Midland Civics Meet Feb 7

The Midland Civic Assoc. will meet on Wednesday, Feb. 7th at 7:15 p.m. at the Burns Ave. School, Hicksville.

The main topic of discussion for the evening will be on the closing of Willet Ave. and Westmoreland Rd. at the point where the new Willet Ave. School is to be erected.

This is of major concern to families living in the Trade Secret, Rosewood, and Fountainvale developments.

The speaker for the evening will be Loren Portman, who will deliver an informative talk on "How to Prevent Cesspool Trouble".

Mobile Library One Year Old

Hicksville's "Library on Wheels", the Public Library's bookmobile, has just completed one year of service to the community. Since January 1961, the bookmobile has travelled 3,000 miles, bringing a representative collection of books to all parts of the district. The number of volumes circulated in 1961 was 72,709, of which 55,915 were children's books.

These figures only begin to suggest the role of the bookmobile. Travelling right into local neighborhoods, the bookmobile has been able to bring readers and books together. Busy parents, besides having available a carefully selected collection of books of all types for their own enjoyment, have been able to introduce their young pre-school children to the wonders of books and reading. School children have found material to help meet class assignments and to develop outside interests at a bookmobile stop at or near their schools.

New books were constantly added during the year to meet these demands and to keep the selection up to date. At the present time, the collection totals nearly 5,500 volumes, according to Library Director Kenneth Barnes.

The bookmobile begins its second year with a stronger book collection and a lot of valuable experience behind it. The library hopes that 1962 will be an even better bookmobile year than 1961.

For further information about the bookmobile and its schedule, call WE11S 1-4417.

Something we all need to know more about.

Plans are under way for a musical show and dance to be held in May. All members of the Midland Civic Assoc. interested in participating in the show are urged to attend or contact Vincent Guarino, Producer and Director.

All are most cordially invited to attend this important meeting. Refreshments will be served following the meeting.

Catholic Vets Convene Here

The annual convention of the Catholic War Veterans, of Nassau County will be held at the Old Country Manor, Hicksville, this Friday, Saturday and Sunday, February 2nd to 4th inclusive, according to Frank Gordon of Hicksville, convention chairman.

The business meeting, including election of officers for 1962, will be held on Friday at 8:30 p.m. A dinner dance will begin on Saturday at 7 p.m. Benediction of the Blessed Sacrament will be held in St. Ignatius Church, Hicksville, on Sunday at 4 p.m., and installation of officers will follow at about 4:30 p.m. Families and friends of the delegates will attend both ceremonies, which will be followed by refreshments.

Francis X. McBarron of Brooklyn, C.W.V. state commander, and his staff will install the new officers. Frank Eschbach of Hicksville, county commander, will preside at the convention.

Junior High PTA Changes Date

Mrs. Anthony Raffa, the president of the Hicksville Junior High PTA, has announced that the next meeting will be held on Feb. 5th (instead of Feb. 12th) at 8:15 PM in the school cafeteria.

Mrs. Sedie Hoffstein will be the speaker. Her topic will be "The Green Blackboard", dealing with home pressures and how they affect the child at home, in school, and in his relations to others.

Please use the Fourth St. entrance to the school.

The Mysterious Group: Candidate Phyllis Makes New Pledge

The mysterious "School Board Campaign Committee" with only one identified member, Phyllis Newburger of 12 Amherst Rd., Hicksville, this week announced the ambitious promise to submit "within a week" a petition of 5,000 or more signatures requesting the Board of Education to present for referendum at the annual meeting in May the expenditure of four or more million dollars for a new Junior-Senior High School in Hicksville.

The announcement, published in the LI Press yesterday (Wed.), was close to a prior report in the MID ISLAND HERALD of Nov. 23, 1961. At that time the "School Board Campaign Committee", according to Mrs. Newburger, was going to force a referendum on a new "secondary school" within the next two weeks.

At the time the HERALD noted that a petition to force the Board of Education to submit the question to vote would require something like 6,000 to 7,000 signatures. It was also indicated that (a) such a project might cost as much as five million dollars and (b) there appeared to be no available sites.

The LI Press story said that the petition will call for a \$4 1/2 million junior-senior high school of 60 rooms on the Press Wireless property. Last October (see attached letter) Mrs. Newburger was advised that none of this property is available for a school site.

If there is anyone else on the "School Board Campaign Committee" besides Mrs. Newburger, they have managed to keep it top secret. The "Committee" letterhead lists no names at all. Mrs. Newburger apparently writes and signs all the letters.

Recently the Board of Education by a divided vote (4 to 2) asked Mrs. Newburger to stop using that name because it has apparently been confusing state officials. She answered by saying she is only the secretary and that the executive committee would give the matter consideration.

It has been widely reported that Mrs. Newburger is planning to be a candidate for the Board of Education in May. It is also reported that Mrs. Newburger and her "Campaign Committee" is credited with the election of George A. Jackson and F. Dominic Sabatella to the Board of Education last May. Both voted no on the motion to ask discontinuance of the "Campaign Committee" name.

It has been further reported that the "Campaign Committee" claims loyal support among certain key Parent-Teacher Assoc. officers and personnel around the District. The enlistment of some 5,000 or more signatures within

Re: Press Wireless Land

Mrs. Phyllis Newburger
12 Amherst Road
Hicksville, N. Y.

Dear Mrs. Newburger:

The County Executive has requested that I examine into the matters referred to in your letter of October 18th and reply to you with regard to my findings.

May I advise you that the County of Nassau has vested title to the Press Wireless land for park purposes and, by virtue of that fact, the property, under the law, will be held in a trust relationship solely for such purposes on behalf of the people. It is therefore requested that you discontinue any and all use of the land for any other purpose, and that you refrain from any action which might result in the loss of the land to the County. It is also requested that you refrain from any action which might result in the loss of the land to the County.

In short, the land is now being held for park purposes and shall continue to be held for such purposes unless the legislature decides otherwise.

Very truly yours,
J. GARY HENNINGSTADT
County Attorney

LAST OCTOBER Mrs. Newburger was told that the Press Wireless property is NOT available as a school site.

Parking Permits Good Til '63

Holders of parking permits in the Town of Oyster Bay are being advised by letter that the expiration date of March 1962 has been extended to March 1, 1963, Supervisor John J. Burns announced.

Burns pointed out that the Town Board extended the expiration date of the parking permits in recognition of a petition to force the School Board to put up the question of spending four or five million dollars would be a convincing test of strength or following.

tion of the fact that due to various unforeseen circumstances, over which it had no control, some improvements in the Board's Town-wide parking program were delayed and in some instances put off until this year.

"Consequently," he said, "the Town was unable to provide all of the facilities planned to be made available when the permit program began. In all fairness, therefore, the first permit expiration date was extended."

Nassau CWV News

By Jim Carney

NASSAU COUNTY CWV CONVENTION opens at 8:30 (sharp) on Friday, Feb. 2, at Old Country Manor on Old Country Road in Hicksville. After reports of the various committees, we will hear the magic words "Nominations are now open". From rumors around, there are many men willing to share their abilities with our growing outfit. Then we go into the elections which are always a thrilling event. Everyone gets into the act because each one knows that "my candidate" is the best man for the job. CWV can't help but go in with attitudes such as these.

Next comes the congratulations and condolences with refreshments, of course, and with a sincere wish and prayer the session ends.

SATURDAY NIGHT AND AGAIN AT OLD COUNTRY MANOR, the second phase of the CWV week-end begins with a cocktail hour at 7 p.m. Then follows the Testimonial Dinner to Father Walter J. Tomecki, our County Chaplain. At which Msgr. Williams, Rector of St. Agnes Cathedral will represent His Excellency Bishop Kellenberg. We will also be honored by the presence of Msgr. George M. Bittermann, Pastor of St. Ignatius Church in Hicksville. Nassau County Executive Nickerson, too, will be our guest. National Commander Al Schwind and Mrs. Schwind are also making the long journey to be with us on this memorable occasion for Nassau CWV. The guest list is studded with notables. After dinner, there will be dancing and enjoyment until the wee hours.

SUNDAY AFTERNOON IS INSTALLATION TIME and starts with Benediction at 4:00 p.m. in St. Ignatius Church. Father Tomecki will be the Celebrant. Uniformed C.W.V. members will act as servers. Every Post and Auxiliary is requested to have their Colors on hand. Members are urged most strongly to bring their family and friends to the Benediction and to the Installation which follows at Old Country Manor. State Commander Frank McBaron and a State Installation Team will officiate. Oyster Bay Town Supervisor John J. Burns will bring the greetings of the Town. There will be entertainment for the children

and refreshments for all. When the day comes to an end, we will have passed a big milestone in the history of CWV in Nassau.

Already I'm hearing many, many plans for the Memorial Day Celebration in Roosevelt. Seems like a long way off, but with the ideas that the Committees have, long range planning is needed.

After all the chicken that disappeared from their table at the recent Chicken and Chips affair, Hugh Jennings and Jim Serucci can't even look at an egg. Seems they know what happened to its mother.

John Trunack, "Big John"..... bowled a BIG 230 at the CWV League games in the Sunrise Bowl in Bellmore, Brother Sun, however, was taking all the bows. He claims it was his instructions that caused the success.

ATTENTION - ALL CATHOLIC VETERANS IN EAST MEADOW... Membership Vice-Commander John Greenwood has his heart set on establishing a Post in your area. For any information or help you need, call him at PE 5-7351 or drop him a line. His address is 225 Orchard Road, Levittown. Don't put it off, DO IT NOW.

AS A MATTER OF FACT... Wherever you live, there is a CWV Post that needs YOUR ability. Contact John and he will help you enter a phase of usefulness and enjoyment which you would not have believed possible.

State U Prexy Rotary Guest

Dr. Charles W. Laffin Jr., newly-elected President of State University's Agricultural and Technical Institute at Farmingdale was honored by the Hicksville Rotary Club, last Wednesday. Dr. Laffin was presented with several mementoes including a money clip with the club's insignia.

Dr. Laffin announced State University's prediction that 4,000 full time students and 8,000 part time students will be enrolled at Farmingdale in 1970. "To accommodate the anticipated growth," Dr. Laffin said, "complete plans have been submitted to add a science building, expand necessary parking lots, a maintenance building, campus development, new administration facilities, dormitories and dining facilities which will cost a total of \$7,000,000."

"With the emergence of community colleges in Nassau and Suffolk, which will emphasize the liberal arts and sciences," he said, "Farmingdale will continue to play a major role in providing the economy of Long Island with expert technical assistance in many vital areas of industry."

State University's Agricultural and Technical Institute at Farmingdale will celebrate its 50th year of existence this year, according to Dr. Laffin. This makes it the oldest public institution of higher education on Long Island. Its student body of 4,700 full and part time students makes it one of the largest two year colleges in the country.

"During all of its existence," Dr. Laffin told local Rotarians, "the college has been dedicated to the purpose of providing high quality technical education."

"It will continue to emphasize the preparation of technicians in the industrial, business and health service fields, including mechanical technology, advertising art, secretarial science, dental hygiene, nursing, police science and other specialization in agricultural and horticultural technologies."

"State University of New York at Farmingdale," he concluded, "in the decade ahead is destined to

DR. LAFFIN

play a major role in meeting the higher education needs of Long Island youth and support the growing industrial, business and professional life of the Island. Like our community itself, Farmingdale is a college on the move."

EDITORIAL

We Disagree!

The West Birchwood News of Jan. 25 voiced strong opposition, in its editorial, to the four hour school session for Jericho kindergartners and suggested a two and one half hour school day. We doubt that this position reflects the opinion of most parents in the Jericho School District.

The Jericho School Board is aware of strong sentiment in favor of even a longer session for kindergartners and many parents have suggested the advisability of considering a 9 A.M. to 2 P.M. class. In fact, a survey of educational trends would probably support the four hour session which has been used in Jericho for many years. The Jericho School Board has, correctly we think, always favored the policy that kindergarten is a preparation for education, and not a substitute for nursery school. Reading readiness, for instance, is an integral part of the kindergarten program in Jericho.

If one considers that 30 minutes may be consumed preparing a kindergarten class for its day in school, and the same time is needed to get the youngsters out of school, a two and one-half hour session is hardly practical for any educational purposes whatsoever.

We suggest that it is unlikely that the Jericho School System follows an inflexible policy that ignores the health of its children. There is no official report of any occasion when kindergarten children were forced to stand outside in zero weather; and even if this should happen accidentally, it would have no bearing on the number of hours a kindergartener should spend in school.

And yes, Jericho does get state aid for a four hour kindergarten session. Is this something for Jericho parents to sneer at? For state aid purposes, a four hour session is considered a full day and the reason

President's Corner

By Irwin D. Baumel

One of the most important factors in keeping an organization, such as our Civic Assoc., strong and active is its means of communication with the general membership. The VILLAGER has more than adequately served us in this capacity during the past five years. Our only serious problem has been the mailing list. During these past years, the addressing plates have worn out, new addresses have not been added, and old ones have not always been replaced. We are replacing the entire set of plates with new ones, updated from our current membership list. This will notify those of you who have not renewed your membership this year that you will stop receiving the VILLAGER within the next two weeks. As for those who have never received it, your friends may tell you, -better luck in the future!

It has come to my attention during the past week that several of our Jericho residents have been circulating petitions requesting non-renewal of the contract extending Dr. Lant's term of office as Superintendent of the Jericho School District. Under ordinary circumstances, I would recommend permitting your elected School Board to make this decision unimpeded by lay-pressure. However, because of the circulating petitions, and the considerable activity shown by West Birchwood, I have asked Bob Brown to call a special meeting of the Jericho Education Committee. I have asked them to determine whether the complaints are founded in fact, or are the result of cranky. If the former, the facts will be brought before the School Board. If the latter, we will take a positive stand against permitting a man's character and professional ability to be besmirched.

This past year has seen the gradual decrease in activity of our Senior Citizens group. The primary reason has been the lack of adequate program preparation and coordination. A second problem has been the loss of their meeting place, the Jericho Country Club, for convenient and comfortable afternoon recreation.

The Civic Assoc. has started the ball rolling toward a Jericho wide Senior Citizens group by voting a nominal appropriation to retain a Director and calling an organizational meeting.

Brownies Provide Stuffed Toys

Troop #372 of the Robbins Lane Neighborhood, under the leadership of Mrs. Cell Pagoda, Mrs. Renee Goldstein and Mrs. Roberta Skyler presented stuffed toys to the children in Central General Hospital in Plainville. The toys were made by the Brownies and were given to the hospitalized children during Christmas.

Members of the Troop are: Donna Brodsky, Elyce Brown, Marilyn Clark, Penny Cohen, Judy Friedberg, Michelle Gersen, Lisa Gershoff, Sheryl Goldstein, Alice Hernes, Jane Kushner, Lori Lash, Bonnie Lemberg, Linda Pagoda, Eileen Roach, Leslie Sam, Fern Skyler, Nancy Spolow, Donna Weintraub, and Nancy Weiss.

Facts About Your Boiler

By Harold Sterling

The manufacturer of your Federal boiler model FVW 75 states that it should be trouble-free for 10 to 15 years. This boiler, made of steel, can be repaired by welding, should a leak occur.

Both the wholesaler for Federal and the manufacturer refused to quote consumer prices on a brand new replacement unit but laughed heartily at the fantastic figure making the rounds of our community.

Federal's Preventive Maintenance and Trouble Elimination Chart states: "Heavy deposits of soot and scale, when allowed to accumulate, increase fuel consumption in direct proportion to the thickness of the deposit. This soot and scale also causes corrosion of the flues."

Thorough cleaning, of the type performed by the oil companies selected by your Civic Assoc. for its members, reduces fuel costs and prevents boiler corrosion. Many residents have actually saved \$50 to \$100 a year through better tune-ups, cleaning, discounts and rebates. They have also had the parts protection for several years that other companies now begin to offer. They have coverage on many parts still not covered by others, e.g. clock type thermostats, tanks larger than 275 gallons, turbulator, air cone, blast tube, fan and limit controls, humidifier, fan belt, and ammonia valve. Other companies may attempt to follow the lead set by your Civic Assoc. but none can match the special comprehensive contract it offers. Without doubt, reservation or hesitation I can state that no other contract offered you can approach the offer of RELIANCE which closes Feb. 28.

Robbins Lane School 4 Years Young

On Jan. 20, 1958, Robbins Lane School was completed and the school was opened. This week pupils in the school have been commemorating this event. Mr. O'Hare's 5th grade presented an original play, "January Birthdays". Many famous men who were born in this month were honored. At the conclusion of the play, a birthday party scene with birthday cake honoring Robbins Lane School brought rounds of applause from the children in Grades 4, 5, 6, as Mrs. Dondero, Principal of Robbins Lane, blew out the candles.

Actor Workshop For Children

An Actor's Workshop for youngsters, ages 9 to 12, will be started shortly in our community. It will be directed by Sy Syns of the Actor's Studio, who recently directed the Jericho Players production of "Middle of the Night". Mr. Syns, whose talents have been commended in both on and off Broadway productions, is currently conducting two workshops for adults in Birchwood Park. The children's workshop is scheduled to be held on Wednesdays, from 3:45 to 5:45 P.M. For further details, call Jerry Neuhaus - OV 1-3623.

Players Ready New Season

The Jericho Players of the Birchwood Civic Assoc., fresh from their recent hit "Detective Story," are currently planning their new dramatic offerings for the spring and fall seasons of this year. The name of a top-notch director, and the play that he will work with, will be revealed at the Players' next general meeting, which will be held on Monday evening, Feb. 19, 8:30 P.M. at the Robbins Lane School. The date and location for casting try-outs for the spring play will also be announced at the meeting.

There are presently three Actors Workshops being conducted in Birchwood Park by directors Sy Syns and Jerry McGonagill. As part of the program of the general meeting, each workshop will present a scene that had been previously studied in a workshop class.

Recently elected officers of the Jericho Players are: Mimi Gruber, president; Adolph Lovler, v. president; Sylvia Newman, sec'y.; Phil Rosenthal, treasurer; and new members of the board are: Dale Berg, Vera Mark, Mimi Reff, Lou Davis, and Al Forman.

Everyone interested in joining the Jericho Players, or their workshops is cordially invited to attend the Feb. 19 meeting.

TEEN TALK

By Carol Horn

Although it's only February that's rounding the corner, the time is here when teenagers must think of the summer ahead. Now, jobs are a plenty, but as the days go by they will be scarce, and your chance of securing work for the summer will be almost nil as June comes around. Now, more than ever before camp counseling is one of the biggest attractions for those in the sixteen to twenty year old range. At sixteen, girls can become junior counselors and boys can become waiters. At eighteen, counselor positions are available in most camps for both girls and boys, as long as they are high school graduates. The guidance departments in school are fully prepared to help students plan for the summer ahead.

Youngsters under 16 should also start to pursue their desires for the summer too. Now is the time for camp reunions when you can meet all your old friends, relish past experiences and decide whether or not you want to return to camp. Now is the season of hail and snow, but if you don't make plans you'll have no place to go. To work, to play, and to have lots of fun, during the months of summer, the season of sun.

Facing Cold Weather Test

Army PFC Joel V. Saffer, son of Mr. and Mrs. Harry V. Saffer, 22 Mulberry Ct., Jericho, is scheduled to participate with other personnel from the 9th Infantry in Exercise Great Bear, a joint U.S.-Canadian winter maneuver in Alaska, Feb. 12 to 21.

The exercise will test cold weather military doctrine and the ability of the two allied armies to work together as a fighting team. Exercise Great Bear will be conducted in the vicinity of Tanacross and Eielson Air Force Base, one of the most rugged areas over which an Alaskan maneuver has ever been

held. Saffer, an automatic rifleman in the Infantry's Company E at Fort Wainwright, Alaska, entered the Army in July 1960 and completed basic training at Fort Dix, N.J.

Army Pvt. Stephen J. Varenno, son of Mr. and Mrs. Stephen Varenno, Jericho, completed the five-week aircraft maintenance course at The Aviation School, Fort Rucker, Ala., Jan. 19. Varenno was trained to perform maintenance on rotary and fixed wing aircraft and to participate in the operation of Army airfields.

DAVID KASSAN, (left), campaign director of the new March of Dimes in Jericho, and Mrs. Abramson, co-chairman, pass out stickers to the members of the Kappa Two Epilepsy sorority, who have volunteered their services to help collect for the Mother's March. More volunteers are still needed to help this very worthy cause. For more information, contact Mrs. Kassin at WE 5-1867. (Photo by Frank Mallett).

As expected, Fred Sapio and his #3 Scalpels won the first half championship; but not before Dave Batterman's #8 crew threw a scare into them. They almost pulled the upset of the year. Not since Oct. 30 had the any team been close enough to take the league lead away. As good as the Scalpels were bowling, Dave's crew pecked away until the final night and showed them to be just 3 1/2 points behind. They won two games and total pins, which was just not enough to win all the marbles, but Fred's team knew that they had been in a fight.

Elliott Spencers #7 Stogies finished third as they overwhelmed Sol Rabinowitz's #1 team. Losing those 3 points caused Sol's boys to fall to 5th place and allowed Marvin Cohen's #2 squad to finish 4th. A tight first division finish. The overall champs could be an one of the first five.

Here are the final standings:

1st	Team #	3	44 1/2 points	(Fred Sapio)
2nd	"	8	43	(Dave Batterman)
3rd	"	7	39	(Elliott Spencer)
4th	"	2	38	(Marv. Cohen)
5th	"	1	37	(Sol Rabinowitz)
6th	"	6	34	(Mac Canning)
7th	"	9	32	(Al Samuels)
8th	"	4	30	(Norman Ney)
9th	"	5	27	(Morry Herrick)
10th	"	10	15 1/2	(Lou Dershowitz)

At an executive meeting held just before the first half finish, the following was decided:

The most improved bowler will be the man whose average increases the most during the second half, with his final first half average used as the base.

The men in the league will be split into two categories as of the start of the second half, Class A, to be those who average 148 or better and class B, those 147 or less. Two trophies will be given in each class. One for Individual High Game and one for Individual High Series.

Any ties for Individual High Game honors will be decided by a one game playoff, to be held on the last night of the season.

In addition to the trophies for team High Game and team High Series from scratch, there will also be trophies given to the teams that achieve highs with their handicaps.

Details of the Dinner Dance were finalized and June 8th promises to be just a little bit different, thanks to Lenny Walnick.

WE DISAGREE (From Villager Front Page)

for this is the state's policy to encourage a four hour kindergarten session.

The solicitedness of the West Birchwood News Editors for the comfort and well-being of the children in their community is understandable. Their attitude would be more laudable had they been as concerned for all the children in the school district—none of whom are favored to any greater degree than are the children in West Birchwood.

Jewish Center Honors Officers

The Midway Jewish Center feted incoming officers at an Inaugural Ball at the Center on Saturday, Jan. 20. Installed as officers for 1962 were: Nathan Dechter, President; St. Schulman, 1st Vice-Pres.; Shepard Millman, 2nd Vice-Pres.; St. Dworkin, 3rd Vice-Pres.

Abe Davis, Financial Secretary; Ralph Allen, Treasurer; Norma Cohen, Corresponding Secretary; Martin Molod, Recording Secretary; Ben Leavitt, Sergeant at Arms; and Julius Horpstein, Sergeant at Arms.

For the Photographers

OUR GIRL, Pat Franklin of Hicksville (at the right) was runner up in the selection of Miss New York Press photographer at the Waldorf-Astoria in New York City this week. There were 85 candidates and Barbara Jean Levey, centre, of Valley Stream was chosen. At the left is Loretta Woolver of Woodmere.

Hi, Neighbors

MURIEL SUGARMAN

Glady and Al Richman of Merit Lane booked passage on the liner "Italia" for Nassau, knowing that the Rebekah and Bernstein had just returned from the same cruise. Glady called Belle to find out the details of the trip. Both were astonished to find that out of the several hundred staterooms on the boat the Richmans have the same room as the Rebekahs had. Incidentally the Rebekahs are celebrating their 23rd wedding anniversary.

The Jericho Jewish Center Sisterhood will hold its annual Torah Fund Meeting on Feb. 6th, 1962, at the Temple.

Guest speaker for the evening will be Mrs. Pearl Krauss, of the National Executive Bd. of National Women's League of the Jewish Theological Seminary of America. Highlighting the entertainment will be a "Torah Fund Cantata".

The Jericho Jewish Center is a fund raising arm in behalf of the Jewish Theological Seminary of America in N. Y., on behalf of the Torah Fund's nationwide campaign to raise \$500,000.

Members of the Hicksville, Midway, and Levittown Jewish Centers have been invited to attend this evening devoted to Torah Fund.

Glad that Eleanor Sacks is well after her recent bout with pneumonia. Congratulations to Sylvia and Leo Gillyard on their new business venture.

The Nassau and Suffolk Council of Pioneer Women are having a Gala Dinner and Dance Saturday Feb. 3 at Gay Lombardo's East Point House in Freeport 8 P.M. is the cocktail hour with hors d'oeuvres. Donation is \$15.00 per couple. Contact Judy Lyon for tickets. OV-1679.

Happy birthday to: Bee Diamond, Celia Felsner, Melissa Gordon, Laurie Rosen, and Little Adam Freed who is just one year old.

The Bicks home on Village Drive is bubbling over with excitement. daughter Andrea who has been studying in Europe since June last, returned home. This coming June

she'll get two degrees—her college degree and also her M.R.S.

Temple Or Elohim Sisterhood has planned an evening of fun for all bowlers beginners and experts. On Saturday, Feb. 3rd, at 9:00 p.m. at the Westbury Bowl, two games of bowling, shoes, cokes during the game open-faced bagel and lox sandwiches, danish and coffee for the price of only \$3.00 per person. Get your reservations in to Anita Beckerman, WE 5-1938, quickly so as not to miss this choice evening.

Mildred and Marvin Kahn are back from their two week cruise look tan and healthy.

There is a unique car pool to NY consisting of Ralph Diamond, Julie Melnick, and Lou Cohen. These men are all on diets and are having a contest to see who is losing the most weight. Julie is winning and Lou is losing (not weight), but from what I hear, they are all much slimmer.

The JJC Sisterhood will mark another first for their Temple. On Feb. 14th, they will hold an Adult Luncheon with the famed authoress of "Across the Threshold": Shoni B. Levi. The luncheon will be served by "A Luncheon is Served". Treat yourselves to a most rewarding afternoon. Tickets available from Leah Corwin WE 8-9032.

Annette Belodoff is wearing sun glasses these days. She fell on the ice skating rink at the Concord Hotel, result, two black eyes. Congratulations and best of luck to Beverly Barnett on her new business venture.

Pioneer Women of Jericho is having a card party Feb. 7th at 8:30 P. M. at the Roman Gardens Restaurant in Plainview. It will feature - Pizzas, pastries and coffee. Donation is \$2.50. Contact Mickey Spiesak for tickets. OV 1-2527.

Temple Or Elohim Sisterhood will hold a luncheon-general meeting to all members free of charge on Tuesday Feb. 6th 12:30 at the

Temple. A delightful music program starting Irene Heakes, pianist-singer. of Hebrew Folk songs, has been planned for your enjoyment.

The Jericho Lodge #846 of the Knights of Pythias is sponsoring a valentine's Day Dance on Saturday February 10, 1962. It will be held at the Jericho Firehouse at 9 P.M. A chicken dinner will be served and set-ups will be provided. Ed Arlman and his four piece band will entertain.

Tickets are \$7.50 per couple. They are available to all who want to attend. Contact Arnold Canner at Overbrook 1-4751.

Enjoy Cop's Visit

Patrolman Darcy of the Nassau Police Dept. visited four of the second grades at Robbins Lane School on Jan. 18th. Arrangements for his visit were made by Miss Marion Charwat, 2nd grade teacher. The children had prepared questions to ask the policeman, who gave a very interesting and informative talk and answered their many questions about safety, and law enforcement in the community.

NEW ARRIVALS

Mr. and Mrs. Raymond Reddy of 234 Ohio St., Hicksville, are the proud parents of a daughter, Susan Marie, born to them Jan. 19 at Mercy Hospital.

Pamela Marie is the name of the new arrival at the home of Mr. and Mrs. Edward Frank of 14 Bridle Lane, Hicksville. The little lady arrived Jan. 20 at Mercy Hospital.

Mr. and Mrs. Charles Krasner of 51 Thorman Ave., Hicksville, are parents of a daughter, Christy Lynn, born to them Jan. 19 at Meadowbrook Hospital. The proud daddy is owner of Krasner's Gas-pool and Sewer Rooter Service.

Joins Navy

The Navy Recruiting Station located at 67 North Broadway, Hicksville is pleased to announce the enlistment of Charles Natale Sabatino, son of Mr. and Mrs. Natale Sabatino who reside at 112 Farmery Ave., Bethpage.

At present Charles is undergoing nine weeks of Recruit Training at the Great Lakes Naval Training Center located at Great Lakes, Ill.

Completes His Basic Course

Army 2nd Lt. Robert J. Arthofer, son of Mr. and Mrs. Adolf Arthofer, 126 Second St., Hicksville, completed the 20-week field artillery officer basic course at The Artillery and Missile School, Fort Sill, Okla., Jan. 16.

The course, designed for newly-commissioned officers, trained Lieut. Arthofer in com-

munications, artillery transport, guided missile principles, air defense tactics and weapons, field artillery tactics and target acquisition.

The 23-year-old officer is a 1956 graduate of Hicksville High School and a 1961 graduate of Bucknell University in Lewisburg, Pa. He is a member of Sigma Phi Epsilon fraternity.

All-Bran Adds New Taste Dimension to Brown Bread

If you're planning a Saturday night bean bake supper, try this easy recipe for an unusually good-tasting brown bread accompaniment. Whole bran cereal in the bread imparts a nut-like flavor. Baking rather than steaming the bread is a time-saver in preparation. Serve baked beans and Bran-Brown Bread with tart cabbage-slaw.

BAKED BRAN BROWN BREAD

Yield: 2 loaves, 4 1/2 x 2 1/4 inches or 1 loaf, 9 1/2 x 5 1/2 inches

1 cup Kellogg's All-Bran 1 egg
1/2 cup seedless raisins 1 cup sifted flour
2 tablespoons shortening 1 teaspoon baking soda
1/2 cup molasses 1/2 teaspoon salt
1/4 cup hot water 1/2 teaspoon cinnamon (if desired)

Measure All-Bran, raisins, shortening and molasses into mixing bowl. Add hot water, stirring until shortening is melted. Add egg and beat well. Sift together flour, soda, salt and cinnamon. Add to All-Bran mixture, stirring only until combined. Fill 2 well-greased cans (4 1/2 inches deep, 2 1/4 inches across) about 3/4 full, or spread in greased 9 1/2 x 5 1/2-inch loaf pan. Bake in moderate oven (350 F.) about 45 minutes for canned bread or about 35 minutes for loaf bread. Remove from cans or pan. Slice and serve hot.

YOU...and your HOME

Nailing Machines

The era of scattered nails on the floor...and smashed thumbs to howl over...has ended! Homemakers today find work easier with tools like the Arrow nailing machine.

For one thing, it doesn't use nails at all, but heavy duty staples.

The machine requires only one-handed operation—leaving your other hand free.

Speed? It drives 10 staples in the time it takes to hammer one nail.

No forceful swinging... smooth action and tireless operation make any nailing job a cinch.

What can the machine do? Driving staples flush from any right hand angle, it efficiently nails weather stripping, valances, wire fencing, ceiling tiles, screening, insulating or cornices.

Dimes Poster Girl Citified Look of Provincial Styles Grows

Debbie Sue Brown, five, has been selected as 1962 New March of Dimes National Poster Child. She was born with a birth defect called open spine, and doctors feared she had only three months to live. Surgery and expert medical care, much of which was made possible with National Foundation-March of Dimes financial assistance, aided her to survive the crippling disease. Today she is quite active despite the necessity of wearing leg braces. Debbie Sue and her parents, Mr. and Mrs. Jack C. Brown, live in Clarkston, Wash. March of Dimes fights birth defects, arthritis and polio.

A 1962 Resolution

A 1962 resolution that should top every housewife's list is to plan her foodmarket and grocery store shopping more carefully.

Planned buying would certainly help control the family budget, and also cause less back strain in lifting heavier bundles that stretch a normal shopping load to unwieldy proportions.

A few minutes sitting down with a memo pad in the kitchen to preview the best ways to stock pantry, refrigerator and freezer ultimately can ease the chores of marketing.

Suburbanites and country squires are not the only ones for whom provincial furniture styles have charm. Begun as a style trend last year, and much emphasized in the current showings for 1962 is an unmistakable citified air.

Combining informality with grace and a touch of whimsy, these groups are easy to live with in a city apartment.

The very names of some of the collections are suggestively tempting to those confined to penthouses or walk-up apartments. "Public House," Bell Tavern, Brittany Cottage, Chimney Corners, Penn Colony,

James River, are among the nostalgic names of large furniture collections.

In most of these are pieces or groups which have a certain sleek stateliness of appearance. Their ancestors, English, French, Italian or Colonial American are easily surmised. Skillful re-drawing of antiques and imaginative use of motifs has created a new style theme.

One may dip into one of these groups for a favorite piece, or choose enough to furnish an entire room. Either way, the added bit of chic can make an ordinary apartment something special.

The hutch, cabinet and base of this bar are separate units. They are three of nine components that can be used by the home decorator in composing numerous pieces for living, dining or bedroom. The same hutch is suitable for a desk when used on a lower chest or cabinet. From the Villanova Collection by Mt. Airy Furniture Co.

LONGEST DIESEL RUN ON CONTINENT

Mount Robson, near the Alberta-British Columbia border, is the highest peak in the Canadian Rockies and is on the route traveled by the "Super Continentals," sleek, powerful diesel locomotives which make the longest continuous diesel passenger run in North America. The diesels, which leave Montreal every afternoon in the year, operate right through to Vancouver in British Columbia—2,924 miles in 69 hours and 21 minutes—without change. When the "Super's" diesels reach Vancouver, they are fueled, serviced, turned and sent back across the continent—another 2,924 miles. Engine crews are changed 18 times in each direction.

Stop Winter Car Troubles

With New Motorola Alternator System

Winter temperatures and car troubles seem to arrive about the same time each year. Antifreeze and tire chains help with some problems...but troubles really start when an over-worked battery just won't kick off that engine.

Now, that's solved too! Motorola offers a new, all-electronic alternator system to U. S. car owners to replace the old DC generator and its regulator, and is designed to last the life of the car.

The new alternator continues to charge the car battery even at engine idle. And the car owner whose auto is equipped with power seats, power windows, a heater, a cigarette lighter and so on, no longer need be concerned about insufficient battery charge and winter stalling.

Taxicab companies and businesses having auto or truck fleets where continuous starting and stopping is necessary, and where inoperable vehicles become a costly overhead factor, now have an answer to their battery maintenance problems. The Motorola alternator system can extend battery life up to 50% even with large electrical requirements.

Alternator systems come in 30 or 45 amp units, and will fit most 12 volt, negative ground vehicles built since 1959. For more facts write "Alternator", Motorola, Inc., 2401 W. Grand Ave., Franklin Park, Illinois.

PHILIP TEPE, of Wm. Kroemer & Sons Inc., Massey-Ferguson dealer in Hicksville, is attending a one-week advance technical course at the M-F Service Training Center in Detroit, Michigan. Established to develop better customer service at the dealer level, the center offers M-F dealer personnel a choice of 14 courses, ranging from shop management to tractor hydraulics. The one to four week courses ensure dealers are up to date on the latest industry service techniques, as well as the maintenance and operation of the company's expanding lines of agricultural and industrial equipment.

PBC Lions Slaughter Bombers

By Henry Uffmann Jr.

Once again the Hicksville P.B.C. Lions gained a victory in the senior division league. This time they beat the Bethpage Bombers by a score of 63-25.

Starting off in their usual routine, the Lions took an early first quarter lead, 15-7. As the Hicksville Lions began to warm up, they started on their way to a half time lead. At this point in the game, the Lions led the Bombers by a 34-13 half time score. High scorers for Hicksville at halftime was Sal Gramaglia with 10 big points. For the Bethpage Bombers, Mahan had 4 points. In the third quarter, the Lions made more efforts to increase their lead. As the Lions scored 16 points, they held Bethpage to only 8. The total at the end of the game was 63-25 in favor of the Lions.

Scoring leaders were Rich Simpson, with 19 points, Frank VanCise with 11, and Sal Gramaglia scoring

10 points for the Hicksville team. For Bethpage, there was Mahan making 7, and Hance scoring 5 points.

In the Junior division, the Elks beat the Lions 21-5. Briatz was high scorer for the Elks as he made 12 points. In another Junior game, the Aces clipped the Comets by a 19-12 score. For the Aces, Holtz was top man with 10 points. The Comets had Schultz who made 12 points.

In the intermediate division, the Celtics romped the Cubs to a 49-32 victory. High scorer for the victorious Celtics was Satalick who scored 19 points. Schuster was the leading scorer for the Cubs, as he made 9 points. Also playing were the Lions and Tigers. The Lions nipped the Tigers with a 35-33 score. Another game was between the Bears and the Cats. Victors in this event were the Bears.

Students Win in Faculty Game

Although the Hicksville Junior High Faculty triumphed over the Senior High in a close basketball game which took place in the gymnasium of the Senior High School on Jan. 20, the ultimate winners were the students. The proceeds from this game will go to the Scholarship Fund of the Hicksville Classroom Teachers Assoc. The goal of approximately \$400 has been set for this fund.

After the game, the 600 people who attended danced to the music of Peter Popkin and the "Imperials." The entertainment was donated to the Scholarship Fund. The Junior High Faculty, who

won a close victory with a score of 76-75, included Stanley Kellner, Wayne Bryant, Warren Meyer, John Tucker, Douglas Jones, Richard Hogan, and Donald Groening. The Senior High Faculty included August Affler, Willard Meyer, Nicholas Muratore, Martin Riger, Louis Plochocki, John Clarke, Leon Green, William Salver, and Francis Brown.

Murray Stock, President of the Classroom Teachers Assoc., commented, "This was one further example of the benefits that result from the combined efforts of the school board, administration, teachers, and students. We hope that this can be an annual event."

HODMEN NIP SETTERS - There was absolutely no doubt about the outcome of this one, or at least that's the way the odds boys had things figured out. Right up to game time, the point spread had been 15 rebounds, 4 fouls, and 9 assorted baskets, with the Jr. High Hodmen getting the fat part of the play. But, as things had turned out, the "setters" had a bundle of their own rent money down and just weren't in the mood to share any points. Gus Alfieri, Jack Clark, and Marty Reiger being the master barbers in this operation, Alfieri was the sizzling "setter" with a 31 point tally. Clark and Reiger followed with 18 and 12 and Max Wellhouse flattened one of the officials to round out the action. On the Jr. High side of the scoreboard, Stan Jones, Jack Kellner, and Doug Tucker netted 1 point each, with fireball "Bunny" Bryan setting a new H.C.T.A. league record with 73. Bryan, incidentally, is proving well worth the \$3 waiver price, he was picked for "Hodmen" general manager. John Ash felt that the Bryan deal made with the "Asphids" last

spring, could eventually lead to a district title. "Our only threat," Ash stated cautiously, "is from Fran Cannone and his 2nd place 'Nallsets' in the Upholstering league. Big A Koehler and his N.T.U. 'Wildcats' could give up some trouble next week," he added, "but with Bryan setting the pace, we might even take the County championship." All in all, this had been a bang up basketball game viewed by a record crowd, last Saturday at the Sr. High gym. The Jr. High faculty set the pace with a 76-74 win and the H.C.T.A. Scholarship fund took the lion's share of the victory with a net in excess of \$300.

COMETS STOP SYOSSET - Coach Ed Petro and his squad of netmen are still on their own private win binge. Last Friday night on the home court, they clipped their Syosset visitors 66-45 and continued to set the pace in the N.S. Section I race with a 5-0 league record. That makes 11 straight for the Comets and if Dr. Werner Von Braun ever gets wind of this situation, he'll be checking on the kind of go-go

fuel these boys are using. Big Mike Clair led the scoring action with 17. Chris Coletta got 11, Vin Coletta 10, Chip Jaworski 11, and Frank Coletta 2. The bench also came up with a good scoring touch in the form of Billy Luft 7, Vin Hannigan, 4, Bob Smith and Mike Pucci 2, and Norm Sanberg 1.

NOTE - A new basketball coach saw the first light of day last Wed. afternoon at the Lakeside Hospital in Copiague. NAME: Edward Petro born to Mr. and Mrs. Ed Petro on Wed., Jan. 24 at 5 p.m. Ed Jr. weighed in at 7 lbs. 13 oz. and Pop's league record in this dept. is now 1-0.

Another group of courtmen setting a hot pace, is Stan Kellner's Jayvee quintet. These Jr. Comets had been clipping along with an 8-2 record and last Friday evening, Syosset had the dubious distinction of joining the "I" was cooled by the Comets' Club for win number 9. The score in this court carnival was 67-46. Hicksville's Time Kungwa was the J.V. Jet with a 21 point tall wind. Bruce Damm netted 16 and Paul Colosana rang up 12.

MAT FACTS - Coach Bill Roberts and his Comet grapplers came up with another win over the weekend. This one, a 27-19 decision over Garden City, set them up with an 8-2 record for the season. The locals registered 3 pins during the match, with Bob Swinick coming up with the fastest time. Swinick flattened his opponent in 23 seconds and Pete Anselmo and Joe Cafara joined the "flatback" parade with times of 3:39 and 5:26. Other Comet decisions were, Bill Starke, 11-3, Robin Winkle 6-2, Joe LaRocca 7-0, and Jim Clark closed with 10-0.

Register Boys for New Season

The Hicksville Baseball Assoc. and the Hicksville Baseball Assoc. Women's Auxiliary which includes, Hicksville National Little League, Hicksville Babe Ruth League, Inc., and Hicksville Connie Mack League Inc., will have registration for the 1962 season for all boys 8 to 18 years of age at the Hicksville Senior High School on Friday, Feb. 2, 7 p.m. to 9 p.m.; Sat., Feb. 3, 10 a.m. to 2 p.m.; Frid., Feb. 9, 7 p.m. to 9 p.m., and Sat., Feb. 10, 10 a.m. to 2 p.m.

Names Four Key Chairmen

Robert Matheson, Hicksville Red Cross Fund Director, announces the appointment of four key division chairmen. Mrs. Theodore Rosebery, 18 Admiral Lane, well known for her Red Cross display work, will be Special Events and Display Chairman. Almost 100 Red Cross flags will be flying over Hicksville in March. Mrs. W. A. Burrows, 87 Brittle Lane will be Residential Area Chairman and will act as special advisor on local Red Cross services.

Two task forces have been established to coordinate telling the Red Cross story to Hicksville's business and professional people. John J. McCaffery, Credit Manager of J.J. Newberry's, will be Business Chairman. John A. Dowd 11 Peach Tree Lane, an Attorney with offices in lower Manhattan, will be Professional Chairman.

This year's fund drive will emphasize local services, Matheson.

Greet St Pat With Defeat

The St. Ignatius Grammar welcomes St. Patrick's of Glen Cove to section III of the CYO with a 46 to 21 victory.

Playing in their first league game, St. Pat's played a bustling ball game, cheered on by their lovely cheerleaders, were unable to handle the more experienced St. Ignatius Club.

Lead by high scorer Andy Pro-sowski's 13 points, the Saints ran off a 25-12 half time edge.

Peanuts Gallagher, Augie Rein-hart, Al McGunnigle, scoring 8, 8, and 7 points made the game easy for St. Ignatius.

Jim Nolan's set shooting topped St. Pat's scoring with 13 points.

St. Ignatius tries to avenge its only league loss on Friday, Feb. 2 at the Fork Lane School, Hicksville, at 8 p.m. and continues league play, Sun., Feb. 4, at Holy Family gym, Newbridge Rd., against the tough Holy Family club.
