27 Years Ago Today:

Hicksville Soldier Died In Pearl Harbor Attack

The shocking news of the Japanese attack on Pearl Harbor, 27 years ago today, reached Hicksville shortly after the Sunday noon news. It came in the form of brief radio bulletins, followed later in the day by some fuller details.

In those first terrible hours a Hicksville resident was among the 403 Pearl Harbor casualties but the community did not know this until some weeks later. Twenty-year-old PFC John Haughey, son of Mr. and Mrs. John Haughey of Third St., Hicksville, was serving with the regular Army Air Force at Hickam Field. The first message to his parents was that he was missing in action. Notice of his death came later. Probably less than 30 per cent of today's Hicksville population lived in the community on Dec. 7, 1914. Today the population exceeds 56,000. Twenty years ago it was about 12,000.

During the next four years a total of 807 Hicksville men and women left home to serve their country in every branch of the armed forces. In every theatre of action during those four years 19 young men of the community gave their lives while in the service of their nation.

Those who died during the most terrible conflict the world has ever known were:

- FRED ANDERSON
- HENRY A. GEBHARDT JR.
- JOHN HALBOWICZ
- JOHN HAUGHEY
- JOHN LOONEY
- ANDREW MANELSKI
- ROBERT MATSCHAT
- ARTHUR F. NOETH
- WILLIAM J. PAKALUK JR.
- ANTHONY BETRONE
- WILLIAM REMY
- MELVIN ROHRBACH
- WALTER SCHAEFER
- ELLSWORTH W. STEINERT
- GREGORY STOCK
- ROBERT ULMER
- RAYMOND ZELTMANN
- JOHN ZIELER

There were many who were wounded and there were those who were reported missing but some how did turn up later.

National Amvet Leader Here

1924 Fiftieth of Illinois, national commander of the Amvets, will be in Hicksville this Sunday, Dec. 10, in connection with a Civil Defense program. Commander Fiftieth will be the guest of the Robert O. Ulmer Memorial Post of Hicksville Amvets at their clubhouse on E. Marie St. from 1 to 3 PM. Vincent Kehoe is commander of Hicksville Amvets.

State Closes Hall

The State Lottery Control Commission has ordered the Hicksville Big Game Hall on Broadway in the former location of a supermarket to stop its games it was learned at press time. The order came from Commission Chairman Richard W. Hannah after the agency had testimony regarding operation of the Hall.

Hicksville was the location of the headquarters for the Draft Board with the late Dr. Elwood A. Curtis as chairman. The Board served a large surrounding area, including Bethpage, Plainview and Farmingdale and as a result the group departures from Hicksville RR station became a noticeable event. The inductees with their families and relatives would gather at Hicksville courthouse and march in a body to the railroad station. John Harbes of Plainview, active in the American Legion, generally carried the American colors for this march which at one time reached several hundred people. The Hicksville Red Cross volunteers under Mrs. Sarah Huetner and Miss Mabel F. Farley served coffee and cake before departure time.

Harbes also was in charge of the aircraft spotters who maintained a tower on Woodbury Road near the present day location of Penney's store. He compiled more hours of volunteer service at this post than anyone else in the county.

And with the War come rationing of sugar, meat, gasoline, tires, etc. Edward Conlon as chairman of the rationing board put in countless volunteer hours.

But Hicksville never forgot its men and women in the service. The Comfort Committee led by Frank Chlumsky repeated on a grander scale what it had done in World War I. There were monthly mailings of parcels of toilet articles and smoking and reading matter to everyone of the 807 in service. The money was contributed by the community.

And when the war was ended, Hicksville still remembered those who served. The Memorial Mall on the campus of the Junior High School represented a \$10,000 project brought to a successful conclusion by a committee led by

Will Wait Till May Election:

Board Tables Action On Filling Vacancy

The Hicksville Board of Education has elected Herbert H. Johnson as its vice president in the place of David Hurwitt, who has resigned. After a move to appoint former Board Member Allen S. Carpenter to fill out the balance of Hurwitt's term failed passage, the Board decided last Friday night to leave the position open until the annual election next May.

The high cost of a special referendum to fill the position for a few months was cited as the reason for not going to public vote at this time. It was noted, however, that the trustee elected in May could be appointed immediately to fill out the May-June term.

Hurwitt's resignation as of Nov. 30 was accepted by the Board on Friday, Dec. 1.

All six members of the Board voted approval of Johnson's selection as Board vice president.

When a motion by George Jackson to table action on appointment to fill the vacancy failed, 3 to 3. Jerry Zettler moved to appoint Carpenter to fill out the term. This motion also lost, 3 to 3, with Johnson, Cornelius McCormack and Zettler in favor; Jackson, Dominic Sabatella and Robert D.P. Eaton, opposed.

Eaton then moved to appoint William O'Donnell, president of the PTA Council, to fill the vacancy. His motion was seconded by Jackson. Before a vote was taken, the motion was withdrawn.

A motion then by Jackson, seconded by Zettler, to table the question of filling the vacancy was then carried 5 to 1 with Sabatella voting no.

The Board of Education also adopted an organizational chart regarding the school administration which also establishes salary grades for various titles. An amendment proposed by Zettler to have Joseph Madden, recreation director, responsible directly to the Superintendent of Schools instead of the Assistant Superintendent, was lost 3 to 1.

The salary of Anthony Gorczycki, business administrator, was increased from \$10,100 to \$10,400 effective Jan. 1st. The vote was 5 to 1 with Eaton voting no. The vote was the same on raising the salary of Harold Hinckley, assistant business administrator from \$8500 to \$9000. All members voted in favor of raising the transportation supervisor, Mrs. Casar, from \$5800 to \$6000.

Reject Plan to Convert Old House Into Offices

A proposal to convert the former Lumm house on Newbridge Rd., Hicksville, into "Pentagon No. 2" for administrative use by the School District was rejected by Hicksville School Board, Friday night. The house was acquired in the recent purchase of about four acres of property bordering the south side of the high school property.

Some years ago the conversion of the former Bergold house into the present Administration Building on Newbridge Rd. was described by a critic as "The Pentagon" and the name has stuck ever since.

The Lumm house, which is located a few hundred feet south of the Bergold house on the same side of Newbridge Rd., and is said to be 60 years old, was appraised as being worth \$10,000 when the District bought it together with a barn and four

acres of land. Robert Petross, director of buildings and grounds, came up with a cost of \$43,915 to convert the Lumm house and outbuildings for administrative and storage use.

This figure was subsequently revised down to \$23,970 to allow certain alterations immediately so that the structure could be used by the business office.

Asked by a Board member, Friday night, whether it would be more economical to tear the structure down and rebuild -- at the same cost -- Petross said, in his opinion, that is so.

The School Board did authorize the Administration to consult with School Architects Knappe & Johnson on the preparation of plans for a new structure of 30,000 or 40,000 square feet for administrative use, coupled with a central storage facility.

Extra Window Service at PO

Hicksville Post Office is expanding its window service during the Christmas mailing period for the convenience of the public, according to Acting Postmaster Irene Murphy.

Broadway Sweet Shop at 536 South Broadway will be selling stamps and accepting parcel post packages, she added.

Special extended hours for stamp sales and parcel post were set in Hicksville, Plainview and Old Bethpage:

Main Office, North Bway: Saturdays, Dec. 9 and 16, from 8 AM to 6 PM; Monday to Friday from Dec. 11 to 22, 7 AM to 7 PM.

Gertz Station (Plaza): Saturdays from 10 AM to 6 PM; Monday to Friday, Dec. 11 to 22, 10 AM to 9 PM.

Plainview Office: Monday to Saturday, till Dec. 22, 8 AM to 6 PM.

Penthouse Cleaners, 758 Old Bethpage Rd., Old Bethpage, Monday to Saturday, till Dec. 22, 1 PM to 4 PM.

Registered mail and money orders will be handled at usual business hours, only.

Hawxie Sinks His Opposition

Harold Hawxhurst was re-elected Hicksville Fire Commissioner for a five-year term, defeating Dorothy Miller McCue, the first woman to ever seek the position in the community history.

Hawxhurst received 797 votes or about 80 percent of the 979 ballots cast. Mrs. McCue received 147 votes. There were 35 blank ballots. William Danda, who had filed a candidate's petition, had withdrawn at the last minute, it was announced as voting began.

Frank Wallach, unopposed, was re-elected district treasurer. He got 670 votes.

Zettler Charges Outright Lie

Reports in circulation that Hicksville public schools, under long range plans, will be on double sessions from the kindergarten to the 12th grade, were denounced as an "outright lie" by Trustee Jerry Zettler at the Hicksville Board of Education meeting, Friday night.

Zettler was apparently referring to a Mid Island HERALD story which quoted the School Board Campaign Committee on this item. Mrs. Phyllis Newburger, spokesman for the Campaign Committee, has since claimed that this was an administrative comment (See Letter to Editor in this issue).

The School Board upon the recommendation of School Superintendent Donald F. Abr. and by a vote of 5 to 1 voted to "update the McCormack Report" by engaging the services of Dr. Felix McCormack of Columbia University Teachers College. Dr. McCormack had prepared the original survey of long-term building facility needs in the District.

A motion to bring in "some other" survey team instead of Dr. McCormack was lost 3 to 3.

HERALD READER OPINION

To the Editor:

May I express the appreciation of the School Board Campaign Committee for the article which appeared in the Mid Island HERALD recently.

However, there is one point which needs clarification: You state the "School Board campaign committee charges that long range plans for school building in Hicksville School District no. 17 are based on double sessions from kindergarten thru 12th grade."

At the meeting held on Oct. 30, 1961 to present the Board of Education plans for the Nov 14, 1961 referendum, Mr. Abt announced that Dr. LeBaron, former Superintendent of Schools in Hicksville, had informed him of the foregoing fact.

I trust that you will make available to your readers this indicated correction.

PHYLIS NEUBURGER

(Editor's Note - We rarely comment upon a letter to the editor but the point raised by Mrs. Neuburger requires comment. Mr. Abt states that he was quoting Dr. LeBaron at that Oct 30 meeting REGARDING THE PLANS OF THE SCHOOL DISTRICT BEFORE THE TEMPORARY TYPE CLASSROOMS WERE PROPOSED AND APPROVED. In other words, the long range plans as they existed in about 1954-55 in 1961.)

Dear Jean:

There are reports of a considerable shift among nominees when the Ernest F. Franke Republican Club of Hicksville holds election of officers tomorrow (Fri.) night at the Methuon Temple. The club's annual Christmas party also takes place at the same session. Reports are current that two women will probably run against each other in the Hicksville School election of trustees, come next May. Christmas lights on Broadway, Hicksville, were turned on Monday night. School Board meeting ended at 1 o'clock. Saturday morning when GEORGE JACKSON voted against a motion to continue. A unanimous vote of the Board is required to continue after 1 AM. STANLEY BENJAMIN who has the general contract to move the temporary classrooms to the Junior High School and the East St. gym is also the builder of the new Water District administration building which may be ready for occupancy before the end of the year. It is at the end of Dean St. Benjamin also built the Central Savings and Loan Assoc. building at Bway and John St. We hear from a reliable source that the controversial Floyd Bennett sign has been delivered to the Jericho store and is now laying on the roof top, awaiting an official go-ahead for erection. A new hearing on the sign question comes before the Board of Appeals tonight (Thurs.) at Oyster Bay Town Hall. Cafeteria prices for teachers which were raised as of the new term to 85 cents have been cut back to 65 cents by the School Board. While HERB JOHNSEN, who proposed the cut back, admitted the lunch served is worth \$1.25 or more on the outside, the school system can sell it for 65 cents on the basis of actual cost. The school system receives surplus food stuff from the government and also can purchase more cheaply under contract and bids. Since the new prices went into effect this term, the number of teachers eating in the cafeterias has dropped off sharply. It was revealed.

WILLIAM E. KOUTENSKY, president of the Long Island National Bank of Hicksville, announces as of Jan. 1, 1962, there will be an increase in interest to 4% on savings account deposits with the bank a year or more and 3 1/2% on savings deposits in the bank less than a year. Sounds like a wonderful deal to us, how about you? Our good wishes to newly engaged couples, Miss BEVERLY COLE of Floral Park to JAMES SHARKEY Jr., of Plainview; Miss JACQUELINE REILLY of Plainview to ROBERT T. DEVINE, son of Mr. and Mrs. Francis X. Devine of Hicksville. Also to Miss CHARLOTTE SCHUMACHER, daughter of Mr. and Mrs. John H. Schumacher, of Hicksville to JAMES J. DONNELLY, of Queens Village. Sorry to hear that our friend, Miss MARIE KELLER, sister of Miss CLARA KELLER of Harding Ave. is a patient in a Florida Veterans Hospital near Lakeland, Florida where she is a winter resident.

Contracts were signed Tuesday night between the School District and the people who are going to move the temporary classrooms to the Junior High School and the addition to East St. School. Only 15 more shopping days until Christmas. Town Tax Receiver DAVID WELSH is in a Bay Shore Hospital. Get well quickly, Dave.

The Passing of Dr. Wallace Lamb

Donald F. Abt, Superintendent of Hicksville Schools, made the following comment upon the sudden passing last week of Dr. Wallace E. Lamb who had retired as Superintendent in June of this year: "On behalf of the Board of Education, the students and the staff of the Hicksville School District, I would like to express our deep loss and that of education with the passing of Dr. Wallace E. Lamb. "We knew Wallace Lamb as a quiet, deep-thinking man who was guided by deep religious convictions and a dedication to people. Children's welfare, opportunities and accomplishments were his life. He nurtured his colleagues with patience and helped them grow by sharing his strength and experience. His strong will was felt in subtle ways. Very often people did not realize that Wallace Lamb was allowing them to have Wallace Lamb's way of thinking. Very often big men have memorials built for them. Dr. Wallace E. Lamb's memorial in Hicksville is his image as an educational leader etched in the minds and careers of the people."

Cross at Crossing and Live

There were 55 pedestrian deaths in New York State during October compared with 83 the same month last year — a substantial drop of 34 per cent. However crossing between intersections continues to be a deadly mistake on the part of pedestrians. During October, 18 were killed committing this violation while six others died when struck as they emerged from behind parked cars. Four others were fatally injured crossing intersections against traffic signals.

While we know these figures are state-wide, there is a need for considerable education among pedestrians in Hicksville who insist upon jay walking on Broadway, particularly between the LIRR crossing and Main St. Why there have not been several fatalities in this zone is a tribute to the caution on the part of motorists.

What's New at Civil Defense

By Gilbert B. Stein
 The Jericho Civil Defense Committee has become a fact. On Nov. 13th a meeting was held which was attended by 10 residents representing three different civic associations and areas of our community. Many problems of Civil Defense and disaster help were discussed and it was agreed upon that the next meeting of the committee would take place on Wednesday evening, Nov. 29th.

George Kunz, Town Civil Defense Director, had been invited to attend this meeting and he accepted our invitation to address the group and answer questions. Plans were made for the long range permanent setup here in Jericho of a Civil Defense unit under the direction of the Town and County. The committee is looking forward to the attendance at its next meeting by

delegates from our White Birch and West Birchwood areas, to make this a completely Jericho-wide endeavor.

The entire subject of Civil Defense is so dreadfully important, yet so complicated that even a partial discussion here of details would not suffice. The public will have an opportunity as soon as our committee reaches a more complete stage of organization, to attend a community wide information meeting. In the meanwhile it is gratifying to note, that at least 15 individuals so far have shown enough interest and devotion to pitch in during this difficult organizational phase of Jericho C.D. since our present committee is simply a group of fellow residents and neighbors. For details phone the writer at OV 1-0337.

 Your Discount Committee has made final arrangements for a very outstanding fuel oil service agreement which will be acted upon at our next Civic Assoc. Board meeting. The General Meeting is Dec. 19. Follow THE VILLAGER for further details.

Civics Invite Jericho Residents

Mario M. Della Vecchia, President of the White Birch of Jericho Civic Assoc., invites all the residents of Jericho and the members of the White Birch Civic Assoc. to a special meeting to be held Friday, Dec. 16, at 8:30 P.M. at the Jericho Fire House, Jericho. The Nassau County Office of Civil Defense will show the film "You Can Beat the A-Bomb" and the guest speaker will be Col. Frank Huyler, public information officer. The program will be both timely and interesting to everyone in the community.

Meeting to Plan Integrated Housing

La Mar Cox, chairman of the Education Committee of the Long Island Council on Integrated Housing, will speak on methods of organizing community integration groups at the home of Mrs. Joseph Well on Friday, Dec. 8 at 9 p.m. Mrs. Well, a resident of 6 Friendship Lane, Jericho, is attempting to promote such a group in the Jericho area. This first meeting will be for the purpose of organization and to decide what course of action the participants will take. For further information, contact Mrs. Well at OV 1-2313.

Civics Change Meeting Date

Irwin D. Baume, president of the Birchwood Civic Assoc at Jericho, in an open letter to all members has announced a change in the General Meeting from Thursday, Dec 7 to Tuesday, Dec 19, so that as many members as possible will be able to attend the Zoning Board of Appeals hearing upon the Floyd Bennett sign matter set for Dec 7 at Oyster Lay.

The meeting will be held at George Jackson School on Dec 19 and 9 PM. The agenda, "one of great concern for the entire community" according to President Baume will be (1) Civil Defense Speaker, (2) review of civic activities during the past six months, (3) vote on amendments to (a) move Election Day from snowy February to mild May, (b) move dues payment date from Mar 31 (before taxes) to January 1, and (4) enjoy some coffee and cake.

TEEN TALK

By Carol Horn
 As you might have noticed there was an over abundance of teenagers in the neighborhood about a week ago. One cannot say we were actually invaded by a massive group of young adults but more or less we were the recipients of college students returning for their autumn break; Thanksgiving vacation had finally come.

Parents awaited the arrival of their loved ones with eager enthusiasm but they soon learned that the objects of their affection had many plans for their brief stay at home; very few of which included Mom, Dad and little sister.

When a mother was asked how she felt to see her daughter, a typical reply was, "We ate breakfast together two mornings and she looked like an angel when she slept at night. Her boy friend can probably tell you a lot more about her college life than we can, since he certainly saw a lot more of her." That's for sure.

Dad knew that Junior was back for a few days. He had to cancel a golfing trip on Saturday since his son had the car. Junior was home alright, three full tanks of gas worth, too. The parents had to admit that it was nice to sleep on Sunday morning and have someone else get the bags though.

In reality it's hard to think that through this long awaited visit they saw very little of their pride and joys. In conclusion they realized that anyone that ever referred to teenagers as lazy was completely wrong, for they were on the go from the moment they arrived till the second they left. Oh well folks, Christmas vacation is three times as long as Thanksgiving, so for every hour you spent with the darling last week, you can look forward to seeing him three times as much during his next visit. Chin up and smile!

Hi, Neighbors

MURIEL SUGARMAN

One thing about living in Birchwood, no matter where you roam, you still bump into your neighbors. The Mantes family of Merry Lane went to Washington, D.C. for the Thanksgiving holidays. As they were going at all the airports, who did they see (no, not the Kennedy family), but the Weston family of Hazelwood Drive. After comparing notes, they found out they were even staying at the same hotel.

Gloria and Jack Mass of Flower Lane have been vacationing in Europe. While in Spain they visited Andrea Bicks who has been studying in Spain since last June. Andrea wrote her parents, Sylvia and Sam Bicks of Village Drive, how wonderful it was to see people from back home.

The Sisterhood of JJC will hold a Chanukah Party for the Children Sunday, Dec. 10, at the Temple, 2 p.m. There will be a three act show; featuring "Jeep the Clown," "Absorb the Magician," and "The Burton Wolf Puppeteers," in a "Chanukah Surprise." In addition to this delightful show there will be games, prizes, and gifts for all. Tickets are 75¢ ea. per child; 50¢ adults. (Due to unforeseen circumstances, Sonny Fox will not participate as previously advertised, and we are offering the new show as mentioned above.) Call for your tickets, Fran Cohen WE 5-4647 or Sylvia Weinstein WE 5-5714.

Congratulations to Adele and Ed Sherman of Magnolia Lane on their daughter Barbara's marriage.

Happy Birthday to Jeffrey Putterman, Lenore Shapiro, Sheila Karbel, Roy and Neil Pollack and Sammy Resnick.

Last call to purchase tickets for "Judgment at Nuremberg" - which is having its world premiere in West Berlin on Dec. 14 and its New York premiere on Dec. 19. Temple Or-Elohim has a limited number of reserved seats for the picture's first Saturday night performance in New York on Dec. 23. The price is \$5.00 per ticket, which is the same box office price prevailing for Christmas week. For tickets, call Larry Gibbs, WE 1-5587.

Sylvia Wagreich bought a cherry tree. The first year it didn't bloom. The second year, it did---but not with cherries. It looked like an olive tree. However, the surprise was that it turned out, not a cherry tree, but a rare apricot tree. Sylvia was very happy, because it bloomed on her twentieth wedding anniversary.

A new daughter, their third, was born to Betty and Herb Golub.

Morry Herrick and his son, Steve, of Hazelwood Drive, are the local winners of Bowling Proprietors Assoc. Parent Child Tournament with 1,324 pins handicap total. They will compete in the County Finals at the Oceanside Bowl on Dec. 9.

Get well wishes to Beverly Gerber and Sylvia Eisenberg.

What are you doing Saturday night, Dec. 9? Hope you are joining the crowds going to the tree paid-up membership party Hadassah is giving at the Jericho Jewish Center ballroom. It will be the first time we girls can take our husbands out--at no cost. An evening of fun--entertainment by "The Gamester," dancing, and a hot midnight supper. If you still haven't paid your dues, you can pay at the door. Call OV 1-5910 for further information.

All mail of extreme importance should be sent special delivery or registered.

The Girl Scouts of the Robbins Land Neighborhood recently completed their planting project in honor of the Anniversary year in 1962.

Three Girl Scout rose bushes, three early yellow mums and unnumberable tulip and daffodil bulbs will bloom vividly from spring to Fall of 1962 to declare "Happy Anniversary Girl Scouts" from this neighborhood.

No family should be without this "Blood Insurance" and in order to qualify you need only be a Jericho resident and donate one pint of blood.

The A.Z.A. Twist contest, held on Dec. 11, was won by Saura Batterman and Alan Resnick. The next week, at a high school dance, Alan won another dance contest. If this keeps up, Alan will be known as the King of the dancers.

Congratulations to Harvey Gluckson, Fred Schneider, Alan Shepard and Robert Green on their Bar Mitzvahs.

They say most accidents happen while driving a car, but Helaine Magoon of Merry Lane might not agree. Helaine was walking down the steps of Queens College en route to her car in the parking lot, missed a few steps, fell down, and now has her legs in a cast. We wish her a speedy recovery.

The Men's Club of Temple Or-Elohim is sponsoring a "Family Night" at the Long Island Arena in Commack. The show will star the Harlem Globetrotters, Cab Calloway, and eight other fun-filled acts. The date for this even-

ing of excellent entertainment for both children and adults is Monday, December 25 at 7:30 p.m. Tickets are being sold at the box office price of \$4.00 for the best seats at center court. Call Dick Rauch at WE 5-1454.

I heard a funny story this week. Did you see the posters in the Shopping Center advertising "Detective Story '71"? It says, "Wanted" and shows pictures of some of the actors in the cast. Two little boys in the Shopping Center saw Jerry Neuhaus, whose picture appears on the poster, and called the police. Jerry was red-faced as he explained to the police who he was. Incidentally, "Detective Story" will be presented on Friday and Saturday, Dec. 15 and 16, at 8:30 p.m. at the South Woods Jr. High School. Call Ellen Bauman at WE 8-2017 for tickets, or purchase them at the box office. The admission price is \$2.00. This is a presentation of the Jericho Players of the Birchwood Civic Assoc.

Mr. and Mrs. Joseph Mayz of 8 Twenty First St., Jericho, are proud parents of a son, Leonard Joseph, born Nov. 25, at Mercy

ERNIE BOUNPANE, Hickville Lion's Club Vice President, is distracted momentarily from his task of hanging club pennant in Lion's Den at the Mid Island Plaza, where the Club recently sponsored a teen dance in co-operation with the Hicksville School Dist. COMETLAND

By Joe Koerner

J.V. GRID-LITES—According to J.V. football coach, Bill Meyer, this is the way the ball bounced for his squad this past season. The seasonal record was a respectable 5-2, with 92 points scored by the locals vs. 60 for the opposition. Chamnade opened the action with a 24-0 win; Island Trees followed with a 13-9 loss; Plainedge went down 13-7; and Plainview was routed 34-0. (After this fine showing, Santo Cafora, Richie Miskovsky, Bob Flanagan, and Bruce Cerone were promoted to the Varsity.) The next rumble was Vs. Clarke, with the locals dropping a tough 7-6 decision on an intercepted pitchout. Next out, Farmingdale, took the short end of a 19-13 score and in the seasons finale vs. Syosset, the locals took a 7-0 win. The final scoring countdown, put Frank Casalino in the top spot with 7 touchdowns good for 42 points; Bruce Ladisic was second with 5 touchdowns.

Scores for the season were as follows: versus the Treemans, Ladisic and Bruce Cerone got one touchdown apiece with Dave Hoosack kicking the point; versus Plainedge, Ladisic and Casalino (one each, Hoosack toed the point, versus Plainview, Casalino scored 2 touchdowns with his patented wide-end sweeps, and Ladisic barreled through tackle for the other pair. Versus Clarke, for the 7-6 loss, Ladisic scored the lone marker rushing over from the 5 yd. line. Versus Farmingdale, Casalino scored two late touchdowns and Cliff Giles scored the 3rd tally after taking a long pass from Paul Calasano, that covered 45 yards; versus Syosset in the sea'n s' finale, Casalino rounded out his scoring parade with one

touchdown for the 7-0 win. In closing out the late afternoon interview, the J.V. Mentor had this to say after taking a long hard look at his crystal ball—"The football future for these sophomore and juniors look hopeful for the next year, with some big tough linemen coming into their own. Boys like 6'2", 210 lb. tackle, George Frey, Steve Mandala, Tony Urena, Cliff Giles, Pete Ladisic, Steve Horn, Pete Martin, and Gene Cosco, all should help bring a smile to Varsity coach Jim Grant-ham's face, as he tries to make up for some of his graduation losses. Backs like Frank Casalino and Bruce Ladisic, along with Bob Flanagan and Bruce Cerone, will help in the scoring department and Bob Feldcher had shown good promise as a punter, averaging close to 35 yards per try. It's my opinion that all these boys will be making their presence known in Hicksville football next season," Meyer concluded. So long Jayvees, see you next season!

GOOD NEWS DEPT.—concerns the fact that Comets Halfback Chris Coletta, Guard Joe Cafora, and End Ray Strassburger, made the Newsday honor team for Section 1 in the North Shore Football League. Another item of good news con-

cerns the return of the clapper (bell hammer) recently stolen from the Junior High School Clock Tower. Looks like it pays to advertise in the Mid Island HERALD as was done in this column days after the clapper was found missing. We asked the Comets and Meteors to "go, go, go," and get that clapper back where it belonged. Thanks to a pair of teenagers, who refused to give their names, the clapper was returned intact last week to the Custodians office at the Jr. High School. It'll take a little woodwork by our District carpenters, Duncan Wol-tee, Andy Koehler, and Vinnie Ingino, to get it mounted again in the clock tower, but we hope to have it ready to toll in the new year. Thanks again boys, we would like to get your names but at least you did prove a theory of ours—that the vandals in your ranks are so few and far between.

HOOP HI-LITES—According to Jayvee Basketball coach, Stan Kellner, his squad is going to be in the position of depending on a lot of hustle this season. The general feeling being, that this is one of the smallest J.V. teams ever and there will be a definite lack of strength off the boards. But lets not start hanging up the black crepe paper until Kellner checks

the boards a little. Here's how things shape up according to him, "Knowing many of the boys personally," he states, "I know they are determined to make this team a workable combo. Rick Medina, brother of Chico, last years most valuable player in the New Hyde Park playoffs, stands only 5'4" but has a nice touch and looks real good in the ball handling department. Bruce Damm has the scoring touch; Paul Colasano is looking good; and Tom Cameja is playing the corners well and moving very nicely. George Rivas, Bill Klingenberg, Bob Feldcher, and Bruce Cerone are expected to contribute in the scoring department and a number of other boys have been showing the potential that will be helping us later on in the season." Doug Kellner closed out the interview by saying, "Having no boys over 6'

sort of makes the boys realize that our success over the season will have to rely on an aggressive defense." (Nuff said—end of quote.) Next week, we'll be checking up on the rest of the school district courtmen and getting some inside dope on the wrestling squads. Incidentally, if you're a wrestling buff and happen to enjoy the TV groovers in action, take a run over and watch the Meteor and Comet grapplers put on their show. You'll see some real action that will send you home with the feeling that America's future is in mighty good hands. See you next week.

LATE FLASH!!! Jr. High Faculty Hoopmen win final score. Jr. High Faculty—62, Sr. High Faculty—47, Gus Alfieri dumped in helping us later on in the season." 21 points for the losers. Doug Jones—19, Jack Tucker and Stan Kellner 15 apiece for the winners.

NOW THERE ARE FOUR CLASSES OF CARS

And only Ford offers all four! Each is represented by a separate and distinct line of cars, and one (the Fairlane) is in the new class not offered by any other manufacturer. Look below for the new car that exactly fits your needs.

COMPACT CLASS:

This class includes cars with 106 to 114-inch wheelbase. Most popular by far (a million happy owners!) is the Ford Falcon. Falcon is America's lowest-priced* 6-passenger car, set a 25-year record for Sixes or Eights in last spring's Mobilgas Economy Run, gives you a choice of 13 models, including the Futura and new Falcon Squire wagon.

FAIRLANE CLASS:

The 1962 Ford Fairlane is the first member of a new class which combines the advantages of both compacts and big cars... you get big car room, ride and performance... compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has twice-a-year maintenance introduced by the Galaxie. Available with thrifty Fairlane Six or world's first economy V-8 (optional).

FULL-SIZE CLASS:

This class features big car comfort, performance and prestige. Value leader is the Ford Galaxie—which has every essential feature of far costlier fine cars. With the optional Thunderbird 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 6,000 miles.

LUXURY CLASS:

The top class—cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau (left) and Thunderbird's performance is just this side of flight.

PEARL HARBOR

(Continued from page 1)

Frank Sutter.

Sutter had been chairman of Civil Defense, succeeding Charles H. Stoll. As the war came to a close, the CD turned over its funds raised from regular salvage drives of paper, rubber and other items to get the ball rolling for the Memorial monument.

For a time there was considerable discussion regarding some type of "living memorial". Among the proposals was a 40-bed hospital, a new public library building, a recreation field with swimming pool, community center and other projects. However, factors of cost and difference of opinion regarding the merits of one plan against another brought the committee to the conclusion that the Memorial Mall would have to be the answer.

The Board of Education with Henry C. Brengel as president agreed to provide and maintain the site Freeman Parr laid out the area and suggested landscaping. Embodied in the plan was the movement of the World War I monument from the Rail Road station plaza, in anticipation of the day when the crossings would be eliminated (and that was 15 years ago), to the new Mall.

Dedication ceremonies were held on Pearl Harbor Day in 1947. A forward printed in the program that day said:

"As a form of tribute and with grateful appreciation to the men and women who served in the Armed Forces of our Country. These memorials within this beautiful setting are dedicated as an ever-lasting reminder of their patriotic duty during our Country's need."
