Michael J. Sullivan and Robert Corcoran as attorneys for the School District successfully fought the issue right up to the Appellate Division.

Justice Pittoni had upheld the legality of the Nov. 19, 1959 referendum last October. On Nov. 24 notice of intention to appeal the verdict was served on the School District. In February of this year, Szendy and Goebel were notified to be ready to progress their appeal.

Three separate efforts were made by Goebel to evade the necessity for filing a printed record on the appeal. The conclusion of the case was apparently reached this week when the Law Journal reported the dismissal of the appeal.

Initially four causes of action were brought to court. Justice Edward J. Robinson on Mar. 2, 1960 dismissed two of the alleged causes of action which had the effect of narrowing the case down to a question of the finance law around the issue of moving the temporary-type classrooms in the District.

The action was started by ten taxpayers (five couples) led by Szendy, former member of the Board of Education, with Goebel, former school attorney, as lawyer. The suit was brought by Mr. and Mrs. Szendy, Mr. and Mrs. Lawrence A. Roman, Mr. and Mrs. John Ryan, Mr. and Mrs. George Curda and Mr. and Mrs. Herbert Karn.

The suit had the effect of immobilizing the entire voter-approved program which included the movement of temporary-type classrooms to the Junior and Senior High Schools, purchase of additional land at the Senior High School, an addition to the Senior High School, an addition to East St. School and a new elementary school on property owned by the District on Willert Ave.

High School Jr. Enters Amherst

Stephen Alton Fernbach of 33 Monroe Ave., Hicksville, a junior in Hicksville Senior High School, has been awarded a General Motors National Scholarship of \$1200 although the competition is only for high school seniors. Stephen will be leaving for Amherst College in June of this year.

Only 100 scholarships for four years of undergraduate study without restriction are offered throughout the United States. Stephen competed as a junior and won

over seniors from all sections of the nation, according to Leon J. Galloway, principal of the High School.

Amherst has accepted the Hicksville student on the results of his College Board Scores plus the academic record made in Hicksville High.

The announcement was proudly relayed by Dr. Wallace E. Lamb, superintendent of Hicksville Schools.

Walter Werthessen assumed command of the Hicksville Fire Department from Chief Charles F. Saurer who completed his term of office on Monday night. A rousing round of cheers greeted Ex-Chief Saurer as he stepped down from the chair and turned over the badge of office to his successor. Upon assuming command Chief Werthessen commented "I hope I can continue to give the same efficient fire protection that prevailed while Chief Saurer was in office."

Other Department officers sworn in by Fire Commissioner Chairman Harold Hawkhurst were 1st Deputy Walter Telender, 2nd Deputy John Specht, and newly elected 3rd Deputy Gus Cotsonas. James Hilton took over the task of Recording Secretary from retiring Arthur Isaksen, perennial Joe Eisemann as Financial Secretary and Carl Eisemann as Treasurer were also sworn.

DETAILS COMING THRU MAILS:
Discuss Library Budget
On Apr 19; School, Apr 21

Distribution of a detailed and interesting 16-page booklet on the proposed Hicksville School District Budget for 1961-62 by mail to every household in the community is expected to be well underway as of Monday, April 17. A public discussion meeting on the budget is scheduled by the Board of Education for Friday night, April 21, at 8PM in the Senior High School Auditorium.

All households will also be receiving a leaflet from the trustees of the Hicksville Public Library during the coming week. A discussion of the Library Budget is announced for next Wednesday evening, April 19, at 8:30 PM in the library auditorium on Jerusalem Ave. at Second St.

A special last minute note attached to the school budget brochure reports that Hicksville will receive about \$96,700 more in state aid next year than was anticipated, or a total of \$3,836,700. As a result the net amount to be raised by taxation for school purposes will be reduced to less than five million dollars, resulting in a proportionate saving to District taxpayers.

The Hicksville Democratic Committee will meet on Thursday, April 13, at the Old Country Manor. Edward J. Morris, Hicksville Democratic leader, announced that Eugene Nickerson, Chairman of the Charter Revision Committee and candidate for County Executive, and John P. English, Democratic County Leader, will attend the meeting.

Dear Jean:

Looks pretty official -- EDDIE TEVERING has made application to the Hicksville Rotary Board of Directors to represent the local folks at the Rotary Convention in Tokyo. Eddie is planning to visit all 50 Rotary Clubs in Japan. Joseph Barry Council, Knights of Columbus, had a fine turnout for the Blood Donor session, Tuesday evening in St. Ignatius School Cafeteria. We liked this line used by a TV newscaster: The South may have lost the Civil War but it is certainly winning the CENTENNIAL. WALTER WERTHESEN was installed as Hicksville Fire Chief, Monday night. Shortly after midnight, he had his first "official" fire and of all places it was in Plain-lawn Cemetery! A shanty used to house a truck and other equipment caught fire and was spotted by a policeman. By the time the vamps got there, about 1:25 AM, the roof was gone already. The boys were by the chief as publicity chairman for the fire dept., adds a footnote: "Good luck, Walter." We were personally grieved at presstime to learn that MILDRED CLARK, head of the home making dept at Senior High, passed away at Pittsfield, Mass. She taught us how to cook way back went, before TV dinners, etc. She was with the schools in Hicksville 33 years.

We hear that Mr. and Mrs. JOSEPH V. SLAGEN of Hicksville celebrated their 50th wedding anniversary recently. A reception was held at the Victorian House in Glendale. Sorry to hear that MARY BLOSS, girl Friday down at the Hicksville P.O. is home ill - betcha it's the virus. Glad to hear that JOE, old stand-by at the money order window is back at his post after several days of illness. Mr. and Mrs. ROBERT NEDER and three children of Grove St. returned over the week-end from a two weeks stay in Florida. While there they visited Miami, Silver Springs and all the places of interest. They also spent several days with Mr. and Mrs. ROBERT BOGART of Orlando, who are former residents of Hicksville. Mrs. Neder and Mrs. Bogart are friends and schoolmates of good old Hicks High School. Good time was had by all.

The Rosary-Alter Society of St. Ignatius R.C. Church will hold a thrift and rummage sale on Monday April 17th, and Tuesday, April 18th in the Old Convent on E. Cherry St. The Woman's Auxiliary of the Holy Trinity Episcopal Church, Jerusalem Ave. and Old Country Rd., will hold a "Festival of Flowers" in the parish hall, Saturday May 6, from 11 a.m. to 6 p.m. Twelve assorted flowers and candle arrangements will be shown. There will be door prizes - including two transistor radios. Tickets may be obtained by calling Mrs. ROBERTS at WElls 5-6489, for a donation of \$1.00. Coffee and cake will be served.

LOIS FINKELSTEIN of Jericho is among students in folk, modern, ballet and tap dance dances at Oklahoma College for Women who will be presented in a "A World of Dancing" at the College Theatre in Chickasha, Okla., this Friday night. She is the daughter of Mr. and Mrs. Sidney Finkelstein. Mrs. WALTER DUNBAR of Hicksville is decoration co-chairman for the 1961 Spring Ball, "Night in Hawaii" of Nassau Chiropractic Auxiliary set for Saturday night at the South Shore Yacht Club, Freeport.

It's Your Problem, Too!

By ALLEN S. CARPENTER

Beware of the man who would be all things to all people. He is like a chameleon, changing color to blend with his surroundings. If he is good at it, he is hard to spot. But only those who want to be fooled, can be fooled for long.

The man who is working to seem to be what every man is looking for, always claims that he is a natural born leader. He has platform against sin. He loudly proclaims that we should take a "long hard look" at this and that. We should "study and re-evaluate." We should be realistic, sincere, economical, understanding of everybody's problems, while never losing sight of our tax burden. His platform, his avowed aim and goal is to mean all things to all people.

If you want more bus service, he will promise (once he is elected) to study the whole problem. If you are unhappy with tax rate he tells you its time to be realistic and to get back to fundamental principals. If you are anxious to have more school rooms, he is happy to say that this is one of the most important areas of consideration and when he is elected it will be his very first concern.

If you ask what about the educational race for world supremacy? He will say, we must never forget this science, math and language are the keys to progress. If you ask about educational frills, he will say we must return to the basic principals of the three R's, we must not forget the wisdom and high example of our forefathers.

But if you ask him what he means by the three R's, he might say "reading, writing and arithmetic." But if he runs true to type, he will say (1) Regard for the universal welfare, (2) Realization of community obligations, and (3) Responsibility for keeping the public informed.

We should ask every new candidate to at least make an honest attempt to tell the people he is asking to vote for him, where he stands on at least a few basic issues. Ask him, insist that you get more than, if, and, but and studies.

Lutherans Collecting Clothing

Pastor Richard K. Muck of St. Stephen's Evangelical Lutheran Church has again been named Chairman for the Lutheran World Relief Drive to be held next Friday and Saturday, April 28 to 29. Last year with Pastor Muck at the helm, two freight cars loaded with clothing were collected and shipped abroad by the L.W.R. of the United Lutheran Church.

Churches of Nassau and Suffolk Counties are asked to bring clothing to the Empire Storage Warehouse, receiving station, at 80 Duffy Ave., Hicksville, anytime. There are no trucks and no cars. This clothing drive is not only for the poor, but throughout this country similar drives are being held. Anyone, regardless of church affiliation, is invited to bring useable discarded clothes to the receiving station and it will be sent to the sons of cloths which is so badly needed in the third world. It has been suggested that each church have a clothing drive and have their clothes brought to the receiving station.

The Birchwood Park Civic Assoc. financial Secretary reports that an entire mailing went out to the community, billing residents for the year 1961-1962 dues.

The first week's result are: 154 renewals and new members. Please mail in your checks early. Your Civic Assoc. needs not only your money, but, most important your enrolled support.

Help us do the work that we can do to make this a strong and unified community.

At a special meeting of the Board of Education of Central School District No. 2, a budget of \$7,176,430.00 was adopted for presentation to the voters at the annual meeting to be held in May.

This budget represents a decrease of \$200,000 under the original budget presented to the public in March. The reduction came from elementary teacher requirements and attended supplies as a result of the opening of St. Edward's Parochial School.

Mr. McQuirk, president of Syosset School Board, stated that a definite tax rate could not be arrived at until the first of May because final assessed valuation figures will not be available until that time. He did state that, based on an assessed over all valuation of \$73,500,000.00, the tax rate for our district (Locust Grove) would be \$.646. Our present rate is \$.4.00. This means a \$.10 per pound increase on an average assessed value of \$9,000.00 in the river section of Birchwood Park.

A more detailed budget will be mailed to all residents this week. The public hearing on the budget will be held on April 24 at the Gyonnet High School and the vote will be on Wednesday, May 3rd, between the hours of 10:00 A.M.

The library issue, which was supposed to have been voted on in June separately, has been changed by petition of 20 residents so that the vote will take place the SAME time as the school referendum in May.

The Birchwood Civic Assoc. is at present studying the details on the library and will come up with recommendation as to the merits or demerits of a library to Sycamore.

Your education committee is also at this time interviewing the two candidates running for the board from our District. They are Incumbent Sam Glazer, and Robert McCullough who is running in opposition. McCullough was introduced by the Syosset Committee Monday night on his qualifications. It is hoped that we will have Glazer at our next meeting so that we can determine the qualifications of both candidates and come up with a recommendation as to which of the two candidates is better qualified.

Jericho B'nai B'rith Lodge and Chapter will hold their annual installation of officers on Saturday night, April 15th, 9 P.M., at the Jericho Fire House. Following the installation refreshments will be served, and there will be dancing to the music of Herb Rosen's orchestra. Admission will be free.

This has been a hectic time for our Civic Assoc. The past few weeks have seen problems arise in every area of community living. I'd like to be able to say that we've solved them all (it would make us sound so omnipotent), but the truth is that we've dealt successfully with some, we're working on others, and the end is not yet in sight.

Both local school districts have submitted budgets to the voters for their consideration, well in advance of the May 2nd voting date. Our education committees have been meeting, debating and arguing about many items of these budgets. The recommendation of the Board of Directors will be published in the Villager for your consideration.

Nobody living in Birchwood can be unaware of the changes occurring in the landscape around the shopping center. For those who still don't know, the new structure will be a large bargain store. While our Civic Assoc. cannot apparently take any forceful action to prevent the erection of this building on land which is business zoned, the problems that this type of structure may cause for the perimeter group do come under our purview. We are attempting to meet with the Merry Lane and Hazelwood Drive families who are affected.

One of our more persistent little problems has been the condition of Birchwood streets after the stresses of this past winter. The Town Planning Committee has notified the town government about some of the worst offenders...ruts, bumps, cracks, etc. However, the investigating committee may have been fortunate and avoided some of your pet spots. Why not notify Fred Green at OV 1-6927 and see if we can't take the roller coaster effect out of a trip around Birchwood out of a trip around Birchwood?

Our Civic Assoc. was formed six years ago. There are many people who thought all problems would "cease and desist" when bulldozer fights were over. A brief glance at this column will indicate that this is not the case. The need still exists for an active and vigilant Civic group. Dues bills were mailed this week. Help keep our Assoc. strong. Mail your dues now!

Mrs. David Kassen, Jericho and Syosset District Chairman for the Northern Chapter of New March of Dimes, wishes to thank all residents for their marvelous response to the successful campaign.

Many thanks to area chairmen, Mrs. Daniel Sirota, Merry Lane, Jericho and Mrs. Robert Frechman, Gary Rd., Syosset. Area chairmen: Mrs. Rauch of Jericho and Mrs. Joseph Lefuso of Syosset.

Anyone who desires to help next year's campaign, please contact New March of Dimes, 1 Main St., Roslyn, or Mrs. David Kassen, 18 Flower Lane, Jericho, at Wells 5-1867.

Miss Romalada B. Whiton, a freshman at Bradford Junior College, Bradford, Mass., is at home after spending the first part of the spring vacation at Stowe, Vt. She is the daughter of Mrs. Brewster Righter of Oyster Bay Rd., Jericho.

The P.T.A. Council of Central District #2 announces that a committee is preparing a "Know Your Candidate" brochure which will contain short biographical data and reasons for candidacy on each candidate for the forthcoming school board elections.

The brochures will be distributed throughout the community prior to the "Know Your Candidate" forum which will be held on April 27th at 8:30 P.M. at the Southwoods Junior High School. This is a community service rendered by the P.T.A. Council annually.

For anyone desiring to place his name in the brochure, publishing consideration requires that all biographical information be received by the committee no later than April 14th. For information contact Mrs. B. Kushner, Wells 8-1890.

After 8 "fun filled weeks" minus a few new ulcers, heartburns, and near nervous prostrations, the scene remains unchanged. Marvin Cohen's Comets are still first in the league standings. Probably the most frustrating thing of all, to the other teams that is, was the ease with which this team has practically slaughtered the rest of the league.

What had happened? Was there a logical explanation for this? Confined to bed with what appeared to be the flu, this reporter found himself with nothing but time and so set about to examine the statistics and results of these last 8 surprising weeks. The league leading Comets WERE the most improved team with six of their seven men raising their averages at least 1 point. But from this point on, well see for yourself: The Misfits were second most improved with five out of seven bettering themselves while third in improvement were the Woodchoppers and fourth the Goats. Next were the team doing better. Next were the teams with three and last were the Flubs with two.

Except for the Comets this was not the way the standings were working out. The Woodchoppers, who were in first place, were last while the latter were comfortably entrenched in second place. The only other contributing factor would be the change in the league's situation. The league had a 100% handicap too high a price for consistency to pay? The Woodchoppers might be the prime example of this. Six of their seven men average 140 or better, while the first prize Comets have only four men in that category and the Kents have only two, this last being the lowest in the league.

At this point, my head is swimming. I'm all mixed up and I'm sure my temperature has gone up again. About the only thing I can still remember if Morris Garelick's sensational game of 255 which was reported last week with his picture, needless to say he has now taken over the individual high game lead. The Kents now hold the high team game lead with 876. This includes the 100% handicap spot of over 100

On Monday, April 10, a meeting was held at the Executive Offices of Floyd Bennett Stores at the Green Acres Shopping Center in Valley Stream. A group of Merry Lane residents, Dan Siracusa, always, and Joe Farino, and their attorney, appeared to represent the residents of Merry Lane who live immediately adjacent to the shopping center. The Birchwood Civic Assoc. was represented by President Irwin Bauman and First Vice-President George J. Frankel. Floyd Bennett Stores was represented by President Sherman Simon and vice-president Joseph Glass. Leonard Schwartz, represented the firm of Sosnow and Schwartz.

In order to avoid as many future problems as could presently be anticipated, the Civic Assoc. has previously written a letter to the City of Florence, and to Somow & Schwartz listing a series of possible points of contention. This letter was read at the meeting and many of the points were resolved. It was determined that the original architectural scheme had been altered so that the new stores will conform in appearance to the existing stores at Birchwood at Jericho Shopping Center. The residents were assured that the shopping center property would be graded down away from the property of the adjacent residents, so as to insure that no drainage would occur from the parking lot onto the property of the adjacent residents. In addition, Mr. Schwartz promised to remove any piles of earth that may presently be accumulated on the site of construction, in order to avoid any washdowns that may occur during the period of construction. It was also noted that accumulation is allowed to remain in the future.

In answer to an objection to the installation of an incinerator, Mr. Simon presented the arguments in favor of an incinerator. He pointed out that without an incinerator, garbage tends to be strewn over the area-by wind, etc. Mr. Simon contended that a good incinerator would be a great boon and cited experience at Brookhaven, where the community officials recommended that all factories and retail stores should have incinerators comparable to that of the Floyd Borden Store in Brookhaven. The community is not allowed to choose whether it wants an incinerator or not.

Other points under discussion include annoyance from air conditioner noises, erection of screening fences and trees, installation of interference filters on lighting circuits, and location of loading doors, and location of garbage storage bins. Some of these items are covered by TOBAY Building Code Ordinances.

Another meeting is to be scheduled in the very near future to try to resolve the aforementioned items.

ins given them by the Woodchoppers. For the first time since the league started as many as six men showed very good games in the same week.

Form Opposition

A storm is beginning to brew over the proposed establishment of a Jericho Library, it was reported this week. A small group of people calling themselves the "Opposition to the Jericho Library" is rapidly mushrooming. After an article in a daily newspaper was printed, the president of the organization received many phone calls from people in all areas of Jericho who did not realize that there was much strong organized opposition.

OIL HEAT COSTS LESS!

THIS IS WHERE THE FACTS CAME OUT!

Levittown, N. J. was a completely gas-heated community—until the facts came out. Last year, 5 new families moved there from Levittown, Pa., which like Levittown, L. I., is heated entirely by oil. But when their first gas bills came in, they were shocked at how much more they were paying.

A local Oil Heat Institute member (with headquarters on Long Island) studied the problem. They converted these 5 homes to oil heat, and kept day-by-day cost comparisons during an extended test period. The results: oil saved 35.4% to 46.9% over gas... providing annual savings of up to \$172.26! Word got around—fast. Since last Fall, over 300 home owners decided to convert to oil heat!

WHEN THE FACTS COME OUT, OIL HEAT GOES IN... and on Long Island the truth is that savings are as much or greater than those in New Jersey. Isn't it time that YOU switched to oil heat? For a free heating survey, without obligation, call (in Nassau) WE 5-2400, (in Suffolk) LT 9-4140, or mail the coupon below.

CIVIC PROFILE

(Continued from Village Front Page)

calls himself "practical" because he never aimed for a degree, but simply took courses in the subjects he wanted to learn about. I think we can see that it is something far more than practicality. The urge to learn and the ability to do so in spite of adverse conditions are indicative of a gifted mind - and a compelling need to use it.

The experimenting with radios led to a radio repair business and then to a radio retail store. His engineering studies led first to being an engineer with the Signal Corps during the war, when he worked in most big electronics plants as Inspector in Charge of accepting military equipment. He became a military contract specialist and eventually, President of Elsin Electronics which merged with Specialty Electronics Development Corp. where he is now Director of Engineering and Contractors.

A picture begins to emerge of a man preoccupied from childhood in a singularly directed path. There have been, however, some improbable detours. Picture, if you will, a director of an electronics corporation as a stunt man in the movies, chasing buses, racing trains and driving a midget car into the lobby of the Hotel Edison. Picture, if you will, this man with his feet on the ground, high in the clouds flying his own airplane. Add to this a Houdini-like stunt about which you may have read. When the manager of a local bank found himself locked outside with a group of customers, Norman Jacobson offered to pick the lock,

and did.

Does this suggest to you a completely different side to the hitherto singularly directed man? Examine, then, these ideas. The stunt man was not interested in being in the movies, nor was he interested in adventure for adventure's sake. He was interested simply in building the midget car. The pilot was interested in the mechanics of the plane, and the man who picked the lock had at one time apprenticed himself to a locksmith to learn how to put together and take apart locks. This man has never lost a small boy's fascination with putting things together and taking them apart; the combination of a child's curiosity and a gifted adult's ability can be amazingly productive.

It is claimed that he can fix anything - any appliance, watches, machinery and on and on. His home is filled with furniture he has made and is enlarged by a room he has built completely, from foundation up. Every room in his house attests to his skill, which is far from ordinary "do-it-yourself" work, but is highly professional and exciting to see. He is also a designer, who loses interest after his designs are completed and does not object to having them copied. One of his many designs is the swimming pool in the backyard of his Birchwood home - but he doesn't swim. This is one man's solution to having his family (wife, Elaine and children, Eric, 7, and Sue Ann, 18) around him while he is free to create and work on his beloved projects.

We have, then, a man who learns for the sake of learning, who designs for the pleasure in designing. He and his wife admit that he becomes obsessed with his pro-

jects to the point of ignoring food and sleep. He is guided by the excitement of anything mechanical or scientific; he is stimulated by anything new, from a new book to the concept of a space age, which was a reality to him when it was but a science-fiction dream. A new community found Norman active in the Civic Association and a new temple, Or Elohim, was started in his basement. A man who does not smoke, drink or gamble and has no interest in sports, he gets his kicks from new ideas. This is his vice, his virtue, his work and his hobby. This is his driving force.

College Pupil Training Here

Hicksville recently received the honor of being chosen by the State University at Cortland to provide experience for fieldwork in the area of community recreation. A visiting student from the University will work under close guidance of the Hicksville School District Recreation Office for a period of nine weeks as part of his recreation curriculum, according to Recreation Director Joseph F. Madden.

Harold Barenz, junior at Cortland, arrived in Hicksville on April 3 to begin his active period of "on-the-job" training in the local program coordinator of Springvale Senior Citizens Development, advisor to a Cortland Y.M.C.A. group, and has worked three summers for Massapequa Recreation Dept. In addition to his studies at Cortland, he was a member of the basketball and soccer team. He was active in Delta Kappa Beta

fraternity, Cortland College Recreation Association, Newman Club, Ski Club, and Intramurals. Barenz is the 5th such student to do his recreation field work at Hicksville.

FOREIGN LANGUAGE FAIR, SCHEDULED

According to information received, the Hicksville School System is scheduled to sponsor a gala foreign-language fair, during the month of June. The dates for the fair have been set for Friday and Saturday, June 9th and 10th and will be held at the Senior High School.

Informant, Mrs. Mae Aarons, member of the foreign-language dept. at the Jr. High, stated that the aims of the coming fair were, "to explain the experimental language program of the Hicksville system, to further understanding of foreign speaking countries and of paramount importance, to invite the public to visit the bazaar stands, which will be laden with imported products". These products can be purchased and the proceeds will be utilized to set up a scholarship fund, for outstanding language students.

Mrs. Aarons added that a number of important national and state officials have been invited to attend, such as President Kennedy, Gov. Rockefeller, Commissioner of N.Y. State Education, Dr. James Allen, Joseph Carino, Edwin Fehnenbach and a number of other notables.

Local merchants are invited to donate products to help stock the bazaar stands. If interested, contact, Mrs. Mae Aarons at the Jr. High School. The sponsors hope you don't forget to circle these dates on your calendar, June 9th and 10th, at the Hicksville Senior High School. Everyone's invited and they hope to be seeing you.

EXTENDED MEDICAL PLAN, MEETING

Prior to the open meeting scheduled for this Saturday morning, April 15th at the Sr. High, a group meeting had been held, last Friday afternoon at the Adm. Bldg. Those in attendance, were representatives of all departments in the official school family, plus representatives from the Blue Shield, H.L.P. and G.H.L. medical insurance plans. Unfortunately, each of the 3 plans are about the best medical insurance that money can buy but the big problem for all full-time district employees, is to choose the one, that will suit the individual. Don't forget to be on hand, to render your decision. In voting for this medical bargain in a lifetime...Next St. morning, April 15th at 10 A.M., Place, Sr. High Auditorium. The representatives of H.L.P. (Health Insurance Plan), G.H.L. (Group Health Insurance) and Blue Shield, will be present to explain the ins and outs of each medical plan.

HODCARRIERS BOUNCE SHOPLIFTERS

An estimated 7000, bleacher busting customers were on hand, Friday night, to help send the H.C.T.A. Scholarship Fund, Bas-

kethall game into oblivion. The "Hodcarriers", representing the Jr. High Faculty, took the lions' share of the purse by banging out a 66-44 win. The "Shoplifters", representing the Elementary faculty, proved to be outstretched from the opening whistle. Outstanding play by Jr. Highs, Jack Tucker, Doug Jones and Stan Kellner, helped bring home the victory bacon for coach, Dick Hogan. Kellner racked up 22 points, Jones 20 and Tucker 15. Bill Masser tossed in 12 markers for the losing side, followed by Bob Holski and Frank Smith with 8 apiece. John DeGregorio, playing coach for the Elementary "Shoplifters", came up with the usual "We wuz jobbed," statement.... "Wait till next year", John added ruefully as he limped off the floor. Connie Simmons, former prostar with the New York Knicks blew the whistle for this one and the H.C.T.A. Scholarship fund wound up the big winner with over \$150 in the till.

BASEBALL NEWS

The Sr. Highs' Varsity opener, was rained out Monday. Carle Place had to take a rain check for later in the season. Jr. High graders are scheduled for their inaugural on the home grounds vs Farmingdale, Thurs., April 20th. Monday the 24th, it's Clark at home and the following Thursday, it's Plainville, away.

TRACK & FIELD

Jr. Highs' track team is scheduled for a scrimmage with Plainview on April 18th. This should provide the tune-up for the opener against Garden City, at home on the 20th. According to coaches, Warren Meyer and Bob Berg,

"Garden City, always comes up with a strong entry and this should be a real test of our strength". The Sr. Varsity is scheduled for their opener, at home, vs Port Washington on the 17th.
