Good Friends Recall Old Times
WILLIAM E. KOUTENSKY is shown with Sam Kellner, at right in a picture showing them with the late Michael J. Noth. The picture being held is 1943, and the occasion was the first Defense Bond Drive, of which Mr. Noth was Chairman for L.I. Mr. Kellner bought \$25,000 worth of Bonds at that time. Koutensky has been appointed Chairman of a Dinner in honor of Kellner to aid the Congregation Shaarei Zedek Building Fund 4, at Monaco Beach Club in Lido Beach. (Photo by Frank Mallett)

Educators To Visit Here
Wallace E. Lamb, Superintendent of Schools in Hicksville, announces that a party of nine prominent Puerto Rican educators will visit the School District on a four-day period beginning May 31st. This visit will be of an educational nature and for Hicksville. Lamb also states that this is an opportunity to do our part in building friendships in Latin America which is especially important at this time because of the Cuban situation. The group of educators who will be coming to Hicksville may include Dr. Angle G. Quintaro, Undersecretary of Public Education. This group will form part of a larger group of 25 Puerto Rican educators who will participate in a Workshop in Human Relations sponsored by the National Conference of Christians and Jews Inc which will take place from June 4 to June 19. Supreme Court Justice Joseph A. Suozzi will present framed certificates to the eight leaders of Camp Fire Girl groups in the Hicksville-Levittown area this Saturday afternoon, April 29, at Levittown Hall.

Plans for Park Began in 1958
HICKSVILLE RESIDENTS were elated with the news, this week, that plans to move forward immediately to acquire the entire former fireless acreage in the northwest section of Hicksville for a park. It was recalled that on Jan. 23, 1958 the MID ISLAND HERALD published an article of Town Councilman Henry McInnes, at left, being presented a 200-signature petition of residents urging the establishment of a park on the last remaining large open tract of land in Hicksville by the late Sam Kellner, center, temporary chairman of the Committee for a Park, and George Winsor, then chairman of the Recreation Committee. Nassau Board of Supervisors is scheduled to hold a hearing on the proposed acquisition in Mineola, Monday morning. (Photo by Frank Mallett)

Note Apathy This Election:
4,506 Register; Well Below Peak

A off-year lack of widespread interest in the Hicksville School District voting set for next Wednesday, May 3, was reflected with only 1063 additional voters added this week to those who registered at the annual meeting of 1960 to make a total of 4,506 eligible to cast their ballots.

Two hundred and seventy four signed up on Saturday and another 789 yesterday (Wed), the last day. The strongest gain in registration was made in Burns Ave. area where a total of 511 are now on the books. Normally the figure there is below five hundred. By areas, the other totals are: East St. 777, Woodland Ave 333, Lee Ave. 805, Fork Lane 561, Dutch Lane 689 and Old Country Rd 620. Voters will cast their ballots on the school and library budgets, elect two school board members and a library trustee. Voting hours are 12 noon to 10 PM. The Board of Education will meet in the high school at 11 PM May 3rd to tally the official results. Allen Carpenter, incumbent, is opposed by Francis Sabatella and Walter W. Schreiber, incumbent, is contested by George Jackson. Jessie L. Ulmer is running for re-election as a library trustee without opposition.

An Editorial: Re-Elect Carpenter And Schreiber

Voters of Hicksville School District, as in most surrounding communities, will be going to the polls next Wednesday, May 3rd, between 12 noon and 10 PM to cast their ballots to elect two men for the Board of Education. The community in the past decade has witnessed some very hectic and even exciting election campaigns. This year the election almost defies belief.

Allen S. Carpenter, who is well-known throughout the community not only as a hard-working member and president of the Board of Education, but also for his many civic endeavors, continuous efforts in behalf of Scouting, etc., is a standout candidate for re-election. Walter W. Schreiber, secretary of the Board, has won the admiration of many during his tenure on the Board and is also well-known for civic and youth activities.

Plan Dinner For Dr Lamb

The Hicksville Public School Family is arranging a testimonial dinner in honor of Dr. Wallace E. Lamb who is retiring as Superintendent of Schools on June 30. The affair will be held at the Huntington Town House on May 22 at 7:30 PM. Tickets at \$4.25 are available at all District schools, the main administration building and down-town annex. May 5th is the closing date for ticket sales.

Teachers Note Anniversary

The 600 member Hicksville Classroom Teachers Assoc., one of the largest professional teacher organizations in the State, under the leadership of its President, John DeGregorio, will celebrate the 65th anniversary of the founding of Hicksville Union Free School District, with a Teacher Recognition Dinner party at the Old Country Manor, Hicksville, on Thursday evening, May 4, at 7:30 p.m. Honored guests will include retiring Superintendent of Schools, Dr. Wallace W. Lamb; Assistant Superintendent Donald F. Aht; and two retiring teachers, Harriet Spink School District Supervisor of Music; and Ruby Burt, Chairman, Foreign Language Dept., Hicksville Senior High. Honored guests will also include the Board of Education, civic leaders, notables from Albany, and the first scholarship winner of the Association. Murray Stock of the High School Faculty, is Chairman of the important event.

Open Contest

Highlighting the School Elections in the Mid-Island area is the situation in Jericho District where five candidates have filed for a single vacancy and two for another vacancy. There are nine candidates for five positions on a Library Board provided the library question is approved by the voters next Wednesday, May 3.

The form and shape of the opposition to the re-election of these two public spirited men is difficult to pin down. The known leaders of the opposition, apparently centered this time in the area known as Imperial Gardens, have not revealed themselves in public print. However, they have openly boasted of careful organizational activities dating back for about a year. The least concern of the opposition appeared to be the naming of candidates. The announcement of opposition candidates almost came as an after-thought. The voting public was given little or no opportunity to meet the candidates in opposition. Filing of petitions was done close to the final deadline. The high command apparently decided on a campaign of unsubstantiated and wild-eyed charges without formal basis.

This became obvious when the opposition failed to raise a single question at the preliminary discussion of the coming school year budget, last Friday night. In fact, it is said the opposition's candidates were not among the 40 or so people in the high school auditorium. It became even more apparent at the so-called candidate's forum on Tuesday night of this week. Candidates received notice of the "forum" on Saturday last. No announcement was received by this publication and many interested citizens were thus not even aware of the event.

During the session on Tuesday in answer to audience questions to Mr. Sabatella and Mr. Jackson on just exactly what they proposed to do in the areas of school construction, teacher-principal relations, alleged poor reading ability of students, pay scales, etc. of which they complained and lamented, both candidates of the opposition were agreed: they would take a hard, realistic look and then decide what they would decide. In other words, they lament but can offer nothing constructive. Not a single positive proposal did they advance. You can read their handbills and search for such information without success.

The thinking voter will not be deceived, in Mr. (Continued on page 3)

HERALD READER OPINION

To the Editor:
After a dozen years continuous reading of the Mid Island HERALD, I have been finally moved to write a letter to your readers. For the past two years there has been an all-quiet on the Educational Front of Hicksville School District (with the exception of the Szendy case and his being finally lost). This means the present School Board and everyone else connected with this body of men must be doing a fairly good job.

Now we have the election of two incumbents (Carpenter and Schreiber) coming up and all of a sudden there are two opposing candidates who say that these men have been doing a poor job.

I hope that I am one of many thousand taxpayers who has faith in the present School Board and get out and vote for Carpenter and Schreiber on May 3rd.

(Signed) LOCAL BUSINESSMAN
Name withheld on request.

An Editorial (Continued from page 1)

Carpenter and Mr. Schreiber they have men who have served well and are willing to continue to do the kind of job the vast majority of the community honestly desires.

Tax rates in School Districts surrounding us of comparable size will run \$10 per \$1000 valuation or more than the tax rate projected for Hicksville. We could spend a great deal more money but it would not necessarily follow that our educational system would be one iota better. We have an excellent system and we refer the readers to recent comments of retiring School Superintendent Wallace E. Lamb and other educational leaders in the state and nation for positive evidence.

The Board of Education is no place for second-guessers. It certainly should not be a position occupied by convenient and agreeable candidates being master-minded into office by torrid literature.

We sincerely urge the re-election of Allen S. Carpenter and Walter W. Schreiber next Wednesday.

Vol. 5 No. 21

April 27, 1961

Official Publication of the Birchwood Civic Association, Inc.

EDITORIAL: Civic Assoc Urges A 'No' Vote On Proposed Syosset Budget

Birchwood Civic Association and the VILLAGER strongly urge a "NO" against the proposed Syosset School Budget on May 3rd. It is particularly significant that the Civic Assoc. has never before made such a recommendation. Actually our support for previous budgets of the school board has always been consistent and strong. The importance of the issue is obvious. It involves the education of children and a major expenditure to all of us. Because of the seriousness of the problem, your Civic Association's Syosset Education Committee attended the general meeting on the school budget and subsequently initiated a meeting with Mr. McGurk, President of the School Board, to discuss our recommendations. In addition, two regular committee meetings were held, at which time the members questioned both the Board for the School Board, Mr. Glazer and M. McCullough. Only his deep exploration of the entire subject did the Board of Directors vote to oppose the school budget.

These facts will serve to illustrate the main aspects of our objection. For the 4 years prior to this one, the school tax increased from \$325 per house to a total of \$62. (based on an average Birchwood assessment of \$2,000). This averages an increase of approximately \$15. per year,.... bringing years when as many as 1000 new students were enrolled in an acceptable to both the school board and the residents. This year, with only 200 more students, the proposed budget calls for an increase of approximately \$81. per house... 5 times the increase of previous years average. If this budget is passed the school tax will be \$500. and the total school and town tax will be close to \$900. We feel that a tax increase of such tremendous proportions is not only excessive, especially in a recession year when almost all of us have felt a squeeze. At some point this has got to stop. We strongly urge that many of the increases in the budget are too high, and still are unnecessary. These excesses are present in administrative, maintenance and teaching areas of the budget. Should the budget be passed, these increases will become the springboard for subsequent increases in future years.

But by no means least, we are appalled at the implication by some defeat of this budget will necessarily lead to an austerity budget, false and misleading. Actually, the only way to revise the budget is to consequently lower our tax burden is to defeat the budget on May 3rd. Consequently by presented with a revised budget for another year.

Tradition and the good sense of the school board dictate a revised budget, perhaps several, before an austerity budget is suggested. A special meeting of the Civic Assoc. will be held on Monday evening, at 8:30 p.m. in the Jericho Country Club, specifically devoted to the discussion of the proposed Syosset School budget. If ever there was an occasion that emphatically demands your attendance, this is it. For the sake of your children, your tax dollar and not least, the peace of mind involved, please come.

Stein, Carrin Widely Endorsed

The voters of the Jericho School District responded in extraordinarily large numbers at the April 24th and 22nd registration. The election to be held on May 3rd features several propositions including the one on the proposed Syosset Library as well as the election of the School Budget and the election of two candidates to the Board of Education.

The polls will be open at the Jericho High School on May 3rd from 10:00 AM to 8:00 PM and we urge all registered voters to cast their ballots at this important occasion.

Civic Assoc Opposes Syosset Budget; Endorses Budget for Jericho District

President's Corner By IRWIN D. BAUMEL

The Board of Directors of your Civic Assoc. has taken action on an issue that concerns every family in the Syosset School District. It has voted to oppose the School Budget as it is presently written. In taking this stand, the Board has shouldered a responsibility that can be both unpopular and unpleasant, but all of our membership can be assured that this action has only been taken after considerable thought, discussion, and soul-searching.

We, as a group, have always, before this, strongly supported previous budgets of the Syosset School Board. Before rejecting this year's budget, we approved the Jericho School Budget, the Syosset Library proposal was approved, and Mr. Glazer was endorsed for the Syosset School Board. I'd like to point out that Mr. Glazer is the incumbent, and although the Birchwood Civic Assoc. Board took exception to his opinion on the budget, he was still considered extremely well qualified.

I don't intend to dwell on all the particular reasons for the budget rejection; these are well covered elsewhere in this issue of THE VILLAGER. I would like to indicate, however, that the school district expects an increase of only 200 students this year, and is asking for an additional one million dollars. To claim that

By GEORGE J. FRANKEL

The Birchwood Civic Assoc. has no record as opposing the proposed Syosset School Budget as it is presently constituted. At its regular meeting on April 18th, the Board of Directors was informed by the Syosset Education Committee that, after extremely careful review of the proposed Syosset School Budget, it was their considered opinion that there are many areas in which considerable economies could be effected. The Committee therefore recommended that the Board of Directors of the Civic Assoc. vote to oppose the budget.

Appearing as guests were William H. McGurk, president of the Board of Education; and Frank R. Manarel, Assistant superintendent on schools of Central School District No. 2, Syosset. Robert Borst Chairman of the Syosset Education Committee, presented to Messrs. McGurk and Manarel the points in the budget to which his Committee had taken exception. Messrs. McGurk and Manarel answered each question in turn, and participated in the general discussion which followed. After the guests had left, the Board of Directors voted overwhelmingly to oppose the budget. (See EDITORIAL on the Syosset School Budget elsewhere in this issue of THE VILLAGER.)

At the recommendation of the Syosset Education Committee, the Board of Directors voted to endorse the incumbent member of the Syosset School Board, Samuel Glazer, for re-election. (The Board has already endorsed Gilbert B. Stein for Jericho.)

The Board was addressed by Peter Jaffe, a member of the Syosset Committee for a Public Library, who presented facts regarding the proposal to institute a public library in Syosset. The Board voted to endorse the proposal. (At a previous meeting, the Board had voted to endorse a Jericho Public Library.)

At the recommendation of the Jericho Education Committee, the Board of Directors voted to support the budget submitted by the Jericho School District. This includes all the special proposals also. The report of the Education Committee did not include a recommendation on the Library, but that had already been recommended by the Board.

The Board of Directors voted to inform the Lloyd Benet Stores, Inc., that the community is in favor of the installation of an incinerator of the type previously discussed. This was done after the Board was informed by Dan Sirota of Merry Lane that the Merry Lane residents are in accord with this decision.

Little League Opener Apr 29

By RALPH DIAMOND
Bill Lyons, President of the Jericho Little League and Ralph Diamond, Little League Coordinator for The Jericho Lodge of B'nai B'rith, announced that the League will open its 1961 season on April 29th.

The teams will play at the Robert Seaman School, Jackson School and The Merry Lane Field. A full season of play is scheduled and it is anticipated that more youngsters will participate than ever before in its history.

The VILLAGER will report the activities of the Jericho Little League as the season progresses. Get out to see the future citizens of our community perform on the ball field. If you have never seen our little leaguers play, you will be amazed at the high caliber of their game.

Hi, Neighbors

MURIEL SUGARMAN

Now that Spring is here, everyone seems to be feeling fine and dancy. Even the news in this column is good! No wonder Mendelsohn wrote "Welcome Sweet Springtime!"

Congratulations to Dr. and Mrs. Fred Sapio of Hedgerow Lane on the christening of their ninth child, Kathleen. The godparents are Anne and Vince Rappa, also of Hedgerow.

Marilyn Markowitz, daughter of Mr. and Mrs. Jack Markowitz of Birchwood Park Drive is engaged. The lucky gent is Daniel T. Koening.

The Jericho High School P.T.O. is planning an enjoyable and entertaining afternoon cocktail party.

The management of the Plainview Country Club has again demonstrated its generosity to local charities by donating a family membership to the fine country club for the winner on April 8th by the Pioneer Women. The lucky winner - Pearl and Norman Schwartz. They can certainly look forward to a pleasant summer for the whole family.

This Winter at the Jericho Jewish Center Bazaar the Plainview Country Club also donated a family membership. The winner was Bernice and Lou Cohen.

We hope the Schwartz' and the Cohens have a wonderful summer at the Plainview Country Club--

All good wishes to Jeffrey Belodoff, son of Annette and Sol Belodoff of Hightop Lane on his Bar Mitzvah Saturday.

Speedy recovery to Helen Fisher and son Joel of Fountain Lane.

"Successful" is the best way to describe the Pioneer Women luncheon at the Meadowbrook Inn. The girls all loved the food, and of course they enjoyed the fashion show. They all decided to go on diets so that they can wear the new knitted dresses - but this decision was made after lunch.

Happy Anniversary to Doris and Horace Bernstein of Forsythia Ln. on their 18th Anniversary.

It could only happen in Birchwood. A certain group who live here are dedicated card players. On Saturday nights after dining and dancing, and even after parties, at 2 AM or even later, they sit down and play gin. At a recent Bar Mitzvah, in the midst of the merriment, one said jokingly to another, "We should have brought the cards along". A gagster, pulled out the cards, which he had gift wrapped, and proceeded to deal out the cards, much to the amazement of the other guests. After they found out this was just a gag--the non-Birchwood people joined in the laughter.

In celebration of the 13th year of Israel's statehood, the North Shore Pioneer Women has set aside March 18 to April 21 for a membership campaign to bring in 13 new members. Every new member will receive a gift, and so will the member's sponsor.

ORT's Thrift Shop will be located at 98 No. Broadway in Hicksville. Come in and browse around for bargains galore during the week of May 1st.

CYSTIC FIBROSIS. Looking for excitement Saturday night, May 6th? Follow the crowd to the Main Firehouse, Syosset, Cold Spring Harbor Rd. and Jackson Avenue. The North Shore chapter of Cystic Fibrosis invites you to spend "A Night in Las Vegas". The fun is worth the toll-\$1.00. Door prizes. Refreshments-nominal.

How come it took two weeks for the guests who went to the Homowack Lodge on the Pioneer Women week-end to recuperate? It's simple. They all stayed up until 4:00 A.M. watching the show. Everyone enjoyed herself and himself in different ways - some went ice skating, others went swimming, and still others just ate. But they all agreed on one thing. It was one of the most enjoyable week-ends anyone could recall.

Get well wishes to Lee Frankel, son of our former Editor George Frankel. Lee was hit in the eye with a baseball bat, and six stitches were needed to mend it. As of now, I don't think Lee will make baseball's Hall of Fame.

Ten Pin Talk

by Henry Dockswell

With two-thirds of the season gone, the standings reflect a two way fight for the second half championship. The Comets, league leaders for the entire second half, have not been able to gain any ground on the second place Misfits, the first half champs. In fact, they have lost 2 1/2 points.

This reporter feels responsible for the rejuvenation of the Misfits. In the column of March 21st, we referred to them as the faltering Misfits. The very next Monday night, they all glared and kept mumbling "faltering Misfits, hah!". Starting that night they practically annihilated every team. Out of a possible 16 points they took 14 1/2. This has been a team effort. Led by Capt. Leon Cohen each of these men has had a hand in firing up the team by coming up with a good game just when it was needed. This past week Morry Herrick played a 210 and Sam Springer 2-2.

The Kents, unable to sustain the Misfits drive, are now in third place, but are hanging on and hoping that they can regain their touch.

Monday night, April 24 will be a crucial one. The Misfits battle the Comets. They can't possibly dislodge the Comets from first place because they are still 5 1/2 points behind, but they can surely tighten the league standings by sweeping all 4 points. These two teams have not met since March 6, at which time the Comets took 3 out of 4. "Now is the time for all good men..."

Letter to Editor

To The Editor:
As the School-Board representative of the Robbins Lane P.T.A. I have been following the recommendations and decisions of the School Board and Superintendent with intense interest throughout the year. This year's school budget is, in my opinion, essentially a minimal one--it is not a "frill" budget. Every item was given careful consideration by our School Board with reference to the balance between "keeping costs down" while at the same time "maintaining high educational standards".

When I was informed that the education committee of the Birchwood at Jericho Civic Assoc. (of which I am a member) was favorably disposed toward the budget, I was very anxious to hear on what specifics they had based their opposition. Consequently, upon learning that the Board of Directors had invited two members of the School Board to their April 18th meeting, I attended to hear the questions they had drawn up, and the answers to them.

The questions put to our School Board members were very good ones, and very detailed, but in some cases indicated a lack of understanding of such items as teacher-pupil ratio, salary standards, fixed charges, etc. Mr. McCurk, President of the School Board, and Mr. Manarel, Assistant Superintendent, opened up their records, made statistics and facts available on every single item in question, and very patiently and clearly justified the entire budget.

I felt very strongly, at the end of the session, that if the Civic Assoc. Board voted to oppose the budget, it could not possibly be done on the basis of logic, but rather on a pre-determined negative decision. Furthermore, I was very disappointed in the discourteous behavior of some of the members of the Civic Assoc. Board. They loudly threw out questions to Messrs. McCurk and Manarel, and then rather rudely proceeded to ignore the answers given. These men should not have been permitted to vote on such an important question.

Furthermore, my strong feeling is that our Civic Association should concern itself only with matters affecting all the residents of Birchwood Park. Since we live in a split school district, it is hardly appropriate for residents in the Jericho district to vote on the vital school matters, or vice versa. School Board policies and decisions require much interest and study for clear understanding, and only those residents of a particular school district would possibly care enough about them to learn the facts and details.

School Board policies and decisions require much interest and study for clear understanding, and only those residents of a particular school district would possibly care enough about them to learn the facts and details.

I contend, therefore, on the foregoing observations, that the Board of Directors of the Birchwood at Jericho Civic Assoc. is unqualified to take a stand on the school budget or any other school matters.
