## Hicksville Service Stations Vie in Clean Up Competition

Ten gasoline service stations here will be inspected tomorrow (Fri) in a contest to find the cleanest and most attractive station in Hicksville.

Invited to act as judges in the New York State Petroleum Council's "Service Station of the Year" contest are Lawrence McCaffrey, president of the Hicksville Chamber of Commerce; Mrs. Max Auerbach, second vice-president of the League of Women Voters of the Town of Oyster Bay who also is a Hicksville resident; and Fred J. Noth, editor and publisher of Mid Island Herald and Plainview Herald.

The Council's Public Relations Chairman, James H. Powers, who will accompany the judges on the inspections, said that the messy

appearance of some service stations seriously offends the public, and results in bad will for the industry and loss of prestige for dealers.

"Since 19 out of 20 stations are leased or owned by independent businessmen," he explained, "oil companies can only ask for their cooperation, and provide incentives such as the 'Service Station of the Year' awards to give participating dealers the recognition they desire."

### VACATION FOR TWO

In addition to a community award of merit to be presented to the best-looking station in Hicksville, the winner is eligible to compete for three Nassau County awards. Specially-designed silver statuettes, the petroleum industry's "Oscar", will be presented to the first-place county winner at a banquet which he will attend with his wife in the Fall. He also will receive a vacation for two at a famous resort. Runner-up will be awarded special laminated plaques.

Out of 28 stations registered in Hicksville for the contest, oil company representatives selected ten for Friday's inspection by local citizens. The name of the winner will be announced in the HERALD next week. The ten contestants are J. Armstrong's Shell, Broadway and Thorman; P. Cramer's Sunoco, West John St and Burns; Duffy Lane Mobil, Old Country Road; J. Lowry's Sunoco, Broadway and Princess; D. Marder's Shell, So. Oyster Bay Rd. and Woodbury; Midway Mobil, 325 Jerusalem Ave.; Rocket Texaco, 456 Plainview Road; Rubin's American, 1169 Broadway; Chevron Depot Service Station, 89 Bethpage Rd.; and Mark Service Station, 106 North Broadway.

HICKSVILLE'S CLEANEST and most attractive service station will be eligible to compete for the Oil Industry "Oscar" and a resort vacation for two.

## Fast Work Checks Damage :

FIRE CHIEF WALTER TELENDER points out the place in East St. School where fire apparently started late Tuesday night and was quickly brought under control by the volunteers. Left to right are First Asst Chief John Specht, Second Asst Chief Gus Cotsonas, School Board President Jerome Zettler, Board Vice President Herbert Johnson, Chief Telender and 3rd Asst Chief Clifford Davis.

## Investigate School Fire

Fire of undetermined origin broke out in a section of East St. School, Hicksville, shortly before 10:30 P.M. Tuesday night and brought out 100 volunteer firemen who quickly had it under control.

The fire occurred in a pile of construction debris in a section of the old cafeteria which is being renovated. Fire Chief Walter Telender has requested an investigation to determine the cause by the County Fire Marshall's Office. Damage appeared light although some plastic covering on 20 ceiling lighting fixtures melted under the intense heat.

School Board President Jerome Zettler and Vice President Herbert Johnson were called to the scene shortly after the alarm.

The School District is fully protected under the Builders Risk Policy and Insurance authorities are now estimating the damage. School authorities praised the Fire Dept. for their fast action in containing and extinguishing the fire and restricting the damage.

MORE THAN 100 volunteer firemen and all pieces of fire apparatus rolled when the alarm was sounded at 10:29 P.M., Tuesday, as two different persons in the neighborhood noticed smoke and fire. Fans inserted in 2nd and 3rd floor windows quickly dispersed thick smoke. Fire damage in section under construction was light due to prompt action of the firemen. The cause is under investigation.

## Board Votes to Look Into Text Books

Approximately 500 persons, some of them residents of other Long Island communities, attended an open meeting of the Hicksville School Board on Friday night. While many were apparently present to support the School Board in its June 29 action upon a prayer in the schools, there was apparently little stirring on this subject because the matter is now in the hands of the State Education Commissioner upon an appeal of a resident.

However, talk they did on a wide range of subjects, stimulated by discussion of Board members in acting upon their usual business including the payment of General Fund Bills.

William A. Bruno Jr. questioned and refused to pay a list of bills amounting to \$9,450.96 for text books. The Board approved the item 6-1 and then voted to have Bruno supplied with a list of the titles and authors.

He also objected to paying \$135.60 to Science Research Assoc and he was joined in voting no by Cornelius McCormack. The item carried 5-2.

These items led to a wide discussion of textbooks and various testing devices used by psychologists.

Bruno and George Kunz voted no on the decision as recommended by School Superintendent Donald Abt, to form a Board committee to work in conjunction with State authorities to "review the text books of the School District as to

whether they are subversive authored in their context and/or published by a subversive group." The motion carried 5-2.

Bruno objected to the textbook committee unless its deliberations would take place in open session. Board committee sessions in the past have not been formal opening

## Round Up Petitions on Aug 6

An estimated 2,000 persons have signed the "Statement of Support" addressed to the Hicksville School Board upon its action in declaring that a portion of the National Anthem may be said as a prayer in Hicksville Schools, according to William L. Maher. He requests that all persons who have copies of the petition return them to him at his home, 172 Brittle Lane, Hicksville, by Monday, Aug. 6, for presentation to the School Board at its next regular meeting on Friday night, Aug. 10.

Copies of the petition are available in many local stores and other public places.

DR. JACK WEBER contemplates the many experiences that he and Mrs. Weber enjoyed during a recent European trip. Representing the Hicksville Lions Club as official delegate he attended the International Convention of Lions Clubs at Nice, France. The Webers left Idlewild on June 15 and visited Switzerland, France, Italy, and England before returning last week. The Hicksville Lions will hear Dr. Weber's report at their next regular meeting.

He reposed at the Henry J. Stock Funeral Home until Tuesday,

## Dear Jean:

Rotary Club President JOHN DOBSON presented John Darmstadt from Cuyohoga Falls, Ohio, with a flag of the Hicksville Club when he was a guest at a recent meeting. Many bicyclists are inviting accidents by riding in the left lane of streets and highways. Many children are unaware they are violating safety rules and traffic regulations. They should keep to the right. Post card from Conklingville, Adirondack State Park, New York, tells us where PBC Patrolman Director DAVE RYAN is vacationing. We also have a card from SAM AND KITTY WEISS mailed from Rome during their European trip.

If you want to know if anyone is reading the paper, just make a slip. We apparently did (although we thought our source was the best in town) and said there were only three stanzas to the National Anthem. Several people have called and recited a third stanza (followed by our third in the fourth) published in their encyclopedias. . . . GEORGE KING is in Meadowbrook Hospital and we wish him a most speedy recovery. Mr. King was associated with St. John's Rectory on North Broadway (present day site of Midland Plaza) for many, many years. He went there as an orphaned boy and later became one of its trusted staff members. He has some vivid recollections of Hicksville as it was 70 odd years ago. . . .

What certain character on Pine St., suddenly left for a Florida vacation. He's a friend of our friend, the "mail bag" "MACK". . . . From our society notebook we have the recent engagement of Miss ARLENE EWALD, daughter of Mr. and Mrs. John R. Ewald of Hicksville to Navy Seaman KENNETH LANE of Bethpage. The couple plan their wedding for Sept. 1 in the Bethpage Assembly of God Church. . . . Also Miss JOYCE FORNARO, daughter of Mr. and Mrs. Louis Fornaro of Plainview to JOHN E. HENNESSY of Hicksville. . . . TORHILD THELMA OLSEN, daughter of Mr. and Mrs. Torkelson Olson of Hicksville, became the bride of JOHN L. ROBB of Troy, N.Y., on Saturday, July 28th at Hicksville's Trinity Evangelical Lutheran Church. Congrats and best wishes to all. . . . It was good to see JOHNNY VAF's smiling face behind the counter at FRED WALTERS Liquor Store, W. Marie St. He was on vacation and Fred and the McCarthy boys took over for the week. . . . Good to see the FRANK BRANDT's family back in Hicksville for a while. The Brandt's former residents of Twinlawn Ave, moved to Virginia, and are living with friends and relatives until their new home in Port Jefferson is ready for occupancy. . . .

Put a big red circle around next Sunday on your calendar. It is a double-date. It is the birthdays of both Father HARRY WOODS and FRANK MANGAM. . . . Assemblyman EDWIN FEHRENBACH was guest speaker at the Glen Cove Rotary Club, Tuesday of this week. . . .

DICK BRAUN, a familiar figure around the Firehouse, is a patient at Central General Hospital in Plainview since Monday. His friends all wish him a speedy recovery. . . . Hicksville Fire Dept. and many other local units take part in the annual Floral Park Firemen's Parade and Drill this Saturday afternoon and evening. . . . We hear HAROLD MANASKI noted out JOHN LARKIN for second vice president of the Hicksville Exempt and Benevolent Firemen's Assoc. It probably was the first contest for that office in the history of the organization. . . . Many folks are currently on vacations. . . .

Get well wishes to Miss MARY KELLER of Harding Ave. who is a patient at the Veterans Hospital, Fort Hamilton, Brooklyn. Miss Keller resides with her sister, Miss CLARA KELLER, during the summer months and spends winters in Florida. Bet she would love to get a greeting from her local friends and neighbors. . . . Our sincere sympathy to the family of JOSEPH R. KASTEN of Newbridge Rd. who passed away this week. . . . Thank again, CATHY LOUCKS for our August engagement card. . . . Sure does come in handy. Cathy operates that cute little Hicksville Gift House, corner S. Bway & Lee Ave. . . . Understand our friend Miss OTTOLIE BUNONAGURA, daughter of Mr. and Mrs. Angelo Buonagura of S. Bway is out in California with the Naval Nurses Corp. Miss B. studied nursing at St. Joseph's, Emmetsburg, Maryland. . . . Congrats and best wishes to Miss ELSIE VAN LAWRENCE of Bethpage whose engagement to Harold J. Donley of Roosevelt was announced recently by her parents, Mr. and Mrs. Julius Van Lawrence. . . .

Seaman 1st class, RALPH D. HEBERER, JR., son of Mr. and Mrs. RENE HEBERER of 120 Division Ave., Hicksville, has just been assigned to the U.S.S. Galveston, guided missile cruiser, which is leaving on an extended cruise to the West Coast. SEAMAN HEBERER was recently home on leave with a guest, Seaman 1st class, WILLIAM VAN DYKE of Galveston Texas, who has also been assigned aboard the Galveston. . . .

The tall grass has been cut down around that fire hydrant we mentioned recently on James St. off North Broadway. Now we can't park there anymore enroute to the Post Office. . . . Our carefully drawn map of the circulation of traffic during the crossing work on Broadway was hardly dry on the paper when they changed the pattern. Oh well, we tried. . . . Tax Receiver FRANK HYNES of Farmingdale will be guest speaker at the Republican Club meeting on Friday night, Aug. 10, at Hicksville Masonic Temple. . . .

day, July 31, when a solemn requiem mass was offered for him at St. Martin of Tours, R.C. Church, Bethpage. Interment followed at St. John's Cemetery.

MRS. WILLIAM LYON, SR.

### Completes Training

Army Pvt. Dominick R. Notaro, son of Mr. and Mrs. Alphonse Notaro, 217 Cottage Blvd., Hicksville completed eight weeks of military police training at The Provost Marshall General School, Fort Gordon, Ga., July 20. Notaro received instruction in such subjects as civil and military law, traffic control, map reading, prisoner-of-war control and self-defense.

## Table Prayer Vote Petition

The Hicksville Board of Education received a petition at its regular meeting. Friday night, when Howard F. Van Allen of 9 Dayton Ave., Hicksville, calling for a referendum as soon as possible to get public approval or disapproval of the adoption of a portion of the Star Spangled Banner which may be said as a prayer in the public schools.

The petition, which Van Allen said contained 505 signatures, was read but no formal action was taken. President Jerome Zettler who said he regarded the document as an endorsement of the Board's action at the June 29 meeting, in answer to a question, said he personally had no objection to putting the question to a vote. However, in view of the fact that a referendum would probably take place in November on the proposed Public Library addition, he thought it would be unwise to spend the estimated cost of \$6,000 for a referendum at this time.

John Finnegan, among those who addressed the Board, said he thought it would be the "best \$6,000 ever spent by this District."

The petition reads as follows: "We, the undersigned taxpayers and residents of the Hicksville Public School District, hereby petition you to hold a public referendum as soon as mechanically possible to permit the people of Hicksville to ratify or vote against your recent action in adoption of a portion of 'The Star Spangled Banner' for voluntary classroom recitation in lieu and instead of the US Supreme Court-outlawed Regents prayer."

"In our opinion, it is perfectly proper to sing, recite, or silently read the National Anthem, in whole or in part, in any classroom in this nation. As a matter of fact, the singing, or reciting of the National Anthem should be part of the citizenship education program in the public schools."

"Further, we vigorously oppose any move to have 'The Star Spangled Banner', or any portion of it, banned as the Regents Prayer now has been banned."

"We therefore request that you

submit this question to a referendum, especially since God has now in effect been 'expelled' from the public schools by the U.S. Supreme Court decision."

### Catholic Vets Write

A letter from Frank P. Gordon, commander of the George Jakupko Post, Catholic War Veterans, was also read: "The George Jakupko Post, Catholic War Veterans, Hicksville, takes this opportunity to commend Mr. Bruno, Mr. Eaton and the other members of School Board of District No. 17 for their dedicated interest in the children of our community. By their decision to use the four lines of the last stanza of our National Anthem as an expression of our country's heritage they have demonstrated to this community that they understand the true origins of our glorious land and further that they are determined that this knowledge shall always remain part of our being."

"The George Jakupko Post further states that it will support as all true Americans should - the recent Supreme Court decision on the use of prayer in our schools. It will, however, dedicate its abilities and energies to causing an amendment to the Constitution so that the sincere religious convictions of millions of Americans may be made part of the law of our land."

# Herald Editorial Comment:

## William E. Koutensky - A Good Neighbor Indeed

Someone in town gets elected to the school board or wins some other distinction and he is very liable to receive a friendly letter of greeting from William E. Koutensky.

And this is very typical of a man who is well-known as the president of the Long Island National Bank, one of the largest independent banks on the Island. But Mr. Koutensky is more than a banker. He is a good neighbor, a person sincerely interested in the welfare of his community and its people.

We know of some ways in which he has demonstrated this in public activities, such as the longtime and hardworking President of the Hicksville Business Men's Assoc. But there are probably many other fine things he does of which the public as a whole will never know.

Take this matter of the grade crossing elimination program. While others may wring their hands and moan about hard-

ships, he is spreading the word of optimism and looking forward to "helping to build a modern Hicksville." In the Chamber of Commerce he is stimulating this line of thinking and continues to push hard for increased Chamber membership.

Hardly an area of community life has not benefited by his active interest and concern. Members of the volunteer fire department are loud in their appreciation of his most successful efforts as their honorary Labor Day chairman for two successive years and his participation was something a great deal more than an honorary title dictates or implies.

Mr. Koutensky has been with the LI National Bank for 43 years. The bank was founded in 1917 and that is a span of 45 years.

Beginning as a teller when the bank had assets of \$587,259.16, he came up thru the ranks to become the Cashier and upon the death of William Duffy was elect-

ed President of the Bank. From 1920 to 1940 the bank grew from a half million to \$1,404,879.91. Ten years later in 1950 it stood at \$9,773,435.19, leaped to \$30,963,029.76 by 1955, climbed another \$11 million 18 months later. By 1957 the bank had four offices and assets of \$47,769,343.25.

Today there are seven offices of the bank, including one in Suffolk County, and its last financial statement published as of June 30 shows total assets of \$75,526,994.57.

This is a remarkable record of growth even for Long Island where things have been growing fast for the past decade and yet, at the same time, the Long Island National has retained its warm, good neighborly attitude toward its friends. And in this we believe the Bank reflects the good neighborliness of its President and the community's very good friend -- William E. Koutensky.

## Lavish Descriptions of Early Residences, Wonders of Grand Central Hotel in 1888

By Frank Marrs

(Editor's Note - This is the third installment of articles written for publication in New York City newspapers around 1888 by Frank Marrs giving a word picture of Hicksville in that age).

Among the handsome residences are Bernard Earle's which is about the prettiest place in the village. The house is built about 800 yards back from Jericho Ave. and the pretty flower gardens, handsome drives and walks and beautifully kept lawns attract the eyes of everyone who passes.

On the opposite side is the pretty cottage of ex-Collector of Internal Revenue Horton.

Another handsome place is that of Mr. Henry Done, a wholesale fruit dealer, and is at the junction of Broadway and Jerusalem Ave. The grounds are well kept and Mr. Done spares no expense or pains in keeping his beautiful home in perfect condition as it is his permanent residence all year round.

If you want to see a model farm go around on Manetto Hill Ave. near the Cemetery and there you will find it without searching long either. Mr. Frederick Herzog & Sons firm of which Mr. Frederick Herzog is the senior is an old sailor but now his hobby is farming and it is his ambition to have one of the best and neatest farms on Long Island. His farm of 73 acres of highly cultivated land is one of the showplaces of the vicinity. On it are erected a large and handsome dwelling, barns and outbuildings of all kinds, all of them new. Mr. Herzog said that this fall he will go down to South St., New York, and ship a crew for the farm. He wants a first mate and three men before the mast.

Julius Augustin who recently

bought the old Molloy Homestead on Broadway is going to have a home anyone would feel proud to own. He has completely changed the looks of the place. Already the ground has been graded and trees set out until it looks like a park; fences have been built and a handsome barn is being erected by William Molloy. This fall a costly cottage will be built.

The Heltz homestead near the depot with the two acre park around it is admired by everyone. The homestead is to remain in the Heltz family and never be sold. Mr. Heltz who has long since died was very fond of trees and flowers and spent enormous sums of money in beautifying his home.

Among other handsome places are those belonging to Henry Kuhl, Joseph Clark, John Quartus, Charles E. Voigt, Henry Fuvogel, C.O. Wolfert, E.H. DeLangullette, William Braun, John Lindenman, the Rev. H. Grand-lennard, Henry Stolz, Matthew McGunnigle and others.

### Grand Central Hotel

The Grand Central Hotel was the first hotel erected in the village. It has been enlarged from time to time until now it is one of the largest houses for miles around. It is now under the management of August Fleischbein, formerly of New York, and what he does not know about running a first class hotel is not worth knowing. He is always good natured and is very popular with his guests and at present he has the hotel full. The hotel is only a few steps from the depot, handsomely situated with tall trees and a park in front.

At the south end the little park in front of the hotel with

the tall flagstaff is something pretty to behold. In the south park are the picnic grounds, a large dancing platform and pretty little summer houses scattered here and there. The large hall is 108 by 80 feet, two stories high (Editor's note - This structure was recently demolished as part of the grade crossing project. See front page, issue of June 7, 1962). On the first floor are the bowling alleys and on the second floor the large hall with large stage, dressing rooms, and a seating capacity of 600. People from all over the Island attend the balls held here as they are well-conducted and the music is always good.

(Editor's Note - This has appeared in The Long Islander of Nov. 5, 1898: "The largest audience that ever assembled in Grand Central Hall to witness an entertainment was certainly the one that was present at the cinematograph entertainment given on Monday evening under the auspices of the German Lutheran Aid Society. The entertainment was good.")

### Business People

Frederick Herzog, the senior member of the firm of F. Herzog and Son, was born in the village of Wilhelmine, Prussia, in 1825. He came to America in 1849. He is an old sailor, having been before the mast over ten years. In 1855 he quit the sea and started the retail grocery business in New York. As his health was very poor, he sold his business in 1863 and located at Hicksville, commencing the dry goods and grocery business in a small way. By perseverance and fair dealings he has built up a country trade second to none on the Island selling almost everything.

Broadway and Marie St., May, 1923

THE GRAND CENTRAL HOTEL.

Dated back to 1835 - from LI Press.

In 1884 his sons, Frederick and William, and his son-in-law, John H. Halm, were admitted into the business and the firm name changed to F. Herzog and Sons. Mr. Halm is an experienced man in the dry goods business and he runs that dept. The cashier and bookkeeper is Frederick Herzog Jr. and the general buyer, William Herzog.

August Hauser moved to Hicksville in 1882 and established himself in the jewelry business doing repairs of all kinds. In 1888 he purchased the property where he is now located and enlarging it and building a large hall, he opened the Hicksville Hotel and restaurant and from the beginning it has been popular. He still carries on the jewelry business in the east end of the Hotel. The large hall has a seating capacity of 350 and is used as a lodge room by the IOOF and RA lodges.

The young men comprising the firm of Purick & Loehwing serve the people with the TIMES and other periodicals and have a good trade.

Hartman Rohrbach located in Hicksville as a harness maker in 1873 but soon after moved to Jericho where he carried on his business until 1883. In that year he returned to Hicksville. He is the only harness maker in the village and carries a full stock of everything in his line.

Julius Augustin is a well-educated gentleman and thorough business man. From a small beginning he has built up a trade that any man would feel proud to control. He does an extensive business for miles around the village, running three distinct and separate business concerns; viz, dry goods and grocery store,

furniture store, and coal and wood yards. Mr. Augustin was founder of the "Long Island Central Zeitung", a German paper published at College Point. He first published the paper in Hicksville, but being unable to give it his attention, he sold it.

(Editor's Note - Mr. Augustin sold his dry goods and grocery business to Henry F. Huettner on July 20, 1890. The building where it was then located was on the northwest corner of Broadway and W. Marie St. and a picture of it was published with this series on the issue of July 19.

(The first large, modern business building in Hicksville was built by Henry F. Huettner Inc. on the south west corner of Marie St. and Broadway and opened on May 26, 1923. See picture. In recent years Huettner's discontinued retail business and the structure has since been converted into smaller stores and office space. Part of it is occupied by Hicksville School District as an administrative annex.)

To be Continued.

### To the Editor:

Your researcher is in error when he states that there are "apparently" only three stanzas to the "Star-Spangled Banner." The World Book Encyclopedia prints four stanzas. The lines designated by the Board of Education to be used as a prayer in the schools, are from the fourth stanza as stated.

I am sure that the Hicksville Public Library has the World Book and also that the complete "Star-Spangled Banner" can be found in other standard encyclopedias. ELIZABETH PEARCE 40 McKinley Ave., Hicksville, N.Y.

## Hi, Neighbors

MURIEL SUGARMAN

Thanks for answering my request to call interesting items to me. Had lots of phone calls. You will read them in this and future columns.

Cheryl Brand of Hedgerow has been bedridden for a year. It took a lot of courage and perseverance to fight her illness. It gives me pleasure to report that this brave girl, daughter of Shirley and Irving Brand, has learned to walk again.

Sincere condolences to Danny Klegman of Hightop Lane, on the untimely loss of his sister.

Remember when we first moved into Birchwood — on almost every Saturday night during the Summer there were Patio parties? As you drove past, you could hear the music, voices, and laughter emanating from many of the gardens.

I guess time has mellowed this custom. Leave it to Miriam and Victor Perilberg of Birchwood Park Drive to revive this custom. They hosted a truly elegant and glamorous shindig last week, and once again it was like the old days in Birchwood.

On Labor Day evening, Sept. 3, at 8:30 P.M., J.J.C. Sisterhood has available, tickets for a pre-Boardway show at the Minerva Theatre. The show is, "Here Today" starring Tallulah Bankhead. Immediately after the show a snack will be served at the Jericho Jewish Center. Two orchestra seats — including midnight snacks — \$10.00. Call OV 1-1342 for reservations.

The Jericho Chapter of Hadassah will hold their Fourth Annual Eye Bank Luncheon on Wednesday, Sept. 12, at 12 noon, at the NEW Leonard's of Great Neck. Bonwit Teller will stage for Hadassah, the ultimate in fashion shows, featuring the very latest in Fall and Winter dress. Loads of prizes and place favors — as usual. Admission charge is a filled eye bank or \$5.00. For either a bank or reservations, contact Harriet Liebowitz — WE 1-5351 or Dorothy Schulman — WE 8-8222.

Visited my daughters in camp in Massachusetts. While there, saw Ricky Mattes, who is at the same camp. Ricky had one request. "Please don't forget to mention my birthday in your column and mail it to me." O.K., Ricky. "Happy Birthday". Ricky is 10 years old and the son of Sylvia and Joe Mattes of Merry Land.

We were proud to read about Birchwood's Marty Agins in TIME magazine (July 6th issue). It was in conjunction with the story of Eugene Perkauf, founder of E. J. Korvette.

Pioneer Women Bowling Party will be held at the Syosset Lane at 9 PM Saturday night, Sept. 15th. The evening will include 2 games of bowling (shoes included) and a hot and cold buffet. For reservations and information call Jo-Ann Hartman, WE 1-1814 or Judy Morrow WE 5-5734.

The Jericho Chapter of Cancer Care is having their luncheon at the Moorings in Cold Spring Harbor at 12:30 PM on Saturday, Sept. 22nd. The feature of the luncheon will be a showing of Mr. John's Hats and Accessories. Admission is \$5.00. Call Bobbie Smoller, WE 8-3616, for further information.

Problems of Youth . . . Adele and Arnold Glucksman of Fountain Lane, sent son Howard, age 9, off to camp. As every parent of a camper knows, it is with much nervousness that you await the first letter, telling how your heir or heiress likes camp life. As the postman brought their eagerly awaited dispatch, the Glucksmans were astonished as they read, "The boys in camp were wondering if Daddy is 35 going on 36, or 36 going on 37. Please answer immediately." (Continued on next page)

## Civics Approve Syosset Park-Industry Plan

Dog Bites Boy  
by Horace Bernstein

Last Sunday, July 22nd, on Mellow Lane, Paul Weiss, age 13, was bitten by a black dog. There were THREE skin breaks in the skin. To this date, the dog has not been found.

If the dog cannot be found, Paul will have to undergo a series of painful rabies shots. Elsewhere in this paper is a letter written by Peter's mother, appealing to the owner.

We of the VILLAGER staff, have, over the years, been stressing the need for more supervision of owners of dogs over their pets. In this particular case, the dog was on a leash, handled by a woman. We cannot urge the owner of this dog strongly enough to come forward and prove that her dog is free of rabies (if this be the case) so that Paul will not have to go through the danger of shots.

Mrs. Weiss can be reached at OV 1-0768, or, if it is preferred, call the Editor of the VILLAGER, Horace Bernstein, OV 1-2718, who will relay any and all information to Mrs. Weiss.

Letter to Editor  
Mother's Appeal

Dear Neighbor,

My son, Paul, while delivering newspapers around noon Sunday, July 22nd on his bicycle rounded the corner going from Magnolia Lane on Mellow Lane to Maytime Drive. You were walking on leash a small to medium-sized black dog, who suddenly jumped up and caused three skin breaks on the abdomen of my son. You asked him if he was alright, and he, apparently frightened, answered in the affirmative.

I have since ascertained certain facts about rabies, which are causing us much anguish. The incubation period is 1-6 months, and though, most likely, the dog is alright, if we don't know for sure, we shall have to live with this shadow over us. Due to the fact that we are a family of allergies, the rabies shots may prove to be dangerous for our son, aside from the fact that they are very painful. I will not subject him to them unless I am convinced that the dog is rabid.

I know you care or you wouldn't have been concerned on the scene. If this reaches you, I know you will want to allay my anxiety. I guarantee no harm will come to your dog. Please call me at OV 1-0768.

Sincerely yours,  
Sarah G. Weiss  
MRS. M. WEISS

The Jericho Chapter of Cancer Care is going to have their next luncheon at the Moorings in Cold Spring Harbor at 12:30 p.m. on Sat., Sept. 22. The feature of the luncheon will be the showing of Mr. John's hats and accessories. The admission is \$5.00 and all those wanting to attend can obtain tickets or further information by calling Bobbie Smoller, WE 8-3616.

The Birchwood Civic Assoc. has approved the park and industry plan of the Town of Syosset Bay. The proposed revision of zoning classification of approximately 325 acres is located on Jericho Turnpike, Syosset. The proposed site is within the Syosset park district and therefore many of our residents from Birchwood would be eligible to participate.

The Civic Assoc. after a detailed review of the plan felt that it would give our residents many advantages and at the same time help hold the tax rate at its present level with a remote possibility that it may even reduce taxes. The Civic Board felt that the buffer zones set up in the plan would give protection to the residents near the proposed site.

The plan includes a swimming pool and a park. The use of the swimming pool by the Syosset park residents would be similar to the plan presently in operation in Plainville. At the present time the cost to become a member for the season in the Plainville Town people is \$45.00 per family. Our Civic Assoc. is further looking into the possibility of working out a similar pool - park plan for Jericho.

Ten Pin Talk  
by Henry Duckswell

Taken up as we all are with summer activities and vacations, and I'm as glib as the rest, it seems that many of us have forgotten to send our \$5.00 checks to Elliot Spencer. Our roster promises to be well over our last year's 10 team quota, but our names have to be validated in two days. One, we must make sure that our Civic Association dues are paid up and two, our \$5.00 commitment must be given to Elliot.

The days fly by mighty fast. Soon the time for picking teams will arrive and only complications can result from forgetting to send in your deposit. Do it now!! Make it out to B.C.A. Bowling League and send it to Elliot Spencer, 99 Hazelwood Drive, Jericho, N.Y.

We still hear about the wonderful time we had at our June Dinner-Dance. Well plans have already been made for a Saturday night affair June 8 at the Pine Hollow Country Club. This would also be a fitting climax to the bowling season.

Have fun and we'll see you soon!!

To the Editor:

Permit me to thank you for the generous notice given by your worthy paper concerning the establishment of the new parish of St. Paul the Apostle to serve the people of our area. I am also appreciative of your willingness to continue to publicize any noteworthy events associated with our new undertaking.

With prayerful good wishes for the continued success of your efforts to bring the best in reporting to the people of our community, I remain,

REV. DANIEL J. POTTERTON  
Pastor  
St. Paul the Apostle Church

## HI NEIGHBOR

(Continued from Village Front Page)

Shelia and Sandy Baskin of Hazelwood Drive got a more informative postcard. Daughter, Marcia, wrote, "I love camp. I am fine. Fell down a flight of stairs and was sent to the infirmary for stitches. Next day got stung by a bee. Hope you are well, too."

Congratulations to Henry and Ann Dockswell on their 22nd wedding Anniversary. Best of luck to Allan Kaplan, former board member, on his election as Chairman of the Board of Directors of the Jericho Jewish Center.

Welcome home from their Euro-

pean vacation Lea and David Bateman. Anniversary wishes to Evelyn and Eddie Roseman (18).

Irene Koles of Flower Lane received a post card from her son in camp. "Dear Mom, Having a wonderful time, etc. Must leave now the bunk is on fire. Love, your son."

Mr. and Mrs. Martin Solomon of 54 17th St., Jericho, are the proud parents of a daughter, Deborah Anne, born to them July 21 at Mercy Hospital.

Christina Ruth is the name of the new arrival at the home of Mr. and Mrs. Robert Angstadt of 34 Sleepy Lane, Hicksville. The little miss made her arrival July 24, at Mercy Hospital.

## Fox Takes Course

Jacob Fox, Hicksville representative of the Metropolitan Life Insurance Co., has participated in a special advanced training course relating to estate planning and business life insurance underwriting. The course was given at the company's home office in New York City.

Fox, who lives at 15 Rover Lane, recently was appointed to the position of Metropolitan Life Insurance Consultant, in which capacity he will continue his insurance sales and service activities from the Metropolitan's Hicksville district office. The office is under the direction of Manager Joseph B. Cepelak, C.L.U.

## Stoll Pitches First No Hitter

Marty Stoll, of the B'nai B'rith Bombers pitched the first no hitter this season in the Jericho Softball League. History was almost made by Marty when he almost pitched a perfect game. He gave up one walk and that was the only man who reached base during the entire game. The all season steady pitching of Marty Stoll was one of the key factors that the B'nai B'rith Bombers lead the American League.

The Knights of Pythias beat the Princeton Park Bombers 8-2. The West Birchwood Tigers beat the B'nai B'rith Bombers 14-5, and the Robins defeated the West Birchwood Darts 12-6.

# FASTER TELEPHONE SERVICE ON LONG ISLAND

Now you no longer need to dial the Area Code on calls from Nassau County to Suffolk County

Now telephone customers in Nassau will no longer need the Area Code (516) to reach any point in Suffolk County. For example, to dial MOhawk 9-9970 in Babylon, just dial MO 9-9970. You no longer have to dial your own Area Code first. We've made changes in dial equipment to provide you with this

convenience. ■ But please remember to dial Area Code 212 on calls to any of the five boroughs of New York City—Queens, Brooklyn, Staten Island, Manhattan and The Bronx. Use of the proper Area Code for all points outside your own 516 area will give you fast, accurate service.

## Nautical Cadets Put on Good Show

The Nautical Cadets of the Nassau County Police Boys Club had their annual Parents Night on June 9. The evening's festivities got off to a wonderful start when 104 cadets, dressed in review uniforms, passed in review before such honored guests as Deputy Inspector Kirk of Nassau County Police Dept., and Walter Chomasta, President of the Nassau County P.B.C. The boys were shining in their uniforms and the display was indeed thrilling to watch. Their special guests included the President of the Ladies Auxiliary and the ladies all in full uniform, the President of the Men's Club, that is, Mrs. Florence McCabe and George Moore, and Patrolman Dave Ryan, in charge of the Hicksville P.B.C. The various units exhibited some of the things they have been doing

this year; communications sent and received, messages via walkie-talkie, radio, signal light, and flag code; then the teams went to work in some knot tying contests, and, of course, the very wonderful Drill Team then display "Close Order" drill, the silent manual of arms with the Queen Anne and Queen Victoria Salutes. This was really very impressive. The Cadet Band took over and marched and played better than ever.

After much suspense and anticipation, came the sought-after Cadet of the Year award. This year awarded to Ronald Kelly. The Boss brothers kept it in the family when they took home the honors for having gotten a perfect score in all their test for next grade. The awards are not won but earned by these boys the hard way.

## Library Corner

On Friday afternoon, July 27th, an exhibition of children's paintings, followed by a reception, was held in the auditorium of the Hicksville Public Library. This was the culmination of this year's Summer Art Class program, which is sponsored by the library and is conducted by Mrs. Emmy Krasso. One hundred children were enrolled in the four classes that met once a week for four weeks. The children ranged in age from 5 to 12 years old. Different media were used for the different age groups. The classes started on July 5th and 6th and ended on July 27th and 28th.

The library has been very fortunate to have the services of Mrs. Krasso, who has been coming here from Plainfield, N.J. for the last 14 years to teach the children of Hicksville. Mrs. Krasso is a recognized artist who has lived and painted in many countries including India, where she painted a life-sized symbolic portrait of Mahatma Gandhi. She is particularly interested, however, in encouraging artistic expression in children at an early age and it is

for this reason that she has been so faithful in her services to us over these many years.

Another long-term project of the library has been the Summer Reading Club. This year the theme for the club has been the United States of America. Each club member must read at least six books, three fiction and three non-fiction, during the period of the club's activity, which this year is from July 2nd to Aug. 10th. Over 100 children are registered for the club.

On Aug. 14th the children who have successfully completed their readings will be taken on a trip to the American Wing of the Metropolitan Museum of Art in New York City. On their return, certificates will be handed out to each one at a party in the library auditorium.

William M. Gouze Jr. Post No. 3211  
By Eddie Kleining

Highlighting last week's meeting was the drawing for the awards. This proceeded smoothly with the following people winning: Messrs. Laight, Gerlach, Carson, Allen, Carlson, Korlitz, Switalis, Grossman, Lortterill, and Vince Braun the only Post member to win. Another winner that night was Mike Znach who took the Post raffle.

The impromptu fishing trip planned last month lacked the attendance expected. However, according to George Walden, those who attended had a good time and are looking forward to another one next year. Did they catch any fish? I believe something was mentioned.

George Kramer is well pleased with the anticipated number of people planning to attend this year's picnic at Salisbury Park on Aug. 12. Just a reminder to those who plan on coming. We are assigned to Group Area 1 at Parking Field number 4. We are permitted to use our own charcoal grills in addition to those available on the grounds.

A discussion at the last meeting prompts this writer to advise all members who are sick or in distress to notify the Post Chaplain. If you are living alone have your neighbor notify him. If alone and hospitalized, the hospital will do the same if you request them in. The Chaplain or the Post have no way of knowing unless YOU or somebody notifies them. As members of the V.F.W. we are concerned about each others health and welfare. Take the example below:

Several weeks ago the Gun Hill Post of the V.F.W. in the Bronx notified the Jericho Post that one of their members passed on and they could not attend the funeral services held at the Stock Funeral Home in Hicksville. The Jericho Post then notified Fred Sutter who in turn called Vicie Edwards the Post Chaplain. This all took place around five o'clock in the afternoon. The chaplain started to call members of the Post and by nine o'clock 17 members attended funeral services for a departed comrade they had never seen.

Sitting out a rainy morning in the Public Library and viewing some old Post columns in microfilm I noticed Lou Palladino reported the success of a "Paint Party" a few years back. How about another one this fall? The old clubhouse can sure use a new face.

That's about it. See you at the picnic. Our next meeting to be held Aug. 13. Don't forget to attend.

## Dialing to Suffolk

Starting Aug. 1 telephone users in Nassau no longer need to dial the 516 area code when they call Suffolk County, it was announced by Stanley M. Blauser, Jr., division manager for the New York Telephone Co.

"This means, for example, to dial MO-9-9970 in Babylon a Nassau resident will simply dial MO 9-9970," Mr. Blauser said. "He won't have to dial 516--his own area code--first." Blauser said. "Changes have been made in the dial equipment in every telephone central office in Nassau County to make this convenience possible. These changes will improve telephone service for 450,000 users in Nassau. Starting today they will be able to reach 70 more exchanges without using an area code."

## Only Trustees Vote At School Meeting

Shortly before midnight at the Hicksville Senior High School auditorium with an audience of about 500 persons, the largest at a School Board meeting in recent years, a woman near the front to one side wanted to vote. A little after midnight, as the audience began to dwindle she spoke up again "when do we vote? Are you going to wait until everybody goes home?"

President Jerome Zettler patiently explained that only the Board members would vote at this meeting and that there was nothing for the public to vote upon on Friday night. She didn't give her name but the incident brought forth loud laughter from the audience.

## BOARD VOTES

(Continued from Page 1)

meetings.

William L. Maher, who is sponsoring a "Statement of Support" on the board's action on a prayer, made a plea for additional signatures.

Despite the record-breaking crowd present at the meeting, Friday night, it received scant follow-up coverage in the daily press.

Martin Daddy of Myers Ave called attention to what he described as distortions in the press. He said the meeting of the evening was "banner-headlined" in the NY Daily News as a "fireworks meeting on the Star Spangled Banner." The article itself claimed the residents of Hicksville are "sharply divided on the prayer issue."

Actually, he said, "we know where the division is and those of us who were at the June 29th meeting when the Board put thru the resolution regarding recitation of the Star Spangled Banner as a substitute for the Regents' Prayer -- we know who opposed it. And no one has ever requested that their child be excused from recitation of the Regents' Prayer. The issue has never come up before."

"Other people have told me and now we see it, that distortion occurs between the scene and the printed word."

The Daily News on the day of the meeting had devoted its inquiring Photographer department to the Hicksville School Board action on a prayer, the text of which is reprinted else where in this issue.

Mr. and Mrs. Edward Collings, of 38 Hope Lane, Hicksville, are the proud parents of a daughter, Claire, born to them July 17 at Mercy Hospital.

A daughter, Judith Ann, was born to Mr. and Mrs. Edward Soler of 148 Washington Ave., Plainville. The little lady made her arrival July 17 at Mercy Hospital.

AIRMAN BASIC Forrest Dunbar, son of Mr. and Mrs. Walter H. Dunbar of Hicksville, is being re-assigned to the United States Air Force technical training course for radio and radar maintenance specialists at Keesler AFB, Miss. Airman Dunbar, who has completed his basic military training at Lackland AFB, Texas, was selected for the advanced course on the basis of his interests and aptitudes. He is a 1960 graduate of Hicksville High School.

## Final Campfire For Senior Scouts

By Kathleen Mill Round Up-Reporter

BUTTON BAY, Vermont -- The 8,500 campers attending the 1962 Girl Scout Senior Roundup replied to a challenge from President Kennedy at a final campfire held Saturday evening July 29, in an outdoor arena at Button Bay State Park.

The campfire climaxed the national encampment which has been in progress since July 18, and which will terminate as the last girls leave on Tuesday afternoon, July 31. During two major forums and in several smaller discussion groups, the girls made pledges in answer to the Presidential challenge to discover "how you as individuals can prepare yourselves for service to your country and to mankind."

The pledges were summarized by girl representatives in seven specific answers which were wired to the White House. The pledges, which were recited by Jane Edwards, 16, of Monroe, Louisiana, spokesman for the campers, include the following:

"We will re-examine the Girl Scout Promise and Laws and work harder to use them as principles to live by."

"We will try to find our prejudices and erase them."

"We will promote peace in our world by first finding peace in ourselves."

The chief speaker of the evening was Miss Betty Lou Raskin,

head of plastics research and development at the Carville Barton Laboratory, Johns Hopkins University, Baltimore, Maryland.

During her address, entitled "Be A Thinking Lady", Miss Raskin stressed the importance of a liberal education before specializing in a chosen field. She encouraged the girls to pursue their special interests both professional and as individuals, and decried the "anti-quoted fallacy that it is unlikable for a woman to take out an appendix, design a microwave circuit or foam a plastic". According to Miss Raskin, professional achievement and homemaking are not incompatible. She also urged her young listeners to take an active part in community and world affairs, citing the growing need for female leadership.

Miss Dolores Robian, 16, of Baltimore, Maryland, chaired the

event.

A campfire of fagots brought to the Roundup by the 8,500 participants terminated the final Roundup gathering. Each camper, including Girl Guides from 14 other countries, will take home a brand from the campfire to her own troop.

Sunday afternoon, the Girl Scouts unveiled a granite marker, to serve as a permanent reminder of the 1962 Girl Scout Senior Roundup.

Mrs. Merritt C. Farrell of Cincinnati, Ohio, Roundup chairman, presented the marker to Perry, Merrill, Commissioner of the Vermont Dept. of Parks and Forests. A patrol of eight girls from Barre, Montpelier and Stowe, Vermont, planted a blue spruce by the marker.

Approximately 70,000 visitors will have toured Roundup during the ten days of full encampment from July 20-29.
