, by the Town Attorney.

CHANNEL 5 AT 7:45 PM; See Local Insurance Office Tonight On TV Processing Storm Damage Claims

NEW YORK—Scenes in the office of Seaman and Eisemann, Inc., real estate and insurance firm, at 90 Broadway, Hicksville, will be shown tonight (Wednesday) on Television Channel No. 5 (Dumont) between 7:45 and 8 p. m. The program will feature the processing of hundreds of claims for insured losses as a result of the Big Storm of Thanksgiving weekend.

Seaman and Eisemann's office looked like a movie studio, Monday, while films were taken to show the personnel in action handling an estimated 1,500 local claims for damages resulting from the storm. The scenes will appear on the TV program "Manhattan Spotlight" and will include Henry G. Eisemann and J. J. Ulmer, Bank of Hicksville president. Ulmer was in the insurance office as a claimant at the time the films were taken.

The scenes were supervised by Wendell Sether, director of public information for the National Board of Fire Underwriters which has a membership of 200 fire companies. Sether told the Herald the

claims as a result of the storm are the largest number made as the result of a single storm, 10 times more than any previous storm.

Most of the staff at Seaman and Eisemann is shown in action interviewing clients, receiving calls, and processing claims.

The films were shot by Dynamic Films Inc.

Court Orders School Use for Water Vote

PLAINVIEW — The water commissioner election was held in the Manetto Hills School, here, last night — but it took a court order to get permission to use the building.

When the Plainview Water Board found yesterday (Tuesday) morning that the building was being denied for the balloting upon a three-year commissioner, the Board went to Supreme Court and obtained a court order which said, in part, "The school belongs to the community and not to the trustees." Legal notices in advance of the election had stated the place of the election as the school.

Notice for Parents Of AM Kindergarten

HICKSVILLE — The December morning kindergarten class of St. Ignatius School will attend all-day sessions for the week of Dec. 11 to 15, due to rehearsal for the Christmas program, school authorities announce. Parents are advised to send distant children to school with their lunch. Adult supervision will be provided during lunch hour by the Mother's Auxiliary.

First notice of the order of postal authorities, requesting Hicksville to omit reference to Levitt- (Continued on page 18)

BROADWAY was closed to traffic, Saturday morning, during the official arrival of Santa Claus in Hicksville. Police estimate more than 3,000 were on hand, lining both sides of the street, to greet Santa from the RR tracks south to Marie and Nicholas Streets. He sat on a special chair at the bank entrance and handed out boxes of candies. Sign over bank doorway reads "Welcome Santa." (Photo by Mallett. Other pictures on pages 3 and 11).

Marie P. Schuitz
BETHPAGE — Mrs. Marie P. Schuitz of 21 Cedar Ave. died suddenly on Nov. 30. Born in Norway, she lived here for about 20 years. Funeral services were held Saturday afternoon at St. Stephen's Lutheran Church, Hicksville, with the Rev. Howard Rogers officiating. Interment was at Bethpage Cemetery.

She is survived by three sons, Elmer, Thomas and Edward. Funeral arrangements were by Mowen Funeral Home, Hicksville.

Eli Friedman
HICKSVILLE — Eli Friedman of 18 Waters Ave. died on Dec. 4. Funeral services were held yesterday (Tuesday) afternoon at the Congregation Shaarei Zedek, East Borelay St. The Rabbi Irving Grossman officiated.

He is survived by his wife, Lena; two daughters, Mrs. Rose Thurer and Mrs. Esther Kogan; and one son, Harry, all of Hicksville.

He was the owner of Hicksville Bottling Co. on Lenox Ave.

In Memoriam
 In loving memory of John Martarello who died on Dec. 2, 1948. Wife and children.

Dear Jean

Save your old newspapers, cardboard boxes, gift wrappings, etc., for the monthly waste paper drives. In Hicksville and Plainview, collections will take place the first Sunday of the month (the next is Jan. 7), starting at 8 o'clock in the morning. . . . Several bundles were picked up, thru an error, in Jericho by a Hicksville worker last Sunday. Jericho VFW Post was having a drive the same day. An adjustment is being worked out to cover this error, according to Hicksville Salvage Chairman MICHAEL SULLIVAN. . . . Hicksville stores are staying open evenings until 9 p. m. for your shopping convenience, starting Friday. . . . WILLIAM STRENCHAK of 112 Winter Lane, Hicksville, was among the 285 graduates at RCA Institutes, Inc., oldest radio technical training school in America, at commencement exercises held this week. . . . Don't forget the Hicksville PBC card party this Friday night at the Legion Hall. It is being presented by the Legion Auxiliary. . . . They had a wonderful array of prizes at the Civic card party last Friday night. . . . We hear a new civic group is being organized in the Gables section. LAWRENCE MACCAFFREY gave an ash tray for the Civic card party and then almost won it back as a non-player the same evening. . . . The police are checking on bicycle equipment and have impounded 25 bikes because they lacked such essential equipment as lights, a horn, reflector and brakes. Riding "no hands" can get a ticket for "reckless driving". . . . Island Trees P-TA will hold a dance this Saturday night at Farmedge Rd. School. It was originally scheduled for Nov. 25, but cancelled by the Big Blow.

Construction has started on the old HORAN Farm, recently sold by FRED BARTELS, for the Newbridge Shopping Centre. It will be erected about opposite the West Village Green, in Hicksville, north of the township line. The plot, at Levittown Parkway, is described as "Levittown" by the developer, who says Boback has taken 1800 square feet. A cocktail lounge is included, as well as dry cleaner, merchandise mart, delicatessen, and "negotiations are under way with a well-known 5 and 10 chain." The plot size is 300x300. . . . An oil burner fire called out firemen, Sunday night, to 15 Cottage Blvd. There was no damage. . . . Hicksville Gables residents objected yesterday with a petition of 53 names to a proposal to change zoning on New South Rd. between Plainview and Old Country Eds., from residential to business. In April, 1949, a similar request was made, protested and denied (or withdrawn). Attorney for BENVIL HOMES claimed that due to increased home development in the area, additional shopping facilities are needed. . . . objectors fear another gas station or another bar. . . . Petitions will be in most local stores within a few days requesting the State to take action on Hicksville grade crossing elimination. . . . Incorporation Committee will have its petitions out very shortly now that the problem of getting an official boundary description of Hicksville is about licked.

Salvage Drive Moderate Success, Warn Advance Private Collectors

HICKSVILLE — The first monthly waste paper salvage drive was today termed a "moderate success" by Salvage Chairman Michael J. Sullivan with an estimated four tons of paper collected by a crew of 15 men on 10 trucks, Sunday. At the same time the Civil Defense committee issued a warning to persons who have attempted to collect paper for private gain in advance of the CD pickup.

Sutter Gives Warning
"We have the name of at least one person who went around before our trucks could cover the neighborhoods, Sunday, and picked up loads left for the CD collection." Director Frank Sutter said last night. "Next month our

trucks will carry official signs and individuals who try to chisel in on this community project will be prosecuted under the law."

Sullivan expressed his appreciation to all who donated the use of their trucks and the men who served, Sunday. The L. I. Lighting Co. has kindly allowed the use of its property on Old Country Rd. for a depot.

Regular collections will be made the first Sunday of each month with proceeds from the sale of the paper going to support and finance the local CD program. At the present time the CD is trying to raise enough money to install a two-way radio system in its control center to allow contact with various parts of the Hicksville-Plainview area as well as with other communities to be used in time of emergency, either wartime or natural.

Local funds are also needed to obtain first aid supplies and other equipment, Sutter said.

Start Placing Posts for Meters

HICKSVILLE — Installation of parking meter posts on the business streets of this community is scheduled to start today, according to Councilman Frank Chlumsky. The location of the posts to hold the curbside meters was determined during the past week by James Rudolph, engineer in the New England area for International Meters Inc. Nearly 200 twin meters will be installed, providing for almost 400 car spaces. The meters themselves are expected here the week of Dec. 15.

Curtis Birds Win Rochester Honors

ROCHESTER — Dr. Elwood A. Curtis of Hicksville won four first prizes and other awards for his prize chickens during the Rochester Poultry Show, here, last week. Competition was keen at the annual chicken classic with all sections of the nation represented. Dr. Curtis entered 20 birds in the show and they won: 1st pullet which also won champion Wyandotte of the show; 1st, hen; 1st, old trio; 1st and 3rd, cockerel; 1st, young trio; and 3rd, cock. His entries also won the best display of Wyandottes in the show.

Dr. and Mrs. Curtis attended the show. The Rochester Times-Union published a picture of Dr. Curtis with a White Wyandotte rooster. About 900 birds in 50 to 75 varieties, representing more than 35 states, took part in the competition.

business zoning which is "old planning."

Supervisor Tappen granted a week to both sides to submit additional data on a proposed zone change and the hearing was closed.

quest on the grounds that the site in question is almost adjacent to Hicksville business-zoned property and that the town zoning provides for the orderly development of business sections. A new business centre in Jericho would adversely affect valuations of presently zoned property, the BMA added.

Attorney Havens, representing Levitt & Sons, said four buildings are planned to serve the 1,700 homes to be built in Jericho and known as Landia. They will probably house a supermarket, luncheonette, barber shop, shoe store, drug store, etc., or about eight businesses all together.

The second parcel, with a 470 foot frontage on the railroad, is to be the site of a depot and a parking area and park, Havens explained. He said that to the east will be a light industrial area to be used by Levitt & Sons.

"Wish you would divulge that when you came to us," Councilman Frank Chlumsky said. "You spoke of a depot, and now you mention light industrial area."

Francis Carmody of the Jericho Trades Assn. said his Association did not have sufficient information on the Levitt application. He attended the meeting to get details on the plan and said it would be a mistake to "down zone" a piece of property on the chance that it might be developed with homes.

Havens said that the usual procedure with Levitt building is to establish the community and then the stores, but due to possible government restrictions on business buildings, the stores will be built first.

He pointed out that "spot zoning" was a newer way of planning rather than the long strip of

**HICKSVILLE GIRL SCOUT NEWS:
Volunteer Leaders Make New Units
Possible to Serve Growing Area**

The Girl Scouts, like most local organizations, have felt the need for expansion and more expansion as the population continues to increase. At a very successful meeting held Nov. 20, Mrs. Frank H. Smith, the Organization chairman for this area, recruited a number of enthusiastic volunteers to serve as Leaders and Assistant Leaders.

It will be possible to start new Brownie Troops at Michael St. School and to reconstitute East St.'s Troop 6 and Troop 13. Four women have volunteered to assist with reorganization at Michael St. School.

Mrs. Hood, Organization chairman for the Mid-Island Council, gave a short talk on Council Organization. Mrs. Woodson, Council Training Chairman, outlined plans for a training course to be given in Hicksville, commencing

January 17. This group will meet each Wednesday for a consecutive weeks. All people interested in Scouting are invited to attend. Further notices will appear, but for additional information contact Mrs. Frank Smith, 14 Winter Lane, Hicksville.

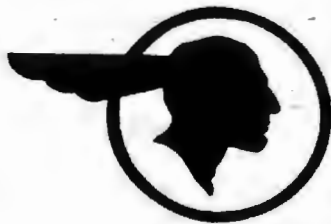

The two night party, which all troops were invited to, was a huge success. It spite of the weather more than 100 Scouts turned out Saturday, December 2, at St. Ignace's restaurant to the party sponsored by the Town Council. From a building serving as a clubhouse, the program started with Barbara Bates of Troop 13 as the "Most Beautiful." "Most original" was Betty Way of Troop 20. "Funniest" was Ellen Muench, also of Troop 20. She consumed large quantities of cake and ice cream. Thanks again to the Town Council for a wonderful time.

Sure I have a little fire insurance

Don't fool yourself about fire insurance

If you're going to carry fire insurance, carry ENOUGH.

Many people merely carry "some" fire insurance, to ease their minds a little.

You should face the facts. What if a fire burned your home or business TO THE GROUND tonight? What would it cost you to replace your loss at today's prices?

Your insurance should be big enough to cover a major portion of replacement cost now. THAT is the way to decide how much fire insurance to carry. See us today.

130 Students Enjoy Teen-Ager Dance

The dance sponsored by the J. and Sr. High School P-TA on Dec. 2, was attended by 130 students at Hicksville High School.

An added attraction to the evening was an amateur contest. A sextette composed of Charles Deserre, Bob Burke, Mike Goodrich, Norman Barshal, Dick Rowell and Charles Krumenacher sang a negro spiritual which was beautifully done. Another feature was a solo by Charles Deserre which was very well received by the audience. Most popular of the contestants was a trio who are known as the "Things" who also render a selection called "Things" much to the amusement and pleasure of the teen-agers. The members of the winning trio are Jimmie Kelly,

Donald Hagan and Ernie Evaschuk.

Winners of the door prizes which were contributed by local storekeepers were, Dorothy Bondreau, Hugh Meier, Barbara Segall, Edna Mayorga, Jane Redding, Mildred Harrigan, R. Evaschuk and Paul Van Nostrand.

The committee for the evening consisted of Mr. and Mrs. William Orton, Mrs. Elsie Lenzner, Mrs. Ruth Daly and Elery H. Bean, chairman.

The next dance will be held Jan. 6. The amateur contest will be held again so practice up boys and girls enter the competition; have yourself a lot of fun and maybe win a prize.

DONALD DAME

Young American lyric tenor, Donald Dame will give a concert at Hicksville High School next Monday night, Dec. 11, under the auspices of Hicksville Community Concerts Association. Mr. Dame, tenor of the Metropolitan Opera Association, is featured every Sunday evening over NBC's "American Album of Familiar Music" and has more than a thousand broadcasts on four major networks to his credit. The concert, for members of the Association, is scheduled to start at 8:15 p. m. according to Miss Harnet Spink president.

Miss Mary Puccio Wed In Oyster Bay

Announcement has been made of the marriage of Miss Mary Puccio, daughter of Mr. and Mrs. Gaspare Puccio of Nassau St., Syosset, to Andrew Yanuchi, of Beatrice Ave., Syosset, on Nov. 18 at St. Dominic's Church, Oyster Bay. The groom is the son of the late Mr. and Mrs. Alphonse Yanuchi.

The bride wore an afternoon dress in beige with brown accessories and an orchid corsage. Mr. and Mrs. Joseph Yanuchi were the attendants.

The bride attended Hicksville High School and is now employed with her brothers at Puccio's Garage. Her husband attended Oyster Bay High School and is now a plumber with Samuel A. Smith.

CELEBRATES BIRTHDAY

Sandy Koch, daughter of Mr. and Mrs. A. Koch of 3 Essex Pl., Hicksville, celebrated her 8th birthday with a party on Saturday, Dec. 2. The decorations were in pink and the birthday cake was on a musical plate. Games were played and pictures taken.

The guests were: Howard Koch, Carol Krumenacker, Beulah Rogers, Elaine Boos, Diane Wharton, Sharon Ruhlman, Diane Braches, Marie Fitzgerald, Edwina Kennedick and Virginia Parker.

Planview Squares Dance on Friday

A square dance sponsored by the Manetto Hill P-TA will be held this Friday night, Dec. 8 at the Planview Firehouse from 8:30 to 11:30 p. m. Paul Hunt and his Rock Candy Mountaineers will provide the square dance music. A door prize will be awarded and refreshments will be available. Mrs. Helen Moore is the chairman.

Plans for the dance will be discussed at a meeting of the Manetto Hill P-TA tomorrow (Thursday) night at the Manetto Hill School at 8 p. m. A Christmas party for members will also take place tomorrow night. Members are requested to bring a 25-cent gift for a grab bag.

BAZAAR A SUCCESS

It would take a great deal of time to personally thank the many people who made the success of the second annual P-TA bazaar at East Street School possible, so through the courtesy of the Herald I would like to extend my heartfelt thanks to a wonderfully cooperative committee of the booths and its co-workers, our principal and the faculty of our school, the mothers and friends who donated to our counters, the merchants of Hicksville for their gifts, St. Stephen's Lutheran Church for the use of their tables, and daddies who helped the eve before our affair, all who came to our bazaar and bought wares and last but not least our children whose enthusiasm made one feel that all the effort it takes to make a success of a venture such as this was not in vain.

Mrs. Katie Bean, Ways and Means chairman.

Mrs. Dorothy Rusch was high scorer in pinocle at a card party sponsored by the William M. Gouse Jr. VFW Auxiliary held Friday night at the VFW clubhouse. Laura Doering was high scorer in bunco. Mrs. Mulligan won the door prize and Mrs. Bertha Waldeck was the first non-player.

Mrs. Josephine Baggott, chairman, wishes to thank Mrs. Emma Maxey of the Amvets and all those who attended the affair.

Mr. and Mrs. Dale L. Bronson of 92 W. John St., Hicksville, had as their Thanksgiving dinner guests on Sunday, Nov. 26, Mrs. Hazel J. Bronson of Garden City, Miss Marion Bennett of Westbury, Mr. and Mrs. Bertil Erickson of their mother, Mrs. Anderson of Plandome and Miss Elizabeth Adickins of Hicksville.

**Hicksville Park and Duffy Park:
'Missing Mailman' Becomes Father**

Hallo Folks:
Everytime the telephone rings I hope against hope that it is one of my "public" calling to give me news — even a little bit of news. I'd love to hear from you folks, so please call Hicksville 3-2437W; even, if it's just for a chat.

Did you people know that our regular mailman, who has been among the missing during the last several weeks, is now a Proud Father. Wonder if he'll pass out cigars on his mail route?

The Hicksville Civic Association had their big annual card party last Friday evening. Quite a few people from Hicksville Park attended and I know all had a good time. Of course we all had our eyes on some of the better prizes, however, most of us ended up in the bottom brackets. Instead of the "basket of cheer," I won a bushel basket of potatoes — quite a let down.

I guess everyone has had, or is having, their roofs fixed this week. I'm sure the insurance company hopes we don't have another good blow for a long time.

Miss Barbara Dieterich of 45 McAlester Ave. celebrated her first birthday on Dec. 2. Happy Birthday to you Barbara and may

you have many more.

Herald Reader Opinions Letters to the Editor

Commuter vs. Shopper Parking

Dear Fred:

I wish to answer Mr. Philip Sundberg's letter published in your issue of Nov. 22. His regrettable attitude is evidently based on a misunderstanding and a lack of knowledge of certain facts.

Mr. Sundberg seemingly does not know that the two present municipal parking fields were conceived, promoted and built as part of a civic effort to improve what had become an intolerable parking problem in Hicksville's business center. Although the two blocks to the railroad station from these fields is not a great distance, no one connected with their establishment ever considered that the fields would be used by commuters. Under present conditions, 150 commuters' cars take up space all day which could probably accommodate over 1000 shoppers' cars. These shoppers pay the same taxes that commuters do, and probably more, because many of them live in older, larger houses that are assessed at far more than the new homes built in Hicksville.

Mr. Sundberg's reference to new shopping centers built with private parking fields is irrelevant, because the basic geographical pattern of Hicksville's business center was determined before the automobile was invented, and it is much beyond the ability or responsibility of business men to effectuate the civic improvements and modernizations of which these parking fields are a beginning.

Mr. Sundberg also refers to the proposal to improve the parking field by the railroad. Mr. Sundberg does not know that negotiations for sale of this property to the Park and Parking District were practically completed, some years ago, when the scandal broke about LIRR real estate deals in Hempstead and Long Beach, and the railroad officials abruptly withdrew from the negotiations for the nominal sum agreed upon. The officials concerned can give further details about the matter.

The only solution to the commuters' problem lies in public transportation from their homes to the railroad station. More attention should be given to the establishment of more extensive public transportation for commuters than to the expansion of commuter parking facilities. It may be necessary for the commuter to arise fifteen minutes earlier, and to walk a few blocks to a bus stop, but in the long run the commuter himself, as well as the community, will profit considerably.

The problem of new residents like Mr. Sundberg is, I admit, a difficult one, and many of them feel that the "old-time" residents, who control the established institutions and facilities, resent their influx with its resultant upsetting of a comparatively quiet community life. But the newcomers themselves, the vast majority of whom are commuters, fail to realize that they are unfairly blaming the "old-timers" for making difficult the realization of their dreams of smart suburban living on a shoestring. It is most encouraging that they are taking such an interest in community affairs, but they should realize how their interests are in conflict with those who were born, educated, and made a living in Hicksville and adjacent areas. This conflict can undoubtedly be successfully resolved, but not until all concerned realize that it exists and outline its basic characteristics.

Most of the postwar residents' consciousness of their roles as taxpayers stems, evidently, from their sudden release from the anonymity of living in a big city. If the conflict I've referred to above is recognized, it will be solved just as soon as these residents get used to community living and cease to be known as newcomers.

Yours very truly,

IRWIN L. GOLDMAN, 107 Bway, Hicksville.

Takes Two to Make A Peace

Dear Sirs—It is evident that there is considerable disagreement between the resident of Levitt-Bair homes in the Town of Oyster Bay and the other residents of School District 17.

I will not try to place the blame on either faction, because I feel that both sides are equally responsible. My basis for this is the old adage, "It takes two to make an argument."

There are many problems which the residents of both sections have in common. These problems include expansion of the school system, solving parking and traffic problems, including elimination of grade crossings and many others. It is of utmost importance to the future well being of both

sections that they come to an agreement and work together.

This agreement may be brought about by a meeting of the civic officials of both sections. If each side will give in and compromise the solution to the problems common to both will be easy to attain. Remember that the rest of that old adage is, "It takes two to make a peace."

FRANK A. FAY, Jr., 645 Myrtle Ave., Albany.

Keep New Residents Posted

Dear Sirs: Thank you for the gift of copies of your paper and please now accept my check for one year's subscription.

As new residents we are of course most interested in civic subjects, and we find the Mid-Island Herald a great help in keeping us posted.

GERTRUDE McLAUGHLIN, 72 Myers Ave., Hicksville.

Correspondence for Home Owners

To the Editor: Enclosed is a copy of a letter which I have sent to the Northlittown Homeowners Association. I don't know what action has been taken in the matter since I received your last edition this a. m. (Nov. 1st). I am glad to receive this paper each week and I certainly intend to renew my subscription when the time comes.

CORPORAL HARVEY M. WEISS, Fort Myer, Virginia.

Northlittown Home Owners Assoc. Hicksville, New York.

Dear Sirs: I was shocked this morning as I read my copy of the Mid-Island Herald, dated Nov. 1, 1959. I thought that this was a nation of intelligent people. I certainly do not think such a group of people that hold "trial" for a man without permitting him to openly defend himself. Five close friends of mine: VOLUNTARILY left this post and gave their lives in a world wide struggle, while trying to preserve this method of fair trial and defense for the accused.

The man that is involved is my father and I am proud to have him as a father. He taught me right from wrong, and it certainly isn't right to make the demands that you have, without hearing his side of the story.

I admit that I wasn't there to see the incident, and all that I know is what I have read. But, I am sure that there aren't more than one or two of you that is acting on anything more than hearsay.

Stanford Weiss has volunteered his services for more than twenty years to the people of Hicksville as a volunteer fireman. During this time he has never been put on the inactive list for any reason. In 1938 he was the captain of company five and since then he has held offices in various fire department organizations, and has served on committees for various functions. If you will look at the records, which I am sure are open for inspection, you will find that Chief Weiss has an unblemished record.

I notice that the New York Telephone Co. has announced that no report of this fire was ever made to the Hicksville Fire Department.

In other words, you are accusing a man for something that he had no knowledge of until several hours after it happened. In my opinion the whole blame lays with the party reporting the fire. If a person moves into a new section and doesn't learn the method of reporting a fire, I think that he is to blame for anything that happens.

Furthermore, I am going to ask Chief Weiss to attempt to have his name put on the ballot for re-election. With part of his platform being to teach the children the proper way to report a fire, I am sure that many of them will do a better job than many adults are doing now.

Respectfully yours,
HARVEY M. WEISS.

Dear Editor: I read your paper frequently, and recently found the column, "Amvet Alley" very interesting. Hoping we see more of this too,
MRS. ALLEN, Hicksville, N. Y.

Appreciation For Special Edition

Dear Mr. Noeth: I would like to emphasize the appreciation I feel most of us would like to express concerning your paper's efforts in getting out an extra edition as rapidly as possible in this recent time of emergency.

IN OUR OPINION:

Too Many Gas Stations

By FRED J. NOETH

SOME PEOPLE believe that a line must be drawn soon to halt the further construction of gasoline service stations in Hicksville. Recently the Civic and Community Association felt that something must be done and therefore wrote to Floyd Griffin, chairman of the Zoning Appeals Board of the Township, looking for information and relief.

The Civics' letter cited the fact that "many of our most desirable real estate locations and business sites are being depreciated by the repeated establishment of such stations; many of our best corners are being ruined for local business sites by the many stations now permitted and operating." And further, it is noted, that a great deal of curb parking space is being lost by the wide entrance driveways established for service stations.

Mr. Griffin replied that "almost nothing" can be done to call a halt. If property is zoned for business use, and a gasoline service station is planned, an application must be made to the Board of Appeals for a special permitted use of the property. Some years ago the Board tried to take a firm stand on this question in Massapequa. The case was taken to court and the Township lost. Since then nearly all requests are granted.

It was pointed out to Mr. Griffin that Garden City has managed to keep service stations down to a single establishment by local regulation. His answer was that Garden City is an incorporated village.

And this week there was a news report about Westbury ruling on gasoline stations which appears of particular interest. The Appellate Division in Brooklyn reversed a Supreme Court Justice who had ordered the village of Westbury to permit a gas station on Jericho Turnpike. The 100x125 foot plot at the southwest corner of the Turnpike and Guinea Woods Road is in a Business A Zone, where gas stations are prohibited by village zoning ordinances. The Appellate Division thus upheld the village, which had denied the permit request.

Since Hicksville is not incorporated as a village and must depend upon the Township of Oyster Bay, would it not be possible to create such a Business A zone to allow sufficient business area, but still shut the door to more gas stations?

At last count there were more than 35 gasoline service stations in operation or under construction within the area of Hicksville School District.

Certainly someone with the future of this community in mind can see the need for some type of regulation to call a halt before we become "Gasoline Alley."

Amvets Alley

By JIMMY C. COOLEY

BUSINESS SIDE OF AMVETS: Marne General (Ret.) Alexander Vandergift now holds the title of "AMVETS Civil Defense Chief."

STATE COMMANDER REILLY (AMVETS) and COUNTY LEGION COMMANDER LARSON heard on WHLI, the Voice of Long Island, Sunday, at 2:45 p. m. They discussed Prejudice of Race, Color and Creed. Congratulations to both.

MIAMI, FLORIDA . . . 2 AMVET Posts had their charter revoked for "Adverse publicity." . . . so Walker's column says? Wonder if the heat was put on because AMVETS led a group of angry Vets against the builders who were low enough to staple the roofs together and therefore causing the roofs to be GWTW, after a recent big blow.

SICK CALL: Charlie Tallman on the sick book and Past Commander H. Arthur Umer back with us after two weeks in bed.

THANK-YOU DEPT.—FRED BENZ and MRS. BENZ, who gave us a great helping hand, also thanks to Artie Maxey for painting the drums for our new Drum & Bugle outfit.

MEMBERSHIP—Still going strong . . . National has chartered 16 more new AMVETS posts with 2 for New York State. Levittown now working hard at it. Traveling next to Hempstead, where we hope to start a BIG ONE.

SANTA CLAUS came riding into Hicksville, Saturday, on a firetruck of Hicksville Fire Department. The Hicksville High School band under the direction of Norman Saip provided the music for a short parade up Broadway to the waiting audience estimated at more than 3,000 in

front of the Long Island National Bank. Harold Manaskie Sr., member of Fire Co. No. 1, drove the hook and ladder to transport Santa into town. The program was arranged by the Business Men's Association. (Photo by Mallett)

Typical Letters for Dear Santa Claus

NORTH POLE—Boys and girls from the mid-Island area started writing their letters to Santa Claus early this year, according to word received from Santa's workshop. Some of the typical requests he's received are as follows:

Dear Santa, I am writing this early and hope it gets to the North Pole before you leave. I try to be a good girl and now that I am a Brownie I will try much harder. Please stop by my house at Christmas. Do you think you can leave me a two wheel bike and a doll and a carriage. Love, Joan.

Dear Santa, I would like a tub and wash board and tea set. Good-by Santa. Love, Judith Ann Cusick.

Dear Santa Claus, Please could you bring me a doll house and a pair of rowl skates and a pair of boots and an umbrella and a rian coat. I will be a good girl that I will find all the things I want under my Christmas tree. Madeline Bianco.

Dear Santa, I want a New York Central train. 2 way battery phone set a paper gun a shooting gallery a farm set, a gas station a double sun and holster set. Edward Westnoff.

Dear Santa Claus, If you would bring me a train I would be very happy. On Christmas eve I will leave milk and cookies for you. John.

Nicholai St. Pupils Entertain Parents

Pupils of Nicholai St. School, Hicksville, presented a program of entertainment on Nov. 22 at the school under the direction of Mrs. Mulhauser and Miss Tobias, kindergarten teachers.

James Walters, principal, greeted the parents. Ronita Joy Nickless introduced the class Rhythm Band which was followed by a recitation by Ronita Nickless, Sally Kennedy and Jacqueline Bouse.

"Falling Leaves" was danced by several of the pupils while the rest of the class sang an accompaniment. The class recited "What They Are Thankful For" and sang two Thanksgiving songs accompanied at the piano by Mrs. Mulhauser.

Miss Tobias' class sang the story of Goldilocks while the three bears acted the story in pantomime.

The program was closed with the two classes singing a Thanksgiving prayer. It was the first time the kindergartens presented a special assembly program.

OUR TOUGHEST 100 HOURS

The "big blow" of November 25th caused great disruption to our power lines on Long Island. Yet, electric service was back to substantially 100% normal in 100 hours. In 1938 it required 10 days, and in 1944 a full week to get all our customers back in service following similar hurricanes. Incidentally, this year's storm was the worst of the three.

There were many things which made this achievement possible. Our planned program for emergencies provided immediate action. Our new Port Jefferson electric plant was on the job to deliver more power where needed; large, modern substations permitted the quick switching of loads. Our short wave radio system kept line crews rolling from job to job; new methods of emergency line repairs got circuits back in operation more quickly. Additional line crews were flown in from outside areas in specially chartered planes.

More important than all these modern machines and equipment was the devotion to duty of thousands of our employees—linemen, engineers, switchboard operators, office employees, meter readers, executives, and many others who worked long hours, often "around the clock," to see that you were back in service as quickly as possible. These were the folks who made this accomplishment possible.

To the public officials, the Army and police and fire departments who assisted us . . . to our thousands of customers who patiently cooperated with us . . . we extend our sincere gratitude.

SO, WE HAVE CUT OUR RECOVERY TIME FROM
DISRUPTIVE STORM DAMAGE TO 100 HOURS!
WE HOPE OUR NEXT CONTEST WITH NATURE
MAY BE A LONG WAY OFF.

Supervisor Tappen Backs TB Campaign

OYSTER BAY — Stressing that "every home and every school in Hicksville is a healthier, safer home and school because of the programs of the Nassau County Tuberculosis and Public Health Association," Supervisor Harry Tappen of the Town of Oyster Bay, today issued a formal statement urging active support of every Hicksville resident of the 1950 Christmas Seal Sale.

"Tuberculosis is a communicable disease and therefore a public health problem which should be the concern of every community resident, as well as Hicksville officials," the Supervisor said. "The work of the Nassau County Tuberculosis and Public Health Association toward rehabilitation of tuberculosis patients, the fight against Rheumatic Fever, health education in our schools and communities, and toward better mental health in this area has helped officials to improve the health standards of this town."

"I urge every Hicksville resident to buy and use as many Christmas Seals as he can and thereby make an investment of health for the coming year."

1951 Model at MacPherson Show

HICKSVILLE—The new 1951 Chevrolet will be unveiled to the public this Saturday, Dec. 9, at the MacPherson Motor Sales, at 16 Jerusalem Ave., just north of the railroad depot.

"The 1951 Chevrolet has everything the buyer wants in an extremely nice package," Bob Wallace, sales manager at MacPherson Motor Sales, said. "It will probably create a real sensation with its new and lower lines. More than ever, it is the largest and finest car in its field and will excite the interest of anyone who has any interest in auto."

"We will be open from 9 a. m. until closing and will have souvenirs for the ladies and children while they last," he said.

MacPherson Motor Sales have been serving this area for 24 years and are about to celebrate their silver anniversary as Chevrolet dealers.

"Our area has grown fast and we have been able to handle it with Levittown and our surrounding area," Mrs. Hazel MacPherson, one of the few women dealers, said.

Couple Of Welcome Wagon Prospects

Impossible to believe that the all people living in Hicksville today, who do not subscribe to our country folks paper, poor misguided souls living only half a life, going on from day to day, believing a knowledge of Politics, the Army-Navy score, the Security Council and Kukla, Fran and Ollie is sufficient. Never have had the pleasure of and completely oblivious to the Mid-Island Herald and THE COLUMN. Ask!

5th Matter Of Fact:

The Mackoffs of 21 Gables Road have left our fair town. He, to go to Beloxi of the nine months training course and she, back home to Nashville. Wonder how many more Homes will be broken up before we lick this Korean thing?

The walls of 271 Plainview Rd.

will be bulging soon when four relatives of the Cerone's will unpack for a two-year stay. How about a Welcome Wagon for the newcomers, Mr. and Mrs. F. Cerone and Mr. and Mrs. Robert Monahan?

How about the Welcome Wagon too — for Mr. and Mrs. Charles H. Pickering who are renting the Pinkerton Home at 34 Terrace Place for a year? Lucky people came down from an Albany suburb on the rainy Tuesday following the Big Blow.

Hear tell from Mrs. Jakabek, that the Schelps of 25-Gable-Road will be home soon. They debarck from Germany next week.

Mr. and Mrs. John J. Curry will weekend at their daughter's, Mrs. P. McGee of 27 Gable Rd., Dec. 9 and 10, while the McGee's travel to Greenwich, Conn. to warm a house. All I've got to say to that

pretty spide way of getting out of doing the work.

Happy Anniversary This Week
To Bertram Chernow of 10 Gables Rd., who despite the travails of the weekend, managed to enjoy a family dinner on Nov. 28. To my favorite baby boy, Jimmy Graham of So. Elm St., who arrived in this world, one year ago Dec. 1.

Thoughts While Ironing
Wonder why I got kinda twisted two weeks ago and informed all and sundry, Gables Office had moved from Old Country Rd. to Plainview. Should have been vice-versa. Twenty lashes for me, for that one.

Wonder if I should get No. 1 Son, a two-wheeler. Just because I never got the Red Shoes with tassels. I have a complex about Christmas. Can't seem to refuse my sons anything. Wonder where I'd get the money?

Wonder what happened to the Printer two week's ago. Mrs. Sarle's name was spelled incorrectly twice. Once she was SAR-LO and later it became SARLE. Let's both of us apologize, eh?

News around here is scarcer than garbage pails on Hallowe'en. Pretty soon I'll have to resort to home-made poetry to fill THE COLUMN, and then you'll be sorry. So, if anyone is doing anything raey, I'll be waiting palpitatingly at Hicksville 3-2328-J. —BCS

A Christmas party for members of the Jericho Fire Auxiliary will be held on Dec. 14 at the home of Mrs. Kay Waskevitz, 16th St. Election of officers will also take place.

The Leaders Association of the mid-Island Girl Scout Council is having its annual Christmas party at Farmedge School on Tuesday, Dec. 12 at 8:15 p. m. Please bring a 25-cent gift which will be given to needy children. All leaders and prospective leaders are invited to attend.

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

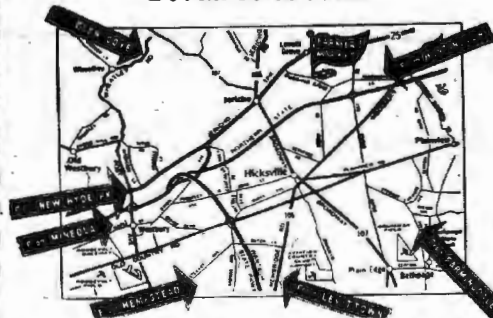

QUESTION: What advantage, if any, is there in carrying "comprehensive" insurance on a car? It is always mentioned in connection with fire and theft insurance and is supposed to cover about everything, but I notice I still have to buy collision and public liability, and property damage insurance anyway.

ANSWER: Actually the "comprehensive" fire and theft insurance policy is the best form to buy. It costs very little more than the ordinary fire and theft policy, and its coverage is much broader. The insurance company makes certain exceptions for which it will not be liable but assumes responsibility for just about any other form of damage. Even stains, damage from falling objects and glass breakage are covered under this policy.

NEWS AND HIGHLIGHTS OF

William M. Gouse Jr., VFW Post 3211
GRAND AVENUE, HICKSVILLE
Meetings: 2nd and 4th Monday of each month

Edward Zeitner, in his column, "Over the River," published in a leading New York newspaper, recently published a statement to the effect that Rep. Leonard Hall, upon his return from a trip to Germany, stated that there were American boys in that country swimming out the cold war, who never got a package or even a letter from home. Being an ex-GI myself, with overseas service, I know just how they feel—so why not at this happy holiday season jot down the address that Ed gives us and send some cards, cookies or candy in order that they might not be forgotten at Christmas? In order to assure delivery before the holidays, why not send them air mail? It might cost a few cents more, but the joy and happiness it will bring to some lonely soldier is well worth the difference. Here's the address: "G. Y. Officer, Templehof Airbase, APO 749, c/o Postmaster, New York, N. Y." By your gifts and cards you'll be adopting a forlorn serviceman for Christmas.

Getting down to a more serious matter, I must admit that the attendance at our last regular meeting was very poor. What do some of you guys want—a special reminder plus a cab to pick you up and take you home? So you didn't get a card to remind you—that's tough. Did you get a card this morning reminding you to report to work? No, you did not, yet you were on the job bright and early. Failure to receive proper notification isn't any excuse for not attending. If you were at all interested in our organization, you would set aside our meeting nights and be present. I will grant that some of you had a darn good excuse for being absent—that is understandable.

No VFW Post could have a finer group of officers than 3211.

No VFW Post could have a better building than 3211.

No VFW Post could have a finer expanding program than 3211.

No VFW Post could have a better group of hard working active members than 3211, YET some members assume an attitude of indifference about our VFW meetings, affairs and the organization as a whole.

This very same "indifference" on the part of some people in America today, insofar as national and local affairs are concerned, is causing our way of life to be changed right under our noses. Too many people are complaining about how they would run the war, country and everything else, but do they take time out to interest themselves in these particular affairs? No, they do not, because they are self-satisfied and willing to let the other guy do all the dirty work and worrying. However, if some law or regulation is passed that they disapprove of, why these very same folks strike back like a bolt of lightning. It's too late then, and their opportunity of being heard has gone with the wind.

For this very reason, it is high time that all members of 3211 woke up and began to realize that we are a part of a great veterans' organization. One that is doing all in its power to rid our country of communists and endeavoring to get laws and benefits passed that would be favorable to our country and ourselves. It takes more than a few active members to accomplish these ends; it takes each and every member of each and every VFW Post throughout the country working hand in hand. Of course, if you are content to sit idly by and hope for the best; well, that's your privilege; but if some fine morning you wake up and find the cherished things in your life and America no longer in existence—don't blame the other guy.

KWIK-TILE—the ready cemented plastic tile—can be used any where.
Just the thing for that space over the sink. Comes in six beautiful colors, packed five square feet to the package, for only . . . \$3.95.
Here's all you do:
(1) Using a level, draw a straight line at the top of area to which the tile is to be applied.
(2) To save time, place several tiles at a time into a basin of WARM water.
(3) Allow tiles to soak one minute until backing paper slides off, exposing cement. After removal of backing paper, do not allow the cement to contact other tiles as they will stick together.
(4) Rinse tile and wipe all water from cement with absorbent cloth. Be sure tile is dry. IMPORTANT: Be certain to rinse each piece of tile thoroughly in clean warm water after removing backing paper. Use running water or change water often.
(5) Trim off any excess cement from four sides of tile with sharp knife. Place and press cement-side of tile in direct contact with wall or other surface. Butt tile together on all sides. Start at top line and in one corner. Use plumb line to get a true vertical line. Start tiling by pressing first tiles very lightly into position. Tile may then be lifted and reset if necessary.
(6) When tile is straight, press each tile firmly to wall. Pressure should be applied to four corners and center of tile.
Use it in the Bathroom, Kitchen, Laundry or Nursery.

Mr. and Mrs. Billie Hamilton of 129 Rim Lane, Hicksville, are the parents of a daughter, Laura Lee, born on Nov. 23.

Crowd First Place in Bowling League

First place in the Nassau County CYO Eastern Division, is now more crowded than it has been since the first few weeks of play.

St. Ignatius Questions dropped three points while their closest rivals, St. Barnabas Eds and St. Ignatius Hustlers were winning 31 to make the first place count 31 to 13.

John Borner was the big gun for St. Barnabas Eds, establishing a new high game record of 256, while Emil Emmel, of the Hustlers, did the trick for his team, adding a 207 to his string of 200 games. Frank Dragona did game for the Questions saved them from shutout and will help in his battle for high average honors.

Bill Byorick with 232, and Bill Curtin with 215 games, were the deciding factors in St. Bernard Dodgers 4 to 0 win, as was Ed Adams 201 game for Cure of Ars White. Ed Manelski, of St. Ignatius Gold, rolled the exact number to get into the 200 circle for the week.

Next week St. Barnabas Eds and St. Ignatius Hustlers will try to knock each other off the top perch, while the Questions will have to hold off St. Bernard White to stay in the lead.

town or other areas from their mailing addresses, to avoid confusion and duplication, appeared in the Herald a couple of weeks ago. After it appeared Molitor, was asked and he verified that the statement, as published, was correct.

Questioned yesterday by the Herald, Molitor could not recall a visit by Baird but did remember that "someone phoned and asked me about the notice." The Postmaster said the order stands as it was first quoted.

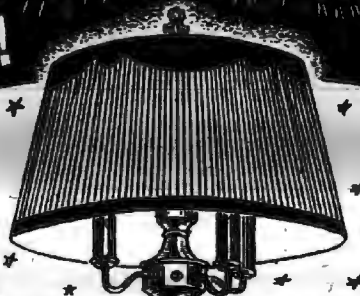

"If the reported edict is found to be accurate, the Executive Committee of the NLHOA will be asked to approve a resolution that civic groups protest the action and the organization take any and all steps necessary to see that it is set aside," the press release added.

The executive committee is on record to support "in every way possible the Levittown Property Owners Association plan for a central Levittown Post Office to service all Levittown homes regardless of district lines."

Hicksville Post Office is today preparing to deliver 2,800 copies of a notice to patrons concerned asking them to leave Levittown off their address if they reside north of the township line.

The Sportlight

By HOWARD FINNEGAN

Red hot from two straight victories over the Long Island Bears, the Glen Cove AA has been installed a 13-point or better favorite over Hicksville in the season gridiron finale slated for the high school field Sunday afternoon.

With Jim Pantry back in action to take George Fowler passes, the Black and White pass defense, which was very poor in the Mexican standoff at Riverhead, will come in for considerable attack.

In their earlier 8-6 victory over the Field Club, the covers learned of the prowess of the Hicksville line and will not pin its hopes for victory on bucking it.

Hicksville threw away that game. It hardly figures to have a chance to throw another one away. The Covers are fired up to complete their season unbeaten.

The season's banner crowd, dependent on any break from the already considerate weatherman, will turn out to be a promised slam-bang encounter.

An interesting sidelight to the high school's victory over Port Washington was that the Comets took 61 shots at the basket and made 28 of them good. Harry O'Mack took only nine stabs at the nets and was accurate with six of them!

It was rich to read the account of the Glen Cove AA's victory over the LI Bears in one of the leading county dailies. The sheet had gone overboard in praising the Bears this season and the Covers' two victories were good blows for pro ball and deflated the much heralded pro ball.

The paper in question had turned a deaf ear to the fans' complaints against the officials in Nassau in recent years but was quick to attack the officiating at Glen Cove City Stadium when the Bears were beaten.

We will not go to bat for the officiating, but we must rally to the Covers' defense and say they were the better team and their victory was a personal tribute to the talents of George Fowler and not because the Bears were injury-ridden, as was suggested.

A trained eye could see that the Bears had improved their roster following the loss at Valley Stream.

This corner has long felt that the same officials officiating all home games of certain teams in the county has only warped the fans' outlook on the contests.

Since Sunday football assignments are now very scarce the fans are more and more inclined to believe that a home team victory is essential if the same men in Black and White are to have a job the following Sunday.

However unjustified that attitude is, it could completely be eliminated were different officials to appear at the home games of semi-pro clubs.

That applies in Hicksville as well as elsewhere.

The sports pages of the county press could serve the better interests of the sport were it to note and campaign for such a proposal. It would make for a healthier attitude in the part of the fans and help get the game back on its feet.

It would be far more superior thinking than to that which laments alleged poor officiating the one time its favorite gets bounced and ignores all the other shortcomings of sports officiating in Nassau County.

High School Cagers Scorch Nets At Port for 75-43 Win

PORT WASHINGTON—Hicksville High earned a role it did not want, even though it demonstrated that it had the capabilities for the task, here Friday night, when the debut Comets easily ran over a touted Port five, 75-43, and immediately became almost everybody's favorite for the forthcoming Division NSAL basketball championship race.

More than 600 fans packed into the Port gym watched in amazement as the classy Comets operated brilliantly in the season opened to rout a team which is held in high regard in the Western Division.

Dick Alcock headed the list of Hicksville scorers at the finish with a total of 22 points. Harry O'Mack hit for 15 and Harold Manasse also scored in the double figures, gaining 11 points.

Coach Chet Jaworski's finely schooled lads were outstanding. They have height, poise, depth and an uncanny, well-rounded scoring ability. They all acknowledge that the first rule of the game is to score and they bend every effort to that end.

Ted Schwarting pulled down rebound after rebound and started Hicksville off on its last breaking attack, which drove the Portsters daffy. Coupled with an all-over-the-court press on defense, the Comets had the hosts so dizzy they could not wait for the final whistling.

After six minutes of the first period Hicksville was ahead by a 10-7 count. From that point they pulled away to 22-14 quarter lead, thanks to a pair of baskets each by Alcock and Manasse which unloosened the attack.

In the second period, Alcock hit with four set shots in the first five minutes as the Comets were assuming a 36-12 lead. Jaworski then yanked his starting five. The Comet advantage at halftime stood at 38-18.

The Orange and Black, even with the liberal use of subs, had an easy time in the second half. The third period score saw Hicksville ahead 57-30.

Other Hicksville scorers were Dick Swain, six points; Stan Kellner, five points; Charlie Rosen-gren, nine points, and Ray Guckenberger, two points.

In the matter of intercepted enemy passes, Alcock had 2, Manasse 1, Swain 1, Schwarting 4, O'Mack 4, and Kellner 2.

Aces Sweep Clean in Precinct League

HICKSVILLE — The community is represented in the 13-16 year, Second Police Precinct PBC Basketball League by two teams, the Cards and the Aces.

Swinging into the third week, the Cards show a record of 1 win

and 2 losses, defeating Syosset while dropping decisions to Bethpage and the Aces. The Aces have a clean sweep so far, defeating Farmingdale, Bethpage and the Cards.

For the Cards, high scorers are Fuller with 26 points, Kennedy 25 and Hogan 21. The Aces scoring honors go to Evaschuck with 59 points, Gestak, 27 and Callejas, 26.

At the East Street School every Monday and Thursday evening, at 7 p. m. four teams in the 10-13 year group battle it out. Katz and Payton have helped keep the Covers undefeated, while Frazer has been the spark plug for the Small Fry.

Standings as of Monday, when the Covers trounced the Sharpshooters 45-4 and the Small Fry nosed out the Hackies in a thriller 27-26 are as follows:

	W	L
Covers	3	0
Small Fry	2	1
Hackers	1	2
Sharpshooters	0	3

Any boys between 10 and 18 who would like to join with the Hicksville PBC may do so by stopping in at the Mid-Island Herald office.

Soccer Team Bows; To Play All Winter

HICKSVILLE — A surprisingly large crowd turned out to see the Hicksville Soccer team play its first game here, on the high school field, Sunday afternoon, and saw a spirited battle in which visiting Franklin Square won 5-2.

The Hicksville club will play all its home games on the high school field and has a steady league schedule which will provide action from now through April, 1951.

Forwards Gene Harns and Jim Fleming booted in the Hicksville goals. The competition was hot and heavy and tempers flared from time to time.

For the next two Sundays the club has travel dates at Great Neck but will return home for games early in January.

Falcons, FC in Scoreless Tie; Unbeaten Glen Cove Here Sunday

RIVERHEAD — The ponderous Hicksville Field Club line, which has been the pride of this lustless

season, stood it in good stead once again Sunday as it throttled three dangerous threats by the Falcons of this village enabling the Black and White to come off with a 0-0 tie.

The Falcons were forced to the air for its gains by the Hicksville line which begrudged yardage on the ground. However the hosts had Julie Swiatocha, 6-3 end, to receive the passes of Bill Grodski. The happy result for the Falcons was 11 completions for 171 yards but they couldn't convert any into a score.

The first passing thrust carried to the Hicksville nine-yard line in the first period but Bill Zirk headed the visitors' line stand which held for downs.

In the second quarter a 48-yard pass play carried to the Hicksville ten-yard line but Bill Garbarino intercepted in the end zone after the Falcons were stalled on the ground.

In the last period Swiatocha snared a 45-yard pass and ran six

yards more to the Hicksville five. The Falcons couldn't budge the Hicksville line and saw Thomas intercept on the goal line.

Zirk provided the Black and White with its only threat of the game when he recovered a fumble on the Riverhead 20. Garbarino advanced the ball to the 12 but Hicksville could get no further.

This Sunday the football season will be concluded when the unbeaten Glen Cove AA comes to town fresh from two straight victories over the LI Bears.
