148 Enrolled In Sunday School

Each Sunday morning promptly at 9:45 the Sunday School of First Baptist Church of Hicksville meets in the church. There are classes for all ages - preschool through high school - under the direction of committed teachers. Our present consists of 16 teachers and 3 officers. Many of the teachers have acquired special training in the field of Christian education. The total active enrollment is 148.

As part of our expanding program we are conducting a scripture memorization contest. By mastering a prescribed list of Bible verses a member of the Sunday School can receive \$30 toward attendance at a Christian summer camp or toward purchase of a Bible. This award will be presented to as many as complete the requirements.

The Sunday School is open to all. You need not be a church member to attend classes.

Making Plans For Summer

Summer may seem a long way off to many but the Christian Education committee of the First Baptist Church of Hicksville has been at work on this summer's Vacation Bible School. The dates for this year's V.B.S. are Aug. 14 thru 25.

A new trend, at least for this local church, is the teenage night sessions known as "Frontier Club." Very popular last summer, the eager teens have already requested a repeat of last year's activities.

The school is operated for the children and young people of both the church and community. There are activities for youngsters from pre-school through high school.

This is an event long-awaited by its people. The attractive contemporary building was built largely by volunteer help under the direction of a contractor, Chester Johnson of N. Merrick, who also gave of his services.

North Bway Widening Forced Construction

The First Baptist Church of Hicksville was incorporated June 30, 1954 and meetings were held in a rented building at 57 N. Broadway. Because of the widening of Broadway, the building was to be torn down. The congregation formed a building committee in early 1957 to seek a new meeting place. The committee consisted of LeRoy Brown, Donald Kant and George Balseiro.

With only \$1500.00 in the building fund and 22 members, the prospects of building were slim indeed. Many stores and large houses were considered for meeting places but were rejected for various reasons. In the late fall of 1957 the present property at Liszt St. and Pollok Place was selected. A small house on the

property was envisioned as a temporary meeting place until expansion became necessary with growth of the congregation.

In early January 1958, Chester Johnson, a building contractor from N. Merrick and a stranger to the congregation, approached the building committee and told them that he believed that God would have him work with the congregation in the construction of a new church building. He offered to donate all his time in overseeing the work, if the men of the congregation were willing to work with him. The plan was to work every Saturday until the church was finished.

Many seemingly impossible financial situations faced the small group as work progressed but the solution to each problem was al-

ways available when needed. The people prayed and God gave the answer. Financial needs were met as they arose.

The State of New York notified the church to vacate the North Broadway property not later than Aug. 16, 1958. On that date the basement of the new church building was completed and furniture transported from the old to the new location.

First services were held in the basement of the new building on Sunday, Aug. 17, 1958. The first service in the shell of the upstairs auditorium was held on March 29, 1959.

The arduous days of work are about over except for the last few details of completion before the

MARCH 9, 1958 was the ground breaking ceremony for the First Baptist Church of Hicksville. LeRoy Brown, chairman of the building committee, handled the shovel. At the left is George Mardiros. Pastor Grob is at the right.

The congregation looks back on this "bold venture" with the thought "all things are possible to him that believeth." (Mark 9: 23b).

Only as the people "had a mind to work" has God blessed and provided. We are indeed grateful to our God Who is faithful, and to all, men and women, who have labored long and hard to finish the work.
