VOYSECEIVER RADIO KITS, commonly called walkie-talkies, were presented recently by the Hicksville War Veterans' Council to the Hicksville Unit of the Nautical Cadets of the Police Boys Club. The kits, when assembled by the Cadets, operate under FCC license on citizen band frequencies. The Veterans' Council includes delegates from the Amvets, Catholic War Veterans, Jewish War Veterans and veterans of Foreign Wars. Left to right are Vincent Kehoe, Amvets commander; James Rock, past VFW commander; Morris Stillman, JWW commander; Ensign Bill Kleckick, Charles Gemwendi, Nautical Cadets commander; and Glenn Morehouse, radioman 2nd class of the Nautical Cadets. Seeks \$781,125 Extra Aid

The Defendorf proposals coming before the State Legislature would increase the amount of state aid for Hicksville School District over the present formula by \$781,125, it was disclosed in Albany this week by Assemblyman Edwin J. Fehrenbach of Bethpage. "This figure is an estimate based on staff proposals and modifications may result when the Committee has made its recommendations," Fehrenbach pointed out.

He also disclosed that he has introduced a bill to authorize the elimination of last Sept. 21 as a school day for Hicksville School District in computing average daily attendance because of the effect of Hurricane Esther on attendance. Passage of the bill would give Hicksville and five other districts in Nassau, including Bethpage, an estimated average of \$20,000 more in state aid for the last fiscal year.

To Interview Architects:

Pool Sponsors Seek May Vote on Issue

The Recreation Advisory Committee, presenting its recommendations for the construction of a year-round twin-pool to be attached to the Hicksville Senior High School at a cost of \$350,000 to \$500,000, Friday night, was unable to convince the Board of Education that a vote should be firmly pegged to the annual budget vote on May 2nd, but it appeared that such may be the case anyway.

The Recreation Advisory Committee, which has been plugging away for a pool for two years, unveiled its detailed recommendations last Friday night after consultation with Dr. Milton Gabrielsen, pool consultant hired by the School Board to work with the Committee.

The plan, as outlined by Recreation Director Joseph Madden until the delayed arrival of Dr. Gabrielsen (who had been slowed by snow on a trip downstate from Liberty), provides for two pools, (1) a shallow instructional type pool, and (2) a deep well pool for diving. The building will be of split level design. Costs and estimating operating expenses were broken down by the committee into four areas from \$350,000, progressing by \$50,000 steps to \$500,000.

Split Vote

Dr. Lowell Glatt, chairman of the Recreation Advisory Committee, sought to have the Board commit itself to a vote on the question in May. A vote on inclusion of the question on May 2nd lost by a 3 to 5 vote.

The Board did vote to appoint its own Pool Committee (Jerome Zettler and any other Board members interested) to meet with a unit of the Recreation Committee to interview architects and come back to the Board with a recommendation on which architect to hire. The architect, it was indicated, would develop the final cost figures.

At the Board meeting there was relatively little discussion on the need for a pool. Most of the questions centered around the location of the pool (in relation to the high school building) and its possible design (rectangular or L-shaped).

Dr. Gabrielsen told the School Board that the proposal would be the finest swimming facility in the metropolitan area and yet not necessarily the most expensive. He predicted it would be the "most used" facility in the community, operating 13 hours a day, six days a week with a possible five hours on Sunday afternoons for family swimming.

About two hours of the Board meeting time was occupied in the pool discussion.

Willitt Closing

Late in the evening (12 midnight) the Board heard representatives of the Midland Civic Assoc who again pleaded with the School Board not to close Willitt Ave at the point where it turns north into Westmoreland Rd.

Copies of a petition to the Town of Oyster Bay, asking the town's intervention, were submitted to the School Board.

The delegates were assured that the Board has no intention of taking immediate action on closing the street at the point where it crosses school district. However, at a previous meeting it was indicated that such action might be taken in August, prior to the opening of the Willitt Ave. Elementary School scheduled for completion in Sept.

TWO PUBLIC UTILITIES AND PLAZA:

3 Concerns Paying One-Ninth Taxes

The three largest taxpayers in Hicksville School District are assessed for a total of better than \$10 million, according to the report on Hicksville District economic and fiscal facts prepared by Governmental Statistical Corp. in connection with the recent school bond issue sale. The total District valuation is \$90,106,451.

The Long Island Lighting Co. is assessed for \$6,370,595, Mid Island Plaza at the court-corrected figure of \$3,588,000, and New York Telephone Co. for \$3,196,220.

Fourth is Mid Island Industries at \$702,100 and Joann Associates is fifth at \$549,200. The rest of the 40 largest taxpayers are all listed at less than a half million dollars each.

There were nine bidders to purchase the \$2,198,000 in School District bonds at the bid opening held Feb. 8th. The Board made the award to First National City Bank, First Boston Corp. and Hirsch & Co. with the bid amount of \$2,210,442.88. Governmental Statistical

Corp. told the Board of Education that the bid was in actuality \$3,252,275.

The bond sale presentation also included a list of the larger industries in Hicksville in terms of employment. Topping the list is the LI Lighting Co. with 2,120 employees. Next highest is Metalab Equipment Corp. with 500 workers while Amprex Electronics has 475.

Also on the list with 100 or more employees are: Zara Contracting Co. 200, General Instrument Corp. 375, Sylvania Atomic Research 150, Davis Construction 175, Rapson & Sons 100, Allan Mfg. Co. 225, Analogous Controls Inc. 122, Santa-Eagle 175, Malvee & Co. 100, Fairchild Camera & Instrument Co. 440, Grumman Aircraft 350, Arma-Div. of American Bosch 400, Rubber Corp. of America 200, Servo Corp. of America 350, Instruments for Industry 197, Tempo Instruments Co. 128, Paramount Electronics 155, New York Telephone Co. 150 and Republic Aviation 125.

DAR to Honor Wendy Tobiasen

Wendy Tobiasen, 17-year-old daughter of Mr. and Mrs. John E. Tobiasen, 49 Fireplace Lane, Hicksville, will be one of five senior high school students to be honored by the Oyster Bay Chapter D.A.R. at a candlelight tea to be held in famed Raynham Hall in Oyster Bay, this Friday evening, Feb. 16th, as candidates for the 1962 New York State Good Citizens Award.

Miss Tobiasen, a senior at Hicksville High School, was selected by fellow classmates and members of the faculty as the outstanding senior girl to be named Good Citizen.

Miss Tobiasen was named recently as a National winner in a Home Economics program sponsored by the 4-H Club. She won a \$400 scholarship to the college of her choice. She is the vice president of the Central Nassau Junior Leaders Council for 4-H Club, a junior leader and member of the senior girls group in 4-H. Miss Tobiasen has served on the staff of the school newspaper, "Comet" and is active in Sports Night plans. She plans to teach home economics upon completion of college and will enter Oneonta State Teachers College, Oneonta, N. Y. this fall.

Miss Carrie Moore, chapter chairman for the Americanism Committee explained that Miss Tobiasen agreed, upon her selection as Good Citizen, to write an essay on "A Republic — If You Can Keep It". This was Benjamin Franklin's reply to a woman who asked when he came out of the Constitutional Convention, "What kind of a Government have you given us, Mr. Franklin?"

The essay has been sent to the New York State D.A.R. chairman, Mrs. Kirby W. Holloway, for judging. Last year the 179 D.A.R.

chapters in New York state sponsored 601 young women for the award and essay competition, winners of which receive \$50.00 savings bond in the ten districts with the state winner receiving \$100.00 bond.

The contest was open to all girls in senior classes of accredited public senior high schools.

The Oyster Bay Chapter D.A.R. has honored 39 young women as candidates for Good Citizen awards since the contest started eight years ago. Last year's winner from Hicksville was Miss Carolyn Smith; previous winners were Phyllis Russo, 1960; Phoebe Ann Oliver, 1959; Victoria Rux, 1958; Judith L. Wycoff, 1957; and Patricia Anne Kozluk, 1956. The only Long Island winner to receive the \$50.00 savings bond was Miss Rux in 1958.

RC Fund Drive Forces Growing

Robert F. Mathieson, Red Cross Fund Director of Hicksville, announced the appointments of Mrs. Joseph J. Ulmer of 41 Field Ave., as Chairman of Special gifts and Mrs. Emil J. Szendy of 5 Walnut Lane, Hicksville, Chairman of Public Information.

In the growing force of volunteers for the Fund Drive, is Mrs. Joseph Zimmer, 94 Brittle Lane, Division Chairman for the distribution of the kits. The Block Captains, who will make the house to house calls for contributions are: Mrs. Arthur Borube, 22 Kansas St.; Thomas Grieco, 45 Bishop Lane; Mrs. Alfred Przybylski, 29 Boulder Lane; John A. Dowd, 11 Peach Tree Lane; Mrs. T. G. Roseberry, 18 Admiral Lane; Robert Cortieri, 38 Bruce Ave.; Mrs. Wilbur E. Morch, 18 Walter Ave.; Mrs. Helen Radziminaky, 22 Arbor Lane; Irving Lawrence, 29 Jay St.; Fred Bette, 101 Cliff Drive; Mr. and Mrs. William Wilkins, 66 Winner Lane; William Koenig Jr., 67 16th St.; and Mrs. Emil Szendy. All are residents of Hicksville.

Last year, 15 residents of Hicksville had the loan of wheelchairs, hospital beds, crutches and other equipment, for long or short periods, without charge, from the American Red Cross.

SHORT AND SWEET

Our biggest state has the fewest people. Alaska has a population of only 226,914 persons. Mecklenburg County, N.C., celebrates its own Independence Day every May 20. Declared its independence from the British Crown in 1775. The latest census figures show the age of our average farmer is 50.

The so-called free lunch program for schoolchildren, according to Agriculture Department figures, costs \$1 billion a year. About 600,000 people live in the Sahara desert. Sales tax collections furnished the greatest single source of revenue in 30 states during the fiscal year ending June 30, 1961.

GOP Leader Talks Politics

Thomas R. Pynchon, Republican leader of the Town of Oyster Bay, was the featured speaker at the Ernest F. Franke Republican Club of Hicksville on Friday, Feb. 9th. The general theme of his talk was politics - and how a community is affected by it. It was an interesting account of some of the problems encountered in political leadership, and how local organizations can help in solving them. He also stressed that the continued success of the Republican party in the township will de-

pend on the year-round efforts of the local clubs and the strength of its organization.

Lou Kappstater, Committee chairman, announced that plans for the cocktail party and dance, to be held at the Old Country Manor on Friday, May 4th, are proceeding smoothly, and tickets are now available.

As is customary, refreshments were served to the members during the social hour which followed the meeting.

Teaching Machines Open House Hit Troop 421 Hikes To Woodbury Farm

The open house being held this week by the Professional Center for Learning Skills at 10 Willoughby Ave., Hicksville, is featuring some of the most modern teaching and testing machines in the country. The machines will be available for use as long as there is a sufficient number of students to warrant their cost.

The open house, which ends Saturday, Feb. 17, at 5:00 p.m., has been made available to show the public the equipment and facilities used at the Center. Courses offered to children and adults in remedial reading, speed reading, vocabulary, grammar, languages, mathematics and others. The teaching machines which are used in conjunction with experienced teachers allow the courses to be very inexpensive, yet extremely effective.

Courses in electronics and other technical subjects utilize the Mark II machine. This amazing instrument adjusts itself automatically to the individual student; corrects him when he's wrong, gives remedial work when necessary, and "pats him on the back" when he is doing well.

Another instrument, one of the most advanced in the country, actually takes pictures of the eye while reading. By doing this, a diagnosis will pinpoint reading difficulties and strengths so that the instructor can aim precisely at the cause of the problem.

There are still other machines and specially written texts which provide the most modern and effective instruction available today. For further information, call WE 8-4595.

Father and Son hike was held on Saturday, Jan. 27th at 8:30 A.M. The Ass't. Scoutmaster Theodore Urban was in charge. Five fathers went along to assist: Endsley, Gebhardt, Sagonas, Murphy and Meln. The Scouts were kept busy with gathering wood for the fires, cooking, cleaning camp sites and were tested in wild life, cooking and fire-building. Fun was had by all in playing the game Ring-O-Leave. The Scouts challenged the Fathers.

The Troop arrived home at 4:45 P.M. The next committee meeting will be March 6th, at Woodland Ave. School at 8 P.M. Parents are invited.

An overnight hike is planned for March 10th, at Camp Harkness Training Center, Roslyn.

Sacred Choral By Youth Choir

On Sunday afternoon, Feb. 18, at 4:00, a service of Sacred Choral and Organ Music will be presented by the Youth Choir and the Mixed Choir of Trinity Lutheran Church, 40 W. Nicholas St., Hicksville. Charles Boehm of Westbury is organist and choirmaster of Trinity's four choirs.

Grumman May Buy Two Plants

Congressman Otis G. Pike announces that the Navy Dept. has decided to turn over to the General Services Administration for disposition their interest in 137 acres of land, with the buildings and machinery comprising Plants 3 and 5, of the Grumman Plant at Bethpage.

"Grumman has expressed an interest in purchasing these facilities," said Pike. "This would be the equivalent of obtaining the tax revenue from a multimillion dollar new facility in the Bethpage area."

Congressman Pike stated that he did not know at what price the GSA would dispose of the property to the contractor. The acquisition in cost to the Navy of the equipment to be sold is \$42,651,000, but Congressman Pike said it could not be expected to yield that price. The buildings and equipment which constitute most of the cost are depreciated to varying degrees.

Hi, Neighbors

MURIEL SUGARMAN

Many thanks to all of you who have been calling in items for the column. Please keep the phones busy.

Shirley and Irving Israel, of Forest Drive, had a very exciting vacation as guests of Thelma and Renee Lyon at their winter home in Jamaica, B.W.I. They were entertained royally.

Dr. Arthur Meadow, of Village Drive, won a trophy at the Temple Or-Blohim bowling party last week. Arthur and his wife, Alice, enjoy reputations as excellent bowlers.

Congrats to Gloria and Jack Haas of Flower Lane, and to Florence and Sol Rosen of Forest Drive — both couples are celebrating their wedding anniversaries this week.

Our condolence to Al Ross of Briar Lane and to Seymour Sussman of Maytime Drive — both gentlemen lost their beloved mothers recently.

Glad to hear that Helen Fisher, of Fountain Lane, is feeling well again. Get well wishes to Mrs. Ida Levine, of Forsythia Lane, (mother of Ruth Schwartzbach) who is in Long Island Jewish Hospital.

Happy Birthday wishes to Elaine Goldstein, Roberts Jarro, Ronnie Resnick, and Beth Fisher.

February seems to be a big anniversary month in Birchwood. Congratulations to Aileen and Al Puterman, Mimi and Herb Gruber, Evelyn and Howie Turkell, Selma and Jerry Gold, and to Vera and David Mark who just celebrated their 19th.

More birthday people! — congrats to Jerry Gold and Sylvia Newman of B.P. Dr. and to Florence Horn. Florence and Abe, incidentally, just returned from a wonderful vacation in Puerto Rico and the Virgin Isles.

HADASSAH INVITES — FREE BOWLING, FREE COFFEE AND — Next regularly scheduled general meeting of the girls of Jericho Hadassah will be held on Wednesday, Feb. 21st, at 12:30 P.M., at the Jericho Lanes, Jericho Turnpike, Woodbury. A little exercise ... a little snack ... an interesting meeting. Baby sitters available.

The five 2nd grade classes at Robbins Lane School have been learning about the work of the postman first hand through visits to the Syosset Post Office. The children and teachers have been very happy with the gracious hospitality of the post office personnel who have patiently answered the many questions of the small children. School officials have expressed gratitude to the men who have given so much time to help with the education of the children.

Democratic Club Has Election

A new slate of Officers was elected at the last meeting of the Syosset-Jericho Democratic Club. Heading the organization for 1962 is Walter H. Kostin as President, with Joseph Maggio elected 1st Vice, President, and Mike Steinberg as 2nd Vice President.

The rest of the Officers are as follows: Stan Eristian, Corresponding Secretary; Alexander Vitale, Recording Secretary; Steve Zivibel, Treasurer; Eli Tiedler, Sergeant-at Arms. Elected as Trustees were Jerome Murray, Mrs. Lotte Merin, and William Rynsky.

In accepting responsibility for leadership of the Syosset-Jericho Democratic Club, Kostin emphasized the increasing importance of "grassroots political organizations". He said that it will be the Club's aim in 1962 to make more people in the area aware of the Party's activities and promote their participation.

Installation of Officers will take place on March 6th, at the Syosset Fire House, at 8:30 P.M. An invitation is extended by the incoming slate of officers to all who wish to attend.

Teen Talk

by Carol Horn

Something new has been added to the extracurricular activities at Jericho High School. The administration, along with the cooperation of Mother Nature and Old Man Winter, has made ice skating facilities available to students of the district. Now, youngsters can spend their idle time enjoying a wonderful sport, and get fresh air and good exercise too.

Socially, every organization in the High School is knee deep in preparation for coming events. At Jericho, February is a festive month. Along with basketball games and wrestling matches, there will be many dances. Those in grades seven through nine should especially remember the Valentine Ball to be held on February sixteenth. Later on in the month, a pizza party will be held by the Blue Key Club. Both youngsters and their parents should keep a night open to watch the sophomores, juniors, and seniors compete in the one act play contest!

Jericho High School, with a foundation of many new roots, is slowly but surely sprouting into a fully developed organization. With the help of the people in the community, it can and will be the High School that every child dreams of attending. As in other Long Island communities, our High School will soon be a center of community living; but this cannot be accomplished without the help of all concerned; students through the school, and parents through the P.T.A.

FINAL APPEAL

This is the last week that you can help the new March of Dimes. Volunteers are still needed to help collect for this very worthy cause. Help now! Give a few hours of your time to help someone who is less fortunate than you. For more information, call Mrs. David Kassan at WE 5-1867.

Cub Pack 508 Makes Awards

The following awards were given at the monthly Pack meeting of Cub Pack #508, Hicksville: Bear Badge, Laurent Grignon; Silver Arrow on the Lion Badge, Richard Swanson and Jeffrey Kutner.

New members are John Maternowski and Edward Mauro, Stuart Parks of the Nassau County Health and Safety Committee gave a talk on Physical Fitness in line with President Kennedy's program to foster physical fitness in the United States.

The Cubs put on an exhibition of Knighthood as prescribed in the monthly theme "Knights of Yore".

Invites Singing Males to Join

An invitation is extended to every man who enjoys singing to visit the Plaza Restaurant, Old Country and Newbridge Rds., Hicksville, any Tuesday night at 8:15 p.m., and join with the members of the Mid Island S.P.E.S.S.Q.S.A., Inc., in one of their singing sessions and learn at first hand how good the old songs sound when sung in the Barbershop style.

CD Seeks Area in Jericho School

by Gilbert B. Stein

On Feb. 5, Dr. Kenneth Lant, Superintendent of Jericho Schools, met with Gilbert B. Stein, acting C.D. Director of the Jericho Unit, to discuss the possibility of making a basement area within one of the Schools available to our Jericho Civil Defense unit as a permanent headquarters. Dr. Lant will cooperate with Unit #311 and has agreed to present to the Board of Education at its Feb. 15 meeting a formal application for both immediate meeting space and permanent headquarters.

George Kunz, in his capacity as deputy director, Civil Defense, Nassau County Zone-3 (Oyster Bay), has made an official request of the Board of Education together with a similar request by Mr. Stein, acting director of Jericho Civil Defense.

The Jericho C.D. Unit is also presently contacting all residents of the area who had, at one time or another, volunteered their services to the County C.D. authorities. Jericho Unit #311 has thus far signed up 20 local volunteers representing all areas of the community. As soon as the school district is able to make temporary space available to the unit, regular training programs, meetings, etc., will commence.

For further information, contact Gilbert B. Stein, 162 Birchwood Pk. Drive, Jericho.

Ten Pin Talk

By Henry Dockswell

This spell of snow and cold weather, seemed to act like a shot in the arm to Al Samuels and his #9 team. For the first time, they put two good weeks together and took 7 out of a possible 8 points to lead the league. They've been overdue, however. With a team average of 146 1/2 which is second only to Dave Batterman's #8's team average of 147, they always seemed destined for better things. Right behind them in 2nd place is Norman Ney's #4 squad. They also seem like a rejuvenated group. Both weeks they came within a whisker of taking all 4 points. These two teams will be having some fun Lincoln's birthday as they go at each other. Third week coming up and already we have a "croskill" battle.

Herrick's #5's, Cushing's (where is he) #6's, and Marv Cohen's #3 first half winners have sunk to last place, but Fred's hurtling with a score back and they need a healthy Fred to be in contention. High game and High series in class B (147 average and under) still belong to Carl Romm with 236 and 603. High game in class A (148 average and over) is shared by three men, Geyer, Gittleman and Walnick at 233. High series honors are held by Leo Geyer with a tremendous 633, achieved a few weeks ago.

Morry Herricks #5 team has a bid in for two team trophies, High Series from scratch with a 2415 and High Game with handicap at 900. That one will be hard to beat. Dave Batterman's #8 crew, with an 883, holds high game from scratch, and Elliot Spencer's #7 squad has High Team Series with handicap, with a 2468.

So far this second half there has been a reversal of form. It could be, though, that a new start has encouraged the teams that were out of contention. If this be so, a good start on their part will make them very hard to catch.

HADASSAH INSTITUTE DAY

In conjunction with neighboring chapters, Jericho Chapter of Hadassah is celebrating Hadassah Institute Day by presenting a panel of well known speakers at an informal luncheon. The event will be held at Temple Sinai, Roslyn Road, Roslyn, on Tuesday, March 13th, between the hours of 10:00 AM and 2:30 PM. The forum will feature a three part theme: CHOICE, CHALLENGE, CHANGE. This promises to be a most rewarding day. For tickets contact Mrs. Ida Lerner — WE 8-6945 or Mrs. Sheila Winokur — WE 8-7090. Baby sitters available. Donation: \$1.50 including lunch.

Attends School

Army Pvt. Edward L. Halleran, son of Mr. and Mrs. Martin J. Halleran Sr., Jericho, was assigned to the U.S. Army Transportation School at Fort Eustis, Va., Jan. 25.

Honored By Alumni

ARTHUR B. SINGER of 30 Highroad Lane, Jericho, well-known painter and ornithologist, has been selected as the first recipient of the Augustus St. Gaudens Medal which the Cooper Union Alumni Assoc. will present annually to distinguished graduates of the Cooper Union School of Art and Architecture in New York. The presentation will be made this Saturday night, Feb. 17, at the Hotel Biltmore. A painter of birds and animals, Mr. Singer has illustrated "Birds of the World" by Oliver Austin which includes 750 paintings depicting the full range of 155 species of bird life. The task was accomplished in four years. (Photo by Dinin)

Active Month For Scout Troop 172

The month of February promises to be a very busy one for Boy Scout Troop 172, sponsored by the Reformed Lutheran Church of Hicksville. Here is a brief outline of events scheduled for the month:

During Feb. 7 through 13, Boy Scout Week. All Scouts were encouraged to wear their uniforms whenever possible.

On Saturday, Feb. 10, as a part of the Scout Week activities, Archery District conducted a tour of the Republic Aviation Corporation's plant in Farmingdale, where they are presently building the Mach 2 F-105 Fighter Bomber. The Troop planned to attend.

On Boy Scout Sunday, Feb. 11, the Troop attended church in a boy in uniform. Usher duty for this Sunday were handled by the Troop. On the back of the bulletin for that day there was a complete roster of the Scouts, Leaders and Committeesmen of Troop 172.

On Tuesday, Feb. 13, the Troop held its Annual Charter Presentation ceremony. This unit is fortunate in that their Charter expires in February and are able to renew it during Boy Scout Week because of this the committee several activities - Charter Presentation, Court of Honor and Parents' Night.

On Feb. 16, 17, and 18, the Troop will hold its winter overnight camp in the Catskills. Winter camping, when properly planned, can be a very enjoyable experience. Only Scouts who have passed their Second Class test hike will be eligible to attend. The unit is planning to leave as early as possible on Friday afternoon and will return Sunday afternoon. All the boys are looking forward to having a good time.

Fire Ladies Mark Golden Year

The Ladies Auxiliary of the Hicksville Fire Dept. celebrated their 50th Anniversary with a Dinner-Dance held at Old Country Manor, Old Country Road, Hicksville, on Feb. 10. Guests included Mr. and Mrs. Dahl, Spring Valley; Mrs. Dahl being current President of the Ladies Auxiliary of the Firemen's Assoc. of the State of New York; also Mr. and Mrs. Irving Gibel, New Hyde Park; Mrs. Gibel, current President of the Ladies Auxiliary of the Nassau County Firemen's Assoc.

Also honored were the Chiefs and Fire Commissioners of the Hicksville Fire District. The Auxiliary received a lovely Brass plaque in commemoration of their 50th year, from the Commissioners. William Cislser was Master of Ceremonies for the evening.

It was on Feb. 7, 1912 that Mrs. Hannah Weiss, with the help of six other ladies organized the Auxiliary, with its object to render any assistance wherever possible to the Hicksville Fire Department and promote sociability among the members of the Auxiliary. Mrs. Bertha Weiner, now residing in Great Neck, is the only Charter member now living.

Over the years the members have assisted the firemen on many occasions such as Installation Dinners, Fund Drives and Tournaments. The ladies volunteer, not only during the day but also in the middle of the night, to serve coffee at the time of a fire. Collection of various articles and monetary do-

nations were made over the years for the benefit of the Firemen's Home, Hospitals, Children's Homes, and other worthy causes. Every Thanksgiving or Christmas each member donated canned goods and other foods for a basket to be given to a needy family.

Social activities have included theatre and beach parties, annual dance in October and the Christmas Installation dinner.

There are now 93 Active members and 56 Honorary members who are proud to belong to the oldest Fire Department Auxiliary on Long Island.

CALLING ALL IRISHMEN

On Sunday March 11th the Irish-
American Society is holding its
Annual St. Patrick's Celebration
and Parade in Hempstead. All
Catholic War Veterans in Queens
Nassau and Suffolk are invited to
march. We are planning to have the
biggest delegation we have ever
had on this day. Circle the date on
your calendar and plan to march
with your comrades. State Com-
mander McBarron and the State
Color Guard will lead our dele-
gation.

Stan Shulman of Hicksville's Ja-
kupko Post maintains that it isn't
the shame of poverty that worries
him ONLY the inconvenience. Pete
Gordon tells of a clergyman who
couldn't remember names and one
day talking to a parishoner to cov-
er his falling he said "Tell me
do you spell your name with an
"e" or an "i"? I suppose
it doesn't make much difference."
"Indeed it does" was the devout
lady's reply. "My name is HILL".

UNDER THE COMPETENT instruction of Mr. O'Hara of the Arthur
Murray Dance Studio in Hicksville, the Boy Scouts of Explorer Post #324,
Bethpage, and the Girl Scouts of Troop #411, Bethpage, are enjoying
weekly dance lessons at the studio. They are taking extended lessons in
ballroom dancing, and are enjoying immensely, the Latin American
rhythms.
The course includes fox trot, cha-cha, swing, and the twist. All the
Scouts agree that the lessons have been enjoyable and worthwhile.
Leaders of these troops are Mrs. S. Merin, Mrs. W. King, and Mr. F.

PLAY OUT—This column blew up on the pad last week, but the "everish five" continued their on-air flight by coping their 14th straight win. Farmingdale and Plainville were dumped a week ago, and MacArthur joined the en-voys, Friday night by taking the slight end of a 61-54 decision. This gives the locals an 8-0 league record with second place Plainview on tap for Feb. 16. My crystal ball figures this one to be a little closer than the last meeting (a 74-58 Comet win) but the locals should be keeping their skien going. This is a well-knit ballclub that coach Ed Petro has fused to-gether. They have a knockout scoring punch in the form of sharp shooting Chris Coletta and Big Mike Clair. Both, according to Petro, are averaging 19 per game. Clair and Vinnie Coletta are the rebounding stars with Vin in the 3rd slot on scoring.

Frank Coletta, the playmaker and the "Bob Cousy" of the Comet clan, dazzles the opposition with some of the finest footwork seen this side of the Peppermint Lounge and Chip Jaworski, the alternate of the regular squad, faded in under the basket for his share of the scores. The bench too deserves a lot of credit for keeping the action going while the regulars are being spelled. All in all, and we repeat, a real fine basketball team, mentored by an equally fine coach, Ed Petro, who deserves an unbeaten team this season and we hope his boys keep that skien going all the way. Ed is riding a hot horse this season but win, lose, or draw, his disposition has remained un- changed. He dispenses with all adeline histrionics when his boys are in action and a bad call by an official doesn't faze him one bit. This is the mark of a real fine man, a credit to the coaching profession.

Being a hot horse, as the saying goes, could, of course, build up the stature of most anyone, but 44 straight wins doesn't happen every season. Last year, things were a bit different. In the finale of the season, Port Washington passed the Comet by a score of 13-34 and hung them up with a 4-14 season. Our words then were: "While not an impressive season, the overall record of 4-14 amounted to taking on all comers with no quarter asked." Ed Petro's, remarks then were given in the same quiet, smiling manner, that has become his stock in trade. He had praised his boys highly even in defeat and, after giving credits to one and all, closed out with this remark—"With this nucleus

pounding the boards next fall, the 4-14 record stands a good chance of being reversed." With four games, left on the schedule, it would be ironic indeed to see this statement come true, but my crystal ball tells me 18-0 will be the figure and Coach Ed Petro will take a long satisfied drag on his pipe as he gives credits to each of his boys.

DISTRICT DATA—Comet Mat Coaches, Bill Roberts and Bill Meyer report that 19 of their headlock artists have wrestled their way into the North Shore finals. More on this next week and we'll also try to pin down Jr. High wrestling coach, John Santora for some wrap up info. Junior High court mentor, Bud Bryan reported a 60-37 win for his Meteors over Clarke. That's an 8-2 record with 2 games left on the schedule. John Walker as the mighty meteor is averaging 19 pts. Bryan stated that Bill Miltenberg, Larry Wesolka and Greg Herberick have been doing a tremendous job off the boards. "Clen Olson and John Scardola are doing a fine job, filling in for the injured Bob Pink," he added, "and if we can take the next two games we should be coming up with the league title." Another quintet keeping pace with the leaders is Coach Stan Kellner's Jayvee Squad. Last Friday night, they dumped MacArthur 68-35 for a seasonal record of 10-3. According to information received, brother Tony drove Chris Coletta down to Virginia over the weekend. V.M.L. was one of the colleges interested and the boys were doing a little campus checking.

Final Registration Date for Leaguers

Due to inclement weather—the Little League wishes to announce that those families who wish to do so may register their boys on: Saturday, March 3rd between 10 A.M.-2 P.M. at the Hicksville Senior High School. As more than 225 families have registered (to date) we wish to emphasize to parents that this is the LAST opportunity to register your boy before plans are formulated and teams assigned for the '62 season. "Little Leaguers" are being organized and assigned as follows: Majors, Minors A and B, Farm, Boys; ages 13-15 respectively; Little League "Senior" Division (formerly called "Graduate" league). We are expressing the hope that parents will not treat registration too lightly. As more and more boys participate in Little League it will be their fault if, by their own laxity, they "forget" to register their sons on March 3rd.

NEW ARRIVALS

A daughter, Felicia Marie, was born to Mr. and Mrs. Ronald Pellicchia of 42 Picture La., Hicksville, on Jan. 30 at Mercy Hospital.

Patricia Marie is the name of the new arrival at the home of Mr. and Mrs. George Bean of 38 Beacon La., Hicksville. The little lady made her debut at Mercy Hospital on Feb. 3.

"In these perilous times, what the world needs is a summit meeting on the level."

Holy Family In Winning Streak

Holy Family continued its winning streak by defeating Our Lady of Fatima C.Y.O. Boys Basketball Team, by a score of 65 to 22. Top scorers for Holy Family were George Samwell with 21 and Jay McAuley, tops with 22 points.

Holy Family took an early lead and was never in trouble. Holy Family has a tough one coming up with Notre Dame.

Around Third Base

By Jim Healy

A few weeks ago, at a local sports night, Whitey Ford, ace pitcher of the New York Yankees was guest of honor. While he was waiting to say hello to the many kids that were there, I had a chance to talk to him. During our conversation, a youngster about nine years old came up to Ford and asked him to sign a baseball he was holding. After he signed the ball, Ford asked the youngster what position he played. The boy replied, "I'm a pitcher and I hope to play Little League ball this year. But I can't throw a curve ball." As Whitey stood looking down at this little fellow, he became serious, and it is at this point I would like to pass along to you his answer. "Forget about the curve ball," he said. "Your arm is not strong enough to take the strain trying to throw curves will put on it. Kids your age and older, shouldn't throw curves, as you can really hurt your arm. There is plenty of time later on -- just practice the fast ball. Get so you can get it over the plate; move it around -- high, low, on the inside, on the outside. A good fast ball and a little control, will go a long way. If you can learn this, you will be a pitcher on any team."

After the kid said "thank you" and walked away, Ford said, "I wonder how many kids lost their chance to play pro ball by starting too soon with the curve ball."

So remember you young ball players, take it easy. As the weather warms up and you get the feeling and start the throw a ball around -- go slow. It doesn't take much to come up with a sore arm. There is lots of baseball ahead. Make sure you enjoy it!

The year is 1923 -- the first game of the World Series. On the mound for New York Yankees, fast ball pitcher Joe Bush. There's two out and the score is tied 4-4. Up at the plate, the batter -- Charles Dillon Stengle, who had been hitting the ball all season at a 339 clip. Bush went into his windup and let his fast ball go. Stengle who was one for two so far, stepped into the fast ball and drove it on a line to left center. Whitey Witt, the Yankee Center Fielder, took one look, turned, and started back as fast as he could go. But the ball was over his head. He caught up to it near the fence. As he picked it up and threw it into 1 Bob Meusel, Stengle was rounding third base; Meusel made the perfect throw to the plate, but Casey Stengle slid under the tag of catcher Will Schang, with the winning run to give the giants the first ball game of the series. Most baseball fans today think only of Casey Stengle as the former manager of the New York Yankees, or as the manager of the new team, the New York Mets. Just how many know of Casey Stengle, the big league baseball player, below is the lifetime record of Casey Stengle, the ball player, from 1910 to 1931.

Griesche, his wife Doris, and children, Kenneth, Janet and David reside at 82 Scooter Lane, Hicksville.

AGNES TEVLIN of Hicksville has been promoted to assistant manager of the Brush Hollow office. It was announced recently by the Franklin National Bank of Long Island.

She has been with Franklin National since 1952. Her most recent assignment has been as chief clerk of the Brush Hollow office.

Mrs. Tevlin, her husband, John Tevlin, also a banker, and their son, John E., make their home at 77 Myers Ave., Hicksville.

League of Voters Studies Trade

The Town of Oyster Bay League of Women Voters recently held an open workshop pertaining to the study of trade policies in the U.S. The League has long supported a more liberal trade policy for this country.

Guest speakers for the workshop were Isaac Schwartz, Vice President of the Lehigh-Schwartz Shipping Corp.; and John Yule, Manager of the Area Development Council of the Long Island Assn. Their broad experience in the field of trade presented a practical picture to the ladies of the League, who have been engaged in studying all aspects of trade. Particular emphasis has been placed on studying trade proposals put forth by the present administration and possibilities for a more liberal trade policy.

The League has published a 56 page book called "The Politics of Trade" which will bring the reader up to date on trade policies. Information concerning the book may be had by calling WE18-8359.

The League of Women Voters will devote three of their meetings to a discussion of trade policies and National Program Planning.

Three meetings will be held on Tues. Feb. 20, at 8:30 p.m., at the home of Mrs. R. Vining, 22 Hazel Ave., Farmingdale. Mrs. Max Auerbach of Hicksville will be discussion leader. Other meetings will be held on Wed., Feb. 21, at 12:30 p.m., at the home of Mrs. Nathan Cohen, 8 Central Park Rd., Plainview. Mrs. Fred Kulp of Plainview will lead the discussion. And, on the same date, at 8:30 p.m., a meeting will be held at the home of Mrs. Gerald Weil of 15 Highwood Rd., E. Norwich. At this meeting, Mrs. Martin Hertzberg of Bethpage will be discussion leader.

Historically, the League has supported policies designed to promote international trade. In view of a changing world, the League will once again focus attention on the proposed alternative for trade policies to meet the changing trade patterns.

Along with other league members throughout the U.S., the Oyster Bay League will make a decision on an item for study on the national level for 1963-64.
