Referendum on Nov 14:

Set Vote to Shift School Const Funds

Hicksville Board of Education is planning to hold a referendum on Tuesday, Nov. 14, on the question of shifting funds within the multi-question proposal approved by the voters in November, two years ago. The decision to hold the special meeting of the voters was made Monday night following two executive sessions.

The School Board at its regular meeting on Friday night, Sept. 29, went into executive session with various school administrators, Henry Johnson, school architect; Frederick Tileney of Govt. Statistical Corp; and its attorney, shortly before nine o'clock and emerged after midnight. The Board set a special meeting for Monday night of this week.

After a second executive session last Friday night, scheduled for three minutes and lasting over a half hour on the matter of the District Clerk appointment, the meeting was adjourned. It was then after one in the morning and an unanimous vote was required to continue. The vote was 6 to 1.

Monday night, the Board went into Executive Session again with about the same personnel as Friday night's secret session. After the closed meeting, the Board voted 6 to 1 (David Hurwitz voted no) the referendum was set for Nov. 14. It appears that some of the bids for construction which includes an elementary school on Willet Ave., an addition to the Senior High School, a new Gym at East St and moving of temporary-type classrooms to the Jr. High from various elementary schools, do not match the appropriations. The Board feels that within the framework of the two million-dollar bond issue approval there is enough money—except not in the right categories. Therefore, the Nov. 14 referendum will not ask the voters to appropriate more funds, just to authorize the transfer of funds from one division to another.

Final details of the forthcoming referendum are expected to be concluded at the next regular Board of Education meeting on Friday night, Oct. 13.

Herzog Carries On Tradition

Frederick Herzog of Wantagh, son of Mr. and Mrs. Fred Herzog of South Bay, Hicksville, is carrying on the Herzog family tradition of retailing with the opening of a new variety store today (Thurs.) in Mineola. He is a descendant of Fred Herzog who operated a general store on Herzog Pl. at Bway, Hicksville, a century ago.

Formerly with Rogers store in Hicksville and other stores in the Nassau chain, Mr. Herzog is now a partner of a new Variety Corp. of America and will manage the Mineola store. He is secretary-treasurer of the corporation.

Judge Stoll Gets His Bear

Charles H. Stoll, attorney and explorer, is home from the Canadian North West territory where there is a population of only 20,000 persons in an area 2,000 miles by 3,000 miles. He brought home the only of his hunt—a 3,000 lb. bull that stood 6 foot 4 in. at the withers and, after 30 years, a black bear.

Judge Stoll spent 10 days in the area of Fort Smith in Canada as

the holder of one of only 300 permits to hunt buffalo this year. It was cold, wet along the Slave River which runs into Great Slave Lake. But the hunt was a success and that vacant spot in his new Stoll Building office on Broadway, Hicksville, just north of the RR tracks, which had been reserved, will be occupied some day soon with the mounted head of the black bear.

He had successfully hunted

polar, Alaskan and grizzly bears. But in 30 years with gun in hand, he never got his black bear until late last month.

The hunt in the North West territory took him over 8,000 miles by plane (most of the way) and then on foot and by canoe.

Judge Stoll, who has hunted from the cold Arctic Circle to the wilds of hot Mexico, said it was a cold, wet experience but worth it all.

Parents Meet With Pastor

The parents of confirmation and pre-confirmation classes of Trinity Lutheran Church, Hicksville, met with the Rev. Edward H. Stammel last night (Wed.), to receive the assignment sheets of the confirmation program for the coming year. To date, there are 125 in the confirmation class and 100 in the pre-confirmation class.

Among items discussed were the two weekend Retreats to Holiday Hills early in 1962, giving the church teachers an opportunity to work in close harmony with the confirmation class students on spiritual subjects and recreation; the next education of the child; and the importance of love in the home. Also stressed were the ways in which the parents can help their children prepare for confirmation. Assisting Pastor Stammel and the Rev. W. Baessler in the pre-confirmation class instruction are: Wilton Endorf, Glen Zobel, Gerald Brunworth, James Frasher, Miss Judi Engler and Deaconess Rhoda Rasmussen. Assisting in the instruction of confirmation classes are:

Lincoln Savings Opens Plainview Office

PRESIDENTS OF THREE Chambers of Commerce and John J. Burns, supervisor of the Town of Oyster Bay, each cut a portion of the tape at the opening of the Lincoln Savings Bank, Nassau Office in Plainview, Sept. 28. Left to right are: Francis A. Clements, assistant vice president and manager of the new office; Wilfred Wottrich, chairman of the Board of Lincoln; Dr. Edgar Treacy, president of Plainview Chamber; Town Supervisor Burns; Robert Levine, president of Bethpage Chamber; Julius Schwartz, president of Hicksville Chamber; and Michael J. Burke, president of Lincoln.

8,708 New Accounts

What the people of Nassau want, Lincoln Savings Bank was proved Thursday when a line of several hundred persons stretched across the Plainview Shopping Center waiting their turn to open a savings account at the new office of The Lincoln Savings Bank. By six o'clock Saturday evening 8,708 accounts had been opened with deposits of over three quarters of a million dollars.

Wilfred Wottrich, Chairman of the Board, declared, "this spontaneous response was most gratifying. For years the people of Nassau have been deprived of savings bank facilities and The Lincoln is proud to make our specialized services available to this rapidly growing community. On behalf of our Trustees and Staff we welcome these new savers."

Michael J. Burke, President, introduced the permanent staff: Francis A. Clements, Assistant Vice President and Manager; Earl Nelson, Chief Clerk; Henry G. Best, New Business Representative; Michael Spinelli, Head Teller; Mrs. Elizabeth Monaco, Stenographer; Mrs. Margaret M. Meyer, Teller; and Mrs. Margaret Schaefer, Service Teller.

A circus atmosphere prevailed as new depositors entered the huge tent where the new accounts were opened. The crowd became so great by 2:00 o'clock that all officers of the bank were helping to open accounts and serving as tellers.

In the bank building, tellers quickly processed the accounts and presented each depositor with a gift coupon which was redeemable for one of the beautiful gifts: blanket, table lamp, salad set, dinner set or chicken fryer. Visitors were given a philodendron plant and each youngster received a balloon. A free kiddie show for neighborhood children was held Saturday at the Plainview Theatre.

The bank floor itself was a bowler's flowers sent by many friends. Another point of interest was the Linnaea display loaned by the Synagogue Institution. Among the unusual items was a blouse worn on March 4, 1961 at the inaugural Ball.

Folk Songs

The October General Membership meeting of the Sisterhood of Temple Beth Elohim will be held at the Temple on Round Swamp Road on Monday, Oct. 9th at 8:30 p.m.

The program for the evening features Elly Stone, singer and guitarist, who will perform Yiddish and Israeli folk songs. Miss Stone has appeared in night clubs and on the concert stage, as well as TV and radio.

FIRST DEPOSITOR at the Lincoln Savings Bank, Nassau Office in Plainview, was Paula Valentine, daughter of Mrs. Martha A. Valentine of 27 Eden Lane, Levittown, on Sept. 28. First bankbook was issued by Wilfred Wottrich, chairman of the Board of Lincoln, and Francis A. Clements (standing), assistant vice president and manager of the new office at Woodbury and South Oyster Bay Roads.

Nassau's Sheriff Jesse P. Combs, candidate for reelection on the Republican ticket, has a well-earned reputation among educators, as well as penologists. His proudest accomplishment is the school in jail, in which youthful prisoners make up high school work and finally take state monitored examinations for a high school equivalency diploma.

The school in jail has cut down considerably on the number of "returnees" — prisoners convicted of new crimes and jailed a second or third time. The school saves untold sums for Nassau County, by cutting down on repeaters, but Sheriff Combs declares, "We're saving more than money, we're saving young lives and making good citizens."

The Republican candidate is a veteran of World War I and was an organizer of the J. Franklin Bell Post No. 81, American Legion. His wife is the former Dorothy Sherer. He has a married daughter, Mrs. Frances Sellitto of Inwood, twin sons, Jesse, of Lynbrook and Charles of Inwood and a ten year old daughter, Carol. He has five grandchildren. (A-47-1)

PROFILES IN PROGRESS

Many people, as he is affectionately known by his friends, is a career man in Nassau County. He has been the comptroller of the county since 1954, and has been through the ranks to head this department for several years. He is also the head of the county's internal control unit, which has gained an intimate knowledge of county administration.

Today Bebell's office conducts a regular audit, handling a total of over one million dollars a year.

His original four-manulative debt report is considered by experts as a model for county government. Bebell was also responsible for installing systems in the various county departments for effective internal control, in itself a monumental task.

Born in Newark, he was raised in Freeport, where he still resides with his family.

Old Country Rd PTA Surprises Duncan

The Old Country Rd. School PTA of Hicksville held its first program on Wednesday, Sept. 27, at 8:45 P.M. Mrs. Jean Daly introduced a play in observing the 65th Anniversary of the Union Free School District, entitled "Backward Glance". It was authored by Mrs. H. Shadwell. The cast included parents and teachers of the PTA.

The second half of the program was a surprise presentation, "This is Your Life", for the school principal Murray Duncan.

Pictures and slides depicting Mr. Duncan's scholastic background were shown. Mrs. Duncan was the first guest presented. H.T.

Scholefield, Asst. Supt. of Schools, was then introduced. Duncan and Scholefield had been rival basketball coaches at Holton Landing, Lake George. Next, two life-long friends, Mr. and Mrs. Hilck of Huntington surprised him. Dr. E. LeBarron, former School Superintendent, followed by Mrs. Amikana, Miss Harris and Mrs. Kremp representing the teachers of Old Country Rd. School. Mrs. Kremp gave a small speech. Mrs. G. Lowe and Mrs. E. Haight, Mr. Duncan's girls Friday were then presented, followed by Mr. Kirby representing the custodians.

Past PTA presidents appearing were Mrs. Michael Fasullo, Mrs. M. McMunn, Mrs. P. Abramowitz, and Mrs. Mildred Polenski who said a few words of PTA from the year 1954 to 1956. Mrs. C. Arundel, a past president, was unable to attend but sent a note to the guest of honor.

The PTA Council was represented by Mr. O'Donnell. Principals and assistant principals of the district who attended were Edward Braun, principal of the Junior High Herbert Cavanaugh, principal of Woodland Ave.; Mr. McCarthy, principal of Lee Ave.; Mr. McGowan, assistant principal Dorch La.; Mr. Sanborn, assistant principal Burns Ave.; and Old Country Rd.'s own assistant principal, Mr. Perrini. Scholefield again came forward and spoke a few words on behalf of the principals and the school administration.

Mrs. Kenneth Wood then presented Mrs. Duncan with a gift and Mr. Duncan with a boutonniere and a desk pen set inscribed, "This is Your Life PTA 1961". A special tribute Mr. Duncan was presented with a new car — an 8-inch model turquoise Buick — on a pillow.

THE MARRIAGE RING

By CARL FELDHAMER, Marriage Counselor

We hope by the means of questions and answers through this column to help solve some of the problems which are common to many of our readers. Please direct your letters to "THE MARRIAGE RING," Mid-Island HERALD, Hicksville, N.Y. All letters published will be signed with coded initials. Letters which cannot be answered in this column will receive an answer by mail.

LIPSTICK AT 14

Dear Sir:

My mother objects to my wearing lipstick. She says I'm too young. I'm 14 years old and all of my girl friends who are as old as I am wear lipstick. The boys won't look at me if I don't wear lipstick. My mother says that I shouldn't worry about the boys. I don't want to be a wallflower. I will be if I don't wear lipstick. My mother doesn't seem to understand that everyone wears lipstick. What can I do to convince my mother to let me wear lipstick?

FTL

Dear FTL:

The best way to convince your mother (who is absolutely right) is to grow up in a hurry. Wait a few years. I have never heard of any spinsters who are 14 years old.

Too many of our young teenagers are trying to grow up in a hurry (and there are many parents who are even pushing their youngsters to make them appear older.)

Your early teens will prove to be your most enjoyable years. Don't miss out on the fun by trying to be an "old lady" before your time.

LONG ISLAND residents will have one of the largest self-service department stores in America to shop in beginning Thursday, Oct. 12th — the beautiful new Times Square Stores located at Hempstead Tpke., Gardiners and Jerusalem Aves., in Levittown.

While its full effect on the retailing picture will not be felt until the ribbon-cutting ceremony at 10 a.m. on that date, the size of the store (180,000 sq. ft.) leaves no doubt that it will become a major factor in the shopping habits of Long Island residents. Times Square Stores of Levittown will have 137 self-service departments for the family, home and car. It represents the changing trend toward self-service one-stop shopping.

HOW LATE FOR A DATE

Dear Sir:

Has anyone ever established how late to stay out on a date?

Old Enough

Dear Old Enough:

There are several things to consider when you talk about how late to stay out. It doesn't matter whether it's a date or a social evening with some friends or family.

Sleep is very important. If your night out is going to interfere with your getting enough sleep and you are sleepwalking the following day, you have stayed out too late (the hour that you came home doesn't matter too much — the fact that you didn't obtain enough sleep is the factor which determined that you were out too late.)

If you are the kind that stays out late believing that it can't be a successful evening unless you come home late, then you are too young to even leave your home in the evening. Unfortunately too many of our teenagers especially those attending proms, feel that it is necessary to "stay out" for their prom dates for at least 12 hours. The prom can't be successful unless they have had breakfast and lunch with their dates. How foolish and how young is their thinking. At one time a prom was considered to be the welcoming event into young adulthood. Today it's more like a 24 hour juvenile three ring circus which declares that the graduating teenagers are regressing to their kindergarten days.

Now we come to the hour itself. Actually there is no good reason for anyone to come home at four or five in the morning. Most social events attended by adults are over by midnight or 1 AM on a weekend (and earlier during the week). Of course there are certain social events which are rather late at times (a late wedding or engagement party) and you find yourself forgetting the time; but these are special occasions which require special consideration. The average evening consists of dinner and a movie or show; with perhaps a snack after the show. This still gives you time to get home at a reasonable hour.

One thing many of us often lose sight of, is our reputation in the community. Don't forget that if you consistently arrive home late, your neighbors will usually know it as well as your family. You will eventually find yourself to be a social outcast.

Last but not least — nights were given to us for sleeping, days for waking. It's healthier and you will be happier to keep it this way.

Committee Wants New Blood - Yours

Got a gripe? Well, stop complaining and do something about it. Join the Community Welfare Committee and get something done about your pet peeve.

The Welfare Committee is looking for new members -- because it sees problems to be solved in the newer sections of Birchwood and needs on-the-scene representatives to report them. Things are settling down in the "old" sections; a great deal of the initial work has been accomplished. Street dedication is a fact, street signs are installed, sidewalks have been generally repaired. Stop signs, place, etc., etc.

But these matters are far from finished in the new areas and the way to get them done quickest is with the whole-hearted backing of the Welfare Committee. And the best way to get that support? Come join the committee yourself!

Welfare Committee chairman John Nason puts it this way: "The committee tries to project the experience gained in the past several years to include the new sections,

but it's very hard with no residents from those areas to plead their case. We have achieved good results in the past because every issue affected the committee members personally and spurred them to get the necessary remedial action. The new sections are supplying no representation, so the temptation is to put their problems aside."

Everybody agrees that this is not an ideal situation. That's why the Welfare Committee is seeking new members, particularly from the territory west of Clinton and Yates. Of course, all others will be welcomed as well. The next meeting will take place on Friday, Oct. 20, at 9 a.m. The place: 9 Warren Lane, the home of Sam and Elaine Gordon.

The committee also reminds residents that the parking of commercial vehicles overnight on the street is prohibited by Town ordinance. Such vehicles should be parked in the garage or driveway to comply with the regulation.

Vest of Bway

Robert Koebele won a State scholarship at C.W. Post College and by in Brookville. Bob is a graduate of Jericho High and is the son of Mr. and Mrs. Carl Koebele, Orange Drive.

The West Birchwood Women's Bowling League got off to a good start at week. As befits her position, Betty Franklin, League president, led 184 and close behind her were Rita Werkauff, 181 and Jack Levine, 160.

CARL & IRIS DENNY

President's Corner

by Carl F. Denny

At the risk of being boring, may I once again remind you neighbors and friends that this is your civic association? Our election of officers and members of the Board are less than a month away. We are desperately in need of civic minded individuals to run for various offices. All you have to do is contact Gloria Goldman at OV 1-534 or myself, WE 8-3206 and notify us of your intention to run. There is no glory, but there is a feeling of satisfaction knowing you are helping your community to be a better place to live.

The Election Eve Dance scheduled for Nov. 4 at the Robert Seaman School promises to be even more successful than last year so please note the date and make plans for this gala evening of dancing and fun. Remember it's free to association members.

Another point of interest to the membership might be the meeting of the High School Monday, Oct. 9 at 8 p.m. Advice predations and instructions for the homeowner in preventative and containing a fire will be discussed.

I will close by stating that our association is functioning, and functioning well, but we need your cooperation to continue. Please think about and decide to run for office.

Tuesday Oct. 3 at the home of Mr. and Mrs. Sidney Leshin 24 Middle Lane Jericho.

Registration is still open and may be made at the first or second session or by phoning Mrs. Lillian Katz N.Y.U. Coordinator for Long Island at HU 7-510

Bennett Tower Signs Get Further Local Attention

by George J. Frankel

Courtesy of the Editorial Board of the Villager

Tuesday evening, Sept. 26th saw the continuation of hearings by the Oyster Bay Zoning Board of Appeals on the Floyd Bennett Stores' application for a variance to erect tower signs totaling 2800 square feet on the roof of the new store building presently under construction in Jericho. As before, Jericho turned out in full force to oppose any such variance.

The proceedings opened with a statement by Mr. Friedman, Floyd Bennett's Attorney, to the effect that the signs were required to counteract a hardship imposed by the terrain and by the position and a elevation of the store with respect to the surrounding arteries. Snapshots were offered in evidence showing the view of the store from Jericho Turnpike and the Long Island Expressway. It was asserted that these photos showed that a tower sign was necessary in order for motorists on these roads to be able to locate the store.

Opposition to the application for a variance was spearheaded by Ira Hyams, local attorney and resident of Princeton Park. Mr. Hyams represented Dan Sirote of Merry Lane. At a previous meeting of the local residents, Mr. Sirote had been elected to be their spokesman, and Mr. Hyams had been elected to be legal counsel. (See THE VILLAGER of Sept. 28).

(Editors Note: Although only residents whose property is immediately adjacent to the Floyd Bennett site have legal status in these proceedings, the Birchwood Civic Assoc. as well as all other Jericho civic groups, acting

through the Jericho Joint Civic Council, has been working hand-in-hand with Mr. Sirote.)

Mr. Hyams questioned Joseph Glass, Vice-president of Floyd Bennett. Mr. Glass stated that the purpose of the proposed signs is to be seen and attract attention from any and all directions. Mr. Glass admitted, however, that the Floyd Bennett Store is higher than the stores in the rest of the Birchwood Shopping Center, and that none of them has a tower sign. He also revealed that Floyd Bennett sub-leases concessions, and that all concessions were already rented.

Mr. Hyams then introduced Jules Bender, a real estate broker, attorney, and qualified appraiser. Mr. Bender stated that in his opinion, the property on Merry Lane, Hazelwood Drive, and parts of Princeton Park had been depreciated in value by the "G" zoning of the Birchwood Shopping Center, and that their salability had been impaired. He further stated that the erection of the signs in question would seriously aggravate the situation. Mrs. Helen Black, of 59 Hazelwood Drive, stated that she could not sell her house because of the "monstrous city" behind it. She stated that she had taken title on Oct. 2, 1956.

Carl Grunewald, Chairman of the zoning Board of Appeals, stated that the Shopping Center property had been down-zoned to "G" on Sept. 20, 1955 at the request of the Birchwood builders Somow & Schwartz. Mr. Grunewald stated that the attorney representing the prospective home-owner should have searched the surrounding property before he allowed his client to purchase a home on Merry Lane or Hazelwood Drive. It was pointed out to Mr. Grunewald that the purchasers of these homes had entered into contracts with Somow & Schwartz at least a year-and-a-half BEFORE taking title, and that therefore the property had not yet been down-zoned. Morty Toffler of Merry Lane stated that the builder's agent who sold him his home had promised him a 150 to 200 foot buffer zone.

Dan Sirote submitted enlarged photos of the store building taken from various homes along Merry Lane. He also submitted scale overlays for the photos showing the proposed signs and the proposed screening of trees and shrubbery. These photos showed that the screening would be woefully inadequate. At this point the spectators indicated an intense interest in what they have to say.

The hearing was put on the hold-over calendar of Oct. 5, with the distinct possibility that it will also be on the decision calendar of the same date. Watch THE VILLAGER for details.

Curb Trees Available - - Now

Once again the Community Purchases Committee announces that it has arranged for a group planting of curb trees. In keeping with last year's decision, the Committee has selected European Plane Sycamores, 1 3/4" to 2" caliper to be planted, staked, wrapped and guaranteed for one year.

Fairhaven Garden Center has been selected to provide the trees at a price of \$17.00 each. Each resident is urged to take advantage of this offer which will enhance the beauty of our community. Although planting will be in November, orders and deposits must be placed no later than Oct. 30. Please send the coupon below to Seymour Berkman, 19 Yates La. or Carl Denny, 16 Otsego Pl.

All home owners are urged to plant at least two trees in front of their houses.

A \$5.00 deposit is required for each tree. Make out check to the order of Fairhaven Garden Center. Send coupon to Seymour Berkman, 19 Yates La. or Carl Denny, 16 Otsego Pl.

Fire Prevention Program Set

Fire Chief Paul Kardel of the Jericho Fire Dept. has prepared a complete program on Fire Prevention in the home to coincide with National Fire Prevention Week. The program will feature a motion picture on home fire prevention and speakers from the department. Also on hand will be technical experts such as electricians and heating experts to answer questions involving their specialties. In view of the recent, unfortunate, demonstration we had in East Birchwood of fire's wrath we feel this should be a must for at least one member from each family.

Birchwood Bowling

By Maurice Torgove

The West Birchwood Bowling Blockbusters comprising the Jericho League started their weekly trek every Tuesday evening to Westbury Bowl and rolled up an auspicious beginning to what promises to be an exciting season.

This year the league has been enlarged to twelve teams. At a meeting preceding league play the old members voted to buy shirts

for the twenty-five new members out of league funds and announced the Dinner-Dance at the end of the season will be held at the Meadowbrook. Those who remember last years dignified (???) affair are certainly looking forward to this one.

Carl Zydney bowled the individual high game with a 209. High series honors went to Carl (last year broken knee) Denny with a 508. Behind Carl were

Mike (pipe in the mouth) DePasquale and Sandy (he's so good looking) Kinberg with a 489 series each. The Tigers and the Cardinals won all four points and are tied for first place.

Slammin' Sidney Buckman passed out cigars celebrating the birth of his third daughter Flapper Jack Rubinstein, who won the individual high average championship last year and had his wings clipped. He had the poorest night I can remember Bowling Ball Bobalu Freeman one of the most improved bowlers in the league Murray (man, what legs) Lambert did his bowling in Bermuda shorts.

Judgement At Nuremberg

Tickets Available

A spectacular and extraordinary motion picture, produced by Stanley Kramer with a magnificent cast including Spencer Tracy, Burt Lancaster, Richard Widmark, Marlene Dietrich, Judy Garland and Montgomery Clift will have its world premiere in Berlin December 14th after which the New York premiere will be held Dec. 19th at the RKO palace Theater.

Temple Or, Elohim of Jericho, through the efforts of Lawrence Gibbs, has obtained a real first in first run motion picture theater party history. Temple Or Elohim obtained 500 tickets for the first Saturday night performance of this epic motion picture. Encompassing the best reserved house seats. At this moment there are about 200 tickets still available to Jericho residents at a cost of \$5.00 each which is \$1.50 over the box office price and represents a profit

Masquerade Parti-Gras

We are planning many surprises for the evening of our Masquerade Parti-Gras which will be held at the Jericho Jewish Center on Saturday night, Oct. 28.

We will have set-ups and hours d'oeuvres as you come in to dance to music of a live band. Supper will be served at about 11 p.m. Table arrangements will be made at your pleasure.

We are hoping everyone will join us in costume, but for those who are not comfortable and like to observe from the side line, your dress is optional. Only costumes will be eligible for the many and wonderful prizes in store.

All this and much more for \$15.00 per couple. Please call us for your tickets and table arrangements as soon as possible.

AT YOUR SERVICE

A New Nationwide Number for Telephone Information

555-1212

A New Way to Call Information

To make it more convenient for you to get telephone numbers in communities nearby or far away, we're setting up new Information Centers in Direct Distance Dialing areas throughout the country. Each center specializes in the telephone numbers in its own area, and this provides a fast way for you to get the information you need to dial your calls to that area direct. For example, there's a center covering New York City, the 212 area, and one for the San Francisco region of California, the 415 area.

- You speak directly to an operator who is familiar with the area you're calling.
- You get faster service because the operator has fewer books to search through.
- You, of course, are never charged for this new, improved information service.

Let's suppose you want information about a number in New York City (Queens, Brooklyn, Manhattan, Bronx, Staten Island). You simply dial the Area Code (in this case 212), then 555-1212. You will talk directly with an operator in the newly established Information Center for New York City. You'll get fast service because she is familiar with the locality and has fewer and more up-to-the-minute books to consult, books that cover New York City alone. The same thing applies to San Francisco (dial 415 then 555-1212), or to other Information Centers throughout the country.

This new information service means that you get better service on your calls for local information, too. Your local information operator will no longer have to answer calls and consult books about numbers at distant points. She can now give her full attention to giving you local information service—fast.

We feel sure the improved information service will make it even easier for you to enjoy all the advantages of nationwide dialing.

More complete details about this new plan are in the introductory pages of your directory.

HERE'S HOW THE NEW SYSTEM WORKS FROM NASSAU COUNTY:

For SUFFOLK AND NASSAU COUNTIES
dial 555-1212
NASSAU numbers may also be obtained
by dialing 411

For MANY POINTS IN OTHER AREAS,
consult the introductory pages of your telephone directory. To reach points marked with star (*), dial Area Code : 555-1212
For example, to call information in the areas below,
use these Area Codes:

New York City (Queens, Brooklyn, Manhattan, Bronx, Staten Island)	Area Code is 212
Westchester County	Area Code is 914
Northern New Jersey	Area Code is 201
Connecticut	Area Code is 203
Chicago, Illinois	Area Code is 312

GRID HI-LITES... Couldn't get to much of a line on this one but the Hicksville High Jayves dropped their league opener to their Champlain hosts by a score of 24-0. According to some off the cuff remarks, Frank Casalino was cited for some outstanding play for the losers side. "Potentially, this is a sound squad, the cuffman added... "But they never quite got rollin'." This column looks for a reversal in scores, the next time out. ADDED DATA... concerns a scrimmage between the Jr. High, Meteors and their Carle Place hosts. These scrimmages are just advanced practice sessions, so no score was involved. Coach Warren Meyer felt that his squad did a fine job vs the Carle-men & after a pair of scrimmages with Bethpage & Champlain, will be ready for the league opener this Saturday. Vinnie Hoosack & Larry Wesolko were chosen, game captains for the Carle Place rumble, with George Sahaidchmy listed as the outstanding player.

AT RANDOM... A short profile of a young old-timer. Name John Ash, Head of the Jr. High, boys Physical Education dept. John was born and raised in N.Y.C. and attended James Monroe High School in the Bronx. After graduation he entered N.Y.U. and majored in Physical Education, Recreation and Hygiene. He's a widower and father of two children. Prior teaching experience was with Westchester County and N.Y.C. school systems from 1942 to 1945. Came to the Hicksville School District in '55 and was appointed head of the staff at the Jr. High. The student body was then in the vicinity of 1200 and the staff consisted of two. In 1956, with the completion of the new wing, the staff increased and at the present time, totals 7. John Ash's athletic

background is one of multiplicity. He was 3 letter man in High School. (Basketball, football & baseball) The latter sport earned him an All-Scholastic rating in 1931. (Shortstop, representing Monroe High). He later played football with the Phys. Ed. team at N.Y.U. but due to the fact that he was a student and working in college at the same time, he was unable to go out for the school team. John holds a Ph. D. equivalent and has in the past few years taken courses at Columbia and Hofstra in Administration and Supervision. Both children are following in Papa's footsteps via the Education Trail - son, Herb, is a senior at Queens College. C.B.S. NEWS... Last week the Comet Booters Society started out the Soccer season by downing their Mac Arthur hosts, 2-0. This first scheduled game of the season, provided the nuptial, prior to the league opener. Chipper Jaworski scored the lone Comet goal by heading the ball into the net on a cross boot from Tom De Brocks. In the league opener, on Tues. of that week Hicksville kept the skids going by taking a 6-2 decision from their Plainville hosts. Stu Blust scored 2 goals, with Vinnie Coletta accounting for the other. The outstanding defensive award, went to Roy Garman for his fine work in bottling up the visitors, ace playmaker. In the 2nd league tilt of the week on Thursday, Great Neck, South blew into Cometland and colled the locals down, to the tune of a 4-1 setback. Vinnie Coletta scored the lone penalty point for the losers. Long booming Hicks by the Great Neck fullbacks was the deciding factor in this upset. According to Coach Harry Remo, the team has looked good in the competition so far... "We were outboxed in the Great Neck game,

he stated... "But I have an idea we'll be finishing well above the 500 mark."

COMETS AX TREEMEN... Normally a sporting event of any type, is an easy thing to set down on paper... A bell rings, a flag is lowered, a whistle blows, or it might be the crack of a pistol, that suddenly makes an event take on motion. The spectators cheer and the final outcome is a matter of split seconds, minutes or hours away. The event might possibly end in a draw but public opinion takes this matter into their own hands, and makes a decision as they see fit. The final result being, there's always a winner, a loser, a final score, a series of maneuvers or outstanding plays and last but not least, if its a team that's involved, recognition must go to the outstanding player. All these ingredients were present when the Hicksville "Comets" took the league opener from the "Island Trees", visitors, by a score of 26-6. Hicksville went into the oval as a heavy favorite in this tilt but nevertheless, they still come up with an impressive victory. In spite of Newsday's prediction of a 28-7 win for the Comets, the Treemen were by no means ready to be counted out. Throughout the first half, they had their fingers in the victory pie by constantly stirring up the gluepot, with a series of line backs that eventually brought them their lone touchdown. They made a 30 yard march, right through the middle of the line and at that point in the game I wouldn't have given a plugged nickel for the chance of a one-sided Comet victory. Hicksville had opened the first quarter with a 51 yard pass play, that drew first blood. Quarterback Steve Glibowski rifled a perfect strike to shifty Halfback Ray Strassburger and the Hicksville stands rocked as Ray went over for the tally. Chris Coletta ran the extra point making it 7-0. At the start of the 2nd quarter Hicksville racked up

their second score, making it 14-0. Chris Coletta had set up the touchdown with runs of 9, 20, 10, and 3 yards. Strassburger scored his second touchdown of the day by bucking over from the 3 yard line with Fullback Charley Tietel driving for the extra point. Next came the Island Trees assault on the Comet line that resulted in their score, making it 14-0 at the end of the half. Without a doubt, there must have been a few sessions during half-time in the Comet clubhouse. We venture to guess that Head Coach Jim Grantham and Assistant Army Tomatal and Ed Petro told the boys to forget all about "Emily Post" and her rules on how the host should behave toward visitors. That all this happened is purely conjectural, of course, but a lot of back was skimmed off the Island cross trying to crack that Comet line in the 2nd half. From my vantage point, in the cabbage patch on the south end of the field, I doubt very much if a Mark V tank, could have gotten through. (The reason I was in the cabbage patch and not in the grandstand like all normal operators was simple... I was trying to pick up a side bet, involving Jelly Apples and the Comets' chances to win. I caught me scalping on the prices and threw me out of the park.)

During the half-time, Band Director Jerry Pellente and his group of Kool Kats (The High School Band) put on a big production for the cash customers. Special features, offered by various groups of H.S. students, included the Mexican Hat Dance, the Irish Jig and a Typewriter and Rocker number. "All this plus some of the finest marching music, heard in these parts, was Hicksville High's answer to the inflationary trend. (50¢ admission for a bangin' ballgame and a gridiron Concert). And now comes that part of the 2nd half, where the game blew wide open. (ANORMAL coverage of the

game that appeared in the I.L. Daily Press on Sunday morning, made me wonder if the Press reporter and I had been watching the same game. One third of the item was like this... "The Comets converted two Island Trees fumbles into quick touchdowns, then broke the game open with two scores in the final period in the non league North Shore Contest" I could say more but I'll censor my own opinions on what constitutes adequate coverage of a sporting event. In all fairness to every Comet who played on the field or happened to be riding the bench, a few extra plaudits must assuredly go to Halfback Chris Coletta, for another amazing performance in broken field running. This 175 lb. of greased lightning who broke the game wide open in the last half, not only looks like a football player but he is one. When he gets his meat hooks on that ball he runs like a guided missile with a radar nose cone... He has the uncanny ability of reading his interference like a Gypsy fortune teller reads tea leaves. A lot of hands manage to touch him on his broken field sprints but a real flat-footed bear hug is the only thing that will bring him down. He eludes ordinary tackles and tacklers with a swivel hip, change of pace motion that's almost impossible to describe. This is the mark of a true champion... Only a direct hit can stop him in his tracks. There's no denying that Coletta has good interference going for him but like a miser with an advanced case of Halitosis, he hoards it to the bitter end. He squeezes every last drop out of that interference and once in the clear it takes a track star to catch up with him. If you happen to be a football buff, like I am, watching this "Kumatched Legged Comet in action will give you a new lease on life. Believe me when I say, and I repeat this from the last column... any other unforeseen occurrence, this boy will be in the big-time in a matter of a few years. Class for class, and pound for pound, he's on the top shelf with a few that have gone before him. Manhasset's Jimmy Brown had this certain thing in spades. There's only one difference between the 3 of them. Brown and Blocker were powerhouse drivers that could go through a brick wall if it stood in their way but Coletta is a broken field phantom that takes the line of least resistance. As was the case last Saturday in the final quarter, Coletta made 2 touchdown runs of 19 and 25 yards. On the 19 yarder, he covered over 40 yards and on the 25 yard jaunt, he covered almost double the necessary distance; disappearing into a horde of tacklers so many times that I lost sight of the ball. This boy really did romp, dance, waggle and whirl and at times you'd swear you were looking at a Hindu Fakir, dancing on a bed of hot coals. And to make certain all this was not a figment of our imagination, we went for a direct quote from the

man who should know, "Comet" Coach Jim Grantham did the talking and answered our question with a question of his own -- "You saw the game," he said quietly over the din -- "Have you seen any better runner lately around these parts? -- "And with the addition of 1st year man Ray Strassburger and his fine all around play, we've got a double threat for the opposition to figure out." Now before I lapse into a complete fit of redundancy, let me close this final passage. If you haven't seen Chris Coletta in action and you happen to have a minor injury and you happen to arrive at the game in a wheel chair and you don't jump out of your wheel chair when this Hocus-pocus Halback goes into orbit... Then brother you had better check that pulse and make sure its pulsating. You might be dead and don't know it. (Boy that was a redundant sentence...The typewriter got away from me.)

Mothers Greet School Principal

On Monday evening, Sept. 26, St. Ignatius Loyola Auxiliary of Christian Mothers held the first meeting of the school year with an exceptionally large turnout.

The president, Mrs. Mildred Sauer, welcomed the new principal, Sister Mary Venard, O.P., formerly at St. Boniface in Elmont, and the new staff members. They are Sister Mary Henry, Sister Jean Therese, Sister Ann Jessica, Sister Mary Warren, Sister Constantia, Sister James Andrew, Mrs. Treacartin, Mrs. Pignataro, Mrs. Shaw, Mrs. Hilly, Miss McCormick, Miss Camilleri, Miss Grafenstein and Miss Higgins.

Mrs. Sauer introduced her chairmen for the year: Evelyn Spina, Program; Marian Braun and Dorothy McNeely, Uniforms; Lorraine Guest, Publicity; Madeleine Keller, Membership; Mary Novellano, Milk; Frances Roman and Mae Collins, Mimeograph; Marge Coleman, Hospitality; Mary Kratzel, Medical; Norma Lyster, Dark Horse; Helen Brennan, Transportation; Alice Groody and Dorothy Seery, Yard Supervision; Helen McGowan, Refreshment.

Rev. Leo J. Goggin, Moderator, welcomed the mothers. He expressed the wish that members continue to cooperate by attending all the meetings in order to receive information the Sisters and teachers wish to impart. Father Goggin reminded the members that charity should prevail in all our words, deeds and actions.

The climax of the evening was the address of Sister Mary Venard, O.P., and the introduction of the new staff members. Sister Venard expressed the hope that she would have the same help, support and cooperation that was given her predecessor, Sister Rose Dominic, O.P., who is now at St. Margaret's in Middle Village. Sister informed the mothers that two cafeterias for the children will be installed, one in the old school building and the other in the new building. Sister said the parents' gratitude and thanks should go to the pastor, R. Rev. Msgr. George M. Hittermann, V.F.W. Mothers were also advised that piano lessons will be given by one of the Sisters and those interested parents should apply at school. Mrs. Patricia Brady and Mrs. Marge Coleman head the committee for the Cake Sale which will be held on Oct. 29. All the members will be expected to participate by baking their specialty.

The Bazaar Chairwoman, Madeleine Keller, expressed appreciation to all members of her committee for helping to make the bazaar a success.

The school district nurse, Miss Patricia Fay, explained that physical examinations are required of every child. Children may be ex-

amined either by their own physicians or by the school doctor. Medical forms should be properly completed and returned next week.

The mothers were advised that the girls' uniforms must be purchased through the Collegiate Outfitting Co. The boys' uniforms may be purchased at shops of the parents' choosing.

The Dark Horse prize of five dollars was won by Mrs. Ann Renner.

The next regular meeting will be held on Oct. 23, when Melvin Anderson, Clinic Administrator of St. Anthony's Guidance Clinic in Williston Park, will address the Auxiliary.

Tops Nation Turkell Again

Howard Turkell of 170 Forest Drive, Jericho, who received B'nai B'rith's top membership award in 1960, won it again this year by signing up 197 new members in the Jewish service organization.

In announcing the winner of the nationwide membership contest, Dr. William A. Wedder, national membership chairman of B'nai B'rith said this is the first time anyone has won the award twice.

Sisia Is Diligent Public Servant

Councilman Louis A. Sisia of Bethpage, Republican candidate to succeed himself for another four-year term as a member of the Oyster Bay Town Board, was born in Brooklyn in 1912 and moved to Bethpage at an early age with his parents where he attended Bethpage public school, Hicksville High School and Long Island University. He is widely known throughout his home community and the Township as a diligent public servant who has a record of fine accomplishments for the homeowners in the Town during his first four years on the Town Board.

Mr. Sisia, currently serving as Chairman of the Town Board's Standing Committee on Sanitation, guided the Sanitation Department through its period of greatest growth which has provided the Town's more than 60,000 homeowners with a safe dependable municipal sanitation service. Working closely with Sanitation Department personnel Mr. Sisia, as a responsible elected official, has also developed an outstanding preventive maintenance program to promote efficiency and economy in the operation of the Department's fleet of sanitation trucks. His farsighted recommendation that a new sanitation garage be constructed to carry on this program and to keep pace with the Town's dynamic growth was adopted by the Town Board.

Mr. Sisia also serves as a member of the Town Board's Standing Committee on Codes and Ordinances and his knowledge is aiding greatly in the current thorough-going codification of Town ordinances.

Louis A. Sisia

An active civic and community worker, he is past president of the Bethpage Kiwanis Club; a member and secretary of the Board of Trustees of the Bethpage Public Library; member of the Bethpage Fire Department; past president of St. Martin of Tours Holy Name Society and is a Trustee of the Knights of Columbus, Father Hartigan Council No. 5033.

A licensed real estate and insurance broker with offices in Bethpage, Councilman Sisia resides at 69 Sycamore Ave. with his wife, Mae, and four daughters, Carolyn, 19, a Hofstra College Junior, and Andrea, 18, Sandra, 16, and Justine, 15, all of whom attend the Bethpage High School. (Adv.)

Luckiest Boy In The World

The dream of every boy became a reality for Mitchell Goldman of Sullivan Drive on Sept. 28.

Mitchell rode to the Mid Island Shopping Plaza with Roger Maris and also had the opportunity of talking with him while waiting for the ceremonies to begin on the Plaza. Mitchell's brother Neil, was there too.

One of Mitchell's friends voiced the sentiments of all, when he said - "Boy, I wish I had been Mitchell today - he's the luckiest boy in the world!"

Check Furnace Now
If you have not had your furnace checked since last winter, better do it now. The National Board of Fire Underwriters reminds.

Around one fire out of ten in the United States is caused by a defective heating unit. An additional 3.7 per cent broke out in defective or overheated chimneys, flues, etc.

Hide and Seek . . .

DRIVING CLOSE to a line of parked cars at 25 mph is dangerous. If a little boy runs out from between them you may not see him until he is within 15 feet of your bumper, where you would hit him if you couldn't stop in time. But a car moving 25 mph takes 63.5 feet to stop, and this is 48.5 feet more than you have. With oncoming traffic you can't dodge left—because of parked cars you can't dodge right. Slow down and keep as far left as you can without interfering with traffic.

Six Rules For Baby Sitters

Never leave children at home alone, the National Board of Fire Underwriters said today in a Fire Prevention Week message.

If there is no adult member of the family or neighbor available to stay with the children, a baby-sitter should be employed, the Board said.

The National Board listed the following rules which should be followed when you have a baby-sitter:

1. The parents and the sitter should know each other well.

2. Only a sitter who has a sense of responsibility and who likes children should be employed.

3. Use the same sitter regularly if possible.

4. Acquaint the sitter with children and pets.

5. Give instructions orally and also leave them in writing.

6. Be sure the sitter understands that in case of fire, she should, first, get the children out of the house, then call the fire department. After that, the sitter should notify the parents.

"No wonder women live longer than men. Look how long they're girls."—Tid Bits, London.

Fire Prevention Is Everybody's Job
Throughout the year, fire strikes an average of 800 American homes every day.

Every three quarters of an hour, fire takes a life somewhere in the United States.

And, the tragic thing about these fires is that thousands of them could have been avoided. They should never have happened.

It is as a reminder of this fact that the nation is observing Fire Prevention Week from October 8 to 14.

Nearly one fourth of all fires in this country are caused by matches and smoking, according to the National Board of Fire Underwriters; another 20 per cent are the result of misuse of electrical equipment.

Simply by using care with matches and lighted cigarettes, cigars, and pipes, we can hold down our vast fire toll.

By keeping matches away from children we can prevent them from starting fires.

By making sure that all of our electric appliances are in good repair, we can reduce the possibility of fire still further.

That is one of the truths being stressed during Fire Prevention Week this year.

Fire Prevention Week always falls in the week containing October 9, for it was on that day in 1873 that the Great Chicago Fire broke out. The Chicago fire took 250 lives and destroyed 17,439 buildings and other property worth \$175,000,000. In terms of today's construction costs, the Chicago property damage would have run into billions.

The Great Chicago Fire, in addition to being tragic and costly, had one constructive facet—it made America fire-conscious.

Eventually it brought recognition of the need for a coordinated national fire-prevention effort.

On October 9, 1911, the 40th anniversary of the Great Chicago Fire, the first Fire Prevention Day was observed. In 1920 President Woodrow Wilson issued the first Presidential Proclamation of Fire Prevention Day.

In 1922, President Warren G. Harding proclaimed the first Fire Prevention Week.

And each year since then the President of the United States has proclaimed Fire Prevention Week.

Fires last year took the lives of 11,350 persons.

And fire losses in the United States have exceeded \$1 billion for four years in a row.

It is to the interest of all to rededicate ourselves to care with fire at this time.

ANNE MARIE BRESCHARD

Mr. and Mrs. Elmer M. Breschard, Jr., of Hicksville have announced the engagement of their daughter, Miss Anne Marie Breschard, to Eugene D. Manelski, son of Mr. and Mrs. Robert J. Manelski of Syosset. A spring wedding is planned.

Miss Breschard is a graduate of St. Dominic's High School in Oyster Bay and has attended St. Vincent's in Manhattan and Nassau Community College. She is now employed by Republic Aviation Corporation in Farmingdale.

Mr. Manelski is associated with The New York Telephone Co. in Patchogue. He served for four years with the United States Navy.

MATTHEW L. CONNOR, son of Mr. and Mrs. Ken Connor, formerly of Hicksville (Class of 55) and grandson of Mr. and Mrs. George Connor of Syosset. His grandfather is with the postal service in Jericho. He was a year old on July 4th.

Nassau County Judge Paul J. Wilditz, Republican candidate of the 10th Judicial District Convention to succeed retiring Supreme Court Justice Cortland Johnson, may be the last candidate to run in this three-county district. A proposed court reorganization amendment would set up Nassau and Suffolk as a single district, with Queens becoming the 11th Judicial District.

Judge Wilditz was born in Rockville Centre, graduated from Pennsylvania State University and received his law degree from New York University. World War II interrupted his practice in Mineola. After serving as an enlisted man and an officer, he returned to practice, moving to Levittown in 1947.

In 1951 the young lawyer was named to the District Court to fill the vacancy caused by the death of Judge George S. Johnson. He was elected to a full term, serving on the District Court until the end of 1956 when he was elected County Court Judge. He is now senior presiding judge of the County Court.

Judge Wilditz has introduced an efficient pre-trial system in civil matters and has reduced the backlog of cases in the County Court, both criminal and civil. As a result, the County Court calendar is now within a few months of being up to date—and in one of the nation's fastest growing counties. (Adv.)

Recreation Gets Into Swing Oct 9

Hicksville School District Recreation will begin its fourth school-year program on Oct. 9th. The program once again will provide activities for all elementary and high school students.

Seven Elementary Centers will be located at Burns Ave., Dutch Lane, East St., Fork Lane, Lee Ave., Old Country Road and Woodland Ave. Schools. These areas will open on Saturday, Oct. 14th from 9:30 a.m. to 11:30 a.m. Other elementary activities will include bowling at the Mid Island Bowl, Saturdays, 9:30 - 11:30 a.m., baton twirling, dramatics, modern dance and arts programs will be available on Saturday afternoons, 1:00 p.m. at the Junior High School. All children are urged to register the first day, Oct. 14th.

Diocesan Football Season Opens

On Sunday, Sept. 24, the Rockville Centre Diocesan Grammar School football season started with renewed vigor. This marks the fourth year of the existence of the highly successful league. This league is limited to boys in Grammar School and under 125 pounds in weight.

St. Ignatius Loyola, pioneer and powerhouse in the league, opened its season by entertaining St. Joseph's of Garden City at the Hicksville Junior High School Field. St. Ignatius under the quarterbacking of Augie Reinhard immediately went to work and with Steve Hergen scoring. In the second half Coach Caldwell used his second and third stringers who also scored. Reinhard, Breschard and Shanley all scored touch downs. At the start of the second half Reinhard picked up the opening kickoff which had previously been touched by another St. Ignatius player and with perfect blocking scampered some 70 yards for the touchdown. The entire St. Ignatius roster showed good form and strength. Final score St. Ignatius 46 St. Joseph 0.

St. Raphael's of East Meadow entertained St. Rose of Massapequa in a real struggle. Both teams showed a fine defense. Mike Barry and Mike Davey and Byron Powers electrified the crowd with their fine offensive thrusts. Davey going 90 yards. Final score St. Rose 12 St. Raphael 7.

St. Ann's of South Garden City tangled with St. Patrick's of Huntington is what proved to be a

stunning upset. St. Patrick being the defending champion. Tom Carberry of St. Ann scored four touchdowns to lead his team in all of the scoring. Jim Walters, DeFolice and Masterson and Fleming played a fine defensive game for St. Patrick. Final Score St. Ann's 26, St. Patrick 0.

Our Lady of Lourdes of Massapequa played Holy Family with Holy Family making its debut in the league as a replacement for Maria Regina. This was a real scrap with Holy Family showing amazing strength. Cavanagh scored two touchdowns and Andy Senese one touchdown. All for Our Lady of Lourdes. Herlihy and Dooley scored the extra points for O.L.L. Denise Trimble played a terrific game on defense. Craft of Holy Family went 75 yards on an interception for a score for Holy Family. Byers was the chief ground gainer. Final score Our Lady of Lourdes 21 and Holy Family 7.
