

In Accordance With 1959 Approval: BD ACQUIRING 5 ACRES NEXT TO HIGH SCHOOL

Hicksville Board of Education is preparing to acquire two tracts of land adding about five acres to the south side of the Senior High School property. Voters approved the purchases in the Nov 1959 referendum. The additional site is required by the State Education Dept in view of the proposed additions to the high school building.

Slightly more than an acre of the Koutensky farm, fronting on Jerusalem Ave., is being bought for \$26,000 while four acres and a house and outbuildings of the Henry Lumm farm fronting on Newbridge Rd will be purchased for \$92,000.

New Lawyers

The law firm of Burlant and Catalano is being engaged as attorneys for the Hicksville School District, succeeding Sullivan and Corcoran who did not seek to continue the position. The contract with Sullivan and Corcoran ends on Monday, July 31.

The School Board voted six to one on the appointment of the new attorneys.

The Board also selected Harry Mehler of 70 Blueberry Lane, Hicksville, as auditor in place of Solomon Newborn who had held the position for several years. The Trustees also re-elected Herbert Backman as treasurer but failed to act affirmatively on selection of a District Clerk who continues to serve until his successor is named and qualifies.

HERBERT BACKMAN of 8 Brooks St., Hicksville, was this week re-appointed by the Board of Education as Treasurer of the School District, unanimously.

Asking Study

Hicksville School Board has voted to request the State Education Department to study the school district's financial condition.

8 Years Ago This Week: Supervisor Got Petition For Incorporation Vote

Eight years ago this week on July 31 a group of Hicksville residents carried a 6,000 signature petition to Oyster Bay Town Hall with the fond hope that it would bring about the day when Hicksville would be an incorporated village. Within six months that hope, developed by nearly three-years of patient volunteer effort, was dead as a doornail.

While there had been talk over the years to establish a village form of government for Hicksville, it was not until the early 1950s that the wish took some substantial form. The Home Rule Committee was organized and set about the task of lining up signatures on a petition to bring the question to a referendum.

Lawrence A. Roman was chairman of the committee numbering over 300 at one time which went from door to door and from one property owner to another to obtain consent signatures. The big effort was timed to coincide with the last day of the assessment period. The assessment of Hicksville School District for 1952-53 was \$37,525, 768 and the petitions had to equal or exceed one-third that amount.

A delegation led by Roman went to Oyster Bay Town Hall and delivered the four-volume thick petition to Acting Supervisor Lewis N. Waters. As the law requires, they

also delivered a check for \$100, a certificate of the assessment, a map of the school district.

The Town Supervisor, also as the law requires, called a public hearing in Hicksville Courthouse which was held on Sept 19, 1953. While there were not many speakers, all the leading proponents and opponents were heard. The hearing was adjourned to Sept 25 for the filing of memoranda by counsel.

On Oct 5, Supervisor Charles Ransom ruled that the proposal did not comply with the village law, that the persons signing the petitions to bring the question to a vote did not represent one-third of the valuation.

What had happened was that even while the petition was being circulated, those opposed were going around and getting property owners to remove their names. And while the Home Rule Committee went in with a petition that claimed valuations of \$13,092,893 or an excess of \$584,306, permitted withdrawals and challenged items pulled the total down.

The Home Rule Committee took the Supervisor's decision into County Court where Judge Cyril J. Brown, following further oral arguments in court, ruled on Dec 18, 1953; He found the petition short of the one-third by \$110,000. He didn't pass on the other objections

O. Forming Advisory Council

Major local business mailers were urged at a demonstration at Hicksville Post Office Annex Friday afternoon July 21, to help solve the "biggest, most serious, most wasteful and most senseless problem of the Postal Service -- the wholesale dumping of billions of pieces of mail annually on post offices at the close of the business day."

Speaking at meeting of 20 major business mailers in Hicksville, K. A. Billings, Field Service Officer, said this problem has "Cut down efficiency, throttles our drive for economy, and stymied our efforts to improve mail service."

The meeting, held at the Duffy Ave. Annex, launched a nationwide program with Hicksville one of 250 communities participating. Called Nationwide Improved Mail Service - NIMS for short - the program involves more than 20,000 major mailers who originate more than 50% of the nation's annual mail volume of 65 billion pieces. Postmaster General Day participated in the launching in New York.

Here in Hicksville, the 40 mailers account for \$450,000.70 or 35% of the total postage receipts on the local post office, according to Acting Postmaster Irene Murphy.

Part of the problem is outlined by Billings is that most of the mail is deposited between the hours of 5 and 10 PM, causing an uneven flow of mail.

In a single day, the average flow of mail at the local post office, between 5 and 10 PM, amounts to

70% of the total mail volume. To meet this problem, Billings has asked the major business mailers to schedule their mail to avoid to the extent possible, the end of the business day depositing of mail.

To bring this about, the mailers will join a Citizens Advisory Council to work in cooperation with Postmaster Murphy to plan for the rescheduling of mail, and to provide the Post Office Department with continued advice to meet the challenges of a growing and free society.

ON DEAN'S LIST

For high scholastic standing during the Ithaca College spring term which ended in June, Lots Ann Chaber of Hicksville earned mention on the Dean's list. She was among the top ranking 10 percent in scholarship in the school or department.

Thank you for the cooperation and understanding of readers who had their Herald arrive late last week is appreciated. The problem was solely that of the publisher and not your favorite mail carrier.

tion Dept to review school plant facilities in this community in relation to the facilities which are expected to be finished by Sept 1962. A two-million dollar program was approved by the voters in Nov 1959 but was tied up by litigation for more than a year.

The School Board has called for bids to be opened Tuesday, Aug 8, upon the 1959 program which includes the Willett Ave Elementary School, additions to the Junior and Senior High School, and the addition of a gymnasium-auditorium to East St School and remodeling of the cafeteria there.

Board member David Hurwitz in proposing the state check-over told the trustees "the last report on school plant needs in Hicksville was made by Dr Felix McCormick of the Institute of Field Studies, Teachers College, Columbia, on Dec 26, 1958. This verbal report was reviewed by developments since Oct 24, 1955 which, in turn, was based on the last full-scale review of school plan needs submitted by Dr McCormick on Sept 30, 1954."

The long-range forecast of student enrollment for Hicksville has been a juggling factor in planning construction over the years.

While the accuracy of McCormick's forecasts have been challenged on several occasions, they have held remarkably firm.

Former School Superintendent Wallace E. Lamb reported to the School Board a year ago this month that the total student enrollment, as forecast by McCormick, has been decreasing. In October 1959 there were 13,081 students in the Hicksville public schools which decreased 298 to a total of 12,813 in June 1960. Of the decrease, 149 were kindergarten to 6th grade, 46 in Junior High and 73 in senior high.

Discussing the in and out migration factor, Dr Lamb said "the loss of pupils through such a factor is entirely logical." He explained it this way: with a family with no or few children may move into a house vacated by a larger family, the new family may grow into a large family. However, some houses are purchased by older couples. Also some families with no or few children also tend to remain.

Thus, despite the new home building in Hicksville, the overall enrollment as projected by Dr. McCormick, declines.

School Superintendent Donald F. Abt has advised the Board that his request of the State Dept will probably be answered next month.

NEW ARRIVAL

Mr. and Mrs. J. Robin Rappolt, of 41 Arch Lane, Hicksville, are the proud parents of a son, James John, born to them July 16 at Mercy Hospital.

Dear Jean:

AGRAPINO DRAGO, E Barclay St manufacturer, before leaving for a trip to Europe was greeted upon his birthday by fellow Kwanians last week. GENE (Mr Little League) SCHILLINGER was also cheered for his birthday at the same time. The Hicksville Kwanis received a detailed report on the recent International Convention held in Toronto, Ontario, from FRANK CHILUNSKY. (Get any autographs, Frank?) FRED GRUSHOFF who is vice president of Metalab Equipment plant on Duffy Ave., Hicksville, has been promoted to vice presidency of Grushoff Corp, wholly owned subsidiary of Crescent Petroleum Corp. Grushoff lives in Kew Gardens.

Mr. and Mrs. EDWARD MORRIS of 68 Arrow Lane, Hicksville, are the parents of a fourth child, JEANNE, born Tuesday at Mercy Hospital. The Democratic leader and his wife also have sons PATRICK and KEVIN, and daughter, MARY. It would be worth your while to take a drive up to Jericho and look at those old time Hicksville scenes from the collection of HARRY STEWART displayed with some Jericho pictures in the lobby of the Meadow Brook National Bank. We understand efforts are being made to establish a Roman Catholic Church in Jericho. Mr. and Mrs. CHARLES COLTHURST of Field Ave., Hicksville, on a recent vacation trip to California were reunited with their children. Mr. Colthurst is vice president of Meadow Brook National in Hicksville.

Mr. and Mrs. JOHN LARKIN of 15 Nevada St., Hicksville, are the proud parents of a son, EDWARD James, born July 8 at Mid Island Hospital. The new Larkin, who weighed in at 7 lbs. 12 ozs., joins sister Maureen and brothers Robert, Jeffrey, and Eugene. Daddy is with the Fire Dept.

Congratulations to Miss ANN EMPTING, daughter of Mr. and Mrs. Fred Empting of 28 W. Marie St., Hicksville, who became engaged Saturday, July 22, to HOWIE DOTTER, son of Mr. and Mrs. Arthur Dotter, of Rosedale. Ann, who we have known since she was a little girl, is celebrating her 20th birthday today. She is leaving tomorrow for a month's tour of Germany.

The swimming pool sub-committee of the Recreation Advisory Committee, has scheduled a meeting for Wednesday night, Aug 2, at the high school. Mr. HERBERT BACKMAN of 8 Brooks St., Hicksville, has earned her certification as a Braille transcriber. Longtime Hicksville resident RICHARD MCCORMICK who moved to Miller Place in Suffolk last year, died last week. He was a Hicksville resident 38 years and opened a pioneer radio and electrical shop here. He was a Town building inspector from 1950 to 1950 and was a past master of Manetto Lodge, F&AM.

Get well wishes to GRACE M. STOLL who is slowly recovering from injuries received recently when she was hit by an automobile on So. Oyster Bay Rd. She is a past president of Hicksville Women's Club and presently chairman of the Hicksville Branch of the Am. Red Cross. We are pleased to hear that MRS. MATERA of 69 Cherry Dr., Hicksville is home from the hospital. We saw her shopping in Dillbert's - Big Ben and it is good to see her looking well again.

Friendly Frost, Inc with its main office in Westbury will introduce a three-way sound centre, combining broadcasting and merchandising, in Sept. The operation will embrace a new FM station, WTFM. A new kind of walk-up phone with the outdoor coin instruments houses in a plastic hood has been installed at Mid Island Plaza. Mr. and Mrs. WALTER G. STACKLER (he is co-owner with LEONARD FRANK of Mid Island Plaza) celebrated their 32nd wedding anniversary recently at the Board of Directors meeting and conference of the NY State Home Builders Assoc at Saranac Inn. Stackler was also toastmaster as the concluding banquet. Nassau Civil Defense offers round-the-clock information on weather conditions (particularly hurricane information) by dialing ED 3-4500. Hicksville School Board, meeting as a committee of the whole, will interview 19 candidates for the position of Superintendent of Buildings and Grounds on Saturday, Aug 5, starting at 10 in the morning. There have been 73 applicants for the position vacated by ED LEWANDOSKI. LOU CARRAO, newly inducted member of Hicksville Rotary, was called upon at the meeting last week to tell the members something about himself. He is in the accounting business. The Rotary Bulletin Reports that Jericho School Superintendent KENNETH LANT has a new camera and may give FRANK MALLETT a run for his money.

Our get well wishes to Miss MARY KELLER, sister of Miss CLARA KELLER of Harding Ave. who is a patient in the Neurological Hospital of the Presbyterian Medical Centre, N.Y.C. Friends and neighbors wish her a speedy recovery and a last return home. Friends and neighbors glad to hear that MRS. JOSEPH GIACCOLA of Spruce St. is still feeling much better after her stay in the hospital. We wish her the best. SAM and KITTY WEISS of Willoughby Ave. inform us that their son, Sgt. Harvey Weiss and family have landed in Bremerhaven, Germany safely and expect to spend the next three years in Frankfurt. Good luck, folks. Hear that our friend HENRY GEBHARDT of Notre Dame Ave., has his good days and his bad ones. Hope at this writing he has had good days. He is one of our 'ole time' friends and we wish him the best. Congratulations to Mr. and Mrs. PATRICK MCCOE of Raymond St. who welcomed their eighth child last Wed. The baby, a girl named Susanne, was born at Mercy Hospital.

Army PFC Robert Rinaldi, 21, son of Mr. and Mrs. Carmine Rinaldi, 10 Joan Ave., Hicksville, recently participated with other personnel from the 21st Artillery in a missile battalion demonstration in Inglesheim, Germany.

Pertinent Points In Our History
 By Herbert Hale
 Town Historian

Robert Williams is the founder of Hicksville and might be called the town father. He came from a good family being a near relative of famous Roger Williams who founded Rhode Island in the earlier years of American History. Williams had first purchased land from the Indians in Hempstead Township which ran northerly to what is now Oyster Bay township and he became a very large land proprietor.
 On May 20, 1648 he purchased a large tract of land from Indian Chief Paganham. This purchase included all of what is now Hicksville, Plainville, Bethpage, Jericho, Woodbury and part of Syosset and this land is known as the William Purchase.

George Freudig
HICKSVILLE — George Freudig 105 Blueberry Ln., here, died July 19 at Meadowbrook Hospital the age of 69. Services were held Sat., July 22 at 1:30 P.M. in interment followed at Lutheran Cemetery, under the direction of the Thomas F. Dalton Funeral Home. Mr. Freudig is survived by a George.

Williams was an unusual man in that he had foresight, ambition and courage and was very thrifty and was a real pioneer at heart. After this purchase Hicksville began to be settled in a small way at first but grew as time went by. Five years after this purchase a vessel in command

Suburban Gardener

By Ralph Pignatoro

Anytime the weather becomes excessively hot especially after a very heavy rain, you can rest assured that your garden and lawn will be under heavy attack by all sorts of insects and weeds. More so on lawns at this time than anything else.

Chinch bugs have been a still causing serious damage to lawns. Affected areas will look like injury caused by dryness or sun scald. Before using controls to stop the chinch bug make sure you can identify it or find it. The chinch bug is an air breathing arthropod of the class Insect with a

distinct head, thorax and abdomen. The chinch bug is 1/8th inch long, the body is black and its wings are white with black markings. Juvenile chinch bugs are wingless and are bright pink.

To control the chinch bug use Diazinon, DDT or a new chemical called Ethion which O.M. Scott has in a granular form called Kwil. In the future much will be heard about Ethion because of its lasting

quality and ability to continue to control chinch bugs one month after application.

On roses especially, as well as the rest of your garden Japanese beetles are having a "ball". An all purpose spray or dust will give good control on beetles but you will find that more frequent applications to keep this annual pest away.

P.S. Before fertilizing your lawn again serious consideration should be given in having your lawn aerated mechanically. The soil in this area tends to become very hard about now caused by summer heat and heavy rains.

West Birchwood has been sweltering in 90 degree plus temperatures and muggy humidity for the past week and the weekend flights to the beaches are in full swing. For instance, after battling traffic to the TOBAY oasis, last Saturday and Sunday we spotted W.B. families on both the ocean side and the bay side. Marilyn Meister was knocking off the Times Crosswise puzzle in company with Marilyn Buchman while husbands Jerry and Sid discussed Bourgiba's next move. We saw the Coopers, the Bernans, and the Beers, all of St. Lawrence, enjoying the beach. We welcome new neighbors, Bea and Artie Soberman of 22 Saratogo Drive Jimmy and Pamela Tuccinardy of 19 Orsego Place celebrating the arrival of . . . grass . . .

The Women's Bowling League is all set. A meeting will be held July 31st at Westbury Bowl. Still a few openings remaining. Call Betty Franklin OW 1-0206.

Glad to hear that Charles Auerhahn, Orange Drive, is making rapid recovery after his recent operation. . . . Mr. and Mrs. Herbert Block 6 Orsego Place, announce birth of Don Lawrence, brother of Meryl Susan, July 16.

This week's Lucas . . . Hawaiian style Saturday night last in the MAJORINI of the "Victim" Sapphires . . . complete with torches, nets, Pau Pau and hula dancers, Chinese style in the FOWING-CHIN of the Fanchullo attended by such Originals as the Silversteins, Liribaumia, Franklins and Petersons.

Under new procedures adopted recently by the Jericho Board of Education, it will no longer be necessary to wait until conclusion of the business session to question the Board. The public will get priority in future meetings. Visitors will be permitted to discuss problems and ask questions early in the evening and afterwards school financial bills and payments will be discussed by the Board. This innovation will eliminate the interminable waiting period which resulted in one taxpayer waiting until 12:50 a.m. recently to get a negative answer to a question.

Summarizing the past two meetings of July 5th and 20th, highlights are as follows: low bids were approved for purchase of fuel, oil milk and bread for the new school year. The formation of a Creative Arts Workshop was approved. A handbook for parents on school rules and regulations will be mailed in August.

A discussion took place at the July 20th meeting concerning psychological services in the Jericho School system. The possibility of increasing the number of psychologists was mentioned. In addition, the question was brought up of having Dr. Lewis, present school psychologist, conduct an in-service course for teachers. Jane Schreiber, for the West Birchwood Civic Assoc. Education Committee, was present at both meetings.

View from the Hatch

By STAN HATCH

Did you ever think of the current world situation in terms of a global baseball game? Well, this week, let's explore the Reds.

Managing the team and star pitcher is "Nick" Krushchev. Khrush was in the minors many years and made a good showing with a varied assortment of pitches. When old George Malenkov lost his stuff a couple of seasons back, Khrush stepped into the starting spot. Included among his deliveries are speed, deception, a wicked curve and a fabulous change of pace.

On first base is a Polish chap named Gomulka. Gomulka hits and fields pretty well, but has a bad habit of not holding the baserunners close at first. With men on base, Khrush gets pretty nervous about Gomulka.

Playing second base on the Reds, is "Specs" Castro. Not only is Castro a nifty fielder, but he's a real slugger. He's way up in runs batted in, but as a potential base stealer he's most dangerous.

At shortstop is "Killer" Kadar, a Hungarian who has earned himself a notorious reputation afield. His specialty is the double play.

At the hot corner is Albania's Mehmet-Shehu. Good field, no hit. George "Daffy" Dej is the Bulgarian - you should forgive the expression - right fielder. Quiet on and off the field, Dej is expert at the sacrifice. He has sacrificed many minor leaguers.

In center field is the Chinese star, Mao-Tse-Tung. Mao is not a steady ballplayer. He's very unreliable and sometimes he thinks he's manager of the team. Sometimes Khrushchev thinks he is, too.

"Zeke" Zhivkov has been in left field ever since "Winkletoes" Tito decided he wanted to leave the team to be an umpire. Zhivkov, a Rumanian is a steady, reliable ballplayer. Khrush has never caught him breaking training rules.

Catching Khrushchev is Wally Ulbricht. Ulbricht has never called a signal yet, but he's a solid backstop. He's at his best in blocking the plate against baserunners.

Umpiring, of course, is "Doggie" Hammarskjold. Next week, Jack Kennedy and his All-American.

EDITORIAL

Watch Out for the Bikes

The ever growing increase in the child population of West Birchwood demands the vigilance of parents in seeing to it that young bicycle and tricycle riders stay off the streets.

The younger children have little or no awareness of traffic hazards, and some of our juvenile grownups drive as if our streets are expressways. The older children ride bicycles at night without lights or reflective devices. Parents should check their children's bikes for safety's sake.

Please slow down and watch out for the kids. Remember, the life you save may be very close to you.

Two Soldiers End Training

Army Privates Kenneth R. Muller, 20, and William C. McLaughlin 20, of Hicksville, completed the eight-week line-man course at The Southeastern Signal School, Fort Gordon, Ga., June 30. They were trained to construct and maintain field communication systems.

Muller, whose wife, Barbara, lives at 27 Preston Lane, is the son of Mr. and Mrs. Raymond J. Muller, 15 Charles st. McLaughlin is the son of Mr. and Mrs. James A. McLaughlin, 72 Myers ave. The 1959 Hicksville High School graduates.

Membership Tea

Sisterhood of Temple Beth El-him, Old Bethpage, announces its first Membership Tea of the season to be held at the Temple, Round Swamp Road, Old Bethpage, on Monday, August 14th at 8:30 p.m. All women interested in learning more about Reform Judaism are invited to attend.

DR. WALTER H. DUNBAR, centre, of Jerusalem Ave., Hicksville, is the newly elected and installed President of the Nassau County Chiropractic Assoc. He is being congratulated by Walter Savatzky, president of the American Bureau of Chiropractic Auxiliary and publicity chairman Mrs. Joan Frisa. Dr. Dunbar asserted that "the persistent back trouble of President Kennedy and that of the late film star Jeff Chandler, point out the need for more public awareness of the benefits of chiropractic treatment." Twinlawn Neighbors Wed

Miss Patricia Jones, daughter of Mr. and Mrs. Francis Mulligan of 47 Twinlawn Ave., Hicksville became the bride of Emil Orlando, Jr., son of Mr. and Mrs. Emil Orlando, Sr. of 54 Twinlawn Ave. on Saturday, July 15th, at St. Ignatius R.C. Church.
The bride wore a white silk organza and lace gown with a bouffant skirt. Her fingertip veil was attached to a pearl and lace crown and she carried a bouquet of phalaenopsis and stephanotis.

Miss Mary Orlando, sister of the groom, was maid of honor. Bridesmaids were Miss Doris Orlando, Mrs. Patricia Roberts, and the Misses Patricia and Carol Finamore. The maid of honor wore blue organza and the bridesmaids wore pastel shades of pink, yellow, orchid and green. They carried baskets of multi-colored flowers.
Best man was Donald Kloenne and ushers were Richard Erdmann, Joseph Vieira, Jack Roberts and Douglas Jones.
The brides mother wore a blue lace dress with matching accessories. Mother of the groom wore an aqua gown with matching accessories.
After a reception for 130 relatives and friends, held at Leonard's Meadowbrook Restaurant, Jericho, the couple left for a wedding trip to Miami, Fla.

AFRICAN REPORT: Operation Crossroads

by KEN FORAN

Once out of Accra, Ghana takes a different dress. Western ways and amenities soon disappear. The new place that was Accra is now a dream no less distant than the United States. As Americans, I suppose that most readers are familiar with do-it-yourself. Here in Ghana there is a parallel; it is called "self-help". While we may argue Conservative vs. Liberal, whether we should let government or individual provide, can be thankful that at least a government is able to provide. Ghana, a strikingly undeveloped, newly emerged (1957) African state, the government is unable to provide street drains, telephones, piped water, post offices or court houses. As President Nkrumah has said, "self help is the key to Ghana's future". The central government provides some help in form of advice and occasionally in loan of simple tools. When anything must be imported tools, hammers and even nails some precious. On paper, self-help is very appealing, but in the field or, as the Africans would say, in the bush, another story to be told; and that answers the question of what I am doing in Africa.

When Ghana was still the British colony of the Gold Coast, the white saw the white shirt, stiff collared Englishman, who as the Africans "massah" (master) directed his work and to a great extent his life. With the English leadership has been lacking outside of the cities, villages are either gotten progressively worse or remain in a four year state of confusion. In short, help come from outside of Ghana. The Ghanaians don't care where it comes from the East from the West Good wishes, moral support, even serious concern is useless; positive constructive action must be linked with leadership to show the ideals that the Americans stand for. Those who are aware that there are Ghanaians who have college education and special skills may imagine the roll of leader in his continent, I must answer this way. First, the British left the impression that education exempts one from manual labor. We, as Americans have different ideas and consequently a different country and people.

All of us on Operation Crossroads are college students and are attending graduate schools. Because we roll up our sleeves and begin to work, our counterparts are question their roles as leaders in the development of their own continent. And, the African is not used to seeing orders from a member of his own race. White men have always been the leaders here. One says that we are training our own leaders, because we are leaders, letting them choose the project, and the schedule. Here are gaining a dignity is rightfully theirs. The International Voluntary Work Camp of Ghana has chosen construction of a two room primary school in Nkwatia for project. But far are we from being on the project alone for, a part of the world, Americans are rare. (For some children, I the first white man that they ever seen). Every morning a group of African women walk with a pile, dish pan on head, baby back, to the project. In order to carry sand, water and dirt. They are continually im-

pressed that Ghanaians are in charge; more than once, I have been asked why I do not take my "proper position". I think, I spend as much time answering "whys" about the United States as I do working.

We must distinguish ourselves in Africa, as Americans, because the Ghanaians are likely to confuse all white men as the same, just as, unfortunately, many Americans fail to distinguish a Nigerian from a Ghananian. Each has a culture that is all his own and each has its values; just think of the differences between the English and the American, or even a New Yorker and a New Englander. Unlike the European, though, the African has a feeling for all Africa. I've asked, perhaps 20 Ghanaians if, a Ghananian or an African. Nineteen times the answer has been African. Because Ghana is to produce leaders for all of Africa, and that is part of my mission. I consider the small village of Nkwatia, one of the most important villages in the world; it is the testing ground for the new Africa.

FISH TALK

It is very rare that a fluke comes in on the North Shore but this year there have been some. Perhaps it was from the dredging they were doing there.

BOAT FISHING

When you fish from your boat for a flounder, a good way to find a good spot for them is to put your anchor down and then immediately pull it up. If there is good black mud on it you have found a good spot.

Open House At Library

On Thursday, Aug. 3 at 3:00 p.m., the Children's Room of the Hicksville Public Library will hold the annual Open House Exhibition of the Summer Art Classes, conducted by Mrs. Emmy Lipschitz-Krass. The public is invited to attend. Children who participated in the activity are from five to twelve years of age.

Friday, Aug. 11 at 3:00 p.m., certificates will be presented to the children who have read the required books for the Summer Reading Club. This year's theme was the Civil War, and the Library took the children to the New York Historical Society Museum on July 25 to see the special Civil War Exhibit and a very fine film on the same subject.

Nationals Take All-Star Game 3-1

The Hicksville International Little League All-Stars were eliminated from All-Star Competition on Friday evening when the Hicksville National All-Stars beat them, 3 to 1, at Abe Levitt Field in the first round of competition. Mgr. Joe Terebest and Coach Sam Bergholtz, undecided almost up to game time as to who would be their starting pitcher, finally sent Tommy Terebest to the mound after warning up Tommy and Bruce Simmons. Mgr. John McCormack and Coach Herb Thogode of the National League sent their strong righty, Jim Flynn to do the chores for their team.

With the exception of a home run over the right center field fence by the National's third baseman Bammon in the second inning, both pitchers were in control of the game through the fourth inning. In the bottom of the fifth, Frank LaFrance, who had played an excellent game at short for the Internationals led off with a single through second for the first hit of the game by his team. Saman followed with a double down the third base line sending LaFrance to third. Jim Flynn tightened up at this point and struck out the

next two men but walked Simmons to load up the bases. Tom Terebest with a chance to win his own game then came through with a single over the middle to score one run to tie up the game at one run apiece. If it were not for a fine defensive play by the National League second baseman Sabatino, the Internationals would have had two runs on this hit. Sabatino managed to get his glove on the ball before it went to the outfield thereby preventing Saman from scoring from second. Jim Bergholtz popped to the same second baseman to end the scoring threat.

In the top of the sixth, LaFrance bobbled a grounder from Sabatino for the first error of the game. Terebest then fed the National's big catcher Thogode a fat pitch who promptly deposited the ball over the right field fence for a two run homer, a two run lead and the ball game.

Abe Levitt field where the Hicksville National Little League play all their games was in excellent condition after a torrential down-pour forced postponement of the game from Thursday. It is an unhappy circumstance that the International Little League do

not have equal facilities to play ball. This Abe Levitt Field is in beautiful condition and offers fine facilities to the Little Leaguers.

While the International League is appreciative of the fact that the Hicksville School Board allows their teams to play ball on the Lee Ave. and East St. School Fields, nevertheless the fields at these schools are in extremely poor condition and while making no excuses for our boys, these fields often cause the loss of game due to the poor condition of the infield and the unkept condition of the outfield grass. It seems to this writer that enough money has been allocated for the upkeep of our school fields.

Rec Dramatic Groups on Stage

Hicksville Recreation's two dramatic groups will present productions during the last week of the summer playground season. On Monday evening, Aug. 7th, Hicksville Recreation Jr. Theatre will present a three act opera "The Gallant Tailor", a better known as "Seven At One Blow". The cast includes between 50 and 75 grade school children who have been practicing throughout the summer playground period. Directing the opera will be William Coleke, who is assisted by Beverly Ahlsen and Jeanette Christ. The production will be held at the Hicksville Junior High School starting at 8:15 P.M.

Tuesday evening, Aug. 8th at 8:15 P.M. the Hicksville Recreation Teen Theatre will present three one-act plays. The plays will cover three different types of dramatic entertainment. A satirical pantomime called "The Fuchsia Inspector's Daughter" a thriller entitled "The Mankie Paw" and "Her Fair Beauty" a comedy melodrama. These plays are under the able direction of William Coleke assisted by Denise Sepanski, Linda Mox and Dolores Varier.

Twin Champs For Minor B Div

The Minor "B" Division of Hicksville International Little League has two champions this year: South Broadway Gravel in the first half and The Lions in the second half. In the final scheduled game of the season, South Bdway Carvel edged out the strong Paragon Oil team 9-8 behind the combined pitching of Bob Catalano and Mike Wagner. Carvel broke ahead in the first inning with two runs but Paragon came back in the second and scored three runs on two hits. Carvel then again went ahead in the 4th, and Paragon scored within one run but good defense on the part of Carvel for the balance of the game held this lead. Jonathan Tiller and Stephen Dutsch led their teams respectively in the hitting department.

By Paragon losing this game enables the Lions to tie with them for first place in the second half. A one game playoff has been decided upon for the second half championship. Meanwhile, Carvel already the winner of the first half is sitting back waiting to take on the winner to decide the Championship of Minor "B" Division. A slugging 23 hit game between the Lions and Paragon Oil for the second half championship found the Lions taking the oilmen 15-11. The Lions got 12 hits for 15 runs while Paragon made each hit count for a run. In the top of the first inning the Lions put over 5 runs and Paragon came back in the bottom half with 2. The Lions with another in the second and then Paragon scoring 4 in the third. Paragon then went scoreless in the 4th and 5th while the Lions picked up 3 runs to make the score 9-5. In the sixth inning the fireworks started. The Lions picked up two more runs making it seem like a good lead for a win, however, Paragon refusing to yield broke loose with

C.Y.O. Teams Split Pair of Thrillers

The overflow crowd that braved the stifling heat on Sunday, July 23, to witness the two undefeated teams in the C.Y.O. Junior Division was rewarded by a pair of sensational games at Hicksville High School Field as St. Ignatius played host to their neighbors from Holy Family.

After St. Ignatius eked out a 1-0 victory in the opener that had Coaches Dentel and Strassberger talking to themselves the several hundred persons in attendance were treated to a nightcap which caused many Hicksvillians to wake up with a Monday morning hangover. The curtain raiser was all the experts predicted it to be. Billy Sherrock Holmes was in

search of his fourth straight win in opposing Ray Strassberger looking for victory number five.

The Blue and Gold drew first blood in the very first inning. After George Revis reached first on the only miscue of the game Skippy Rorkamp blasted a long hit to center field. Running like a Colt he wound up at third to end the hitting for St. Ignatius and the scoring for the day. After the first inning Holmes held the Ignatians at bay. However, he had his match in Ray Strassberger and young men should not play with matches—especially the Strassberger brand. The single run was more than enough for the cool

right hander who, although allowed six hits, kept the opposition from scoring. He ended up the game by striking out the side in the seventh inning.

Although players and spectators were limp and exhausted after the opener, the two teams entertained with a nine inning thriller in the second game. Joey Bocuzzi took the mound for Holy Family while Ralph Dentel called upon Bullet Pete Martin to wrap up the championship for the Saints. Holy Family scored once in the first inning but St. Ignatius jumped on Snooks Bocuzzi in the second when they scored three times. They scored another run in the third

to take what looked like a commanding lead as Pete continued to throw his bullets past the Holy Family batters. However, Bullet petered out in the fifth and Holy Family scored a trio of runs to knot the score at 4-4. From then on Tom Douglas was swallowing his tranquilizers like life savers. Billy Holmes returned to the mound for Holy Family and pitched merrily for the remainder of the game. Neither team scored in the sixth and seventh innings to send the game into extra innings. Holy Family scored in the top of eighth but St. Ignatius rallied to tie the score in their own half. In the top of the ninth Holy Family scored the leading and winning run.

Spectators who were treated to five hours of fine baseball were agreed that the two games should have been divided, with Strassberger and Holmes each taking credit for a much deserved victory. Despite the torrid temperatures and the heat of the competition both teams displayed a sportsmanship that are a credit to their coaches and the parishes they represent. The regular season for St. Ignatius

is completed. Holy Family must play Our Lady of Good Counsel of Roseton. The Counsellors have a lady who could spell trouble for Fr. O'Don's pennant seeker.

BANTAMS PLAY FOR CHAMPIONSHIP

Word has leaked out from behind baseball's iron curtain that The St. Ignatius Bantam team, sectional winners of Section Three, traveled to Belmont on July 22 to meet the winners of Section Two, St. Raymond of Lynbrook. The Ignatians outdistanced the Lynbrookers by a score of 5-3, in an exceptionally well played game for the twelve-year olds. They will play on Saturday, July 29th for the Diocesan Championship.

GRAMMARS AWAIT PLAY-OFFS

Duch Schneiders undefeated Grammar School team is anxiously awaiting the outcome of other sectional contests to determine their opponents. St. Ignatius has high hopes of sweeping three Diocesan championships in baseball.

BRIDGEHAMPTON 2.85-mile auto racing track, out near Montauk Point, will be the scene of the largest sports car racing program of the year on Aug 5 and 6. In addition to the national championship meeting, transferred from Montgomery, NY, the plant has secured the Vanderbilt Cup contest for Formula Juniors.

raised. Under the village law which dates back to the 1800s and has not been revised in regard to new incorporations in many, many years permits no higher hearing or appeal than the County Court.

And so the mighty effort, with many side ramifications, died. Hicksville's assessed valuation has continued to increase, year after year. Today it exceeds \$90 million and a petition to bring the question to a vote now would require signatures representing \$30 million or more.

If incorporated as a village, with the possibility of advancing to city status, Hicksville would today be one of the largest in the state with a population exceeding 50,000 persons.

Some die-hards of the old Home Rule Committee wisely reflect today on the question that never was answered: would the community have voted approval to incorporation or not? The vote was never taken.
