Wear a Poppy

On Friday, May 18th, the American Legion Auxiliary Unit #421 of Hicksville will start its Poppy Drive. The members of the Unit and the Junior Auxiliary will cover the town offering the Poppies to the public. These Poppies are made by veterans in Veterans (lospitals and are often their only means of earning money during the long hospitalization.

The office of president of the Civic Assoc, Js at once an honor, and a responsibility. It is often an oncrous and difficult task to become involved in community problems and quarrelis. Certainly no one takes the job of President for the salary. The pay is non-existent and the hours are long. Why then does someone accept the office?

when it was first organized and when it was at its height of ef-fectiveness, as Editor of the VIL-LAGER for two years, be was probably more aware of goings on in the community than any one

or the community than any one person.

During the past year his service as First Vice President could only be defined as indispensible. Without George many of the problems dealt with would have been three times as difficult had he not been available to administer the decklis or discuss them with.

It is then natural and most deserving that he should succeed to the Presidency. I am sure that the entire membership joins me, in wishing George the best of luck, and in the offer to serve him at his request as he has and will continue to serve us during the next few years.

Civic Dance-**Huge Success**

by Irving Herskowitz

Like "Ole Man River", the
Birchweed Civic Assoc. at Jericho
keeps rolling along. Oif Sat. Eve.
May 5, it rolled out it's plush

for it's hordes of righthees who
came to vote, dine and dance. In

were elected headed by George Frankel as president and members of the board of directors were voted into office — some regelected and others new to the scene. The chiquistasting displayed by the new and old faces at this election nite social bodes well for the future of the Birchweos Civic Assoc, at Jericho, After six years of supplying the leadership for all civic problems and with the many trials, errors and successes behind them, new vigor and renewed dedication appears to be the keynote of the new administration. Especially in view of the observation made by the outgoing President firwin Baumel, Irwin stated that for a civic association of our size the rate of failure was very high on the island — while in our case we still continue to be a robust babe — constantly growing bigger and better.

The annual, socials always revive the nostalgic memories of the past. This is the one fite of the year where friends and adversaries of the past get together and relive the trying days during this organization. Like we greet the advent of the first flowers of spring every year — so it is with our old friends of the community — we renew our old acquaintances.

munity — we renew our old acquaintances.

While civic associations are regarded as servants for the community, the social aspects are always in the forefront and our civic association can boast of their goodly share. "The Villager"—the eyes and ears for all of you tells you WHAT, WHEN and WHERE, regarding the immediate vicinity of Jericho. The Birchwood youth group — one of the finest on the island, whose accomplishments for our youth have been sensational. The Jericho Players, our wonderful theater group brings artistic culture to those who wish to participate and superb entertainment to the community at large.

A family the The Village of Birchwood Park gets all this and MORE, and MORE—merely by paying \$3.75 for the remainder of this year's dues. What better return can a person get for joining the Birchwood Ctvic Association, at Jericho. by George J. Frankel

It is with a deep feeling of pride
that I assume the leadership of our
Civic Assoc. The record of activities and accomplishments that
have made us one of the most successful civic organizations on Long
Island is too long and too well
known to gepeat here. I can onlypledge to you now my best, efforts
to continue the high traditions that
have been set by predecessors.

I want to extend my sincerest
congratulations to the other officers and the directors who were
elected with me. I am indeed fortunate to have such an outstanding
group of men and women on the
Board of Directors, and I feel sure
that the Civic Assoc. will continue
to grow and flourish under their

An Editorial:

Cover Your Receptacle

Now that the warm weather is coming, it is more important than ever to cover your garbage can while it is placed in the street. The necessity for the covers is quite apparent. It is unhealthy and unsightly and furthermore it is illegal not to cover the garbage cans or to leave them on the street after the garbage men have left. It is also important that we make certain that the cover over the can fits tightly otherwise any slight wind will push it out on to the street. Many times garbage from the uncovered cans are blown all over our area. Disease can easily spread over our community if steps are not immediately taken to correct this situation.

Neighbors naturally are reluctant to tell their fellow neighbors that they should discontinue this procedure and are even more hesitant to call the Sanitation Dept to report the violations. The Villager, however, does get general complaints from its members. We suggest that the problem involved is so dangerous that the above step must be taken to assure that our community remains healthy, and good looking.

Seems I'm always writing about the Resnicks of Magnolia Lane, but they are a lively family who are always winning contests of all sorts. TRACK NEWS — Jim Grantham's, Comet Cladermen made it 3 straight last week, by taking a 67 - 51 decision over their Farmingdale visitors, Speedy Chris Coletta got the locals off to a flying start by toopping the 100 and 220 yd. dash events with the crack times of 0,10,3 and 0,22,5. Howle Hamm won the 880 (time, 2.09); Frank Lloydwon a 4 min, S5,1 sec. mile with a tremendous kick down the back stretch. (A second wind, the boys around the puddock call this trick, and Lloyd had the gas to finish all alone.) The Hicksville quartet of Kurth, Strassburger, Revis, and Lyman copped a 4 min, medley relay. Howse Hamm and Frank Kurth tied in the high jump with a 5' 5' effort and last, but not least, weight coach Stan Kellners musclemen closed out with a pair of wins in the Shot and Discuse events, Vic Matusa tossed the shot 45 1/2' and Joe Adragna hurled the discus 14'7' 5''. habitat.
His opportunity came in the fall of last year. But to do so, he had to travel thousands of miles across the continent to Edmonton, Alberta, Canada, thence north to FortSmith, capital of the Canadian Northwest Territory and thence by bush plane along the Slave River to the base camp on Slave River. From there, by saddle horse, to the hunting grounds.

by saddle borse, to the hunting grounds.

The hunting, however, was done on foot. During the first five days of the hunt, in rain and snow, Judge Stoll stalked several large herds and, though many opportunities presented themselves, he waited to find an exceptional head. On the morning of the sixth day, he was able to spot such a head at a distance of several hundred yards. The animal was brought down instantly with a single shot behind the shoulder, from a Springfield rifle, using a 30.06, 220 grain bullet.

The animal proved to be a fine specimen which has been exhibited at the American Museum of Natural History and now occupies a place of distinction on Stoll's office wall. Incidentally, while on this hunt, and in the afternoon of the same day, the Judge had the good fortune to bag a fine Black Bear specimen, a trophy he had, until then, been unable to obtain although he had hunted him for upwards of 30 years.

And this included a good look at Vin Hamilgan and Bill Poma another pair of Comet hothot with the hickory handle. Forma hit his third circuit blast of the season which brought in three runs and Hamilgan, singles, a double, and a three run homer. (Incidentally, this couldn't happen to a finer boy.) Vin Hamilgan is another one of those fine decent youngsters that

And now, let's check the boards s bit and see what was new in the nitecap vs Plainedge. The Comets won 7-1 and a tall right-hander by the name of Bob "Pophal" Smith, fresh up from the J.V.'s was the moundaman with the moetest. Bob struck out 12 and gave up skimpt three hits to the league leading. "Red Devils." Caris Coletta had a normal two for three day, including a triple that netted two runs in the last inning. It was hard to believe that Plainedge was the league leader and the Comets, the also rans. With the kind of serves dished up by Stu Blust and Bob Smith during the week, Coach. Army Tomaine could easily have been looking down on the crowd, if this kind of pittching had taken place earlier in the season. As things stand now, die locals have advanced to a 4-3 league record but the sectional title looks like it might be out of reach for this season.
