Request Swimming Pool Installation in Sr High

Hicksville Board of Education will receive a recommendation at its regular meeting tomorrow (Fri) night from the Recreation Advisory Committee that the School District undertake the installation of a swimming pool in the Senior High School.

It is known that the Recreation Advisory Committee has devoted much of its study to the proposal and has developed several types of plans. It is based on a study of pools now in operation in other schools such as Uniondale and Levittown. While the text of the Committee's recommendation is not known by this HERALD, it is reported that the project would cost in the neighborhood of a half million dollars. It would be available for the instruction of students and could be made available to adults evenings.

A swimming pool was originally suggested in connection with the new High School on Jerusalem Ave., but was deleted from the plans, upon the suggestion of the State Education Dept before submission of a bond issue question to the voters.

The Recreation Advisory Committee will ask an audience with the School Board for the purpose of presenting its study and recommendation in detail.

Guest Speaker

Mrs. Mary Beatrix, O.P., Retiree, Mistress at Our Lady of Providence Retreat House, Amityville, will be guest speaker at the next meeting of the St. Ignace Auxiliary of Christian Mothers of Hicksville, which will be held Monday evening, Jan. 23, at 8:30 pm in the auditorium of the school on E. Nicholas St., Hicksville.

Dr Lamb's Wife Buried Upstate

Interment took place yesterday (Wed.) afternoon in Bolton Cemetery, Bolton Landing, N.Y., for Edith E. Lamb, wife of Dr. Wallace E. Lamb, Superintendent of Hicksville Schools. She died shortly before midnight, Friday, in University Hospital in New York City. Rev. Cranston Clayton, pastor of Hicksville Methodist Church, conducted religious services at the Wagner Funeral Home at 3 o'clock on Tuesday afternoon. Many representatives of the public school administration were present.

Eastern Star services were conducted Monday evening.

Mrs. Lamb, who resided at 25 Alexander Ave., Hicksville, had been ill for sometime. She is survived by, in addition to her husband, two sons, Bert W. and Robert B. Lamb; grandchildren, David and Steven; a sister, Julia Engvall, and brothers, Bert, Armin, and Theodore Engvall.

Dr. and Mrs. Lamb had been married over 30 years. Dr. Lamb in addition to being a distinguished school administrator is well-known as an author of historic text books.

New Kiwanis Officers Take Over

FIRST OFFICIAL ACT for Sol Newborn, new Kiwanis Lieutenant Governor, was the installation of new officers of the Hicksville Kiwanis at their meeting in the Milleridge Inn last week. Left to right are Richard Miller, Sgt at Arms; Dr. Philip Rubinstein, vice president; Louis Kappstatter, president; La Gov Newborn, Paul Drake, immediate past president; Frank

Chlumsky, recording secretary; and Harold Holden, corresponding secretary. Not pictured but also installed were Charles Eginton, treasurer and Directors Al Heuer, Dr. Charles Masek, Francis Anderson, Jack Scott, William Murphy, Jim Needham and Henry C. Brengel. (Photo by Frank Mallett)

National Bank President Reports Growth, Earnings Set New Record

New records for growth and earnings were set by the Long Island National Bank of Hicksville in 1960, President William E. Koutensky informed the shareholders of the Bank when he made his annual report on Tuesday of this week. Mr. Koutensky was re-elected President.

The shareholders elected the following Directors: Charles R. Carroll, James C. Dinkelacker, Norman C. Godfrey, James Herrschaft, William E. Koutensky, Malcolm E. Pierce, Herbert W. Purick and Joseph A. Reinhardt.

The Directors elected Charles R. Carroll as chairman of the Board and its Counsel.

The Bank president's report, in part, was as follows:

"I am most happy to report that the year 1960 was a highly successful one in the Long Island National Bank history.

"Your bank set new records in growth and earnings. At the end of 1960, Total Resources were \$67,201,000 against \$65,331,000 a year ago, an increase of \$1,870,000.

"Net operating income before taxes from all sources reached a record high of \$772,896. Net income after taxes was \$551,320, allowing for a tax reserve based on 1960 earnings.

"At Year End 1960, your bank had over \$57,000,000 invested in United States Government obligations, Municipal Bonds and various types of loans.

OPENED THREE OFFICES

"During the year 1960, your bank opened three new offices, all of these were well received, representing sound growth and your bank's ability to meet the expanding need for more local banking facilities.

"During 1961, the operations of

the Personal Credit Department will use automation through the installation of L.B.M. Tabulating Equipment. Other of the Bank's various departments will be converted to automation as rapidly as possible in order to develop a system more economical to our bank and to better serve our customers.

"There is no doubt in my mind that 1961 will be a year of prosperity and economic growth certain to be reflected in the earnings of your bank.

"I wish to thank each and every one of your shareholders, Directors, Officers and employees for the fine cooperation and efforts which have made the year 1960 highly successful," President Koutensky stated.

Chamber to Meet Legislators On RR Elimination Progress

Hicksville Chamber of Commerce leaders will seek an early meeting with local State Legislative representatives and, if possible, with Gov. Rockefeller on the status and progress of the Hicksville Rail Road Grade Crossing Elimination program, it was disclosed yesterday by Julius Schwartz, Chamber president.

The Chamber thru its committee on crossing elimination co-chaired by Aaron Rochman and Malcolm E. Pierce will seek an early conference with Assemblyman Edwin Fehrenbach, State Senator Henry M. Curran and Joseph Carlini, speaker of the Assembly. The Chamber is also interesting

itself in the progress of the traffic situation at Old Country Road and the Wantagh Parkway Extension bridge. It is reported that nine feet will be sliced off Bach's corner, according to present plans, in an effort to eliminate the hazardous conditions at this point.

The extension of Charlotte Ave. recently thru to Old Country Rd. and the installation of a traffic control signal at this point has somewhat eased the situation.

Mr. and Mrs. Vincent Kearney of 3 Ida Ave., Hicksville, are the proud parents of a daughter, Kathleen Ann, born to them Jan. 2 at Huntington Hospital.

BETWEEN DEADLINES:

The Nasty Pest With a Fancy Name

A short review of how potato farming ended here and a valiant effort that was made to postpone the day. - See page four.

CHARLES R. CARROLL, Chairman of the Board of Directors, second from left, and William F. Koutensky, President, second from right, join hands in congratulating James C. Dinkelacker, left, and James Herrschaft, who have been elected as Directors of the Long Island National Bank at the Annual Shareholders Meeting held January 10. (Photo by Frank Mallett)

Bethpage GOP Installs Slate

On Saturday evening, Jan. 14, the Theodore Roosevelt Republican Club of Bethpage will hold installation of officers at a dinner-dance to be held at the Huntington Town House. Among the distinguished guests expected are John J. Burns, Supervisor of the Town of Oyster Bay and Thomas R. Pynchon, Republican Town Leader.

Ted Knighton will be installed as President; Leon Lunden, Vice Pres.; Kay Yochman,

Vice Pres.; Marilyn Mathis, Recording Secy.; Ronald Burke, Corresponding Secy.; Henry Glais, Financial Secy.; Emil Roman, Treasurer, and Bill McCord, Sgt.-at-Arms. Trustees include Assemblyman Edwin J. Fehrenbach, Ed Gaynor and Councilman Louis Sisia.

Exhibit Oils At Library Hall

The Studio Art Group of Hicksville is currently holding an exhibition of oil paintings in the auditorium of Hicksville Public Library until Jan. 28th. The works shown are portraits, still life, florals, marines and landscapes. A reception was held on Wednesday evening, Jan. 11th, in the auditorium of the library, followed by refreshments. The exhibit is open to the public during library hours.

Members of the Studio Art Group will participate in three work shops at the Olga Hoebeel Studio during the month of January. Sometime in February Miss Leora Clinch, librarian at Lee Ave. school, will show color slides of ten European countries for the group at the Hoebeel Studio, 30 Terrace Pl., Hicksville.

Profile of Art Society By Bernadette McNeer

The Independent Art Society was founded by several former members of the Island Artists League, April 5th, 1951. It was originally a studio group which went under the name of "The Palette Club".

PATRICIA KELLER

Mr. and Mrs. Joseph Keller of Bethpage Rd., Hicksville, announce the engagement of their daughter, Patricia, to William McLaughlin, son of Mr. and Mrs. James McLaughlin of Myers Ave., Hicksville.

The couple are both graduates of the Hicksville High School. Miss Keller is employed at the Hicksville office of the Long Island National Bank. Mr. McLaughlin is employed at Keller's Service Station on Woodbury Rd., Hicksville.

There are no plans for an immediate wedding ceremony. The primary purpose of this organization is to afford its members the opportunity to share in various art activities. The secondary purpose is to create an interest in art in the various Long Island communities through art exhibition and lectures sponsored by the society.

Mrs. Louis Hoebeel, a professional artist, organized the Society and shares her experiences with other members. Mrs. Hoebeel and Mrs. Catherine Lumm are the longest standing members in the league.

In the nine years we have been organized we have held or have been invited to over 85 shifts which includes one man shows. The members of the Independent Art Society are never idle. Many work on the Island or in the City. Others are housewives and mothers who donate their services and talents to civic organizations.

We are all very proud of the accomplishments our League has made since formed and are striving to add more credit to the league for the future.

NEW ARRIVALS

Mary Rilo, is the name of the new arrival at the home of Mr. and Mrs. William Coblitz of 72 West Millage Dr., Bethpage. The little nurse made her debut December 27 at Mercy Hospital. Mr. and Mrs. Joseph Rikolo are the proud parents of a daughter, Kathryn Margaret, born to them December 28 at Mercy Hospital. They make their home at 10 Pine Ave., Bethpage.

Dear Jean:

Oyster Bay Town Board this week turned down a plan for a 180-unit garden apartment structure on its Plainview on the property of Mrs. TALIAFERRO. A public hearing had been held in September and there was strong opposition from civic groups. The apartments would introduce a "city-like" atmosphere to the community, the Board said in its decision among other things. FRANKIE BOVE of Hicksville is among those recently auditioned in Massapequa for the Regional Festival Ballet of Greater Long Island and since modified of acceptance. Gov. ROCKEFELLER will be in Plainview next Thursday, Jan. 19, at 2 PM. He will dedicate the new Harman-Korv electronics plant on Engineers Hill. The Kiwanis Club bulletin reports that HANK LEBES, promotion director of Mid Island Plaza, became a bridegroom on Jan 6 and that FRED SUTTER has a broken left shoulder. JAMES COYLE of 37 Berkshire Rd., Hicksville, was among those veterans of D-Day (June 6, 1944) who was interviewed by Author Cornelius Ryan when he wrote "The Longest Day", just published as a 50 cent paperback. A list of D-Day veterans in the book includes the name of Second Lieutenant James J. Coyle with the 82nd Airborne, now in contact with American Tobacco Co. Also in the list is LOUISE WENTWORTH of Jericho who on D-Day was a Corporal with the Army Medical Services. He is now in public relations. DONALD K. HEYWARD, Purser Officer First Class of the Coast Guard Recruiting Office at 67 W. Second Highway, Freeport, tells us that young men enlisting in the Coast Guard during January will have a choice of taking basic training for 13 weeks at either Cape May, NJ, or Alameda, Calif. HAZEL WITTE, formerly of Rutter Ave., Hicksville, has her oil painting "Begger Children" entered in the 19th Annual Audubon Artists Exhibit to be held at the National Academy Gallery, Fifth Ave. at 89th St., N.Y.C. Jan 19 thru Feb 5. The exhibit will be open every day 1 to 5 PM. Congratulations to Mr. and Mrs. JOHN V. McNEEL of 53 Bridge Lane, Hicksville, who will celebrate their 26th Anniversary on Jan. 13.

Our sincerest sympathy to the late Hicksville High School friend, DOT MARGOT and her family on the recent death of a brother, Amel, of Plainview Rd. We've known the Margots a long time. Sorry to hear that a very good friend, MRS. EDWARD QUINN, E. Carl St., (of Quiny Fuel, you know) was in the hospital and is now at home recuperating. Get well wishes also to MRS. RAYMOND BONAZZI of Dana Ave., Hicksville. We've been ill. Welcome home to MRS. EUGENE MARTINO of East st. who returned home last week after spending several weeks with her daughter and family, Mr. and Mrs. ROBERT BOGART at Orlando, Fla. Our congratulations to Miss DOROTHY L. FRY of Garden City and JOHN W. FRICKER of Woodbury on their recent engagement. We know Jack from the Joy-Karl Co. at Jerusalem Ave., Hicksville. Our sincerest congratulations to the following nice couples on their engagements: Miss ADRIANNE BROWN of Division Ave. to Thomas V. Toner, Jr. of E. Meadow; Miss KATHERINE T. JUDGE to Thomas Watkins, both of Hicksville. Our congrats also to Dr. and Mrs. SAM ARBITAL of Country Dr., Plainview, on the arrival of their third child, Scott Adam, in Nassau Hospital. They also have two daughters, Sheri and Lori. Also congrats to Mr. and Mrs. Kearney of Ida Ave., Hicksville, on the birth of their fifth child, a daughter, Catherine Anne. Got the nicest little note from the "Times". Remember last week we had a little story from them on our back page - this time they say "Dear Mr. Noeth: We like what you do for us. Putting our news in the paper. When I get bigger, I would like to work for your newspaper. Now I am 8 years old. The end. DENNIS MASTERSON and my friend, DENNIS MULLIGAN."

There are still some good little guys in this world and they are all around us if we took the time to pay attention to them. Hicksville Board of Education holds a regular meeting this Friday night, Jan 13, at 8:15 in the Senior High School. The Board is scheduled to start work on its 1961-62 budget this month. During the calendar year 1960, the Board held 27 meetings and acted upon 873 official resolutions and other motions. During 1959 there were 39 meetings and 963 official motions and for 1958 there were 48 meetings and 1,080 motions. Our sincerest sympathy to Dr. WALLACE E. LAMB, superintendent of schools, upon the death of his dear wife, EDITH.

An old friend, GEORGE HAMEL, known to his fellow members in the fire dept. as "Fuzzy", passed away this week. There was a large turnout of firemen for funeral services, Sunday evening. He was a member of the fire dept. racing team when it was collecting trophies by the dozens. Bethpage Fire Department is advertising for bids for 35 radios, apparently planning to alert vamps personally. Down in Massapequa where they use a Lookup over telephone lines to alert the volunteer firemen the system has been so successful that they have been able to discontinue blowing siren siren since between midnight and seven in the morning. DONALD WET, assistant school superintendent, was recently interviewed on the radio regarding his forthcoming trip to Puerto Rico after the story broke in the HERALD.

Becomes Engaged

Miss Bowse is a Hicksville High School graduate and is now teaching at the Nicholas St. School, Hicksville. She and Lt. Orr met at Oswego State Teachers College when they were students there. Lt. Orr is stationed at Quonset Pt. R.I.

NEWS COVERAGE

To the Editor:
On behalf of the local congregation of Jehovah's Witnesses, may I take this occasion to express our sincere gratitude for the news coverage you gave in connection

with the local congregation's recent attendance to our Bible training convention in Island Garden, West Hempstead.
This assembly was especially helpful to us in the local area due to the fact that much of the

program stressed the importance of community service in the matter of public Bible teaching. In the coming months we expect to increase our community service and in this way to be of assistance to many.

Thank you again for the fine articles you printed.

TRUE ST. NICHOLAS

To the Editor:
As I do not know to whom to mention this, I thought it best to write you as you would surely relay the message.

This year's Santa in our town was a true St. Nicholas. His jovial manner and kindness shone through his make-believe whiskers. May we have him a part of our town's long while.
Jan. 7, 1961 MRS. E.V. HOLZER

FOR CURTIS CIRCLE

To the Editor:
I think your suggestion that the traffic circle north of the RR station be named "Curtis Circle" is an excellent idea. As a former patient of Dr. Elwood Curtis and most grateful one on more than one occasion, I think it is time he was honored in some way. He was not only a dentist but a benefactor and friend to one and all. The times we are living in would be a better place if we had more like him.

BETWEEN DEADLINES

A NASTY PEST WITH A FANCY NAME

Gov. Rockefeller in his 1961 message to the State Legislature urged the setting up of a potato research farm to hasten strains resistant to the crop-devouring golden nematode.

Not so many years ago that announcement would have called for banner headlines in this newspaper. The golden nematode got a lot of space in the HERALD when it put this area out of the farming business. Perhaps a brief review may be of interest, particularly to newer residents.

The golden nematode of potatoes has long been known in Europe where it has reduced potato crop yields to a point where the cultivation of the vegetable becomes unprofitable. To this day it is claimed that the golden nematode has been confined to Long Island, the only place where it is found in North America.

It was first discovered in potato farmland south of Hicksville in 1941 and is believed to have been imported from abroad in some undetermined manner in the early thirties. The golden nematode is a microscopic organism which lives in the soil attacking the rootlets of potato plants but never entering the potato itself.

New York State first got into the fight, being joined later by the Federal government. Right quarantines have been imposed to prevent its spread, to the point of some restricting farm vehicles and regulating the shipment of spuds. To this day an application to the Town for a permit to ship firewood is checked for evidence of nematode control.

One major effort was made by the growers in this area to save their industry. Scientists had found, as far back as 1935, that plain water raised to 130 degrees F. is lethal to the nematodes. The growers set about erecting a plant with experimental equipment to wash the potatoes so that they could be shipped to market without restrictions. The growers, with mighty assistance from Henry G. Eisenmann, raised \$50,000 and built a plant on Robbins Lane, near Miller Rd.

It was a day full of hope for the potato industry on Aug. 14, 1948, when the potato washing plant was officially dedicated. Presiding at the dedication, Mr. Eisenmann said: "To the casual observer, this plant looks like a substantial building of concrete and steel and houses two lines of machinery that could have been designed by Rube Goldberg. But to you growers it is more than cement, steel and machinery. It represents several years of sweat, of toil and worry."

The machine, designed for the task, was the only one of its kind in the entire world. Potatoes were dumped in at one end, went through a series of warm water baths and the clean spuds were sorted as to size at the other end, being packed in a specially designed sack for marketing as "washed potatoes."

A most interested participant in the ceremonies was the then State Agricultural Secretary, C. Chester Dabson, who named those who developed the project — Harold Eisenmann, Mr. Eisenmann, John Froehlich, John Lauchter, Jack Hartmann and George Strong — and sounded the high note of optimism reflected in the project: "It might well be that the new method of preparing potatoes for market which this plant inaugurates will bring a new era of prosperity to this section."

The plant got into operation, the wheels turned — and out came partially cooled potatoes. The problem could not be solved, efficiently, in a manner that would satisfy the scientists, the quarantine officials as well as the producer and consumer. The operation halted after a few months and the building will stand, utilized by the Public Works Dept. of the State.

The State has had a nematode control station in Hicksville for most of the intervening period. It is still in business here. The pest, meanwhile, has been found in areas of Suffolk and is still the subject of heroic efforts at control. In suggesting a research farm to the legislature earlier this month, it was estimated that the pest is costing LI farmers as much as a million dollars a year.

In a way it was history repeating itself. The Hicksville area was the heart of a pickle growing industry before the turn of the century. Around 1912 a blight or plant disease fell upon the pickle crops making them unprofitable to harvest and market. The farmers turned to other crops. In the late 1940's, the "other crop" turned out to be Cape Cod houses, acres and acres of them. FJN

Bank Predicts Jobs Up 30,000

A decided upturn in Long Island's economy by Spring will boost total non-farm jobs during 1961 some 7% or 30,000 better than last year, the Franklin National Bank of Long Island predicted.

The prediction was contained in a special year-end comprehensive report, just released by the bank, on the Nassau-Suffolk economy during 1960, as well as the outlook on the national and local scene for the new year.

The Franklin report said that private construction outlays would rise about 5% over 1960 in 1961. 1959's \$395 million. Residential building may duplicate last year's 19,000 units, but the bank saw a continued rise in new industrial and commercial construction.

The report said that the Long Island economy during 1960 "appears to have weathered the national downturn in its traditional shipshape fashion." Average non-farm employment for 1960 was put at 414,000 in the two county area.

Braune Is New Chief Deputy

The Town Board has named Arthur E. Braune of Massapequa Park as Chief Deputy Town Attorney, Supervisor John J. Burns announced today.

A specialist in municipal and real estate law, Mr. Braune has been serving as a Deputy Town Attorney since April, 1955. He graduated Fordham University in 1932 as a Bachelor of Science. He holds a Master of Arts degree from Columbia University and received his law degree from Fordham University Law School in 1938.

The only thing wrong with the younger generation is that so many of us don't belong to it.

WORK IS NOW in progress on the installation of a traffic light at the intersection of Rockland Dr. and L.I. Expressway service road, West Birchwood.

Vest of Bway

By Terry Corin

Congratulations to ANTHONY and ROSE AGATE of Clinton Lane the birth of the first son ANTHONY LUDWIG on December 13th. A 21 month old is the big sister. While, we are at Clinton Lane we'd like to wish ROXANNE LIT, sister of ANITA AND SID, a happy Birthday. The Lit's third was two on January 7th. Across the street from the Lits live MURRAY and LOLA ROSENTHAL. Her son JIMMY was three on January 12th. LUTHER and ALFRED KRAUSE'S son MARTIN had his Bar Mitzvah at the Jericho Jewish Center on January 7th. His reception was held at the West Hempstead Jewish Center, January 8th; The Krauses on Sunday Terrace. The time draws near, buy your tickets now dancing, a show and plenty of chow. Be sure to be there, don't stay away from an evening that's sure to be very gay.

Face; Carl Hoppl's in Baldwin. Saturday evening February 18th. All Evelyn Pike at We 5-1377 for tickets. O'RALEE (Who writes our dinner dance poetry) and LOUIS FERRMAN and their young son who reside on Seneca Place spent their vacation in Florida. MARGIE and BARRY JAFFE of Orange Dr. a recent vacation there also JOAN and DICK READER of Orange Dr.

LAINE and HERB COHEN of Warren Lane are the proud owners of a brand new blue Chrysler. DNEY COOPER (EVELYN'S husband) of Sullivan Dr. recently his job of 16 years with United Artists to accept a new position, of General Sales Manager of CINERAMA, handling all of the U.S. and Canada. WARREN and DOROTHY RINGLER of Craig St. celebrated their wedding anniversary on Christmas Day. A happy birthday wish to BOBBY NASON who will be two on January 17th. Bobby is the fourth son of DOLORES and JOHN of Orange Dr.

BITA and BEN WERNICOFF of Richmond Ave had a fabulous vacation at the Laurels. Spent several days there including New Years Eve. GERDA and BOB MILLER who vacationed in California managed to spend their New Years Eve in Las Vegas. By the way, the next meeting of the social committee will be at Gerda's house at 3 Saratoga on Thursday, Jan. 19th. Come for all the news of Gerda's trip as well as election of new officers and final plans for the dinner dance.

DAVID WAHET, third child of EVELYN and ALLEN of Rockland Dr. Celebrated his first birthday on January 12th with a party with his brother, sister, mother and dad and both sets of grandparents. Buy your tickets now for the J.J.C. sisterhood original musical comedy "Don't Call Us." It will be held Saturday, January 28th at the Syosset Jr. H. S. and on Feb. 4th at the Syosset High School. Call WE 5-1377. Congratulations to ROSE and JOE BUA and TONY and FRAN LICAUSI of Craig St on the Grand Opening of the new Italian Restaurant FONTANA on Hempstead Turnpike in Levittown, on January 12th. We were delighted to see JOHNNY HAYMER of Orange Dr. in the role of the director on the Perry Como Show. It was that humorous play that showed the "real" Perry Como at an early morning rehearsal.

The Jericho High School is having a covered dish dinner and a Faculty - Father basketball game on Wednesday January 18th at 7:30 p.m. Each family brings one covered hot dish as admission to the High School. Fathers who are interested, come prepared to play basketball. Welcome to new neighbors on Orange Dr. (in the house that was vacant for 16 months) Captain and Mrs. Arthur Stone of Levittown.

Civic Budget Meeting Jan 27

The second annual Civic Assoc. budget meeting will be held Friday evening, Jan. 27 at the Robert Seaman School. All members of the association are urged to attend this important meeting. A complete financial report as well as the proposed 1961 budget will be presented to the membership for approval. Refreshments will be served.

Seek Additional Stop Signs

An end is in sight for one of West Birchwood's Traffic problems. The Community Welfare Committee reports that it has petitioned the Town for additional Stop signs on the community's principal arteries - Sullivan, Orange, Rockland and Saratoga Drives - which were turned into virtual speedways with the advent of the present Stop signs several months ago. "We received numerous complaints from residents on these streets," explained John Nason, committee chairman. "They claimed that high speeds were a common practice along these thoroughfares and were seriously endangering the safety of children as well as motorists backing out of driveways." The trouble arose, ironically, when the first Stop signs were installed. These signs were placed at corners facing into the main east-west streets halting all traffic entering these streets. Drivers on the "main" streets soon learned that they had been given a right-of-way and could speed. (Continued on page 6)

Cantiague Road Entrance in Oct

West Birchwood Board of Directors has learned from Leonard Schwartz, anchor man of the firm of Sosnow & Schwartz, that another entrance to the community thru Cantiague Rock Road is scheduled to be open by October. Mr. Schwartz turned thumbs down on any notion that another entrance would be built from Broadway. He also stated that there are no plans at present to build a south service road, no plans to build any homes on the marginal road and no plans to do any maintenance on the path to the overpass. It has been rumored for some time that Sosnow and Schwartz have plans for a new colony of homes in the vicinity of Cantiague Rock Road and Jericho Turnpike.

Suburban Gardener

By Ralph Pignatara

Although the outdoor growing season is over, a new world of indoor gardening is open when growing plants indoors. Besides the usual philodendrons, etc., there are scores of other plants that may be grown. What type of plants to use is determined largely by where they are intended to be placed. For example, low light, Chinese evergreens, all types of philodendrons, and make plants; medium light, Boston fern, dieffenbachia and peperomia; high light, English ivy begonia's, African violets, geraniums, and all watering other flowering plants.

How often should I water my house plants? This question is asked by almost everyone growing indoor plants. The easiest rule of thumb to follow is, add water whenever top soil feels dry to the touch, whether this be daily or weekly. Always water enough to moisten soil all the way through. Lack of fertilizer will produce yellow color in new leaves and lack of vigor in new growth. Use any type of house plant food and follow manufacturers directions. The main thing to remember about fertilizers is "Don't kill a plant with kindness."

NEXT ISSUE: How to tell what ails a sick house plant and give first aid.

"The trouble with telling a good story is that it reminds the other guy of a dull one."

"The beauty part is it won't cost a cent. We'll get it all out of tax money."

WEST BIRCHWOOD SPORTS

BOWLING CLUB

With the season half over, the West Birchwood Bowling Club is locked in a tight struggle for first place.

Club standing as of Jan. 7, 1961 are:

Team	Won	Lost
Gorillas	48	27
Bobcats	46	29
Chipmunks	40	35
Foxes	39.5	35.5
Lions	39.5	36
Cubs	39.5	36.5
Tigers	28	47
Zebras	25	50
Leopards	23	52
Wolves		

High game: Burt Retzkin - 224
High series: Monroe Swerdlow - 636

High Team Games: Bobcats - 891
High Team Series: Bobcats - 2501.

Everyone is invited to watch his individual hero in action every Wednesday night at 9:00 p.m. at the Jericho Lanes on Jericho Tpke. in Woodbury. The club plans to expand next season to include two more teams. Anyone interested in

participating contact Al Friedland at WE 15-8-0587.

BOWLING LEAGUE

At the mid-season point the standings in the Jericho Bowling League showed a very tight fight for No. 1 position. The Club Standings as of Dec. 27, 1960 were:

Team	Won	Lost
Dodgers	37	23
Cubs	35	24
Cardinals	32	28
Braves	30	30
Giants	24	36
Indians	24	36
Pirates	24	36
Phillies	22	48

High Game - Norman Zinn - 221.
Hank Halberstadt - 218
High Series - Norman Zinn - 590.
Hank Halberstadt - 551
High Team Game - Phillies - 801.
Dodgers - 791
High Team Series - Braves, 2166.
Indians - 2236.

Bowling night is Tuesday at 9:00 p.m. at Westbury Bowl. This league is contemplating expansion to ten teams next season. Anyone interested contact Harold Gaines at WE 15-1740.

STOP SIGN

(Continued from West Birchwood Front Page)

Indications are that the principal violators are "outsiders" - construction workers, delivery trucks, salesmen. But more than a few infractions by Birchwood residents were also noted.

Sheldon Kantor, Hal Marlow, Leon Shaeffer and Kathy Kantor were appointed to survey the condition. They agreed that a hazard existed and recommended that two stop signs be placed on each of the four streets involved.

In another matter, the Welfare Committee has been urged to remind residents that the Town imposes a fine of \$25 on the owner of any dog allowed to "run loose or be at large" or not "under the immediate control of the owner."

But the principal motivation for good dog-manners is the consideration that it could be your lawn or driveway that becomes an object of fancy for a neighbor's dog. Nothing else is guaranteed to make a dog owner more conscientious more quickly.

Urge Support For Foundation

The National Foundation has launched a massive assault on the problems of birth defects (congenital malformations), arthritis, as in polio, to aid the patients suffering from these conditions, as in cases with any uncontrolled disorder.

That is why care and research seeks to develop a means for prevention and cure. That is why American people realize that patients suffering with arthritis, birth defects, etc. can be helped. By assisting community education programs, the Mothers' March, by contacting women's civic and service organizations, the American public can do their share. That is why Mrs. David Kassen, District Chairman, makes a plea

LEGAL NOTICE

The annual meeting of the stockholders of Plain Lawn Cemetery will be held at 295 West Old Country Rd., Hicksville, New York on Tuesday, January 31, 1961 at 2:30 p.m. for the purpose of electing directors and for the transaction of any other business that may properly be brought before the meeting.

DSx1/26

Supreme Court, Nassau County: The Dime Savings Bank of Brooklyn, N.Y., against Julius Spanier, et al., deft. Pursuant to judgment entered November 25, 1960, I will sell at public auction in the Rooms of the Old County Court-house, Franklin Avenue, Mineola, N.Y., on January 23, 1961, at 10:00 A.M., premises with the improvements thereon and appurtenances thereto, situate in the Town of Oyster Bay, Nassau County, N.Y., designated as lot 35, block 120, on map entitled, "Map of Southwood at Syosset, Section 9" filed in the Nassau County Clerk's Office on April 8, 1953, under the file No. 5777, together with the interest of the parties in the abutting street, all as more fully described in said judgment. James D. G. Murray, Referee. William A. Anzalone, plf's. Atty., 9 DeKalb Ave., Bklyn, N.Y. CO2x1/19

MOTHERS TO BE listen attentively to Mrs. Edith Reed of the Oyster Bay Visiting Nurse Assoc. during course for expectant mothers at the Community Hospital at Glen Cove. The next series of classes, to be given free of charge, will start on Jan. 13.

NICHOLAS VICTOR VANACORE of 36 Miller Rd., Hicksville, (at left) recently enlisted in the U.S. Navy as a High School Airman Recruit at the U. S. Navy Recruiting station at 67 North Broadway, Hicksville. He hopes to join his brother, John (right), who enlisted at the centre last February.

Check Laws Before Fencing In

A warning to fence builders went out from the West Birchwood Civic Assoc. Community Welfare Committee at its last meeting.

The group urged that fence builders first check town ordinances before digging the first post hole.

The permissible height for rear fences, for instance, differs from that allowed for a fence in front

of the house. There are literally dozens of regulations that spell out the specific legal rights of homeowners and their wishes to erect property boundaries.

Effort Sheffman has a complete set of the various codes involved. He can be reached at WE 8-7813. The material in his possession will be loaned to any interested party in the community.

Art Classes to Register

Art Classes are beginning again at Birchwood Civic Assoc's Art Group. There will be only two spots for registration. Classes will be for beginner, intermediate and advanced art students. Registration will be held on Tuesday, Jan. 17th and Thursday, Jan. 19th from 8:30 P.M. to 10:00 P.M. at the home of Mrs. J. Singer, 30 Hightop Lane, Jericho. For further information call WE 8-8228.

JC Sisterhood Offers Comedy

The Jericho Jewish Center Sisterhood is presenting an original musical comedy "Don't Call Us". Saturdays, Jan. 28th and Feb. 4th. If you have seen any of Sisterhoods productions before, then you surely will not want to miss this one, and if this is a first for you don't delay another moment. You can purchase your tickets from Mary Mann, OV 1-1584. This charming production is being directed by Harold Pepper, whose past successes in our community have been "Anniversary Waltz and Marriage is So Legitimate". Mrs. Dorothy Saunders, the every popular and lovable gal of the Saunders Dancing School, is choreographer. So hurry - don't delay "DO CALL US" - for tickets to this gay musical "DON'T CALL US". Remember, Sat Jan 28th at 11 Southwoods Junior High School, and Saturday, Feb 4th at the Syosset High School.

Spotlight on HEALTH

Science Features

Teeth And Texas

Oil, beef, and tall stories aren't all that Texas exports. Far out of a Panhandle county named Deaf Smith, and its county seat of Hereford, has come the answer to the cause and prevention of mankind's most prevalent ailment - tooth decay - medically known as dental caries.

The cause of tooth decay, as Deaf Smith County's inhabitants and one pioneering dentist have proved, is a nutritional deficiency - chiefly in the rare element, fluorine. Its invention, as studies have proved to the satisfaction of both the American Dental Association and the American Medical Association, can be achieved by adding fluorine to drinking water.

Simply bringing the content of fluorine for up to 1 part in 1 million parts of water has reduced caries in public school children of Newburgh, N.Y., and Brantford, Ontario, and other test cities, by about half.

Deaf Smith County had been settled for about 50 years when Dr. George W. Heard hung out his shingle there in 1917.

He soon learned that there was little call for his services in Hereford. Persons who had lived thereabouts all their lives didn't seem to have caries and had never had any. Persons who had lived there ten years or less sometimes showed old cavities that had "healed over" and stopped growing.

In time, after studying the soil of Deaf Smith County, and the vegetables, meat, milk and cereals grown there, Dr. Heard came to the conclusion that the trace minerals in their food - chiefly fluorine and phosphorus - were responsible for the remarkable immunity his neighbors showed to dental caries.

Then Dr. Heard began a one-man campaign - at dental society meetings and through dental journals - to convince his colleagues that the real cause of caries was not, as the textbooks taught, bacteria but nutritional deficiencies which caused teeth to be susceptible to attack by bacteria.

At first, the dentist from Hereford, Tex., was brushed off as a crackpot. After years of button-holing authorities, Dr. Heard finally persuaded Dr. Edward Taylor, a Texas public health offi-

cer, and a dentist, to visit Deaf Smith County. Dr. Taylor drove there and the county, stopping here and there and examining the teeth of the inhabitants at random. He examined 56 persons, aged 2 to 60, and found not a single cavity.

That turned the tide. The U.S. Public Health Service studied caries in Galesburg and Quincy, Ill. Galesburg water comes from deep wells and contains a high level of fluoride - and other trace elements. Quincy inhabitants drink surface water from the Mississippi which contains virtually no fluoride. Result: few caries in Galesburg, many in Quincy. Other studies followed, each confirming the last. The medical profession was convinced - but many among the public have not been, with the result that proposals to fluoridate public water supplies have been defeated in many communities.

Fortunately for the families who have been deprived of sufficient fluoride by political action, Crookes-Barnes Laboratories of Wayne, N.J., has now made available a solution, Les-Cav, which physicians and dentists can prescribe to bring any child's fluoride intake up to the optimum. A few drops in milk, juice or water conscientiously administered will achieve the same effect as fluoridation of the water supply. Today dental health of children no longer rests on political decisions.

Housecleaning Hints

Do you have a few copper pans or molds that you'd like to display but have no space in your kitchen? Here's one way to solve it. Make shutters of pegboard and place on both sides of a window for hanging saucepans, interesting molds. The shutters can be painted any color to harmonize with the kitchen scheme. Pans may be kept bright and shining with new formula Twinkle Copper Cleaner that retards tarnish.

Heavy smokers in the family not only fill up ashtrays but also cause a smoky film to collect on windows. The best remedy for this is to keep Windex, the convenient blue spray cleaner, handy. Spray lightly, wipe completely dry with a paper towel, and the windows will sparkle in a jiffy. Give mirrors and television screen the same treatment often.

Preventive maintenance in the home is one way to ward off expensive repair bills. For instance, a clogged-up drain can mean a costly repair bill from the plumber, but by using the special drain cleaner once a week the cost is only a few cents and assures free-flowing, sanitary drains, without harm to pipes or drainage systems.

Your Beauty

by Lady Esther

Green-eyed Sophia Loren who has achieved fame as an international beauty and a glamorous star of American pictures will next be seen in "El Cid," a Samuel Bronston production. Looking at lovely, long-stemmed, shapely Miss Loren today, it is hard to believe there was a "ugly duckling" story in her background. She blossomed into a woman of breath-taking beauty. Part of it is due to her passion for self-improvement.

Here are 8 tips on a scheduled Miss Loren herself observes:

1. For muscle tone: walk as much as you can. Switch heel heights from high for street to low around the house. A steady diet of high or low heels makes muscles lazy, thickens legs.
2. Fleishy knees: lie with leg up, rotate lower leg from knee.
3. Fleishy ankles: same rotating process, done at ankle.
4. Bulgy flabby thighs: bump thighs from side to side.
5. Exercise for entire leg: bicycle, real or make-believe.
6. Rough skin smoother: Plenty of rich lotion applications: also Vitamin A as in apricots.
7. Hair-removing is best done with waxes.
8. Pedicure, for finishing note of leg glamour.

"Beauty care does not end with the face and neck. Too often women neglect the obvious, legs for example. Knee caps, heels and behind the knees get flabby and wrinkle before other parts of the body."

Lady Esther's silicone-laden turquoise Hand and Body Lotion is the most softening, smoothing emollient to massage well into the skin, to keep these dry areas limber, supple and young-looking. A daily massage with this oil-replenishing lotion also helps to stir up circulation besides beautifying. Lady Esther's Hand and Body Lotion is also a beauty balm against chapping. Make it a daily year-around routine to enrich the dried-out skin of your legs that suffer from constant exposure in every season.

Proper Planning Assures Success Of Residing Jobs

Manufacturers of building materials report that more American homes are being remodelled this year than ever before.

"Despite recent record home building, America remains dependent upon its older homes to shelter the great majority of its population," John W. Brown, president of the Asbestos-Cement Products Association, said recently in reporting on 1960 building.

"These older homes are large and sturdily constructed. When properly maintained, they offer many advantages and when neglected can be restored at a fraction of cost of new construction," Mr. Brown explains.

"The improvements usually most needed in older houses are new side-walls and roofs. These areas, subjected to the full impact of time and weather, suffer both in appearance and the ability to give necessary protection," Mr. Brown points out.

"Proper planning and attention to details will help assure success in residing an older home," he advises.

To help home remodelers, the industry has six suggestions:

1. Use competent and experienced workmen.
2. Select a side-wall material that is durable, easy to apply and can withstand the test of time weatherwise. Asbestos-cement for example is one of the hardest of all modern building materials. Made of Portland Cement and asbestos fibers, the material will not rot, rust or burn and will resist damage by water, hailstones, ice, heat and cold.
3. Consider having the siding applied in a manner that will accentuate the horizontal shadow lines.
4. Choose side-wall colors to harmonize with the roof and environment. Siding materials now come in a host of decorator colors. Asbestos-cement siding, for example, is being offered in more than 100 different hues and shades, many with plastic or baked-on finishes that give lasting beauty and durability.
5. If new gutters and downspouts are needed, install them before new siding is put on. This will prevent damage by storms.
6. Ask the contractor to explain the several corner treatments possible and choose the one best suited for your house.

Gift Problems?

Teen-age nephew: If he has a hobby, a gift certificate is fine, otherwise, you might be well-advised to try a modern speedshaver or battery-powered Sportsman.

Niece (also a teenager): She'll love you if you'll admit she's growing up with a gift certificate for a hand beauty parlor, or the dainty Coquette electric shaver.

With a little thought, special problems can become special pleasures.

HUNTERS' HELPER

FLARE RED FOR SAFETY

With a record number of hunters hitting the trails in search of game this year, the woods and fields are becoming increasingly hazardous. As an aid to accident prevention, Barco's new pocket-size "hunters' pack" are being used in the woods. The bright red color eliminates that flash of white which can signal "blow" to other hunters.

Mitchel Hosts 13,000 Visitors

Guided tours are the order of the day, every day, at Mitchel Air Force Base.

Throughout the past year, as in previous years, Mitchel's doors have been open to the residents of the New York metropolitan area and its suburbs, thus enabling another 13,000 citizens to see first hand an Air Force installation at work.

An end-of-the-year tally by the Base Information Office shows that 266 individually conducted tours were given during 1960 for students, youth groups, and other civic organizations. "This figure," stated TSgt Carl Lanning of Milwaukee, Wisconsin, who is in charge of the guided tour program, "does not include foreign dignitaries touring Mitchel, AF-ROTC and CAP Cadets who frequent the base for overnight stays, or the Air Explorer Program."

Young Democrats To Celebrate

The Nassau County Young Democrats will sponsor an inaugural party at the Garden City Hotel, on Jan. 20th, at 8:30 p.m., it was announced by Young Democratic Chairman Sy Reisman, of Garden City.

The Party will be open to all persons between the ages of 18 to 35 who wish to help celebrate the inauguration of President-Elect John F. Kennedy. There will be entertainment and dancing for all.

The committee includes Marlene Stouman of Jericho.

Peter J. Kahn, son of Mr. and Mrs. Ely A. Kahn of 6 Evelyn Road, Plainview, has recently been appointed as an ex-officio advisor to the Financial Committee of the Student Council at the Rhode Island School of Design in Providence, R. I.

Grumman Builds Nine Aircraft

A significant contract to produce a spacecraft, the beginning of production on the first open ocean hydrofoil vessel in the world, and the acceptance of two modern aircraft weapons systems by the U.S. Navy were among the achievements of Grumman Aircraft Engineering Corp. of Bethpage during 1960.

"The past year," stated E. Clinton Towl, Grumman president, "has been highly successful and rewarding. Significant contracts to produce or develop hardware have greatly expanded the base of the company's activities."

"Our capabilities and technical knowledge have been increased, and Grumman's personnel exhibit a combination of youthful eagerness and mature experience."

"Gross sales for 1960 will exceed the 1959 total - which was the highest peacetime total (\$288,976,629) ever accumulated at Grumman. Armed as we are with a diversity of products, projects and technical capabilities, Grumman is in a position to expand its business frontiers and further increase the company's profit potential on the new year, and succeeding years."

At year's end, 9 aircraft were on Grumman production lines and development of one missile continued. They were: W2F-1 Hawkeye and WF-2 Tracer (early warning of attack); S2F-1 and S2F-2 Tracker (anti-submarine); A2F-1 Intruder (low altitude attack); SA-16B Albatross (utility and anti-submarine); AO-1 Mohawk (observation); Gulfstream (corporate transport); Ag Cat (agricultural) and Eagle air-to-air missile.

The A2F-1 Intruder, marking Grumman's entrance into the attack aircraft field, and the W2F-1 Hawkeye were the two aircraft accepted by the Navy during 1960.

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE is hereby given that

on or before 8:45 PM on Jan-

26th, 1961, at which time they

will be obtained during regu-

lar hours of 8:00 A.M. to

5 P.M.

By reason of uniformity only

WILL GIVE RECITAL

College Misericordia, Dallas, Pa. will present the senior recital of Patricia Sladish on Saturday evening, Jan. 14, at 7:30 in Walsh Memorial Auditorium.

Her recital in trumpet will be Patricia Sladish's partial fulfillment of the degree of Bachelor of Music Education at College Misericordia. The course in music education which College Misericordia offers is the preparation for teaching or supervising of the elementary and secondary school systems. Each candidate must also have a minor field of interest, that is, a performance area in which she excels. These may be voice, piano, or any of the orchestral instruments. Miss Sladish has studied trumpet at College Misericordia under Ross Tarnowski.

LEGAL NOTICE

The Board of Fire Commissioners reserves the right to reject any and all bids, to waive any informalities therein, and to accept the bid which it deems most favorable to the interests of the District after all bids have been examined and read.

BY ORDER OF THE BOARD OF FIRE COMMISSIONERS, BETHPAGE FIRE DISTRICT.

Dated: Bethpage, N.Y. January 9th, 1961 D9x1/12

At a Special Term, Part II of the Supreme Court, State of New York, held in and for the County of Nassau at the Courthouse, 33 Willis Avenue, Mineola, New York, on the 5th day of January 1961.

PRESENT: Hon. Howard T. Hogan Justice.

In the Matter of the Application of JOHN ANDREW TARNOWSKI a/k/a JOHN TARNOWSKI, and MILDRED TARNOWSKI, his wife,

Petitioners for themselves and in behalf of JAY DENNIS TARNOWSKI, their infant child, to change their names to JOHN ANDREW TARNOW, MILDRED TARNOW and JAY DENNIS TARNOW

Upon reading and filing the joint petition of JOHN ANDREW TARNOWSKI, a/k/a JOHN TARNOWSKI, and MILDRED TARNOWSKI, duly verified the 21st day of

2nd Wheelchair Lions Rump Over Jets 61-28 Game Jan 28

The Second Annual Wheelchair Basketball Game sponsored by Cub Scout Pack 291, of Trinity Lutheran Church, will be held on Jan. 28th in the gymnasium of the Hicksville Junior High School at 8:00 P.M.

This will be a league game featuring the Bulova Watch Makers versus the New England Clippers.

It proved a wonderful experience for all who attended last year. Tickets will be on sale at the door the evening of the game. The price of admission is \$1.00 for adults and \$.50 for children.

LEGAL NOTICE

December, 1960, praying for leave to assume the names of JOHN ANDREW TARNOW and MILDRED TARNOW, respectively, and for their child, JAY DENNIS TARNOWSKI to assume the name of JAY DENNIS TARNOW, in place and stead of their present respective names.

AND it appearing that the said petitioner, JOHN ANDREW TARNOWSKI, a/k/a JOHN TARNOWSKI, was born on April 25, 1918, at 59 East 118th Street, in the Borough of Manhattan, City of New York, County and State of New York, and that the certificate of his birth issued by The City of New York, Department of Health, bears Certificate No. 20951; and that said petitioner, MILDRED TARNOWSKI, was born on February 14, 1924 at Fordham Hospital, in the Borough of The Bronx, City and State of New York, and that the certificate of her birth issued by The City of New York, Department of Health, bears Registered No. 2092; and that their said child, JAY DENNIS TARNOWSKI, was born on September 22, 1947 at Lebanon Hospital, in the Borough of The Bronx, City and State of New York; and that the certificate No. 17999; and it appearing to the satisfaction of the Court that said petition is true and that there is no reasonable objection to the change of names proposed and that it is in the best interests of the said infant child.

NOW, on motion of SAMUEL SCHAEFFER, attorney for said petitioners, it is

ORDERED that petitioner JOHN ANDREW TARNOWSKI, a/k/a JOHN TARNOWSKI, born on April 25, 1918 at 59 East 118th Street, in the Borough of Manhattan, City and State of New York, with birth certificate No. 20951, issued by The City of New York, Department of Health, be and he hereby is authorized to assume the name JOHN ANDREW TARNOW; and it is further

ORDERED that petitioner MILDRED TARNOWSKI, born on February 14, 1924 at Fordham Hospital, in the Borough of The Bronx, City and State of New York, with birth certificate No. 2092, issued by The City of New York, Department of Health, be and she hereby is authorized to assume the name of MILDRED TARNOW; and it is further

ORDERED that JAY DENNIS TARNOWSKI, born on September 22, 1947 at Lebanon Hospital, in the Borough of The Bronx, City and State of New York, with birth certificate No. 17999 issued by The City of New York, Department of Health, be and he hereby is authorized to assume the name of JAY DENNIS TARNOW; and it is further

ORDERED that the said petitioners and their said child are authorized to assume the said respective names, upon condition, however, that they shall comply with the further provisions of this

By HENRY UFFMANN, Jr.

The Hicksville Police Boys Club began its senior division basketball league on Jan. 3. Opening the league was a romp by Hicksville Lions over Farmingdale Jets, by the score of 61-28.

Both teams put on a good display of good basketball with a number of hooks, driving lay-ups, and set shots. The top scorers of both teams were Rich Simpson with 15 points, Tom Man-

astake with 14, and Larry O'Brancan with 12 for Hicksville. The star of Tuesday night's game was Rich Simpson getting rebounds off Farmingdale's backboards and making key shots for Hicksville.

Playing also at Hicksville were the Bethpage Eagles and Levittown Raiders. The winner of this match was Bethpage, winning by the score of 49-37. The top scorer of both teams on Bethpage was Kronberg with 18 big points.

Dutch Lane Tourny Champs

The final championship of the Hicksville School District Recreation Holiday Tournament was decided Saturday, Jan. 7 at the Old Country Road Elementary School. Dutch Lane defeated the defending champion Lee Avenue 17 to 4. In gaining the championship Dutch Lane swept through 4 games without a defeat.

Members of Dutch Lane include Frank Flynn, Tom McGowan, Mark Bannan, Robert Hasse, Robert Muller, Ronald McClain, Richard Fuchs, Kevin Bailey, Charles

Levine, James Cara, Richard Morasco, Jay Shenda, and Coach Sid Fein. The boys received their trophies at the school assembly yesterday.

Other champions from the tournament were St. Ignatius Yellow-Community Elementary Champions, Holy Cross - Jr. High Champions and Trinity Lutheran - Senior High Champions. A total of 29 teams participated in the Holiday Tournament the largest amount since the tournament started two years ago.

LEGAL NOTICE

ORDERED that this order be entered, and the petition upon which it is granted, be filed within ten (10) days from the date hereof in the office of the Clerk of the County of Nassau, and that within twenty (20) days after the entry hereof, a copy of this order shall be published in the Mid-Island Herald and that an affidavit of publication thereof be filed in the office of the Clerk of the County of Nassau within forty (40) days after the date hereof; and it is further

ORDERED that upon compliance with all of the above provisions herein contained, the said petitioners, JOHN ANDREW TARNOWSKI, a/k/a JOHN TARNOWSKI, and MILDRED TARNOWSKI, and their child shall, on and after the 20th day of February 1961 be known respectively, as and by the names of JOHN ANDREW TARNOW, MILDRED TARNOW AND JAY DENNIS TARNOW, which they are hereby authorized to assume, and by no other names.

ENTER: Howard T. Hogan Justice of the Supreme Court of the State of New York

GRANTED: Jan 5-1961 Francis J. Anderson Clerk D7x1/12

Notice to Bidders Transportation of Pupils

The Board of Education of Union Free School District No. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York, (in accordance with Section 305 Subdivision 13, of the State Education Law) hereby invites the submission of sealed bids on Transportation of Physically Handicapped Pupil for balance of the School Year 1960-61. Bids will be received until 2:00 P.M. on the 23rd day of January, 1961, at the Superintendent's Office Administration Building, Newbridge Road, Hicksville, at which time and place all bids will be publicly opened.

Instructions to Bidders, Specification and Forms of Proposal may be obtained at the Business Office, Administration Building, Newbridge Road, Hicksville, New York.

The Board of Education reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the District. Any bid submitted will be binding for forty-five (45) days subsequent to the date of bid opening.

BOARD OF EDUCATION UNION FREE SCHOOL DISTRICT NO. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York

Meadow Brook Votes Dividend

Stockholders of The Meadow Brook National Bank, at the Annual Meeting held Jan. 10 at the West Hempstead Office, authorized the issuance of the shares to pay the 2 per cent stock dividend declared by the Board of Directors on Dec. 6, 1960.

The dividend was subject to the approval of the Comptroller of the Currency. The stock dividend is in addition to the cash dividend of \$2.00 per share declared on Jan.

The Meadow Brook National Bank has outstanding 2,785,231 shares of its capital stock. The 2 per cent stock dividend calls for the issuance of approximately 55,704 additional shares.

Stock certificates will be issued in lieu of fractional shares which will offer shareholders the option of converting them into cash or purchasing additional fractions to make a full share.

Stockholders also authorized the issuance of 56,818 additional shares to be used for a stock dividend in July 1961. If such a dividend is declared by the Board of Directors, The Board has signified its intention to consider an additional stock dividend to be paid in July 1961, if approved by the Comptroller of the Currency. The Board has further indicated it will also give consideration to a cash dividend at that time.

Joins Navy

The Navy announced the enlistment of Peter Francis Molloy, son of Mr. and Mrs. Peter Molloy of 23 Beacon St., Hicksville. Peter enlisted on the 3rd of the month and will take nine weeks recruit training at the Naval Training Center, Great Lakes.

Upon completion of recruit training, Peter will have two weeks leave at home to enjoy with his family and friends. Peter is one of several young men from the Hicksville area who have recently taken advantage of the many fine opportunities offered by the navy today.

Quality Work Always

Annual Meeting

The Girl Scout Annual Meeting will be held next Thursday, Jan. 19, at 8:00 P.M., in Levittown Hall, Hicksville.

There will be cookie, program, and cabana displays plus a rose display featuring the Golden Rose for the birthday years. A short movie of the Mexico trip and movies of the 1960 convention at St. Louis will be shown.

Mrs. Lawrence Leight will present the study of delegate membership in a Girl Scout Council and the election of new Girl Scout Officers and Board of Directors will be held.

All registered Girl Scout adults are urged to attend, especially you leaders, as a special surprise is in store for you.

Here's how the Wide-Track Pontiac keeps pace
with your stepped-up driving schedule!

Pontiac for '61 is tuned and tailored to enliven the extra hours you spend in a car. Weight is trimmed to give you more action with less expense. Wider doors open farther to ease your getting in and out. There's more room inside. Outside, Pontiac has a more parkable, garageable size. You maneuver without effort, sit steady

and straight on curves and corners. This comes from the built-to-the-road stability of new Wide-Track. And Pontiac's famous V-8 performance lets you take city or turnpike travel with assurance.

Choose the car that has kept pace with the change in your driving habits. Inspect, drive, select the '61 Pontiac of your choice.

THE ONLY WIDE-TRACK CAR!
Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

PONTIAC '61 - IT'S ALL PONTIAC!
