Joe Koerner Becomes First Head Custodian of Hicksville School

Joseph Koerner of 9 Abbot Lane, Hicksville, who has been in the service of Hicksville Schools since 1952, has been appointed as head custodian of the School District, a newly created position. The former head custodian at the Junior High School, he was named Friday night by the Board of Education and took over his duties on Monday of this week.

Koerner's promotion to the new position was part of a major shift of buildings and grounds personnel which took place at the school board meeting, Robert Petross who has been serving as Director of Buildings and Grounds was named to a new position as building consultant at \$10,000 a year, effective no later than Jan. 1.

Willbur Chamberlain was named director of buildings and grounds at \$9,500 a year, effective no later than Jan. 1. Petross will be serving as clerk of the works on various construction projects now underway in the district.

A new position as head night custodian at Junior High was created and William Brennescholtz was named to the post. Harry Hoffman, formerly head custodian at Lee Ave., was named head custodian at the Junior High to replace Koerner. Leo White, former senior high custodian, was named to take Hoffman's position at Lee Ave.

Koerner who is 43 and the father of six children, is a 1932 graduate of L. Ignatius School in Hicksville. During World War II he served in the Navy with the Sea Bees. Before coming to Hicksville Schools he was for 17 years with the L.I. Rail Road marine dept. and is a licensed chief engineer of steam vessels.

He became head custodian at Old Country Road nine years ago and moved over to head custodian at the Junior High School three years ago.

He is currently attending Vocational Education and Extension Board School courses for head custodians in Westbury on finances and purchasing pertaining to buildings and grounds, and instruction and repairs to school plants at the expense of the school district.

May Award Contracts Friday

EXTRA MONEY FOR SCHOOL PROJECTS CARRIED 2 TO 1

Hicksville Board of Education will hold a special meeting this Friday night, Nov. 17, to award contracts for the moving of 26 temporary-type classrooms to the Junior High School and construction of a new gymnasium at East St. School, and construction of a new gymnasium at East St. School. Voters of the district by a better than two-to-one margin, Tuesday, approved the expenditure of additional funds to make these two final parts of the 1959 referendum possible.

The vote on Tuesday was decisively in favor of the proposals which add about a quarter million dollars on top of the two million dollars authorized by a vote in 1959 in a six-part question. Slightly more than half of the 3,693 voters registered and qualified turned out in the wet, Tuesday to vote. An estimated 200 to 300 tried to vote but found they were not registered.

The vote was 1,343 in favor and 663 against. The question carried in every voting district.

The voters by school election districts was as follows:

District	Yes	No
Burns Ave - 1	116	52
East St - 2	310	106
Woodland - 3	171	80
Lee Ave - 4	220	157
Fort La - 5	132	92
Dutch La - 6	234	72
Old Country - 7	160	104
Totals	1343	663

Of more than passing interest was the fact that the margin of support in Dutch Lane area and East St. where there was known backing, was better than three-to-one. A negative trend had been anticipated in Dutch Lane district. Board Vice President David Hurwitz, who is soon to change his residence to Plainview and will thus leave the Board, was outspokenly opposed to the proposals approved on Tuesday.

The School Board has cancelled its regular meeting set for Friday night, Nov. 24.

Dorothy McCue to Seek Fire Commissioner Post

For the first time in the 59 years since Hicksville Fire District was created, a woman will be a candidate for the office of Fire Commissioner at the election next month. Mrs. George McCue of 86 Woodbury Road, Hicksville, this week announced that she is seeking election.

DOROTHY McCUE

Mrs. McCue, the former Dorothy Miller and a life-long resident of Hicksville, is probably the first woman to seek election to a Board of Fire Commissioners anywhere on Long Island if not in the entire State. She is the wife of a 21-year volunteer member of Hicksville Fire Dept. and has herself been a member of the Ladies Auxiliary of the Fire Dept. for 15 years. She was president of the auxiliary in 1949.

Mrs. McCue has three brothers who are also long-time members of the volunteer fire dept: Paul, Fred and John. Fred Miller was a member of the Board of Fire Commissioners for a number of years.

She is the mother of two daughters and has three grandsons.

The term of Harold Haudhurst of Laurel St., Hicksville, expires this year. It is anticipated that he will seek re-election for a five-year term to the non-paid position of Fire Commissioner.

Hicksville Fire District was established in 1902.

Galloway Quits Library Bd

A dinner was held in Frank's Hall on Nov. 10th, in honor of Leon J. Galloway who is resigning from the Board of Trustees of the Hicksville Public Library after more than 18 years of service.

Mr. Galloway, who has seen the library progress from one room in N. School St. to the present structure housing over 60,000 volumes, said he regretted resigning but outside commitments made it necessary. Mr. Galloway, who is principal of the High School, has been associated with education in Hicksville since 1927. The dinner was attended by 21 present and past Board Members and members of the library staff. A gift in honor of his service was presented to Mr. Galloway by Mrs. J. J. Ulmer, past president of the Board.

Legion Auxiliary Collecting Gifts

The Charles Wagner Unit of the American Legion Auxiliary of Hicksville are collecting new, unbreakable gifts for men, women and children of \$1.00 value or more.

These gifts are taken out to the Northport Veterans Hospital where on Dec. 1st, they are put on display and each of the 1,500 veterans patients selects two gifts to send to his loved ones for Christmas. They are then wrapped in Christmas paper, packaged and mailed by the American Legion Auxiliary.

This project is known as the

Northport Gift Shop and is held each year by the American Legion Auxiliary Units of Nassau and Suffolk Counties.

The Charles Wagner American Legion Auxiliary would be happy to receive additional gifts from anyone desiring to contribute to this worthwhile additional gift from anyone desiring to contribute to this worthwhile cause. Mrs. Dorothy Fricke is this year's chairman and can be reached at her home at 26 First St., Hicksville or by phone at Wells 1-2037.

Lights on for Education

Parent Teacher Associations will turn on the lights in schools throughout New York State on the evening of Jan. 3rd, 1962, when the State Legislature convenes for its 1962 session in Albany.

The occasion is the "Lights on for Education" project, when open meetings will be held simultaneously in schools throughout the state. Speakers and discussion leaders will explain proposed legislation in education. Mrs. William Cobb, President of the New York Congress of PTA, states that the purpose is two-fold: to inform educators and laymen of the need and contents of such legislation, and to better insure the passage of educational bills.

The Hicksville Council of PTA will sponsor the program in this area. Read the HERALD for further plans for this project.

Ex-Servicemen Remember on Veterans' Day

VETERANS' DAY in Hicksville, Saturday, was observed by representatives of local vet organizations at the Memorial Mall on the Junior High School Campus. Top picture, the Amvets and VFW (at left) and American Legion form a guard of honor at the World War I memorial. Color guards hold attention (bottom picture) at the hour of 11 AM in front of the World War II monument.

PTA Council Backs College

Support for the redevelopment of part of Mitchell Field as the permanent campus of Nassau Community College in Mineola was expressed by the Executive Committee of the Hicksville Council of PTA Units in a letter, dated Nov. 5, to Blackshear M. Bryan, President of the college.

Dorothy C. Mann, Corresponding Secretary, stated: "We feel that

your plan, and especially those provisions of it which call for allotments of space to educational and recreational facilities and light industry, recommends a sound use of the area involved and is in the best overall interests of the community.

ROBERT FLASHENBERG

HICKSVILLE—Funeral services were held at the L.J. Morris Funeral Home, Hempstead, on Tuesday for Robert Flashenberg, a 14-year-old Hicksville Junior High student, who died Monday after being struck with an auto Sunday evening. He was the only son of Sylvan and Mildred Flashenberg of 43 Felice Crescent, here.

Dear Jean:

Now that the school question was approved on Tuesday, watch for renewed vigor on the part of advocates for an indoor swimming pool. Backers of the pool felt that the decision Tuesday would guide their next move. Word is going around that one and possibly two women will have their bachelors in the ring for the DAVE HURWITT vacancy on the school board. If and when... Our new star reporter BILLY the KID (Fitz) advises that five people were hurt in an auto crash in front of the LILCO plant... MICHAEL SULLIVAN and ROBERT CORCORAN have moved their law offices to 85 North Broadway, Hicksville, opposite the post office. Their former address on Old Country Rd., we hear, is being taken over largely by Grumman... L.J. Nurserymen's Assoc. reminds you and you that now is the time to plant daffodils and tulips to enjoy the blossoms in the spring... There hasn't been much said in print, but the County is planning to build a substantial garage for Public Works trucks on the Press Wireless property. The County has also signed a \$175,445 contract for resurfacing, curb installation and storm water drainage along 3100 feet of Woodbury Rd.

Speedy recovery wishes to BETTY WRIGHT of Lenore Ave., Hicksville, who is now at home convalescing following surgery. They miss you at the Junior High, Betty; hurry back... FRANK CURRAN, 72 year old weather forecaster at Rossmore Raceway, predicts a bad winter: snow, severe cold and a long winter at that. But, the Hicksville resident who bases his predictions on the size of the stripes on the woolly bear caterpillar, promises a little more mild weather before Old Man Winter lowers the town. CURRAN claims he hasn't been wrong in 16 years.

Hicksville Chamber of Commerce has ordered eight brand new entrance to Hicksville signs... The Chamber will have a guest speaker on Nov. 17 (tomorrow) from the State Dept. of Public Works on the grade crossing elimination program. The meeting is at Seaman & Eisemann building at 9:30 AM... THIS HILARIOUS QUARTET, the Chord Blenders, will be part of the entertainment presented by the Mid Island Chapter S.P.E.B.S.Q.S.A., Inc. at Levittown High School on Dec. 2.

Barbershoppers Show Dec 2

For the past three months 30 hard working Barbershoppers have been hard at work preparing for their annual show to be given on Dec. 2nd at Division Ave. High School in Levittown.

This group of men comprises a chapter of the Society for the Preservation of Babershop Quartet Singing in America. There are about 30,000 members throughout the United States, Alaska and Hawaii who love to sing the old songs in good close harmony.

The Mid-Island Chapter has been organized for three years

and has sung for charitable, fraternal and civic organizations throughout Nassau County performing because of their love of singing and a desire to stir up interest in this type of harmony.

On Dec. 2nd at Division Ave. High School in Levittown, the Mid-Island Chapter will present its annual show, proceeds to be donated to Levittown-Hicksville Auxiliary for the Help for Retarded Children. This promises to be the best show ever.

In addition to the Mid-Island Chorus, three of Mid-Island's own quartets - The Mello Dads, The Surbanotes and the Four Tune Notes, will supply sparkling, toe tapping tunes. The Chord Blenders, a hilarious quartet from Edison, Pa., is back to split your sides with laughter. The Home-town Troubadours - District finalists with a beautiful blend and a sound you'll never forget - will be on hand. Added to all this will be the Sweet Adelines of Central Long Island Chapter, angels of harmony guaranteed to have the men and the women too sitting on the edge of their seats to catch every pear shaped note.

The Mid-Island Chapter promises that you'll sing, you'll thrill, you'll sing all the way home when you see "On a Sunday Afternoon" - Tickets for the show can be had by enclosing a check for \$2.25 each, payable to the "Mid-Island Chapter of S.P.E.B.S.-Q.S.A."

LEGION LOG

By Frank DuBois

Seventeen Charles Wagner American Legion Post members and eleven Auxiliary members turned out for the trip to King's Park to distribute candy and cookies to the patients. Dick Hochbrueckner reported that Woolworth's gave us a very good below cost price on both candy and cookies. The Archie McCord Post joined us in the visit.

Plans are being formulated for another New Year's Party. The one last year was a splendid success and a good time was had by all. Ralph Kissell, Clem Swallow, Joe Ratto, and Joe Uez volunteered to get the ball rolling. Watch future issues of this bulletin for further developments.

Drawings are now being made from the names of the 1962 dues-paid members. Pete Seitz made a revolving drum to use in the capsule drawing. It was put into service for the first time at our Nov. 6 meeting. And whose name do you think was the first one to be pulled out of the new drum? You guessed it - Pete Seitz! Pete won \$3.00 and got a lot of good-natured kidding.

COMPLETES TRAINING

Phone Calls Force Our Players Off Stage

Anonymous phone calls to Jericho High School Principal John Heller and Arthur Seides, chairman of the Jericho Scholarship Fund, set off a chain of circumstances which resulted in the withdrawal of the West Birchwood entry from the Scholarship Fund Show last Friday and Saturday night at the Jericho High School.

The callers told Heller and Seides that there was "objectionable material" in the West Birchwood Little Theatre Group act. Heller, who had not seen the dress rehearsal of the script, told Carl Denny, West Birchwood Civic Assoc. president, "That because of the children involved" (in terms of the audience) I had to bring to the attention of Seides that the suggested changes be made if the allegations were true."

Denny, who has also interviewed Seides on Sat. morning had been reassured by Seides that it was not his decision to order the alleged objectionable material removed, but that pressure had been brought by important parties whose identities he did not disclose.

According to Lola Rosenthal, president of the Little Theatre Group, three changes were requested by Seides an hour and half before show time, Friday night. She stated that after lengthy and frantic negotiations with Seides, the Little Theatre Group voted to go on provided only one change was made.

Since this plan was not acceptable to Seides the play did not go on.

President's Corner

by Carl F. Denny

To those members who missed the Election Eve dance, I can only suggest their checking with a friend or neighbor who had attended, as to how successful an evening this was. I can only reiterate my sincere thanks and gratitude to the Social Committee, to Evelyn Pike the Chairwoman, to Betty Franklin who was in charge of decorating, and to all the new girls of the committee who labored so diligently serving and setting up the tables. These girls helped make this a really pleasant and memorable evening and so once again my thanks and also the thanks of those who attended.

The new Officers and Board of Directors are faced with several immediate problems, among these

LETTER TO EDITOR: Why We Did Not Go On

After many weeks of hard work, numerous hours spent at rehearsals, often sacrificing the opportunity to spend an evening in some other pleasurable manner and at the cost of many dollars in baby sitting fees...the great night had finally arrived. The date - Friday, Nov. 10 - the time - 7:00 p.m. The West Birchwood Little Theatre Group representing our community was ready, willing and anxious to go on stage for the Scholarship Fund Show at the High School. But we were not given the chance to display our community spirit. One hour and a half - just 90 minutes before the show time Elaine Sine of Syosset the director of our act received a phone call from Arthur Seides, the chairman of the Scholarship Fund Committee.

That phone conversation was the spark that ignited the fuse of rumor, conjecture, and misconception that exploded in Birchwood on the weekend of November 10. Mr. Seides said that changes had to be made in our act. Overnight, it seems that our 10 minute offering for a worthy cause had become objectionable to certain persons - who had seen our dress rehearsals. These dedicated persons in turn took it upon themselves as residents of Jericho to inform the High School Principal of the shocking things that were about to take place in his school. The principal, never having seen our act himself, then called Arthur Seides, to urge or pressure or insist that certain changes in our act take place. Mr. Seides then called up Elaine Sine to relay his orders to her. Ninety minutes before the show time on Nov. 10. Unless we made these changes we would not be permitted to appear before the audience of parents and children.

The Little Theatre Group had complied with all the rules and regulations set forth by the mem-

425 Dance At Election Fete

B. Maurice Targove

"A ball was had by all" is the best way to describe the annual West Birchwood Civic Assoc. Election Night Dance held Nov. 4 at the Robert Seaman School.

Over 425 people attended the highly successful evening including 21 new couples who joined the Association and were able to participate in the festivities.

The business of the Assoc. was quickly completed and the following were elected with no contest... Carl Denny, President; Herb Platt, Vice President; Beverly Rose, Secretary; and Allan Birnbaum, Treasurer. Elected Directors are: Hunev Goldman, Donald Parmet, Robert Strauss and Edward Vesel. Put on the back to Samuel Gordon who proved a highly capable M.C. The business being over, Joe Goble and his orchestra started playing out his South American rhythms and the "joint was jump-

ing". One of the high spots of the evening developed when Roz Lindbaum, Cecile Robbins, Johnny Haymer and Jack Rubinstein combined to do a scintillating version of the new dance craze, "The Twist". The main Door Prize, a Gourmet Dinner at Khans of Jericho, was won by Dr. and Mrs. Wertheim.

A very big vote of thanks to Betty Franklin and her Birchwood Beauties who so very capably handled the decorating, catering and serving at the affair.

Herman Lubitz, of 20 Maytime Dr., Jericho, president of the Jericho Jewish Center, announces that Rabbi Stanley Steinhart represented the congregation at the United Synagogue Convention held Nov. 12 to 16 at the Concord Hotel in Kamesha Lake, N.Y. The congregation has been affiliated with the United Synagogue since 1957.

West of Bway

By McKinley Ebbitz

Sam Gordon, our tireless Civic, has agreed to represent West Birchwood Civic Assn. in the Jericho Joint Council. Sam is also a chairman of the Community Welfare Committee and was a member of the Board of Directors.

Statements for 1962 dues will be going out soon and Treasurer Al Birnbaum requests that a prompt response in the form of a check will be greatly appreciated.

We need workers for the Community Welfare Committee to push action on street dedication in newer sections. With winter almost here, the lack of street lighting and stop signs will be keenly felt. Contact Carl Denny at WE 8-3206.

EDITORIAL:

Good Taste, Yes! Censorship, No!

The West Birchwood Civic Assoc. is against any and all censorship and pressures, particularly when responsible individuals in the community allow themselves to be influenced by anonymous phone calls. Last weekend's events in the Jericho Scholarship Fund Fiasco which culminated in the withdrawal of the West Birchwood entry are an example of a select few determining that which is objectionable or not objectionable for the majority.

We have no objection to responsible individuals determining what is good taste. We do object when the situation becomes one where any individual regardless of ability or authority can influence these responsible persons. The editors and president of the West Birchwood Civic Association might easily have found objectionable material in the other sketches should we be so inclined. This would not give grounds for rejecting these sketches because of our opinions and objections.

Since many of our neighbors were looking forward to the performance of the Little Theatre Group, we feel that while we are in 100% accord with the principles involved, it was the community's loss when the production did not go on during the second evening after concessions had been made by the Scholarship Fund authorities.

bers of the Fund Committee. A complete script of our act was submitted to the committee two weeks before the scheduled performance — and I might add we were one of the first scripts submitted — at the same time a rehearsal was held at the High School for the approval of the Fund Committee. THERE ABSOLUTE APPROVAL WAS GIVEN TO OUR ACT. These men are assumed to be responsible individuals given the responsible positions of Scholarship Fund Committee members.

Their decisions as to what is or is not material for family consumption must be shared by or else our Scholarship Fund Drive show will turn into a farce with its directors mere puppets at the string pulling mercy of any whimsical individual residing in Jericho. The directors of the Fund Committee approved our script, a ten minute harmless, comedy farce written by two respected members of our community, Eugene Singer, an officer of a local Temple, and Jerry Meisler, who was, by the way, the master of ceremonies for the entire Scholarship Fund show. If there had been anything at all objectionable about our skit the time to let us know was at that rehearsal two weeks prior to the date of the show and the decision as to whether or not our skit was objectionable in any way should have been made by the people authorized to make that decision — only the members of the Scholarship Fund Committee. But in their eyes our act was completely acceptable at that time and right up to ninety minutes before show time when extreme pressure was brought to them by unofficial parties. On the night before the performance, at dress rehearsal each one of these responsible men on the committee came to us to tell us how much they enjoyed our act, how good they thought we were and how polished and professional we were. In spite of their firm convictions about the acceptability of our act these committee members allowed themselves to bow to pressure and agree to appease a man who is not even on the Scholarship Fund Committee and worse still — A MAN WHO NEVER EVEN SAW OUR ACT.

We cannot find anything more objectionable in our act than what was presented by some of the other participants in the competition. There is nothing wrong or "suggestive" about a girl brushing her hair. There is nothing obscene about her wearing high heels, sitting in a basket chair, or having her feet up on a cocktail table. There is nothing wrong in children (and I use that word with some reservation) looking at a pretty girl walking across stage carrying a set of gold clubs. Any child who was old enough to stay up until 11:30 p.m. was in no danger of having his morals corrupted by anything he might have seen in our act or in any other act participating in the show.

On Friday night, Nov. 10, all of us participating in the West Birchwood skit agreed to meet at the High School as planned to see if some agreement could be reached between Mr. Seides and ourselves. However it was to no avail. The "modifications" that were requested or let me say insisted upon constituted major changes in our 10 minute act. Our director and the entire cast felt quite strongly about this. We did, however, agree to make one change that we felt would in no way take away from the effectiveness of our performance as the other changes would have done but that concession on our part was not good enough. It had to be all or nothing as far as the committee was concerned. What not too many people realize is that we are a little theatre group

Scouts Appeal At Half Way

The Arrowhead District, Nassau County Council, B.S.A. in a report as of Oct. 30 reports that it has achieved 47% of the assigned goal in the Special Gifts and General Solicitations for the 1962 Boy Scout Budget Fund Raising Drive.

In Hicksville, Allen S. Carpenter has reported \$1034 of the \$4500 Special Gifts Goal in that area. Edward Knighton of Old Bethpage with a Goal of \$1500 and John Trask of Plainview with a Goal of \$500 both in Special Gifts have not turned in reports to date.

In the General Solicitations

phase of the Campaign John E. Bismarck for Hicksville reports \$4315 of the \$6500 Goal, Edward Knighton of Old Bethpage reported going over their top with \$469 on his Goal being \$350. In Plainview, Al Coco reported \$1131 of the \$3000 Goal.

The Nassau County Council reports that as of Oct. 30 it has achieved 25% of the Special Gifts Goal and 39% of the General Solicitation Goal. The Council reports \$48,858 from \$125,000 in the General Solicitation and \$30,151 from the \$447,000 in Special Gifts.

and whatever we do is done not only with a view to having fun or participating in community functions, but also from an artistic standpoint. We cannot go on the stage simply for the sake of performing before an audience. We feel that whatever we do must come up to the standards we have set for ourselves. There is our reputation as a amateur theatrical group to uphold as well as our own personal dignity and integrity.

We all felt that to go on the stage on either Friday or Saturday evening with the finished changes would be sacrificing all the things the our theatre group stands for — as well as our own personalities.

It is unfair to our group, our community, and the very future of the Scholarship Fund that West Birchwood's presentation was discriminated against unnecessarily, and pressured by vacillating members of the Scholarship Fund Committee.

are the dedication and lighting of the newer areas; the Postings of the undeveloped section thereby eliminating the existing and firing of weapons which currently is looked upon as a pressure. In regard to changing our poorly designed side entrance and exit, a situation that must be rectified for in the event of an accident or storm our community is literally stranded. The establishment of a working Back Captain committee which will allow the Board to be aware of community problems almost immediately, and above all a renewed effort to have all members of the community actively participating in the Association. There are just some of the goals that I would like accomplished during the coming year.

I had indicated at the Dance that both the Officers and Members of the Board as well as myself have volunteered to represent the community, this does not mean however, we are servants of the community, we can accomplish only that which must be done, only with your aid and co-operation. To those who wish dedication of streets, lights, traffic controls or anything else, you must help. The older members of the community have by its large worked and achieved their goals, they shall be glad to act in a advisory capacity, but they rightfully feel that it is time for the newer men and women to summer for that which they want. So those of you who are interested in alleviating or solving any of the afore mentioned problems, please contact me at Wells 8-3260. With your help and only with your help, can we successfully achieve our goals for the coming year.

Bill Expands Scholarships

The State Legislature on Nov. 9 approved a bill proposed by Sen. George A. Sweeney, Edith J. Feinreich which will expand the State's scholarship program for children of deceased and disabled veterans and for children of members of the armed forces.

The Feinreich Bill, co-sponsored by Senator Earl W. Brydges of Niagara County, calls for a five-fold increase in the number of State Regents scholarships, from 100 to 500.

So that the new increase does not come out of the over-all state scholarship program, the Feinreich-Brydges Bill also provides for increasing the total number of Regents scholarships from 17,000 to 17,400.

Second Lt. Lester S. Savitt, 22, son of Mr. and Mrs. Michael Savitt, 33 Parkway Dr., Hicksville, was graduated from the basic officer education course at the Army Signal Training Center, Fort Gordon, Ga., Oct. 20. During the eight-week course Lieutenant Savitt received instruction in the duties and responsibilities of a Signal Corps officer.

The Villager

(FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO)

Safety for Children of Jericho

One of the functions of the Safety Committee of the Civic Association of Birchwood Park at Jericho is to keep the streets of our area safe for our children. This Committee is composed of Dr. Walter Sugarman, Chairman; Stanley Schecter; and Sam Bicks.

In the opinion of this Committee, the opening of the new discount store adjacent to our area will bring with it additional hazards for the safety of our children. The above Committee has enlarged its membership for the purpose of attempting to solve or preclude additional hazards. In addition to the above the following are now working on the Committee: Irwin Bauman, President of the Birchwood Civic Association; Leo Gillary, Philip Schooner and Julius Weiner. The Board of Directors of

the Birchwood Civic Association at its meeting on October 17, 1961 has voted this Committee funds to be used to obtain information such as traffic surveys, etc. The Committee held its first meeting on Sunday, October 22, 1961.

The safety Committee has been notified that the Town Board will install additional full stop signs along Birchwood Park Drive and Village Drive for the purpose of slowing down the speed of the traffic on these two streets. Sub-committees are now at work determining the locations at which these signs will be requested.

It has been reported to this Committee that cars of people frequenting Las Vegas Night Club are being parked in our area. Investigation as to how best to solve this problem has begun.

Ten Pin Talk

By Henry Docksworth

Oh that Fred Sapiro. As Captain #3 he is really showing men the way. Coming up with another fine 204 game, Fred helped us men increase their first place lead to 3 1/2 points. But look out, above, Cap't. MacCushing and his #6 squad are on a tear. In 3 weeks they went from seventh place to a current tie for second place. This must be because Cap't. Mac is bowling much better these days, but that figures, he couldn't get much worse.

With the help of Leo Geyer, who bowled a 208, Marv Cohen's team took 3 points to go into tie for fifth place. Rounding out the trio of men to bowl over 200 was Howie Chadwick who threw 207. Unfortunately Howie didn't get enough help from his teammates and they (Team #7) slipped down to sixth place.

Fred Green and his committee ally agreed on a skirt for us players. The order has been placed and the skirts should be along soon. The league and it's Pres. Rizzo extend thanks to the Birchwood Civic Assn. for its contribution to help pay for the skirts.

Jericho Bowling

....By Maurice Targrove

As the fourth of the season nears its completion, a clear pattern is beginning to develop in the team standings. The Tigers, Cardinals, Yankees and Red Sox are in contention for the first place spot and a hot streak by any one team could move it well ahead. Last week the Tigers polished off the Red Sox for four points to move into undisputed possession of first place as the Cardinals dropped three.

Outstanding individual performances were posted by Norm Mulnik (216), Mike DePasquale (207) and Aaron Retzer (200).

Captain Norm Zim can begin to take heart. His last place Cubs bowled a 2219 for a three game series which in their all time high for the season. The boys have been getting an ample supply of free cigars this season. This time Joe Goldberg passed them out to announce the arrival of his son, Mark Steven.

The records show that Lou Furterman is thus far the most improved bowler over last year's average. Joe Krantz provided a bit of humor when he brought his arm back to bowl and when he brought it forward to release the ball, it wasn't there. He had dropped it on the backswing with a thud and didn't realize it.

Gets Promotion

Leo V. Kanawada, Jr. of Hicksville, has been promoted to the rank of Cadet Sergeant 1st Class in the Army Reserve Officer Training Corps at Bucknell University. The announcement was made recently by Cadet Colonel Larry L. Erdley.

In his new assignment, Cadet Kanawada will serve in the ROTC Brigade as the Platoon Sergeant of Company B. A Junior at Bucknell this year, Cadet Kanawada is enrolled in the Advanced Army ROTC Program. He will be eligible for commissioning in the US Army Reserve as a Second Lieutenant following the successful completion of his studies in military science and his graduation with the degree of A.B. in History and English.

Morch Enlists

The Navy Recruiting Station located at 67 North Broadway, Hicksville, is pleased to announce the enlistment of William Edward Morch, son of Mrs. Wilbur Elliot Morch, 18 Walter Ave., Hicksville. William, a graduate of Hicksville High School, was enlisted under the High School Graduate Training Program which guarantees him a school of his choice upon successful completion of his recruit training.

Gourmet Supper for Members

The Mid-Island Chapter of the Nassau Center for Emotionally Disturbed Children, Inc. will invite its members at a paid-up membership Italian Gourmet supper at Leone's, Main St., Port Washington tonight (Thurs.).

The attendance promises to be the largest ever held at any Mid-Island Chapter affair due to the outstanding efforts of Membership Vice President Mrs. Bernard Goldstein of 24 Michael Dr., and Mrs. Morris Stockman, 24 Spector Lane both Plainview. Under their co-chairmanship a series of teas were held over the past months which added some 30 odd names to the membership roles of the Chapter. The Nassau Center moves to its new quarters at 72 S. Woods Rd., a Syosset this week.

Logic Wand of Art

Bernadetta McInerney
A trip backstage astonishes us. We touch a bit of cotton, or oilcloth, or crudely painted cardboard and find it hard to believe that we saw these things as an ermine robe, rich tapestry, a moss-bound castle wall.

How was it possible to create these illusions from ordinary materials? Was it really true that the ghost did not emerge from a forest but was standing on the stage all the time, concealed behind a shadow? Certainly we saw a sword right through the villain's back where he is, alive and unharmed. The golden-haired princess removes her braids, and we find her no longer a romantic and lovely creature.

This is the magic we love. This is art. Like all magic tricks they appear simple as soon as we understand how they are produced. The materials are commonplace, yet the illusion is complete.

What is this magic and stage designer has at his command? How is he able to sweep his audience into any mood; to create at will the illusion of time, of place and of space?

The knowledge of art makes even in miniature, the world of make-believe seem real.

For 1962...an all-new kind of Ford!

the car that's just right for just about everybody
right size... right price...

You've never seen anything like it, because there's never been anything like it... until today. On the outside the new Ford Fairlane 500 measures a quick 197 inches from stem to stern. A good foot shorter than the cars from which it borrowed its name, it calls the snuggest parking places home. At the same time, on the inside the new Fairlane 500 is every inch as big as some of the biggest Fords ever built.

The new Fairlane 500 is priced way under previous Fairlanes, well under many compacts. But Fairlane economy doesn't stop with a pretty price tag. It runs to amazing gas savings, with the world's first economy V-8 on the nickel-mingling Fairlane Six. Routine service is reduced to a minimum - 30,000 miles on many items, only twice a year or 6,000 miles on the rest. And it adjusts its own brakes.

right between Galaxie and Falcon

RIGHT! Big car room, ride, performance.

RIGHT! Compact car price, economy, handling.

RIGHT! Only car anywhere near its price with the twice-a-year maintenance schedule first introduced by Galaxie.

RIGHT! Unique economy choice: the world's first economy V-8 or the delightfully thrifty Fairlane Six.

RIGHT! Fine car upholstery, appointments, luxuries.

RIGHT! The built-in value that pays off in pleasure now - and in profit when it comes time to trade.

RIGHT! Quality and precision craftsmanship you've never before enjoyed in any car anywhere near its low price.

AROUND THE DISTRICT

By Joe Koerner

A TOUGH ONE TO LOSE... This could very well be the season, where the rule book was the deciding factor in dropping the Comet Soccer and Football teams out of contention for the N. S. crowns... Half of this statement has already become a reality, with the Comet Booters, newly crowned Section 1 champs, dropping the bag of gelt to Garden City (Section 11 champs) by virtue of a penalty kick ruling. This ruling makes very little sense, but it was on the books and had to be used. On Tuesday of last week, the Comets and the Gardeners squared off for the right to meet North Shore High School for the N. S. Championship. At the end of the game, which resulted in a 2-2 tie after 2 overtime periods, both coaches had the option of using the penalty kick ruling or voting for another game... Both requested another shoe party, not wanting to put the pressure of 8 penalty kicks on either of the goalies.

The next day (Wednesday) both

teams arrived at the neutral Port Washington field, to take up where they had left off the day before... All conditions were the same, including the use of the two officials... And Lo and Behold the very same thing happened again, only this time the score was knotted 4-4 at the end of the regulation game. Dusk was settling, and there was no time for over-time periods. It was finally decided to use the penalty kick ruling, with 8 men from each side, facing the rival goalie with 1 kick apiece. In the outcome Garden City booted in 4 out of the 8 and Hicksville 2. Final score Gardeners 5, Comets 4. All those present, agreed that this was a poor way to settle a championship match but that was the way the ball was destined to bounce, this day. The one bright spot in this heartbreaker was the fact that Tom DeBrocke, Roy Garman and Vinnie Coletta were voted all-scholastic. So Long Comets... See you next season. (P.S.) According to scuttlebutt

making the rounds, the Comet grid-men could also become the victim of a rule book. Hypothetically speaking this possibility could occur... If league leading Clarke drops 1 or their remaining games and the Comets take them all, this race would end in a tie... But if this should occur, Clarke will take the Section 1 knapsack, by virtue of their 14-13 win over the Comets. Bad Cess to rule books of all kinds, especially when Clarke had to sneak out of the woodwork to get this win. The Comets outgained them 285 yds to 108 and had 17 first downs to the Rams 7. (More P.S.) I hope Howard Finnegan is correct with these figures... I plagiarized them from him. JR. HIGH GIRLS FIELD HOCKEY... METEORITES UNDEFEATED... Coach Ann Crandall reported an undefeated, 6-0-1 seasonal wrap-up for the girls field hockey teams. Seasonal goals vs Garden City, Wantagh, Merrick Ave. and Great Neck are as follows... 1st team captained by Josephine Alessi... Diane Schmitt 2, Sandy Novot 1, Josephine Alessi 1, Theresa Madden 1, and Shirley Weickman 1. 2nd team captained by Donna Weick-

man... Janet Kapsol 1 and Donna Weickman 6. Including the above names, others mentioned for outstanding seasonal play were, Anita Karganer, Carol Gwiazda, Marilyn Moran, Jeannine Rodenbach, Sue Leary and Sharon Repoli. Also cited for credits were Judy Schlegel as scorer and Linda Germain as timer. 7th grade Anna Eckler came in for special mention in the role of general helper and ball girl. Look out for these gals with the crooked sticks... They're undefeated in 7 games for this seasonal wrap-up. 1st team 4-0... 2nd team 3-0. GRID-LITES... METEORS (A's) UNDEFEATED... As was predicted in the beginning of the season, this was going to be a tough team to beat and after the first 2 victories, there were no ifs, ands or buts about the wealth of material coaches' Warren Meyer and Dick Hogan had stocked in their grid stable. They had some pure-blooded workhorses on the line and some nimble footed ponies in the backfield. All this enabled them to rout Syosset in the seasons' finale and sweeten the victory pot with a 28-6 decision. A real con-

2nd string Fullback Henry Sontag, taking over the duties of alling list stringer Larry Wesolko, accounted for 1 of the 4 tallies for the locals. The other 3 were pushed over by Steve Schuster, John Sarsfield and Vinnie Hoosack, with 3 of the extra points tallied by Quarterback Danny Yarnes. Nice going Meteors, that undefeated season has all the earmarks of making the future look brighter for the Comets in the years to come. Incidentally, Meteors... You're not only a fine well coached football team but you also come under the heading of being one of the finest groups of team-sports, it's ever been my pleasure to meet... And this includes Buddy Bryan's B squad. METEOR B'S WIN... According to Quarterback Glen Olsen, interviewed on the northwest side of the southeast gate, this is how B squad wound up their season, over Mineola. George Lang started the action with a 25 yard end run for the first score for the locals. Chuck Frazer went 10 yards up the middle for the 2nd and Danny Boron put the frosting on the cake, with an 8 yd. score off right tackle... Larry Carlucci accounted for the extra point. Lang's first touchdown came as a result of a 60 yard, opening pass play from Boron to fleetfooted end Billy Fyle. A few plays later the locals had their first score of the game and Mineola never quite recovered from the quick crusher. Coach Buddy Bryan and his squad wrapped up the season with a 2-4 record, which is more than fair, considering the calibre of the competition and 3 heart-breaking 1 point losses. See you next year Buns. COMETS SINK SYOSSET... Hicksville had a big Farmdale full-back going for them last Sat. in the Oiler 26-13 upset victory over league leading Clarke. Jay Wood was this boys' name and he's an even bigger hero to the Comets than he is to his own home town. Wood burst through the Ramline line for 110 yds. and sparked the Oilers to their upset victory, which toppled the Rams from the unbeaten ranks. Hicksville on the other hand, roughed up their Syosset hosts with a 20-7 win and temporarily took over the league lead. This puts them at the top of the heap as far as the Section 1 title is concerned, with the last game scheduled vs Division Ave. on Thanksgiving morning, having nothing to do with league play. Clarke still has one more league game to play and should they lose, the Comets will back into the championship. Should they win, the Comets and Rams will wind up in a tie, with no playoff on the books... Now here comes the bitter pill I hope the Comets don't have to swallow. The scuttlebutt states that a league tie will automatically go to the Clarke Rams and give them the championship by virtue of their 1 point win over the Comets 2 weeks ago. If this should happen I am going to withdraw my \$10,000 pledge to the "Rule Book Committee"...

And now that, that's all over with, let's get back to pleasant side of things. Once again the locals put on a running and aerial show for the homeowners. The big guns were Bruce Damm, Bill Sherburne, Jim Clark, Ray Strassburger and Chris Coletta. Damm, the up and coming "Y. A. Title" of Cometland, did his Quarterbacking right up to the hilt and was on target with the long ones all day. He threw a 40 yarder to Strassburger, who scored the second tally, hit Coletta with a 20 yarder in the end zone for the 3rd combined with the glow fingered big end, Jim Clark to rack up an 80 yd. total to aerial gains. Clark also pulled in another 40 yarder, fired by Chris Coletta out of the new, "Shotgun Offensive Play" (This offense, newly inaugurated by the pros, has the ball snapped back to a Halfback in Fullback position and gives the passer a clearer picture of the field). Crazy Legged Chris Coletta also came out of this offense by chucking up a 60 yd. razzle dazzle run after faking another pass. Coletta with another one of his

Camilla Williams In Concert Here

A light audience responded enthusiastically to the song recital by Camilla Williams on Oct. 21st at the Hicksville High School auditorium. Miss Williams sang under the auspices of the Mid-Island Concert Assoc., giving an unusual start to the 1961-1962 season. Beside its own members, the Assoc. was pleased to welcome guests from the affiliated communities of Hempstead, Massapequa, Roseton, Westbury and even Queens Village, who were drawn to Hicksville by their knowledge of Camilla Williams' reputation as an artist.

The audience was not disappointed. To this reviewer, Miss Williams has everything that goes to make a real artist. The voice itself is big and brilliant, but at the same time it is warm and appealing. The tones are evenly and effortlessly produced throughout its entire wide range. Although it is an opulent voice, it is also capable of delicate pianissimo and delicate articulation. She also has great flexibility in negotiating the runs of Mozart's "Alla Gioia," for example, with impeccable accuracy and clearness. On the other hand, the climactic high A of the same number was produced without the slightest strain, and many spontaneous notes.

So much for the voice. Suffice it to say that it is a fine instrument superbly used. Of equal importance, however, is the artist's understanding and sensitivity. Camilla Williams sang a taxing program which varied in style from Handel and to the modern Berg, Debussy, but she showed at home in all of them. Particularly ingratiating was her performance of "Der Hirt auf dem Felsen" of Schubert, which begins with the difficult and flowing first section and ends in the sheer delight of "Der Fruhlingsmorgen." Clarinetist, Arthur, who assisted in this number, showed himself, a fine ensemble player, giving just the right color and balance to round out the voice and piano in a thoroughly artistic whole.

Two Delibes numbers opened the second half of the program, and were a complete contrast to the preceding German. But were done with equal understanding. The group closed with Debussy's "Air de Lolo," an artistic as well as dramatic spot. Again it was a pleasure to hear a soprano who sustained dramatic climaxes without losing beauty of tone, and at the same time, delicate soft notes that are truly delicious. The inevitable group of spirituals was done with refreshing simplicity and sincerity, although a reviewer would have been as pleased to have heard one or two

as part of a folk group, as to have an entire group in this style. It seems that an artist of Miss Williams stature need not be limited by any considerations beside her own artistic preferences in selecting numbers. Of course, it goes without saying, however, that the group was beautifully done.

For her closing, Miss Williams chose the Czardas from "Die Fledermaus" by Johann Strauss which made a stunning climax for the evening and nearly brought the audience to its feet.

George Malloy, throughout the program, gave notable support on the piano, supplying a perfect setting for the musical gems that resulted from a fine ensemble. He contributed very largely to the over-all artistry.

It would be impossible to review this program without referring to that important but intangible ability to stir an audience emotionally, which Camilla Williams possesses in large measure. Everything she does contributes to it - the way she handles her voice, the way she handles her body, and especially the way her face lights up in response to the sincerity of her own inner emotions. It is this, in addition to a beautiful instrument, a splendid technique and intelligent understanding of the music, that gives her her power over an audience and makes her, in my opinion, a truly great artist.

THE TRIANGLE

Dear Sir:

For the past few months my husband has been acting in a way which makes me think that he is seeing another woman.

I love my husband very much and am worried about confronting him about this other woman. I know he loves our children and I think he wants to keep our home intact. How do I solve this miserable problem?

CL-Jericho

Dear Sir:

You have a choice to make. You can confront your husband with the accusation about the other woman. He can deny it or ask you to forgive him. In either case, if he is seeing the other woman, he will feel guilty about his extra marital venture and he might resent your having discovered his infidelity or he may be truly repentant.

The other course of action open to you is to try to win him back completely without telling him of your suspicions. If you love him as you say you do, try playing the part of the girl he was courting before you were married. Make yourself especially attractive for him. Have your beautician do you over in grand style. If necessary get some new clothes that will open his eyes to what he has at home. Your acting job will be difficult considering that you have children to care for and a house to manage.

Too often married couples take each other for granted. This often leads to the unhappy situation of infidelity. Women forget that in addition to their husbands expecting them to act the part of a wife and mother they also expect them

to undertake the difficult task of being their sweetheart, maintaining the mystery of womanhood throughout their marriage. The men too often are just as guilty as the women. They take their wives for granted and forget the little pleasures that a woman enjoys. How many men give their wives flowers on an ordinary day of the week? When does a man tell his wife how lovely she looks? When does a man tell his wife that he loves her? All too rarely.

Everyone claims that he or she is too busy, trying to maintain the home or bring home the paycheck, and cannot take the time to flatter their spouse. How ridiculous! We work hard to maintain a happy home as far as material things are concerned. Then we turn our backs to the true happiness which a simple kind word or gesture can bring to the home. Mental satisfaction and spiritual happiness is the true basis for a successful marriage. If we ignore this aspect of marriage, the marriage has lost all meaning. Your spouse is a human, who expects all the attention that you would like to receive yourself. Give a little and you will gain a lot.

A Question Of Genetics

Dear Sir:

My fiancé recently told me that he has some Negro strain in his family. He thinks it's about 1/16th on his part. Now he's worried about our getting married claiming that there is a strong chance of our children showing Negro characteristics. Is he right? (I love him very much and don't care if the children are born with Negro characteristics).

Adults Exhibit Work on Nov. 27

The Hicksville Adult Education program will hold its Fall exhibit on Monday evening, Nov. 27 at 8:30 P.M. in the High School Girls' Gym. All classes will participate with bulletin board, table, and floor exhibits showing the accomplishments of the recent term's activities. Some students will be showing their work through demonstration, according to Francis D.

Genley, Director.

Class in languages, electronics, sewing, ceramics, art, Sewing, new citizens, typing, bookkeeping, switchboard operation, driver education and others will demonstrate their accomplishments.

Mr. and Mrs. Arthur Burnett of Hicksville are the proud parents of a daughter, Alexandra, born to them Nov. 3

Dear TLL:

If your fiancé is 1/16th Negro, the possibility of your having children with Negro characteristics are very remote. I suggest you consult your family physician for a more detailed answer on this question.
