55 On Board

3 Women Among Members
Of Board In 65 Years

OTHER HIGHLIGHTS

Chlumsky Holds All-Time
Record for Longest
Time on Board

Hicksville School District since its establishment as a Union Free District in 1896 has been served by 55 persons as members of the School Board. Five citizens comprised the School Board until the number was increased, by district vote, to seven members in 1955.

In connection with the 65th anniversary of the District, the first comprehensive list of persons who served on the Board over the years has been compiled. While the vast majority served for less than two terms (six years), there have been some long-tenure members also.

The all-time record for the community is held by Frank Chlumsky who completed nearly a quarter century. First taking his seat on 1919, he resigned in 1942 to become a member of Oyster Bay Town Board. During most of his tenure he was either President or Secretary of the Board.

A close second is Henry C. Brengel who took office in 1932 and served until 1954, a total of 23 years, during most of which he was President of the Board. Another long-time member was

Telephones

First Instrument in 1912
Became Private Line
7 Years Later

The telephone has become an indispensable item of school equipment but it was not always so. As recently as 20 years ago (1941) the sum of \$500 was in the budget for telephones. In the budget for 1961-62, the total of \$26,000 is allocated. The present day system, with interschool direct dialing, is a complex apparatus.

First reference to a telephone bill appears in the minutes of a Board meeting of Dec. 1, 1897 with a charge of \$1 listed for the New York and New Jersey Telephone Co.

Then on Jan. 26, 1912, Trustee John Reinhard was "empowered to contract to have a telephone put in the school as soon as possible". At subsequent meetings the monthly bill appeared to run around \$2.60. It was up to \$7.19 by 1915.

It was not until Aug. 27, 1919 that newly elected Board member Frank Chlumsky was authorized to have the telephone changed from a party line to a direct line and have the instrument placed in the principal's office. The telephone number was then announced as Hicksville 307.

SPECIAL WORD TO OUR SUBSCRIBERS:

Efforts to present this special front page have made it necessary to place news which normally would rate first page attention on other pages. We particularly call your attention to the parade and dedication of the new Knights of Columbus clubhouse (on page 3) and the most excellent Hicksville Memorial Day parade and observance (on page 4).

In the preparation of this page we have been forced to take certain liberties with historic fact. For example, reproduction of pictures as halftones was almost unheard of 65 years ago. Illustrations in newspapers were general drawings or sketches. We also found it difficult in this modern age to duplicate the styles of type in vogue when granddaddy was a boy. However we have tried to be faithful to the style of headline settings.

We particularly call your attention to the faithful reproduction of a 65 year old editorial page of the Hicksville Press which is shown on page 3A in this issue. — FRED J. NOETH.

Side Glances at History

The following items are taken at random from the minutes of meetings of the Hicksville School Board during the earlier days. They were not selected because of great historical import but rather to highlight some of the early events and developments. — Editor.

Oct. 2, 1896
Mr. Hauser (first president of the Board) had appointed a committee to order a half cord of wood and see about having the out houses cleaned out.

April 7, 1897
The President reported that the school had been closed for one week since the last meeting and that the school was ordered closed by the Board of Health (communicable disease epidemic).

July 7, 1897
Resolved that all communications addressed to the Board of Education be handed to the secretary without being opened and contents not to be disclosed unless of sufficient importance for a special meeting. (How did they know what was in the communications?)

April 27, 1914
Trustee Helgans reported that a lawn mower was wanted as the janitor had been borrowing from neighbors. Ordered to get one. He reported that the chickens of Mr. Botto were running in the school grounds. Clerk requested to write and ask Mr. Botto to keep his chickens home.

School District Clerks

During 65 years there have been 11 persons who served as clerk of the School District. Frank Morris served from 1896 until his death early in 1916 with the exception of a brief period in 1899 when Joseph Oswald was appointed. Oswald served five months and then resigned.

William Simonsen, member of the Board, signed minutes from 1913 to 1916 as acting clerk. During this period the district minutes were typed into a minute book and apparently Morris died before he could sign all the back minutes.

William Stolz was elected clerk in 1916 and served until 1922. Henry G. Elsemann was named for the office in 1921 but the Board by a 3 to 2 vote reappointed Stolz.

Andrew B. Heberer Jr. held office the longest. Taking office in 1922 he served 33 years until his death in Sept. 1954.

Richard G. School, a Board member, was acting clerk for two months after the death of Heberer. Thomas C. Affrunti served seven months from Dec. 1, 1954. Emily Waxberg was the only woman to hold the office, a nine-month period ending May 2, 1956.

Elmer Breschard was in office for three months, followed by Walter Schlichting for four months.

Fred J. Noeth was elected on Dec. 1, 1956.

Celebration

Invite Community to Join
in Program Sunday

TURN BACK CLOCK

Honor Former School Board
Members and Their
Descendants

All community residents, particularly those who have served Hicksville School District as members of the Board of Education, administrators and teachers, and their friends, are cordially invited to attend a special program at Hicksville High School this Sunday afternoon, June 4, celebrating the 65th anniversary of the School District.

Former students and graduates are being urged to attend the program arranged by the Senior High under Principal Leon Galloway.

The high school with its special shops, laboratories and classes, will be open for public inspection starting at 1:30 PM. There will be guides to assist visitors. Promptly at 2:30 PM the one-hour program will begin in the auditorium. It is scheduled to conclude in time to permit participation in the K of C parade and clubhouse dedication which takes place at about 4 o'clock.

Principal Speaker will be Frank Chlumsky who served 25 years as a member and President of the Board. Also participating will be Charles Voigt whose father was a member of the first School Board in 1896.

Several novel features are planned, including the viewing of pictures of Hicksville at about the turn of the century and a student authored script for a playlet depicting an 1896 classroom and a modern 1961 classroom with its new equipment.

Walter W. Schreiber, member of the School Board and liaison chairman for the celebration, will officiate.

The roll call of all former Board members will be read and they or their descendants will be asked to rise for special recognition.

The fine High School orchestra will entertain with special selections.

Individual schools of Hicksville are arranging special programs during the 65th anniversary year.

Controversy

A study of the records of Hicksville School District, spanning 65 years, reveals there is really very little "new" as the years roll by.

The Board of Education minutes for a meeting of Feb. 28, 1912 (49 years ago) discloses there was controversy that year over the observance of Washington's birthday. On that date the Board of Education adopted a resolution, with copies for the local newspapers, stating that due to a misunderstanding between members of the Board and the teachers, the school was ordered kept open on Washington's birthday.

WHERE IT ALL BEGAN — Nicholas St. School was the first and only school back in 1896 when the district became Union Free. Sixty-five years ago, only a fraction of the present building stood. An addition was made in 1897 and the duplicate wing was added about 1909. It has, in recent years, been modernized and changed so much that old timers would have difficulty recognizing it. The first public school was erected about 1850.

Wed at Military Ceremony

Barbara Ann Bowne, daughter of Mr. and Mrs. Norman G. Bowne of 24 W. Carl St., Hicksville, became the bride of Lt. (J.G.) Thomas Orr, son of Mr. and Mrs. Walter Orr of Henrietta, N.Y., in a military wedding April 1. Chaplain MacCall officiated at the ceremony, which took place in Chapel in the Woods, Norfolk Naval Air Station, Norfolk, Va.

Kay Glazer acted as Matron of Honor and Richard Linsley was Best Man.

Mrs. Orr, a Hicksville High graduate, a 1959 graduate of Oswego State Teachers College, is on the teaching staff of the Nicholas St. School, Hicksville, Lt. (J.G.) Orr, a graduate of Henrietta Rumb High, a 1958 graduate of Oswego,

is an aviator in the Navy and is presently stationed at Quonset Point, Rhode Island.

The newlyweds honeymooned in Virginia Beach. Mrs. Orr will complete the school term in Hicksville and will then join her husband in Rhode Island, where she has already secured a teaching position.

Dear Jean

Congrats and best wishes to Miss JUDITH ANN OBRIST, daughter of Mr. and Mrs. Sidney Oberst of Hicksville, who recently became engaged to Lance Cpl. James K. Thompson, USMC, son of Mr. and Mrs. William Thompson of Plainville. Our belated congratulations also to Mr. and Mrs. DAVID SPOFFORD of 23 April Lane, Hicks, who became the parents of a daughter, Kim Ann, Apr. 23rd, at Doctors Hospital, Freeport. Mrs. Spofford is the former Miss Jean Perry, daughter of Mr. and Mrs. George Perry of Cedar St. Belated birthday greetings to FRED MEDERO of 133 Pollock, Pl. and a neighbor VIOLET LAPLANTI of 131 Pollock Pl., who both celebrated birthdays on Mon. May 29th. Mr. Medero is a letter carrier with the Hicksville P.O. - Talking of the P.O., got a card last week from GEO AND MARY BLOSS of Roosevelt Ave., who spent several days of the week before at Skytop, Perma, on a short vacation mixed with business trip. Good to see Mary back at the P.O. Republican Recruits of Hicksville and Farmingdale had a nice week-end wedding dances and beach parties. Glad to hear that distressing waves circulating around town about two young friends of ours, KENNETH MCCORMACK of Pine St. and WILLIAM LITTLE of Chestnut St. are untrue. Their accident, which happened at Jones Beach on Monday, was due to a faulty motor in their car which went out of control and both boys, along with their campions only received slight injuries.

Don't forget the special program this Sunday afternoon, June 4, at Hicksville High School marking the 45th anniversary of the School District. The building will be open for guided tours starting at 1:30 PM and the one-hour program begins at 2:30 sharp. There is a first time for everything: An adult scout leader headed a reporter's press release about Troop 64 boy scout float while the parade was passing Goldman's Bros. Nicholas Principal HAROLD ROBBINS was in the parade in full Indian chief regalia, plus dark glasses. We thought the various school bands really made the parade and the community can take great pride in its musical program thru the school system. ALLEN, CARPENTER, president of School Board was marching with the American Legion Post while JERRY ZETTLER, vice president, paraded with the PBC Spontors. First time we saw the letter carriers parade as a unit. Don't they get enough walking the rest of the week? Postmaster HARRY COTTER was up in front with the dignitaries. Asst PM LES ISHLE was with the VFW Post. It was a wonderful day for a parade and a mighty fine parade, reflecting long planning.

BILL KREMP, long time resident and moved upstairs some years ago, stopped in the office yesterday during a periodic visit. It was pleasant exchanging remembrances of days and people gone by.

Our sincere congratulations to DAVID LEE SCHILLINGER, son of Mr. and Mrs. Eugene Schillinger of Hicksville, who will make his Bar Mitzvah this Sat., June 3rd, at the Scharfman Park Jewish Center, E. Meadow, at 9 am. Open house for friends and relatives will follow the ceremonies at the Schillinger home, 170 Brittle Lane, from 5 p.m. on. We know that all will have a good time at this festive affair. MRS. FRED J. NOETH, would like to thank the Plainville Chamber of Commerce for their lovely get well wishes, a grand basket of flowers from their head table at their recent annual dinner, at which Mr. and Mrs. Noeth were to be guests. The Ladies Auxiliary of the Wm. Cough Post, V.F.W. of Hicksville will meet this evening (Thurs.) at 8:30 in the clubhouse on Grand Ave. FRANCES BRANDI, daughter of Mr. and Mrs. Frank Brandi of Twinlawn Ave., was among those who were confirmed on Sat., May 20th, at Holy Trinity Episcopal Church. Glad to see that FRED WALTERS re-did his slice window display at Walters Liquor Store, W. Marie St., after it was destroyed by vandals breaking the plate glass window recently. Display was designed and set up by Fred and is in keeping with this time of the year. Happy birthday to Evelyn Noeth who celebrated yesterday, (Wed) and happy anniversary to the Fred J. Noeths of Twinlawn Ave., who will be married 22 years to the day on June 3rd. Everything comes in bunches, see good ole FJN.

Rosary Altar Society of St. Ignace Church will have a smorgas-bord dinner on June 7th from 4:30 to 8:30 PM. The committee includes Mrs. M. JERRY, Mrs. F. MCWONDER, and Mrs. A. LOBIANCO. Tickets are 1.25 for adults, 75 cents for children.

Tues., May 30. He is survived by his wife, Gertrude W. (nee Wiebe); and his daughter, Carolyn Cross.

He will repose at the Henry J. Stock Funeral Home until Friday, June 2. Religious services will be held at 2 p.m. at the Holy Rood Cemetery, Westbury.

ELIZABETH ROTH

HICKSVILLE—Elizabeth (nee Fisher) Roth of 42 Fulton Ave., here, died Monday, May 29. She is survived by her husband, Walter R.; one son, Walter J.; two daughters, Elizabeth Carney, and Pauline Tomlinson; one sister, Ethel McRoberts; 7 grandchildren; and one great grandchild.

Religious services will be held tonight (Thursday) at the Henry J. Stock Funeral Home at 8 p.m. Funeral will be held Friday, June 2 at 2 p.m. Interment will be at Pinelawn Memorial Park.

Parade Sunday Afternoon to Mark Dedication of K of C Clubhouse

Bay Barry Council, Knights of Columbus, is expecting more than a thousand to participate in the parade Sunday afternoon, June 4, which will precede the dedication of their new clubhouse on Heitz Place at Bay Hicksville. The entire community is being invited to attend the program which will start at 2:30 p.m. with an anniversary celebration. School District concludes, Thomas R. Costa, general chairman of the program, announced the parade will start from the corner of St. and Broadway at about 2:30 p.m. and ceremonies on the steps of the K of C Clubhouse will get underway about 3:30 p.m. later when the parade is that point.

will be Vincent McGinnigle, dedication committee chairman; District Court Judge Francis Donovan, master of ceremonies.

After Rt. Rev. Msgr. George M. Bittermann, VF, pastor of St. Ignace Church, dedicates the building there will be a welcome by Grand Knight William Patchell, remarks by William E. Koutensky, president of L.I. National Bank and former Grand Knight; John F. Symonds, State Deputy of K of C; Supervisor John J. Burns, who will be returning from his trip to Denver where he addressed National Boy Scout leaders; introduction of honored guests which will include Supreme Court Justices Suezzi, Hogan and Meyers; firing squad and sounding of taps for deceased members of the Council, and the National Anthem by the Junior High Band.

Parade participants will thereafter enjoy the hospitality of the Council. No children will be admitted to the clubhouse because alcoholic beverages will be served. It was stressed by Chairman Costa.

Starting at 7:30 p.m., there will be a reception and dancing in the newly completed clubhouse for members of the K of C and their wives.

A cordial invitation to all residents of Hicksville to attend and witness the ceremonies has been extended by the committee.

Bay Hears Emblyman

Emblyman John E. Kingston, speaker Tuesday evening meeting of Auxiliary No. 36 American Bureau of Chiropractic in Hicksville. Though the Chiropractic bill is pending in New York State legislature, Kingston is one of many legislators in favor of the bill. He stressed the importance of public telling the legislators about chiropractic licensed. He said that it's the people who vote on the bill, not the legislators. He said that it's the people who vote on the bill, not the legislators. He said that it's the people who vote on the bill, not the legislators.

10th Anniversary

The Candlelight Circle of Hicksville, International Order of the Kings Daughters and Sons celebrated their 10th Anniversary Dinner at The Peacock Manor in Syosset. The dinner was held Thursday evening, May 18. The Candlelight Circle of Hicksville was organized Sept. 1951, by Mrs. George Kunz of Hicksville.

The members of the Candlelight Circle are: Mrs. C. McCarthy, President; Mrs. A. Giles, Vice President; Mrs. D. Connolly, Secretary; Mrs. E. DiDonato, Treasurer; Mrs. M. Sheehan, Correspondent; Mrs. T. Eibler, Mrs. B. Knauer, Mrs. B. Kopf, Mrs. J. Lucas, Mrs. G. Michelson, Mrs. P. Winkler.

All members are residents of Hicksville.

FINAL SESSION

The final meeting of the Dutch Lane P.T.A. of Hicksville for this year will be held at the school Tuesday, June 6th, 8:15 p.m.

This meeting promises to be unusually interesting. There will be the installation of officers for the coming year, Indian dances performed by Cub Scout Pack 158, and surprise entertainment. Refreshments will be served.

Library Staff

Jewette Reynolds has been named to the staff of the Hicksville Library as Children's Librarian. Miss Reynolds is a graduate of Fisk University, Nashville, and has a library degree from the University of Illinois. Reynolds has had four years experience at the Brooklyn Public Library, Children's Division as recently worked in a hospital library in England. Under the direction of Miss Reynolds the library will conduct reading classes, story hours and a Reading Club this summer. Announcements in detail will be coming shortly.

5,500 Marchers in Biggest Memorial Day

An estimated 5,500 persons paraded in Hicksville, Tuesday, in one of the biggest Memorial Day parades in the community's history. Participating units, with the exception of military, were judged and first, second and third prize ribbons were awarded for marchers and floats in each division.

Hicksville Fire Dept., led by Chief Walter Westhessen won overall honors as the best marching contingent and received a trophy presented by the Lions Club. The volunteer firemen also won a blue ribbon as the best adult marching unit in the first division.

Most floats were on themes appropriate to the Civil War centennial.

Malcolm Gertzen, past state commander of the Amvets, was general chairman and served as master of ceremonies at the Memorial Day program at the Junior High School. Principal speaker for the day was Town Highway Superintendent Thomas R. Pynchon.

Parade judges were Phil Robinson of Amvets, Sidney Hodgkinson of the Legion, and Fred Suter of VFW.

Blue ribbon floats were: Cub Pack 377, Girl Scouts, Boy Scout Troop 64, Junior Catholic Daughters and Explorer Post 158.

Red ribbons for floats went to Cub Pack 291, 4-H Club, Explorer Post 293, Cub Pack 382, Mid Island Plaza and Cub Pack 685.

For marching units, Hicksville High, Junior High and Police Boys Club won blue first award ribbons.

Old Country Rd., Burns Ave., Dutch Lane, East St., Fork Lane, Lee Ave. and Woodland Ave. school bands won red ribbons. Scout Troop 421 got a white ribbon.

West of Bway Health Dept Finds Nothing McKinley Ebbitz Unhealthy About Local Sump

West Birchwood residents are looking for spring. After a long winter, Memorial Day weekend came in on the wings of mild winds, torrential rains March temperatures. In West Birchwood, the mercury dipped to record breaking low of 36 degrees over the weekend. Some residents were reported to have oiled snowplows, just in case.

Wonder of wonders! Have you led that the mess in front of sump on Rockland Dr. has been cleaned up by the builder? Is another good example of your Civic Assoc. has been fulfilling since its inception, hope that when you come to General Membership meeting next week you will unload any community problems for consideration.

Maday Freeman of 14 Gr. Place reports that a new party has been organized in Birchwood. The Greek letter organization, known as Zeta Nu, now has 18 members are doing hilarious stunts as of initiation. The officers: Barbara Friedman President, Hope Sherman, Vice President, Tom Sacks, Secretary and Birnbaum Treasurer. All Birnbaum ladies who wish to me Greeks can call Maday, OV 1-5857 for further information.

are indeed sorry to report sudden passing of David Serfaty. Mr. Serfaty Sr. was resident of Panama, and when he got the news he flew down to the funeral. The sympathy condolences of all West Birchwood go out to Dave.

he biggest yock of the week he sudden activity at that house. Seems that the front is allegedly disintegrated and

"No matter which may adversely affect public health" was discovered by the Nassau County Dept. of Health when it conducted an investigation of the water recharge basin on April 28. The inspection was made at the request of the Community Welfare Committee which urged that steps be taken early to prevent a recurrence of last year's mosquito nuisance.

The Health Dept. promises however, to "maintain routine surveillance of the area" until such time as the basin is accepted by the County Dept. of Public Works.

This information was obtained in correspondence between Francis Padar, Sr. Public Health Engineer, and John Nason Chairman of the Community Welfare Committee.

Meanwhile, the County Planning Commission reveals that the performance bond posted by the builder with them is still in force and will remain so until the sump is completed. The recent flurry of activity in the sump area -- grading and seeding the slopes and perimeter -- indicates that the builder is taking steps to bring this day closer.

View From the Hatch

By Stan Hatch

President Kennedy's birthday seems to have come and gone without much more than a ripple of excitement. Even Allen Dulles didn't find out about the event until it was too late, again.

I've been thinking, though, just what kind of a birthday present do you get for a guy who is rumored to have a few bucks stashed away in his father's right hand pants pocket?

Mull that one over for a while and several possibilities present themselves. What would you want for a birthday present if you were in his shoes? Well, how's Cuba for a start? And if you could throw in Laos, that would be a help.

It would be nice if he had another brother to replace

Secretary Udall. A charge account at Klein's would sure help Jackie out. Kennedy's impending visit with Khrushchev in Vienna brings to mind another suggestion. How about a shoe-shaped gavel?

Perhaps a couple of long playing records might be in order... like "Stars Fell on Alabama," or "Marching Through Georgia." I know for a fact that there's a chap up in Belmont, Mass. who sent Kennedy a box of Welch's Fudge. Never got by the Secret Service, though. They wouldn't let Kennedy take a bite because his face breaks out after eating chocolate.

I also happen to know that Secretary of Agriculture Freeman offered his boss a Wisconsin cave filled with four year old eggs, but the President turned down the offer because he didn't want to risk anything going bad in the White House.

It's still not too late to send President Kennedy your own favorite birthday present - or at least a birthday card.

News Missing, General Civic No Reports Meeting June 11

The West Birchwood News wishes to call attention to the fact that the following news events occurring in the community have not been reported due to little or no liaison with the organizations concerned:

Jericho Softball League
 The two Bowling Leagues, one of which is rumored to have had a dinner dance somewhere, sometime during the Memorial Day weekend.

Various Civic Assoc. committees, which are rumored to have meetings. This does not apply to the Education or Community Welfare committees, both of which are very active in reporting the news.

A great deal of social news which is not reported to the West Birchwood News due to the fact that most people fail to call up McKinley Ebbitz or whoever is currently writing West of Broadway.

CUB FIELD DAY

Cub Pack 129 will hold its annual field day this Sunday June 4th. All members of the pack and their families are invited to participate to make this fun successful. It has been in the past.

Bring lunch for the whole crew and be ready for an active day of games and field events. All cars will be leaving in a cavalcade from the Jackson School at 11:30 A.M. They will proceed to Camp Muncie on Merritt Road in Farmingdale.

AREA SUPERVISOR

Long Island Lighting Co. announced the appointment of Frank A. Dylewski of 17 Edgewood Dr. Hicksville, to the position of Area Supervisor of its Central Division, Overhead Lines and Service Dept., effective June 1st.

Dylewski joined LILCO in 1941 in the Electric Operating Dept. After serving in various capacities, he was made Underground Splicing Foreman in 1955, holding that position until his present promotion.

Preparations are under way for the General Meeting of the West Birchwood Civic Assoc. scheduled for Saturday night, June 11th, at the Robert Jackson School. As a feature of this meeting, the Little Theatre Group will be presenting its first production, "Marty," starring Eugene Singer. The meeting will begin at 8:30 p.m.

Carl Denny, president of the West Birchwood Civic Association urges that all members and prospective members make plans to attend. This will be the first general meeting of the Assoc. since Mr. Denny took office and he has scheduled a comprehensive review of the Association's varied activities.

All attending members will be encouraged to air their gripes as well as their appreciation for what the Assoc. is not or is accomplishing. Since this will probably be the first meeting since the Kennedy-Khrushchev huddle a good turnout is expected. Besides, the Treasurer's report will be made.

4 Fun Filled Evenings Ahead

The B'nai B'rith Jericho Lodge will inaugurate its "summer Festival" on Sunday evening, July 2nd, at the Malibu Beach Club. This will be the first of FOUR fun-filled evenings planned by the lodge to be held in July and August. The entertainment for the first evening will be "The Pearl Bailey Revue" featuring Pearl Bailey. Tickets are available at \$19.00 per couple, and include a five course dinner, dancing to the Nat Harvey and Eduardo Roy orchestra, and all gratuities and taxes.

For reservations call: Sam Elgart OV 1-2169, Howard Thomasbauer - WE 5-3477, Jules Stein OV 1-6484 or Howard Cole WE 8-5838.

Raises \$1,000

On Saturday, April 29, the Jericho Scholarship Fund Committee conducted a bumper strip campaign throughout the Jericho School District.

SYOSSET-JERICHO Democratic Club honored two of the area's distinguished Democrats, Harold Fertig and William Rynsky, at a testimonial dinner-dance held recently at the Grass Hut in Syosset. More than 200 paid tribute to two men for their lengthy service to the community. Shown above are the testimonial recipients Fertig at left, and Rynsky at right, being presented their awards by Jerry Murray, president of the Syosset-Jericho Democratic Club.

Ten Pin Talk

Two more weeks to go. Six games that will decide who is to be the winner of the second half. Once again, the Misfits crashed through with 3 points while the Comets could only come up with 1. Winners of the first half, the Misfits now lead the Comets by 2-1/2 points with only 8 more points to go. But no one can say that the slump ridden Comets will not have

their day in Court. Monday night, May 22nd they will meet their insurers, in what will probably be their last chance to regain the lead. The Comets must sweep all 4 points to take back first place. That 1/2 point begins to look mighty big.

But look at those Jarmans. On April 24, they started a drive and took 13 out of a possible 16 points to overhaul the Kents and take over third place. During this drive they met and defeated every team except the Misfits and the only reason they didn't beat the Misfits is that they didn't play them.

Now let's look at the mighty Flubs. On February 27, the second week of the second half, they were next to last and today, 12 weeks later, after a mighty effort, unsurpassed even in the annals of any sport, they are --- last. Out of a possible 48 points, they battered every opponent and came up a fighting total of 11 1/2 points. This is approximately 1 point a night, but what the h--- nobody is perfect.

In the final analysis, it looks like the Misfits will be the overall champs. They won the first half championship, and adding their point total to that, they will no doubt come up with the greatest number of points. The man probably most responsible for the Misfits sustained drive is sol Rabinowitz. If there is a trophy for Most Improved Bowler he will get it, for he improved his average this second half by 10 points from 137 to 147. This is far and away the greatest improvement of any man in the league. Chuck Greenberg of the Woodchoppers is the second most improved bowler, going from 139 to 146.

Two weeks to go and then no more aggravation, I mean fun. The most we Flubs can hope for now is that the league dinner and dance at the Westbury Manor, on Friday night, June 16th, will be fun.

Indians Open Scout Dinner

The 1961-62 Scouting season started for the Arrowhead District of the Nassau County Council, B.S.A., on the evening of May 24, with the Third Annual District Committee Meeting at Caruso's Restaurant on Hempstead Turnpike, a combination dinner and business meeting. The session started with a very impressive opening ceremony in Indian fashion put on by Boy Scouts from Troop #508 under the expert direction of their Scoutmaster Bob Jiras.

Between courses during the meal there was merriment and much singing led by Jack Landress, District Commissioner.

After the opening committee chairmen's reports which gave the aims, functions, achievements and goals of their respective committees the following names were put to the assembled members of the District for nominations and after a vote elected: Warner Lansing for District Chairman; David Schiffer, Fred Hofsfield, and Robert Peluso for District Vice-Chairmen.

Recommended to the Nassau County Council for reelection as District Commissioner was Jack Landress. Voted into the District as Members at Large were: Malcolm Gertzen, State Post, Michael Fasullo, Samuel McCafferty, John Nees, Milton Snyder, Paul Garcia, William Murphy, Irving Stanton, Edward Cooney, James Schulte, Joseph Grigori, Edward Piskard, Eugene Goliger, McKinley Koch, Lester Veigel, Michael Verill, James Doherty, Philip Weimer, Edward Klipus, Charles Ruiz, Fred J. Noeth, Donald Gaudin, Judge Francis J. Donovan, David Landau, James Aiken, Joseph Madden, Walter Schreiber, Jack Lance, Jerome Zettler, Cornelius McCormack, Robert Ashburn, Edward Knighton, Francis Anderson, Arthur J. Manzan, William E. Koutensky, Edmund Decker, Robert Watson

Thomas O'Brien, Jack Ehmam, Dr. Erie LeBarron, Warren Schmitt, Harry Marks, Cal Rodgers, Walter Swartzki, Harold Kelly, and Henry Hoppe.

Guest speaker was Hon. Francis J. Donovan who gave a very inspiring talk on a look ahead in Scouting and a reappraisal of Scouting methods that perhaps never really get "home" to the boy - all this in the light of bringing "home" to the boy a fuller Scouting program.

A special award presentation was made to the District Chairman, Warner Lansing, by the District Commissioner on behalf of the Arrowhead District. "He has made the Scout Law and Oath an active force for us - He has led us through information, persuasion, inspiration and example, and has assisted those who have served, to receive satisfaction - He has that tremendous virtue of finding good in all people, never thinking of our human failing - We have learned superhuman patience, wisdom, and kindness," said Jack Landress of Warner who has held the position of District Chairman for three years and reelected for the fourth year at this meeting.

The meeting was a success with the District looking forward to a bigger and better year of programming Scouting for the boys of our communities.

55 ON BOARD

(Continued from page 1)

John Herzog with 22 years, starting in 1928.

Frank P. Wetterau was on the Board for 19 years, starting in 1904 and concluding in 1922.

During the 65-year period there have been three lady members. Mrs. Julius Augustin served from 1898 to 1902. Edna Kuhne Surton was a Board member from 1948

DR. WARNER LANSING, standing in picture at left, re-elected Arrowhead Boy Scout District Chairman, was presented with a plaque by District Commissioner Jack Landress on behalf of the District at its 3rd annual meeting. Award was given to Dr. Lansing for his inspiring leadership in Scouting affairs in the District. In the picture at right, District Court Judge Francis Donovan addresses the Institutional Representatives and Members at Large of the District. Program was held at Caruso's Restaurant. (Photos by James Schulte).

to 1956 and Mabel R. Farley, after retiring as principal of the high school, served from 1956 to 1957. There have been two or three unsuccessful lady candidates.

Probably the shortest tenure as a member was that held by Fred Suter who was appointed in 1911 to fill a vacancy and then ran unsuccessfully a few months later.

There has been only one case of a father and son tenure. Henry Puvogel was on the first Board, back in 1896, concluding his tenure in 1901. His son, John Puvogel ran successfully in 1903 and resigned in 1910. He came back in 1921 for two more years.

Over the years there have been five cases of where Board members served split tenures. In addition to John Puvogel, who had a total of 10 years on the Board there were John H. Hahn who served in 1897 and then from 1901 to 1903; William Simonson with a total of 14 years on the Board, served from 1901 to 1909.

and again from 1911 to 1917; John Reinhardt, uncle of Joseph Reinhardt who is today cashier and vice president of the LI National Bank served from 1902 to 1908 and again from 1911 to 1912.

In more recent times, Allen S. Carpenter, currently President of the Board, was first appointed in 1952 to fill a vacancy, ran that same year and was elected to fill out the year. He lost by only seven votes in seeking re-election in 1953, was elected in 1956 for three years, ran again successfully for a two year term in 1959 and then was unsuccessful in his bid for re-election this year. Actually he had volunteered to serve for a two-year term in 1959 when, at the request of the State Education Dept., the tenure of Board members was re-arranged so that as near equal a number would expire each year.

Many trades and professions have been represented by those elected members of the Board of Education. Elwood A. Curtis and Charles J. Masek represented the

dental profession. Dr. E.G. Rave was a physician. J.J. Ulmer was a banker and I.A. Turner a mortician. Andrew B. Heberer and John J. Hahn were retail store owners. Charles Voigt operated a steam mill and woodworking plant.

Several were successful farmers or persons engaged in trade with farmers. Crossley was an educator with New York City schools.

While a complete record of all who ever sought election to the Board is not available, a study of the annual elections indicates that a goodly number of those who were unsuccessful the first time, were elected on the second or third try.

Many who served were at the same time or later became leading figures in the fire department either as officers or commissioners and Puvogel became a water commissioner. August Hauser and Puvogel both served for periods of time as the local postmaster (at different intervals).

New Space-Saver

If you find yourself running out of kitchen wall space, you'll be happy to hear about a novel new space-saver, an under-the-cabinet holder for new Flint Cook and Serve Tools.

Unbeatable for convenience, the attractive mahogany holder is easily installed beneath any wall cabinet, letting you put your favorite tools where you use them most.

Developed by Ekco Products Company, the holder spins around lazy susan style to the tool you need.

These handsome new stainless steel tools have comfortable, dishwasher-proof handles of neutral white and beige melamine, decorated in a floral design that makes them as beautiful at the dining table as they are efficient in the kitchen.

It's in the cards

Let's follow a young executive through his business career with a series of studio cards from Rust Craft.

He can be congratulated on his first promotion with: "Let's face it... you had to go up." Inside, a picture of an elevator at the basement level.

For his next step up the ladder there is: "So you got a promotion. The heck with the praise... did you get a raise?"

As he gradually makes his way to the top he can be encouraged with: "You are bound to rise to great heights... you're so full of HOT AIR!"

When he's about to retire: "It's okay for you to retire now... your replacement has arrived." Inside, a two-headed Martian.

Cheese-Onion Gems Are Treat For Any Meal

Want something to make a meal something special? Cheese-onion gems will do that trick. Hot gems or muffins give a meal special appeal and are actually not difficult to provide.

Cheese-onion gems, made according to a recipe recommended by Reba Staggs, home economist, are nutritious fare for they contain one-third cup of lard, an egg, a half cup of milk and two-thirds cup of grated cheddar cheese. All these ingredients have excellent food value.

A sprinkling of sesame seed and grated cheese over the tops of the gems, which are brushed with melted butter, gives them a touch of elegance and enhances their flavor, too.

Cheese-Onion Gems
2 cups sifted enriched flour
1 tablespoon baking powder
¾ teaspoon salt

¼ cup lard
¼ cup finely grated cheddar cheese
¼ cup finely chopped onion
1 tablespoon lard
¼ cup milk
1 egg, beaten
2 tablespoons sesame seed, toasted
2 tablespoons melted butter or margarine

Grease 12 medium-size muffin pans. Sift together flour, baking powder and salt. Cut in ¼ cup lard until mixture has a fine even crumb. Stir in ¼ cup cheese. Cook onion in 1 tablespoon lard until tender but not brown. Add to flour and cheese mixture and mix lightly with fork. Combine milk and beaten egg. Add to flour mixture and stir until just moistened. (Batter will be stiff.) Fill muffin pans ¾ full. Sprinkle tops of muffins with remaining cheese and sesame seed and spoon ½ teaspoon melted butter or margarine over each. Bake in a hot oven (400° F.) for 18 to 20 minutes. Yield: 12 muffins.

'Top Gowns—Top Designers'

Norman Norell of New York (left), Simonetta of Rome and Antonio del Castillo of the Paris house of Lanvin Castillo, flew to Boston via Pan American World Airways recently to show clothes from their current collections and receive the Design Talent Award from Filene's of Boston, as leaders in the fashion field. Models Claudia Halley, Pat Harris and Michele Langelier stand behind them, each wearing one of the award winning gowns.

Beef Stew—Country-Style

Beef stew, with the delicious flavor of the meat extended to the vegetables cooked with it, is a treat any time you serve it.

If beef stew is as popular with your family as it is with most you can serve it often with no danger of monotony if you give thought to the variety of vegetables you can cook with it, says home economist Reba Staggs.

One secret of successful stew making is to avoid overcooking the vegetables. Since the meat calls for long slow cooking, vegetables should be added just long enough before the end of the cooking time so that they will be tender but not overcooked by the time the meat is done.

The flavorful gravy you make by thickening the liquid after meat and vegetables have been removed is another good feature about stew.

Country-Style Beef Stew
2 pounds boneless beef for stew

2 tablespoons lard or drippings
1 teaspoon salt
¼ teaspoon pepper
2 cups water
6 medium potatoes
6 small whole carrots
1 package (12 ounces) frozen Brussels sprouts
3 tablespoons flour
Brown meat in lard or drippings. Pour off drippings. Add salt, pepper and water. Cover lightly and cook slowly for 2 hours. Add potatoes and carrots, cover and cook 30 minutes longer. Add Brussels sprouts and cook an additional 15 minutes or until meat is tender and vegetables are done. Remove meat and vegetables to serving plates. Add water to cooking liquid to make 2 cups. Thicken liquid with flour for gravy. Yield: 6 servings.

Civics Again Recommend 'No'

May 3rd, Syosset School was defeated for the first time in the history of the district. The May 3rd vote of the Civics Assoc. was in vain to meet certain reductions to the school board which we felt would have lessened the tax burden by this record high proposal and still not have affected the quality of education we all desire. (The School Board ignoring the suggestions of the Civics Assoc. and many other interested individuals and groups in Syosset, chose to submit the budget exactly as it had proposed before the previous meetings, etc. This budget was turned down on May 3rd by a "NO" vote that exceeded almost all past votes in past years.

At this point the School Board had made aware of the will of the people in very clear and unprecise terms. In disregarding this money have again resubmitted the budget (with the slight addition of presenting the elementary school librarian issue as a proposition).

again your Civic Assoc. you to vote "NO" against it in June 6th.

Make this recommendation or serious reconsideration attempted to present questions to the School Board for consideration. On Sunday your Civic Assoc. sent a letter to each board member requesting a meeting to discuss our proposal for a resubmitted budget.

No replies were received from the School Board had Monday night and voted to resubmit the same budget. It appears to be a shocking of policy in view of the efforts of the School Board with all groups prior to the first. After diligent study we were able to make compromise suggestions regarding the result of the budget. We had hoped these suggestions would be considered prior to this resubmission.

We respectfully propose that the budget be once again turned down. The School Board will reconsider submitting a budget which is acceptable to the taxpayers.

1 - Increased salary schedule - nothing.

2 - Increased salary schedule - nothing. a) Maximum increase of 5% for custodians, stenographers, etc. b) Considered in the same way as working in commercial plants. The increase given commercially in Nassau County this past year was only 3%.

3 - Increased teachers salary schedule. a) Maximum increase of 7% for the increase in the present budget. This increase is considerably above the cost of living. The suggested increase of 7% included in the salary schedule is not acceptable.

One half of increased salary schedule as submitted by the Board be given this year balance next year. The Board justifies its position by saying that the revised salary schedule is necessary for the school districts. We suggest that the balance of this continuous increase be given in some of the areas in which the balance of "steps" is most unfavorable.

Additional teachers. If we assume that the 27 additional teachers for our elementary and Senior High are necessary (which our own classroom loads are high), we feel 4 less are required in the elementary schools because of a reduction of 100 students at the elementary level. Proper admin-

istrative steps might solve this problem without affecting the education of a single student.

4 - Librarians for elementary school.

We suggest a "NO" vote on extending librarians to the elementary school. This vote will be on a separate proposition for the first time. We feel the present system of teacher participation and parent volunteers should be continued at this time together with the use of the Syosset Library recently approved by our taxpayers.

5 - Textbooks.

The amount of new textbooks being purchased each year appears to be excessive. Text books should have an average life span of 5

years. It would appear that a complete inventory, survey cost analysis, etc. by the administration might provide economies in this area.

6 - Balance on hand \$300,000. Our cash on hand has increased from \$20,000 in 1959-60 to \$300,000 at the present time. This excessive balance would indicate that we have been overbudgeted each year and furthermore we feel that there is a tendency to spend more with such a large surplus on hand.

7 - Busses.

Bus facilities should remain the same as last year, except for the increased busses for Thompson Jr. High parochial school and other required by statutes. Furthermore we suggest a complete review and analysis of the conversion to leasing busses as compared to owning and operating our own.

8 - Personnel in Thompson Jr. High.

We question the need for 5 additional clerks, when the average clerical staff in our other schools appear to be less. The same question applies to 10 additional custodians for Thompson while the

Thursday, June 1, 1961 - MID ISLAND HERALD - Page 7

average for our other schools is 5. If the above recommendations are given consideration in the next resubmission the savings could be as high as \$500,000.

We wish to emphasize that none of our recommendations affects the education of our children. We feel that the School Board deci-

sions should reflect the wishes of the Syosset taxpayers. It would appear that the wishes of the taxpayers as reflected in the defeat of the first budget were ignored by the School Board when they decided to resubmit the same budget.

In a true luxury compact... BUCKET SEATS ARE JUST THE BEGINNING!

THE BUCKET SEATS in Futura—individually contoured and thickly foam-padded—were created by the men who designed the Thunderbird's fabulous interior. No luxury compact ever got off to a better start than this!

A HANDY CONSOLE is another Futura feature. Positioned right at your finger tips between the front seats... for convenient storage of gloves, maps, sunglasses, etc. (Only Futura in its price class offers you this!)

ROOM FOR 3 in the back seat of the Futura (as in every Falcon)... and what room! Futura gives its passengers the luxury of thick wall-to-wall carpeting, the comfort of thick foam padding in the spacious rear seat... surrounds them with rich appointments, glowing colors and gleaming trim.

A VACATION-SIZE TRUNK, TOO, with room for all your luggage. Because of this, you don't have to choose between carrying passengers or luggage in the back seat (as you do in some other luxury compacts!)

FALCON SIX ECONOMY is yours, too, in the Futura... the kind of economy that was proved when a Falcon with standard shift got 32.6 mpg under the cross-country test conditions of the 1961 Mobilgas Economy Run. Drivers of all cars in the Run were experts, but Falcon topped them all with the best gas mileage ever recorded by a "6" or "8" in the Run's 25-year history!

P. S. The new Falcon Futura—America's lowest-priced luxury compact—is at your Ford Dealer's now. Shouldn't you be there too?

*Based on a comparison of manufacturers' suggested retail delivered prices.

EVEN THOUGH THE OTHER LUXURY COMPACTS DON'T OFFER NEARLY AS MUCH AS FUTURA THERE MUST BE SOMETHING TO ALL THESE CLAIMS. MUST THERE?

home, 8 Adams At. Members of the parade committee included James Rock and Wm. Frohnhoefer. VFW, Frank Eschbach, Catholic War Veterans; Morris Stillman and Wm. Olitsky, Jewish War Veterans; Richard O'Neal, Legion; Frank Hamilton and James Surless, Amvets.

A total of 21 wreaths were placed at the World War Memorials by organization representatives.

Rev. Michale Hoban of Holy Family Church gave the invocation and Rev. Douglas MacDonald of Parkway Community Church, the benediction. There were musical selections by the high school glee clubs. The Amvets fired a salute and taps were played by Kurt Maier and Alvin Silbert.

The float entered in the parade by Boy Scout Troop 64 attracted widespread attention, depicting the Lincoln Memorial. Those who organized the float were Howard VonGreichten and Fred Hofsfield. Committeemen were Louis A. Corrao, Fred Duncan, Leo Kanawada, Joseph LaRocca, Ronald Reinholdt, parents Bud Cramer, Edward Green, Minnie Hofsfield, Thomas Maloney and Elsie Reinholdt and troop scouts.

HERALD READER OPINIONS NUCLEAR POLICY

I would like to refer to a letter published in this column last week, written by Mr. G.L. Brady and the quotation he made concerning the Committee for a Sane Nuclear Policy.

To keep the record really clear I also, would like to quote Senator Dodd. These remarks were delivered on the floor of the Senate, May 25, 1960 referring to the Committee for a Sane Nuclear Policy.

"They advocate a point of view which some of us consider unrealistic or utopian, but it is nevertheless, a significant point of view on an issue of life and death importance. For the personal motivations of most of those associ-

ated with the Committee for a SANE Nuclear Policy I have the most sincere respect. The point of view they represent deserves a hearing - indeed, it must be heard."

To further clarify the record let me state that the National Committee for a Sane Nuclear Policy calls for an active search for those measures necessary to prevent war and prepare for peace, as follows:

1. End all nuclear weapons tests.
2. Halt the spread of nuclear weapons to other countries.
3. Achieve total world disarmament under effective U.N. inspection and control in the shortest possible time.

right... Chris found a place that gave him a fighting chance, his competitive spirit never dimmed. The rest is history.
JOE'S SOFTBALL... Jr. High coach Joan Zardus reported a 3 game sweep in the recent series vs Waukegan. The 7th graders capped a 6-4 decision... The 8th grade won 7-6 and the 9th powered out a 21-8 win. The 7th and 9th grade incidentally finished out a perfect season in all sports this year. The pitchers vs Waukegan were Judy Bosch, 7th grade; Carolyn Fuhrer 8th, and Barbara Phillips 9th. A week prior to the Waukegan tilt, Malvern was cut down by the 8th and 9th graders, 13-12 and 21-6. Mickey Johnson hit a grand slammer, with Fuhrer, Joanne Goodman and Claire Johansen also belting out circuit blows. According to coach Zardus, special credit went to Donna Schrimpe and Judy Bosch for handling all pitching assignments in a flawless manner, to Barbara Phillips for her steady work in the sick department and to Carolyn Fuhrer, credited with a smoke ball that had the enemy trying to hit something they couldn't see.
JV'S ROUT GREAT NECK NORTH... On two occasions this season, a bad 1st timing cost the JV's a pair of ball games but this time the situation was reversed. The locals spent 35 minutes at bat in a big first timing, that saw each man get up twice and 11 runs cross the plate. The big stick man for the home-owners was Rightfielder Buddy Weber, who had a pair of singles and a triple to his credit. According to coach Harry Reind, his mound staff of Billy Lutz and Fred Winkle gave up 7 hits vs the use of 5 pitchers by the Northmen. "A combination of many walks and a number of key hits, decided this game, Reind said... Final score-Great Neck North 6, JV's 18.
ADDED NOTES... Lack of information is the only reason that might exclude coverage in this column. I don't have the time to ferret out all information, so if interested please forward to me c/o Jr. High or 9 Abbot Lane, Hicksville. In the weeks ahead, I'd like to do a wrap-up on the track and baseball season for both Sr. and Jr. High... Any info would be welcome.

GRAD LEAGUE WIN PAIR

Bob Sabatino, Bruce Damm, walked 2 and struck out 14 to give the Graders their 7th league win of the season. Zimmerman, the Plainsville hurler, gave up a 7 hit, dropping a 5-2 decision. Nick Carrera was the big gun for the locals, with a 3 bagger and a single to his credit. Bob Sabatino, Stu Blust, Bruce Damm and Moog joined the stick action with a single a piece. I won't comment on the veracity of this statement but according to Coach Dick Hogan, his catcher, Bob Hogan also joined the hit parade as one of the longest singles in Jr. High history.

I was hit 90 feet over the fielder's head and would have been a homer, had not an umpire intervened. Just at that moment, a pet seated by Groundsmen, Jim Doran, a black plumed piard, been flying over the field, looking for fodder. He is going next week at 15 to pair with a pair of balls, and he is a shortstop...it dropped for a single and the umpire had to rule books before his decision. P.S. Flanagan's single and the Graders' last Grader league win of the season.

In the last Grader league win of the season, the Graders closed out the season with a spectacular win over the Plainsville. He walked none and struck out 4 in tossing his 1 hit. He is the fine support house hitting of his team. He pitched one of the best games of his young career. It was an almost near perfect game, except for one error that cost him a no-hit bid. The single, however, when the next batter drove in, Casser riddled the ball with a perfect strike, pulling a nifty double play. He still faced only 21 batters in the 7th inning and came in close to a perfect game, nearly possible. There was a big gun action in the 7th inning when the powerhouse shared 14 hits. Sabatino rapped a triple and Frank Decillis, Stu Blust and a double. Larry Casser rapped a triple and a double. Larry Casser rapped a triple and a double. Larry Casser rapped a triple and a double.

Rich and Gabrielson slammers. Moog's was a bases empty and Gabrielson had a hit. Coach Dick Hogan, first quote of the year said that he was overall pleased with the team's performance. He wound up to be a fitting climax to a highly successful season. Otto pitched a tremendous game and our defense sparked the number of fielding errors. The Grader league record closed at 8-2, with 3 non-league games remaining, leaving them in disputed possession of the North Shore title.

S.A.L. OPENS LITTLE LEAGUE

According to information received from head coach Man, Pete Seitz, the newly crowned South of the American Legion, Drum and Bell chapter have been involved with a busy schedule. Recently they participated in the Little League tour at the Lee Ave. field last week returned to action at the opening ceremonies at the Lee Ave. field. The opening ceremonies at the Lee Ave. field were a big success. The parade, the drum and bell corps, and the Little League teams were all present. The parade was led by the drum and bell corps, followed by the Little League teams. The parade was a great success and the Little League teams were all present.

they had to settle for a broken down bugler with a cracked open plate.

ALL STARS EDGE CATS

Wildcat manager, John "Tiny" Olson went all out for this big win over the Kellner All Stars but inclement weather robbed him of his fielding support. Tiny cracked another one of those tape measure homers in the top half of the 5th inning that knotted the score, but this happened to be one of those days where the tickle finger of fate was to rob the Cats of their rightful heritage. Fortunately, this was a non league tilt, that had no effect on the standings and General Manager Peanuts Pullo had a chance to look at some of the rookies brought up from the Wildcat farm system.

According to Pullo, house baby Frank Bohl was a real fancy glove man on the hottest corner in town and with a few more games in the big-time, should be giving regular 3rd sacker Chukles Bartkus, a bad case of jitters. "Bartkus is still my #1 man," Pullo added. "But youth must be served and this Bohl boy has the makings of a future Wildcat ace."

On the deficit side of the ledger however, Olson and Pullo disagreed over the merits of the newly acquired Wildcat shortstop, Frank "Hanky Panky" Guerriere. "It's back to the minors for him," Olson commented acidly. "His tricky-trot play, cost me the ball game." Pullo came to Guerriere's defense by citing possible nervousness as the cause of his errors, causing 19 unearned runs to cross the plate. "It was a bad day all around," Pullo grunted.

"The refs gave us a hard time, Big A. Koechler, my 3rd assistant manager let the team down by being out digging up trees on the Bartkus estate. Fingers Aaronson killed us with a field goal in the 4th quarter, Kellner used an illegal motion on the pitching slab, Sneakers Jones wore spikes in the outfield, my entire squad was injury riddled and on top of that, I've got a lousy bunch of balplayers...I'd fire the whole lot of them if I didn't have a big game coming up next week."

Pullo added solemnly, "I don't go in for this bit of making up alibis. The better team won a close, tight, tough decision."

What Pullo forgot to mention was the lack of cooperation on the part of the All Stars. Birdie Berg had a big day in the stick department; going 1 for 11. Sneakers Jones collected 4 homers and a pop fly triple, Tippy Tucker and Moon Meyer sparked on the defense and also hit 38 singles. Between them Stompin Stan Kellner pitched a redundant game; allowing a mere 65 hits and the balance of the All Stars played like men inspired. The star list of them if I didn't have a big game coming up next week."

Perkins Standout in International Play

With the first half of the season rapidly drawing to a close, Perkins Trucking remains the massman team in the Major Division of the Hicksville International Little League. Perkins, with six victories, and no defeats is solidly entrenched in first place with the balance of the League fighting it out for the other five positions. Troiano Express, All-State Business Products and Hicksville Kiwanis, are all tied for second place with 3 and 3 records while the Long Island National Bank with a 2 and 4 record is alone in fifth place. Goldman Bros. with a 1 and 5 record has the dubious honor of holding last place by itself.

Last week's play saw Troiano Express bow to Perkins Trucking in an extra inning game. With the game tied at 2 runs apiece, the game was called at the end of the seventh because of darkness. Starting pitcher O'Brien of Troiano was relieved in the fifth by Massello who overmastered the job by Perkins. Nick Saman, the winning pitcher, after out the opposition with four scattered hits. In the Minor "A" Division on Tuesday, Maddens won their first game of the year defeating Mid Island HERALD 6 to 5. In the absence of Mgr. Jack Shea, Coach Joe Jablonsky guided the team to a well earned victory. Charles Bartkus was the winning pitcher with Frank Barrella taking the loss. Maddens victory was a team effort all the way. The losers were led by Dick Poiras who had two hits and defensively by Arty Irwin who made two running catches in centerfield.

The American Legion Team defeated the Hicksville Lions 6 to 1 behind the pitching of Kenny Schenk and Billy Whiffen. Billy Anton was the losing pitcher. Walt Morawski led the Legion with a triple. Leading the Lions in defeat at the bat were Steve Palley with two hits and Anton with a triple. Farmers Furniture went down to another tough defeat at the hands of Instrument for Industry by a score of 9 to 8. The Furniture boys were led by Tommy Myron who tripled with the bases loaded. Tommy Lee had two hits and Dave Fyle also had two hits. Frank Bel-

was by all odds the standout player with his tight clutch pitching. On field No. 3 Kiwanis was host to the L.I. Nat'l Bank. The Bank after two straight losses came back strong and piled up 12 runs, nine of them coming in the first inning on 4 hits sandwiched between a like number of walks and including a triple by Simels and a homer by Hollstein. Hollstein was also the winning pitcher. John Alex was charged with the defeat.

The second half of the week saw almost a complete turnaround. K.I. on field No. 3 Kiwanis was host to the L.I. Nat'l Bank. St Ignatius Grammars Lead

The St. Ignatius C.Y.O. Grammar School team has overpowered all opposition in Section 4 of the Division of Rockville Centre C.Y.O. Grammar School League. Displaying great power at the plate, strong defensive skill affield and a wealth of talent on the mound, the Ignatians have breezed through their first four games of the season without a defeat. Bobby Dentel has picked up two of the wins without a defeat at the expense of St. William Blue and St. William Gold.

The Blues offered the locals their strongest opposition of the young season before succumbing 7-2 in a well played game on opening date, May 13. Though limited to 4 hits, the Ignatians bunched their hits and walks with four St. William errors to win their inaugural.

The following week Bob Dentel breezed to his second successive win as he took the mound against the St. William Golds. Most of the "breeze" was supplied by the Bills batters who struck out twelve times before the offerings of fireball Bob. Nick Carrera helped the St. Ignatius cause with two lousy "stretched" doubles that helped to break the game wide open.

Coach Charlie Schneider sent Tiny Vinnie Hoosack to the mound seeking their second win in as many Reed running anchor in the 220, came from behind to cop the win. 8th Grader, George Lang scored 15 points with 3 wins.... The High and Broad Jump and the 75 yard dash - 8th grader Larry Wesolka followed with a pair of wins, the Pole Vault and the setting of a new record in the Shot Put. He beat the old record by 2" with 43' 6" heave. 9th graders Paul Rondone and Tommy Judge each took a pair

days on Sunday, May 21. Stingy Vinnie allowed but a single hit to the lead off batter in the first inning. He then proceeded to whiff sixteen batters while his teammates landed on the offerings of Joe Stocker of Cure of Ars for seven hits and seven runs. Speedy Vinnie who runs the 100 in slightly over 10 seconds also demonstrated his speed on the basepaths as he stretched a long hit into a triple. Nick "Hack" Carrera continued his batting spree by contributing two more long doubles, Dan Horan contributed a long triple and a single in three trips to the plate.

On Sunday, May 28, the League leaders travelled to St. Rose of Lima where they took the measure of the Massapequans 9-1. Frank Maler took the mound for St. Ignatius and allowed two hits while his teammates fell on the offerings of Tom Cook for a total of 8 hits. Frank struck out an even dozen opponents and issued 5 base on balls. However his teammates came up with several sterling defensive plays to help him coast to his first victory of the season. Thus far the St. Ignatius Juggernaut has slugged out a total of 30 hits and 34 runs while limiting the opposition to fourteen hits and six runs. They should be heavy favorites to cop the Sectional Championship and have hopes of going on to the Diocesan Championship.

Could you
keep on your feet
financially?

Accidents *will* happen. But when they happen to the breadwinner the whole family may have to struggle along without the paycheck so necessary to meet everyday living expenses. With a Prudential Income Protection Plan, however, you can keep on your feet financially should something happen to you. It can help make up for lost salary while you are unable to work because of sickness or injury. And a Prudential hospital and surgical expense plan can help pay mounting hospital and surgical costs that might otherwise wipe out your savings. You'll find a Sickness and Accident Plan that fits your family's needs and budget. The man to see is the Prudential Agent.
