## Asst School Superintendent Leaving for Upstate Post

Howard T. Scholefield, completing his first year as Assistant Superintendent of Hicksville Schools, is resigning as of July 1st to become village superintendent of schools in Fallsburg, New York, it was revealed this week.

He became assistant superintendent last year when Donald F. Abt, then assistant, was named as Superintendent of Schools upon the retirement of the late Wallace E. Lamb.

Scholefield received his BS at Ithaca College and his master's degree from St. Lawrence University. He did graduate work at Columbia and St. Lawrence and has the equivalent of a doctorate.

After four years at Chestertown Central, N.Y., as teacher and assistant principal, he was a teacher in Hicksville for two years, assistant principal at Lee Ave. School for a year and Dutch Lane School principal for six years.

His decision to leave Hicksville was made since the regular School Board meeting of Friday night, May 11, and his resignation will probably come before the Board at its next regular meeting on Friday night, May 25.

With Superintendent Abt currently on vacation, Scholefield is in charge of the school system. His home is in Plainview.

## Honors Louis Schultz

The Men's Club of the Hicksville Jewish Center will honor Louis Schultz at a breakfast to be held on Sunday, May 20, at 10:00 A.M.

Schultz is to be recognized for his services to the Men's Club of which he was president for two consecutive terms, 1959-1961.

## Eaton Objects As Bruno Sits

William A. Bruno Jr., elected on May 2nd for a three-year term as a member of Hicksville Board of Education starting July 1st, was appointed a member of the Board over the objections of President Robert D. P. Eaton, Friday night.

Eaton argued that Bruno and George W. Kunz were both elected on May 2nd for full terms and that both should take their places on the Board at the same time. While he conceded that Bruno was elected to the Hurwitz vacancy and Kunz was elected to succeed himself, Eaton said he was not prepared to quit and would finish out his term which ends June 30th.

There was a little hassle over making the appointment. In the delayed appearance of Eaton to open the meeting, Vice Chairman Herbert H. Johnson took the chair. The motion to appoint Bruno was made by Jerome Zettler and seconded by Cornelius McCormack.

George A. Jackson, another trustee, thought the Board action should be delayed until Bruno put in an appearance. When he arrived, and after some business was under discussion with the architect was concluded, the question was put to a vote just about the same time as Eaton arrived at 9:10 P.M.

But just before Eaton walked in, Kunz was asked if he had any

## Five Residents Get College Honors

The following were five of the more than 80 outstanding scholars and student leaders honored at C.W. Post College's annual Recognition Day assembly held at the college on May 10: Joseph Doyle of 64 Dean St., Who's Who Among Students in American Universities and Colleges; Philip Ferro, 63 Edward Ave., Meadow Brook Bank Scholarship; Elizabeth Berning, 300 Castlegate Rd., Woman's League Service Charn; Philip De Vincenzis, 14 Ferry St., Meadow Brook Bank Scholarship; and Kathryn W. Whelan, 27 Dove St., Dr. Jessup Biology Award, Who's Who Among Students in American Universities and Colleges. All are residents of Hicksville.

## East St PTA Honors Miss Plantz

LIFE MEMBERSHIP in the National Congress of Parents and Teachers, which is rarely awarded, was the surprise presentation for Nina Plantz, at right, principal of East St. School who is retiring the end of June after 40 years with Hicksville schools. Presentation was made by Mrs. John Thursday night. Mrs. McManus said in part the award was "given in recognition of devoted and distinguished services to children and youth."

The East St. PTA is sponsoring a testimonial dinner in honor of Miss Plantz at the Town House, Huntington, on June 11. Closing date for tickets is June 1. Call Mrs. McManus at WE5-6651 or write her at 62 Lehigh Lane.

## Intention Week To Start May 21

The members of Trinity Lutheran Church, Hicksville, have set aside the week of May 21 to observe "Intention Week." This program is a planned period of time during which every member of the congregation is given the spiritual opportunity to re-evaluate his or her dedication to the Church.

The "Intention Week" committee is headed by the following: Bertram Saul, of Hicksville, Honorary Chairman; Vibe P. Eriksen of Huntington, Chairman; Thomas Skinner of Levittown and Arvid Olson of Hicksville, Publicity Committee Co-Chairmen; Harold

Mayer and Vicar Robert Greene, both Hicksville, Visitation Committee Co-Chairmen; Mrs. Wendell Davis of Westbury and Miss Rhoda Rasmussen of Hicksville, Clerical Committee Co-Chairmen; and Mrs. Theodore Kingsley of Levittown and Miss Carolyn Thomforde of Mattitown, food Committee Co-Chairmen.

## Democratic Benefit

The Hicksville Regular Democratic Club will hold a Card and Bunco Party, Wednesday Evening, May 23rd, at 8 p.m., at the Old Country Manor, 244 Old Country Road, Hicksville.

## How Library Bought Land

Elizabeth Scherer, president of the Board of Trustees of Hicksville Public Library, this week answered questions raised prior to the annual school-library election of May 2 regarding the purchase of property on Jerusalem Ave without going to public referendum.

Mrs. Scherer's statement follows:

Shortly before the School District voting date, the Board of Trustees of the Hicksville Library completed negotiations for the purchase of the property adjacent to the library on Jerusalem Avenue.

"Questions as to the legality of such a purchase were raised at the budget hearing and also at the candidates' meeting. For the benefit of those who did not attend these meetings, I should like to answer the questions once more."

"Our attorney, who is regularly retained by the Board, has advised us that the Board is empowered by law to own, buy, sell and rent property with currently available monies. Other cases have set legal precedent, including our own earlier purchase of the land upon which the new wing was erected."

"In addition to the legal question, I should like to add some further points of information. The Board was offered first option on the property, which otherwise was to be sold on the open market. That factor determined the particular timing of the purchase."

"The money for the down payment came primarily from two sources: extra fines and fees received by the library during the year (not tax money), and the unused portion of salary earmarked for a children's librarian. (Children's librarians are scarce, so there was an unfortunate lapse of several months between the time we lost one such lady to a life of marital bliss and found another to take her place.) With the money available, and services not curtailed, it would have been foolish to float a bond issue and so incur unnecessary interest payments."

Mrs. Scherer wrote: "It is rewarding to see what a great number of needs are being met by our library," she added. "In its first year, the bookmobile increased the total book circulation by 25%. In addition, the circulation at the main desk keeps mounting each year, even though our adult population is now relatively stable. For those of you who have not yet acquired the library habit, we invite you to come in - especially between 3 and 8 P.M. on weekdays, and any time on Saturdays - to see how a library really serves its community."

## Chiropractic Group Re-Elects Dunbar

Auxiliary #36 of the American Bureau of Chiropractic now meets at the Hicksville Public Library, 169 Jerusalem Avenue, Hicksville. The next meeting will be May 22, at 8:30 p.m.

Auxiliary #36 proudly announces that Dr. Walter H. Dunbar, 200 Jerusalem Ave., Hicksville, has been re-elected President of Nassau County District #6, Chiropractic Assoc. of New York for 1962-63 term.

## Tech Training

Airman Basic Denis Foy, son of Mr. and Mrs. Cornelius A. Foy, 14 Washington St., Hicksville, is being assigned to the United States Air Force technical training course for radio and radar maintenance specialists at Keesler AFB Miss.

STEERING COMMITTEE of the Sisterhood of Congregation Shearar Zedek in the building fund drive for a new \$200,000 synagogue, centre and religious school to be built at Old Country and New South Roads, Hicksville. Left to right are: Sylvia Yasen, Shirley Fishman, Ruth Krichmar, Lee Zuckerman, Doris Gottlieb, Gertrude Cohen, President Rose Garth, Muriel Miller, Claire Levander, Jeannette Goldstein, Selma Rankow, Annette Rubenstein and Regina Steiner. The Congregation held a service of consecration at the present Temple on E. Barclay St., Sunday morning, when principal speakers were Town Supervisor John J. Burns and County Judge Paul Kelly. (Photo by Frank D. Malliet.)

## Barbara Jud Becomes Bride

Barbara K. Jud, daughter of Mr. and Mrs. August Jud of 74 East St., Hicksville, became the bride of Gerard M. Benvenuto, son of Mr. and Mrs. C. Benvenuto of 531 Baldwin Ave., Baldwin, on Sunday, April 22, at 3:00 p.m. The ceremony, held in the Trinity Evangelical Lutheran Church was performed by Rev. Albert P. Abel, and Rev. Edward H. Stammel.

The bride, given in marriage by her father, wore a floor length gown with an Alencon lace bodice and taffeta skirt. Her elbow length veil fell from a crown of seed pearls. She carried an old fashioned bouquet of white roses, carnations, and daisies. Mrs. Arlene Sibrava, sister of the bride, acted as matron of honor. She wore a street length bell-skirted dress of spring green silk organza with a short jacket, with 3/4 length sleeves. She also carried an old fashioned mixed bouquet.

The bridesmaids, Miss Frances Wallach of Hicksville, Miss Nancy Jud,

a cousin of the bride of Hicksville, and Mrs. Jean Spotswood of Garden City, wore an apricot version of the matron of honor's dress. They also carried an old fashioned bouquet of daisies, carnations, and roses.

Rudolph Sibrava, of Hicksville, was best man. The ushers were Robert and Anthony Benvenuto of Baldwin, brothers of the groom, and Ronald Hanna, of Unadilla.

A reception followed the ceremony at the Four Seasons Country Club. After a honeymoon, the couple will make their home in Elizabeth, New Jersey.

Mrs. Benvenuto is a 1961 graduate of Methodist Hospital of Brooklyn School of Nursing. Before her marriage, she was a registered nurse with Nassau Hospital.

Mr. Benvenuto is a graduate of R.C.A. Institutes. He is presently employed by Esso Research and Engineering Co., Linden, New Jersey.

**NICHOLAS TISHLER, Fifth Grade Pupil**, in the Fork Lane School, Hicksville, is shown with his archaeology exhibit, which was awarded a second prize at the North Nassau Science Fair recently held at C.W. Post College. Nicholas received an award certificate and ribbon for his "understanding, interest and achievement in science."

## Going to Yonkers

The first effort in a "Children-to-Children" program -- with youngsters providing a cultural experience for others less fortunate -- will be made this Sunday, May 20, when the Burns Ave. Elementary School Band of Hicksville performs for children of the Leake & Watts Home in Yonkers.

Ranging in age from 9 to 11, the local children will give an hour-long concert for the Home's youngsters, many of whom are from broken homes.

The performance, and others like it to follow, are the result of a program developed by Frank E. Burke, principal of the elementary school, and Gerald Burakoff, school's band director.

The Burns Ave. Band members earned the money to pay for their transportation to Yonkers, Burke points out. They went on a door-to-door campaign selling candy to adults in the neighborhood. It wasn't long, he notes, before the grownups got behind the idea.

"It is our hope that other public institutions and communities will participate in and support programs like the one we have undertaken," says Burke. The Board of Education at its meeting on Friday night adopted a resolution commending the Burns Ave. students for their enterprise.

Opening their school's program, the band concert will feature such numbers as Marches, A Spanish Bolero, A Bach Chorale and a "Trumpet Voluntary" presenting the trumpet section of the band. Guest soloist will be Charles F. Gause, supervisor of instrumental music in the Hicksville Public Schools.

## Dear Jean:

State Traffic Commission has ordered installation of an advance green interval supplemented with a left green arrow at Broadway and W. John St., Hicksville, to facilitate left turns from the south into West John St. Hicksville Kiwanis Club is celebrating its silver anniversary this year. Charter night is Oct. 27. The club will hold Ladies Night at Huntington Crescent Club on June 16. Happy anniversary to GENE (one - vote) SCHILLINGER. County Clerk FRANCIS ANDERSON was re-elected a member at large of the Arrowhead Boy Scout District, Tuesday night. Sunday, May 20, is ROBERT WILLIAMS DAY for Hicksville. He bought the present - day site of our community from the Indians on that date in 1648. There are 2,084,904 people living in Nassau and Suffolk, as of Jan 1st, according to LI Lighting Co. More than half are in Nassau. The week May 20 to 27 is National Salvation Army Week and we wonder if local folks realize how many worthwhile things this organization does locally, year in and year out, under the leadership of FRANK CHLUMSKY. We have personal knowledge of several persons in tight situations who were aided, without publicity, by Uncle Frank and his organization.

Traffic on Broadway was slowed to a crawl this week as detours were set up around the grade crossing elimination work. There were traffic police at every intersection and at one point the volunteer firemen had a tough time getting thru. Republican recruits met Tuesday night at the Alibi Manor, Plainview. They are planning their annual Shipwreck Party in July at Reinhardt's in Bayville. Plans are going ahead for Memorial Day in Hicksville. The parade will include a number of floats, an innovation in recent years. School Board has authorized operation of a third driver education car for use in student instruction. While more than 4200 persons voted in the annual school-library election of May 2, only 3700 registered for the coming year as they left the polling places. We seem to lose about 500 voters this way, every year. School Superintendent DONALD ABT is on vacation. Here's a hot flash from Suffolk Farm Bureau: The pesky inchworm has arrived in Suffolk County. Four choirs of Trinity Lutheran Church of Hicksville will present a varied program in concert form on Friday evening, May 18 at 8:15. Official estimates now place the completion of the Willett Ave Elementary School off to November instead of the term start in Sept. More temporary - type classrooms are due to make the trek from Old Country Rd School to the Junior High on Jerusalem Ave during this week or next. Four are already on the site, shifted from East St with speed and in apparent good order.

Mid Island Group will hold its area Cocktail Party for the benefit of the CHAMPAINE BUILDING FUND, on Sun., May 20, from 4:00 p.m. to 7:00 p.m. at St. Ignace School, Hicksville. Donation is \$5.00 a couple. Friends of JOSEPH L. FLARE, MD, are planning a surprise party on Thursday evening, June 7, at the Knights of Columbus Hall, Hicksville. If you would like to join them, call Mrs. LUPSKI at WE 5-1749, or Mrs. COSTA at WE 5-1922. If you see a female terrier with smooth black hair, small brown markings on her face, small white patch on her chest, and answers to the name of "POPPY" call WE 8-7909. She was lost in the vicinity of Fern Pl., Bethpage.

Congratulations to RALPH CASCORDO who has been appointed the new assistant of mails in the Hicksville Post Office. Miss MARY KELLER of Lakeland, Florida, is up for the summer months which she will spend with her sister, Miss CLARA KELLER of Harding Ave. Advance sale of \$3 for resident beach parking stickers starts this Saturday at Stanley and Theodore Roosevelt on north shore and Tobay on south shore. The beaches open on May 26.

The First Annual Golf Tournament of Hicksville Chamber of Commerce with LAWRENCE C. McCAFFREY as chairman will be held Thursday, June 7, at Huntington Crescent Club. Prepaid forsumes will get ready for the Chamber office at 29 W. Marie St. WE 1-7170. JOYCE E. SUFIAN, Hicksville High social studies teacher, has won a Fulbright Scholarship and will attend a summer seminar in India for teachers of history. She is expected back for the term start in September. A dear friend of long standing always remembers our editor's birthday on May 17. She is a Norwegian and the date happens to be also Norwegian Independence day. This year she sent a card from "drought-doomed sunshine state" of Florida. A few years ago it was from Vermont. Affirmal letter from Kuching, Sarawak, advises that the Recreation Director JOSEPH F. MADDOEN has arrived in Borneo but (as of May 9th) he had not heard how the school voting turned out. He writes Kuching is about the size of Hicksville, geographically and population-wise. He wants to advise WARNER LANSING that Scouting is important down there and an exchange should be set up. He also lunched with the Rotarians (wait till Hicksville Kiwanis hears about this!!!). ALAN SCHLICHTING, son of Mr. and Mrs. Walter F. Schlichting of 34 N. Appollo Lane, Hicksville, was among ten architectural students at the University of Kansas who received awards in architecture from the K.U. School of Engineering and Architecture. He's a sophomore. JOSEPH GIORDANO Boy Scout public relations chairman, just about got home from the Arrowhead District meeting and dinner, Tuesday night, when he had to rush his wife to Central General Hospital. She gave birth to a daughter at 10 the next morning. Mother and child are doing great. Have you sent in your contribution to the Hicksville Fire Dept. welfare fund appeal? Do it now, while you think of it.

## Vamps Answer 13 Calls In Six Days

Hicksville Volunteer firemen answered 13 calls for assistances between May 1 and 5, including four on Thursday, May 3, and five on Friday, May 4, according to Chief Walter Telesider.

Minor damage was reported when fire hit an abandoned house at 400 South Broadway, May 1. There was a garbage fire at 113 Wilfred Blvd. on May 2.

Calls on May 3 included an investigation at 43 Bruce Ave.,

an ambulance trip to the Veteran Hospital in Brooklyn, a car fire at the Marie St. headquarters and a chair on fire at 20 Somerset Ave.

Volunteers investigated smoke from an incinerator at the Meadow Brook National Bank on May 4. On the same day there was an ambulance call for a heart attack victim taken to Nassau Hospital. There was a grass fire at Lenex and Bay Aves. The firemen were also called to the grade crossing accident at Barclay St. at 5:44 PM.

## Wins Scholarship

KAREN ANDERSON, daughter of Mr. and Mrs. Gustave Anderson of 21 Albert St., Hicksville, has recently been awarded a four-year scholarship of \$1250 per year. The scholarship was given as a result of a competitive examination of the Merit Scholarship program and is awarded by the American Machine and Foundry Co.

Karen is in the upper 5% of her graduating class of 540 members. She is currently Managing Editor of the Senior Year Book and held a similar position on the Comet, the school paper, in her junior year.

She is a member of the Latin Club, Science Club and the Spanish Club.

Next year Karen plans to major either in history or languages at Boston University.

Directors and officers of the Nassau County Chapter of the American Red Cross will be elected at the Chapter's Annual Meeting Wednesday, May 23.

## Mothers Plan For Luncheon

On April 23, the one hundred and eighteenth meeting of the St. Ignace Loyola Auxiliary of Christian Mothers, Hicksville, was held in the school hall.

The annual Communion Luncheon will be held on Saturday, May 26. Following the 11:00 AM Mass, luncheon will be served at the Old Country Manor, Hicksville. Rev. Raymond Neufeld, author of the "Question Box" will be the guest speaker. Tickets will cost \$3.00.

The nominating committee presented the following slate of officers for the May election:

For President—J. Mulholland, K. Roemer, and E. Spina

For Vice President—C. Larkin, D. McNeely, and J. O'Connell

For Recording Secretary—M. Gough, L. Gaes, and D. Lehmann

For Corresponding Secretary—H. Lupski, R. Moore, and E. Wall

For Treasurer—M. Coleman, R. Perrone, and F. Roman

The president, Mrs. Mildred Sauer, announced that Mrs. Grace Norris will be the chairlady for the June Social and requested that talented members offer their services towards making this affair a success.

The moderator, Rev. Leo J. Goggin expressed the gratitude of the Pastor, Rt. Rev. Msgr. George M. Bittermann, V.F., for the prayers offered and the cards received during his recent hospital confinement. Father Goggin asked the mothers to continue to remember Msgr. Bittermann in their prayers.

The guest speaker, Rev. Bertin Roll, O. F. M., Cap., Director General of the Archconfraternity of Christian Mothers, discussed the "Ideals of Catholic Home Life."

Fr. Roll told the mothers that they are the greatest educators in the world. Homes are their classrooms; children are their pupils. Rarely does anyone else leave as deep an influence on anyone as does a mother on her children. Win a mother for Christ and you may win a family for Christ, he said.

At the next regular meeting, May 28, Miss Margaret E. Stephenson will be the guest speaker. Miss Stephenson is the lecturer and examiner of the International Montessori Association and is the director in America of the American Montessori Training Course.

## Operation VFW

William M. Gouse Jr. Post No. 3211  
By Eddie Kiebing

This being an off-meeting week let's take a short break and shoot the breeze.

I mustn't forget to mention the Ladies Auxiliary Spring Dance will be held June 2nd. If any of you ladies can furnish more details of the event please do so. By the way girls, any news of your meetings or social events rate space in this column and will be most welcome by the writer. Let's hear

## LAST WEEK ROOSEVELT

from you.

The month of May presents us with two important functions that cannot be considered too lightly. They are the sale of Buddy Poppies and the Memorial Day Parade. Jim Kluge heading this year's Buddy Poppy committee is looking for willing members of the Post to help sell the little flower made by disabled veterans. Lou Klien has made arrangements allowing us to be at Mid Island Plaza on certain nights. Lou Palladino will again have supply of poppies in his border shop on Herzog Place. The Ladies Auxiliary received their flowers and as usual will do a tremendous job. That's for sure. How about you? Figure it this way --- you have a choice of two. You can help us sell them or be sure to buy one. Why not do both.

This year our Post is host to the Memorial Day Parade. Greater membership participation is urged to make this one better than the previous years. We as members of the V.F.W. should take the attitude that it is our solemn duty as members to support the Post in

this great event and then follow through. In case any of you fellows feel shy or use an excuse like inexperience to keep away George Walden is on hand to help iron out the rough spots. Why not spend part of Memorial Day with the members of your Post? The march is not long or tiring and after the services refreshments will be served at the V.F.W. hall. You old-timers can get to meet the newer members and vice versa. Besides, here is a chance to get that exercise that doctors are always prescribing. How about it? Well that's about it. Break's over --- back to work.

## Elect Secretaries

Jane Murphy of 27 Cumberland Rd., has been elected Secretary of the Society of Chemical Technology; and Arlene Gerzen of 8 Adams St., also Hicksville, has been elected Secretary of the New York Club at State University's Agricultural and Technical Institute at Farmingdale, for the next academic year.

## From Broadway to Hicksville:

# Brigadoon

## High School Students in Sell-Out Show

Stars aplenty was the theme of this one, and name dropping would involve yards of type. For the record, a fabulously beautiful show and we couldn't find the thin line that separates the good amateur from the true professional. This indeed, turned out to be a performance that will rank with the very best ever presented on a Hicksville High School stage. Those who saw it (approximately 3000 paying customers over the three night span must readily agree that this was Lerner and Lowe's "Brigadoon" fresh from Broadway and fresh from the misty glens of Scotland.

There were short tears, long laughs, and occasional choked up feelings that transformed the world of make-believe into the world of reality. This was acting in every sense of the word, and each and every member of the cast deserves a full round of applause for sterling performances. The scenery was exquisitely beautiful and the student pit orchestra under the capable direction of faculty member Thomas Butue brought forth sounds that made the fantasy of Brigadoon breathe artistic life. Without a doubt this play will long be remembered and the flowery adjectives used to report this affair, could easily be doubled and still leave much to be said. In short, were someone to remove the Division Ave. Street sign and replace it with Broadway, no one would be the wiser. And to be real concise, my good friend and neighbor Frank Cannone summed the whole show up in a nutshell. "I had no idea a show such as this could have such a professional touch," he said as we stepped out into the star filled night.

ABOUT THE PLAY AND CAST Scene, Scotland in the year 1780, a town that by virtue of a blessed curse comes to life once for a full day once each 100 years. By chance, two modern day humdrum from the U.S. stumble into this fantasyland setting and from there on in, the story unfolds. We watched the meeting of the clans; a preparation for a wedding, comedy, pathos, and touching love scenes that involved the old and the new.

Meet Fiona McClaren, Scottish lass, played to the hilt by Denise Spanaki. Denise is a three year veteran in High School theatre productions. She made her debut as Blanca in "Kiss Me Kate", and also appeared in "Julius Caesar", "The Good Old Days", "New Frontiers", and "South Pacific". Denise received the "Advisors Award" for her starring role as Nellie Forbush in "South Pacific". She is a member of the National Thesbian Society and the advanced chorus. She has a strong beautiful voice and an exceptionally interesting quality that could take her far if she so desires.

This was Fiona McClaren (1760), who fell in love with Tommy Albright (1962) played by Sal Minicetta. Sal is another singer-actor that could be destined for greater things and he played the male lead like a man born to the boards. Sal has appeared in all recent High School productions over the past three years. He received the 1961 Advisors Award for outstanding Junior, for his role as Lt. Cable in "South Pacific". He is President of the National Thesbian Society and a member of the Intermediate chorus.

Meet John Alirro, who played the part of J. Douglas (Albright's comedian partner on the Scottish Safari). John loosened up the audience with a lot of deep belly laughs that should put him in the running for an Emmy or an Oscar. Here again, we have another comet with a misty stage rock at his disposal. He has the potential to go far. This is John's 2nd starring role in Hicksville High School productions. He made the role of Mark Anthony in "Julius Caesar" a memorable one. John

is Vice-Pres. of the Senior Class and is scheduled to attend Steven's University next fall to study engineering. And finally, meet Henry Niemann as Charlie and Carlene Eller as Bonnie Jean. They were Brigadoon's bride and groom and made the roles come to life. Henry is also a member of the National Thesbian Society and this is his 5th year in theatre productions. He is a member of the advanced chorus and this year has been selected as a member of the All-State Chorus at Buffalo.

Carlene, like Henry, is also an excellent actress dancer. She is a familiar personality on the Hicksville High stage, had staged the dances for the directors of this year's production and hopes to continue her career as a dancer.

All in all, a very superb and almost flawless production. Improvement would be nigh on impossible and a great deal of credit must go to all students and faculty members who had a part in it. Piano accompaniment by Mr. Charles Arnold was keyboard wizardry to the high degree. And last, but definitely not least, meet Brigadoon's director, Ray Matlenzo, a man with the infinite patience of a saint but, who at times according to Angelo D'Amato, new Head Custodian at the Sr. High, went straight up in the air when practice cues were missed or lines muffed. The final reward for this patience and guidance resulted in eight curtain calls, flowers for the stars, short sincere "thank you" speeches, accolades of every description, and finally a kiss that bespoke a thousand words, was planted on the cheek of Director Matlenzo, in full view of the audience. The donor had been Brigadoon's leading lady, Denise Spanaki, and words she uttered on behalf of her fellow thesbeans were: "In all I probably, we'll be in love with this man for the rest of our lives." And as for Frank and I, we've got just one complaint to register. We would have enjoyed a 5th row center much better than a 99th row, 4th and 5th folding chairs on Division Ave., but that's how the mop pops when there's a "Hi in Hicksville".

JOE KOERNER

## Win Poster Awards

Students of Hicksville schools won most of the prizes and honorable mentions in the Good Posture Poster Contest of the Nassau Chiropractic Auxiliary, according to Mrs. Walter H. Dunbar of Hicksville, contest chairman. Top three winners in each group will be entered in the state competition at Lido Beach May 18 to 20.

Second and third awards of cash in the grade 5 and 6 group went to Jo Ann Gramaglia of Lee Ave and Amy Brill of Woodland Ave School, respectively.

In the grades 7 thru 9 group James Lane of St. Ignatius School won first, a \$25 savings bond. Carol Green and Sheila Synowec, both Junior High, won second and third respectively.

Honorable mentions went to Barbara Hanft, Geraldine Ricciuti and Michael Lanier, Old Country Rd; Claire Kuperberg, Lee Ave; Sandra Schnepp, Sherry Pandolfi, Ronnie Millstein and Barbara Martello, all Junior High.

# Win a Virgin Islands Vacation or 13 other great prizes in LILCO's GAS HEAT Sweepstakes

## NOW to JUNE 30th!

## GRAND PRIZE:

A week's vacation for two in the VIRGIN ISLANDS, with the golden sun and beautiful beaches of this quaint Caribbean paradise. Includes jet flights both ways. Luxuriate at the Virgin Isle Hilton, St. Thomas, Virgin Islands. All arranged by Peterson Travel Service, Garden City Hotel, Garden City, L. I.

## TWO VALUABLE 2nd PRIZES:

Each consisting of a Gas Heating unit with controls and installation cost. (If the winner has purchased and installed a Gas Heating unit between April 1 and June 30, 1962, reimbursement of the total cost will be paid.)

## FIVE WONDERFUL 3rd PRIZES:

CALORIC Gold Star Gas Range - BEARS - KENMORE Gold Star Gas Range - RCA WHIRLEDOL Gas Clothes Dryer - RORCE Gas Clothes Dryer - SPEED WOKER Gas Clothes Dryer. All above prizes include normal installation costs.

## SIX UNUSUAL 4th PRIZES:

The six fortunate fourth prize winners will each get an OUTDOOR GAS LAMP AND POST - normal installation costs included. Adds a welcoming glow to your entrance or patio.

Here's how you enter the LILCO SWEEPSTAKES - NOW to JUNE 30th!

Read and follow these three simple rules:

1. Phone or write (see coupon below) Mr. Kent, PI 7-1000 at LILCO for a FREE GAS HEAT SURVEY OF YOUR HOME, without obligation. When he completes the survey (it takes less than an hour), LILCO's home-heating specialist will leave your SWEEPSTAKES CERTIFICATE OF ELIGIBILITY with you. You must sign the stub.
2. To qualify, you must be a residential LILCO Gas customer, occupying a one or two-family dwelling. Employees of LILCO or its advertising agencies are not eligible for this drawing.
3. DRAWING WILL BE MADE DURING THE WEEK OF AUGUST 15, 1962 AND ALL WINNERS WILL BE NOTIFIED PROMPTLY.

GET STARTED NOW, YOU MAY WIN THE PRIZE OF A LIFETIME!

Phone Mr. Kent at LILCO, PI 7-1000, or use this coupon.

May 17, 1962

## An Open Inquiry To Jericho Voters

by Myron Kanter

Jericho has come very close to defeating a school budget for the first time. Over 700 votes were cast and the budget was passed by the slim total of 16. This close vote, coupled with the fact that only a small percentage of the Jericho voters cast ballots, raises many questions.

Was there a lack of interest? Was this vote in the nature of a protest? Was this an indication of disappointment in the fact that State aid was not as much as anticipated? Was this the community answer to an increase in taxes? Was there a lack of sufficient publicity?

The answers will not be forthcoming until the vote is studied and analyzed. However, the WEST BIRCHWOOD NEWS will be happy to receive letters to the Editor for publication relating to opinions as to what the closeness of the vote indicates. We believe that open letters at this time expressing the views of the residents will be reflected in future budget considerations.

## Jericho League

by Maurice Targove

The Yankees let the Tigers know in no uncertain terms that the battle for first place is far from over. In a crucial series that they had to win to stay in contention, the Yankees, led by Jack Rubinstein's record-breaking 649 series which included games of 214, 209 and 226, swept the Tigers aside to cut the Bengals' first place lead to three games with only three weeks left to go. In beating the Tigers decisively, the Yankees rolled up an all time high series of 2576.

Three points behind the Yankees are the Cardinals and four points behind the Cardinals are the Dodgers who are striving to capture trophies for one of the first three slots.

Other 200 bowlers were Carl Zydney who came through twice with a 244 and 203, Marty Dinahoff rolled out a 214 and Jack Rubinstein again broke through for 210, Irv Trubatch and Stan Furness each entered the magic circle with 200.

At a League Meeting it was decided to hold the size of the league to its present status of sixty and select the teams on the same basis as this year.

## Dads of Jericho Plan for Outing

There will be an athletic exhibition and barbecue at the Jericho High School athletic field on June 3, Sunday (in case of rain, Sunday, June 10) sponsored by the "Dads of Jericho." The Varsity "Dads of Jericho" will engage in an exhibition baseball game against the Varsity Jericho High School baseball team at 2:00 P.M., June 3. Another contest will be held between the Jr. Varsity "Dads of Jericho" and the Jr. Varsity baseball team. This will be followed by a barbecue and refreshments free of charge to all who attend. The "Dads of Jericho" extend an invitation to all fathers and students of the Jericho Jr. and Sr. High School to attend.

BUSY AT WORK licking stamps and addressing labels to get out the WEST BIRCHWOOD NEWS to the Civic Assoc. members and preparing the next issue are left to right: Carl Denny, Donald Parmet, Maurice Targove and Myron Kanter.

## West Birchwood

### Ladies League

by Maurice Targove

A highly successful first season came to a most enjoyable climax at Old Country Manor on May 5 where the West Birchwood Ladies League held their dinner-dance and presented their trophies. After the usual festivities of dining, dancing and awarding of trophies everyone left and fittingly went to Westbury Bowl and Mid-Inland Bowl and threw strikes, spares and gutter balls until the wee hours of the morning.

Getting down to the business at hand, the winning team was the Hopfuls comprised of B. Franklin, J. Levine, J. Axler and E. Leslie. The Sadacks, who led most of the way, ended up in second place. The members of this team were M. Meister, R. Auerhahn, G. Gmora and M. Douglas. The All Pins, consisting of A. Platz, E. Haas, A. Nussbaum and M. Datloff came in third.

The individual high game was turned in by Betty Franklin with an eye-catching 226 followed by Marilyn Datloff 211 and Kay Alford 192. High individual series were turned in by the same trio B. Franklin 532, M. Datloff 480 and Kay Alford 471.

The league expects to be much stronger next year. Marilyn Meister is the newly-elected President and any girls wishing to join should submit their names to her immediately.

## West Birchwood

### Bowling League

by Siggy Levine

With just two weeks left in this year's bowling season it is still neck and neck between the Untouchables and the Phenoms, with the Untouchables holding first place by just a few points. The Continentals are still in contention and cannot be counted out along with the Derbys.

We would like to take this opportunity to announce that our league will be bowling every Thursday night at 9:00 p.m. at the Mid-Inland Bowl next season. The league also decided to have five-man teams instead of the six-man teams that we have had in the past. There are a limited number of openings for next year and all those who are interested will please call Siggy Levine at WE 5-2528 or Bill Silverstone at WE 5-1492. All names will be accepted on a first come-first serve basis.

## No Decision By Town Board Yet On Down-Zone Petition for Motel

As yet there has still been no decision by the Oyster Bay Town Board on the petition to down-zone the property just southwest of the Northern State Parkway exit for a motel.

West Birchwood Civic Assoc. President Carl Denny has written to the Town Board to indicate this community's strong opposition to any down-zoning.

Due to a misunderstanding, the official demonstrations planned by the Civic Assoc. to voice at a recent public hearing were cancelled due to a belief that this application had been withdrawn.

## Practice Fire Prevention Now

## Current Comment

### On School Budget

by Donald J. Parmet

A short time ago the WEST BIRCHWOOD NEWS reported on the tremendous job that the Jericho Fire Dept. is accomplishing. We indicated that in the not too distant future the Fire Dept. would be circulating fire prevention literature. This week, as we have seen, a small red fire truck with volunteer firemen distributed material to the residents of Jericho. Included were stickers to be placed in the cradle of the telephone, a card with general information and an open letter to the Jericho community.

Because of the importance of this letter it is reprinted below:

Dear Resident,

The officers and men of your Jericho Fire Dept. with the complete cooperation of the Board of Fire Commissioners are continually incorporating new procedures to increase the efficiency of the Department and its service to the Community.

During this past year we have obtained a new 750 gallon Pumper and a new Chief's Car. Both of these items along with numerous other equipment purchased will most certainly enable the Dept. to continue to fill the requirements of a growing community.

We have increased our training program and we are constantly strengthening the membership requirements to better the caliber of our members.

We have recently put into effect a new type of telephone alerting system. This has enabled us to refrain from the sounding of sirens during the night time hours, thereby the entire community is not disturbed while the men are still performing their tasks.

We have attempted to give you a brief description of our efforts. But, we at this time must request the aid of every resident of our community. The Fire Dept. for the first 4 months of this year has responded to 75 alarms. This amount is almost 3 times more than the first 4 months of 1961.

In most every case the practice of "Fire Prevention" could have prevented the fire.

We urge you to bring this message to everyone in your home, to stress the importance of "Fire Prevention Practices", and to keep your home safe from fires.

The Jericho Fire Dept. is doing their job in being prepared for emergencies, you must do your utmost to help in preventing them from taking place.

"PRACTICE FIRE PREVENTION NOW"

Thank you,  
CHIEF PAUL A. KARDEL  
Jericho Fire Dept.

Another Jericho School Budget and Board election has come and gone and with it the annual opportunity for the Jericho resident to make known his preferences in regard to school affairs. This year the budget passed by 16 votes—out of a total of near 700 cast—an indication that the Jericho electorate is closely divided on the continuing rise in school taxes.

Every parent desires his children to receive as fine an education as is possible. It is the question of "What is possible?" that is the subject of debate. A substantial increase in taxes may be possible for some community members, but not for others. In fact, some residents have placed their houses up for sale—alleging that increased taxes at least partially to blame. And high taxes make for lower selling prices of real estate.

There is no doubt that in Jericho, where such a large proportion of inhabitants are of school age, school taxes cannot be as low as those of matured communities with fewer children. The issue arising is a complex one—"Can the community as a whole afford a tax rate that provides everything educationally possible for its students, or must there be some compromise?" The answer appears clear—we want to pay the least but receive in return a superior education for our children.

Whether a superior education depends on gracious landscaping and fine driveways, or competent instructors and current and accurate texts, even the educationally unsophisticated can determine. If language labs or native linguists can best teach languages is a matter for professional educators to decide. Every voter can however decide what he can afford. And obtaining the finest education at the lowest cost—if tax payments reaction large in personal budget planning—is a necessary goal. Close observation and scrutiny of future budgets will probably be the rule hereabouts.

Undoubtedly such a close vote resulting in voter approval, as in the past election indicating as it is in popular sentiment, will cause the school board to give even greater concern to budgetary restraints—without the inconvenience and possible disruption of school function that an austerity budget would effect. Let us hope that a balance can be achieved between cost and positive results.

## Fork Lane Musicians in Concert

Over 90 band and orchestra pupils took part in presenting their annual Spring Concert in the Fork Lane School, Hicksville on May 4.

This interesting program was under the direction of J. David Aht, band instructor, and Robert West, orchestra director. They were assisted by Mrs. Mary Midaniri, Fork Lane vocal teacher, and Rad Hastings and Christopher Glenn, pupil stage managers, and Gordon Jenkins, who was the announcer.

Heard, for the first time, was the 22 piece orchestra, whose members are: Ruth Bishop, Robert Clark, Stephen Clearman,

Lisbeth Converse, Robert Cushman, Dwight Eirich, Gordon Jenkins, Adele Glueckler, Thomas Koszalka, Arthur Lash, John Luft, Cindy Mahler, Marshal Mehr, Gloria Melitsky, Susan Oneglia, Simone Ponteri, Stephen Powers, Susan Rashkin, Sherry Resnick, Pat Sabatella, and Marc Silver, Joan Hobler.

Junior Band Members are: Pamela Borst, James Burke, Susan Burnand, Anthony Cesare, Charles Doolittle, Eugenia Doolittle, Jayne Farb, Susan Frankel, Neal Gallo, Christopher Glenn, Karen Green-span, Robert Kozlowski, Jay Lash, James Midgett, Tracy Mishler, Edward Mantell, Joan Mullin, Gary Nuccio, Bruce Pollak, Jane Sabatino, Kathi Sachs, Mark Schneider, Geryl Schoenfeld, Paul Smith, Tina Spangler, David Spindel, Karen Samberg, Barbara Sattler, Michael Szabados, Gary Taub, and Mark Wilkenschoff.

Senior Band Members are: Lois Bienenfeld, Susan Buchs, Nancy Carter, Robert Clark, Stephen Clearman, Judith Ann Colasanti, Lisbeth Converse, Robert Cushman, Gerald Delmat, Richard Dohoney, Isabelle Doolittle, Robert Dubester, Dwight Eirich, Linda Fletcher, Larry Gabriel, Charles Hafter, Richard Hafter, Irene Harlin, Phoebe Hastings, Vivien Hastings, Rad Hastings, Karen Heide-man, Larry Jacobs, Gordon Jenkins, Thomas Koszalka, Maureen Lane, Arthur Lash, William McIntyre, Robert Mayer, Kathryn Mazzocchi, Edward Moeller, Randy Nash, Anne Oneglia, James Sabatella, Pat Sabatella, Richard Sabatino, Mark Silver, James Stanton, Boris Sygney, Helene Toner, Ronald Williams, William Wilson, Pamela Wolf, Michael Zuessman, and Linda Zuniga.

### League Meeting

The next regular meeting of the Glen Cove - Hicksville Mercy League of Mercy Hospital will be held on Thursday, May 17, at 1:00 P.M. at the home of Mrs. Daniel McGrath, 15 Walden Avenue in Jericho. All members are invited to attend and to bring a guest or prospective member. It is earnestly requested that a reply be made to Mrs. Vincent Braun at Wells 1-3173.

## Appoint Resident

Joseph Pontrello, of Hicksville, has been appointed sales representative of Allstate Insurance Companies, according to Robert Leys, Manager of the Companies' Long Island Region.

Pontrello attended Abraham Lincoln H.S., George Washington University and Hofstra College where he received his B.A. Degree. He served as a Lieutenant in the U.S. Army Corps of Engineers.

He resides at 41 Rover Lane, Hicksville, with his wife, Barbara and their son, Paul, age 2. He is a member of the Hofstra Alumni Assoc. His hobbies include Football and track.

There are two kinds of party-goers. One wants to leave early, one wants to stay late. Trouble is, they're usually married to each other.

## Softball League Getting Tighter

The Jericho Softball League gets tighter as the season rolls on. The only remaining undefeated team is the White Birch Robbies who defeated the B'nai B'rith 12-8.

White Birch outlasted the Knight of Pythias 9-6 in a slugfest. Lewis Penn's homer featured the B'nai B'rith Bombers victory over the Westbury Darts 8-5. The West Birchwood Tigers continued the hard hitting weekend by squeezing out a win over the Princeton Park Braves 9-8.

The highlight of the week was the birth of a son, to league President Howie Schultz.

## Ten Pin Talk

By Henry Dockswell

With 1st place sewed up by Al Samuels #9's, and 2nd place tightly in the grasp of Sol Rabinowitz's #1's, the fight for 3rd place has now become a six-way battle. Only 4 1/2 points separate the 3rd from the 9th place teams. The schedule favors Sol's boys as they meet Lou Dershowitz's #10 tall enders, while Al's #9 league leaders meet Dave Batterman's #8's who are still fighting for the overall championship.

Our last night, May 28, is position night. If Sol's boys can keep their motor running and pickup two more points than Al's group, they will come face to face with those #9 terrors on that final night. Meanwhile Dave's crew are facing their moment of decision right now. If they don't take Samuel's and Co. this week they'll be out of the running. As a matter of fact if they don't do well Monday they could very well find themselves in 8th place.

The race for the most improved bowler still shows Lou Truchil in the lead with a 12 point increase but hot on his heels are Norm Schwartz 10 points and Bernie Spiegel and Sid Nadelson with 9 points each.

High Individual Game in Class A is Leo Geyer's 633 (congrats, Leo, on becoming a father again) and in Class B, Al Grusha's 246 is still tops.

High Individual Series in Class A is Leo Geyer's 633 (congrats, Leo, on becoming a father again) and in Class B, Carl Romm's 604 is holding fast.

Even though Marv Cohen couldn't find his regular ball Monday night, he managed to throw a 203, and in the alley right along side, Dave Batterman bowled a 211. Fred Sapio's #3 finally broke in to the first division. With a 4 point sweep of Mac Cushing's #6's they went from 9th place to 5th and suddenly they appear to have an outside shot at the overall trophy. True, they are 7 1/2 points behind but with 12 big points to go stranger things have happened.

# The Villager

(FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO)

VILLAGER photographers Horace Bernstein gets the "Picnic" in action. Top view is make-up time back stage.

## The 'Picnic' Was Swellegant

by Irving Herskowitz

The Jericho Players did it again. This time, it was the Wilma Inge play, "Picnic", that received their inimitable marvelous treatment.

The Jericho Players and the New York Yankees have one thing in common — they both manage to come up with new top stars every season. The similarity, however, ends right there — because the old stars of the Jericho Players don't fade away. Like any good wine, they keep improving with age.

"Mr. Jericho Player," Jerry Schaus, was right in there pitching his curves again and he cut all corners of the plate sharp and easy. The two stalwarts of the Jericho Players, Dale Berg and Blanche Karpel, once again turned in performances that were flawless. Either one could be called "Mrs. Jericho Player" without any fear of being hissed.

Harold Ecker, Isabel Davis, and Marc Koplik, scored very high in their respective roles.

The new faces who won their spurs with their realistic and moving performances on the nights of May 11 and 12, were Evelyn Ebert, Terry Pensa, Vera Mark, and Selma Gold. While Selma and Vera are really old hands with the Jericho Players, (dedicated group workers backstage) this was their spotlight debut and their initial performances were superb. There was one fellow in this

show, whose name escapes me at this time. In fact, it wasn't only his name that escapes me, his face completely eluded me. This, I am told, may be attributed to the fast 24 hour change to his cranium. Overnight, he developed a full head of hair and he was barely recognizable as the former editor of this newspaper. This chap, despite his bare summit, always did a fine job with this paper. But, as a thespian, he excelled his fine newspaper work.

The sets of this production were really something to marvel at. The flats were undoubtedly the finest piece of artistry that adorned any stage, barring none. The credit for this magnificent job, belongs to Lou Davis and Al Ross.

Artistically, these were great nights for the Jericho Players, bar attendance-wise, everything was left to be desired, and that desire was a Jericho audience which was conspicuously absent. In counting noses at the Friday night performance, I would venture a guess that of the whole audience there were barely 25 couples from Jericho. Most of those present were an imported audience. Jericho just refuses to appreciate the wonderful talents that lie in their midst — for which we say it's really a pity.

## Robbins La Troops Sold 4,608 Boxes

The girls of the Robbins Lane Girl Scout Troops have sold 4,608 boxes of cookies in the 1962 Girl Scout Cookie Sale. This resulted in a total revenue of \$1,843.20 and an increase of \$244.80 over last year. Mrs. George Frankel, Neighborhood Chairman, wishes to extend the thanks of the leaders and girls to the community for their whole-hearted support of our fund-raising efforts.

The girls of Intermediate Troops 152, 620, and 631 took part in a Community Service Project by distributing a "Know Your School Board Candidates" leaflet published by the PTA Council of Central School District #2. The girls were happy to have been of service in this extremely worthwhile effort to assist the voters of the District.

Mrs. Warren Armstrong, Troop Organizer, is already making plans for the formation of new Brownie Troops for the September Season. She will need some volunteers to become leaders of these new Troops. Anyone interested in working with girls should call Mrs. Armstrong at OV 1-1768 for further information.

## Stock Market

by Leon Newman

Prepared May 7, 1962

In my last column, I referred to my "studies" as indicating the possibility of new lows (which we are seeing) followed by an important reversal to new recovery highs (which we expect in the next couple of months). One may ask, "What exactly are the 'Studies' or theories that make one arrive at a decision on opinion on the market, or a stock?"

The first and largest group of analysts is the one using statistical yardsticks. The boys with the slide rules can quickly tell you how much a stock earns, and quite often how much it will earn for the next quarter or next year. These earnings are then applied against the price of a stock, and we have a Price Times earnings ratio. This would be an excellent method of saying how high a stock should go if people attitude and public fashions never changed. However, as we all have seen, the 100 times earnings certain stocks commanded a year ago have changed as radically as Paris Fashions. This year they may warrant a price of only ten or thirty times earnings, just as the sack or trapeze dress that was the rage a few years ago shares the same worthless attic space as mother's flapper clothes and grandmas bustle.

Another large area of market "studies" is the technical and chartist school. Briefly, they employ many tools to study the speed of the market or a stock's price change, the number of advances and declines, the confidence index, odd lots (or what the small investor does) etc. This method tries to embrace the element of psychology and historical behaviour patterns.

While I have the greatest respect for both of the above schools even though I have dealt with both too briefly to do them justice, I have tried to develop an entirely new method with the assistance of my colleague, Mr. Solomon, to shore up and reduce the shortcomings inherent in the other methods. We will explain these next week.

## Republican Club

To Hear Grunewald

Town Councilman A. Carl Grunewald will be the principal speaker at the next Jericho Republican Club meeting at Jericho Country Club on Friday, May 25 at 9 PM. The former chairman of the Town Zoning Board of Appeals will discuss government and politics.

Ralph Diamond, president of the club, extends an open invitation to attend this meeting.

## Jewish Women

To Meet Monday

The newly organized North Nassau section of the National Council of Jewish Women will hold its next meeting and membership tea on Monday, May 21st, at the home of Mrs. Barbara Schottenfeld, 3 Am Drive, Syosset, at 8:15 P.M. All women in the Syosset, Plainview, Woodbury, Hicksville, Levittown area who are interested in joining in the work of this section are cordially invited to attend.

Mrs. Ruth Levy, temporary chairman, will outline plans for the new section.

On the basis of our present studies we find the market has entered a deeply oversold area. It should build a substantial base between here and slightly lower levels for the next few weeks. Giving us many good buying opportunities for the sharp recovery we mentioned. In this churning market, we find most appealing certain issues in the oils, auto suppliers, textiles, TV stocks and even certain depressed electronic and space age issues.

## Arrowhead Boy Scout District Stages Annual Meeting

ARROWHEAD Boy Scout District held its annual meeting at Alibi Manor, Plainview, on Tuesday night, May 15. In the center picture, members of the Mohawk Patrol of Troop 433, Plainview, leads the opening ceremony. In the picture at the left, Eagle Scout Charles Hammett of Troop 293, Hicksville, tells the assembled officers and members at large of the District "What Scouting Means to Me." Seated next to him are Robert Fornace, Nassau Scouting field director, and Warner Lansing, re-elected District Chair-

man. In the picture at the far right, Fred J. Noth, editor and publisher of the HERALD, receives a special achievement plaque, from Joseph Giordano, public relations committee chairman of Arrowhead District, for his support of Boy Scouting. Giordano also received a trophy for his efforts from Chairman Lansing. The HERALD was also cited by the National Council of Boy Scouts for "outstanding support" to Boy Scouting. (Photo by Jim Schulte).

## Spring Sign - Up For Religious School

Arthur Klein, Chairman of the Religious School Committee of the Plainview Jewish Center, has announced that on two Sunday mornings, May 20th and June 3rd, 10:00 A.M. to 1:00 P.M., at the Plainview Jewish Center, 95 Floral Drive (opposite Oak Drive Public School), Plainview, new beginners will be registered for the Hebrew School and the Sunday School of the Temple.

Dr. Marvin Petrack, Principal of the Religious School of the Center, will be present to supervise the registration and answer all questions regarding the Center's educational program.

The Membership Committee of the Center, chaired by Samuel Cohen, will interview prospective new members and supply all the necessary information regarding affiliations with the Temple.

Rabbi Julius Goldberg, spiritual leader of the Plainview Jewish Center, has remarked that the 1961-62 year has been a banner year in terms of educational progress and standards which were attained. They expect a modest increase in the enrollment in the 1962-63 year and will welcome all those wishing to affiliate with the congregation and enroll their children in the Center's Religious School.

## AROUND THE DISTRICT

(Continued from Page 11)

have no trouble with the big boys (Platnidge and Syosset) but also runs steel the thunder from them... Once again, it was Bob (Fogel) Smith dealing out spanking 2 hiters to the Braves. This boy, fresh up from the JV's will bear watching next season. Prior to being knocked out at the beginning of last week, he had bounced Platnidge from the unbeaten ranks with a 3 hitter. This, plus the recent win over Syosset, (a 2 hitter) makes him definitely the Comet moundman with the mostest. Smith handles himself well on the slab. He's cool and has the pot of a big leaguer. Control is his only drawback so far, but once he gets more seasoning, look out! His pair of fast balls should have the Met scouts checking their figures a little more closely these days. One ball sneaks through in the normal fast ball fashion, and just as the batter gets set for this speed, Smith fogs one in and the hitter is a few seconds late with his swing. When Smith learns how to nip those inside corners and keep ahead of the batters, he's sure to go places. He's big, strong and knows how to wing that ball down the alley. Control and a wee bit of curve ball should completely fill the bill for him. Smoke on the fat part of the bat is a dangerous thing, but a little zip on the inside corner, gives the handle a workout and no batter can get that ball out of the infield with the handle alone. (Let's go Bob! Old Casey Stengel is in bad shape and could use a lot of help).

And now for the sluggers and glovemen. Powderkeg Chris Coletta (500 average) rode the bench in the Syosset game but Bruce Damm opened up with a walk around homer. He put the wood to this one and walked to from 2nd. Damm scored both Comet runs, the other via a walk and a single by Bill Luft. Tomaine is playing his Sophs and Juniors these days and from all signs, the future looks bright. Both Luft and Damm are glovemen that can hit and although the present Comet Fortunes are on the sick side (league record 4-8) the future could be brighter. "Wait! Next year is what the Dodgers used to say" and that seems to be the uppermost thought in Tomaine's mind.

**BOARD OF APPEALS**

Regular meeting of the Board of Appeals, Town of Oyster Bay will be held in the Town Board Hearing Room, Town Hall, Oyster Bay on May 24th, 1962 at 7:30 p.m.

CASE #62-223  
APPELLANT—Michael Toich, 8

Hicksville, New York, has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 13th day of July, 1960 relating to both real and personal property duly proved as the Last Will and Testament of AMELIA STENGLEIN deceased who was at the time of her death a resident of 121 NEWBRIDGE ROAD, HICKSVILLE, in said County of Nassau.

**CASE #62-225**  
APPELLANT—Julius Schmerzler, 9 Andover Lane, Hicksville.

**SUBJECT**—Variance to erect an addition occupying a greater percentage of building area having one less side yard and less rear yard than the ordinance requires, also the encroachment of eave and gutter.

**LOCATION**—West side of Andover Lane, 126.23 ft. north of Holyoke Road, Hicksville.

**CASE #62-226**  
APPELLANT—Peter Gambino, 8 Jerome Avenue, Hicksville.

**SUBJECT**—Variance to erect a detached garage on a plot occupying a greater percentage of building area and having less set back than the ordinance requires.

**LOCATION**—Northeast corner of Jerome Avenue and Wilfred Blvd., Hicksville.

**CASE #62-230**  
APPELLANT—John J. Natowicz, 28 Glen Street, Glen Cove.

**SUBJECT**—Variance to erect a residence on a plot having less front and side front set backs than the ordinance requires, also the encroachment of eave, gutter and stoops.

**LOCATION**—Southeast corner of Cedar Swamp Road and Massapequa Glen Cove Road, Jericho.

**CASE #62-232**  
APPELLANT—Minute Man Drive-In Inc., c/o County Neon Sign Co., Newtown Road, Plainview.

**SUBJECT**—A special permit to erect a ground sign pursuant to Article XIII, Section K-5 of the Building Zone Ordinance.

**LOCATION**—Northwest corner of North Broadway and 17th Street, Hicksville.

**CASE #62-234**  
APPELLANT—The Lift Appliance Mart, Inc., c/o County Neon Sign Co., Newtown Road, Plainview.

**SUBJECT**—A special permit to erect a sign pursuant to Article XIII, Section K-5 of the Building Zone Ordinance.

**LOCATION**—Southwest corner of South Oyster Bay Road and Woodbury Road, Hicksville.

## Senior Girl Scouts Plan Mariners

Senior Girl Scout Troop 19 of Hicksville is contemplating the formation of a Mariner Troop. In anticipation of this event, a program of Red Cross Swimming instruction was carried out at Farby Pool.

The Scouts participating were Amy Cornelias, Louise Demers, Linda Byron, Dorothy Frey, Patricia Giese, Sandra Krum, Kathleen Mill, Lorraine Moynihan, Helen Polcek, and Jeanne Correll. Certificates were issued. Spectators, instructor and the girls will all remember the hilarious Moynihan Twist as all tangles thrashed, and wriggled out of shoes and dresses in nine foot deep water.

## AMVETS ALLEY

ISLIP COUNTY'S FIRST POST

The C. Colley "OUT OF THE FOXHOLE"... AMVETS are hitting the newsprint over the United States and with good reason. The "baby outfit" is a thing of age and hearing about AMVETS is making thousands of veterans "JOIN UP" again.

Many of the older members are giving jobs of importance, such as our own HAROLD SSELL. Appointed to the job of Chairman of the President's Committee on Employment of the handicapped by President JFK, Harold is just the man for such a position. AMVETS will be there full force May 30th when the Shrine Dedication takes place.

Pearl Harbor where the USS ARIZONA was destroyed during the signing of WW 2. AMVETS can feel proud when the Memorial Marble Wall is dedicated with the names of 1102 silent crewmen who went down with her during the Nips attack. AMVETS initiative spurs new benefits hope. New York City will be the site for AMVETS National Convention come Aug. 22-24th. Try and make it. LOUIS

UTTER is National Convention chairman. National commander represents each Governor of the fifty states, safety belts with the late seal thereon.

NEWS AND VIEWS OF AMVETS

AMVETS hit restrictions on

LL loans. AMVETS NEC backs

U.S. A-Testing, but urges the

U.S. Representative to stay at

Geneva as long as there is a

dimmer of hope. NOTICES...

There will be a post meeting on

Friday evening May 18th, try and

trend. May 30th is Memorial

Day, our post will parade and we

will have our Jr. AMVET Band

with us. Come out and support

the youngsters. SERVICE OFFICER

REPORTS... Mrs. Auer,

mother of one of our deceased post

members, is at Meadowbrook Hos-

pital. Send her a card and best

wishes for a speedy road to re-

covery. At this writing I speak

for all members that AMVET

IRINE NULTY will be back shortly

as well. THE PASSING PARADE...

On our roster of departed buddies

and auxiliary members there are

but a few, but never has this

writer let it pass without a few

words of thought. A few weeks

ago, RITA KASTNER, suddenly

passed away without the post or

its members knowing till it was

too late. Through no ones fault

it came to pass and now we must

say we are sorry. RITA was one

of the first members of the AUXILIARY and I knew her from the

beginning. A person whose charm

and laughter was felt where ever

she went. A likeable person whom

no one could forget. She has left

a vacant spot here in hearts that

knew her to her family a void. Let

me say I am sorry that I had never

known her years and years ago.

These few words are for her alone.

You can pull up the dying weeds

that grow around my bed.

On some you may find ripened

seeds.

A language of the dead.

I pray, do not betray my trust

Wash not my name with tears,

Just brush away the gathering dust

And leave me with the years.

Mrs. Rita Kastner

CADET AIRMAN Frederick C. Herdson, son of Mr. and Mrs. Fred L. Herdson of 61 Boxwood Lane, Hicksville was among 200 Trinity College Air Force ROTC Cadets honored on May 14 with special awards at the annual spring review and honors ceremony at Hartford, Conn. He was presented with the Hartford Chapter, Military Order of World Wars, by Lt. Lewis L. Labum, USNR. The award is given to the second year, basic course cadet who has demonstrated the "greatest flying and Air Force career". He is graduate of Hicksville High and is working toward a BS in chemistry. He is a member of WRTC, Trinity's FM radio station; the ROTC Rifle Team and Phi Kappa Psi Fraternity.

## Legionnaire's Log

Charles Wagner Post

No. 421, Hicksville

By ARTIE RUTZ

The latest information available

from the Building Committee is

on the good side....All in all, the

results of our architect's Albany

trip proved to be quite worthwhile

and step by step, carefully, the

entire expansion project is unfolding

from its paper and pencil

cocoon....the next step seems to be

the securing of bids by interested

contractors and this may be under-

way at this writing....minor internal

changes suggested by members

will be acted upon in due time....I

hear that our Auxiliary will have a

float in this year's Memorial Day

Parade....And once again they are

offering their Poppy Wreaths, suit-

able for home, business establish-

ment or cemetery for only \$3.00

donation....See Lil Bosch or

Sophia Sutton about them....And

don't forget Poppy Time is here,

so get a Poppy from the girls and

wear it proudly in remembrance

of America's Heroes....

Sometimes it is sad to reflect,

after reading our daily newspapers,

of the mercenary attitude that is

abroad in the world today. Our

foreign "friends" seemingly have

their hands out continually (to in-

itiative and a desire to serve for the

good of all, is rejected in favor of

political expediency. It is a won-

derful thing to have things run in

peace and without trouble, but at

what price must be paid in the

future for shortsightedness

American greatness wasn't ac-

complished accidentally, rather it is

the product of personal danger,

initiative and hard long hours of

work. Likewise, organizations,

such as ours, stand in constant

peril of elapsing into unproduc-

tivity unless devoted Legionnaires,

with initiative, are on hand to drive

forward, with design and purpose,

our Post to new heights and ac-

complishments. We stand today at

membership heights above any

other year and very possibly will

equal or surpass the total mem-

bership of all other veterans' or-

ganizations in Hicksville in a year

or two. This has been accomplish-

ed by hard work and long range

planning, not by accident. For

proof of this, I refer you to and

challenge you to, examine the con-

tents of our local newspapers and

Post Minutes of 7 years ago and

follow the record on thru the years

up to the present date.

I recall, with amusement, how

last shock at the time, of the answer

given by a membership officer

during that seven year period, as

to why he didn't have a member-

ship drive. "Too busy," was

the answer, and yet he wasn't "too

busy" to accept the position. I am

happy to say that despite his lack

of interest, our membership

climbed that year, due to the hard

work of other Legionnaires. Are

you wondering why this degree of

perseverance in this column at this

time? Each year we members

are called upon to elect a new

group of officers to guide and ad-

vance the Post for the coming year,

and I, for one, take this responsi-

bility with a serious mind to the

future each time. I believe I

carefully inspect each candidate

as to his true qualifications for

the position he wishes to fulfill

regardless of the fact that the

nominating committee has recom-

mended him. I have been County

Publicity Chairman for the past

4 years and consequently come in

contact with a great amount of

information. I find the Post this

year leaving several vacancies in

the vice commander category due

to the lack of QUALIFIED candi-

dates, not candidates. This will

benefit the Post in the long run,

even though they'll be short handed

this year, because when office of

Commander is reached, you can

be sure he'll be qualified by reason

of his abilities and not "political

expediency" to fill a roster with the

least amount of trouble. That Post

will prosper....See you all next

week.

## Around The District

By Joe Koerner

METBORS IN ORBIT - Jr. High baseball coach, Dick Hogan, reports in with a bangup seasonal mark for his Meteor diamond dusters. Last time out they socialized Syosset up the time of an 8-2 win. Winning pitcher, George Schwartz, gave up 4 hits in his 5 inning stint, and Andy "Little A" Kuchler, came in for the relief assignment. Rich Bonapane was the big gun in the lumber dept. with a homer and a single to his credit. Nick Carrera chipped in with a double and a single; Glen Olsen got a pair of doubles; Catcher Pete Seitz drilled a pair of singles and Schwartz aided his own cause with a double and a single. That makes it 5-0 for the Jr. Highway-men and they've been bouncing that ball around like there's no tomorrow.

Here's a Mantle, Marris fued going on between Bonapane and Carrera in the circuit blast division. Bonapane has hit one homer in every game, to date 5 in all, and Carrera has 3 to his credit. In the five games so far this season, the locals have outscored their rivals 50 - 15, and there are 6 more games left on the schedule. Coach Hogan is by no means downhearted over these figures. In fact, at this stage of the game he's gunning for the whole set of marbles in the Section I division, and looks for his hurling staff of Vin Hoesack, Andy Kuchler, Frank Meier, and George Schwartz to continue their miserly way with the base hits.

JAYVEES 5-5 - Jayvee Baseball coach, Harry Renn, reports in with an even stephen record of 5-5 for the season. Renn lost his ace pitcher Bob Smith to the Varsity a few weeks ago, but managed to come up with a might good substitute in the form of Larry Caesar. Caesar, in his first time on the mound try vs Plainview, came up with a nifty 7 hitter and struck out 11. And, on top of that fine effort, Larry applied the frosting on the cupcake pounding out a homer for the 8-2 win. Battery mate, Frank Decillis also had a big day at the bat, going 3 for 3 (2 doubles and a triple). Renn came up with a lot of credit for his batting leaders, Mike Sikowski, Bud Weber and Bill Symanski and added a little head-shaking condolences for the fine efforts put out by another one of his frontline pitchers, Otto Gabrielson. "Otto pitched some real good ball so far," Renn stated, "but lack of hits caused him to lose a number of 1 run games. That's 5-5 and 5 to go for J.V.'s and they should continue to hold their own for the rest of the season."

TRACK FACTS - Jr. High track mentors, Warren Meyer and Bud Brion report in with a seasonal mark of 4-0. That leaves Syosset

and Salk left on the schedule and help for an undefeated season. Looks promising. Boys undefeated in their events are as follows: (14 and 15 year olds) Larry Westlake (Shot Put) and Ray Cotoski (Javelin); (12 and 13 year olds) Gary Bertram (Pole Vault) Alex Kazor (660), Leon Kaprinsky (High Jump), and Ralph Senzag (Shot Put). And on the Varsity side of the agenda, Coach Jim Grantham and his "Comet Cindermen" dropped their first meet of the season, a 63-55 affair to Syosset. According to the records "Big Jim" didn't figure to lose this one. "We let 'em get away," he added, "but we fell down in events where we should have scored at least 2nd or 3rd points." The Comets are now 3-1 in the league standing. Event winners were, Chris Coletta, 100 and 220 dash, 10.1 and 22.3 seconds; Howie Hamm, 880, 2:9.8; Frank Lloyd, mile, 4:58.0, 880 relay, 1:36; Shot put, Vic Manuzza, 47' 11"; Discus, Joe Adragna, 159' 10" (According to weight coach, Stan Kellner, Adragna broke the old school record by 2 1/2). Broad jump Ray Strassburger, (1st place tie, 18' 3").

COMETS DROP 2 - WIN 1 - Comet baseball coach, Army Tomaline, and his boys are still bucking that full moon flood tide. Last week, they dropped a pair of road games to 4th and 5th place clubs, but stormed back at the week's end to dial 2nd place Syosset a 2-1, shakup. It seems the Comets

(Continued on Page 8)

## Spectacular Events

### At Islip Speedway

Despite the prevailing chilly spring nights, Auto Race fans at Islip Speedway saw a card of spectacular racing.

Jim Hendrickson won the exciting 25 lap modified-sportsman main event. Action was halted, both in the 11th and 17th laps due to spinous which left cars stranded on the track. Hendrickson also won the first modified-sportsman heat of the evening.

In the second modified-sportsman heat a dead-heat was called between Tommy Nolan and George Tet who ran a tooth and nail battle all the way to the finish, which had the fans on the edge of their seats throughout the greeling contest.

# SCHOOL BOARD

(Continued from Page 1)

objection to Bruno being appointed and he said no since he realized the Eaton seat was still occupied.

After Bruno's election a 5 to 1 vote, he was given the oath of office by Vice President Johnson who then surrendered the chair to Eaton.

## Agenda Changed

About an hour later at a few minutes after 10 o'clock, the item of "physiological testing" on the agenda prepared by School Superintendent Donald F. Abt was reached.

Abt requested a "one minute" executive session with the Board members to discuss some development which he said had come up that evening. He didn't go into detail.

All seven Board members and Abt left the meeting room for the adjacent lounge where they were joined by Louise Cameron, chief psychologist of the School District who had been scheduled to speak at the meeting regarding methods used in the system. She never returned to the meeting room, leaving by another door.

The "one minute" executive session stretched out to over an hour. It was ten after eleven when the meeting resumed and Johnson made a motion, seconded by Zettler, that the item of physiological testing be tabled and referred to the Board committee on policy. The motion was carried 6 to 1. Bruno voted against the tabling action.

Jackson, chairman of the Board committee on policy, indicated that the group will meet some evening this current week.

A larger-than-usual audience of the public vanished as the meeting proceeded to the next agenda item. The audience included a reporter and photographer from Newsday and a reporter from the LI Daily Press.

Eaton returned the chair to John-

ASSEMBLY SPEAKER and County Leader Joseph F. Carino was the featured speaker at the regular monthly meeting of the Ernest F. Francke Republican Club of Hicksville on Friday, May 11th, at the Masonic Temple. He is shown here, second from left, with Oyster Bay Town Leader Thomas Pynchon at the far left; and Club President Julius Schwartz and Executive Committeeman Philip F. Robinson to the right. A capacity audience heard Carino talk about the resurgence of strength within the Republican organization and plans for the forthcoming election. (Photo by Frank Mallett)

sen when he left the meeting a few minutes after 12 midnight. The meeting concluded at 1 o'clock in the morning.

## Lutheran Group Elects Officers

The Parent-Teachers Friends Assoc. of Trinity Lutheran School, 40 W. Nicholas St., Hicksville, announced the newly elected slate of officers for the 1962-63 school year. Harold Mayer, Pres.; Raymond Rueger, 1st Vice-Pres.; Mrs. Mary Ann Hartnberger, 2nd Vice-Pres.; Mrs. Patricia Hudak, Rec. Sec.; Mrs. Edith Remensnyder, Corr. Sec.; and Mrs. Doris Dysart, Treasurer. All are Hicksville residents.

## Scouts Complete Boatman's Course

Saturday morning, May 12, at Holy Trinity Episcopal Church, Scouts from Troop 508, B.S.A. completed a New York State Young Boatman's Course.

The Scouts working for the Motorboating Merit Badge were: Joseph Chernauskas, Paul Chernauskas, Michael Galdo, Michael Gregg, Michael Koch, Carl Kozma, Thomas Lyon, Robert Phizemayer, David Post, Stephen Yocum, Torrey Glass, Francis Szyversant, Clifton Bain, Jeffery Kumer, William DeReza.

Committeemen working with the boys were well pleased with the interest displayed, and believe these boys will continue the tradition that no holder of a Boat-Safety Certificate will be involved in marine accidents.
