School Board May Finish Record Budget This Friday

The Hicksville Board of Education in regular session this Friday may complete the proposed 1961-62 School District Budget which is to the voters for their action the first week of May.

bt Leaving for Puerto Rico

Donald F. Abt, Assistant Superintendent of Hicksville Schools, will be flying to Puerto Rico, Sunday and during the week following to participate in a program sponsored by the Puerto Rico Dept. of Education. He expects to return by plane on Sunday, March 19.

On Monday, Tuesday and Wednesday he will visit Puerto Rico schools. On Thursday, March 16, he will meet with the Secretary of Education, staff people and school supervisors. Portions of these meetings may be televised. On Friday, March 17, he meets with officials of the Dept. of Education and Commissioner of Education of the Commonwealth. At these meetings he will present the story of the Hicksville School District efforts in the field of curriculum and also offer his observations of the Puerto Rico program.

During the week there will be discussions of a future inter-exchange of teachers between Hicksville and Puerto Rico. The visitation is being financed by the Commonwealth.

The budget, prepared as the law prescribes, consists of eight sections or codes numbered 2 to 9. The Board has completed Codes 2 and 7 and most of Code 3.

The School Administration already has been given authorization to prepare a brochure giving detailed information about the budget which will be mailed to all residents prior to the vote. A preliminary discussion of the budget will also probably be scheduled sometime in April, in accordance with past practice.

The gross budget is expected to exceed nine million dollars with more than five millions representing the cost of instructional service. Fixed charges, such as retirement of bonds and interest on bond issues, exceeds a million dollars.

MAKES DEAN'S LIST

For high scholastic standing at Ithaca College during the fall term ending Jan. 28, Lots Ann Chaber of Hicksville has earned mention on the Dean's List. She is among the top 10 per cent of the students in scholarship.

Miss Chaber, enrolled in the School of Music, is the daughter of Mr. and Mrs. Richard K. Chaber, 51 Fox Place, Hicksville.

A comprehensive verbal picture of Hicksville—past, present and future—will be told by community leaders this Saturday morning, Mar 11, over radio station WFYI (1520kc) in an hour-long live broadcast originating at the offices of Seaman & Eisemann, 167 Broadway, Hicksville. The entire program will be re-broadcast again at 4:30 PM on Sunday afternoon.

The program is part of a series called "Nassau, USA" by WFYI, key station of the Herald Tribune Network at Roosevelt Field.

Hicksville school musical groups will be heard and there will be comments about the community broadcast from the WFYI Skyway Patrol circling overhead.

John Froge, news director of WFYI and a veteran newspaper man, will officiate during the program and introduce speakers who will talk about our schools, library, post office, history, fire dept., future plans, municipal services and community organizations.

During the current week officers of local organizations were heard frequently on WFYI in short reports on their activities and backgrounds. John Szaryk, secretary of the Chamber of Commerce, has

invited all members to be present at Seaman & Eisemann on Saturday morning to witness the broadcast.

WFYI was scheduled to have its mobile unit at Hicksville RR station this morning (Thurs) distributing newspapers to all commuters at the station's expense to call attention to Saturday's program.

5th Grader Wins Top Award In Science

Stephen Clearman, fifth grade student at Fork Lane School, won the gold medal and overall first prize in the Fourth Annual Science Fair of Hicksville schools, Mar 3 and 4. His project was "Spectroscopic Analysis".

Second prize, a silver medal, went to Beth Halper, Junior High 7th grade with a "Foetal Pig" as her project. Michael Fasullo, high school, won the bronze medal and third prize with "Effects of Colored Lights on Colored Objects".

The first three overall winners, in addition to medals, also won \$25 savings bonds.

A second overall third prize was won by Ronald Palmieri of the High School.

Other winners were: First, elementary school, David Christiano of Old Country School 6th grade, gold medal in physics for "Housewiring".

First prize, Junior High was awarded to Nelson Stone, Grade 9, who earned a gold medal for a biology exhibit "Life History of Shrimp".

First in the High School and a gold medal was won by John Roberts, Grade 10, for a chemistry

project, "Rocks and Minerals."

Progress on RR Elimination

Officials of Hicksville Chamber of Commerce who have had a substantial hand in the progression of the Rail Road Grade Crossing Elimination program for Hicksville during the past 12 years were pleased with the report in the HERALD last week which gave assurance that the letting of bids for the work is promised for this summer.

Aaron Rochman, chairman of the Chamber's RR Crossing Elimination Committee, disclosed that the statement issued jointly by Assemblyman Edwin J. Feenbach, State Senator Henry M. Cur-

ran and Supervisor John J. Burns, substantiated the letter he received earlier in February from the office of Governor Nelson A. Rockefeller.

Rochman had written in January to Gov. Rockefeller with copies to the Public Service Commission, County Executive A. Holly Patterson, State Public Works Dept. and other officials reminding the State Executive that a petition signed by 16,000 persons was presented to him by the Chamber in Sept. 1959 urging the crossing elimination.

First Check to Volunteer Firemen

First DONATION to representatives of the Hicksville Fire Dept for their welfare fund drive, held in conjunction with the annual Labor Day parade and drill, was made by William E. Koutensky, president of the Li National Bank, honorary member of the Fire Dept. Receiving check is Second Lt. Robert B. Hammond Sr., chairman of the 33rd annual Labor Day event. Robert Whearty, Journal chairman, is at the left. Last year more than 30,000 persons witnessed the competitions parade. (Photo by Frank Mallett)

A Roman Temple in the Latin Quarter

An authentic model of the pediment of a Greco-Roman temple provides the proper atmosphere now for the study of Latin at Hicksville Senior High School. Built in

the school's carpentry shop by four Latin students working after school under the direction of Gratian E. Dockrell, carpentry teacher, the pediment is flanked by two columns also constructed in the shop. The rear bulletin boards underneath the temple contain three huge maps made previously by Latin students -- the center one that of the Roman empire and the smaller ones of the city of Rome and of Caesar's Gaul.

The classroom itself, which Samuel A. Goldberg, Latin teacher in the school, has named the Quarta Latina or Latin Quarter, has many other features that help develop the proper atmosphere. The door to the room is covered with marble Contact to simulate a Roman arch and carved into it is the room number -- CCXVIII. Within the room are regalia of all kinds, such as spears, a Roman standard, a sword, a shield, helmets, models of a Roman house and of a Roman temple, Roman artillery, a ship, costumes, a wax

tablet, pottery, and even a cross section of the Appian Way showing how it was built.

In front of the room are posters containing, of course in Latin, the Star Spangled Banner, the pledge of allegiance, the school song, and the school football song. A weather report in Latin with reports changed daily, Latin mottoes changed weekly, and a monthly calendar as the Romans had it can also be found there. A map showing the route of Jason's Argonauts, with stops represented by tiny electric bulbs, hangs on the wall. Before Christmas Latin greeting cards made by students covered the side bulletin boards, now replaced by reports, charts, art work, and clippings.

Completely the work of students, the regalia, posters, and art work have helped make Latin anything but a "dead" language at Hicksville. Latin students really "live it up" in the only Latin Quarter with a Roman temple.

Dear Jean:

BILL ALONGE and family arrived in Miami Beach last week on Monday and report the weather is beautiful. The Alonges went south to attend the wedding of Bill's brother ... SON, and RUTH LEVANDOV of 12 Glenbrook Rd., Hicksville, enjoyed a visit to Sarasota Jungle Gardens during their recent vacation on Florida's lower west coast ... Drapes in the Burns Ave. School Faculty room, now eight years old, are being replaced by the school district ... Apologies are due (although the error was self-evident) for referring to the Swimming Pool proposal as being reduced in estimated cost (issue of Feb. 23) from five million dollars to \$350,000. The original estimate was five hundred thousand but when it got into print it appeared with an extra zero ...

Hicksville Kiwanis will hold a Ladies Night at the Old Country Manor on June 17 and Charter Night on Oct. 78 at the Milleridge Inn. The club is also planning to give away a 1962 Pontiac. Delegates of the club to the International Convention in July in Canada will be JAY SCHWARTZ and FRANK CHLUMSKY ... Hicksville High School Alumni Assoc. at its annual meeting next Monday night, March 13 to the High School Little Theatre is scheduled to elect HOWARD FINNEGAN as president, succeeding Jay Schwartz ... Only contest scheduled in Hicksville Fire Dept. election tonight (Thurs.) is for the office of Secretary to succeed ARTHUR ISAKSEN who is not seeking re-election ...

So sorry to hear that the little four year old son of Mr. and Mrs. GUS ECONOPOULY is ill in the hospital. Has been for some time, we understand. All friends and neighbors are praying for his speedy recovery ... Glad to hear that the little son of Mr. and Mrs. JOHNNY VAI of Westbury is up and around again after a stay in the hospital. Johnny is manager of Walter's Lipstick Shop on W. Marie St. ... Thanks again to MRS. GEO. LOUGHS for the monthly engagement card. You know Easter is coming up and you may like to visit her at the Hicksville Gift House, S. B'way and Lee Ave. She has some pretty nice things ... See Murray Kellner has merged his tire business, with his fathers, Sam, well known as Tire-Craft ... Congrats to Mr. and Mrs. ROBERT MONETTE on the birth of their first child, Louise Ann ... Also congrats to Mr. and Mrs. GUS LAINO on the birth of a daughter, Mr. Laino is Mrs. Monette's brother. Both are children of Mr. and Mrs. James Laino of Twinlawn Ave. ...

PAUL S. DRAKE is again chairman of the Bellinger campaign in Hicksville for the Mental Health Campaign ... A host show opened Tuesday at Mid Island Plaza and concludes on March 11 with the selection of prize winners, including air tickets to Miami Beach STEPHAN FERNBACH, Junior at Hicksville High School, with a score of 96.85 stands at the head of the entire school, scholastically. Melinda, Mead, a sophomore with an average of 95.6 is second. Tied for third with 95.57 were Nancy Sherman, a senior, and Emerson Allen, a Junior

WALTER SCHREIBER and PAT GLICHRIST have something in common these days. They were both tagged by N.Y.C. Police recently. Speeding 7, No. jaywalking!!!

LOU SMITH, the Rotary delegate to Tokyo, and your reporter noticed during a tour in the vicinity of Brookville Country Club with the snow a foot deep, some of the local drivers were out there every day getting ready for the two-part Challenge Golf Tournament, jointly sponsored by the Chamber and Service organizations ... IVA, daughter of Mr. and Mrs. Martin LAUER of 183 Lee Ave., Hicksville, is pleased as can be. She received a letter on White House stationery expressing the thanks of President Kennedy for her jaywalking note to him. The letter is signed by Ralph A. Dunlap, special assistant to the president ...

Pack 259 Busy These Days

Cub Pack 259 is on the move. In Feb. 68 Cubs and Fathers participated in A Blue and Gold Dinner at the Huntington Town House. The dinner was held on Washington's Birthday, thereby coinciding with the 11th birthday of Cub George Remy. Jeff Nathan, Webelos Cub, explored the ankle injury sustained that afternoon. A Pinewood Derby was the big event of the evening, with 26 entries. Three plaques were awarded. Gold first place to Cub Paul Furman, Silver second place to Richard Greiner, and Bronze third place went to Cub Bruce Judd.

Cub Pack 259 of the East Street School did it again. On Feb. 25 they were honored by an invitation from the New York Yacht Club to visit the famous Model Room and The Trophy Room where the American Cup resides. Taking advantage of the special excursion rates of the L.I. Railroad, the Pack left Hicksville at 8:44, visited the Yacht Club, dined at the Automat, explored the underground caverns of the N.Y. Subway System, toured Pennsylvania Station under the guidance of Ronald Cain of the LIRR, and then returned to Hicksville exhausted but happy at 4 P.M.

HERALD READER OPINIONS

NEED FOR POOL

To the Editor:

I should like to address this letter to all the cognizant adult taxpayers of School District 17, Hicksville. It is an attempt to place before my neighbors the need for an indoor pool at Hicksville High.

Why do we need a pool? We have some of the finest beaches in the United States within eight miles of our homes. One quarter of our population have publicly operated outdoor pools within walking distance from their homes. Many residents have backyard swimming pools. Our children can learn to swim in the ocean. Schools are for reading and writing and arithmetic; my swimming, carpentry, art, or such things as machine shop or electronics. Our taxes are too high now. These arguments all carry much weight with their authors, many people agree with them.

Let this voice be raised to present the other side of the picture. We need the pool at Hicksville High so that our children all over the District can have the opportunity to learn to swim properly under the tutelage of professional instructors. The need the pool so that swimming skills can be developed over the entire calendar year, not just for three months. Civic groups sponsoring swimming programs for our youth need a forum from which to extend their programs to our children. (The Red Cross Swimming Program, Boy Scout Swimming, and Girl Scout Swimming, to mention a few, are denied to the majority of our children.)

Where can your child, or grandchild, go to qualify for a Swimming Certificate or a Life Saving Badge? How can our students engage the students of Great Neck, Uniondale, Westbury, Plainville, West Islip, or Brentwood in swimming contests? Hicksville High has

no Swimming Team. Where can we develop a swimming champion to answer the challenge of the Komrads of Australia, or a Chris von Saltza of California?

Our community will benefit from an indoor pool. Just look at how our neighboring communities are using theirs. Pools open at 8:00 A.M. and remain open until 10:00 or 11:00 P.M. The school uses the pool until 6:00 P.M. and then the recreational program takes over until closing, with the users of the pools completely covering the costs involved. Can you think of a single facility that even approaches this amount of use, day in, day out?

We are faced with curtailing the present Physical Education program and adding facilities to provide room for the coming rush. Why not a pool that we can use for many decades rather than another gymnasium?

Where is my son to go? Let the answer be: swimming! (signed) DANIEL D. MOYNIHAN, 11 McKinley Ave. Hicksville, N.Y. March 4, 1961

Poulos Speaker Friday Night

A talk on the background of international communism and its threat to the United States will highlight the next meeting of the Ernest F. Franke Republican Club of Hicksville, scheduled for 8:30 P.M. Friday, Mar. 10, at the Masonic Temple, West Nicholas St., Hicksville.

The speaker will be Oyster Bay Town Councilman Edward Poulos who attended a U.S. Army course on global communism last year. He has spoken on this topic before many local organizations.

The public is invited to attend the meeting.

Spring Dance For Sisterhood

SCIENTIFIC PROBLEMS

The first of two film-lectures on scientific problems outside the earth's atmosphere presented by the Hicksville Library Assoc. will be shown at the Library this Friday, March 10, at 8:30 P.M.

AN EDITORIAL:

Good Things Happen...

March is Red Cross month and we urge all readers to be generous in their support of this most essential program when your neighbor calls for your contribution. "Good Things Happen When You Help" is the appropriate slogan this year.

In Hicksville, Carl Grunewald is chairman. Sol Newborn is in charge for Plainville and Mrs. Francis T. Carmody is fund raising chairman for Jericho.

Jericho has reactivated its Red Cross program and its record for the year serves to highlight the overall effort of this worthy organization. During the year, Home Service gave assistance to 36 servicemen, veterans and their families residing in Jericho. Driving volunteers have accepted a regular assignment to drive a boy to Adelphi Clinic weekly, using their own cars. Eight residents completed Nursing Courses. The school actively participated in the Junior Red Cross.

Residents of the entire Mid Island area were among the 14,351 who received Red Cross Swimming and Life saving certificates in the county last year. All county police, most firemen and all crossing guards have been trained by the Red Cross in first aid.

Last year the Red Cross provided equipment and first aiders for 62 large public gatherings in the county where the attendance totalled an estimated 206,000 people, 541 of whom were given First Aid treatment.

Last year 52,800 County residents received direct assistance from the Nassau Red Cross.

The Red Cross needs you — you need the Red Cross.

DALERS DOWN JR. HIGH

In their final court appearance of the season, the Jr. High Jayvees were outscored, 46 to 38, by the visiting, Farmingdale quintet. Jr. Highs' Bruce Damm topped honors by dumping in 25 points for the losers, and Tom Kumings followed with an 8 point tally. Basketball coach, Dick Hogan, had nothing but high praise for the rest of his squad. Cited for their seasonal efforts were: Bruce Coleman, Paul Colasano, Jo Sugamelo, Ed Jahngen, Bob Feldsher, Dave Hoosack, Ken Pohl, Mike Germain, Lenny Elrich, Pete Martin, Wade Laremore and Gerry Kanawada. Coach Hogan seemed to be well satisfied with the seasonal record of 7 wins and 3 losses. He went so far as to add that a few of the setbacks were close enough to have gone either way, and his squad were never outstuffed when the chips were down.

JR. HIGH GRADERS STOP BETHPAGE

Traveling downcourt for the last time this season, found the Jr. Highs' 7th and 8th graders taking the Bethpage visitors in stride. The Jr. High courtmen wrapped up the schedule with a respectable 4 wins against 3 setbacks; 2 of the losses being by only 2 points. John Walker accounted for 17 points in the final game and Larry Wesolka followed with an 11 pt. spread. Coach Warren Meyer gave high praise to his entire squad, adding Bob Fink & Bob Miltenberg to the list of outstanding players.

PORTMEN TRIP J.V.'s

"A tough one to lose", were the words of Coach Stan Kellner as his Sr. High Jayvees' wrapped up the season on the short end of a 65-60 score. Although down 11 pts. midway through the 3rd quarter, the visiting Port Washington squad managed to gain and hold on to the final win. J.V.'s Bill Luft was high scorer with 22 pts., followed by Chip Jaworski (18) and Vinnie Hamilton (14). Bob Smith, Mike Fucci, Bill Klingenberg and Vinnie Hamilton came in for a high share of Coach Kellner's praise, due to their excellent seasonal work.

Der the boards.

The Sr. High Jayvees copied their divisional crown by taking 1st place in the league, with an impressive record of 15 & 3.

PORT VARSITY WHIPS HICKSVILLE

Last but not least, in the big leagues of school dist. basketball, the Hicksville Varsity bowed to the Port Washington visitors by a score of 73 to 64. While not impressive, the overall record of 4-14, amounted to taking on all comers with no quarter asked. Hicksville's Chris Colletta and Artie Clementz were the high scorers for the season. Colletta racking up 20 pts. and Clementz, 15, in the final game.

According to Coach Ed Petro, Mike Clair had shown tremendous improvement over the latter part of the schedule. Artie Klingenberg, Vinnie Colletta and Brad Jaworski were cited for outstanding seasonal work on rebounds and assists. The Hicksville mentor, went on to add, that Norm Sandberg, Vinnie and Frank Colletta were proving to be real top drawer securities, and were bound to start paying high interest rates next season. Petro feels, that with this nucleus pounding the boards' next fall, the 4-14 record stands a good chance of being reversed.

M.T.U. DINNER SET

Pending an affirmative vote by the majority, the scheduled NTU dinner will receive a 53 percent subsidy from the treasury. If the vote is negative, the dinner will still be held, minus the subsidy, as stated a spokesman for the Dinner Committee. The date has been set for Sat. April 22, at the Old Country Road Inn.

MEETING TONIGHT

The regular monthly meeting of the Long Island Auxiliary Benevolent Society for Retarded Children will be on Thursday, March 9, at 8:30 p.m. at the Hicksville Methodist Church, Old Country Road and Nelson Ave. Dr. James A. Caddy, Pediatrician from Levittown will speak. All are welcome.

Seek Parking For Model Home

Anyone who has ever driven past the model homes on a sunny afternoon, when Rockland Drive looks more like 42nd St., will appreciate the latest effort of the Community Welfare Committee.

The group is seeking to convince the builder of the wisdom of providing off-street parking for the countless automobiles of prospective home buyers which choke the street during this period.

Two sites for such parking have been suggested. One is alongside Nevada model; the other is

behind the Ambassador model.

"Either spot could be leveled quickly with a bulldozer," stated John Nason, chairman of the committee. "and either would be as adequate as the original Birchwood parking lot that existed near Broadway, before the Expressway arrived."

At present, no off-street parking at all is provided in the vicinity of the model homes. Signs posted along this section of Rockland Drive state that curbside parking is prohibited.

Original Suburban Gardener

RALPH PIGNATARO
Landscape Consultant
Irishaven Garden Center

The question asked most in all Irish Centers and nurseries is: "What do I do with my lawn now?" All the snow in the past winter many new homeowners will counter a problem that is experienced only when snow is desired for so long a time.

Snow mold . . . This is nothing more than a form of fungus and can be recognized by brownish tan spots on your lawn. These are matted down and sometimes black. It is found more often on lawns, especially ones that are seeded or reseeded last fall.

Control . . . Any broad spectrum fungicide will control Snow Mold. Consult your local nursery garden center as to application material. If snow mold did create a problem a normal maintenance procedure may follow. Time, if you have added time to your lawn in the past year, should be added now. If you are not sure of your PH (acid condition) have your soil tested.

Pre-emergence Crabgrass Killers have been the topic of much controversy. If crab grass is your problem the use of a pre-emergence killer should be considered. Any new brands have been introduced this Spring and many will be a hit and miss proposition. The Best Seed Company introduced a

crab grass seed killer in 1959 which has been used by thousands of homeowners with excellent results. This product allows you to seed at the time of application and also grub proofs your lawn.

No major re-seeding should be done in the spring. It is however, necessary to patch up damaged areas and it is wise to go over your entire lawn with a small amount of seed just to compensate for the loss of certain varieties of grass that die.

Fertilizer . . . Any well balanced fertilizer should be 9-8-3, 20-10-10, or 50% organic 10-6-4 may be used at this time. It is the perfect time of the year to double the recommended rate of use of fertilizer as it is almost impossible to burn your lawn now.

Board of Education Meeting Weekly

By ART CARIN

The Jericho Board of Education has been meeting every Thursday evening preparing the annual budget to be presented to the taxpayers in May. This reporter and several members of the Civic Assoc. Education Committee have attended all the meetings.

One of the items on the budget will be a revised salary schedule, which will attempt to attract experienced teachers to Jericho. The new salary schedule, which is comparable to surrounding towns, starts an inexperienced teacher with a BA degree at \$5000 and adds \$600 when the teacher receives his Master's Degree. To encourage experienced teachers to remain in Jericho and continue professional growth, the new schedule has a maximum salary of \$11,550 for teachers with a Doctorate and 20 years of experience.

Many residents report that portions of their walks and stoops are crumbling into sand. With this condition becoming community-wide it is felt that the Builder's committee of the Civic Assoc. should look into the matter.

Weather Delays Schedule For Cantigue Rd School

By Terry Carin

Construction of the Cantigue Rock Road School is behind schedule and at the present rate will not be ready until Sept., 1962 according to Dr. Kenneth M. Lant, Lant's statement was made at a question and answer session with the Education Committee of the West Birchwood Civic Assoc. recently in the residence of Dr. Lawrence Marder.

Dr. Lant pointed out that the reason for the delay was a variety of factors, among which was the unusually severe winter which halted work completely. He stated that target dates for construction are not reliable because of conditions which can delay work.

Other highlights of the meeting were that the district hopes to begin languages in the seventh and eighth grades and there is a summer recreation program available for district children at a fee of approximately \$10 a child and \$10 for transportation.

In answer to a question on the district's views on ability grouping and to what extent grouping is used in the elementary and high school, Dr. Lant stated that there is grouping within each class in the elementary school. Each class is made up at random using the alphabetization of last names. He pointed out that the sixth grade has a range of achievement level of fourth to 11th grades. The normal range is second to tenth grade. This indicates an above normal range.

When asked why kindergarten children have to be at school so early in the morning (8 a.m.), Dr. Lant said that with a four hour session we get full state aid otherwise a shorter session would receive half.

Other questions and answers: Q: What is the proportion of experienced to non-experienced teachers?

A: The average teaching experience for each teacher is four years. A printing teacher at the High School has 37 years of experience. There are a good number of teachers with five, six and seven years. Most of the third grade teachers are beginning teachers.

Q: What is the procedure for teacher and administrator recruitment?

A: We use the teacher employment agencies and evaluate letters of application.

Q: What is our present (and projected if possible) salary schedule and how does it rank with comparable communities?

A: If the new schedule is approved, salaries will start at \$5,000 which is comparable to most Long Island districts. The top of the schedule is lower than most Long Island districts. The yearly increments are lower than some of the better districts.

Q: Are curricula guides available in Jericho schools that new teachers (and parents) can see?

A: They are available for teachers, but not parents. Parents may put too much pressure on the child.

Q: What special teachers are assigned to each school? (Art, music, physical education etc.)

A: One of each in each school.

Q: Are guidance counselors available for each school?

A: No. Two in High School.

Q: Is a school nurse and doctor available during school hours?

A: Yes.

Q: Is a dietician employed A: No not at the moment.

Q: Are psychologists and reading specialists in school?

A: Reading specialists begin work with fourth grade and above. We have two now and hope to have one more. At present there is no school psychologist as there is a ruling against having private practice.

Q: What type of supervision is available during lunch hour in elementary schools, both in lunchroom and other areas?

A: Teachers eat lunch with their classes. The playground is supervised by two teachers and the physical education teacher.

Q: What kind of extra-curricular activities are available in both elementary and high school?

A: The elementary music department is quite busy. Intramural basketball is being introduced at elementary level. On the high school level there are clubs, dances, student council, yearbook, twirlers, cheering squad, glee club, orchestra and band.

Q: Is there any supervision on the buses other than drivers?

A: No, the bus driver gives the names of any child causing trouble to Dr. Lant who then sends a letter to parents.

West Birchwood in Brief

Traffic light at the intersection Rockland Drive and Expressway exit went into operation short time ago and is now functioning smoothly. White demarcation lines were painted on the exit road last week as were white stop lines in front of the signal lights.

Princeton Park Civic Assoc. is endeavoring to gain support from the various Jericho Civic Groups for a signal light at the entrance to the Birchwood Shopping Center. Princetonians feel that vehicles leaving their community at this intersection are in danger of collision with Broadway traffic unless some sort of traffic control is established.

Friends of the Jericho Library are planning to bring the question of a library to referendum in the District 15 Board of Education election early in May. According to Mrs. Daniel Serota, chairman of the group, keen interest has been shown by representatives of different communities in Jericho.

With the snow gone, the area of Rockland Drive west of the sump has once again taken on its usual seedy appearance. The debris against the fence is still there. It is now about three months since the lamp near the sump was smashed and the bulb and globe have not been replaced by LILCO.

And speaking about street cleaning what ever happened to our Oyster Bay township service? Some dog owners ought to quit using the streets for dog latrines as residents have been complaining about picking up dog droppings on their tires and tracking them into their garages.

President Herb Simmons reports that a check with Town Clerk of Oyster Bay discloses no truth in the perennial rumor that land adjacent to Cantigue Rock Road will be downzoned.

Snow Reduces Spring Recess

Hicksville Public School students will make up three days of school lost during the recent snow storms by attending classes on Tuesday thru Thursday, April 4, 5 and 6, shortening their spring recess. The Board of Education adopted the recommendation of Superintendent of Schools Wallace E. Lamb at a recent meeting to have the school term comply with the legal requirement of 180 days of school instruction.

Seniors Journey In Two Sections

The Washington Trip of the Hicksville High School Seniors will be made in two sections this year. One group goes March 16 to 18 and the other Mar. 23 to 25, being divided alphabetically. About 340 students of the 450 in the class are planning to take part in the excursion which includes a trip by boat to Washington, Williamsburg, and Annapolis Naval Academy.

Recreation Is Burns Topic

Recreational activities for parents as well as their children will be discussed by several local citizens actively engaged in this field. Francis Ganley, director of the Adult Education Program in Hicksville; Alben Gray, Assistant Director of the Hicksville Public Library; and Joseph Madden, Director of the Recreation program in Hicksville Schools, will participate in a panel discussion on leisure activities in the community at a meeting of the Burns Ave. P.T.A. The meeting will be held at the school on Mar. 15 at 8:15 P.M.

There will be a question and answer period following the panel presentation. Refreshments will be served in the Cafeteria at the close of the meeting.

The Plainview, West Hempstead and East Meadow Chapters of Hadassah are sponsoring a Bazaar at the Elk's Club, Front St., in Hempstead, Saturday March 18 from 7 p.m. to 12 midnight, Sunday March 19 from 11 a.m. to 10 p.m., and Monday March 20th from 10 a.m. to 10 p.m.

Mothers Mark Priest Birthday

The monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was held on Monday evening, Feb. 27. Mrs. Edward Lynch, president, presided.

The same evening marked the birthday of the Moderator of the Auxiliary, Father Leo J. Goggin. The mothers surprised Father with a cake and a gift.

The Principal, Sister M. Rose Dominic, O.P., announced registration for St. Ignatius School for first grade only, will take place today, March 2, 10:00 a.m. to 12:00 noon and 1 p.m. to 2 p.m. in the cafeteria.

A special vote of thanks was extended to Mrs. William Keller and her committee for their services at the annual February Social.

Mrs. Thomas Reilly, chairman of The Communion Luncheon, heartily invited all mothers and friends to join us at the Luncheon on Saturday, April 22, to be held at the Old Country Manor, Hicksville. Tickets are available at \$3.00.

Prior to the luncheon the membership will attend the 11 a.m. Mass at St. Ignatius Loyola Church, Hicksville. The Mass will be celebrated by the Rev. Father Leo J. Goggin.

The Auxiliary will sponsor a CYO team this year.

It was announced that Nominations Committee under the Chairmanship of Mrs. Joseph Coleman will present their slate of officers for next year at the April meeting.

Mrs. Anthony Flannery, Mrs. Charles Laver, Mrs. Theodore Clump, and Mrs. William Keller are also serving on this committee.

After the regular order of business Rev. Edward Funn, of the Chancery Office, Brooklyn, gave a very interesting and enlightening talk on the subject of "Marriage."

The Dark Horse, two tickets to the Communion Luncheon, were won by Marge Clump and Flo Gries.

Hook and Ladder Co. No. 1 of Hicksville Fire Dept. organized in 1869, held its annual installation dinner-dance at the Old Country Manor Sat. Feb. 25. Officers installed were Robert Conner, captain; Wim Krajci, first lieutenant; Robert Hammond, second lieutenant; Al Bianculli, secretary; and Henry Gebhardt, treasurer.

Men's Club Revival

During the week-end of March 3rd and 4th, the Jericho Jewish Men's Club sponsored a Revival at the Temple. The theme was a rededication of the Jewish people to the strengthening of the Jewish faith and activities of the congregation. On Friday, March 3rd, the Men's Club conducted the services and the Oneg Shabbat in honor of Mrs. Steinhardt and Mrs. Klausner. A presentation was made by the Men's Club. The Oneg followed the usual topical and blunt "Gambling in the Synagogue" by the Idealist vs. Practical Aspect.

On Saturday, March 4th, the morning services were conducted by the Men's Club. On Sunday, March 5th, the morning services were conducted by Rabbi Shuchman who took this opportunity of spiritual growth to explain the format of the new services.

Ten Pin Talk

By Henry Dockswell

The let down that normally follows a hard fought finish still seems to have most of us in its grasp. Of the 90 games bowled Monday night, Feb. 27, only three reached the 190 circle.

Sam "Glide to the Side" Springer bowled the top game of the night with 199. Next was Dr. Charles "Follow through" Ordman with a 194. Third and still making excuses, was Dave "What a Shame" Batterman with a 190.

The Comets at the present time are leading the league with 8 points.

Russian Talk For Republicans

The Ernest F. Francke Republican Club of Hicksville, under the sponsorship of its President, Philip Robinson, and Vice-President Leland Badler, has the distinction of being probably the first Political organization to offer anything of this sort.

A course in conversational Russian will be offered to Club members and friends, under the direction of Alexander Pankoff, chairman and Lydia Zebertovich, co-chairman.

This course will be held one night a week for approximately one year. Time and place will be announced at a later date.

A limit of 30 students has been set for this course so with registrations mounting quickly. Anyone interested in learning conversational Russian don't delay - register today. Call Alex. Pankoff, evenings after 7 P.M. - WE11s 5-7733 or Lydia Zebertovich after 5:30 P.M. - WE11s 5-4335.

NOTICE TO BIDDERS

PLEASE TAKE NOTICE that SEALED PROPOSALS must be received and stamped by the Director of Purchasing of the Town of Oyster Bay, at his office, located on the second floor of Town Hall, Audrey Avenue, Oyster Bay, New York, not later than 10:00 A.M. (prevailing time) on March 29, 1961 following which time they will be publicly opened and read in the Meeting Room of the Town Hall and the Contract awarded as soon thereafter as practicable for General Construction of Swimming Pools and Bathhouse, Contract POBC P-2-61; Plumbing and Heating, Contract POBC P-3-61; and Electrical, Contract POBC P-4-61 at Plainview Old Bethpage Community Park, located on Washington Avenue, Plainview, Town of Oyster Bay, L.I., N.Y.

A charge of \$50.00 dollars will be required for a copy of the Plans, Specifications, Proposal sheet and Form of Contract, to be made payable to the Town of Oyster Bay. This amount will be refunded to those who return the Plans, Specifications, etc., in good condition within thirty (30) days of the award of Contract or rejection of all bids. Plans and Specifications may be seen at or procured from the office of the Town Clerk, Town Hall, Town of Oyster Bay, New York, 9:00 A.M. to 4:45 P.M. Monday through Friday.

Each Proposal must be accompanied by a certified check on a solvent bank or trust company, in an amount equal to not less than five percent (5%) of the amount bid, made payable to the Town of Oyster Bay, as assurance that the Contract will be executed if awarded to such bidder.

The Contractor will be required to comply with all the provisions of the Labor Laws of the State of New York.

The Town Board reserves the right to reject any and all bids, in whole or in part, to waive any informality in any or all bids, and to accept the bid or part thereof which it deems most favorable to the Town after all bids have been examined and checked. No bid shall be withdrawn for a period of forty-five (45) days after being publicly opened and read.

In the event bids are rejected, or no bids are received, the Town Clerk is authorized to readvertise for bids upon direction of the Supervisor.

Public Liability, Property Damage and Fire Insurance and Construction and Maintenance Bonds will be required as set forth in Instructions to Bidders and the Contract Form.

Notice is further given that a award of bids is subject to approval by the Comptroller's Office of the State of New York to increase the maximum amount authorized to be expended in this project.

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that pursuant to Article 9, Section 130 of the Town Law of the State of New York, as amended, a public hearing will be held in the Board Room of the Town Hall, 350 Front Street, Hempstead, New York, on the 21st day of March, 1961, at 10:30 o'clock in the forenoon of that day on the following proposed amendment to the Ordinances of the Unlondale, Bowling Green Estates, East Meadow, Levittown and Lido-Point Lookout Water Districts, known as Ordinance Nos. 5, 21, 22, 31, and 41 of the Town of Hempstead, respectively, with respect to the billing of water consumption:

FIRST: Section 1.5, of Article 1 of the Ordinances of the Unlondale, Bowling Green Estates, East Meadow, Levittown and Lido-Point Lookout Water Districts, known as Ordinance Nos. 5, 21, 22, 31, and 41 of the Town of Hempstead, respectively, is hereby amended to read as follows:

Sec. 1.5. All water rents shall be paid to the District, at its office, quarterly, on or before the fifteenth day of the succeeding month following the rendering of the bill, except that, if the Superintendent of the Town Water Department shall find that the water served to any premises in any month shall exceed eight per cent (8%) of the water served to such premises during the preceding twelve months, the owner of such premises may, in the discretion of the Superintendent, be billed after the close of such month for the water served during such month and such bill shall be paid on or before the 15th day of the month following the rendering of such bill. If bills are not paid within thirty (30) days after such date, a penalty of six per cent (6%) will be added thereto. If such bills shall remain unpaid for a period of sixty (60) days after the fifteenth day of the succeeding month following the rendering of the bill, water service may be discontinued to the premises until the payment of the rent, penalty, and the sum of \$5.00 to cover the cost to the District by reason of the default.

SECOND: This amendment shall take effect pursuant to law. ALL parties in interest and citizens shall have an opportunity to be heard on said proposal at the time and place aforesaid.

Dated, Hempstead, New York,
February 21, 1961.

Reports Status of Licensure

OBVIOUSLY PLEASED with the prospect of chiropractic licensure in New York State are officers of Auxiliary no. 36, American Bureau of Chiropractic who heard a report on the status of the bill in Albany from Dr. Vincent O'Neill, seated. The bill has the endorsement of the State Board of Regents and Education Dept. Seated next to Dr. O'Neill is Mrs. Mary Golecke, secretary. Standing, from the left, are Walter Suwatsky, president; Phillip MacLean, treasurer. Meeting was held at Hicksville Legion Hall. (Photo by Fred Wolf)
