

After 40 Years Effort:

# RR Grade Crossing Job Starts

Vol. 14, No. 49 - Thursday, December 14, 1961  
HICKSVILLE, L. I., NEW YORK 10c

Entered as Second Class Matter at Hicksville, N. Y. Post Office

Hicksville's long-awaited Roll Road grade crossing elimination project which will cost an estimated \$10,000,000 or more of state money is officially underway. The HERALD learned that the contract for the work was awarded to Hendricks Bros., the low bidder, on Nov. 29. The project has been a lively subject of civic interest for over 40 years.

east of the present rolls to carry trains while the grade is lifted.

Asked for a completion date on the project, the State Dept. spokesman said it has been estimated as a two-year job.

Meanwhile, it was learned that Town Supervisor John J. Burns and Councilman Henry McInnes are planning to call a meeting of the job engineer, state dept. representatives and community leaders to devise ways and means of easing the parking and traffic problems which are bound to accommodate the elimination work. Hundreds of car spaces, mostly used by commuters, will be eliminated by the path of the temporary tracks. These spaces will be restored when the grade is elevated.

The contractor has begun to stake out the job, a spokesman for the State Dept. of Public Works revealed, but it is doubtful that much work will be accomplished during the cold weather. He said that the first part of the job would probably be the construction of temporary tracks to the north and

## Town to Rent Weiss Building

Oyster Bay Town Board is renting a building at 40 E Barclay St., Hicksville, from Sanford Weiss on a month to month basis for the operations of the Town Public Parking District and other town purposes.

A public hearing on the proposed lease is scheduled for next Tuesday, Dec. 19, at the Town Hall.

The structure is needed to house park district equipment and meter repairs. The present Park District building on the parking field in the rear of the Professional Bldg. is scheduled to be demolished in connection with the RR grade crossing elimination.

The Park District has acquired 5 acres on South Oyster Bay Rd., Hicksville, where a new building will be erected by the township.

## Salvation Army To Visit Institute

Frank Chlunsky, Chairman of the Hicksville Service Unit of the Salvation Army, has announced that volunteers from the community will visit Jones Institute on Dec. 20, to bring gifts and holiday greetings to the people there.

Chlunsky said that this year the group will distribute spray perfume to the women and after-shaving lotion to the men, as well as the Christmas issue of "War Cry" at the institution.

"Plans have been made to visit 36 hospitals, nursing homes and other institutions in Nassau, and 40 in Suffolk," Chlunsky said.

## IN WHO'S WHO

Two Hicksville residents are among 28 Hofstra College students selected for inclusion in the 1961-62 edition of "Who's Who in American Universities and Colleges". They are Norman Hicks of 34 Park Ave and Katherine M. Smith of 20 Willoughby Ave.

## Lights on for Education To Hear Panel on Jan 3

Plans are moving ahead for the "Lights on for Education" program sponsored by the Hicksville Council of PTA Units. The meeting will be held at the Senior High School on the evening of Jan. 3rd.

The Council's legislation committee announced that the following educators and parents will compose a panel: Anthony Gorczycki, Hicksville School District Business Administrator; Robert Eaton, President of School Bd.; William McCarthy, President of Hicksville Administrators Assoc.; Murray Duncan, Past President of the Administrators Assoc.; Murray

## Lutheran Church Seeking To Buy Nicholai St School

Trinity Lutheran Church of Hicksville has written the Board of Education to suggest the possible purchase of Nicholai St School by the Church. The matter has been referred to the School Attorney, Burlant and Catalano, for study and report.

The Nicholai St School property was acquired for Hicksville school purposes 1935. It was bought from William Freytag and his wife, Louise, for \$600. It was enlarged in 1900 when an additional parcel was acquired from Arnold G. Heitz and his wife, Hermine E., for \$1200 and further enlarged in 1931 when the German Lutheran Church sold the School District an additional parcel for \$12,500.

However, the property actually dates back to 1849 when under the ownership of Frederick Heyne the site was mapped by Surveyor E.R. Knorr.

Over the years the name of the street has changed from time to time.

The first reference in the survey of 1849 spells the street name as "Nicholay". Later documents refer to it as "Nicholai". For some years it was popularly known around the community as School Street.

The first transfer of title to the school district, before it was a Union Free School District, was made to George W. Wetterau, Henry A. Kuhl, and John Dauch as trustees of Common School District no. 17.

Hicksville did not become a Union Free School District until 1896.

The deed dated Dec. 12, 1885, describes the parcel as being located in Hicksville "a short distance southerly from the LIRR station." At that time it was bounded by property of the Lutheran Church, the estate of John F. Heitz, land of Thomas Hugener and Andreas Floh description includes reference to a horse shed in the southeasterly corner belonging to the Lutheran Church.

The purchase of the Heitz parcel on October 24, 1900, refers to the bordering property as being owned by James DeS. Leigerson on the south, land of John Quarritus on the east.

The 1931 purchase from the German Lutheran Church (today known as Trinity Lutheran Church) included the site of the original Lutheran Church. The neighboring property owners were described as the Beirmann Estate, and property of Molloy.

## Feel Name Confuses Public

The Hicksville Board of Education by a four-to-two vote has decided to ask Mrs. Phyllis Neuberger to cease using the name of "School Board Campaign Committee" because it is probably being confused by the public and possibly by State Education officials.

The major of the Board felt the name may be construed as an official agency of the District. George Jackson and Dominic Sabatella objected to action by the Board and both voted no. They

commended the name was used in the last two school elections, including that of last May when they were successful candidates.

Contacted by the HERALD on Tuesday of this week Mrs. Neuberger said she had not heard from the Board of Education regarding the action taken. She added that she is "only the secretary" and the matter of a name would be up to the group itself. The so-called group made its first appearance in connection with the school election of last May.

The name "School Board Campaign Committee" has appeared in connection with a petition effort to force a referendum vote on construction of additional "secondary school" facilities in the District.

## GUESTS OF HOFSTRA

Three mid-Island high school students were - among 87 top scholarship pupils as guests of honor at a dinner meeting of Phi Kappa Alumni at Hofstra College Friday, Dec. 8. Scholarship fraternity citations went to Stuart Shore of Hicksville and Stephen Polatnick and Hilarie Vogel of Plainville.

EDWIN P. FIFIELSKI, centre, National Commander of the AMVETS, upon the occasion of an official visit to the Robert G. Ulmer Amvets Post in Hicksville, Saturday was greeted by (from the left) District Court Judge Francis Donovan, Chamber of Commerce President Julius Schwartz, County Clerk Francis Anderson and Town Veteran Service Agency Director Joseph McCarthy. A young Chicago lawyer, Commander Fifielski is touring the 48 continental states in a mobile Amvets survival caravan which features a full-size cut-away of a fall-out shelter mounted on a trailer. He is accompanied by his wife, Jewel, and National Public Relations Officer Richard Sullivan of Braintree, Mass. (Herald photo by Frank Mallett).

## Hot Contest for GOP President

A hotly-contested fight for the leadership of the Ernest F. Francke Republican Club of Hicksville developed at a meeting held at the Masonic Temple on Friday, Dec. 8.

Julius Schwartz, who held the post of Second Vice-President and who was next in line for succession to the Presidency, headed a slate of candidates that was submitted in opposition to a slate proposed by the outgoing President Phil Robinson. The candidate opposing Schwartz for the Presidency was Warren Doolittle.

After a heated-and somewhat lively - debate, the membership voted in favor of the Schwartz group by 119 to 91.

The meeting was attended by more than 250 persons, one of the largest crowds for the year. A dance and Christmas party followed the annual election.

The new slate of officers, elected for a term of one year, are as follows: President - Julius Schwartz, 1st V.P. - William Alonge, 2nd V.P. - John Hill, 3rd V.P. - Thomas Flannery, Recording Sec'y - John Jeanson, Corresponding Sec'y - Henry McInnes.

Those elected to the Board of Directors were: Adelaide Katz, Frank Shannon, James Wise, George Marthen, Mal Gertzen, Frank Hamilton, Gerard Trotta, Ernest Dietrich, Thomas Gallahue, Louise Pankoff, Jake Freeman, Mary Carton, Al Abramson, William Maher, and Ed Truhan.

The two local leaders will be met at a future meeting.

## CORRECTION

The name of James Madden was inadvertently omitted last week in the HERALD from the list of those who made the supreme sacrifice in World War II. The number was correct: 19 Hicksville men died during that holocaust, but the published list included only 18 names. - Editor.

## ENROLL AT BRIDGEPORT

Two Hicksville residents are enrolled at the University of Bridgeport for the 1961-62 academic year. They are Carol J. Backman, freshman, daughter of Mr. and Mrs. Herbert Backman of 8 Brooks St. and Dennis R. Naso, freshman, son of Mr. and Mrs. Joseph Naso of 31 James St.

**Enroll at C W Post**

Nine Hicksville and Jericho residents are enrolled as members of the Class of '65 at C.W. Post College of LI University. From Hicksville are: Eric Citron, 25 Maggie Pl, education major; Peter Fagan, 21 Hunter Lane, industrial management; Vincent LeCicero, 60 Woodbine Dr., pre-engineering; Michael Mepderson, 36 Lee Ave.,

music; John J. Meyer, 5 Regent St., industrial management; and Dennis Stillman, 235 Blueberry Lane. From Jericho: Carol Forer, 78 Forsythia Lane, education major; Robert Koebele, 7 Orange Dr., business administration; and Sari Rothlein, 19 Fountain Lane.

Read It First In The Herald

**SAMUEL McCAFFERTY, 177 Park Ave., Hicksville, will observe his 25th anniversary with the Chase Manhattan Bank on Dec. 17. Now on the staff of the bank's Worth St. branch in Manhattan, he has been in branch banking throughout his career.**

**Dear Jean:**

The EDWARD MORRIS family has moved from 68 Arrow Lane to 22 Beaker Lane, Hicksville. The new Democratic leader bought the former residence of ex-School Board member DAVID HEWITT. The School Architect, after a tour of the LEONARD house on Newbridge Rd., has agreed with the earlier conclusion of HERBERT PETROSS that it would not be practical to spend any money on conversion of the house and barns for administration use as a possible "Passage No. 2." Or should we say "Passage No. 3" since the School District now uses the former BERGOLD house on Newbridge Rd. and also rents a store at Broadway and Marie St?

The six-member HICKSVILLE School Board held an executive session with Mrs. PHYLLIS NEUBURGER, at her request, from 11:40 p.m. to 12:50 a.m. last Friday night. No discussion regarding the subject of the regular scheduled meeting of Dec. 29 and will meet, instead, on Jan. 5, 1962. Army, Pvt. FREDERICK H. LIESKE, son of Mr. and Mrs. Edward Lieske of 7 Hewitt Ave., Hicksville, recently completed the final phase of six months active duty at Fort Knox, Ky. His wife, Nancy, lives in South Ozone Park.

BILLY THE KID reports, for this week as your noon-time reporter, that his cat "Snowball" got a little wild yesterday and stepped him. Billy is still expecting that non-sheeler as well as some special Lionel cars for his train set. Col. WILLIAM G. OLITSKY of Sleepy Lane, Hicksville, has received a letter from Dr. Dino Tonzani, president of Istituto Internazionale Per Lo Studio E Lo Sviluppo Belle Ralazioni Umane, saying it was his pleasure to submit BILLY's name and recommend him for membership. He was awarded the USSR honorary nomination of Member-Correspondent D'onneur. We know about as much as we did before, but it sounds really terrific. Wear it in good health, Bill.

All liquor stores will be closed on the Christmas Holiday, Sunday and Monday, by law. Talking of the liquor stores, did you see the nice Christmas decorations in Weber Liquor Store - all the work of the boys, FRED WALTERS and very nice indeed. Heard this week that a nice friend of ours, TIMMY BERGMAN is expected home from Germany for a 15-day stay to join his aunt and dad, Mr. and Mrs. Thomas Bergin of Park Ave. and all the little Berghins for the Christmas holidays. Happy holidays folks. Come across a proverb the other day - "The world is full of mean people but when your friends join the group - that's the end." Our good friend, MILLIE BUONAGURA of S. Bway makes the nicest wreaths and Christmas decorations, all by hand. Why don't you stop down and see them?

The HERALD office at 225 Bway, Hicksville, will be a little easier to find these days now that we have some new signs erected. When Chaminate Band gives its Christmas Concert, Dec. 22 and 23 at the school in Mineola, the feature soloist will be FRANCIS DEMONACO, son of Mr. and Mrs. Frank DeBussio of Jerusalem Ave., Hicksville. Tickets are available at the door. Seems unbelievable that a career policeman such as ANDREW FIRM, County Police Commissioner, would be replaced by a political appointee but such is the case. We understand Mr. NICKERSON is bringing in his own commissioner. Swimming pool sub-committee of the Recreation Advisory Committee is going to bring in its recommendation to the school board in February. What began as an estimated \$250,000 idea is said to now range about three times that amount. We hear UELAND BADLER is moving to Brookville.

**PTA Council to Honor Mrs Foran**

The Hicksville Council of PTA Units has unanimously approved the selection of Mrs. Lawrence Foran, to be honored guest at this year's Founders Day Dinner. The sixth annual Founders Day Dinner will be held on March 1, 1962 at the Old Country House, Hicksville. Mrs. Foran has served PTA and worked diligently for many years in civic and community affairs. She has been Asst. Director of Nassau Long Island District PTA, President of the Hicksville Council, President for two years of the East St. PTA, as well as Vice President for one year. She represented Council on the Great Hicksville Scholarship Fund Committee and has able served in many other capacities.

**Hearing Dec 19 On Gas Station**

A public hearing will be held Tuesday, Dec. 19 at 10 AM in Oyster Bay Town Hall upon a proposed amendment to the building zone ordinance and an application for permission to erect a gas station at the corner of Jerusalem Ave. and Tobias St., Hicksville. The application is being made by Eugene Goldman and S. Lawrence Horowitz. Anthony P. Rea, CPA, of 3 Peter Rd., Hicksville, was a member of the panel discussion on "State Taxation of Interstate Commerce" held Nov. 30 at the Barham Plaza Hotel, New York. The meeting was sponsored by the State.

**Explorer Scouts Selling Trees**

The Boy Scouts of Explorer Post 791 are selling Christmas trees and masterpiece decorations at the corner of Broadway and First St., Hicksville, on the property of the Little has thru the cooperation of their host George Kratzel. The Scout-salesmen are on duty evenings from 6 o'clock.

## 50 Attend Art Exhibit

About 50 people attended an opening reception and art exhibit of the Studio Art Group of Hicksville at Hicksville Free Public Library on Tuesday evening, Dec. 5th.

A color sound film on portrait painting was shown during the reception. Refreshments followed the showing of the film. Fifty four oil paintings and several water colors are being shown, according to exhibit chairman, Mrs. Olga Howell. The Studio Art Group is preparing, outside of the work done by its members, several group exhibits from the National League of American Pen Women, an organization of professional women painters, illustrators, writers and composers.

The exhibition will be open to the public during library hours until Dec. 14th inclusive.

## Cancer Society Has Election

The Hicksville Unit of the American Cancer Society, Nassau Division at its first meeting on Dec. 6th, unanimously elected Mrs. Mildred H. Rodgers, 2 Glenbrook Road, Hicksville, as its Chairman. "The Hicksville Unit" said Mrs. Rodgers, "will help protect and save the lives of local residents through a public and professional education program, will provide vital services to relieve the pain and suffering of cancer, and will help to finance a nation-wide research program to find the causes, cure and prevention of cancer."

The other officers of the unit elected were: Dr. Victor Perlow of West Cherry Avenue as Vice-Chairman; Mrs. Betty Eriksson, Secretary; and Alfred Young, Treasurer.

To assist Mrs. Rodgers and the officers in their life-saving programs, the following residents were asked to serve as committee chairman and were also elected to the Board of Directors: Miss D. Ruth Hartman, Glenbrook Road, Education Chairman; Mrs. Maude

Burtis, Bond Lane, Service Chairman; Joseph Regina, Fund Raising Chairman; Miss Irene Smettell, Newbridge Rd., Memorial Chairman; Mrs. Charlotte Miller, Edgewood Drive, Membership Chairman; Mrs. Ruth L. Daly, Junior Crusader Chairman; and Dr. Victor Perlow, Dr. Robert Isler, Dr. Therese Swick as Medical Advisors.

Other members of the Board include Fred J. Noeth, Kenneth Barnes, Miss Grace Flanagan, Miss Irene Murphy, Rabbi Eli D. Skalar, Miss Dolores Brown, R.N., Dr. Lowell Glanz, Mr. and Mrs. Freeman Parr, Roy O. Neuberger, Rev. Richard K. Muck, Dr. Achille Baldassarri, and Dr. William Sausmer.

"Cancer is not only a National problem, but a county and community problem-- our problem", continued Mrs. Rodgers. "We must fight back". In January an open membership meeting will be held, and it is hoped every Hicksville resident will attend. The date and place will be announced later.

## Invite Public To Induction

A public induction ceremony for Nassau County Executive-elect Eugene H. Nickerson will take place at 2:30 P.M. Jan. 1, in the auditorium of the Nassau County Police Headquarters, Franklin Avenue, Garden City.

Marcus G. Christ, Justice of the Appellate Division of the State Supreme Court, will deliver the introductory remarks. Justice Christ was appointed to the Appellate Division in Dec. 1959, the highest judicial position held by any

resident of Nassau County. Former County Attorney, Judge Christ has been a Justice of the Supreme Court in the 10th Judicial District since 1953.

The oath of office will be administered by Supreme Court Justice Mario Pittoni. Judge Pittoni was elected to the Supreme Court in 1957. He was serving on that court at the time, by appointment of the Governor.

Interested citizens are invited to attend.

## Troop Marks Tenth Year

East Woodland Neighborhood Brownie Troop 117 under the leadership of Mrs. Justine Keller, Mrs. Vilma Roth, and Mrs. Frances De Fendis, celebrated their troop's 10th year of service on Nov. 8th.

They marked the occasion by presenting a special birthday party, at their investiture ceremony for their former troop leaders, other parents, the neighborhood Girl Scout and Brownie troop leaders, fellow Brownies of Troop No. 391, Troop No. 595 also neighborhood girl scouts.

### AUXILIARY MEETS

The Auxiliary of the Mid-Nassau Community Guidance Center will hold its regular meeting Wednesday, Dec. 20, at 8:30 p.m. at the Hicksville Public Library. The film "Communications Casebook. A Study in Communication" will be shown and discussion will follow.

### Hicksville Club Impresses Rotary Governor

ACTIVITIES OF HICKSVILLE ROTARY CLUB were commended by Rotary Governor Milton Zipper upon the occasion of his official visit last week. He particularly commented upon the new famous Tokyo trip of Club Member Edward Teverint when he obtained the Emperor's autograph and the Club project of cleaning up the Rotary Circle north of the RR station. Seated, from the left, are William Staryk treasurer; John Dobson, secretary; Freeman Parr, club president; Governor Zipper, Aaron Rochman, past president; and Peter Amoruso, director. Standing, from left, are William Strupson and Herman Kanfer, director. Joseph Regina, sig at arms.

#### LEGAL NOTICE

At a regular meeting of the Town Board of the Town of Oyster Bay, Nassau County, New York, held in the Hearing Room, Town Hall, Oyster Bay, New York, on Tuesday, December 5, 1961, at 10 o'clock A.M. prevailing time, the following members of the Town Board were present:

**PRESENT:**  
Supervisor, John J. Burns  
Councilmen, Henry J. McInnes  
Marjorie R. Post  
Louis A. Sista  
Edmund A. Ocker

#### ABSENT:

Councilmen, Peter B. Allsopp  
Edward J. Poulos

The following resolution was offered by Councilman McInnes and seconded by Councilman Ocker:

WHEREAS, the Town Board, acting for and on behalf of the Town of Oyster Bay Public Parking District, finds it a necessary and in the

public interest to lease certain premises owned by Mr. Sanford Welas and known as 40 E. Barclay Street, Hicksville, County of Nassau, State of New York, which premises are improved with a one story building containing 2000 square feet, more or less, and is located on the north side of the aforesaid E. Barclay Street, to be used for the operations of the Town of Oyster Bay Public Parking District and other town purposes; and

WHEREAS, the estimated expenses proposed to be incurred consisting of the rental for premises at the rate of \$275.00 per month on a month to month basis for a period of about six months, in the total sum of \$1650.00, plus such additional sums that may be required for repairs, improvements and maintenance.

NOW, THEREFORE, BE IT HEREBY RESOLVED AND ORDERED, that a meeting of the

Town Board of the Town of Oyster Bay shall be held in the Hearing Room, at the Town Hall, Oyster Bay, New York on the 19th day of December 1961 at 10 o'clock A.M. prevailing time to consider this proposed lease and to hear all persons interested in the subject, concerning the same, and for such other action on the part of said Town Board with relation thereto as may be required by the law or proper in these premises; and be it further

RESOLVED, that the Town Clerk is directed to have published once in the Oyster Bay Guardian & Mid Island Herald, a copy of this resolution as notice, pursuant to the Town Law of the State of New York, of a hearing in respect to said proposed lease.

RESOLUTION ADOPTED, ALL VOTING AYE.  
STATE OF NEW YORK )

### Nice Christmas Check

Mid Island Plaza on North Bway, Hicksville, is getting a tax refund check of \$310,616 from the County of Nassau representing taxes paid by Stockler & Frank on its assessment of \$4,772,760 reduced, after court decision, to \$3,588,000. The County of Nassau recently lost an appeal from the decision of Supreme Court Justice Howard Hogan, awarding the reduction, in the highest court in the State of New York. The refund represents taxes paid in 1957-60 and the new assessment has the effect of reducing annual taxes on the Plaza by \$100,000. The refund is coming from all taxpayers in Nassau, not Hicksville only.

#### Christmas Social

The St. Ignatius Loyola Auxiliary of Christian Mothers, Hicksville, will hold their annual Christmas social on Monday, Dec. 18, at 8:15 p.m.

The St. Ignatius Glee Club, under the direction of Rev. Leo Goggin, and the Mothersmen, a singing group from St. Aloysius parish in Great Neck, under the direction of Mrs. Robert Cusumano, will provide the entertainment.

### New York Telephone man awarded

## Vail Medal for Initiative and Courage

The highest telephone honor employees can receive is the Vail Medal. It is given only for outstanding acts of initiative and courage performed in connection with their work, or in which their training as telephone people is an important factor.

Recently the New York Telephone Company awarded the Vail Medal to Thomas R. Woodford. His story is unusual. But his "spirit of service" is typical of telephone people everywhere, who every day use their training and skills to make telephone service helpful in every possible way.

**Thomas R. Woodford**  
SYRACUSE INSTALLER-REPAIRMAN

At 1 a.m., April 14, 1961, fire erupted in the Apulia Station Hotel, near Syracuse. When Thomas Woodford and the other volunteer firemen arrived, the three-story, 100-year-old hotel was in flames. Woodford helped rescue the owner's wife from a second-story room and went back for the owner. Forced out by smoke and heat he made a second attempt, also unsuccessful. Woodford's brother went in but was unable to reach the unconscious man. Then Woodford made a final try and managed to find the owner and get him out through a window. Once outside he forced oxygen into the man's lungs until breathing was restored. Shortly after the rescue, the building caved in and crashed to the street.

## Women's Guild Members Gain

The Catholic Women's Guild of Jericho held its November meeting at the home of Mrs. Charles Peterson, 55 Orange Drive. Forty members attended. Since there is not going to be a December meeting, plans for the Guild's annual Christmas party was discussed, and the date was set for Dec. 16, at the Knights of Columbus Hall in Hicksville. The party for the members' children will be held during the Christmas vacation. The past year has proven to be very successful for the Guild. The membership has increased to about 90 members. Proceeds from the year's social affairs have been so satisfying that many Catholic charities will benefit. Donations to these charities will be made during the Christmas week.

With the continued cooperation from the Guild members, the coming year can be even more successful. The next meeting will be on Jan. 3, at the home of Mrs. Claire Burdett, 144 Hazelwood Drive. New members are invited. If any information is desired about the Guild, please call Mrs. Helen Peterson OV 1-8552. A VERY MERRY AND HOLY CHRISTMAS TO ALL THE GUILD.

## SCION OF FAMOUS BOWLER

James Greco, 7, son of Mr. and Mrs. Vincent Greco of Sutton Terrace. James is eager to emulate his famous father's bowling records. Dad Greco is also a well known hunter.

## West of Bway

by Mc Kinley Ebbitz

The 9th of December brought the first snow. It was not terribly heavy but it was enough to make our husbands nervous, our children thrilled and our wives wrothy. Personally I thought it was beautiful. It is gone now and we sit patiently awaiting the next flurries with a little apprehension, trying hard to forget last winter.

Dorothy and Warren Ringler will be celebrating their anniversary on Dec. 25th. Their daughter Meredith will be performing in a dance recital December 18th with mommy and daddy proudly looking on.

To her complete surprise Sally Koehle was presented with a beautiful Valiant by hubby Carl in honor of their 20th anniversary.

Congratulations are in order for Betty and Dave Weinstein on the birth of their son Neil on Nov. 29th. He is their fourth boy. A speedy recovery to Dave with a bad neck due to touch tackle.

Carole Haas of Seneca celebrated her 11th birthday Dec. 14th with a dinner party.

Ellen Marder celebrated her 7th birthday at Malsels with 21 of her friends.

Craig Russell, son of Mr. and Mrs. Sana Stecker, two years on Nov. 27.

Peter Green celebrated his 6th birthday on Dec. 6th. Peter and all his friends were in costume busily eating ice cream and cake and having a ball planning the tall on the donkey.

Welcome home to Rhoda and Don Parmet having just returned from a most enjoyable vacation to Las Vegas and California.

Nice to know that Wendy Cohen is home from the hospital after her bout with the croup.

To date, the rumor that Jerry Marder and Eugene Slinger are writing the book for the new Leiner-Lowe Musical has neither been confirmed nor denied.

Estelle and Jack Rubinstein just returned from a fun filled weekend at the Concord.

Don't miss Florette Schlanger appearing in the Detective Story Dec. 15th and 16th.

All residents of the Jericho area are requested to come to the blood mobile on Wednesday, Dec. 27th. It will be parked in front of the Jericho Jewish Center, opposite Floyd Bennett, between the hours of 6-8 P.M. All those registering, including those rejected for medical reasons are eligible for blood. Please do not eat for four hours before going down. For further information please call Morton Mann OV 1-1584.

## Next Dinner Dance Set for Feb 24

Those of us who attended last year's dinner dance of West Birchwood Civic Assoc. at Carl Hoppls', will be happy to hear that we shall again have our annual affair there, Sat., Feb. 24. A wonderful evening was had by all and we can look forward to another fabulous time.

A cocktail hour will start off the evening, followed by dancing and a wonderful dinner. And, to top off the evening, a terrific floor show.

We urge all our friends and neighbors to attend—we're sure you'll have a great time.

A member of the Social Committee, will be around in January to sell tickets.

## Few Attend Educ Session

by Jerome Strauss

The West Birchwood Education committee met on Nov. 17 to determine:

1. If there was sufficient interest on the part of the members of this development in such a committee.

2. If there were educational problems that needed study, which such a committee could undertake.

Members of all other education committees to Jericho were invited to attend so that common problems could be discussed and possibly a means of common action decided upon.

In answer to our first problem there were three families from West Birchwood present, namely the Schreiber's, the Straus family and Terry Carin. Fortunately, the response from outside the development was much greater and about a dozen people from almost every other education committee in the district showed up to discuss our common problems and enjoy the fine hospitality of the Schreiber household.

The group determined there were a number of very important problems that warranted careful investigation. Two of the most important were the experience and qualifications of those people serving in our schools and the curriculum present and future. The discussion turned up many interesting facts. In fact, so stimulating were some of the topics that it was decided that some of the problems should be investigated by a larger group consisting of representatives from all parts of Jericho. It was further agreed that this group would meet again on Jan. 11 at the home of Mrs. Hyman of Pinoceton Park.

It was also suggested by the group that whenever an important issue came up in the school district, the members of the community should make their feelings known to the board of education member they knew best. In this way, it was felt, the board member could get a more accurate picture of the feelings of the community.

## Bloodmobile Due on Dec 27

The Jericho Community Bloodmobile will be at the Jericho Jewish Center on Wed., Dec. 27, between 6 a.m. and 8 p.m.

Every resident of Jericho, regardless of race or religion is urged to donate one pint of blood. One pint of blood makes everyone in your family a member.

Save the life of your loved one by joining the Jericho Community Blood Bank.

## Film Festival

On Monday night, Dec. 18, the Adult Education Committee will sponsor a Jewish Film Festival at the JJC. The world renowned "Warsaw Art Players" will be seen in the film classic "The Dybbuk." We are sure you will spend a most enjoyable evening.

Casting will take place for the Annual JJC Sisterhood show. The new musical Extrawaganza needs all available talent. Why don't you come down to the temple Sunday night, Dec. 17 at 8 p.m. and see if there isn't something you might like to do.

## Children's Show

Robbins Lane School is presenting its annual children's Christmas presentation on Dec. 19 at 8:30 p.m. Its theme "Calling All Christmases", is a collection of Yuletide music and customs throughout the world. Mrs. Ashwick's Fifth Grade Class, Glee Club, Junior Chorus, and the Robbins Lane Band led by Carleton Weber will participate. All the children in the school will have the opportunity to see the program at special morning assemblies.

## Honor Society Has Induction

On Friday, Dec. 1, the following Jericho High School Seniors were inducted into the Jericho Chapter of the National Honor Society: Ronald Feldman, Helen Grabel, Roberta Grabel, Diane Halpern, Mirja-Leena Korhonen, Ronald Krift, Barry Levine, William Mayhew, Robert Sanders, Samuel Taylor, and Sheldon Steinfeld. The candlelight service took place in the Auditorium with the parents of the inductees in the audience with the whole student body of the High School. Joseph Chitarel, President of the Jericho chapter, was assisted by the Althea Nahmlas; Joan Flanagan, Sherry Smith and Diane Blanchard. A reception followed in the Cafeteria.

## An Editorial..

Your West Birchwood Civic Association enters its fourth active year in 1962. The past accomplishments are well-known, yet much must be worked on in the future to assure the continued growth of this community. An association must have the financial means to carry on its work. Statements for 1962 dues have been mailed. We would appreciate prompt payment and look forward to 100% membership in this community.

## RICHARD PROMOTED

Peter C. Richard, son of Mr. and Mrs. Alfred J. Richard, 126 Maytime Dr., Jericho, recently was promoted to specialist four in Germany, where he is assigned to the 3d Armored Division.

## Yiddish Film Set

The Dybbuk, a Yiddish film (English subtitles) will be shown at the Jericho Jewish Center, Jericho-Hicksville Road, Jericho, on Monday evening, Dec. 18, at 8:45 p.m. Donation is \$1.00. This is a rare opportunity to see a good Yiddish film locally. For information telephone Mrs. Melvin Corwin, WE 8-9032.

## Mothers' Yule Social on Dec 18

By Lorraine Guest

On Nov. 27 the 113th meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers, Hicksville, was held in the school hall.

The annual Christmas party will be held on Dec. 18, Mrs. Viola Roby and Mrs. Catherine Roemer will be the Chairladies for this affair.

Rev. Leo J. Goggin, moderator of the Auxiliary, spoke of the sincerity and efficiency of Sister Venard and her working staff and mentioned the recent improvements in the school.

The Rt. Rev. Msgr. James W. Asip, associate director of the Society for the Propagation of the Faith in Brooklyn Diocese, was guest speaker and delivered an address on "The Treasure of the Faith." He stressed the need and importance of being well-

informed on current topics, so we will be better equipped to combat bigotry and the half-truths which so often prevail.

Catholics support and maintain 2,433 high schools with a student enrollment of 900,000, and in the elementary system five million students attend 10,324 schools. A first class job is being done in these schools and at no time is quality being sacrificed because the parents and educators realize their obligations to God and this great nation. Msgr. Asip voiced the sentiments of all Catholics in the United States when he said that please God there will always be separation of State from Church in America.

The Dark Horse prize of \$7 was won by Mrs. Gloria Bergmann.

## Civil Service Tests for Area

The Nassau County Civil Service Commission at 54 Mineola, announces open competitive examinations for Bookmobile Clerk-Drivers in Hicksville Library and other local positions.

The Bookmobile Clerk-Driver test, open to Nassau or Suffolk residents of at least a year, is set for Feb. 3, 1962. The salary range is described as \$3500 to \$4415. Applications must be filed by Jan. 2.

Also listed is the position of

Clerk, for examination Feb. 3, salary range \$2408 to \$3800 for positions in Hicksville Public Schools, Hicksville Library and Jericho Public Schools. Closing date for applications is Jan. 2. Candidates must be legal residents of school districts listed for at least a year.

This is also an examination for Senior Stenographer in Hicksville and Jericho Public Schools with the same closing date and same residence requirement.

## Jones Directs Special Effects for Show

Orville Jones of William Kroe-mer & Sons, Inc., Hicksville, has been named chairman of the Special Effects Committee for the 1962 Long Island Garden Show. It was

announced this week by the L. I. Nurserymen's Assoc., sponsors of the show. Leon Goldberg of Goldberg and Rodler, Huntington, will serve as co-chairman.

## A MEADOW BROOK Christmas Club OFFERS YOU

### MONEY FOR YOUR GIFT NEEDS

It is not too soon to start thinking about Christmas 1962, because next year you will again want to receive your Meadow Brook Christmas Club check in plenty of time to get an early start on your Christmas shopping list.

Remember, you can open a Meadow Brook Christmas Club for as little as fifty cents or as much as \$10.00 a week.

JERICO PLAYERS present Sidney Kingsley's "Detective Story" Dec. 15 and 16 at So, Woods Jr. H. S. - 8 p.m., Syosset. Director Sully Michaels offers suggestions to Barry Jeffery, Al Forman and Mickey Meltzer during rehearsal.

## Chorus and Band To Entertain Dec 20

The Burns Ave. Elementary School Chorus under the direction of Miss Mollie Ann Burke, and the Burns Ave. Elementary School Band under the direction of Gerald D. Burakoff will perform during the P. T. A. meeting of Dec. 20.

This will mark the first public performance of the groups for the year. Meeting time is 8:15 P.M.

## APPROVE REPORT

Approval of the report by the Nassau County Committee on Development of Mitchell Field proposing that a permanent campus for Nassau Community College in Mineola be established on part of Mitchell Field was expressed by the Hicksville Junior High School Parents' Teacher Assoc. in a letter received Nov. 20 by Blackshear M. Bryson, President of the College.

## FAMILY NIGHT

The ladies of the W.S.C.S. of the Plainview Methodist Church will hold their regular meeting on Friday, Dec. 15. It will be Family Night and a Covered Dish Supper will be served. A Christmas film supplied by the N. Y. Telephone Co. will be presented after the supper. Gift exchanging among the women will conclude the evening.

## Chiropractic Bureau Hears Dr Knierim

Dr. Fred Knierim was the guest speaker at the American Bureau of Chiropractic meeting held recently at the American Legion Hall in Hicksville.

Dr. Knierim, Chiropractor in Manhattan and Staten Island, was closely connected with the late Dr. William Werner, Chiropractor who originated the A, B, C. in 1927.

Last year, although approved by the Board of Regents and the Dept. of Education, the Chiropractic bill never got out of committee despite the fact that many legislators said they were behind this bill.

## 12th Christmas For Children

The Joseph Barry Council, Knights of Columbus of Hicksville, held its twelfth annual Christmas Party for the children of the Little Flower House of Providence, Wading River, on Sunday, Dec. 10th at 1 P.M.

This year, for the first time, the Knights played host to the children at the Council's new clubhouse, Helix Place, Hicksville.

In addition to toys, candy, clothes, entertainment and refreshments which were supplied at the party for the 180 children of the Home and the 23 devoted nuns who staff the institution, the Knights have undertaken this year to supply blankets and pillows for every bed in the Home's newly refurbished dormitories.

The Christmas Party was arranged by a committee of members of the Council with Mark Madden as Chairman.

Rt. Rev. Monsignor George M. Bitterman, V.F., is Chaplain of the Council and Rev. John Fagan is Chaplain of the Little Flower Home.

### New Address For Allstate

Allstate's Hicksville District Service Office has been moved to 99 North Broadway, Hicksville, according to Robert Leys, Assistant Vice President of Allstate Insurance Companies, in charge of the Long Island region.

"This move from 100 East Old Country road," Leys said, "was made to provide better facilities from which to provide insurance protection and service to our policyholders."

The new two-story building occupied entirely by Allstate consists of 5,000 square feet of space and is completely air conditioned. Adequate parking facilities are adjacent to the building.

District Claim Manager William Daly is in charge of more than 40 employees.

The regular meeting of the Hicksville Public Library Board will be held Wednesday evening, Dec. 20. However, the meeting will not begin until 9:30 P.M. The Board usually convenes at 8 P.M.

### LEGAL NOTICE

### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN, that a public hearing will be held by the Town Board of the Town of Oyster Bay, on Tuesday, December 26, 1961, at 10 o'clock A.M. prevailing time in the Hearing Room, Town Hall, Oyster Bay, N. Y., at which hearing, citizens and parties interested will be heard upon the following proposal to amend the Town of Oyster Bay Ordinance entitled, "ORDINANCE RELATING TO EXCAVATION AND REMOVAL OF TOPSOIL, SAND, GRAVEL AND OTHER EARTHEN MATERIALS", to read as follows:

**Section 1. DECLARATION OF POLICY:** For the purpose of promoting the safety, health and general welfare of the residents of the Town of Oyster Bay pursuant to the provisions of Section 130 of the Town Law, and as an adjunct to the provisions of Article 16 of the Town Law relating to zoning and planning for the use of land within said town, it is hereby declared to be the policy of the Town of Oyster Bay to provide for the proper use of land, to prevent all manner of excavations which create pits, holes, or hollows in the earth and to prevent removal of materials of any and all sorts from the natural contour of the earth, as it presently exists in this town, which would leave such land or earth in a hazardous or dangerous state, cause soil erosion which depletes the land of trees and its natural vegetative cover and supply of organic material, renders such land unproductive and unsuitable for either agricultural purposes or the construction of residences or other structures, resulting in lower land values and in depreciation in value of other properties in adjacent areas within the town. By this ordinance it is proposed to remove

the danger to health and life caused by soil erosion, deep excavations remaining in the grounds, the removal of trees and the stripping of topsoil, thereby resulting in danger to the health, safety and welfare of the Town and damage to agricultural crops through dust storms, by exposure of the bare earth to wind action and the erosion by surface water drainage and the creation of pools of water. It is also the purpose of this ordinance to prevent such results where trees, topsoil, sand and gravel are removed, occasionally or actually for the purpose of preparing property for development for residential or commercial use or for any use whatsoever, but such proposed development does not actually take place within a reasonable time after the commencement of such removal operations and/or is merely a subterfuge engaged in for the purpose of removing various valuable materials from the property.

**Section 2. EXCEPTIONS:** The following operations and uses are hereby excepted from the application of this ordinance and may be performed in any district, regardless of zoning classification:

- a. Excavation or removal of sand, gravel, stone or other minerals or materials, or the removal of trees and topsoil from premises owned by or leased to the State of New York, the County of Nassau, the Town of Oyster Bay or any other political subdivision of the State of New York;
- b. Excavation or removal of sand, gravel, stone, rock, minerals, trees, topsoil or other materials incident to the construction of highway, sidewalk or driveway construction upon the same premises, provided that topsoil required to be moved as a condition or result of such construction shall not be removed from the premises;
- c. Excavation or removal of sand, gravel, stone, rock, minerals, trees, topsoil or other materials incident to the construction of a storm water basin, recharge basin or drainage sump on a portion of premises being devoted to residential, commercial or industrial construction; provided that topsoil shall not be moved from such premises unless such excavation is being performed in conjunction with the development of a parcel of property comprising ten (10) or more acres of land for which a building permit has been granted by the Town of Oyster Bay, and provided further that such excavation shall be properly protected by erection of a fence or other suitable barrier during and after the excavation thereof in accordance with plans and specifications approved by the Town Engineer as adequate for the purpose of safeguarding the public under the particular circumstances affecting the terrain and location of the excavation.
- d. The moving of trees, topsoil or other earth, sand or gravel from one part to another of the same premises as an incident to construction of a building, to farming or landscaping.
- e. Removal of trees, excess topsoil or other earth or sand, gravel or other materials from the area of a subdivision plat subject to the jurisdiction of the Nassau County Planning Commission; provided,

however, that any such subdivision plat which provides for establishment of new, reduced grades or elevations of the property shown thereon to the extent of 10% or more of the total acreage of such plat shall conclusively be deemed also to be a plan to use such property for the excavation or removal of trees, topsoil or other natural earth, sand, gravel, mineral or other materials and, before any grading operations may be commenced in accordance with any such development map approved by the Nassau County Planning Commission, the owner, tenant, user or developer of the properties shown on such plat must comply with all of the provisions contained in this ordinance. It shall be the sole responsibility of the respective owners of property to provide adequate grading operations acceptable to the Town Board, proving conclusively that the removal of trees, excess topsoil or other earth or sand, gravel or other materials from the area of a subdivision plat does not comprise 10% or more of the total acreage of such plat and any and all violators of this provision of this section of the ordinance shall be dealt with according to law, as specified in Section 9 and 10 of this ordinance. The provisions of this sub-section shall apply to property shown on subdivision plats upon which grading or regrading operations shall not have been commenced prior to adoption hereof. The provisions of this sub-section shall also apply to subdivision plats upon which grading or regrading was commenced prior to the adoption of this ordinance, but which is not completed within three months after such adoption.

f. Removal of trees, topsoil or other earth, incident to the business of operating a nursery, farm or sod farm.

**Section 3. APPLICATION FOR PERMIT:** Before any excavation or the removal of trees and/or topsoil for residential, commercial or any purpose whatsoever is commenced other than those excepted under the provisions of Section 2 of this ordinance, the owner, tenant, leasee, agent, user or developer of any premises subject to the provisions of this ordinance must obtain a written permit therefor from the Town Engineer. In order to obtain such permit, an applicant shall file with the Town Engineer of the Town of Oyster Bay a verified application in duplicate for such permit, which application shall be on a form prescribed by the Town Engineer, and shall also furnish the following detailed information and materials, together with such other information as the Town Engineer shall deem necessary or desirable for the purpose of complying with the spirit and intent of this ordinance:

a. A detailed statement of the nature and extent of the work proposed to be done, including the number of acres to be affected thereby, the kinds and amounts of all materials proposed to be removed, the structure to be erected, if any, the manner in which it is proposed to do the work and the period of time required to complete such work, including restoration, rehabilitation, filling of pits, excavations and other depressions in  
(Continued on page 4A)

LEGAL NOTICE

(Continued from page 3A)

the earth caused by excavation, operations and all other types of removal operations.

b. A topographic map, certified by a surveyor or professional engineer duly licensed by the State of New York, showing the metes and bounds, Nassau County Tax Map designation, and the elevations of the property at intervals of two (2) feet of height as such elevations exist at the time of the application, and as proposed to be altered. Such map shall be drawn to a scale of not greater than one (1") inch to one hundred (100) feet nor less than one (1") inch to twenty (20) feet, shall show the elevations of all property within fifty (50) feet of the perimeter of the property which is the subject of the application, and of all streets adjoining the said property, or, if there are no adjoining street or streets, the means by which access is to be gained to the property and the location, elevation and name of the nearest street or streets. It shall also show the location, size and use of existing buildings, and the zoning classification of all property shown upon such map. Such map may be submitted in sections showing the stages in which the work is proposed to be done, if that is proposed, and, in such case shall also show the length of time necessary to accomplish each stage, including building restoration and rehabilitation of the property. No application for a permit for the purpose of preparing land for residential development or subdivision shall be approved by the Town Board unless two copies of a subdivision map approved by the Nassau County Planning Commission shall also be submitted therewith. No application for a permit to commence or continue a commercial sand bank excavation shall be granted by the Town Board unless the property which is the subject of the application is located in an "Industrial 'H'" or "Industrial 'I'" zone as shown upon the map of the Building Zone Ordinance of the Town of Oyster Bay.

c. A written consent duly acknowledged by the owner, mortgagee and all other persons having an interest in the premises, showing their names and residence addresses.

d. Receipted tax bills or a certificate from the Receiver of Taxes of the Town of Oyster Bay or the Nassau County Treasurer showing payment of all taxes and assessments against the property to the date of the application.

e. A certificate of the Commissioner of Public Works of the County of Nassau that the proposed excavation and the finished grades as proposed on the aforesaid map will not have any adverse effect upon existing or proposed surface water drainage or sanitary sewage facilities.

f. A certificate by the Commissioner of Agriculture and Markets of the State of New York, or his duly authorized agent or representative, stating that any topsoil to be removed from the premises is apparently free of Golden Nematode of Potatoes.

Section 4. HEARING ON APPLICATION: (a) Not less than 20 days after receipt of an application for any permit required under this ordinance the Town Engineer shall transmit the same to the Town Board together with a report containing recommendations or statements as he shall deem pertinent thereon.

b. Thereafter, the Town Board shall cause a public hearing to be held upon the application after causing notice of such hearing to be posted and published in the manner prescribed by the provisions of Section 130 of the Town Law of the State of New York for the adoption or amendment of an ordinance. At or before such hearing the Town Engineer, or any other person employed or retained by the Town in connection with such application may submit further, additional or supplemental oral or written reports, which reports may, in the sole discretion of the Town Board, be made or read at such public hearing, or be made available for public inspection dur-

LEGAL NOTICE

ing the hearing. Nothing herein contained shall be deemed to prevent the Town Board or its members from making, or causing to be made, independent investigations before, during or after such hearing, or to prevent the Town Board from considering and acting upon information and advice received as a result of such independent investigation.

c. No permit shall be issued by the Town Engineer unless and until authorized by the Town Board after the public hearing provided for in paragraph "b" of this section.

d. The Town Board shall not authorize issuance of a permit hereunder by the Town Engineer unless it has made all of the following findings, which need not be based only upon information provided at the required public hearing, but may also be based upon other information or knowledge obtained by the Town Board or its members, however or whenever obtained:

- (1) The proposed operations will not interfere with the surface water drainage plan of the area nor endanger any street, road or highway;
- (2) The circumstances of the location and the terrain are reasonably adequate for restoration and rehabilitation to the end that the premises will not become desert or waste land or cause soil erosion following completion of operations;
- (3) The circumstances of the location and the terrain are such that conditions and safeguards may feasibly be imposed to assure that the premises will not constitute an "attractive nuisance" or threat to the safety of children;
- (4) The use will not cause undue traffic hazards;
- (5) The use will not cause undue vibration, noise or wind blown dust or sand;
- (6) The use will not change the established character of the neighborhood or depress the value of other lands generally in such neighborhood.

e. The issuance of a permit hereunder shall not constitute authorization for washing, screening or any other processing of excavated materials except as permitted under the provisions of the Building Zone Ordinance of the Town of Oyster Bay in an industrial zone. However, an application for special permission to subject such excavated materials to washing, screening or processing upon property located in an industrial zone as established by said Building Zone Ordinance, upon payment of the requisite fee therefor, may be joined with and heard at the same time as the hearing on the application for the permit required hereunder.

Section 5. PERMIT - ISSUANCE: No permit shall be issued hereunder except by the Town Engineer after authorization by the Town Board as provided in Section 4 hereof. All such permits shall be issued subject to the following terms and conditions, and such others as the Town Board may deem necessary for the purposes of protecting the public health, safety and welfare, promoting the most advantageous use of property in the Town, preventing loss of value of the premises subject to such permit and other property in the vicinity thereof, and the other purposes set forth in Section 1 hereof:

- a. Regardless when such permit or renewal thereof is granted, it shall expire on December 31st of the calendar year during which it is issued.
- b. The applicant shall pay a fee of not less than \$750.00 before any permit or renewal thereof may be issued. Such sum shall be paid for each 10 acres of property, or any portion thereof, proposed to be excavated or regraded or from which surface materials are to be removed for any purpose whatsoever during each calendar year, or any portion thereof, during which a permit shall be in effect. However, in the event of a denial of the application for a permit, the sum of \$500.00 or such portion thereof as the Town Engineer shall certify has not been expended in connection with the investigation and pro-

LEGAL NOTICE

ceeding of the application, may be refunded upon a claim therefor in the usual form required by the Town Comptroller after audit thereof by him. No allowance in fees may be made because the rights of the permittee may not be, or may not have been exercised throughout the entire permit period. Renewals of permits may be issued by the Town Engineer for additional one-year periods upon payment of the fee hereunder (\$750.00 for each 10 acres or portion thereof proposed to be excavated or from which surface materials are to be removed during the renewal period), provided all conditions upon which the original permit, or renewal thereof, was issued have been complied with by the permittee (or his successor in interest) at the time of application for such renewal, without any further public hearing by the Town Board, but only after approval by said Town Board.

c. Before issuance of a permit, the applicant and the owners of the premises (as principals) shall execute and file with the Town Clerk a surety company bond, of a surety company authorized to do business in New York State to be approved by the Town Board, conditioned upon the faithful and punctual performance of the work of removal and excavation and the restoration and rehabilitation (where required) of the area or portion thereof covered by any permit or renewal thereof, and further conditioned upon full compliance with the provisions of this and other ordinances and applicable rules and regulations of the Town of Oyster Bay, and such bond shall provide for indemnification of the Town of Oyster Bay and its Superintendent of Highways against damage to any property or highway by virtue of the issuance of such permit, and against the cost of completion of the proposed work and the restoration and rehabilitation of the premises affected thereby. The penal amount of such bond shall be determined by the Town Board.

In case of any default or failure to perform the work proposed or required to be performed or to furnish the materials required to be furnished by a plan of restoration and rehabilitation approved by the Town Board, at or before the time specified in the schedule of progress for such work approved in connection with the issuance of any permit hereunder, or in case of failure to do any of the things required by this ordinance, or any other ordinance, rule or regulation of the Town Board or Town Engineer, all work authorized to be done under the provisions of the permit thereunder issued shall cease. The bond furnished as security for the performance of such work shall be forfeited and paid in sixty (60) days after notice by regular mail addressed to the permittee at the address stated in the application the permittee shall cure such default or failure. The notice to cease work because of such default or failure of performance may be given at any time after the discovery by the Town Engineer or other town employee designated for such purpose of such default or failure, and no such default or failure of performance shall be deemed waived or excused by any delay or failure to mail notice thereof or by any subsequent renewal of a permit under this ordinance.

Said bond shall remain in full force and effect until released or until the original amount thereof is reduced by the Town Board upon issuance of a certificate of completion or of partial completion by the Town Engineer, certifying that all provisions of this ordinance and conditions of the permit have been fully complied with. Application for such certificate shall be made by the permittee, owner, lessee or his agent on forms to be furnished by the Town Engineer and shall be accompanied by a topographic map prepared as required by the provisions of sub-section b of Section 5 of this ordinance. It shall also be accompanied by a certificate of a surveyor or engineer duly licensed by the State of New York

LEGAL NOTICE

as to the amount of appeal required upon the ground requested to be reinstated and released, and that the other requirements for restoration and rehabilitation contained in this ordinance have been fulfilled.

In lieu of such bond a cash deposit or deposit of negotiable securities may be made with the Supervisor of the Town subject to the same approvals, conditions and limitations specified hereunder in the case of a bond.

Section 6. DEFINITIONS: For the purpose of this ordinance, the following definitions of terms shall apply:

1. A "Sand Bank Excavation" is hereby defined as any excavation of sand, gravel, sand or other mineral materials from property having an elevation higher than the crown of the adjacent or abutting street, road or highway, or the means of access thereto from the adjacent street, road or highway provided, however, that no premises may be excavated to a grade more than 18 inches above such street, road, highway or means of access.

2. A "Sand Pit" is hereby defined as an excavation extending to a depth of more than 18 inches below the grade of the crown of an adjacent or abutting street, road, highway or means of access, and such excavations are hereby prohibited.

3. "Topsoil Strippling" shall consist of the removal from any given premises of soil, earth or organic material which ordinarily gives sustenance to natural vegetative growth. Such soil, earth or organic material must be allowed to remain upon, or must be added to all property within the Town of Oyster Bay which are filled in or the grade of which is altered from naturally existing contour, so that it shall have a depth or vertical thickness of not less than six inches, whether such premises comprise excavated or filled lands.

Section 7. LIMITS OF EXCAVATION: No such excavation shall be made:

- (a) within 20 feet of any property line and unless the side walls of such excavation remain at an incline of not less than one (1) foot in vertical measurement to two (2) feet of horizontal measurement, or are made safe and stable by any means approved by the Town Engineer;
- (b) unless adequate barricades shall be erected and maintained;
- (c) unless provisions acceptable to the Town Engineer shall be made to eliminate or reduce, insofar as possible, the hazard and nuisance of dust and other matter being carried by the wind or surface drainage waters from the premises for which a permit has been issued, onto either the premises of others adjacent immediately thereon or onto any other road, street or highway;
- (d) any barricade to be erected under the provisions of this section shall be erected along or within the property line of the premises for which such permit is issued;
- (e) the Town Engineer may require that the applicant, his successors or assigns, may be required to use chemicals or other materials to prevent nuisance by the flying dust, sand, gravel or other particles due to wind or surface water action;
- (f) all areas from which trees and shrubs have been removed shall, during the period between August 20th and October 1st in each permit year (provided such activities shall not interfere with the balance of the excavation work permitted under such a permit) be prepared into a loose, level seedbed, limed, fertilized and seeded in the following steps:
  - (1) Apply ground limestone at the rate of one ton per acre.
  - (2) Apply 5-10-5 fertilizer at the rate of 600 pounds per acre.
  - (3) Disc areas to work limestone and fertilizer into the soil to a depth of at least three inches.
  - (4) Smooth area with a smoothing harrow.
  - (5) Sow the following seed mixture at the rate of 100 pounds per acre:

LEGAL NOTICE

Timothy	30 pounds
Kentucky Bluegrass	25 "
Orchard	10 "
Perennial Ryegrass	30 "
Alfalfa Clover	4 "
Wild White Clover	1 "
100 pounds	

- (6) Struck in good night.
- (7) Soil firm with ground roller.
- (8) Any plan of restoration and rehabilitation as required by the Town Board or the Town Engineer in connection with the granting of any permit hereunder may provide for a partial restoration and rehabilitation of the property involved, pending completion of operations required by this ordinance.

Section 8. NOTICE TO PROPERTY OWNERS: The applicant shall notify all property owners of record owning property within 200 feet of the perimeter of the premises for which such application is made, such notice to be delivered either in person or by mail not less than seven (7) days prior to the date of the public hearing required to be held hereunder, and the applicant, his or his attorney, shall file with the Town Clerk at or before the time of such hearing an affidavit duly and regularly sworn to setting forth the time and the place when and where such notices were served or were mailed together with the names and addresses of the persons to whom such notices were delivered or mailed.

Section 9. PENALTIES: For any and every violation of the provisions of this ordinance, the owners, lessee, agent or contractor of a building or premises where such violation has been committed or shall exist, and the lessee or tenant of the premises where such violation has been committed or shall exist, and the owner, general agent, contractor, lessee or tenant of any part of the premises in which part of said violation has been committed or shall exist, and the general agent, architect, engineer, surveyor, building contractor or any other person who knows, permits, takes part in or causes in any such violation, or who maintains any premises in which any such violation shall exist, shall be guilty of an offense, punishable by a fine of \$100 or imprisonment for not more than 6 months, or both. Each day that the said violation is permitted to continue shall constitute a separate additional violation. Such fines or penalties shall be collected or imposed as like fines are now by law collected and imposed.

Section 10. CIVIL ENFORCEMENT: Nothing contained in this proceeding section of this ordinance shall prevent the Town Board from instituting an action or proceeding in the name of the Town in a court of competent jurisdiction to compel strict compliance with the provisions of the ordinance or contracts by injunction the violation of any of the provisions of this ordinance or any other regulations promulgated hereunder.

Section 11. SEVERABILITY: If any clause, sentence, paragraph, section or part of this ordinance shall be adjudged by any court of competent jurisdiction to be illegal or void then such clause, sentence, paragraph, section or part shall be deemed severed from this ordinance and the remaining provisions shall continue in full force and effect and no provisions strictly construed.

Section 12. AMENDMENT: The ordinance heretofore adopted by the Town of Oyster Bay on the 13th day of October, 1959 regarding sand bank and pit, appeal removal and other excavations is hereby amended.

This ordinance as amended shall take effect in accordance with the provisions of the Town Law of the State of New York.

BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY  
William B. O'Keefe  
Town Clerk  
John J. Burns  
Superintendent

## Oil Burner Service Contracts

By Horace Sterling

The list of items covered in fuel oil service contract vary considerably—and a single omission can be very costly to you. Look at your contract to see whether or not the following extensive parts would be replaced or repaired FREE:

COMBUSTION CHAMBER, CIRCULATOR - PUMP (as well as motor), DUAL VALVE UNIT sometimes called pressure relief valve and pressure reducing valve) THE HUMIDIFIER, ALL THERMOSTATS (rather than just main ones), FAN AND LIMIT CONTROLS, and such simpler items as the turbulator, air cone, blast tube, fan belt, and partial coverage on oil tanks larger than 275 gallons.

If you are still being served

by the builder's oil company not a single one of the above items is covered. Each and every one is covered in the comprehensive contract offered FREE FOR THREE YEARS BY RELIANCE FUEL OIL CORP. to our members only.

FACT: The Civic Assoc. is always concerned about your interests—the builder, naturally, considered his own. To avail yourself of the very special comprehensive oil burner service contract offered FREE FOR THREE YEARS to members of our Civic Assn. (or for information) call or write the successful bidder RELIANCE FUEL OIL CORP. at 500 Hicksville, Rd., Massapequa, P.O. Box 8-9500 or write THE VILLAGER - Jericho.

## Ten Pin Talk Family Night At LI Arena

By Henry Dockswell

Aside from Fred Sapio's league leaders, who can't seem to lose a series, Sol Rabinowitz's #1 squad has been the hottest group. Stuck deep in 9th place on Nov. 6, and far out of contention that you wouldn't have given a plugged nickel for their chances, today they are tied for 4th place, and only two points away from 2nd. This Monday night they stand an excellent chance of continuing their drive. They meet Buzanowski's 10th place #10 team, who have never been able to get started lately because their attendance has been very bad. The other first division teams are all meeting stronger opposition. The emphasis this week, is on Marv Cohen's #2 team. They clash with Sapio's front runners, and if they don't give a good account of themselves, it looks like #3 team will be the first half winners.

Al Samuels entered the select circle, when he came up with a 200 game last session. He is the Team #9 captain. This #9 crew is a lot better than they have appeared to be. They don't stand a chance this half anymore but they could surprise us all in the second half.

Morry Herrick, our only ex officio, is strutting around, and will be might. He and his son Steve won the elimination round two weeks ago, at the Bowling Proprietors Assoc. Parent-child Tournament. The finals take place in Oceanide on Sat. afternoon Dec. 9th. We're all rooting for you Morry and Steve, go get 'em.

Congrats to Fred Green on his son Lobbie's Bar Mitzvah. Some of us had the good fortune to attend the celebration at Leonard's in Great Neck, and we all think Lobbie deserves a repeat performance. We really had a ball.

## Floyd Bennett Tries It Again

By George J. Frankel

On Thursday, Dec. 7, the Zoning Board of Appeals saw the re-enactment of a now familiar scene—Floyd Bennett trying to get permission to erect a tower sign atop its Jericho Store.

All the regular cast of characters was present. Floyd Bennett was represented by Messrs. J. Glass, V. P.; Spero, the sign maker and Friedman, their attorney. The opposition was represented by the same band of

residents: Messrs. Faithful, Schur, Chalkin, Wiener, Sirota, Gellmann; Dr. and Mrs. Sugarman, Mr. and Mrs. Gillary, Mrs. Bernstein and daughter. The Birchwood Civic Assoc. at Jericho was represented by President Irwin Baumel and First V. P. George J. Frankel. The local residents were represented by their attorney, Ira Hyams.

The application was for permission to erect one tower sign on the roof of the Floyd Bennett Store in Jericho instead of the two originally requested. The sign would be erected on the side of the building facing the Birchwood Shopping Center Parking Lot (Southwest). The sign would be 5 feet high by 130 feet long, and would consist of 12 metal boxes, each 5 feet high by 7 feet wide, by 8 inches deep, mounted 8 feet behind the edge of the building with the top of the box 10 feet above the roof. Each box would have a yellow Plexiglas face, with one letter of "Floyd Bennett" printed in black on it. The yellow background would be translucent, and would be illuminated from the inside of the box by 6 seven foot fluorescent tubes of 40 watts each. The letters on the face would be opaque.

Floyd Bennett produced a witness, Geo. Atkinson, who is employed by Rohm & Haas, manufacturers of Plexiglas, testified that approximately 60% of the light behind the Plexiglas face of the sign would be transmitted through, and that the effect would be to diffuse the light. Irwin Baumel who is an engineer questioned the witness with the aim of showing that even this diffused light would create a "halo" effect around the sign.

Joseph Glass, V. P. of Floyd Bennett testified that the lack of adequate signs was making it difficult for prospective customers to find the store.

Floyd Bennett presented another witness, Meyer E. Baker, an appraiser, who testified that the property values of the adjacent homes were devalued by the proximity to a "G" zone area, and that the proposed tower sign would not further devalue the property.

Ira Hyams, attorney for the local

READ IT FIRST  
IN THE HERALD

residents, cross-examined each witness thoroughly. He then stated that, in his opinion, since the tower sign had been denied by the court before, it could not now be granted. Further, tower signs are not now permitted by Town statute at all, and this sign would not be in harmony with the intent of TOBAY's ordinances.

Dan Sirota of Merry Lane, stated that the store had already created an annoyance with its store and parking field lights, and that this sign would magnify the problem to the local residents.

This reporter, speaking as First Vice-president of the Birchwood Civic Assoc., voiced the objections of the Assoc., and presented letters of objection from the West Birchwood Civic Assoc. and the Princeton Park Civic Assoc.

There was a brief discussion period from the floor, and the hearing was adjourned at 1:00 A.M. Watch THE VILLAGER for the decision and further details.

**JOHN COLETTA**

**HICKSVILLE** — John Coletta of 10 Frevert Pl., here, died Tuesday, Dec. 5. He was the husband of Vera (nee Matronella) and the father of Anthony, Florio, James, John, Frank, Vincent, Christopher, Concetta and Mrs. Elizabeth Bunker. He is also survived by seven grandchildren.  
 Mr. Coletta reposed at the Henry J. Stock Funeral Home until Saturday when a Solemn Requiem Mass was offered at St. Ignace, Loyola R. C. Church at 10 AM. Burial followed at Holy Road Cemetery.

**JOHN HONS**

**HICKSVILLE**—Religious services were held at the Henry J. Stock Funeral Home on Friday evening at 8 o'clock for John Hons of 26 Crown St., here, who died Wednesday, Dec. 6. Rev. Edward Stammel officiated. The funeral was held the next day at 1 PM with interment at Pheasant Memorial Park.

Mr. Hons is survived by his wife, Meta (nee Karshewski); his children, John Hons and Marie Sommer; a brother, Charles Hons of Germany and two grandchildren, Judith and Jack Sommer.

**LEONARD F. KERSHOW**

**HICKSVILLE**—Leonard F. Kershow of 35 Old Country Rd., here, died Friday, Dec. 1. He is survived by his widow, Cecilia (nee Stolz); three sons, Francis H., Gerald L. and Leonard J.; a daughter, Therese M. Kershow; two sisters, Ella Sheehy and Catherine Kershow and six grandchildren. He was the brother of the late John Kershow, Jr.

Mr. Kershow reposed at the Henry J. Stock Funeral Home until Dec. 4, when a Solemn Requiem Mass was offered at St. Ignace, Loyola R.C. Church at 11 AM. Burial followed at Holy Road Cemetery.

**WILLIAM C. NOONAN**

**BETHPAGE** — A solemn requiem mass will be sung at St. Martin of Tours R.C. Church this Saturday at 10 AM for William C. Noonan of 49 Parkview Circle South who died at Meadowbrook Hospital on Dec. 12.

Mr. Noonan is survived by his wife, Bridget; daughters, Mary Margaret Noonan, Catherine O'Leary and Theresa Noonan; and sons, William, Francis and Thomas; and 10 grand children and a sister, Margaret Threlat.

He was a member of the Morton Council, K of C; Nassau Assoc. of Nurseriesmen, Horticultural Society, American Daffodil Assoc. and Westbury Horticultural Society.

Funeral arrangements are under the direction of Arthur F. White Funeral Home. Interment will be at St. Charles Cemetery, Plainville.

**HOWARD E. SCHACK**

**HICKSVILLE** — A Solemn Requiem Mass was offered at St. Ignace, Loyola R.C. Church on Monday morning at 10 o'clock for Howard Edward Schack of 133 Duffy Ave., here, who died Wednesday, Nov. 29. Burial followed at Holy Road Cemetery under the direction of the Henry J. Stock Funeral Home.

Mr. Schack is survived by his wife, Margaret (nee Briscoe); two sons, Howard Jr. and Dennis; his father, Karl and a sister Dorothy Albert.

**CARD OF THANKS**

We wish to express our heartfelt thanks to the Rt. Rev. Msgr. George Blumenthal, Rev. Steven H. Stolz, Rev. Lawrence Ballweg, Rev. Leo Goggin, and other members of the clergy, the Rosary Altar Society, relatives, neighbors, and our many friends, for their kindness and sympathy, shown during our time of sorrow.

The family of the Late Leonard F. Kershow.

LEONARD L. FRANK of the firm of Sackler E. Frank, owners of Island Plaza, and a home builder for 40 years, was elected President of the National Assoc. of Home Builders during its 18th annual convention in Chicago last week. The National Assoc has 365 affiliated organizations (including the Home Builders of which he was president in 1949 and 1950) and approximately 30,000 individual members. Frank was first vice president of the National Assoc this year, and has been actively connected with the National group for 12 years.

Walter G. Sackler is a alternate national director of NAHB.

## Award Contracts For Co. Garage

County Executive A. Holly Patterson has awarded contracts for construction of a new type of Nassau County building in Hicksville totalling \$941,301.

The contracts awarded were: general construction, \$686,600 to Gorlin-Olum Inc. of New York City; heating and ventilating, \$108,983 to Murphy & Rynder of New York; plumbing, \$62,000 to Deegan Bros. of Locust Valley; electrical \$83,718 to D.E. Electric Co. of Rockville Centre.

The building and yards will be headquarters for the Oyster Bay Town section of the county roads maintenance division as well as the offices and drafting room of the North Shore section of the Highways and General Engineering Division.

At present the roads maintenance forces are in rented quarters on Pine Hollow Road, Oyster Bay, while the engineers are in cramped quarters on the second floor of the Old Court House at Mineola.

The new building will be on Cantigue Rock Road, Hicksville about 1600 feet north of West John St. Screening shrubbery will conceal the building, parking areas and access roads. The building will be two stories, with a 40 by 70 foot basement. The second floor will have about 114 by 70 feet area. There will be space for offices and other facilities on the first floor. The garage area will have space for 37 bays, some wide and some narrow. The garage area will extend about 614 foot deep and 64 feet wide.

Supervisor John J. Burns stated that this property is part of that acquired by the county in the former Press Wireless property. Most of this property will be developed for park and recreation purposes as Hicksville County Park.

On Wed., Dec. 20, at 8:15 p.m., the Old Country Rd. School P.T.A., will hold its annual Christmas party in the all-purpose room.

## GOP Council Has Election

The Republican Club President's Council of the Town of Oyster Bay this week announced its new officers for the year 1962. Installation will take place on Jan 4th at the Milleridge Inn, Jericho.

William J. Vincent of Glen Head, present Chairman of the Council, will be succeeded by Angelo D. Roncallo of Massapequa. Others to be installed are Edward Knightham of Bethpage, First Vice Chairman; Ralph Diamond of Jericho, Second Vice Chairman; and Mrs. William Alonge of Hicksville, secretary.

The Council consists of club presidents and vice presidents of each of the 12 Republican clubs in the Town of Oyster Bay. The Council is now entering its fourth year of activity. It was organized by Thomas R. Pynchon, Town Republican leader and chairman, as a method of coordinating GOP Club functions on a Town-wide basis and for the exchange and development of new ideas among club officers. Town Clerk William "Bud" O'Keefe was first president of the Council.

## East St. Yule Party on Dec 14

On Thursday evening, Dec. 14th, at 8:15 p.m., the annual East Street PTA Christmas party will be held in the school auditorium.

Members of the PTA will provide refreshment fashioned after a winter carnival in the Alps. A major queen will be crowned, new dances performed and everyone can join in the community singing. A grab bag is to be held and those attending may bring a \$2.29 exchange present. Refreshments will be served following the festivities.

A son, Thomas Peter, was born to Mr. and Mrs. Anthony Vitale of 53 Parkview Circle So., Bethpage, on Nov. 24 at Mercy Hospital.

Army 1st Lt. John R. Wycoff, other personnel from the 1st Cavalry Division's 21st Artillery Wycoff, 95 Old Country Rd., Hicksville, recently participated with in Yellow Jacket III, a field training exercise in Korea.

## Santa Letters Flood Mail

As the Christmas mail rush begins there comes along with it the most important mail of all—Santa Claus mail. And as usual the jolly old fellow from the North Pole is once again being besieged by all the "good" little boys and girls in the area for their special desires.

Debra Caggiano of 172 Second St., Hicksville, writes to Santa on behalf of her sister Joanna and herself, asking for a blackboard, walking doll, Thumblines, kitchen set, Miss Sevastian, rocking chair, doll clothes, and Buttons.

Albert Pugliese of 78 Moeller St., Hicksville, drew a crayon picture of Santa and on the back wrote, "Dear Santa Claus, Because I'm such a good boy please send me the following toys for Christmas, 1 play mobile, Buttons, 1 bike (black one), Garlo and B Too 15 Gun."

Since Ricky Budnick of 2 Mack Ave., Hicksville is only four years old, his mother wrote his list which includes a Marx a cart, a Robot Commando, Casper, the

Talking Doll and a camera. He ended up by saying, "I hope you have a Merry Christmas. I like you Santa, you are nice. Thank you for my toys, love Ricky."

The Shannon children of 11 Ida Ave., Hicksville, sent their requests accompanied with cut outs of each item so there can be no mistakes. Bobby wants a shirt, a ball game (mechanical), a football, ballies, football socks and ice skates. Patricia asks for a Hug-a-baby, a walle and a carry all with a matching umbrella. And Billy wants a Buntoss the pup, a Civil War cannon, a skin diving outfit, a roof set and an Ech-A-Smash drawing set.

Another letter addressed to Santa reads, "Can I please have a Fort or a play mobile for Christmas? I am going to give you something to eat when you come in the night. I will give you warm bosco and milk. Thank you," Mitchell Fred Gargner, 14 West La., Bethpage.

Raymond Sanguinardi of 32 Gables Dr., Hicksville writes, "I wish you could bring me a portable radio and I would like a Johnny Reb cannon and also would like a blue and gray Civil War set of men."

Caberry White would like a Hookle-gar-better doll and her bed, basal pajamas, Little Lulu, tiny baby dolls, cake set, gum machine, games, Pixie and Dixie and an Ech-a-set.

Gary Tom Zinzi of 26 Violet Ave., Hicksville, would like a pair of slippers, a U.S. Army helmet, a cowboy hat, and cowboy gloves and cowboy guns, U.S. flag, cowboy set and their horses, Magic Custer, Magic Ech-a-check, service station and cars, a 52 game set, a U.S. Army set, a flashlight and a toybox.

Patricia from 10 Cedar St., Hicksville, wrote Santa a very nice note: "Dear Santa, when you are happy, I am happy that why I'm writing to you I like it when you see happy it makes your beard grow happy, I hope your toys are happy and keep happy all year. Have a happy Christmas." You too, Patricia.

**DIOCESE OF LONG ISLAND** for special permission for reduction of off-street parking on the following described premises:

ALL that certain plot, piece or parcel of land, situate at Hicksville, Town of Oyster Bay, County of Nassau, State of New York, bounded and described as follows:

A rectangular piece situated at the Northwesterly corner of Old Country Road and Jerusalem Avenue, extending along the northerly side of Old Country Road, 150.48 feet, along the westerly side of Jerusalem Avenue, a distance of 141.70 feet.

Being known and designated as Section 11, Block 293, Lots 229-234 inclusive on Land and Tax Map of Nassau County.

The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 A.M. and 4:45 P.M. prevailing time at the Office of the Town Clerk.

Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated.

**NO DELIVERY ON CHRISTMAS**

There will be no regular delivery of mail by Hicksville Post Office on either Sunday, Dec. 24th or Monday, Dec. 25th. Special Deliveries only will be handled on these days. Postmaster Irene L. Murphy announces: For the convenience of patrons who reside in the north Broadway Lee Ave. area a covered station has been established for Christmas at the Broadway Sweet Shop.

# St Ignatius Cagers Score

The St. Ignatius Grammar School basketball teams continue to dominate the athletic picture in the Diocese of Rockville Centre. After completing another successful football season which saw the second Diocesan Grammar School Football Championship in four years, come to the Hicksvilleites, Harry Casey's Banjam Basketball team and Bill Kropec's Grammar School team initiated the 1961-2 Basketball season with a pair of impressive wins at the expense of their arch rivals from neighboring Holy Family.

The Grammar Schooler's built up a lead 19 to 6 lead at the end of the first quarter and then coasted to an easy victory at the Fork Lane School. With Peanuts Gallop and Augie (the Red-nose) Reinhardt accounting for nearly half of their teams points the Nicholas Street boys were in complete command until the final buzzer. When the scoreboard read 46-20, Steve Ciescher and Al Prossnowski, fresh from their successful football triumphs, directed the St. Ignatius attack for Bill Kropec with a spectacular floor pass that baffled Fiere Napolitano's aggressive quintet and thrilled the spectators. Jim Beach and Johnny Kraft supplied the scoring punch for Fr. O'Dea's charges with six points a piece.

The Holy Family youngsters showed excellent team work. On December 9, St. Ignatius travels to Syosset to meet a strong St. Edwards team at 1:30 P.M.

## BANTAMS ALSO WIN

The Blue and Gold also took an early lead in Section II of the Rockville Centre Banjam Basketball League by defeating Holy Family 31 to 17 at the Village School Gymnasium of Syosset. Harry Casey's last years sectional title holders were very impressive in their opener. After a tight first half which ended with St. Ignatius in the long end of a 13-11 score, the Blue and Gold exploded with a burst of baskets to win by a one-sided score. In the second half the tight Ignatius defense proved almost impenetrable for Holy Family who were able to score but two foul shots and a pair of field goals. Timmy Shanley was the scoring ace for the Blue and Gold with a dozen points. Chuck Accerra added another half dozen. Little Barry Shanley contributed to the Shanley cause with four spectacular assists that resulted in scores.

The Holy Family high scorer was Steve Mzenski with five points. Holy Family Coach Vinie Vietens expects to do better when the two teams meet again on Saturday, Dec. 13 at 11:30 at the Village School Gymnasium, Convent Road, Syosset. He'll have to concentrate on silencing St. Ignatius big man Jim Shanley.

Harry Casey hopes to keep the Ignatius smooth basketball machine functioning successfully on Dec. 15 at 1:30 against St. Raphael of East Meadow.

TIME OF PERIODS: 6 Minutes - HALF TIME 13-11 St. Ignatius

Hicksville P.B.C. Senior basketball team nipped Holy Family on Dec. 7 by the score of 61-57. The P.B.C. seniors faced a tough, well-polished Holy Family team and came out on top after this nip "n" tuck duel.

In the first quarter, the score was a tight 16-12, in favor of the P.B.C. However, at the half, Holy Family took a 32-28 lead, as both team played on, they progressed in momentum and team spirit. Each team was pushing towards one goal victory, and neither would give up.

At the end of the third quarter, Holy Family still had hung on to the lead, with a close score of 45-42, and Hicksville P.B.C. was closing in fast. The last quarter began and the P.B.C. seniors were putting in their last effort to win. With two minutes left in the game and the score 57-57, Hank Clerksi drove in to break the tie. Another basket by the P.B.C. brought the score to a final 61-57 total, in

# Scouts Display At County Fair

A beautiful Girl Scout display was one of the booths at the Woodland Ave. School County Fair on Saturday, Dec. 2nd.

Girl Scouts from East-Woodland neighborhood, made and decorated handicraft articles, bead work, decorated pencils, felt articles, and snow scenes, etc.

Golden roses were part of the decoration in honor of celebrating 50 years in scouting.

Mrs. Marion Rothenberg decorated the booth. Troop 17 made beautiful posters.

The chairman of the booth was Mrs. Mae Fort.

**"GENTLEMEN AND LADIES! FALCON FORD HAS... I CAN'T DO IT! IT'S TOO HARD ON MY NERVOUS SYSTEM."**

**LOOK... DO YOU KNOW WHAT THIS IS? IT'S YOUR FIST.**

**ALL RIGHT NOW WHAT WAS IT YOU WANTED TO SAY?**

**"LADIES AND GENTLEMEN, I TAKE GREAT PLEASURE IN ANNOUNCING THAT IN TWO SHORT YEARS OVER ONE MILLION FALCONS HAVE BEEN SOLD. THIS REPRESENTS THE GREATEST SUCCESS IN MODERN AUTOMOTIVE HISTORY! THANK YOU FOR YOUR KIND ATTENTION!"**

**WHEW! I DID IT! BOY, WHAT A RELIEF! IT'S ALL OVER!**

**I TELL YOU I DON'T WANT TO HAVE TO GO THROUGH AN ORDEAL LIKE THAT AGAIN AS LONG AS I LIVE!**

**WHAT'S THIS? THIS IS THE SPEECH YOU HAVE TO LEARN WHEN FORD SELLS TWO MILLION FALCONS!**

**OH, NO! I CAN'T STAND IT! I JUST CAN'T STAND IT!**

© 1961, United Feature Syndicate, Inc.

Better make him learn that second speech, Lucy... he's going to need it in a hurry! In fact, the way people are buying Falcons (last month was the hottest November in Ford history!) public speaking could become his lifelong career! People love Falcon. They've already bought a million of 'em—more than twice as many cars as most other compacts have sold. And today, they're buying more Falcons than ever... because Falcon has more than ever to offer! Today's Falcon gives you an improved version of the famous Falcon Six—the engine that set a new record for a Six or Eight in the 25-year history of the Mobilgas Economy Run! Today's Falcon goes 6,000 miles between oil changes. You also get a bigger choice of models: there are 13 different Falcons... different except for the dependability that's standard in every quality-built Falcon. But best of all—for you—is the one thing about Falcon that hasn't changed. The very first Falcon was America's lowest-priced\* 6-passenger car. So is today's.

\*Based on a comparison of manufacturers' suggested retail delivered prices, excluding taxes.
