# 43 Per Cent Leap In Voter Register

The campaign for the election of two Hicksville School Board trustees entered the final phase this week as voter registration books were closed with a substantial 5,320 enrolled. A total of 1,626 added their names on Saturday and Wednesday. Voting takes place next Wednesday, May 2, with polls open from 12 to 10 P.M. The official results will be tallied and announced at the Senior High School at about 11 P.M.

All candidates for the School Board and Library Board have been invited to take part next Monday night, April 30, in a candidate's forum in the High School Little Theatre sponsored by the PTA Council. Irving Lawrence will moderate.

After each candidate has spoken for a specified period of time, there will be submission of written questions.

The 5,320 registered to vote May 2 is not an all time record but close to it. Heavy increases were noted at Woodland, East St. closely followed by Lee Ave.

The breakdown:

School	Added*	Total
Burns Ave	83	531
East St.	441	1140
Woodland	261	716
Lee Ave	298	956
Dork Lane	150	601
Duch La	144	538
Old Country	243	739
Totals	1,626	5,320

\*Total for Apr 21 and Apr 25 registration days.

The registration was increased, largely due to the vigorous efforts of the various candidates, by 43 per cent.

All persons voting on May 2 are urged to be sure and register for the year 1962-63 as they leave the voting booths.

## 3 Board Members Endorse Candidates

Three members of the Hicksville Board of Education and two former members have joined other citizens in urging the election on May 2nd of Robert F. Mathieson and William A. Bruno Jr. to the School Board.

The citizens group stated it carefully considered all candidates filed and believes that Mathieson and Bruno, if elected, will help continue the real progress that has been made in the school system.

Joining in the message to the voters are Board Members Herbert H. Johnson, Jerome G. Zetler and Cornelius J. McCormack. Also former Board members Walter W. Schreiber and Robert Corcoran.

The following are statements regarding the various candidates in substantially the form submitted:

## Mathieson Stresses His Position

Robert F. Mathieson, candidate for the school Board for the Robert D. P. Eaton vacancy, this week asserted that believes that "purposeful recreation not only helps to prevent juvenile delinquency but that it fosters confidence and self-

discipline. The Hicksville recreation program is something to be proud of and, a study of its development indicates, it has been kept within reasonable limitations of expense."

He also declared: "One of my primary concerns is with the need for assuring opportunities for higher education and specialized training for all our students. In today's competitive technological work, this is a necessity. We can't afford to sell our children short."

He solicits the support of all registered voters to enable him to carry out his position as a member of the School Board representing all people of the community.

## Quality Education Mrs Neuberger Goal

"Mrs. Phyllis Neuberger, a candidate for the Hicksville Board of Education position vacated by David Hurwitz, this week stated that 'quality education for all Hicksville children TODAY as well as tomorrow' should be the goal of a Board of Education.

"She supports all facilities which will provide adequate instruction areas, and the return of special areas (libraries, cafeterias, and closets) to their designated use.

"She stated further that her record of attendance at Board meetings compares favorably with that of regular members; and that, as a result, she knows well the problems faced by our District. She views with alarm staggered and/or double sessions throughout Hicksville schools, particularly at the high school level. As college competition becomes keener, she feels, this prevailing problem places our children at a serious disadvantage.

"In addition, she stated that her competent and stable faculty is the heart of a good school system; a sufficient plan, a complement."

"In conclusion, Phyllis Neuberger feels that a Board of Education...

## No Opposition In Jericho District

In contrast to last year's election with numerous filed candidates, William Heston, member of the Jericho School Board whose term is expiring on June 30, is the sole candidate for election in the Jericho Annual School Election on Wednesday, May 2, when polls in the High School are open from 2 P.M. to 10 P.M. Enrolled voters will also cast their ballots on May 2 upon the Jericho School District budget for 1962-63.

The establishment of a Jericho public library which has appeared on the ballot for the past two years and was twice rejected by the majority of the voters is not an issue this year.

## Congregation Shaarei Zedek To Build This New Structure

Above is an artist's conception of the new building for Congregation Shaarei Zedek to be built at the corner of Old Country Road and New South Rd. Hicksville. The structure will face Old Country Road.

A fund drive for the project starts next Monday when an organization meeting will be held at the present Congregation temple on East Barclay St.

Sam J. Kellner, at right, well-known-Hicksville businessman and former president of the Congregation, will be honorary chairman of the appeal.

## Scouts, Leaders Supporting Pool

Boy Scouts and Scouters of the Arrowhead District are fully behind the plan for a Hicksville school swimming pool on the ballot May 2, in the School District Election.

"The existence of the pool will round out the physical education instruction program for the youth of our community," the District leaders declare.

"Not only does swimming teach our children personal body preservation in emergency but also develops strength and agility in their bodies. This will aid in the Nation's present program for increasing personal fitness of its citizens.

"All in Hicksville should recognize their duty to their children and vote yes on Proposition No. 4 in May 2."

## District Showing At Plaza May 5, 6

The Annual Scouting Exposition of the Arrowhead District will be held on Saturday and Sunday, May 5th and 6th. At that time almost every Cub Scout, Boy Scout and Explorer in the District will be assembled.

The Exposition will be held at the Exhibition Hall of the Mid-Island Plaza on North Broadway, Hicksville, and will be open from 1 p.m. to 8 p.m. on Saturday and 10 a.m. to 6 p.m. on Sunday. A formal opening ceremony will take place at 1 p.m. on Saturday with Special Guests officiating.

Tickets can be obtained from any local Boy Scout, Cub Scout or Explorer. Donation is \$1.00 per family.

## AN EDITORIAL Pool Question Is Seperate

The question on the voting machines in Hicksville School District next Wednesday, May 2, regarding the construction of a year-round indoor swimming pool to be attached to the High School is a separate and distinct issue. It appears as a separate question (no. 4) at the top of the voting machine and every voter will have the right to pull down a lever marked "yes" or a lever marked "no".

The swimming pool question is not an issue in the election.

The real issue in election of School Board members is the approach of the candidate to membership in this corporate body. We'll concede that all candidates have an interest in the educational system. The difference lies in their views and beliefs in relation to the overall operation of the school system.

We are convinced, based upon the past performances and statements of all candidates that Robert F. Mathieson and William A. Bruno Jr. represent the kind of people we want on the school board to work in harmony with other members of the Board, and with the school administration in representing our best interest.

The majority vote on proposition no. 4 on Wednesday will settle the pool question that day. If the vote is "no" the question is dead for the present. If the vote is "yes", the District is committed to carry out the will of the community. On a single day the issue is resolved. School Board members elected will be guiding and directing the course of the schools for the next three years to come.

## Dear Jean:

Our report last week, with picture, of SIEGFRIED KLEMPER named Airman of the Month at his airbase failed to include the location of the base. It is Miles City Air Force Station, Montana. Tonight is the \$100 a plate Republican dinner at Garden City Hotel kicking off the GOP fall campaign. More than 1,500 persons are expected including Gov. Rockefeller as principal speaker. They get a few grass fires in Staten Island and make it sound like a big deal. We have as many as three to five alarms a day for this reason. Last month in the Town of Huntington the volunteers answered more than 100 such alarms on a single weekend. Regarding the Hicksville School Election some folks have found it curious that BOB EATON has been so very silent as to the candidacy of PHYLLIS NEUBURGER. EDDIE TEVERINI who has been mentioned here before regarding his trip to Japan, got a chance to return some of the hospitality recently. He was host to 17 visitors from Japan, put them up at Waldorf Astoria, took them to Mama Leonias for meals, hired three taxi cabs to drive around the city and even took them to the Statue of Liberty. After three eventful days, EDDIE put them on the plane enroute home. We got a press release this week from DAVID HURWITZ, former Hicksville School Board member, now residing at 6 Prospect Pl., Plainview. He is chairman of the Council on Hospital Admission Policies which will demonstrate at Plainview and Syosset hospitals this Saturday in protest of the hospitals' failure to accept HIP doctors. JOAN S. MIDDLEMAST of 30 Haverford Rd., Hicksville, a sophomore at Muhlenberg College majoring in psychology, is on the dean's list for the current academic year. FLORENCE ZIEGLER, member of the senior class at the State University College at Fredonia, is student teaching for the second quarter in Brockton and Fredonia public schools. Oyster Bay Township, selling a \$7,690,000 bond issue this past week, got a low bid of 2.93%, an exceptional low rate indicating the strong confidence in the town's financial position. Lot of folks are planning to attend the Hicksville PTA Council forum for School Board candidates next Monday night, Apr. 30, at Hicksville High Little Theatre even tho it is within hours of the voting. Curiously about the candidates is the reason, we hear. The former GEORGE ENGEL home on E NICHOLAI ST, next to the RR Crossing, has been levelled to make way for the temporary by-pass of tracks during the crossing elimination. CARL GRUNEWALD is scheduled to be officially sworn in next week as a Councilman and member of the Town Board, succeeding HENRY MCINNES who becomes an assistant to LOU KAPPSTATTER in the sanitation dept. Insiders word, as of this week, is that Willett Ave will probably remain open to traffic in front of the new elementary school. But this plan has been changing almost weekly, so better wait. Hicksville School Board holds another regular meeting this Friday night at the High School starting at 8:15. Odds are that there will be another executive session right at the beginning, so come late and stay late. We saw School Board member HERB JOHNSEN climbing ladders last week with BOB PETROSS, district building project superintendent, inspecting the various school construction projects last week. You can expect a deluge of mail during the next few days from various school board candidates. May we suggest a word of caution in considering 11th-hour charges which can't be refunded in the hours before the voting starts. Did you mail in your contribution to the Hicksville Fire Dept Welfare Fund appeal? Household holders have received printed requests. Hicksville School tax rate is remaining well under six dollars while most surrounding districts are coming close to seven dollars per \$100. When you get caught in a traffic snarl near a RR crossing under construction these days, hold your temper and remember it is only a little while and then you can breeze right through without delay. Our sincere sympathy to GUIDO FORZANO, 106 Woodbury Rd., Hicksville, and his sons, Jerome and Anthony, of Dante's Italian Kitchen, Woodbury Rd., Hicksville, on the death of his wife, and their mother, CATERINA. NINA PLANTZ, principal of East St. School since it opened its doors 35 years ago and with the Hicksville Public Schools for 40 years altogether, will retire July 1. We'll have a full story on this shortly. Handsome colored portraits of former School Superintendents WALLACE E. LAMB and ERIC H. LEBARRON are now hanging in the School administration building on Newbridge Rd. Hicksville and Jericho backgrounds were photographed this week for a lampoon edition of Mademoiselle magazine in July.

READER OPINION

Kunz Explains

To the Editor:

I am most grateful to you for giving me this opportunity to reply to your editorial of last week.

It has been said that I am "opposed" to recreation. Actually, this is not completely true as anyone familiar with my background knows. What is a fact, and I won't deny it, is that I am opposed to recreation when it interferes with the educational processes. On the basis of what I know, that is exactly what will happen if we permit the expenditure of close to half a million dollars for a swimming

pool. An expression commonly used by most parents, when speaking to their children is: "When your homework is finished, you may go out to play!" I don't think my position is any different. There may come a time, when our educational needs are fulfilled, that we can look towards a pool. I do feel, however, that this is not the time for it.

The issue upon which I base my candidacy may be hollow or shallow— as stated in your editorial— but if being FOR education is a shallow position, then something is wrong somewhere.

As a former Hicksville High alumnus (This can be verified by the

1945 yearbook); as a former semi-pro baseball and basketball player, I know the value of recreation

comes after education, not before, signed: GEORGE W. KUNZ April 23, 1962

# Hi, Neighbors

MURIEL SUGARMAN

Now that the hustle and bustle of the Passover and Easter Holidays have passed, and the children are due back in school on Monday, Birchwood is returning to normal. Hope you all enjoyed the holidays.

Congratulations to Mr. and Mrs. Marvin Wax of Village on the engagement of their daughter Phyllis to Stanley Hoffman. Congratulations also to Mr. and Mrs. Flitt of Middle Lane on the marriage of their daughter Carol.

"The CATHOLIC WOMEN'S GUILD OF JERICHO announces that beginning with May, all future meetings will be held at the Knights of Columbus Hall, Heitz Place and Bay Avenue, Hicksville. The meeting date has been changed to the second Wednesday of each month. Membership in the GUILD is open to all practicing Catholic women residing in Jericho. The CWG wishes to thank those members who graciously offered their homes to us until the GUILD could find a "home" of its own.

Margaret Mensch, daughter of Judy and Max of Fountain Lane, was hostess at a sweet sixteen party. The party was held at the Meadowbrook.

Would you like to spend a wonderful afternoon in the city? Cancer Care has planned one on Wednesday, May 2, starting with a delicious luncheon at famous Lessee's restaurant, and from there, on to see how to Succeed in Business Without Really Trying." Tickets for this wonderful event may be obtained for \$10.00 by calling Shirley Cohen at OV 1-7295.

Congratulations to Mr. and Mrs. David Gross of Fall Lane on the birth of their daughter. Best luck and good wishes to Howard Thomashauer on his installation as President of B'nai B'rith.

"The CATHOLIC WOMEN'S GUILD OF JERICHO will hold its annual Communion Breakfast on May 20 at 9:30 a.m. at the Old

Happy anniversary to George and Mimi Frankel (17).

Our sincerest condolences to Benjamin Danto and Blossom Kessner on the loss of their beloved wife and mother Eva Danto. Mrs. Danto was one of the elder statesmen of Birchwood.

Don't forget all members have a date Saturday nite May 5th at the Jericho Country Club. This is election day for the Birchwood Civic Assoc. All members are urged to come and vote and stay for the dining and dancing. This is all for free. Your only qualifications is being paid up. Just a hint for those who have not paid their dues as yet. For \$3.75 you are doing your civic duty and having a Saturday fun-together.

Numerous complaints have come to me and the VILLAGER staff regarding dogs that are allowed to wander loose in our community. Particular attention is given the owners of a Collie, a black poodle and a brown and white dog that have been seen on Forsythia, Forest, and Flower. Dog owners please see to it that your dog is not left out alone. They are destroying lawns and shrubs.

The Jericho Players are presenting William Inge's "PICNIC" Friday & Saturday Evenings, May 11th and 12th - 8:30 P.M. at the Harry B. Thompson Jr. H. S. and are having just that. One grand old Picnic. Never have they felt so confident of a SMASH to match that of the Broadway run. One reason for this delightful mood might be the results of a brilliant gal director named Ruth Zerman formally of the Great Neck Players. (Leave it to a woman). Another may be and get this - Blanche Karpe as an old maid, school teacher, Dale Berg as a motherly, mother and Isabel Davis, great as a tomboy, kid sister. This is what we do to three of our glamour gals for the sake of the theatre. Add to this Jerry Neuhaus, and that would be enough for any group. But not the Jericho Players, they further assured their success with the talents of David Mark, Evelyn Ebert, Harold Ecker, Selma Gold, Mark Koplik, (and what heart can't he steal?), Vera Mark and Terry Penza. Tickets \$2.50 (\$1.25 for H. S. Students) are going fast but may still be obtained by a call to Adolph Lovier, WE 5-2026 or any cast member. This play is a must!!!

## Jericho Veterans Hold Election

The following officers were elected to the Jericho Post No. 1032, Veterans of Foreign Wars, at a meeting held Mon., April 16, at the Jericho Firehouse: Karl Mueller, Commanders; George Halleran, Sr., Vice-Comm; Michael Grande, Jr., Vice-Comm; Louis Cevoli, Qm; William Breidenbach, Adj; Leon Wyslowski, Chaplain; Stephen Zukowski, Surgeon; Stanley Klobukowski, Officer of Day; Guerinio Rasolna, Guard; Arthur Stewart, Trustee 3 years; Harry Stewart and Robert Brunby, Delegates to County Council.

Past County Commander, John Lieb assisted by Past County Commander John Weber installed the officers.

The Veterans are making plans for Memorial Day and would appreciate any help from the local organizations. Letters will be sent to each organization in Jericho asking to attend one of their meetings. Also, a Ladies auxiliary is being formed for the Post. All wives, mothers, daughters of overseas veterans are invited to attend.

But the other half of the story has been the team improvement. In the past 11 weeks Sol's boys have bettered their team average by 23 points and have gone from 9th to 2nd. The only other team even close to this showing is Al Samuel's #9 league leaders who have upped their team average 22 points. The next best team average improvement was Norman Ney's #4's with 13 points and there is the answer to why these teams are one, two and three in the league this second half.

This past week showed no great changes in the league standings, but some of the boys cracked the magic circle. Ely Fisher 211, Dave Batterman 205, Jack Sloan 204, Morty Levine 201 and Merv Cohen and Milt Goldberg each with a 200.

As the teams get ready for the stretch run (our season ends with the May 28th meeting), there is also a three way fight for overall champion:

1st-Al Samuel's #9 team 70 pts.  
2nd-Sol Rabinowitz's #1 team 68 pts.

3rd - Dave Batterman's #8 team 67 1/2 pts.

Mr. and Mrs. David Serko of 26 Craig St., Jericho, are the proud parents of a daughter, Wendy Jo, born April 19, at North Shore Hospital, Manhasset. The Serkos have two other children, Richard Adam, 6 1/2 and Jonathan Robert, 2 1/2.

## Chiropractic Corner

by M.I. LAWRENCE  
Doctor of Chiropractic

GARDENING is a most rewarding hobby and at the same time can be most dangerous. Considerable bending, twisting, pulling accompanied by strenuous lifting (of earth, peat moss, shrubs, trees, fertilizer, etc.) sometimes from awkward positions and with considerable pull on the lower back can end in a catastrophe.

Displacement of bones of the lower back happens to thousands of people each year during spring garden and lawn preparing season. The Chiropractic profession is well aware of this because its members are called upon to make corrections and help people out of their miseries. Back muscles may not be in good enough tone to support the lower back in such strenuous activities after a winter of sitting and very little physical activity. Approach these tasks gradually and easily to protect the lower back. If you follow a few simple rules you may avoid a painful and possibly a serious lesion.

1. Do not attempt to lift anything beyond your strength.
2. Squat and lift with the legs, not the back.
3. Face squarely any weight you are lifting.
4. Make certain your body is 'set' before lifting.

But, when and if that back strain occurs from whatever cause or at whatever time of year, don't delay in having correction made. A bone which slips slightly beyond its normal range of movement and locks there should have Chiropractic correction as soon as possible. Delay leaves the possibility of further complications developing.

## Ten Pin Talk

by Henry Dockwell

Our League has just completed two thirds of the second half of its split season and we should be very proud. 53 men out of our total roster have bettered their individual averages since the close of our first half. Team wise it was a 100%. Every one of our 10 teams bettered their team average.

At the moment there is a three way battle for the honor of being the most improved bowler. Lou Truchil has jumped his average 10 points to date, but hot on his heels are Norm Schwartz and Bernie Spiegel who have bettered theirs by 9 points. Norm's improvement has been one of the chief factors in his team's drive up to 2nd place, for that's where Sol Rabinowitz and his #1's are.

By Artie Rutz  
Missed getting my copy of our Post newspaper again, but perhaps it is delayed in Uncle Samuel's 'ol mail bag.... I know there was plenty of material for it, at least one staff member so remarked last week.... Condolences to past Auxiliary President, Dorothy Fricks, on the loss of her husband, Fred, one of our Post members.... It would seem that our telephone call mobilization system needs a serious overhaul as it did not function too good.... Last Monday evening, the combined memberships of the Building and House Committees, and the Directors of Legion Hall, Inc., listened with great interest as Samuel Scheiner, our architect spoke as he pointed out the various areas on the preliminary plans for our expanded clubhouse... the plans themselves were a revelation, and the combined suggestions and constructive criticism offered were of the highest order, and to the best interests of the Post.... Provisions have been made for all groups, or suggested and the new game area should prove a popular spot for all.  
No further information on the Bingo situations since our application to Albany.... I have a feeling that our new commander is going to have more than one unforeseen problem to settle.... Some things could be moving at a faster pace

and in a better direction... Sorry to hear our Sons of the American Legion Band did not get the contract with the Hicksville Fire Dept. for their parades.... Cheer up, kids; perhaps your audition with the Jericho Fire Dept. will bear more fruit.... I still think you have the best marching beat in the business.... Have you heard that our Auxiliary President, Cynthia Hochbruckner, has given birth to a brand new baby girl? It's #3 for her and Dick.... Congratulations!

"OUT OF THE FOXHOLE"... If you have noticed that this column appears perhaps every other week, its because I don't have enough material to write. I have noticed other veterans columns that have more than enough news to write and it's because they write articles which benefit veterans and their families.  
I like to enclose them as well as items of interest of post members, but each and every member plus those of the post committees must give me little items here and there so I can contribute every week. So what do you say members if you have some thing regardless how small send it to me at 32 Grant Ave., Bethpage, by card, or call me. This is your

NEWS HERE AND THERE... Have you read the papers where the Russians have attempted to take over our Radar Station 110 miles out at sea? This columnist will not write any political or strategic ideas, for this is a veteran's column, but it is my opinion, as well as those I have contacted, that if we must give up these important bases ever at sea... let's watch them. According to sea law... anything abandoned is PRIZE OF THE SEA. What happens if we wake some morning with little "Hammer and Sickles" on our door? Let's be some times foolish... not all the time "STUPID".

**DIAMOND DUST** -- Jr. High baseball coach, Dick Hogan, reports the opening win of the season for his "Meteor" nine. A power-packed 18-2 blast over host, Syosset. Rich Buonpane led the stick action with a 3 for 3 day; including a bases loaded triple. Joe Sarno connected for a pair of big ones, (a double and a triple). Danny Boron got a pair of single and Nick Carrara closed up shop with a single and a booming triple. Vinnie Hoosack was the winning pitcher, going 5 steady frames and Frank Mater went the rest of the way in relief. Hogan feels his boys will waltz through the league with the kind of stickwork displayed in the opener. "But you never can figure these things out," he added. "The pitchers are a little behind the hitters and we'll surely be seeing some good boys on the mound in the games ahead."

**METEORS COP TRACK OPENERS** -- Jr. High track coach, Warren Meyer, reported an open-

ing win for his cindermen over host, Farmingdale. Meyer gave us the fowdown on a new method of competition this year. "The 12 and 13 year olds compete against their counterparts," he said, "and the 14 and 15 boys do likewise."

"In the past," he went on, "competition involved 7th, 8th, and 9th graders and there was no age barrier." In the 12 and 13 year old event, the winners were Russ Mahler, in the 60 yd. dash with a time of .8 sec. Alex Kazor took a win in the 660 at 1:48 and also copped the broad jump with a leap of 15'7". Gary Bertran won the pole vault with 7'3", Ralph Sontag took the shot put event with a heave of 37'4" and Leon Kaprinski copped the high jump at 4'5".

In the 14 and 15 year old division, George Lang, an old hand from last year's squad, copped the 100 with an 11.1 sec. effort and also took a second in the broad jump with a leap of 17'1/2". Ray Gutoski took the 880 at 2:20.5, Larry Wesolka tied the pole vault event at 9' and also won the shot with a heave of 47'10" and Steve Schuster won the High jump with a leap of 5'.

**Bruno Details His Platform**

The 11th hour distribution of the brochure of the School District detailing the proposed 1962-63 school budget, with some parents receiving the material the day of a public hearing and many others getting their copy the day after, was cited today by William A. Bruno Jr., candidate for the Board of Education in Hicksville on May 2, as a positive example of the need for improved public relations.

"Early in this campaign," Bruno pointed out, "I set forth a statement of principles regarding my candidacy.

"I declared there should be far greater community interest and participation in the affairs of Hicksville School District. But a mere 30 persons turned out to hear a discussion of a proposed ten million dollar plus budget, Monday night.

"I said there should be broader interest in keeping the community fully informed of developments and programs in Hicksville Schools. The delayed distribution of the budget brochure indicates sharply the great area open for improvement in this phase.

"The community can hardly be expected to evidence lively interest in how their schools are doing or in how their tax money is spent if they are not given the facts."
