\$395,000 Swimming Pool On School Ballot May 2

The question of a \$395,000 bond issue to finance a permanent addition to the Hicksville High School housing a double swimming pool will be on the ballot at the May 2nd annual election. The School Board by a vote of 4 to 2 added the question at the last minute, Friday night.

It had been assumed in some quarters that the question would not be ready for the May 2nd voting. Knappe & Johnson, architects, had been engaged only a few weeks before to draw plans.

The item of an indoor pool was not on the agenda for the meeting last Friday night. However, about 15 letters were received by the Board in recent weeks from residents stating "I am in favor of a vote for a swimming pool being put on the May referendum." The letters had a curious sameness in text.

A group of about 40 men and women, with a few children, turned up at the Board meeting as being "pro-pool". When the final vote to include the question on May 2nd was carried they applauded and then left the meeting room.

Herbert Johnson and George Jackson, both asserting they are not opposed to pool, voted no on including the question on May 2nd. They individually expressed the opinion that since Dr. Felix McCormick has been engaged to make a study of educational facilities the community may need in the future, they preferred to wait and see what other educational plans requirements are required before bringing up the pool question.

Voting in favor of the May 2nd pool decision was President (Continued on Page 12)

District Girl Scouts III, of the East Woodland Ave. School area, recently had a window display of hand made articles in the Pergament Paint Store, Hicksville. The theme was "Adventuring in the Arts."

Major Storm Water Project Here

OYSTER BAY TOWN BOARD will receive bids April 11, according to Supervisor John J. Burns, on a major storm water drainage project in Hicksville involving the above area. The project includes temporary resurfacing of excavated roadways and finally a bituminous macadam permanent surface. Also included is replacement of streets, utilities, plants, shrubs, sidewalks, curbs and driveways. Involved in the job, estimated by engineers as costing \$7000,000, are almost two miles of pipe lines from 42-inch to 15-inch diameter.

More Starters Likely:

Three Announce For School Board

Three candidates for the Hicksville Board of Education in the May 2nd election announced themselves this week and more were expected to follow prior to the deadline for petition filing in mid-April. There are two three-year terms on the Board to be filled by the voters who register either April 21 or April 25.

Announcing they will run are: George W. Kunz of 45 Arcadia Lane, William A. Bruno Jr. of 53 Hunter Lane, and Robert F. Mathieson of 8 Sutherland Rd. They made individual announcements and did not indicate the vacancy each will seek.

Over a period of weeks there have been published reports that Mrs. Phyllis Neuburger of 12 Amherst St., leader of a movement seeking to force a referendum on a four-million dollar junior-senior high school, may be a candidate with a running mate under the auspices of the school board campaign committee. She is the group's secretary.

No incumbents are apparently seeking re-election to the school board. Robert D.P. Eaton, whose second three-year term expires June 30, says he plans "to retire". The other seat, vacated Dec 1 when David Hurwitz moved out of the District, has not been filled by appointment.

The following are the candidate announcements in substantially the form released:

Kunz is Active In Local Politics

George W. Kunz of 45 Arcadia Lane announced that he will be a candidate for election to the School Board at the annual election in May.

He is 34 years old, married, and the father of three children, all attending Hicksville Public Schools. An alumnus of Hicksville schools himself, Mr. Kunz graduated from high school in 1945. His grammar school education was at East Street where his former Principal, Miss Nina Plantz, is still at the helm.

Mr. Kunz was formerly active in the South Hicksville Assoc. of Levitt Homeowners when, from 1951 to 1954, that organization successfully fought to retain identity with our community for all Levitt-built homes constructed within the confines of our boundaries. At the time, there was a strong movement to have those homes incorporated into the Levittown community. Although only 23 years old at the time Mr. Kunz was elected President of the SHALHO organization. In the same year, he was appointed Committeeman for the Republican Party in the 45th E.D., a position he still holds.

After graduating from High School, Mr. Kunz was employed by Shipowners Claims Bureau, a Marine Insurance firm in New York. He is presently employed there as a Claims Administrator. He has attended the Insurance Society of New York where he successfully completed a number of specialized courses; Pohn Institute, where he qualified for an Agents & Brokers license; Pace College, where he majored in Accounting; and in 1953 he completed the Dale Carnegie Course in Public Speaking and Human Relations.

Two years ago, Mr. Kunz gave a ten-week public speaking course to members of the Ernest F. Franke Republican Club. Just six months later, he authored a play entitled "More than Meets the Eye", which portrayed the role of a committeeman in public life. A few years ago, Mr. Kunz

WILLIAM A. BRUNO, JR.

served on an Advisory Committee to the then constituted School Board. He is member of the Parkway Community Church of Hicksville.

Bruno Is Manager of Insurance Office

William A. Bruno Jr. of 53 Hunter Lane, Hicksville, announces his intention to seek a vacancy on the Hicksville Board of Education in the May 2nd annual District Election. The announcement was made by the life insurance agency manager at a meeting of neighbors and friends at his home earlier this week.

Bruno is married and the father of two daughters attending the District schools. He is manager of the William A. Bruno Jr. Agency at 55 North Broadway. He has been a resident of the school district since 1953.

Bruno said he was impelled to run because no incumbents are candidates for re-election this year and he felt it his duty as a parent taxpayer and businessman in Hicksville to make himself available for this important community service.

While he said the details of his candidacy will develop in the weeks ahead, he declared he feels there is an outstanding need in a community of over 50,000 persons with approximately 13,000 boys and girls in the public school system for greater community understanding of the educational program and the many ramifications of a system which ranks among the 15 largest in the entire Empire State of New York, including the City of New York.

It would be his constant goal, he told the group, to develop broader interest in the part of all Hicksville citizens in the schools their goals and achievements.

Bruno and his committee of friends are urging all residents to be sure they are registered so they can vote on May 2nd. Less

than 4,000 voters are currently on the books. New registration days are Saturday, April 21 from 10 AM to 5 PM and Wednesday, April 25 from 4 PM to 11 PM.

Bruno is a member of the Lions Club, American Legion and other organizations.

He attended Admiral Farragut Academy. Following two years with the US Navy Air Corps in World War II, he attended Adelphi College. Three years later he was recalled to Naval duty and served two years during the Korean War.

He was engaged in accounting work before he became active in insurance and has held million-dollar status as a life insurance salesman for nearly every year. He currently is manager of an office employing 10 people.

Mathieson Phone Co Staff Engineer

Robert F. Mathieson of 8 Sutherland Rd., Hicksville, an engineer who until recently had been a budget appropriations analyst for over two years, disclosed that he plans to seek election to the Hicksville Board of Education on May 2nd. No incumbents are seeking re-election.

The father of two children and a Hicksville resident for over six years, Mr. Mathieson will receive his master's degree in economics from New York University in June of this year. He has devoted the last 12 years to college studies at night. He is a staff engineer with the New York Telephone Co in Manhattan.

At a recent meeting of friends who had gathered to support his candidacy, he discussed the educational impact of the scientific revolution that is now engulfing the nation. He said that he intends to dedicate himself to the challenge of insurance that opportunities for higher education are made available to all students in Hicksville.

In 1960 he was chairman of a career guidance program in Manhattan for Junior High School students.

Employed as a speaker's helper by the Telephone Co after graduating from high school, Mr. Mathieson attributed his rise into the ranks of management to his college studies at night over the last 12 years. He believes his experience in education and industry can be an asset to school affairs in the community.

He is a member of the American Economic Assoc., Past Associate of the American Institute of Electrical Engineers, St. Ignace Loyola Holy Name Society Midland Civic Assoc. in Hicksville and the Econometric Society.

He is the 1962 chairman of the American Red Cross fund appeal in Hicksville.

To Hear Speaker

On Thursday evening, April 12, at 8:15 p.m. the East PTA of Hicksville will hold its regular monthly meeting in the school auditorium.

The speaker for the evening will be Miss Grace M. Skanstret, Director of the Children's Centre, Adelphi College, Garden City.

Chosen for leading roles in the spring theatre production of "Hicksville" High School on May 3, 4, and 5 of the musical comedy "Bragadoon" by A. J. Lerber and F. Lowe. It is being offered thru the cooperation of the English, Music and Vocational departments of the school, with dance choreography by A. Bevan, orchestral direction by C. Carnold and technical direction and business management by Mrs. K. Fletcher.

Cottons for all occasions will be presented in a fashion show on Friday night, April 6th at the Lee Ave. school, Hichville, at 8 p.m.

Round-the-clock apparel ranges from housecoat to formal and includes several styles for children.

Plans for the show are announced by Mrs. Dorothy Berard, Chairman of the P.T.A., Ways and Means Committee. Mrs. Rosemary Farrington will serve as commentator. Models will include: Art Rogger, Betty Beutelman, Marion Snekenberg, Evelyn Stahl, Sue Laurenti, Edna Charles, Ann Landress, Hazel Halper, Gloria Sprague, Edna Knott, Jean Lanzlotta, Anne Pomeroy, Martha Fusco, Mary Ann Jones, Josephine Blanche Leddin, Catherine Hebrank, Lena Harknett, Olive Skelly, Miriam Wyman, and Blanche Bennett.

The half-pint models will be Lynn Harris, Adele Lanzlotta, Peter Izzo and Lynne Snekenberg. Door prizes and entertainment are added features.

Now it looks like six or more candidates for the two vacancies on the Board of Education, although no one has officially filed a designating petition. The Hicksville PTA Council is planning to hold a Candidate's Forum at the High School Little Theatre, probably on April 25. Hicksville Firemen have asked HENRY G. EISENBAUM to be the honorary chairman of their annual welfare appeal this year. Hicksville Rotary Charter Night is April 14 at Milleridge Inn. Fork Land PTA of Hicksville holds a meeting April 10th. James H. Co. Manager AL LAMPHIER has become manager of the local Park office. He has been replaced here by C. WILLIAM JONES. HENRY C. BRENGEL attended a Kiwans Club meeting at Highland Park, Chicago, in mid-March. The Hicksville Kiwanis will hold their Ladies Night at the Huntington Crescent Club on Saturday, June 16. Recent issue of Northport Journal has picture of our old friend NICHOLAS SCOUNOPOULOS on the front page quoting him as chairman of the social studies dept at Northport High School. Although the need for proposed expansion of the high school out there is quite a bit of talk in circulation about "primary fights" here, MICHEL L. ALDROUSE, 24 Hope Lane, Hicksville, who was recently named to the NY Herald Tribune as THOMAS E. KUNZ, son of Mr. and Mrs. W. THOMAS KUNZ, of Cohocton, N. Y., a senior in Cohocton Senior High School, has been accepted by Genesee State University College. He will enter in September. He will major in Education. He is also a recipient of a New York State Scholarship. Thomas is the grandson of our good friend, MRS. J. J. ALLEN, 144 Westlawn Ave., Hicksville...

The Hicksville Community Concert Band, under the direction of Charles F. Gousie, will present its final program of the Season on Wednesday evening, April 11th at 8:30 P. M. in the auditorium of the Hicksville Junior High School, Jerusalem Ave., Hicksville, New York.

St. Ignatius Rosary Altar Society meeting will be held at 8 p. m., Friday, April 13. The annual cake sale will be held in the school cafeteria on Palm Sunday, April 15, after all the Masses, and on April 19, Holy Thursday. The members will march in procession and receive Holy Communion at 8:00 p. m. Mass.

The L. A. Ave. School, Hicksville, is pleased to announce that Mrs. Dorothy Waldo Phillips, well known lecturer and author, will present a most effective program to an audience of parents and teachers after a day spent working with the children. Actual questions and problems can serve as the topics of departure. Mrs. Phillips will be in attendance at the P.T.A. meeting on April 12th.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville

By ARTIE RUTZ

The pot's boiling and the aroma is delicious! Meaning, of course, that the Post voted overwhelmingly at the last meeting for the immediate expansion of the building and all it portends...this means that the Building Committee will continue the wonderful and fruitful job it has done since October, accomplishing in a relative short space of time what several other committees were unable to do...his means also that by the time you are reading this there will have been consultations with an architect with the view in mind of starting construction at the earliest possible moment so that the expanded Post Home will be ready to serve the people of Hicksville and The American Legion late fall or very early winter...is also means that now friends and relatives of Post and Auxiliary members will be able to buy for vestment the new preferred offering of 62 10 year Bonds because the sale is opened to the general public...this also means that the Post has a mighty big heel to kick and now is the time for all good men to step forward and help by putting their shoulder to it...

One thing in this direction that you can do is to spread the word that our hall is available for weddings, meetings, parties, etc. and he man to contact is Bob Hasel at WE 5-1033...And don't forget a project as large as our building expansion means that many hands will be needed to make things go and there's nothing like more members to do this with...Even though we have now broken our all time membership high, if you have a friend or neighbor who is eligible to join, now is the time to bring him around and get him signed up...the more the merrier and once the building is completed we will have a clubhouse that anyone will be proud to have...Another very important happening at the last meeting was the awarding of a Citation and The American Legion Medal of Merit to one of the Post's most outstanding and long time Legionnaire, Henry C. Brangel, for his 32 consecutive years of service as Treasurer of Hicksville Legion Hall, Inc., our legal entity...Henry was out in Chicago several weeks ago when this award was made at our annual Ceremonial Night but I am quite sure that he was well surprised and very happy about the whole thing, and deservedly so...

As I said earlier, the pot's boiling, and if you have noticed when the pot boils, numerous little boiling points appear before there is one general boiling point...meaning of course that the first new boiling point to appear is our

Sunday afternoon socials at the Post from 3 to 7 P.M., starting April 29th...Bring your wife and friends as the Bar will be available and dancing to our HiFi setup will be in order...the winner of the Capsule Drawing at the last meeting was John Hogan who lost \$9 by not being there to collect it...But Dick Hochbrueckner was still present when the Dark Horse drawing went off and he walked home a winner...Just a word on our Century Club which will show its books at 8:30 P.M. at the next meeting, April 16th, there are now 105 members that have subscribed for \$13,600 worth of Bonds in this club...you still can join by that date and get in on the benefits of the setup...Just call Jack Ehmann, Tony Bellacera or even Artie Rutz for more information on this...Gosh, its just getting over being winter and I must report an affair scheduled for next fall...our annual Past Commander's Dinner which will be held this year at the Old Country Manor on Saturday evening, Sept. 22nd...the tariff for this event will be \$15 a couple and the committee headed by Bob Hasel is ready to sell you tickets right now, or at least, take your reservation (and money)...Let's have a better turnout this year and make it a real happy affair...Don't forget to get ready to turnout for the Memorial Day parade...we want YOU in our line of march!

Civics to Meet

The Northeast Civic Association of Hicksville, will meet at the Woodland Ave. School, Thursday, April 12, at 9:00 p.m. The Civic Association usually meets the second Thursday of the month.

Ten Pin Talk

by Henry Dockswell

Position might marked the midway point of the second half. For the first time, Al Samuels and his #9 league leaders were stopped. They did take one point from Norman Mey's #4 crew but that was by the slim margin of one pin. If it weren't for Howie Chadick's timely spars and strike in the tenth frame of the first game (aka Herb Brody) they would have been shut out. Even Sy Bruckner's 200 game a little later on couldn't salvage any more.

Sol Rabinowitz's #1 team bombarded Dave Batterman's #8's as they took three points and climbed over them into third place. Sam Springer's 208 was an important factor in this victory and dove came Al Minoff's bid, 201, to pick his teammates up. Fred Sapio's #2 group achieved the only sweep of the night when they overwhelmed Lou Dershowitz's #10 tall-enders and thus were able to jump two positions up to 7th.

The first division now contains three teams who finished in that category the first half. The two intruders, Al Samuels' #9's and Norman Mey's #4's, are first and second respectively. They both have set a pretty fast pace and from now on in the pressure will mount. If there are any cracks in their offense they had better be found now or else time will run out.

Letter to Editor

Mr. Seymour Berkman, Editor West Birchwood News Dear Editor:

I am a resident of West Birchwood, and a parent of an allegedly "loaded kindergarten kid". I would like to ask why your newspaper must be so chauvinistic. While it is true a newspaper should fight for a worthy cause—let's be sure of our cause. If the editorial was written with the consensus of opinion of the parents of the kindergarten children, then the paper is within its rights. But, was a nose count taken? Or, is this the opinion of a small sampling of parents?

It is true that we must take pride in our community, but we must also keep in mind that our community encompasses more than just the development of West Birchwood. In fairness, we must remember that children from other neighboring developments were attending school during the early sessions, while our children were staying in the afternoon. It may appear that our kids are going out in the coldest of mornings, but a check of temperature readings will reveal that the temperature from September to January is colder.

Secondly, think of the wonderful opportunity our children will have when spring rolls around. They will be home a little after noon, and have the best part of the day to play in the bright sunshine.

Instead of complaining that 4 hours is too much in comparison to other school districts that have 2-2 1/2 hours, we should rejoice that our school district is progressive, and that our children are doing constructive things during the 4 hours. Also, if the criteria for state assistance is 4 hours, why should we not avail

ourselves of this aid? Or would our newspaper advocate another increase in our school taxes?

I for one hope Jericho never gets into step with other school districts, for a check of the records will show that tests which were given to the 3rd and 4th graders of the last term show that our children's arithmetic ability is well above the average. Hats should be off and tipped in honor of such accomplishments of our school board, and our teachers.

As a suggestion to our newspaper, it may be well to have a liaison reporter with our local PTA's so that the accomplishments and problems of our school system could be made known to the members of our community. Unfortunately, PTA meetings are not too well attended in comparison with the number of children attending school, and far too often parents not attending these meetings do not know the problems that are existent.

In conclusion, might not President Kennedy have a good point in his program for physical fitness. Not that we must make Spartans of our children, but we shouldn't coddle them too much either. I wonder how many residents of West Birchwood had the luxury of taking a bus to and from school, or had the modern facilities our schools are providing. We should be grateful for the wonderful opportunities which are afforded our children.

West of Bway

by McKinley Ebbitz

Winter exited gracefully last week and the gradual approach of spring is reflected in the growing greenery in West Birchwood. This was a fairly placid winter when compared to last year's. The vegetation appears to be in shape and all signs point to a normal spring.

Not too many social notes this week. Connie and Charles Auerhahn of Orange Drive threw an after-theatre party last Saturday night and entertained Herb and Elaine Cohen, Bern and Elaine Monkarsh, Lola Rosenthal, Mort and Elinor Winthrop, Seymour and Rita Berkman.

Our treasurer, Al Birbaum and his wife, Liza, report the arrival of a new exemption, a second boy and the second Birbaum to be born in West Birchwood.

Something must have been doing in Chicago recently. Half the men of Saratoga Drive between Warren and Yates Lane were there at the same time two weeks ago. Harvey Levien, his next door neighbor Irving Reinhardt and their across-the-street neighbor Bob Miller made the trip. Afterwards Harvey and wife Rose spent a great weekend in Las Vegas.

Been reading the West Birchwood ad in the Sunday Times lately. One of the big inducements mentioned in the ads is the "community with its own weekly newspaper."

Jericho League

by Maurice Targove

Last week belonged to Murray Lambert... everything else was completely insignificant by comparison. He had everyone in the alley rooting for him as he bended in strike after strike until he gazed upon the scoresheet where a string of eight glared right back at him. Outwardly unperturbed, he let loose in the ninth frame with a ball a little high on the head pin and took a split. Although his perfect game was spoiled, the resounding applause attested to the remarkable feat he had performed. Murray finished up with a 254, the new high score for the league.

There were many other outstanding performances last week. Bernie Levine piled in a 242 and Herb Block rocked out a 234. In addition, Artie Ratzer came through with 212 while Jim Tasciardi was not far behind with a 208.

The Yankees, who have been storming back of late, knocked out a 2505 series, the new high for the league. The week before the Pirates had broken the previous high with a 2481. In the same week, Harold Gaines led the onslaught with a 225, followed by Sam Goldstein 223, Vinnie Greco 211 and Jack Rubinstein 206.

The Tigers continue to dominate the league maintaining a six point lead over the Braves and Yankees who are tied for second place.

Mrs. Elizabeth Connolly has been named Dean of the Claremont Secretarial School in Hicksville, where she has held a teaching position for the past year.

Meet Councilman Ed Poulos

Our Town Government has many hard working, diligent men. One of the most perseverant and energetic of our local elected officials is Councilman Edward J. Poulos. He is 40 years of age, resides at 47 Circle Drive, Syosset, and maintains his law office at 364 South Oyster Bay Road, Hicksville. He is married and has three children, the eldest of whom is now a medical student at the University of Michigan.

Mr. Poulos was born in New York City. He attended Iona College and then studied law at St. John's University. Most of his higher education was acquired as an adult. He attended school at night and worked during the day to support his family. He served in the Royal Canadian Air Force

as a flight instructor from 1941 to 1944. This enlistment was prior to the United States entering the war against Germany. Since Canada was at war at the time, a young and ambitious Edward Poulos sought the nearest route to help fight for the democratic principles he so strongly believed in. During 1945, he became a fighter pilot with the 56th Fighter Group of the U.S. Air Force in Europe. He is presently a Captain in the Judge Advocate branch of the U.S. Air Force Reserves.

He came to Long Island in 1948 and became a permanent resident of Syosset in 1953. He was a deputy town attorney from 1956-1959 and was elected to the town council in 1959, where he so ably serves today.

All our town councilmen are elected at large by the entire township. However, as a practical matter, each councilman pays particular attention to the problems of his own area. The areas of Councilman Poulos major concern are Woodbury, Syosset and Jericho.

Since becoming a councilman, he has established a constituent's night to hear the problems of residents. He is available at his office every Monday evening from 8:00 P. M. Monday evenings have been wisely chosen by him as it is the evening before the regular Town Board meetings which convene every Tuesday morning. Any constituent who cannot attend the regular Town Board meeting can meet with Councilman Poulos and make his views known.

He is on the Town Board committee for traffic control, chairman of the codes and ordinances committee and a member of the town sanitation committee, and he is presently intensively working on codifying all the town ordinances and investigating the advisabil-

Theatre Group Offers Comedy

Emboldened by the reception accorded to "Marty" last fall, West Birchwood's Little Theatre Group presented a sophisticated comedy, "The Tunnel of Love", last weekend at the George Jackson School.

The Saturday night audience of over 200 people did not sit on its hands. The efforts of our amateur actors were well received. The laughs were many and the applause was generous. This was an audience having a wonderful time and the cast of the play responded in kind.

The male leads were played by Carl Denny and Ken Gmorrah as the bewildered husbands caught in the web of amatory confusion. The roles of their wives were enacted by Phyllis Stern and Lola Rosenthal. Annette Rubinstein and Elinor Winthrop appeared as two social workers.

In retrospect we wonder by what good fortune was this play so well cast? Having seen the original version we congratulate the players on giving such realistic performances. Carl Denny, acting for the first time, was superb as was the beausous blonde, Phyllis Stern, who starred as his wife. Ken Gmorrah was impressive in his role of Denny's best friend seeking the fountain of youth. Lola Rosenthal as Gmorrah's ever pregnant wife was convincing and competent.

For our money the terrific performance given by Annette Rubinstein as the social worker was worthy of a professional actress. Her scenes with Denny and Gmorrah were masterpieces of timing. Elinor Winthrop made the most of her part as the other social worker and captured the audience. Accolades, must go to Elaine Sine for her excellent direction. It is to her credit that the pace of the play never faltered. The set, by Flo Lubin, drew applause from the audience for its professional arrangement.

The West Birchwood Little Theatre Group deserves a great deal of credit for having batted 1,000% in its two offerings. We are looking forward to the next one.

ity of adopting the State Building Code in lieu of the existing town building code.

He has won favor in our community since he was instrumental in procuring the stop signs in Jericho. He has worked very closely with the West Birchwood Civic Assoc. in attempting to alleviate many of the problems created by the L. I. Expressway.

He is presently helping to have the State install a green arrow at the traffic light at the entrance to West Birchwood to allow traffic to make a left turn into the development from Broadway. Further, he is also seeking to obtain a State regulation preventing southbound Broadway traffic from making a left turn at the intersection.

Statement From Republic

Here is a statement from John J. Ryan, vice president of Republic Aviation Corporation, and chairman of the company's labor negotiating committee.

"Republic's offer to the employees in the Machinists union is the same as the recent steel industry settlement. It is in accordance with the spirit of the times and is endorsed by the United States Government. It is both generous and workable.

"By rejecting this offer, the union is turning down substantial financial security for its members, as well as refusing working conditions which will enable labor and management to cooperate better than ever before.

"We cannot go along with union demands which would make it impossible for us to bid successfully for new airplane and space business. The entire community on Long Island would suffer, in the long run, from such an agreement.

"We hope that every Republic employee and every man and woman on Long Island will read our proposal which is summarized below. It will contribute to greater stability and economic security for everyone, as well as enabling us to fulfill our responsibilities to the National defense."

New Contract Features Offered By the Company

1. Supplemental Unemployment Benefits Plan to provide additional weekly compensation over and above unemployment compensation to employees laid off. Fund to be financed by 5¢ an hour per employee plus an additional lump sum contribution to accelerate the funding.
2. The Company will freeze the present cost-of-living of 5¢ into the base rate.
3. Cost - of - living to continue for one year with a 3¢ maximum.
4. The contract to run 2 years with wage reopener in 1963.
5. Improve the base for the assignment of overtime equally among the employees.
6. Remove restriction on qualification for holiday pay. (Formerly had to work one shift during the week to qualify.)
7. Agreed to deduct \$25 reinstatement fee on checkoff.
8. Provide unlimited time for jury duty with pay. Previously was limited to 2 weeks with pay.
9. Agreed to provide \$30,000 flight insurance on other than commercial flights.
10. Improved grievance procedure for prompt settlement of grievances.
11. Extend recall rights for laid-off employees from 18 months to 36 months.
12. Provide additional seniority protection for employees with 10 years or more seniority.
13. Amalgamation of certain jobs to provide broader base for seniority and promotional purposes.
14. Remove restriction which prohibited an employee with less than one year of service from exercising his seniority out of his department.
15. Agreed to supply additional statistical information to the Union.

Around The District

DIAMOND DUST -- Jr. High Coach, Dick Hogan, reports that 125 prospects turned out for the "Meteor", baseball squad. Since the initial report, the figure has been cut to 29 and this will be played further before the season opens on April 16. Hogan went on record as stating, "the boys had good in practice and should develop into a sound ballclub. My regular vets are Vin Moosack, Nick Carrara, Danny Boron, and Juanapane," he added, "and I expect should help to get us off to a flying start."

A similar report from Comet coach, Army Tomaine, pegs the situation in just about the same light. "We'll be starting from scratch," he stated, "and a group of returning vets should help to bolster the squad, but as things stand right now, we're in need of a lot of pitching help. Of course, it's a little too early in the season to get a complete picture," he went on, "but I figure we'll more than hold our own in the league." Huff said Army!! And we agree. The Comets should win their fair share of the ballgame.

There's no report from the Jayvee side of the diamond, but we'll be nosing around for info as the season unfolds.

A SHORT PORTRAIT--Name, Bill Jurgelevich, head of the boys Physical Education Dept. at the East St. School. Bill has been with Dist. 17 for 6 years and has been connected with the East St. School for the same length of time. He's a Hicksville resident, married, and the father of two children, Kurt and Karla. What brings his name into prominence this issue is the fact that he's the winner of the "best sportsmanship award" in the Long Island Hockey League. This award was recently given during a banquet held at the Post House in Westbury on March 22. Bill's team, the Hicksville Comets (ice hockey team) won the North Shore league Championship but dropped out in the playoffs held at the Roosevelt Rink. Nice going, Bill Jurgelevich! Keep that plaque all shined up and ready for display next fall.

NOTICE is hereby given that I shall, on the Sixteenth day of April, 1962, and the succeeding days beginning at 10:00 o'clock in the forenoon in the Treasurer's office at the Nassau County Office Building, Old Country Road, corner of County Seat Drive, Garden City, Nassau County, N. Y., resell at public auction the tax liens on real estate hereinafter described, unless the owner, mortgagee, occupant or any other party in interest in such real estate shall pay to the County Treasurer the total amount of such unpaid taxes or assessments with the interest, penalties and other expenses and charges against the property. The total amount for which the property will be sold at resale includes the amount for which the tax liens on such property were originally sold with interest thereon at the rate of six per cent per annum from the date of the original sale to the date of resale advertised in this resale, plus an amount to cover the cost of this notice. Such tax liens will be sold at the lowest rate of interest, not exceeding ten per cent per six months, for which any person shall offer to take such total amount. The following is a list of the real estate located in the Town of Oyster Bay only, upon which tax liens are to be resold with a brief description of the same by reference to the County Land and Tax Map, the names of the owner or occupant as the same appears on the assessment roll of the year in which such unpaid taxes were levied and the amount for which the tax lien will be sold at resale.
