

65th Anniversary of School Dist: Community Spent \$55 Millions For Public Education Since 1896

The people of Hicksville during the 65 years since the School District became Union Free have spent \$55 million on public education, it was disclosed by Frank Chlumsky, former Board member and president who was principal speaker at an anniversary program in the high school, Sunday afternoon.

Just as folks frequently stop at

the jewelry store window to set their watches, Chlumsky urged the audience to "set our mental time pieces to the tempo of the times, because then and only then will the next decade match the glorious achievements of the past. The challenge is ours."

He reported that E. V. Van Slyke, the first superintendent of the district who retired in 1936, is "still hale and hearty at 85", continues to take a daily constitutional in Hensonsville, N.Y., as he did in Hicksville, and sends his best wishes to all his local friends.

Other speakers included Charles Voigt, son of a member of the first Union Free School Board in 1896, who recalled his early days as a student at Nicholas School at the turn of the century; Allen S. Carpenter, president of the Board; and Walter W. Schreiber, who read a letter of greetings from State Education Commissioner James E. Allen.

Welcome was extended by Principal Leon J. Galloway and the invocation was given by Dr. Wallace E. Lamb, present superintendent. A play compared school days in 1896 and today.

A feature of the afternoon, which included musical selections by the high school band, was the reading of a list of all persons who have served on the school board in the past 65 years.

The list read by Mr. Voigt follows:

Charles Voigt	1896 to 1901
Henry Puvoget	1896 to 1901
John C. Davis	1896 to 1897
Andrew B. Heberer Sr.	1896 to 1902
August Hauser	1896 to 1897
John H. Hahn	1897 and 1901 to 1903

Postmaster Harry C. Cotier who has been the receipts of the Hicksville Post Office zoom one million dollars higher during the six years of his tenure, this week announced his intention to retire on July 7, 1961. He made his intention known to his staff Tuesday.

Cotier took office on April 1, 1955, when the Hicksville office had about 95 employees and served about 12,000 residential families.

Today there are 250 employees serving 25,000 families.

A career man with the postal service, Cotier has been a Hicksville resident since 1938. He has been in the service 35 years and three months and was a supervisor at Brooklyn Post Office before taking office upon the retirement of William C. Mollitt in 1955.

Receipts of the Hicksville office were about \$300,000 when he be-

came postmaster and as of December reached \$1,300,000 for the past year. Present indications are that the office may come close to two million dollars this current year.

Back in 1955 there was a main office on North Bway and two contract sub-stations. Today there is a main office which has almost doubled in floor space, a vast an-

Personal Mention

Miss Florence G. Ziegler of 50 Winding Road, Hicksville, a senior in the music education curriculum at the College of Education at Fredonia, was presented in senior recital on Sunday, March 26, at 4:00 p.m. in Old Main Auditorium.

Miss Ziegler, a clarinet major, played "Trio for Violin, Clarinet, and Piano," by Darius Milhaud. She was assisted by Miss Maria Cappella of Jamaica, and Peter McHugh of Rosedale.

While at Fredonia, Miss Ziegler has been a member of Student Government Assoc., Music Educators National Conference Student Chapter and Beta Sigma Chi. She has been on the Dean's List for high scholarship and in January of this year was elected to Kappa Delta Pi, national professional honorary group in education.

A student of Dr. William Willett, Miss Ziegler is the daughter of Mr. and Mrs. Albert Ziegler, and a 1958 graduate of Hicksville High.

Dear Jean:

ROBERT WILLIAMS Chapter, Order of DeMolay, had a benefit card party at the Masonic Temple on Saturday night last. IRVING LAWRENCE, 43, who lives at 29 Jay St., Hicksville, with his wife and their six children, has been named Chief Enforcement Atty in charge of the State Rent Commission's Enforcement Division. County Clerk and Mrs. FRANCIS ANDERSON of Hicksville celebrated their silver wedding anniversary last week. We hear a cash register in GOLDMAN's started to smoke and burn the other day. EAST ST. SCHOOL celebrated the 65th anniversary of Union Free School Dist 17 with a colorful student pageant on the rear yard yesterday afternoon. Ladies Auxiliary of Hicksville Fire Dept. won first place for appearance in the Lindenhurst Invitational parade and tournament, Saturday. The vamps drill team won a second place trophy in B home on Sunday. JERRY ZETTLER and NEAL McCORMACK, representing Hicksville School Board, met with the Hicksville Fire Commissioners on Tuesday evening to discuss inter-connection of the school fire alarm systems with the community-wide system and the possible inauguration of a "no school" fire signal on days of severe weather. Further meetings are scheduled. We hear CLIFF PLACE is recruiting Deputy Marshals. Our guess is that ROBERT EATON by reason of his seniority on the School Board may become president when the Board reorganizes on July 5th. Any truth to the report of a movement to change some Bay Ave., Hicksville, zoning to business use? SAM RIEGER who has been named Regional Operating Manager for Gertz and is moving his office from Hicksville to Jamaica, has resigned from Hicksville Rotary Club. Among the proposed community service projects listed in a recent Rotary Bulletin, the ones which caught our eye were: Cleanup of the "Rotary" Mall on North Broadway, opposite the Professional Bldg., and erection of bad-weather shelters at bus stops. CHARLES SCALARA is the newest member of Hicksville Kiwanis Club. We hear a wholesale mail order house is opening shortly on South Broadway.

Carlini, at left, Speaker of the State Assembly, and Nassau County Republican leader, and Senator William J. Mahoney of Buffalo, majority leader of the New York State Senate, during the very successful fund raising dinner of the Oyster Bay Republicans at Garden City Hotel, June 1st. Mahoney Blasts Big City Democrats

Big city Democrat leaders, confronted with the fact that New York City now has less than half the entire population of the State of New York and it is continuing to go down, are now "pretending to pose as the new-found friends of suburbanites," Senate Majority Leader Walter J. Mahoney of Buffalo told a sell-out audience at the Oyster Bay Town Republican Committee dinner, Thursday night.

"Opportunistic as always with malice aforethought they have embarked on a subtle and sinister political excursion," Senator Mahoney told the 1,000 diners at the Garden City Hotel. "They are trying to hoodwink and seduce your neighbor into trading his good, progressive, forward looking Republican government for the kind of contemptuous, morally questionable, political brigandage which has dragged too many of our great cities down into the gutter."

Assemblyman Joseph F. Carlini, Speaker of the State Assembly and leader of the Nassau County GOP organization, told the audience that he has discerned an impatience on the part of the party leaders, committeemen and candidates "to get into this campaign, to meet the challenge and do battle with our adversaries."

He declared that every man and woman in the county, regardless of party, owes County Executive A. Holly Patterson who has served the people for 30 years, "an undying debt of loyalty for the tremendous job that he has done in the most serious and important period of the transition and development of this the greatest and most vibrant county in the State of New York."

Announcing a meeting of the County Committee to be held June 13 in the same room of the Garden City Hotel for the designation of county and town candidates, Carlini predicted the campaign will begin June 14 on all levels of government "with diligence and vigilance, exercising every possible bit of energy that we can generate...which will assure the overwhelming defeat of our Democratic adversaries who do nothing but find fault and attempt to unjustly criticize...who have no program, who can present nothing to the people of this county but a collection of candidates who have

Rain Again Fails to Dampen Camp-o-ree Fun

By Joseph S. Giordano

The combined Arrowhead-Pinetree District 3rd Annual Boy Scout Camp-o-ree opened its gates at the Grumman Field Friday night, June 2, with all the excitement and enthusiasm that boys can muster up on such an occasion.

Arrowhead District registered the following units on Friday night: Boy Scout Troops 424, 508-31, 259, 593, 381, 377, 291, 491, 158, 430, 375, 478, 433, 402, 404, 429, 172, 13, 303, 162, Explorer Posts 429, 375, 431, and Ship 18. The evening

was spent by most units getting their campsites organized, setting up tents and erecting individual troop gateways.

Saturday saw several hundred Club Scouts join the camp-o-ree with their rats and the displays down the Cub Highway. After the opening ceremonies for the third year running, the camp-o-ree had its share of rain. The rain, however, did not take the edge off the fun that the boys were determined to have.

This year the theme for the Ar-

rowhead District was patrol activities in the individual unit campsites and in competition. From Troop 162, King Colas won the fire building and water boiling contest while the Shawnee Patrol won the tent pitching event. Both patrols received plaques as winners. The Flaming Arrow Patrol of troop 375 received the Super Scout Axe award for winning the "Big Chip" contest.

For the retreat ceremony close to 2000 Boy Scouts, Explorers and Club Scouts from both Districts

paraded to the assembly area led by the Bethpage Colonials Drum & Pipe Corps. Allen S. Carpenter, District Finance Chairman, at this time presented the Arrowhead District Memorial Award to Scoutmaster Edward Kilgus of Boy Scout Troop 433, from Plainview, as the best unit of the year in the District. The award is given for achievements in Troop Camping, Advancement and Membership, Training and Citizenship Participation.

At night the area was lighted by the individual council fires to which troops were invited to ex-

change stories and sing songs.

The Campsites were struck and the area cleaned by noon Sunday. The Camp-o-ree was serviced by a Red Cross trailer donated for the Camp-o-ree by the Nassau County Chapter of the American Red-Cross and was ably operated by Bob Coudert, District Organization and Extension Chairman.

James Doherty chairman of the District Camping and Activities committee and the C & A chairman from the Pinetree District did a fine job in organizing the effort that went into this highlight of District Scouting Activities.

Set Panel On Local Govt

Middle of the Night.. Cheer, Unadulterated Joy...

by Gilbert B. Stein

According to Webster's Dictionary Summit means the apex, the highest point. On Saturday evening June 3rd at the beautiful auditorium of our Jericho High School, a group of dedicated and talented neighbors, thespians all, gathered for the Summit and rendered an appreciative audience to a delightful evening of Theater it's finest. The vehicle chosen for this occasion was indeed a first-rate one - one of Paddy Hayes's masterpieces of light leathery drama, "The Middle of the Night". Be it called a comedy or a lot of drama, or a drama or a superb comedy, the evening seemed to sparkle with outstanding performances by every member of cast in the latest, and perhaps the best production put on by the Jericho Players of our Birchwood Civic Association.

Director Sy Syna and the Jericho Youth have delivered proof positive that a local and non-professional Theater Group can cast a spell over an audience. With limited technical means, they were able to blend cause and effect, comedy and strength of enthusiasm into a dramatic highlights into a

mold which captured even the most severe critics. The audience found it easy to ignore the limitations of a high school stage. Accolades must be given to stage manager Vera Mark and a most competent Production crew made up of Mimi Gruber, Selma Gold and Al Ross.

A talented cast of familiar faces was headed by Dale Berg as the Girl and Jerry Neuhaus as the Manufacturer. This proved to be a most fortunate choice. Dale sparkled, and acted the role of the pretty girl with warmth and feeling. As the Manufacturer Jerry gave a talented and real performance in a role for which he seemed perfectly cast. Honey Fischer, as the other, was a most pleasant surprise and her performance was strong and genuine. Ellyn Bauman, as the younger sister, added to the general lustre. Daughter Isabel Davis carried her lines beautifully and showed poise on stage. The sister, as portrayed by Mimi Reff, was a delight and reminded the audience of someone in one's own family. David Mark, as the son-in-law, of course had the advantage of some real block buster lines, but his characterization was natural and believable, and inspired the sympathy of the audience.

Harold Ecker, came across very well in the role of the piano playing husband.

The widow, as acted by Blanche Karpel, showed talented Blanche in her usual fine mettle. The girl's friend, Betty Goldstein, made a very fine impression on the audience. Finally Adele Zorn, playing the neighbor, a part which called for perhaps the least in dialogue, made more than the most of it by giving a riotously funny performance.

The Jericho Players gave us an exhilarating and entertaining evening in the Theater. For this we owe them our thanks. With this, their latest production, their already fine reputation has been even further enhanced. A pity though, that not more folks in Jericho came to look-see and experience this treat. If, after reading this you feel sorry that you did not attend, well, maybe you'll remember that there will be a next time, another production of our prolific Players, and you better reserve those tickets right now!

the time you read this, it be official. The "Missfits", by team Capt. Leon Cohen, walked off with top honors as winners of both halves of the split ion. They clinched the title by shoring Marvin Cohen and his "missfits" in their last competition. With 4 points at stake "Missfits" lead the "Comets" 12 to 38. The "Comets" will go to settle for second place, in oh! that dogfight for third place. In their last competition that position by taking 3 out of 4 while the "Jarms" succumbed to the "Woodchoppers", a final session, Monday night, 5, pitted the "Kents" against "Jarms" with only 1 1/2 us separating the two. We'll see the results in the VILLAGER's next issue.

The league has signed up for September and will bowl on today nights. The need for more men necessitated the change of 8. We have expanded to 8 teams all men who would like to join the 1961-62 season call Morry Rick as soon as possible. His number is WE 8-7751. The sooner we do this, the better chance we have to get more alleys if needed. Just because you may not be able to attend every bowling session, don't let that stop you from joining us. This is the reason we have 7 man teams. There are enough team members present to put up a battle. We are looking forward now to Dinner-Dance, to be held Friday night, June 16, at the Westbury Inn.

Day in Jericho

Monday, June 19th, is B-day in Jericho... the Blood-mobile will be the Jericho Jewish Center from 4:30 P.M. until 9 P.M. This is the usual drive of the Jericho Blood Bank. Donors are requested not to eat four hours before coming to the blood-mobile. YOU are eligible to become a member if you (1) reside within the physical boundaries of Jericho, or (2) reside within the Jericho School District. The Eismann, Chairman of the Bank, sent out an appeal for volunteers to help serve coffee and donuts and/or to do clerical work on the day of drive. If you can help, please contact Mr. Eismann at WE 8-0900. Donate blood so that you and your family are protected in emergencies! A life-saver - save your blood in the Jericho Blood Bank.

Fire Damages Birchwood Home

The home of Bernard Bollen, 67 Maytime Drive, Jericho, suffered more than \$30,000 damages due to a fire of undetermined origin early Sunday morning, June 4.

Mrs. Bollen, who was alone at the time, discovered the blaze at 3:45 A.M. She suffered minor burns while fleeing the burning house, according to the police. Her husband and two children are in Florida.

Reports indicate that the fire started in the basement and then spread through the house. Fire Chief Paul Kardel and the Jericho volunteers fought the flames for

an hour before bringing them under control.

JERICHO PLAYERS: Chalk up another great success for this splendid group. Their recent vehicle, "Middle of the Night", was another "SPLENDORAMA". The comments of the audience are always the same upon the conclusion of their productions -- how completely professional -- "what superb acting and scenic designs" -- "you can hardly tell it apart from a Broadway play." "Despite these raves the theater is never filled. It might be a good idea to kidnap the residents of our community and force them to spend a pleasurable evening being captivated by the Jericho Players.

TIP TO HOME OWNERS: The recent fire at the Bollen home at 67 Maytime Dr. is making everyone fire prevention conscious. A good way to start is by shutting off everything in the house that uses electricity and then watch your electric meter. If the meter continues to record movement it might indicate faulty wiring.

WONDERING: Outsiders are wondering if the residents of the Syosset School District appreciate the time and effort spent by their Civic Association as they labor away to save the residents their school tax dollars. If so, how come their Civic membership has not reached the 100% mark yet, they ask. People outside this community (Continued on next page)

Store Execs Address Civics

by George J. Frankel

At its General Meeting on May 25th at the George A. Jackson School, the Birchwood Civic Association was addressed by two executives of Floyd Bennett Stores, Inc.: Joseph Glass, Executive Vice President, and Mr. S. Feldman, Executive Director.

Mr. Feldman gave a little of the background of the Floyd Bennett operation, and some of the philosophy of modern retail sales methods. Mr. Glass then outlined the operation that is contemplated for the store currently under construction in the Birchwood Shopping Center. A group of residents of Merry Lane questioned Glass in great detail re the physical layout and operation of the store. He answered all questions put to him, and tried to satisfy all interested parties. He promised that if the Civic Assoc. submits a Bill of Particulars of items and/or requests that would ease the friction between the store and the community, every effort would be made to comply.

Fred Green of the Civic Assoc. Town Planning Committee reported that, because of a situation concerning State property along Broadway, some difficulty had been encountered in the construction of Entrance Gates. However, steps are being taken to overcome the problem, and Entrance Gates may yet become a reality.

The proposed Constitutional Amendment changing the fiscal year of the Civic Assoc. so as to coincide with the calendar year was tabled until the next General Meeting.

Among the chairmen and sponsors of a cocktail-Buffer-Reception in honor of Judge Benjamin Zipper given by the Jericho-Syosset-Oyster Bay U.J.A. committee on behalf of the United Jewish Appeal, will be members of B'nai B'rith Jericho Lodge.

Hi, Neighbors

MURIEL SUGARMAN

A great big "thank you" to G. Stel for writing this column two weeks ago, and a "thank you" to everyone who was so kind during my recent illness. Happy to say that I'm feeling fine. Now for the news --

The event of the season will be taking place on Sept. 27 at Carl Hoppl's of Baldwin. Hadassah is now distributing eye banks for their annual luncheon and "Fashion show by Empire" and when you fill the

banks during the summer, this will be your admittance for a most worthy cause (that of saving the eye sight of the children of Israel) and also a most festive afternoon for yourself. Call Ann Lerner We 1-6902 or Jay Schachter OV 1-3491.

Happy to tell you that Mark Schindler of Hazelwood Drive is well again.

Our sincere sympathy to Dr. Bernard Schindler on the loss of his beloved father, Harry Schindler; and to Lou Cohen of Fountain Drive on the loss of his beloved father, Morris.

Jericho ORT invites you to their own Installation Meeting Luncheon at the home of Mrs. Sheldon Gellman, 51 Maytime Drive at 12:30 P.M. on June 13. The Champagne Luncheon will be served and prepared by the Board members. Mrs. David Mark, Vice-President of the North Shore Long Island Region of ORT will be the installing officer.

Proud parents, Mr. and Mrs. Herbert Bernstein, of 22 Forsythia Lane, announce that talented son Richard graduated June 2 from Pratt Institute. Richard won a painting award.

Good news! Fran Lovier up and about after recovering from illness in Long Island Doctors Hospital. Fran was determined to be in perfect health in time to celebrate son Robert's Bar-Mitzvah on June 10. Congrats to Fran and Adolph -- and good luck to Robert.

B'nai B'rith Bowlers looking forward to their end-of-season dinner-dance at the Huntington Town House on Sat. June 17. This promises to be a lively affair!

Dottie and Morris Hirsch left on June 1 for Charlottesville, Va. to attend the graduation of their son Paul from the University of Va. School of Medicine. Paul will serve his internship at Bellevue Hospital in NYC.

I've been asked to extend the gratitude of the Jericho Players to the Jericho Jewish Center, where the Players were given facilities to rehearse their latest success, "Middle of the Night". The Players are grateful also to Temple Or-Elohim, whose facilities were offered too, and to the many people and organizations who rendered assistance in every form.

EIGHT GIRL SCOUTS received their Curved Bar at a dinner and pinning ceremony at the Plaza Restaurant, Hicksville, last week culminating five years of working together under their beloved leader, Mrs. Erna Roper. Seated, left to right, are Mrs. J. Oberweger, Mrs. S. Oberweger, Mrs. John Spataro and Mrs. DeGregorio, members of Troop 108 committee; Mrs. V. Huehlich, guest; Mrs. S. Erickson, District V coordinator; and Mrs. Harry Whittier, northside Neighborhood Chairman. Standing are Mrs. Roper, Scouts Linda McCabe, Patricia Paceleo, Rose Sheffer, Tony Buono, Patricia Boyle, Patricia Gersano, Virginia Campi, Maureen Roper, John Lindemeyer, Sandra Morales, Joy Cohen, Judy Sherwood and Elizabeth McCann. ity would be very happy to spend \$5 per year membership dues to have a crew working every day to save them school tax dollars.

BREWING TROUBLE: Teenagers are the subjects of a controversy between the coffee growers and the brewers of coke. It seems that a pleasant awareness of coffee is taking place amongst the teenagers. The cola makers complain that it's the coffee that's stimulating this much too lively age group and put the blame on caffeine. Coffee makers claim that cola drinks do likewise. I think it's us the parents who stimulate these teenagers by depriving them of NOTHING.

FOOD FOR THOUGHT: Ten billion hot dogs -- about a million miles of them -- will be devoured this year. It's no wonder people are harking more than ever.

INSTALLATION TIME: Two installations took place this past Tuesday evening. Both Temples of Jericho installed their newly elected Sisterhood officers, Board Members, and Presidents. To the newly sworn-in President of the Jericho Jewish Center -- whose name escapes me for the minute (Editor's Note: Grace Herskowitz) -- congrats to you and your officers and board. To Mrs. John Haymer, the newly installed Sisterhood President and her officers and board of Temple Or-Elohim, our best wishes for a highly successful tenure. To the husbands of both, the FIRST MEN -- condolences are probably in order.

WANTED! The latest thing in super-max shopping is expected to be motorized carts. Milady need only press a button and the battery driven cart moves off at a walking pace. Supermarkets had better start planning traffic lanes in their stores. Should these markets wish to fill off their customers real fast we recommend the firm that drew up the parking plans for the Birchwood Shopping Center.

A GOOD QUESTION: A store in the Birchwood Shopping Center carries a sign in its window which reads: "If you keep your eye on this window every week you'll save money". A customer complains that she hasn't been saving any money. To Mrs. G. H. the wife of J. H. we can only say this: "where were you on the night of June 2 at 11:55 pm? We passed this window and you were not where in sight. We can only add that you are not diligent enough."

Final Fifth: Jericho Lodge has just announced a return trip to Puerto Rico for the Thanksgiving holiday.

Because of the many requests by people who made the trip last year, and those who had heard of the trip and wished to go under an organization sponsored trip, Jericho Lodge has cancelled its plans for a trip to Nassau and is going back to Puerto Rico.

Arrangements are being made to AIR JET to Puerto Rico on Tuesday Nov. 21st. The holiday will be spent at Hotel La Concha, and the return flight will be on Nov. 26. Total price for transportation (meal and meals, \$199.50 per person. Arrangements and further details will be spent on request, or call Jules Krasner at OV 1-1120.

Side Glances at History

Former School Board President Frank Chumsky with a record of service spanning a quarter century, as the Board of Education told a little known story about the system at the 65th anniversary celebration, Sunday afternoon. Hicksville almost missed becoming a superintendency back in 1924 because it was just about big enough. Today we have 50,000 population.

A community must have a population of 4500, proven by the State, before it can have its own Superintendent of Schools.

When the census was taken 37 years ago it was found that the population was 4,726 including 3,022 adults, 223 children from birth to 3 years, 240 from 3 to 5 years, and 1,277 from 5 to 18.

However, to reach the minimum, the count included everyone living at Jones Institute in Hicksville and also all the boys and adult personnel at the St. John's Orphanage then on North Bay.

Because of the interest developed in last week's HERALD with excerpts from minutes of the Board of Education over the years, we are continuing this feature.

OF THE SEVEREST TESTS for the US Navy icebreaker Edisto was encountered in Arctic trip, and aboard ship was Ensign Vincent Przybyszewski, son of Mr. and Mrs. Przybyszewski of 29 Boulder Lane, Hicksville, who air mailed these pictures to his father reaching New Zealand. For nearly a week the ship ran into winds of up to 40 to 60 mph waves and temperatures of about 10 degrees. Comments on the pictures (left to right) "the bridge as seen from the ship's bow where the ice was thick in places", "starboard wing of the bridge", and "port main deck below

the bridge, looking aft from the focsle. Much of the ice has already been chipped away". The Edisto limped into Lyttelton, New Zealand, with only one propeller. The weight of ice and high winds carried away an antenna, several halyards, two mast stays. The weight of ice endangered the ship. The Edisto left Lyttelton on Mar. 23 to attempt to recover a fuel barge adrift in McMurdo Sound. The ship's adventure was reported in New Zealand newspapers.

Summer Schedule

The summer schedule of the Town Board includes public hearings July 11, July 25, August 15 and August 29. Town Clerk William B. O'Keefe announced today.

Carnival Of Ideas

Levittown Extension Service extends to everyone a warm invitation to attend their thirteenth annual Achievement Night to be held at Levittown Hall, Hicksville, on Wednesday, June 14, at 8:30 P.M. A "Carnival" of ideas will display all courses completed, include a fashion show, and give a preview of next year's program. Chairman Mrs. George Watson and Program Co-ordinator Mrs. Grover Froese have planned an exceptional evening. Refreshments will be served, admission free. For further information call PY 6-9092.

Elected To Bovenan

Linda Rosen of 77 Sixth St., Hicksville, senior at Hofstra, has been awarded a membership key in Bovenan, highest honor society at Hofstra College for leadership and participation in co-curricular activities.

The policy of the Bureau of Fire Prevention, Hicksville Fire Dept has been one of education for the average Hicksville home owner. Past editions of "The Fire Horn" have advised and emphasized the part the home owner should take in making his home fire safe. Simple precautions can be taken to prevent fire accidents. The Bureau of Fire Prevention has been covering these points and others I am sure have been well received and observed by the average home owners. This policy of the Bureau will be continued in the future.

There has been other results of this Fire Safe Home drive, and not all of it good. True, any steps taken in the direction of a safe and secure home are entries on the profit side of the ledger. The national increase in home fire fatalities and injuries together with continuing campaigns for home fire inspections has served to increase the attention of home owners toward fire prevention and protection. This attention is, of course, just what this Bureau desires and is deserving and commendable. This Bureau certainly would be the first to endorse the principles of early detection and prompt fire department response to your call. This interest in fire prevention and protection has vastly increased the activity of those selling and distributing products in this field and SOME of these products will do what the fancy sales brochures indicate. Some sales representatives are however, making improper, incorrect and untruthful statements and claims in their sales presentation. It is claimed by some that the Factory Mutual Laboratories, Underwriters Laboratories, National Board of Fire Underwriters and the National Fire Protection Association endorse the products they are offering. This is NOT TRUE. These agencies only list and denote what may be expected of these products under certain conditions. To the knowledge of this Bureau none of these organizations specifically endorse any commercial product. If you do buy be sure these items as specified by these agencies will do the job you desire.

Many salesmen further claim endorsement by the Fire Chief, Fire Dept or some other branch of the local fire service. Let it be said now that any agency or Chief of the Hicksville Fire Dept will not, repeat, will not give endorsement to any commercial product for sale in the Hicksville Fire District. Home owners and business operators that are so approached are asked to notify this Bureau immediately giving full particulars and name of salesman where possible. This Bureau does not claim all these products for Home owners consumption are not what they claim to be. On the contrary, many do the job they are designed for and more. We do not want to be put into the position where embarrassing questions could arise where a product does not perform as advertised. To endorse any product gains many research hours and dollars to find just what a product does. The Hicksville Fire Dept has neither the money, hours or the desire to endorse any product. The policy is one of fire prevention through education and will always continue to be so.

Commenting upon his intention to retire, Postmaster Cotler said yesterday that he felt he was fortunate to be associated with a "very fine group of employees" and enjoyed excellent relations with the carriers, clerks and his 12 supervisors.

"It has been a pleasure to serve this fast growing community of ours," he continued, "and increased business, new developments and general progress has been a rewarding challenge. I have enjoyed every minute of it."

He has no immediate plans upon his retirement. Mr. and Mrs. Cotler and their son Robert live at 118 Park Ave and he plans to continue his residence in Hicksville. A married son, William, with his wife and three children, live in Manas, New Jersey.

BIGGEST MAY SINCE THE MODEL "A"...

THE MONTH OF MAY WAS THE BIGGEST FOR FORD CAR SALES IN 32 YEARS—SINCE THE HEYDAY OF THE HOT MODEL "A" IN 1929.

MORE THAN 143,000 FORD CARS WERE SOLD.

THIS MEANS THAT EVERY SIX SECONDS OF EVERY EIGHT-HOUR DAY, SOMEONE BOUGHT ANOTHER FORD, FALCON, THUNDERBIRD, OR FORD WAGON.

WHY?

PERHAPS THOSE 143,000 AMERICANS FOUND OUT SOMETHING YOU SHOULD KNOW. THEY DID ALL THE SHOPPING, DEALER BY DEALER; THEY MADE ALL THE COMPARISONS, CAR BY CAR. BUT THEY BOUGHT FORDS!

WHY?

SOONER OR LATER YOU'LL GET A NEW CAR. WHEN YOU DO, TRY YOUR FORD DEALER FIRST—HE WILL GIVE YOU AN ABSOLUTE YARDSTICK OF VALUE IN EVERY PRICE RANGE FROM A TUDOR FALCON TO A THUNDERBIRD CONVERTIBLE.

HERE'S WHAT TO LOOK FOR. IN THE GALAXIE PRICE RANGE, DON'T SETTLE FOR LESS THAN A CAR THAT'S BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF... THAT GOES 30,000 MILES BETWEEN CHASSIS LUBRICATIONS... 4,000 MILES BETWEEN OIL CHANGES... WHOSE BRAKES ADJUST THEMSELVES AUTOMATICALLY... WHOSE MUFFLER IS BUILT TO LAST THREE TIMES AS LONG AS ORDINARY ONES... WHOSE BODY IS SPECIALLY TREATED TO RESIST RUST AND CORROSION... WHOSE FINISH NEVER NEEDS WAXING.

IF YOU WANT RECORD ECONOMY LOOK TO THE FALCON... THIS IS THE ABSOLUTE RUN-AWAY BEST SELLER OF ALL COMPACT CARS... WITH THE GAS MILEAGE RECORD OF 32.6 MILES PER GALLON, PROVEN BY AN EXPERT DRIVER IN A FALCON WITH STANDARD SHIFT, UNDER THE CROSS-COUNTRY TEST CONDITIONS OF THIS YEAR'S MOBILGAS ECONOMY RUN.

OR COMBINE ECONOMY WITH A TOUCH OF THE THUNDERBIRD. IN THE ELEGANT NEW FALCON FUTURA... BUCKET SEATS AND ALL.

TAKE A LOOK AT THE TWELVE FORD WAGONS. EVERY ONE IS DESIGNED AND BUILT TO GIVE YOU MORE SOLID ROOM—PER-DOLLAR, POWER—PER-DOLLAR OR STYLE—PER-DOLLAR VALUE THAN OTHER WAGONS. SEE THEM ALL—FROM THE CRISP SMARTNESS OF THE FALCON WAGON, ALL THE WAY UP TO THE INIMITABLE FORD COUNTRY SQUIRE.

FOR PURE PLEASURE, SEE THE SENSATIONAL NEW THUNDERBIRD FOR 1961. UNIQUE IN ALL THE WORLD—A CAR THAT BECOMES MORE DESIRABLE EACH MONTH AS THE IMITATIONS COME OUT. AS OTHER CARS COPY ITS FAMOUS ROOFLINE, ITS FOUR-SEAT INTERIOR, ITS CONSOLE—YET MISS THE SECRET OF THE THUNDERBIRD SPIRIT.

THE THING THAT SELLS FORDS IS SIMPLY THE PRODUCT—IT STARTS WHEN YOU TAKE A CLOSE LOOK AT FEATURES OTHER CARS ARE ONLY DREAMING ABOUT. IT GETS CONVINCING WHEN YOU SEE AND FEEL THE HONEST QUALITY OF ITS CRAFTSMANSHIP—AND IT'S ALL OVER WHEN YOU LEARN THE PRICE.

THOSE THOUSANDS OF AMERICANS WHO BOUGHT A GLITTERING NEW FORD EVERY SIX SECONDS IN MAY REALLY DID KNOW SOMETHING YOU SHOULD KNOW—THAT NOW IS THE TIME TO STOP IN. SWAP, AND SAVE PLENTY AT YOUR FORD DEALER'S SWAPPING BEE.

Both the way and the Press, headlined e remarkable feat and this uran also adds its praises for an ceptionally fine performance. his had been the beginning of the esure series, that eventually lides the Nassau County school- y Championship. Cerone was ver better and his mates backed to the hilt with an errorless The big guns for the locals e Coletta, going 2 for 3; and a double: Brad Jawor- 2 runs in a 2 for 4 day. Coletta rapped a triple in for 4 effort, with 1 R.B.I. and e had 2 out of 4, with 2 's. In the bottom half of the inning, the shortstop, Winnie a, pulled off one of those ne perms. that always rate an

extra mention. Coletta went into the hole near 2nd and in one swift motion, made a fabulous pickup and rifled a perfect throw to the last baseman. Final score, Comets 4 Herricks 0.

In last Fridays semi-final vs Bethpage, Comet hurler, Gary Sosonias went down for a heart-breaking 1-0 count. Pete Nistad, the Bethpage pitcher won his own game by pounding out a homer in the 1st inning. After that it was gooseeggs all the way. Nistad was in hot water on two occasions; both in the 1st and last inning. It was a 1 out, bases loaded situation that always separates the men from the boys and in both cases, Nistad came up with the pitch needed. In all fairness to Nistad, it was my contention that Sosonias was the sharper of the two but ball games are won by, not what might have happened but what did happen. The Comets hang up their spikes for this season with Bethpage meeting Syosset for the North Shore Crown. After that, it's North Shore vs South for the Nassau Championship. Good luck Comets. You put on a tremendous seasonal show and win, lose or draw, your fans will be back next year. Good luck also, to Comet coach, Army Tommatte, who brought his team just about as far as they were destined to go.

MUSICAL TALENT AWARDS

According to information received, a quartet of Jr. High students has received talent awards to attend the University of Vermont, during the summer vacation period. (These awards were inaugurated in 1959 for the purpose of sending talented youngsters to a school, that might help them become more proficient in their art.) The schooling is for a 4 week period and the awards are granted as a recognition of musical talent, scholastic ability and school citizenship. All vocal and instrumental teachers vote their choice of candidates for these awards. All expenses incurred in sending these students to the University are derived from the proceeds of the recently held, Fine Arts Week. The awards granted are as follows, 9th grader Mildred Polsenki, member of the A Band (Oboe); 8th grader Steven Reiter, B Band (Flute); 9th grader Eugene Goldberg, Orchestra (Cello); and 9th Grader Linda Erwin (Chorus).

ALL STARS TAME WILDCATS

Usually these rumbles are jazzed up with a lot of hocus-pocus but this time the pressure of a libel suit forces us to do some straight reporting. Wildcat General Manager Peanuts Pullio had his squad clawing all week for this one but Stompin' Stan Kellner brought a ringer that spelled the difference between victory and defeat. "Jumpin' John" Ash, was the ringer's name and once recognized by the Cat hurler, Big A. Koehler, the game was finished under protest. First string manager for the Cats, Bob Hock has promised to bring this infraction of the rules before league proxy, Chet Jaworski. A reversal is expected soon. Fortunately, this was another non-league tilt and the Wildcats still top the league with a 3-0 record. The final score at the end of 11 Innings of play, Kellner's All Stars--9; N.T.U. Wildcats--8.

ADDED NOTES

We are pleased to report, that our good friend Murray M. Duncan, principal of Old Country Rd. School, is definitely on the mend after a trio of operations. Informant Gert Low, Mr. D's secretary, stated that the final operation had been completed, the stitches had

Ignatius Grammars Cop Round

St. Edwards of Syosset came within an eyelash of topping St. Ignatius from the lead in the sectional race for the Diocesan Grammar School championship. The hitherto uninvictorous Syossetans meeting the hitherto undefeated Blue and Gold figured to be an easy mark for powerful St Ignatius.

Coch Schneider, a very charitable gentleman, decided not to use any of his starting trio of Dettel (2-0) Hoosack (1-0) and Maier (1 0) for the clincher. Instead he called on Peanuts Gallagher to wrap up the first round for St. Ignatius. Peanuts used his various assortment of fast balls, change of pace, sliders and screw-balls (not to be confused with his teammates) to hold the opposition at bay until the fifth inning.

In the meantime his teammates pecked away at the offerings of Whitey Ayers for a single tally in the opening inning. They came back with two more in the third when Charlie Dunch Lang lined a single to right behind Flash McAuley and Hack Carrera both of whom scored. Chubby Bogin took the mound for the Red and White and put an end to the Blue and Gold scoring for the next two innings.

The Edwardians put the pressure on the League leaders in the top of the fifth when they scored a single tally. However, they really came to life in the top of the sixth. Peanuts retired for Whitey Dettel, winner of his two previous League games. After walking the first man he returned the next batter on strikes and then proceeded to put the tying run on the basepaths by a walk. Lefty Bonafini played a temporary hero role for the Con-fessors by dumping a ringing double down the left field lines scoring both runners before him. Coach Charlie Schneider decided that June 3rd was not Whitey's day. Doc Vin Hoosack was called to the rescue. The Doc examined the Dettel trouble carefully and then using all the skill and artistry of his powerful right arm, relieved his team's trouble by extracting the next batter by a strike-out. Since the third inning the usual spring storm clouds hovered over

been removed and the patient will be back in action in a matter of weeks.

Another item of pleasant reporting, concerns the recent promotion of Tad Schofield, Principal of Dutch Lane School, to the post of Asst. Superintendent of Schools. The officers and membership of the N.T.U., representing custodial, grounds and maintenance employees, extend our well wishes for a long successful reign.

Information received from Val Laguetux, Instrumental Music teacher at the Jr. High and co-author of the hit record "Baby Blue", states that another new record is scheduled to be waxed in the very near future. The title-- "It's Too Late Now", and will again feature the "Echos", who rose to stardom on the "Baby Blue" platter. Lyricist, Sam Gullino, Asst. Principal at the Old Country Rd. School, hopes that he and his partner will have the opportunity of seeing lightning strike twice in this unpredictable business. According to both, their first hit, "Baby Blue", which had a meteoric rise, has now leveled off. As of this writing, total sales have reached the 400,000 mark.

Compliments also to Editor Fred Neeth, for an exceptionally fine front page, in the last issue of the "HERALD". It brought a lot of young-old timers out of the wood-work who thought they remembered the date of the trolley's last run on John Street.

WHAT'S RUNNING?

Black Fish - few
Striped Bass - some keepers
Flounder - Many (good size)
GOOD SPOTS
For flounder I found that by the clam bar out from Teddy Roosevelt Beach most are good size.

FISH TALK

Last year there were quite a few sand sharks. They didn't help fishing very much because these sharks were eating the other fish.

BOAT FISHING

I guess that we all have our boats shined up and ready for water. Happy Fishing to you all.

first round victory The first round winners will try to extend their winning skein on Saturday afternoon at the Junior High School field where they will play host to the St. William Blues at 12:30. The Abbots save the Ignatians their closest game on opening day and hope to even up matters at the next meeting.

The St. Ignatians play the best brand of ball in their age group that this reporter has seen during this young season. Coaches Schneider and Gallahue deserve a great deal of credit for molding them into a smooth working nine. Spectators are urged to come early if they expect to find choice seats on Saturday.

COUNTRY FAIR

The Bethpage Methodist Church is having an old-fashioned Country Fair on Saturday, June 10, from 10 a.m. to 10 p.m., at 192 Broadway, Bethpage.

Chiefs Slaughter Aces 10-0

The Republic Aviation Chiefs slaughtered the Mid Island Plaza Aces 10 - 0 in an opening day game on Memorial Day behind the pitching and hitting of Bruce Damm.

Poor fielding by the Aces aided in the lopsided score. Great base running by the Chiefs set opening day record as they stole 10 bases. The losing pitcher was Jim Erwin.
