Another Election Tuesday:

# Light Registration For School Voting

*Hicksville Public Library  
 169 Jericho Ave  
 Hicksville*

In contrast to last Tuesday's election when about 16,000 persons voted for county and town officials, only 3,693 are registered and qualified to vote next Tuesday between 12 Noon and 10 P. M. in the School District referendum.

A little less than 600 persons added their names to the registration books during enrollment days last week. There had been 3,125 who registered at the annual meeting last May and are therefore eligible.

Heaviest increase in registration was in the East St. School area. Added funds to build a new gymnasium-cafeteria at East St. is part of the question being submitted to vote next Tuesday, Nov. 14.

The balance of the question is to appropriate additional money to finance the reconstruction of 24 temporary type classrooms as an addition to the Junior High School.

A public discussion on the referendum held last night (Wed) in the Senior High School attracted less than 75 persons.

The School District, meanwhile has started construction of the Willett Ave. School, the permanent addition to the Senior High and has taken title to the 4-acre Lumm farm next to the Senior High. These portions of the Nov. 1959 referendum came within the appropriation.

The School Board will tally the results next Tuesday night, Nov. 14 starting at 11 p.m. in the High School Student Cafeteria.

## Jr High School Bell Silent Without Clapper

The revelation that the clapper has been removed by persons unknown from the bell in the Hicksville Junior High tower is made by Joe Koerner in his interesting report "Around the District" on page 11 in this issue. The people of Hicksville contributed to provide this bell tower when the building was first dedicated as the community's first high school.

Joe Koerner also gives a detailed account of the Hicksville High-Clarke football game last Saturday when the Comets missed victory by a matter of seconds.

### Larry Gottlieb Is President

Elections were held last week in the Hicksville Junior High School. Those elected as officers of the Student Council were: Larry Gottlieb, President; James Boyle, Vice President; Terry Auerbach, Secretary and Ruth Weill, Treasurer.

### PTA TO MEET

The Old Country R.L. School P.T.A. of Hicksville will hold its monthly meeting on Wed., Nov. 15 at 8:15 p.m.

## Breaking Ground for Willett

SCHOOL ADMINISTRATORS gather next to a bulldozer at the ground breaking, Saturday, for the new Willett Ave. elementary school. Left to right on the bulldozer are: School Superintendent Abt. Herbert H. Johnsen, Jerome Zettler, Robert Baton, Cornelius McCormack and George Jackson, school board members; and contractor Dobson.

### Legion Color Guard Seeks Veterans

The Charles Wagner Post American Legion Senior Color Guard, winners of the 1960 Nassau County Convention Parade, are seeking additional members for preparation for entry in national competition.

Eligible veterans of the Korean Conflict and World War 2 are sought to join the snappily equipped and well drilled outfit. Business and drill meetings are held each first and third Wednesday evenings at the Legion clubhouse. Experience in actual color guard maneuvering, precision marching and rifle drilling is not necessary as capable instructors are on hand at all times. The prime requisite is a desire, and the ability to become a member of the team.

Interested veterans should contact Color Guard Sgt. Robert Sutton at WE 1-0569 or come to the Post clubhouse on drill nights. Veterans may also apply at any regular meeting of the Charles Wagner Post which are held on the first and third Mondays of each month at 24 E. Nicholas St., Hicksville.

### Junior High PTA

#### Hear Consultant

Shaniel Pallone, Assistant Director of Educational Consultation of the Francis College of Brooklyn, will be the speaker at the next meeting of the Hicksville Junior High PTA.

Pallone will attempt to shed some light on the eternal question "How Do We Get Along With Our Children?" In the course of his talk he will prove the sources of home tensions in our adult dealings with teenagers. If he does not answer your particular problem this discussion following his talk, to be led by him, should answer any existing problems.

The meeting will take place on Monday, Nov. 13th, at 8:15 p.m. in Coteria "A". Please use the Foundry St. entrance.

### Fire Destroys Taxi on Forest Dr

At approximately 8:00 P.M. on Sunday evening, Nov. 5, a taxi caught fire and was destroyed in front of 131 Forest Drive. The Acme cab, driven by Joe Walsh, came into the community on call. The cab went over a discarded spring mattress, or a part of one, lying in the street. Mr. Walsh's efforts to back the cab off the debris were of no avail. It is assumed that the mattress stuffing was set on fire by the cab's hot manifold.

George Frankel, who was driving by at the time the fire started, sped down to VILLAGER editor David Mark's home, nearby, and told Mr. Mark to place an immediate call to the Syosset Fire Dept. The Fire Dept. arrived in time to prevent any flames from reaching the gas tank and causing a serious explosion, but the cab appeared demolished beyond repair. Fortunately, no one was injured.

### TEEN TALK

By CAROL HORN

It might be of interest to both teen-agers and their parents to learn about the advantages of visiting a college before making a final choice.

Sofie months ago I was a member of a group that didn't realize that a college can make or break our decision as to whether or not our world would like to go there.

Two weeks ago my mother and I went to Syracuse University, since it is one of the schools I am considering. Our day started at eight in the morning. We left for La Guardia Airport to catch the nine-thirty breakfast flight. Only one problem, our plane did not leave until eleven, and no food was served. The flight took one hour but there was not enough time to sit. Since we had an appointment one o'clock, we chatted the student up to experience and our stomachs held out till two. The interview was very informative, because many questions, the answers to which could not be found in catalogues, were responded to with well formed answers. I had chance to talk with students, visit dormitories, and classrooms. I noted the congenial atmosphere on the campus and my mother and I were highly impressed with everything we saw. After a few hours we proceeded to the airport for our returning plane, which was scheduled to depart at 5:30. Although this was supposedly the dinner flight we recalled that morning's incident and decided to have dinner before we boarded. Shortly after a pleasing meal we left for home. We weren't aboard the plane but five minutes when the stewardess started serving the evening meal. My mother suggested that we pretend we were hungry, so we had another dinner. I guess it made up for not having breakfast. The trip was really a worthwhile investment since student fares are half price to any college.

The funniest part of the entire trip was the fact that the man sitting next to me was guidance counselor; so we talked about college, what else? The only thing I wonder about today is who will be going away to school, my mother or me.

### Passing It On

By IRVING HERSKOWITZ

BLOOD AND YOU: Insurance is always a number one concern to everyone - whether it be fire, health, life etc. Blood insurance should also be considered and that may be obtained by joining the Jericho Blood Bank. The donation of one pint of blood by any family member insures the whole family for one full year.

GOT A GOOD RUMOR??? The rumor mill has turned up the following: A movie house to be erected adjacent to Milleridge Inn additional stores with the possibility of a mortuary to rise on Jericho Turnpike. Of the aforementioned rumors the movie house and stores appear to have some foundation.

FALL OUT SHELTERS: It wasn't too long ago that our civic minded citizen, Ralph Diamond, wrote a series of articles in THE VILLAGER advocating the importance of building community shelters. That was long before the bellcose pig from Russia did his bomb rattling. The Birchwoodites responded to these articles in their most imitable fashion - indifference. Wonder what they all think of Mr. Diamond's foresight now?

MID ISLAND SQUEEZE: The Mid Island Shopping Plaza appears to be in a tight spot. They are now squeezed between competition on both ends; two new discount stores on Hempstead Turnpike and the new one opening in Birchwood. Hence the desire of the Plaza owners to erect apartment houses on the vast empty acreage opposite the plaza. Dwellers near their shopping center would help them survive.

J.H.S. BAND: The Jericho High School Band is really beginning to jell now. Jericho-ites who haven't heard their high school band perform recently should go perk up their ears and have a listen to them at one of the football games. This band has come a long way within a short period of time and it is claimed this group is destined to be rated tops on the island in the near future - especially in view of the revival of talent that will be coming up from the ranks. Music teachers give most of the credit to the students - rate them above average.

OVERSEAS HOLIDAY: The Men's Club of the Jericho Jewish Center has a good thing going for them. Their latest fund raising venture offers three prizes that are very tempting. First prize, 21 day jet trip to Europe - Second prize, 12 day cruise to Caribbean Third prize, 13 days in Puerto Rico. This claimed a ten spot could help vacationize even the most reluctant.

PRE - THANKSGIVING OPENING: The discount store in the Birchwood Shopping Center is scheduled to open just prior to Thanksgiving amidst some of the worst public relations that any store of this type has ever encountered. They have alienated at least fifty per cent of the Jericho residents by their utter disregard for the rights and privacy of many residents. It should prove interesting to observe how this and mostly will be overcome if they expect to operate successfully. As one was put it, "let's not worry about this discount store - let's

## Civic Safety Efforts Protecting Community

DR. WALTER SUGARMAN

A Special Meeting of the Emergency Safety Committee of the Birchwood Civic Assoc. was held on Sunday, Nov. 5. In attendance were: Dr. Walter Sugarman, Chairman; Irwin Baumeil; Stanley Schecter; Sam Bicks; Julius Weiner; and George Frankel. Also in attendance was Carl Grunwald who has been designated by John Burns, Supervisor of the Town of Oyster Bay, to act for him officially in assisting this Committee in setting up parking and driving restrictions within our area to protect the lives and limbs of our children and to safeguard our property.

The Chairman announced that a letter had been received from William B. O'Keefe, Town Clerk,

notifying the Committee that their request for "NO THRU TRUCKING" signs to be installed on Merry Lane and Jericho Tpke had been received and that same would be installed within the next few days.

Grunwald informed the Committee that the State Dept. of Public Works Traffic Control Officer has surveyed Broadway and has notified the new store that they must install and maintain at their expense a traffic light at the entrance to their parking field. The type of light will be decided after further study. Also, the entrances to the area are to be rounded instead of being perpendicular to prevent congestion.

After lengthy discussion, the following requests were decided as minimums necessary at the time of the opening of the new discount center. Grunwald concurred and assured the Committee that he would take these points to the Supervisor's attention immediately and request their enactment via a crash program so that these restrictions would all be installed prior to the impending opening where possible.

### Scholarship Fund Benefit on Stage

The Jericho Scholarship Fund will once again, on Friday, Nov. 10, and Saturday Nov. 11th, at 8:30 P.M. in the Jericho High School Auditorium present an original show.

The program will be packed with local talent, both professional and amateur, and as an extra special treat the Jericho High School Band. It promises to be a very amusing and entertaining evening for adults as well as children. Tickets at \$1.50 each will shortly be available through all local organizations. All money received through this endeavor will be turned over to the Scholarship Fund Committee. This is a community project established for the benefit of all the children in Jericho School.

## Hi, Neighbors

MURIEL SUGARMAN

We are hoping and praying that the Lieb family of Flower Lane will soon be well enough to return home to Jericho.

Funny sight - At the JJC Sisterhood Bowling League which meets at the Mid Island Bowl on Mondays, the Batterman and teammate Hilda K. plan get putting on and taking off bowling shoes after each frame. I inquired what was going on and was told that they only had one pair of shoes between them, and as each of them finished her frame, she would hand them to the other. Needless to say, the shoe switching tired them out more than the bowling did! This reminds me, Sisterhood of Temple Or Elohim just formed a Bowling League. They meet on Mondays at the Westbury Hotel. You do not have to be a member of their Sisterhood to join. For further details, call Sylvia Moses, OV 1-6145.

The Monday nite duplicate bridge sessions at Temple Or Elohim have proved to be a fantastic success. Due to the efforts of Lee and Lee Marks, Bernie and Gert Paul, and Jack Koffler the group is self sustaining and was able to purchase eight new bridge tables for the Temple as well as it's own use.

FLASH - FLASH - FLASH, Mark this date down - SATURDAY NIGHT, Dec. 9th. Hadassah invites you and your husband to its Paid-Up Membership Party, which will take place at the Jericho Jewish Center. Admission fee - your paid-up membership card. Wives, this is your chance to take hubby out on a Saturday night date - absolutely free! Lots of Fun and Midnight Supper. For an invitation call OV 1-5910.

At the District 1 luncheon held at Four Seasons Club, Miami Fl., Mel Robbins Lane neighborhood chairman received a "Certificate of Appreciation" from Mid Island Council Girls Scouts.

The new crazy, tun filled dance "THE TWIST" will be shown and taught at Temple Or Elohim's "Nite of Fun," Sat. nite, Nov. 18, by the fabulous one-and-only Lee Roberts. An early supper will be served at the new T.O.E.S. Supper Club, in its' adorable peppermint stick lounge. Set-ups will be running like water. Call WE 5-1118

I would be more than delighted to help take some of that vile white stuff off your hands." Her reply paralyzed everyone in the store.

Said she, "My husband wished to prove to me that he could get so much milk during the milk strike that there wouldn't be any room for anything else in the refrigerator -- and if I give away one quart and make room for something else he would take away my privileges." ### St Ignatius Romps to 35-6 Win

Under the lights on St. Raphael's field the St. Ignatius Yellow Jacks met what was to have been one of their strongest foes recently. Before a crowd of over 500 spectators, St. Ignatius won the toss and elected to receive. St. Raphael's was over-anxious and jumped offside on the first call of signals and was penalized five yards.

On first down with five to go at midfield, Augie Reinhard, St. Ignatius quarterback, sent Joe Hecker between guard and tackle and with good blocking went fifty yards for the score. The point after touchdown was converted. Still in the first quarter St. Ignatius recovered a St. Raphael fumble and with a varied attack again went on the march with Stevie Hmegen skirting left end for his first touchdowns of the game. Shortly before the half Hmegen again scored with St. Ignatius leading at halftime 21 to 0.

At the start of the second half St. Raphael's was finding it tough going both on the ground as well as in the air and in a short time,

Stevie Hmegen scored two more touchdowns and with the extra points converted St. Ignatius lead 35 to 0. At this point Coach John Caldwell and his assistants pulled the first stringers and used the entire bench for the rest of the game. St. Raphael's made its only concerted drive late in the fourth period securing its only touchdown and falling on the conversion. Outstanding on St. Ignatius on offense were, Reinhard, Hecker, Frawley, Ken Payne, Tim Shanley and Stevie Glethschier. On defense, George Thomas was terrific often catching the St. Raphael quarterback before he could hand off. Andy Perowski, Alfred McGunigle, Jack Birschard, Montana and many others played a strong game for St. Ignatius.

ST. AIDEN'S of Williston met St. Joseph's of Garden City in another terrific battle in the Rockville Centre Diocesan Catholic Grammar School league with St. Aiden's coming out on top by a score of 14 to 7. Both teams played terrific on defense and their offensive thrusts were mostly within the two twenty yard lines.

# Reading Tests at St Ignatius

The St. Ignatius Loyola Auxiliary of Christian Mothers held its 112 meeting on Oct. 23 in its hotel hall.

The principal, Sister M. Venard, O.P., announced that the fourth and sixth grades were given SRA tests. The purpose of the reading test is to determine if the child could read and, if not, to find where the weakness is. Sister informed the mothers that the IQ tests the child's mental abilities showing both the strong and weak points.

Mrs. Agnes Minihan, who is taking a leave from her duties as a clerk in the principal's office, was presented with a Sacred Heart bracelet. Mrs. Minihan gave unflinchingly of her time and effort for the past few years.

Mrs. Jean Mulholland announced the names of the class mothers for the school year. They are Alice Beaudry, Mary Beniamino, Fran Cooper, Lucille McCormick, Angela Gibilin, Mary Rogan, Rose Morabito, Martha Casassa, Helen Fuelling, Mrs. McCredy, Mrs. Donahue, Kay Roemer, Laure Brumby, May Eaton, Demetra D'Antonio, Margaret Fabrizio, Norma Laver, Louise Madden, Dolores Comings, Jacques Jablonski, Dorothy Dammer, Dolores Portuese, Dorothy Lehman, Loretta Rosicki, Virgilia Curd, Rose Wenck, Muriel Prokop, Helen Weygandt, Jeanne Cronin, Charlotte Vatter, Mary McGrath Gladys Powers, Marguerite Bendish, Helen Klevanosky, Ann Bivona, Veronica Everham, Regina Schill, Mrs. Connelly, Adelaide Lynch, Elizabeth Smith, Anne Cowlen, Ellen Sholl, Kathryn Crimmins, Theresa Nader, Marion McGregor, Rosemary Scheidel, Helen Miller, Mary Tursellino, Mrs. Caruso, Mrs. Hachadoorian, Cell Rankin, Catherine Reimels, May Bode, Viola Roby, Angela Antonucci and Ann Fortgang.

Melvin Anderson, N.S.N., Clinic Administrator for St. Anthony's Guidance Clinic in Williston Park, was the guest speaker. The clinic is a mental health facility sponsored jointly by Catholic Charities, Diocese of Rockville Centre, and the Mental Health Board of Nassau County. It is non-sectarian in service and is available to residents, adults and children over six years of age, of Nassau County. Anderson made known so vividly the tragic facts about the mentally ill as described it as the greatest problem of our time. The public must learn to look upon mental disorders as an illness or sickness and the mentally ill can come back if given the chance we would want for ourselves.

Anderson listed the clinic procedure of a patient seeking help. The psychiatric social worker questions the prospective patient to determine the nature of the problem, to ascertain if the type of treatment offered by the clinic will be helpful, and eligibility for treatment at the clinic. The psychiatrist questions the patient regarding medical, family, social, educational and psychiatric data. He makes a preliminary diagnosis and partially evaluates the need for therapy. The clinical psychologist adds to the diagnostic study and evaluation of the patient and problem. Play therapy is a form of treatment for the young child. The therapist is able to understand the child's problem because the youngster is best able to communicate his feelings and attitudes by his behavior at play. Group therapy is an effective method of treating several patients at one time. Anderson's address was followed by a question and answer session.

The Auxiliary will have its Christmas social on Dec. 18. Mother M. Adelaide O.P., former principal at St. Ignatius, has graciously accepted the mothers' invitation to be the honored guest at this affair.

The next meeting will be held Nov. 27. At this meeting, the mothers will make a renewal of promises and vows as members of the Archconfraternity of Christian Mothers. Rt. Rev. Msgr. James W. Asip will speak on "The Treasures of the Faith." Rev. Leo J. Goggin is the moderator of the Auxiliary.

### St Ignatius Romps to 35-6 Win

Under the lights on St. Raphael's field the St. Ignatius Yellow Jacks met what was to have been one of their strongest foes recently. Before a crowd of over 500 spectators, St. Ignatius won the toss and elected to receive. St. Raphael's was over-anxious and jumped outside on the first call of signals and was penalized five yards.

On first down with five to go at midfield, Auggie Reinhard, Sr. Ignatius quarterback, sent Joe Hecker between guard and tackle and with good blocking went fifty yards for the score. The point after touchdown was converted. Still in the first quarter St. Ignatius recovered a St. Raphael fumble and with a varied attack again went on the march with Stevie Hmgen skirting left end for his first touchdown of the game. Shortly before the half Hmgen again scored with St. Ignatius leading at halftime 21 to 0.

At the start of the second half St. Raphael's was finding it tough going both on the ground as well as in the air and in a short time,

Stevie Hmgen scored two more touchdowns and with the extra points converted St. Ignatius lead 35 to 0. At this point Coach John Caldwell and his assistants pulled the first stringers and used the entire bench for the rest of the game. St. Raphael's made its only concerted drive late in the fourth period scoring its only touchdown and falling on the conversion. Outstanding on St. Ignatius on offense were Reinhard, Hecker, Frawley, Ken Payne, Tim Shanley and Stevie Clehschler. On defense, George Thomas was terrific often catching the St. Raphael quarterback before he could hand off. Andy Persowski, Alfred McGunnigle, Jack Breschard, Montana and many others played a strong game for St. Ignatius.

ST. AIDEN'S OF Williston met St. Joseph's of Garden City in another terrific battle in the Rockville Centre Diocesan Catholic Grammar School league with St. Aiden's coming out on top by a score of 14 to 7. Both teams played terrific on defense and their offensive thrusts were mostly within the two twenty yard lines.

 P.M., the Varsity allowed History to repeat itself by dropping another 1 point decision to the Varsity. The touchdown for the J.V. was scored by Left Halfback Frank Casselton on an end run and according to Coach Bill Meyer the defensive line did an outstanding job throughout.

**STYLEN...BELL CLAPPER**  
 FROM THE JR. HIGH TOWER  
 CLOUDB. Fun is fun, boys...But you've taken a valuable piece of property from the past, present and future presidents of Hicksville. It's a useless item to you and probably wouldn't bring 20 cents in a pawnshop. If you will, so that old time residents might see again, give the sound of a gong bell, that was once a part of another era, in all probability a substitute clapper will be installed at an early date but even so, now that the senseless joke has been its course, it would be a wonderful tribute to Hicksville's teenagers if they could help find one original. And that holds true for all idiotic, senseless destruction of school property... These are your schools students... Don't let the vandals, so few among you, destroy them... And if I wasn't positively sure, that the vandals in your ranks, were in the minority, I most certainly would not waste my weekends publishing your athletes. GO...GO...COMETS AND METEORS...GET THAT CLAPPER BACK WHERE IT BELONGS!

**WITNESS, HON JOHN D. BENNETT**, Surrogate of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 3rd day of Nov, one thousand nine hundred and sixty one.

The good news department states that the local shoemen had their best foot forward in both sudden death fan-dango's. Outside Left, Chipper Jaworski scored both goals to gain the tie and Vinnie Colveta wrapped up the play-off with his pair. Jaworski's goals were scored, 1 on a pass from Rich Medina and the other on a shot from 25 yds. out. Colveta's tie was scored on a wild scramble in front of the pipes and the tie in the final quarter on a direct kick from 40 yards out. All in all, a fine week's work for Coach Harry Renn and his twinklers, Section 1 champs... But if they win the North Shore Championship, they've got 2 more hat tricks to pull off yet. One vs Garden City at the neutral Port Washington field on Tues; prior to this issue and if they win, 4 tracks a winner of the other North Shore Sections on Nov-11th, for the entire North Shore Hoopie State League, the boys are at top strength for the 2 big ones.

# AROUND THE DISTRICT

By Joe Koerner

Had there been a field clock or a P.A. system, a lot of this last second, cardiac nonsense, might have been avoided. The time was running out fast, and there was a dead-like stillness in the hosts' section as the stands as the Comets for the very last time, drove deep into Ram territory. At this point the score was 14-13 favoring the hosts and the Hicksville section of the stands was a scene of sedam as Chris Coletta and Bill Sherburne, combined to bring a recovered Ram fumble from the mid-field stripe to the Ram, 4 yd. line.

There is no denying the fact, that this final drive was going to end in the gam winning touchdown. The Comet rooting section, were backing up this theory, with a round of thunderous applause, that rolled over the East Meadow countryside, like the angry class of distant thunder. Just seconds before, 2000 hearts skipped as many beats as a long desperate pass from Quarterback Bruce Damm to Ray Strassburger, in the end zone was ruled incomplete. It was now 1st down and goal to go for the Comets and the Ram rooting section was ready to commit, mass Hari - Kari. The Hicksville rooters, stood with held breaths, waiting for the final drive, that would spell victory.

There was a snap bud-dle and the Comets fell into offensive formation. And then suddenly, it was all over. The clock had run out and the anticipated victory car had died in over 800 Comet roats. The shocked look of utter disbelief on these 800 odd faces, took on the appearance of a belimed sea. It was hard to believe that the mood of a crowd could change so quickly. Only a thin strand of rope had separated the cheering sections and once the point victory had been assured, the Clarke rooting section, let out a roar of approval, that enveloped the stadium. They roared, they shouted and spilled out into the field in a fit of wild frenzy. They all but smothered their hero of the day, a 155 lb. Halfback by the name of Douglas Gell. A thousand shoulders took turns carrying him the full length of the field, high above the crowd.

This was the story of the Clarke, Rams and their 1st victory over the Hicksville Comets. Only time can tell, whether the locals have lost the section 1, boodle bag, by dropping this game but in losing they won the admiration and respect of over 2000 onlookers. The Rams offense, ganged up on Chris Coletta but they still couldn't stop him from chewing up the yardage. As for the entire Comet squad played football, like there was no tomorrow. Win, lose or draw, this game will be the subject of conversation for years to come. Bill Sherburne played an outstanding game, as did Bruce Damm and Ray Strassburger.

And as proof, that this was a team effort. Let's check the notes jotted down as the game progressed. Coletta and Sherburne broke holes to set up 1st T.D. Coletta scored touchdown and point guard Jim Clarke recovered fumble (Exceptionally fine defensive play) Comet drive stalled on fumble. Rams, very strong line. Strassburger intercepted Ram on 3rd down. Drive went 40 yards,

his hand outstretched. "Kid", was the overheard remark. "For my money, you're still ONE of the best backs on the Island."

METEOR A'S WIN... Last Friday afternoon the Jr. High Meteors kept their unbeaten skien going by stopping Syosset 20-0. Steve Schuster accounted for 2 of the locals' tallies; one on a well blocked 70 yd. end run and the other on a 5 yd. dove over right tackle. On the 70 yarder, Joe Sarno threw the key block that put Schuster in the clear. The 3rd touchdown of the day came as a result of some fine defensive work by Vinnie Hososak and Bill Mittenburg. A Syosset fumble was recovered by the Meteors and Dennis Yaras eventually scored on a 1 yd. Quarterback kick. Fullback Larry Wesolko and Steve Schuster netted the two extra points. This puts the Meteor league record at 5-0 with Plainview scheduled for next Sat. away. According to coaches Warren Meyer and Dick Hogan, the defensive backfield did an outstanding job of covering pass receivers. Listed

for mention were, George Sahaidachny, John Molloy, Rich Buoppane and Joe Sarno. On the defensive line, Bill Hines, Wayne Smith and Henry Sontag came in for some high praise. All in all, the locals have put on a tremendous show so far. This year, only two touchdowns have been scored against them in 5 games and over the past 2 seasons, not more than 1 enemy touchdown, per game. This is a rough Bone rattling bunch and we predict some real good boys will be making a good showing with the Comets, in the next few years.

METEOR B'S 20, WISDOM LANE

13... Coach Buddy Brion reported a win for his hard pressed B squad who have lost a number of heart-breaking on pointers, this year. George Lang accounted for 2 of the tallies and also netted extra point. Fullback Chuck Frazer rammed over the 3rd marker with Danny Baron getting the point. The league record now stands at 1-4, with Mineola scheduled for next Sat. morning at 10 a.m. JAYVEES LOSE... Saturday was a tough day all around for the Comet gridmen. In the A.M. the Jayvees deopped a tough 1 pointer (7-6) to the Clarkmen and in the

**And one to grow on...**

Sometimes you live too far away to join the party. In that case, call Long Distance, and add to the excitement. Children feel mighty proud when they get their "own" phone call. It's a different kind of gift, a "special" kind to grow on... Bargain rates, remember, are in effect weekdays after 6 and all day Sunday.
