A spokesman for Hendrickson Bros., general contractors on the Hicksville RR grade crossing elimination project, told members of the Chamber of Commerce recently that the program will take about 2 1/2 years with an apparent minimum of inconvenience to the public.

Gordon Kuhn, representing Hendrickson Bros., told the Chamber that his concern has undertaken six elimination projects, the last being Floral Park.

Completion is set for July 1, 1964 at Hicksville.

Kuhn told the Chamber that although traffic will create a problem, it is anticipated that not more than two or three crossings will be closed at one time and not for a period of more than 3 to 5 days.

Six miles of track will have to be laid temporarily during the elimination with 10 miles of electrical conduits.

Announcements will be made from time to time in the local press, Kuhn said, as to various phases of construction.

CHAMBER OF COMMERCE officials discuss the program for the elimination of Hicksville RR grade crossings with a representative of the general contractor. Dear Jean:

We keep getting notes from one ARTHUR MOORE of Hicksville with no signature and no address. We printed the first one out of curiosity. Dear ARTHUR: Please sign and give address, otherwise... We found out a couple of interesting things about ARTHUR NEWBURGER of 12 Amherst St., Hicksville, this week. First, he is membership chairman of the Hicksville Library Assoc. which is passing out mimeographed forms on the bookmobile urging memberships in the Assoc. You can be a member for a buck. For up to ten fims they will call you a contributor. For \$10 or more you become a patron. And all this to be identified with a FREE Public Library. Second, she is vice chairman of the Hicksville Recreation Advisory Committee which would like to spend maybe a half million dollars for a swimming pool at the Hicksville High School. She happens to be the only female on the Recreation Advisory Committee. We can't think of a more substantial candidate for the School Board. Putting the library on a self-sustaining basis thru donations and at the same time crying "everyone in the pool!"

Double congratulations to friends of ours of long standing, Mr. and Mrs. CHARLES JETTER of Lenox Ave., Hicksville, who last week celebrated their 75th birthdays. We went to high school with their daughters, OTTILIE and ANN and enjoyed many an evening in their home. Many, many more, Mr. and Mrs. J. Hear that PAUL home. DRANK of Acre Lane is visiting the West Indies. Have a good time, Paul. So sorry to hear that a good neighbor of ours, JOSEPH HELM of Twinlawn Ave. is a patient at Nassau Hospital. Son, PAUL, tells us he is coming along nicely. Also a patient in the same hospital and same room is BILL WEST, a long time friend of Mr. Helm's both having been members of the Joseph Barry Council, Knights of Columbus, for a good many years. Get well, fast boys.

PAUL DRAKE of Acre La., and the PHIL ROBINSONS of Bamboo La. had an unexpected meeting the other day. Nothing unusual, except that it happened Chalel Amalie, St. Thomas, Virgin Islands, where the Robinsons are vacationing and Paul is touring with his orchestra. Birthday congratulations to GERRY GILCHRIST of Frances La., who celebrated her sweet 16th birthday, Thursday.

What Scouting Has Done For Me 2400 Youths In District

By Christopher Tylicki

I am a Boy Scout.

To most non-Scout boys my age, this phrase evokes a picture of the "squares" who prance around in a uniform, escorting old ladies across streets and taking part in myriad incomprehensible activities.

To most adults not connected with Scouting, this phrase brings to mind the uniformed characters who come around once a year asking for money and who bother us for such things as bottle drives and Get Out The Vote.

But the grown-up or boy who has been in Scouting knows otherwise. His memories consist of flashes of pride or fun liberally sprinkled throughout an aura of comradeship.

I am a Scout.

Winston Churchill, when discussing his three candidates for the greatest general of all time, numbered Paden-Powell among them. "He gave us the Boy Scouts."

We all know that many famous people have been Boy Scouts. Dr. Paul A. Siple's Scouting experience fitted him for such odd jobs on the Antarctic Expedition as taxidermist and weatherman. A high percentage of famous men in all walks of life have been Scouts. In a survey of those who hold merit scholarships, it was found that in some areas over 60% had been Boy Scouts. And the number of Eagle Scouts among them was more than twelve times the national average. But why is this true? I consider myself lucky that I was chosen to try to tell you.

Scouting is more than an organization chartered by Congress. Scouting is the deep feeling of pride when a boy in the presence of other Scouts affirms: "On my honor, I will do my best: to do my duty to God and my country, and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight." It is the good feeling of comradeship which comes to those around the campfire. It is the joy of being able to depend on your friend in the woods; it is the joy of advancing in the pack, troop, or post.

Parents like Scouting because it stresses the very qualities of character that they themselves try to develop in their sons. They like Scouting because it is a tried and proven program over fifty years old. It is the answer to the question, "What can I do?"

A Boy Scout is taught preparedness of body. He participates in hikes, camps, swims, and skill activities, under the supervision of trained and dedicated Scoutmasters. He is taught to help in all situations.

But more important a Scout is taught mental and spiritual preparedness. His character and patriotism, leadership and integrity are helped by the Scouting program. From Cub Scouts, where a boy's natural friendliness and willingness to learn is developed, through Boy Scouts, where the boy learns basic skills of hiking and camping, to Explorers, where a boy gets a chance to specialize in the things he does best, he is guided and personally helped by his leaders. I am proud and lucky to belong to the Boy Scouts.

I have been in Scouting for over six years. I started out in the Cub Scouts advanced through Boy Scouts, and am about to join the Explorers. I was greatly helped by my Scoutmaster, Mr. Edward Kilgus, and the older boys in my Troop; I hope that I, in turn, have passed along at least some of my skills to the younger boys. I have personally found out what fun it is to be able to build a fire I can depend on, to make my home for a week-end or a week in a small tent.

CHRISTOPHER TYLICKI, Life Scout in Boy Scout Troop 433 in Plainview is 14 years old and lives at 94 Westbury Ave., Plainview.

To be able to pack a pack and carry it, I have found that as I progressed in the Boy Scout program, I acquired more responsibility, both at home and in school. The Scout uniform commands respect all over the country, and many opinions of me are revised for the better when people hear I am a Scout.

I had the good fortune to attend the Fiftieth Anniversary National Jamboree at Camp Jamboree in 1960, to which I was Scout correspondent. I lived and worked with Scouts from the fifty states and fifty-five other countries. This experience taught me, along with many other Scouts, the value and meaning of friendship, and I shall always treasure its memories. Since I have viewed the machinery of Scouting from the inside, I consider myself lucky to be able to say that I am proud of it.

The longer I stay in Scouting, the more truth there seems to be in this quotation from SCOUTING magazine: "A boy never exhausts Scouting. He becomes a man first."

The total 2400 Cub Scouts, Boy Scouts, Explorers of the Arrowhead District of the Nassau County Council of the Boy Scouts of America are observing the 52nd anniversary of the movement during Boy Scout Week, Feb. 7 to 13.

They will join with nearly 5,200,000 other members of the movement in every part of the nation in recommitting themselves to the Scout Oath or Law on Thursday evening, February 8, the actual birthday of Scouting. This ceremony will take place at unit meetings.

Observed nationally by over 130,000 Scouting units in every city and town and countless villages and hamlets, as well, Boy Scout Week is the largest single birthday observance by young Americans.

"This year," says Jack Landress of Hicksville, District Scout Commissioner, "we will recognize the Scouting families in our District. We feel that families make a great contribution both to Scouting and the American way of life."

Throughout the Arrowhead District, which includes Scouting in Hicksville, Plainview, and Old Bethpage, Scouting units will honor parents of Scouts at unit meetings. In numerous cases these will be pot luck dinners.

At these functions "typical" Scouting families will be honored for their many years of activities.

(Continued on page 9)

Oldest Troop Founded 1922

The oldest Boy Scout Troop in the Arrowhead District is Troop 64 of Hicksville founded in the year 1922. It is sponsored by the Manetto Hill Lodge 1025 F & AM and has currently 13 Scouts and 10 adult leaders. In its history of 40 years of continuous registration an estimated 1500 boys have joined the Troop, taking the Scout Oath to live "on my honor."

An Editorial: Youth Program for Our Times

The Boy Scouts of America has inaugurated its new program of national purpose entitled, "Strengthen America... Character Counts," for Boy Scout Week, Feb. 7 to 13.

The movement found its inspiration for this program from the conclusions of the President's Commission on National Goals. "The paramount goal of the United States," the Commission said, "is to guard the rights of the individual, to ensure his development, and to enlarge his opportunity," and that "the way to preserve freedom is to live it."

Since 1910, millions of American men and women have joined in helping the Boy Scouts of America fulfill its purposes and, in so doing, have built a movement which is a vital part of American life.

Today's 3,800,000 boys and 1,400,000 adult volunteer leaders have adopted the new program's theme: "I Will Do My Best To Build, To Serve, and to Achieve."

Chief Scout Executive Joseph A. Brunton, Jr., in announcing the new program declares, "Scouting's role in strengthening America was never more important than it is right now! The first line of our nation's defenses lies in the character of its people and that of the oncoming generation."

Here is what the Boy Scouts of America is dedicating itself to do:

Build a strong America - by building and maintaining a strong movement, capable of leading the largest possible number of boys along the trail to good character, participating citizenship, and physical fitness.

Serve the cause of democracy - by giving boys the opportunity to practice good citizenship through service to their fellow man and by helping them expand their knowledge and love of their country. Achieve the purposes of Scouting - by helping boys to do things for themselves and others and to instill within their hearts and minds the ideals of Scouting based on a reverence of God.

Here is a youth program for our times, currently bringing "duty to God and country" into the lives of 2400 boys in the Hicksville, Plainview & Old Bethpage Area known as the Arrowhead District of the Nassau County Council. It's a program we urge all our citizens to support.

Civic Board of Directors Vote to Oppose Downzoning Petitions on Adjacent Areas

ROZ AND IRVING LINDENBAUM in serious mood on vacation when ship docked at Maderia in the Canary Islands.

President's Corner

by Carl F. Denny

To those who perhaps wondered why the need for a strong Civic Assoc., your answer is the proposal to down zone the area behind the model homes to allow the erection of a Motel-Restaurant. Your Civic Assoc. intends to fight this down zoning both vigorously and successfully. To insure their goals we must have the co-operation of all of the residents.

The special meeting called for February 21, 1962, at the Robert Seaman School at 8:30 will inform the members as to what the course of action shall be; in addition there will be a report by the joint education committee on our Jericho School system. Your attendance at this important meeting should be a must.

If you know of a neighbor or friend who is not a member of the Civic Assoc., and therefore not aware of these new problems, please invite them to this open meeting. In keeping with this subject, our paid membership will indicate the strength of our organization to the members of the Town Board who will determine whether the property in question shall be downzoned, so that to those who have not remitted their 1962 dues, please do so immediately. We must realize that we have a real problem before us and that in order to maintain the dignity of our community and our investments in our property, that a concerted effort is required. Plan to be at this vital meeting.

Setting the Record Straight

The report of the education committee in the last edition of the WEST BIRCHWOOD NEWS was recorded inaccurately and these items should be noted:

1. The Joint Education Committee is NOT conducting a comprehensive study of the entire Jericho School System as reported.

2. The Joint Education Committee's purpose is NOT to pressure the Board of Education and ANY administrative, curricular, or other educational matters.

3. The Joint Education Committee is only trying to have members of ALL Jericho Civic Associations meet to exchange ideas, information, and sugges-

An Editorial

Oppose Downzoning

Opposition to the downzoning applications should be of concern to all residents of Jericho; not just residents of West Birchwood. We recall the support given by our Civic Assoc. in the successful action in 1960 in the matter of downzoning the Wicks farm as well as in the recent argument over the Floyd Bennett signs.

A special use permit has been requested for the construction of a motel for the southern parcel. Although no special use permit is being sought for the northerly parcel it is our impression that it may be utilized for the erection of a restaurant in conjunction with the motel.

If the applications are granted there is no certainty that a motel or restaurant will be erected. The property owners may build for any use allowed under the new zoning. "F" business district allows such uses as an undertaking establishment, charitable institution, public garage and gas station, frozen custard stand or even a cemetery.

Should a motel or restaurant be constructed, their location at the very entrance of our community will constitute an extreme hazard. The entrance is dangerous enough as it presently exists, being directly on the service road of the Expressway and situated between two major heavily travelled highways. Certainly, any motel or restaurant will compound the traffic hazard and increase its flow.

There is a comprehensive zoning map for the entire Town of Oyster Bay which should not be changed or downzoned except in a very special or unique circumstance. There appears to be no special need for these properties to be changed.

We call upon all residents of West Birchwood to support the Civic Assoc. sign the petitions, take part in the motorcade and appear at the Town Board Meeting on Tuesday morning, March 6th. We also request the support of the other Civic Associations in Jericho.

West Birchwood Ladies League

If any of you gentlemen would like to spend an interesting Monday evening sometime, come down and watch the Birchwood girls bowl at Westbury. In fact, they can teach the men a thing or two. For one thing they have natural curves and form that bears watching. Although bowling appears to be their second interest (talking to each other is their first) they perform very well indeed.

Betty Franklin has the individual high game with a rousing 226 and also holds the high series mark with 532. Her team, the Hopefuls, hold the high team individual game with 538 and high team series with 1499. The Sadsacks are leading the league with the Speed Queens revving up close behind. An outside observer notices that tight sweaters and tight slacks are favored by most of the girls. Diet and recreation includes chocolate bars, cookies, chewing gum, lollipops, cigarettes and here and there, a cigar. It is interesting to note that when most of the girls complete their follow through their palms are outstretched as though they're asking for money.

Regarding individual traits, Rhoda Parmet looks like the Statue of Liberty doing a cha-cha after her follow through. Sophie Armin stands on her toes before starting. . . . Roma Lambert pulls down her sweater before each throw. . . . Elaine Trubatch talks to herself after she releases the ball. Nancy Keavey throws a right jab at the ball as it moves down the alley. . . . Judy Abrams gives semaphoric signals. . . . Esther Leslie does the Twist after releasing the ball. . . . Iris Denny starts her approach with a Pachanga step. . . . Ruth Foxman does an Irish jig. . . . Karen Alford, an excellent bowler led the evening's festivities with 192. Good bowling, Karen.

West Birchwood Civic Assoc. Board of Directors voted unanimously to oppose two applications for downzoning adjacent parcels of property from residential C to Business F as filed with Town of Oyster Bay, Jan. 10th. The Directors also decided to organize an opposition at the meeting held Feb. 1, in President Carl Denny's residence.

The properties affected are the southwest and northwest corners of Broadway and Northern State Parkway. A special use permit to erect a motel was requested for the southern parcel. No special use permit was requested for the northern parcel which is adjacent to the entrance to West Birchwood.

A hearing has been scheduled before the Town Board at Town Hall in Oyster Bay at 10 A.M. on March 6th. The basis for the Civic Association Board of Directors' decision to oppose the applications was that the downzoning would be detrimental to the health, safety and general welfare of our community as well as its property values.

The Board of Directors voted to take the following courses of action: A legal committee consisting of Donald Parmet, Edward Vessel and Herb Simlas was formed to investigate and explore the legal ramifications involved. Petitions opposing the applications will be printed and distributed and plans are being formulated to organize a motorcade on the day of the hearing so that the residents of Jericho can travel to Oyster Bay in a group.

The Board of Directors also voted to include a discussion of the downzoning problem at the open meeting scheduled for Feb. 21st in the cafeteria of Robert Seaman School.

Welfare Group

Seeking Assistance

The Welfare Committee of the West Birchwood Civic Association requests the aid of all members for information as to new and continuing defects in streets, curbs and walks. Information on such defects in the undedicated sections of West Birchwood should be mailed to Murray Cammeyer, 14 St. Lawrence Place.

Cammeyer is spearheading a drive to get the newer sections of West Birchwood dedicated and street lights installed. Information on such defects in the dedicated areas should be sent to Sheldon Kantor, 16 Sullivan Drive.

The bond on the dedicated streets is still in effect so that members may avoid future assessments for such repairs by having the Town require the builders to make the repairs under the bond. Kantor will gather all reports and relay it to the appropriate official.

On Thursday, Feb. 22, Washington's birthday, a Twist Party for Teens will be held at Levittown Hall, from 2 to 5 p.m. Tickets will be \$1.00 at the door. There will be prizes and instruction of the twist by professionals and supervision by the Central Nassau Chapter of B'nai B'rith.

W. Birchwood Little Theatre Meets

The West Birchwood Little Theater Group has begun rehearsal of the Broadway hit "The Tunnel of Love". The production is scheduled for Friday and Saturday evening, March 30th and 31st.

The talents of Carl Denny, Lofa Rosenthal, Ken Gmora, Annette Rubinstein, Eleanor Winthrop and Phyllis Stern are being directed by Elaine Sine. Rehearsals indicate that the production will be professional and entertaining. Further news of the Little Theater Group's progress will be printed periodically. Keep March

30th or 31st open and plan to come to the big show. Tickets will be available soon.

Jericho League

By Maurice Targrove

The charge is set, the fuse is lit and Westbury Bowl will be the scene of many explosions every Tuesday night for weeks to come. Five teams have climbed on each other's back and it's going to take a hot streak to shake any of them off. The Tigers are still in first place one point ahead of the Cardinals who are one point ahead of the Yankees who are one point ahead of the Braves who are one point ahead of the Red Sox (Holy Mackerel, Andy). What's more, the other seven teams are close enough so that anything can happen.

Individual high spots were many during the past two weeks and the scores only tell a small part of the overall story. Spectacular conversions of splits, clutch marks when it really counted and bowling way above average attest to the fact that this is a highly improved league.

Getting back to high scores, Vince Greco finally broke through the 200 mark again after a long drought and led the parade with 219. Lou Futterman came in with 214 and Stan Stecker was close behind with 212. Marty Green has suddenly become a

power to be reckoned with busting through twice with 230 and 204. Others in the parade were Sam Goldstein with 206 and B. Levine with 204.

Lou Futterman received the Most Improved Bowler Award improving his average 21 pins over last year's. . . . Talk about consistency, Harvey Hauser was given an arm patch for bowling three games at 137 each. . . . Al Krause coming along beautifully. Each game now is way above his average.

Civic Assoc Bills in Mail

Financial Secretary reports that he is now preparing the 1962 billing for mailing. While they are not for this year at least, due until April 1st because of the Constitutional change, they are being sent now.

You will note that the dues are prorated and that for the balance of the year you have only to pay \$3.75. Your cooperation in this will greatly help.

We have been told by the VILLAGER staff, that a completely

new set of address plates are now being made up, to be delivered to the publisher of the paper. This will positively insure all MEMBERS of their paper and non-members will be discontinued. You as a member are entitled to the paper and we want you to receive it.

During the past year, your Civic Assoc. has kept up the Dramatic and Youth Groups, fought for your rights in Oyster Bay, at the school Districts, and in general. They deserve your support.

Legionnaire's Log

by Artie Rutz, Charles Wagner Post #421

It takes a big outfit to handle the multitude of programs, events and projects that the Charles Wagner Post #421 of Hicksville is engaged in right at this moment under the leadership of Commander Pete Muller, and we are proving ourselves a hard working and sturdy limb of the world's largest veterans organization, The American Legion. Take for example the need to replenish blood used for a less fortunate member... a hurry call to report to the Red Cross Blood Donation Center saw the appearance of Ralph Kissel, Dick O'Neill, Jerry Connolly, Jim Arneemann, Eric Swedberg, Pete Muller, Tony Bel-lacera, Lili Bosh, Jo Slattery and Steve Wladyska report to donate... and this is only the first group, more coming up... and how about the call answered in 24 hours, from County Executive Nickerson, thru Nassau County Legion for the Hicksville Color Guard to Post Colors at the Dinner-Dance honoring Roy Campanella for the benefit of a Youth Care and Day Center in Roosevelt, Saturday night at the Four Seasons Country Club in Woodbury....

Did you ever have to tell your wife that you couldn't enjoy her company on a Saturday night because your Country's Colors were needed at a charity affair? Especially on short notice... Let's take another step in the direction of Child Welfare, such as the appearance at the last meeting of Ed Farrell of the Hicksville International Little League, who presented a plaque to Jr. Post Commander Bob Hasel for his activity last year in behalf of the Little League... And the plaque, accepted in behalf of the Post by Commander Muller, for the Post's part in things... Let's not forget the wonderful work being done with our Sons of The American Legion Band under Pete Seltz's direction... You know they won top honors at the convention last year and have appeared numerous times since throughout Hicksville... And do you realize that Hicksville is represented in Color Guard competitions by a Senior Post, Auxiliary, Junior Auxiliary and S.A.L. Color Guard units? Then now, is it any wonder that Hicksville's veterans flock to our Post to join up with a live and going outfit, the last being Raymond Gamble? Activities, activities, we have something going on all the time... let's look a little closer, shall we?

This Saturday night the Auxiliary is having their annual Valentine's Dance at the Post... but you can't come... sorry, but they are all sold out, but good... O.K., I said sorry, but you'll have a chance to buy tickets for next month's St. Patrick's Dance. If you hurry, now...

Let's leave the area of entertainment for now and turn to finance... as you know the hall is to be expanded and sale of 10 year, 6% interest bearing bonds are underway and the response has been better than healthy, it's been good!!! Don't let that stop you from supporting your Post with your dollars, as the more of us members buy, the less we have to sell to the public... See Chairman Jack Ehman at once or any member of the Building Committee... they can outline a special plan which applies to members and Auxiliary members only... Cramped space is our enemy and every dollar you invest in these bonds makes the enemy holler... so drop your bag of dollars right on his toe... we'll love the sound....

And here's a bit more along the financial trail... The Post will sponsor Bingo at the Lion's Den in the Mid Island Plaza in the very near future, probably on Friday nights, so here's a chance for you Bingo fans to help the Post make a dollar or two... a temporary committee under the co-chairmanship of Pete Muller and Bill Eggerman are busy making arrangements and setting things up... Let's not forget that the Capsule Drawing at the last meeting

was won by George Osborne but he neglected to be there, so he lost \$12 but Steve Scholer was on hand to win the Dark Horse Drawing... Now let's talk a bit about our Legion interests... such as the Ceremonial Night on March 19th when we will honor the 44th birthday of our national organization with awards and initiation of new members and something never before seen in Hicksville... Artie Rutz is Chairing for that night... And perhaps you know that the 43 year history of the Post is being researched and written by a committee of Bob Mangels and Dick Hochbrueckner with Artie Rutz as Chairman? If you have any information as to the very early doings of the Post please contact any member of the committee... Pictures, programs, etc. are particularly welcome... When completed the entire history will be made age proof and properly bound and stored in a special showcase with only the Commander having access thereto... and if finances permit, copies will be distributed to each member... As I said in the beginning, it takes a big outfit to handle a lot of things, so tell your friends and neighbors about us as we are happy to have new members any time even though we have already met our 1962 quota.

Mothers See 2 Cancer Films

At the Jan. 22nd meeting of the St. Ignace Loyola of Christian Mothers of Hicksville, the American Cancer Society, Nassau Division, Inc., exhibited two films on cancer detection: "Breast Self Examination" and "Time and Two Women".

Each month, breast self-examination should be a routine matter. Ninety-five percent of all breast cancers are first discovered by women themselves. Fifty-one percent of all women with breast cancer are being saved; more could be saved if more cases were discovered early and treated properly. At least twenty-four thousand women die from breast cancer every year... many of them needlessly.

Nowhere is the tragic consequence of neglect more evident than in cancer of the uterus. This is the second most common cancer in women and one of the chief causes of death among women. Yet uterine cancer is easily diagnosed and when it is still local, easy to cure. Women should see their doctor once a year for a pelvic examination which should be part of their annual health check-up.

Such an examination, called the "Pap" smear, can be made easily quickly and without pain.

Dr. Vincent A. Nardello, Jr. of Bethpage answered the queries put forward by the mothers.

The Dark Horse prize of ten dollars was won by Mrs. Mary Rogan.

At the Feb. 26 meeting, two films will be shown on the life and work of the late Dr. Dooley in Laos, "The Splendid American" will be narrated by John Daly and "Dr. American" will be narrated by Dr. Dooley himself. The guest speaker Wayne McKinny of the Dr. Thomas A. Dooley Foundation, was Dr. Dooley's administrator and co-ordinator of all Far East hospitals.

PLAINVIEW REPUBLICAN CLUB will hold its Tenth Annual Dance on April 28 at the fabulous Cafe Dominiqne at Roosevelt Field. General Chairman of the affair, Al Schupp (seated left) sets forth preliminary plans for the affair at the dance committee's first meeting. Seated (l. to r.) are Hank Weiss, Joan D'Auria, Chairlady of the GOP Women's Division of Plainview, Bernard F. McCaffrey, Club President, Gloria Reynolds and Eugene Greaves. Standing are (l. to r.) Ed Powers, Arthur Eyley, Frank Rausch and Irv. Nibabach.

Nassau CWV News

By Jim Carney

WOW...that's the one word description of the Catholic War Veterans 10th annual Convention which took place this past weekend in Hicksville. 'Twas the BIGGEST, the BEST, and the MOST SUCCESSFUL ever held in Nassau County. Pete Gordon and the men of Jak-upko Post are to be commended for an outstanding job.

WRITE...to your legislators and tell them you want to see some type of Korean Bonus Bill passed at this session of the Legislature. Get your friends to write, too. Tell your representative what you think. He has a right and you have the duty as well as the right to inform him so that he may truly represent you.

KNOW YOUR LEGISLATORS... The Commerce and Industry Assoc. of New York, 99 Church St., New York 7, N. Y., puts out a wonderful booklet on your elected officeholders. Every Post should have a copy for reference.

GOOD OFFICES...T'was the good offices of Pete Byrne, member of Holy Rosary Post, who honored us with the presence of County Executive Gene Nickerson. His good friend (and ours) John Carroll of the L.I. Kernel spent a busy night taking pictures of the festivities.

HOW FANCY CAN YOU GET... The Clegbar House of Roosevelt had the double center page in the Convention Journal and it was in GOLD.

Steve Smolenski of St. Hedwig's Post is the new County Judge Advocate and he brings quite a legal background with him. He's the brother of the well-known Joe Smolenski of the New Hyde Park Funeral Home, a good friend of CWV even if you don't buy his lay-away plan.

OLD FRIEND...It was nice to see Ann Harmer of the Levittown Gushue Post Auxiliary. Ann was the last county President of the Auxiliary, and there are high hopes that it will be re-activated shortly.

Jim McBride of Bellmore, State 2d Vice Commander, and his wife, Lorie, Queens County Auxiliary President, spent their weekend in

Nassau and were in attendance at both the Dinner and Installation.

COMPLETE COVERAGE... that's what Jerry Gleason of the Post Washington Post produced for the Convention. Besides 83 publications on Long Island and the radio, he even publicized the Convention in eight (8) foreign language papers. Jerry is a dedicated CWV member whom we are pleased to call friend.

O. D. NEEDS REST...Walter Bartosiewicz, County Officer of the Day, spent a busy three days in performing the rituals of his office. If you miss him for the next few days, it is simply because he needs the rest.

Also at the Feb. 13 meeting, the nominating committee will present the slate of officer for the 1962-63 year. The floor will be open for further nominations at this time.

Everyone is urged to attend this important meeting, which will start at 8:15 p.m. in the Fork Lane School Playground.

Around Third Base

By Jim Healy

Ten weeks from now on April 13, to be exact, about 2 P.M. weather permitting at a place known as Coogan's Bluff in New York City, time will stand still for just a few seconds and to many of the old time baseball fans of the national league that will be there that day, will come memories out of the past.

The Great Manager John McGraw, who was loved and hated by many, both fans, and ball players; Bill Terry, who in the record books is rated as one of the all time great fielding and hitting first basemen who went on to become the manager of the team he had played with for so many years, The New York Giants, with his team in first place, the season almost over and the last place Brooklyn Dodgers coming in to play a three game series he was asked how he thought his team would do, Mgr. Bill Terry, at that point made the greatest mistake of his career, his answer was Brooklyn is still in the league. The Brooklyn Dodgers went on to beat the Giants, the games lost were just enough to cause loss of the national league championship.

Yes time will stand still, and high in the sky wherever the old time members of the New York Giants are, they will once again hear the roar of the crowd and feel the excitement of opening day as the National League gives birth to its new member, The New York Mets, as it starts to make its way into baseball history at the Polo Grounds.

8th League Win For Ignatius

Spurred on by an enthusiastic crowd of rooters, St. Ignatius grammar beat Holy Family for the 8th league win, 49-21.

Jim Gallagher continued his heavy scoring with 15 points, Andy Prokowski and Al McGinnigle with 10 and 9 points put the game out of reach of Holy Family's hustling Ball Club.

With only a March 2 game with rugged St. Martha's of Uniondale, at the Fort Lane School left on its league schedule, St. Ignatius will tour the diocese for the next three weeks playing some of the other section leaders.

Julius Caesar and Davy Crockett came out of the past to meet Aunt Jemima. Together, the three toured Mid-Island Plaza, gathering pennies and signatures from the shoppers. Julius Caesar (left) continued his speech, making, however, he left off in ancient Rome; Davy (center) was still defending the Alamo, shooting strictly Mexicans, Indians, and anyone else, who'd play dead for him; and Aunt Jemima was selling slightly cold and soggy pancakes to the gathering crowds.

No three writers are not ready for the insane asylum. The three were only Gene Cosico (Julius Caesar), Joe Sugamale (Davy Crockett) and Billy Hunt (Aunt Jemima) being initiated into the Delta Omega Fraternity. This unusual trio certainly added a little interest to an ordinary shopping day at the Plaza.

Last but not least, the prizes to be raffled off this season are, 1st prize, one Polaroid Land Camera, complete with all accessories and case; 2nd prize, one record.

On Monday, Jan. 29, the Hicksville P.B.C. Lions stamped out the Farmingdale Flames hope for victory, as they won their fourth straight game. In this event, they won by a 46-30 score.

In their usual way of playing, the Lions took the early 13-8 lead in the first quarter. Although Hicksville only scored 8 points in the second quarter, the Farmingdale Flames could only produce 4 points. The score now stood at the half, 21-12, in favor of the P.B.C. Lions. High scorers at the half, for Hicksville, were Frank

Van Cise with 5, and George Filippone making 4 points.

As the third quarter began, the Farmingdale Flames lit a spark to their team spirit and took the lead, 30-27. However, the Lions came back to life and attacked the Flames for 19 points. The score at the end of the game was 46-30, in favor of the basketball Lions.

Rich Simpson, top scorer for the Lions, added 13 more points to his record. He is the leading scorer for the Hicksville seniors throughout the season, and has an average of 15 points to a game. His total score for the season, so far, are 59 points.

Next high scorer for Hicksville is Hank Cleraldi, who scored 11 pts.

For the Flames, Kopitch was the leading scorer, as he made 11 points.

In the intermediate division, the Bears and the Thorns, faced each other. Both teams were undefeated up to this point and the winner would retain first place. Final score was 38-36, as the Bears slipped the Thorns. In other intermediate games, the Celtics beat the Lions, 44-32, and the Tigers ramped the Cats to a 46-23 victory.

In the Junior division, there is a two-way tie for first place, as both the Comets and Elks were victorious in their weekly games.

Grammars Avenue Only Loss

Led by Peanuss Gallagher's 18 points, St. Ignatius grammar defeated St. Edwards of Syosset, 40-17.

Still smarting from a one-point loss three weeks ago, the Saints pulled up a 17-10 half time edge and matched St. Edwards in the second half to gain the victory. Gallagher's sharp shooting was led by Augie Reinhart's 9 points and tremendous board work by Al Prokowski and Al McGinnigle.
