Hook-Ladder Honors Gebhardt

Henry A. Gebhardt, Hicksville volunteer fireman with a half century of service — the longest in the history of the fire department — was honored by members of Hook and Ladder Co. 1 at the company's annual dinner-dance at the Wheatley Hills Tavern in Westbury on Feb. 24. Former Chief E. Medard Offenloch was master of ceremonies and he presented Gebhardt with a plaque enumerating his many firematic associations and achievements. He is the only local volunteer fireman who has served for four successive years as chief. About 70 members and guests attended the function.

Bucknell Band Here Mar. 20

Bucknell University's 75-piece Symphonic Band will appear in Hicksville during its eighth annual spring concert tour. The popular collegiate musical organization will present a concert for the benefit of the students of the Senior High School on Tuesday afternoon, Mar. 20, at 1:45 o'clock in the school auditorium. One of the five major musical organizations on the Bucknell campus, the Band spends one week in intensive rehearsals and drilling before the formal opening of the college in the fall. Preparations for the coming season are made at a special band camp program held in the Pocono Mountains. Allen W. Flock, associate professor of music at the University, is conducting the band for the twelfth consecutive season. Prof. Flock, who is also the director of the Bucknell Women's Glee Club, is very much in demand as a guest conductor for band and choral festivals in the state of New Jersey as well as Pennsylvania.

Eight Nassau-Suffolk Schools Have Pools

If the voters of Hicksville approve a bond issue for up to a half million dollars for an indoor swimming pool attached to the high school, this community will be one of nine public schools in Nassau-Suffolk are with such facilities. Brentwood and West Islip in Suffolk have pools. The rest of the Pools are in Nassau. Uniondale has had its pool the longest, since 1955. Also in Nassau are pools at Plainview, Long Beach, Westbury, Great Neck South and Great Neck North. Just when the question will come before the voters is yet to be determined. However, there are indications that the question may appear on the ballot when the School Budget is voted upon in May. According to a report prepared by the Recreation Advisory Committee, a half million dollar pool spread over 15 years by bond issue would add slightly less than 7 1/2 cents per \$100 to the tax rate. This would include an estimated annual operating cost of \$18,700. A summary of the Committee's report follows: "The Hicksville Recreation Advisory Committee has attempted in the report to air the proposition for a swimming pool for Hicksville Schools. Objectivity was the keynote of the endeavor. As indicated, the committee came to agreement on the question of characteristics based on the overall needs of the community. "In view of these needs a decision to recommend a multiple-pool scheme was reached. The factors which enforced this decision are as follows: "1. Size of the District (number of people to be served). "2. Nature of the program (to combine with shallow increases supervision problem). "3. Multiple-pool would easily permit the conducting of a broader type program. "The actual capacity of a natatorium has been doubled as a result of the two-pool concept. "It will be possible to conduct beginner instruction for youngsters in shallow pool doing advanced aquatics in the deep pool. "A single filter plant can serve both pools at very little additional cost. "Further support for the multiple-pool concept came from a concern to serve special community needs; for example, special programs for the handicapped. "Therefore, the committee requests the serious study and consideration of this report and all of the recommendations herein. Finally, the committee expresses its gratitude for the interest that the Board of Education has shown thus far." The advisory committee consists of Dr. Lowell Glatt, chairman; Mrs. Phyllis Neuberger, vice chairman; Sam Bergoltz, Robert Birk, Edward Burke, William Damm, William Davey, Weldon Ender, Albin Frye, Walter Haner, Daniel Moynihan, Eugene Schilling, William Schueterman and George Winsor. The School Board engaged the services of Dr. Milton Gabrielsen, swimming pool consultant, to work with the Committee in the preparation of its report. The cost is estimated in the report at between \$350,000 and \$500,000. The analysis of cost chart, part of the report, lists the Long Beach (Continued on page 11)

2 Codes Down, 6 to Go:

School Bd. Racing Budget Calendar

The Hicksville Board of Education, slipping behind on its time schedule for preparation of the 1962-63 school budget, had quorum difficulties this week as efforts were made to hold special meetings on the topic.

The Board devoted most of its time last Friday night, a regular meeting, to consideration of Code 3 of the budget. Since this code represents teachers and supervisors' salaries, dollar-wise it represents more than half of the entire budget.

Code 3, described as "Instructional Services," will amount to nearly six million dollars in the coming year, better than a half million dollar increase over the 1961-62 budget appropriation of \$5,342,752.19. The gross total may reach \$10 million.

The proposed Code 3 provides for the appointment of four new department supervisors next year for mathematics, science, language arts and social studies. It also provides for a new third assistant principal at Senior High School, a new principal for Willet Ave. Elementary School which opens in the fall.

In discussing the budget, School Superintendent Donald Abt revealed that eight less teachers will be required in the elementary schools next term. However, with 600 entering the sophomore class from Junior High he will need 30 new teachers in Senior High which will go on staggered sessions.

Due to a change in School Board by-laws granting teachers days off for personal business, the appropriation for substitute teachers must be increased from \$78,000 to \$98,000.

At a previous meeting the Board adopted Code 4 of the proposed budget which deals with "Operation of Plant."

The School Board met again on Saturday morning at 10 AM but was forced to adjourn at 11:20 AM when there was a lack of a quorum.

Special meetings scheduled for Monday, Tuesday or Wednesday nights could not be held because of the lack of a quorum.

Due to the fact that two Board

Repeated warnings by the Nassau County Fire Marshal's office of alleged fire law violations in Hicksville Public School Buildings in the storage of supplies and equipment in corridors, stairwells and passageways, has forced the Hicksville School District to rent 5,000 square feet of space from Empire Storage Warehouse on Duffy Ave., Hicksville, at an annual rental of \$6,000.

At the same time the School District has instituted a Central Storage Warehouse program, first proposed in July by Board Member Cornelius McCormack and developed by Purchasing Agent Harold Hunkley.

Well-informed sources indicate that the "crack down" on alleged fire law violations has hit many area school districts and practices, which in the past were found acceptable, are no longer tolerated as a result of

trustees are out of the state, it appeared problematical if the Board would be able to round up a quorum (four required) before Thursday night of this week. The next regular meeting is scheduled for the second Friday night, March 9.

Meanwhile the School Administration is concerned with getting the budget, which they have been developing since the opening of classes in September, into printed form for distribution to all householders prior to a preliminary budget discussion sometime in April. The annual vote on the budget takes place on May 2.

studies of the Chicago school, fire which claimed many student lives.

The problem in Hicksville has been complicated by a program which has resulted in considerable savings to taxpayers. Purchasing practices in the District were overhauled a few years ago while Emil Szendy was president of the Board. During this period, bulk purchasing was instituted to obtain better quotations and in one year something like \$25,000 was realized in savings for the taxpayer.

However, the arrival of freight-car sized vans with tons of paper and other supplies has created a new problem of storage. Few school buildings are equipped with storage areas to accommodate the carload deliveries. Many of the smaller schools do not have basements and are of the "slab-foundation" type construction.

Under the plan now in operation, deliveries are made to the Empire Storage building where an area of 5,000 square feet has been set off for the School District.

Walker Zabel, long time head custodian of the Senior High School, has been assigned to the Centralized Storage area to serve until July 31. Due to prolonged illness, Zabel has announced that he intends to retire as of Aug. 1st. Angelo D'Amato has been named to replace Zabel as head custodian at the Senior High School.

These appointments were made at the Board of Education meeting last Friday night.

MAKING PLANS for a unique concert to be given jointly by the Council of PTA Units and the Music Dept. of Hicksville Schools in the Junior High School Auditorium on Tuesday night, Mar. 13, are (from left) William Golepka, music supervisor; Mrs. Hazel Halper and Joseph Madden, co-chairmen of the Concert Committee. BECOMES ENGAGED

March 9th, at 8:50 P.M.

Derrumian, residing in Koslyn with his wife and three children, was first elected to Congress in 1952 and will soon compile his fifth term as the representative of the 2nd Congressional District. While this does not cover the reapportionment of the 2nd District, Congress will alter the existing boundaries to include Hicksville in the area from which Derrumian will seek re-election this November.

member. He was a prominent figure on the powerful Ways and Means Committee in the House of Representatives. He was also selected as a member of the Committee on Education and Labor, the Committee on Commerce and Subcommittees on Transportation and Aeronautics; Subcommittee on Legislative Oversight; and a member of the Committee on the District of Columbia. In Dec. 1959 he was named by the Speaker of the House, the late Sam Rayburn, to be a member of the United States delegation to the independence of the Republic of Cameroon and to attend the inauguration of President William V.S. Tubman of Liberia. In Feb. 1961, he was appointed by President Kennedy as a Congressional Liaison Officer to the World Health Assembly, held at New Delhi, India.

One of the more widely-publicized aspects of Mr. Derounian's career was the part he played as a member of the Committee which investigated the TV quiz scandals in 1959. The October 26, 1959 issue of Life magazine carried an article on him entitled; "Quiz-Prone Raps Winners, TV Brass."

A product of the Mineola Public School system, Derounian received his B.A. from NYU in 1938, and his LL.B. from Fordham Law School in 1942.

FIRST LIEUT. William Trecartin, son of Mr. and Mrs. Stanley L. Trecartin, 47 Elmira St., Hicksville, has entered US Air Force pilot training at Williams AFB, Ariz.

Lieut. Trecartin, a graduate of Brooklyn Technical High School, will fly T-37 and T-33 jets during a year long flying training course. He also will receive special academic and military training and will be awarded the silver wings of a pilot upon graduation.

The lieut. who entered the service in September 1955, is married to the former Frances M. Foery of Williston Park. They have two children, Jo-Elle and William.

ALLAN JUST, 1961 graduate of Hicksville High, had his debut in the starring role of the musical comedy "Bells Are Ringing", presented by the Penn State Thespians last weekend. Four successful performances were given, and Hicksville was well represented by Allan's fine talent.

A second-term Chemistry-Physics major at the University, Allan is no stranger to the Hicksville stage. He played the lead in "Kiss Me Kate" and "South Pacific" and is remembered for his role in "Romeo and Juliet". Allan won the High School's "Best Actor" award two years in a row, and was a student director at the school.

Allan's fine voice and talent is being claimed not only by the Thespians, but by the Meditation Choir on the Penn State campus as well.

Proclaims Red Cross Month

County Executive Eugene V. Nickerson has officially proclaimed March 1 as Red Cross Day and March 1 to 31 as Red Cross Month. Nickerson noted that President Kennedy had recently called the organization's services "vital to our nation in these critical times," and added that they have "special potential importance in the County of Nassau, an area of extreme population expansion which is vulnerable to natural disasters common to coastal areas."

Hicksville Red Cross Fund Director Robert F. Mathieson announced the appointment of Mrs. Joseph Ulmer of 41 Field Ave. as Chairman of Special Gifts and volunteers for the drive which include Mrs. Joseph Zimmer, 94 Brittle Lane, Division Chairman and Block Captains; Mrs. Norma Silverman, 66 Brittle La.; Miss Adele Hartinger, 98 Brittle La.; Mrs. S. William Willis, 66 Winter La.; William Koenig, Jr., 67 16th St. and Mrs. Emil J. Szendy, 5 Walnut Lane.

Last year 15 residents of Hicksville had the loan of wheelchairs, hospital beds, crutches and other equipment, for short or long periods, without charge, from the American Red Cross.

His Sales Record Wins Recognition

David S. Hodgson of 77 Dartmouth Drive, Hicksville, has earned special recognition from Burroughs Corporation for his outstanding 1961 sales record with the business machines and electronic data processing equipment firm.

Hodgson receives membership in the Burroughs Legion of Honor and a trip to Grand Bahama Island for a convention sales meeting during the week of February 25th. To earn the trip, he achieved 177 per cent of his annual sales quota, placing him in the top 20 per cent of the Equipment and Systems Marketing division's 2,000-man field sales force.

National 4-H Week, March 3 to 10

By Linda Scotti

"Live, learn and serve through 4-H," is the motto for this year's National 4-H Club week, which starts Saturday March 3 and concludes Saturday, March 10. Many residents are not aware of what the 4-H really is. It is designed to give boys and girls between the ages of 8 to 13 the opportunity to learn home skills. For example, girls are taught to cook, and sew, while the boys are taught wood and other craft programs.

Each year there is an Achievement Day at Levittown Hall where demonstrations are held and prizes awarded. A yellow ribbon is good, red—very good, and blue, excellent. County demonstrations days are held in Mineola. There are the State demonstrations days.

One such 4-H group in Hicksville is the Merry Maidens, comprising of girls between the ages of 10-13. They meet at the home of Mrs. William Zuendt, 61 Haverford Rd., Hicksville. One of the projects that they were recently working on was Valentine's breakfast for their mothers. The girls prepared all the food and decoration, without any help. Each club has its own individual officers. In this instance, Nancy Bashwiner is President; Carol Ann Gonzales, Vice-Pres.; Kathy Cottley, Sec.; Kathy Gregory, Treas.; Ann Zuendt, recreation leader; Ilene Coffey, News Reporter; Jean Knight, Song Leader; and Mary Ellen Hilley, sunshine committee. Whatever these girls are taught, they must perform in front of judges and demonstrate what they do in order to earn their points. They make their own uniforms and whatever they are taught comes from the Cornell Home Economic Dept.

There is also the 4-H group that comprises of those who are over 14. They meet once a month and complete their projects in their homes.

There is the exchange program with foreign 4-H clubs and with 3-hurs who live on farms. The 4-H camp on Long Island is in

Dr Lant Visits Civic Bd Meeting

by George J. Frankel

At its regular monthly meeting on Tuesday, February 20, the Board of Directors of the Birchwood Civic Assoc. was visited by Dr. Kenneth Lant, Superintendent of the Jericho School District. Dr. Lant informed the Board that he is presently preparing the budget for the Jericho School District for the next fiscal year, and he asked that the Civic Assoc. consider ways in which it can study the situation with a view toward offering suggestions in the preparation of the budget. He discussed the Jericho School District in general, and then answered very many specific questions concerning various aspects of the district and its policies.

The Board of Directors voted unanimously to oppose the downzoning from "C" to "G" of two parcels of land West of Broadway; one between the Long Island Expressway and the Northern State Parkway, and the other south of

the Northern State Parkway. It was reported that the purpose of the downzoning is to pave the way for a restaurant and motel on the two sites respectively. The vote was in support of the position taken by the West Birchwood Civic Assoc., that the location of a restaurant and motel at these sites would be contrary to the best interests of the residents of the community because of the traffic hazards involved.

The Board voted to support a bill currently before the State Legislature in Albany that would allow a Fire District to join with another Fire District in the purchase of equipment, etc. This would make it possible for a Fire District to have at its disposal apparatus and equipment which it would otherwise not be feasible for it to have.

The Board of Directors unanimously voted to approve the Jericho Players' selection of "Picnic" by William Inge for their Spring Production.

Our CD Gets Own Quarters

by Gilbert B. Stein

Acting Director

It has been said that no news is good news. In the case of the newly activated Jericho Civil Defense unit this is precisely what has happened in recent weeks.

The writer appeared before the Jericho Board of Education on Feb 15 to amplify and argue a request which had been made previously in writing for the use of a basement area. The Board voted unanimously to make available to us a very large and suitable room with direct entrance from the parking lot at the Jackson School. The writer, previous to the School Board meeting, had met with Dr. Kenneth Lant, superintendent of schools, to discuss this problem and he and his staff prior to Feb 15 had conducted a survey of all the schools to

determine the best available space.

On Feb. 20 the writer met with George A. Kunz, deputy director of CD, Town of Oyster Bay, in the Jackson School location to assess the premises which proved to be more than adequate. During the next two or three weeks, County CD engineers and work teams will install powerlines, communication, phone and other equipment. As soon as Headquarters are in usable condition, members of Unit 311 will be called to a meeting there.

Approximately 20 volunteers from all over Jericho are presently enrolled in Unit 311. It is to be hoped that many more men and women of the community will volunteer for CD. For information contact the writer at 162 Birchwood Park Drive, Jericho.

Hi, Neighbors

MURIEL SUGARMAN

Before Walter and I left on a cruise to Nassau, two weeks ago, I faithfully submitted my column. Upon returning, this week, my phone rang constantly with people asking, "What happened to the item I phoned in to you?" All I can say is I don't know what happened to the Villager that should have been delivered while I was away. Incidentally, Horace Bernstein, our business manager informs me that he has submitted a complete new set of name plates to The Publisher of the Mid-Island Herald, so from here on in, all who are entitled to the paper should be getting it.

The Neidors of Maiden Lane and the Livingstons of Maytime Drive are supporting sunburns. They recently returned from Miami Beach, Florence, and Abe Horn had a wonderful vacation in Puerto Rico and the Virgin Islands. On Tues. Evening March 6, the JJC Sisterhood will hold their regular meeting. Come down and enjoy yourselves with the free friendship bingo that is planned. Prizes will be given to the lucky winners.

Many Birchwoodites are celebrating wedding anniversaries. Congratulations to Alleen and Al Putterman, Gloria and Jack Haas, Florence and Sol Rosen, Mimi and Herb Gruber, Evelyn and Howard Turkell and Jerry and Selma Gold and also to our Editor David and his wife, Vera, who just celebrated their 19th.

If you've wondered which wine to serve with which course, come to the March 5th meeting of Cystic Fibrosis at the home of Sara Weiss, 207 Birchwood Park Drive. Mr. Gamborelli and Mr. Barcia of G & D Wines will give some

tips on proper usage of wines in serving and cooking.

"Annual Spring Luncheon of the Jericho Chapter of ORT will be held at the fabulous Huntington Town House on Saturday, March 17, at 12:30 P.M. The famous comedian Bert Leigh will entertain. Call Joan Reader at WE 8-0383 for tickets!

Condolences to Al Ross of Briar Lane and Seymour Sussman of Maytime Drive on the loss of their Mothers, and to Saul Schwartzbach on the loss of his Father. Speedy recovery to Leonard Wainick of Forsythia after his operation.

Shirley and Irving Israel of Forest Drive are raving about the wonderful time they had in Jamaica, B.W.I., as the house guest of Thelma and Renee Lyon who have a winter home there. The Lyons entertained them royally.

The Jericho Chapter of Women's American ORT will hold its ORT-DAY Tea at the home of Marilyn Lazarus at 12 Lewis Ave. on March 6 at 8:30 P.M. If you would like an invitation please call Joan Serko at OV 1-7780.

Dr Arthur Meadow of Village Drive won the trophy at Temple Og-Gloheim bowling party. Arthur and his wife, Alice both enjoy reputations as excellent bowlers. Kenny Resnick of Magnolia Lane who is only 9 years old, bowled 133 last week.

Get well wishes to Ida Levine of Forsythia Lane (mother of Ruth Schwartzbach), glad Helen Fisher of Fountain Lane is well again.

Teen Talk

The whites of winter come in many sizes and shapes, from small sized icicles that form beneath the overhang to large mounds of snow that cover the paths. So far old man winter has not caused too large a problem in our neck of the woods, but there have been some close calls as sedans slipped and slid down many of our streets. The major question after Mom opens the door and finds that her marble stone work is now wintry white is who is going to shovel the walk; let alone the driveway. In most cases residents are lucky enough to have a teenager on the block who offers to do the task for a small fee, so the problem is solved. After a day of boots going on and off the rains finally come and turn the newly fallen snow into streams of slush—but have no fear; soon you will no longer have to look at snow nor slush, crab grass time is just around the corner!

Ten Pin Talk

By Henry Dockswell

Well, it seems like years, but actually it's only 3 weeks, at this writing, that nay of us has seen the MID ISLAND HERALD. As a result it bears repeating that on Lincoln's birthday, Mort Levine bowled not one but two games over 200. He came up with a 223 and a 210. This was just to prove that his 222, which he bowled the previous week, was not an accident. He was joined by Morry Herrick, 219 and Jack Sloan, 211.

Morry and Jack are both members of team #5 and this evidently was a preview of things to come, for this past Monday night they set a new record for High Game from Scratch, with a 925. Looks like they intend to sweep all the team honors. There are only 4 team honors and they are in the lead for 3 of them. Mac Cushing's team #6 and Sol Rabinowitz's #1 crew, both now tied for second place, ran rampant this week. Ely Fisher helped his #6 teamated cause by throwing a 204, and no doubt this inspired them to take over the fourth remaining team honor of High Series with Handicap, with a 2482. At the same time Sol's boys swept all 4 points from Marv Cohen's #2 squad and this in spite of Marv's valiant solo bid as he bowled a 201.

Al Samuel's #9 team is still in

first place and the first division is still made up of last half's second division. The only exception this week is Sol's #1 boys, and they took the distinction away from Dave Barterman's #8's who held it last week.

We are attempting to get out a circular to the entire Civic Assoc. membership, informing all, that within the next few weeks we have to make our commitment as to the number of alleys we will need come September. Our negotiations with the new Syosset Bowling, due to open in June, have been very satisfactory. All we need now is to know how many more than 10 alleys we will need. So all you Civic members, who want to bowl on Monday nights and still haven't joined the fun, do so now. Just call Henry Dockswell at OV 1-0421.

We have some ideas about a Father and Son League and possibly a Husband and Wife League to bring the whole family into the fun.

K. Registration

All parents of children to be entered in Kindergarten in Sept., 1962 should register their children at the elementary school now serving their neighborhood. Children who will reach their fifth birthday on or before Dec. 1, 1962 are eligible to enter Kindergarten this coming September.

The dates of registration for the Robbins Lane are Mar. 6 and 7.

Select Soll As Candidate

George Soll of Roslyn Heights, a member of the County Charter Revision Commission and an attorney, was named Monday night as the Democratic candidate for Congress in the new Third Congressional District, which includes Hicksville, Jericho and part of Plainview and Bethpage. His designation was the first to be made for the 1962 elections by the Democratic County Executive Committee.

Soll, 41 years old, is chairman of the Democrats' North Hempstead Issues Committee and ran for Town Councilman in 1960. A Nassau resident since 1955, he is treasurer of the P.T.A. of the

Willetts Road School. He is a partner in the Manhattan law firm of Finkelstein, Benton & Soll, and was awarded his LL.B. at Columbia in 1948, after being named a Harlan Fliske Stone scholar for three years and serving as notes editor of the law review. He also holds a bachelor of business administration degree from C.C.N.Y.

GIRL SCOUT NEWS

By Olga A. Arnold

Trinity Lutheran Intermediate Girl Scout Troop #256, held an International Friendship Night at their recent meeting. The troop is engaged in badge work which includes International Friendship. Each Scout treated her invited guest to a "box supper" she had prepared herself and a decorated paper crown and bib which read "genius at work."

The honored guests of the evening were Mrs. Vi Tava, who related her interesting experiences about her trip to France and "Our Chalet" in Switzerland; Senior Scouts, previously from Trinity Troops; and Leaders and Troop Consultants, Mrs. Anna Mill and Mrs. Olga A. Arnold.

"The Magic Thread" and "The Family Tree" were enjoyable skits put on by the Scouts. Mrs. Marcella Kumlander, Mrs. Vi Sutter, Mrs. Florence Keller, the leaders, worked diligently with their scouts and Mrs. Dorothy Byron, committee mother, on the evening's program.

Planting of seeds and bulbs have been and inter-troop activity of Brownies of Troops #3 and #433 and Intermediates of troops #256 and #475 of Trinity. These were presented to the Flower Show. THIS YEAR MARKS THE 50th ANNIVERSARY OF THE GIRL SCOUTS.

On Sunday, March 4, the seven neighborhoods that comprise District III, will celebrate with a "tea" at Levittown Hall from 2 to 4 p.m. Admission is free to all interested persons who wish to see the fabulous work the Scouts and Leaders have been working on. The neighborhood Chairmen who represent their displays are: Mrs. Libby Kosma, Burns Ave., hand made articles and art exhibit; Mrs.

Rube Aronoff, East-Woodland, adventuring in the arts, songs; Mrs. Helen Goldmann, Fork Lane, refreshments and displays; Mrs. Rosaleen Cascardi, Jericho, displays; Mrs. Doris Klueg, Lee Ave., you and your home; Mrs. Marcella Kumlander, Nicholai, international friendship; and Mrs. Doris Larson, Old Country-Dutch Lane, out of doors. Refreshments will be served.

Girl Scout Sunday, March 11, the Trinity Lutheran Girl Scouts and Leaders will worship together at the 9:45 service.

There will be a "50th Anniversary Celebration Leaders' Tea" at the Garden City Hotel on Monday, March 12, from 1 to 3 p.m. All registered adults are invited. Donation is \$1.00. You will meet in person, Juliette Low's niece, Mrs. Samuel Lawrence, (Daisy Gordon), the first registered Girl Scout in the United States. For tickets, please contact Mrs. Olga Arnold at WE 1-7651.

Offering New Prep Course

A new program of college preparation is being offered by the Educational Skills Center, 67 North Broadway, Hicksville.

The program consists of ten weeks of intensive instruction in the verbal and mathematical skills necessary for success in college. It is designed for high school juniors and seniors who want to be thoroughly familiar with the kinds of questions asked on college entrance examinations. Arthur Lehman, the Reading Consultant of Abraham Lincoln High School, and Joseph Phelan, a Mathematics Teacher in the North Babylon Public Schools, will be the principal instructors for the course. Both instructors have had extensive experience teaching this type of program on the high school and college levels.

A limited number of students may enroll in the program up to March 17th. Further information is available by calling the Educational Skills Center at WE 5-7420.

Prudential Wins Highest Honors

The Prudential Insurance Co. is district office at 560 South Broadway, Hicksville, has been awarded one of the company's highest honors, a President's Citation.

Formal presentation of the award, for "all-round agency accomplishment," will be made at a future dinner to be attended by the entire district staff and Prudential's top area executives. Only 62 of the 599 company districts throughout the United States and Canada receive the award this year.

F. Raymond Boltz, 101 Drake St., Malverne, heads the award winning Hicksville district office. The district previously earned the President's Citation in 1957, 1958, and 1960.

Lighting Co. Keeps Wires Up

Why LILCO does not put its wires underground is stated in a short, easy to read pamphlet just published by Long Island Lighting Co.

The Lighting Co.'s fast growing service area continues to increase in population, homes, businesses and industry. "By far the greatest growth in customers has come through city dwellers seeking homes and jobs away from the big city," a spokesman said. "They are accustomed for the most part in accepting the idea that all electric wires are normally underground, when in fact better than 90% of the Nation's electric service comes via overhead wires. The general belief is that it is a simple and not too costly an operation to put wires underground."

"LILCO believes," the spokesman continued, "that our pamphlet 'Facts - Overhead vs. Underground' will serve the important service of clarifying the problems involved in what seems to be a simple problem."

Jericho Residents Aid Red Cross

When you give—RED CROSS Can Help—is the slogan for this year's door-to-door campaign. Many Jericho residents will again collect in this campaign throughout the month of March which is traditionally known as RED CROSS MONTH.

Henry Kalinowski of Laitingtown, 1904 Chapter Fund Drive Chairmen announced that those who will act as Chairman in their respective areas are Mrs. Leo Sugan and Mrs. T. McQuillen for Princeton Park; Mrs. Gilbert for Special Gifts, for East Birchwood; Mrs. Renee Oskino for West Birchwood; Mrs. Yelva Tull for White Birch; Mrs. Joseph Molina for West Broadway; Mrs. L. Lantz for East Broadway; and Mrs. William Mayhew for Oakwood Estates, with more areas to follow.

The Red Cross is many things to many people but the keynote of all its programs is volunteer service. The following are some of the services made available to residents of Jericho: 1. Blood donors to donate blood either for placement to hospitals or for their own Red Cross Blood Bank. 2. 31 people received Red Cross Blood or blood derivatives. 3. Red Cross volunteers used their own cars to transport 1 child to the Adelphi Clinic; Home Services assisted 14 families of service men and veterans—counseling, welfare inquiries, arranging for emergency leaves or extension of leaves and/or financial assistance, loans or grants. 4. Home equipment was furnished to 3 people such as wheel chairs, hospital beds, crutches, or other equipment for short or long periods without charge. In the Office of Educational Relations (Junior Red Cross) three is participated actively in this program contributing \$295.28 in the enrollment drive. Jericho residents also were among the 94 people who received certificates upon completion of First Aid Courses in the County and ten and adults were among the 100 to complete Red Cross Swimming Courses and training in boat safety.

Select Name For Newspaper

The Long Island Catholic has been selected as the name for the Diocesan newspaper to be published by the Diocese of Rockville Centre, according to an announcement by the Most Reverend Walter P. Third!

It's nice to be loved.

Like we've said: "When people like a car they show it." All you have to do is put together a car that's sharper looking, smoother running and a bigger value. That's why Pontiac and Tempest stormed into third place. Why don't you see your Pontiac dealer (a very happy man these days) and go with a winner?

*Based on final, official R. L. Polk combined Pontiac and Tempest registration figures for 1961.

Term of Partnership from Feb. 1, 1962 until Dec. 31, 2001 unless sooner terminated by death, retirement, bankruptcy or adjudication of insanity or incompetency of General Partners as provided for in Articles of Limited Partnership, or upon sale of all of the Partnership property or upon mutual consent of all of the General Partners and Limited Partners or as provided for under and pursuant to Articles of Limited Partnership, unless remaining General Partners elect to continue Partnership in manner provided and subject to the provisions of such Limited Partnership Agreement. Share of profits or other compensation by way of income which each Partner shall receive is as follows: (i) First \$39,000, or such part thereof as is available per annum, apportioned among all partners pro rata to their respective cash contributions to capital of partnership; (ii) remaining economic profits, if any, in each fiscal year of business, to be kept and maintained in special fund and applied toward exercise of option to purchase capital stock of Greg Cortner, Inc., and also payment of note indebtedness executed in connection with purchase and acquisition of chattels, fixtures, furnishings and equipment from Greg Cortner, Inc. Such funds may be invested by Partnership in sole judgment and discretion of General Partners until same shall be required for such purposes, but as limited by Partnership Agreement. (iii) Any excess economic profits remaining thereafter, shall be used for making repairs and improvements to premises and personal property of Partnership. (b) For period after first two years of Partnership business, economic profits of Partnership to be divided as follows: Limited Partners to receive 56% of total distribution or distributions available. General Partners to receive 44% of total distribution or distributions available, provided first \$39,000, or such portion thereof as is available of such economic profits, if any, in each fiscal year, to be distributed among all partners in proportion to their cash contributions to capital of Partnership. Distributions to General Partners out of such 44% of economic profits, to be apportioned among them in accordance with agreement entered into by them dated Feb. 1, 1962. "Economic Profits" shall mean net profits derived from ownership and operation of property as ascertained through use of standard accounting practices except (1) depreciation of buildings, improvements and personally shall not be considered as a reduction; (2) mortgage amortization shall be considered as a reduction; (3) amounts expended by Partnership for capital improvements considered as a reduction; (4) reasonable reserve to be deducted for working capital needs or for improvements or for other contingencies. Priority

of distribution not to be cumulative and to be in force during entire term of Partnership. No Limited Partner shall have right to substitute assignee in his place and stand as a substituted Limited Partner, unless consent so to do, is obtained from the General Partners in the manner provided in the Partnership Agreement. No Limited Partner has priority over other Limited Partners except as herein set forth. No right is given a Limited Partner to demand or receive property other than cash in return for his contribution. No Limited Partner has agreed to make additional contributions to the Partnership. Upon dissolution of Partnership after payment of all debts and liabilities and expenses of liquidation, the setting up of any reserves for contingencies, any balance shall be paid in accordance with the terms and provisions of Articles of Limited Partnership. Losses to be borne pro rata in proportion to respective total contributions to capital of Partnership, however, liability of Limited Partner for Losses is limited to his capital contribution. This transaction has been exempted from the provisions of Section 552-E and Section 359-E, subdivisions 2, 3, 4, 5 and 6 of The General Business Law of N.Y. E464/5(67)

Legionnaire's Log

By ARTIE RUTZ

Today is Reminder Day, and what does one do on Reminder Day? One can be you know what one does. One can remind everyone about the St. Patrick's Dance on March 17th at the Subhouse. This is always a popular affair and as usual plans must be made and announced at PE 1-7185 is your don't hesitate, at \$5 per person this includes the beer refreshments, its a real Legion thing. I've ordered my table, but you?

Am again in the mood of the day to remind you of March 19th, Ceremonial Night at the Post, in honor of The American Legion's 43rd Birthday. There'll be awards, ceremonies and refreshments, and in particular one thing only that few Legionnaires have ever seen, the Post Everlasting Ceremony. Don't miss it! And to remind the membership of the sale of Building Bonds is a must. There is still time to buy your share of the Bonds and become a member of the Century Club and enjoy its privileges. Just contact Mr. Elmann or Tony Bellacera and they will give you the complete details.

Another thing to be reminded of is the up and coming Bingo Night at the Post will hold at the Lion's Den in Mid Island. It looks like the games will start every Friday night starting possibly this month. As soon as we get the exact date I'll let you know but keep it in mind. We'll have to be a little late this year in electing our officers and alternates for the city convention as the 3rd District Caucus falls on a Friday this year. May 4th at the Cliff Post. Too many of our trial delegates are members of the Bingo Committee so we had to select our representatives.

with this in mind as this caucus could be a very important one for our Post as there is a possibility that a candidate for a county office might be needing our votes and vocal support. Though the fight will be continued by all veterans organizations for a Korean Bonus despite Gov. Rockefeller's flat refusal, not everything is on the dark side. The Bill putting veterans' organizations and fireman's groups in the same category as churches and other non profit organizations has cleared the state senate and its chances of becoming law looks very good. Looks like the Color Guard has become more colorful than ever. Take a look at the next meeting. Come on, you still have the opportunity to join up with them and you'll be doing the Post a lot of good. I hope you noticed the article in last week's MID ISLAND HERALD dealing with the many cemeteries in Oyster Bay Township and the statement therein, quote "Graves of all the Town's veterans should be known to the local American Legion Posts, so that they may continue their patriotic work of decorating them on Memorial Day." unquote. Have you ever noticed how often The American Legion is offered as a criterion in the newspapers, on radio and television, and in the movies? And rightly so! And you members are doing your bit towards maintaining the high level of esteem that the public holds for The American Legion by your prompt payment of your annual dues, thus freeing the Membership Officer of heavy responsibility at an early date. And here is what you have done this year, so far. You have won for the Post a National Ribbon for 100% membership before the Legion's Birthday. And this end is not in sight yet as it looks like we will top our all time membership high very shortly!!!!. Thanks a lot for your help, fellows, I'm sure Dick O'Neill is quite happy about the whole thing. More next week, so long for now.

JAYVEE COURTNEY WIN — In the prelims last Wednesday night at the home court, Coach Stan Kellner and his hardy band of welterweights copped their 13th win of the season. This pot-purri, a little close for comfort at the final countdown, set the Jayvees up with an 8-2 league record and 13-3 overall for the season. The Jayvees, Clarke proved a tough row to hoe, right up to the final 51 seconds with the score 50-49, Hicksville. And at this point, things were tough to figure. In the last minute, (one of the three Comet backs) Clarke had nipped the Jayvees by a 1-point margin with 51 seconds left in the game. It seemed like the story might repeat itself, but Bob Feldcher drove in for the tide-turning basket. Rick Medina dumped a pair of dunks and Bruce Damm iced things up by coming up with a stolen ball, which was good for the final marker. Final score, Clarke 53, Jayvee Comets, 56. Bruce Damm took the top scoring slot with 19 points. Feldcher hit for 11; George Rivas 8, Rick Medina 8 and Paul Coletta 7. The action with 5. Mellner agreed that Bob Feldcher's clutch basket in the final few seconds had given him a new lease on life. "I was a bit worried there," he admitted, "but this is a cage from behind the club, that puts the full pressure on the other team." Kellner closed out with the statement, that this was his most rewarding season in coaching so far. "We've completely rewritten the golden rule of basketball that states this is a man's game," he added. "Our average height is only 5-1 1/2 feet, but drive, hustle and determination

is our forte," said Stan. We agree the variety of tomorrow will be creating no problems.

JIVE TALK — Adam Zapple and Dan Druff, my long haired legman, who help out covering operas, concerts and recitals, claim the recent Chamber Music Recital, held at the Senior High School, was a door bustin' affair. Over 500 Chamber aficionados were on hand, they reported. And the joint really jumped, both added gleefully as they twisted down the long corridor. "I had no idea that that many covered rock n' roll enthusiasts would be willing to leave their pads for some good music," True Adam and Dan—(true) and a lot of credit for the success of this Chamber cha-cha sponsored by the Hicksville High School Music Dept. goes to Directors R.G. Clerrin (Band), Tom Bottice (Orchestra), and Charles Arnold (Chorus). Hi-lites of the evening were solos by Kim Allen (Soprano), Fred Korman (Oboc), Sam Caelin (Piano) and Rita Pasant (Organ). A Flamenco dance composition was featured as well as a new work being premiered. Student Charles Smith was the neophyte composer who did an exceptionally fine job on, part of a suite for a woodwind quintet. Once again, another wonderful evening of listening pleasure for the music buffs of Hicksville.

WHICH REMINDS US — The Hicksville Community Concert Band, under the capable direction of Charles F. Gause, made its winter debut on the night of Wed., Feb. 28, at 8:30 p.m. in the Jr. High auditorium. This band, sponsored by the Hicksville Recreation Dept. is a well seasoned group. Works of Schuman, Persichetti and Beethoven were presented. A first performance was also featured. The title is "Macbeth", an original work for the concert band. James Simmons, member of the Community Band is the composer. Mr. Simmons is a member of the faculty for the Levittown School System. Another feature was a trombone quartet composed of J. David Abt, Eliot Phillips, Stewart Pohlman and Martin Whitman playing the works of Sanders and Scheidt. A human interest item concerns the acceptance of two Hicksville High School Students for the School Band of America scheduled to tour Europe in June of this year. Considering the fact that only 75 students from all High Schools throughout the United States are chosen for the honor, this sort of rates the Comets as heavyweights in the "Band League".

COMETS WIN 15th — Coach Ed Perito and his Comet Courtmen, brought in their 15th win of the season last Friday night on the home court. The victory, a 93-63 win over Clarke insured the locals of a spot in the upcoming tournament and proved beyond a shadow of a doubt, that there were no serious wounds after that spine tingling loss to Plainview last week. Comet scorers were, Chris Coletta, 27; Mike Clair, 21; Chip Jaworski, 19; Vin Coletta, 11; Frank Coletta, 5; Vin Hannigan and Billy Luft, 4; and M Norm Samberg closed out with 2.

MAT FACTS — Th s was Champion p Row, where you travel in fast company and every win is a big one. There's no easy pick-in's in a tournament of this type. If you win, you get a crack at the quarter finals, the semis and the finals. And if you lose, you become a spectator. You're in with from Nassau County. From both North and South Shore and there's absolutely no doubt about it. These

Final Registration More Sponsors For Baseball Assoc For Americans

The Hicksville American Little League wishes to announce the final registration date for the forthcoming season, Saturday, March 3, 9 a.m. to 11:30 a.m., at the Burns Ave. School, Hicksville. All applicants must be 5 years old prior to Aug. 1, 1962 and not attain his 13th birthday prior to Aug. 1, 1962.

Sponsors already signed for the coming season include: Gertz, Fairway Farms, Inc.; George Malvese & Co., Inc.; William Gouse Post 3211, V.F.W.; Boto Bros., Plumbing and Heating Cont., Inc.; Ocean G.L.F. Petroleum, Hicksville Rotary Club, Central Federal Savings & Loan Assoc. There are still several unsponsored teams and anyone interested in becoming a sponsor for the "Little Leaguers" should contact Nick Koukous, WE 1-2770.

boys are as good as you are and the survival of the fittest is the governing factor. The Comets had 5 of their finalists going for them this night but 5 or 20, just wasn't enough. Bill Starke in the 104 lb. class, was dethroned in the first round. Joe LaRocco (122) dethroned in the 1st round. Steve Smith (125) and Jim Clark (heavyweight) lost via pins in the 1st round. And last but not least, Robin Winkle (110) took a 2-0 decision in the 1st round but was stopped in the quarter finals. This was about as far as Coach Bill Roberts and his boys were destined to go this year. So long Comets, see ya next year.

IN THE HERALD

The Hicks 116 Baseball Assoc. is highly pleased to announce the signing of the following sponsors for the 1962 season: Plaza Restaurant (Babylon Caterers, Inc.), Kingway Plumbing Supply Co., Inc., and the Wagner Funeral Homes.

Herb Wedermeyer, Umpire in chief of the Little League, would like to thank the men who turned out on Wednesday night for the first meeting for the Umpires. As all know it was a good night to stay home weatherwise.

Masons Sponsoring Amateur Boxing

The First Nassau Masonic District Charity Committee will sponsor an A.A.U. Amateur Boxing Show on Thursday, March 29, at the Island Garden Arena, Hempstead Tpke, West Hempstead. At this show will be some of the best amateur and Golden Gloves boxers from the metropolitan area along with many local boxers.

The proceeds will be used to purchase hospital beds, wheel chairs, send children to summer camps and contribute to the Masonic Brotherhood Fund which is now engaged in making a scientific study of the diseases of the aged.

Hibernians Plan Beef N Cabbage

Only a limited number of tickets are available for the first annual corned beef and cabbage party at the K of C Hall in Hicksville being sponsored by the Ancient Order of Hibernians, Div. 11, of Hicksville. The admission includes home-made corned beef and cabbage and beer. Entertainment will feature Christopher Lynch, Irish tenor of radio and TV, plus Irish and American music and other surprises. Reservations have been limited to 25 and no tickets will be sold at the door. James J. Cummings of 68 Myers Ave., Hicksville, is president of

Division 11, James Crimmins is chairman of the event.

Further consideration of the pool question was scheduled on the agenda at the Friday, Feb 23, Board of Education meeting but the sub committee was not prepared to bring anything before the Board.

Internationals Final Sign Up

All parents of boys of Little League age, are advised that final registration for the Hicksville International Little League will be held this Saturday, March 3rd, between the hours of 10 A.M. to 3 P.M. at the Hicksville Senior High School on Division Ave.

Boys between the ages of 8 to 12 may be registered, as well as boys between the ages of 13 to 15 who may register for our Senior Division (formerly called Graduate League).

In order to operate the league with any degree of efficiency, it will be necessary to select the teams right after this final registration. Failure to register your boy at this time may very well result in your boy being assigned to a lower classification than the division in which he played last year.

All families living within the following boundaries should register with the International League:

ON THE NORTH: South side of Woodbury Rd. from Jerusalem Ave. to So. Oyster Bay Rd.

ON THE WEST: East Side of Jerusalem Ave. to Rising Lane

ON THE SOUTH: South side of Rising Lane to Scooter Lane, south side of Scooter Lane to West Side of Fordham Rd.

ON THE EAST: West Side of Fordham Rd. to North side of Michigan Dr. east on Michigan Dr. to Bloomingdale Rd.

but not including any boy on Michigan Dr. or Eli Rd. North on Bloomingdale Rd. to Broadway on the South to Woodbury Rd. on the North.

PARENTS REMEMBER! This is the last call for registration.

PLEASE! Do not penalize your son by trying to register him just before the season starts.

2. Against normal road hazards (except repeatable potholes) encountered in everyday passenger car use for the number of months specified. Repairs made without charge, replacements provided on tread wear based on last price current at time of adjustment.

Honored in all 50 States and Canada.

Superior quality alone or to GUARANTEE against the losses caused by common road hazards... along with our guarantee of manufacturing excellence. The multiple-side guarantee, good at 50,000 Firestone ad-downs... wherever you drive.
