**SILVER BEAVER**, Scouting's highest award given to a volunteer in recognition of outstanding services to boyhood was presented to Jack Landress, Arrowhead District Scouting Commissioner at the Nassau County Council, Boy Scouts of America Annual Fellowship Barbecue held at the Harkness Training Center on Saturday, Sept. 23. From left to right: Town Supervisor John J. Burns, President of the Nassau County Council, making the award presentation; Mrs. Landress, and Jack Landress receiving the award from the Council. Mr. and Mrs. Landress reside at 8 Glenbrook Rd., Hicksville.

## Landress Became Scout in 1927

Jack Landress became a Boy Scout in Troop 17, Brooklyn in 1927. He advanced to Eagle Scout and in 1932 was selected to be one of the four Eagle Scouts serving as a guard of honor at the inauguration of President Franklin D. Roosevelt. Moving to Nassau County was just a matter of transferring Scouting affiliations. He has served as Scoutmaster, Troop Committeeman, Cubmaster, District Vice Chairman and is currently doing an outstanding job as Commissioner of the Arrowhead District.

Jack has been awarded the 30 year Veteran Award, Scoutmaster Key and Wood Badge Honors. He believes strongly in the importance of good leadership training and has made very significant contributions in this area. His Temple and Community have strongly benefited from Jack's leadership capacity. He has assisted in organizing community YMHA's, been active in leadership of Hicksville Jewish Center, Civil Defense and the Parent Teachers Association.

## Comets Star on TV Despite Score

Hicksville High School opened its gridiron season against Chamaine, Saturday, and in addition to a record crowd of over 3500 fans tens of thousands followed the spectacular game over television. It was the TV Game of the Week broadcast live from the high school football field over Channel 11, WPIX.

Coverage of the event was complete, including the mid-game presentation by various high school departments and musical groups. The band put on a musical type-writer which ticked off "Welcome Alumni" for their annual homecoming.

Marty Glickman, an all-city halfback at James Madison High before going on to Olympic fame at Syracuse and Vic Obeck, NYU athletic director, did an excellent job in handling the microphone. Marty gave full credit to Hicksville school officials for their cooperation and Vic interviewed High School Principal Leon Galloway on the field at half-time.

Hicksville was defeated 28-7 by the powerful, heavy Flyers, but even in defeat won plaudits with spectacular runs made by speedy Chris Colette. (See Joe Koerner's column. Around the District, on

Marty Glickman Vic Obeck

page 11 for other details on the game.)

Earl Kirmser, fullback and three-year veteran of Chamaine, lived up to pre-season raves by scoring three touchdowns and a extra point on a run. The Flyers scored in every period while the Hicksville tally and extra point came in the second quarter.

Hicksville High plays host this Saturday to Island Trees.

The publicity department of WPIX finally got around to reporting the scheduled telecast in a press release dated Sept. 20 but received by the HERALD the day of the game. The daily News finally reported the scheduled broadcasts over WPIX last Sun-

day, the day after the inaugural at Hicksville. It had previously been reported in other New York papers.

The weekly Saturday game-series over WPIX features "outstanding high school football teams" representing New York City, Long Island, Westchester and New Jersey. This Saturday's program features Staten Island vs DeWitt Clinton at James Monroe High School Field, the Bronx.

## Health Station Set for Area

The Nassau County Health Dept. this week announced that the Board of Supervisors has authorized the purchase of land with a building in Plainview on Old Country Rd. as a site for a health station. A picture published in the Sept. 20 issue of Nassau Health, periodical of the Health Dept., shows a structure to be occupied in 1961. No address is given except Old Country Rd.

Troy Lawrence is the son of Mr. and Mrs. John Manke of 30 Clodster Lane, Hicksville, born Sept 13 at Mercy Hospital.

## Kiwanis Sponsors Hobby Show:

**HOBBY SHOW** for boys and girls in grades 5 thru 9 was sponsored by Hicksville Kiwanis Club at Hicksville Junior High School on Saturday, Sept. 23. Prizes were awarded but no list was available at publication time. Members of Kiwanis Club in the rear, from left, included Joseph Madden, John Staryk, Fred Sutter, Albert Heuer, Carl Grunewald and Charles Montana. (Photo by Frank Mallett)

## State Gets Bids Next Thursday On Hicksville RR Eliminations

The "second-last" step toward the elimination of Hicksville's seven rail road grade crossing is scheduled to take place in Albany next Thursday morning, Oct. 5. The State Dept of Public Works will open bids on the ten-million plus dollar project. The last step, before construction starts, will be the formal award of contract after the bids have been analyzed.

There are various opinions as to how long the project has taken to reach this point. According to some longtime residents, there was talk about elimination as long ago as 40 years or more. Certainly 20 years ago, when Floral Park's project was under serious consideration in an earlier phase, there was lively consideration of the proposal. The Hicksville Chamber of Commerce of that day, led by the late Dr. Elwood A. Curtis, had speakers on whether the tracks would be raised above ground level or lowered.

Today the Floral Park elimination is well under way. Construction was delayed for a time recently by the strike of truck drivers.

The Hicksville R.R. elimination took a long forward step about eight years ago when John J. Burns of Sea Cliff, today Town Supervisor, was a member of the New

York State Assembly. He sponsored the bill, with the encouragement of Hicksville civic and community leaders, to have the Hicksville program advanced from the list of projects "to be done sometime" to those "to be done as soon as possible".

The present-day Hicksville Chamber of Commerce under the leadership of Pat Caputo, Albert Shackner and Malcolm Pierce, then presidents, helped to encourage the State Public Service Commission to progress the program and to order the project to be undertaken. Michael J. Sullivan, then Town Attorney, contributed mightily to this advancement.

After the PSC ordered that the work be progressed, the State E.P.W. engaged a private engineering firm to draw up the detailed plans and specifications. Working closely with the Town of Oyster Bay, this step advanced the work by many months.

In August of this year the PSC, after further hearings and considerations, approved the plans as developed and the job went to the Dept of Public Works for its final

blessing. This will finally be achieved and the call for making bids on Oct. 5 has been published.

In the meantime, about two years ago, various people under the leadership of Aaron Rochman and the Chamber of Commerce collected a mighty petition with over 16,000 signatures which was presented to Gov. Nelson A. Rockefeller calling for early advancement of the project.

As a result and coincidentally, the Governor has included in the State Budget for the past couple of years the \$13 million dollars estimated as the final total cost of the project.

During the interval, Assemblyman Edwin J. Fehrenbach and State Senator Henry M. Curran have contributed their efforts in Albany to keep the job moving forward. When completed, it will be the largest elimination program in the state, embracing a total of seven present-day grade crossings.

Mr. and Mrs. John Chewens Jr. 32 Bradford Lane, Bethpage, became the parents of a son, Michael Joseph, at Mercy Hospital, Hicksville Centre on Sept. 13.

## DISTRICT COURT JUDGE

LOUIS SCHLUZ, centre, of Hicksville was guest of honor at a dinner-dance at the Old Country Manor given by the Lawyers Committee for the Democratic candidate for District Court Judge. More than 300 attended, including Supreme Court Justices Mario Pittoni, at left, and Joseph Suzzal right.

## Fall Meeting for Guild Oct 10

### GOLDEN WEDDING

Mr. and Mrs. Vincent Salemi, 146 Central Park Rd. Plainview, celebrated their 50th wedding anniversary on Tuesday, Sept. 26th, with a family party at the Roman Garden's in Plainview. The party was given by their family, Mr. and Mrs. Frank Salemi, Mr. and Mrs. Joseph Crupi and Mr. and Mrs. L. Gentile. The Salemi's have 10 grandchildren.  
Mr. Salemi is director of street lighting for the Town of Oyster Bay.

ALBERT H. BARLOW, 63 Woodbury Way, Syoset, has been promoted to assistant vice president by the Chase Manhattan Bank, New York. Barlow, who joined the bank in 1927, is in the personnel administration department at the head office in Manhattan. He was appointed an assistant treasurer in 1957.

He is a member of the New York Personnel Management Assoc. and L.I. Personnel Directors Assoc. He is a past commander of Charles Wagner Post of the American Legion in Hicksville.

## Dear Jean..

Hurricane Esther brought hundreds of wistly trees tumbling and crashing to the ground in the mid-island area. Probably nowhere was this felt more keenly than along West Marie St., Hicksville, which for a decade has taken great pride in its tree-lined street. It will never be the same..... Hicksville Republicans will have their secret weapon vehicle on the highways, probably within a week. Volunteers have put days and weeks into preparations and, based upon a secret preview, it will definitely attract attention..... We notice that the number of tenant stores at Mid Island Plaza has now climbed to 78 (it never reached the advertised 88), we wonder if the court will reverse its previous ruling and re-instate the Plaza assessment. The plea for a reduction (which is still being fought in the courts) was based in large part upon the fact that the number of tenants at the Plaza had not reached the anticipated and planned total.....

Hicksville School Recreation Director JOSEPH MADDEN will be in Detroit, Mich., Oct. 1 thru 5, attending the National Recreation Assoc. convention. CHET JAWORSKI, Physical Education Dept. head, was in Albany this week for the state physical fitness program. DONALD F. ART, School Superintendent, expects to be present for the Superintendent's Conference at Saratoga, N.Y., this weekend.....

We hear that RICHARD TRILSCH of Fire Co. No. 2 of the Hicksville Fire Dept. was host at a gala surprise party for the fire dept. racing team for their victory in the latest triathlon at the recent Fireport tournament. The affair was held at the home of JAMES TANTER Sunday evening. All attending really enjoyed themselves.... Our sincere congratulations and best wishes to newly engaged couples - Miss GERALDINE LARKIN of Bayville to Arthur H. Black of Bethpage; Miss STACY BELYSKI of Glen Cove to Bruce Menach of Hicksville; Miss BRENDAN EICHNER of Jericho to Stuart Fisher of Levittown; Miss CAROLINE SISIA of Bethpage to Gennaro Garbieri of Seaford; Miss CAROLYN HUCKSTEIN of West St., Hicksville to Gunther Plate of Bethpage; Miss ROBERTA BARBARITE of Hicksville to Seaman 1/c Robert J. Florio, USN of Hicksville and Miss BARBARA KIENING of Bethpage to Gerard Harris of Rego Park.... Our sincere sympathy to HERB STONE of Glen Cove on the recent death of his brother....

Our very best get well wishes to CHAS. KLEWANSKI of Field Ave., Hicksville, who is still seriously ill. A longtime friend of ours, we wish him the best of everything..... Also get well wishes to Miss CLARA KELLER of Harding Ave. who is not feeling herself these days.... We must compliment ED TEVERNI and his associates at the Cosmopolitan Beauty Salon, W. Marie St., for their courteous and efficient help when we visit them.....

Our belated greetings (much belated we will say) to MRS. FRANK MALLETT on her birthday. We didn't forget it but it got lost somewhere along the line. We love you Jeanette and many more happy birthdays..... We had the grandest time at the SCOTTI-NOETH wedding on Saturday and our friend RUDY BELUS really cut-did himself to make the reception a good homey affair. Daddy's Little Girl, Lynda was a beautiful bride and we at the office were very proud of her with her wedding party and of the good time we all had.... We understand the GROSSO - STRONG wedding which followed Lynda's was a beautiful affair too (we didn't have time to say for it) We wish these four young people all the good health and happiness in the world..... Belated birthday greetings to JOE KELLER of Bethpage Rd. who celebrated on Sunday, Sept. 24th.... Our apologies the Hicksville Women's Club, - their new treasurer is MRS. WILLIAM GILLIGAN, not Mrs. Joseph Gilligan.... Our get well wishes to PHIL CARMODY of Harrison Ave., who is convalescing at home, after being hit by a car several weeks ago. We sincerely hope you will be up and around again - noon Phil.... Hear that our friend, BILL GIANNELLI of Bay Ave. is feeling a little better these days. Hope so, we miss the old boy.... Anyone looking for a part time job? See JOE ESATTO, Hicksville Farms, Woodbury Rd. He is looking for a young lady or gentleman to help out at the store....

ROGER MARIS, the Yankee slugger who this week broke the 6-home run record, is supposed to be at Mid Island Plaza tonight (Thurs.) at 7 PM. With him will be ED "Whitey" BORD and JOHNNY BLANCHARD taking part in the Hicksville Baseball Assoc. "All-Star Team Player" award program.... ALBERT C. PANEBIANCO, son of Mr. and Mrs. Albert J. Panebianco of 79 Spruce St., Hicksville, is home on leave after finishing Naval training at Great Lakes.... JACK H. SCOTT of New England Mutual Life Insurance Co. of 20 Jerusalem Ave., Hicksville, was awarded the coveted Chartered Life Underwriter designation at the National Conference Exercise of the American College of Life Underwriters at Denver yesterday (Wed.).... DANE CELESTE ANNUCCI of 10 Lenox Ave., Hicksville, is among 17 Hofstra College students awarded scholarships for the current year.... Better get your driver license renewed by Saturday if it expires this year.... Two Hicksville girls, LINDA L. ARMSTRONG of 186 Park Ave and BEVERLY J. BICCIONE of 9 Elm St. are among 790 candidates in the state who successfully completed the latest examination for practical nursing, according to State Education Dept. at Albany.... WALTER BECKER of 21 Library Lane, Plainview, who is an instructor at the State University is Farmingdale has been promoted to the rank of Assistant Professor....

### HOME ON LEAVE

Arnold Horowitz, Fireman Apprentice, USN, son of Mr. and Mrs. Alexander Horowitz of 30 Spector Lane, Plainview is currently spending a 14 day leave with his parents. Arnold has just completed nine weeks of Recruit Train-

ing, Great Lakes, Illinois. Fireman Horowitz has been assigned to the U.S.S. Vulcan (AR 15) a repair ship out of Norfolk, Virginia. Arnold hopes to make a cruise to the Mediterranean in the near future.  
Arnold enlisted at 67 N. Broadway, Hicksville.

### PROFILES in PROGRESS

As a Fearless Prosecutor and a former District Court Judge, Maning term is eminently qualified to succeed himself as Nassau County District Attorney.

At an age when most men have set the pattern for their vacation, Levine went back to school. He left the security of being a small town shopkeeper to earn a diploma at Fort Washington High School. From there he went on to St. John's University where he earned his law degree.

He gained a national reputation as a prosecutor who kept the racketeers out of the suburbs. His real test came when he was elected to succeed his father as Nassau County District Attorney.

He is a director of the Nassau County Bar Association. Former chairman of the Bar Association's Government and Intellectual Property Committee. He served as the board of directors of St. John's Law School Alumni Association. Many times he has been instrumental in civic, philanthropic and religious organizations.

### New Med Care On Local Level

The January 1962 New March of Dimes will support a bold new medical care program bringing expert care for birth defects and arthritis victims to the community level. William E. Buchman, Chapter Chairman of the Southeast Nassau County Chapter said today after returning from a meeting of volunteer leaders of The National Foundation at New York City.

Abraham A. Ribicoff, Secretary of the U.S. Department of Health, Education and Welfare, was the featured speaker at the two-day meeting.

Buchman said that the slogan for the January drive is "Your Dimes Will Do It Again."

"We are not content to rest on our laurels," he said. "Birth defects account for significant abnormalities in one of every 16 babies born. Arthritis cripples nearly one-third of a million Americans so severely they cannot work or function normally. Victims of these crippling need the kind of help March of Dimes volunteers know how to provide."

### Trains Overseas

Army 1st Lt. Thomas Klemenko, son of Mr. and Mrs. Trozim Klemenko, 114 Woodbury Rd., Hicksville, recently participated with other personnel from the 3d Armored Division's 32d Armor in a four-week field training exercise in Grafenwohr, Germany. Lieut. Klemenko, a platoon leader in the armor's company C which is regularly located in Friedberg, entered the Army in January 1960 and was last stationed at Fort Knox, Ky.

The 23-year-old officer was graduated from Hicksville High School in 1955.

## 5th Graders Show Talents

Sixteen Sixth Graders from the Fork Lane Elementary School of Hicksville demonstrated their creative ability and literary talent last Spring by completing manuscripts in "professional style."

The "budding authors" wrote about the Space Age, historical events, hobbies, gangs, mystery and life adventures, after discussing the work of authors and publishers in class.

Pupils submitting their manuscripts to their teacher, Mr. Martin Schneider, were James Bennett ("The World I Left Behind"); Madeline Chaber ("That's My Brother, Pete"); Sanford Gold ("The Secret Papers"); Richard Goodman ("Your Handbook to Stamps"); Barry Kotling ("Soldier of the Union"); Peter Kreisner ("Gem of the Ocean"); Kenneth Laremore ("Zero Hour"); Beth Lewis ("Ravens, Count Me Out"); Jeffrey Littman ("Civil War Boy"); Steven Morris ("Life"); Brian O'Leary ("Moment of Glory"); Linda Rahm ("Errand of Mercy"); Patricia Rhodes ("Mischievous Bundle of Joy"); Theodore Sedor ("The Best in Sports"); Kathy Specht ("Dory and Me"); Cynthia Trecartin ("Wagon Wheels").

## Johnson Heads Baseball Assoc

Ken Johnson is the new president of the Hicksville Baseball Assoc. for 1961-62, succeeding Gene Schilling. Other newly elected officers include Bob Muller, vice president; Bill Davey, secretary-treasurer; and directors John McCormack, Peter Arnone and Jess Wagner.

## Miss Noeth Becomes Bride

Photo by Mallett

MR. AND MRS. ANTHONY J. SCOTT

**JULIA KLEIST**  
HICKSVILLE — Mrs. Julia Kleist, (nee Schaefer), of 2 Jolan Ave., died here on Sept. 25th. She was the widow of the late Charles Kleist and is survived by a daughter Henrietta Hagerdorn.

Funeral services were held Wednesday, Sept. 27th, at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville, with the Rev. Howard Hanssmann officiating. Final services will be held today (Thurs.) at the Freshpond Crematory.

OTHER OBITUARIES ON PAGE 10

Miss Lynda Joyce Noeth, daughter of Mr. and Mrs. Fred J. Noeth of Twinlawn Ave., Hicksville, became the bride of Anthony J. Scotti on Saturday afternoon Sept. 23rd at St. Ignatius R.C. Church, Hicksville. The ceremony was performed by the Rev. Edward Shanahan at 4 o'clock. Mr. Scotti is the son of Mr. and Mrs. John Scotti of Franklin Square.

The bride, given in marriage by her father, wore a bouffant gown of white net and lace over taffeta, appliqued with pearls and sequins. Her three-tier finger-tip veil fell from a crown which matched her dress, and she carried white stephons with a purple orchid.

Miss Carole Sepp of New Hyde Park was maid of honor and wore a gown of pink taffeta with a lace over-skirt. Her small pink hat had a short veil and she carried a cascade bouquet of lavender gladiol and mums. The bridesmaids, Miss Maria Lella and Miss Diane Robboken, both of New Hyde Park, and Miss Ann Emping of Hicksville wore gowns similar to

that of the maid of honor only in lavender. They wore purple hats and veils and carried cascade bouquets of purple gladiol and mums.

George Scotti was best man for his brother. Ushers were Arthur Noeth, brother of the bride; Frank Klaus and Fred Greene.

The bride's mother wore a blue dress with royal accessories and a white orchid tipped with blue. The groom's mother wore tan with brown accessories and a white orchid tipped with brown.

A reception for more than 200 guests was held at the new Hicksville Knights of Columbus Hall. The couple left on a wedding trip to Cape Cod and upon their return will reside in Farmingdale.

Mrs. Scotti is a graduate of St. Ignatius School, Hicksville, Queen of the Rosary Academy for Girls, Amityville, and the Long Island Agricultural and Technical Institute of University of the State of New York. Mr. Scotti, associated with Heinz & Co., is a Korean veteran.

PLANNING PARTIES

The Cradle Roll of Sisterhood of Temple Beth Elohim will hold a Sukoth and Simchas Torah Party for the 4-6 year old children of Sisterhood members on Oct. 1st, at 2:00 p.m. Mrs. Melvin Hammer, Chairman of Cradle Roll, will lead the children in appropriate games, and Rabbi Louis Stein, spiritual leader of the congregation, will explain the meaning of the holiday in terms the youngsters can understand.

CUB MASTER William Murphy of Pack 291, Hicksville, and Mrs. Murphy admire the stage decorations at Testimonial, "This Is Your Night, Mr. Murphy."

## Honor Cubmaster Bill Murphy

By Joseph S. Giordano

William Murphy, Cub Master of Cub Pack 291, Hicksville, was honored at a "THIS IS YOUR NIGHT, MR. MURPHY" testimonial program at the Trinity Lutheran School on Sept. 21.

In spite of the bad weather caused by Hurricane Esther, about 200 past and current Scouters, adult workers, friends, Boy Scouts Cub Scouts, Explorers, Girl Scouts and Brownies turned out for this very special occasion. At the end of the evening, Bill was presented with several plaques and gifts.

Bill Murphy has been so active in various phases of youth work in the community and yet he has no children of his own. For over 13 years, Bill has been a wonderful and devoted leader for Cub Pack 291 and has been admired and respected by all of the boys and adults with whom he has worked. Besides being Cub Master for many years he has been a Merit Badge Counselor since 1950. He has served on the Scout Training Faculty for the past 5 years, has worked on the Annual Scout Drive since 1950, has been in charge of

the Webelos Den for 4 years, and is presently working for his Wood Badge award, having spent 8 days this summer at Schiff, the National Training Reservation in New Jersey.

The Girl Scouts of Trinity acted as hostesses, serving coffee and cake at the close of the evening.

The guest list included the following: Warner Lansing, representing the Arrowhead District; John Hargash, District Scout Executive; Jack Landress, District Commissioner; Pastor Stammel representing Trinity Church; Mr. Engelbrecht, Principal and members of the faculty representing Trinity Lutheran School; Mr. B. Saul, President of the congregation representing the Trinity Lutheran Church Council; Russell Brousseau, VP, representing the sponsoring organization of Pack 291, The Parent Teachers Friends Association; Mrs. Kumlader and Mrs. Mill representing the Girl Scouts and Brownies; and Harry Webster and John Marshall representing Boy Scout Troop and Explorer Post 291.

## Democrats Put Out Leaflet

Edward J. Morris, Acting Leader of the Town of Oyster Bay Democratic Organization, announces the publication and distribution of an eight page leaflet describing the Democratic candidates for various Town posts and explaining some of the issues at stake in this November's election.

Entitled "A Message from Bob MacGregor", the folder contains thumbnail biographies of each candidate and describes the office for which they are running.

"We have found", said Mr. Morris,

that many people are either confused about, or unaware of, the various elective offices in Town Government. This is an unfortunate situation because the operation of our Town Government affects all of us in Oyster Bay directly and personally. In many ways, everyday of the week. Some people would like to have everyone forget about the importance of these local elective offices because they use them as payoffs to political bosses without regard to the officeholder's capabilities."

## Appoint Shuel Coordinator

Jack Shuel has been appointed Coordinator of Vocational Counseling and Placement Services for Plainview-Old Bethpage Central School District. Dr. Robert F. Savitt, superintendent of schools, announced today.

Shuel's appointment, made upon the recommendations of James McKenna, director of pupil Personnel Services, and Dr. Jerome

Bowditch, high school principal, is in line with the "high school" developing program for a comprehensive high school.

Army Pvt. Stanley E. Navesky, 17, son of Mr. and Mrs. Stanley Navesky, 141 Scooter Lane, Hicksville, recently arrived in Germany and is now assigned to the 3rd Armored Division.

NOTE: I would like to thank all those who cheerfully responded to my first article. I would also like to make mention of the fact that my purpose in writing such an article was not to denounce the Civic Assoc. in any way. I feel it would be worthwhile for the teenagers of the area to know that the Civic Assoc. does have a Youth Group that meets on Monday, Wednesday, and Friday during the months that school is in session. It is open to all students in grades seven through twelve, but at the present the majority of those who have taken

## Residents Meet To Map Fight

The Jericho Firehouse was the scene of an excitement-filled meeting on Thursday, Sept. 20th. Over 50 people involved in the fight against a variance which would allow the Floyd Bennett Stores to construct two huge tower signs, met to decide what their stand would be at the Town hearing. Daniel Sirota was selected to be the spokesman for the perimeter families. Many opinions were expressed against any compromise in the original opposition to the tower signs. Mr. Sirota stated that the decision of the group was to oppose any tower signs beyond the legal limit permitted by the laws of the Town of Oyster Bay and to show up at the next meeting of the Zoning Board of Appeals in full strength. The store and the Zoning Board must be aware that we are not indifferent and that we are willing to fight.

## Villager Editor Wins 3rd Award

David Mark, current VILLAGER editor, was advised recently that the Jericho Trumpeter was awarded first prize in the printed division of this year's National B'nai B'rith Bulletin Contest, sponsored by the National Jewish Monthly. During Mr. Mark's tenure as editor of the Trumpeter, the B'nai B'rith publication had also received a second prize award in the Metropolitan Star Contest and third prize in the B'nai B'rith District Contest.

## McGurk Resigns As President

by Horace Bernstein

Central School District #2 announces that William H. McGurk resigned on Monday Sept. 18, as President of the Board of Education of the District.

Russell R. Roetger was elected unanimously by the Board as President to succeed Mr. McGurk who will continue as Trustee.

In part, Mr. McGurk's letter of resignation to the Board read, "However, my business responsibilities and commitments have multiplied so rapidly in the past year that I now find it absolutely impossible to devote the tremendous amount of time required of the President for preparation, study, review, and conferences over and above regular and special Board meetings."

Mr. Roetger, who was elected to the Board in May of 1958, succeeds McGurk, as the centralized District's fourth president. He has been instrumental in formulating the District's educational philosophy.

Interest has been in the Junior High group. If enough interest is taken by those students in the High School the results would most probably be advantages to all concerned. There is dancing, ping pong, pool and basketball offered; so rather than push this idea aside, come down one evening, not only to give the group a chance to prove itself but yourself a chance to have a good time. For more information you can contact me at OV 1-0318 or the Youth Director, Mr. Melnick, at OV 1-1179. Thank You.

## Jericho vs Floyd Bennett

On Thursday Sept. 7 at Town Hall in Oyster Bay, the Zoning Board of Appeals called for an adjournment of the hearing on variances applied for by the Floyd Bennett Stores. The variance application was for two huge tower signs. The hearing was delayed in order to permit an "on-the-spot" observation by the Board. Earl Grunewald, Chairman of the Zoning Board of Appeals; M.L. Chittenden, member of the Board; Joseph Glass, of Floyd Bennett Stores, Mr. Spero of the L.I. Neon Co., residents adjacent to the store, Irwin Baunel, George Frankel, Ralph Diamond of the Birchwood Civic Assoc., and representatives of other local Civic Associations met at the site of the store on Saturday, Sept. 16. Other Civic Assoc. representatives were present because of an emergency meeting of the

Jericho Joint Civic Council. It had been decided at this meeting that all Jericho Civic Assoc. would join in the support of our residents in the fight against the application for the variance.

The men who met at the site discussed the problems faced by both the store and our residents. An on the spot observation was made to see if a tower sign of such magnitude was necessary for this giant building. The men climbed to the roof to observe how far such a sign would be visible. Mr. Grunewald then asked all interested parties to attend a continuation of the hearing on Monday, Sept. 25th.

THE VILLAGER expected to bring you the results of that hearing in this issue. However, shortly before we went to press, the meeting was postponed until Tuesday, Sept. 26th.

## There's No Business Like...

by Isabel Davis

Why work at play? Let us examine an ACTOR'S WORKSHOP. It might appear that a community theatre group exists to fulfill a social need; exists to provide an opportunity for frustrated amateur actors to get up on a stage, or exists strictly as a letting out outlet. All of these things are true, but they are not primary. For many people there is a source of far greater satisfaction...people who want to work at play.

For the past two years the Jericho Players have been offering a workshop class. It is given by a professional acting coach. Last year, by Syna from Lee Strasberg's Actors' Studio ran it and he will teach at least one of our classes again this year. He is a brilliant and sensitive teacher with whom it is a privilege to work and other teachers will be of similar calibre.

There are several kinds of people who come to workshop. First, novices, who have done no work in dramatics, who don't know the meaning of upstage, but who are fascinated by the theatre and would like to give it a try. Then there are those who have done a great deal of amateur acting, perhaps even some professional acting. They come for various reasons. One is to brush up, to get back with it. Two, to be given an opportunity to experiment, to try things they have never and perhaps could never do on a stage but can try in a class where there is no reason for embarrassment. Three, and possibly most important, to learn.

Acting is dynamic, changing constantly and even the best actors are continually studying and exploring. This brings us to a third group of people; those who join an acting class as they might an art group or a dance class. They have no desire ever to be in a show, but they find its kind of study stimulating and different. The people involved are fascinated with what they are doing the talk is provocative and areas of intellectual stimulation that have been dormant for years or have never been tapped before come alive. I warn you, before trying to interest you further, that people have trouble falling asleep after workshop evenings. The coffee and cake seems to linger indefinitely because there is so much to say after a class, but tired businessmen and housewives find it difficult to stay away after being exposed; and, perversely, find it relaxing.

What are the mechanics of a

workshop? The first class is usually dedicated to the teaching of a few basic exercises to be used as tools. Everyone is treated the same way and shyness is quickly overcome. After the first class, it is learning to act by acting. Two people work together a couple of times during the week to prepare a scene which they present to the class; two or three of these scenes are presented each week. The class then analyzes what the actors were trying to do and whether or not they have succeeded. The analysis is always on an impersonal, positive and non-competitive basis. The teacher opens further roads of exploration which are applied to future scenes. The class has been working in what is called the METHOD, the method really being a very flexible one, adaptable to various actors' needs and personalities and perhaps most devoted to understanding the character you are portraying by finding some similar area in yourself, relaxing, and using it. The progress made by persons in the class is quite amazing and of course, will lead to a finer acting company for the Jericho Players.

If you are at all interested on any of the levels described, give it a try. There will be as many workshops formed as are needed for people interested. The least it can be is an absorbing experience. Call Betty Goldstein at OV 1-5312 for details.

## Civic Youth Group Active

Plans have been set in motion by the Birchwood Civic Assoc. youth committee to resume its youth program at the Jackson School this forthcoming season. If permission is granted by the School Board for the use of the school facilities, it will mark the fifth season that the youth program will be in operation.

Vivian Scama and Julius Melnick will Co-chairman the youth program. Once again we will have a paid supervisor to conduct the activities of the program. Additional volunteers from all sections of Jericho are warmly welcome to participate with our committee in formulating and supervising the youth activities.

Each year we have expanded our program and hope to accomplish the same this year. The problem of our teenagers will be of paramount interest to our committee. Parents of teenagers are urgently requested to contact our Chairman.

### BETTER LATE

(Continued from Village front page)

### IN WITH MR. RATHJE, OUT WITH VOGUE

Sept. 6 and the grand opening was scheduled for eight thirty, eight thirty in the morning that is. All students in grades seven through twelve were scheduled to be at the High School and they all showed up.

In the High School Seniors shouted, "just ten months to go". Juniors clamored, "oh no chemistry", and sophomores said, "I can't take three more years of this."

In the Junior High it was a different story. Freshmen were delighted to be a part of the High School, the eighth grade was a happy group all around and the new seventh graders were the happiest of all... for awhile that was anyway.

All the seventh graders were dressed quite in style. Their mothers had prepared their schoolday best for the big occasion but to the dismay of both mother and child the youngsters attire did not meet the approval of Mr. Rathje and school rule.

All those new poncho shirts had to be tucked in and the boys were advised that tennis sneakers were to be used for their original purpose.

The knees of the girls were to be covered with becoming skirts and not knee ticklers, although the latest rage.

The youngsters were disappointed with all these rules but they finally realized that if they wanted to be accepted as adults and given adult privileges they must dress like adults too. They barked at Mr. Rathje at first but if you ask any Jericho High School Student today, there isn't a more loved man on the staff.

### CIVICS HEAR CURRAN

The White Birch Civic Assoc. of Jericho will hold a very interesting meeting on Tuesday, Oct. 10, at the Robert Williams School, at 8:30 P.M. State Senator Henry J. Curran will be the guest speaker.

The number of blasts that come from auto horns in a traffic jam is equal to the sum of the squares on the wheels.

LA DOLCE VITA, a haunting fresco of contemporary Roman life, features Anita Ekberg as Sylvia, a glamorous Hollywood star. The critically acclaimed film when it is shown at the Syosset Theatre on Sunday evening, Oct. 29, will assist the new evening program of Bnai Brith. The Jericho Lodge and Chapter has "bought out the house" for the performance. For tickets call Millie Kellman OV 1-1025, Rachael Franklin OV 1-4218, Sam Elgart OV 1-2169 or Marvin Sabes WE 8-8597.

JERICHO CHAPTER of Hadassah was represented at the 11th inaugural Luncheon of the Greater New York Women's Division, State of Israel Bonds, launching the 1961 fall campaign at the Hotel Pierre in New York on Sept. 18. Present from Jericho were Mrs. Diane Eder, Mrs. Charlotte Jacobs, Mrs. Harriet Sauerhoff and chapter president, Mrs. Sheila Winekur. Mrs. Sauerhoff took the above picture of Mrs. Gelda Meir, Israel's minister of foreign affairs, and Mrs. Eleanor Roosevelt. Bond sales at the luncheon amounted to \$112,000.

### Appoint Kassan - General Agent

David Kassan, resident of Birchwood Park at Jericho, has been appointed general agent for the United States Life Insurance Co. Kassan-Dubow Corp has its business office at 750 Hempstead Tpke., Franklin Square.

The Kassan family recently returned from a three-week stay in California.

## Lincoln Home On 14 Days Leave

The Navy Recruiting Station located at 67 North Broadway, Hicksville is pleased to announce the return of Leon Charles Lincoln, SA, USN, from nine weeks of Recruit Training at Great Lakes.

Ill. Seamon Lincoln is presently spending 14 days leave at home with his parents Mr. and Mrs. Leon Homer Lincoln who reside at 8 Winding Road, Hicksville. Upon completion of Leon's leave

he will report to Radioman's Class "A" School at Norfolk, Va. for fourteen weeks.

Chuck was enlisted at this station under the Navy's High School Program which guaranteed him a Naval School at the end of his recruit training.

## Celebrate Anniversary

The Glen Cove-Hicksville Mercy League will celebrate its 20th anniversary with a gala luncheon and meeting on Thurs. Oct. 5th at the Milleridge Inn, Jericho. Mrs. Roland Crowe, first president of the organization, will honor the group by being master of ceremonies.

It was, at the home of Mrs. Crowe that the Glen Cove-Hicksville group held its first meeting on July 14th, 1941.

Mrs. Vince Braun of Hicksville and Mrs. Daniel McGrath of Jericho are in charge of arrangements for the anniversary luncheon.

**TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR!** Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

**PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ).** The Tempest, Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

### BETTER LATE

(Continued from Villager front page)

### IN WITH MR. RATHJE, OUT WITH VOGUE

Sept. 6 and the grand opening was scheduled for eight thirty, eight thirty in the morning that is. All students in grades seven through twelve were scheduled to be at the High School and they all showed up.

In the High School Senior's shouted, "just ten months to go". Juniors clamored, "oh no not chemistry", and sophomores said, "I can't take three more years of this."

In the Junior High it was a different story. Freshmen were delighted to be a part of the High School, the eighth grade was a happy group all around and the new seventh graders were the happiest of all... for awhile that was anyway.

All the seventh graders were dressed quite in style. Their mothers had prepared their schoolday best for the big occasion but to the dismay of both mother and child the youngsters attire did not meet the approval of Mr. Rathje and school rule.

All those new poncho shirts had to be tucked in and the boys were advised that tennis sneakers were to be used for their original purpose.

The knees of the girls were to be covered with becoming skirts and not knee ticklers, although the latest rage.

The youngsters were disappointed with all these rules but they finally realized that if they wanted to be accepted as adults and given adult privileges they must dress like adults too. They barked at Mr. Rathje at first but if you ask any Jericho High School Student today, there isn't a more loved man on the staff.

### CIVICS HEAR CURRAN

The Whitelock Civic Assoc. of Jericho will hold a very interesting meeting on Tuesday, Oct. 10, at the Robert Williams School, at 8:30 P.M. State Senator Henry J. Curran will be the guest speaker.

The number of blasts that come from auto horns in a traffic jam is equal to the sum of the squares on the wheels.

LA DOLCE VITA, a haunting fresco of contemporary Roman life, features Anita Ekberg as Sylvia, a glamorous Hollywood star. The critically acclaimed film when it is shown at the Syroset Theatre on Sunday evening, Oct. 29, will assist the fund-raising program of Bnai B'rith. The Jericho Lodge and Chapter has "bought out the house" for the performance. For tickets call Millie Kellner OV 1-4025, Rachael Franklin OV 1-4218, Sam Elgart OV 1-2169 or Marvin Sabee WE 8-8597.

JERICO CHAPTER of Hadassah was represented at the 11th inaugural Luncheon of the Greater New York Women's Division, State of Israel Bonds, launching the 1961 fall campaign at the Hotel Pierre in New York on Sept. 18. Present from Jericho were Mrs. Diane Eder, Mrs. Charlotte Jacobs, Mrs. Harriet Sauerhoff and chapter president, Mrs. Sheila Winekur. Mrs. Sauerhoff took the above picture of Mrs. Gelda Melr, Israel's minister of foreign affairs, and Mrs. Eleanor Roosevelt. Bond sales at the luncheon amounted to \$112,000.

## Welcome to Khans of Jericho

by Louie Chin

In the year 1280, from the vast plains of Northern Asia, appeared a Mongolian Warrior known to the Western World as Genghis Khan. It is not here that we wish to go into the history of his conquest, but it is necessary to tell of his one great weakness — an insatiable appetite for good foods.

From a humble home, Genghis Khan was brought up in simplicity... simply to conquer and simply to eat. Through the eternal cause of survival he led his people in a life of food and a terrible page in the history of Asia was thus written. The horror of the legend of his one million riding horsemen armed with short bows... and using the body of the pony as a shield, terrified the then existing world. Down from the north his horde swept through China and to the south on to India, Asia Minor, Italy and finally settled in what is now Germany. Destroying and ravaging along this route, it was said "nothing grew for one generation after they had passed". A million horsemen can eat a lot.

During the consolidation of his conquest, a special decree was issued by the Khan. All inns, caravansaries and places of eating were to be renamed and called Khans. His army owned all they ran but Genghis wanted the hotel restaurants for himself alone... he loved to eat. It was surprising to his aides that he spent most

of his time in the southern portion of Asia near the present City of Canton. Here he would tarry for months, leaving the thoughts of State and plunder behind, to eat and meat some more. Thus he was in heaven among people with imagination for food. In his memoir he wrote: "I have found a land where food has left civilization behind. He marveled at these elegant dishes and the simplicity of its presentation. To him food was food, if it looked good, smelled good, tasted good and there was enough of it to satiate ones appetite.

One would think, after the passage of centuries, that these recipes would be lost through time. But the same secrets remain, most of all to keep the natural splendor of beef to taste as beef and fowl as fowl. This will be a complete delight to food lovers. Our Chefs thus make food lovers of those who are not.

We, the descendants, have carried his doctrine though the ages and over distant lands. It is this basic simplicity we shall bring you. And we, the staff of Khans at Jericho, welcome you to what, we know, will be an outstanding eating experience. We have planned the setting for your enjoyment of our delights in a way which combines the functional ease of modern living with the beauty and grace of the Orient. Your desires are our pleasures.

## Mainview Gob to New London

The Navy Recruiting Station located at 67 North Broadway, Hicksville, is pleased to announce that Joseph J. Grella, ICFN, USN, is currently home on leave. Upon completion of Fireman Grella's leave he will report to submarine school located at New London, Conn., on Oct. 21st.

Joseph enlisted at this station in August 1960, at the completion of recruit training, he was assigned a Class "A" school in interior communications at Great Lakes, Mich.

After successful completion of this school he was further transferred to Panama City, Florida, where he was assigned to the Mine Defense Laboratory. While at this station Joseph completed his High School education, by taking correspondence courses through the Armed Forces Institute.

Currently Joseph is spending his leave with his parents Mr. and Mrs. Lawrence Grella, who reside at 75 Diamond Drive, Plainview.

## THE MARRIAGE RING

By CARL FELDHAMER, Marriage Counselor

We hope by the means of questions and answers through this column to help solve some of the problems which are common to many of our readers. Please direct your letters to "THE MARRIAGE RING," Mid-Island HERALD, Hicksville, N.Y. All letters published will be signed with coded initials. Letters which cannot be answered in this column will receive an answer by mail.

Dear Sir:

I am the parent of a 16 year old boy who recently started to stay out late without letting me know where he is going or what he is doing. My husband and I have told our son several times that he cannot stay out after 10 PM on school nights but he refuses to listen to us. Some of our friends have told us that our son was seen several times with a rowdy group of teenage boys and girls in the local shopping center. When we questioned him about this he wouldn't give us any answer. We are afraid that he is liable to get into some sort of trouble if he persists in staying on the streets with this group. Isn't there some sort of supervised teen group that he can join?

Parent Afraid

Dear Parent Afraid:

Unfortunately your problem is a community wide common problem. I am amazed at the complete lack of facilities for our teenagers social activities. There is certainly lots of talk about helping our teenagers and yet no one seems to be doing anything on a worthwhile scale. We are overlooking the excellent facilities our public schools can make available to our teenagers for supervised evening activities. It would certainly pay to have each school district allot some of its money for trained personnel to start and take charge of evening teenage programs. If these programs are handled right and made interesting they could probably become self-sustaining. I'm sure that most teenagers would be happy to participate in a supervised music and dance program (look how successful the TV dance hops have proven). Try starting the ball rolling in your own district. You will find many parents who will be willing to work with you. Don't overlook the facilities available in your local churches and temples.

## IS SHE TOO TALL?

Dear Sir:

I'm 22 years old and have been going steady with a man who is 27. He is about an inch taller than me (when I wear flats) and objects to my wearing high heels. He says he feels self-conscious when I wear high heels. I'm 5'8" tall and frankly I think I look better when I wear high heels. He tells me that after we are married he will never let me wear high heels. Do most men feel the same way about a woman being slightly taller than he is?

TALL LIT

## BE PROUD OF YOUR HEIGHT

Dear Tall One:

Apparently your boyfriend lacks confidence in himself. If you carry yourself well (that is you don't slouch when you walk or stand) and you are tall most men would be proud to have you with them. The male ego is usually flattered when the man knows he has, as his companion, a woman who makes a striking appearance. High heels certainly flatter a woman's appearance whether she be tall or small. Tell your boyfriend to grow up to you in confidence. If he loves you enough to want to marry you he certainly should want you to look your best when you are with him. Height, in a woman, if carried well, always adds to her appearance.

## Within Voter Appropriations

Hicksville Board of Education may take final formal action tomorrow (Fri.) night at its regular meeting upon the award of various contracts for the construction of new school facilities and the movement of temporary type classrooms. The summary of bids was presented to the Board at a special meeting last Friday night.

The Board went into executive session on a discussion of the bids from 9:28 PM to 12 midnight.

The summary of general construction base bids on East St. indicated: Stanley Benjamin \$22,740; George Schaefer \$225,000; Kuhn, Smith, Harris \$229,444.

On Willet Ave. School Parks-Seldman \$531,000, Anderson Construction \$537,000, Dobson Construction \$538,000 and J.R. Stevenson \$550,000.

Junior High Preston Brady \$168,411, George Schaefer \$175,000 and Stanley Benjamin \$175,692.

However, there are numerous alternatives and possible omissions which the Board could elect and the final determination would effect the selection of the low bidder.

## Recalling Some Local Historians

by H. S. HALE Town Historian

At the turn of the century on Nassau Island there were some old public records that had been kept for many years. Some from the earliest years of Oyster Bay Town History. These being public records, by most people were considered as such and therefore little interest was taken in them by the ordinary citizens. However there was a group of people who realized their great historical value and their irreplaceable status, should the worst happen to them.

This group was Oyster Bay Historical Society, which in 1898 decided these early records from 1653 onward should be carefully preserved and they considered publishing them. George W. Cocks of Glen Cove prepared part of the copy of some of this material. He was a well versed historian at that time. Later he died and his cousin John Cox, who was well versed in old history carried on some of this work.

After a number of years the Historical Society found they had not enough money nor could they raise enough money to print and bind these records. Therefore they went to the Town Board of Oyster Bay and at town election held on April 4, 1911, it was resolved that Townsend, Cocks, Frederick E. Willets and James Malcolm be appointed a committee to have these records published. It was decided to go up to year 1800. The cost was to be not more than \$5000, as there were needed 8 volumes to record and publish the records for years 1653-1878.

The committee was ill-fated apparently and on Nov. 23, 1911

James Malcolm died and on Sept. 16, 1912, James Henry Ludlam was appointed in his place, but on April 1, 1913 he died and on June 19, 1913 Townsend D. Cocks died.

This more or less broke up the committee, with Frederick E. Willets left but the Board appointed Daniel Underhill to the committee on Feb. 17, 1915 and Edward T. Payne on Sept. 3, 1915 to replace the last two deceased members. This then made a complete committee and they prepared to go ahead from that time and get records published which was finally done.

On April 6, 1916, Charles Weeks, Town Clerk of Oyster Bay, who had the manuscript checked and compared with original records okayed them and placed the town seal on the same. These volumes called "Oyster Bay Town Records" first volume 1653 - 1690, etc., with seven more in the set. Also there were different committees as the years passed. There are eight volumes and they comprise years 1653 - 1690 to 1878. The earliest records are written in quaint language and terms or expressions. The spelling also is quite different from today and many either took liberties with spelling of a number of words and not a few had their own individual way of spelling various words.

Robinson Crusoe had leisurely weekends (yet all was neat and tidy) because—at least the story goes—his work was done by Friday.

## Allsopp Has Impressive Record

Councilman Peter B. Allsopp, seeking re-election to the Oyster Bay Town Board on Nov. 7, has compiled an impressive record of service to the people of the Town during his first four-year term of office.

As a member of the Town Board's Standing Committee on Beaches and Waterfront, Mr. Allsopp has played an important part in the expansion of these waterfront recreational areas. This waterfront beach improvement program has been accurately described as the largest in the Town's history.

He has also assisted in the development of a Town Conservation Program that led up to the establishment of the Tobay Pond area on the south shore as a wildlife sanctuary for the preservation of marine life and wildlife. This program has gained national prominence for the Town in the field of conservation. Mr. Allsopp presently heads a Citizens' Committee currently conducting a study of population trends at the north shore beaches for the purpose of determining if it will be necessary in the future to restrict more of these beaches for use by Town residents only. He also was instrumental in the establishment of the Town's "Land Bank" program in which thirty acres of shorefront property on West Oyster Bay Harbor will be acquired by the Town for the future use by residents.

In addition, as Chairman of the Town Board's Standing Committee on Public Safety, Mr. Allsopp's suggestions in this field to police authorities and others concerned about public safety, have brought about a number of improvements for the protection and welfare of the Town's homeowners and taxpayers. Among them was the establishment of a thirty miles per hour speed limit in residential areas.

Councilman Allsopp also serves as Police Justice in the Village of Mill Neck and was attorney for the Village from 1957 to 1959.

Previously, he completed a period of public service as Chairman of the Village Planning Board, an experience which has been very valuable to him and the Town Board in their continued efforts to preserve the suburban characteristics of the entire Town through proper application of

COUNCILMAN  
PETER B. ALLSOPP

zoning standards under the Town's Comprehensive Zoning Plan.

He has also served as a member of the Citizen's Advisory Committee of the Locust Valley School Board and is presently chairman of the Thunderbird District Boy Scouts of America, in which district more than 4700 boys are participating in the scouting program.

He served in the U.S. Army during World War II, entering the service as a private. He served overseas with the Signal Corps and was discharged in 1946 with the rank of first lieutenant.

Councilman Allsopp received his education and law degree from Cornell University Law School. As an undergraduate student at Cornell he was a member of the University's crew. He was captain of the crew in his last year in college and was also elected by a group of leading sports writers as a member of the All American Crew. He was also a member of the varsity wrestling team at Cornell. Mr. Allsopp resides with his wife, Muriel (née), and their four children in Mill Neck. Mr. and Mrs. Allsopp are members of St. John's Episcopal Church of Lardington. Adv.

## Regional School Study Illegal

A resolution of Nassau Democrats for the appropriation of \$25,000, by the Board of Supervisors to study a "regional sharing of school" services was turned down Monday. Nassau County Attorney J. Oakley McKnight handed down an opinion that there was no power conferred on the County by the State which would enable such enactment.

Republican members of the Board of Supervisors branded the resolution "pure political opportunism," pointed out that there existed in the Nassau County Vocational Board every means for accomplishing what Democrats sought to do by another committee.

"A comprehensive study is now being undertaken by the State Department of Education whose job this is," declared Supervisor Palmer D. Farrington of Hempstead. He stated this includes all phases of purchasing, insurance, transportation and school construction.

## Dial Code 212 For New York

The telephone company is now  
asking its Nassau County cus-  
tomers to dial area code 212  
when they call New York City and  
area code 914 when they call  
southern Westchester.

This is the first step in a plan,  
announced earlier this year, to in-  
troduce area code calling through-  
out the New York metropolitan  
area.

Robert H. Snedaker, Jr., New  
York Telephone Co. general  
manager in Nassau, explained that  
central office designations are  
being used up at a rapid rate  
because of a continuing high rate  
of growth plus demand for new  
types of telephone services.

"We're within months of running  
out of central office prefixes at  
the rate we're going," he said.  
"Area code calling will allow  
the telephone system to keep  
up with these growth demands by  
making some 125 more central of-  
fice designations available for use  
in the city, and even more in the  
suburbs," he said.

## Teachers Again On TV Show

Melvin Berger of the Plainview  
High School faculty and Frank  
Clark of the junior high school  
faculty will make their second tel-  
evision appearance on the "Home  
Show" on Oct. 6. The two teachers  
will be interviewed in connection  
with their book "Science and Mus-  
ic."

The first television appearance  
was on the "Just for Fun Show"  
where Berger and Clark discussed  
their book with Sonny Fox.

The "Home Show" interview will  
be telecast on Channel 4 at 9:15 -  
10 A.M.

## Pupils Going To Connecticut

The Bard will take on new mean-  
ing for approximately 100 Plain-  
view High School sophomores and  
seniors on Oct. 11, when they  
will see a performance of  
"Macbeth" at the Stratford  
Theatre in Connecticut.

Under the supervision of Teach-  
ers Sidney Firestone and Mrs.  
Sylvia Brodtkin of the English Dept.  
students will leave by chartered  
busses for the matinee production.  
For the sophomores, the produc-  
tion will serve as an introduction  
to their study of "Julius Caesar".  
Seniors will find the production  
even more educationally profitable  
since they are currently reading  
"Macbeth."

Students will also take advantage  
of the display of Shakespearean

costumes and art works at the  
theatre. They will also have the  
opportunity to question members  
of the case after the performance.  
"Taking students to live pro-  
ductions of Shakespeare opens a  
new vista of appreciation which  
would often remained closed to  
them," explained Firestone. "It is  
not common to hear students ex-  
claim after the production, 'I  
never knew Shakespeare could be  
so much fun.'"

## Sonntag Joins Dartmouth Frosh

A Dartmouth College freshman  
from Hicksville, was greeted by  
President of the College John Sloan  
Hickey during matriculation exer-  
cises in Dartmouth's 193rd year.  
Raymond A. Sonntag, a son of  
Mrs. Frances Sonntag of 62  
Kramer St., became enrolled in  
the Dartmouth Class of 1965. He  
holds a Naval Reserve Officers  
Training Corps Scholarship a-  
warded on the basis of national  
competition, and joins some 40%  
of his freshman class receiving  
financial aid from college and  
private sources.

He was graduated from the  
Hicksville High School in June of  
1961.

Mr. and Mrs. John Taylor of 5  
Apollo Lane, Hicksville, became  
the parents of a son, Edward  
Raymond, at Mercy Hospital on  
Sept. 14.

## AROUND THE DISTRICT

By Joe Koerner

**SOCCER NEWS...** Coach John Santoro reported that 55 candidates turned out for the Jr. High Soccer team, last week. After a series of local scrimmages, the "Metors" will open league play vs Island Trees, on Oct 2nd at home. Santoro stated, that his squad showed high potential in practice sessions and although 45 of the 55 that came out for the team are 7th graders, fresh out of the Elementary Schools, the feeling is that returning veterans, Johnny Walker and Lance Duggan will bolster the squad. This column will be following the boomers in action.

Talking shop with Santoro once again, brought to mind, the birth of his column last year, at the beginning of the wrestling season. Watching the young grapplers in action at the end of the school day prompted us to publicize the efforts of these Jr. High youngsters. Mantle, Maris, the college athletes, the pros and even the High School ball players got their due share of publicity, so why not the neophytes in the ranks? Our enthusiasm spilled over, we're glad for another season and my wonderful wife, Dot, will again be a typewriter widow on week ends.

**THE HIGH GRID NEWS...** Head football coach, Warren Meyer stated that 150 applicants had turned out for the Jr. High football squad last week. After a strenuous week of scrimmages that would cause "Vic Tanny" to holler uncle, the final figures were trimmed down to the 65 mark. Uniforms were issued and the boys are ready to tackle anything that moves. Coach Dick Hogan and Buddy Bryan are sharing the coaching assignments with Coach Meyer. Bryan, who will be covered later in a Welcome Mat portrait, will handle the B team, with Meyer and Hogan in the A section. According to the trial of grid members, the final 65 will be broken into 2 squads, with each playing separate schedules. (This procedure gives more of the boys the opportunity to compete in actual competition.) At the end of a few local scrimmages, the Orange team (B squad) will tackle Herriicks at home, on Oct. 2nd. The white team, (A squad) will act as host to Salk, at 10 a.m. Sat. Oct. 7th. A group of returning vets, led by fullback, Larry Wesolko and guard, Vinnie Hopack should be bolstering the white squad. Moving up from the B's and showing good promise, are Steve Schurter, Dennis Vatrano, Billy Miltenberg, Joe Sarno, Dick Bouquane, Jim McDonald, Chuck Fraser, George Lang, Tommy McKinstry.

Meyer, didn't go out on the proverbial limb with his "Nostradamus" predictions but he did say

that the entire squad showed some good potential and if they were willing to sacrifice & put forth their fullest efforts, they would develop into a well rounded, fighting unit. Newcomers mentioned by the trio of grid coaches, for looking good in practice sessions, were, George Sahaidchny, John Molley, John Sarsfield, Greg Hoverock, Bill Hines, Jeff Burke, Barry Damm, Lenny Casalino, George Balaker, Pat Argento, Neil Zeojer & Larry Carlucci.

My money goes on the Metors for the league title and we'll be following closely from the sidelines. That's the safest spot to be when the cauldron is boiling. I remember only too well, my playing days for Farmingdale High. The coach was desperate after being on the port side of a 108 to nothing score. He figured things couldn't possibly get any worse, so he put me in at Rightguard. It was the first game of the season and 2 plays later I was out with a broken fibula, a multiple one at that (with complications)... I completed the season by going out for the marble shooting team and believe it or not, while making a difficult shot one of mummyyy teammate stepped on my hand and lacerated my lower lumbar joint.

**WELCOME MAT DEPT...** Introduces Buddy Bryan, new phys. Ed. teacher at the Jr. High. Buddy is a graduate of Cortland State Teachers' College and this is his first Physical Education assignment. At the present time, he's coaching football and will take over the freshmen basketball team when the gridmen stop their gear for the season. Buddy is young, likeable and looks like a fine addition to Head Coach, John Asha's, physical education department at the Jr. High School.

The welcome mat department also includes, Mrs. Charlotte Sheppard, newly installed, Assistant School Lunch Director, for the district. Mrs. Sheppard takes over the duties vacated by Mrs. Beatrice Buxton, who had moved upstate. General information on the new Asst. Director are as follows. Born in Wallingford, Conn... Came to New York State in 1929... Attended Pratt & New York University. Her past experience was Lunch Director for the Long Beach School system and prior to that, a period was spent with the New York City School system. Here again we have an efficient, affable person who is a welcome addition to the district staff.

**EYEWITNESS TO HISTORY DEPT...** The Hicksville Comets, hit the big time Saturday morning, with a Channel 11 coverage that had all the earmarks of a Hollywood extravaganza. Approximately 3500 armchair quarterbacks

CAROL WISE of 27 Cantiague Lane, Westbury, who bowls at North Levittown Lanes, was one of the contestants in the AMF-Ballantine Bowl-O-Fair held at the Long Island Fair. Miss Wise bowled against AMF Staff of Champions bowler Pat McBride on Sept. 12. For her effort, she was presented with a trophy by Pat. Carol, who was selected at random from thousands of entries to the contest, was congratulated by Pat McBride (middle) and Pat Centempo of Ballantine (right).

were on hand at the home field to get this million dollar production on the road. The casting was perfect! It was one of those warm, sunny, September mornings, that people like to use as a subject of conversation, the morning sun rode high in the heavens and the place was veritably alive with people. The visitors from Chaminade arrived on schedule to play their role of the villains... And play their part well, they did! When the local football buffs, cast their glances on the massive mass of muscle, that made up the Chaminade line and then moments later adjusted their fieldglances for a closer look at the opposing fullback, Earl Kirmser... Then and only then did it look like a bad day in "Bedrock" for heroes of all types. T.V. announcer, Marty Glickman, was forced to dig down real deep into his bag of descriptive adjectives for this one. Kirmser and his crowd of T.V. villains, stole the play on the opening gun and hit paydirt well before some of the late arrivals were seated.... And then suddenly the place came alive.... A "Comet" bolt of greased lightning by the name of fullback Chris Coletta got his hands on the ball for the first time and ran like a man dodging a rent collector. Glickman pulled out all the stops in describing this 70 yard touchdown run.... But alas, it was nullified by a clipping penalty and the Comet rooting section, took on a look of passive gloom.... "A bitter pill to swallow", thought the diehards... What chance does a little, 175 lb. halfback have against those titans on that Chaminade line? And then suddenly, it happened again, Chris Coletta, the "cyclonic Comet" with the 100 megaton tail, grabbed the ball and took off like a scared Jackrabbit. He played the part of a greased pig and romped, danced, wiggled and whirled 68 yards for a storybook touchdown.

The crowd was limp at this point and Marty Glickman ran out of adjectives. But as we said before, this was definitely not the day for the underdog. Chaminade took a big 28-7 win and they well de-

served the victory... They've got a good sound ballclub and should be taking the lions' share of the victories in their league. Kirmser was great but the greatest by far was not Ali Kazar but a 175 lb. halfback by the name of Chris Coletta. He electrified the crowd with his broken field running and deservedly was awarded the Hicksville Alumni Assn. Trophy for being the outstanding player of the day.

In my opinion, Coletta's performance was very reminiscent of the days when a broken field phantom by the name of Orist Millovolte used to do his footballing for the Hicksville Field Club. This was in the 34 B.T. era. (1934, before television) Orist thrilled the overflow crowds then and last Saturday morning, his ghost came to life in the form of Chris Coletta, the most amazing broken field runner Hicksville has seen in a number of decades. Look for big things from this Crazy Legged "Comet"... We have an idea, he'll be making it big one of these days. And when he makes it into the big time, he can look back at a long line of brothers who share his heritage in the sporting dodge. Mom and Pop Coletta were too excited to stay in the stands, throughout the full game. They retreated to a cozy chair in front of the television at home. Brothers Danny, Tony, Frank and Vinnie were eyewitnesses and shared some of the glory that went to brother Chris on this eventful day.

## Lincoln Home On 14 Days Leave

The Navy Recruiting Station located at 67 North Broadway, Hicksville is pleased to announce the return of Leon Charles Lincoln, SA, USN, from nine weeks of Recruit Training at Great Lakes.

Mr. Seamon Lincoln is presently spending 14 days leave at home with his parents Mr. and Mrs. Leon Homer Lincoln who reside at 8 Winding Road, Hicksville. Upon completion of Leon's leave

he will report to Radioman's Class "A" School at Norfolk, Va. for fourteen weeks.

Chuck was enlisted at this station under the Navy's High School Program which guaranteed him a Naval School at the end of his recruit training.

## Celebrate Anniversary

The Glen Cove-Hicksville Mercy League will celebrate its 20th anniversary with a gala luncheon and meeting on Thurs. Oct. 5th at the Mulleridge Inn, Jericho. Mrs. Roland Crowe, first president of the organization, will honor the group by being master of ceremonies.

It was at the home of Mrs. Crowe that the Glen Cove-Hicksville group held its first meeting on July 14th, 1941.

Mrs. Vince Braun of Hicksville and Mrs. Daniel McGrath of Jericho are in charge of arrangements for the anniversary luncheon.

**PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS.** Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra cost options: Put on a 4-barrel carb and get 165 h.p. The citizen who wants even more can go for an aluminum V-8 option that pulls 185 horses.

**TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION!** (The only American car with this feature.) It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats six—easily!

**TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR!** Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

**PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ).** The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

## Hofstra Alumni Honors Fehrenbach

Assemblyman Edwin J. Fehrenbach of Bethpage received the George M. Estabrook Distinguished Service Award given by the Hofstra College Alumni Assoc. on Sunday, Sept. 23, at the Garden City Hotel.

The Republican Legislator who represents the Fourth Assembly District comprising the Town of Oyster Bay and the City of Glen Cove, was cited for outstanding

achievement in his chosen field of endeavor.

At a recent meeting, Assembly Speaker Joseph F. Carlini referred to Fehrenbach as one of the foremost authorities on education finance in the State Legislature. The Assemblyman is well known for his work in obtaining financial aid for local school districts in Nassau County.

## See Economy At New Peak

Long Islanders are in for a record fourth quarter and the best year to date, the Franklin National Bank of Long Island predicted today.

The bank said that manufacturers, merchants, builders and consumers would share in the general upward swing of the economy. Employment would reach a record 445,000 level with production payrolls numbering close to 130,000,

or 4% higher than a year ago as defense spending begins to filter through to new orders.

## Display Art At Public Library

The members of the Independent Art Society will display their works of art at the Hicksville Public Library for the entire month of

October.

The exhibit will open on Oct. 2nd.

A few of the members had the pleasure of exhibiting their works at the Whitney Estate by invitation from the Surburan Art League.

## Double Wedding Held on Sunday

Two nieces of Mr. and Mrs. Charles Zolozki of 50 Myers Ave., Hicksville, became married in a double wedding ceremony at Trinity Lutheran Church in Astoria on Sunday afternoon, Sept. 24.

The brides are the daughters of Mr. and Mrs. Frederick W. Meyer of 32-25 47th St., Astoria. The Rev. H.J. Rippe, DD, performed the dual ceremony.

Marian Helen Meyer became the bride of George John Stockinger, son of Mr. and Mrs. Anton Burikas of Astoria.

Joan Doris Meyer became the bride of Lloyd W. Smiley, son of Mr. and Mrs. Charles E. Smiley of Great Falls, Montana.

A joint reception was held at the Swan Club, Glenwood Landing. Mr. and Mrs. Stockinger went on a wedding trip to the Poconos and will make their home in Astoria. Mr. and Mrs. Smiley left for Ponce, Puerto Rico, and will take up their residence in Great Falls, Montana where the bride groom is in the cattle ranching business.

## TO OUR CUSTOMERS IN NASSAU COUNTY

# Why We Are Asking You To Use Area Codes To Call New York City And Westchester Co.

## AREA CODE 212 FOR NEW YORK CITY

(Queens, Brooklyn, Manhattan, Bronx, Staten Island)

## AREA CODE 914 FOR WESTCHESTER CO.

We all know how fast Nassau is growing. This is progress, and it's a good thing. But it does pose problems to your telephone company. One of the major ones is building enough new Central Offices to keep up with the needs of the rapidly expanding metropolitan area.

In plain fact, we are running out of designations (the two letters and first digit of any telephone number) for all the new Central Offices we're planning. Within months we will reach the point where there actually won't be enough dial combinations available to provide for new offices. To meet this demand, the only solution at present is the use of Area Codes.

Area Codes will permit us to use the same Central Office designation (IV 9, for example) three times in the New York metropolitan area instead of only once. Here's how:

to call this designation in Nassau you'll dial IV 9. To call the same designation in New York City you'll dial 212 IV 9, and in Westchester, 914 IV 9.

We think you see how much we need your cooperation. It will permit us to continue to provide the kind of service all our customers demand and deserve. Using an area code to call a friend or relative in New York City or Westchester may seem strange at first, but it will put hundreds of additional Central Office designations at your service in Nassau and the New York metropolitan area. This will make available enough dial combinations to let us keep pace with a constantly growing Nassau. Of course, there will be no change in rates or methods of billing. If you have any questions, we'll be happy to answer them.

Thank you for your cooperation.
