## Eisemann Recalls Radio Broadcasts Here in 20s

The middle 20's Hicksville boasted of its own radio station, WCBR, operated from the office of Seaman & Eisemann then at 86 Broadway, Hicksville. It was recalled by Henry G. Eisemann, speaking at the Salute to Hicksville program over WFYI last weekend.

"The station operated for several weeks," Eisemann remembered, "bringing a spirited election campaign to the public. Two of the most prominent talents who gave the station a boost were 'Dennis' Herold and Harry A. Drollinger."

Eisemann was introduced to the audience by John Frogge, director of WFYI. He continued, "I am broadcasting again, and I am very pleased to be here. I am sure you, Hicksville, the hub of Nassau County, is a very short way from 12,000 inhabitants. The last census just concluded showed us with 51,405. A remarkable growth to be sure. To keep pace with this expansion adequate facilities have been provided, both for the city and for the churches. We have a Fire Dept., a water district, modern facilities with parking for cars and automobiles and ten off-street parking fields for recreational facilities for use by children. . . . our local bank is fourth in size in Nassau County banks. . . . railroad grade crossing soon to be a reality. . . . can be justly proud of the development, not only of residential areas, but of our industrial areas as well. . . . Hicksville points with pride," Eisemann continued, "to our many regulated industrial concerns special emphasis on the architectural appearance of these new buildings. While it is true that our industrial areas are pretty well up, we do have room for additional industries and we are interested concerns to give us

## 3-Year Plan Out Window: BD RAISES PAY SCALES FOR TEACHERS, CLERICAL

Hopes of returning a local teachers' pay scale firm for three years vanished, Friday night, when the Hicksville Board of Education by majority vote made two alterations in the scale which became effective less than three months ago. Steps for teachers with zero to four years experience will rise from \$100 to \$400 effective the first day of 1962. A general increase in the entire scale goes into effect the first day of 1963.

There was relatively little debate on the proposals although the Board, during the week prior, had had held a meeting as a committee of the whole with representatives of the Classroom Teachers Assoc. It was in Jan. 1960 that the Board of Education with five in favor and two members abstaining, approved a new scale raising starting effective Jan. 1 1961. The motion at the time stipulated the scale would be maintained in effect for three years, which would have carried it thru to Jan. 1, 1964.

Last Friday night with six members present (Walter Schreiber was absent) the vote was four in favor and two opposed to raising the first four steps of the pay scale from a start of \$4600 to \$5000 for Bachelors, to \$5300 for Masters and to \$5600 for President Allen Carpenter, Robert Eaton, David Hurwitz and Neil McCormack were in favor. Jerome Zettler and Herbert Johnson voted no. Johnson declared that he felt the proposal "discrim-

WEARIN' OF THE GREEN will be in order tomorrow (Friday) when the members of Hicksville's own St. Ignace Cadet Corp. leads the Nassau County delegation of the Ancient Order of Hibernians up Fifth Ave. in New York City in the traditional St. Patrick's Day parade. The colleens marched in the Hempstead parade last Sunday, also in honor of the good saint of the Emerald Isle. And sure, while we're about it, may we of the Mid Ireland Herald staff say "Cead mile failte". (Photo by O'Mallott)

## Postal Lease Runs 4 Years

While the Federal Post Office Dept. has a lease for its Hicksville Office on North Broadway which runs until Nov. 15, 1965, without the privilege of prior cancellation, the Dept. Bureau of Facilities is aware of conditions at the main office and Parcel Post annex and is reviewing overall requirements.

This was the assurance given Congressman Otis G. Pike by the Executive Asst. to the Asst. Postmaster General in a letter last week. Pike called attention of the postal service to local facilities which are said to be overcrowded. "You may inform your readers," the Congressman wrote the HERALD that steps are being initiated to improve their postal facilities and I shall continue to press for better service."

## Planners Approve Map For 336 Dwellings

The developers of the former Press Wireless acreage in the northwest corner of Hicksville School District have received the approval of the Nassau County Planning Commission for the first section of the proposed Wildfield development, providing plots for 336 dwellings, and the map covering 81 acres is expected to be filed this week. It is the largest undeveloped section in the community. As of late yesterday no permits for buildings have been requested of the Town Building Dept.

The map runs from a frontage on Cantiague Road, easterly along and parallel to the south side of Northern State Parkway to the rear of homes on Kuhl Ave. Plans filed with the Planning Commission includes a designated proposed school site on Cantiague Road.

ON AIR for a salute to Hicksville over WFYI last weekend included many residents. Here, from left to right, were Miss Harriet Spink, Kenneth Barnes, Postmaster Harry C. Coder, Dr. Lowell Glanz, Frank Chlumsky with John Frogge; also, Allen

S. Carpenter, Julius Schwartz and Henry G. Eisemann studying the console with Wallace Dunlap, station manager. (Herald photos by Frank Mallott)

## Tax Speaker For Democrats

The Hicksville Democratic Club will hold its regular monthly meeting on March 23, at 8:30 p.m., at the Hicksville Public Library Auditorium.

The speaker for the evening will be Samuel Michaelson, District Tax Supervisor of the New York State Tax Department, Minerva, which position he has held since 1959. He is also an attorney and accountant.

Michaelson will speak on "The difference between State and Federal Income Taxes and changes for 1961". Both his knowledge and experience have gained him the

reputation of being an authority on the subject. A question and answer period will follow. Refreshments will be served after the discussion period.

Levittown, N. J. was a completely gas-heated community--until the truth came out. Last year, 5 new families moved there from Levittown, Pa., which like Levittown, L. I. is heated entirely by oil. But when their first gas bills came in, they were shocked at how much more they were paying.

A local Oil Heat Institute member (with headquarters on Long Island) studied the problem. They converted these 5 homes to oil heat, and kept day-by-day cost comparisons during an extended test period. The results: oil saved 35.4% to 46.9% over gas... providing annual savings of up to \$172.26!

Word got around--fast. In 8 weeks time, several hundred homes converted to oil!

WHEN THE TRUTH COMES OUT, OIL HEAT GOES IN... and on Long Island the truth is that savings are as much or greater than those in New Jersey. Isn't it time that YOU switched to oil heat? For a free heating survey, without obligation, call (in Nassau) WEIS 5-2400, (in Suffolk) SAYVILLE 4-4140, or mail the coupon below.

Hurwitz asserted "we give the taxpayers a chance all the time when we run for election or reelection and I am quite prepared to stand on that when the time comes".

Carpenter estimated the cost of the adjustment for the coming year would amount of \$30,000.

The Board, during a session which lasted until almost 3:30 AM Saturday, also authorized a hospitalization-medical plan available to all full-time employees of the District effective in Sept. 1961.

The board also authorized the board increase for District clerical help and approved the five-percent point plan for non-teaching Civil Service employees.

The five-percent point plan, according to Joseph Koerner of the

custodial assoc., provides an increase in take-home pay. The NTU has estimated the cost of this plan at between \$10,000 and \$15,000.

The School Board will hold a special meeting this Friday night, Mar. 17, in an effort to complete the proposed budget so that it can be printed and distributed in advance of the annual vote in May.

A discussion meeting on the proposed budget is set for 8 PM Friday, April 21. Voter registration days will be Apr 22 from 10 AM to 5 PM and April 26 from 4 PM to 11 PM.

The vote on the school and library budgets will be Wednesday, May 3, from 12 noon to 10 PM. The regular Board meeting scheduled for Mar 31 has been changed to Mar 24 since the last Friday of the month is Good Friday.

## Civic Profile

by Isabel Davis

GERMANY - 1939

An eighteen year old boy carrying a suitcase of wines and liquors on a train in Germany headed for Holland. He seated himself in a group of SS Storm Troopers and begged them to sample his wares. He appeared to be a traveling salesman, and, as such, was escorted across the border by his two intoxicated companions. He was, in fact, a Jew escaping from Nazi Germany. His name? GIL STEIN.

ENGLAND - 1943

Just four years later, his feelings towards the Nazis no longer so carefully concealed, an American infantryman killed sixty German soldiers on the Anzio Beachhead. For his heroism, Gil Stein was awarded the Silver Star as well as the Purple Heart.

USA - 1940

Now successful businessman and highly regarded citizen, his bitter memories - safely under control - were brought sharply into focus when he was forced to return to Germany for one day. "I couldn't sit out fast enough, every bite in every restaurant struck in my throat. Too many of my relatives and friends are cremated and buried there."

How does a refugee boy, arriving in New York with no money, little knowledge of English and no contacts create a future? Gil started by sweeping floors, delivering liquor, washing toilets and windows and pushing a hand truck full of piece goods from 39th Street and Sixth Ave. to Canal St. These were the years of working twenty to thirty hours a week for approximately eighteen dollars. These were the years, also, of reading newspapers aloud and giving to thousands of families to learn the English which today he uses so effectively in both writing and public speaking.

After the war, Gil touched many kinds in rapid succession. He was door-to-door magazine salesman, purchasing agent, salesman, bartender and spent two years purchasing merchandise for an export firm, which involved extensive traveling through South America. During these years he managed to take a complete course in Business Administration at night, at City College. He became attracted to a textile job in 1948, and thus learned the business he is finally to stay in.

In 1950, just eleven years after he was pushing a hand truck full of piece goods, the young man established his own firm, Steadytex, Inc. - a lucrative business selling and converting piece goods. Gil, a pragmatic man, although never fully satisfied by his business, accepts it for its lucrative nature. Perhaps, his feeling that law or advertising would now be his choice is a drive in his career as a civic leader.

What kind of man, then, did the boy become? A man who finds time to read a good deal, if indiscriminately, a man whose home in Birchwood resonates with his love of good music; a man who is impatient with phonies and non-productive people and one who enjoys exotic food, good talk and people. The man whose childhood was cut short by the invasion of his freedom, derives a great deal of pleasure from his sons, Richard, seven and Claude, five, and loves to take them to museums, zoos and children's plays. He feels the major difference between the way he was raised by his parents in Mainz, Germany and the way in which his sons are being raised is that chil-

dren in contemporary America are given a much greater degree of freedom of expression. The boys will benefit from the dual heritage their parents are schooled in. Gil and his wife, Lotte, want their sons to be bi-lingual and to be given the cultural background that so many modern American children do not receive.

Love of his family, as well as his terribly personal understanding of the meaning of democracy are factors in Gil's constant work to make our community a better place in which to live. He admits that he would not participate in this work so intensely if he did not enjoy it. Although a "no-talent" homeowner who can't turn off the main water pipe, he has an enormous talent for organization work and approaches it on a creative level.

He was active in the birth of the VILLAGER, serving as Managing Editor, Editor and member of the Board consecutively, and has been on the Board of the Civic Assoc. as well as a first vice-president. As Chairman of the Board of Trustees of the Reform Temple he found his work in getting land a building an exciting challenge.

Recognizing politics on the local level as the foundation of our government, Gil is active in the Jericho-Syosset Democratic Club. He believes in financially independent politicians when possible and one of his dreams is to be financially independent enough to indulge his many interests - perhaps in politics?

## Council Hears Candidates

By George J. Frankel

At its regular monthly meeting on Wednesday, March 8th, the Jericho Joint Civic Council was addressed by three of the candidates who will be running for positions on the Jericho School Board in May's election. The candidates were, in order of appearance, Lewis Rogers, of White Birch; Mrs. Jane Schreiber, of West Birchwood Park; and Gilbert B. Stein, of the Village of Birchwood Park. The candidates presented their qualifications for serving on the School Board, and then discussed their views on the present status of the School District, their positions on some of the leading issues, and their ideas on how the operation of the district could be improved. They are seeking the endorsement of the Council, or of the bodies it represents. The council expects to hear the other candidates before deciding whether to endorse or support the candidacy of any individual.

Mrs. Lenore Sirota, of The Friends of the Jericho Library, presented the facts and figures relating to a Jericho Public Library to the Council. A proposition relating to this will appear on the same ballot as the School Board candidates, although it is not related to the schools. Mrs. Sirota also is seeking the support of the Council, and expects to return with more data to clarify the extent of the expenditure involved.

The Jericho Joint Civic Council is an organization of local Civic Groups. Its members are: Birchwood Civic Ass., at Jericho, represented by Dr. Martin Lawrence and George J. Frankel; Jericho Civic Ass., represented by Frank Walsh and Gene Rassall; White Birch Civic Ass., represented by Mario Della Vecchia; Princeton Park Civic Ass., represented by Ira Hyams; West Birchwood Civic Ass., represented by Herb Platt and Brookville Taxpayers' Ass., represented by Bob Meyers and Harold Smith. The purpose of the Council is to gather, exchange and disseminate information concerning common interests to members of the Council, and to act for or on behalf of the Member Groups.

## New Principal For Jr High

by Horace Bernstein

Howard Pierson, Chairman of the Syosset English Dept., was nominated by the School Superintendent and appointed by the Board held on Feb. 27, as the new Syosset Junior High School Principal.

William Kupec, who organized the South Woods Jr. High School and was its first principal, will be assigned to the Superintendents' office for the purpose of organizing the new Thompson Junior High School, which will open in Sept. 1961, and of which he will be the new principal.

## Jackson PTA Awards Banners

The Jackson School PTA presented banners to six classrooms in the school who had succeeded in obtaining 100% membership in the PTA. The first class to be thus honored was Miss Lang's third grade.

The presentation was made in the Jackson School auditorium in the presence of Mr. John Bolles, principal.

The next regular meeting of the Jackson School PTA will be held on Monday, March 27, at which time there will be nominations and elections of officers for next year. All candidates seeking election to the Board of Education have been invited to speak at this meeting and will answer questions relating to their qualifications.

The guest speaker for the evening will be Nicholas Massa, Educational Psychologist, who has chosen the very interesting topic, "Self - Understanding, The First Step to Understanding Your Child." Mr. Massa will also answer any questions from the audience, such as "When should my child wear lipstick, nylon, start dating, go to dances, etc." "When is it proper to spank my child?"

Refreshments will be served, and a very interesting evening is being planned. Please attend.

B'nai Brith Jericho Chapter, regular meeting will be held Wednesday, March 22 at 8:30 p.m. at the Jericho Country Club. Election of Officers.

## President's Corner

By Irwin D. Baunel

School board elections affect each of us in many ways. The man or woman elected to serve as a school board trustee is directly responsible for surveillance of the curriculum, teacher policy, and administration of the entire school district. They are directly responsible, also, for the preparation of a budget and implementing the budget after approval.

What all of this boils down to, is that they oversee the education of your child and the spending of your money. You, as a parent and a taxpayer, also have a big responsibility. That is, to see that you have questioned each candidate on their qualifications and attitudes. Think about the questions at issue and face them squarely. Don't be satisfied with a shrug, or "I'll see when the situation arises" type of answer.

This is only the first aspect, and one of current interest, of your responsibility. The second is to be aware of the actions and policies of your school board. It is not necessary to attend each open board meeting, although some member of the Birchwood Civic Assoc. does cover each of these as your representative. It is, interesting, though to attend at least one regular meeting in order to become acquainted with the board members, and the business that they transact.

Last week, the Syosset School District held its first public budget hearing well in advance of the budget vote. This meeting is covered in detail in the report of Bob Borst, Syosset Education Committee Chairman, elsewhere in this issue of the VILLAGER. This special meeting was particularly gratifying to us because it indicates that the Syosset School Board is aware of the unrest that was created by last year's failure to reveal budget details sufficiently in advance of the vote, for an intelligent evaluation. We, of the Board of Directors, feel that in part our open letter of protest had much to do with bringing this about. It is to be hoped that the Jericho school board will also hold this type of thorough open hearing on their budget soon.

We have fought for early budget hearings and for early presentations, not simply to have something to fight about, but because we feel it is imperative for the electorate to have all the facts. This gives us time not simply to take the negative point of view of "I don't like it", but to offer worthwhile and constructive suggestions to the school boards. Your Civic Assoc. Committees are hard at work preparing their suggestions. We have no monopoly on bright ideas. If you have one, join the fight for good schools for our children...contact Bob Brown, Chairman of the Jericho Education Committee or Bob Borst, Chairman of the Syosset Committee.

## Preview Budget

By Robert A. Borst

On Monday, March 6 at 8:30 PM in the Syosset High School Auditorium, the Syosset Board of Education held a preliminary budget public hearing. This was the first time such a meeting was held before making final decisions on a school budget. The main purpose of this meeting was to permit questions and obtain viewpoints

Many thanks to all of you who so kindly responded to my request for news. My phone kept ringing and my mailbox was filled with "tid-bits". It made me feel good to know that so many of you are cooperating.

I am happy to report that Hilda Bloom of Hedgerow Lane is convalescing at home, after a long stay in the hospital. Also, Ralph Kass of Merry Lane who was stricken with pneumonia, is now at home.

Blanche Rader - WE 8-7155, Selma Gold - OV 1-1243. The price is a mere \$6.50 per couple.

Heard a funny story the other day. Sammy Resnick was driving in Midtown Tunnel with the music blasting away. The other motorists stared at him in amazement because no radios can play in the tunnel. The answer is simple. Sammy has an automatic record player in his car!

Happy Anniversary to June and Albert Minoff of Fair Lane and Marcella and Larry Resnick of Hazelwood Drive.

Gladd that Joe Meli of Middle Lane is back to work again. He is the well known "Dance" of Les Girls Beauty Salon, and a hair stylist for TV stars.

Lee Batterman and Harry Berck are exhibiting some of their paintings in the South Shore Art League Art Exhibit in Hicksville, starting March 13th.

What very prominent Birchwoodite had an embarrassing experience recently? At a party in his house he accidentally put the outside amplifiers on, and his neighbors heard some very private conversations.

Sisterhood of Temple Or-Elohim's fabulous Multi Prize C\*H\*A\*N\*C\*E 1st cards are now being sold. There are 63 big prizes that can be won for only \$1.00. You have the opportunity for just a dollar to win not only 1 prize but all 63 prizes, as the winning stub is returned to drum after each drawing. So take a Chance now.

trimmings, plus dessert and coffee. There will also be door prizes. For tickets call Cefi Pogoda - WE 5-1731.

Shirley Lids, chairman of Sisterhood of Reform Temple Or-Elohim, says that the April meeting will outdo the last one. She will be presenting an original One Act Play called "If Men Played Cards As Women Do" starring four very distinguished gentlemen whom I am sure you all will know, but we will not tell you their names, as come to the meeting and be surprised.

The Catholic Women's Guild of Jericho held its monthly meeting on March 1 at the home of Mrs. Jennie Venesco of 180 Robbins Lane. Plans were made for this year's social activities that aid worthwhile charities, which is the Guild's main goal.

They say all good things come in threes, and the Newmans of Birchwood Park Drive, heartily agree. Leon passed the New York Stock Exchange examination; Leahy is celebrating her 16th birthday and will celebrate with a large party at the Huntington Town House, an Sylvia and Leon are celebrating their 17th wedding anniversary.

Condolences to Ethel Keller of Bountey Lane, who lost her brother, and to Irving Sobel of Mayline Drive who lost his Father.

Tuesday night, March 7, Sisterhood of Reform Temple Or-Elohim held its regular meeting. This meeting, for those that didn't attend, was something out of the old time Max Sennett films. A rip roaring mock fashion show was presented. The lovely models wearing these costumes were Joan Rauch, Joan Melitzer, Helen Heymer, Edith Elcher, Carol Thew, Sarah Weiss, Shirley Kulchinsky, and narrator was program chairman Shirley Lids.

Happy to tell you that my neighbor, Ted Fisch of Hazelwood Drive, is rapidly recovering from his recent illness. Get well real fast, Ted, and come home soon. We all miss you! Also, nice to report that Jack Haas and Bert Sam are both well again. Get well wishes to Editor Dave Mark's Mother, Mrs. Fannie Mark.

Birthday greetings to Herman Lubitz, Stanley Schechter, Shirley Rosen, Kenneth Diamond, Karen Diamond, Honora Lowenthal, Marcella Resnick and Perry Kemer. I've had a very favorable comments on my new feature called "Little known facts about people in Birchwood". So, here are some more . . .

Did you know that Marion Joyce of Maytime Drive created the game, "Junior Scrabble"? Did you know that Cantor Jack Brown of Temple Or-Elohim is on Mitch Miller's program every other Friday night on TV? (The program is on tape. Cantor Brown appears "in person" at the Temple on Friday nights.)

Did you know that the ping pong table now in the Schecter home on Birchwood Park Drive once belonged to George Gershwin?

That's all for now. Please phone me at OV 1-5910, or drop me a line at 63 Hazelwood Drive, if you know any news.

## Ten Pin Talk

By Henry Dockswell

After having successfully maneuvered our way, and without radar, mind you, through the pitch black obstacle course called Jericho Tpke, we all arrived safely at the Jericho Lanes. This was week #4 and the Comets, leading the league by a slender margin of one point, and led by Team Captain Marvin Cohen, were ready to stand off the threat of the Misfits, the first half champions.

Fred Sapio made a valiant effort to pace the Misfits and bowled a 204, but to no avail. The Comets wound up the night by taking 3 out of 4 points and strengthened their hold on first place. They now lead with a total of 11 points, with the Kents, Misfits, and Flubs in a three way tie for second place with 8 points apiece.

So far this second half, the Kents, led by team Captain Ed Kersman, are the surprise of the league. After finishing last, they seemed to have found themselves and have been in second place all along. Next week, these same Kents face their biggest test. They meet the powerful but faltering Misfits.

The Comets meet the Jarms, led by Team Captain Red Karbel and the last place Woodchoppers led by Capt. Elliot Fisher will try to dig themselves out of the cellar when they face this reporter's team, the Flubs, led by Capt. Len Walnick.

There is no change in the four high prize scores as yet. High individual game is Morry Levine (232) High Ind Series, Elliot Spender (557); High Team Score, Woodchoppers (867) and High Team Series, Misfits (2,375).

The trophy for the most improved bowler might go to Len Walnick who after winding up the first half with a 143 average has been bowling at a 160 clip for the last 12 games. But have no fear, fellow, he's the chief of the Flubs.

## The Game's Not the Same

By David A. Mark

Ever play kick-the-can? Ring-  
o-leevio? Johnny-on-the-pony? Do  
the kids on your block ever play  
these games, or have they been  
organized into oblivion?  
In a fit of nostalgia, we have  
wondered recently about the games  
of our youth. If we thought about  
them at all, as children, they seem-  
ed to be games that were played by  
every child who came before us,  
and we never doubted that our  
children would enjoy them in their  
own time. But hop-scootch, stoop-  
ball, territory, immies and tri-  
angle are lost pleasures, we think.  
Or were these games of a type that  
could only be nurtured in the city  
streets, where concrete and tene-  
ments produced a game-form not  
known in our "new" environment?  
Around our own community, the  
only "game" we can recognize is  
pots! — a source of daytime  
pleasure to generations of little  
girls. (Why this placid little game  
seems to persist is beyond the ken  
of the masculine mind.) What ever  
happened to punch-ball, last-one-  
home-is-it, run-sheep-run? When  
girls skip rope, do they still  
double-dutch and french?  
None of these ever fell into the  
realm of "organized activities".  
They were the spur of the moment  
burst of energy that filled the after-  
school hours, or the days of sum-  
mer vacations. And they never con-  
flicted with the traditional team  
sports. We had no little leagues,  
but who among us didn't play at  
least some sand lot baseball and  
football, or schoolyard basketball?  
What do today's children play?  
We see them on bikes, but where  
do they go? To the local book shop  
to leaf through a mess of comic  
books? Bowling alleys are no  
longer hang-outs for neighborhood  
toughs, and are packed with chil-  
dren on week-ends. But this is  
usually a planned activity, with or  
without parents, Youth groups,  
playground supervisors, and dance

instructors share the burden, to-  
day, of managing a large part of a  
child's free playtime. Cub packs,  
day camps, chartered sight-seeing  
excursions consume another por-  
tion of "the children's hour". What  
games, then, are devised spontane-  
ously? Few, it would seem, that can  
combat the sedentary lure of tele-  
vision or comic books.  
Well, so what? you may ask. So  
nothing, we answer. But the tiny  
clang of a well-kicked can, or the  
yelp of a hard-running "Johnny"  
landing on a pony would be wel-  
come sounds to these city-bred  
ears. Better by far than the angry  
screeches of children who must  
be dragged away, kicking and  
screaming, from their TV sets  
and booted into their tiny quotas of  
sunlight and air.

## AROUND THE DISTRICT By Joe Koerner

**COMMUNITY CONCERT**

When the old masters of the music world started to bounce their compositions off the woodwork, the proponents of five just had to pull up their tent-pegs and head for high ground.

That seemed to be the full story, surrounding the recent Hicksville Community Band Concert, held at the Sr. High. A great deal of credit must go to Sr. High's Supervisor of Instrumental music, Charles F. Gouse, who is also the director of this exceptionally fine Concert Band. It's almost impossible to believe, that any comparable group of musicians, could possibly surpass the efforts of this combined talent. With the fluidity of a well oiled machine, they went from a rousing Sousa March to a beautiful arrangement of "Preludes" by Debussy, Tremblay, soloist J. David Abt, Dir. of Instrumental music at the Park Lane School and Alto Saxophone soloist, R. Gerard Pellerin, Dir. of High School Bands, brought the house down with three curtain calls. All in all, it had been a tremendous performance and neither snow, nor rain, nor sleet, could keep the concert affectionates' at home. Mr. Gouse, Mr. Abt, Mr. Pellerin and that exceptionally fine group of musicians that make up the Hicksville Community Concert Band, deserve all the credit that could possibly be accorded to them. And while giving our plaudits, all others responsible for bringing these exceptionally fine concerts to the people of Hicksville, deserve at the very least, a standing ovation of thanks.

**CHAMBER RECITAL**

The Sr. High School, Music Dept., presented a Chamber Recital in the

Little Theatre. This had been an innovation, this year but never the less, an overflow crowd made its appearance. Featured were the advanced Chorus and the clarinet, also the Flute and horn sections of the Advanced Band. A program ranging in scope from the 16th century music of Palestrina to the modern jazz of Gershwin, had been presented. Unfortunately, time did not permit a complete coverage of this recital but if the first few choral arrangements were any indication of the overall performance, then Jerry Pellerin and Bill Goleeke of the Sr. High music dept., had a big hit on their hands.

## KRUSH PRESSES FOR SUMMIT MEETING

Informant, Allen Zolnoski, 9th grader at the Jr. High School, claims that the recent Science Fair had the effect of shaking up, Premier Khrushchev and the Russian space probes. Allen, who had a voice, code and telegraph communications project at the Fair, inferred that he had picked up a garbled message being sent back to Moscow. "These Hicksville kids are fooling around with things we haven't thought of as yet... And they'll beat us to the moon!" seemed to be the point of the excited messages. There was a good deal more of the cloak and dagger stuff involved but like all true scientists', Allen clammed up when pressed for further details.

## J.V. BOWLERS WIN NORTH SHORE CHAMPIONSHIP

Competing against eight teams in the North Shore League, J.V. and Varsity bowling Coach, Harry Renn, reports that his Junior Varsity copped the North Shore crown

with a 35-15 record. Members of the J.V. team, Tom Miller, Jeff Wells, Chp Searle, Morn Golden, Bob Weick & Paul Frimmer, ended the season with an average pinfall of 155. Renn's Varsity squad took 4th place in their league with a seasonal record of 29 1/2 to 20 1/2. Team members, Joe Abramson, Ray Germaine, Bob Malezia, John Panico & Ted Reich, rounded out their season with a pin average of 160.
