

Sea Scouts Take Part in Regatta

Thursday, March 18, Ship 18 held a meeting apart from the usual meeting held March 2. The boys gathered at Seaman & Elsemann where they met Mrs. William R. Glee Club Director at Eastern Military Academy, and Bob Keefe, graduate of EMA, who played the trumpet for them. The purpose of the meeting was to practice for the coming Indoor Regatta. The boys have been practicing for the various competitions. Two weeks prior to this meeting the ship's members suspended their meeting and went bowling. Though the scores weren't high, the spirits were.

A Bridge of Honor and Open House will be held April 12 at 7:30 P.M. at Seaman & Elsemann. All are invited to attend.

The ship's future activities, Ship 18 will make a trip to Sperry Gyres, N. Y., New London Naval Base and a summer cruise to Meigs Sea Port where the boys will spend a week on the Ship Aquila.

15,000 Vehicles Roll Past Herald, Survey Shows

About 15,000 vehicles move north and south on Broadway, near the intersection of Old Country Rd., Hicksville in a 24-hour period these days. It can be safely assumed that the north-south movement is some what higher nearer the centre of the business section. The estimate was made by counting the north-south flow between 6:05 PM and 6:15 PM on Monday evening. Recently as the vehicles passed the front door of the HERALD at 225 Broadway, just south of Old Country Rd. the count for the 10-minute interval was 152. It ran about 90 for the first five minutes. This amounts to 1,092 in an hour and during a 12-hour period would total 13,104. Allowing only a ten percent flow for the balance of the 12-hour period or 1,310, we get a grand total of 14,414.

During the 10-minutes that the HERALD kept track, there appeared to be slightly less cars north bound. It was also noticed that about one-third of all the vehicles were commercial — ie, trucks, pickups, a bus, station wagons, etc.

Most of this is projection. The only solid fact was the 152 vehicles actually counted during a 10-minute interval. It was not the heaviest period of the day.

Library Net Budget Down:

SCHOOL BUDGET RECORD \$9.3 MILLION, TAX UP

An 80-cent increase in the Hicksville School District tax rate was in prospect today as the School Board and the Library Board individually completed their proposed budgets for 1961-62, this week. The current combined school-library tax rate is \$5.174 per \$100, of which \$4.954 is for schools and 22 cents is library costs. The gross budget for schools is \$9,316,901.21 compared with \$8.6 millions this year.

The public library budget for the coming year is \$196,607 net compared with \$205,000 for 1961-61. The library rate is expected to be slightly less than last year.

Increases in the School Budget are largely accounted for by salary increments. There is a gain of \$337,631.84 in instructional services and a gain of \$196,650 in fixed charges.

The total school budget is \$637,064.01 higher. Debt service is up \$105,640. The only category to show a decline is capital outlay which drops \$82,951.82.

Percentage-wise, instructional service amounts of 57.34 percent of the total.

It is anticipated the net amount to be levied for school purposes by taxation is \$5,011,901.21. State aid is expected, under current formulae, to provide a little less than four million dollars in the coming year.

The Board of Library Trustees is planning a preliminary budget discussion at the Library on April 19. The School Board will invite the public to a preliminary talk on the budget on Friday night, April 21, at 8 PM in the High School.

Both the Library and School Boards, individually, will mail to all residents material concerning the details of their respective

Dear Jean:

Belated greetings to a very dear and beloved friend, MOTHER M. ADELARDE former principal of St. Ignace School and now at the Queen of the Rosary Convent in Amityville. Sorry we are late, Mother, but all in Hicksville wish you more birthdays than the 75th you just celebrated. Talking about birthdays, we hear Mrs. MADELINE SMALL of 19 Ernest St. celebrated hers on March 20th. Anniversary greetings to Mr. and Mrs. JOHN KNAPP of Sterling Ave. who will celebrate 20 years of wedded bliss on March 29th. Mr. K. is associated with the office staff at the Hicksville P.D. Also associated with the P.O., MARY and GEO. BLOSS of Roosevelt Ave., will celebrate their 25th anniversary on March 26th. Mary is the O.O.'s girl Friday and one of our nicest friends. Our congrats. to Mr. and Mrs. HERB SMALL of 116 Division Ave. on the birth of their second child, a daughter, Laurie Anne. The Small's also have a son, Jimmie. Our sincerest sympathy to Mr. and Mrs. WILLIAM SCHIFFMACHER of Cobalt Lane, Westbury, on the death earlier this week of their 13-year-old son, John, an honor student at St. Ignace School. We have known the Schiffmachers for quite a time, and knowing them as we do, we feel deeply concerned, along with all the organizations connected with St. Ignace organizations as they are two wonderful people.

Sixty Jericho High School students will be the luncheon guests of Hicksville Rotary Club at its meeting today (Thurs.) in the Milleridge Inn. The Club's father-children luncheon is next Thursday on Mar. 30. THE HERALD has found a new home, right next door to our present location on Broadway, south of Old Country Rd. We expect to be located in our new address next week.

Members of the Public Library Assoc. will be out in force, Saturday, providing the volunteer labor to enclose a porch area at the Library at Jerusalem Ave. and Second St. Nassau Health Dept. reports more than 100 persons were treated in Nassau hospitals last year for injuries resulting from the use of trampolines. The Dept. suggest 10 rules before children step on the bouncing tables. Hicksville got into the daily press this week. Eighty-one thousand dollars worth of candy which could not be sold because it was marked inedible by the manufacturer was ordered burned. All-Island Delivery Service of Hicksville was commissioned to dispose of it and after being burned down by several incinerators, dumped the 147,000 lbs. of chocolate goodies in East Northport. Kids are reported to have made off with armloads before it could be covered over by bulldozers. An Easter egg hunt is set for 1:45 PM on Monday, April 3rd, at Nassau County Park, Sayville. It is sponsored by the NY Daily Mirror. ROBERT S. FREMCH of Hicksville faculty is attending the American Personnel and Guidance Assoc. convention Mar. 26 to 30 at Denver, Colo. He is a member of the Assoc. Board of Governors. We hear the 3,000 or so students at Jericho High assembled on the football field earlier this week for a mass group picture. Council of Republican Club Presidents met, Monday night, at GOP Hdq., 10 Willoughby Ave., Hicksville. WILLIAM VINCENT was installed as chairman by TOWN CLERK WILLIAM O'KEEFE in place of Town Leader THOMAS PYNCHON who was confined to his home with a sore throat. The same ailment kept him from the Ernest F. Franke GOP Club testimonial honoring PHIL ROBINSON, Saturday night. Salary of recreation director JOE MADDEN is budgeted at \$10,000 for next year. We are breaking a tradition that goes back to our first issue 12 years ago by accepting a paid adv. for our front page. We saw a copy of the Hicksville Press of 1896 this week. The front page was all advertising copy. This is a good time to get that garage or basement cleaned out. The town will pick up all kinds of old furniture and whatever during the week of Mar. 27 to April 1, but you have to put it out on the curb and call WA 1-0893 to arrange for pickup. Library Board will hold a preliminary discussion of its 1961-62 budget at the library on Wednesday, April 19. The School budget discussion will be held Friday, April 21. Net library budget for coming year will be slight less than the current year providing a fractional reduction in this tax rate. School tax rate will probably rise as much as 80 cents, but Hicksville will still be about \$1 per \$100 under neighboring districts such as Plainview and Levittown. Town Republican Executive Committee scheduled to meet today and vote on a resolution regarding the office of county executive and county party leader. Enjoyed DAVE MARK's piece in last week's Herald on the games dad played when he was a boy.

Get well wishes are sent to VERNON WAGNER, director of the Wagner Funeral Home, who was involved in an auto accident this past Saturday evening. He has been confined to bed for awhile.

The Jewish Passover

Passover has been celebrated by Jewish people for over 3,200 years. It commemorates the exodus of the Jews from slavery in Egypt, when they started on their 40-year journey to Canaan.

Leaving Egypt in great haste, the Jews baked unleavened bread, since there was no chance for the dough to rise. Accordingly, Passover meals omit any food that has been leavened or has come in contact with leavenings. Instead, flat cakes known as matzohs and matzoh products are served.

Food must bear the label, "kosher for Passover." If it is to be included in Passover meals. This Hebrew word "kosher," meaning fit or proper, indicates that the food may be eaten as ritually clean. Food marketing specialists of the Cooperative Extension Service tell us that more than a thousand food products have been certified as kosher. They are identified by the letter "K," an encircled letter "K," or an encircled letter "U."

Planning meals during Passover requires special consideration. Matzoh does not have the same food value as enriched bread, so that diets may be low in iron and thiamine. To compensate for this, it is important to serve other foods, which are certified, of course, and rich in iron and B vitamins—meat and poultry, for example, and generous amounts of vegetables, especially asparagus and broccoli.

St Stephen Holy Week Services

Palm Sunday services, commemorating Christ's triumphal entry into Jerusalem, will usher in the Passion Week at St. Stephen's Evangelical Lutheran Church, Broadway and Fourth St. In addition to the regular services at 8:45 and 11:15 A.M., a children's service will be held at 4 o'clock in the afternoon. Crosses made of palm by the Luther Leagues of the church will be distributed at all services.

Pastor Richard K. Muck's sermon topic will be "The Command of Jesus." There will be special music by the choir under the direction of Miss Dorothy Christ.

The regular mid-week Lenten service on Wednesday at 8 o'clock will be followed by a discussion period on the Augsburg Confession.

Holy Communion will be administered at Maundy Thursday services at 6:30 - 7:45 and 9:00 P.M. also at 10:00 A.M. on Good Friday.

"The Seven Meditations" will be the theme at the three hour service from 12 Noon 'till 3 PM on Good Friday, March 31. An invitation has been extended by Pastor Muck to the employees in business concerns in the area to come when they can and leave when they must. Teachers of the Bible School will conduct a service for the children in the Children's Chapel from 2 to 3 o'clock.

At the 8 o'clock evening worship service, Pastor Muck will preach on "The Lamb Who Was Slain." Four Festival Services on Easter Day at 7:30-8:45-10:00 and 11:15 A.M. hailing the resurrection

of Christ will climax the Lenten Season observance.

"He Goes Before You" will be the topic of the Easter Message by Pastor Muck. The choir will render special music at all services.

Church Hosts College Choir

The Hicksville Church of Christ (Christian Church) will be host to the Roanoke Bible College Choir of Elizabeth City, N. C. The Choir is on its annual spring tour which will include various churches in Va., N. J., N. Y., Pa., and Md.

The concert, under the direction of President George Bon Durant, will take place at The Church of Christ at 105 Broadway, Hicksville, March 24 at 8 p.m.

Luncheon will be served by the Youth Group of the Church. Then the choir will receive overnight accommodations from the members of the Church.

Klatsch Held For Red Cross

On March 15th Mrs. F. T. Carmody, Fund Chairman of the Jericho Area American Red Cross held a mid-morning "klatsch" meeting for the volunteers of the Fund Raising Committee. Mrs. Henry Clay and Mrs. Harry J. Miller, Jr. served as hostesses. On the table in the midst of all the delicious cakes and pastries was set a bowl of flowers emblematic of RED CROSS and looking closely it was a delight to find it was made up of red carnations for the cross and white sweet peas for the background. Mrs. Carmody reported that of the quota of \$4,690 the amount collected so far is \$765. Progress was being made on the door-to-door drive but more volunteers were needed in certain areas not yet covered. With but a short time left before the drive ends Mrs. Carmody feels that more volunteers will respond and "That Good Things Will Happen When YOU Help" Jericho reach its quota. Mrs. O. Olsen of Chapter Headquarters was present to answer the many questions that arose. Also present were: Mrs. James Barker, Mrs. M. Barth, Mrs. E. Bashe, Mrs. L. Bjorkman, Mrs. James Blake, Mrs. B. L. Block, Mrs. M. Blum, Mrs. S. Bogdanoff, Mrs. Henry Braner, Mrs. George Casey, Mrs. A. de Rosa, Mrs. L. McQuillan, Mrs. Richard Post, Mrs. E. Sadowski and Mrs. F. W. Schwartz. At the close of the meeting Mrs. J. J. Dowling, Area Chairman invited all those present to the next regular meeting which would be held at her residence on Tuesday April 11th at 10:00 A.M.

Ten Pin Talk

By Henry Dockswell

Hail the Comets!! Infused with a 'mysterious power hereto' un-affected, they have successfully beaten back any and all challenges to their lead. Their latest feat was to practically annihilate the struggling Jarms and kick them back down into the collar. Mac Cushing contributed handsomely when he bowled his best game of the year, 197 (too bad this was spoiled when Mac found he had left his lights on and he couldn't start his car.)

Eddie Roseman really sparked his Kents when he came up with a 221 and dropped the faltering Mis-fires into 4th place.

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Where're My Beautiful Sheets???

Every one of the Ardo Hand at the Birchwood Shopping Center, on Monday, March 20, found a small pile of laundry when they came to dig their linens, dirty, out of a disorderly pile at the edge of Broadway Road. The word spread at all possessions in the area being removed, and arrived from every direction. People were long to salvage their own belongings. Undoubtedly, everyone concerned is desirous of obtaining his own laundry, in whatever condition. THE VILLAGER has no facilities for setting up a laundry clearing-house, but will investigate and report on what may be done to get lost linens back to their rightful owners.

Players Wanted

A softball league is being formed in Jericho, consisting of six to eight teams from the neighboring communities. They will play each Sunday at 10 A.M. All persons interested in playing with our Civic Assn. team, please call Leon Newman at OV 1-5546 or WE 8 - 9328 immediately. Play is for enjoyment only, so come on out for some good fun and exercise.

Cast Set for Middle of Night

Check your March 30 issue of The VILLAGER for details on The Jericho Player's casting results for their June production of "Middle of the Night."

MARCH

March is a busy month, a pleading storm, driving rain, And March is a house that's warm.

March is a budding branch, to the ground, Cold hand and wet feet, And with the wildest sound.

March is a fairy racing, spring, And with the wildest sound, Dancing on the wing.

TRACK & FIELD NEWS

Jr. High track & field coaches, Warren Meyer and Bob Berg, were snowed under last Wed. afternoon, when 154 hopefuls turned out for the 7th, 8th, and 9th grade, track team. Both felt that this might possibly be the year of the "feast" but it was a little too early in the season to start making any long range forecasts. "We have some good prospects", they both agreed. "And our returning veterans should get us off to a flyin' start".

Returning vets are, High Jumper, Tommy Judge, holder of the 8th grade record, established in 1960, at 4'11"; Joe Sugar-mele, Frank Casolino, and George Lang in the Broad Jump and Dash. Casolino holds the 8th grade record from 60 at 17' 8 1/2" and Lang having been outstanding in 7th grade competition, will now move up to 8th grade events. Other vets are Bruce Thiel, Terry Merrill, Paul Randone and Dick Wright, holders of the relay 440, record (8th grade) established in 60, at 51.5 seconds. Last but not least are Nick Trentecoste and Larry Wesolka reporting for the weight event. Wesolka holds the Jr. High record for this event (7th grade) at 40'3" and also the pole vault at 7'6".

Other records, some existing from 1958, will be up for grabs in this wide open season. It'll be interesting to note just how many withstand the assault.... 7th grade events.... 50 yd. dash, George Lang, 1960, 6.2 sec. Broad Jump, Keni Reiter, 58, 4'6". High Jump, George Lane, 60, 15'2 1/2". 220 yd. relay, (no name), 59, 28.7 sec. 8th grade.... 75yd dash, John McAuley, 59, 8.6 sec., Shot put, Nick Trentecoste, 60, 43'5". Pole Vault, Mittenorff, Laremore and Hershberger, 60, 7'6". 9th grade.... 100 yd. dash, Frank Kurth, 60, 10.8 sec., 160 yd. dash, Bill Sherrburne, 60, 10.8 sec., 320 yd. dash, John Huestes, 59, 24.7 sec., 380 yd. run, Bob Lloyd, 60, 17.9 sec., 120 yd. hurdles, Mike Heney, 59 and Howie Hamm, 60, 15.0 sec. High Jump, Hamm and Frank Kurth, 60, 5'5". Broad Jump, James Carbone, 60, 18' 1/2". Pole Vault, John Miller, 59, 8'6". Shot put, John Miller, 60, 43'9". 440 yd. relay, Pizzarella, Ross, Stillman and Henkel, 58, 49.5 sec.

Varsity track coach, Jim Grant-ham and weight coach Stan Kellner, (shot and discus) also look for a good year, with 80 eager beavers reporting for the opening practice. According to both, a top crop of sophomores and a number of returning vets, should provide the impetus needed to get off to a flying start. Kellner, the quotable, notable, always good for an off the cuff statement of some sort felt that Hicksville's track star is definitely on the rise. "We're still a little weak in the shot, he had stated but our discus combo of Joe Adragna and Frank Terringer have shown good promise. They'll be well over 130' at the seasons' inaugural.

PLAY BALL, DEPT.

Things are tough all over these days.... Subway's in a hole.... Pikes Peak is on the rocks.... And even the chorus girls are kickin'.... And if that isn't enough, consider the plight of Jr. High's baseball coach, Dick Hogan and Varsity coach Army Tomisl. Between them they wound up with 246 applicants for 18 positions. Jr. High had 166 reporting on the first day and the Sr. High had 80. In the weeks ahead, both Dick and Army will be burning some mid-night oil, paring these squads down to workable levels.

SCIENCE TRIP TO HOWE CAVERNS

This Saturday morning at 8 a.m. members of the Earth Science group, biology and Adventures in Science Club, are scheduled to leave the Jr. High School grounds on the first leg of a 4 hour bus ride to the Howe Caverns in up-state, New York. The itinerary includes, arriving at the caverns at 12 noon...Sightseeing for 6 hours and then boarding the buses for the 4 hour return trip. The return to the Jr. High has been scheduled for 10 p.m. Bernard Braun, Principal of the Jr. High School, will be in direct charge of the more than 250 students, who have made plans for this trip. Other adults making the trip in a supervisory capacity, are Asst. Jr. High Principal, A. Glass and a group of Science teachers, some of which include, Mr. Aronson, Mr. Stenberg and Mr. Cohen. Mr. Cohen 7th grade Science teacher at the Jr. High, gave us this word picture of the Howe Caverns, situated in the upper N.Y. State, Catskill area, approximately 30 miles from Albany.... An immense, underground cavern, eroded over the centuries by Mother nature, leaving behind unimaginable beauty... All this, plus an underground boat ride, 60' below the surface of the earth.

earth.

An interesting sidelight on how the caverns derived its name, is also attributed to Mr. Cohen. According to stories passed down through the years an up-state dairy farmer by the name of Howe, discovered the caverns, completely by accident. He became puzzled as to the reason his herd of cattle always seemed to gather in the very same spot during the heat of the day. Investigation led to the discovery of a hole in the earth, emitting a cold blast of air. (It seems that Howes' cows had their own air-conditioning unit, even in those early days at the turn of the last century. Further investigation, led to the discovery of the complete caverns and Howes' cows were taken off the milk run as a reward from their lovable master, who in turn had his name go down in history.)

PUBLICITY DEPT.

Our thanks to Jr. High Principal, Bernard Braun, who recently publicized this column in the daily, absentee and announcement sheet.
