

Our Main St Reflects Passage of Half Century:

TOP LEFT: Broadway, Hicksville, looking south from the RR crossing at the turn of the century (around 1900). Trees lined the main street. Hahn's Dept. Store was at the left and the Catholic Church steeple is visible in the distance. TOP RIGHT: looking north at the RR crossing about the late 1920s when cars were permitted to park diagonally on the one side. The Professional Bldg. is at the right and the trees are gone. BELOW: More recent view of Broadway, again looking south, from the roof of the Professional Bldg. Parking meters have replaced trees and hitching posts along the curb. The Catholic Church steeple is again visible.

65th Anniversary For Union School

Hicksville is celebrating the 65th anniversary of the establishment of a Free School in the community this year. The Board of Education, adopted a resolution suggesting that all join in the celebration of this event during the current year and named Walter Reiber, secretary of the Board of Education, coordinator of events to be held to observe the occasion.

Hicksville had a public building back in 1853. It was that a public meeting was the result of a petition and Union Free School. It is along the first of such schools established on Long Island.

This year is being designated, by a resolution adopted, to review the past and the growth and achievement, to project into the future. A resolution states: "This is one which not only gives us a review of the past and the growth of our schools, the growth of the public-spirited who have served the cause of education in the past as members of the Board of Education, but also is an occasion for reviewing our aims and goals in the future."

In residents (the law requires at least 15) petitioned the Board of the Common School District in 1896 to hold a vote on the question of a Union Free School. The vote was held with 65 qualified present. Fortythree voted in favor and 22 were opposed. After the vote was made known, the Board voted to make it unanimous.

The months ahead the HICKSVILLE HERALD will publish interesting and detailed information concerning the early days of the Hicksville School District.

Hear Debate On Russians

The Ernest F. Francke Republican Club heard a spirited debate, Friday night, on whether this country should confine its negotiations with the Russians to the United Nations.

Sylvia Matthews and Eric Swedberg spoke in favor of keeping negotiations within the U. N. on the basis that this would decrease the chance of a global war.

The opposing team of William L. Maher and Dominic Palladino told the audience at the Masonic Temple that in addition to using the U. N., the U. S. also should negotiate directly on the ambassadorial level and take any direct action that is necessary.

It was announced that the Club's dinner dance March 18 at the Old Country Manor is almost a sell-out. A floor show and a six-piece orchestra is planned for the fete, which will honor President Phillip Robinson.

The Club's social committee is planning a series of dance lessons at the Hicksville Arthur Murray studio. Members and other interested persons should contact Lydia Zybertovich at WE 5-4355 or Robert E. Kluck at WE 1-4485. A Junior Olympics for Hicksville youth is being planned this spring, according to Eugene Burke, youth activities chairman.

Police Warn Curb Parkers

Nassau County Acting Commissioner of Police Andrew N. Kirk, in the wake of the last major snow storm, warned motorists, in any future snow storm, not to abandon their cars and not to park them so as to interfere with the movement of emergency vehicles and the clearing of streets.

"Because of the seriousness of the situation created by abandoned cars and those parked so as to interfere with road-opening," Kirk said, "we will be forced to issue summonses and tow the cars out of the way."

He indicated that towing will be handled by the Police Dept. Where necessary, cars will be towed to nearby garages and owners will be charged a towing and parking fee.

The ban, he added, will apply to all county, town and state roads policed by the County Police Dept.

COMEDIAN AS GUEST

Democratic Zone Leader Edward J. Morris of Hicksville has announced that TV comedian Phil Foster will be among the big-name entertainers at the Nassau County Democratic Club.

'Baby Blue' Turns to Gold

by Joseph Koerner, Head Custodian
Hicksville Junior High School

The rock 'n roll set of Hicksville School District finally hit pay dirt with what looks like a big hit. The "Baby Blue" record should be turning to gold any day now. Samuel J. Gullino, Asst. Principal at Old Country Rd. School and Valerian Lagueux, Instrumental music teacher at the junior high, collaborated on the words and music. Sam Gullino, better known as "Sad Sam" to his friends and other acquaintances, acted as spokesman for the duo. His advice for all neophyte songwriters was -- "Never despair -- 'Baby blue' gathered dust for three long years before it was finally recorded. We came close on a number of occasions but I guess the world of music wasn't ready for us yet."

Look for big things from this new pair of rock 'n roll artists. They have a half dozen numbers dusted off and ready to be waxed. "Baby Blue" recently finished a very close second to an Elvis Presley number. Only 30 votes separated first and second place for the hit of the week record. The "Baby" should leave Elvis gasping for breath in the weeks to come. It's a real sleeper.

Scout Reports on Town Govt Day Memory Expert Jr High Feature

By George Frey
Star Scout

On Feb. 10th, twenty two Boy Scouts from Nassau County attended the annual Boy Scout Government Day held at Town Hall, Oyster Bay.

At 12:45 PM the Scouts reported to John Dowling who instructed us on the various department jobs to which we were assigned for the day. My position was that of Comptroller. After the briefing we all went to our designated areas. At the Comptroller's office I was introduced to Joseph Macdonald and was shown all of the office equipment. I learned how the books are kept, claims paid and how bonds and notes are transacted by the Township. Several of the other positions the Scouts held were Supt. of Highways, Beaches, Parks, Sanitation, Town Clerk, Collector of Taxes, etc.

At 3:30 PM we all reported back to the Court Room where we acted out an actual Town Board meeting. Each Scout gave a report on his findings for the day. When our reports were completed, John Burns, Supervisor of the Town of Oyster Bay, congratulated the Scouts on being chosen for participation in the Scout Government Day Program. He introduced several members of the actual Town Board Officials to the Scouts and the parents that were present.

After a short talk on the day's proceedings, Mr. Burns, who is also the President of the Nassau County Council, BSA, presented each Scout with official documents affixed with the seal of the Town of Oyster Bay for the parts played in the day's program.

The program for the evening will be something different and unusual with Herb Pollen, memory course instructor, as the speaker. He is the only individual licensed on the subject in the public schools of New York. Wm. M. Gouse Jr.
Post 3211, Hicksville
By Lou Palladino

After all the bad weather we've been having and some of my grief behind, we'll try to inform you about our Post. There are a few things that you should know about and maybe help out a bit. Remember, every comrade in the post can be helpful by whatever bit they do.

First, on the agenda, is our annual dinner dance. It will be held this Saturday, Feb. 18, at 8:30 p.m. We haven't received quite the enthusiasm we expected. What we mean, we have not received the amount of reservations we hoped for. You still have time to do so if you are interested. Give Les Leide or myself a call, and we'll take care of it. Les is the chairman of the affair. We expect, as usual, to have a good time. Oh yes, it will be held at the Milleridge Inn in Jericho. This is the ideal time to take the little woman and give her a real good night out. And if you do miss this affair, all that can be said is shame on you.

Another important item is dues. Would you believe it, that at this late date, we have some com-

rades that have yet to pay their dues. If it has slipped your mind, take a look and see if you have your card for 1961. If you haven't please don't wait any longer to send it in. We would like to close our books for the year. There aren't many of these delinquents but enough to keep us from our 100%. If you are one of the guilty party, please send it in as quickly as is possible. Don't hold us up any longer. Thank you.

Too late to talk about our Christmas party, or the New Year's eve party, but both turned out very well. So we'll let that go. Though Andy Sadowsky and Artie Fuelling do deserve mention for doing a good job.

Bill Moran a reporter on youth activity. We won't speak much on this, but Bill is doing quite a job from the report he made. Why we won't give anything clearer on this report is because Bill is working on something, and if it doesn't pay out, it will be a big disappointment to us. When we do get a definite "yes" or "no", then we'll give you a complete report. At this sitting all that be said is its for our children's activity.

Anybody want a job as a construction inspector? Understand civil service is giving a test for it.

ENGAGED

ANNE C. ROTTKAMP

Mr. and Mrs. Cyril Rottkamp of 636 Carman Ave., Westbury, have announced the engagement of their daughter, Anne Clare, to John D. Berutich of East Williston. Miss Rottkamp is an alumna of St. Ignatius and Sacred Heart Academy and will soon graduate from St. Vincent's Hospital School of Nursing.

Her fiancé, the son of Mr. and Mrs. Arthur T. Berutich, is a graduate of Chamade High School and is currently a senior at Providence College, R.I.

Mr. and Mrs. Laurence Huttie of Notre Dame Ave., Hicksville, announce the engagement of their daughter, Judy, to Richard Proffie, son of Mr. and Mrs. Richard Proffie, of Burns Ave., Hicksville.

Both Miss Huttie and Mr. Proffie are graduates of Hicksville High School. Miss Huttie is an employee of the Long Island National Bank, Hicksville. Her fiancé is presently with the Naval Reserve at Great Lakes, Ill.

BETWEEN DEADLINES

We had a rare opportunity to take a couple of good high-down-looks at Hicksville, Friday morning, from a perch about 2500 feet overhead. We flew with Jim Brostman of Farmingdale in a Piper Tri-Pacer over Hicksville and a good part of Nassau and Queens on the Skyway Patrol of Radio Station WFYI.

It has been a number of years since we enjoyed the thrill of flying in a small plane over Hicksville. In fact, it was the first time in almost a decade.

John Froge, news director of WFYI, had arranged for us to fly with Jim. The radio station has a plane in the sky every morning, reporting on traffic conditions between about 7:15 AM and 8 AM. During the flight, we were in two-way radio conversation with Mr. Froge and when we got on the air, we launched into a spiel that must have sounded like the Chamber of Commerce had bought radio time.

After landing at Zulu's, we took off again for the "Bird Feeding Operation" which is sponsored by the station. We tossed 250 lbs of handfuls of corn into the air over Zulu's Bay and vicinity to provide our feathered friends with something nourishing. This part of the flight was more thrilling. It included some low swoops and sharp turns as we held the back door open with the left hand and doled out corn with the right hand. We got back to Zulu's from the second trip about 10 AM.

The Tri-Pacer is owned by Sig Uydert of 52 Rover Lane, Hicksville. He operates a flying school at Zulu's. Bert Kallah of North Bellmore, another instructor of flying at Sig's school, generally handles the Skyway Patrol detail.

Since the trip we have discovered that Assemblyman Ed Fehrenbach was driving along the highway Friday morning and he almost lost control of his car when the announcer said we were up there working "For the Birds". It must have been a little disconcerting.

Jim Brostman is also an instructor at Sig's Flying School and his skill at the control made the entire 3 hours in the air a real pleasure. We were up and over to the neighborhood of Jamaica Station in a matter of minutes. While the speedometer said 120 mph, there was no sensation of speed in forward motion. The plane was as comfortable as a family car with the heater in operation. We were sorry we had trouble to bundle up as we left the house at 6:30 that morning.

WFYI is on the air at 1520 and we heartily recommend that commuters and car poolers tune in while city-bound. Traffic clogs are pointed out almost as soon as they occur.

Regents Backs Chiropractor Bill

A bill to license Chiropractors in New York State was introduced Monday, in the Senate by State Senator Dutton S. Peterson with the full approval and support of the Board of Regents and the Department of Education.

Senator Peterson has for many years introduced legislation to regulate and license Chiropractors. While the Board of Regents has, in the past, approved such legislation, this is the first time this body is on record in

supporting such a bill.

In a letter written to the officers of the Chiropractic Assoc. of New York, by James E. Allen, Jr., President of the University of the State of New York and Commissioner of Education, he wrote: "At the meeting of the Regents concluded today (Jan. 26, 1961) I was instructed by them to advise you that the Regents and the Department will support legislation to establish Chiropractic as a profession."

An Editorial

When our Birchwood at Jericho Civic Assoc. grew to over 1500 members some years ago, the cynics predicted that within a short time the Assoc. would surely be gone, be dead or be disintegrating. How wrong they were! Here we are, approaching our 6th year of lively and productive existence, and once again, at our annual elections, the position of Director is much coveted. In fact, 17 of our most civic-minded residents will be competing at the polls, on at Feb. 18th, for 9 Directorships. The winners will serve for two years.

The accomplishments of our Civic Assoc. are legion. Over the years, the Assoc. has been the single most powerful as well as most productive force for community protection, betterment and education. The untold thousands of man-hours devoted to community work by the men and women of the Association have helped to make Birchwood at Jericho a better community in which to live — suburbia at its fairest. The continued self-sacrifice and enthusiasm of the Officers, Directors and members of our Civic Association assure us of a better life for every family in our community. These men and women deserve the thanks of all of us for having given so liberally of themselves. Theirs has been citizenship at its finest.

It is a relatively simple matter for the rest of us in the community to contribute some small measure of effort and enthusiasm towards our own welfare. In fact, it is reduced to the easy task of making an appropriate number of check marks on the ballots that will be provided at the Jericho Country Club on Saturday, Feb. 18th between the hours of noon and 10 P.M. And just moments after performing this simple civic task, you can begin an evening of dancing pleasure to the music of Herb Rosen's orchestra. Refreshments too, will be in abundance.

Message from the Editor

I want to express my heartfelt thanks to the members of the present Editorial Board (see masthead), whose loyalty to THE VILLAGER has been unwavering. Thanks too, to the Officers and Directors of the Civic Assoc., the Committee Chairmen, and the publicity chairmen of the various community organizations for their cooperation in making my job easier. Thanks are also to our advertisers, who have made it possible to keep this newspaper on a sound financial basis. If there are no words adequate to express the gratitude I feel toward our publisher, Fred J. Noeth, for his never-ending advice, cooperation, understanding and help.

And finally, of course, my thanks to you, the public, for your continuous loyalty. It has been your interest, your comments and your enthusiasm that have made this two-year term as Editor one of the most pleasant experiences of my life.

GEORGE J. FRANKEL, Editor

tribute To A Neighbor

by Gilbert B. Stein

Our VILLAGER four years old still going strong. This issue he is the last one under the editorship of George Frankel. He has held this position for the two years. His consistent dedication efforts on behalf of our community will serve as inspiration to whom ever shall succeed him. George Frankel has been a good neighbor to all of us here at

Birchwood. He has guided this newspaper for two years after having served on its board of editors for two years previously. He has never missed an issue. Week after week he has been called upon to write to collect, to edit, to seek news and to put together this package which serves Birchwood as its number one medium of communication. He has sold

President's Corner

The Birchwood Calendar, which has its own peculiar characteristics, is on its last page. Your Civic Assoc. will be holding its annual elections this Saturday. Now, that I am a seasoned veteran of the "Battle of Birchwood", I feel that a personalized review of this year's activities is in order. Physically, I was a young and healthy man when I assumed the Presidency...today, I am a victim of jangled telephone nerves, heavy eyelids from late night meetings, an exile from all forms of "happy home life", and I have noticed that during snow storms I've begun to have feelings of persecution.

Why continue in the job for another year? I could use all the standard phrases about duty and obligation, but I'd prefer to tell you something about the men and women that I've been privileged to work with this year. I enjoy watching them so much that I've decided to stick around awhile.

RALPH DIAMOND, the hardest working, gavel bangiest, and most dedicated Chairman of the Board that one could wish for...MARTIN LAWRENCE, who straightens half our committees out while serving as First Vice - President...HORACE STERLING, who works hard guiding the other half of our committees...WALTER SUGARMAN, who keeps our feet out of our mouths in his role as parliamentarian, and also heads our Health, Safety and Sanitation Committee...NORMAN COHEN, our watch-dog of the exchequer, and you should try to get a check out of him...HORACE BERNSTEIN, who mails membership bills and mails...and mails...and mails. A man who devotedly regards each member as a personal friend...BEVERLY GELLMAN, is officially titled Corresponding Secretary, but fortunately her duties have never been clearly defined, so that she does a great deal of a great many things, and all of them well. (Remember if you're not getting your Villager, stop reading this immediately and write a note to Beverly)...BLANCHE KARPEL, who graces any meeting she attends and uplifts the spirits of weary businessmen has kept an absolutely accurate record of all our meetings, moved questions and other abstract proceedings...

Everyone of the Directors you elected last year deserves a paragraph of their own to describe their efforts, sincerity and accomplishments, but newspaper space is limited. I've tried to thank my Executive Committee, but without the work of all the Directors nothing would be completed, and I am proud of our record this year. Nothing can change the fact that this is our community and its problems are our problems. If we don't solve them they remain to burden us. Your Board of Directors tries to help to keep the problems to a minimum and to solve the ones that come to their attention.

Certainly, I want to thank another group...our membership. No Civic Assoc. exists in a vacuum and without membership that's what it would be. You've helped us by serving on committees, by calling us to complain and keeping us on our toes, and last, but not least by paying your dues.

It's been a hectic and yet gratifying year...Thanks to all of you! This is the month the Girl Scouts are out selling cookies. Please do not turn them away when they ring your doorbell.

Civic Elections Saturday At Jericho Country Club

Two Locations For Voting

The Birchwood Civic Assoc. Election will be held on Saturday, Feb. 18. You may vote from 12 Noon to 6 PM at the un-occupied store in the Birchwood Shopping Center. From 7 PM until 10 PM you may vote, dance, and be refreshed at the Jericho Country Club.

Saturday, Feb. 18th is the day...the day to cast your vote for the candidates of your choice for Officers and Members of the Board of Directors of the Birchwood Civic Assoc. at Jericho for 1961; and in addition, enjoy an evening of dancing, eating and drinking with your friends and neighbors.

Voting will take place at the Jericho Country Club from 7 P.M. to 10 P.M. You may also vote at the unoccupied store in the Birchwood Shopping Center from 12 noon to 6 P.M. remain for dancing. DON'T FORGET TO VOTE.

For your convenience arrangements have been made to expedite the process of voting so that you may be assured of no delay or waste of time. Printed ballots listing candidates for Officers and Members of the Board of Directors will be handed to each qualified voter when they come in. Only fully paid up members of the Civic Assoc. are qualified to vote. You should vote for only one candidate for each officer position and no more than nine candidates for members of the Board of Directors since there are just nine openings on the Board and 17 candidates for the positions. Remember, vote for NO MORE THAN 9 candidates for the Board of Directors. You may vote for less than 9 if you so desire.

Ballots will be counted and tabulated at 10 P.M. and the successful candidates immediately announced. You owe it to yourself and to the Community to cast your vote. Don't fail to do so.

State Aid Rally on Feb 27

by Horace Bernstein

Monday, Feb. 27th 8:30 P.M. the Syosset High School, is the time and place set for a Syosset Mass meeting aimed at demanding gubernatorial and legislative action to increase State Aid to Education, for the relief of local taxpayers.

Your Birchwood Civic Assoc. together with the Bd. of Education, Joint Civic Council, the PTA's and other groups have joined together to present all Syosset taxpayers with the facts surrounding the current fiscal crisis in education. Failure of the Brady-Bridges Bill to become law will cost every Syosset taxpayer \$9.90 per \$100. of assessment or \$72. additional taxes on a home assessed at \$8000. Most Birchwood homes in the Syosset section are assessed over \$8000 so the additional taxes will be closer to \$100 per year.

Efforts are being made to bombard Gov. Rockefeller and the legislative leadership with telegrams and letters demanding relief for these local real estate taxpayers who now bear the brunt of education.

The Feb. 27th meeting will give everyone an opportunity to hear the details of the crisis that has developed on Long Island...the facts as they apply to Syosset and the actual effects that the Brady-Bridges Bill will have on Syosset taxpayers.

We of the Syosset Education Committee of the Birchwood Civic Assoc. strongly urge you to make every effort to attend. This is something that can effect you personally and touch your pocketbook. Only your attendance and help can add to the strength that is needed to gain support of this bill.

Remember the date, Feb. 27th. Monday Night at the Syosset High School.

Chapter Will Nominate

B'nai B'rith Jericho Chapter is holding an important meeting on Wednesday, Feb. 22, 8:30 P.M. at the Jericho Country Club.

Nominations of officers will be presented. Because of Brotherhood Week, the evening will be dedicated mainly to A.D.L. Speakers will be Marguerite H. Lane, from the Queens County Council Opportunity For All Discrimination. The topic of "Equal Opportunity For All Throughout N.Y." will be discussed.

Jericho Aids Snow Victims

by Irving Hershkowitz

During the recent 17 inch snowfall when all of us were practicing the first laws of nature, "self preservation" — there were others within our midst who were far less fortunate because they were unable to employ any methods whatsoever of self preservation — they were completely at the mercy of the bitter elements and were stranded in snow drifts waist high.

This saga took place on Broadway in the vicinity of Jericho Jewish Center while the snowstorm was at its height. Rabbi Steinhart, who undertook the role of "Icelandic Hero", rang the door bells of his many good neighbors in quest for aid for these unfortunate souls and his good neighbors responded magnificently.

They led the stranded motorists to the doors of the Jericho Jewish Center which were opened for them. Food and other comforts were supplied for the victims of the storm.

We aren't aware of the names of the heroes involved in this heroic deed except that they reside in Princeton Park. Their heroism in battling snowdrifts almost as tall as themselves to rescue people who hailed from as far away as Plattsburgh, N. Y., reflects very kindly upon the citizenship of all of Jericho.

Our condolences to Jean Rosenthal on the death of her mother, and to Dr. Lester Goldstein on the loss of his father...to George Hamilton on the death of his mother.

The officers are: President, Jerry Neuhaus, Vice President, Mimi Gruber; Secretary, Blanche Karpel; Treasurer, Phil Rosenthal. At the present time there are two Workshops in progress under the capable direction of Sy Syna of the Actors Studio. We are proud to announce that immediately following the opening of Mr. Syna's off-B'way show, "A Worm in The Holes", he will be casting for the Jericho Players production tentatively selected as "The Middle of the Night". PICTURED ABOVE is the scene in the gymnasium of the Robbins Lane School, Friday night, when the Robbins Lane Girl Scouts hosted their Fathers with a Valentine Day Square Dance. The Girl Scout Troops made all the arrangements, supplied the refreshments, and acted as hostesses throughout the evening. Each troop decorated its own table, and served Hawaiian Punch, doughnuts, potato chips, and pretzels. The fathers enjoyed themselves thoroughly, and everyone hated to go home when the last dance was announced at 9:30 PM.

AZA Comes To Jericho

The Jericho Lodge of B'nai B'rith has announced the formation of an AZA (Aleph Zadik Aleph) Fraternity here in Jericho. The AZA is a national fraternal order sponsored by B'nai B'rith for boys between 13 1/2 and 16 years of age.

AZA has a powerful character building, leadership training and community service program, and many social, religious and cultural activities. AZA has approximately 600 chapters in the United States and Canada, 40 of which are in Long Island. The Long Island Region holds athletic tournaments and also has council meetings and socials once a month. This affords the boys the opportunity to meet boys and girls from other communities on Long Island.

AZA boys publish their own newspaper, supply their own fraternity sweaters to its members and govern their own chapters.

B'nai B'rith of Jericho invites boys between 13 1/2 and 16 years of age to attend AZA's first meeting on Monday evening, February 20th at 7:30 P.M. at the Jericho Country Club. Additional information and transportation for the meeting can be obtained by calling B'nai B'rith's Youth Chairman, Herb Schwartz of Overbrook 1-6885.

advertising; he has helped to raise money which has made it possible to publish this newspaper. He has been our editor, our conscience, our business manager. He has served our community well.

George Frankel will leave the Editorship of the Villager to take office as the first vice president of our Civic Assoc. He will continue to dedicate his time and his talents to this community. George never makes the headlines, he does not seek the spotlight of publicity. He has done a capable, workmanlike job in whatever endeavors he has undertaken.

We who have planted our roots deeply into this community owe a vote of thanks to a neighbor to whom community service has been a religion. For having done so much to make life here a better one and a happier one, we wish you, George Frankel, good health, much success and happiness in years to come.

It was a fabulous evening.

I write, the blizzard of a week ago seems very far away, but some interesting stories did come my way... A resident of Pine Lane was stopped by the police from entering the development Friday night and spent the evening in the police station. While an emergency call came through the police switchboard... a man was alone with an infant, husband couldn't get home, the power was off and she was unable to make a formula to feed the child... He went out, bought sugar, fertilizer, etc. and made a formula in the police station for the woman, then went with the car to deliver it to her... The resident was a hero, not because he knew how to make the formula, but he was the one who thought of sterno... and Milt Berg were in the seeing a "play" but decided to get home Friday evening, taking the car home the last

few miles, they pulled up to the driveway only to be confronted by a 12 foot wall of snow. Dale, wearing a sheath dress, found it impossible to lift a leg to scale the wall... solution... Milt climbed the mountain, took hold of Dale's hands, and dragged her up and over, losing a boot in the process... We saw the boot the next morning as we struggled through the snow trying to walk home. Zelda and Murray Lakoe had been our hosts for the night, when after a pleasant bridge game, our car wouldn't move, so what could we do... we slept over. Zelda's size 8 ski pants over my size 12 slacks were a life saver as I kept floundering in the deep snow of Merit Lane. Partially plowed Birchwood Park Drive was better, but we were lucky to hitch a ride to Forest Dr. with a poor sould who was trying to get out of Birchwood and found all the exits blocked... no more snow, puhlease...

The Jericho Chapter of Women's American ORT invites you to join them for a week-end away at Young's Cap Hotel. We're leaving March 3rd, and if you can come along for a marvelous time call Roz Sam at Wells 1-5764.

The Rebacks, of Middle La. finally got to Puerto Rico after three postponements. The last one being only 15 minutes before flight time. The plane was supposed to leave at midnight, but developed engine trouble and they had to switch planes, finally leaving at 3:30 A.M. The previous postponements were a result of the snow storms and the loss of Belle Reback's mother.

Welcome home Ann Dockswell from the hospital. Operation was a success-get well wished to Burt Sam, Hilda Bloom, and Sam Lubitz's daughter... Glad to hear that Florence Berger, former member of the Editorial Board of the Villager, is well on the road to recovery.

All Jericho Jewish Center Sisterhood members are advised that the last date to turn in donor merchant slips will be at the March meeting.

The Ladies of the Jericho Chapter of Hadassah are having an unusual day on Monday, Feb. 20th. They are going to Vic Tanney's in Plainview to swim and relax. I never dreamed I'd save so much with OIL HEAT"

says Mrs. Dorothy Galan, 3521 Courtney Lane, Bethpage, L. I.

"In just the first year since we switched from gas to oil heat, I've already saved \$125. As for the other benefits, I've discovered this oil gives us good, steady heat. It keeps the house at the temperature we want, even in the coldest weather. We get all the hot water we need, too. That's why I'm glad when you have three children. All in all switching to oil heat was one of the smartest things we ever did."

You don't have to take Mrs. Galan's word for it. Arrange for a free home heating survey.

Mail the coupon below... or call (in Nassau) Wells 5-2400, (in Suffolk) Sayville 4-4140. Prove to yourself that...

Internationals Rush Season

By Bob Mangels

Don't know where the robins are but if baseball activity is a harbinger of spring, the Hicksville International Little League is doing its best to drive old man winter from the mound.

This week the Sponsor Committee, Chairman, Ed Farrell, reported four more establishments signed for the 1961 season. Particularly gratifying were the agreements reached with Troiano Express of 42 East 1st, and All-State Bus Products Corp. of Canliquo Road, both of whom jumped from Minor League sponsorship in previous years, to Major League sponsorship, thereby insuring the success of this season's Major League expansion. Additional sponsors include repeater Farmville Outlet Inc. at Broadway and Old Country Road in the Div. and Marder's Shell Service at South Oyster Bay Road in the 1st term system.

President Jay Jabour expressed regrets at the close of last week's registration that several promising Minor A and B league players of last year had failed to register for play this season. Jabour announced that although additional registrations will still be accepted for league meetings, beginning scheduled for Feb. 27, this action is necessary at this time to evaluate those and the formulation of A and B teams.

In addition to the regular meeting of the Junior High School on Feb. 27, Mr. Jabour has an Executive Committee meeting for Tuesday Feb. 21.

It is brought to this reporter's attention that several of the "this Lady" letters from the Auxiliary, to generous contributions to last year's picnic, went astray. We assure persons that the ladies faithfully acknowledged all donations and sincerely regret that several notes did not reach their destination.

Lions Romp Over Falcons

By Henry Uffmann Jr.

The Police Boys Club Lions of the senior division basketball league romped over the Bethpage Falcons by the score of 59-31.

The Hicksville team racking up 14 points in the first quarter took an early lead over the Falcons who had only 7 points. The Hicksville Lions feeling hot that night kept lengthening their lead to a score of 29-13 at the half. The Lions kept their rampage going till the fourth quarter when misfortune knocked at their door. Howie Schack playing on the Lions team went up for a rebound, received the ball, and came down to pass off. As he came down, one of the Falcons players landed on top of Howie's ankle and sprained it. Schack was taken out of the game with a score of 5 pts. to his record. The final score of the game was 59-31. The Lions by winning the game stayed in first place of the league.

The top scorers for this game for the Lions were Bill Fuchs with 20 points and Rich Simpson with 11 points.

St Ignatius Streaks to 8th

Massapequa's Our Lady of Lourdes Boman Five traveled to Hicksville to be humbled by undefeated St. Ignatius Blue 37-21. The win made it 8 in a row for the Rockville Center Diocese CYO Section 1 first hall winners.

An effective man to man defense held the Blues to a 14-10 halftime lead, but a 12 point St. Ignatius third ballooned the spread to 11.

Jimmy Gallagher, back court speedster, paved the way with a 16 point spurge mostly on driving lay-ups. When the defense laid back, Jim threw in three long sets to put it on ice. Steve Gletschler thread-needled passes into the slot to assist Andy Proowski who gathered in a total of 11 markers. Cavanagh, hard driving Lourdes center, garnered 9 points to lead his club.

Union Calls Forum for Teachers

Teachers from many school districts on Long Island are expected to attend an informational forum sponsored by the Long Island Council of the American Federation of Teachers (AFL-CIO) at the Agricultural and Technical Institute in Farmingdale, this Friday, Feb. 17, at 8 p.m., in Knapp Hall. Original-

ly scheduled for last month but cancelled because of the weather, the meeting has been set up to clarify the position and program of the union organization and to dispel false notions that have been circulated about the group.

An especially "hot" issue that is up for discussion at the forum is the matter of merit-rating for teachers, which has been a subject of controversy recently. Many teachers from the Plainview District, it is said, where there has been dissension on this issue, are expected to show up at the meeting to hear the union position on the matter. Other key issues scheduled for discussion are teachers' civil and legal rights, legislative issues for teachers at Albany, and practical problems for teachers on Long Island.

"There has been too much irresponsible gossip about the aims and policies of the Federation," says Ray Schenk of 23 Rover Lane, Hicksville, president of the L.I.

AFT Council, "and we feel that teachers are entitled to get the facts for themselves. They'll have the opportunity to raise questions from the floor, and we are confident that they will be able to make sound decisions as to whether our organization has the program for them or not."

Speakers at the forum will be: Elliot Birnbaum, President of the state federation; John Fallon, executive secretary for the State; and Charles Cogen, president of the United Federation of Teachers, New York City local of the AFT.
