Following last Saturday's performance, High School Principal Leon Galloway publicly thanked the cast, crew and faculty advisors Albert Beven, Kay Fletcher and Raymond Matlenzo. He said this was, beyond a doubt, one of the finest performances of Shakespeare ever presented on the high school stage. His remarks brought forth tremendous applause.

More Special Sessions May Polish Off School Budget

The Hicksville Board of Education will continue its efforts tonight (Thursday) and possibly again on Saturday morning in an attempt to finalize the proposed 1962-63 School District Budget. The Board held special meetings last Friday night and Saturday morning on the same subject.

The Board will hold its regular meeting this Friday night, Mar. 9, at 8:15 PM.

Most of a special meeting on Thursday night, Mar. 1, was devoted to concluding the agenda of the Feb. 23 meeting which had not been finished in a limited special session on Feb. 24.

Set Budget Hearing

The Board has set Monday night April 23, for a special meeting at 8 PM in the High School auditorium which will be devoted to a preliminary public discussion of the 1962-63 budget.

Many of the items in Code 2 of the budget were considered on Friday night Mar. 2 and a proposed second attendance officer, as recommended by the administration, was eliminated from the proposed budget.

Code 9, Auxiliary Agencies, was the principal consideration on Saturday morning, Mar. 3. It was noted that the RR grade crossing elimination program is going to add to the cost of student transportation in the coming year because it is anticipated this vast project will delay buses enroute

and make it necessary to rent extra vehicles. During this session it was also revealed that Francis Ganley, director of Adult Education, plans to resign next year. Efforts to hold a special session on Monday of this week failed due to the lack of a quorum of four members.

In the meantime, it was noted that there has been silence regarding candidates for the two up-coming vacancies on the Board of Education to be filled on May 2nd. Normally by the end of February or the second week of March, at the latest, most candidates have announced their intentions although petitions need not be filed until 20 days prior to the election.

To be filled on May 2 are the three year terms of David Hurwitz, who resigned in December when he moved to Plainview, and Robert D. P. Eaton. After two three-year terms, Eaton has announced that he will not seek re-election.

There are unconfirmed reports that Phyllis Nueburger, secretary of the School Board Campaign Committee and secretary of the Hicksville Library Assoc., will be running on May 2nd.

There is also a report that William A. Bruno is being encouraged by friends to file for one of the vacancies.

Set Registration For School Vote

The Hicksville Board of Education has established the dates and times for registration and voting days in connection with the annual vote on the School and Library budgets for 1962-63 as well as the election of two school board trustees and one library trustee.

Registration will take place at the seven schools of the district on Saturday, April 21, from 10 AM to 5 PM and on Wednesday, April 25, from 4 PM to 11 PM.

The voting at the same places will take place on Wednesday, May 2, from 12 noon to 10 PM. The Board of Education has set a special meeting for 11 PM on May 2 for the purpose of canvassing the vote.

The Board has also voted to send all currently registered voters a post card advising them that they are on the books.

Lenten Services At Trinity Church

Trinity Lutheran Church, 40 West Nicholas St., Hicksville, will have three services each Wednesday, during Lent at 6:15 p.m., 7:15 p.m., and 8:15 p.m., beginning with Ash Wednesday, March 7.

During Holy Week, evening devotions will be conducted at 8:15 p.m. Monday through Wednesday, Maundy Thursday three communion services at 6:15 p.m., 7:15 p.m. and 8:15 p.m. As has been the custom, the Good Friday service will be from noon until 3 p.m.

The Rev. Edward H. Stammel, pastor of Trinity Lutheran Church, has also announced that Easter Sunday services will be held at 5:15 a.m., 7, 8:30, 9:30, 10:30 and 11:30 a.m.

Airline Disaster Of Local Interest

The Mid-Island area was involved in the tragic jet airliner disaster in Jamaica Bay which took place last Thursday, Mar. 1. Among the victims were Mr. and Mrs. Brewster Righter of Jericho, survived by eight children. Services for the Righters were held jointly on Monday morning at St. James Episcopal Church, New York City.

Mr. Brewster was a partner in the investment banking firm of S.D. Fuller and Co. of 26 Bway.

Also among the victims were three Leventhal brothers, Irving of Mineola, Jack of Hempstead and Bernard of New York City. They were associated with Bowling Corp. of America, the operators of Mid Island Bowl on North Broadway, Hicksville. Mrs. Bernard Leventhal has been associated with the management of Mid Island Bowl. Ninety five persons lost their lives.

Urging Annual Pelvic Exams

Nearly 100% of all uterine cancer, which now claims 14,000 American women each year, could be cured if all women would have annual pelvic examinations including a Pap Smear. It was reported by Mrs. Mildred H. Rodgers, 2 Glenbrook Rd., Hicksville, Hicksville Unit Chairwoman for the American Cancer Society.

These tests are available through most family doctors and are a part of the Nassau Cancer Detection Center examination. Applications for examinations at the Center, located at Elmont Road and Village Avenue, Elmont, may be secured by calling the American Cancer Society at PL 6-7530 or the Center, GE 7-1600.

Henry M. Cooper, 9 Switzerland Road, Hicksville, has qualified for Connecticut Mutual Life Insurance Company's 1962 national sales conference slated for April 9 to 12 at Palm Beach, Florida.

Schools, Margaret Brown, Gloria Melinsky, Abraham Breckner, Helen Jew and Richard Lungquist, Hicksville students held important offices on the County Secondary and Elementary School Red Cross Councils.

This is RED CROSS month! WHEN YOU GIVE - RED CROSS CAN HELP!!!!

Dear Jean

In answer to a number of inquiries, we are delighted to publish notices of engagements of local residents (as well as weddings) and for over 13 years we have not found it necessary to make a charge to publish such notices and pictures. We don't intend to make a charge to publish such notices and pictures. We don't intend to make a charge to publish such notices and pictures.

IRVING BOTTO of Boca Raton, Fla. to see JACK BRANT. Jack has just been elected mayor of the Florida city and sends his best wishes to all. Some-how we over looked it, but we have a handsome post card from HELEN and CARL GRUNEWALD of 31 Violet Ave., Hicksville, sent from Port of Spain, Trinidad, B.W.I. Carl postscripts "you never have enough time to do and see everything". That matter of immediate closing off Willget Ave at the elementary school could very well be on the agenda for the School Board meeting this Friday night. Incidentally, the steelwork is up for the building. We note the GLF warehouse is about knocked to the ground to make way for the grade crossing elimination work.

We hear that School Recreation Director JOE MADDEN may be asking for a leave of absence to go to Barneo for a couple of several months. Now is that the ultimate in something: rec-resting head-hunters?

That big wind on Tuesday blew off some of the roofing of a temp at Woodland Ave School, causing some water damage and electric power failure in two rooms.

Three Plainview residents were among the 73 full time students at Nassau Community College who qualified for the dean's honor list for the fall semester. They were EILEEN DOOLEY, MARTHA HOROWITZ and JOEL SMITMAN. Jericho Kiwanis which meets Thursdays at 6 PM at Meadow Brook Inn on the Tpke and welcomes everyone interested is now issuing a bulletin called "newspost" over the School Board Campaign Committee is putting out circulars all over town on the "space problem" and telling people to watch for their petition. This is the same petition which three or more weeks ago was supposed to be ready for submission in a week.

HENRY BRODBECK is back on the job as Hicksville Civil Defense director after a period of illness. During his absence, STEVE DIEDER, chief of staff, handled unit activities. Mr. and Mrs. DICK BOTTO became the parents of a son, ROGER IRWIN, during the week. Congressman PIKE has named CARL P. PARLATORE of 73 Glenwood Rd., Plainview, as one of ten alternates to his appointment to the US Air Force Academy. The Hicksville Rotary is considering sponsorship of bingo games at the LIONS DEN at the Plasma, Abraham and Strauss, preparing to open its fourth branch store out in Huntington, will have a pre-preview at Villa Victor on Mar 15. Town officials announce they are discussing the establishment of amateur crew racing on Oyster Bay Harbor among colleges, high schools and rowing clubs. Question: Will the school budget include a racing shell? And where will the Hicksville team practice, on the swamp waters near the LI Lighting Co? Sincere sympathy to the CORNELIUS McCORMACK family of 27 Boxwood Lane, Hicksville. The School Trustee's father-in-law passed away Tuesday night. JIM CUMMINGS is the new promotion director and executive secretary of Mid Island Plasma, succeeding HANK LEEDS. The Glee Club of HOLY FAMILY Church of Hicksville, led by Mrs. L. Kuhlman, will be among grammar school singing groups competing this Sunday at Chaminade High School in a Junior Glee Club competition, a division of the CYO Talent Contest for 1962.

Greetings to SARGE SKELLY of Pine St. who celebrated a birthday this week. Glad to hear that our little guy Sarge's grandson, Kevin McCormack is well on the road to recovery after a siege of illness. So sorry to hear that MRS. MARION DI FRONZO of Pine St. lost her mother recently. We offer Marion and her family our deepest sympathy. It was nice to see the name of TIERI DAILEY of Plainview among the Nassau honorable mentions of the Daily News All Star Basketball players. Thanks to Hicksville Gift Shop for our March edition of our engagement card. So sorry to hear that JAMES MC CARTHY of Levittown is leaving the employ of FRED WALTERS of Walters Liquor Store. We liked him along with the rest of the boys; however, we understand another nice young man is taking Jim's place.

MEMBERSHIP IN THE NEWS. Under the guiding hand of AMVET AL BUCHHOLZ, the membership of the post has risen rapidly and at the Friday evening meeting of March 2nd, a number of new members were sworn in by the Post Commander. Two new members were Mr. and Mrs. Jack Nulty of Cherry Lane, Hicksville. Some old timers may remember Mrs. Nulty as the former IRENE EFINGER. Saw BOB CUCARRO at the meeting and it has been years since we met. Col. JOHN BEST and EMILY BEST were present to greet the new woman member. With JEAN KASS that brings the total women in the post to three. Say IRENE, how's about bringing in another lady vet??

EVENTS IN THE NEWS. The Post's ST. PATRICKS affair will be held on Saturday evening, March 17 at the "Lions Den" Mid-Island Plaza. Tickets are \$3 per person. If you plan to attend and I know that you do...call HOWIE BROWN at PE-5-5257. First Come, first served.

Well AMVETS as soon as more news comes my way...our column will be bigger and better. Until next week then...give AL BUCHHOLZ that hand and hit... "200"....

ONE BIG HAPPY FAMILY... We are hoping to have the biggest gathering of CWV ever in Nassau at the St. Patrick's Parade in Hempstead on Sunday, March 11th. We meet at Kennedy Park at 1:30 p.m. SEE YOU THERE!!!

From WAY WAY OUT In Green-

port, St. Agnes Post is sending a delegation to march with us. This is a real honor. Imagine, from the farthest corner of Long Island there are men who are coming to say they're with you in this parade.

That's not all... from Lindenhurst, the men of OLPH Post are sending a color guard and the

Ladies of their Auxiliary are coming to tell Bishop Kellenberg that they are CWV too.

From QUEENS, we will see the men of St. Louis de Montfort Post and they are bringing the SEA SCOUTS that they sponsor.

From KINGS, State Commander Frank McBarron will march out with the State Color Guard under the command of Jerry Euchari.

State President Elsie Krebs will be on hand too, and her Color Guard will be enhanced by the QUEENS County President Lorie McBride.

FLASH...that Gushue Post Dance was pisher...CROWD was terrific...Plainview Commander Romeo Serripola brought a big party...took home most of the prizes too...Jakupko Post Commander Pete Gordon of Hicks-

ville sent a group headed by "Twister Chubby Checkers Eschbach". Ed Hartnett and Maurice Mulligan twisted somebody's arms to have some wonderful dance prizes...and everybody thinks the fact that Margaret Bullock won the basket of cheer was wonderful, as Al did such a wonderful job as M.C....in short Bob Comora should be Dance Chairman move often.

CLUB CHERIE in Floral Park is the scene of the County CWV Bowling League Dinner on June 9th... Cocktails start at 7:00 p.m. with Dinner following to "who knows when". Bullock, Greenwood, and Zebrowski picked the place, and it sounds terrific.

Remember this... in spite of all the pros and antis in the world, PATRIOTISM is not a word but a simple statement... "I'M PROUD TO BE AN AMERICAN" Patriotism like religion, is not HINDSIGHT BUT FORESIGHT... as Col. Glenn said very simply, he made his peace with God not afterwards but beforehand.

WEST BIRCHWOOD-JERICO CIVIC ASSOCIATION

Vol. 3 No. 11

Thursday, March 8, 1962

AMONG THE WEST BIRCHWOOD residents enjoying themselves at the Civic Association's annual affair at Carl Hoppl's in Baldwin.

West of Bway

by McKinley Ebbitz

Well, the dinner-dance at Carl Hoppl's is now in the past and a grand success it was. I'd personally like to thank all the girls on the social committee for doing such a fine job, on the sale of tickets and a special thank you to Shirley Weinstein, Alice Fancullo and Eleanor Strumpf for their help in the running of the dance.

Amy Alford recently celebrated her 5th birthday with a party. Sharon Cohen was 5 years old on Valentine's Day. Happy Birthday to Ronnie Auerhahn on Feb. 19 and hubby Charles on Feb. 25. Happy Birthday also to Carl Denny on Feb. 24.

Claire and Norman Fineststein of St. Lawrence Place spent their vacation at Homowach Lodge. They were having a wonderful time, until Norm dislocated his shoulder ice skating (on their first day, no-less). Also vacationing at Homowach Lodge were Loretta and Hilly Kessler and Rita and Mac Dronow. They had no mishaps—just a wonderful time.

Evelyn and Herb Block of Otsego Pk., celebrated their anniversary on Feb. 6 at Bayberry's of Great Neck with Claire and Norm Fineststein.

Tickets are currently being sold for the forthcoming production, "Tunnel of Love", starring Ken Gmora, Lola Rosenthal, Annette Rubinstein, and Eleanor Winthrop. These are your neighbors, so let's back them by buying tickets. I saw the rehearsal and it should be a very enjoyable evening. Tickets are only \$1.25 per person. If you'd like tickets and haven't been approached, call Lola Rosenthal at WE 5-0960. Performances are March 30 and 31 at the George Jackson School. See you then.

Patricia Marie is the name of the new arrival at the home of Mr. and Mrs. Michael Daley of 3737 Dianne St., Bethpage. The little lady made her arrival Sat., Feb. 24, at Mercy Hospital.

All About Love

The West Birchwood Little Theatre Group is hard at work rehearsing for their up and coming production of "The Tunnel of Love." This riotous comedy is a must on everyone's social calendar for the weekend of March 30 and 31. Under the superb direction of Elaine Sine of Syosset, the budding thespians in the cast are truly blossoming forth with exciting talent. Carl Denny, as Augie, is screamingly funny as a husband caught with his defenses down. Phyllis Stern, a newcomer to the group, plays her role of Isolde with all the charm and wit of a wife not easily felled. Ken Gmora is truly professional in his role of Dick, the casanova, debonaire best friend. His innocent, naive, completely trusting spouse Alice is perfectly played by Lola Rosenthal. The sophisticated, clinically scientific "other woman", Miss Novick, is portrayed aptly by Annette Rubinstein. Miss McCracken, the cheerful do-gooder from the adoption agency, gives Elinor Winthrop an opportunity to display her sense of comedy. Put all these characters together on the Jackson School stage and you come up with the hit of the winter season—THE TUNNEL OF LOVE. DON'T MISS IT.

Jericho Lodge Holds Open Session

At nine P.M. on Monday evening, March 12, Jericho Lodge, Order Knights of Pythias is holding an open meeting at the Four Seasons Country Club Jericho Turnpike, Woodbury. The guest speaker will be Dr. Rebecca Litwack, noted Marriage and Guidance Counselor, who will give one of her most interesting lectures. Following there will be a question and answer period; and of course, coffee and cake. ALL ARE INVITED.

The motto of all Knights "Friendship, Benevolence, and Charity" expresses in general terms the objectives of all members of the order.

President's Corner

by Carl Denny

As of Saturday, March 3, I was informed by the law firm representing the Patri Holding Corp., that the application for downzoning the area behind the model homes had been withdrawn. The letter indicated that this withdrawal was final and that the state is now contemplating condemning this property "in connection with the operation of Northern State Parkway and the Long Island Expressway." The letter also indicated that the pressure and opposition of your Civic Assoc. was recognized and in the words of the law firm "we are withdrawing this petition, so that there will be no hearing to be held on March 6."

May I at this time thank the community at large for their cooperation, with a special note of thanks to both the Republican and Democratic committeemen who quickly responded to our request for assistance. Our thanks to the Police Dept. who publicly came out against the proposed motel/restaurant because of the added dangers the traffic would create at this already hazardous intersection. My thanks to the other Civic Associations who also were willing to aid us in this common fight.

Your Civic Assoc. is well aware of the frequency of accidents at the sole entrance to our community, our membership may rest assured that we are as of now actively taking steps to insure the relief of this dangerous and potentially deadly situation. I know a solution must and will be found in the near future.

To those who attended our last Board of Directors meeting at the Robert Seaman School, firstly, congratulations on the marvelous turn-out and secondly, I know that the report of the EDUCATION COMMITTEE was both informative and clarifying.

Those of us who attended our dinner-dance Feb. 24, owe a debt of thanks to our SOCIAL COM-

250 Residents At Bd Meeting

by Myron Kanter

Over 250 residents of West Birchwood attended the open board meeting on Feb. 21st at the Robert Seaman School. The basic reason behind this meeting was to register a strong protest against the petition for downzoning the area behind the model homes at the entrance to this community. After much explanation and discussion as to proper legal procedures a motion to oppose the downzone application and to authorize the Board of Directors to retain competent counsel if necessary was overwhelmingly carried. It has been subsequently reported by President Carl Denny that the application has been withdrawn.

President Denny then introduced Jerome Strauss who presented a report from the Joint Jericho Education Committee. This report contained the following highlights:

The Joint Education Committee did not consider it to be within the jurisdiction of the committee to decide on administrative policy of the school district. However, it would make recommendations. Personal school problems should be resolved by first meeting with the teacher, and then higher authority if necessary.

The Joint Committee indicated the advisability of erecting a separate Junior high school rather than an expansion of the high school. Present facilities are inadequate.

The school curriculum should be expanded (language labs, advanced science and laboratory facilities).

The whole concept of teacher recruitment in Jericho should be looked into. Salary wise Jericho is in the top 25%. Yet, the necessary adequate balance of experience in the teaching staff is missing.

An outside private agency should be retained in the near future to evaluate the school district to see if it is performing at its maximum.

Class size should not be enlarged just to save money as the quality of education would suffer.

Dr. Carlin and Mr. Mayhew, members of the Jericho School Board were in attendance and answered inquiries directed at the school board. They suggested that more residents attend school board meetings which are held the third Thursday of each month at the Cedar Swamp Wing of the high school, 8:30 PM.

School Super Resignation

The following press release was received by the West Birchwood News.

The Jericho School Board (U.F.S.D.#15) has announced the acceptance of Dr. Kenneth A. Lant's resignation as Superintendent of the District.

"Dr. Lant has served the District continuously for 18 years. Because of fatigue and a desire to continue further study of educational administration he presented these facts to the Board and it was mutually agreed to accept the tendered resignation."

"Dr. Lant has been Superintendent during the period of the District's most rapid growth and plant expansion. The District has grown from 900 children in 1956 (Continued on next page)

Floyd Bennett Again

Public notice in this issue of the HERALD discloses that Floyd Bennett Stores is seeking a special permit to add to "existing wall sign" on his Jericho building. Public hearing is Mar. 15 at 7:30 PM before the Zoning Board of Appeals in Oyster Bay.

Dr. Lant Resigns

Dr. Kenneth Lant has tendered his resignation as Superintendent of the Jericho School System to the Jericho School Board. The resignation was accepted and became effective immediately. The Jericho School Board appointed Dr. Leon Westfall to serve as temporary Superintendent. Dr. Westfall is currently Director of Student Personnel and has rendered service in administrative capacities under Dr. Lant.

Dr. Lant, president of the Jericho School Board, has expressed his complete confidence in the school staff, and in its ability to maintain the highest educational standards. The Board expects that Dr. Lant's successor will be an administrative officer of high calibre, and will spare no effort nor time to bring a new person into the office of Superintendent.

Villager Arrives

We are happy to report and you will have noticed that you are now receiving the Villager. After many months of frustrations, we have been able to make up a new set of name plates, deliver them to the publisher, Fred North, and now ONLY MEMBERS are receiving the VILLAGER.

Bills for the balance of this year were sent out two weeks ago. Many members have held off sending in their dues until they received the paper as promised. We have fulfilled our promise. Now let us hope that you will send in your dues.

A Civic Assn. is only as strong as its members. In spite of the complaints of few. The Civic Assn. does a good job. Many of its Board Members and officers spend several days a week working for the Community's benefit. The least we can do is show our appreciation by given dues paying support.

Purim Weekend

The Jericho Jewish Center will present a Gala Purim Weekend at the Temple, Broadway-Hicksville, Jericho, beginning with a service on March 16. There will be a special service for the Jericho school beginners who will participate in the regular Friday Service. Special Time - 7:00 PM.

On Sat. Mar. 17, the center will sponsor a Purim Carnival, featuring a manner of games of chance in honor of the festive Purim days. (9 PM at the temple).

Sunday, Mar. 18, promises to be a most rewarding day for the Green. The return to the center "Bull Bitten" as "Pozo" the lion and "Doris Faye" as "Princess Ticklefeather" along with all carnival booths is eagerly awaited. Tickets are \$1.25 a most enjoyable afternoon.

Mr. Jandorf has tickets at 7458.

On top off this weekend, on Monday March 19, at 3:45 PM the Jericho Religious School will celebrate Purim by joining in a "Sing" (Zimra), Productions and "Kriat Matillah". There will be prizes for the best song in each of the four class categories, as well as refreshments to all visitors attending.

Monday, Mar. 19, in the evening an adult Purim Service will be conducted with the reading of the Megillah and the theme of the evening is "anything goes". Following the Services, which begin at 7:30 PM, a party is being sponsored for the members and their friends.

Ten Pin Talk

by Henry Dockswell

The last excuse has now been obliterated. All you guys who kept telling me, "What's the sense of bowling 200. We don't get the VILLAGER anyway, and if we can't read about it, who's gonna bother?" you're on your own now. According to all reports everyone is getting the paper. That's good, now we'll at least get a new batch of excuses. But some of the boys don't need any excuses, they just go out and do fine. Like Morry Herrick with a 201 (this is his second week in a row), Fred Sapio, ditto 201 (also his second in a row), and Milt Goldberg with a strong 223. Milt is a member of Elliot Spencer's #7 team who this past week came up with a new High Series from Scratch with a 2419.

That #9 team captained by Al Samuels, is still clobbering all opposition. For the third time in five weeks they swept all 4 points from their opponents. They kept finishing last half (when they finished 7th) that they were a much better team. They're certainly out to prove it. It's Batterman's #8 team's turn this week, so Dave, see if you guys can stop them. At least slow them down so the rest of us can catch up a little.

Checking through these last five weeks we find that Nat Garfinkel and Bernie Spiegel are neck and neck for the honor of being the most improved bowler. Nat has raised his average 5 points and Bernie 4 points. This is very difficult in just 5 weeks so these boys have really been bowling.

Len Walnick was home last week, recuperating from minor surgery. His team sure missed him (they won all 4 points). We could have said he would be down this week to heckle us.

The date for our end of season dinner dance has been changed to June 15. We had to go through quite a "rip-rap-rap", and some of us felt that it wasn't worth all the aggravation, but for the sake of harmony in the community, and because it became possible to do so, it was finally switched.

All of us in the league wish to express our condolences to Ed. and Hy Roseman on the sudden passing of their brother, Archie. We all know Eddie of course and we remember Hy who bowled with us last year.

Expensive—but worth it!

A new little citizen costs the people of the State of New York a lot of money—for 12 or more years of public schooling. But there is no finer investment. Schools are built and operated with tax dollars—yours and ours. Last year, New York Telephone paid \$125 million in taxes to the state and to its local communities. If used for schools alone, that would build more than 100. In taxes, payrolls, new construction and purchases your telephone company expended over a billion dollars last year—dollars that help to keep New York State's economy healthy and growing.

Offer Businessmen Speed Reading

On the recommendation of several real estate and insurance brokers in the area, a course in rapid reading, designed especially for this business field, will begin this Tuesday evening. This interest was brought about by the realization that increased rapid reading ability may cut office costs by as much as 50% and permit a broker to stay abreast of all of the happenings in the field.

At least 60 per cent of the daily working time spent by insurance men, real estate brokers, lawyers and their secretaries is used for reading, it is said.

The classes, to be given twice weekly for five weeks, will be held at the Professional Center for Learning Skills at 10 Willsborough Ave., Hicksville. Modern reading machines and proven techniques are used to double the present reading speed while increasing comprehension. The course is especially designed to include the reading of contracts, policies, correspondence, and newspaper ads.

For skeptical brokers, the first class will be optional. Representatives of many agencies will attend the first session and will prove their own ability to themselves. However, reservations for a seat in the class must be made by phone in advance. For further information, call WE-8-4595.

Democrat Club To Hear Sol

The next meeting of the Hicksville Regular Democratic Club will be held Thursday Evening, March 15, at 8:30 P.M., at the Old Country Manor, 244 Old Country Road, Hicksville. The agenda for the meeting will be regular business followed by guest speaker, George Sol, Democratic Candidate for U.S. Congress for the newly formed Third Assembly District.

COMETS WIN 11TH—It's tournament time in the old basketball court with both Hicksville Plainview entering the playoffs as co-owners of the North Shore Section 1 title. Both finish their regular season last Friday night by copping their 11th league wins. The Comets took a 59-50 decision over Farmingdale in the "Gulls" nipped Syosset 61. That gives both the identical league record of 11-1 with Comets closing out decisively at 17-1 overall throughout last week both teams were aware of the fact that they earned playoff spots but the question still left unanswered after Friday night's game—which of the two teams was to be awarded the spot in the tournament? This finally had to be decided by the toss of a coin and Plainview won the honor of taking on New Hyde Park, South Shore Section IV, runnerup, and the Comets were awarded Malverne, a South Shore Sectional winner. This again is "Championship Row" where you get to meet the banana's in both the South and North Shore leagues. But, my crystal ball figures the Comets have the kind of team that could go all the way. The results of the Malverne tilt will be past history by the time this column gets to print, it's never-the-less, my stab in the chest in the opener by a point read of 10.

ORE HOOP HI-LITES—comes from Junior High Basketball coach Dick Hogan. Dick reports a strong

finish for his 7th and 8th grade "Meteors". After dropping the first five games of the season they rallied for 3 in a row. Closing up shop with a 3-5 record. Bill Fyffe and Bob Klaren were the top scorers, with Jim Bergholtz, Bill Sjén and Jim Boyle rounding out the action. Hogan felt the seasonal efforts of this team were much better than the record indicated. "We got off to a poor start," he said, "but after a few setbacks, we learned not to make the same mistakes twice." The new deduction, a new basketball hit the scales for the first time, last Jan. 29 at Brookhaven Hospital in Patchogue. Name, Caroline Hogan, born to the Mr. and Mrs. R. Hogan and weighing in at 6 lbs. 11 ozs. Mom and Pop Hogan now have a league record of 1-0 in this department.

JUNIOR HIGH MAT FACTS—Coach John Santoro reported a seasonal wrap-up of 4-3-1 for his Jr. High wrestling squad, after taking the seasons' finale from Farmingdale 29-14. Undefeated Meteorites over the regular season were Rich Justman, (7-0), Tommy Boyes (6-0), Russ Mahler (4-0), Church Frazier (4-0-2), and Rich Buonpane (2-0). Wrestling legman 8th grader, Henny Scargella added to the info by stating a more experienced squad will be on tap for next year. "Most of the boys were 7th and 8th graders," he said, "and they'll all be back to get us off to a flying start when the new season rolls around."

Final Sign-Up For Ball Players

The Hicksville Baseball Assoc. Inc. wishes to announce that final registration for all boys 8 to 18 years of age will be held on Saturday, March 10, at Levittown Hall between the hours of 1 p.m. and 4 p.m.

Parents of boys who wish to play baseball for the 1962 season are reminded that they must register their boys on this date. Because we hope to start our season earlier this year, and tryouts must be held, this must be our final registration.

The Assoc. would like to take this opportunity to welcome the following businesses as new sponsors for 1962: Certified Preferred, Inc.; Chicken Delight; Beef Tater; Athletics Corp. of America.

Like a phony excuse to push away the Korean Bonus by suggesting that if the public is taxed an extra 1¢ a pack on cigarettes, that the money should go to help the schools... Let me dust off the record on the Bonus Question... In 1948 the Legislature voted the WW2 Bonus, but in 1953 the lawmakers, without first appealing to the taxpayers, switched the title from "war bonus" to "war veterans and mental health bond account." Thereafter all monies raised from the two imposts, an increase of 10¢ in income taxes and a special tax of 1¢ on cigarettes, went into this double purpose fund... Up to March 31, 1961, the State collected \$900 million dollars from these two sources... In the same period the war bonus, as such, was retired at a cost of approximately \$400 million dollars. Although the WW2 bonus has been paid in full, the state has collected some \$300 million dollars more by the little known title switch to include mental health... For Governor Rockefeller and his top echelon politicians who rule the roost (although us voters put them there) to say that money for schools is needed far more than the veterans need the Korean Bonus is sad and is something awful close to hinting thievery on the part of the Korean Veteran... The Korean Veteran would be the first to say "give the money to help the schools!" If this were a true fact but the true fact is that if the Legislature could in 1953 switch title to include mental health, they could well switch titles once again to include "school aid."... We like to hear talk about America being for Americans and not for Communists but a glance at statistics of what the Communists are doing on a global basis is revealing and I think you should know... Shocking are the figures showing that the missionaries preaching Christianity are converting 1 person to every 70 converted to Communism by Red missionaries... I don't like their method of conversion but they are getting results... Think it over, you may come up with the right answer to this problem...

St Ignatius Grammar Champions

St. Ignatius Grammar team won the Section III C.Y.O. section championship.

In a heartstopping battle, St. Ignatius squeaked out a 28-26 overtime victory over St. Martha's of Uniondale.

Tom McAuley's two pointer in overtime gave the Saints the lead they were just able to hold on to against the bigger St. Martha's team.

Augie Reinhardt's 9 points lead the grammar team to a 10 and 1 overall league record.

Big John Newsum's 11 points and little Bud McCarthy 9 points were not quite enough to give St. Martha's the victory. St. Martha's 8-3 record only shows 3 losses to St. Ignatius.

Harry Harding and Andy Prossowski's key baskets and board work and the defensive play of Jimmy Gallagher and Steve Town Hall, Oyster Bay, New York on and after March 9, 1962, during regular business hours.

Legionnaire's Log

By ARTIE RUTZ

The BIG news today is that a member of the Charles Wagner Post is going to run for an elective county office at the coming 3rd Division Caucus in Sea Cliff... His name is Mike Chialdella, presently Nassau County Membership Officer and recently transferred from Plainview Post although Mike has been living in Hicksville all the time... He has twice served the county as 3rd Division Commander as well as many other jobs on the Post level... Mike will run for the office of Adjutant in the County Staff and if his work as Membership Officer is his criterion, he'll make a swell addition to any Commander's Staff... One of the things that has made Mike happy in his present job is the fact that our Post is over its quota and is headed for the best year in its history... Only a few more and we will top our all time high... Let's get 'em fellows... Whoops!... We got one already, his name is Joseph Lohelbe and he was brought in by Joe Uez, our Chaplain... Good work, chaplain...

If Lt. Colonel John H. Glenn's orbital flight was "out of this world" certainly the flag manufacturers are going into an orbit of their own as Glenn's feat and patriotic words did more to encourage the flying of our National Colors than all the efforts of many organizations... Suddenly it seemed to be Spring all at once... But not with Dame Nature bursting out in a fresh bloom of colors, but with America, and New York City in particular, bursting with pride and our National Colors blossomed out everywhere... Suddenly it became very fashionable again to fly The United States Flag... Commander Pete Muller promptly dispatched a telegram in the name of the Post offering our congratulations and offering Colonel Glenn a membership... Now let's go from the sublime to the ridiculous, to put it mildly, as the name of that America-hating Charlie Chaplin keeps cropping up in the news these days... Be-

warned now that an attempt is underway to pave the way (with your money) for his return to America, the country that gave him everything, fame, fortune, fair female and family... And whom he so thoroughly raged against when he fled to Europe...

The first step will be to get his old films on TV (for a nice fat rental fee of course) and then this fresh cash will go to those here in America who will do anything for a dollar and suddenly you'll be reading that poor Charlie is a very much misquoted and misunderstood little fellow... The American Legion will watch developments closely but the minute any network announces it will show the Chaplin films will be the signal for you, you and you to pick up your phone or pen and let that network know just how you feel about the whole thing... Stay on your toes...

Spoke to Nassau County, Commander Jack Rough the other day and he was present in Washington when Col. Glenn spoke to the Legionnaires assembled there for the annual Rehabilitation and National Security meetings... Oh yes, he did get to shake the good Colonel's hand... Jack also told me that they met with President Kennedy and that the President had nothing but high praise for The American Legion... It seems even Presidents can learn...

Hicksville Legion Hall, Inc. has now been expanded to its full strength to better handle the up and coming quaker-than-you-think expansion of our Post home... Rudy House is President, Jack Ehmann is vice President, Allen S. Carpenter is Treasurer, Henry Brangel, Sr. is Chairman and Trudy Rutz is Secretary and the balance of the directors are Bob Hazel and Sophie Sutton... Century Club Bond Sales now total \$11,700 spread among 94 members... Only 6 more members open so if you have thought about joining the Century Club get your pledge to Jack Ehmann right now because Century means 100... Seems

Senior Girls Ready for Button Bay, Vt

By KATHLEEN MILL
Senior Scout, Troop 19

On July 18, Senior Scouts of Mid-Island Council Girl Scouts, will leave in style for Button Bay, Vermont, in order to participate in the third Girl Scout Round-Up. At this Round-Up, there will be 10,000 people of which 5,500 will be Scouts from all over the globe.

All these activities began on March 12, 1961 when there was a Senior Round-Up kickoff at which time each Senior received a formal application.

These applications were sent to Council office and patrols of eight girls each were set up. Girls in each patrol had never met before. Soon our weekly patrol meetings began and we planned for our first try-out which was a camp-out at Girl Scout Camp Wha Cha Wana, Melville, for a weekend in June 1961. During this camp-out, we really got to know our patrol mates and were watched by the "Selectors". The real test was still to come. Summer came and we all got a well deserved rest.

Sept. 1961, our patrol meetings began, this time planning for a try-out. Each patrol had a specific job to do. Our patrol was in charge of refreshments. Each Scout had to bring a "Swap" (an article depicting the area in which she lives) which we traded with another Scout. At this time we were interviewed then judged by our appearance, our personality, our ability to mingle and the way in which we behaved. Each girl had to teach a song or dance and trade her "Swap" with someone else.

The next patrol meeting, we planned for the final camp-out. At the September Camp-out, each patrol was observed by a "Selector" as we pitched tents, got used and prepared for the night.

Breakfast Held At Holy Family

The Second Annual Mother-Daughter Communion Breakfast, of the Girl Scouts and Brownies of the Holy Family Parish, was held Saturday, March 3, at the Holy Family Church in Hicksville. An inspiring address was given by Rev. Christopher Fagan, Pastor of Our Lady of Lourdes in Massapequa. Also in attendance were Rev. Martin O'Dea, Pastor; Mrs. Shannon, Rosary Society Rep.; Rev. John Rowen, Moderator; and Mrs. Margaret Chiz, Parish Coordinator; Mrs. Gladys Kozak, Chairman of the Community breakfast.

The following members were presented with Five Year Girl Scout pins: Leaders, Mrs. D. Demers, Mrs. A. Peru, Mrs. R. Malwe, and Mrs. M. Zenker; Scouts Susan Leary, Mary Chiz, Marilyn Moran, Judith Peru and Eileen Sewak.

The presentation of a knitted afghan for St. Giles Hospital was made by Troop #356 Barbara Vo-della, #437 Kathy Sloan and #340 Anne Menton. It was accepted by Mrs. Helen Goldmann, Neighborhood Chairman.

Brownie #95, Leaders Mrs. Evelyn Broesler, Mrs. Loda Stone, Intermediate #6, Leaders Mrs. Bernice Adams, Mrs. Mae Desiderio; Intermediate #134, Leaders Mrs. Florence Comellas, Mrs. Virginia Heger.

FORK LANE NEIGHBORHOOD - Neighborhood Chairman, Mrs. Arthur Goldmann We, 1-5385, Publicity, Mrs. Irene Kleiner, Troops and Leaders not available.

JERICHO

Neighborhood Chairman, Mrs. Julian Cascardi We, 8-6182, Troop Listing and Leaders not available.

For the next two days, we were also observed as we ate by different "Selectors". The highlights of this camp-out were the songs, wide games, flag ceremonies and the very inspirational "Scouts' Own" with Nature as its theme. During this camp-out, we were judged by our personality and our ability to get along with other people not by our skills in camping alone.

Oct. 1961 we and our "Selectors" boarded buses for a thrilling and historical tour of Old Stony Brook. We visited the Suffolk Art Museum, the Yacht Basin and the Carriage House Museum. During our trip, we were observed again for our reactions to public observations. This terminated all the try-outs. Now the waiting began to remember to the "Selectors" each Scout was a number and each number was evaluated by points. Late October was D-Day (Decision-day) all Scouts were informed of the selections.

At our first training session, we were received and con-

gratulated, introduced to our Round-Up Guides and given information papers. From then on, each session was held on the second Saturday of each month. November was demonstrations month- December was knots and crafts month- January was our door skills- February was photography. Now, until we leave for Button Bay, work will be suffer, training harder, funds scarce and equipment fever. To help solve part of our problems, The Mid-Island Council Girl Scouts, Inc. will have a "COUNTRY FAIR" at Wantagh High School, Beltagh Avenue, Wantagh, April 8th from 12 to 5 p.m. Donations 10¢ a person 25¢ a family. Door prizes. Proceeds will go to Mid-Island Council 1962 Round-Up Program.
