## Expand Phone Service Here

The telephone company has prescribed some new equipment to ease growing pains in Hicksville. Lamphere, N.Y. Telephone Co. manager here.

"When the building additions are finished, Western Electric Co. installers will put in additional dial facilities to meet the demands caused by the tremendous growth in the Hicksville area," Lamphere said. Western Electric is the manufacturing and supply unit of the Bell System.

A one-story addition, 25 feet by 102 feet, is being constructed at the west side of the present building. Another will add a third story to the central part of the present building. A third addition will be a three-story, 14-foot extension to the rear of the central part of the present building.

## Meister-Singer Script To Feature Jericho Scholarship Show

By ELINOR WINTHROP

Eugene Singer (Marty), and Jerry Meister have written an original script which will be West Birchwood's offering in the Scholarship Fund Show to be held at the Jericho High School on Friday and Saturday evenings, Nov. 10 and 11.

Under the able direction of Mrs. Elaine Sine, the following Little Theatre Group members will participate in the Scholarship Fund Show: Jerry Meister, Robert Ballot, Elthor Wintthrop, Morton Wintthrop, Selwyn Golub, Lola Rosenthal, Gloria Frommick, Joan Gilbert, and Lennie Goodstadt.

The Little Theatre Group has made great strides since its inception over a year ago. The notable achievements include an award winning performance in the 1960 Scholarship Fund Show and the much acclaimed presentation of "Marty" this past spring.

This year of 1961-1962 promises to be a fulfilling and exciting one for all of us. In answer to a great demand by not only the members of the Theatre Group, but also many residents of our community, Elaine Sine will be conducting an actors workshop commencing the middle of November and running for a ten week period.

In this workshop the fun and enjoyment of acting will be realized. All those members of West Birchwood Civic Association who like to act, who have ever secretly dreamed of acting, or who are just plain "hams" please contact Lola Rosenthal at WE 5-0960 for information on how to register for the ten week acting workshop.

Elaine Sine is a talented and competent actress in her own right and we are all eagerly awaiting her highly praised workshop.

The major production of the year, a three act comedy, is scheduled to take place on March 30 and 31, 1962. Casting for that production will be called for early December, so reserve that time on your personal calendars.

Following the March production we have "another workshop planned" -- this time a directing course. As you can see there are many facets of the theatre group and we know that each of you could feel at home participating in some way in the Little Theatre Group.

For each actor you see on the stage it takes at least four backstage people to enable him to appear -- costumers, make up artists, prompters, scenic designers, carpenters, painters, writers, prop men, and an endless number of business detailers to handle financial matters, ticketsales, and publicity accounts.

## Original Shows Aids Scholarships

The Jericho Scholarship Fund will once again, on Friday, Nov. 10, and Saturday, Nov. 11th, at 8:30 P.M. in the Jericho High School Auditorium present an original show.

The program will be packed with local talent, both professional and amateur, and an extra special treat the Jericho High School Band. It promises to be a very amusing and entertaining evening for adults as well as children.

Tickets at \$1.50 each will shortly be available through all local organizations. All money received through this endeavor will be turned over to the Scholarship Fund Committee. This is a community project established for the benefit of all the children in Jericho School District J5. Won't you please help by attending the Review?

## Birchwood Bowling

### VINCE GRECO SETS HOT PACE

Now that the season is a couple of weeks older, the Birchwood Bowlers are starting to hook into the one-three pocket with more authority and frequency.

Newcomer Vince Greco is rapidly making a name for himself as the man to beat. He tossed a beautiful 212 which included five straight strikes. To prove this was no accident, he ended last Tuesday evening with a 586 series, high for the league up to this point. His average is also high in the league, high-in-the-sky 175.

Once again the Community Purchases Committee announces that it has arranged for a group planting of curb trees. In keeping with last year's decision, the Committee has selected European Plane Sycamores, 1 3/4" to 2" caliper to be planted, staked, wrapped and guaranteed for one year.

Although planting will be in November, orders and deposits must be placed no later than Oct. 30. Please send the coupon below to Seymour Berkman, 19 Yates La. or Carl Denny, 16 Otsego Pl.

All home owners are urged to plant at least two trees in front of their houses.

## West of Bway By McKINLEY EBBITZ

Seems like half of West Birchwood was out inspecting the new models on opening weekend and it was an almost universal opinion that we bought at the right time--back in 1957 and 1958. Those strikes, year after year, make the prices we paid, look better and better all the time.

And finally, the Messrs. S&S sent a bulldozer around to the property in the back of the homes on Sullivan and presumably cleaned up the mess which outraged residents complained was contaminating the area. However the high grass and weeds are still there. A tip to those on Sullivan: how about putting up a fence, say a nice stockade fence in the rear of your property so you won't have to look at the eyesore?

So the stray dog who was wandering around the neighborhood west of Yates Lane was finally trapped last week. From the way some of the mothers carried on one would have suspected that a mad dog was roaming the neighborhood. From our glimpses of the animal, he appeared to be more scared than anything else. Certainly he wasn't hungry because he had been making nocturnal visits to the garbage cans. It seems to us that some of our city born-and-brought-up brethren don't realize that only a comparatively short time ago dogs in Nassau County were permitted to run loose provided that they were licensed. After all, girls, dogs are MAN'S BEST FRIENDS!

Happy birthday to Robert Peterson aged (in the wood?) seven years October 10; Debbie Freeman 9 also Oct. 10; Elaine Trubatch of Chango Drive, October 19th; Rhonda Litt, aged (what, again?) eight October 21st.

BEAUTEFUL Gloria Freeman her hirsute husband Bob, celebrate their 15th year of wedded bliss October 27th. Rita Berkman is taking golf lessons in honor of her 7th wedding anniversary with Seymour on October 24th. Ruth and Stan Rothkopf will celebrate their 6th wedding anniversary on October 30th.

Condolences to Francis Licuski and Rose Bus of Craig Street on the passing of their mother. Breaking egg roll at Khan's opening were Carl and Iris, Denny and Barbara.

## Pen Pals Meet

"What a small world" was aptly used on a recent weekend, when Helen Peterson of 55 Orange Drive was visited by Virginia Reid Borrego, a pen pal of 18 years whom she had never seen.

Virginia hails from Austin, Texas, and the two women have corresponded since school days. Mr. and Mrs. Hal Borrego and their son Mike spent the weekend with Mr. and Mrs. Charles Peterson and their three children.

Hal has been transferred to York, Pa. where he works for York Refrigeration Co. Many more visits are assured.

"To kill two birds with one stone" was also put to good use because it was discovered that Hal Borrego's roommate from Cruces, Mexico Ted Goldbaum lives at 21 Orange Drive.

It looks like the Petersons, Goldbaums and Borregos had a very interesting weekend.

and Bob Ballot. . . . . Thelma and Bernie Rosenberg of Chemoing have a new cat named Peggy. When asked "Why Peggy?" "Because Bernie's cats have always been named Peggy."

Sorry to hear about Evelyn Pike's dead son horse. . . . . Herb Simmonds making like Sam Claus on his roof. . . . . There will be food, dancing, door prizes all helping to make our annual Election Eve Dance a truly memorable night and, of course, it is FREE to our members. So make it a point to remind your neighbors and friends to attend and help make this a really gala affair.

This evening will also give our members a chance to meet their new Officers and Board of Directors for 1962. There will be an opportunity to discuss any immediate or long range problems of community interest.

Your association is pleased to note that many of our community problems have been successfully dealt with and that by and large this has indeed been a banner year. There are many problems that remain for our new Board of Directors to tackle, but I am certain that with cooperation and backing of the community, that these problems will also be successfully resolved.

I shall look forward to seeing all of you at our Election Eve Dance where a good time should be had by one and all.

## Tom Pynchon Has Long Experience In Highways, General Engineering

The greatest progress in road improvement and construction under a "planned highway improvement program" has been accomplished under the efficient administration of Highway Superintendent Thomas R. Pynchon who has served the Town in that capacity since 1956.

As a Republican candidate for re-election to the post of Highway Superintendent on Nov. 7, Mr. Pynchon has a background of more than 25 years of highway supervision, maintenance and general engineering experience. He is a licensed surveyor in New York State and has been employed in consulting engineering capacities by a number of well known firms.

During his tenure as Superintendent of more than 800 miles of Town roads, Mr. Pynchon, through careful planning and efficient utilization of highway forces, has constructed many miles of Class A roads, re-surfaced existing roads and successfully kept a continual road maintenance program in operation over recent years despite some of the most severe winters in the Town's history. Pynchon, and the Highway Department, have won repeated high praise from the Town's homeowners, especially for their snow-fighting efforts, and in particular last winter when every road in the Town was plowed at least once during the first forty-eight hours of the record-breaking snowfall. Another innovation of Superintendent Pynchon to provide greater service for the Town's homeowners was the establishment of an emergency telephone center where homeowners' problems caused by severe winter weather could be handled with dispatch.

He also inaugurated a tree-planting and beautification program along highways where road widening was necessary.

In the internal operation of the Highway Department, Mr. Pynchon has introduced a modern radio communication system from which he personally directs the activities of all highway forces in the Town and which enables the Department to handle emergencies almost immediately.

Thomas R. Pynchon

Mr. Pynchon began his engineering career in 1931 when he accepted a position with the Nassau County Department of Public Works where he rose to the position of Assistant Engineer in charge of construction and general engineering for the Township of Oyster Bay and North Hempstead. He left the County position in 1954 to become Deputy Superintendent of Highways, Town of Oyster Bay, later becoming associated with an engineering firm as Field Engineer and General Superintendent, a position he held until his appointment as engineering assistant to the Oyster Bay Town Board.

Active in civic and community affairs, Mr. Pynchon has served as chairman of numerous fund raising drives for a number of worthy causes and was chief of the East Norwich Volunteer Fire Department from 1948 to 1950. He is a member of the Board of Vestry of Christ Church, Oyster Bay. He is Chairman and Leader of the Oyster Bay Town Republican Committee.

Mr. and Mrs. Pynchon have three children: a son, Thomas, who is a tree lince and technical writer for Boeing Aircraft Corp. in California; a daughter, Judith, a senior at C. W. Post College, Brookville, and a son, John, who attends Oyster Bay High School. The family resides on Walnut Ave., E. Norwich. (Adv.)

## Check "Un-Parking" Car...

IT TAKES THE DRIVER of the car only one or two seconds to  
play a dirty trick on you. A hand of the wheel, a touch of the  
gas, and the first thing you know you've got him practically in  
your lap. He only has to move a few feet to get into your lane,  
but you need time to see him, time to react, and space in which  
to stop. Useful hints in spotting this maneuver are: 1. exhaust  
coming from the tail pipe; 2. driver in front seat; and 3. front  
wheels in a turned position.

## Teams Play Full Schedule

By CHARLES LANG

Sunday, Oct. 8th, the Rockville Centre Diocesan Diocesan League played a full schedule in a highly successful and exciting season. Thousands of excited parents and fans witness these games every Sunday. All games are played at 2:15 P.M.

St. Aidan's of Williston met Holy Family of Hicksville. Holy Family, its first year in the league, has fielded a well coached team, which has surprised the entire league with their play. Both teams played a fine game with St. Aidan's showing some superiority. Charlie Martin of St. Aidan's was the outstanding offensive star scoring four touchdowns. St. Aidan's undoubtedly is one of the top teams to contend with. Holy Family again showed well with Wayne Gilmartin scoring their lone touchdown. Byron and Kraft stood out defensively for Holy Family. The PBC Bugle and Drum Corp under the direction of Lt. Joyce of Hicksville entertained at this game as they do for all of Holy Family's home games. A great big hand for Lt. Joyce and his PBC boys.

St. Aidan won this game 28 to 6. St. Raphael's of East Meadow another powerhouse in the league also went on its winning ways taking on our Lady of Lourdes of Massapequa. Billy Kelly of St. Raphael's excelled as the offensive star by scoring two touchdowns and passing for a third. Connell, Sweeney, Murphy, Diamond, Koch excelled in all around play for St. Raphael's. Ca-

vannah and Senise were outstanding for Our Lady of Lourdes, final score St. Raphael's 33 and Our Lady 0.

St. Ignatius Yellow Jackets of Hicksville also remained undefeated by taking on St. Rose of Lima of Massapequa at the Birch Lane School in Massapequa. St. Rose a pregame favorite and going into the game with expectations of winning, fielded a strong and well coached squad. St. Rose also a contender, showed remarkable speed and ball handling. St. Ignatius took the opening kickoff and went 70 yards for the touchdown with Steve Hemgen again the offensive star for St. Ignatius. St. Ignatius immediately rallied and also got into the scoring. Each team scored the first two times they received kickoffs which had the large crowd delirious. At the end of the first half St. Ignatius scored

## AROUND THE DISTRICT

By Joe Koerner

JR. HIGH GRID-LITES... The word had probably gone out, that the Meteor A team were capable of tearing up their league this year. And proof of this statement, not only did the Plainedge visitors show up last Friday afternoon on the Jr. High field but a pair of bird scouts from Farmingdale, also joined the entourage. Plainedge came to trade line bucks with the Meteors and Farmingdale came merely to check over the situation for a future date. Needless to say, both went home with feeling that all is not well in the win column. The Plainmen dropped a 27-7 decision to the Locals and the pair of "Daler" scouts wound up with a bad case of nervous prostration. At one point in the game, where I happened to be on the early, on the visitors side of the field, I heard the "short Daler" scout say to the long one, "See that?... They don't even have a good passer..." And then guess what happened.... Meteor Wuarberback Dennis Yattras tossed a 20 yarder to Steve Schuster, who went over for the score with Vinnie Moosack sweeping the end for the point. Scouts of course can be permitted some errors in judgment, so we'll just say that was opinion one down and one to go. Later in the 1st half, after watching Fullback Larry Wesolko run a few plays, the "Daler long scout" took his turn riding on the crystal ball. "See that, the long one said confidentially..." "This Wesolko isn't as good as we heard he was..." "He runs too straight up and we'll show our guys how to clobber him with low tackles..." "Now watch this", the long one added.... "He's gonna get clobbered, right now..." "They've got his number..."

And sure enough, this is just exactly what happened.... Wesolko did get clobbered but in getting clobbered he also pulverized half of the Plainedge team and carried four of the casualties on his back for the 2nd touchdown of the game. At his point, we lost all faith in the scouting expedition and went back to the local side of the arena. Minutes later in the 2nd half, Steve Schuster went over for the 2nd T.D. of the day, with Yattras picking up the point. In the final quarter, John Molloy, a real commie in the Meteor ranks, rounded out the day's action with the 4th tally for the locals with Yattras converting another point. Final score Meteors 27, Plainedge 7, Farmingdale 0. Scouts... a bad case of nerves. This was a day like all days in our time.... The local side got their names in the scoring column and the linemen, the backbone of any good football team just continued to open up the holes and soften up the opposition. This, once again, is football but without a doubt, the Meteor line, hold part of the list mortgage on this victory. Another unsung hero, that should be hitting the scoring columns in the very near future, is 2nd string Fullback Henry Sontag.... He's a big boy and a real hard runner and came up with a few powerhouse drives in this victory over Plainedge. Last but not least was the scoring run by Plainedge Fullback, Al Zallo.... Here's another boy, destined for Varsity headlines in a few years. Zallo drove straight down the sidelines for his 40 yard score and although hit and hit hard at least 5 times, he refused to take the count.... This is the mark of a future football champion.

JR. HIGH SOCCER... Coach John Santoro reports that his squad still hasn't hit the winners circle in League play for this season. Last Wednesday the Jr. High booters dropped the decision to Herricks by a score of 4-0. The Meteor league record is now 0-3, with Garden City scheduled for next Monday, away.

COMET BOOTERS, WIN 2... In the first booting party of the week, visiting Clark came in to drop an 8-0 decision to the locals. Center forward, Vinnie Coletta, had a good day in the shoe department, by booting in 2 of the 4 Comet markers.... His 1st was a 20 yarder on a cross pass from Chip Jaworski and the 2nd came after a wild scramble in front of the pipes. Twin brother,

Frank, not wishing to be ostracized by the other members of the Coletta clan, accounted for the 3rd marker.... He put on a Billy goat exhibition and bunted the ball in on a head high cross from Pete De Rosa. Inside left, Stu Blust rounded out the day's scoring by converting an out of bounds kick from Ted Swedella. In Tuesday's game vs visiting Syosset, Outside right, Frank Coletta started the action by taking a well placed pass from Rich Medina.... The Syosset goalie couldn't touch the bullet, that went into the right side corner. Almost immediately following this play, Roy Garman stole the ball and passed to Chip Jaworski.... Stu Blust came driving up the middle, took the pass from Jaworski and booted in the 2nd marker of the day. Vinnie Coletta rounded out the scoring by kicking in the penalty shot. Final count, Comets 5, Syosset 0. (P.S. Coach Harry Renn advised me to stay home and tend to my knitting when his booters are in action. I took in both games for about 20 minutes each and the visiting goal tenders were as unoccupied as a haunted house.... The minute I left, the introverted "Cometeters" dumped in 13 markers for both games)

A SHORT PROFILE.... Name

Andrew Gagliardo, presently employed as a day custodian in the Jr. High School. Born in Palermo, Italy and came to the U.S. in 1915. Throughout the years of 15 to 39, he and his family resided in Brooklyn and in that same year moved to Bethpage. Andy is married and had three grown sons and one daughter.... Wife's name is Domenicks, daughter's name is Rosalie. The sons are Domenick, Nick and Frank. Dom is an architectural drawing teacher, her in Hicksville at the Sr. High. Nick is a Dispatcher with a Ready-Mix Concrete Co. and Frank is a career Marine, presently stationed in Hawaii with 11 years of service to his credit. Andy's background was that of a businessman. Throughout the years 1955 to 59, Andy and his three sons were partners in a successful General Contracting Corp. located in Massapequa. This business was shelved when the sons decided to follow other careers. Prior to 1955, Andy owned a dress factory in Bethpage for 10 years, and after selling out bought another factory in Deer Park, which he operated for one year. During peak periods, the Gagliardo dress firms employed up to 25 persons.... But there was no retiring for an old war horse like Andrew Gagliardo. He was born with the working bit in his mouth and after shelving the contracting business returned to the Wars as a Custodian here in our School District. Generally

speaking as one of Andy's co-workers, I have found him to be, not only one of those wonderful persons whose friendship is treasured but also one of those excellent Custodians that are a definite asset to any school district. LATE REPORTS FROM COMETLAND.... Last Friday afternoon, the Varsity booters took their 3rd game of the week by outshooting Plainedge, 10-2. As of this writing, Great Neck North is still top dog in the North Shore league, with a 3-0-2 record but the Comets are only a hair off the lead at 4-1. The Northmen are undefeated thus far with 3 wins and 2 ties.... The locals have one loss on the debit side and this week should tell the tale. Scoring for the Plainedge game was as follows-- Vinnie Coletta 4 pts., Rich Medina, Chip Jaworski and John Malibi, 2; Comet goalie John Mirro has been cited for his fine work in covering the pipes thus far. In 5 games he, has come up with a 1.5 average, letting only 9 points get by him. This amounts to but four goals and a penalty shot which is some mighty fine "wicker work". It was reported that Louis Guerriere, former Custodian at the Fort Lane School has left for a 2 year tryout with Uncle Sam's rifle team. The tough part about these tryouts is that even if you don't make the Varsity, you still have to ride the bench for a few years.

## Introducing the style of the year is getting to be a habit with Pontiac!

One right after another, the Wide-Tracks have introduced the style that's been the year's most looked at and longed for. And along comes the '62 with the kind of freshness and fineness that only Pontiac comes up with. New length. New twin-scoop grille. A crisp, low silhouette. Cleanly curving taillights. You don't have to look twice to tell a '62 Pontiac! And you only have to drive it once to know that nothing else will do for you. Why not take the wheel and go Wide-Tracking soon!
